2021 REPORT OF THE SELECT BOARD

This year the Town further embraced the new and different ways we provide services to residents. The Barrington Select Board and municipal employees addressed the challenges of the ongoing pandemic and continued to make valuable progress maintaining fiscal responsibility while providing exceptional services to residents. The Town accomplished many priorities during 2021 in areas which include infrastructure, financial, personnel, pandemic response, land/conservation, and transparency. As the Town enters its Tricentennial year, the Select Board is excited to celebrate a history of resident-focused local government. Please find details of these accomplishments in the paragraphs below and throughout the 2021 Annual Report.

The Select Board recognizes that investments in our infrastructure, facilities, and equipment results in improved and efficient services to the community. Early in 2021, the Select Board awarded the Town's on-call engineer services to CMA Engineers with Josh Bouchard (a Barrington resident and Fire Department volunteer) as the primary project manager. One of the priority projects for the new engineer was a comprehensive pavement management plan which the Select Board commissioned. This plan was developed in late 2021 and the Town will begin implementation in 2022. The Town is also making essential progress toward improved communications throughout Town. Normand Boucher (a Barrington resident) has generously donated his time and the expertise of his company (Communications Design Consulting Group) to advise the Town on improved radio communications for the Fire, Highway, and Police Departments. These projects are expected to be completed in 2022. The Select Board has supported the Recreation Department with multiple facility improvements including the gym floor replacement and new bleachers; gym wall renovations and new playground shade structures are scheduled for 2022. Each of these Recreation facility projects are fully funded with user fees from the Recreation Revolving Fund. In March, Town Meeting approved the purchase of an ultra-terrain vehicle for emergency response with more than 50% funding provided by the Barrington Firefighter's Association. Late in 2021 construction began on the new Town Hall approved by voters in 2019; this project is expected to be completed in the summer of 2022. In 2022, the Select Board will be working with the Library Trustees and Police leadership to develop new facility plans which residents can support.

The Select Board is proud of their continued record of considering the financial impact of each decision they make. This ongoing commitment to financial stability has a direct positive impact on the municipal tax rate. In 2021, the total tax rate dropped to \$19.50 per \$1,000 of assessed value and the municipal tax rate was set at \$2.95. At 15% of the total tax rate, Barrington's municipal portion ranks in the 4th percentile across all 234 Towns and cities in New Hampshire. Further, five of the eight communities with smaller municipal portions have a population less than 1,000. In early 2021, the Town received the first half of the nearly \$1,000,000 in federal aid authorized through the American Rescue Plan Act. These funds will be used to carefully offset and reduce the financial burden of projects and services to Barrington taxpayers. The Select Board has continued their annual review of exemptions and credits and supports two more credit increases for eligible Barrington veterans. A new

2021 REPORT OF THE SELECT BOARD

(continued)

auditor was selected in early 2021 and they reported positively on Barrington's financial position and accounting. The 2022 budget was developed with care to the ongoing financial pressure being experienced in the community. The Select Board is proud to present an operating budget in 2022 which is estimated to have no tax rate impact based on increased revenue.

Town employees and volunteers are directly responsible for the exceptional services provided by the Town. The Select Board has demonstrated a commitment to supporting all of Barrington's public servants. During the summer of 2021, the Select Board supported the creation of a Working Foreman position (Andrew Rawson) in the Highway Department to support the essential role that department plays in keeping Barrington's roads safe. In the fall of 2021, the Select Board supported the addition of one full-time Firefighter/EMT (Cameron "Jesse" Cole) in the Fire Department to support the increased demand on the department. The Select Board also supported the addition of Police Officer which is presented in the 2022 budget. In addition to the new positions, the Town welcomed the following employees into vacant positions; Henry Reznicek – Police Officer, Joseph Clark – Lead Attendant, Deborah Wood – Human Resources Administrator, Crystal Merkey – Deputy Tax Collector, Sarah Prantis – Library Clerk, and Indy – Police Canine (generously donated by the Barrington Police Union using community donations). In 2022, the Select Board will continue to support staff and volunteers.

The Barrington Select Board worked diligently to monitor and respond appropriately to the local impacts of a global pandemic. Their efforts included regularly updated Town policies to reflect the prevailing guidance from State officials. The Select Board continued the waiver of site review requirements in order to allow business to expand their services to stay viable through mid-2021. The Select Board supported staff in implementing new and improved access to services which prioritize safety and availability. In 2022, the Select Board will continue to prioritize health and safety while our community experiences the impacts of the COVID-19 pandemic.

Barrington's commitment to conservation and land stewardship was demonstrated by multiple projects in 2021. Following the forest stewardship plan developed in 2020, forest stewardship activities began on the expanded Goodwill Conservation property. These efforts will result in additional trails and a new parking area and trail access on Ross Road. The Town Lands Committee worked diligently to research and recommend the sale of nearly a dozen tax-deeded properties, returning them to the tax rolls. In 2022, the Town Lands Committee and Select Board will work to sell 'The Homestead' which is a 50-acre, tax-deeded, subdivision in southwest Barrington.

A foundational tenet of the Select Board's approach to governing is openness and transparency. Town government, above all else, should be accessible to the public. The pandemic-related transition to virtual meetings has dramatically increased attendance and community participation in public meetings. The Select Board has maintained virtual participation even after in-person meetings resumed. Although the Select Board meetings have been recorded for a few years,

2021 REPORT OF THE SELECT BOARD

(continued)

the virtual meeting platform has facilitated the recording and virtual access to Planning and Zoning meetings which can be found on the Town's YouTube Channel. The Select Board minutes have been improved to include links to supporting documents and the specific portion of the video recording where each topic is discussed.

In conclusion, the Select Board is proud of the progress made in 2021 and looks forward to maintaining the momentum into 2022. The Barrington Tricentennial Committee has many events and activities planned to celebrate the significant milestone of Barrington's 300th anniversary. Finally, the Board wishes to thank all the volunteers and employees who have dedicated themselves to public service as Barrington looks forward to another great year.

Respectfully Submitted,
The Barrington Select Board

Andrew Knapp, Chairperson
James Saccoccia, Vice-Chairperson
George Bailey
Daniel Ayer
Dannen Mannschreck

2021 ANNUAL TOWN MEETING

To the inhabitants of the Town of Barrington, in the County of Strafford, State of New Hampshire, qualified to vote in Town affairs: You are hereby notified of the annual meeting.

The first session for the transaction of all Town Meeting business, other than voting by official ballot, shall be held Saturday, the 30th day of January 2021 at 9:00 AM at the Middle School, 51 Haley Drive, Barrington. If the session cannot be held that date because of weather or other unexpected emergencies the session will be held the 1st day of February 2021 at 6:30 PM at the same location.

The first session shall consist of explanation, discussion, and debate of each warrant article. Warrant articles may be amended, subject to the following limitations: Warrant articles whose wording is prescribed by law shall not be amended. Warrant articles that are amended shall be placed on the official ballot for final vote on the main motion, as amended.

The second session of the annual meeting, to vote on questions required by law to be inserted on said official ballot and to vote on all warrant articles from the first session on official ballot shall be held Tuesday, March 9th, 2021 at the Middle School, 51 Haley Drive. The polls shall be open from 8:00 AM to 7:00 PM.

DELIBERATIVE SESSION OPENING REMARKS

Town Moderator Ron St. Jean called the Deliberative Session to order at 9:01 am, explained the safety exits and read his Rules of Order, gave a summary of how Barrington arrived at becoming an SB2 town. He introduced those in attendance.

Andrew Knapp, Chair of the Select Board, called for all to stand and lead the pledge of allegiance and read his opening remarks and thanked the audience for attending.

Peter Royce spoke on behalf of the Advisory Budget Committee. Explained their part in the budget process. He thanked Conner MacIver for all his work with the Dept. Heads in helping make the budget process go smoothly. Mr. Royce asked if anyone would like to consider signing up for the Advisory Budget Committee.

2021 ANNUAL TOWN MEETING - RESULTS

ARTICLE 06 – Emergency Communication Capital Reserve

To see if the Town will vote to raise and appropriate the sum of \$60,000 to be added to the Emergency Communications Upgrades Capital Reserve Fund previously established, this sum to come from unassigned fund balance with no amount to be raised from taxation. [Majority Vote Required]. Note: This appropriation is in addition to Warrant Article #2, the operating budget article.

This article is recommended by the Select Board 5-0. This article is recommended by the Advisory Budget Committee 5-0. This article will have no impact on 2021 property taxes.

YES: 751

NO: 204

RESULT: PASSED

ARTICLE 07 – Purchase of Ultra-Terrain Vehicle for Fire and Rescue Operations

To see if the Town will vote to raise and appropriate the sum of \$32,000 for the purpose of purchasing an ultra-terrain vehicle and necessary equipment for fire and rescue operations. This special warrant article will be a non-lapsing appropriation per RSA 32:7, VI and will not lapse until December 31, 2022. It is anticipated that \$16,000 or 50% of the total cost will be donated from the Barrington Firefighter's Association, with \$16,000 to be raised by taxation. This article is contingent on the Town receiving the donation, if it is not received this article will be null and void. [Majority Vote Required]. Note: This appropriation is in addition to Warrant Article #2, the operating budget article.

This article is recommended by the Select Board 4-1. This article is recommended by the Advisory Budget Committee 3-2. This article is projected to add 1.5 cents/1,000 to the 2021 tax rate or \$4.50 to the tax bill on a \$300,000 property.

2021 ANNUAL TOWN MEETING - RESULTS

ARTICLE 15 – Police Collective Bargaining Agreement

To see if the Town will vote to approve the cost items included in the Collective Bargaining Agreement reached between the Select Board and the Barrington Police Union NEPBA Local #240 which calls for the following increases in salaries and benefits at the current staffing level:

<u>Fiscal Year</u>	<u>Estimated Increase</u>
2021	\$4,787
2022	\$7,000
2023	\$2,000

and further to raise and appropriate \$4,787 for the current fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits required by the new agreement over those that would be paid at current staffing levels. [Majority Vote Required]. Note: This appropriation is in addition to Warrant Article #2, the operating budget article.

This article is recommended by the Select Board 4-1. This article is recommended by the Advisory Budget Committee 5-0. This article is projected to add 0.5 cents/1,000 to the 2021 tax rate or \$1.50 to the tax bill on a \$300,000 property.

To transact any other business that may legally come before said meeting of the honorable Town Government.

REPORT OF THE TRICENTENNIAL COMMITTEE

On May 11th, 1722, the Town of Barrington was incorporated which means we are just a few short months away from our 300th birthday. About 3 years ago Jim Calef, Peter Cook and Kevin Knight started talking about our upcoming Tricentennial and began to reminisce about how much fun they had as kids during the towns 250th anniversary celebration in 1972. As time went on the idea of forming a Tricentennial Committee was born with an eye towards having a grassroots celebration in 2022 that would bring out some of the history of our great little town and plenty of fun family events to make this milestone memorable.

A core committee consisting of Jim Calef, Rayce Calef, Peter Cook, Kim Jackson, Kevin Knight, Erin Paradis, Caryn Ranson, David Ranson, Joel Sherburne, Garth Svenson, Dale Sylvia, Jessica Tennis, Scot Villeneuve, and Rick Walker began to meet. As time went on the ideas began to take shape and a Tricentennial Logo was designed by Barrington Resident Karen Holdman using a photo of Stonehouse Pond taken by Barrington resident Will Lenharth as the focal point, and we were on our way.

We have a number of fun family events planned monthly with a big celebration focused in July starting with a not-to-be-missed Tricentennial Parade on Saturday, July 23rd, an old timers baseball game in conjunction with the BYA's 50th anniversary this year, a cemetery walk, concerts, garden tour, a historical scavenger hunt, a civil war encampment, history day in conjunction with the Historical Society, and a Fireworks Display on July 30th.

It is our sincere hope that we can present a fun and memorable year full of fun events for our residents and guests. Please keep an eye on our web page Barrington300.org or our Facebook page for more information.

We look forward to an exciting year in Barrington.

Hear Ye, Hear Ye, Hear Ye,
our Tricentennial Celebration has begun.

Enjoy the year.

Respectfully,

The Tricentennial Steering Committee

2021 REPORT OF THE POLICE DEPARTMENT

(February 2022)

Back Row: Officer Jameson Young, Officer Henry Reznicek, Sergeant Tyler Currier, Administrative Assistant Katie Perry, Sergeant Erik Baker, Officer Sam Surawski, Officer Scott Young
Front Row: Officer Michelle Libby, Deputy Chief Dan Brooks, Chief George Joy, Detective Sergeant Amanda Barber, K-9 Officer Donald Morse, K-9 Indy

The Barrington Police Department is happy to report that we all successfully made it to the end of 2021. This past year was challenging for us. We experienced a critical incident involving our Deputy Chief as well as two cruisers being destroyed through no fault of the involved officers. Taken individually, these events present problems. When experienced in close proximity, they put a significant strain on operations. Due to the quality of your staff, however, there was little impact to the public.

Staffing continues to be a significant issue which plagues the law enforcement profession, and BPD did not escape unscathed this year. Unfortunately, Officer Swards chose to return “home” and was hired by the Somersworth Police Department. Detective Aube also chose to make a change and moved to the patrol division of Rochester PD. Thankfully, BPD was able to hire two outstanding employees. Officer Henry Reznicek was hired and graduated from the Academy. He was released from his field training in the fall and has acquitted himself very well thus far. Officer Cameron Berry was hired in the fall and entered the Academy in early January of 2022. We are looking forward to his return in the spring.

All members of the Barrington Police Department attended a diverse range of training to ensure that we provide the citizens of Barrington with professional service guided by current law enforcement best practices. We brought in a subject matter expert to instruct a multiple day class on crime scenes and the proper processing of evidence. Further, the vast majority of staff successfully completed the new blocks of instruction offered by Police Standards and Training in the areas of De-Escalation, Ethics, and Implicit Bias as suggested by the Governor’s LEACT study.

2021 REPORT OF THE POLICE DEPARTMENT

(continued)

Officer Reznicek's Graduation – Deputy Chief Daniel Brooks, Sergeant Eric Baker, Officer Samuel Surawski, Officer Henry Reznicek, Chief George Joy.

2021 brought the implementation of Body Worn Cameras to BPD. Detective Sgt. Barber ensured that staff was properly trained, and there were very few issues putting the cameras in service. The use of the cameras has been extremely valuable in areas such as prosecution and transparency.

The Barrington Police Department did not engage in as many community events as we would like due to the ongoing pandemic. We look forward to continuing to engage with the public at “normal” events such as Trunk or Treat, and new events such as the Tricentennial.

I would like to thank the public, the Barrington Select Board and The Town Administrator for their continued support. The Barrington Police Department cannot do its job efficiently without the support of the community.

Respectfully submitted,

George Joy

Chief of Police

2021 REPORT OF THE POLICE DEPARTMENT

(continued)

Officer Cameron Berry's badge is placed by wife Brandy McKay Berry

K-9 Officer Donald Morse and K-9 Indy

Officer Reznicek – Community Relations

2021 REPORT OF THE POLICE DEPARTMENT

(continued)

Item	2021
Accidents	134
Traffic Stops	2,895
Arrests	291
Calls for Service	12,589
Alarms	232
Building Check/Directed Patrol	2,782*
Animal Complaints	287
Burglary	6
Community Outreach Events	37*
Total	19,253

*These incidents are normally documented by our officers in their MDTs. Due to MDT failure, officers were unable to do so on their own. These numbers will increase to “normal” levels when the technology within the cruisers is replaced.

The Barrington Police Department has personnel on duty 24 hours a day; however, we do not staff the station continuously. When assistance is needed, the following phone numbers should be used:

- 911 Emergency Calls
- (603) 664-2700 Strafford Dispatch: for all non-emergencies 24 hours per day
- (603) 664-7679 Office, Monday thru Friday, 8:30am-4:30pm

We understand that every incident is important to the reporting caller, and we attempt to respond to each issue as soon as possible. Frequently, our response is delayed due to staffing issues and the need to prioritize our response to calls for service.

The best way to protect your property is to be **extra vigilant of suspicious activity at your home and your neighbors, reporting any suspicious people or activity immediately to the police. Dial 911 or (603) 664-2700 to report the activity. We would rather respond and not be needed than not be called when we are needed.**

We would not be effective without assistance from the following groups and wish to thank them.

- The citizens of Barrington who report crimes and suspicious activity
- The Barrington Fire and Rescue Department
- The Barrington Highway Department
- The Police Departments from neighboring towns with whom we share mutual aid.
- The Barrington Business Community

It is our privilege to serve the Town of Barrington and its residents. It is our goal to render efficient and professional service to the community. We encourage anyone with questions or concerns to contact us. The Department will better serve the community’s needs with community participation.

2021 REPORT OF THE FIRE & RESCUE DEPARTMENT

In 2021 our members responded to 785 requests for medical aid and 353 fire related calls for a total of 1138 calls for service, an increase of 7 calls for service over 2020. Our call volume in 2021 equates to an average of just over 3 calls for service per day including weekends and holidays. As our town continues to grow and our population continues to age, we can expect to see continued demands for service, especially emergency medical services.

We currently have a staff that includes a full-time Fire Chief, 3 full-time Firefighter/EMT's as well as multiple part-time Firefighter/EMT's that complement our Call Members which continue to be the backbone of Barrington Fire & Rescue. The full-time and part-time employees allow us to have 3 people on duty 7 days a week, from 6am-6pm. We depend on our call force to cover from 6pm-6am, 7 days a week and any other time that they are available when an emergency strikes. Without these very dedicated call members Barrington would be in serious trouble.

We are working with the Select board to increase full-time staffing, in the fall of 2021 they approved the hiring of a full-time Firefighter/EMT. It is our hope that within the next year or so we can hire a 4th full-time employee so that we can staff a two-person shift, 24/7 with a third on during the day.

Barrington Fire & Rescue enjoys a strong working relationship among the various departments that ultimately allows us all to provide better services to our taxpayers at a reasonable price. I want to especially thank the Highway Department staff for doing a great job keeping our roads safe in all kinds of weather. This is a huge help in allowing us to serve our residents during their time of need.

A special thank you also to Chief George Joy and the men and women of the Police Department for always being there for us, many times serving as an extra set of hands when needed.

The best way to keep your family safe and ensure quick response during an emergency is to properly mark your driveway and home with street numbers that can be seen from either direction of travel, day or night. Remember, you know where you live but we don't. Take a good look at your address numbers and ask yourself, "could emergency services find us quickly during an emergency?" If not, fix it so we can. Help us to help you! You may have seen the green signs with white reflective numbers around town. The Firemen's Association can provide you with one for the low cost of \$10. Call the station for more information.

Working smoke detectors save lives. "Hear the beep when you sleep." There should be interconnected smoke detectors on every level of your home, in each sleeping area and immediately outside each sleeping area. Smoke detectors should be replaced every 10 years. We should also have a working Carbon Monoxide detector in our home. Carbon Monoxide is a colorless, odorless, tasteless gas that can be deadly if undetected. Call the station for more information.

2021 REPORT OF THE FIRE & RESCUE DEPARTMENT

(continued)

For the latest in Fire and EMS information please go to the town website and click on the Fire & Rescue link. We also provide regular updates on Facebook and encourage you to “like” our Facebook page.

Firefighters and EMT’s by the very nature of what they do, experience highs and lows which can be extreme depending on the call and its outcome. I cannot say enough about the very dedicated members of our department. Through it all, even during the most adverse conditions, they always find a way to get the job done. I am grateful for all that they do during our time of need and am honored to be associated with each of them. Our volunteers are the backbone of Barrington Fire & Rescue. Without them we could not provide the services we do. They will forever have a special place in my heart. Barrington can be proud of these very dedicated men and women. I also want to thank the families of our responders for so generously sharing them with us. God bless you all.

We ask that residents support the town budget which is where we get the funding to provide our services. We also ask that that you support warrant articles putting money away for the replacement of fire trucks, communications upgrades, and equipment purchases. All are designed to put some money away each year for future purchases of large ticket items. To put it in perspective our next engine replacement scheduled for 2024-2025 will likely cost us about \$750,000.

In 2021 we presented a warrant article to purchase a new Ultra Terrain Vehicle to be used by the Police, Fire & Rescue departments with related equipment. The voters approved this article to pay \$16,000 toward the purchase with the Firemen’s Association, EMS Association and Police Department picking up another \$18,000 toward the cost. The UTV has been ordered and we are anxiously waiting its arrival so we may begin training on it and getting it into service.

Barrington has many volunteer opportunities from Fire & EMS to Library, Recreation, Food Pantry and various boards and commissions. Volunteerism is part of what makes Barrington the great town that it is. If you already volunteer thank you, if not find an area that interests you and get involved. You will be glad you did!

Stop by any time to get more information about joining our team, or to just check out the shiny Ambulance and Fire trucks. We love to show people around.

Our Fire Department meets every Tuesday night at 7pm and our Ambulance Department meets the third Wednesday of every month at 6:30pm.

In 2022, Barrington will be celebrating our Tricentennial year 1722-2022, our Tricentennial Committee has many family fun events planned. It’s going to be a fun year in Barrington.

2021 REPORT OF THE FIRE & RESCUE DEPARTMENT

(continued)

Finally, a big heartfelt Thank You to the responders of Barrington Fire & Rescue who make it all happen. Without these highly trained and dedicated people our department would be in serious trouble.

I am honored to be able to serve the residents and guests of this great town. Thank you and God Bless! Barrington Strong!

Respectfully Submitted,
Rick Walker
Fire Chief

2021 REPORT OF THE FIRE & RESCUE EMS DIVISION

This past year was another busy one for Barrington's Ambulances. Our On Call and Full Time EMS Responders were dispatched to 785 medical incidents (9% more than in 2020) and contacted 834 patients (almost 8% more than in 2020). We transported 423 (almost 7% more than in 2020) of those patients to local hospitals. These calls were performed under the additional constraints of COVID-19 protection protocols. We had to rely on Mutual Aid Services to transport 5% of our patients and all were because the Town's Ambulance was already out on a call. We were also able to supply 31 EMS Mutual Aid Runs to our neighbors as well. This coverage was primarily due to having at least one full time, paid, EMS Provider available for the Ambulance crew on a 24/7 basis and an "On-Call" assignment of EMS Responders to supplement the crews. The insurance and Medicare payments, as a result of our patient transports annually, puts a substantial amount of money back into the Town's General Fund.

Due to the efforts of our On Call and Full Time Staff, we had at least one Licensed EMS Provider from Barrington at more than 99% of all our calls. The criticality of shortening EMS First Responder time cannot be over emphasized. One well equipped EMT can stabilize one, or more, patients until additional help or an Ambulance arrives. We continue have both our old and new Ambulance available for use and are rotating them in service. This will go a long way to improve our vehicle longevity.

Our Town is fortunate to have 29 NH Licensed Emergency Medical Providers, including 17 EMTs, 8 Advanced EMTs and 4 Paramedics. State law requires at least two NH Licensed EMS Providers, one of which must be at least an EMT, in order to transport a patient. Each patient transported to a hospital takes about 90 minutes round trip from the pager going off, to when the Ambulance returns to the Public Safety Building.

2021 EMT of the Year Mike Bayer awarded EMT of the Year by Joel Sherburne

2021 REPORT OF THE FIRE & RESCUE EMS DIVISION

(continued)

The first Saturday in May has been designated by the State as NH EMS Provider Recognition Day. Please let our EMS Responders know that you appreciate their efforts to save lives. The third week in May is EMS Week. The 2021 theme was “**This is EMS: Caring for Our Communities**”. During EMS Week we honored Advanced EMT Mike Bayer as Barrington’s EMT of the Year for 2021. The ceremony was held at the George T. Musler Memorial Flagpole at the junction of Route 9 and 125.

BEMS Christmas Tree 2021

BEMS Association continues to maintain the Christmas Tree at the junction of Route 9 and 125, with the support of Calef’s Country Store and the Christmas Dove.

PLEASE MAINTAIN YOUR HOUSE NUMBER VISIBLE AT THE ROAD. There is nothing more tragic than having an EMS Provider trying to respond to your medical emergency, and not getting there in time because of an old address number or no number displayed as specified by the Town’s 911 System Policy. Please help us to help you and your loved ones!

If anyone is interested in participating in EMS or has any questions about Emergency Medical Services they can leave a message at (603) 664-7394, my Email address tmaggio@barrington.nh.gov or contact me directly on my cell phone at (603) 969-4361.

Respectfully Submitted,
Tony Maggio
EMT, MBA
BF&R EMS Division Chief

2021 REPORT OF THE FOREST FIRE WARDEN AND FIRE RANGER

Despite a brief flurry of wildfire activity across the state this spring, the summer and fall months saw weather conditions which kept the fire danger consistently at low levels. Your local fire departments and the Division of Forests & Lands worked throughout the year to protect homes and the forests. The statewide system of 16 fire lookout towers continues to operate on high fire danger days. The towers' fire detection efforts are supplemented by the NH Civil Air Patrol when the fire danger is especially high.

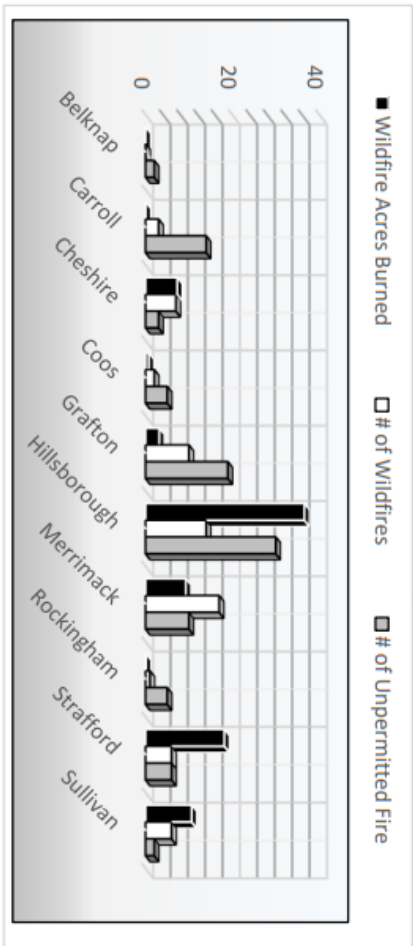

Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Every year New Hampshire sees fires which threaten or destroy structures, a constant reminder that wildfires burn more than just trees. Homeowners should take measures to prevent a wildfire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe!

The long-lasting drought effects in Coos County are showing some minor signs of improvement but a good portion of northern Coos remains in the abnormally dry category with the northeastern portion still remaining in moderate drought. While the drought conditions have improved, we expect some areas of the state may still be experiencing abnormally dry or drought conditions this spring. For this reason, we ask everyone to remember Smokey's message about personal responsibility and follow his ABC's: Always Be Careful with fire. If you start a fire, put it out when you are done. "Remember, Only You Can Prevent Wildfires!"

As we prepare for the 2022 fire season, please remember to contact your local Forest Fire Warden or Fire Department to determine if a fire permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning unless the ground is completely covered with snow. The burning of household waste is prohibited by the Air Resources Division of the Department of Environmental Services (DES). You are encouraged to contact the local fire department for more information. Safe open burning requires your diligence and responsibility. Thank you for helping us to protect New Hampshire's Forest resources. For more information, please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nh.gov/nhdfl/. For up-to-date information, follow us on Twitter and Instagram: @NHForestRangers

*Miscellaneous includes power lines, fireworks, electric fences, etc...

2021 REPORT OF THE TRAILS COMMITTEE

During the past year there was continued heavy use of the over 26 miles of trails the committee maintains on public and private lands in town. “Weekend Walkabouts” were led during eleven of the twelve months to encourage trail use and familiarize the public with the various properties.

A trail system took shape on Brasen Hill Farm with the creation of the Tailings Trail, a footpath that runs over several low ridges, at least some of which were created during bog iron mining conducted in the area during the early 1700’s. Jeb’s Jaunt follows a route that Jeb, the farm dog, often takes as he roams around the property. A trail linking the farm trails to Carriage Run on the Samuel A. Tamposi Water Supply Reserve (SATWaSR) is planned to complete the system.

Four short trails were added to the original part of the Goodwill Conservation Area. All originate from the Goodwill Trail. The Ledges Loop leads to open ledges that form a pine summit, then loops back through open woods. It replaces an illicit trail that was very steep, difficult to negotiate and prone to erosion. A short path, Pond View, leads to the shore of Richardson Pond where there is a bench for folks to relax on and enjoy the view. An old trail leading to a second set of ledges was cleaned up, partially rerouted and blazed. This trail is named Marika’s Ledge Trail to honor Marika Wilde, who chaired the Barrington Natural Heritage Committee throughout its existence and was a long-time member of the Conservation Commission and Trails Committee. Lastly, the Beaver Dam Trail leads to, of course, a beaver dam, located at a picturesque spot along the flowage that feeds Richardson Pond. A second bench was placed near this trail at an overlook with views of the pond. A logging operation was started mid-year on the expansion to the Goodwill Conservation Area, then had to be curtailed due to excessively wet conditions. It is our hope that the operation can be completed this winter so the trails can be completed there and the parking area on Ross Road can be opened to the public.

On the A. Harlan Calef Isinglass Preserve the River View Trail was constructed to provide an access point to the Isinglass River from the Calef Trail. Barrington Middle School Industrial Technology students are making routed wooden signs for the trails on the part of the preserve accessed from Scruton Pond Road and for the Brasen Hill Farm trails.

After a very successful run of 800 copies sold out, with all profits going to the Conservation Fund, it was decided to revise the “Walking Trails of Barrington, NH” booklet before further printing due to the numerous additions to our trails over the past few years.

The trails committee looks forward to another busy year in 2022. If you would like to help maintain Barrington’s trails or have any questions or concerns please contact us at barrtrails@gmail.com

Respectfully submitted,
Charles Tatham
Chairman

2021 REPORT OF THE TOWN LANDS COMMITTEE

The Town Lands Committee continues to carry out the assigned task of providing the Town Administrator (TA) and Select Board with data, assessments, and recommendations concerning the use and sale of town-owned properties.

In 2021 we assisted the TA and Select Board with determining the fate of 24 Town-owned properties. Numerous properties were sold; many purchased by abutters, several were repossessed by previous owners who paid their unpaid taxes. A few others remain in Town ownership awaiting further study. Total income to the Town was \$ 382,532.

Committee members (as well as Conservation Commission members) observed the logging operation that took place on the Goodwill conservation property last fall. Our Town Forester, Tim Nolin, and the L. E. Taylor loggers did a great job in managing selective cutting. Further harvesting may take place in winter if it freezes well in areas that were too wet to work in.

Lately our time has been spent evaluating the various options we have regarding sale of the Town owned “The Homestead” subdivision on Gerrior Drive. A Request For Proposal that was issued and requested interest from developers received no response. Developers said issues related to tax deeds and two dilapidated houses caused them concern. The TA and committee are now working on these two and other associated issues, as getting “The Homestead” 50 +/- acre subdivision sold (and thoughtfully developed) is now the committee’s priority. Two other projects that the committee will be paying attention to are the improvements required at the Richardson Pond Dam on the Goodwill property and the HardRock excavation/road build at Route 125/Liberty Truck adjacent to Tamposi Conservation.

Thank you to the members who continue to give their time and talents to this committee: Jon Janelle, Phil Boodey, Tim Puls, AJ Dupere, David Kay. Alternates: Anne Melvin, Charles Tatham. Ex Officio: Dan Ayer.

Respectfully submitted,
Brian Lenzi
Chair

2021 REPORT OF THE CONSERVATION COMMISSION

Since its establishment in 1974, the Barrington Conservation Commission has secured a significant amount of land in permanent conservation through purchases and easements. In 2021, these conservation lands continued to grow. We began the year collaborating with the Southeast Land Trust (SELT) in their purchase of the 300-acre Leighton Forest on the border between Strafford and Barrington. Recently, we ratified an agreement to accept additional conserved open space adjacent to the new Town Hall.

Conserved lands play an important role in keeping Barrington rural, resilient in the face of damage from changing weather patterns, providing habitat for wildlife and recreation opportunities. Once conserved lands are acquired, we monitor and report on their status. Through the Trails Committee, we continue to maintain our trail network. We published and sold hundreds of copies of an updated trails booklet in the past year. We also have an updated website and a strong Facebook presence.

We continue to provide feedback to the Planning Board, the Lands Committee, and the Selectboard on plans for future development in Barrington, especially in situations in which runoff, wetlands, streams, and water bodies are concerned. We supported the Nippo Lake association in their successful effort to prevent future algae blooms. We've heard the concerns with safety and degradation and boat access on Ayer's Pond. We encouraged SELT to provide safe access to a Stonehouse Pond swimming area. We participated in a resiliency survey conducted by the Strafford Regional Planning Commission.

This year, we supported requests to:

- geocache in the Town Forest.
- conduct Whippoorwill research in the Tamposi Reserve.
- relocate a rare plant to a conserved area.
- support a grant application by The Nature Conservancy to improve a stream near Topaz drive.
- remove a tree on the Tamposi reserve, potentially threatening a dwelling.
- conduct geological research on the Goodwill Easement concerning glaciation.

Some of our work is incomplete. We hope to move forward with several projects in the coming year. We hope to see progress on the reconstruction of Richardson Dam and the completion of a delayed grant agreement with the NH Department of Environmental Services. We also hope to work with the Planning Board to develop a revised wetland buffer ordinance. We have learned of a project by the Isinglass River Local Advisory Committee to have The Isinglass gain a "Wild and Scenic River" designation. We will likely take part.

As Chair, I'm proud of the collaborative approach of the commission. Doug Bogen, Dan Ayer, Jack Gale, Dan Cassidy, Anne Melvin, Jenny Stuart, Gary Imbrie, and Charlie Tatham have each played an essential role in our forward progress. Charlie Briggs, who moved away this year, was also an essential part of that progress.

Respectfully Submitted,
Ken Grossman
Chair, Barrington Conservation Commission

2021 REPORT OF THE SWAINS LAKE DAM

The Swain's Dam continues to vigilantly fulfill its task of maintaining a large convenient recreation area for boaters, fishermen, campers, and full-time lake residents. It also provides a habitat for countless numbers of waterfowl, fish, migratory birds, and exotic vegetation. The dam does its job well, out of sight, out of mind, with not much fanfare. The dam is currently in quite good condition. The concrete work that was done last year yielded an unexpected bonus. For years there has been a substantial projectile weep out of the granite blocks on the river side of the dam. After the concrete work was done the leak stopped. This was an unanticipated benefit of the work that was a huge problem in the making, that just plain went away. Luck was with us.

This coming season we want to do a dive inspection to determine the condition of the concrete structure below the waterline. The drawdown plan seems to be working as we have not heard any complaints in March about wind driven erosion. We are trying to keep a low flow in the river all winter, keeping the lake down until the first of April or so to escape the March winds before we allow the lake to fill again. Not closing the dam completely after drawdown is meant to allow habitat in the river itself to survive better than if we just cut the flow off completely.

This year we are looking to have the rip rap filter engineering done, so that we can have that work done sometime soon to stabilize the effects of wind driven erosion excavating the soil behind the existing rock face. We are keeping the vegetation cut back on a yearly basis. We are also hoping to re-shingle the gatehouse on the lake side, which did not get done this year due to manpower constraints. We realize the role that this dam plays in increased property values, increased tax revenue, recreational capabilities, water supply, and the safety of the Town downstream. It is a very important part of our infrastructure that needs and will get our constant attention.

Respectfully Submitted,
Marc A. Moreau
Barrington Road Agent/Dam Monitor

2021 REPORT OF THE HIGHWAY DEPARTMENT

2021 was a bit of a different year for the Highway Department. A bad snowstorm at the end of December 2020 seemed to set the tone for that winter season, but after the new year we were just plagued with a series of nuisance events of long duration, snow turning to rain with not much accumulation, but lasting 20 to 30 hours. Winter broke at the first of March,

and spring came rather quickly. We were still feeling some lasting ramifications of Covid, which actually had a positive effect on our department. By the end of last year, it became apparent that the Road Agent and the Administrative Assistant could not practice any kind of social distancing in the small second floor office that was shared. A few alternatives were explored, but we finally settled on clearing out the tool room and relocating it to the back building. The selectboard generously appropriated the funds to allow us to create two substantial offices, and a reception area where residents can be greeted right up front as they come through the door, rather than having to wander around the garage until someone saw them and attended to their needs. These offices were a huge step toward presenting a more professional and customer friendly environment to the public, while making it a lot easier, and environmentally safer for us to carry out the ever-increasing office functions of the department. Again, many thanks to the selectboard for listening to and recognizing our plight and responding to it very quickly.

Springtime brought the usual excavator rental and much ditch cleaning, culvert installation, and in our spare time, we created 3 new beds at the old Town cemetery. Later in the year, that machine would also be used to stump the new site of the future Town Hall. Paving projects were started, beginning with Forest Brook Drive and Century Pines drive. This was quickly followed up by Sawyer Lane, Mallego Road, Cate Road, Pond Hill and Beauty Hill. These were all reclaim in place projects adding crushed stone to some of the roads that were showing excessive deterioration. All of these roads received binder coat pavement and will get top coated this coming year. We also did a topcoat on Locke Hill Lane, and managed to have enough budget left to reclaim, and put a base and a top on the Public Safety Building parking lot, which was in dire need.

2021 REPORT OF THE HIGHWAY DEPARTMENT

(continued)

The roadside mower ran nonstop and was able to get a lot of the vegetation taken care of a long distance from the edge of the road. When this machine can run every day, the amount of manual brush cutting it saves a few years down the road is phenomenal. We also added a large amount of stone to Province Road, in an effort to add structural strength to that road to keep it from mudding up. Next spring will let us know if we are on the right track. It looks good so far, yes I know it is bumpy. A bit of patience will net us a good result here I believe. We also installed erosion stone shoulders at Durgin's Hill on Back Canaan Road. Now two vehicles can pass at the same time on this section without fear of falling into a ditch in the process. We also started infusing stone into the road surface of this section, and it has yielded good results with the road not washing away but once, and not real severely.

Late this fall, we were able to catch a water bleed problem that mysteriously developed in the new pavement on the north end of Oak Hill Road. For whatever reason, underground water found its way through the pavement here where there never was any before. As was done on the south end of Oak Hill last year, we were able to hammer enough ledge out of the ditch line to relieve the hydraulic pressure into the ditch line, which dried up the road immediately. Thankfully, the operation was surgical enough so that there was no real pavement damage. Luck was with us.

At the end of February, we took delivery of a 2021 Peterbilt plow truck which was a replacement for the 2004 International that we ended up keeping for a spare. The new truck is the second truck we have gotten in the last 3 years that boasts an aluminum cab, stainless steel dump body, a better-quality engine, and automatic transmission. These features will ultimately add more years to the useful service life of the trucks and will decrease maintenance costs due to dump bodies not needing to be painted every two years. The transmissions will lead to less driver fatigue, and also allow for a wider range of available personnel to operate it. The new truck came through with a ground speed-controlled sander, which we will keep fine tuning to ultimately use less salt on the roads which is one of our short-term goals.

The department also added a working foreman which will serve to free up the Road Agent to deal with the ever-increasing complexities of a town that is experiencing phenomenal growth, along with increasing environmental and infrastructure requirements that were just not there even five years ago. The department has to take a

2021 REPORT OF THE HIGHWAY DEPARTMENT

(continued)

bit of a leap from where it has been, which was somewhat simple and uncomplicated, to start slowly but effectively ramping up the technology, the ongoing education of existing employees and the search for employees going forward that possess specific skill sets relative to the industry, the better equipment, better management practices both with personnel and however the department is involved with Town assets. We have hired an asset management group to teach us how to better catalog, and retain data, so that it can be easily retrieved, and be used to keep a better pulse on how our assets are performing. The Road Agent and Administrative Assistant, going forward will have to implement and manage different systems and programs to keep the Town moving forward. It will not be easy, but it is necessary because we will be left in the dust otherwise. We no longer have that quaint sleepy little town where time seems to have stood still longer than anyplace around it. Barrington is coming of age.

All in all, good things ahead for the department. As always, I am fortunate to be backed by a good group of people who take the job seriously. The result of this is that every resident while they are home, warm and safe in their beds, can rest easy knowing that their town is being protected and made safe by people who are willing to forfeit their slumber, and comfort, so that the residents of the Town can proceed with their lives with as little inconvenience as possible after or during a major weather event. This is our profession, and we are proud to do it. I would also like to thank the fire department that works nonstop during storms, dealing with downed trees, wires, accidents, and road closures. Also, the Police department, that does a great job of dealing with errant vehicles blocking our progress and responding to assist us with any situations that arise. As I have stated before, the residents of Barrington NH are very well protected.

Respectfully Submitted
Marc A. Moreau
Barrington Road Agent

2021 REPORT OF THE BUILDING INSPECTOR/CODE ENFORCEMENT

On behalf of the Building Department, I am pleased to submit the following Annual Report to the citizens of Barrington.

The goal of the Building Department is to ensure the safety of the public through proper permitting and construction practices. Our primary focus is to make the process of applying for permits as easy as possible. We want to work with you every step of the way, from the beginning stages of the application process, through the inspections, to the completed project. We are here to help, and the building inspector welcomes questions.

The Building Inspector works closely with contractors as well as homeowners to keep them informed of the codes and any changes in the codes. Time is spent with contractors as well as homeowners to review plans and assist in avoiding any potential challenges so that jobs stay on schedule. We have printed handouts available in the office to come and take that will share more specific detail and information. The inspector will sit down and go over any questions you may have before beginning a project. The department keeps up with the changing codes by studying and attending relevant training.

After almost seven years of service, John Abbott, the deputy building inspector has left the Town of Barrington to pursue a full-time building inspector position with the Town of Newbury. We would like to thank John for his years of service and commitment to Barrington.

We are still accepting building permits by email and those dropped off in the drop box. This has been an effective way to get applications to us without physically coming into the office. All applications can be found on our website; once printed and filled out email directly over to building@barrington.nh.gov. Permits that require a fee still need payment and checks can be mailed into the office.

Please call us at 603-664-5183 or email building@barrington.nh.gov to schedule your appointment or ask any questions. More information such as Building Codes/Ordinances, Permit Applications and Fee Schedules can be found on our website at www.Barrington.NH.gov under Building Department/Code Enforcement.

Respectfully submitted:

2021 REPORT OF THE PLANNING AND LAND USE DEPARTMENT

The Planning and Land Use Department is responsible for a variety of planning and economic development tasks, including plan and permit review, grant writing and administration, meeting with prospective developers/engineers and as a principal contact for individuals searching for information on property and land use codes. The Planning and Land Use Department provides staff support to all land use boards and the Conservation Commission.

In 2021, Planning staff continued the practice of working with the Code Enforcement Office to meet with applicants of proposed projects to facilitate a smooth review and approval process, for commercial, multifamily and residential development. Additionally, the Town held multiple Technical Review Committee meetings which allows applicants to meet with Department Heads and discuss their project prior to making an application (site review/subdivision). Applicants found the joint efforts of the departments very helpful.

Staff participated in a number of virtual workshops. In addition to educational workshops staff actively participates as a member of Strafford Regional Planning Commission Technical Advisory Committee where efforts are placed on local projects with a regional impact.

In the last few months of 2021, the Planning and Land Use Department supported the Planning Board with the development of 12 propose zoning amendments. The process included multiple preliminary meetings and three public hearings.

In 2022 the Planning Board will review current regulations to make necessary updates based on regulatory changes at the State Level, as well as to assure the regulations are appropriate for Barrington and the desired outcomes the Board is looking to see.

Early in 2022, Marcia announced her retirement as the Barrington Town Planner. Over nearly a decade she spearheaded and supported the implementation of Barrington's Master Plan through proactive planning. She did so while developing and maintaining productive relationships with our local, regional, state, and federal partners; all to Barrington's benefit. On behalf of the Town, its Select Board, employees, and residents, Thank You Marcia for your years of dedicated service.

Planning and Land Use Department

2021 REPORT OF THE PLANNING BOARD

In 2021 the Planning Board was able to conduct a full schedule of in-person meetings which were all available for virtual participation. Using this hybrid model, the Planning Board was able to receive public input and complete action on a combination of 39 applications, permits, design reviews, and extensions. Each year the Planning Board works to address revisions to the Zoning Ordinance based on input from a variety of stake holders. In 2021 the Planning Board developed twelve proposed amendments and reviewed one petitioned amendment. This review process consisted of many work sessions followed by three public hearings.

The Planning Board began 2021 with a comprehensive process to select a new third-party engineer. Partnering with the Highway Department, the Town advertised a request for qualifications which received twelve full responses. After a review and multiple interviews, CMA Engineers was selected. The Planning Board has had a successful first year working with the new engineering firm.

The Board saw 15 new lots created as the result of three subdivisions in 2021. This continued a trend of low home starts with 19 reported in 2019 and 47 in 2018. “These figures are in contrast to the period between 2000 to 2009, where permit activity averaged 60 units per year with 88% as single-family homes. Activity for 2010-2014 period was down substantially from prior periods to an average of 26 units per year, with 92% in single family units. Barrington’s peak housing activity occurred in the 1970’s when an average of nearly 100 units per year were added to the Town’s housing stock.” (*BCM Planning, LLC*)

Meeting House Road has been reconstructed to Town standards and the homes are almost fully constructed. This 21-lot subdivision was approved in 2019 with a 13-lot conservation subdivision and 8 traditional lots. Projects recently approved and currently under review by the Board have been focused in areas close to Routes 9 and 125, which is consistent with the Town’s Master Plan and Town Center Plan. Centering growth on the Town Center and Village District paired with efforts by the Conservation Commission to protect land with high conservation value will allow Barrington to maintain its overall rural character and scenic beauty while allowing for limited commercial growth.

The 62-lot subdivision (58 residential lots and 4 commercial lots) which received initial approval in 2019 and updated approval in 2020 received final approval in 2021. The project experienced delays in State permitting. Similar delays were experienced by a project that received conditional approval of 40 townhouse units along Route 9 in 2019 that in part involved implementation of new regulations by NHDES. This project received full approval and began construction in 2021.

The Planning Board provided conditional approval to an 80-townhouse condominium unit development in the Village District in 2021. Additionally, the Planning Board

2021 REPORT OF THE PLANNING BOARD

(continued)

provided conditional approval for 28 additional seasonal campsites at Barrington Shores Campground. Site approval was also provided for PEH & Sons Motorsports in the former Brian's Archery building at the corner of Tolend Road and Route 125. Later in 2021, the Planning Board provided conditional approval to Dove Development group for 20-units of mixed use and 25 townhouses behind the Christmas Dove.

In 2022 the Board looks forward to working with the Strafford Regional Planning Commission to continue updating the Master Plan. The Board is planning to work on the Future Land Use Chapter of the Master Plan in the near future, addressing how the community would evolve in the next decade.

The Planning Board is always looking for citizens interested in volunteering on the Board and are encouraged to attend a meeting and speak with the Board

2021 REPORT OF THE ZONING BOARD OF ADJUSTMENT

Zoning and related regulations are a legislative tool that enables government to meet the ever changing and growing demands of a community. Although zoning ordinances are crafted to meet the needs of individual communities all zoning ordinances require creation of a zoning board of adjustment. The Zoning Board of Adjustment (ZBA) is considered the “constitutional safety valve”, which has allowed comprehensive land use and planning to be upheld by the courts

No community can create a rule to address every situation or piece of land and the Zoning Board of Adjustment exists to allow flexibility to ensure the ordinance is applied equitable to all property. The job is not always an easy one, but the dedicated volunteers of the Barrington Zoning Board of Adjustment address each request for a variance, special exception, and appeal with professionalism and fairness. Many of the applications the Board hears deal with lots created prior to the existence of the Zoning Ordinance and relief is needed in order for the property owner to have reasonable use of their property. In other instances, the property may contain features that are considered a hardship to utilization of the property under the ordinance and relief is necessitated.

The board is made up of five regular members and up to five alternate members. The ZBA usually meets once per month, although under special circumstances they will meet twice in a month. In the event the Board does not have business before them they are not required to meet.

2021 REPORT OF THE PUBLIC LIBRARY

The Barrington Public Library connects patrons to educational, recreational, and technological resources that enhance their lives. The mission of the Barrington Public Library is to provide equal opportunity for everyone to access, share, and create information. Freedom of speech, freedom of information and the right to privacy are cornerstone principles for all Library policies, programs, and services.

In 2021 the Barrington Public Library continued to provide resources, services, programming and materials to the community while navigating the fluctuating challenges of the pandemic. We altered how we offer programs to accommodate a both online and in-person sessions, collaborated with other departments and groups throughout the year and even incorporated a new learning module called Universal Class. This module allows card holders to access over 500 courses ranging from cake decorating and home schooling, to accounting and bookkeeping. These courses also offer continuing education credits, professional development and provide testing with certificates of completion. The Library also purchased a storage shed so that we could reconfigure the interior of the Library to provide in-person programming and to store furniture and seasonal materials.

The Library was awarded a grant in the amount of \$2,007.00 through the Institute of Museum and Library Services (IMLS) and the NH State Library. Funds from the grant were used to create an outdoor programming space, update our event audio equipment and add four learning tablets for all ages to our collection. Our popular story times were held under the canopy, we held hybrid family art classes and our adult book group also utilized this welcoming outdoor space. The Friends of the Barrington Library received a Love Your Community grant from Northeast Credit Union and thanks to their hard work and these funds, we now have a beautiful patio area with outdoor furniture for all to use! The Library would also like to thank the Barrington Bloomers Garden Club for their continued support throughout the year to help keep our outdoor space looking beautiful. The Library also thanks the Friends and private donors for their support in purchasing the storage shed. Because of this, we were able to resume in-person programming at the end of 2021.

Programming highlights from 2021 include our first Eggstravaganza, a collaborative event created with the Recreation Department. The around-town egg hunt and the drive-thru Easter Bunny events were a great way to bring a little spring fun to our residents. We also brought some holiday cheer by teaming up with the Barrington School Foundation, ECLC, Barrington PTA and Recreation Department for our Polar Express event this year! Despite the cold weather and a slight

2021 REPORT OF THE PUBLIC LIBRARY

traffic backup, several hundred participants saw Santa and his elves along the Polar Express while everyone got to dance to some great holiday music!

Our 2021 Summer Reading Program, Tales and Tails, provided opportunities for the community to learn about sea lions at the New England Aquarium during a private training session, learn about dog agility training and see a demonstration, create hydrophobic sand and learn how to draw cartoon animals, just to highlight a few fun programs!

Thanks to First Seacoast Bank for

sponsoring our summer reading program, not only were we able to provide some great learning opportunities, participants read over 4,000 hours and earned prizes donated by various local businesses.

We continue to seek out creative programs, grant opportunities and other valuable resources to the community in 2022. We would also like to thank our volunteers, the Barrington Library Foundation and all of the residents who have provided support, and given your time, expertise and recommendations throughout the year. Your dedication to the Library is greatly appreciated and invaluable!

Respectfully submitted,

2021 REPORT OF THE PARKS & RECREATION DEPARTMENT

The mission of the Parks & Recreation Department is to serve as a positive presence in the community, enhancing the quality of life, by providing diverse and equitable programming that fosters a sense of community, personal growth, health, fitness, relaxation and good sportsmanship, while providing opportunities for community involvement.

In 2021, the Parks & Recreation Department focused on the Needs Assessment and Strategic plan to assess Recreation upgrades, improvements, and program evaluations.

The Recreation Department and Commission were able to complete the resurfacing the town gym floor, install a new bleacher system, purchase shade structures for the town playground as well as plan for gymnasium wall updates in early 2022. With strategic planning and budgeting by the Commission and Department, the above projects were able to be funded through the Recreation Revolving Funds and had no impact on the residents or their taxes.

Throughout the 2021 year the Recreation staff took the time to re-evaluate all programs and implement beneficial changes. One area we focused on was community events where we were able to improve the Sweetheart Skate, Retro Night, Trunk or Treat (now knows as Fall Fest) and the Town Wide Egg Hunt by collaborating with local businesses, departments, and the local SAU. We also focused on re-structuring our summer camp and Before/After school programs to adjust to COVID-19 guidelines and recommendations.

To conclude, with the help of the Barrington community, the Recreation department joined the Trex recycling program & the Barrington Transfer Station, to collect 500 lbs. of plastic that would be melted down to create a community bench. We were able to meet this goal before the 3-month deadline and appreciated the community's excitement and interest in this program.

Volunteers make Community Recreation happen! The Barrington Parks & Recreation Department would like to thank all the volunteers, local organizations, and businesses

2021 REPORT OF THE PARKS & RECREATION DEPARTMENT

(continued)

who donated their time, money, efforts and talents over the past year. A great deal of the Department's work would not be possible without the kindness of those community members & businesses. THANK YOU!

The Barrington Parks & Recreation Department invites all residents to participate and enjoy programs and events put on by your Recreation Department. The Recreation Department office hours are Monday through Friday 8:00 a.m. to 4:00 p.m., sometimes closing the office at 2pm to facilitate after school programming. Programming ideas, suggestions and constructive criticism are always welcome, so that we can better serve the recreational needs of all Barrington Residents.

2021 REPORT OF THE TAX COLLECTOR

In 2021, the Tax Office applied for another Moose Plate Grant to preserve two more historic tax ledgers. The grant process began in April 2021 and the paperwork was submitted in June 2021. The review of grant proposals from around the state was finalized in September 2021. In October, the Town of Barrington was awarded a grant in the amount of \$ 9,947.00 which will cover the cost of two tax ledgers from the 1800's to be preserved.

The 2021 Tax Warrants totaled \$ 26,703,665.00. As of December 31, 2021, we have collected \$26,012,999.40 in property taxes.

Monies collected for current use, yield tax and excavation tax totaled \$146,067.99. A total of \$ 26,159,067.39 was collected.

The tax office processed 775 online tax kiosk payments totaling \$ 2,132,197.33 (included in the total amount collected above).

	2021	2020
Municipal	2.95	3.69
School	12.87	14.71
State Ed.	1.57	1.89
County	2.11	2.48
	\$19.50	\$22.77

On May 11, 2021, 301 Impending Lien letters were mailed out. On June 17th 117 properties went to Lien for unpaid 2020 real estate taxes totaling \$307,058.31. As of December 31, 2021, \$141,319.83 has been collected on the 2020 lien, along with all other liens \$338,740.77 for a total of \$480,060.60 for lien collections in 2021.

On August 26th 2021 seven parcels were deeded to the Town of Barrington for unpaid 2018 Liens. The total taxes owed for these parcels was \$ 52,372.64 (includes all back taxes owed plus interest and penalties). One parcel was land only and six parcels were homes. In 2021, \$19,824.15 has been collected for repurchase of properties deeded in 2021 and \$172,705.50 has been collected from sales that were deeded prior to 2021.

The Deputy Tax Collector, Payton Goodell, ended her tenure with the Town of Barrington. I want to thank Payton for her four years of service as Deputy Tax Collector and wish her well in her future endeavors.

Our new Deputy Tax Collector/Finance Officer, Crystal Merkey, began working at the Town Hall on September 7th and training began right away. Plans are underway for Crystal to attend training sessions and workshops along with my training in the office.

If you are at the Town Hall please stop by the Tax Collector's office and say hi!

Respectfully Submitted,
Linda Markiewicz

2021 REPORT OF THE TOWN CLERK

I would like to thank the residents of Barrington for being so understanding during the first half of 2021 as well as the 10 months of 2020 when the Town Clerk’s office was opened by appointment only. It was a welcome change starting July 1, 2021, to be open for walk-ins for the public. The hours of business are now Mon., Tues., & Thur. 8am-5pm and Wed. 1pm-6pm.

2021 REPORT OF THE TRANSFER STATION & RECYCLING CENTER

2021 was another year operating during a pandemic and while some procedures had to be modified to minimize interaction between staff and residents, the acceptance of household garbage and recyclables, construction debris, electronics, tires, and metal has continued without interruption. We sold 5,751 packages of large trash bags and 1,676 packages of small trash bags. One of the noticeable changes we made at the facility this year is we switched bag vendors for our pay as you throw bags. We are

happy to report that these bags are a much better quality leading to less issues with bottoms falling out or seams ripping. Upgrades were made to the Transfer Station entrance which we widened and paved to address the potholes that plagued the entrance every time it rained. A new sliding gate and some minor repairs to the perimeter fence were also completed. Even though the improvements were great for the facility, one of the concerns that was brought up was that the turkeys no longer had a way through the fence to access the facility. We also purchased an A-Frame sign for the facility that we can change out to post the most current

recycling information for residents. With all the improvements and additions that were made for the Transfer Station we are proudly report we once again finished within budget for our fiscal year. 2021 was another challenging year for recycling but took a turn in July where the Town began receiving a share of the value of recycling. This means that the commodity values were higher than our processing and transportation charges. While that is good news, we are still struggling as a community with large amounts of contamination going into single stream recycling.

Most of the items that we pull out are not recyclable at our facility or it's just trash to begin with. (Ex. Figure 1) Why it's important!

2021 REPORT OF THE TRANSFER STATION & RECYCLING CENTER

(continued)

Example of recycling contamination

It is important to only bring acceptable recyclable items to the Transfer Station because the sorting facilities are overwhelmed with a lot of plastic trash that is not recyclable and for which they do not have an end market. Non-recyclable plastic items are as bad as plastic bags at the sorting facilities. If any non-acceptable items are placed in with the recycling, they cause hold ups during the sorting process (as there is so much that must be manually pulled out and sent down the trash chute) and they cause problems in the contamination downstream re-manufacturing processes (where they cause contamination and lower commodity values).

What does that mean for residents? Our Recyclables leave our facility and are inspected at Turnkey before being shipped down to the recycling facility in Massachusetts. Any load found to exceed a 10% contamination rate will result in the load being refused and the Town then being charged at a much higher rate for disposal of the load since it is considered trash. These requirements are part of our contract with Waste Management. Please help us by taking a little extra time to prepare your recyclables and trash before you arrive at the Transfer Station.

The Truth About Recycling Symbols

When we see the recycling symbol with the three chasing arrows on something we think, it's recyclable, right? NOT SO FAST, just because it has a recycling symbol, it does not mean you can recycle it. The symbol can mean a variety of things from letting the consumer know a product is made of recycled material to indicating it can be recycled *somewhere* in the world. When determining what can and cannot be tossed in the recycling bin, unfortunately we cannot rely on a symbol. We must keep in mind that a product's recyclability is based on where we live, market forces and the capacity of our recycling center.

Town of Barrington Smart Recycling Guide

Here is what you can recycle!

If it is not on this list, it needs to go in your household trash!

- 

CARDBOARD
(should be dry and free of food/grease, please flatten; pieces should be no bigger than 3' X 3' pieces and remove all Styrofoam, packing material and plastic film)
- 

Plastics #1, #2 and #5
(rinsed and free of liquid) (no rigid plastics, chairs, toys, storage totes)
- 

Aluminum Cans
(rinsed and free of liquid)
- 

Steel/Tin Cans
(rinsed and free of food and liquids)
- 

MIXED PAPER—includes magazines, paperback and coverless hard cover books (remove plastic film or packing and flatten packaging when possible, also needs to be free of food)
- 

Please put all glass in the open container next to the Recycling
- 

Glass
(beverage and food jars only, lids removed, rinsed and free of food and liquids)

2021 REPORT OF THE TRANSFER STATION & RECYCLING CENTER

(continued)

What can be recycled in a larger city, isn't necessarily going to be the same as what we can recycle here in Town. While this makes it harder for us to know what is and isn't recyclable, in Barrington you can rely on the recycle smart guide, this and other up to date information can be found on our website at: <https://www.barrington.nh.gov/transfer-stationrecycling-center>.

The Numbers in Recycling

So not everything that has the recycling symbol can be recycled, but what about the numbers on the inside of the recycling symbol? What do those mean? This is known as resin identification codes; they can range from 1-7 and help identify the type of plastic that makes up the product. #1 means PET or PETE or polyethylene terephthalate a common type of plastic used for most beverage bottles. Each number corresponds to a different type of plastic and will tell you about a product's chemical properties and usage capabilities but, unfortunately it will not tell you whether that product is accepted in your recycling bin. Instead of relying on the resin code, check our recycling smart guide or check with a transfer station attendant.

Ways to reduce your household waste

*** Use a reusable bottle/cup for beverages on-the-go!** By taking your own water with you, you'll also reduce your chances of purchasing more expensive beverages on-the-go. This will eliminate the one-time use containers they come in.

***Use reusable grocery bags, and not just for groceries!** Try writing BAGS on the top of your grocery list to help you remember, or keep them in the back seat where they aren't as easy to forget

***Purchase wisely and recycle!** Purchasing products that come with less packaging and/or come in packaging that can be recycled. Not all plastics are recyclable, so check labels before your buy.

***Compost it!** Did you know as much as 25% of the items in your trash could potentially be removed from the waste stream and composted in your back yard?

***Avoid single-use food and drink containers and utensils!** Whenever possible, try to avoid single-use coffee cups, disposable utensils, straws, and napkins. Remember, a lot of these items are made from plastic, and will end up in a landfill once we have used them one time. Anything we can do to reduce our use of these products adds up to make a big impact.

***Buy secondhand items and donate used goods!** Before you go buy something new, consider buying it used which can also save you lots of money.

***Shop local farmers markets and buy in bulk to reduce packaging!** Local farmers often rely on less packaging, and many are happy to have you return last week's berry basket or egg carton for use next week.

***Curb your use of paper: mail, receipts, magazines!** Consider digital subscriptions for your favorite magazines that you can read on your tablet or computer.

If you have any questions, please see the Transfer Station Attendant for assistance before disposing of any material. Check our website for up-to-date information,

2021 REPORT OF THE TRANSFER STATION & RECYCLING CENTER

(continued)

acceptable materials, our user fee list, and hours of operation or call (603) 664-2446 during business hours. We kindly ask that residents arrive 15 minutes before closing to drop off your recyclables and trash.

To promote waste reduction, we installed two book bins and a textile recycling bin. There is no cost to the Town and there is no maintenance on our part.

- All books are accepted
- Books collected are either sold, donated to various charities, or turned into pulp to help make house insulation, paper products, etc.
- All clothing is accepted: purses and bags, hats and scarves, all shoes.
- Please make sure all items are dry and contain no odor or mold!

The Town of Barrington Transfer Station has new stickers. Please make sure you are current with the Green Stickers that go on the inside of your windshield. Applications can be found online or at the Transfer Station. To date we have issued 3,000 stickers to residents.

2021 Roadside Clean up Event

We held our annual clean up event on April 24, 2021. Once again volunteers came together to remove over a ton of trash from the sides of Barrington Roads. That is the equivalent of a 1979 Volkswagen Beetle!! Debris removed included a metal chair, numerous political signs, tires, a T.V. and a boat motor! This event would not be possible without our dedicated volunteers, you are a big part of our success. With volunteers like our Town has, we have a chance to make this world a better place! Save the date for our next Roadside Clean up that will take place on Saturday April 23,2022. You can sign up by calling (603) 664-0166.

2021 REPORT OF THE TRANSFER STATION & RECYCLING CENTER

(continued)

In closing, I want to thank the loyal and dedicated staff at the Transfer station for their commitment during what has been another unprecedented year! Without their dedication and support, we could not have maintained such a clean and well-run facility. They take pride in what they do, and it shows. A big part of our success is the continued support and cooperation we receive from our residents especially during these trying times. THANK YOU!

We would like to acknowledge the passing of a long-time volunteer Tom Voss. Tom volunteered at both the transfer station and the food pantry as well as other places in Town. He was dependable and quick to lend a hand in any way that he could. Your presence is sorely missed by all those who had the privilege to know you and work beside you.

Some of our four-legged friends that visit us at the Transfer Station waiting for their treats!

Be part of the solution, not part of the pollution!

Respectfully submitted,
Erin Paradis

Transfer Station Administrator and Highway Support Assistant

2021 TRANSFER STATION USER FEES

For our new residents please note that the **transfer station is a pay as you throw facility** and there is a fee associated for most of the items that are to be disposed of including bulk, demo, electronics, tires, and white goods. Please refer to our user fee list for pricing. All household trash (MSW) needs to be in Town of Barrington Trash Bags. As our population grows so does the tonnage of our MSW- municipal solid waste (commonly known as household trash) This should consist of everyday items we use and throw away such as product packaging, paper products, food scraps and some plastic. Did you know there is a weight limit on Town trash bags!!! For the Large 33-gallon bags it is a 35lb weight limit and for the Small 15-gallon bags it is a 20lb weight limit. Please make sure bags are not over the weight limit. We are seeing more non-MSW material being put in the Town trash bags. Please take another look at what you are throwing away. Some of the items that we see in Town trash bags have included recyclables, clothing, wood items, electronics, and lawn furniture. While reducing household tonnage is one of our goals, we cannot just look at the reduction in the operational cost, but the environmental benefits to the proper disposal of trash. We are encouraging residents to challenge themselves to look at reducing their household trash.

Bulky Waste Items		Fee
MINIMUM CHARGE FOR MISCELLANEOUS BULKY WASTE IS \$5.00

INDEPENDENT AUDITOR'S REPORT

FOR THE YEAR 2020 – COMPLETED AUGUST 2021

PLODZIK & SANDERSON

Professional Association/Certified Public Accountants

193 North Main Street • Concord • New Hampshire • 03301-5063 • 603-225-6996 • FAX 603-224-1380

To the Members of the Select Board
Town of Barrington
Barrington, New Hampshire

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Barrington, New Hampshire (the Town), as of and for the year ended December 31, 2020, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant

INDEPENDENT AUDITOR’S REPORT

(continued)

accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Barrington, New Hampshire, as of December 31, 2020, and the respective changes in financial position thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Management’s Discussion and Analysis

Management has omitted a Management’s Discussion and Analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by the missing information.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the following be presented to supplement the basic financial statements:

- Schedule of the Town’s Proportionate Share of Net Pension Liability,
- Schedule of Town’s contributions – Pensions,
- Schedule of the Town’s Proportionate Share of the Net Other Postemployment Benefits Liability,
- Schedule of Town Contributions – Other Postemployment Benefits
- Schedule of Changes in the Town’s Total Other Postemployment Benefits Liability and Related Ratios, and
- Notes to the Required Supplementary Information

Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied

INDEPENDENT AUDITOR'S REPORT

(continued)

certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Barrington, New Hampshire's basic financial statements. The combining and individual fund schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements.

2021 REPORT OF THE TRUSTEES OF THE TRUST FUND

(continued)

These CD's were all terminated and their balances were added to the Trust Funds on March 3, 2021					
	Beg. Balance	Deposits	Interest	Withdrawals	Ending Balance
School District Facilities CR #1 CDs	\$105,526.77	\$0.00	\$118.00	\$0.00	\$105,644.77
Unanticipated HS Tuition Cost CDs	\$422,346.37	\$0.00	\$472.24		\$422,818.61
School District Special Ed CDs	\$316,819.60	\$0.00	\$354.24	\$0.00	\$317,173.84
Total CD's	\$844,692.74	\$0.00	\$944.48	\$0.00	\$845,637.22

The above accounts are held at TD Bank.

The Trustees, together with the School Board, previously set up a schedule of CD investments to increase yield while maintaining liquidity of three funds.

Because the interest rates became so low, the decision was made to move the funds from the CDs into the regular accounts shown in our report.

At the bottom of the report, the final amounts that have been transferred to the Capital Reserve Funds are shown for each CD.

Respectfully submitted,
Trustees of the Trust Funds

2022 TOWN OF BARRINGTON DEFAULT BUDGET (MS-DTB)

New Hampshire
Department of
Revenue Administration

**2022
MS-DTB**

Default Budget of the Municipality

Barrington

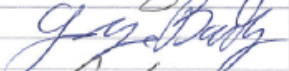

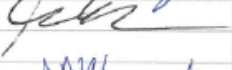

For the period beginning January 1, 2022 and ending December 31, 2022

RSA 40:13, IX (b) "Default budget" as used in this subdivision means the amount of the same appropriations as contained in the operating budget authorized for the previous year, reduced and increased, as the case may be, by debt service, contracts, and other obligations previously incurred or mandated by law, and reduced by one-time expenditures contained in the operating budget. For the purposes of this paragraph, one-time expenditures shall be appropriations not likely to recur in the succeeding budget, as determined by the governing body, unless the provisions of RSA 40:14-b are adopted, of the local political subdivision.

2022 WARRANT

STATE OF NEW HAMPSHIRE

The Inhabitants of the Town of Barrington in the County of Strafford in the state of New Hampshire qualified to vote in Town affairs are hereby notified that the two phases of the Annual Town Meeting will be held as follows:

First Session of Annual Meeting (Deliberative Session)

Date: February 5, 2022
Time: 9 AM
Location: Barrington Middle School Haley Drive, Barrington, NH
Details: Masks required pursuant to the Governor’s order.
 If this session is canceled, the session will be held on February 7th at 6:30pm; same location.

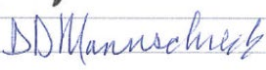

Second Session of Annual Meeting (Official Ballot Voting)

Date: March 8, 2022
Time: 8 AM to 7 PM
Location: Barrington Middle School, Haley Drive Barrington, NH
Details: Masks required pursuant to the Governor’s order.

The first session shall consist of explanation, discussion, and debate of each warrant article. Warrant articles may be amended, subject to the following limitations: Warrant articles whose wording is prescribed by law shall not be amended. Warrant articles that are amended shall be placed on the official ballot for final vote on the main motion, as amended. The second session of the annual meeting, to vote on questions required by law to be inserted on said official ballot and to vote on all warrant articles from the first session on official ballot.

GOVERNING BODY CERTIFICATION

We certify and attest that on or before January 12, 2022, a true and attested copy of this document was posted at the place of meeting and at Town Offices and that an original was delivered to Kimberly Kerekes, Town Clerk.

ARTICLE 02 – Zoning
Are you in favor of Amendment #1 for the Barrington Zoning Ordinance as proposed by the Planning Board to amend the Zoning Map by changing Tax Map 220 Lots 57 and 57-1 through 57-17 from Regional Commercial to General Residential?
This amendment was recommended for approval by the Planning Board 5-0.

ARTICLE 03 – Zoning
Are you in favor of Amendment #2 for the Barrington Zoning Ordinance as proposed by the Planning Board to amend the Zoning Map by changing Tax Map 223 Lots 24 & 26 from Regional Commercial to General Residential after the first 500 feet from Route 125?
This amendment was recommended for approval by the Planning Board 5-0.

ARTICLE 04 – Zoning
Are you in favor of Amendment #3 for the Barrington Zoning Ordinance as proposed by the Planning Board to amend the Zoning Map by changing Tax Map 251 Lots 64 & 65 from General Residence to Regional Commercial?
This amendment was recommended for approval by the Planning Board 4-1.

2022 ANNUAL TOWN MEETING – WARRANT

(continued)

ARTICLE 05 – Zoning

Are you in favor of Amendment #4 for the Barrington Zoning Ordinance as proposed by the Planning Board as follows: Amend Section 2.1.1 to add a requirement that the zoning map be available on the Town’s website?

This amendment was recommended for approval by the Planning Board 5-0.

ARTICLE 06 – Zoning

Are you in favor of Amendment #5 for the Barrington Zoning Ordinance as proposed by the Planning Board as follows: Amend the Table of Dimensional Standards to require a setback of 40 feet rather than 30 feet for properties in the Regional Commercial District which do not front on State Highways, such as Route 4 and Route 125?

This amendment was recommended for approval by the Planning Board 5-0.

ARTICLE 07 – Zoning

Are you in favor of Amendment #6 for the Barrington Zoning Ordinance as proposed by the Planning Board as follows: Amend Section 6.2.2(3) regarding Conservation Subdivisions to provide that no more than 50% of the required open space may consist of open water, wetland soils, exposed ledge, or other undevelopable terrain?

This amendment was recommended for approval by the Planning Board 5-0.

ARTICLE 08 – Zoning

Are you in favor of Amendment #7 for the Barrington Zoning Ordinance as proposed by the Planning Board as follows: Amend Section 7.3 to provide that home occupations must be conducted entirely within the structure of a single-family dwelling and may be operated only by the legal residents of the dwelling?

This amendment was recommended for approval by the Planning Board 5-0.

ARTICLE 09 – Zoning

Are you in favor of Amendment #8 for the Barrington Zoning Ordinance as proposed by the Planning Board as follows: Amend Section 7.3(3) to alter the area of a dwelling unit that a home occupation may occupy from 30% of the dwelling’s net living area to 500 square feet?

This amendment was recommended for approval by the Planning Board 5-0.

2022 ANNUAL TOWN MEETING – WARRANT

(continued)

ARTICLE 10 – Zoning

Are you in favor of Amendment #9 for the Barrington Zoning Ordinance as proposed by the Planning Board as follows: Amend Section 7.4(7) to provide that home businesses, including storage, must be confined to a designated accessory or primary dwelling structure or an outside area which is adequately screened with fencing and/or a vegetative buffer; and further to reduce the amount of total area which the home business may occupy from 4,500 square feet to 2,000 square feet or no more than 10% of the lot, whichever is less.

This amendment was recommended for approval by the Planning Board 5-0.

ARTICLE 11 – Zoning

Are you in favor of Amendment #10 for the Barrington Zoning Ordinance as proposed by the Planning Board as follows: Amend Article 19 by changing Bed & Breakfast from a Permitted Use to Permitted by Conditional Use in Village, Town Center, and Regional Commercial Districts?

This amendment was recommended for approval by the Planning Board 5-0.

ARTICLE 12 – Zoning

Are you in favor of Amendment #11 for the Barrington Zoning Ordinance as proposed by the Planning Board as follows: Amend Article 19 by changing Drug Store from a Permitted Use to Permitted by Conditional Use in Village, Town Center, and Regional Commercial Districts?

This amendment was recommended for approval by the Planning Board 3-2.

ARTICLE 13 – Zoning

Are you in favor of Amendment #12 for the Barrington Zoning Ordinance as proposed by the Planning Board as follows: Amend Section 4.2.2(3) to increase the minimum lot size for multi-family housing in the Village District from 80,000 square feet of upland area for the first dwelling unit and 10,000 square feet for each additional dwelling unit to 80,000 square feet for the first dwelling unit and 40,000 square feet for each additional unit?

This amendment was recommended for approval by the Planning Board 4-1.

2022 ANNUAL TOWN MEETING – WARRANT

(continued)

ARTICLE 14 – By Petition: Zoning

Are you in favor of Amendment #13 for the Barrington Zoning Ordinance submitted by petition as follows:

Delete the following article: Article 9.5.1(5)...This ordinance shall not prohibit the construction of principal and accessory structures within the buffer zone on unimproved lots that were approved for subdivision by the Planning Board or which otherwise legally existed on or before March 13, 2001.

This amendment was recommended for approval by the Planning Board 6-1. (BY PETITION)

ARTICLE 15 – Operating Budget

To see if the Town will vote to raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$7,647,871? Should this article be defeated, the default budget shall be \$7,533,394, which is the same as last year, with certain adjustments required by previous action of the Town or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. [Majority Vote Required].

This article is recommended by the Select Board 4-0. This article is recommended by the Advisory Budget Committee 5-0. This article is estimated to have no impact on 2022 property taxes.

ARTICLE 16 – Bridge and Culvert Capital Reserve

To see if the Town will vote to raise and appropriate the sum of \$150,000 to be added to the Bridge and Culvert Capital Reserve Fund previously established, this sum to come from unassigned fund balance with no amount to be raised from taxation. [Majority Vote Required]. Note: This appropriation is in addition to Warrant Article 15, the operating budget article.

This article is recommended by the Select Board 5-0. This article is recommended by the Advisory Budget Committee 5-0. This article will have no impact on 2022 property taxes.

2022 ANNUAL TOWN MEETING – WARRANT

(continued)

ARTICLE 17 – Highway Heavy Equipment Capital Reserve

To see if the Town will vote to raise and appropriate the sum of \$150,000 to be added to the Highway Heavy Equipment Capital Reserve Fund previously established, this sum to come from unassigned fund balance with no amount to be raised from taxation. [Majority Vote Required]. Note: This appropriation is in addition to Warrant Article 15, the operating budget article.

This article is recommended by the Select Board 5-0. This article is recommended by the Advisory Budget Committee 5-0. This article will have no impact on 2022 property taxes.

ARTICLE 18 – Paving and Related Road Work Non-Lapsing Article

To see if the Town will vote to raise and appropriate the sum of \$100,000 for road paving and reconstruction, this sum to come from unassigned fund balance with no amount to be raised from taxation. This special warrant article will be a non-lapsing appropriation pursuant to RSA 32:7, V and will not lapse until December 31, 2023. [Majority Vote Required].

This article is recommended by the Select Board 5-0. This article is recommended by the Advisory Budget Committee 5-0. This article will have no impact on 2022 property taxes.

ARTICLE 19 – Police Equipment Capital Reserve

To see if the Town will vote to raise and appropriate the sum of \$90,000 to be added to the Police Equipment Capital Reserve Fund previously established, this sum to come from unassigned fund balance with no amount to be raised from taxation. [Majority Vote Required]. Note: This appropriation is in addition to Warrant Article 15, the operating budget article.

This article is recommended by the Select Board 5-0. This article is recommended by the Advisory Budget Committee 5-0. This article will have no impact on 2022 property taxes.

ARTICLE 20 – Fire Truck Capital Reserve

To see if the Town will vote to raise and appropriate the sum of \$80,000 to be added to the Fire Truck Capital Reserve Fund previously established, this sum to come from unassigned fund balance with no amount to be raised from taxation. [Majority Vote Required]. Note: This appropriation is in addition to Warrant Article 15, the operating budget article.

This article is recommended by the Select Board 5-0. This article is recommended by the Advisory Budget Committee 4-0. This article will have no impact on 2022 property taxes.

2022 ANNUAL TOWN MEETING – WARRANT

(continued)

ARTICLE 21 – Communications Upgrades for Emergency Services Capital Reserve

To see if the Town will vote to raise and appropriate the sum of \$50,000 to be added to the Communications Upgrades for Emergency Services Capital Reserve Fund previously established, this sum to come from unassigned fund balance with no amount to be raised from taxation. [Majority Vote Required]. Note: This appropriation is in addition to Warrant Article 15, the operating budget article.

This article is recommended by the Select Board 5-0. This article is recommended by the Advisory Budget Committee 5-0. This article will have no impact on 2022 property taxes.

ARTICLE 22 – Transfer Station and Recycling Center Capital Reserve

To see if the Town will vote to establish a Transfer Station and Recycling Center Capital Reserve Fund under the provisions of RSA 35:1 for all costs associated with improvements to the Transfer Station and Recycling Center facility, including but not limited to paving, renovation, construction, and equipment, and to raise and appropriate the sum of \$25,000 to be placed in this fund, this sum to come from unassigned fund balance with no amount to be raised from taxation. Further, to name the Select Board as agents to expend from said fund. [Majority Vote Required]. Note: This appropriation is in addition to Warrant Article 15, the operating budget article.

This article is recommended by the Select Board 5-0. This article is recommended by the Advisory Budget Committee 5-0. This article will have no impact on 2022 property taxes.

ARTICLE 23 – Dam Repair/Engineering/Replacement Capital Reserve

To see if the Town will vote to raise and appropriate the sum of \$25,000 to be added to the Dam Repair/Engineering/Replacement Capital Reserve Fund previously established, this sum to come from unassigned fund balance with no amount to be raised from taxation. [Majority Vote Required]. Note: This appropriation is in addition to Warrant Article 15, the operating budget article.

This article is recommended by the Select Board 5-0. This article is recommended by the Advisory Budget Committee 5-0. This article will have no impact on 2022 property taxes.

2022 ANNUAL TOWN MEETING – WARRANT

(continued)

ARTICLE 24 – Library and Community Center Capital Reserve

To see if the Town will vote to raise and appropriate the sum of \$20,000 to be added to the Library and Community Center Capital Reserve Fund previously established, this sum to come from unassigned fund balance with no amount to be raised from taxation. [Majority Vote Required]. Note: This appropriation is in addition to Warrant Article 15, the operating budget article.

This article is recommended by the Select Board 5-0. This article is not recommended by the Advisory Budget Committee 3-1. This article will have no impact on 2022 property taxes.

ARTICLE 25 – Cemetery Capital Reserve

To see if the Town will vote to raise and appropriate the sum of \$13,000 to be added to the Cemetery Capital Reserve previously established, this sum to come from unassigned fund balance with no amount to be raised from taxation. This is equal to the amount the Town collected in 2021 from the sale of cemetery lots and other cemetery revenue. [Majority Vote Required]. Note: This appropriation is in addition to Warrant Article 15, the operating budget article.

This article is recommended by the Select Board 5-0. This article is recommended by the Advisory Budget Committee 5-0. This article will have no impact on 2022 property taxes.

ARTICLE 26 – Tricentennial Celebration Expendable Trust

To see if the Town will vote to raise and appropriate the sum of \$10,000 to be added to the Tricentennial Celebration Expendable Trust previously established, this sum to come from unassigned fund balance with no amount to be raised from taxation. [Majority Vote Required]. Note: This appropriation is in addition to Warrant Article 15, the operating budget article.

This article is recommended by the Select Board 5-0. This article is recommended by the Advisory Budget Committee 5-0. This article will have no impact on 2022 property taxes.

2022 ANNUAL TOWN MEETING – WARRANT

(continued)

ARTICLE 27 – Fire and Rescue Equipment Capital Reserve

To see if the Town will vote to raise and appropriate the sum of \$10,000 to be added to the Fire and Rescue Equipment Capital Reserve Fund previously established, this sum to come from unassigned fund balance with no amount to be raised from taxation. [Majority Vote Required]. Note: This appropriation is in addition to Warrant Article 15, the operating budget article.

This article is recommended by the Select Board 5-0. This article is recommended by the Advisory Budget Committee 5-0. This article will have no impact on 2022 property taxes.

ARTICLE 28 – Library Technology Capital Reserve

To see if the Town will vote to raise and appropriate the sum of \$3,000 to be added to the Library Technology Capital Reserve Fund previously established, this sum to come from unassigned fund balance with no amount to be raised from taxation. [Majority Vote Required]. Note: This appropriation is in addition to Warrant Article 15, the operating budget article.

This article is recommended by the Select Board 5-0. This article is recommended by the Advisory Budget Committee 5-0. This article will have no impact on 2022 property taxes.

ARTICLE 29 – Service-Connected Total Disability Credit

To see if the Town will vote to increase the optional tax credit for a Service-Connected Total Disability on residential property from \$3,050 to \$3,550 pursuant to the provisions of RSA 72:35. [Majority Vote Required].

This article is recommended by the Select Board 5-0. This article is recommended by the Advisory Budget Committee 5-0. This article is projected to add 1.5 cents/1,000 to the 2022 tax rate or \$4.50 to the tax bill on a \$300,000 property.

2022 ANNUAL TOWN MEETING – WARRANT

(continued)

ARTICLE 30 – Fire and Ambulance Services Revolving Fund

To see if the Town will vote to modify the Ambulance Services Revolving Fund previously established pursuant to RSA 31:95-h, for the purpose of providing ambulance and fire services such that 50% of revenues received from ambulance fees will be deposited into the Fund with the remaining 50% to become part of the Town's general fund. The money in the Fund shall be allowed to accumulate from year to year and shall not be considered part of the Town's general fund balance. The Town Treasurer shall have custody of all moneys in the Fund and shall pay out the same only upon order of the governing body and no further approval is required by the legislative body to expend. Such funds may be expended only for the purpose for which the fund was created or modified. The fund was originally created in 2011 and amended in 2013; this article adds fire services to the purpose of the fund. [Majority Vote Required].

This article is recommended by the Select Board 5-0. This article is recommended by the Advisory Budget Committee 5-0. This article is projected to add 1.5 cents/1,000 to the 2022 tax rate or \$4.50 to the tax bill on a \$300,000 property.

ARTICLE 31 – Cemetery Maintenance and Expansion Expendable Trust Fund

To see if the Town will vote to establish a Cemetery Maintenance and Expansion Expendable Trust Fund pursuant to RSA 31:19-a and RSA 289:2-a, allowing all future proceeds received from the sale of cemetery lots in Barrington cemeteries and any interest gained thereon to be deposited directly into this fund for the maintenance and expansion of cemeteries; and, further to name the Select Board as agents to expend from this fund. [Majority Vote Required].

This article is recommended by the Select Board 5-0. This article is recommended by the Advisory Budget Committee 5-0.

ARTICLE 32 – Selling Tax-Deeded “The Homestead” Subdivision

To see if the Town will vote to authorize the Select Board to sell 23 tax-deeded parcels consisting of approximately 50 acres of land known as “The Homestead Subdivision” near Gerrior Drive in south-west Barrington on such terms and conditions as the Select Board deem reasonable and necessary. [Majority Vote Required].

This article is recommended by the Select Board 4-0.

2022 ANNUAL TOWN MEETING – WARRANT

(continued)

ARTICLE 33 – By Petition: All-Veterans’ Tax Credit

To see if the Town will vote to increase the Veterans’ Tax Credit from \$550 to \$650 pursuant to the provisions of RSA 72:28, II and RSA 72:28-b. The optional tax credit shall replace the current optional tax credit of \$550.00 in its entirety and shall not be in addition thereto. [Majority Vote Required].

This article is recommended by the Select Board 4-0. This article is recommended by the Advisory Budget Committee 5-0. This article is projected to add 4 cents/1,000 to the 2022 tax rate or \$12 to the tax bill on a \$300,000 property. (BY PETITION)

ARTICLE 34 – Other Business

To transact any other business that may legally come before said meeting of the honorable Town Government.

PUBLIC NOTICE

RSA 674:39-aa

If you own real estate lots that were involuntarily merged by municipal action, you may be able to have those lots restored to their pre-merger status.

In 2011, the NH Legislature created a process (see HB #316), by which an owner could petition the municipality to undo this involuntary merger and restore the lots to their separate and distinct condition.

If your property includes two or more lots that were merged for zoning, assessing or taxation purposes and the merger occurred:

- During your ownership without your consent **or**
- Prior to your ownership, if no previous owner consented to the merger

To restore your property to pre-merger status, you must:

- Make a request to the local governing body
- *THERE IS NO LONGER A DEADLINE TO APPLY*

Once restored:

- Your properties will once again become separate lots; however they must still conform to all applicable land use ordinances. Restoration does not cure non-conformity.

Any owner who disagrees with the Select Board's decision regarding their request to undo an involuntary merger may appeal the decision in accordance with the provisions of RSA 676

Note: RSA 674:39-aa defines "Owner" as "a person or entity that holds legal title to the lots in question, even if such person or entity did not hold legal title at the time of the involuntary merger."

<p>Recommended by the School Board (5-0) and the Advisory Budget Committee (3-0)</p>

2022 – SCHOOL DISTRICT WARRANT

(continued)

ARTICLE 03 – The Teacher 3-year Collective Bargaining Agreement

To see if the school district will vote to approve the cost items included in the collective bargaining agreement reached between the Barrington School Board and the Barrington Education Association, Inc. that calls for the following increases in salaries and benefits at the current staffing levels over those paid in the prior fiscal year;

Fiscal Year	Estimated Increase
2022-2023	\$ 395,242
2023-2024	\$ 328,527
2024-2025	\$ 288,768

and further to raise and appropriate the sum of \$395,242 for the current fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits required by the new agreement over those that would be paid at current staffing levels. (Majority vote required)

Recommended by the School Board (5-0) and the Advisory Budget Committee (3-0)

ARTICLE 04 – Special Meeting

Shall the School District, if Article 3 is defeated, authorize the governing body to call one special meeting, at its option, to address Article 3 cost items only? (Majority vote required)

Recommended by the School Board (5-0) and the Advisory Budget Committee (3-0)

ARTICLE 05 – Add to Capital Reserve

To see if the school district will vote to raise and appropriate the sum of up to \$150,000 to be added to the School Facilities Capital Reserve Fund previously established on March 13, 2012. This sum to come from the June 30 fund balance available to transfer on July 1. No amount to be raised from taxation. (Majority vote required)

Recommended by the School Board (5-0) and the Advisory Budget Committee (3-0)

BARRINGTON SCHOOL HISTORY

- 1722** - Town of Barrington is incorporated.
- 1874** - There are fifteen schools are scattered throughout the town. Their names include: Canaan School, Hale School, Chapel School, Oak Hill School, Pond Hill School, Town Farm School, Waldron's Hill School, Winkley School, Wood Road School.
- 1938** - Barrington School is completed on Route 9 at Province Lane.
- 1955** - Barrington School first floor addition is completed.
- 1965** - Barrington School second floor addition is completed.
- 1975** - Barrington Middle School is built east of Town Hall building on Province Lane.
- 1990** - Barrington Elementary School is built on Rt. 125
- 1994** - Barrington Elementary School addition is completed.
- 1996** - School Administrative Unit #74 officially begins
- 2002** - Voters approve new Middle School.
- 2003** - Construction on new 112,000 SF Middle School begins on Rt. 9 120-acre property.
- 2004** - New Middle School opens for students in Grades 5-8
- 2009** - Early Childhood Learning Center (ECLC) established in "old" middle school on Province Lane.
- 2010** - Phase II of renovations to the ECLC are completed with the addition of Kindergarten classrooms (half-day program); enrollment Pre-K and Kindergarten: 133 students
"Old" Kindergarten building at BES (Annex) being used for Grade 1 classrooms. SAU 74 District offices move into two rooms at the ECLC.
- 2012** - SAU 74 offices located in ECLC expanded to include one additional room; renovations and upgrades to ECLC administrative office completed.
- 2013** - Full-day Kindergarten initiated in Barrington. ECLC has 5 classrooms for full-day Kindergarten and 2 classrooms for half-time preschool program (4 sessions). Annex building at BES (old Kindergarten building) being used for School Board and Town committee meetings in addition to a Professional Development meeting room and OT/Title I. All student classrooms are now located in the main building of the elementary school.
- 2014** - Voters approve 10-year high school contract with Dover, Upgrades/improvements made to the ECLC water system and parking area.

BARRINGTON SCHOOL HISTORY

(continued)

School Register recording attendance of one-room school located on Pond Hill Rd., Barrington, NH.

Total enrollment record commencing on April 23, 1894-December 7, 1894 varied from 20-25 students, ages 5 -18.

2015- Ten-year high school contract with Oyster River Cooperative School District.

2016 – SAU 74 offices relocated to Annex building at BES.

2017- BES Paving project completed. Added Reading Interventionist in grades K-2 and added a sixth Kindergarten classroom. A School District van was acquired.

- 2019 -** BES awarded The NH School of Excellence Award. World Language Program added at BMS for grades 7 & 8. The World Language Program offered to middles school students is Spanish, which aligns with the high school curriculum.
- 2020 –** The ECLC added a third Preschool classroom and Preschool teacher. Additionally a Social Worker was added for all grades, to support students’ social-emotional learning. SAU 74 provided both in-school and remote instruction due to the COVID-19 pandemic.
- 2021-** The ECLC built outdoor learning classroom.

BARRINGTON SCHOOL HISTORY

(continued)

THE HUDDLESTON LIGHT

"In 1938, a school was built to unify the Barrington Schoolhouses.

Eric Huddleston, a popular architect in the early 20th century, helped design the building.

One special aspect of the building was a light that hung near the front door of the school. This is locally known as the Huddleston light. It is all that remains of the old building."

"As a school district, as a town we must share stories from the past. The Huddleston light will now remain on display at the Barrington Middle School library. The light is a great example of early architecture and will bring a small piece of history into every student's day."

Written by a Barrington 8th grade student, 2017-2018

Revenue Administration

2022
MS-26

Default Budget of the School District Barrington Local School

For the period beginning July 1, 2022 and ending June 30, 2023

RSA 40:13, IX (b) "Default budget" as used in this subdivision means the amount of the same appropriations as contained in the operating budget authorized for the previous year, reduced and increased, as the case may be, by debt service, contracts, and other obligations previously incurred or mandated by law, and reduced by one-time expenditures contained in the operating budget. For the purposes of this paragraph, one-time expenditures shall be appropriations not likely to recur in the succeeding budget, as determined by the governing body, unless the provisions of RSA 40:14-b are adopted, of the local political subdivision.

Barrington School District High School ENROLLMENT HISTORY

2021/2022 REPORT FROM THE SUPERINTENDENT OF SCHOOLS

Dear Parents, Students, Staff, and Barrington Community,

Our Mission

The mission of the Barrington School District is to be an inclusive school community where students are prepared to be intellectually and physically engaged members of the local and global community.

We foster an environment that encourages and celebrates life-long learning and teaching for students, staff, and community members based on the principle that we all have strengths and experiences to contribute.

This school year brought new changes to the district, with two administrators hired this fall; Ms. Elizabeth Talon, Assistant Principal at Barrington Middle School and Dr. Naomi Hall, School District Curriculum Coordinator. The School District also hired new teachers and staff in each of the schools. While the district continues to navigate the constant changes caused by the pandemic, we have not been deterred from delivering the outstanding education that continues in the classrooms. This is due to teachers, staff, and administration and their unwavering dedication to provide an exemplary education for the students.

Many celebrations occurred this year; Ms. Dee Swain, Barrington Elementary School Nurse, was recognized as Teacher of the Year, Ms. Deannah Rae, Director of Student Services, was recognized for the Champion of the Children Award. Students celebrated end-of-year school events such as eighth grade celebration, band and chorus concerts, fourth grade end-of-year celebration, the opening of the ECLC Outdoor and Woodland Learning Classroom, and various other school events. The pandemic could have influenced these school events and students' experiences, however that was

2021/2022 REPORT FROM THE SUPERINTENDENT OF SCHOOLS

(continued)

not the story. As a community we supported our schools, students, teachers, staff, families, and each other and this was exhibited on many occasions.

ECLC Outdoor and Woodland Learning Classroom

The district has established the following areas as priorities for the school district: multi-tiered systems of support in reading, consistent instruction and application of mathematics, multi-tiered systems of support in social-emotional learning. These district priorities support the success for all students. The Early Childhood Learning Center has implemented a new assessment, Phonological Awareness Literacy Screener (PALS assessment) the assessment monitors students' academic progress. The assessment provides teacher with important data to inform instruction and curriculum decisions. The i-Ready district assessment and the State Assessment results continue to provide important information to support students' academic growth. The District continues to analyze trends to set priorities and update district goals. The district has started the mathematics curriculum review process to review current math instructional resources and evaluate current mathematics resources to ensure they meet the curriculum standards and demonstrate student academic growth.

The preschool, kindergarten, and middle school enrollment is expected to maintain similar levels for the next school year. Enrollment trends indicate increases in student enrollment at the elementary school and the receiving high schools. Currently at Dover High School, 204 students attend, Oyster River High School has an enrollment of 179 students, and Coe-Brown Northwood Academy has 102 students enrolled. The 485 enrolled high school students was more than the projected enrollment. The enrollment graphs

2021/2022 REPORT FROM THE SUPERINTENDENT OF SCHOOLS

(continued)

illustrate the district enrollment history and enrollment trends. The current school district enrollment in grades preschool through grade twelve is 1,453 students. The projected enrollment for next year is 1,470 students.

The Tricentennial for Barrington speaks to the rich history and establishment of this wonderful community. The School District has included a variety of school pictures recognizing the students, staff, community involvement, and the history of the Barrington schools. In the School District section of the Town report, specific updates and revisions are included based upon recommendations from the Communication Committee and the School Board. A special thanks to Ms. Carrie Neill for her assistance in ensuring the creativity and formatting of the report.

In July, 1996, SAU 74 was established and in 2021 Barrington School District celebrated 25 years as district. In that time teachers, staff, School Board members, the community, families, and students cultivated the strong educational system we have today. I am fortunate to serve as the Superintendent and work with amazing and dedicated teachers, staff, and administration. I want to thank the Barrington PTO and PTC, and Barrington School Foundation for the continued support of the Barrington School District. Thank you to the families, educators, staff, administration, School Board, and community for your constant support and commitment to the School District.

Respectfully Submitted,

Daniel Moulis
Superintendent of Barrington Schools

2021 REPORT OF THE EARLY CHILDHOOD LEARNING CENTER

2020-2021 was our second year managing schooling in a pandemic. Despite the obstacles, we were able to continue to educate students at the school and we continued to work toward our mission: *We provide a welcoming, healthy, safe, confidence-inspiring environment where individuality is nurtured and independence is encouraged. Students, staff and families work collaboratively to foster meaningful relationships and a vibrant community.* Combining our mission with our guiding principles, “Be Kind, Be Caring, and Be Respectful” we had another year of success for all students.

Full day kindergarten is in its 9th year and we continue to support an integrated preschool program. We have a total of 157 students enrolled. 107 of those students are in kindergarten and 50 are in preschool.

We welcomed a new Special Education Case Manager, Kathy Clark. Former Case Manager, Jaime Frost became a Kindergarten Teacher here at the ECLC. Kathryn Cunningham also joined us as our school nurse. We hired 8 new paraprofessionals due to turn over and increased special education students.

Each year we look at all aspects of our school and identify areas of need in order to keep improving. We continue to monitor the health and safety of students and staff while in a pandemic. We implemented social and emotional learning monthly themes to promote healthy well rounded students. Preschool teachers worked to create a curriculum based on power standards with rubrics for better assessment of progress. In Kindergarten we implemented Foundations, Reading and Writing Workshop, Math in Focus and the Next Generation Science Standards. We continue to promote a curriculum for all students that is developmentally appropriate while also rigorous and engaging.

Enrichment opportunities abound at the ECLC. Ms. Wendy from the Public Library visits all classrooms to promote literacy. Book Walks through the ECLC trails are hosted by the Barrington School Foundation. The community got out their knitting needles and donated over 200 pairs of mittens for a literacy event where each student selected a pair of hand made mittens to take home. Students were honored to attend school board meetings and recite the Pledge of Allegiance. We also welcomed a puppeteer to perform for the students.

2021 REPORT OF THE EARLY CHILDHOOD LEARNING CENTER

(continued)

In closing, while a pandemic continues, we have not wavered in our goal to provide outstanding education for students. I'm privileged to work with so many invested staff members that work so tirelessly, parents with unwavering support, community members that care so deeply about our youngest learners, and our students who come and learn with such excitement and enthusiasm. Our ability to face a pandemic straight on with the dedication to provide students with social, emotional, and academic support they need is admirable. I want to thank our learners, teachers, parents, SAU and the school board for the incredible support.

Respectfully Submitted,

Laura Deely

Principal, Barrington Early Childhood Learning Center

2021 REPORT OF THE ELEMENTARY SCHOOL PRINCIPAL

It is always with great pride I submit the annual report to the citizens of Barrington. The writing of the BES annual report typically begins with list-making and reflection upon curricular changes and instructional innovations, new staffing assignments and positions, as well as enrollment and achievement data collectively illustrating the previous school year. There is always an effort to celebrate our proud moments, outstanding staff accomplishments, and those folks who have retired and given their very best years to our fair District. Typically, we include activities, events, and make every attempt to shine a light on all that is good and productive at BES and to look brightly toward next year. And, typically, I am charged with doing so in one typewritten page or less.

As I reflect over the 20-21 school year and the beginning of 21-22, I find it difficult to begin an annual report in the same fashion as in years past, as there was nothing typical about the curricula, assessment, instruction, activities, events or our staff. However, the entire year was extremely innovative, executed by outstanding staff accomplishments, and accentuated by incredibly proud moments.

During the school year 20-21, we opened to separate formats for learning. We developed and facilitated systems for both Remote learners and In-Person education. We began the year with approximately 100 remote learners across all grades and 300 in-person students. Six of our classroom teachers taught remotely, as did all of our Unified Arts Teachers and several of our Special Educators. For in-person learners, we were masked and distanced and made modifications in everything from Master Schedule to PE schedules, lunch protocols, recess zones and curricula. We assessed students when they arrived in September, identified their many needs and developed plans to move them forward. District assessments and state assessments, as well as teacher's professional insight, observations, and curriculum based measures were used to develop targeted interventions and instruction. We received new guidance and rules regularly, and we shifted at every turn to create systems to deliver our students high quality instruction in a safe and respectful environment.

Our typical activities, such as after school enrichment, whole school field trip, winter concert, and Pancakes with Santa were sorely missed. However, we were able to organize a whole school kindness activity day in the fall, celebrate Read Across America in the spring, and hold an outdoor Band and Chorus concert in June where our fourth grade students absolutely shined! We also wished a very happy retirement to Mrs. Cindy Taylor and thanked her for her 30+ years of dedicated service to the Barrington School District.

2021 REPORT OF THE ELEMENTARY SCHOOL PRINCIPAL

(continued)

At BES, we currently enroll 407 students and host 81 teachers, support staff, specialists, custodians, cafeteria workers, nurses, counselors, and interns who continue to work tirelessly to move our students forward academically, socially, emotionally, and safely. Every single heartbeat within BES has a hand in the success of our children every day. I thank each and every one of them for their daily efforts. Additionally, I would like to thank the Barrington community, our families, school board, and Leadership Team for their unwavering support.

While this report is always submitted with great pride and honor, I can't remember being more proud of the dedication, work, and exhaustive efforts demonstrated by a staff. So, truly, it is with great honor and pride I submit this Annual Report to the citizens of Barrington. With this submission, it is my hope that the folks of Barrington, and our posterity will know the entire staff at BES and the greater community did whatever it took to keep our children safe, happy, and learning during the 20-21 school year.

Respectfully Submitted,

Mary Maxfield

Barrington Elementary School Principal

2021 REPORT OF THE MIDDLE SCHOOL PRINCIPAL

It is with pride that I submit this annual report on behalf of the students, faculty, and parents of the Barrington Middle School.

Our middle school educates approximately 402 students in grades five through eight. We continue to use a traditional middle school model. Grades five and six are a straight team with approximately 99 students in grade five and 97 in grade six. Grade five and six are housed on the first floor in a five-classroom pod. There are approximately 103 students in grade seven and 103 in grade eight. Both grade seven and eight are housed on the second floor in a five-classroom pod.

Barrington Middle School welcomed several new teachers, Karoline Cunningham Grade 5 Writing, Amy Behr Reading Specialist, Abigail Hatfield Grade 7 Science, Dayna Martyniak Speech Pathologist, Kristyn Miles Health, Kelly Newick Librarian and Katie Rand Grade 8 Case Manager.

Each team provides core class instruction. These core classes are Language Arts, Reading, Social Studies, Math and in grades 7 and 8 Spanish is offered. The instruction is delivered within the pod area. Grades five and six have five core teachers, along with a Special Education/Case Manager teacher. Grades seven and eight have four core teachers (Language Arts, Math, Science and Social Studies) with a Special Education/Case Manager teacher as well. Grade seven and eight students also have the opportunity to take Spanish or Reading. Students also participate in the Unified Arts curriculum. These classes include Art, Technology Education, General Music, Band, Chorus, Physical Education, Health, Computer Applications, and Reach.

Barrington Middle School continues to administer two standardized tests throughout the year. Students will be taking the SAS Assessment this spring, and students take the i-Ready assessment three times throughout the school year. These assessments help teachers deliver targeted instruction.

Dover High School, Oyster River High School, and Coe-Brown Northwood Academy, along with some other neighboring high schools, actively seek Barrington Middle Schools students. We continue to seek feedback from the high schools to help us improve. All of the high schools report back that our students are extremely successful. This can be attributed to the outstanding jobs our teachers, paraprofessionals, support staff, parents/guardians, and the

2021 REPORT OF THE MIDDLE SCHOOL PRINCIPAL

(continued)

Barrington community do in preparing our students to be successful in high school.

In closing, I would like to thank the following: The Barrington School Board for their continued support and dedication towards the education of the Barrington children; the Facilities Management team and their commitment to ensure our buildings are safe, clean, and a point of pride within the community; the numerous parent volunteers and town employees who are dedicated to the students at each of our community schools; and finally our teachers, paraprofessionals, and support staff, who's commitment to each student's needs is reflected in our student's success.
