RIDINGS PRESS, INC.

Dover, N.H.

DEDICATION

JOHN WILLIAM PRINTY

February 6, 1921 - February 28, 1995

John and Rita moved to their Freshet Road home in Madbury in 1956. In 1961 John was elected Treasurer for the Town of Madbury and continued to serve in that capacity until his death. He was a kind and generous man who felt a strong sense of civic duty. John was devoted to his family who shared his love for birds and animals, the beach, and his home and gardens. He was respected and loved by all who knew him.

We dedicate this Town Report to the memory of John W. Printy in hopes that it will reflect our deep appreciation for his long time dedication to service and his contributions to the Town of Madbury.

RECORD OF TOWN MEETING
March 14, 1995

The Annual Town Meeting of the Town of Madbury, County of Strafford, and the State of New Hampshire, was called to order at 1:00 p.m. by Moderator Donald W. Melvin. The polls were declared open and the following Ballot Clerks were sworn in by the Moderator.

Jeanne Bartell	Diane Hodgson
Mary Ellen Duffy	Muriel Rogers
Georgia Drew	Carleton Wentworth

Moderator Donald Melvin called the evening session of the Annual Meeting to order at 7:30 p.m. The approximate ninety citizens gathered in the Town Hall stood for a moment of silence for those Madbury residents who died since our last annual meeting. They were:

Kenneth S. Morrow	Constance W. Goss
Peter J. Gisis	Merle S. Wilson
Juliette Plante	John W. Printy

Special note was made that Kenneth S. Morrow had served as Madbury's Moderator from 1945 to 1976 and John Printy, who just passed away February 28, 1995, had been serving as Madbury's Treasurer since 1961.

All present joined in reciting the Pledge of Allegiance.

Moderator Melvin shared some information he found in an 1895 Annual Town Report. Salaries for Selectmen in 1895 were \$25 for the year; Town Clerk received \$16; School Board members received \$15; Road Agent earned \$3 for twenty hours of labor; and teachers received \$195 for thirty weeks of teaching.

- ARTICLE 2. Voted by ballot to adopt Amendment No. 1 to the Zoning Ordinances regarding COMMERCIAL & LIGHT INDUSTRIAL DISTRICT, as proposed by the Madbury Planning Board. Sample ballot with total votes and complete text of the amendment on file in the Town Clerk's Office.
Yes - 103 / No - 52 PASSED
- ARTICLE 3. Voted by ballot to adopt Amendment No. 2 to the Zoning Ordinances regarding the CIVIC DISTRICT, as proposed by the Madbury Planning Board. Sample ballot with total votes and complete text of the amendment on file in the Town Clerk's Office.
Yes - 132 / No - 23 PASSED
- ARTICLE 4. Voted by ballot to adopt Amendment No. 3 to the Zoning Ordinances regarding HOME OCCUPATIONS, as proposed by the Madbury Planning Board. Sample ballot with total votes and complete text of the amendment on file in the Town Clerk's Office.
Yes - 114 / No - 40 PASSED
- ARTICLE 5. Barbara Houston moved and Woodie Fraser seconded a motion to authorize the Selectmen to choose all other Town Officers. No discussion. PASSED
- ARTICLE 6. Alfred Grimes moved and Robert Wilson seconded a motion to raise and appropriate the sum of three thousand dollars (\$3,000) for the existing expendable Trust Fund known as the Madbury Memorial Park Fund created in Article 6 at the 1994 Town Meeting and further to authorize the Selectmen to act as agents to withdraw and expend from this Trust Fund. Selectman Houghton explained that the cemetery is mostly completed and that this appropriation should complete the project. Three thousand dollars (\$3,000) is recommended by the Board of Selectmen and included in the proposed budget. With no questions from the audience a vote was taken. PASSED
- ARTICLE 7. Selectman Moriarty moved and Alfred Grimes seconded a motion to raise and appropriate the sum of ten thousand dollars (\$10,000) for the existing Capital Reserve Fund created in Article 8 at the 1994 Town Meeting for the purchase of a fire truck and further to authorize the Selectmen to act as agents to withdraw and expend from this Capital Reserve Fund. Mr.

Moriarty explained that we already have set aside ten thousand dollars (\$10,000) in this fund and we need to plan ahead and add to this for a future new fire truck. No questions. A vote was taken. PASSED

ARTICLE 8. Selectman Moriarty moved and Woodie Fraser seconded a motion to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of reconstructing the intersection of Freshet Road and State Route 108 and to raise and appropriate the sum of ten thousand dollars (\$10,000) to be placed in this fund and further to authorize the Selectmen to act as agents to withdraw and expend from this Capital Reserve Fund. Mr. Moriarty explained that this was going to be an expensive job so we should accumulate some funds to use in a few years. When asked why the State of NH is not addressing the problem, Mr. Moriarty said that since most of the work actually needed to be done is on the Town owned portion of the intersection, the State has been reluctant to do anything. When asked WHEN the project will be done and for HOW MUCH, Mr. Moriarty could only guess in three years and for \$60,000 to \$70,000. With no further discussion a vote was taken. PASSED

ARTICLE 9. Selectman Hodsdon moved and Robert Wilson seconded a motion to raise and appropriate, and authorize the Selectmen to spend up to the sum of twenty thousand dollars (\$20,000) to purchase and equip a police cruiser. Mr. Hodsdon explained that Madbury's current cruiser is a 1987 with lots of miles and idling time on the engine. The Madbury Police Department is increasing its patrol time. The older cruiser will continue in use for as long as it is practical, but another and NEWER cruiser is definitely needed. With very few questions raised, a vote was taken. PASSED

ARTICLE 10. Selectmen Bruce Hodsdon moved and Janet Wall seconded a motion to adopt the proposed budget for the current year of \$603,791.00. The only questions asked were relative to which roads were scheduled to be paved or improved. Evans Road, Perkins Road and Cherry Lane are the ones expecting work on them in 1995. A vote was taken on the proposed budget of \$603,791.00. PASSED

ARTICLE 11. David Penniman moved and Joan Valentine seconded a motion

to discontinue the Revaluation of Properties in the Town of Madbury Capital Reserve Fund established in 1991. This fund was created for the revaluation of properties which is completed. Said funds, with accumulated interest to date of withdrawal, are to be transferred to the Town's general fund. Selectman Houghton explained that there are approximately \$5,000 left in this fund that needs approval at this meeting to move into the general fund. No questions. A vote was taken.

PASSED

ARTICLE 12. Craig Seaver moved and Barbara Houston seconded a motion that the Town vote the retention of the unexpended portion of the 1995 Conservation Commission appropriation, said monies to be placed in the Conservation Fund. Again no questions were asked. A vote was taken.

PASSED

ARTICLE 13. Selectman Moriarty moved and Joan Schreiber seconded a motion to adopt the Amendment and Restatement of Lamprey Regional Cooperative, thereby remaining a member of the Lamprey Regional Cooperative for the purposes of handling, managing and disposing of municipal solid waste. Moriarty explained that Madbury has been a participating member of LRSWC for the past 15 years. He felt Madbury should stay involved with LRSWC to handle the financial and legal closure of its landfill in Somersworth and incinerator in Durham. Two-thirds of the current members of LRSWC must vote in the affirmative if Lamprey is to continue. If the Cooperative stays together, there are commitments from other waste facilities to take our waste. If the Cooperative dissolves, each Town will be out for itself. There being no questions; a vote was taken.

PASSED

ARTICLE 14. Alfred Grimes, Chairman of the Cemetery Committee reported that twenty-two (22) cemetery lots have been sold; six plaques and granite posts have been purchased (four already in place and two on order). The site still needs some more shrubs, a gate and a sign. Any residents with ideas are urged to share them with the Cemetery Committee.

ARTICLE 15. Supervisor of the Checklist Rosemary Raynes announced that Supervisor Lynda Gilbert just resigned her post due to a changed work schedule. The remaining two Supervisors must appoint someone to replace Gilbert until March 1996. Anyone

who is interested in serving as Supervisor of the Checklist please notify the Town Office as soon as possible.

Kitty Cornwell, President of the Madbury Community Club, announced that the Club will be sponsoring a town-wide pot luck supper to be held on April 2 from 5-7 p.m. at the Moharimet School.

Priscilla Polichronopoulos introduced Madbury Day plans.

Donald Melvin read a letter from the Durham Town Administrator soliciting interested people from Madbury to serve on a Fourth of July Celebration committee. Anyone interested should attend a meeting on Friday, March 24, 1995 at 1:00 p.m. at the Durham Council Chambers.

With no other business to be brought before this meeting, the Moderator adjourned the Meeting at 8:10 p.m. with the polls remaining open until 9:00. The 165 cast ballots were counted and the meeting was officially adjourned at 9:45 p.m.

Pamela A. Seaver
Madbury Town Clerk

Then came before me, Richard R. Houghton, Kathleen K. Traut, Emily R. Hart, Betsy J. Booth, Barbara G. Houston, Alfred Grimes, Diane C. Hodgson and Carleton M. Wentworth and took their oaths of office as required by law. Then came Pamela A. Seaver before Moderator Donald W. Melvin and took her oath of office as required by law.

Pamela A. Seaver
Madbury Town Clerk

Formally accepted by the Madbury Board of Selectmen on March 22, 1995.

MADBURY VOLUNTEER FIRE DEPARTMENT ANNUAL REPORT

To the Residents of Madbury:

The Fire Department responded to 129 calls in 1995, we had no major fires. We were busy with motor vehicle accidents, mutual aid to other towns and medical calls.

“911” the emergency number for fire, police and ambulance calls is now being used in town. We would like to ask everyone to put house numbers on their mail boxes that can be read at night from emergency vehicles. The 911 system depends on this.

We have added 3 new members this year, Judy Williams, Andrea Libby and Steve Tomany. We are fortunate to have these young people join. We are always looking for volunteers. We need daytime help (when Firemen are out of town or at work) for fire and FAST calls. If you are interested call or visit the fire department any time.

In May we dedicated our new communications room in memory of William Morong. Bill was a long time supporter of the fire department and FAST squad. He helped in several fund-raisers and Madbury Day events. He was on the Water Board and was instrumental in starting the fire hydrant system on the Portsmouth pipe line. We were fortunate to have his support. This room was built with donations in his memory. The department would like to thank the Morong Family for this much needed room.

In April we lost a very dedicated firefighter, Willard Sanders. “Willy” had been a member for 35 years. He helped to build several additions and helped to maintain our fleet. If we had a project he was there with the tools. He was a Captain, a Director, Asst. Chief and our Chef on Madbury Day.

He wanted to donate a chest of tools to the department but was too ill to attend a meeting and present them. After his death, his wife Marilyn said he wanted us to have his tools. We are very grateful, we now have about all the mechanics tools we will ever need. “Willy is gone, but not forgotten”. I am thankful I have known Willard for 30 years.

The Madbury Fire Department would like to thank all who participated in the Madbury Day celebration June 10. Committee members, Jenny Hickman, Paula Hodgkins, Donna Northover, Lorraine Morong, George Hickman and Dave Smith did an excellent job of organization and recruitment. They would appreciate

new people with new ideas next year. We need more town participation.

This was Arthur Anderson's first year as "chef", he did such a good job we will recruit him again next year.

The Fire Department held its Annual Christmas Party at the Gateway Restaurant on December 8th. It was well attended despite the weather. We enjoyed an excellent meal. The town was well represented by Selectmen Joseph Moriarty and wife Barbara, Selectmen Richard Houghton and wife Gail, Town Administrative Assistant Diane Hodgson and Town Clerk Pam Seaver and husband Craig. Awards and certificates were presented. Richard Houghton was honored for his many contributions to the fire department and FAST squad. He recently presented the fire department with a new chain saw. Captain Bob Hodgson was presented a certificate for Life Membership in the department having completed 35 years of service.

The "Fire Fighter of the Year" award was presented to Assistant Chief Arthur Anderson. Arthur has served over 15 years on the department in various positions and offices. He has made an effort to answer as many calls as possible. He has participated in the building of two additions to the station. He has been my right hand man. He is this year's outstanding fire fighter and next year's Chief. Thank you Arthur for a job well done.

This was my last year as Chief of your department, I have enjoyed 17 years as Chief and now feel it is time for a new "Chain of Command". I have seen many accomplishments in the last 17 years, a well and septic system, a phone system, a pager system, two additions, the organization of the FAST squad, a hydrant system started, two new fire trucks, rebuilt the forestry truck, a new communications room and the start of the 911 system. We can be proud of these accomplishments. I would like to thank the town for their support in taxes and donations for these projects, also the Selectmen and town officials for their consideration and cooperation throughout the years. It has been an experience I will not forget. I hope you will have the same relationship with my successor. I will continue on with the fire department in what ever capacity they choose. After 33 years of service it is hard to break away completely.

The fire department has received several donations throughout the year and would like to thank Houghton's Hardware, Hanscom's Truck Stop and various people in town. We appreciate your support. Thank you.

Respectfully submitted,
Kenneth Wolcott

**REPORT OF TOWN FOREST FIRE WARDEN
AND STATE FOREST RANGER**

In calendar year 1995, our three (3) leading causes of fires were Children, Non-Permit fires not properly extinguished and Smoking Materials.

Violations of RSA 224:27 II, the fire permit law, and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

To aid your Forest Fire Warden, Fire Department and State Forest Fire Officials, contact your local Warden or Fire Department to find out if a permit is required. This also helps to prevent unnecessary response to a controlled burn.

1995 FIRE STATISTICS

Forest Ranger Reported Fires: Number of Fires for Cost Share Payment 465 Acres Burned 437 Suppression cost \$147,000+ Lookout Tower Reported Fires 555 Visitors to Towers 26,165 Number of Fires Local Community 5	Fires Reported by County Belknap 11 Carroll 50 Cheshire 39 Coos 17 Grafton 26 Hillsborough 71 Merrimack 49 Rockingham 106 Strafford 78 Sullivan 18 Suppression Cost \$500.00

Local communities and the State share the cost of suppression on a 50/50 basis. The State of New Hampshire operates 15 fire towers, 2 mobile patrols and 3 contract aircraft patrols. This early detection and reports from citizens aid the quick response from the local fire departments.

MADBURY FAST SQUAD REPORT

The Madbury FAST Squad has had a quiet year with 58 calls.

There are some new faces on the FAST squad. Membership now includes Lisa Keiski, Steve Tomany, Andrea Libby and Jennifer Perley. Only the latter two reside in Madbury.

Occasionally there will be a call in Madbury in which there are no available FAST personnel. We are trying to get a licensure classified as rescue so that Fire Department personnel who are EMT's, but cannot be members of the Durham Ambulance corps for other reasons, are protected for their response. Another means of addressing this issue is encouraging members of the community to become EMT's and help themselves and their community.

There will be a spring time CPR and First Aid course for those interested. Please contact Lisa Keiski at 749-1188.

We had a successful year with thanks to your contributions and big Madbury Day. Yard sale and food auction 1996 are just 90 days away! And yes, I had a wonderful adventure at Mt. McKinley base camp in Alaska.

Again thank you and to the best of your health.

MADBURY POLICE DEPARTMENT

Many changes have taken place this year. The Madbury Police Department has now located office space in the rear of the Town Hall on the parking lot side.

This year Madbury Police covered over 670 calls through November 1st. Calls to Police have shown a large increase over the last two years.

Madbury now has five part-time Officers: Sergeant David Cobban, Patrolmen, Nicholas Boulter, Christopher Mangum and Kevin Snyder and Animal Control Officer Susan Snyder.

The Business phone for messages is 742-5566. Emergency Numbers: Emergency 911 and Durham Dispatch 862-1212.

With the purchase of a 1995 Ford Cruiser through the State bid process and the additional Officers. Madbury Police now has limited Patrol throughout the Town on a weekly basis.

I would like to remind residents to number homes or mailboxes with 3 inch numbers so Police Officers and other emergency people can locate homes easily. We also encourage neighborhood watch policy, enabling residents to call in suspicious vehicles and people, etc. using the new 911 emergency number. This has been very effective in past years. Also, residents going on vacation should call the dispatch with dates and time you will be away. This will enable the Police Patrol to check your home periodically.

MADBURY PLANNING BOARD

The Madbury Planning Board met 21 times in 1995. We are a volunteer board appointed by the Selectmen for terms of three years. Deborah Zarembo was appointed as the newest member. Stephen Schuster was re-appointed and Ric Erickson became an alternate after serving many years as a member, including several as secretary.

This year only one lot was subdivided, creating two lots. We had three preliminary discussions about potential subdivisions. We also, on request, clarified decisions of previous boards pertaining to four earlier subdivisions.

We met with several landowners, at their request, to discuss the nature and extent of the commercial use of residential property. The new home occupation section of the residential agriculture zoning ordinance was applied twice. One application, an automotive brokerage service, was determined to be a Level I use with no permit required. The other, a craft studio, was a Level II use and a conditional use permit was approved.

Other topics of discussion were the new Shoreland Protection Act, the siting of Lamprey Regional Solid Waste Cooperative's proposed transfer station, heavy trucking through Madbury, and digitizing of the composite tax map for planning purposes.

Our main planning effort this year was the major revision of the Capital Improvements Plan (CIP). Using the goals set forth in the Madbury Master Plan, the board developed a program of capital improvements over the next six years and recommends the plan to the selectmen for their consideration as part of the annual budget. The board met with town officials. Members Joan Sundberg, Karen Houston and Lucy Tillman examined records of recent years' revenue and expenditures. Projections of population growth, operating expenses, and revenue were made. The board considered the recent major purchases of land in the civic district, the evolving needs for community services, and the fact that the long term debt will be paid in the next few years. Then we made our best effort to write a plan which balances stability with progress.

MADBURY CEMETERY TRUSTEES' REPORT

The Cemetery Trustees spent time this year in reviewing the progress made to date and evaluating this against the sought after goals. This is the first year that the Cemetery Committee members were elected to the positions of Cemetery Trustees.

The following is an overview of the Madbury Cemetery operations:

1. Trust Funds and accounts were established. They consisted of the Common Trust Fund for long term care. The Expendable Trust for improvements and maintenance and the Bank Account for operational expenses.
2. A granite sign for the Cemetery is on order and will be erected in the spring.
3. The main entrance gate plans are being studied and the purchase and placement is anticipated in 1996.
4. Additional Memorial Bronze Plaques were mounted on the granite posts. This prompted the addition of four more granite posts and will help complete the posts and chain fence toward the main entrance gate.
5. As of December 31, 1995, twenty-four lots have been purchased.
6. The burials of three long time residents of Madbury took place during the year 1995.
7. There were additions of shrubbery and trees to our landscaping. The Trustees wish to thank Carol Loughlin who has overseen the long range project of landscaping the Madbury Cemetery.

The Cemetery Trustees wish to thank the Town for the mowing and care of the Cemetery this past year. Also, a thank you to all the people who have helped us with ideas and suggestions. We appreciate and look forward to everyone's encouragement and support.

**MADBURY CONSERVATION COMMISSION
ANNUAL REPORT 1995**

Trail work has been the most obvious accomplishment of the MCC this year, at least to anyone who frequents the trails out behind the town hall. A grant from PSNH and two days of volunteer labor from the UNH Cycling team allowed the completion of trail improvements in the Hicks Hill area. A system of switch-backs now eases the plunge down the east side of Hicks Hill and a relocation keeps the footing dry at its base.

The Commission made a number of visits to the Bolstridge Woods property in company with various experts, all with an eye to the creation of a management plan. As of town meeting the preliminary plan should be completed. At present the parcel seems best suited to wildlife habitat, and management should aim to maintain and enhance habitat quality and variety. Trails are an attractive possibility, but should be sited to avoid wetland damage and wildlife disturbance. Forest management will only become an issue after a few decades of regeneration.

Work creeps ahead on the revision of 1985's *Inventory of Properties Owned by the Town of Madbury*. Writeups for all town-owned parcels are complete; now editing and map production remain to be done.

Also on the Agenda in recent months has been the possibility of getting digitized maps produced which would show property boundaries and trails along with natural features.

Other commission work involved attendance at some Planning Board meetings, and the Oyster River Watershed Nonpoint Pollution project, consideration of two dredge and fill permit applications, both by NHDOT in connection with highway work, and the completion of the fifth annual monitoring of the Fernald Easement.

Townpeople may feel free to bring their concerns and comments to the commission, either by letter or by attending the meetings on the fourth Monday at 7:30.

MADBURY HISTORICAL SOCIETY
ANNUAL REPORT
October 1994 - October 1995

During the year past, October 1994 to the present, members of the Historical Society continued their interest and support of Madbury through local projects and programs.

The membership approved the expenditure of funds to pay for the restoration and binding of old town reports (1870 - 1900).

The Society continues to add to its archives, enriched this year by thirty volumes of State Papers and hundreds of surveyors books found during the renovation of the fire house, as well as many photos of the 1968 Bicentennial celebration from Dick Merritt and copies of old railroad photos belonging to Richard Colprit.

Care of the graveyards continues, this year's effort accomplished on the first Saturday in May. A future project could deal with the removal of large trees in various plots.

A varied selection of programs entertained the membership. In November, Gary Samson spoke on Franco-American Culture in New Hampshire and showed his film on the subject. April's program featured Jason Hindle, a Dover High School senior, whose portrait of Franklin Pierce, New Hampshire's only contribution to the Presidency, was thorough and informative. A visit to the Franklin Pierce Manse in Concord in July tied in with this program.

The October and January programs provided by members highlighted the skills available among the Society's members. In keeping with the Halloween spirit, the program focused on ghostly tales: readings by Dave Smith, Lorraine Morong and Joyce Wood. January's program took us on a tour of Scotland's Outer Hebrides with Lorraine Morong.

Programs developed by members continued through November 1995.

DURHAM AMBULANCE CORPS

Town Report 1995

The Durham Ambulance Corps is a private, non-profit, volunteer service that has provided 24-hour emergency ambulance service to Durham, Lee, Madbury and the University of New Hampshire since 1968 in memory of Dr. George G. McGregor. Staffed with volunteers, and one full-time Manager, the Corps has greatly improved its level of patient care from the minimal services of Advanced First Aid in 1968, to the various levels of Advanced Life Support currently provided. The Durham Ambulance Corps takes pride over a quarter century tradition of providing some of the most sophisticated and progressive emergency care in the area.

1995 was a record breaking year for the DAC with 880 responses to emergency medical calls. There were 326 calls in Durham (37%), 326 calls to the UNH campus (37%), 152 calls in Lee (17.3%), 55 calls in Madbury (6.3%) and 21 mutual aid calls to other communities (2.4%).

ACHIEVEMENTS IN 1995

We established a program for training members in Tuberculosis and Respiratory Protection as required by OSHA. Each member receives annual refresher training in Infection Control including TB, Hazardous Materials, and Respiratory Protection.

The Corps held a very successful fund drive to raise money for our Building Fund with \$10,000 raised and additional donations still being received.

The Corps evaluated patient billing, which has been very well received by our patients. Revenues in excess of the budgeted amount directly offset appropriations from the communities DAC serves. We continue to have a program to waive balances for those patient's who cannot afford to pay their bill. No patient is denied service due to outstanding balance or inability to pay.

Initial member training and promotional training has been streamlined.

GOALS FOR 1996

Renovate and expand the existing DAC Station to meet our needs for the next 5-10 years, with plans for major reconstruction or move into new quarters within 10 years. The capital improvements station renovation fund will partly fund renovation/construction.

We will explore community needs for additional services such as stand-by coverage, non emergency transfers, and mobile health care. If such services are necessary we will explore funding options that do not increase appropriations from the communities we serve.

Recruit permanent area residents for active membership to alleviate personnel shortages when UNH is not in session.

Quality Improvement: Evaluate the quality of service the Corps provides by sending service evaluation forms to patients and evaluating the results.

We owe a great deal of thanks to the communities and citizens of Durham, Lee, Madbury and UNH for their continued support, and especially for their generous response to our fund raising efforts. We would also like to thank the Durham, Lee, and Madbury Fire Departments, the Durham-UNH Communications Center and the Durham, UNH, Lee and Madbury Police Departments for their support. Most of all, we would like to thank all the DAC volunteers for their many hours of dedicatd service.

ANNUAL SUMMARY OF MADBURY WATER BOARD ACTIVITIES - 1995

The primary effort of the Water Board this year was sampling and then testing waters for pesticides and other similar contaminants. Samples were taken downstream or downgradient from locations in Town where such chemicals were historically used or suspected to have been used. The results of the analyses showed no such chemicals detected.

In other business, the Water Board continued to monitor the progress of the remediation of ground water contamination at Madbury Metals. A few years ago it was discovered that contamination was moving easterly from Madbury Metals to the Dover wells that are located in Madbury. Since that time, ground water studies have evaluated the extent of contamination and a system has been installed that pumps ground then treats it. The system will be operating for a number of years.

Lastly some high nitrate levels were recently observed in ground water samples from wells located off of Freshet Road. This may be investigated further in future years.

LAMPREY REGIONAL COOPERATIVE

In 1995, we experienced many changes to the Lamprey Regional Cooperative. The Lamprey Regional Cooperative amended and restated their agreement on August 14, 1995. The Lamprey Regional Cooperative also ceased operations of the Waste-to-Energy plant on November 20, 1995. In December 1995, a contract was awarded for demolition of the Waste-to-Energy plant. Demolition began on December 7, 1995 and is scheduled to be completed in February 1996. We will be closing and capping our Ash Landfill in Somersworth in 1996 and it appears at this time that this also will come within our budgeted closure funds.

The Waste-to-Energy plant was operated under budget again in 1995 and we did not experience any major problems in the operating year.

We have made progress toward our goal of a Regional Transfer and Recycling Facility in early 1996 for the communities that have decided to remain in the Lamprey Regional Cooperative into the future.

I would like at this time to thank all of the communities for their cooperation in the operation of our Waste-to-Energy plant the last fifteen years.

Respectfully submitted,
Joseph Moriarty, Chairman of Board
Lamprey Regional Cooperative
