FREE PUBLIC LIBRARY REPORT.

It becomes my duty as Librarian of the Monroe Free Public Library to submit a report for the year now ending.

RECEIPTS.

It is pleasant to be able to report a continually growing interest in the library, as indicated by its patronage.

Limited means makes a rapid increase in the number of volumes out of the question, yet during the year fifty books have been added to the library.

Several donations of magazines and other nice reading matter have been received, the most important and generous donations was from Hon. Fred B. Lang, of Woodsville, N. H. "Messages and Papers of the President's" were received through the courtesy of Hon. J. H. Gallinger.

An encouraging feature of the year has been the enlarged use of the library by pupils of the public schools.

An effort is being made by the Librarian to induce the young people to read fewer stories and more books of an instructive nature in the line of their school work. We look for increased use of the library in this way in the future.

The number of volumes taken out during the year of 1899, was five hundred and fifty-seven.

Respectfully submitted,

MRS. W. E. EMERY, Librarian.
