

**Town of Sandown NH  
Annual Report 2012**

**Irving C. Bassett  
1941-2012**

**Our Chief, Our Mentor, Our Friend**

## Irving C. Bassett

A man cannot leave a better legacy than one of dedication, respect, compassion, hard work, and leadership.

On October 13, 2012, the town of Sandown lost one of its most revered and respected residents: Irving C. Bassett. Irving was the youngest of sixteen children, born on September 16, 1941 to the late Raymond and Priscilla Bassett. Irving was a life-long resident of Sandown and from an early age, continued in his family's legacy of dedication and service to the community. Irving was equally proud to serve his country in the U.S. Army during the Vietnam Era.

Irving was best known for his volunteer service to the Sandown Fire Department which totaled 56 years. He also served as Fire Chief and Town Forest Warden for 24 years. These are both remarkable achievements, but they are just a part of his legacy. Throughout his tenure on the department Irving spearheaded many projects that are the foundation of the Fire Department as it stands today. From organizing the volunteers that helped build the current main fire station and the Angle Pond fire station, to building or rebuilding fire apparatus, his leadership saved the town hundred's of thousands of dollars. When he saw a need, he made sure it was addressed and a solution was found. When citizens of Sandown called for help, usually it was Irving leading a crew of volunteers that showed up at their door. He never shied away from the task at hand. With his Yankee ingenuity and know-how, Irving always found a way to get the job done.

Though Irving never wanted personal recognition, he was aptly awarded the Community Service Award in 1998 during Old Home Days, and the following year in 1999, he was named the Sandown Citizen of the Year.

Irving was a stern man with a soft heart: two perfect qualities. He was not just a giant that could lead a crew of firefighters into burning buildings to protect life and property, but someone who was just as happy to drive a group of children down Main Street to lead the Old Home Day parade.

This annual report could be filled with pages and pages listing all the things Irving has done for this community. But let's just say that by his actions, he taught us how important and rewarding it is to help others in their time of need. You don't do it for praise. You don't do it for thanks. You do it simply because it needs to be done and it's the right thing to do. In helping your neighbor, you make Sandown a beautiful place to live and raise a family and to Irving Bassett, there was no other way to live.

All over New Hampshire, there are people who will tell you that they knew Irving and were proud to stand shoulder to shoulder with him. Many were even more proud to call him a friend. The Town of Sandown will always be indebted to Irving for his dedication and service. He's left his mark and it's a darn good one. His legacy will live on. The citizens of Sandown can insure that will happen when each of us simply takes the time to help our neighbor, our community and our Town.

The Board of Selectmen proudly dedicates this Annual Report to a true Patriot, Irving C. Bassett, who tirelessly and selflessly worked to make this town what it is today.

Irving C. Bassett

Ever since the war on terror began the Sandown **LIONS** Club has attempted to identify and to provide support for the men and women\*\* of Sandown who serve in the U.S. military. Sandown can and should be proud and thankful for our rather large contingent of these young heroes- for their service, dedication, and sacrifice. Many have completed multiple tours in Iraq and Afghanistan and we ask that you continue to keep them all in your good thoughts and prayers.

The Sandown **LIONS** have again, during 2012, provided extraordinary financial and generous assistance in the "Support Our Troops" project. With periodic care packages, gift cards, notes & letters we attempt to bring a small taste of Sandown to wherever **OUR** troops are deployed. They are indeed, literally on duty all over the world representing themselves and Sandown with honor and pride.

If you are inclined to assist in this effort, your tax deductible check can be made out to the **Sandown LIONS Club** and mailed: C/O 503 Main St., Sandown, NH 03873 (-write "SUPPORT THE TROOPS" on the subject line). If you would like to assist with letters to the troops or package content contact me or any other Sandown **LION**.

INDEPENDENT AUDITORS' REPORT

To the Board of Selectmen  
Sandown, New Hampshire

We have audited the accompanying financial statements of the governmental activities, the major fund, and the aggregate remaining fund information of the Town of Sandown, New Hampshire, as of and for the year ended December 31, 2011, which collectively comprise the Town's basic financial statements as listed in the Table of Contents. These financial statements are the responsibility of the Town of Sandown's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the major fund, and the aggregate remaining fund information of the Town of Sandown, New Hampshire, as of December 31, 2011, and the respective changes in financial position, thereof and the respective budgetary comparison for the General Fund for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis information be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supple

mentary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with evidence sufficient to express an opinion or provide any assurance.

## 2012 Sandown Citizen of the Year

### **Ed Mencis**

For his efforts in raising money for local groups, volunteering on committees and other volunteer civic efforts, Ed Mencis was chosen as this year's Citizen of the Year.

The honor was announced during Saturday's Old Home Day events by selectman and Mencis fan Tom Tombarello.

"You probably won't be shocked, and everyone here's going to be thrilled," said Tombarello before announcing the award. "Ed Mencis is a household name in Sandown."

Mencis was lauded for his many years of service to the planning board, zoning board of adjustment and recreation commission; for his efforts at raising money and collecting donations for the food pantry through his Chubb's Fried Dough trailer; and for his efforts at encouraging other to volunteer.

"I could go on and on," said Tombarello. "But I'll just tell you we're lucky to have an Ed Mencis." Tombarello said he volunteers for town positions largely because when he first moved to town, he was encouraged to do so by Mencis. Though Tombarello knew nothing of what a planning board was, he said that Mencis reassured him. "Don't worry about it, they'll love you," he remembers Mencis saying.

"I am very honored by this," said Mencis, after honoring his wife, Linda Meehan's, calls from the crowd for a speech. Mencis pointed to the namesake of the town's new recreation facility, Ed Garvey. The new citizen of the year said Garvey was a mentor, who talked him into a lot of things. But everyone needs mentors to push them in the right direction, he said.

Mencis took his time behind the microphone to thank all of the town's many volunteers.

"This town is very lucky and has enormous resources of people who come out and help and donate their time and their heart and their money to make us a very successful community. When there's a need, there's like a telephone network, a cell phone network now, and we come together, we find the time to help each other out," said Mencis. "We're really all one. And I'm really thrilled with this."

Mencis concluded by saying that he and others would be there for those who need help in Sandown, because that's how they were raised.

After receiving the honor, Mencis rode and waved like a beauty queen in the back of a convertible through the Old Home Day parade.

State Senator Jack Barnes, R-Raymond, was also honored during Old Home Days as an "Honorary Sandown Citizen of the Year." When the long-time Republican senator was redistricted out of Sandown after many years of representing its residents in Concord, the board of selectmen chose to thank him for his years of service and his regular presence at town events. Barnes is not seeking election to his new district.

**TOWN OF SANDOWN  
STATE OF NEW HAMPSHIRE**

To the inhabitants of the Town of Sandown qualified to vote in Town affairs you are, hereby, notified of the following Town meeting schedule.

*First Session of Annual Meeting (Deliberative)*

You are hereby notified to meet at Sandown Town Hall, 320 Main Street, Sandown, New Hampshire, on Saturday, February 2, 2013 at 8:00 am. This session shall consist of explanation, discussion and debate of warrant articles number 2 through 20. Warrant articles may be amended subject to the following limitations: (a) warrant articles whose wording is prescribed by law shall not be amended; (b) warrant articles that are amended shall be placed on the official ballot for a final vote on the main motion, as amended; and (c) no warrant article shall be amended to eliminate the subject matter of the article.

*Second Session of Annual Meeting (Voting)*

Voting on warrant articles number 1 through 20 and the zoning amendments will be conducted by official ballot to be held on Tuesday, March 12, 2013 at Sandown Town Hall, 320 Main Street Sandown, New Hampshire. Polls will be open from 8:00 am to 8:00 pm.

**Warrant Article 1. To choose all necessary Town Officers for the ensuing year (to be voted by ballot March 12, 2013).**

**Warrant Article 2. Shall the Town raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$3,417,185.65. Should this article be defeated, the default budget shall be \$3,372,820.63, which is the same as last year, with certain adjustments required by previous action of the Town or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. This operating budget warrant article does not include appropriations contained in ANY other warrant articles.**

**Warrant Article 10. Shall the Town vote to establish an Ambulance Service Revolving Fund pursuant to RSA 31:95-h, for the purpose of purchasing medical equipment and providing, improving and/or enhancing ambulance and emergency medical service for the Fire Department. All revenues received from billable ambulance services provided by the Sandown Fire Department will be deposited into the fund, and the money in the fund shall be allowed to accumulate from year to year, and shall not be considered part of the town's general fund balance. The town treasurer shall have custody of all monies in the fund, and shall pay out the same only upon order of the Fire Chief and Board of Selectmen and no further approval is required by the legislative body to expend. Such funds may be expended only for the purpose for which the fund was created.**

**(Recommended by the Board of Selectmen: 5-0-0)**

**(Recommended by the Budget Committee: 5-0-0)**

**Special Warrant Article 11. Shall the town vote to raise and appropriate the sum up to Six Thousand Nine Hundred Dollars (\$6,900) from the unreserved fund balance (surplus) to be added to the Town Disaster Management Expendable Trust Fund previously established.**

**Sum to replenish funds expended due to hurricane Sandy.**

**(Recommended by the Board of Selectmen: 5-0-0)**

**(Recommended by the Budget Committee: 6-0-0)**

**Warrant Article 12. Shall the Town vote to adopt the provisions of RSA 32:5 V-b and require that the annual budget and all special warrant articles having a tax impact, as determined by the governing body, shall contain a notation stating the estimated tax impact of the article. The determination of the estimated tax impact shall be subject to approval by the governing body.**

**(Recommended by the Board of Selectmen: 5-0-0)**

**(Recommended by the Budget Committee: 6-0-0)**

**Special Warrant Article 13. Shall the Town vote to raise and appropriate the sum of Six Thousand Dollars (\$6,000) to be added to the Old Home Day Celebration Expendable Trust Fund.**

**(Recommended by the Board of Selectmen: 5-0-0)**

**(Recommended by the Budget Committee: 6-0-0)**

**Special Warrant Article 14. Shall the Town vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 to be known as the Revaluation Capital Reserve Fund for the future revaluation of the town and to raise and appropriate the sum of Eight Thousand Dollars (\$8,000) towards this purpose, and to further appoint the Board of Selectmen as agents to expend from the fund.**

**(Recommended by the Board of Selectmen: 4-0-1)**

**(Recommended by the Budget Committee: 5-1-0)**

**Warrant Article 15. Shall the Town vote to raise and appropriate the sum of Twenty Five Thousand Five Hundred Dollars (\$25,500) for the purpose of continuing a mosquito surveillance and control program and to authorize the Board of Selectmen to contract with a firm licensed in NH to apply insecticides, and conduct a larviciding and adult mosquito spray program at such times and in such locations throughout the Town as needed to accomplish effective mosquito control.**

**(Recommended by the Board of Selectmen: 5-0-0)**

**(Recommended by the Budget Committee: 6-0-0)**

**Warrant Article 16. Shall the Town vote to raise and appropriate the sum of Five Thousand Five Hundred Dollars (\$5,500) for the purpose of refurbishing the Library lawn and purchasing an irrigation system.**

**(Recommended by the Board of Selectmen: 4-0-1)**

**(Not Recommended by the Budget Committee: 3-3-0)**

**Warrant Article 17. Shall the Town vote to raise and appropriate the sum of Four Thousand Nine Hundred Dollars (\$4,900) to renovate the Library lower level egress to a walkout egress.**

**(Recommended by the Board of Selectmen: 5-0-0)**

**(Recommended by the Budget Committee: 6-0-0)**

**Warrant Article 18. Shall the town vote to amend the 1987 house numbering ordinance to read as follows:**

**All dwellings must have a minimum 3 inch designated house number located at a non-obscured site visible from the public or private right-of-way giving access to the dwelling. The house number shall be placed on a mailbox or post at a minimum height of 42 inches above grade; or at a permanent location 5 feet off the edge of pavement on either side of the driveway. Numbers must be visible (reflective is preferred) from either driving direction unless there is no means of travel in one direction such as the end of a cul-de-sac. If the preferred locations are not practical, the Fire Chief and/or Police Chief will designate the location.**

**The owner and/or occupant shall keep the numbers clear of all debris, vegetation and snow. In the event the numbers are damaged, missing or stolen, the owner and/or occupant must replace them immediately. The owner and occupant must also display a number on the entrance to the dwelling in a location visible by persons approaching from the walkway. Any person who violates this ordinance by failing to display the house numbers as required shall be assessed a fine of Twenty-Five Dollars (\$25) for each offense, payable to the Town Clerk to be deposited into the Town of Sandown General Fund. Failure to pay said fine within thirty (30) days will subject the individual to any appropriate legal action permitted by law. This amendment shall take effect upon passage. No portion of the fine will be used to repair, replace or erect house numbers.**

**(Recommended by the Board of Selectmen: 4-1-0)**

**(Not Recommended by the Budget Committee: 3-3-0)**

**Warrant Article 19. Shall the Town vote to raise and appropriate the sum of Three Thousand Five Hundred Dollars (\$3,500) for an Energy Efficiency Project at the Sandown Train Depot (Historical Society Building). Funds to be used to improve the energy efficiency of the attic space and reduce the annual heating cost by an estimated 15%.**

**(Recommended by the Board of Selectmen: 4-1-0)**

**(Not Recommended by the Budget Committee: 1-5-0)**

**Petitioned Warrant Article 20. To see if the Town will vote to raise and appropriate the sum of Two Thousand (\$2,000), such sum representing the cost of emergency shelter programming and case management services of Family Promise of Greater Rockingham County, Inc. for homeless Sandown families.**

**(Recommended by the Board of Selectmen: 5-0-0)**

**(Recommended by the Budget Committee: 5-0-0)**

**Sandown Planning Board  
Zoning Amendments for 2013 Ballot**

- Z-1** Are you in favor of the adoption of Amendment #Z-1 as proposed by the Planning Board for the Town of Sandown Zoning Ordinance as follows:  
To delete Article I, Part B in its entirety and replace it with a new Article I, Part B entitled “Wetland and Surface Waters Conservation District.”
- Z-2** Are you in favor of the adoption of Amendment #Z-2 as proposed by the Planning Board for the Town of Sandown Zoning Ordinance as follows:  
To amend the text of Article VIII – Section 8.A to specify any impact fee assessed by the Planning Board under the authority of that Section shall be “collected at the time a certificate of occupancy is issued”, rather than “prior to the time of building permit issuance” as presently written? The intent of this amendment is to modify the text of the Zoning Ordinance for consistency with statutory requirements of RSA 674:21, V(d).
- Z-3** Are you in favor of the adoption of Amendment #Z-3 as proposed by the Planning Board for the Town of Sandown Zoning Ordinance as follows:  
To amend the text of Article II-Part C-Section 6 to read: “There shall be a fee of \$35.00 for the issuance of a driveway permit and for each on-site inspection required pursuant to Sections 1 and 2 of this Article II-Part C.”

We, hereby certify that we gave notice to the inhabitants within named to meet at the time and place and for the purpose within mentioned by posting an attested copy of the written warrant at the place of meeting within named and a like attested copy at Sandown Town Hall and Post Office being a public place in said Town on February 5, 2013.

# DEFAULT BUDGET OF THE TOWN

OF: SANDOWN NH

For the Ensuing Year January 1, 2013 to December 31, 2013

or Fiscal Year From \_\_\_\_\_ to \_\_\_\_\_

RSA 40:13, IX (b) "Default budget" as used in this subdivision means the amount of the same appropriations as contained in the operating budget authorized for the previous year, reduced and increased, as the case may be, by debt service, contracts, and other obligations previously incurred or mandated by law, and reduced by one-time expenditures contained in the operating budget. For the purposes of this paragraph, one-time expenditures shall be appropriations not likely to recur in the succeeding budget, as determined by the governing body, unless the provisions of RSA 40:14-b are adopted, of the local political subdivision.

1. Use this form to list the default budget calculation in the appropriate columns.
2. Post this form or any amended version with proposed operating budget (MS-6 or MS-7) and the warrant.
3. Per RSA 40:13, XI, (a), the default budget shall be disclosed at the first budget hearing.

### GOVERNING BODY (SELECTMEN)

## TOWN ADMINISTRATION REPORT

Stephen Brown, Tom Tombarello, Brenda Copp and James Devine were the returning Board members for this year. Hans Nicolaisen was re-elected for a 3 year term.

### TOWN MAINTENANCE PROJECTS

This year a few projects were completed on town buildings. At the Highway Department a side garage which houses the large sander truck was never insulated and had a dirt floor making maintenance on vehicles difficult during certain times of the year. This garage received a new concrete floor and spray insulation on the walls. A new light was installed at the sand/salt shed area of the Highway Department making the area safer for employees and plow drivers and a new waste oil furnace was purchased for the Highway Department with help from a grant through Department of Environment Services, Waste Oil Division. A new irrigation system was installed at the Town Hall to help the new lawn stay green and lush. The Fire Department replaced all their exterior doors and locks at the main station and updated the light fixtures at the Angle Pond Station. The construction of a much needed handicap accessible restroom has begun in the old storage closet of the upper town hall and is expected to be completed in time for Deliberative Session. Over the next year we are looking forward to integrating a new telecommunication system as well as developing a new town website.

### ROAD IMPROVEMENT PLAN

Phase 4 of the Road Improvement Plan was completed this year which after consideration of priorities included an adjustment to the original plan put in place in 2008. The improvements included the resurfacing of North Road, full width reconstruction of the unimproved segment of Holts Point Road, drainage improvements to a portion of Phillipswood Road and improvements to two sections of Little Mill Road.

### REORGANIZATION OF THE BUILDING DEPARTMENT

After the resignations of our long time Building Inspector, Ken Sherwood and Assistant Building Inspector, William Cachion, who held many positions within the town, the selectmen decided to reorganize the department by separating various positions. The board welcomes Robert Bogosh, Building Inspector/Code Enforcement Officer, Paul D'Amore, Assistance Building Inspector/Code Enforcement Officer, Thomas Tombarello, Electrical Inspector, Daniel Dube, Assistance Electrical Inspector, Edward Mencis, Health Officer and Robert Bogosh as Assistant Health Officer. Along with position changes there has been a change to permit fees, inspection reporting and procedures which are all working out very well.

### HOUSE NUMBERING ORDINANCE

Emergency personnel and selectmen proposed a warrant article to implement a house numbering system which failed at the 2012 town meeting. After considering the importance of having these numbers for the safety of residents, the selectmen began the task of enforcing the 1987 ordinance. We appreciate those that took the time to inspect their homes for proper numbering and hope that those who didn't will consider doing so to protect yourself and your family.

### ACCEPTANCE OF TOWN ROADS

In November, the board accepted Phillips Pond Drive as a town road.

As always, thank you to all volunteers, committee members and employees for their service and dedication to Sandown.

Respectfully submitted,

Sandown Board of Selectmen

## ASSESSOR'S ANNUAL REPORT for 2012

The firm of Municipal Resources, Inc. continues to handle the assessing functions for the Town of Sandown. The three primary members of the staff working in Town are, Scott Marsh, Michael Pelletier and Jerry Quintal. The Board requests that if any of the appraisers come to your property, you support the Town's efforts to keep assessments equitable and proper by answering any questions and allowing them to inspect and verify the data of your property.

Municipal Resources personnel are available to meet with taxpayers and if an appointment is desired, the Town's Assessing Office staff can schedule one for you.

The past year saw the assessing office handle 40 individual abatement requests. There were also roughly 225 properties reviewed due to taxpayer inquiries, issued building permits, incomplete status of prior year permits and/or site changes. In addition 721 properties were reviewed as part of Town's quarterly review program, which is the process of visiting roughly 25% of the properties each year to verify and/or correct physical descriptions listed in the assessing records. In total the Town's 2012 total taxable assessment increased by around \$10,900,000.

A survey of the annual DRA's equalization sales survey has been completed and the Town's overall median assessment ratio as of April 1, 2012 is estimated to be around 120%. Other statistical indications indicate that overall assessment equity remains good. As is required a revaluation is planned for the 2013 tax year to bring assessment more in-line with market values as of April 1, 2013.

# NOTICE

If you own real estate lots that were involuntarily merged by municipal action, you may be able to have those lots restored to their pre-merger status.

Your property may qualify if two or more lots were merged for zoning, assessing, or taxation purposes and the merger occurred:

- During your ownership, without your consent; or
- Prior to your ownership, if no previous owner consented to the merger.

To restore your property to pre-merger status, you must:

- Make a request to the local governing body
- No later than December 31, 2016.

Once restored:

- Your properties will once again become separate lots; however, they must still conform to applicable land use ordinances. Restoration does not cure non-conformity.

*This notice must be:*

- *Posted continuously in a public place from January 1, 2012 until December 31, 2016, and*
- *Published in the 2011 through 2015 Annual Report.*

*Read the full statute at [RSA 674:39-aa Restoration of Involuntarily Merged Lots.](#)*

## **Budget Committee Annual Report**

The Budget Committee saw several membership changes this year with one existing member reelected, one new member elected, two members leaving early in the meetings cycle and two new members joining the team until the next election.

The official purpose of a budget committee is “to assist its voters in the prudent appropriation of public funds”. This is accomplished by review of the proposed department budgets, the associated back up information and asking many questions of the department leaders for justification of their requests and estimates. I believe this committee has met that objective to the best of our abilities and hope you will agree.

This year the committee reviewed forty four budgets and twenty warrant articles, voting on each one to make changes and or recommendations for review by the Sandown voters at the deliberative session prior to the elections.

As of this writing, the Budget Committee’s 2013 proposal is a NET decrease of 6.9% when compared to the 2012 budget. While the gross expense amount increased 4.3%, the estimated revenue increased by 6.6%, due mostly to fee structure changes and a higher percentage of successful tax collections.

I would like to thank each member of the Budget Committee for volunteering their time and diligent efforts on this committee working together to deliver a fiscally responsible budget proposal. Thanks also goes to the department leaders for helping us to fully understand their budgets by providing us with the information requested. Last and definitely not least, thanks to the town hall office staff who are so helpful and supportive of this committee by answering our many questions and preparing things for our meetings.

Respectfully,

Bruce Z. Cleveland

Sandown Budget Committee Chair

## BUILDING / CODE ENFORCEMENT

---

The total number of building permits issued in 2012 was 150.

The breakdown is as follows:

Single family homes	22
Various remodels	52
Additions	53
Other	23

The total permits issued for 2012 were right in line with the previous year. This is indicative of the present economy. The building department went through some changes this year as Ken Sherwood stepped down after many years of service to the Town of Sandown, it is my hope that Ken is finally enjoying his retirement. I am looking forward to serving the Town of Sandown as the building inspector and code enforcement officer. I'm striving to make the transition as smooth as possible with the help of Assistant Building Inspector Paul D'Amore and the great staff at the Town Hall.

Sandown Cable Access Board - Annual Report  
[Channel17@sandown.us](mailto:Channel17@sandown.us) // (603) 887-0017

2012 has been another eventful year for Sandown Cable. Channel 17 has continued to see improvements thanks to the installation of the Tightrope system. It has allowed us to better control the programming schedule, record live programs electronically, as well as an improved bulletin board.

The bulletin board has been utilized by more and more local organizations to make the public aware of upcoming events. It has also given the town of Sandown another way to communicate with its citizens. Several special alerts on road closures, weather advisories, special meetings, etc. have been communicated via Channel 17's bulletin board.

In addition, upgrades to Channel 17's editing capabilities have made it easier for us to air coverage of events in a much quicker timeframe than in the past

Channel 17 aired many of the events that occurred in Sandown in 2012 including:

- Deliberative Session
- Old Home Days
- Sandown Conservation Commission's Fall Festival
- Sandown Conservation Commission's Fishing Derby
- Sandown Summer Recreation Talent Show
- Sandown Garden Club Events
- Governor candidates Kevin Smith and Ovide Lamontagne at Town Hall

Channel 17 has also aired many programs with New England ties that would be of interest to Sandown residents. Here are a few examples:

- Expedition New England
- Granite State Outdoors
- Culinary Kids
- NH Covered Bridges

Looking forward to 2013, we have made arrangements to air more meetings of the various boards and committees in town. Be sure to check Channel 17 and our web site for more information on these additions to our schedule.

The residents of Sandown have the opportunity to improve programming in Sandown and we want to help. If you have any programming ideas or want to become involved, please contact us at [channel17@sandown.us](mailto:channel17@sandown.us)

## **Sandown Conservation Commission**

This past year proved to be another successful year for the Sandown Conservation Commission (SCC)! It also brought about changes within the Conservation Commission itself. After serving as the Chair, Chuck Crowe stepped down and Paul Carey took over as the new Chair. We welcomed new member Mary Poulin as well as Andrea Cairns as an alternate and Hans Nicolaisen as our new Selectman Liaison.

If you're interested in getting involved with the preservation of Sandown's natural resources, don't hesitate to contact us at [info@sandowncc.org](mailto:info@sandowncc.org).

Here are some highlights of the events and activities sponsored and organized by the SCC this past year:

### **FREMONT ROAD TOWN FOREST**

The SCC finalized plans to conduct a selective tree cutting as part of a forest management plan. Forest management is providing a forest the proper care so that it remains healthy and vigorous and provides the products and the amenities the Town of Sandown desires. The Town of Sandown desires to improve: wild life habitat, the health of the forest and town residence usage. Forest management is not so much a subject or a science as it is a process. Think of it as the development and execution of a plan integrating all of the principles, practices, and techniques necessary to care properly for the forest. The complete current [Forestry Management Plan](#) for the Fremont Road Town Forest is available in the Sandown Public Library.

The SCC sponsored a snow-shoe race in February in the Fremont Road Town Forest complete with Smutty Nose Beer, Vita Coconut Water and Full Moon Mead available to the racers.

The SCC also completed a spring cleanup of the Fremont Road Town Forest trail system. Thank you to the individuals and local clubs who came out to help including the Cub Scouts, Boy Scouts, Mother's Club and resident Tom Sands with his geo-cache group.

Trail blazers were also added to aid hikers and the like in finding there way along the trails. Also a new trail sign was added on Route 121A at the corner of Fremont Road to direct residents who may not know the forest is there. The complete trail network can be downloaded either from the SCC website at [www.sandowncc.org](http://www.sandowncc.org) or by visiting our kiosk in the town forest parking lot, near the intersection of Fremont Road and Phillips Road.

Community use of the town forest continues to grow; people walking their dogs, mountain biking, riding their horses, snowshoeing, and simply enjoying nature can be seen in the forest and meadow on a daily basis. The Boy Scouts and Girl Scouts also continue to use the Fremont Road Town Forest for camping and other scout activities, including the Boy Scouts' Spooky Walk, which was again a BIG success.

### **VOKEY PROPERTY PURCHASE**

The SCC purchased #5 on its Top 10 list of land to purchase from Martin C. Vokey in 2012. It is an 18 acre parcel of land on Cranberry Meadow Road (map & lot # 11-7-1. The land is adjacent to other town owned land.

### **ANNUAL FISHING DERBY**

The annual fishing derby was a busy event as usual. There were over 70 participants that caught about 135 fish. Heidi Chaput did an excellent job planning and running the derby. A special thank you goes to Sal Genualdo for continuously allowing the SCC to utilize his pond for the annual fishing derby.

### **COMMUNITY GARDEN**

The community garden, located off Main Street operated at full capacity last year. Thanks to Brian Butler who mowed the garden plots several times with his tractor.

### **EARTH DAY CLEAN UP**

The Conservation Commission organized the annual Earth Day clean up in April. The Earth Day clean up event was successful as always cleaning up the roadsides of Sandown.

### **RED BARN PROPERTY**

Brian Butler mowed the meadow adjacent to the red barn throughout the season making it accessible for people to enjoy the pond nearby.

### **VERNAL POOL WORKSHOP**

The SCC led a vernal pool workshop at the Fremont Road Town Forest in April. The workshop was great for kids and adults. Participants got to hunt for salamanders, frogs and their egg masses, and learned how these amphibians get their start in life.

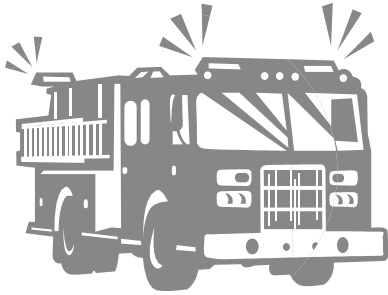

Stay tuned for more events and conservation activity in 2013! The Sandown Conservation Commission continues to exist and flourish because of the community support that it receives. THANK YOU SANDOWN!

# **FIRE DEPARTMENT**

TOWN OF SANDOWN  
PO BOX 1756, SANDOWN, N.H. 03873

The Sandown Fire Department would like to report that during the past year the number of calls has remained over 500. Thankfully the number of house fires has gone down this year. Please have your chimneys cleaned at least once a year and make sure your address is visible from the road.

This year the Sandown Fire Department suffered a great loss of one its long time members and friend Chief Irving Bassett. Irving Bassett held many positions in the department from Chief and Forest Fire Warden for 24 years Deputy Chief, Special Deputy and numerous other positions for over 55 years. Irving was the driving force to help make this a great department and he is sorely missed. We wish to thank you; the citizens of the Town of Sandown for all you did to help the department through this trying time.

The more than forty members, both Firefighters and EMT's taking time away from their families and donating their time to the Volunteer Fire Department is a great asset to this town and is something we are very proud of.

Equipment maintenance and vehicle maintenance this year again have been higher than normal. The fleet is getting older and we will be looking to start a capital reserve fund to start the process of upgrading the department vehicles and equipment. The department mechanic and personnel do a great job in repairing and maintaining the fleet.

Again, the town is very fortunate to have so many dedicated people willing to take time away from their families to train, assist their neighbors, and respond to all calls. This makes for a great department

Thank you for all your help and support.

Wilfred A. Tapley  
Fire Chief

## Report of Forest Fire Warden and State Forest Ranger

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands, work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning, unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 603-271-1370 or [www.des.state.nh.us](http://www.des.state.nh.us) for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at [www.nhdf.org](http://www.nhdf.org).

Due to a record warm winter and little snow, our first fire occurred on February 4<sup>th</sup> with several more early fires to follow. Normally a large percentage of the warm windy days with low humidity occur when the ground is saturated from a long snow covered winter. By the time the surface fuels and ground dry out enough to burn, we only have a few weeks until "green up". This year however we had an extended period of these favorable spring fire conditions. Our largest fire in the state was 86 acres. The average size fire was .6 acres. Extensive summer rains kept total acreage burned to near normal levels

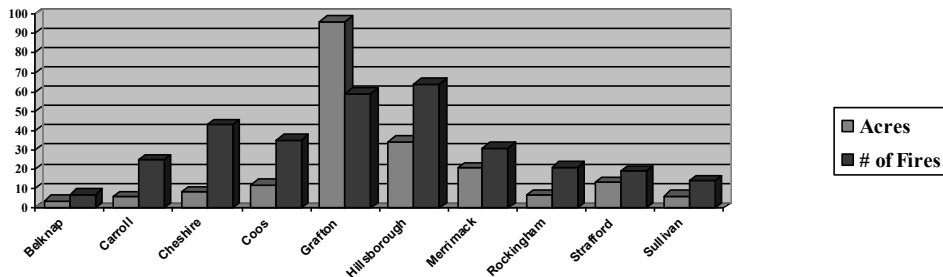

As has been the case over the last few years, state budget constraints have limited the staffing of our statewide system of 16 fire lookout towers to Class III or higher fire danger days. Despite the reduction in the number of days staffed, our fire lookouts are credited with keeping most fires small and saving several structures due to their quick and accurate spotting capabilities. The towers fire spotting was supplemented by the NH Civil Air Patrol when the fire danger was especially high. Several of the fires during the 2012 season threatened structures, a constant reminder that forest fires burn more than just trees. Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe!

# Annual Report of the Southeastern New Hampshire Hazardous Materials District

**Richard H. Snow**  
Selectman, Candia  
Chairman, Board of Directors

**Chief Thomas McPherson, Jr.**  
Windham Fire Department  
Chairman, Operations Committee

## **About the District:**

The Southeastern New Hampshire Hazardous Materials Mutual Aid District's membership is comprised of 14 communities, covering of approximately 350 square miles with a population of over 175,000 people within the Route 93 corridor. Essentially the District is bordered in the east by Route 125 and the Merrimack River to the west. North and south borders are defined by Manchester, Route 101 and the Massachusetts state line. The District was formed in 1993 to develop a regional approach in dealing with the increasing amounts of hazardous materials being used and transported within these communities. This District is recognized by the State of New Hampshire as the Regional Emergency Planning Committee (REPC) for the member communities. The REPC which consists of representatives from local government, industry, and the general public is working with industry to comply with federal regulations for the reporting of chemicals used within and traveling through the District.

The District draws its funding from an annual assessment from each community as well as from grants and donations. The 2012 operating budget for the District was \$97,118.00. Additionally, in 2012 the District applied for and received federal grants for equipment, training, and operational expenses totaling \$196,714.91.00. The Fire Chiefs from each of the member communities' make-up the Operations Committee of the District. This Operations Committee is overseen by a Board of Directors consisting of elected representatives from each community, who approve the budget and any changes to the bylaws. The Executive Board of the Operations Committee, which consists of the Chairman, Vice-Chairman, Treasurer, Technician Team Liaison, and one Member at Large, manages the operations of the District within the approved budget. The District employees a part-time REPC Director to manage the administration functions of the District, including grants management, financial management, and emergency planning.

## **The Emergency Response Team:**

The District operates a technical emergency response team. This response team is overseen by one of the member community's Chief Fire Officer who serves in the Technical Team Liaison position. The team maintains a three level readiness response posture to permit it to immediately deploy an appropriate response to a District's community's request for help involving an unplanned release of potentially dangerous chemicals within their jurisdiction. While the team primarily prepares for response to unplanned accidental chemical releases it is also equipped and trained to deal with a variety of weapons of mass destruction (WMD) scenarios. The team maintains a host of specialized response equipment to deal with chemical and environmental emergencies.

The Emergency Response Team is made up of 32 members drawn from the ranks of the fire departments within the District. The team consists of 6 Technician Team Leaders, 18 Technician Level members, 5 Communication Specialists, and 3 Information Technology Specialists. In addition to members drawn from member fire departments, the team also includes members from various backgrounds that act as advisors to the team in their specific areas of expertise. These advisors include an industrial chemist, and several police officers.

The Team maintains a fleet of vehicles and specialized equipment with a value of approximately \$1,000,000. The vehicles consist of a mobile Command Support Unit, 2 Response Trucks, 2 Spill Trailers, a Technician Trailer, an Operations/Spill Trailer and a Mobile Decontamination Trailer.

With the use of State Homeland Security Program Grant funds this year we added a Firefighting Foam Trailer which carries 500 gallons of specialized firefighting foam that is capable for use on gasoline fires containing ethanol, as well as providing a vapor suppressing blanket for chemical spills. The trailer also has firefighting hoses, nozzles, a generator and floodlights. This new trailer is an important asset to the District's members as all gasoline used in the State is blended with ethanol. This unit is the only resource of this type within the State.

**Firefighting Foam Trailer**

This mobile apparatus carries the team's equipment which includes chemical detection and identification instruments, containment supplies, plugging, patching and intervention supplies, communication equipment, computer based and other chemical reference guides as well as chemical protective equipment. The team equipment is store at various locations within the District, allowing for rapid deployment when the team is activated. Activation of the team is made by the request of the local incident commander through the Derry Fire Department Dispatch Center.

### **Response Team Training**

In 2012 the Emergency Response Team completed 1970 hours of training, during monthly training drills and specialized classes attended by team members. This included hazardous materials refresher training, "Hot Zone" operations, cargo tank workshop, public safety sampling procedures, facility familiarization, transportation emergencies, Incident Command.

The Team provided training to member fire departments, in various Hazardous Materials subjects. In addition the District received a grant to provide training to all member departments on the operation of the Firefighting Foam Trailer and ethanol fires.

### **Emergency Responses**

In 2012 the Team responded to 15 incidents within the District. These incidents included requests for technical assistance for member departments where a Response Team Leader provides consultation to the fire department on the handling of an incident. Additionally, team responses included hydrocarbon fuel spills and assisting the NH State Police Bomb Squad and local police departments with identifying unknown substances. The mobile command post was also used to support member departments during large scale incident.

For further information about the Southeastern New Hampshire Hazardous Materials District please visit our website at [www.senhazmat.org](http://www.senhazmat.org)

## HEALTH DEPARTMENT

In November of 2012, I was appointed as the new Health Department Agent for the town of Sandown and have been attending seminars to assist me in providing our community with health and safety compliance. Our new Building Inspector, Bob Bogosh has also been appointed as the Assistant Health Inspector. We are responsible for checking the water quality of all municipal buildings, monitor test pits, review septic plans, inspect on-site bed bottoms of all septic installations and do final inspections of said systems.

The flu season can affect a lot of Sandown residents, particularly our elderly residents. Everyone is encouraged to get a flu shot early in the season.

Testing of home water systems is encouraged on a yearly basis due to the fact that drinking water comes from many types of underground sources. This year in New Hampshire we experienced a low level earthquake in October that rocked New England. This seismic activity may have affected the quality of well water. Free water test kits may be picked up at Town Hall and can be brought to a state-approved laboratory for minimal cost of analysis.

Pumping of septic systems is encouraged on a regular basis. Pumping a septic system increases the life span of your leach field and makes it a healthier system. The septic company should provide homeowners with a report of the system.

Respectfully Submitted,  
Edward L. Mencis  
Health Agent

## **Town of Sandown Mosquito Control**

Dry conditions favor West Nile Virus (WNV). That was apparent in NH and across the country last season. As of Dec 2012, there were 5387 human cases of WNV with 243 deaths nationwide. In NH, there were 41 WNV positive mosquito batches in eight communities and a human case in Manchester. The WNV positive mosquitoes were trapped in Seabrook, Brentwood, North Hampton, Exeter, Stratham, Salem, Manchester and Nashua.

Mosquitoes carrying EEE were found in Sandown, Manchester, Brentwood, Newton, Danville, and Newfields last season. Two horses and two emus died of EEE. The horses lived in Durham and Derry while the emus were from Fitzwilliam. Massachusetts had an active season with 266 mosquito batches testing positive for EEE and seven human cases of the disease. EEE may be on the rise again after two previously quiet years in NH. I would expect to see more EEE activity next year in the state.

Dragon has identified 143 larval mosquito habitats in the Town of Sandown. Crews checked larval habitats 240 times throughout the season. There were 49 sites treated to eliminate mosquito larvae. In addition, 209 catch basin treatments were made to combat disease carrying mosquitoes. Adult mosquitoes were monitored at four locations throughout town. Nearly 4600 mosquitoes were collected in light traps, identified to species, and select species were sent to the State Lab to be tested for diseases. Mosquitoes collected in Sandown tested positive for EEE in 2012. Spraying to control adult mosquitoes was conducted last season at the schools and recreation areas.

The proposed 2013 Mosquito Control plan for Sandown includes trapping mosquitoes for disease testing, sampling wetlands for larval mosquito activity, larviciding where mosquito larvae are found, efficacy monitoring, and emergency spraying when a public health threat exists. The control program begins in April when mosquito larvae are found in stagnant water such as red maple and cedar swamps, ditches, and woodland pools. Trapping adult mosquitoes begins in July. The mosquito control program ends in October when temperatures drop and daylight diminishes.

Homeowners can reduce the number of mosquitoes in their yard by emptying any outdoor containers that hold standing water such as buckets, trash barrels, and boats. Tires collect enough water for mosquitoes to survive. It is also a good idea to change the water in bird baths every two or three days.

Residents who do not want their wetlands treated may use our No-Spray Registry online at [www.DragonMosquito.com/No-Spray-Registry](http://www.DragonMosquito.com/No-Spray-Registry) or write to Dragon Mosquito Control, P.O. Box 46, Stratham, NH 03885. Be sure to include your name, physical address, phone number, and a description of your property with boundaries. Otherwise, your property may be treated. Anyone who submitted a request in 2012 may contact the office to reaffirm your request. Inquiries may be emailed to [info@dragonmosquito.com](mailto:info@dragonmosquito.com) or call the office at 734-4144. You may call or email our office for assistance regarding mosquitoes, insecticides or questions about EEE or WNV. Check out our web site: [www.dragonmosquito.com](http://www.dragonmosquito.com) where you can request a larval survey, sign up for email alerts or follow us on Twitter.

The Sandown Highway Department had an awesome year in 2012. The Road Improvement Plan was a success and this phase is now complete. We were able to repair and overlay North Road, rebuild Holts Point Road, install drainage on Phillipswood Road, install drainage and pave two sections of Little Mill Road and install two new culverts on Deer Run. I would like to thank Paul Busby and the crew from Busby Construction for all their hard work. Also thank you Steve Keach from Keach-Nordstrom Associates for all your many hours of assistance helping me to make our roads safe.

This year, the Highway Department was able to cut back all the brush on the north end of town and we will continue brush cutting towards the southern end of town during 2013.

Thank you Shaun Brooks and Mike Devine for all your hard work, you guys are the best! Last but not least I want to thank the plow contractors for making our roads passable during the winter months for our residents.

Please support the 2013 Road Improvement Plan!

### 2012 Review: “Easy Access, Shared Lending, and More Resources”

At the end of 2011, the Library Trustees of the Sandown Public Library, Plaistow Public Library and Kimball Library in Atkinson created the Southern New Hampshire Library Cooperative (SNHLC) with the mission to provide “Easy Access, Shared Lending, and More Resources” to the residents to their towns. Saving each town over \$5000 in cost, a shared library system was purchased and installed at each library. After much preparation and training, the new system launched on February 13, 2012, which provided residents in each town with 130,000 choices in materials and faster, easier access. So far the response has been overwhelmingly positive from community members. This was a monumental task and the residents of Sandown should be proud to have a Board of Library Trustees that put their time and effort into this groundbreaking venture. Please join with me to thank Trustees Carol Stafford, Diana True, Tina Owens, Steve Clifton and Louise Pajak!

The Library was quite busy with 41,000 visits made to the library in 2012 and 64,752 items checked out. The circulation department buzzed with activity as staff helped patrons use the updated system, sent more than 2000 items to other libraries, and registered 362 new library card members. Assistant Director Cathy Hassard, Library Technicians Sue Kehoe and Julie Ball with Library Pages Matt Desfosses, Nichole Fales and Christopher Robinson did a remarkable job as they managed to keep materials circulating through the library and beyond.

Meanwhile, our Program Coordinator Judy LaPorte and Youth Services Librarian Jennifer Bryant offered a record number of activities throughout the year to encourage residents to use the library. The library hosted 340 events including 174 programs for children; 114 for adults, and 52 for all ages. Over 3400 people participated during the year. We are very excited about adding a weekly Cribbage and Cards Night every Tuesday and an evening showing of our Monday Movie series every month. “Dream Big” was the theme for 2012 Summer Reading with 242 children participating. Thanks in large part to the \$7858 in incentive prizes donated to the library by area businesses, the children read 196,479 minutes setting a new record high. Busy Bears Story Hour continued throughout the year with our littlest readers having a grand time with Early Childhood Literacy Teacher Jennifer Dawley.

On Old Home Day 2012, residents, family, and friends attended the dedication of the Hazel P. Marlow Memorial site, which was beautifully created by Boy Scout Christopher Robinson of Troop #268 as his Eagle Scout project. We extend our sincerest thanks to Chris and all the troop volunteers for the great effort of time and talent. We also thank the Marlow Family for the donation of the granite bench.

The Friends of the Sandown Public Library continue to fundraise and support library activities above and beyond the operating budget. They give of their time with enthusiasm as they manage the Book Sale room, plan and host fundraising events throughout the year. Thanks to the Friends, the library is able to offer our most popular but very expensive museum passes including the Boston Aquarium, Boston Science Museum,

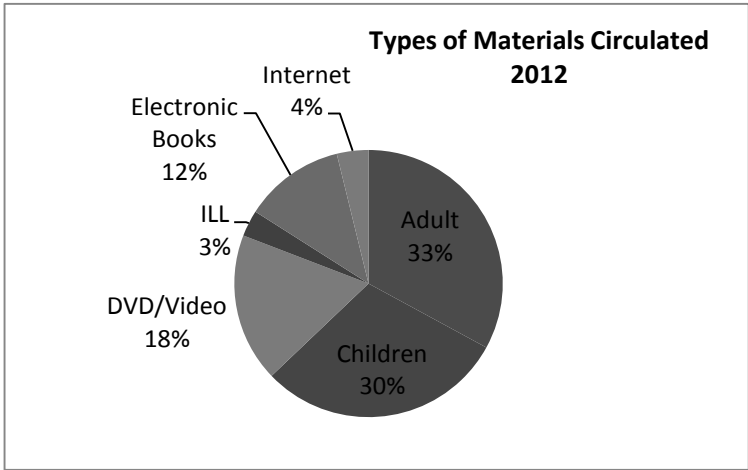

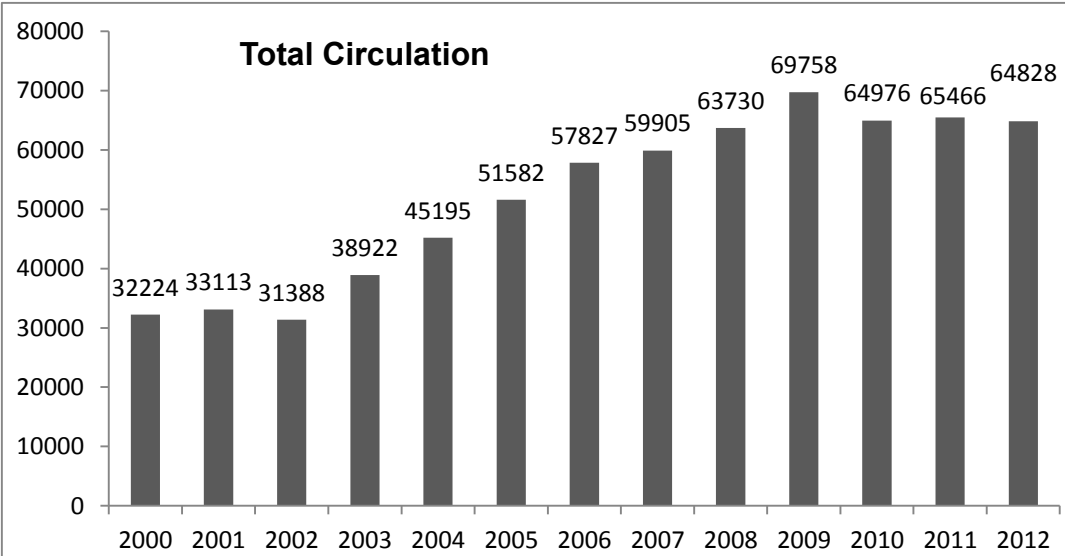

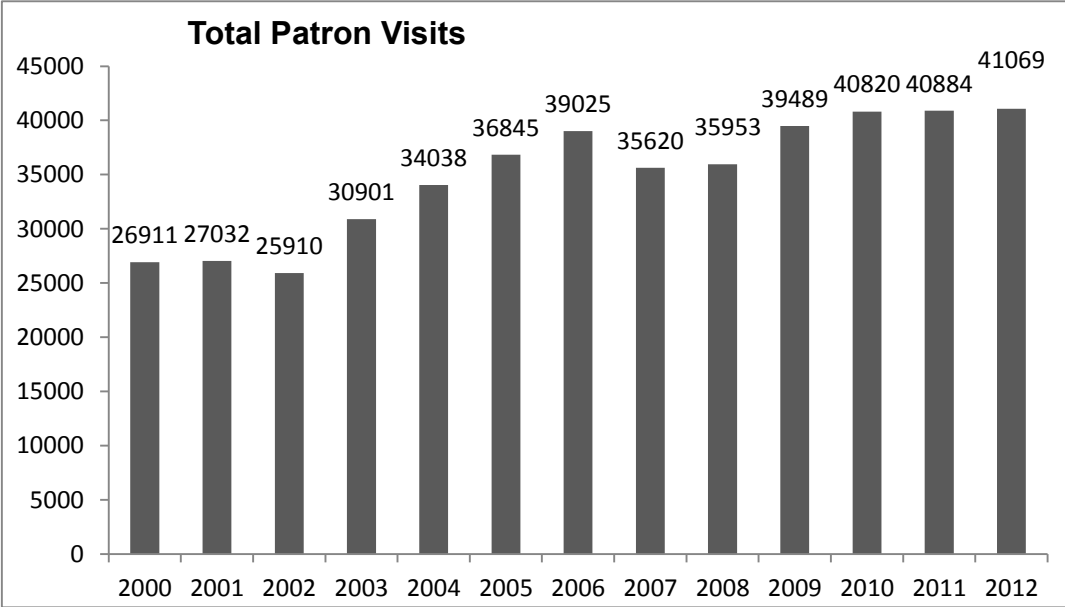

and ImagineThat. The Friends also support our summer reading program, and supplement our audio book collection. A big thank you to everyone in the group!

High praise is given to the library staff for their outstanding work this year as we managed a smooth transition to the SNHLC cooperative and shared an upgraded circulation system.

On behalf of the Trustees and the library staff, I would like to extend my appreciation to everyone that visited the library in 2012 either online ([www.sandownlibrary.us](http://www.sandownlibrary.us)) or in the building. We look forward to seeing all of you in 2013.

Respectfully Submitted,

Library Director Barbara Lachance, MLS

## **Sandown Planning Board Report**

The Planning Board had a productive year in 2012. The number of applications was steady and continued to increase as the year progressed. The Board approved two amended site plans and several lot line adjustments. Work was also done on improving the board's internal procedures to better insure subdivisions stay in compliance with the Town's rules and regulations. The Board is continuing to work on internal communication between Planning, Zoning, Conservation and the Building Inspector's office.

The Board is still working on completing the Master Plan. A lot of work was done by the subcommittee to complete several major chapters including an overhauled Transportation chapter, a new Energy chapter and a new Wildlife and Habitat section within the Natural Resources Chapter. We held a public input session in February and received valuable feedback from the town to help form the Vision Chapter. The Board received \$3,500 in grant money from Rockingham Planning Commission to allow their planner, Julie LaBranche to work with the Board. With the help of Ms. LaBranche, the Board plans to complete the Master Plan by early 2013.

The Planning Board continued to ensure sureties issued for subdivisions under development were current and on track for renewal. As a result of this work several developments were completed and a one new road was accepted by the town in 2012.

The Board has put forward three zoning ordinances for this year's ballot. One to stay in-line with legislative changes in regards to when impact fees are collected and one to ensure the zoning regulations are up to date with the current fees for a driveway permit. The final zoning amendment addresses the town's wetlands ordinance. The Board worked for many months discussing what would be best for the town and proposed an amendment they feel is fair to the current residents of the town, but will also work to protect our natural resources.

The Board welcomed two new members this year. Matthew Brown joined the Board in February to finish out Marilyn Cormier's term and James Carroll joined the Board in September, as an alternate. Both new members offer a valued fresh perspective to the Board. Volunteers are always welcome and there are several opportunities within the Board to serve your community. We look forward to a productive 2013.

Respectfully,

Mark Traeger  
Chairman, Sandown Planning Board

In 2012 Sandown Police introduced a "Community Outreach Program". The Program exists of informational meetings for residents, presentations on various topics, and forums where guest speakers are present. Officer William Pica received the promotion of Corporal. Corporal Pica is our Community Policing Officer and is responsible for the Community Outreach Program. Congratulations Cpl. Pica. We expect to continue with the Outreach Program in 2013.

Initially, each month we met with different segments of the town's neighborhoods. It was beneficial to many because it gave residents the opportunity to both ask and voice questions and/or concerns they may have of the police department. Information and instruction was given for a "Neighborhood Watch Program".

Presentations included;

An ATV Rules and Regulations class taught by Fish and Game Officer, Chris Magee.

A Boater Safety Course for those who needed to obtain a boater's license to comply with the new State Law taught by NH Marine Patrol Officers.

An Internet Safety course taught by Cpl. John Sable, Sandown Police, together with Lt. Breen and Detective Ken Richard of the Derry Police Department. Lt. Breen and Det. Richard talked about overall computer child safety and Cpl. Sable talked about fraud and identity theft.

A Gun Safety Course taught by Scott Jenkins of the "Armed Citizen Training Co". and Attorney Donald Blaszka.

A School Bullying class taught by Kelly Binette, Counselor, Timberlane Middle School.

A Drug Awareness Forum "Did You Know" taught by Sgt. Aurie Roy. Present were Counselors from Timberlane School District, Mental Health providers from Center for Life Management, Hampstead Hospital, and MyDiscover, Inc., Hampstead and members of the Southern Rockingham County Coalition for Healthy Youth. This forum was designed to make the community aware of the on-going serious drug epidemic which is directly affecting us, our children, our property, insurance rates, health insurance, the economy and our safety.

The Old Home Day activities went well and were enjoyed by all. The annual softball game between the Sandown Fire Department and the Sandown Police was cancelled this year due to in climate weather so all will be rested for next year's game.

The DARE Program is going into its 14<sup>th</sup> year which means approximately thirteen hundred fifth graders have graduated from the program. The curriculum will be changing in 2013. The Graduation ceremony was held for the fifth grade students and as always the students and parents were proud of their accomplishment.

Our Explorer Program is still very successful and always looking for more young people to join. For those of you who are not aware, this Program is a division of the Boy Scouts of America, designed for young men and woman from the ages of 14 to 21 interested in a career in law enforcement.

I would like to thank my Officers again for their dedication. My officers and I will continue our goal to make our relationship with the community positive and productive.

RECREATION COMMISSION  
PARKS AND RECREATION DEPARTMENT

The Recreation Commission in accordance with RSA Chapter 35-B: Public Recreation and Parks, oversees the Parks and Recreation Department which offers recreational activities for all ages and maintains town owned recreational facilities. Those facilities encompass approximately 20 acres including baseball and softball fields; a public beach; basketball court; and a year-round recreation building that sits on approximately 8 acres and includes a 3-acre multi-purpose playing field.

The Parks and Recreation Department experienced a year of growth, activity and changes during 2012. During the year the Commission accepted with regret the 'retirement' of long time members Dawn Nicolaisen and Steve Brown. Mrs. Nicolaisen served as a Commission member for 8 years and Mr. Brown as a member for nearly a dozen years. Both were committed to providing recreational programs and facilities for the residents of Sandown and worked diligently to make sure they happened. The Commission thanks them for their commitment, support and work over the years. The year also saw former member Hans Nicolaisen return as a member of the Commission and welcomed new member Mike Donovan on board.

The Parks and Recreation Dept. continued to offer existing programs and added some new ones along the way. Ever popular classes such as Ballroom Dance; Zumba; line dancing, senior exercise and more continued to grow and be popular. Adult basketball was added as was archery for both kids and adults. Sandown seniors got together with Plaistow seniors for a luncheon and entertainment. Volunteers and town officials were thanked with a summer barbecue put on by the children in the Summer Recreation Program.

The second phase of the new playground at the Edward C. Garvey Recreation Facility consisting of a 4-bay swing set was installed and Commission members teamed up with local Boy Scouts to help finish the installation. The skate park structures were repaired although the Commission has been informed that these repairs will be the last in the life of the current structures. Improvements were made at the Roy L. Miller field area that now enable better accessibility to those with mobility issues who want to be able to navigate along the path to the Field B area.

During the summer months the children in the Summer Recreation Program enjoyed 7 activity packed weeks from June to August. They participated in weekly field trips to places such as LaserCraze, Canobie Lake Park and Water Country. They also learned to kayak; create pottery; produced a talent show; took part in many sports clinics and read more than 250 books as part of the Library Summer Reading Program. They displayed good citizen awareness by picking up litter and recycling on a daily basis. They ran the annual Lemonade Stand & Car Wash and with the support of the community and some generous donors raised nearly \$1,000 in cash and food items that were collected for the Community Food Pantry. The program teamed up with the Sandown Police Department so that participants could take part in a Bike Safety Rodeo learning the rules of the road and how to stay safe. Seventy bicycles were registered with the Police Department and should a registered lost or stolen bike be recovered by police they will be able to find the bike owner through those registrations.

It would be remiss not to mention the dedication and work of the summer staff members who make this program one of the best places for a child to spend their summer hours. They are dedicated to making sure that children are kept safe and engaged in fun activities that keep them physically active.

In October the Parks and Recreation Dept. hosted the annual Town Wide Yard Sale and experienced another banner year of participation. This event brings together residents, community groups and local businesses. It draws hundreds of people from around the region each year. Participants are able to rid

themselves of items they no longer want while raising some cash to put in their pockets. Local groups are able to fund raise and participating local businesses see a spike in sales for the day. In the end, local programs benefit from the registration fees paid by participants.

The year-round recreation building continues to be heavily utilized for recreation programs, used by local organizations and is available for private rentals when not being used for recreation department programming. In 2012 revenue from private rentals was projected to be \$2,025 based on the previous year. Actual revenue received for 2012 was \$3,795 or 87 percent higher than the previous year. That money is turned back to the town to help offset the cost of maintaining the building. This year's revenue covered the cost of the heat and the electricity to run the building and irrigation system. Residents are welcome to inquire about reserving the facility for private functions.

The largest area of growth in programming was seen in the annual 7-week summer program that serves children entering Grades 1-8. Approximately 100 children participate on a daily basis. This continued growth means the program needs to make some basic administrative changes which will be instituted with the 2013 summer season. The biggest change will be the shift to an 8 AM to 4 PM program. With a 60 percent attendance rate in the extended morning and afternoon program hours (which already encompassed these hours) as well as increased participation numbers, the decision was made to make this change in order to accommodate both those families that use the program and to streamline administrative operations. The majority of users will see no difference in how the program runs. Others will enjoy the extended programming that will now be available. Also new will be registration that will begin in March 2013 with all payments for the summer due by June prior to the start of the program. Families will be able to take advantage of a 3-month window to pay for their summer program activities whether they choose to attend one week or all seven. Early registration will be encouraged as space is limited.

As always the work of the Recreation Commission would not be possible without the volunteers and town departments that pitch in to help make things happen. A special thank you goes to the Boy Scouts and the Sandown Garden Club for help with projects and seasonal floral decorations. If you have a program suggestion or, would like to volunteer to help offer a special talent you may want to share, please contact the recreation office. Thank you to all who lend a helping hand!

**SANDOWN SENIOR AFFAIRS  
TRANSPORTATION PROGRAM (SSATP)**

The department was formed to create a group of volunteers available for Sandown Residents who may need transportation. The mission of this organization is to provide transportation service and support through a volunteer network to the elderly, disabled, chronically or temporarily ill residents of the Town of Sandown.

We provide safe, friendly, FREE OF CHARGE rides to residents age 55 years and older who otherwise would be unable to readily get to their necessary appointments, primarily those who do not drive.

The services that our volunteers provide include transportation to and from Doctor and Dentist appointments, medical treatment such as Dialysis, Trips to the pharmacy, library, nursing homes, grocery shopping and visits to the Food Pantry.

We help elderly and disabled community members maintain their independence in their homes and in the Community by providing rides FREE OF CHARGE.

The department does not charge for this service nor has it cost the Town Taxpayers anything as it's funds via donations.

The transportation is available Monday through Friday between 8:00 AM and 3:00 PM by contacting the Sandown Police Department at (603) 887-0216.

All transportation information given to SSATP is strictly confidential.

Our volunteer drivers have a background check and driving history performed by Sandown Police Department and the N.H. Department of Safety prior to starting.

Destinations for transportation are as follows: Sandown, Plaistow, Haverhill, Greater Lawrence, Greater Derry, Manchester and Exeter.

We will try to accommodate other areas not listed, but any location request outside the above listed destinations will be at the discretion of the volunteer drivers.

If you are interested in signing up for the program or need further information: Contact a member of SSATP at:

2012 was another success for recycling efforts – we brought in over \$42,000 dollars – way to go Sandown!

I would like to thank my staff for all their hard work in keeping the transfer station clean and safe. I also want to thank the NRRA (Northeast Resource Recovery Association) for all their assistance and support. Dear NRRA Member,

As a member of Northeast Resource Recovery Association (NRRA), your community has access to all the services of this first in the nation, 32-year old recycling cooperative. Your member-driven organization provides you with:

- Up-to-date **Technical Assistance** in waste reduction and recycling;
- **Cooperative Marketing** to maximize pricing and **Cooperative Purchasing** to minimize costs;
- Current **Market Conditions** and Latest **Recycling Trends, both regionally and nationwide;**
- **Innovative Programs** (i.e. Dual Stream, Consolidation and Single Stream);
- **Educational and Networking Opportunities** through our Annual Recycling Conference, our new Bi-weekly "Full of Scrap" email news, monthly Marketing meetings, website, and Fall Facility Tours;
- **School Recycling Club** - a program to assist schools to promote or advance their recycling efforts;
- **NH DES Continuing Ed Credits;**
- **NH the Beautiful Signs, Grants, Bins and Recyclemobiles.**

The membership has grown to include more than 400 municipalities, businesses and individuals in New Hampshire, Vermont, Massachusetts, Connecticut and Maine. NRRA, as a non-profit organization, is unique in that we do not charge a "brokerage fee" or work to maximize profit gains, but rather has a minimal "Co-op" Fee" which is re-invested into programs to further your recycling programs and solid waste reduction efforts in schools and municipalities.

Through your continued support and dedication, NRRA has assisted our members to recycle over 78,890 tons in fiscal year 2011-2012!

## **SOUTHEAST REGIONAL REFUSE DISPOSAL DISTRICT 53B**

The Southeast Regional Refuse Disposal District was established in 1988 under RSA Chapter 53-B. The District is authorized to provide four facilities: recycling, landfill, septage, and waste-to-energy. Each member municipality can participate in one or more of the District's facilities and the various costs and expenses are apportioned among the members.

The District is presently made up of ten member towns: Brentwood, Fremont, Hampton, Hampton Falls, Kensington, New Castle, North Hampton, Rye, Sandown and South Hampton. It is intended that the interests of all member municipalities, be they large or small, be protected. Also provided is flexibility in developing solutions to joint solid waste problems.

In 2012 Household Hazardous Waste Day events were held on May 19, 2012 in Hampton and on September 22, 2012 in Brentwood. Both events were very successful with Hampton serving 357 households and Brentwood serving 256. Those who chose to participate were able to dispose of materials such as paints, pesticides, batteries, household cleaners, and pool chemicals as well as electronic devices such as televisions, computers and air conditioners. Keeping these materials out of our landfills and precious water resources is a benefit to all of us that is difficult to measure. The District is pleased to provide this service to its members each spring and fall and encourages participation of as many households as possible.

The Southeast Regional Refuse Disposal District started out its 2012-2013 fiscal year on April 1, 2012 with an Operating Budget of \$22,920.00. The December 31, 2012 financial reports show expenditures to date of \$7054.34 with 69.22% remaining. The Household Hazardous Waste portion of the budget was set at \$30,000.00. As of December 31, 2012 \$696.30 remained in that budget, or 2.32%. The financial statements presented by auditors Weidema and Lavin, CPA's, PA, confirmed a surplus of \$51,654.00 as of year ended March 31, 2012. At the District's March 2012 Quarterly Meeting it was voted to retain that surplus fund balance and restrict it to future endeavors to allow necessary research and hire consultants for a new solid waste contract as the current contract expires.

I would like to thank all the representatives and alternates from all the member towns for their participation and efforts over the past year.

Respectfully submitted,

Everett (Bud) Jordan, Chairman
