TOWN OF TILTON WARRANT

Polling hours 10:00 a.m. to 7:00 p.m.

To the inhabitants of the Town of Tilton, in the County of Belknap, qualified to vote in Town affairs.

You are hereby notified to meet at the Tilton Public Works Building on March 10, 1992 at 10:00 AM to act on the following subjects:

1. To choose the necessary Town officials as presented on the ballot prepared for same.
2. To see what action the Town will take on the following: Are you in favor of establishing that the tax collector's position be an elective office for a period of three (3) years? (by petition)
3. To see what action the Town will take on the adoption of the amendments to the existing Town Zoning Regulations as proposed by the Planning Board by Special Ballot prepared for same.

And on the 14th day of March 1992 at 10:00 in the forenoon at the Winnisquam Regional High School to act on the following subjects:

3. To see if the Town will vote to raise and appropriate the sum of \$1,000 to the Northfield-Tilton Economic Development Corporation, a private non-profit corporation, for the purpose of promoting economic development in the two towns. (This same article will appear in the Northfield Town Warrant.) (By petition) (Not recommended by the Budget Committee)
4. To see if the Town will vote to raise and appropriate the sum of Five Hundred dollars (\$500.00) in support of New Beginning - A Women's Crisis Center. (By petition) (Not recommended by the Budget Committee)
5. To see if the Town will vote to restore the sum of \$4,903.00 under General Government line 2 Town Officers' Expenses in particular the Tax Collector's Salary and any sum necessary to restore the benefits presently enjoyed by all Town employees. (By petition) (Not recommended by the Budget Committee)
6. To see if the Town will vote to raise and appropriate the sum of \$500.00 to establish a Capital Reserve Fund as the Hall Memorial Library Building Fund to finance the anticipated costs of maintaining

TOWN OF TILTON WARRANT cont.

this historic building and to appoint the Tilton Selectmen as agents to expend said funds. (This same article will appear in the Northfield Town Warrant.) (By petition) (Not recommended by the Budget Committee)

7. To see if the Town will vote to accept the Budget submitted by the Budget Committee, and pass any vote in relation hereto.
8. To see if the Town will vote to authorize the Planning Board to review and approve, or disapprove, site plans for the development or change or expansion of use of tracts for non-residential uses or for multi-family units, which are defined as any structure containing more than two dwelling units, whether or not such development includes a subdivision, or re-subdivision, of the site. (Recommended by the Planning Board)
9. To see if the Town will vote to ratify the following Town Solid Waste Haulers Licensing ordinance:

The following rules and regulations for the licensing of Solid Waste Haulers shall apply to ensure the delivery of all acceptable Solid Waste generated within the Town of Tilton to the Concord Resource Recovery Cooperative (COOP) in Penacook, NH:

1. All Solid Waste Haulers shall be licensed by the Town of Tilton.
2. Acceptable Solid Waste originating or collected within the municipal boundaries of the Town may be delivered to and deposited for disposal at the COOP.
3. No Solid Waste Hauler shall deliver or cause the delivery of any Unacceptable Waste or Hazardous Waste to the COOP.
4. No Solid Waste Hauler shall cause or allow acceptable Solid Waste originating outside the Town, which is delivered to the COOP by such hauler, to be charged against the account of the Town.
5. No Hauler shall deliver or cause the delivery of acceptable solid waste to the COOP in any vehicle with a gross vehicle weight of less than 27,500 pounds.

TOWN OF TILTON WARRANT cont.

6. The Town shall not bear the cost for either pick-up or transportation, by the Hauler, of any Solid Waste. The tipping fee for all acceptable Solid Waste, generated in the Town of Tilton, that is delivered to the COOP by the Hauler shall be paid (to the COOP) by the Town. The Town will recover the cost of these tipping fees by periodically invoicing the Hauler. The invoice will include an administrative charge of two dollars (\$2.00) per ton, and will be due and payable within thirty (30) days of issuance. A late fee of one percent (1%) per month will apply for invoices not paid when due and payable. The Hauler's license will be revoked if the invoice is not paid within sixty (60) days of issuance.
7. Any person who violates this ordinance shall be guilty of a violation for each such violation, and shall be subject to a fine, payable to the Town of Tilton, of not more than \$1,000.00 for each such violation.
10. To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend money from State, Federal or another Governmental unit or a private source which becomes available during the year in accordance with the procedures set forth in RSA 31:95b.
11. To see if the Town will vote to authorize the Board of Selectmen to accept donations, gifts or property that might become available prior to next Town Meeting.
12. To see if the Town will vote to authorize the Board of Selectmen to convey property acquired by the Town through Tax Collector's deed by public auction.
13. To see if the Town will vote to authorize the Board of Selectmen to borrow money in anticipation of taxes.
14. To see what action the Town will take in regards to the reports of its officers and agents.
15. To choose any other officers and agents for the ensuing year.

TOWN OF TILTON WARRANT cont.

16. To transact any other business that may legally come before said meeting.

1991 TOWN MEETING MINUTES SUMMARIZED cont.

Discussion of School District formula

Suggestion that 1992 Meeting be held at earlier hour

Suggestion that Town Counsel be present at future meetings

Comment of residency requirements for welfare recipients

Request that Recreation Council be allowed to use upstairs of Town Hall for classes rather than having to rent a space in Franklin

Special recognition extended to ARTHUR W. ABBOTT for his 23 years of service to the Town as Supervisor of the Checklist.

Meeting adjourned at 1:05 p.m.

REPORT OF THE SELECTMEN

These are difficult times.

The rise in health care costs continue to accelerate and welfare expenditures sky-rocketed to over \$150,000 during 1991. We see no immediate relief in either of these high dollar entities. We managed, however, to submit a level funded budget that will not adversely affect the municipal segment of our tax rate. It will remain level with last year's.

We wish to point out that your tax dollar supports four governments:

- A. Municipal
- B. School District
- C. Fire District
- D. County

The Department of Revenue Administration has determined that the equalized valuation of Tilton is now 114% (see a copy of the letter at the end of this report). This equalized valuation is used by Revenue Administration to determine Tilton's share of other government costs when setting our tax rate.

The municipal portion of the overall tax rate of \$17.44 is \$4.10, approximately 23% of the total rate.

Due to increased County appropriations and taxpayer support of the Gunstock Recreation Area, we were greeted with a 62% increase in Tilton's contribution to meet County expenses.

The Fire District is expected to come in at or below last year's level.

The School District, on the other hand, is expected to submit a budget significantly higher than last year. Due to the formula by which the three Towns (Tilton, Northfield, Sanbornton) support the School District, the Town of Tilton is facing a potentially devastating adverse impact on its taxes.

Tilton has less than 30% of the students enrolled in the School District and pays over 40% of the expenditures. Northfield has a total enrollment of almost 50% of the students and pays approximately 30%. Sanbornton students comprise about one-quarter of the School population and Sanbornton pays about one-quarter of the costs.

To combat the escalating health care and welfare costs, we are currently working closely with our State Senate in an attempt to legislate some type of residency requirement for welfare recipients. As you are perhaps aware, there currently exists no residency requirement in New Hampshire. We are also researching health insurance carriers other than Blue Cross/Blue Shield to arrive at a better benefit/cost balance.

REPORT OF THE SELECTMEN cont.

The funds appropriated last year for work on the Island have been placed in a separate bank account and most of the legal hurdles (permits and approvals) have been overcome. Work is expected to start in the Spring.

We were pleased to see the Budget Committee approval of the request for funds to take care of the statues in Tilton. We support this request and hope you support this at Town Meeting. The Island and the statues in Tilton are unique and a part of the Town's heritage.

Your Selectmen continue to solicit business growth in Tilton. The economic times are such that this seems to be an impossible challenge but we are persistent and have had many conversations with business owners that have considered Tilton in their plans.

John L. McCarthy, Chairman

Guy L. Petell, Director
David W. Bolton, Asst. Dir.

January 29, 1992

Town Selectmen of Tilton
Attention: Chairman
145 Main Street
Tilton, NH 03276

Gentlemen:

As you know, the Department of Revenue Administration is charged with the responsibility of annually equalizing the valuation of property of municipalities and unincorporated places throughout the State. Towards that end, the Department has conducted a sales-assessment ratio survey using market sales that have taken place in your town between October 1, 1990 and September 30, 1991. Based on this information we have determined what the average level of assessment of land, buildings and manufactured housing was as of April 1, 1991.

The sales values have been determined from revenue stamps and verified whenever possible. When it appears that changes in the assessed values of properties have been made solely because of the sale price, the assessed values prior to the sale have been used.

Based on the enclosed survey, we have determined the sales-assessment ratio for the land, buildings, and manufactured housing in your town for tax Year 1991 to be 114%. This ratio does not include any public utility property in your town.

Please review the enclosed list of sales used in determining your sales-assessment ratio. If any incorrect data has been used, please notify this office as soon as possible.

When the Department has completed its process of calculating the total equalized valuation, this information will be made available to you.

Very truly yours,
Linda C. Kennedy
Linda C. Kennedy,
Equalization Supervisor

AUDITOR'S REPORT

We have audited the general purpose financial statements of the Town of Tilton as of December 31, 1991, and for the year then ended. These general purpose financial statements are the responsibility of the Town of Tilton, New Hampshire's, management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general purpose financial statements referred to above do not include the Fiduciary Fund Type or the General Fixed Assets Account Group, which should be included to conform with generally accepted accounting principles. The amounts that should be recorded in the Fiduciary Fund Type and the General Fixed Asset Account Group are not known.

In our opinion, except for the effect on the general purpose financial statements of the omissions described in the preceding paragraph, the general purpose financial statements referred to above, present fairly, in all material respects, the financial position of the Town of Tilton, New Hampshire at December 31, 1991, and the results of its operations for the year then ended in conformity with generally accepted accounting principles. Our audit was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The individual fund financial statements and schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of Tilton, New Hampshire. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements, and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.

GRZELAK AND COMPANY, P.C.
LACONIA, NEW HAMPSHIRE

REPRESENTATIVE JOSCELYN'S REPORT

As we enter the second year of my two year term, I feel frustrated that many of the fees and licenses were increased by the Legislature. My voting record will show I opposed all these increases. There was no attempt to reduce overall spending to help balance the budget. Since 1982 the State bureaucracy has exploded and in these lean times it would have been prudent to cut spending rather than stay on a collision course of deficit spending. It was only by a Medicare reimbursement that revenues caught up with spending. This source of revenue will soon be gone and we'll be back to the deficit problem again.

My own HB540 relative to tax exempt faculty housing was re-referred to 1992 session. It was recently voted inexpediate because of HB1351 "to establish a committee to review the existing laws governing tax exempt property and to study the concept of and criteria for payment in lieu of taxes by tax exempt properties". Much of the testimony of my bill showed a pattern of inequities in private school relations from one municipality to another. The fact they are going to study this injustice made my bill worth all the effort even though it was defeated.

One of the first things I did was make available a copy of all bills to be acted upon to the Selectmen. This is so they are aware of any pending legislation which will affect our town and I respect their comments on these bills. I also made available to the various boards all legislation that was passed relative to Planning, Zoning and Conservation so that they will be knowledgeable about the new laws.

There has been much newsprint about the Gunstock Recreation Area debt. This is a problem I inherited and by the laws passed by previous Representatives, we have no choice but to back these losses by County taxes. Plenty of snow will solve most of these problems. I personally do not think that the majority of Tilton taxpayers benefit from Gunstock as much as taxpayers and businesses from other towns. I would like to see the ownership sold to a private entity but the area will not be marketable until the present debt condition is eliminated.

The Fish & Game Committee of which I am a member representing Belknap County was active in passing several good bills and killing some really bad ones. This next season I will be working to better the relations between the sportsmen and the Fish & Game Dept. which I believe needs improvement. We will also be working with landowners and the Northern Timber Companies to preserve the open land which is in danger of being closed to the sportsmen of this state.

I look forward to serving you in any legislative

capacity. I am available and anxious to help you with any problems on the State level. My home phone and answering service is 286-8485

Rep. William W. Joscelyn

REPRESENTATIVE SALATIELLO'S REPORT

BUDGET WOES TOP AGENDA DURING 1992 SESSION: The deepening recession has, once again, put the squeeze on the State of New Hampshire's budget. Soaring Medicaid costs are responsible for the bulk of the increased costs, and this is likely to result in budget cuts. Fortunately,, the State took advantage of a one-time \$200 million Federal Medicaid bail-out to balance this year's budget. But when that Federal money dries up, the State will one again face a massive deficit.

INCOME TAX LIKELY TO FAIL, BUSINESS TAX REFORM POSSIBLE: A bid to enact an income tax that sends money back to municipalities for property tax relief is expected to fail by a narrow margin in the House. However, a constitutional amendment that would pave the way for the broadening of the business profits tax may be on the ballot sometime soon. Currently, a handful of businesses in New Hampshire pay the bulk of the State's business profits tax, while many professions (lawyers, doctors, etc.) pay no business profits tax. I strongly support revamping the business profits tax.

CURRENT USE UNDER ATTACK: Five bills that would alter the State's current use program have been introduced in the Legislature, including one that abolishes the entire program. Only one, however, is expected to pass. It requires a study of the system, including ways that would reduce the impact of current use in property-poor towns.

GUNSTOCK UPDATE: Legislation that would establish a study committee to examine State ownership of the Gunstock Recreation Area was introduced in the 1992 session of the Legislature but appears to be headed for defeat . . . The Belknap County Commissioners have proposed spending nearly \$750,000 to pay the debt of the Gunstock Recreation Area in 1992 . . . Skier traffic at Gunstock is up 40% from 1991 at the Area . . . A new manager, who promises to redirect Gunstock's programming to serve the local community, is on board. I remain absolutely opposed to using property tax money to pay for Gunstock.

COUNTY TAX BITE UP - AGAIN: Soaring health insurance costs plus a 7% raise for County employees, negotiated by the Belknap County Commissioners, are two of the leading reasons behind another hefty tax increase in the County portion of your tax bill. I will, as usual, take action to reduce this tax increase. (See letter following this report.)

REPRESENTATIVE SALATIELLO'S REPORT cont.

MOBILE HOME PARKS: In the Town of Tilton, approximately 25% of the residents live in manufactured housing parks. I have worked and will continue to support legislation to insure that the interests of these families and senior citizens are represented in our State capital.

Finally, the Legislature continues to grapple with such issues as property tax relief, unfunded State mandates, educational, economical and environmental concerns. I will continue to bring the viewpoint of the Town of Tilton to the legislative process and do my best to keep you informed. Please do not hesitate to contact me if I can be of any assistance, or if there are any specific areas or legislative efforts of which you wish to be kept abreast.

State Rep. Thomas Salatiello

REPRESENTATIVE SALATIELLO'S REPORT cont.

State of New Hampshire

HOUSE OF REPRESENTATIVES

CONCORD

HELP LINE TDD RELAY
225-4033

January 21, 1992

Dear Constituent:

Below is the recommended salary increases proposed by the Belknap County Commissioner for unclassified Commissioner appointees. Do you see anything wrong with this picture?

	<u>CURRENT</u>	<u>PROPOSED</u>	<u>% INCR.</u>
Finance Director	\$ 42,820	\$ 45,000	5.09%
Assistant County Attorney	\$ 33,280	\$ 34,944	5.00%
Human Services Director	\$ 31,367	\$ 33,249	5.99%
Corrections Administrator	\$ 38,190	\$ 40,290	5.49%
Nursing Administrator	\$ 41,600	\$ 46,500	9.61%
Director of Nurses	\$ 38,938	\$ 43,000	10.43%

Does your town struggle to control spending, perhaps including no salary increases for town employees who make far less than the Commissioner's political appointees?

The proposed County budget also includes a \$25,000 "slush" fund for the County Commissioners.

Is not the real question not more money for County Government but rather the citizens getting a better value from their property tax money?

Do you agree something is wrong with this picture?

Sincerely,

Thomas Salatiello

REPORT OF THE CHIEF OF POLICE

As has been the case since I've been a Police officer in Tilton, our work load has steadily increased year after year. There seems to be no end to it.

Last year, final tally of requests for Police service was 5,911. This increased in 1991 by 422 cases or a total of 6,333. Your Police Department has reached the point of saturation. How we can expect to continue with this rate of increase in Police service requests without an increase in officers is beyond me.

Some of the more notable increases are burglaries up 19 or 52 in all, thefts up 41 or 219 in all, disorderly conduct up 40 or 69 cases, criminal trespassing up 40 or 56 cases and perhaps the most dangerous, domestic disputes increased by 39 or 100 cases of family related disputes.

All of this increase seems to be as a result of the economic times. We even had a bank robbery, the first that I'm aware of. So much for the doom and gloom.

I recall being hired as a part-time officer in February of 1972 and full-time in August of the same year. What a learning experience it has been. In 1975, I became the Department's first detective and in 1977 I was formally appointed as your Chief of Police. It doesn't seem possible especially when you consider that the average tenure as a Police Chief is six years.

When I became Chief there were a number of problems within the Department that would require some long term commitment.

1. We had a severe attrition rate resulting in a constant turnover of officers.
2. Low degree of training and education resulting in low self esteem and lack of public confidence.
3. Lack of strong leadership providing proper philosophy and purpose.
4. Poor quarters to perform the Police mission in.

As a result of your continued support, we have overcome most of the problems.

Full-time Officers:

Lt. Charles Chase	15 yrs.
Sgt. Kent Chapman	7 yrs.
Cpl. Adam Roy	7 yrs.
F.T.O. Owen Wellington	12 yrs.
Ptlm. Richard Paulhus	8 yrs.
Ptlm. Scott Estes	5 yrs.
Ptlm. Sean Sullivan	4 yrs.
Dispatcher Ann Glines	15 yrs.

Part-time Officers:

Spec. Vincent Kondrotas 14 yrs.
plus Photographer 7 yrs.

REPORT OF THE CHIEF OF POLICE cont.

Spec. Gary Tucker	11 yrs.
Spec. Stephen Adams	8 yrs.
Spec. Douglas Ricard	5 yrs.
Spec. John Raffaelly	5 yrs.

We have two officers with baccalaureate degrees in criminal justice, one recently graduated with an associates degree in criminal justice, another is presently enrolled in an associate degree program and another awaiting his turn.

We have completed a policy manual which took nearly three years working with the Alton, Belmont and Gilman-ton Police Chiefs. It is expected that this manual should serve well into the future. The manual has been recognized by the N.H. Municipal Association as a model policy. We now have a beautiful new facility to work in and greet the public.

I'm immensely proud of our accomplishments and thankful for your support through the years.

Respectfully,
George S. Prescott,
Chief of Police

ROAD AGENT REPORT

The winter of '90-'91 was relatively snowless with many nuisance storms, but overall salt usage, overtime and machinery wear was down.

Drainage, or more accurately, the lack of it, continues to be one of our primary problems. Poor or inadequate ditches and culverts cause water to back-up and spill out into the roadway. This not only causes driving hazards but damages the roadway as well.

We do our best to correct the drainage problems in the roads that are rebuilt under our long-term capital improvement program.

Base stabilization, drainage and paving was done on Westwood Drive. Working with the Town of Sanbornton, March Road was reshaped, then four inches of asphalt grindings and two inches of asphalt was put down. Tilton owns approximately 1,000 feet of March Road.

Drain basins were repaired or replaced on Main Street, Park Road, Old Route 3 in Winnisquam, Peabody Street, Westwood Drive and at the end of Joscelyn Lane.

The Tilton Island Park rejuvenation was started with the installation of curbing and sidewalk paving. There is much more work to be done.

The recycling program is well under way with about 20 volunteers working in 2 and 3 person teams on Saturdays from 9:00 AM until 1:00 PM. There has been much participation from the public with the same ones coming in every week. Since about the first of May when the "blue bags" were distributed, we have recycled 29.38 tons of material or approximately 5% of the residential rubbish. The current price to process the recyclables is \$30.00 per ton. The price at the incinerator is \$38.45 per ton this year. Special thanks go to Bill Joscelyn who got the building donated; to Jim Dodge who engineered the moving of the building; to Ken Partridge who moved and building; to George Hast who donated a furnace; to the Manning Brothers who donated a work table; to Bryant and Lawrence who donated two paper bales, and George Franz, the Chairman of the recycling committee.

Spring clean-up will be April 21 and 22 for the Eastern part of Town, and April 23 and 24 for the Western part of Town, the railroad tracks by the Cumberland Farm store being the dividing point.

Respectfully submitted,

David Wadleigh, Sr.
Road Agent

In 1991, layoffs, plant closings, extended unemployment and delays in State & Federal programs created circumstances having a negative impact on larger, established families. All this equated to economic need for service for longer time periods. That plus the fact the NH RSA 165 mandates us to provide certain services. We can only expect this trend to worsen with the economy. This office has made use of every existing program to lessen the impact of welfare services on Tilton. I wish to thank a very fine volunteer staff for their help.

M. Marie Mahoney, Welfare/Health Administrator

PLANNING BOARD REPORT

The Tilton Planning Board held twenty-two meetings in 1991 with an average attendance of five plus members at each meeting.

Summary of Applications and Plans reviewed is as follows:

SUBDIVISIONS:

Subdivisions approved 3; new lots 5.
Boundary Line Adjustments approved 4; new lots 0.
As-built plans for Winnisquam Shores Condominium, approved.

Three subdivisions were pending as of the end of the year.

SITE PLANS:

Approved 8; rejected 2.
Another two plans which received conditional approval from the Board were later abandoned by the applicants.

The economic condition of the real estate market was again apparent during 1991 in the reduced work load that the Board experienced.

We took advantage of this opportunity to continue reviewing our Zoning and Subdivision Regulations. Authorization for site plan review, definitions and general housekeeping within the regulations were of concern.

During the year many members took advantage of seminars which proved to be advantageous in our review of regulations for the Town of Tilton.

As mentioned in prior annual reports, input relative to Zoning Regulations is always welcomed from interested taxpayers. In my tenure on this Board, it seems as though the only time we hear from taxpayers is when the regulations adversely affect them. The regulations were written and adopted by taxpayers for the best interest and long term growth of the Town of Tilton. If these regulations, or the persons who serve you on this Board, do not or are not meeting the aforementioned goal, please let us know so we may better serve the taxpayers for whom these regulations were designed.

I would further like to take this opportunity to thank those who serve on the Board, as well as the Land Use Administrative Assistant, for their devotion and participation in the year 1991.

Thomas G. Gallant, Chairman

ZONING BOARD OF ADJUSTMENT

TOTAL NUMBER OF MEETINGS: 7 AVERAGE MEMBERS PRESENT: 5
MEMBER TRANSITIONS:

Loss: Tom Dougherty, resigned due to transfer
Loss: Robert Buckley, transferred-Budget Committee
Gain: Lynne Fox
Total membership 12/31/91: 7

SUMMARY OF ACTIVITY:

- 3/19 Evans Group, Inc. & Alex Ray: Special Exception for Fuel Mart & Restaurant - Granted.
- 4/16 A. Barthelemy & Mrs. B's DayCare: Special Exception for Extra Signage - Granted.
- 4/16 Dimond: Variance for Residential Business - Granted.
- 5/21 Schofield & P.J.'s Pizza: Variance for Expansion & Add a Deck - Granted.
- 9/17 Liacos: Variance Interpretation for Request by Building Inspector: Letter to Building Inspector.
- 10/15 Evans Group, Inc.: Variance for Extra Signage - Continued, and
- 10/29 Evans Group, Inc.: Variance for Extra Signage - Granted.
- 11/19 Perez: Variance for Extra Signage - Granted.
- 11/19 Jordan: Variance for Subdivision - Denied.

TRAINING:

4/20 Scot Bradstreet attended a Zoning Board Training Workshop sponsored by the Office of State Planning (OSP).

10/6 Robert Brown, Lenore Sattler and Scot Bradstreet attended a Municipal Law Lecture Series presentation at Moultonboro Academy sponsored by the NH Municipal Association.

CHANGES TO RULES AND PROCEDURES:

10/91 - Began use of a comprehensive checklist to enhance procedural accuracy, incorporate new voting procedure recommended by OSP.

11/91 - Initial draft of additions to ZBA Rules and Procedures.

Robert G. Brown, Chairman

REPORT OF THE CONSERVATION COMMISSION

The purpose of the Conservation Commission is to do what we can to preserve Tilton's small part of the environment, so that we and our neighbors, both human and animal, can live here in harmony.

The Commission's power is advisory only to individuals and other Boards at Town, State and National levels. We are required, by law, to review all Dredge & Fill Applications and to make written comments, when needed, to the State Wetlands Board. The number of applications were down this year because of the economy. We did have some people that came to us before making an application to see what would be required in their case. We did an inspection and made suggestions on what needed to be done.

Commissioners are available to assist anyone planning a project or having questions about natural resources and wetlands. Commissioners can be contacted directly or at the monthly meetings.

Respectfully submitted,
Ben Wadleigh

TILTON-NORTHFIELD FIRE DISTRICT WARRANT

To the inhabitants of the Tilton-Northfield Fire District, qualified to vote in the District Affairs:

You are hereby notified to meet in the Winnisquam Regional High School Cafeteria on Monday, March 16, 1992 at 7:30 o'clock in the evening to act on the following:

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a Treasurer for the ensuing year.
4. To choose a Fire Commissioner for the ensuing three (3) years.
5. To hear the reports of the Treasurer and the Fire Commissioners and pass any vote relating thereto.
6. To see if the District will vote to renew the Water Contract and raise money for the same in the sum of Forty-Two Thousand dollars (\$42,000.00).
7. To see if the District will vote to raise and appropriate Fifteen Thousand dollars (\$15,000) for the support of the Winnisquam Fire Department.
8. To see if the District will vote to accept the budget as submitted by the Fire Commissioners, and pass any vote in relation thereof.
9. To see if the District will vote to authorize the Fire Commissioners to apply for, accept and expend money from the State, Federal or other Governmental unit or a private source should any become available during the year.
10. To see if the District will vote to authorize the withdrawal from the Land and Building Fund of \$6,240.00, for purposes of capital maintenance at the Church St. Station.
11. To see if the District will vote to authorize the withdrawal from the Truck Fund of \$128,000 to purchase a new Class #1 Pumper.
12. To see what action the District will take relative to the ultimate disposition of accumulated insurance proceeds. Such proceeds are accumulated as a result of proceeds received from insurance companies as a result of transports by the District's Rescue squad.
13. To see if the District will vote to authorize the Fire Commissioners to borrow money in Anticipation of Taxes.
14. To transact any other business that may legally come before the meeting.

A true copy of the Warrant Attest:
Fire Commissioners

Regular business meetings are held the first Thursday of each month at 7:00 PM. Officers' meetings are held the third Thursday of each month at 7:00 PM. Special meetings are held as needed.

The Department consists of 40 active members, 9 of whom are Emergency Medical Technicians, 6 are qualified for defibrillator use, and 2 are qualified as Intermediate (Advance Life Support). Two members completed the Firefighter Level I course. Training sessions were held throughout the year including CPR, cold water rescue and hazardous materials. Various schools were attended by members.

The Department and the Ladies Auxiliary held various suppers and fund raisers throughout the year. This year we incorporated a Haunted House into our fundraising activities. This was a great success and will continue on an annual basis. The annual Carole Davis Memorial Christmas party was held for the children in the Winnisquam area, as well as a Halloween Party.

The Winnisquam Fire Department and Ladies Auxiliary thank the community for its continuing support.

Catherine A. Thompson, Clerk

NEW HAMPSHIRE HUMANE SOCIETY

The 1991 totals of the number of animals brought to the N.H. Humane Society shelter from your Town are as follows:

By your Animal Control Officer:

Dogs & Puppies	25
Cats & Kittens	3
Total	28

From local residents:

Dogs & Puppies	25
Cats & Kittens	62
Total	87

Total all animals: 115

Your Society's shelter has been inspected and licensed by the State and fulfills your licensed dog pound requirements. It also complies with RSA 442-A, the Rabies Control Act for holding stray dogs.

Every town has stray animal problems. We encourage your town, and especially your Animal Control Officer to use our services more in 1992.

Fritz T. Sabbow
Executive Director

TILTON-NORTHFIELD OLD HOME DAY

To everyone's surprise, the 1991 Old Home Day was a huge success. Due to the economy we thought the day's festivities would not draw the crowd that we usually have seen in the past. Surprisingly enough, it was the largest crowd ever.

The day started with a runner's road race, chaired by Robert Watson. There were 71 participants which, for the first year, is excellent. The course has now been certified, so we hope to double the number of participants this coming year.

As always, John Keith did another excellent job with the parade. Each year it seems to get larger and always better. I don't know where he comes up with his ideas or new participants, but I know I speak for myself and the rest of the Committee when I say, "Thanks for another fine job, John". This year's Citizen's of the Year were: Lewis Read, Northfield, and Russell Drew, Tilton.

During the day, we had various shows and activities for the younger people, along with a fine display of horse pulling for everyone to enjoy. The evening hours finished the day off with the Fireman's muster and a fabulous display of fireworks.

I would like to thank the Committee members for their endless amount of hours they put in to make the Old Home Day a success. Most importantly, we would like to thank "you", the people that come and support our one day event and make it such an enjoyable time.

We look forward to seeing you at the 1992 event, which will be held June 27th, rain-date June 28th. The parade theme will be "The 60's", so start thinking about your float now!

YOUTH ASSISTANCE PROGRAM
OF NORTHFIELD, SANBORNTON AND TILTON, INC.

This program benefits the three towns it serves. Money is saved that would otherwise be needed to pay costs of police officers on juvenile affairs. Thousands of dollars are saved when young people are successfully diverted from the Juvenile Court System and out-of-home placement is avoided. The results of shoplifting, vandalism, burglary and other juvenile crimes are greatly lessened because of the existence of the program. In 1991, restitution of \$816 was collected and returned to victims. 246 hours of community service work was done by youthful offenders.

The staff of two regularly upgrades their skills with frequent reviews of procedure and with college level training. This year a course in adventure-based counseling was successfully completed and a week long concentrated program was attended on substance abuse counseling with emphasis on adolescent problems. Volunteers enhance the program wherever such help can be used. A volunteer for office help serves us regularly. We enjoy help from an intern from Plymouth State College for several months of each year and our list of volunteers for Juvenile Review Boards and our Board of Directors continues to be strong. We have a program matching volunteers with at-risk and families in trouble because of acting out youth. We have had a parent support group for several years. We are prepared to assist at any time with a crisis situation.

Our substance abuse training called the Challenge Program was used by 15 youths who were picked up by the police or school officials for possession or theft of illegal substances. Some youths chose to take part in the training because of other needs. The Challenge Program is supported by the Governor's Drug Free Schools Program. We have enough funding from the State for three training sessions in 1992 and hope to continue in 1993. We have been awarded some incentive fund money from the Counties of Belknap and Merrimack for 1992. We have been told that it is likely that this money will not be available for 1993.

HALL MEMORIAL LIBRARY (cont.)

regular borrowing visits. Fifty children signed up for the summer reading program in 1991. Increased funding from the towns for the reading program allowed us to present a magician and a professional story-teller, as well as a mail boat excursion across Lake Winnepesaukee this summer. We hope to receive the same or better support in 1992 for this worthy, well-attended program, and hope to add temporary summer staffing exclusively for the children's summer program.

Jointly, with the Tilton School Library, we conducted a spring series of book discussion meetings led by various New Hampshire scholars. In the fall, we had a Job Hunt seminar.

Due to patron donations and participation in the Scrooge & Marley (neighboring libraries) Cooperative, we significantly expanded our videotape holdings.

Many thanks to Jeff Marvelle of the Middle School for his troop of volunteer rakers and dusters. The Middle School art students also supplied our exhibit case with beautiful crafts. We appreciated the volunteer hours of the Tilton School dusters and rakers, also.

We appreciate the townspeople's many donations of books and magazines, the Northfield Fire Department's donation of a Christmas tree, the Garden Club's outdoor wreath, and Deanna Stillings's and Jean Godbout's seasonal indoor wreaths. Special gratitude goes to Jean Wright for her many expert volunteer hours.

Our book swap statistics show that a paperback no longer read can have many lives. If you have one you won't read again, please share it with your neighbors by trading it on our book swap rack!

Winter hours: Monday thru Thursday 11-8, Friday 11-6,
Saturday 11-2.

Projected Summer hours: Closed Monday, Tuesday &
Wednesday 11-4, Thursday 4-8,
Friday 11-7, Saturday 11-2.

Rinske van Epen
Librarian

TILTON-NORTHFIELD RECREATION COUNCIL

The T-N Rec Council wants to thank you for your support of its programs and to the many volunteers who help teach and coach the youth of our community. The increase in the numbers of participants has again shown that especially in these hard economic times there is a real need for low cost recreation. The chart of programs shows that we try to run as large an array of programs as possible and are always open for suggestions on more.

The T-N Rec Council is a non-profit organization that provides recreational services to the towns of Tilton and Northfield. We are governed by a council of twenty volunteers which is comprised of ten citizens from Northfield and ten from Tilton. Many of our sports programs are run by volunteers whom without we would not be able to offer as much as we do. The money we get from the towns pay for our basic operating budget and help defray the cost of our summer program and our sports programs. There is a slight cost to our sports programs which helps cover the cost of their shirt which they get to keep and their participation trophy. We have worked hard to try to balance the cost of our programs and the operating budget we ask the towns to pay. We have never turned anyone away from our programs because they cannot afford the registration fee and any matter such as this is kept strictly confidential.

The year 1991 has seen the dream of having our own facility become a reality. We applied for a CDGB grant through the Town of Northfield and successfully obtained a \$350,000 grant. We have continued to hold fund raisers periodically which have been very well supported by the local citizens. Volunteers have turned out to help clear the land and prepare the Pines for the building. We have spent more than two years designing this to optimize usable area and hold operating expenses to a minimum. The construction of the T-N Community Center should be complete by the fall. See you at the grand opening!!!

Steve Hoyt, TNRC President

VISITING NURSE ASSOCIATION OF FRANKLIN, INC.

It has been a year of unprecedented progress for the Visiting Nurse Association of Franklin. We have surpassed all previous records in service delivery having delivered over 4,245 in Tilton and 24,713 in our service area.

This has been a year to streamline operations, stabilize management and assure future needs. With a staff of 50 professionals, we are emerging as a major player in your health care community.

The decision to focus on key areas has brought support of a growing Hospice Program with 18 trained volunteers. By expanding Child Health Services, we have been able to meet the child health needs of 4 families in Tilton.

We continue to reach out into the community with flu, foot care, immunization clinics, blood pressure screenings, support groups and educational programs.

Along with reaching new heights in service delivery, we are also reaching new heights with the addition of a second floor which will offer much needed office space to our staff. It is with enthusiasm that the staff look forward to having more adequate space for a home base and being able to offer additional health services to the communities we serve.

As of December 31, 1991 we have provided the Town of Tilton with:

Skilled nursing visits	1,573
Home health aide	1,732
Physical therapy	283
Occupational therapy	6
Speech therapy	34
Homemaker visits	310 (832 units)
Supportive services	164
Hospice visits	37
Office visits	58
Child Health Service	5
Community health	43

Total:	4,245

We appreciate your continued support and the volunteers support from Sandra Emerson and Medford Sattler, representatives from Tilton, who serve on our Board of Directors.

Donna Ward Tetley, RN MS
Executive Director

LAKES REGION FAMILY SERVICE ASSOCIATION, INC.

Lakes Region Family Service Association is a private, non-profit, social service agency offering family counseling and family violence/sexual assault services to residents of the Lakes Region of New Hampshire. Tilton residents may also be seen by appointment at the Trinity Episcopal Church in Tilton.

1991 Allocation from Tilton	\$3,500.00
1991 Expenditures:	
Agency programs	2,500.00
Women's shelter	1,000.00

The appropriation from the Town of Tilton allows us to see counseling clients, from Tilton, at reduced fees. The allocation also allows us to shelter women and children on an emergency basis. The agency also provides crises intervention to victims of family violence and sexual assault, free of charge.

In 1991, Lakes Region Family Service served eighty-three (83) families from Tilton, New Hampshire.

Respectfully submitted,

Elizabeth E. Pedersen
Executive Director

HISTORICAL SOCIETY

The Tilton Historical Society is a small but faithful group dedicated to the collection and preservation of the artifacts and memorabilia of the Town of Tilton.

What the group lacks in numbers it makes up in the dedication of its members.

Particularly deserving of recognition is William Joscelyn who served two terms as president, has been the program chairman, and has generally been the primary "mover and shaker" of the Society since its inception.

Bill has done extensive research and presented programs on, among others, the one-room schoolhouses of Tilton, Main Street Businessmen in 1890 and the Tiltons of Tilton.

Another member who deserves recognition is Jim Shepherd who has researched and presented programs on The Lord Block, Mary Baker Eddy and the statues of Tilton.

The third person to be recognized is Karen Floyd Shepherd who serves as Curator. Karen accepts, catalogues and stores the numerous historical items which donors are kind enough to share with us and which we are grateful to receive.

The Shakers of Canterbury, New Hampshire were the subject of our May program, presented by Virginia Colvard of Sanbornton.

During 1991 the Society was fortunate to have had two programs presented by Robert Woodward of Laconia. In June Mr. Woodward spoke on the MASONIAN GRANTS and in September his talk was on PERAMBULATING THE BOUNDS. Mr. Woodward is very knowledgeable of his subjects and is well equipped with visual aids to assist his audience. We look forward eagerly to more of these fine programs. The Society lost two highly valued members during 1991. Charles E. Tilton III, scion of Tilton's founding family, died in Arizona on 17 July 1991. Charter member, gracious lady and loyal attendee, Helen Barney Willard of Calef Hill Road passed away unexpectedly on 25 July 1991.

The Society meets on the second Monday evening during the warmer months, April through October, at either the Iona Saving Bank (now 1st Savings) Community Room or at the N-T Congregational Church. The public is always welcome.

Lenore Sattler

NET GAIN (LOSS):	\$	303.70
		<hr/>
BALANCE DECEMBER 31, 1991	\$	39,904.34

During 1991 your Commissioners have been busy on two fronts, dealing with present realities and planning for the future.

We encountered problems from some of our older lines and made major repairs on Park Road and in the upper Chestnut Street area.

We commissioned a study of funding alternatives for extension of service to West Main Street, however, the results were not encouraging. Due to adverse response to the projected costs from the potential users, the project has been postponed.

As can be seen from the financial report, in 1991 we just made ends meet. Treatment charges (O&M) from Winnepesaukee River Basin Program (WRBP) continue to rise, with 8 to 10 percent increases projected for Fiscal Year '93.

The two factors of increasing O&M charges and repairs to an aging plant, over which we have no real control, will inevitably be reflected in our budget. Sufficient revenues to meet these expenses is an issue which must be addressed in the near future.

Edward J. Brigman, Chairman
 Arthur J. Marcoux
 Stephen R. Swain, Commissioners
 Tilton Sewer Commission

NORTHFIELD-TILTON ECONOMIC DEVELOPMENT CORPORATION

The NTEDC was formally incorporated in November of 1991. We would like to thank the original 9 incorporators and especially Ann Currier, for doing all the organizational legwork, hiring an economic development consultant and conducting the first Annual Meeting. The Annual Meeting was held at the Highland's Ski Area, courtesy of Richard and Lisette Shea, who hosted over 100 interested citizens from the two town area.

Our primary purpose is to develop an economic development strategy to retain and promote industry in the two town area. The Town of Northfield received a \$12,000 CDBG Feasibility Study Grant to hire consultants Dwight Barrell and Neil Cannon of the Concord Regional Development Corporation to assist the Directors in the following: develop a database of our communities' resources, conduct a business visitation program to find out what we can do to help our existing businesses and industries, conduct a labor force survey, target various industries suitable for our area and develop an aggressive marketing program. For further information or if you would like to become involved in our activities, please contact any member of the Board of Directors: Michael Baker, Steven Bauer, David Barbuto, John Clement, Louis Croteau, Richard Dubois, Joyce Johnson, David Knapp, Jeff McCarthy, Casey Nickerson, William Nickerson, Lenore Sattler, Douglas Smart, and Jack Willey.

Richard Maher, President
NTEDC Board of Directors
