## IN MEMORIAM

It is with deep sadness that we note the passing of citizens who served the Town faithfully in past years. . . .

**Leroy Wheeler**, who worked for the Highway Department for a period of 25 years.

**Benjamin G. Bundy**, who served as a Trustee of the Library from 1960 to 1973.

# *Town Warrant*

The State of New Hampshire

Polls will be open from 7:00 a.m. to 7:00 p.m.

Voting on Article 1 through 5 will be at the polls.

Remaining articles will be considered at the meeting held at 8:00 p.m.

To the inhabitants of the Town of Amherst in the County of Hillsborough in said State, qualified to vote in Town affairs:

You are hereby notified to meet at the Wilkins School on Tuesday, the 14th day of March next at 7 of the clock in the forenoon, to act upon the following subjects:

Article 1.

To choose all necessary Town Officers for the ensuing terms.

Article 2.

To see if the Town will vote to make the following Changes in the Zoning Maps and the Zoning Ordinance of the Town of Amherst:

## **VOTE #1**

### **BOUNDARY OF INDUSTRIAL ZONE**

**To see if the Town will vote to amend the zoning ordinance** by modifying the zoning map with respect to the boundary between the Western Boundary of the Industrial Zone and Eastern Boundary of the Rural Zone on the South side of Old Nashua Road so that the former boundary is removed and the new boundary described from North (Old Nashua Road) to South (Hollis-Amherst Town Line) will be as follows:

Commencing at the intersection of the northeast corner of Lot 19 - Tax Map #2 and the northwest corner of Lot 20 - Tax Map #2 at a point in the south line of Old Nashua Road;

Southerly by a line:

constituting the boundary between Lots 19 and 20 on Tax Map #2;

constituting the boundary between Lots 12 and 20 on Tax Map #2;

through Lot #12 and 12-1 from the southwest corner of Lot #20 to the northeast corner of Lot #10, as shown on Tax Map #2

constituting the boundary between Lots 10 and 12 on Tax Map #2

constituting the boundary between Lots 12-2 and 26-1 on Tax Map #2 to a point constituting the southeasternmost corner of Lot #12-2, as shown on said Tax Map;

thence westerly by the south line of Lot #12-2 as shown on said Tax Map to the center line of a brook identified on said Tax Map #2, said point being in the south line of Lot #12-2 on said Tax Map; thence

southerly and southeasterly by the center line of said brook identified on said Tax Map #2 to the Hollis Town line.

**BALLOT QUESTION TO READ:**

Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board of the Town for the Town Zoning Ordinance as follows:

By modifying the zoning map with respect to the boundary between the Western Boundary of the Industrial Zone and Eastern Boundary of the Rural Zone on the South side of Old Nashua Road so that the former boundary is removed and the new boundary described from North (Old Nashua Road) to South (Hollis-Amherst Town Line).

YES

NO

**VOTE #2**

**OPEN SPACE DEVELOPMENT**

**To see if the Town will vote to amend the Zoning Ordinance to change Article IV, Section 4-12, paragraph C, Section 2 by deleting from the 2nd paragraph of said section the words "twenty-five per cent and substituting therefor the words 'fifteen percent' "**

**and**

**by adding the words "... to be built ..." to the 12th line of the first paragraph so that said line reads as follows:**

**"... number of dwelling units (to be built) within the Open Space Development, shall ..."**

**BALLOT QUESTION TO READ:**

Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board of the Town for the Town Zoning Ordinance as follows:

By changing Article IV, Section 4-12, paragraph C, Section 2 by deleting from the 2nd paragraph of said section the words "twenty-five per cent and substituting therefor the words 'fifteen percent' "

YES

NO

**VOTE #3  
SIGNS**

To see if the Town will vote to amend the Zoning Ordinance by deleting Line #5 from Article III, Section 3-4, Paragraph D and substitute therefor the following:

No neon or tubular signs, flashing, internally lighted, or revolving signs shall be permitted in any district. Any such signs existing at the enactment of this change to the Zoning Ordinance will be phased out of existence no later than five (5) years after said enactment. Signs may be lighted externally. Such lighting shall be shielded so as not to present a hazard to automotive traffic. Signs shall be lighted only during the hours when the associated establishment is open for business.

**BALLOT QUESTION TO READ:**

Are you in favor of the adoption of Amendment No. 3 as proposed by the Planning Board of the Town for the Town Zoning Ordinance as follows:

To preclude internally lighted signs.

YES

NO

**VOTE #4  
BUILDING PERMITS**

To see if the Town will vote to amend the Zoning Ordinance by deleting Article VI, Section 6-2, in its entirety and substituting therefor the following:

**SECTION 6-2 PERMITS  
Building Permits; Certificates of Occupancy  
Earth Material Removal Permits**

**A. BUILDING PERMITS:**

No building or structure shall hereafter be erected or structurally altered until a building permit shall be issued by the Selectmen or their authorized Agents, the Building Inspector or Zoning Administrator stating that the building or structure, and use of land comply with the regulations of this ordinance and all building and health laws and ordinances.

**B. CERTIFICATE OF OCCUPANCY:**

No building or structure hereafter erected or structurally altered shall be occupied or used until a certificate has been issued by the Selectmen, or their authorized Agents, the Building Inspector or Zoning Administrator. The certificate shall be issued only after the Building Inspector or Zoning Administrator makes a finding that the building or structure has been constructed, arranged, or structurally altered or is to be used in conformance with the pro-

visions of this ordinance and all other health, safety and building laws, including but not limited to a requirement that the site be serviced by all necessary utilities including municipal water (or that potable water in sufficient quantities be available if municipal water is not provided) and that construction be in accordance with all representations made as part of the application for and granting of the building permit.

**C. USES AND CERTIFICATE OF OCCUPANCY:**

No change shall be made in the use of a building or part thereof now or hereafter erected or structurally altered, or in the use of land now or hereafter occupied, nor shall any use of a building or land be undertaken, without a Certificate of Occupancy having first been issued by the Selectmen, or their authorized Agents, the Building Inspector or Zoning Administrator. No such certificate shall be issued to make such change or undertake such use unless it is in conformity with the provisions of this ordinance or amendments thereto hereafter duly enacted.

**D. EARTH MATERIAL REMOVAL:**

No earth material as defined in Section 3-8 hereof shall be removed unless a permit has been applied for and obtained in a fashion consistent with the provisions of Section 3-8 hereof.

**E.** The Board of Selectmen, or the Administrative Official, may require of any applicant for a permit such sketches, drawings, plot plans, or other material as are deemed necessary by the Board of Selectmen, or the Administrative Official, to make a decision as to compliance with the provisions of this ordinance.

**F.** If an applicant requests a permit to undertake an activity on a lot not conforming in size and frontage as otherwise required by this ordinance and is making application under Article IV, Section 4-2 of this ordinance, such applicant shall file as part of his application, the date of the recording and the Register of Deeds reference number of the recording of the non-conforming lot.

**G.** The Administrative Official shall be a salaried employee of the Town and shall be paid a salary as determined by the Selectmen and approved by the Town as part of the annual budget.

**H.** All permits issued under the provisions of this ordinance shall expire and become invalid two years from the date of issuance of the permit.

**I.** 1. Upon receipt of the application for a permit with sufficient information to clearly establish the nature and extent of the proposed activity, the Administrative Official shall determine whether the proposed activity or use constitutes a permitted use within the provisions of this ordinance or whether a special exception, or a variance is required.

2. If the proposed use requires a special exception or a variance, the Administrative Official shall refer the application for permit to the Board of Adjustment for action.

3. If the proposed use or activity is within the provisions of this ordinance, the Administrative Official shall post a notice in two public places in the Town of Amherst, one of which shall be at the

Town Hall and no permit shall be issued until said notice has been posted for a period of seven days. If during that period the Administrative Official received no objection to the issuance of the requested permit, he shall thereafter issue the permit. If during that period the Administrative Official received objection to the issuance of the requested permit, he may issue the permit, refer the application to the Board of Adjustment for action, or deny the permit. (Provided, however, that if the application is for a building permit to erect a new single family dwelling unit then Section 3-13 of this ordinance must be complied with in addition to the foregoing and no permit shall be issued except in accordance with said Section 3-13.)

**BALLOT QUESTION TO READ:**

Are you in favor of adoption of Amendment No. 4 as proposed by the Planning Board of the Town for the Town Zoning Ordinance as follows:

To reword the Section pertaining to building permits and clarify the types of permits and the circumstances under which they would be issued.

YES

NO

**VOTE #5**

**ROUTE 101-A COMMERCIAL/INDUSTRIAL**

**To see if the Town will vote to amend the Zoning Ordinance and Zoning Map as Follows:**

A. To amend the Zoning Map of the Town of Amherst in the vicinity of Route 101-A as follows:

1. To establish the following described area as a "Commercial District":

The area currently designated as "Industrial" on the South side of Route 101-A between the Milford Town Line on the West and the "Commercial" area at the intersection of Routes 122 and 101-A on the East.

2. To amend the district boundaries of the area currently designated as "Industrial" on the north side of Route 101-A in the vicinity of and across said Route 101-A from Mother Gardner's Crossing, so that said district will be divided into a "Commercial" district, an "Industrial" district and a "Residential" district as follows:

That portion of said district consisting of Lots 88, 89-1, and 89-2 on Property Map No. 2 changed to "Commercial."

Only that portion of said district consisting of a portion of Lot 86 on Tax Map No. 2 retained as "Industrial."

The remainder of said district to be changed to "Residential District."

3. To amend the district boundaries of all of the area currently designated as "Transition" on the north side of Route 101-A, the east boundary of which is 1500' west of and across Route 101-A

from North Hollis Road so that said district will be divided into a "Residential" district and a "Commercial" district as follows:

That portion of said district consisting of Lots 70, 72-9 to 72-20 inclusive, 75, 76 and 78 to be changed to "Residential."

The remainder of said district to become "Commercial."

4. To amend the district boundaries of all the areas currently designated "Transition" on the south side of Route 101-A so that said areas will be changed to "Commercial."

B. To amend Article IV of the Zoning Ordinance by deleting in its entirety Section 4-7 Commercial District and substituting therefor the following:

## **SECTION 4-7 COMMERCIAL DISTRICT ("C" DISTRICT)**

### **A. GENERAL PURPOSE**

To provide commercial areas to serve major commercial and business needs of the general public.

### **B. PERMITTED USES**

- (1) All uses permitted in the Limited Commercial District.
- (2) Additional uses which include but are not limited to the following:
  - a. Retail establishments for the sale of general merchandise, appliances or automotive supplies or for the sale, repair, and maintenance of automobiles.
  - b. Hotels and motels.
  - c. Department stores and supermarkets.
  - d. Public utility building, structure or facility.

### **C. AREA AND FRONTAGE REQUIREMENTS**

- (1) The minimum lot area for any permitted use shall be one (1) acre except for a residential use which shall be two (2) acres.
- (2) Each lot shall have a minimum frontage of two hundred (200) feet on the principal route of access to the lot.

### **D. YARD AND BUILDING REQUIREMENTS**

(1) Each structure shall be set back at least one hundred (100) feet and all parking areas shall be set back at least fifty (50) feet from the edge of the highway right-of-way; a landscaped area sufficient to maintain a permanent natural vegetation buffer shall exist between the highway and improved areas along it (subject, however, to the exception listed at Section 3-11-C above.)

No existing building, structure, or parking area may be expanded or enlarged within these setbacks.

(2) Each structure shall also be set back thirty (30) feet from side and rear lot lines or sixty (60) feet from side lot lines constituting streets where the lot is a corner lot.

(3) Any lot bordering a residential zone or an existing residential use shall have a landscape buffer between any buildings and such residential zone or use.

(4) No building shall be constructed to a height greater than two and one-half (2½) stories or thirty-five (35) feet (whichever is lesser) exclusive of stacks, towers, etc.

(5) The floor area ratio shall be a maximum of 0.4 for one story buildings and 0.7 for two story buildings.

(6) A minimum of thirty (30) per cent of the area of any lot shall remain landscaped open space and not be utilized for construction (including parking).

(7) There shall be no more than one access to any lot wherever desirable for traffic safety and consideration shall be given to combining access points where two or more lots are being concurrently developed.

(8) All storage and/or equipment parking areas shall be fenced, screened, landscaped, or otherwise protected from view.

C. To amend the Zoning Ordinance by deleting any reference to "T TRANSITION DISTRICT"

D. To amend Article IV, Section 4-9, Industrial District as follows:

(1) Delete Section 4-9 (A) (8) and substitute therefor the following:

(8) Corporate and business offices compatible with other permitted uses in the district.

(9) Wholesale business and storage.

(10) Storage yards (but not junk yards).

(11) All uses permitted in the Limited Commercial District except residential.

(12) Additional uses which include but are not limited to the following:

a. retail establishments for the sale of general merchandise, appliances or automotive supplies or for the sale, repair, and maintenance of automobiles;

b. hotels and motels;

c. department stores and supermarkets;

d. public utility building, structure or facility.

(2) To amend paragraph C as follows:

(C) Area and Frontage Requirements:

(1) The minimum lot area for any permitted use enumerated in paragraph A subsections 1 through 10 (inclusive) shall be one acre and for any permitted use enumerated in subsection 11 and 12 of said paragraph A shall be 3 acres.

(2) Each lot shall have a minimum frontage of:

(a) 200 feet on the principal route of access to the lot if the use is one enumerated in paragraph A, subsections 1 through 10 (inclusive).

b. If the use is one enumerated in paragraph A, subsections 11 or 12 then minimum frontage shall be either

(1) 500 feet along Route 101-A; or

(2) If a corner lot, 400 feet along Route 101-A plus 200 feet on the side road that leads to 101-A.

(3) Amend Paragraph "D-1" by adding the following:

"... All building and parking areas shall be set back at least one hundred fifty (150) feet from the edge of the Route 101-A right-

of-way; this one hundred fifty (150) feet to be landscaped sufficiently to maintain a permanent natural vegetation buffer between the highway and the buildings and parking areas along it. No existing building, structure or parking area may be expanded or enlarged within this one hundred fifty (150) foot area.

(4) Amend Paragraph "D-6" to read as follows:

As to lots with uses as specified in Paragraph A, subsections 1 through 10 (inclusive). There shall be no more than one access to any lot and consideration shall be given to combining access points where two or more lots are being concurrently developed.

As to lots with uses as specified in Paragraph A, subsections 11 and 12. There shall be no more than one combined entry-exit along Route 101-A except that:

- a. if there is access to a side road in addition to Route 101-A there may be only a single entry point off Route 101-A and all exiting must be onto the side road;
- b. if there is no access to a side road and frontage along Route 101-A exceeds 600 feet a second entry point of access may be permitted if desirable to facilitate safe traffic flow.

(5) Add new paragraph "E" as follows:

Access to any lot with frontage on Route 101-A shall be by such other streets as are available and not by Route 101-A unless no other access is available.

**BALLOT QUESTION TO READ:**

Are you in favor of the adoption of Amendment No. 5 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

To eliminate the "Transition District" by changing certain areas along Route 101-A to "Commercial District", "Industrial District" and "Residential District" as shown on the posted map and to provide new district regulations for the "Commercial District" and "Industrial District"?

YES

NO

**VOTE #6**

**WATERSHED PROTECTION AREA**

**To see if the Town will vote to amend the Zoning Ordinance** by adding the following to Article 3, Section 3-12 (B) at the end of the language therein contained:

"..., and any areas of surface or ground water of such a nature that if altered by dredging, filling, relocating or otherwise would result in damage or destruction to habitats and reproduction areas for plants, fish and wildlife of importance; or would result in eliminating, depreciating or obstructing the commerce, recreation and aesthetic enjoyment of the public, or would be detrimental to adequate ground water levels, or would adversely affect stream channels and their ability to handle runoff of waters, or would disturb and reduce the natural ability of wetlands to absorb flood waters and silt."

**BALLOT QUESTION TO READ:**

Are you in favor of the adoption of Amendment No. 6 as proposed by the Planning Board of the Town for the Town Zoning Ordinance as follows:

To increase the coverage of the regulations of the Water Shed Protection area by expanding the definition of the same.

YES

NO

**VOTE #7**

**ROADS IN NEW SUBDIVISIONS**

To see if the Town will vote to amend the Zoning Ordinance by deleting in its entirety Article III, Section 3-9, Paragraph A in order that the substance of the withdrawn language may be incorporated into the Town of Amherst's Subdivision Regulations pursuant to N.H.R.S.A. 36:22.

**BALLOT QUESTION TO READ:**

Are you in favor of adoption of Amendment No. 7 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

By deleting in its entirety Article III, Section 3-9, Paragraph A, in order that the substance of the withdrawn language may be incorporated into the Town of Amherst's Subdivision Regulations pursuant to N.H.R.S.A. 36:22.

YES

NO

**VOTE #8**

**MINIMUM AREA OF DWELLING UNIT**

To see if the Town will vote to amend the Zoning Ordinance by adding the following to Article 3, Section 3-7-C

"... or 1200 square feet of total area if more than one (1) story."

**BALLOT QUESTION TO READ:**

Are you in favor of adoption of Amendment No. 8 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

To amend the zoning ordinance to permit smaller first floor area in residential construction than heretofore required.

YES

NO

**VOTE #9  
HOME OCCUPATIONS**

To see if the Town will vote to amend the Zoning Ordinance to change the definition of Residential District Home Occupation as contained in Article IX, Section 9-1 so that the words "... no commodity sold, or offered for sale upon the premises ..." are deleted and add at the end of the first sentence of said definition the following: "... so long as said Residential District Home Occupation does not create a nuisance or traffic hazard and meets all other criteria applicable to special exceptions ...."

**BALLOT QUESTION TO READ:**

Are you in favor of the adoption of Amendment No. 9 as proposed by the Planning Board of the Town for the Town Zoning Ordinance as follows:

To change the definition of Residential District Home Occupation as contained in Article IX, Section 9-1 so that the words "... no commodity sold, or offered for sale upon the premises ..." are deleted and add at the end of the first sentence of said definition the following: "... so long as said Residential District Home Occupation does not create a nuisance or traffic hazard and meets all other criteria applicable to special exceptions ...."

YES

NO

**VOTE #10 (By Petition)**

**LIMITED COMMERCIAL DISTRICT - TOWN CENTER**

To see if the Town will vote to amend the Zoning Ordinance and Zoning Map for the Town of Amherst in the vicinity of Middle and Main Street, as follows:

- A. To amend the Zoning Map of the Town of Amherst as follows:  
"The area designated on Property Map No. 17 as Lot 97 on Middle Street and Main Street be amended so that it constitutes a "Limited Commercial (Town Center) District."
- B. To amend Article IV of the Zoning Ordinance by adding a new Section 4-13, Limited Commercial (Town Center) District to have all of the uses enumerated in Section 4-8 of the Zoning Ordinance (LC District), with the exception of category 5 of said Section, but also to include, as additional permitted uses, a post office, this new District shall be otherwise governed by the provisions of the Zoning Ordinance regarding the Limited Commercial District, including frontage, yard and building, and sign requirements, this District shall remain subject to the regulation of the Historic District Commission.

**BALLOT QUESTION TO READ:**

Are you in favor of adoption of Amendment No. 10 as proposed by petition of the voters for this Town as follows:

To see if the Town will vote to amend the zoning ordinance and zoning map for the Town of Amherst in the vicinity of Middle and Main Streets, as follows:

To amend the zoning map of the Town of Amherst as follows:

"The area designated on property map no. 17 as Lot 97 Middle Street and Main Street be amended so that it constitutes a "Limited Commercial (Town Center) District."

To amend Article IV of the Zoning Ordinance by adding a new Section 4-13, Limited Commercial (Town Center) District to have all of the uses enumerated in Section 4-8 of the Zoning Ordinance (LC District), with the exception of category 5 of said Section, but also to include, as additional permitted uses, a post office, this new District shall be otherwise governed by the provisions of the Zoning Ordinance regarding the Limited Commercial District, including frontage, yard and building, and sign requirements, this District shall remain subject to the regulation of the Historic District Commission.

YES

NO

**VOTE #11 (By Pettion)**

**101-A COMMERCIAL DISTRICT**

**To see if the Town will vote to amend the Zoning Ordinance** by modifying the Zoning Map with respect to the zoning of Lot 12-40 located on Route 101-A and that the same be reclassified from residential to commercial.

**BALLOT QUESTION TO READ:**

Are you in favor of the adoption of Amendment No. 11 as proposed by petition of the voters for this Town as follows:

To see if the Town will vote to amend the Zoning Ordinance by modifying the Zoning Map with respect to the zoning of Lot 12-40 located on Route 101-A and that the same be reclassified from residential to commercial.

YES

NO

**Article 3.**

Shall we (The Town of Amherst) adopt the new provisions of RSA 72:43-B relative to expanded exemption on real estate for the elderly, changing the basis of the exemption from the equalized assessed value to the actual assessed valuation.

YES

NO

Article 4.

Shall we (The Town of Amherst) adopt the new provisions of RSA 72:43-C to expand exemptions on real estate for the elderly, changing the eligibility requirement that a person may own no more than \$35,000 in assets of any kind to a requirement that a person may own no more than \$50,000 in assets of any kind.

YES

NO

Article 5. (By Petition)

Are you in favor of changing the term of the Town Treasurer from one year to three years, beginning with the term of the Town Treasurer to be elected at the next year's regular Town Meeting?

YES

NO

Article 6.

To raise such money as may be necessary to defray Town charges for the ensuing year and make appropriations for the same.

Article 7.

To see if the Town will give the Selectmen and the Town Treasurer the authority to borrow money in anticipation of tax receipts.

Article 8.

To see if the Town will vote to authorize the withdrawal from Revenue Sharing Funds, established under the provisions of the State and Local Assistance Act of 1972 for use as set-offs against budget appropriations for the following specific purposes and in the amounts indicated herewith or take action relative thereto:

Appropriation	
Library — books	\$1,500.00
Town Hall — Carpet	3,000.00
Recreation — Walk	500.00
	<hr/>
	\$5,000.00

Article 9.

To see if the Town will vote to appropriate the sum of Thirty Thousand Dollars (\$30,000.00) to purchase and equip an ambulance to replace the 1972 ambulance, and to authorize the Selectmen to apply for and receive Federal funds for reimbursement in the amount of \$7,500.00 of the funds so raised and appropriated, and to authorize the withdrawal of \$6,000.00 from the Ambulance Capital Reserve Fund as an offset against the funds so raised and appropriated and to authorize the withdrawal of \$5,000.00 from the Revenue Sharing Funds to be applied against the funds so raised and appropriated with the balance of \$11,500.00 to be raised by taxation or take action relative thereto.

Article 10.

To see if the Town will vote to appropriate the sum of Six Thousand Dollars (\$6,000.00) to purchase a Police Cruiser and to authorize the withdrawal of the amount required for this purpose from the Revenue Sharing Funds established under the provisions of the State and Local Assistance Act of 1972 or take action relative thereto.

Article 11.

To see if the Town will raise and appropriate the sum of Forty-five thousand dollars (\$45,000.00) for the acquisition of land and necessary engineering drawings for a proposed joint police/rescue facility and authorize the withdrawal of \$25,000.00 from Revenue Sharing Funds established under the provisions of State and Local Assistance Act of 1972 to be applied against this appropriation or take action relative thereto.

Article 12.

To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000.00) for the further development of the Master Plan as authorized by the Town Meeting of March 1974 and authorize the withdrawal of said sum from Revenue Sharing Funds established under the provisions of State and Local Assistance Act of 1972 to be applied against this appropriation.

### Article 13.

To see if the Town will vote to raise and appropriate the sum of \$7,000.00 to repair the damages to the roof at Baboosic Pavillion and to authorize the withdrawal of a like amount from Revenue Sharing Funds established under the provisions of State and Local Assistance act of 1972 to be applied against this appropriation or take action relative thereto.

### Article 14.

To see if the Town will vote to raise and appropriate the sum of One Hundred and Forty-Eight Thousand Dollars (\$148,000.00) to construct a new bridge on the Merrimack Road approximately 1100 feet easterly of Route 122; (estimated cost of bridge \$60,000.00), including approximately 800 feet of new approaches (estimated cost \$30,000.00), engineering fees (estimated cost \$8,000.00), and the rebuilding of Merrimack Road from Route 122 to the easterly approach of the bridge (estimated cost \$50,000.00); the amount to be expended to be financed by the issuance of short term serial notes for a period of three years at the discretion of the Board of Selectmen or take action relative thereto.

### Article 15.

To see if the Town will vote to raise and appropriate the sum of One Hundred Thousand Dollars (\$100,000.00) to construct 800 feet of approaches (estimated cost \$30,000.00) and a bridge on the Merrimack Road, approximately 1100 feet easterly of Route 122 (estimated cost \$65,000.00) and allow for engineering fees (estimated cost \$5,000.00); the amount expended to be paid in a period of three years by the issuance of short term serial notes at the discretion of the Board of Selectmen or take action relative thereto.

### Article 16.

To see if the Town will vote to authorize the withdrawal from Anti-Recession Funds established by the State and Local Assistance Act as amended for use as an off-set against the budgeted appropriations for summer employment at Baboosic Lake Park in the amount of \$3,000.00 or take action relative thereto.

#### Article 17.

To see if the Town will vote to adopt the optional fiscal year allowed under RSA 31:94A and approve an eighteen month accounting period running from January 1, 1979 to June 30th, 1980. Thereafter the accounting period shall run from July 1 to June 30th of the following year.

#### Article 18.

To see if the Town will vote to adopt the provision of R.S.A. 31:105 – “Indemnification for Damages” to indemnify and save harmless from loss or damage occurring after said vote any person employed by it, any member or officer of its governing board, administrative staff or agencies from personal financial loss and expense including reasonable legal fees and costs, if any, arising out of any claim, demands, suit or judgment by reason of negligence or other act resulting in accidental injury to a person or accidental damage or destruction of property, if the indemnified person at the time of the accident resulting in injury, damage or destruction was acting in the scope of his employment or office, and to further adopt the provisions of R.S.A. 31:107 – Purchase of Insurance and to purchase comprehensive general liability insurance necessary to protect itself, its officers, and employees against such liability as set forth under the provisions of R.S.A. 31:105 and 106.

#### Article 19.

(By Petition)

To see if the Town will vote to raise and appropriate the sum of twenty-five thousand dollars (\$25,000.00) to be administered by the Conservation Commission with the concurrence of the Board of Selectmen for the purpose of acquiring land at their discretion to provide open space and recreational use in accordance with New Hampshire RSA 36-A.

Article 20.

(By Petition)

To see if the Town of Amherst, New Hampshire, will raise and appropriate the sum of twenty-five thousand dollars (\$25,000.00) for the improvement, resurfacing, landscaping, drainage, and erection of protective fencing, back-stops, and lavatory facilities on Upper Wilkins Field, according to the specifications of the State of New Hampshire, Bureau of Outdoor Recreation, or take action relative thereto.

Article 21.

(By Petition)

To see if the Town of Amherst will send a letter to the General Court urging the Court to pass legislation that would prohibit utilities from including in their rates charges for construction work in progress (CWIP) for facilities not actually able to provide service.

Given under our hands and seal, this 27th day of February, in the year of our Lord nineteen hundred and seventy-eight.

EDWARD C. MASTEN  
ANN SNOW  
THOMAS GRELLA  
SAMUEL KLEIN  
BERT MCGILL

Selectmen of Amherst, N. H.

A true copy of Warrant – Attest:

EDWARD C. MASTEN  
ANN SNOW  
THOMAS GRELLA  
SAMUEL KLEIN  
BERT MCGILL

Selectmen of Amherst, N. H.

## *Report of Highway Agent*

For the benefit of the new residents of Amherst, your Highway Garage is located on Dodge Road. The office is open from 8 a.m. to 1 p.m. Monday through Friday. Our work day is from 7 a.m. to 3:30 p.m. During storms, we try to have one of our personnel answering telephone calls at 673-2317. Your Road Agent's home telephone is 673-1293. There are eight regular employees consisting of one road agent, heavy equipment operators, light equipment operators and laborers. In addition, we have two Ceta Funded employees for a period of one year. During the summer, five college or high school boys are hired part time. Major equipment owned by the Town includes one grader, one tractor-loader-mower combination, three five-ton trucks and one one-ton truck. Our responsibilities are approximately 118 miles of road, care of the Town Common, all playgrounds, all outside maintenance of four school yards, four cemeteries and some work at the Landfill.

The following is a summarized report of this department's activities during 1977:

### Winter Maintenance — Appropriation \$94,212.00

The winter maintenance program covers all the Highway Department work from mid-November to mid-March. All road clearing, due to snow and ice (34 storms) is charged to this account. We have approximately 118 miles of roads to care for with eight hired trucks with plows, one Town grader, one Town tractor and four Town trucks. We have tried to give the school bus routes and areas where children walk to school or to meet buses special attention. We also clear snow from some sidewalks in the village as well as snow removal from both the Wilkins and Clark Schools, the Fire Stations, Library, Old Brick School and the Town Hall.

The other main work done in winter consists of cutting trees and brush. Areas where future construction is contemplated are included in this program. During the winter of '76-'77, brush and trees were cut on Mont Vernon Road, Green Road and Eaton Road. Our chipper eliminated the costly hauling of brush to the Landfill.

In order to cut the use of rock salt for ecological reasons,

sand is being used in larger amounts. However, this does not save money and it takes longer to make the roads safe for travel. Also, this method of ice control requires more clean-up in the Spring than salt. The cooperation of the public in the form of reduced speed is also necessary during storm periods in order for this program to work.

#### Summer Maintenance – Appropriation \$50,978.00

All general maintenance from mid-March to December 1 is covered under this account. Included is the grading, use of the York rake on 34 gravel roads several times, cutting banks and ditches, spot graveling, the maintenance and replacement of culverts, setting posts, signs, etc. on all roads. Also the maintenance of shoulders throughout the black road system and the machine and hand cutting of brush in the summer.

In 1977, we spot graveled County Road, Grater Road, Old Manchester Road, Pond Parrish Road, Lynch Farm Road, Austin Road and Dodge Road. Ten culverts were installed in various locations in Amherst. Brush was machine cut on approximately 118 miles of road, and some areas were done a second time. Brush was hand cut on Mack Hill Road, Thornton Ferry Road No. 1, Old Milford Road, Boston Post Road South, Thornton Ferry Road No. 2 and at corners and intersections.

Many hours were spent replacing street signs. Four weeks were spent cleaning ditches and culverts during the Fall months.

#### Oiling – Appropriation \$52,535.00

Under this account, 20.9 miles of road were resurfaced at the cost of \$31,662.24 for asphalt alone. The roads were: Thornton Ferry No. 1, Ponemah Hill Rd., Old Nashua Road, North Hollis Road, Boston Post Road South, Thornton Ferry No. 2, Veterans Road, Windsor Drive, Cross Road, Mack Hill Road, north end, Warren Way, Hodgedon Lane, Old Coach Lane, Upper Flanders Road, Roberge Drive, Jones Road, Deerwood Drive, Danbury Circle, Newbury Drive, Madison Lane, Georgetown Drive, Williamsburg Drive, Honeybrook Lane, Ravine Road, Roberts Road, Streets at Lake, Steeple Lane, Austin Road, Brookwood Drive, Flanders Road, Pine Acres Road, Merrimack Road, west end, Shadow Lane and Spring Road.

The cost of patching all black roads and sweeping of all roads to be re-oiled is covered under this oiling appropriation. 11,600 gallons of waste oil were applied to gravel roads where dust is a problem.

#### Town Road Aid – Appropriation \$16,109.76

T.R.A. is a program started in 1947 by the State to help towns improve their roads. Money for this account is raised on a 15% town cost and 85% State aid. Supervision is jointly held by the State and the Road Agent. Under this account, money was spent on Front Street at Baboosic Lake and Thornton Ferry No. 2 at Thatcher's corner.

#### Gas Subsidy – Appropriation \$36,521.12

This is a program started in 1971 by the State to help towns improve their roads and the care of their roads. Money for this account is 100% State aid. Under this program, two areas of the Lake Road were done – 600 ft. at the junction of Pond Parrish and 1200 ft. west of Wilbur Parker's house. On Thornton Ferry Road No. 2 1000 ft. were done by Scott's and 1300 ft. by Thatcher's house.

#### Road Improvement – Appropriation \$12,600.00

Money under this account was spent on shimming at the junction of Caldwell Drive and 101A, Northern Boulevard and 101A, the junction of School House Road and 101, Lake Road near the junction of Spring Road, Broadway at Baboosic Lake, and Thornton Ferry Road No. 2 in the village.

#### Parks and Playgrounds – Appropriation \$7,710.00

Money under this account is spent on the maintenance of the Town Commons, two playgrounds, the Old Brick School Yard, Wilkins and Clark School grounds. Some work done at the Library also comes under this account. The work consists of raking and picking up of leaves, mowing and trimming of the grass, care of the park fences and the constant picking up of papers, etc. from the lawns. Town trash barrels are placed in these areas during the summer and help to keep our village picked up. The children who have used the parks have been considerate in disposing of their

trash in these barrels. Five loads of loam were spread on the Spaulding Playground and both the football field on Jones Road and Spaulding Field were fertilized this year.

Cemeteries — \$8,234.00

Money for this account was spent to maintain the four cemeteries in Amherst: Meadowview, the Old Cemetery by the Town Hall, Cricket Corner and Chestnut Hill. Some of the work accomplished this year other than regular raking, mowing and trimming of all cemeteries, was a program of resetting all the stones in the older cemeteries, which we will continue in 1978; many areas in the Meadowview Cemetery were loamed and seeded; the fence in front of the Meadowview Cemetery was scraped and painted.

There were 16 burials in Meadowview Cemetery and 1 burial in Cricket Corner Cemetery.

I would like you, the taxpayer, to know that your Highway Department is doing everything possible to give you good service and to keep the cost of operation down. With this in mind, we have tried to assist various other departments whenever possible.

In closing, I would like to thank the Selectmen and the Road Commission for their guidance and help in 1977 and the taxpayers of Amherst for their support of the Department's programs. Any comments and suggestions on how your Highway Department can better serve you, are welcome.

Respectfully submitted,

RICHARD G. CROCKER, Highway Agent

# *Amherst Fire Department*

## Annual Report — 1977

The Department responded to 144 calls during the year, of which four (4) were major structures fires, as compared to 111 calls last year with four (4) major.

As the town grows, so grows the number of fire calls. With the ever increasing wood stove installations, of the prime concern to the Fire Wards is the fact that they are installed correctly. An improperly installed stove is a threat to you, your property and your loved ones.

After the installation, then comes the burning of the proper kind of wood and the care and maintenance of your chimney.

Valuable information, literature and an inspection can readily be obtained by a simple phone call to the Fire Chief, or either of his Assistants.

### Amherst Fire Calls

Structure (Minor)	5	Dryer	1
Structure (Major)	4	Electrical	4
Brush	28	Car Fire	15
Grass	3	Accidents (Auto)	10
Tree	2	False Alarm	9
Chimney	19	Still Alarm	5
Smoke Investigation	2	Misc.	6
Oil Burner	3	Stove	3

Mutual aid was received 13 times and supplied 16 times out of town.

The Amherst Fire Department is composed of four engine companies which man and equip 2 stations — our Central Station in the Village and the South Station on Stearns Road. Listed below are the stations, their equipment and officers:

### Central Station

Engine One:

Captain Joe Luongo

Lt. David Hanlon

Engine Two:

Captain David Sliney  
Lt. James Lawson

Engine Three:

Captain Mike Riccitelli  
Lt. Art McKenney

Engine Four:

H 1960 International 4-wheel drive brush truck

Tanker One:

A military vehicle which has the water capacity of 2,000 gallons.

#### South Station

Engine Five:

Captain Fred Yunggebauer  
Lt. Bankson Ritter

Tanker Two:

Same as Tanker One in Central Station

A new 1977 International 4-wheel drive brush truck to replace Engine Four is expected for delivery in March or April, 1978.

To report a fire, dial 673-3131. This is the number of the Communications Center which handles all fire calls for Amherst, Milford, Wilton and Mont Vernon, 24 hours a day. Please give property owner's name, the street name, and the town when reporting a fire.

A combined drill with all companies is held the first Monday of each month. Each company holds a practice drill on one of the following Mondays of that month with a fire ward in attendance.

The Wards wish to thank the members of the four engine companies for all their time and efforts in 1977. Also, our thanks to the Selectmen, Barbara Landry, and the people of Amherst for their support.

Respectfully submitted,

MARSHALL STRICKLAND, Chief  
RICHARD CROCKER, 1st Assistant Chief  
DAVID HERLIHY, JR., 2nd Assistant Chief

# *Fire Prevention Bureau*

## Annual Report

During the year, members of the Bureau conducted eighteen inspections of homes, businesses, schools and town buildings. Home inspections are done only at the request of the home owner, while other inspections are done on a scheduled basis. In addition to inspections, many visits were made to advise on installations of wood stoves and to examine chimneys and fireplaces.

Again this year the Amherst Bank and Trust Company sponsored the "Captain No Burn" program. The Bureau presented this program to students in the first, second, and third grades.

With the increasing cost of fuel oil more people are putting in wood stoves. Members of the Bureau are asking people to please contact them when you are installing a wood stove. If you already have a wood stove, we will come to your home at your request to inspect it and the chimney. People to call are: Walt Nelson, 673-8371, or Mike Riccitetelli, 673-2677.

The Bureau conducted a fire extinguisher course for the fifth and sixth grades.

Members of the Bureau are: William Alger, Pete Anderson, Bruce Bowler, Marty Champagne, Jim Lawson, Arthur McKinney, John Moorehouse, Walt Nelson, Tim Pullar, Mike Riccitetelli, Ted Riter and Norm Woods.

The Bureau would like to thank all those who have worked and assisted the Bureau in its activities. Particular thanks to town officials and the Fire Wards.

MICHAEL RICCITELLI, Chairman

BRUCE BOWLER, Secretary

# *Amberst Police Department*

1977

## **Police Roster**

Chief John T. Osborn, Jr.  
Sgt. Steven Sexton  
Officer David Bode  
Officer Mark Coro  
Officer Richard Dolan  
Officer Gary MacGuire  
Officer Harold Wheeler  
Officer Michael White  
Special Officer/Dog Officer Patrick Doherty  
Special Officer Albert Junkins  
Special Officer Robert McHatton  
Special Officer/Clerk Dispatcher Nancy Holland  
Special Officer/Traffic Aide Suzanne Alger  
Special Officer/Traffic Aide Nancy Demers  
1977 Summer Cadet:  
    Cadet Peter Lyon

## Resigned during 1977:

    Officer Edward Gamache  
    Officer Eric Powell  
    Dog Officer Patrick Doherty  
    Traffic Aide Marion Pollock

## **Incidents Reported to Police in 1977:**

123 Accidents  
340 Alarms  
193 Arrests  
    5 Arson  
    3 Assault  
    2 Assaults (on Police Officer)  
284 Assist Motorist  
    3 Bad Checks

- 14 Operating Motor Vehicle Without License
- 3 Operating Motorcycle Without Headgear
- 26 Possession of an Alcoholic Beverage
- 6 Theft
- 2 Truancy
- 4 Unauthorized Use of Motor Vehicle

- 978 Total Summonses for 1977
- 3412 Total Warnings/Checkups for 1977
- 4390 Total Driver Contact for 1977

Looking at the preceding figures for 1977 might create a feeling of apathy unless you compare the statistics with 1976. This comparison will reflect how well, and not just what the department has been doing.

Activity	1976	1977	Change
Incidents	3,593	4,371	+ 21%
Accidents			
Property Damage	147	106	- 28%
Personal Injury	54	17	-218%
Fatalities	5	0	-500%
Total	206	123	- 40%
Burglaries	39	36	- 8%
Property Loss	\$25,519	\$23,109	- 9%
Property Recovered	\$ 8,007	\$ 6,075	- 24%
Criminal Mischief	159	158	same
Dog Complaints	332	382	+ 15%
Arrests	204	319	+ 56%
Adults	128	193	+ 50%
DWI	49	96	+ 96%
Drug Related	18	34	+ 89%
Juvenile	76	126	+ 66%
DWI	3	3	same
Drug Related	8	21	+163%

This department continues to attempt to reach the youth of the community.

1. Officer Bill, although he has diminished in size, from myself to Sgt. Sexton, he has grown in stature. The enthusiasm shown by the children toward the police is most rewarding. Strange as it may seem, these children are more cognizant of the equipment that we have and what it is used for than most parents.

2. Although the weatherman wouldn't cooperate, approximately 100 boys and girls braved the elements to compete in the Annual Police Association Bicycle Rodeo, for prizes which included three 10-speed bicycles donated by

civic minded agencies. To our amazement they gorged themselves on ice cream and coke and survived. This is our fun day and without the assistance of the Amherst Rescue Squad and Fire Prevention Team, it would not have been such a success.

3. Police Explorer Post 194 continues to draw youth, between 14 and 19 years, from Amherst and surrounding towns interested in learning about police and law enforcement careers. You probably have seen members of the Post during our parades or assisting in the Walk-A-Thons. Their civic pride is reflected in their performance of these duties. Your support in the fund raising activities have enabled this program to continue. Parents and youth interested in this program may obtain additional information by contacting the police department during normal duty hours.

Concerned citizens donated a CB base station and now the Police Department continuously monitors Emergency Channel 9. Unfortunately, we only hear you when the station is manned. During 1977 it has proven its potential because of immediate reports of accidents and on the scene evaluation to determine if persons were injured. It also proved beneficial during the ice storm until our power went out.

It is easy to see 1977 was a busy and productive year. With this increase in activity it is also apparent that the existing facility is nearing the point of inadequacy. More and more occurrences of the public being confronted with subjects under arrest, exposed to verbal abuse and even physical confrontation, avoided only by alert officers. This is an unsavory condition which as the Town grows, unfortunately, will be the rule and not the exception. I feel the time has come when we must look to the future and initiate affirmative action toward the development of a new facility.

I thank you all for the consideration and cooperation received in the past and will continue to provide the best service possible in an efficient, impartial and professional manner.

JOHN T. OSBORN, JR., Chief of Police

## *Dog Officer's Report*

There were 1,267 licensed dogs, and 382 dog complaints in the Town of Amherst during 1977.

1977 was a year of change for Amherst dog owners. On June 1, 1977, the Amherst Dog Control Law went into effect. This law states that a dog must be under the control of its owner or a responsible person at all times. This control can be either physical or verbal.

On August 30, 1977, the State of New Hampshire revised the dog licensing fees. The following rates now apply to the licensing of dogs:

Neutered male	\$3.50
Spayed female	\$3.50
Non-Neutered male	\$6.00
Non-Spayed female	\$6.50

All dogs three months of age or older are required to be licensed by May 1st of each year.

Many people are complying with the dog law. However, there have been exceptions. Several warnings and/or summonses have been issued to these violators.

Presently, Amherst's major problem with dogs is the damage done by dogs when they are unrestrained. During 1977, there have been several reports of dogs damaging private property, i.e. rubbish, rabbits, cattle, dogs, deer and even people.

In order to eliminate this problem, I ask the dog owners in Amherst to put more effort in complying with the law, so that their friendly pet may remain just that, and not become a nuisance.

PATRICK DOHERTY, Dog Officer

## *Welfare Officer's Report*

The responsibility to provide welfare assistance to those who are unable to support themselves has been mandated by the legislature at the local, county, and state levels.

At the local or Town level the administration of welfare assistance has been delegated to a Welfare Officer, more commonly referred to as the Overseer of the Poor. The funds necessary are annually appropriated at Town Meeting.

As the result of a Court Decision in 1976, a set of Welfare guidelines were prepared by a committee organized by the N.H. Municipal Association. This Committee was made up of representatives of the N.H. Division of Welfare, County Welfare administrator, Selectmen and local welfare officers and the N.H. Legal Assistance.

The objective of the guidelines was to insure that all applicants for assistance were treated in a uniform and consistent manner to determine eligibility and amounts and kinds of assistance.

Contrary to general opinion, Amherst has a welfare assistance problem which is increasing as evidenced by the increase in the annual budget. In 1968 the budget was \$2500.00 with the actual expenditure of \$752.86. In 1977 the budget was \$9,000.00 with the actual expenditures of \$9,007.03. The 1978 budget is set at \$10,000.

The need for assistance in Amherst comes from circumstances which are applicable to all levels of economic positions in the community.

The most common factors are as follows: Marital problems resulting in the breakup of the family, whereby the wife is left with the responsibility of maintaining the home and providing for the children, ranging in age and number. The impact of accident or prolonged illness, resulting in heavy medical expenses, which in turn has liquidated savings, coupled with the inability at the same time to continue employment creates a need for assistance. Loss of employment of one or both adult members of the family is another factor.

There are juvenile problems, the solution of which is beyond the ability or willingness of the parents to resolve. In such a situation the juvenile becomes a ward of the Court or State and the cost a liability of the Town.

The law provides for the liability of and the recovery of charges for assistance from the recipients by the Town granting such assistance. In most cases there are none or limited assets to levy against.

Assistance granted by the County does not relieve the Town since such costs are a part of the Total County Assessment. State aid in some classifications, Old Age Assistance and the Total or Partially Disabled costs are shared on a prorata basis with the Town assuming a major share.

## *Tree Committee Report*

This past year the Amherst Tree Committee has planted 12 new trees on town property; crabapples, dogwoods, zelkova serrata, a Fringe Tree, a pair of Maackia amurensis, and a Paperbark Maple. Next year we will again plant small ornamental and native varieties as replacements for those that have been removed.

This year sixteen dead or diseased elms, maples and pines were cut down in the village. A large crotched pine on the Oval Common developed a split and was taken down in December. At the same time some pruning of maples in the center of that common was done to allow more sunshine to reach the grass.

Money from the Tree Committee's budget was used to purchase and spread fertilizer on the Town Commons.

JOSEPH A. LUONGO  
HOWARD F. PARKHURST  
ANNE COLBY HINES

## *Amherst Town Library*

### *Trustees' Report*

1977 has been another year of change and growth for the Amherst Town Library. The circulation figures continue to increase, the work load also, causing some crowding conditions. This has prompted the Board of Trustees to look within the library for more space. It has been decided to move the children and young people downstairs into the Johnson meeting room. The Board made this decision only after many weeks of meetings, visits to other libraries, and advice from a District Advisor. This will release more space for the Reference section, which will be moved into the present children's room. The work-room and charge desk area will also be expanded. The Head Librarian will now be able to have a desk of her own, which is a much appreciated gift from Esther and Ben Bundy, a former Trustee.

We have two new employees added this year — Marcia de Steuben, Children's and Young People's Librarian; also Lorell Girard, Clerk-typist, whom we share with the Milford Library on a part-time basis. Both salaries are being funded by C.E.T.A.

This year also brought a new trustee, Joanne Just, a welcome addition to the Board.

The Friends of the Library have been great advocates for the library in the community. They support our activities and ideas with enthusiasm; story hour, summer reading activities, book discussion groups, a fund drive to businesses, and any other support we need that involves money and time.

The present officers of the Friends are as follows:

Chairperson	Dorene Taylor
Vice-Chairperson	Lynn Laguardia
Secretary	Jean Lyon
Treasurer	Lonie Haulenbeek
Membership	Eloise Bast
Book Mending	Dorene Taylor
Book Discussion	Tinney Bacon
Book Processing	Carol Ritchie
Publicity	Jean Pituck
Art	Andrea Keenan
Flowers	Constance Woolford
Book and Bake Sale	Deede Scott
Story Hour	Cathy D'Agostino
Summer Reading	Evelyn Dudley
Advisor	Lucy Ramsay

The Board of Trustees is grateful for a very efficient, hard-working staff, and their dedication to serving the library and the community. Head Librarian, Betty Watson – Library Assistants, Cele Clough, Marian Williston, Sally Suomala, Joedy Allen – our part-time helper, Connie George – and the pages, Joanne Ledger, Sharry McNally, Natalie Brown, Karen Mattson, Cheryl Spargo. Cele Clough has completed all eight Public Library Techniques courses, and has been awarded her certificate. These are courses offered by the State, and the Board urges all the staff to attend when possible.

Our Summer Branch Library was at the Middle School again this year and was well received.

The Book Selection Committee, Betty Watson, Betty Lyle, Lucy Ramsay, has met every month with emphasis on reader participation in the selecting of books. An example of this has been the Amherst Gardeners purchasing special books, and donating them to the library; the Recreation Committee, through the Adult Education classes, have also purchased books which will soon be added to the collection. The Board wishes to express their many thanks to groups, and individuals who give books, magazines, newspapers, and other gifts – this is the input that makes the library a community resource.

The Board of Trustees meet every second Tuesday of the month, in addition to State meetings, district meetings and special workshops.

The Trustees project more changes to the library as the town grows. They are constantly assessing the possibilities of the future; more hours open, possible bookmobile, a permanent branch library, all these to be accomplished only after research and careful thought. The future will also have to bring more full-time employees.

We like to think of our library as a friendly, hard-working, warm organization. It can be this way only with support from the community — we feel we have this, and we look forward to a new year of challenge and change.

Respectfully submitted,

ELIZABETH LYLE  
LUCY RAMSAY  
JANICE SHETHAR  
JOANNE JUST  
E. DANIEL JOHNSON  
RYLAND COX

## *Amherst Town Library* *Librarian's Report*

### Circulation Statistics for 1977:

Adult Fiction	21,787
Adult Non-fiction	12,203
Juvenile	22,387
Magazines	7,036
Art Prints	15
Puzzles	131
Records	2,919
Inter-Library Loans (Borrowed from other Libraries)	599
Loans to Non-Residents using the Statewide Library Card	907
Films	30
Pamphlets	348
Inter-Library Loans (Amherst loaned to other Libraries)	70
Grand Total	68,432

This total is a gain of 4,237 over last year's total circulation. 687 new patrons were registered in 1977, giving a total of 4,335 registered patrons.

### Book Collection:

We purchased 1,882 new books in 1977 and added an additional 272 through donations or memorial gifts. The breakdown of new books is:

Adult Fiction	538
Adult Non-fiction	753
Juvenile Fiction, incl. Picture Books	470
Juvenile Non-fiction	393
Total Added	2,154

429 books were withdrawn from the collection due to obsolescence, loss, damage or wear. Our book collection now stands at:

Adult	12,951
Juvenile	5,759
Total	18,710

### Magazines and Newspapers:

New magazines subscribed to this year are: Americana, Bicycling, Cricket, Hobbies, Mother Earth News, Organic Gardening, and Sphere, making a total of 64 periodical subscriptions. We also receive as gifts or purchase locally 33 additional magazines. Our total list of magazine titles will contain 97 titles for the coming year.

Two new newspapers are being received: The New York Times Large Type Weekly is a gift of the Amherst Lions Club and the Christian Science Monitor is a gift from the publisher.

### Recordings:

Our record collection consists of 115 recordings for children and 413 for adults and young adults. Total — 528.

### Johnson Meeting Room:

75 library meetings, workshops and programs took place in the Meeting Room. Various town organizations held 154 meetings, making a total of 229 times the room was booked.

### Middle School Summer Library:

For the third year, the Town Library and the Amherst School System cooperated in opening the Middle School Library for public use during 8 weeks of summer. Mrs. Donald Carper was in charge again assisted by 5 student pages. The library was open 2 hours each Tuesday and Thursday afternoons and Wednesday evenings.

Library use was very good, even with the bridge on the Boston Post Road closed. Circulation was steady and in-library use of A-V materials increased over last year.

Statistics include:

Circulation:	
Adult Fiction	79
J. Fiction	1,038
J. Non-fiction	178
Magazines	7
A-V Usage:	
Cassettes	43
Kits	256
Film Strips	19
Records	152
Total	<hr/> 1,772

Registrations included 36 adults and 110 children – total 146.

### **Summer Reading Program:**

In answer to many requests from teachers and parents, the Reading Program was expanded from 4 to 6 weeks this year, encouraging children to read for pleasure during the summer and to retain and increase reading skills learned in school.

A total of 175 children enrolled in the program (131 at the Town Library and 44 at the Middle School Summer Library). 81 of these children completed 6 or more books and were invited to a party and film show in the Johnson Meeting Room to celebrate their achievements. During the 6 weeks, 765 books were read at the Town Library and 528 at the Middle School, totaling 1,293 books read in all.

### **Pre-School Story Hour:**

The Friends of the Library Pre-School Story Hour, under the direction of Cathy D'Agostino, held weekly story hours for 4 and 5 year olds during the school year. Approximately 20 children attended most Story Hours, which included craft activities, films, and singing games as well as storytelling.

### **Other:**

With the hiring of a full-time Children's Librarian, Marcia de Steuben, in December, we feel we are well on our way to providing greatly expanded Children's services for Amherst youngsters.

Re-location of various sections of the library are also planned for 1978, which will create more space for reference books, work areas, and a more orderly arrangement of adult books.

I would like to express my thanks to the Friends of the Library for their active support and many services throughout the year; to the many people who donated books for the Friends' Book Sale and for library use; and to the hard-working dedicated library staff, who perform countless duties and services throughout the year.

Respectfully submitted,

BETTY WATSON, Librarian

E. DANIEL JOHNSON, Treasurer

## *Board of Adjustment*

The Board of Adjustment regrets that two of their members, Thomas Carson and Russell Steeves, had to resign for personal reasons. Clark Stewart and Ralph Haskell were appointed by the Selectmen, on July 21 and November 21, respectively, to fill in for them until Town Meeting, 1978.

The Board's clerical workload was greatly reduced by the hiring in July of a clerk who tapes and transcribes the meetings; thus the Secretary of the Board is free to participate fully in the meetings.

There was a significant decrease in the number of applications for home occupations this year (9 as opposed to 16 in 1976). This may be due to the more stringent definition of Residential District Home Occupation in effect this year which precludes the sale of a commodity at the home.

The Board of Adjustment met 13 times during 1977 and heard 34 cases. The summary is as follows:

### Special Exceptions

Approved	9
Denied	3
	----
Total	12

### Variances

Approved	18
Denied	3
	----
Total	21

### Appeal from an Administrative Decision

Approved	1

C. Thomas Carson, resigned 11-17-77

# Zoning Administrator's Report

1977

It is the clear policy of the Zoning Administrator's office to obtain compliance with town ordinances.

Traditionally, the role of town government has been to provide a service to the citizens of the town. While it becomes apparent that tradition cannot always meet current needs, concerned citizens should examine with care changes which affect that policy.

Nineteen seventy-eight will bring improvement to services. The inspection of oil burners, places of assembly, the review of plans for compliance with Life Safety 101 Code will be assumed by the Zoning Administrator's office. Centralizing service is a means of maintaining efficiency.

The addition of part time secretarial help has insured more accurate and complete maintenance of vital records.

The format of the zoning ordinance will be worked on with a view towards making a more readable and more understandable document.

Recommended changes to Section 6-2, to be voted on at town meeting, seeking to clarify the wording of our zoning ordinance dealing with permits, will be of great assistance if adopted.

# *Planning Board*

## 1977 YEAR END REPORT

1977 will certainly be seen by many as a historic year in the planning process for Amherst. Prior to the March town meeting there were extensive hearings and much heated debate about the proposed "point-quota" system of limiting growth in the area of single family residential development. This plan was defeated by a very narrow margin. The majority of the citizens who voted clearly indicated that control of single family residential growth was a prime concern. The Planning Board has taken this directive and we are currently considering alternate growth control methods including last year's submission. The Amherst Sounding Board has been reactivated and will be providing a great deal of input to the Board in this and other areas such as Open Space Development and multi-family housing.

The Planning Board is also considering the needs expressed in the Master Plan and by the current Sounding Board for a diversity of housing types to aid both younger and older citizens with few or no children to live in Amherst. A substantial concern which is being carefully examined is the area of economic impact on the town due to a lack of industrial tax base and the tax base provided by multi-family dwellings which may impact school expense to a lower degree than single family residence development. These areas of growth limitation and multi-family housing may be presented to the town at a special town meeting which is planned for this year.

Most of the changes to the Zoning Ordinance to be considered for this Town Meeting are refinements of current legislation or will correct areas which have caused problems in current Planning activity.

We sincerely hope that the town will continue to allow the Planning Board funding for the work which will be done over the next year which can be very crucial to the future of Amherst and its current and future citizens.

The on-going month to month duties of the Planning Board have continued at a strong pace and we have been greatly assisted in our work by more clearly defined allocations of town employed assistance in the persons of Mr. Russell Abbate, Zoning Administrator, and Ms. Nancy Humphrey, our secretary. With their assistance, that of the Sounding Board, and many other concerned citizens of Amherst we look forward to a very productive year in 1978.

## *Amherst Conservation Commission*

17

The Amherst Conservation Commission has just completed another busy, productive and interesting year.

The Commission continues to work diligently on its review of all dredge and fill applications and in its advisory capacity to the State's Water Resources Board and the Town's Selectmen. While the Conservation Commission continues to be very concerned with violations of our wetland ordinance, we recognize the Town's need for a dredge and fill ordinance of its own. We hope to rectify this problem in a very short time. Our concerns are legitimate. In dealing with the individual violations, we, at the same time, are very aware of the accumulative effect. We feel preventive action would be far less costly than corrective measures.

Our sponsorship of Boy Scout Troop 22 has been rewarding to all. Help was given by the boys in the areas of trail maintenance, clearing the wildflower garden area, and the planting of the many trees and shrubs throughout the Conservation lands. Future activities include continued trail maintenance, the building of bird houses and the establishment of a bluebird trail in Amherst. The Amherst Conservation Commission has worked with the boys in conservation and environmental science merit badge activities.

The Conservation Commission again sponsored attendance to the Conservation Summer Camp run by the Society for the Protection of New Hampshire Forests. Wilkins School art teacher Jo An Tyrrell and student Cynthia Beckley attended this year.

As many may have noticed, the old Scout bridge was washed away last spring. A new bridge was designed and built by the Commission.

A great deal of work was also done in the area of the wildflower garden. As it was necessary to use a bulldozer to help with the opening up of the area and the making of a new woods road, we ask that you bear with us during the "rough-looking" stage.

Plantings have been made in other areas of the Conservation Commission lands. Black Walnut and Balsam Fir trees were planted in the Plumb Memorial Forest. Flowering Dogwood, Bloodtwig Dogwood and a variety of other

shrubs and trees conducive to wildlife were planted in the Joe English Reservation. It was not an uncommon sight to see certain members of the Conservation Commission trudging into the forest with their pails of water to attend to the approximately 190 new trees.

Bird watchers should plan to visit the Minot J. Ross Bird Sanctuary, Thornton's Ferry Road No. 1. Numerous species have been spotted, including the Pileated Woodpecker.

A "Conservation Handbook" was completed in 1977 by the Commission. Our handbook is graced with beautiful drawings by Abbott Cheever. A very special thank-you to Mr. Cheever for the many hours of work involved. His renderings of favorite views are greatly appreciated. In addition to maps of conservation lands and general information regarding the Commission, the handbook also contains valuable information on land use control. Various forms of conservation agreements are described. Interested persons should contact any member of the Conservation Commission for further information and help in the implementing of such agreements. The handbook is available at either the Town Hall or the Town Library.

The Amherst Conservation Commission is establishing a program in Amherst to help control the Dutch Elm disease. An instructional program will be held in the spring. The necessary equipment would then be loaned to interested persons while a nominal fee will be charged for the chemical solution.

Procedures to declare a portion of the New Hampshire Satellite Tracking Annex as excess land were begun in 1977, and ensuing activities kept your Commission busy. It was late in November before the Commission learned from Congressman James Cleveland that the Air Force Systems Command had determined that the 2,200 acres should not be exceded. We appreciate all the time and effort Congressman Cleveland gave to our many inquiries.

The Commission has also been instrumental in the establishment of a club to promote a greater use of the Conservation Commission lands. We continue to encourage hikers, snowshoers and cross-country skiers to use our lands.

Last winter we held a very successful cookout at a point overlooking the pond. Similar activities will be held again this winter. Different locations will be selected with the

idea of acquainting people with the Conservation Commission lands.

This year the Amherst Conservation Commission is again requesting \$25,000 to be used in land acquisition. The Commission is interested in acquiring any appropriate parcel of land in Town. However, many of these are only available at very high costs. All potential purchases are carefully checked and appraised by certified appraisers. Any bids on land are made only after this careful scrutiny and approval by the Selectmen. While we were again unsuccessful in acquiring land between Joe English and the Plumb Memorial Forest, the Amherst Conservation Commission will continue with our efforts on this and other acquisitions and activities that would benefit the Town, its citizens and conservation.

E. ALICE ARNOLD, Chairman  
ELISABETH BARRETT  
WILLIAM GOODWILL  
HERBERT HARDING  
CHARLES TIEDEMANN  
WALLACE WARREN  
WILLIAM WEATHERBEE

## *Amherst Recreation Commission*

In 1977 the Amherst Recreation Commission continued to strive to meet the ever increasing demands for recreational activities and programs within the community.

As a prime example, in 1977 there were 273 or 29% more registrations for youth sports programs than in 1976; Basketball 178 (plus 17), Softball 124 (plus 28), Soccer 243 (plus 116), and Baseball 390 (plus 112). A new program of summer instructional baseball organized by some of the spring coaches attracted over 60 young players. All of these programs are destined to grow much larger in 1978.

Adult programs for men and women in basketball, volleyball, and softball were well accepted. One hundred eighty-two men, women, and children took advantage of spring, summer, and fall tennis instruction sponsored by the ARC.

Improvements in town facilities initiated by past and present Recreation Commissions are to be noted. The new Middle School tennis courts were completed in time for a full season of play by residents of the neighborhood. Thanks to generous contributions by the Rotary and Lions clubs, a program of backstop construction on town fields was started. The Jaycees labored in the spring to get some of them up for use in 1977.

Under the able direction of Rita Harden, a program of Children's Theatre was started in 1977. Over 40 area youths staged two productions for the benefit of the ARC. In the spring and fall close to 400 people attended three performances of the plays at the Middle School and Wilkins School.

The Adult Education program administered by the Recreation Commission had a highly successful first year of operation. During three 1977 sessions, 345 adults enrolled in 41 courses taught by 21 instructors.

A total of 1228 individuals representing 359 families purchased season passes for Baboosic Lake Park. Daily guest fees were paid by 1011 additional beach goers. A total of 516 (plus 10%) children registered for swimming lessons conducted by six qualified instructors on the 1977 staff.

Extracurricular activities at the beach saw 95 children register for the Pavilion Arts & Crafts program. A similar program in the village attracted 45 additional participants. Fifty-seven boys and girls of all ages swam on the Baboosic

Lake Swim Team. New equipment at the beach last summer included swim lane markers, turning boards, grove picnic tables, life guard boat, diving board, and indoor tables for the Pavilion which were assembled with the help of the Amherst Fire Department.

The Commission foresees a number of objectives for 1978:

1) To work closely and in cooperation with the Jaycees and other civic organizations to coordinate efforts to improve town fields and facilities used for recreational purposes.

2) To further initiate and develop programs which will allow more recreational and leisure time activities, particularly in the area of adult sports.

3) To set forth long and short range plans for the repair and maintenance of the Baboosic Lake Pavilion and equipment utilized throughout the Park facility.

4) To find new and better methods to communicate and publicize ARC programs so that more residents will participate in recreational activities in the community.

5) To further establish and maintain the Commission's basic philosophy that those who choose to become involved in recreational programs and activities shall be assured the opportunity to participate regardless of abilities.

The basis of Amherst's recreation programs is parental help; mothers and fathers who volunteer their time, effort, and expertise to work in activities. Coupling that with the cooperation and helping hands extended by the Amherst School Board, school administrators, school custodians, Amherst Highway Department, Amherst Town Library, Town Hall personnel, and the Board of Selectmen, to all we say thank you very much.

SUSAN KIERSTEAD (Chairman)

JACK MAGILL

STEVE OAKS

MARY SPARKS

CARL WHEELER

Amherst Recreation Commission

## *Department of Civil Preparedness*

The Emergency Operations Center (E.O.C.) was in operation twice this year. The first time in March when many areas of Amherst were flooded. More than 50 people were assisted.

The second time occurred when an ice storm knocked out the electricity in most of the town, some areas were out for more than 72 hours. Over 300 telephone calls for assistance and information were received by the E.O.C. in 48 hours. A shelter was opened at the school where over 40 people were fed, and several people were put up for the night. Arrangements were made to house over 30 people — some for three nights. The E.O.C. worked with the Public Service Co. to help get electrical power restored to the sick and elderly. Messages from out-of-town relatives were delivered to homes whose telephones were out of order.

As a result of the power failure, the Department of Civil Preparedness has found the need for shelter supplies (food, bedding, and cots) to be stored in town. Also, the need for portable electric power and lights was demonstrated.

We have received a truck from the state civil preparedness office and will have a portable electric unit in service in 1978.

I wish to thank all the people and town departments for their help.

ROY E. MASTON, Director, Civil Preparedness

## *Amherst Rescue Squad*

During 1977 the Rescue Squad answered a total of 319 calls, an increase of 5% over 1976. The opening of the Milford Medical Center and a significant decrease in serious automobile accidents were most important in keeping the increase in calls so low. Now that the impact of the Medical Center has been felt, it is anticipated that calls will increase, at least in proportion to population increase.

### 1977 Rescue Squad Calls

Highway Accidents	34
Other Accidents	59
Illnesses	126
Miscellaneous	100
Persons transported to hospitals	281
Persons assisted	293
Calls to Mont Vernon	34

Squad membership now stands at 48, of whom 33 are Emergency Medical Technicians and 15 are American Red Cross Advanced First Aid and Emergency Care trained. All Squad members must complete a CPR course annually in addition to their regular training.

The Squad presently has a limited number of openings for new members and any interested town resident should contact a squad member for information.

Over 1000 hours of uncompensated time per person are contributed by members each year. In addition to providing emergency medical service for Amherst and Mont Vernon, the Squad vehicles and personnel stand by at Amherst Patriots football games and other public events such as the 4th of July Celebration. The Squad conducts blood pressure clinics, assists in manning disaster shelters when needed, and demonstrates the ambulances and equipment to school children and other interested groups. Finally, Squad members who are Red Cross Volunteer Instructors have taught over 150 Amherst residents CPR and first aid.

Through contributions from concerned citizens and a federal grant, the Squad acquired a Hurst Rescue Tool early in 1977. To date, this tool has been used twice, once at an

automobile-motorcycle accident in Amherst and once at an auto accident in Bedford where the Squad was called for mutual aid.

This year the Squad is asking the Town to replace the oldest of its two ambulances, a 1972 van converted to a combination ambulance-rescue truck, with a modular ambulance capable of carrying our rescue equipment. With the acquisition of additional rescue equipment including the Hurst Tool, space for patient and attendants in the van has reached a critical point. The interior of the vehicle is now overcrowded with inadequate space for good patient care and the vehicle suspension is severely taxed by the combined weight of equipment and people.

Quarters for the Squad must be the next consideration in improving its ability to provide service. The Fire Department requires the space now occupied by the ambulance for its front line fire trucks; and garaging of the ambulances in two locations creates scheduling and manning problems. Presently there are inadequate facilities for training and equipment and supply storage and office space for record storage and administrative work is non-existent. Finally, the present location of the primary ambulance in the village center creates an unnecessary traffic hazard for responding rescue squad personnel and the general public alike.

There is no charge for any person receiving care from the Squad in Amherst or Mont Vernon and because of this, the service is for emergencies ONLY.

GUSTAV JUST, Chief, Amherst Rescue Squad

## *July Fourth Committee*

After the Bicentennial events of 1976, the Committee decided to continue its endeavors to make July 4th an exciting patriotic holiday for all. A reviewing stand was an added feature which enhanced the parade route.

A band concert by the Nevers Band of Concord, N. H. delighted all those who remained after the parade to see it.

## *Amherst American Revolution Bicentennial Committee*

The Amherst American Revolution Bicentennial Committee completed its four-year program in 1977. During the past year, we continued selling patches, medallions with our logo, an updated commemorative town history and glass plaques. Work is still in progress on recording those buried at the Town Hall Cemetery.

We on the Committee have accomplished the sale of patches, medallions, booklets, stationery, printed a walking tour of the village, obtained 2700 signatures on scrolls which are now part of the archives at Valley Forge, sponsored dances and Arts and Crafts shows.

Our biggest and lasting projects were the mapping and recording of the Town Hall Burial Ground and landscaping the World War I Common. These are lasting memorials to those past citizens of Amherst.

The Committee would like to thank all officials and citizens who have helped to make these past four years such a success for our undertakings. A special appreciation is extended to all committee members for their untiring efforts toward this celebration of our country's Bicentennial, and we hope this will prove to be a model for Amherst's future.

THOMAS P. GRELLA, Chairman

Joseph Hoag	Theresa Greenblatt

Mary Steeves	Edwin F. Locke

**NASHUA COMMUNITY COUNCIL  
MENTAL HEALTH CENTER**

During the twelve month period of October, 1976 through September, 1977 there were 78 Amherst residents provided with Mental Health Services from Community Council. Of these, 36 were new admissions, 2.9 per cent of the total new admissions served during the period. These 36 new Amherst admissions showed a 9.1 per cent increase over the 1976 twelve month period and showed a 9.1 per cent increase over 1975.

While Amherst residents represent 2.9 per cent of clinic clients, Amherst residents represent 6.5 per cent of the population of Community Council's catchment area.

Cost to provide outpatient services was \$34.82 per patient per direct service hour. Average number of outpatient visits per admission was eight. Average outpatient fee charged to Amherst residents where insurance would not cover was \$11.23 per patient per direct service hour. Total cost for providing Amherst residents with 288 direct service outpatient hours was \$10,028.16.

Two Amherst residents received inpatient care for a total of seven inpatient days. Cost to this program for these services was \$282.57.

No Amherst residents required services of Community Council Partial Hospitalization Program.

Although no demographic breakdown of Emergency Program exists estimates project 2.9 per cent of the total number of people requiring this service come from Amherst. Assumption is made on the basis of overall patient participation from Amherst on the Community Council's population. Projected cost of this service is \$1,859.47.

**Summary**

Adult & Children Outpatient Services	\$10,028 16
Inpatient Services	282 57
Partial Hospitalization Services	0 00
Emergency Services	1,859 47

Total Cost for Amherst	\$12,170 20
------------------------	-------------

Plus 6 per cent inflation rate equals cost to provide these same services in 1977-1978 equivalent period of \$12,900.41.

## *Soubegan Nursing Association*

The services of the Nursing Association are available to all persons in the three communities of Amherst, Milford and Mont Vernon, regardless of their ability to pay. 515 nursing visits have been made to 254 Amherst residents so far, this year.

Skilled Nursing Care is given in the home with physicians' orders. Visits are also made to new mothers and handicapped persons. The care of the sick is taught to responsible family members.

Office visits may be made at the Association's building on the North River Road, in Milford, for blood pressure checks and injections, ordered by a physician. These visits are scheduled between 9:00 and 10:00 a.m., Monday through Friday, or by calling to make an appointment.

Immunization clinics are held once a month, free of charge. The supplies are furnished by the State Department of Health and Welfare. 23 Amherst children have received immunizations this year. A Well-Child clinic is held on the same day. Appointments are made for the child to be seen by a pediatrician, if the family is financially eligible. Thirteen Amherst children are enrolled in our Well-Child clinic program. Referrals are made to Crippled Children's Services, or to other Physicians, when necessary.

Dental clinics are held here twice yearly. These are co-sponsored by the State Bureau of Dental Health. Fifty Amherst children were screened this year.

A Pre-School Physical clinic is held yearly, for children who will be entering kindergarten and first grade.

Blood pressures are checked, the last Thursday of the month, at the Elderly Nutrition Meals, on Elm Street, Milford.

Hospital equipment is loaned, free of charge, to anyone needing same, in the three-town area.

(Mrs.) MARION JACKSON, R.N., Director

## *Amberst Town Government Study Committee Report*

The Government Study Committee is charged with a continuing study of all phases of town government and making recommendations to the Town Meeting as appropriate.

This year the committee has but two recommendations — approval of Articles 17 and 5.

We believe it to be in the best interests of the town to go on a fiscal year the same as the school district, that is, July 1 to June 30. This Article as presented by the Board of Selectmen has the committee approval. We believe a 3-year term of office for the Town Treasurer consistent with other similar offices.

This committee is continuing to study several aspects of our town government. The following are listed in order of importance as perceived by this committee:

First, the town Planning Board's Master Plan, specifically what it is, is it being enforced, and are there continuous efforts to update it? Our committee needs more time to review this area of the Planning Board's work.

Second: The need for a full-time Administrative Assistant for overall management of the town offices. Or has the town grown to the point of needing to consider a Town Manager type of town government? Has the expansion of the Board of Selectmen from three to five members proved worthwhile and has the increase resulted in "departmentalization," that is, each member of the Board specializing in activities of a town department to save time for the Board?

Third: The possible over-lapping of committee responsibilities. As committees increase in number it appears the responsibilities of each committee should periodically be reviewed. For instance, the Ways and Means Committee is now charged with reviewing and making recommendations to the Town and School Meetings on all Articles in both warrants whether or not they pertain to finances. This, in effect, performs a kind of audit of all town departments, but it also duplicates the work of other committees. Per-

haps, the Ways and Means Committee should be limited to reviewing department financing and Articles in the Town Warrant that involve money.

The committee continues to meet with town officers and committees to study and discuss possibilities of improving our system of town government based on the experience of the many people active in running the machinery of the town, those working full time, part time, and those serving on a volunteer basis. This committee owes much for the cooperation and help received from all.

DONALD H. DAVIS, Chairman  
INGRID E. MICHAELIS, Secretary  
EVELYN B. DUDLEY  
BURTON S. KNIGHT  
PAUL L. SAVAGE

## *Souhegan Regional Landfill District*

All collection sites and the landfill were in full operation for the entire year 1977.

We had some inquiries from other municipalities to join the District and some private haulers have asked for permission to use the landfill on a fee basis. At year's end no agreement had been made with anyone.

While we have no immediate need to open up additional sections of the landfill, we are proceeding with engineering work to help us determine as accurately as possible the remaining life of our present landfill.

At the present time the member towns, on a voluntary basis, are recycling newsprint, tires and large metal items. At Amherst we have started the recycling of glass bottles. Everything that is recycled saves that much space in the landfill and extends its life and this is of concern to all residents of all member towns. The District Committee urges increased effort on the part of everyone toward maximum recycling.

A more immediate problem with the sending towns is the transportation and processing of seven days' refuse in two days. As all of the towns grow, this problem becomes acute as the volume of refuse increases. Habits of long standing have made Saturday and Sunday the days to take the refuse of a full week to the "dump." When "all" of us are doing this it results in a larger and larger mountain of material to be moved. The District has enough equipment and manpower to handle two to three times the present volume of refuse if the refuse were brought to the "dump" throughout the week instead of concentrated in two days. The District will make some suggestions on the solution to this problem but it will probably call for us to change some of our long established habits. We know we can count on all of you to cooperate in this change which will enable us to continue to operate on an economical basis.

## *Highway Safety Committee*

The Amherst Highway Safety Committee consists of the following members:

John T. Osborn, Jr. — Chief of Police  
Marshall Strickland — Fire Chief  
Roy Maston — Civil Preparedness  
Gustav Just — Chief, Rescue Squad  
Bert McGill — Selectman  
Robert H. Prew — Citizen  
Richard G. Crocker — Road Agent  
Ronald Pomerleau — School Board Member

Although this committee meets on an as required basis, it serves a very important function.

1. Complaints and/or suggestions relative to signs, speed or other highway safety projects are referred to this committee. They are reviewed and recommendations or solutions forwarded to the appropriate agency for action.

2. Utilizing the MR-7 moving radar the Police Department, working in conjunction with and funded by the N.H. Highway Safety Agency, participated in the STEP (Selective Traffic Enforcement Program) during the summer and the month of December. This was instrumental in the dramatic reduction of accidents.

3. It was the action of this committee which resulted in the interim rerouting of the 101-A and 122 traffic pattern. Some may not be convinced but it has proven to be safer.

4. The latest information received from the Department of Public Works and Highways is that the project to re-do the 101-A and 122 bottleneck is funded and scheduled during Fiscal year 1979.

JOHN T. OSBORN, JR., Chairman

# *Road Commission Report*

1977

The Road Commission has been working with the Highway Agent in the planning of the various programs of the Amherst Highway Department. In 1978 Amherst will receive some \$58,000.00 from the Gas Subsidy Program. With this sum it is planned to rebuild or up-grade portions of five roads in different parts of town.

The new bridge on Boston Post Road South over the Souhegan River is now a reality, and none too soon. During the disassembly of the old bridge, the deterioration was greater than believed.

The Commission with the Highway Agent are continually making inspections of the new roads being built in town. These roads are being constructed according to the Road Building Specifications adopted in 1971. A minimum of four inspections are required during the various phases of construction.

The Road Commission with the Highway Agent and a representative from the Board of Selectmen holds five regularly scheduled meetings a year. These meetings are held at the Town Barn on the third Thursday of every other month starting in April at 7 p.m.

MERIC G. ARNOLD, Chairman  
EVERETT A. LEACH  
HAROLD C. WARNER

## *Selectmen's Narrative*

1977 marked the second year that the Selectmen operated as a five member Board, with Bert McGill and Sam Klein newly elected.

In an effort to spread the work load and to improve the Board's contact with Departments and Commissions, each Selectman was assigned an area of responsibility. The results to date indicate that this was a step in the right direction.

In many ways 1977 has been a year of concern as to the results that Federal, State, and County legislation might have on local government and its costs as reflected in terms of higher local taxes.

The Selectmen met several times with our local Representatives and Senator to express their concern on pending legislation and to seek their support.

Unfortunately by the time the State legislature and the County government finalized their respective budgets, towns and cities were forced to borrow additional funds, since they were unable to send out tax bills. This delay in getting out tax bills cost the Town of Amherst between \$6,000.00 and \$7,000.00 in extra interest charges.

Citizen concern for growth and how to control it, is an area in which there are diversified opinions, as to why and how it may best be accomplished.

The final determination as to where and how such controls may or should be applied should not be made in haste, and without weighing the impact of the possibility of substantial capital expenditures to meet school needs which to date appear to be unresolved.

The construction of a new bridge on Boston Post Road South over the Souhegan River became an accomplished fact in 1977 at a total cost of \$152,334.61, which was \$7,695.39 less than the total appropriation and is earmarked to complete approaches. It was fortunate that the decision was made to replace the bridge in 1977, since it became evident as work progressed that the bridge had deteriorated far beyond a safety point.

The next bridge project is scheduled for 1978 and calls

for the replacement of the bridge No. 177/108 on Merrimack Road over Beaver Brook. This project is a must in the interest of safety to citizens and vehicles. This bridge was pointed out in 1970 by the State bridge engineers to be in need of major repairs and realignment of approaches.

Preliminary estimates to replace the bridge and realign the approaches are set at \$148,000. It is the recommendation of the Selectmen that the project be financed with short term notes over a period of three years.

Over the past 10 years the growth of the Town has been absorbed in a manner that has not placed an undue stress on the town tax rate.

Each year the preparation of the town budget brings to light the pressure of growth, the pressure of inflation, the pressure of obsolescence, and the pressure of groups. By Statute it is the responsibility of the Selectmen to prepare the Annual Town Budget. Its preparation requires considerable time on the part of Department Heads, Committees and Commissions and a review in detail by the Selectmen before final approval for submission to voters.

Such reviews weigh the justification of the proposals in terms of needs to provide for minimal efficient service, growth, the impact of inflationary pressures, the need to provide for obsolescence, for proper maintenance of highways, equipment and town buildings and to insure fair working conditions and competitive remuneration for employees.

It also becomes important to weigh the priority of needs as between essential services as performed by various departments and those services or proposals which may be desirable but not essential to health and welfare, safety, or convenience of the citizens.

The need for improved and adequate facilities for the Rescue Squad and the Police Department has been evident for several years and in 1978 it becomes important that steps be taken to start to correct the situation. It is important that a suitable piece of land be acquired and that preliminary engineering work be done so that proper applications can be submitted to secure Federal and/or State funds or both.

The operation of local government is unique in that the

responsibility for its day to day Administration is charged to the elected officials who must operate within the framework of legislative mandated powers; granted either directly or via action of the Annual or Special Town Meeting. This quite frequently leaves the elected official in a position of limited or no power at all in some circumstances. This often results in frustration on the part of all concerned.

The Board extends its full appreciation to all employees, department heads, committees and commission members, other officers and to those volunteer members of the Fire and Rescue Squads for their contribution to our community.

EDWARD C. MASTEN, Chairman

*Amherst Village District  
Warrant*

The State of New Hampshire

The polls will be open at 8:00 p.m.

To the inhabitants of the Town of Amherst in the County of Hillsboro in said State, qualified to vote in

DISTRICT AFFAIRS

You are hereby notified to meet at Town Hall in said Amherst on Friday, the 17th day of March, next at 8:00 of the clock in the afternoon, to act upon the following subjects:

1. To choose all necessary District Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray district charges for the ensuing year and make appropriations of the same.

3. To see if the District will give the Commissioners and District Treasurer the authority to borrow money in anticipation of District Taxes.

4. To transact any other business which may legally come before said meeting.

Given under our hands and seal, this 28th day of February, in the year of our Lord nineteen hundred and seventy-eight.

ROGER O. TOPLIFFE  
HOWARD W. BOOTHROYD  
CARL E. DOANE

Commissioners of Amherst Village District

A true copy of Warrant — Attest:

ROGER O. TOPLIFFE  
HOWARD W. BOOTHROYD  
CARL E. DOANE

Commissioners of Amherst Village District

## *Amherst Village District*

Due to the major facility upgrading program undertaken in the past several years, no widespread inconveniences to the 239 subscribers was encountered. We did however, experience some localized problems caused by the record breaking cold weather in January when the frost depth exceeded 5 feet. These three freeze-ups as well as four service entrance failures which occurred at other times of the year were extremely well handled by our Superintendent John Hanlon and Assistant Superintendent Howard Boothroyd. All subscribers should be aware that the repair of any failure from the curb stop (the shut off valve located at the property line) to the house is the responsibility of the subscriber.

It is with great reluctance that the Commissioners have accepted the resignation of Kay Kruger as the Clerk and Treasurer as of December 31, 1977. Kay has been closely associated with the Amherst Village District since its inception. She has held an official position of Clerk-Treasurer for the past nine years. All of us who have worked with her know of her devotion and deep concern for the District and its subscribers.

Mrs. Bernice Boothroyd has been appointed to fill the vacated position.

Respectfully submitted,

ROGER O. TOPLIFFE, Chairman  
HOWARD W. BOOTHROYD  
CARL E. DOANE

# *Synopsis of Town Meeting*

## *March 8, 1977*

Acting under Warrant for Town Meeting, polls were opened at 7:00 a.m. and closed at 7:00 p.m. at the Wilkins School.

Ballot clerks were Elizabeth Wight, Marjorie Drobat, Marion Sortevik, Lillian Anderson, Barbara Wight, Ella Ruggerio, Cynthia Kennedy, Evelyn Dudley, Josephine Young.

Giving assistance to voters were Allen Howard and Herman Anderson. Moderator Wight, Town Clerk Bernice Boothroyd, School Clerk Louise Ainsworth and Barbara Landry had charge of the voting. Selectmen Edward Masten, Francis Perry and Robert Lown, also Ann Snow and Thomas Grella, were present during the voting hours. Supervisors of the check list were Audrey Spalding, Robert Wishart.

The total ballots cast were 1773.

Results of the election were:

Selectman, Bert McGill, 3 years  
Selectman, Samuel Klein, 3 years  
Town Clerk, Bernice G. Boothroyd, 1 year  
Tax Collector, Barbara H. Landry, 3 years  
Treasurer, Marion M. Sortevik, 1 year  
Road Agent, Richard G. Crocker, 1 year  
Trustee of Trust Funds, David Ramsay, 3 years  
Trustee of Trust Funds, Raymond B. Woolson, 2 years  
Trustee of Library, Lucy Ramsay, 3 years  
Trustee of Library, JoAnn Just, 3 years  
Board of Adjustment, Arnold Dickinson, 5 years  
Auditor, Orson Bragdon, 1 year  
Auditor, Garrett Cowenhaven, 1 year

### **Summary of Meeting**

Articles 1 through 4 and Article 20 were by ballot voting during the day.

Article 1. Election of Officers as stated above.

Article 2. Amendment 1. To limit the number of building permits that will be issued during any one year for new single family dwelling units.

YES — 1083                      NO — 618

Amendment 2. To provide sign regulations for the Northern Rural and Transition District.

YES — 1189                      NO — 444

Amendment 3. To change certain areas along Rt. 101-A to "Commercial District", "Industrial District", and "Residential District" as shown on the posted map and to provide new district regulations for the "Commercial District" and "Industrial District".

YES — 1039                      NO — 612

Amendment 4. To add a new definition describing a Residential District Home Occupation.

YES — 1033                      NO — 602

Amendment 5. To enlarge the "Watershed Protection Area" by adding thereto all land within 50 feet of the "Wetland Conservation District" and all land within the "Floodplain Conservation District" and also to allow the erection of certain appropriate structures within the "Watershed Protection Area".

YES — 1224                      NO — 369

Amendment 6. (by Petition) No sign which offers property for sale or for rent, or which indicates that property has been sold may remain on the property and visible following forty-eight (48) hours after the closing has occurred or rental occupancy has begun.

YES — 707                      NO — 944

Amendment 7. (by Petition) To change the area designated on property map No. 6 as 57-1 from "Rural" to "Commercial" District as defined in said zoning ordinance.

YES — 369                      NO — 1232

Article 3. (by Petition) To change the term of the Town Clerk from one year to three years, beginning with the term of the Town Clerk to be elected at the next year's regular Town Meeting.

YES — 1270                      NO — 387

Article 4. To compensate the Town Clerk on an annual salary basis in lieu of statutory fees.

YES — 1345                      NO — 269

Article 6. Voted to give the Selectmen and the Town Treasurer the authority to borrow money in anticipation of tax receipts.

Article 6. Voted to raise and appropriate the sum of \$875,268.39 for town charges.

Article 7. Voted to authorize the withdrawal from Revenue Sharing Funds for the use as setoffs against budgeted appropriations for the following priority purposes and in amounts indicated:

Planning Board	\$ 2,130.00
Zoning Department	3,500.00
Mapping and Surveying	2,000.00
Town Library	2,000.00
Town Office Expense	1,200.00
Fire Department	5,130.00
Rescue Squad	415.00
Police Department	7,989.00
Baboosic Lake Park	2,200.00
Town Hall	3,500.00
Highway Department	7,600.00

---

\$37,664.00

Article 8. Voted to appropriate the sum of \$5,200.00 to purchase a Police Cruiser and to authorize the withdrawal of the amount required for this purpose from the Revenue Sharing Funds established under the Provisions of the State and Local Assistance Act of 1972.

Article 9. Voted to change the procedure of auditing accounts of any and all fiscal agents of the Town from local elected auditors to the procedure of annual audit by the employment of a certified public accountant and to raise and appropriate the sum of \$6,000.00 to

cover same. Also voted to authorize the withdrawal of the amount required for this purpose from the Revenue Sharing Fund. The years 1976 and 1977 to be covered by the above amount.

Article 10. Voted to raise and appropriate the sum of \$5,000.00 to construct a new fire exit for the second floor of the Town Hall and authorize the withdrawal of this amount from Revenue Sharing Funds.

Article 11. Voted to appropriate the sum of \$16,125.00 to establish a Capital Reserve Fund to provide for the orderly replacement of special Highway Equipment such as sanders, plows, tractors, etc., other than Motor Vehicles and Highway Grader and to authorize the withdrawal of said amount from surplus for the purpose of providing the necessary funds and that the Selectmen be directed to carry out the intent of this Article.

Article 12. Voted to raise and appropriate the sum of \$5,324.00 to acquire a Hurst Tool for the Amherst Rescue Squad and to take the necessary steps to apply for and to receive a grant from the N.H. Highway Safety Agency for reimbursement in the amount of \$2,662.00 and the balance of \$2,662.00 to be reimbursed thru a gift in like amount from Amherst Rescue Squad.

Article 13. Voted to raise and appropriate the sum of \$160,000.00 to cover the cost of the construction of a new bridge to replace the present bridge No. 93-130 spanning the Souhegan River on Boston Post Rd. South and to authorize the withdrawal of \$100,000.00 from the surplus account for the purpose of providing part of the necessary funds, the balance of said funds required to be raised from taxes in the amount of \$60,000.00 and to further authorize the Selectmen to apply for Federal Aid Off Systems Funds and such other Federal Aid or grants as are applicable.

Article 14. Voted to raise and appropriate the sum of \$935.00 to be expended by the Bicentennial Commission to complete the 1976 local Bicentennial Celebration.

Article 15. Voted to raise and appropriate the sum of \$15,000.00 for the purpose of acquiring a tract of land abutting the Village Cemetery of which \$10,000.00 shall be withdrawn from Cemetery Funds, the balance of \$5,000.00 to be raised by taxes and that said amount of \$5,000.00 shall be repaid to the Town from Cemetery Income Funds over a period of five years.

Article 16. Voted to raise and appropriate the sum of \$25,000.00 to create a conservation fund consistent with NHRSA 36A:5 to be administered by the Conservation Commission with the concurrence of the Board of Selectmen for the purpose of acquiring land at their discretion for the preservation of open space and recreational uses and such other purposes as are consistent with NHRSA 36-A.

Article 17. Voted NOT TO authorize the mailing of annual Town Report to each property owner.

Article 18. (by Petition) Passed over.

Article 19. Voted to adopt the semi-annual form of tax billing to become effective 1978.

Hand Vote YES — 180 NO — 151

Article 20. Voted to adopt the provisions of RSA 72:62 for a

property tax exemption on real property equipped with solar energy heating or cooling system which exemption shall be in an amount equal to 100% of the value of the solar heating and cooling system.

YES — 987                      NO — 615

Article 21. Voted NOT TO authorize the Selectmen to sell three parcels of land identified as Lot No. 5-65/1, size 3 acres; Lot 8-38, size 2 acres; and Lot 4-16, size 1 acre, acquired by tax collector's deed.

Article 22. (by Petition) Passed over.

Article 23. Voted to adopt a dog leash law with the following amendment: This Ordinance shall become effective June 1, 1977 instead of April 1, 1977.

Hand vote            YES — 166                      NO — 107

Moderator Wight read the following resolution — Resolved that the Citizens of Amherst strongly request that the land now part of the U.S. Satellite Tracking Station, situated within the Town of Amherst, having been declared surplus by the U.S. Air Force, be returned to the Town of Amherst.

Retiring Selectmen Francis M. Perry and Robert Lown received a standing round of applause.

Meeting adjourned at 12:10 a.m. Tallying continued until 1:45 a.m.

Respectfully submitted,

BERNICE G. BOOTHROYD, Town Clerk

## *Synopsis of Special Town Meeting May 10, 1977*

RE: Fire Truck and Fire Alarm System for  
South Amherst Fire Station

The meeting was called to order at 8:00 p.m. Moderator Wight read from the Book of Psalms, followed by the Pledge of Allegiance.

Selectmen Masten, Grella, Klein, McGill and Selectwoman Snow were present. Approximately 55 citizens attended the meeting. Supervisors of the checklist were also in attendance.

Article 1. Voted to appropriate the sum of Thirty-three Thousand Four Hundred (\$33,400) dollars to purchase a new fire truck to replace Engine No. 4 and to authorize the withdrawal of said Thirty-three Thousand Four Hundred (\$33,400) dollars from the fire truck capital reserve fund to provide the funds to pay for the same.

Article 2. Voted to appropriate the sum of Twenty-seven Hundred (\$2700) dollars to pay the cost of installing a protective fire alarm system in the South Amherst Fire Station and to authorize the withdrawal of said money from surplus for providing the necessary funds.

A voice vote was taken for each article.

Meeting adjourned at 8:13 p.m.

Respectfully submitted,

BERNICE G. BOOTHROYD, Town Clerk

**SCHOOL WARRANT**  
**The State of New Hampshire**

**Polls will open at 7:00 a.m. — Will not close before 7:00 p.m.**

To the Inhabitants of the School district in the town of Amherst qualified to vote in district affairs:

You are hereby notified to meet at the Wilkins School in said district on the fourteenth day of March 1978, at seven o'clock in the forenoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Treasurer for the ensuing year.
4. To choose two Members of the School Board for the ensuing three years.

Given under our hands at said Amherst this 13th day of February 1978

**SCHOOL WARRANT**  
**The State of New Hampshire**

To the Inhabitants of the School district in the town of Amherst qualified to vote in district affairs:

You are hereby notified to meet at the Wilkins School in said district on the tenth day of March 1978, at eight o'clock in the afternoon, to act upon the following subjects:

1. To determine and appoint the salaries of the School Board and Truant Officer and fix the compensation of any other officer or agent of the district.
2. To hear the reports of agents, auditors, committees or officers chosen, and pass any vote relating thereto.
3. To choose agents, auditors and committees in relation to any subject embraced in this warrant.
4. To see if the district will authorize the School Board to make application for and receive in the name of the district such advances, grants and aids, or other funds for educational purposes as may now or hereafter be forthcoming from the United States Government or any other state or private agency.
5. To see if the district will vote to raise and appropriate the sum of \$20,000 and authorize the School Board to employ an architect to prepare preliminary drawings and cost estimates for a new elementary school.
6. To see what sum of money the district will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents, and for payment of the statutory obligations of the district.
7. To transact any other business which may legally come before said meeting.

Given under our hands at said Amherst this 13th day of  
February 1978

## REPORT OF THE AMHERST SCHOOL BOARD

The 1977 - 1978 school year has been one of transition, analysis and re-evaluation for the Amherst School Board. The change from a three member school board to a five member unit has been smoothly accomplished. The three new members accepted their responsibilities with an enthusiasm and dedication that has created a positive working relationship among all school board members.

During the process of compiling data for a progress report on the overall educational and administrative achievements since the last school district meeting, it became evident that an analysis of the future of the Amherst School District would give the long-time residents a review and update on the progress achieved at this time and, further, would bring to the attention of newer members of the town an opportunity to examine the (complex) problems for which decisions will be required in the near future.

The first issue that must be addressed is the need for a new elementary school. A few months before the 1976 School District Meeting, the Amherst School Board was notified through channels that Federal Funds were available for Public Works project from the Department of Commerce. Certain guidelines had been established and the Amherst School District made application for approximately \$360,000 to build an eight room addition to the Clark School. Although assurances had been given by responsible members of the Federal Agency that Amherst, along with other surrounding communities, was in a very strong position to be granted the funds, the subsequent decision by the Department of Commerce was to grant over 6 million dollars to Nashua while Amherst and other small surrounding communities received nothing. In the meantime, the citizens of Amherst had voted funds for architectural studies of the Clark School and the establishment of a building committee to investigate and make recommendations to the School Board. Although Federal Funds were not available, the building committee saw a need for renovation and a program was set forth which culminated in a special School District Meeting in December. At that time, the voters approved the proposed renovations along with the addition of two classrooms to help alleviate the crowding condition taking place at the elementary level. A constant evaluation on pupil enrollment projection has indicated to the School Board that we would need to open the doors of a new elementary school by 1981, the planning for

which should begin in 1979. However, it became evident to the Clark School building committee and the School Board that at the present rate of pupil enrollment we would be in very serious crowding condition before 1981.

The second major issue moving on a parallel course is a final decision on the "AREA" situation for the high school students from Amherst. While the Clark School Building Committee was studying the elementary situation, the Amherst and Milford School Boards were in constant communication with the "Joint "AREA" School Study Committee" which had been established to analyze and recommend possible solutions and the costs in order that the citizens of both communities could judge whether to remain together in a Cooperative School District or to separate and create individual High School systems by the 1985-1986 school year. Recognizing the 1985-1986 termination of the AREA contract, the Amherst School Board had programmed that any new venture by Amherst would have to begin by 1981 to be completed for 1985 - 1986. However, based on historical enrollments and future projections, it appears, at this time, that a decision to remain together or separate should be initiated earlier than 1981. Therefore, with the aid of various groups such as the P.T.A., The League of Women Voters and others, proposals are being studied and discussed by both boards to accelerate the final decision as to the future of Amherst and Milford High School students.

During the discussions with Milford in the past year, the Amherst School Board realized that in the event an agreeable cooperative solution could not be structured between both towns, we should investigate a cooperative venture with any other surrounding community that would be agreeable to discuss the matter. However, we received communications that were in the negative. Therefore, at this time, we are left with two options:

1. Cooperative School District (If Milford and Amherst voters both agree)
2. Building our own high school

Further, within the framework of analyzing the High School and Elementary School problems, it became apparent to the School Board that the Amherst School District should follow a different avenue relative to its administrative pattern. The Amherst School District, which now comprises about 2,200 students including those sent to Milford, is now administered by a Superintendent and staff for multiple school districts

called Supervisory Union No. 41. The School Districts of Amherst, Brookline, and Hollis share the services of the Superintendent, Assistant Superintendent and various office staff for which Amherst pays approximately 55% of the total cost or an amount of more than \$66,000 for the 1978 - 1979 school year. It has become obvious to the Amherst School Board that with a growing school enrollment and projected building programs, it would better serve the need of Amherst to establish our own Supervisory Union with a Superintendent and staff to devote 100% of their time to the demands of the Amherst educational system. Preliminary discussions have taken place with representatives of the State Board of Education requesting the possible inauguration of our own Supervisory Union by the 1979 - 1980 school year. The target date established would allow time for a resolution of the "AREA" situation and for the Hollis and Brookline school districts to properly plan and reorganize without the Amherst School District. Further, we would have to establish suitable quarters, select a superintendent, hire other necessary staff to allow for an orderly transition from one Supervisory Union District to our own. Further, if Amherst and Milford elect to pursue a Cooperative School District, it is logical that we would request to become a member of Supervisory Union No. 40, which comprises Milford and Mont Vernon. Thus, there would be complete articulation and control of all programs at the Elementary, Middle and High School levels by a Chief Executive Officer, the Superintendent, responding to the various school boards of Amherst, Milford, and Mont Vernon.

Although this progress report does not allow for detailed explanations, the Amherst School Board feels that the focus for the coming year will be the final resolution of these major issues along with the necessary planning to implement whatever course of action the voters will decide. The Amherst School Board is planning a series of informational programs which will take place after the School District meeting to allow for in detail discussion and analysis by the voters of Amherst.

Finally, the Amherst School Board recognizes that the decisions made by the citizens of Amherst in the next year or so will greatly affect the future of the Amherst educational system and we strongly urge participation by all the members of the community.

RONALD POMERLEAU, Amherst School Board Chairman

**REPORT OF THE TREASURER**  
**(For the Fiscal Year July 1, 1976 to June 30, 1977)**

Louise Ainsworth, Treasurer

## ADMINISTRATIVE REPORTS

### Report of the Superintendent

#### EDUCATION, ACCOUNTABILITY AND THE GENERAL COURT

While a recent opinion of the New Hampshire Attorney-General focused on tuition liability for the handicapped, the fact is that it could well have been a broadside, raising further conjecture about the relationship between the state and school districts with respect to financial responsibility. However, specific individuals were concerned, including parents of the handicapped who found themselves in the position of being asked to pay for part of their children's education and pressure was brought to bear on this one issue, resulting in a request from the Department of Education for a ruling.

The problem stemmed from a conflict within the framework of the statutes. On the one hand, state law mandated the education of every handicapped child who could profit from an education, but within the same legislative frame of reference held school districts liable for an amount of tuition not to exceed the state average liability -- based on expenses of the previous year. And thus did the General Court leave its legacy; parents and local school boards now were pitted one against the other, each citing different statutes. Compounding the issue were dramatically increasing costs for conducting programs for the handicapped -- far exceeding state average tuition liability -- and the promulgation of federal legislation which decreed that children would be provided with a free, appropriate education. In any event, the Attorney-General has opined that the local school district now is responsible for the education of the handicapped and, unless further clarifying legislation is adopted at the state level, will be required to pay more than the state average tuition liability.

The final draft of the United States Constitution left the matter of education to the states, even though one might have the feeling that the federal government today is dictating much that goes on in our schools. Implementation of this power, or authority, has been accomplished in different ways. Certain states have financed education to the

point of dictating nearly all of the educational programs; other state governments have enacted legislation designed to provide substantial support to the local community. It should follow that if a state constitution incorporates responsibility for the education of its youth, then steps ought to be taken to assure an equality of educational opportunity; not all local communities are uniformly wealthy. Because some have been concerned that the financial efforts of the state have been found wanting, a number of court cases have resulted in a charge to state legislatures to find a more equitable means of providing necessary funds; in other words, the traditional property tax is now viewed to be discriminatory.

New Hampshire has been last in state support for many years; local districts, on an average, provide about ninety per cent of the funds required to operate their schools. This is not to be taken that the legislature, or General Court, has been completely remiss in its responsibility to provide for educational support; the concern of local districts has been the lack of funding or full implementation of laws designed to aid education. It is unfortunate that school board members, as well as the public in general, have come to consider state aid with an attitude representative of something less than enthusiasm. Caught in the web is the State Board of Education and its agent, the Department of Education, for the question frequently is raised relative to what may be lost if we do not conform to regulations of the State Board of Education. If we consider only financial support, probably very little. The irony is that if one presumes that the Board of Education was created to exercise the will of the General Court in executing the Constitution, it has relatively little clout. Full funding of statutes has not been the rule; foundation aid as originally conceived has been under-subscribed for years; incentive aid to cooperative school districts and those which have entered into AREA agreements has been funded at approximately a one-third level.

Currently, much is being written and said about educational accountability. The State Board of Education has been developing guidelines for several years. Simultaneously, there has been similar movement in the General Court. There is no opposition to the concept of accountability; the concern is with the manner in which it will be

accomplished. Presumably, it will require additional funding -- at both the local and state levels if it is to be effective. If history is precedent, local districts can look forward to providing much -- if not all -- of the financial support.

Perhaps it is time for the residents of New Hampshire to re-examine the relationship between the state and local community. Do tax-payers still wish to provide most of the support for education at the local level? If so, should they determine what they are going to spend for education? Or are people still willing to send representatives to the General Court and let that body impose statutory requirements involving financial commitments of the community? While weighing these two options, it is within the realm of possibility that the present method of educational support, i.e. property tax, could be challenged in court. One need only look at statistics to realize that the wealth of school districts varies substantially; many so-called smaller districts in New Hampshire have a correspondingly meager tax base. Can they, without extra effort, carry out the intent of our forefathers and maintain a program that represents equality of educational opportunity, one which compares favorably with that of larger and wealthier districts? If any form of financial accountability is to be imposed upon school districts, perhaps it is in order for the inhabitants of this state to require that members of the General Court be held answerable for their actions. One of the largest law-making bodies in the world, there can be no excuse for a citizen not being heard; the state legislature has enough members to effectively provide for close liaison. The actions in Concord should reflect the will of the local populace -- whatever that will is.

## PRINCIPAL'S REPORT Amherst Elementary School

As of January 3, 1978 the enrollment in the elementary school is as follows:

Readiness	34	Grade III	188
Grade I	184	Grade IV	203
Grade II	202	Total	811

As we began the 1977-78 school year there were some new faces on our staff. In the main office, Mr. Stanley J. Szabunka became assistant principal. His knowledge of the curriculum as well as many other educational areas, have become a very valuable resource to our system. Another new face was that of Mrs. Patricia Albertini as the school secretary.

Other staff changes this year include the following:

### Clark School

Sandra Leyh	Physical Education
Jewell Batchler	Library Aide
Barbara L'Homme	Grade II

### Wilkins School

Melissa Pollak	Grade I
Sara Hart	Grade II
James Harris	Grade III
Maureen Keenan	Grade IV
Kathleen McIntyre	Librarian
Doris Nolan	Aide - Grade III
Priscilla Boone	Aide - Grade IV

The Reading Curriculum Committee which reviewed the reading area this summer presented a revised continuum. The School Board approved the Reading Continuum, R - 8, in early September. Some of this year's budget reflects the working of this committee. During the school year all curriculum areas have been meeting to review and make recommendations for changes.

During the second week of September, the teachers had an evening meeting with parents and friends to explain the goals for students in the classroom. It also gave the parents and teachers a chance to exchange educational ideas.

Another opportunity for parents, friends and students to view our school was the very successful Open House. During my two-plus years as Principal of the Elementary

School, I had never seen as large an attendance at any school event. It is very rewarding to see as many families attending a school function since parents around the country are becoming more and more concerned about the educational programs their children are receiving. Our Parent-Teacher Conferences were held during the second week of November. It gave parents another opportunity to discuss their child's progress.

Through the cooperation of the Parent-Teacher Association, we have had several assembly programs. The P.T.A. also assisted in presenting our Christmas Program, "Christmas Is." Mrs. Marguerite Brockway directed the fourth grade chorus and flutophones for this program.

During the spring, we will be having a field day program with all students participating in physical activity. Mr. David April and Mrs. Sandra Leyh will coordinate this event. In March, the Eye and Ear Clinic will coincide with our First Grade Registration. Students who are six years of age before October 1 are eligible for entrance in the fall of 1978.

As I conclude my third year, I would like to express my appreciation and gratitude to the parents of this community who have made these three years very rewarding. Without a doubt, Amherst has one of the most successful Parent-Volunteer Programs. Without their assistance and interest, we would have to change a lot of our programs.

I would like to thank the teaching staff for giving their best to make our educational programs student oriented.

Finally, I would like to thank the School Board, Superintendent's Office, and Parent-Teacher's Association for all the assistance they have given me, as well as the staff and students at the Clark-Wilkins Schools.

## PRINCIPAL'S REPORT Amherst Middle School

The 1977-78 school year began with great expectations. During the summer, a new idea for scheduling classes in the special subjects areas was developed. The program called for a tri-semester calendar, which was a major change from our quarterly calendar.

Under this new system, each student attends a special subjects class for a full tri-semester. Upon completion of the twelve-week period, the student rotates to the next area assigned. For example, if a student started the year in music, in December he would change to art, and in late March he would be assigned to home economics and/or industrial arts. The success of this schedule change has been most beneficial to all students. A longer continuous experience on a daily basis has provided excellent progress on projects.

For the first time since opening the Middle School, we proposed a commercially-printed report card. We initiated no further revision of our report card since the parental survey of 1974 (plus the partial follow-up last year) indicated a very favorable response to our present card.

Every school year adds a few faces to the Middle School staff: Mr. James Foley, instrumental music; Mr. Samuel Giarrusso, grade five; Mr. James Husbands, grade five; Mr. Richard Vassar, grade six; Mrs. Patricia Fuller, grade six; Mrs. Patricia Bovay, grade seven; Mrs. Lillian Edwards, grade seven; Mrs. Charlene Carper, grade seven; and Mr. Paul Maruszewski, physical education were replacement for teachers leaving Amherst or hired as a result of expanding enrollment. We see a continued staff expansion for the 1978-79 school year as enrollment figures continue to increase.

The summer was also utilized to develop a reading continuum, grades one through six, plus remedial reading in grades seven and eight. The staff selected from the Elementary and Middle Schools worked for four weeks to revise and develop a program based on skills and objectives.

Amherst continued to be successful in receiving federal monies from three projects which were written and funded. Mrs. Marcia Perry wrote a \$1500 mini-grant titled

Project SMILE. This project assists in the establishment of an individualized music program for eighth graders. The results and interest shown by the students has been excellent.

Mr. Paul Collins wrote a grant for the study of a systems management approach to school district operation that received \$4500 for the 1977-78 school year. This grant allows the school board, administrators, and teachers to compare two separate methods of operation - Project CYCLE from Newton, New Jersey, and the Results Planning Process from the Center for Constructive Change being used in Peterborough.

Mr. Collins is presently working with six other principals from Bedford, Nashua, Hampstead, Laconia, Londonderry and Gilford on a Middle School project. This committee has written a planning grant to study contemporary practices of age and learner characteristics of the ten to fourteen-year-old child. This project was funded for \$8,000. A new project involving the same people has been submitted for approximately \$60,000 per year for the next three school years.

Project SURVIVE, written by Mr. Bruce McCullough, science curriculum coordinator, is in its third and final year of funding. The results and enthusiasm for our agricultural program from the staff, students and community has been outstanding. The raising of crops has provided students with a new learning experience as well as contributing to the home economics phase of the program.

The morale, discipline and attitude of our students this year is excellent. I must personally thank our eighth graders for having an excellent class and setting the tone for the entire student body.

I wish to thank Mr. and Mrs. Richard Kelley and Mr. and Mrs. Paul Rayment for their leadership and assistance to the Amherst schools, as P.T.A. presidents; Mr. Richard Crocker and the Amherst Highway Department for the care of the fields and snow removal; the teachers and supportive staff for dedication and excellence; the superintendent of schools and his staff for continued service and the school board for its foresight and wisdom during difficult times.

ROLAND L. SCHOEPF, Superintendent of Schools

HERBERT F. OLIVER, Principal, Elementary Schools

PAUL D. COLLINS, Principal, Middle School

## SYNOPSIS OF ANNUAL SCHOOL MEETING March 4, 1977

Moderator Creelev Buchanan called to order the Annual District Meeting at 8:07 p.m. on Friday, March 4, 1977 at the Wilkins School. A total of 141 voters were admitted by checklist.

Article 1. To determine and appoint the salaries of the School Board and Truant Officer and fix the compensation of any other officer or agent of the district. Ronald Pomerleau moved that this article be passed over and acted upon under Article 7. Seconded and passed.

Article 2. To hear the reports of agents, auditors, committees or officers chosen and pass any vote relating thereto.

Herbert Stearns moved that we accept all reports as printed in the Town Report. Seconded and passed.

Article 3. To choose agents, auditors and committees in relation to any subject embraced in this warrant. Ronald Pomerleau moved that this article be passed over and acted upon after Article 6. Seconded and passed.

Article 4. To see if the district will authorize the School Board to make application for and receive in the name of the district such advances, grants and aids or other funds for educational purposes as may now or hereafter be forthcoming from the United States Government or any other state or private agency. Mr. Stearns moved the question as read. Seconded and passed.

Article 5. To see if the district will vote to raise and appropriate the sum of \$9,500 to reroof the south side of the roof of the Wilkins School original building running from the administrative offices to the new addition, and to patch that portion of the roof over the classrooms of the original building. Mr. Pomerleau moved the question. Seconded. Mr. Richard Connolly, business administrator of Union 41, noted leaks last summer. Motion passed.

Article 6. To see if the district will vote to raise and appropriate the sum of \$15,000 for architectural fees and site preparation for renovation of and an addition to the Clark School. Mr. Stearns moved that the district raise and appropriate the sum of \$15,000 for architectural fees and site preparation for renovation of and an addition to the Clark School; said monies to be kept in a segregated account and to be used only for architectural fees or building costs or to be returned to the Town. Seconded. The rapid increase in student population with an anticipated 850 students and 34 teachers for the 1977-78 school year and a need for 8 additional classrooms was cited by Mrs. Puddington, noting an estimated cost of \$450,000 - \$500,000 with a special meeting for a bond issue planned for September 1977. Article 6 passed.

Mr. Pomerleau moved that the Moderator be empowered to appoint a building committee of not less than 7 nor more than 11 members for the renovation and addition to the Clark School. Seconded and passed. Mr. Pomerleau then moved that Orson Bragdon, Town Auditor, be elected to serve as school auditor and that the audit for the School District be kept separate from any outside independent audit for which the Town may contract. Seconded. Arnold Dickinson moved that the name of Garret Cowenhoven be added. Seconded and passed. Amended article carried.

Article 7. To see what sum of money the district will raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents and for payment of the statutory obligations of the district. Mr. Pomerleau moved that \$3,181,818.47 be raised and appropriated. Seconded. Mrs. Puddington and Mr. Connolly presented the budget with figures shown on a large screen corresponding with those given voters entering the hall. Article 7 passed unanimously.

Article 8. To transact any other business which may legally come before said meeting. Mr. Stearns paid tribute to Mrs. Puddington, who is not seeking re-election, noting that she had given inspiration and assumed leadership setting direction for the district, which was followed by a sustained rising vote of thanks.

Mr. Buchanan reminded the voters of election day March 8. Mr. G.W. Brown moved adjournment, seconded and passed. Meeting adjourned at 9:53 p.m.

LOUISE AINSWORTH, School Clerk

## SPECIAL SCHOOL DISTRICT MEETING December 16, 1977

A special School District meeting at the Wilkins School was called to order by moderator Creeley Buchanan at 8:03 P.M. on Friday, December 16, 1977. Voters were admitted by checklist supervisors Audrey Spalding and Robert Wishart.

Moderator Buchanan read the call and Herbert Stearns of the School Board moved adoption of the article as read. Seconded.

Ronald Pomerleau reviewed the history noting the vote for \$15,000 for architectural fees and site preparation for an addition to the Clark School at the annual school meeting of March 4, 1977, with appointment of a building committee of 7-11 members. This committee chose the firm of Page/Michaelis and made its recommendations to the School Board. Herbert Oliver, principal of Clark-Wilkins schools, explained the proposed changes and addition of two classrooms.

Mr. Pomerleau showed a chart of projected student enrollments, noting that there are 811 students at the present time, where 812 is projected for September 1978. The capacity of the two schools is 920 students, so addition of two classrooms would alleviate crowding and gain time. Renovations alone would not qualify for state building aid.

Roland Schoepf, superintendent of Supervisory Union 41, spoke of financing, noting the district is eligible for 30% state aid. He suggested the School Board would advertise for bids for a 3-year note.

Mr. Buchanan read a letter from Frank Whaland, chairman of the Building Committee, stating his personal views that the board had not followed the recommendations of the committee (letter attached to file copy of minutes). Mr. Pomerleau explained that the board had substituted some items it felt were more necessary, but that very little changes were made. Other members of the Building Committee stated that they did not agree with Mr. Whaland.

Mr. Mendolosky of the Ways and Means Committee stated that it had just received the breakdown of expenditures for the renovations and had not taken a position. It was noted that no money amount was mentioned in the motion of Mr. Stearns. G.W. Brown moved the amount of \$265,000 be inserted. Seconded. So voted.

Moderator Buchanan read the amended motion as follows:

I move that the District vote to raise and appropriate the sum of \$265,000 for the construction of an addition to the existing Clark Elementary School, for alterations and renovations to said building, for originally equipping and furnishing said addition and renovations, including architectural and other service fees, site development, and any other items incidental to or necessary for such construction, on land presently owned by the Amherst School District; that the Amherst School Board be authorized to determine whether such appropriation shall be raised by the issuance and sale of bonds or notes upon the credit of the Amherst School District in accordance with the provisions of RSA Chapter 33, as amended; that the Amherst School District be authorized to invest said moneys and to use the interest earned thereon for said projects; that the Amherst School Board be authorized to obtain State and other aid which may be available; and that the Amherst School Board be authorized to

determine the time and place of payment of principal and interest, fixing the rate of interest, the provisions for the sale of notes and/or bonds, and all other matters in connection therewith.

Polls were opened from 9:08 P.M. to 10:08 P.M. for a yes/no vote by ballot with Kenneth Lovell and Paul Rayment assisting the supervisors of the checklist. G.W. Brown and Elliot Lyon tallied the vote. There were 84 votes cast - needed to pass, 56; yes - 60, no - 24. The motion carried.

Meeting adjourned at 10:15 P.M.

LOUISE AINSWORTH, School District Clerk

## OFFICE HOURS of TOWN OFFICERS

### Selectmen

Town Hall: Tuesday Evenings, 7:30 p.m.

### Selectmen's Secretary

Town Hall: Monday thru Friday, 9:00 a.m. to 3:00 p.m.

### Town Clerk

Town Hall: Monday thru Friday, 9:00 a.m. to 3:00 p.m.  
Monday evenings, 7:00 to 9:00

### Tax Collector

Town Hall: Monday thru Friday, 9:00 a.m. to 3:00 p.m.  
Monday evenings, 7:00 to 9:00

### Zoning Administrative Official

Town Hall: Monday thru Friday, 8:00 a.m. to 12 noon  
Monday evenings, 7:00 to 9:00
