Danville
New Hampshire

Annual Town Reports
for
DANVILLE
NEW HAMPSHIRE

For the Fiscal Year Ending
December 31, 2012

Dedication

Jack Howland

January 5, 1939 – August 13, 2012

On August 13, 2012, John Sinclair Howland passed away peacefully in his sleep. With his passing, the Town lost a member of the community who was dedicated to serving the residents in whatever capacity he was able. More than this, Danville lost a friend.

Known as Jack, he left this town with a large void to fill. He was respected for his keen mind and ability to sift through the chaff and leap right to the source of the problem. Jack was known for his analytical perspective, offering a precise and astute solution to any problem. For those who knew him well, he was sought out as a friend for his wit and wry sense of humor.

Jack served for many years as president of the Olde Meetinghouse Association, the group that oversees and preserves this marvelous specimen of antiquity. He was also a member of the Zoning Board of Adjustment since 1996, serving as its chairman from 2009 until his death. He always ensured the applicants and board members stayed on topic. Trifling in trivialities was not allowed in the meetings at which he presided.

Two years ago, when Danville celebrated its 250th Anniversary, Jack was the unanimous choice to chair the event. Midway through the extensive preparations, he suffered a medical setback and felt he should resign. His committee pleaded with him not to, gladly offering to take over his responsibilities if he would stay on as their leader. He did, and for those who attended, the celebration is remembered as a magnificent success. Thank you, Jack.

Jack lived longer in Danville than anywhere else. He loved this town, and this town is better off because he was here. Jack is buried in the Old Meeting House cemetery, there in the shadow of his beloved building.

*What we have done
for ourselves alone
dies with us.*

*What we have done
for others and the world
remains
and is immortal.*

The photos in this year's Town Report highlight historic structures around town. We hope you enjoy the photos of these wonderful buildings from our past.

To the residents of Danville,

Last year the Town of Danville lost a treasure with the passing of John (Jack) Howland and a cherished Veteran member of the community, Patrick (Pat) DeFelice. Both gentlemen were very active in the Danville community. Jack served on the planning and zoning boards, a past president and lifetime member of the Olde Meeting House Association, as well as being instrumental in the enormous success of the Danville 250th celebration. Pat served his country honorably as a U.S. Merchant Marine in WWII and in the U.S. Navy and was a past commander and member of the American Legion of Danville. Each will be remembered with fondness and are greatly missed.

We welcomed a new selectman to the Board: Michelle Cooper, who was elected in March. We would encourage all residents to consider sharing an interest in one of the many committee and volunteer opportunities available in the Town. To those currently serving, we are grateful for your willingness and dedication and thank you for your continued efforts.

The Danville Community Center continues to draw upon community development. The Board wishes to commend the group of volunteers that form the Community Center Committee for their hard work and management of such responsibilities as the handling of requests, the event calendar, care of the facility and the prioritization of sorely needed upgrades to the building. Last Summer, the Recreation Committee, along with Police Chief Wade Parsons, held *Movie Nights* for residents with great success. At this time, they are preparing a schedule for this coming summer and would welcome all ideas and movie suggestions/recommendations. Please feel free to contact them directly or through our office – and look for the final schedule to be included in the Spring mailer.

The Board continues to strive for lowering costs and maintaining a reasonable budget during these tough economic times. We have implemented technology that will generate cost savings and are working closely with the Town auditors and our contracted partners to maintain a high standard of fiscal responsibility all while providing valuable services to the community. Some examples: Caregivers of Derry is providing much needed services to 271 Danville residents driving over 5762 miles for grocery shopping, errands, light chores, and medical appointments; and the utilization of Casella has decreased Danville's landfill footprint by nine tons and increased recycling by ten tons per month since last year! Finally, we are pleased to introduce the CodeRed Emergency Notification System which will enable Town officials, Police and Fire to report vital information the entire community swiftly and efficiently.

As we delve into 2013, we would like to bring focus on the wonderful history of the Town and particularly note the importance of the Town's buildings as they are passed on to the next generation. We are rich with architecture and every building has a story to tell. Exciting in 2013, the Webster Stagecoach Stop and Store is slated to open to visitors after its major transformation draws to completion. The Board would like to thank the Heritage Commission, members of the Danville Elementary School and several wonderful volunteers for their efforts and assistance in organizing Danville Colonial Day for the school children. The day provided a wonderful opportunity for them to learn more about the town's historic buildings, ask questions and draw on their imagination. What a truly invaluable initiative!!

INDEPENDENT AUDITORS' REPORT

To the Board of Selectmen
Town of Danville, New Hampshire

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Danville, New Hampshire, as of December 31, 2011, and for the year then ended, which collectively comprise the Town of Danville, New Hampshire's basic financial statements as listed in the Table of Contents. These financial statements are the responsibility of the Town of Danville, New Hampshire's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Danville, New Hampshire, as of December 31, 2011, and the respective changes in financial position thereof, and the respective budgetary comparison for the General Fund for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis, appearing on the following pages, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited

procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with evidence sufficient to express an opinion or provide any assurance.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Danville, New Hampshire's basic financial statements. The schedules of Nonmajor Governmental Funds, appearing on pages 36 - 39, are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly presented in all material respects in relation to the financial statements as a whole.

Melanson, Heath + Company P.C.

2012 Town Clerk Annual Report

There were 487 automobile registrations (+250 from 2011) and 89 dog licenses (-2 from 2011) done online in 2012.

All dogs must be licensed by April 30, 2012 in order to avoid fines. You may license in person, by mail, or online by visiting our website at www.townofdanville.org.

The Town Clerk's goal for 2012 is to have Vital Record requests available online through our website. We will also be working with the website committee to provide more information and forms on our site for your convenience.

2012 Trustees of the Trust Funds Annual Report

During the year 2012, the Trustees of the Trust Funds had the following key activities in the Town of Danville's capital reserve funds:

Capital Reserve Fund (CRF) Additions from 2012 Warrant Articles:

\$200,000	for the Timberlane School District Buildings CRF	
\$30,000	CRF for Future Fire Dept. Vehicle Purchases	(WA 2012-7)
\$20,000	for the Highway sand/salt Storage Building	(WA 2012-10)
\$1,000	for Cemetery CRF – NHPDIP #37	(WA 2012-8)
\$8,000	to the Fire Dept Protection of Personnel Equipment CRF	(WA 2012-6)
\$2,500	for the Colby Memorial Library Leach Field CRF	(WA 2012-13)

Capital Reserve Fund (CRF) Additions intended for 2011 – Checks for 2011 Warrant Articles were received in December 2011, transfer of funds occurred January 2012:

\$5,000	to the Cemetery	CRF (WA 2011-5)
\$10,000	to the Long Pond Road CRF	(WA 2011-6)
\$20,000	to the Highway Sand/Salt Storage Building CRF	(WA 2011-7)
\$880	to Municipal Mosquito Control CRF	(WA 2011-9)
\$8,000	to the Fire Dept Protection of Personnel Equipment CRF	(WA 2011-12)

Danville's investments remain in the New Hampshire Public Deposit Investment Pool. The administrator for NHPDIP is still Cutwater Asset Management.

For a complete list of all 2012 funds and fund activities, along with the 2012 year end balances, please review the 2012 Investment Summary Report in the following pages.

Warrant Articles

Budget

Revenue Report

**State of New Hampshire
Town of Danville**

2013 Town Meeting Warrant

Article 2013-1 *Choose all necessary Town Officers for the year ensuing. (March 12th only)*

Article 2013-2 *Choose all School District Officers for the year ensuing. (March 12th only)*

Article 2013-3 *Citizens Petition for Amendment of Zoning Ordinance*

“To see if the Town of Danville will vote to amend the Town of Danville Zoning Ordinance to clarify the following: The rebuilding, removal or placement of stone walls and fences in the residential / agriculture zone does not require formal review. Existing boundary walls or boundary monuments and markers shall be protected as provided for in N.H. state law RSA 472:6.

Specifically, this will add Article VII.U to read:

“Stone walls and fences are private property and are not permanent structures. Therefore there shall be no regulation or review of them for rebuilding, removal or placement except as included in the provisions of RSA 472:6 and as noted elsewhere in the ordinance.”

Recommended by the Planning Board 4-0

Article 2013-4 *Operating Budget*

“Shall the town of Danville raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote for the first session, for the purpose set forth therein, totaling two million seven hundred ninety six thousand nine hundred eighty seven Dollars (\$2,796,987). Should this article be defeated, the default budget shall be Two Million Seven Hundred Fifty Nine Thousand Three Hundred Six Dollars (\$2,759,306) which is the same as last year, with certain adjustments required by previous action of the Town or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only.”

Article 2013-5 *Protection of Personnel Equipment Capital Reserve Fund*

To see if the Town will raise and appropriate the sum of Eight Thousand Dollars (\$8,000.00) to be added to the Protection of Personnel Equipment Capital Reserve Fund previously established for the future replacement of Self-Contained Breathing Apparatus (SCBA) to protect firefighters.

Recommended by the Board of Selectmen (4-0)

Recommended by the Budget Committee (6-1)

Article 2013-6 *Fire Dept. Capital Reserve Fund for Future Fire Dept. Vehicle Purchases*

To see if the Town will raise and appropriate the sum of Thirty Thousand Dollars (\$30,000.00) to be added to the Fire Dept. Capital Reserve Fund for Future Fire Dept. Vehicle Purchases previously established.

Recommended by the Board of Selectmen (4-0)

Recommended by the Budget Committee (6-1)

Article 2013-7 *Net Funds generated from Billable Incidents*

To see if the Town will vote to appropriate any funds generated by the Fire Department for billable incidents that after expenses are paid, surplus monies be added to the Emergency Vehicle and Equipment Revolving Fund.

Article 2013-8 *Cemetery Capital Reserve Fund*

To see if the Town will raise and appropriate the sum of One Thousand Dollars (\$1,000.00) to be placed in the Cemetery Capital Reserve Fund for future cemetery expansion.

Recommended by the Board of Selectmen (4-0)

Recommended by the Budget Committee (7-0)

Article 2013-9 *Long Pond Road Culvert Capital Reserve Fund*

To see if the Town will raise and appropriate the sum of Ten Thousand Dollars (\$10,000.00) to be added to the Long Pond Road Culvert Capital Reserve Fund previously established.

Recommended by the Board of Selectmen (4-0)

Recommended by the Budget Committee (7-0)

Article 2013-10 Highway Sand/Salt Storage Building Capital Reserve Fund

To see if the Town will raise and appropriate the sum of Twenty Thousand Dollars (\$20,000.00) to be added to the Highway Sand/Salt Storage Building Capital Reserve Fund to fulfill a future EPA requirement for storm water management.

Recommended by the Board of Selectmen (5-0)
Recommended by the Budget Committee (6-1)

Article 2013-11 New Police Station Capital Reserve Fund

To see if the Town will vote to raise and appropriate the sum of Twenty Thousand Dollars (\$20,000) to be added to the New Police Station Capital Reserve Fund previously established.

Recommended by the Board of Selectmen (4-0)
Recommended by the Budget Committee (7-0)

Article 2013-12 Colby Memorial Library Expend Interest

To see if the Town will raise and appropriate the sum of Forty Four Dollars Eleven cents (\$44.11) to purchase books and authorize the use of that amount from the interest income earned from the library's TD Banknorth checking account.

Recommended by the Board of Selectmen (4-0)
Recommended by the Budget Committee (7-0)

Article 2013-13 Colby Memorial Library Trust Fund for a New Library Leach Field

To see if the Town will vote to raise and appropriate the sum of Two Thousand Five Hundred Dollars (\$2,500.00) to be added to the existing Colby Memorial Library's Leach Field Trust for the replacement and / or repair of the library's leach field.

Recommended by the Board of Selectmen (4-0)
Recommended by the Budget Committee (5-2)

Article 2013-14 Municipal Mosquito Control Expendable Trust Fund

To see if the Town will vote to raise and appropriate the sum of Two thousand five hundred dollars (\$2,500.00) to be added to the Municipal Mosquito Control Expendable Trust Fund established for the purpose of management and spraying for mosquito control.

Recommended by the Board of Selectmen (4-0)
Recommended by the Budget Committee (7-0)

Article 2013-15 Danville Town Hall Non-Capital Reserve Fund

To see if the Town will vote to establish a Non-Capital Reserve Fund per RSA 35:1-c for the engineering, repair, and renovation of the Danville Town Hall and further to raise and appropriate Twenty Five Thousand Dollars (\$25,000.00) to go into this fund.

Not Recommended by the Board of Selectmen (2-2)
Recommended by the Budget Committee (6-1)

Article 2013-16 Dissolve Elected Animal Control Officer Position

To see if the Town will vote to rescind Citizen Petition Warrant Article 2012-18 that created the position of a yearly elected Animal Control officer and continue animal control services as currently administered through the Police Department per RSA 41:2.

Article 2013-17 Purchase of a New Ambulance

To see if the Town will vote to raise and appropriate the sum of One Hundred Seventy-Five Thousand Dollars (\$175,000) to purchase and equip an Ambulance Rescue vehicle and to authorize the withdrawal of \$139,000 from the Fire Dept. Capital Reserve Fund for Future Fire Dept. Vehicle Purchases and to authorize the withdrawal of up to \$36,000 from the unreserved fund balance.

Recommended by the Board of Selectmen (4-0)
Recommended by the Budget Committee (5-1-1)

Article 2013-18 Purchase of Town of Danville Highway Vehicle

To see if the Town will vote to raise and appropriate the sum of Zero Dollars (\$0.00) to purchase and equip a Ford F-350 or similar vehicle to be used for the daily functions of the Highway Department.

Not Recommended by the Board of Selectmen (2-2)
Recommended by the Budget Committee (7-0)

Unapplied Exemptions	\$ 0
Total Applied Exemptions:	\$ 3,406,540

**Net Valuation for which municipal, county, & local
2011 Tax Rate was Computed** **\$ 331,448,699**

Notice

If you own real estate lots that were involuntarily merged by municipal action, you may be able to have those lots restored to their pre-merger status. Your property may qualify if two or more lots were merged for zoning, assessing, or taxation purposes and the merger occurred during your ownership, without your consent; or prior to your ownership, if no previous owner consented to the merger. To restore your property to pre-merger status, you must make a request to the local governing body no later than December 31, 2016. Once restored your property will once again become separate lots; however, they must still conform to applicable land use ordinances. Restoration does not cure non-conformity.

This notice is published in the Annual Report in compliance with RSA 674:39-aa.

2012 Police Department Annual Report

The Danville Police Department, with a current sworn staff of 5 full-time officers, 2 part-time officers and a full-time secretary, provides a complete range of public safety and community based services. These include emergency response, criminal investigations, motor vehicle enforcement, juvenile services, and a wide array of community-focused crime prevention programs.

We noted a few areas of concern in our statistical summary when compared to prior years, particularly the number of reported thefts, which were up approximately 17%. Many of these thefts are from unlocked motor vehicles. It is imperative to secure your valuables and lock your vehicles when unattended. Thieves tend to be opportunists and if a vehicle is locked, they tend to move on. Of great concern is the amount of illegal activity involving prescription drugs. Many of these drugs are being easily bought and sold on the streets, which is leading to hapless addiction to our youth. We will continue to partner with the Rockingham County Sheriff Department's Narcotic's Drug Task Force to curb this epidemic.

We received three new Motorola Portable Radios valued at \$10,002.32 from the NH Department of Safety through grant funds made available from Homeland Security. This is part of a continuous effort to achieve statewide radio interoperability and gives us the ability to communicate with other agencies in the event of an emergency or natural disaster.

This year we joined the Great Bay Community College (GBCC) Police Testing Alliance, who will administer all written police exams for uncertified applicants. This will be a significant cost savings over our previous testing process and provide us with a broader pool of candidates when a position becomes available. The GBCC currently administers written exams for nearly 50 participating police departments. If you are interested in pursuing a career in law enforcement, or would like additional information, please visit the GBCC website at http://www.greatbay.edu/police_testing or call 603-427-7600.

This past year we expanded our community service programs by hosting outdoor "movie night" at the Day Field next to the Community Center throughout the summer months. The movies were free and provided an opportunity for family, friends, and neighbors to mingle and enjoy a night out. We concluded the summer series by hosting a "Fall Flea Market & Music Festival" where residents were able to display their fine crafts and collectibles, and children enjoyed a bounce house, cotton candy and face painting. A number of talented local musicians performed throughout the day, adding to the festivities. I'd like to thank the Board of Selectmen for supporting our plans for this project, the Recreation Department and Danville Fire Association for sponsorship, and the other dedicated volunteers who helped. Be sure to check your Spring Flyer for this year's calendar of events.

I'm proud to report that two officers were recognized last year by the National Association of Chiefs of Police for their outstanding achievements. Officer Michelle Cooper received a General Commendation for her contributions to an investigation that led to the largest drug and asset seizure in the department's history; totaling over \$400,000.00 in cash and nearly \$500,000.00 with combined assets. Corporal Jason Pond received the Life Saving Award for the department's first saved life with an automated external defibrillator (AED) after he rendered aid to a 51-year-old woman who suffered a major heart attack. I would also like to recognize Officer Jesse Hamlin for successfully completing New Hampshire's 158th Full-Time Police Academy, and every other member of the department for their own individual accomplishments. Congratulations to each of you!

On behalf of my entire department, thank you for your continued support. It is our pleasure and honor to serve you! As always, my best wishes to all of you for a safe and happy 2013.

Wade H. Parsons, Chief of Police

2012 Colby Memorial Library Annual Report

For the last several years, we have seen our numbers for circulation and member visits increase each year. We are happy to report that 2012 was no different. We registered 194 new members (up 7% over last year) and had 24,084 patron visits, a 39% increase over last year. Our circulation was 51,823 items which is a 5.7 % increase over last year. We added 1533 books, 109 audio books on CD, and 219 DVDs to meet the needs of our patrons. The circulation on the large-print books was 2420. Please take some time to stop in, meet the staff, browse the shelves, and become familiar with your library.

We would like to remind residents that we offer the following:

Family passes for the Boston Museum of Science, and the Seacoast Science Center.

N.H. Downloadable Audio books. Audio books and ereaders can be downloaded to a computer, Mp3 player, WMA, iPods, iPads, Nooks, Kindles, and some can be burned to a CD.

9 Public access computers with Internet access, Microsoft Word, and Excel. **NHewLink**, funded by the New Hampshire State Library, an online resource, is available to the public at the library and from home PCs via Internet. It provides access to 2,300 periodicals, 1500 of which are full-text. In addition there are 5 national newspapers, and a good general reference database.

“Learn-a-Test” (an online program of practice tests for SAT, GED, ACT, Civil Services exams, etc.

Ancestry online, a genealogy search program which can be accessed from the library computers only.

Heritage Quest, another genealogy resource, which can be accessed from a home computer will soon be available

Transparent Language Online that has a site of 70 languages that can be accessed from a home PC via the Internet, on a mobile device or at one of the library computers.

This year’s programs included drop-in crafts for children, knitters/crafters group, senior movies, Summer Reading and adult book discussions. “Between the Covers,” “Own the Night,” and “Dream Big” were the three summer reading programs we offered for adults, teens, and children. Twenty four adults and teens and 159 children participated. Lindsay Bezich kicked off the program with a puppet show partially funded by a Kids, Books, and The Arts Grant from the New Hampshire State Library. Children who completed the program received a free book and a participation certificate. In August our Director read nursery rhymes to children at the Old Meeting House for Danville’s Old Home Days celebration. In October Eleanor Strang presented a program on the Underground Railroad in New England, and in November Robert Rivest presented a hilarious and stress-relieving Laugh Yoga Program.

We would like to thank the residents of Danville for their continued support of the library. We would also like to thank the Friends of the Colby Memorial Library for their hard work and fundraisers that have provided us with enough money to purchase museum passes, shelving end panels, and all of our additional programming. Thank you all so much and we wish you a very happy and healthy new year in 2013.

We have more children attending our programming than ever before. The amount of children at our weekly storytimes and special programs has increased by 24% over 2011. Bring in your kids, browse our spacious and inviting children’s room, and join us for storytime.

We hope that you’ll agree that these are the statistics of a building and staff that continue to meet and exceed the needs of the community, allowing access to a wealth of knowledge through books, high-speed internet, and informative and engaging programming.

Library Usage			
Circulation		Patron Visits	
2007	33,293	2007	13,079
2008	36,762	2008	14,732
2009	40,620	2009	16,318
2010	41,713	2010	16,901
2011	49,051	2011	17,289
2012	51,823	2012	24,084
Increase since 2007:	56%		84%

Library hours are Monday and Tuesday 12-8 PM, Wednesday and Thursday 10AM-6PM and Saturday 10AM-1 PM. Preschool Storytimes are held on Thursday at 10 AM and 1 PM. The knitters/crafters group meets on Mondays from 6-7:45, senior movies are shown at 11AM on the first Wednesday of the month, and the book discussion group meets the first Thursday of the month at 7PM.

Dottie Billbrough, Director
 Sarah Weston, and Barbara Chalmers, Trustees.

2012 Fire Department Annual Report

The Danville Fire Department responded to a total of 315 emergency calls in 2012. We continually strive to improve our level of service to the residents of Danville through training in both Fire and Emergency Medical Services. The members of the department train monthly in-house and many members attend courses throughout the State to improve their Fire and EMS skills.

I would like to remind the residents of Danville the importance of proper house numbering: please attach reflective numbers to your home and mailbox. In an emergency situation seconds count, a visible house number from the street will get assistance to you quicker.

Response to emergencies in Danville is quite impressive, especially during the weekdays when the station is manned Monday-Friday 8:00am to 4:00pm with two FF/Emts. It takes the Danville Fire Department 4.9 minutes from notification to arrival on scene of an emergency during weekdays and 7.2 minutes nights and weekends when members respond from their homes.

Department personnel are always working to receive State and Federal grants. Since 2004 we have received almost \$200,000.00 in grant money to purchase much needed equipment. In 2012 we received a \$2500.00 State grant to update and maintain our waste oil burner located at the Safety Complex. This program has been quite successful as we have not had to purchase heating oil for the apparatus bays for the last two years. We collect clean used oil Monday through Friday 8:00am to 4:00pm at the Fire Department.

Burn permits are required for any outside burning and may be obtained at the Fire Department during normal business hours. Permits are also required for wood, coal, pellet, and gas stoves as well as permanent emergency generators. These can be obtained at Town Hall during normal business hours.

I would like to thank the members of the Danville Fire Department and their families for the dedicated and professional service they provide the residents of Danville.

I would also like to thank the citizens of Danville for your continued support of our organization and ask for your support in 2013 with many important issues facing the Danville Fire Department.

Respectfully

Steven J Woitkun

Chief Danville Fire Department

2012 Heritage Commission Annual Report

It has been a very busy and rewarding year for the Heritage Commission. One major project this year was working with the Danville Elementary School to organize visits to some of Danville's historic sites for the school's Colonial Day event in May. The Commission worked with Nikki DeSantis and Cindy Wood, the school's enrichment teacher, to arrange for buildings to be opened and mentors to be present for a presentation and answering the children's questions. We are grateful for the assistance of Peter and Deborah Meigs, Robert Griffin, Phil Emilio, III and Betsy Sanders in overseeing the buildings. Approximately 250 children participated in the tour. The Commission also provided each child with a wristband in the school's colors embossed with "Danville Colonial Day 2012" and Danville's Historic Buildings and Sites brochures. Photographs of the event can be viewed through the school's website at <http://trsd.phanfare.com/ds>. We learned this fall that the school and the Heritage Commission had been nominated by the PTA for an award for their collaboration on this project. On November 19, 2012 the Danville Elementary School and the Heritage Commission were presented with The Gold Circle School Partnership Award by the New Hampshire Partners in Education at a ceremony in Manchester.

The Commission's second major project was completion of the Moose Plate and LCHIP grant requirements for the restoration work at the Webster Stagecoach Stop and Store. The building has undergone a major transformation this year as a result of that grant work. All of the building's sills have now been repaired or replaced, new cedar shingles have been installed on the exterior walls, a new cedar-shingled roof has been completed and all of the window frames have been restored. The only major task remaining is restoration of the window sashes; we plan to investigate potential grants to complete this work. During 2013 we will be setting up the interior in anticipation of opening the building to visitors.

Again this year the Heritage Commission was the fortunate recipient of community service work by the DeChane family, who cleared trees and branches that had fallen during last winter from the walking trail that leads to the Beehive Hut. Tyler DeChane also built two heavy-duty outdoor signs, one for the Beehive Hut and one to mark Tuckertown Road at the easterly end of the new Tuckertown Rangeway walking trail off Caleb Drive. Tree tags marking the boundaries of the cleared section on the easterly end have been posted. The Heritage and Conservation Commissions jointly paid this year for surveying of the westerly side of the walking trail, which leads to the Sandown town line. The surveying work has been completed, pins have been placed marking the boundaries and clearing of that section of the trail is slated for next year.

The Heritage Commission is actively involved in many activities that honor our Town in a positive and special way. Our projects are interesting and fun, and we continue to discover new and exciting information about our Town's history. Being a member is an opportunity to learn about and understand our town's past. The Commission meets for a couple of hours twice a month. We currently have an opening for an alternate and would love to have new members who are interested in continuing the Commission's work regarding Danville's heritage and historical places. Applications for membership are available at the Selectmen's office at the Town Hall.

The Town's Heritage Fund is available for those who would like to make a monetary contribution towards preserving historic town-owned structures. The Heritage Fund is dedicated to public purposes and donations to the fund are therefore tax deductible under section 170(c)(1) of the Internal Revenue Code. Arrangements for donations may be made by contacting the Heritage Commission.

Planning Board 2012 Report

In 2012, the Danville Planning Board saw renewed interest in residential development and new interest in commercial development within the Town. While the state of the economy certainly impacted development for the past few years, 2012 turned out to be a busy year for the Planning Board. Although development has not returned to the levels seen prior to 2008, it is clear that the Town is once again attractive to developers. Long-term, the Planning Board anticipates that growth will continue due to the Town's location and rural environment.

In 2012, the Board saw an increase in both commercial development and multi-family development. Two commercial developments were approved on the southern end of Main Street. These businesses are now open and providing services to the residents of the area. This is in addition to the large commercial developments approved in 2011 for a Continuing Care Retirement Community and a retail plaza which have not yet completed construction. These commercial developments, all near Route 111, signify a new phase in Danville's growth. These are the first commercial developments approved in several years and will provide local jobs and resources to Danville's residents. The Planning Board anticipates that these developments will bring additional commercial business to the area. It is important that commercial development be conducted in a manner that retains Danville's unique character.

The Planning Board continues to review all subdivision, site plan, and excavation applications to make sure they meet state and local regulations and to help maintain the rural nature of Danville. The Planning Board reviews each of the applications at our regularly scheduled meetings. All applications and plans are also reviewed by both the Conservation Commission and Town Engineer. Additionally, an on-site examination of the proposed development site is also conducted, with other appropriate town groups invited to participate. The Planning Board frequently calls on the expertise of the Road Agent, Heritage Committee, Board of Selectmen, Fire Department, and Police Department, as required, to perform an appropriate review.

The Planning Board has been encouraged by the large amount of interest in planning issues shown by the residents of Danville. Our hearings have been well attended with a wide diversity of thoughts expressed. In addition, many of the Town's residents watch our meetings on Danville's cable channel 20. This type of participation helps ensure that development in Danville is managed appropriately. The Planning Board typically meets on the second and fourth Thursdays of the month at 7:30PM in the Town Hall. We invite you to join us at these meetings and invite you to get involved with the activities of the Board. Please contact the Selectmen's office for an updated agenda and meeting schedule.

In addition to the four positions up for election in March, the Planning Board currently has open positions for two alternates. These full and alternate positions provide an excellent opportunity to learn about the activities of the Board and the Town regulations/ordinances. If you're interested in one of the alternate positions, please contact the Planning Board Chairman, or the staff in the Selectmen's office at the Town Hall.

2012 Animal Control Annual Report

This past year the Danville Police Department finalized a contract with the Plaistow Police Department to provide animal control services to the Town of Danville. This new pilot program went into effect last June. Officer Brian Farrell was hired by the Town of Plaistow and will serve as a “Regional Animal Control Officer” providing professional and cost effective services to both communities. We are projecting a 32% cost reduction for 2013 ACO services compared to last year’s budget. Officer Farrell also graduated from NH’s 262nd Part-Time Police Academy in November, which will enable him to offer more complete ACO services. Please join me in welcoming Officer Farrell and extending congratulations to him for his recent accomplishments.

We will continue to hold the annual Rabies Clinic at the Kimball Safety Complex and assist Officer Farrell to expand additional services to both communities. I would like to personally thank Plaistow Police Chief Stephen Savage and Lt. William Baldwin for all their support and assistance.

As always, my best wishes to all of you for a safe and happy 2013.

Wade H. Parsons
Chief of Police

2012 Zoning Board of Adjustment Annual Report

This was a year of transition for our Board with the loss of our chairman. After an extended illness Jack Howland passed away peacefully in his sleep on August 13th. A memorial service was held at the Old Meeting House on October 6th. Jack's no-nonsense way of conducting business will be missed. He reviewed each case with impartiality, but treated each applicant with dignity and respect.

The principle role of the Zoning Board of Adjustment (ZBA) is to review applications for zoning variances, special exceptions, and equitable waiver of dimensional requirements, and hearing appeals from the decisions made by administration officials. For example, if the building permit is denied because it is contrary to the Danville Zoning Ordinance, the ZBA can review this to see if there are conditions that warrant granting your request. Each case is reviewed on its own merits, regardless of the outcome of any other application.

In 2012 the ZBA heard five cases. Two of these were appeals of administrative decisions made by the Planning Board. In ZBA upheld the decision by the Planning Board in the first case; the other case was tabled indefinitely. The Board also reviewed and granted a request for a special exception in order to construct an accessory use living area. A request for a variance was also granted which allowed parking in the front of a commercial building. The fifth case, a request for a variance was also granted, allowing a developer to move forward with plans to build garden-style living units.

The board meets on Tuesday evenings as needed with hearing notices posted at the town hall, the post office, and listed in a local newspaper. All abutters to the property affected by the application receive a certified letter of notification of the upcoming hearing. Those seeking a hearing with the ZBA may contact the clerk who will then assist them in filling out the application and abutters list. All applications require a public hearing. The requirement for the public hearing is outlined in RSA 676:7

1755 Old Meeting House

2012 Danville Community Center Annual Report

It has been busy at the Community Center this year with many activities occurring and local groups meeting at the Center. In the spring, a consultant was hired and plans were drawn to renovate the existing restroom facilities to meet all Federal and State requirements for a publically-owned building, bringing the facility into compliance with all ADA requirements. We went out to bid on the project, in October selected Dube Plus Construction, and received approval from the Board of Selectmen to move forward. Due to the holiday events held for the community, renovations will not begin until January 3, 2013. New front doors were installed this summer and are wired to eventually be upgraded to ADA push button if warranted. A Fire and Security System was also installed this summer in the Snack Shack.

For the foreseeable future, the Center is only available for community-oriented events open to the general public with some exceptions made on a case by case basis, such as a meeting place for a local condo association's yearly meeting. The Girl Scouts held their second Pancake Breakfast to raise money for the Food Pantry and the bi-weekly meetings of Danville's 4-H Club and one of our Girl Scout troop's meetings are held at the Center. The Board of Selectmen hosted their Regional Meeting in September and the Senior Luncheon and Annual Tree Lighting and Pizza Party were held in December. The Annual Red Cross Blood drive was also held in December. Donations are accepted for off-setting utility costs.

The Center worked with the Police Department on Movie Night and plans have tentatively been made to move potentially rained-threatened movie nights into the Center to remain on schedule for movies. Many residents have approached the committee with potential events including art classes, Historic Learning seminars, and yoga classes, to name a few. There are many considerations and tasks that will need to be completed before the Center can house cost-charging events.

The Town of Danville is excited to have this wonderful facility in a prime location, and offer it to the residents of Danville for civic and community events! Please contact one of the committee members if you have any questions about using the center for your activity or group. We invite members of the community to attend our meetings, to discuss their ideas and wishes for the future of this building.

2012 Conservation Commission Annual Report

The Danville Conservation Commission was established by town vote in 1972 in accordance with RSA 36-A. The ensuing 40 years brought increased complexity to the tasks with which they were charged. Consequently the current members have undertaken the creation of by-laws, and the first step was establishing a mission statement, as referenced below:

Purpose: In recognition and gratitude for the funding provided to the Conservation Commission by Danville taxpayers the following mission statement defines the ways in which we will be utilizing those funds.

Mission Statement: Good stewardship dictates we care for and increase the environmental and economic resources we are entrusted with. Through our advisory role we may review and comment on potential land use proposals (either physical or regulatory) with the objective of safeguarding and increasing Danville's resource base. Management of land entrusted to the Conservation Commission will combine uses benefiting wildlife, people, the environment, recreation, and our town's financial well being. Acquisition of land, purchased, donated, or otherwise, will be accomplished according to our bylaws.

Subsequent to that, we have begun a systematic physical review of properties held by the town for which the Conservation Commission is responsible. We are focusing on, at a minimum: walking the bounds, noting the condition of the land and any significant environmental features, and the effects of past management.

In cooperation with the Forestry Committee's long term management plan, we purchased materials and provided volunteer labor to replace the failed beaver control pipes at the Great Meadow. This supports the continued presence of wildlife while also reducing significant flooding. Balanced long-term and multiple-use management of our (approximately) 475 acre town forest can provide a significant renewable revenue source for Danville, as well as benefiting wildlife, recreation, clean air, and clean water.

Building upon the past efforts and significant monetary investment by the people of Danville and the Conservation Commission, we have worked on heavily reducing the high level of Milfoil (an invasive aquatic plant) in Long Pond. The efforts of member Jason Holder are to be especially noted. In cooperation with his neighbors surrounding Long Pond, Jason has established the Long Pond Protection Association. This organization will hopefully be a strong partner within our town as we move forward, helping to dramatically reduce long term costs in a variety of ways, such as monitoring to prevent dramatic Milfoil growth akin to what occurred in prior years. The Conservation Commission will continue to support this cooperative approach.

Thank you to all the Conservation Commission members for the time, effort, and thought you have put in during the last year. Thank you to the citizens of Danville for your support. In the year ahead we will continue to build upon these efforts for the benefit of the citizens of Danville.

Respectfully submitted,

Carsten Springer, Chairman
Russ Harding, Vice Chairman

2012 Building Inspector Annual Report

This is my first Building Inspection report since being appointed in July of 2012 as the town of Danville Building Inspector. In August of 2012 Russell Pouliot, the Town Building Inspector, retired and both he and his lovely wife Janice are enjoying boating and, hopefully, in very calm seas. I wish to thank Russ for preparing me to be able to continue providing professional inspection services to this great community.

In addition, I have been assisted in being able to perform these duties by having the support and knowledge provided to me by Patricia Shogren, Selectmen's administrator and Janet Denison, Assessor's Clerk who, combined, have substantial knowledge about the town in general.

I am in the Town Hall on Tuesday evenings from 6:00 PM to at least 7:00 PM to review permit requests and answer questions on proposals. Building Permit applications may be submitted during normal Town Hall operating hours and I shall be able to review those documents on Tuesday evenings.

Persons wishing to call the town hall should do so during business hours at 603-257-1533 and if you wish to leave a message for me please use Option # 6, when prompted by the town phone service.

The following chart illustrates the results of permits issued, what they were for, the values of work performed and all fees received.

Category	# of permits	Stated Cost of Construction	Building Permit Fees
New residential homes	2	\$264,000.00	\$528.00
New commercial	1	\$140,000.00	\$280.00
Residential renovations, additions, decks, etc.	29	\$468,663.00	\$1,252.00
Commercial renovations	1	\$200,000.00	\$400.00
Above ground pools	1	\$9,000.00	\$30.00
Totals:	34	\$881,663.00	\$2,490.00

Respectfully submitted,
Jim Daley
Building Inspector

2012 Forestry Committee Annual Report

During 2012 the Forestry Committee sponsored several walks for youths and school groups. We also worked closely with the Conservation Commission and the Selectmen on issues pertaining to expansion of the Public Service powerline right of way, marking boundaries and fixing the beaver pipes to lower the water level in the Great Meadow. We are particularly thankful to the Conservation Commission for their support of our goals.

Forestry Committee members:
Curt Springer, Chairman
Christiann Caillouette
David Caillouette
Elisabeth Sanders

2012 Cable Committee Annual Report

During 2012, Danville's Cable Channel 20 continued to provide the residents of Danville with access to almost all of the Town committee meetings. Virtually all Board of Selectmen meetings, Heritage Committee meetings, Conservation Committee meetings, Planning Board meetings, Forestry Committee meetings and Budget Committee meetings were televised. In addition, these meetings were rebroadcast several times throughout the week providing additional viewing opportunities. Local church services have been broadcast each Sunday morning. When meetings are not being shown, Danville's Channel 20 broadcasts the Town's electronic bulletin board that provides information about upcoming Town and community events.

The Schedule for Channel 20 is as follows:

Sunday

9AM Danville Baptist Church
11AM Forestry Committee (rerun)
3PM Planning Board (rerun)

Monday

9AM Conservation Commission (rerun)
1PM Heritage Commission (rerun)
4PM Selectmen (rerun)
7PM Selectmen (live)

Tuesday

9AM Heritage Commission (rerun)
1PM Budget Committee (rerun)
4PM Conservation Commission (rerun)
7PM Budget Committee (live during budget season only)

Wednesday

9AM Planning Board (rerun)
1PM Conservation Commission (rerun)
4PM Heritage Commission (rerun)
7:30PM Heritage Commission (live - biweekly)

Thursday

9AM Selectmen (rerun)
3PM Planning Board (rerun)
7:30PM Conservation Commission or Planning Board (Live)

Friday

9AM Forestry Committee (rerun)
1PM Selectmen (rerun)
4PM Budget Committee (rerun)

It is important to note that the Town's Cable TV System operates with no impact to the Town's Tax Rate. The funds are provided by Comcast based on fees returned to the Town in accordance with our franchise agreement.

We hope you enjoy watching Danville's Cable TV channel and hope that you find it useful and informative. We would appreciate any suggestions that you might have.

Barry Hantman, Cable Coordinator
Maren Denison, Camera Operator
Colleen Denison, Camera Operator

2012 Highway Department Annual Report

This past year major road repairs and paving was done on various small roadways and parts of roads that were in need of repair. This year various other projects are under review.

The Annual Earth Day cleanup held in April collected 98 bags of trash. During the remainder of 2012 an additional 20 bags of trash were collected. The Earth Day cleanup for 2013 will be held on April 20 – 21. Please participate as everyone that helps makes it a cleaner Danville. Remember, you can get the bags all year long at the Selectmen’s office during their normal business hours. Once the bags have been filled, leave them on the side of the road, then call the highway department to leave a message where the filled bags are. We will pick them up.

Household Hazardous Waste collections continue to be held each year in May and October. The spring collection will be on May 11th in Plaistow and the fall collection will be held in Atkinson on October 26th. The hours are 9AM to 12 PM. Please watch for additional information on these collections, but if you have questions please do not hesitate to contact either the highway department or the town hall. The 2012 collections saw a participation of 27 residents in the spring and 49 residents in the fall.

In past years we have asked you to support a warrant article to put funds away for a new sand/salt building. We are getting closer to our goal due to your continued support. We have priced out the costs to build this building and have an approximate cost of \$180,000.00 currently, which includes price of materials, etc.

The EPA is working on a draft permit for Phase II Stormwater Management and it has been placed out for review. This permit directly addresses the procedures for winter road maintenance and storage of salt/sand within 6 months of adoption. When this new permit will be adopted is not known, but we have been advised that it will be within a year. We have been proactive in preparing for this and thank you for your continued support of this article.

Bruce Caillouette, Road Agent

2012 Cemetery Trustees Annual Report

The Cemetery Trustees have accomplished many small projects this year. The well houses in both cemeteries have been repaired, renewed, and painted, ready to be placed back in the cemeteries for the spring. We are still working on the mapping project in Center Cemetery but are getting closer to finishing. All information has been gathered and now the task of putting it all together begins. The front wall surrounding Ye Old Cemetery has been repaired and straightened. The processes of straightening, fixing and repairing the broken stones continues each year in the hopes of saving these monuments for the future.

We have been bringing in fill and trying to level out all the areas in the new section of Center Cemetery. In the spring, we will be looking for someone to help us design a layout that best uses the space available.

Thank you all for your support and hope that you enjoy this part of Danville’s heritage.

Cemetery Trustees:
Beth Caillouette
Leon Buzzell
Constance Metcalfe

2012 Mosquito Control Annual Report

Dry conditions favor West Nile Virus (WNV). That was apparent in NH and across the country last season. As of December 2012, there were 5387 human cases of WNV with 243 deaths nationwide. In NH, there were 41 WNV positive mosquito batches in eight communities and a human case in Manchester. The WNV positive mosquitoes were trapped in Seabrook, Brentwood, North Hampton, Exeter, Stratham, Salem, Manchester, and Nashua.

Mosquitoes carrying EEE were found in Danville, Brentwood, Manchester, Sandown, Newton, and Newfields last season. Two horses and two emus died of EEE. The horses lived in Durham and Derry while the emus were from Fitzwilliam. Massachusetts had an active season with 266 mosquito batches testing positive for EEE and seven human cases of the disease. EEE may be on the rise again after two previously quiet years in NH. I would expect to see more EEE activity next year in the state.

Dragon has identified 124 larval mosquito habitats in the Town of Danville. Crews checked larval habitats 301 times throughout the season. There were 62 sites treated to eliminate mosquito larvae. In addition, 137 catch basin treatments were made to combat disease carrying mosquitoes. Adult mosquitoes were monitored at four locations throughout town. Over 11,000 mosquitoes were collected in light traps, identified to species, and select species were sent to the State Lab to be tested for diseases. Mosquitoes collected in Danville tested positive for EEE in 2012. Spraying to control adult mosquitoes was conducted at the school last season.

The proposed 2013 Mosquito Control plan for Danville includes trapping mosquitoes for disease testing, sampling wetlands for larval mosquito activity, larviciding where mosquito larvae are found, efficacy monitoring, and emergency spraying when a public health threat exists. The control program begins in April when mosquito larvae are found in stagnant water such as red maple and cedar swamps, ditches, and woodland pools. Trapping adult mosquitoes begins in July. The mosquito control program ends in October when temperatures drop and daylight diminishes.

Homeowners can reduce the number of mosquitoes in their yard by emptying any outdoor containers that hold standing water such as buckets, trash barrels, and boats. Tires collect enough water for mosquitoes to survive. It is also a good idea to change the water in bird baths every two or three days.

Residents who do not want their wetlands treated may use our No-Spray Registry online at www.DragonMosquito.com/No-Spray-Registry or write to Dragon Mosquito Control, P.O. Box 46, Stratham, NH 03885. Be sure to include your name, physical address, phone number, and a description of your property with boundaries. Otherwise, your property may be treated. Anyone who submitted a request in 2012 may contact the office to reaffirm your request. Inquiries may be emailed to info@dragonmosquito.com or call the office at 734-4144. You may call or email our office for assistance regarding mosquitoes, insecticides or questions about EEE or WNV. Check out our web site: www.dragonmosquito.com where you can request a larval survey, sign up for email alerts or follow us on Twitter.

Respectfully submitted,
Sarah MacGregor
President Dragon Mosquito Control, Inc.

Acknowledgments and heartfelt thanks...

Annual publication of the town report is as predictable to Danville citizens as Mayo's ice cream and Santa riding the fire trucks on Christmas Eve. Much work went into Danville's report. This is about your hometown. We hope this edition is informative and useful to you.

In 1942 Norman Rockwell painted a typical town meeting and titled the work *Freedom of Speech*. It portrays a man standing in the audience, while his fellow citizens pay rapt attention to his words. In his pocket is a copy of a town report. Designed to include facts and statistics about the town, it is a compilation of balance sheets, the proposed budget, the auditor's report and other information.

This year's report has been prepared a little differently than in the past. According to state law, the report is to "be published in pamphlet form at the expense of the town" (RSA 41:14). And in the interest of cutting down some of those expenses, we printed it ourselves this year.

We wish to thank all those who contributed photos: Carol Baird, Wade Parsons, Ken Danisevich, Julie DiCarlo, and Sue Clarke, to name a few. Thank you to Bill Gard for his help with the dedication. Special thanks to Maren for sharing a few of her sketches made behind the camera. And of course, this report would not be possible without the committees, commissions, and boards—thank you for your tireless and often thankless efforts to make Danville a place to call home.

Sincerely,
Patty and Janet
