REPORT OF SWIMMING POOL COMMISSION

COMMISSION OF RECREATION

At the 1936 Town Meeting, the sum of \$500 was appropriated to investigate and start a Swimming Pool Project. The moderator selected five members to serve on this Commission whose names are signed to this report.

The Commission held several meetings and considered many possible locations for a Swimming Pool. Since there is no Town water system, the location of the pool depends on a natural supply of water. We have the Minnewawa River, Robin Brook, Trestle Brook and a few other small streams about the Town. The Minnewawa River was discarded for several reasons; this river water, if used, would probably have to be filtered, chlorinated and probably pumped to a pool, principally, however, the Commission felt that any pool built beside the Minnewawa River would be subject to floods which might seriously damage the pool. None of the small brooks of the Town seemed useable except the Trestle Brook which appears to be the only practical supply of water. According to townspeople, this little brook has never been known to go dry; according to fishermen, trout live in it and trout do not live in a stream which dries up or which is polluted. Test of the quantity of water were made during the driest month of 1936 (October) and it was found that there was enough to change the water in the pool every 4 or 5 days. The water was sent to Concord to be tested as to quality and was found to be suitable for bathing and drinking purposes.

The Commission first had in mind constructing the pool near the High School Base Ball field. In order to do this, Trestle Brook would have to be dammed on the hill and piped to a point near the base ball field and near the home of Mr. Leon Wilcox. Another location which would require no piping was considered; this is the location on the rear of the dwelling owned by Mr. Harry Page (in which Mr. Floyd White lives) and bordered on property owned by Mrs. Davieau, Mr. Wm. Wilcox, Mr. Alfred Croteau and Mr. Harry Page.

Deciding on the location, the Commission proceeded to have surveys made and buy the necessary land on which to construct the pool. Enough land was purchased, it was thought, to construct the Pool.

The Commission spent the \$500 appropriated as printed in 1936 Report, Page 14.

At the 1937 Town Meeting, the Commission presented blue prints to show where the pool was to be located. In addition, a verbal description of the pool was given. The Town accepted the location of the Pool, at this Town Meeting. At that meeting, the Town voted to raise and appropriate the sum of \$2,000 for construction of the Pool on that location. Accordingly, the Commission — acting as an agent of the Town — proceeded to carry out the vote of the Townspeople.

Every legitimate effort was made to procure CCC labor to partly construct the pool. The "Pool" was even called a "Water hole for fire protection" in order that the project might be approved by those in control of the CCC. All efforts, however, in this direction failed.

At the hearing, one of the speakers intimated that if work had been started earlier, free labor would have been available. This statement is without foundation and entirely contrary to all facts.

The Commission proceeded to make tests of the gravel, have plans drawn for the pool dam, etc. It was found that flowage would necessitate purchasing a small strip of land owned by Mrs. Davieau. When approached by a member of the Commission, Mrs. Davieau refused to sell the land to the Town and strenuously objected to the entire pool project — this after the Commission had purchased all other necessary land and the Town had instructed it to proceed.

The Commission interviewed Mr. and Mrs. Davieau and again they refused to sell the land. The land which Mr. Davieau owns and which the Town needs to construct the pool at this location consists of a narrow strip of land running along the Trestle Brook and containing approximately $\frac{1}{2}$ acre. The Commission appealed to the Selectmen who viewed the land of Mrs. Davieau and offered her \$35 which she refused.

This stumbling block left no other alternative to the Commission except to request a public hearing before the Selectmen to see if the land should be taken for the good of the Town and just compensation be made for same. By calling this hearing which was the proper legal step, the Commission gave Mr. and Mrs. Davieau and Townspeople the opportunity to express themselves before the Selectmen — the final decision of whether or not the land of Mrs. Davieau should be taken to rest with the Selectmen.

During the hearing, one speaker stated that he felt that the Commission had acted without diplomacy although he stated that he himself had spoken in favor of the swimming pool at the 1936 and 1937 Town Meeting and had voted for the project at that Meeting. The Commission feels that the charge that they acted without using diplomacy is quite unjust. The Commission proceeded in a very logical manner. All land had been bought except Mrs. Davieau's land. Complete plans had been drawn up. Bids on various construction phases had been received and approved. The Town had been appropriated \$2,000 for continuance of construction of same and advised of the suggested location. The Town had approved same, had virtually instructed the Commission as its agent to proceed. When the construction was virtually ready to be started, Mrs. Davieau refused to sell a narrow strip of land which was needed for flowage and strenuously objected to the location of the pool although she had made no objection at the Town Meeting. As a matter of fact, the Commission did not realize that it needed any of Mrs. Davieau's land for the pool until Summer 1937. As you know, boundary lines are very indefinite in many Marlboro real estate deeds. We had thought that we had all the land we needed but discovered that our boundary did not go over as far as we thought. We had Mr. Harry O'Neil survey the land and with much difficulty he finally found our line.

The majority of the Commission felt that this location was the only location in the Town of Marlboro which was practical from a cost view-point. It had been instructed to proceed by the town itself. It had had many meetings and put in many hours of work. It had bought land, it had spent considerable money on surveys. It had asked for, had received and approved bids for various phases of

the construction and then on the eve of construction, all its efforts were held up by one land owner.

The Commission made a survey of all other near-by residents of the Pool. Every one of the residents emphatically approve of the location of the pool and want same to be located there. One resident stated that the Town of Marlboro could not spend money in that location of the Town in a way which would be more beneficial to property owners of that section. He was referring to the fire protection which the pool would provide as well as the recreational part.

The Commission disliked the idea of having to ask that Mrs. Davieau's land to taken without her consent. The Commission considered changing the shape of the Pool — making it smaller and somewhat pear-shaped so that Mrs. Davieau's land would not need to be purchased. However, the Commission realized that Mr. and Mrs. Davieau actually did not care about the small and inexpensive piece of land which the pool required but that they objected to the Pool itself. Building the pool pear-shaped and small would not remove their objection. In addition, the pool could be constructed cheaper and with better technical results if the edge of the pool could be tied up with the embankment of Mr. Davieau's land.

In order to carry out the instructions of the voters at the 1936 and 1937 Town Meetings, the Commission felt that the only diplomatic move left was to appeal to the Selectmen through a public hearing. As you know, notices of the hearing were prominently posted and the public hearing was held before the Selectmen in the Town Hall on September 17, 1937.

In spite of the full documentary evidence being presented at the 1937 Town Meeting, it developed that some did not fully understand all details and voted on the project without a clear knowledge. In view of this and the fact that construction of a pool would be of no use to swimmers in 1937, the Commission formally requested the Selectmen to postpone their decision until after the 1938 Town Meeting when the matter could be then again referred to the voters of the Town.

The Commission is unanimous that the least expensive swimming pool that can be built is on the location recommended.

A pool can probably be constructed at some point nearer the baseball field for considerable more money than the recommended location.

In the opinion of the Commission, these are the only two practical locations in the Town of Marlboro for a swimming pool which is to be supplied with a natural stream of water.

The Commission did not consider a tank type pool such as Peterboro has as it was felt that the cost of same would be prohibitive.

The Commission has an article inserted in the warrent, To see if the Town will vote to take the necessary land as of Mr. O'Neil's survey, raise and appropriate the sum of \$2,000 or act in any manner in relation thereto.

As is understood by a previous vote of the Town, all unexpended appropriations automatically are turned in to the general funds.

The Commission regrets that Mr. and Mrs. Davieau object to the swimming pool being located as recommended. The Commission respects the feelings of Mr. and Mrs. Davieau. However, every other resident of the district, including many who live much nearer than to Mr. and Mrs. Davieau, want the pool located there. And the Commission feels that if the Town wants the pool constructed, that this is the only economical location.

The Commission has tried to present the facts without prejudice in order that the Townspeople may decide this question for themselves. The commission members are acting in the capacity of an agent for the Town and desire to carry out your wishes in the matter.

Respectfully submitted,

EDWARD S. L'HEUREUX,
E. W. BLOMBASH,
HENRY A. FRECHETTE,
ROLAND A. WHITNEY,
Commission of Recreation.

REPORT OF FROST FREE LIBRARY

The annual meeting of the Trustees of the Frost Free Library, was held in the Library, on Saturday afternoon, September 4, 1937, at 1:30 o'clock.

The President Rufus S. Frost, presided and conducted the business meeting. He called on Reverend Herbert J. Foote, to offer prayer. The Secretary then read the minutes of the annual meeting for 1936, and they were approved. The Treasurer, Fred D. Hemenway, read his report, which was adopted subject to Audit.

The report was as follows: Balance on hand October 17, 1936, \$131.08. Amount received during the year, \$445.12, total, \$576.20. Amount paid out, \$421.19, leaving cash on hand, September 4, 1937, \$155.01. The Librarian, Mrs. Elfreda K. Cheeseman read her report, which contained many items of interest. The Library was opened during the year 92 times. Total circulation of books, 8,675. Total circulation of magazines, 7,503. Several have had donated books. Mr. Norman P. Clement, of Buffalo, N. Y., gave a money gift of \$5.00. Four electric lights were installed between book racks, and these have been of very great service. The reading table is well patronized, especially during the school periods.

Moved by Rev. H. J. Foote, that Mr. Walter Buckminster, serve as a committee of one, to determine in what way, a large tree in the rear of the library, should be cared for, that was injured during an ice storm. Mrs. Mabelle F. Page was appointed a committee to supervise the repairs on the concrete walk.

Mrs. Mabelle F. Page and Miss Ruth Hemenway, were

elected to purchase new books. Voted not to exceed \$200.00 for the purchase of New Books.

The business of the election of officers was next taken up. The following were elected.

President — Rufus S. Frost.

Vice-President — Mrs. Mabelle F. Page.

Secretary — Rev. Herbert J. Foote.

Treasurer — Fred D. Hemenway.

Librarian — Mrs. Elfreda K. Cheeseman.

Auditor — Rev. Herbert J. Foote.

The following were elected as members of the Executive Committee. Mrs. Mabelle F. Page, Miss Ruth Hemenway, Walter Buckminster, Ernest Flint, Clarence Ward, Rev. C. P. Buckley, Rev. Herbert J. Foote.

No further business appearing, the meeting adjourned at 2:30.

HERBERT J. FOOTE,
Secretary.

LIBRARIAN'S REPORT

To the president and trustees of the Frost Free Library, the librarian submits the following report for the year ending September 4, 1937.

The Library has been open 92 times with a total circulation of 8,675 books, 5,432 of which were adult fiction, 2,411 juvenile fiction, 525 adult non-fiction and 307 juvenile non-fiction.

The total circulation of magazines was 7,503.

“Life”, the intensely interesting weekly pictorial magazine has been added to the library magazine subscription list and has proved immensely popular. “Leisure”, a splendid “hobby” magazine is also one of the new members, as is “Modern Mechanix”, which has gained equal popularity with Popular Mechanics and Popular Science.

Our library is fortunate in having so many thoughtful friends who donate magazines, some year after year, others whenever they can. Among those friends, I list with pride, Mrs. Grace Thatcher who continues to give "The Country Home". Miss Ruth Hemenway, who remembers us each month with "The Atlantic Monthly", and the "Christian Herald"; Harry Bemis, with "Hunting and Fishing"; the American Legion with the "American Legion Monthly." The W.C.T.U. gives the "Young Crusader" for Juveniles and this year has added the "Union Signal" for adults; Mr. Ernest Blombach has given us a three years subscription to the "Woman's Home Companion," which will be greatly appreciated. Robert Davis is giving us each month the "Science Digest," a new scientific magazine which is A-1. Mrs. Florence Gibson is giving the "Farm Journal" and the "National News of the American Legion Auxiliary", each month. Mrs. Gertrude Bryant and Miss Elizabeth Bryant still continue to give the "Independent Woman", and the "Clubwoman"; Mrs. Veronica Cote has given several copies of "Movie" magazines and Mrs. Mabelle Page, several copies of "Radio News."

Eighty-two books have been added during the year. Forty-two were purchased from the library fund, 20 were donated by Mr. Frank Ryder, 4 by Arnell Cheney, 1 gift of publisher and I purchased (at bargain prices) 15 books (adult fiction) with the \$5.00 that Mr. Norman P. Clement of Buffalo, N. Y. gave me while he was here on his vacation.

I know that all of the library patrons join me in giving sincere praise and thanks to those who have been so thoughtful and generous during the past year.

Four new lights have been added between the books stacks, and they are certainly appreciated by all, and are a complete success.

The reading table still remains a popular spot and is occupied daily during the school term. We hope always to retain the atmosphere of helpfulness and real comradeship

so that pupils with reference work will look forward to the time that must necessarily be spent in the library.

As the years go by, I especially enjoy seeing again those who have been away, either at school or work, who always find time to visit the library when they are home on vacations.

Mrs. Mabelle Page and I have attended two library meetings during the past year. The first one was held in the Keene Public Library. This was not the regular district meeting that is held every year, but a sort of "get-together" of local librarians and trustees to talk over problems and become better acquainted. The morning session was given over to book displays, mending demonstrations, etc. Luncheon was served at the Woman's Club Exchange. During the afternoon session we heard the following splendid speakers, Miss Mary L. Saxton of the Keene Public Library, Mrs. Frederick Stearns, Keene Library, Miss Buffum, and Miss Stone from Keene Normal Library, Mrs. Harry Goodell of Swanzey and Miss Catherine Pratt, from the Public Library Commission in Concord. Entertainment, consisting of speaking and a short sketch, cleverly presented by Normal School girls, under the direction of Mrs. Percy Hudson, added the final touch to a perfect meeting. Mrs. Goodell and Miss Saxton deserve much credit and praise for their untiring efforts in arranging and completing such a splendid meeting.

The regular district meeting was held June 11 in Westmoreland. The attendance was splendid and we all agreed that Westmoreland hospitality is the real thing.

Every minute of both morning and afternoon session was inspiring. We were especially fortunate in having so many excellent speakers. From the real welcome by Dr. Ruth Warwick, till the last good-bye, everything was perfect.

We were all glad of the opportunity to meet Miss Margaret Grant the new Secretary of the Public Library Commission.

The following program was presented:

Morning Session — 10:30

Dr. Ruth C. Warwick Welcome

Miss Margaret Grant Remarks
Miss Catherine Pratt on Certification
Exhibit of new books

Luncheon served at 12:15 by P.T.A.

Afternoon Session — 1:45

Rev. Harold Fyre Greetings
Mrs. Louise Berry Westmoreland Library
Mr. Harry B. Preston Address
Miss Catherine Pratt. Round Table

“The small Library, Its needs, obligation. Resources.”

I feel sure that all those who attended these two meetings are looking forward to next year’s meetings. Any friends of the library who would be interested in attending any of these meetings may do so. We would love to have you.

Since the annual meeting, Mrs. Kate K. Davis has presented the library with a beautiful 12 volume set of the Smithsonian Scientific Series. It is the Patron’s Edition and the first volume is inscribed as follows: “The edition was especially prepared for the Patrons: and in recognition of their cooperation each copy is registered in the name of the owner of the archives of the Smithsonian Institute at Washington, D. C. On the opposite page is the following:

This copy
is registered in the name of
Frost Free Library
Marlborough, New Hampshire
to whom it was presented
by
Mrs. Kate Kimball Davis

We are all very grateful to Mrs. Davis for her generosity and assure her that her gift will always be treasured by the Frost Free Library.

Miss Barbara Harrison has also given us some books since the annual meeting, splendid modern fiction which has been greatly appreciated.

So once again may I say, most sincerely, “Thank you all”.

Respectfully submitted,

FRED D. HEMENWAY,

Marlboro, N. H., Sept. 3, 1937

Treasurer.

REPORT OF HEALTH OFFICER

The year 1937 started off with a great many people sick with grippe, and a few cases of pneumonia. Later in the spring we had an epidemic of measles and whooping cough. In the fall we had another epidemic of whooping cough. There were no deaths. All cases of contagious diseases should be reported to the Health Officer.

Most of the children having whooping cough were given inoculations, which shortened the disease and in some cases prevented it entirely.

Parents should try to prevent their small children from playing in or bathing in the small streams or the river which runs through the village, as the water is polluted and will cause different skin diseases.

DR. LEWIS G. HILDRETH,
Health Officer.

MARLBOROUGH COMMUNITY NURSING ASSOC.

The Marlborough Community Nursing Association submits the following reports for the year ending December 31, 1937.

Financially your association is in a healthy condition, and feels that again this year an appropriation of \$800.00 should care for us during the ensuing year.

Our membership drive, under the direction of Miss Irma Richardson, this year seemed to be responded to more satisfactorily by more of our citizens, and we thank all who did what they could to make it a success.

The usual clinics have been successfully carried on with the aid of other local organizations.

We continue to be indebted to Mr. and Mrs. Ring at the Drug Store and to Mrs. Parker and her staff at the telephone exchange, for their courteous and willing help in locating Miss Robbins when needed. We are thankful to them.

The school board have let us hold our annual meetings the past few years in the school building. We appreciate this co-operation and the extra work it makes for Mr. Anderson, the janitor, but which is done for us in a most hospitable manner. Our only further desire is that more of our citizens would be with us at this meeting. We need the support of all who have the welfare of our town at heart. Quarterly meetings have been held throughout the year at the home of Miss Mabel A. Holt.

Again, we wish to take this opportunity to thank one and all who have helped Miss Robbins in any way in her work.

We urge you to study the nurse's and treasurer's reports which follow.

Respectfully submitted,

RUTH E. HEMENWAY,

February 13, 1938.

President.

REPORT OF THE VISITING NURSE

The following is the report of the Visiting Nurse for the year January 1, 1937 to January 1, 1938.

Total number of calls, 1,110.

Medical.....	420
Surgical.....	396
Orthopedic.....	97
Obstetrical.....	76
Newborn.....	59

All night calls.....	2
Free calls.....	515

Pre-School Work

The regular pre-school clinic was held on May 6, 1937 under the direction of the State Board of Health; at the Greenwood Memorial Vestry. The clinic was sponsored by the local Woman's Club, Parent-Teacher's Association and Nursing Association. Through the generous cooperation of friends, transportation was furnished for those living at a distance.

Fifty-six children were examined by Dr. Walter F. Taylor and Dr. Norris Robertson of Keene, N. H., assisted by Miss Hazel Waite, State Nurse and Della A. Robbins, R. N.

Sixteen children were given diphtheria toxin — anti-toxin by Dr. Taylor.

During the afternoon graham crackers and milk were served to the children.

Welfare Work

The welfare work has continued to be an interesting and active phase.

Again this year, through the cooperation of the Selectmen and the New Hampshire Surplus Commodities Supplies, a number of quilts and a good deal of clothing has been obtained and distributed.

The Ladies' Circle of the Federated Church have done a good deal of sewing.

The Red Cross, Parent-Teacher's Association, American Legion and Auxiliary and friends have contributed generously towards needy dental work.

Friends have given generously of food and clothing to be distributed as needed.

We are grateful for the splendid cooperation of the people at all times and wish to express our appreciation to the telephone staff for transferring calls to the Drug Store, when the nurse is absent from the house, and to Mr. and Mrs. Charles Ring for their courtesy shown in handling emergency calls.

A report of the school work will be found among the school reports.

Respectfully submitted,
DELLA A. ROBBINS, R. N.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Marlborough:

I herein submit my fifteenth annual report as Superintendent of Schools.

To the Superintendent of Schools:

The following is a brief report of the activities in the Marlboro High School.

Organization

The enrollment in the Junior High School is, 60. 30 are girls and 30 are boys.

The enrollment in the High School is: Seniors, 18; Juniors, 19; Sophomores, 24; Freshmen, 18.

The following list is the teacher load of each teacher in the Marlboro Junior and Senior High School.

CHARLES B. KNIGHT	HELEN McEGAN
United States Hisotry	English 7
Geometry	English 8
Algebra	English 9
Biology	English 10

Manual Training 7
Manual Training 8

Marlboro started her basketball season with plenty of pep this year winning five of their twelve games and standing fourth in the Monadnock League. The home team has had a fairly successful season and both the boys' and girls' teams triumphed over the invincible Keene.

The Marlboro teams are sorrowfully handicapped without a gym. with a larger playing floor. Most of the league teams have much larger floors and our teams get lost on them.

Many changes have been made this year in the style of playing and they have worked out satisfactorily.

Miss Helen McEgan the new English instructor at the high school is coaching the girls' team this year. This arrangement allows more time by Coach Bissell to spend on the boys' quintet.

The boys five lost out on the Durham Tournament but did equally as well receiving an invitation to the Townsend Tournament on March 10, 11, and 2.

The list of players on both the girls' and boys' teams is as follows:

Boys
Sherman Martin, Capt.
Harold Burby

Girls
Maxine Butler, Capt.
Bette Hurst

Robert Bissell
Arvo Lepisto
Howard Richardson
Leo Hackler
Edward Rogers
Melvin Martin
Phillip Hildreth
Clifford Richardson
Donald Wilcox
Russell Bissell
Leon Fairbanks
Stanley L'Heureux

Sylvia Beauregard
Barbara Patterson
Eleanor Clark
Clara Knight
Beatrice Zecha
Mary Derby
Vanda Szadziewicz
Audrey Pierce
Neva Applin

Literary and Social Activities

The annual hike to Mount Monadnock took place in October 1937. A cold, bitter rain forced many to eat their lunches in sheltered spots part way up the mountain, and encouraged an early afternoon return.

The Sophomores entertained the High School and its teachers at the annual Freshmen reception and initiation late in the fall. It was enjoyed by all, including most of the Freshmen.

The annual High School play was presented at the Town Hall, Friday, February 4, 1938. "The Professor's Night Out" was a success in every respect.

The Saturday evening after graduation in June 1937 the Junior class held a Junior Prom at the Town Hall. The hall was expertly decorated, and the dance fairly well attended. Many hope it will become an annual social function of Marlboro High.

The same Saturday, the High School students enjoyed its trip and picnic at Spofford Lake.

Graduation

A class of seventeen members was graduated on June 1, 1937 from Marlboro High School. The stage at the Town

Hall was attractively decorated in class colors, green and gold, and the class motto, "Not at the top but climbing." The following program was presented:

Overture	Orchestra
Processional	Orchestra
Invocation	Rev. H. J. Foote
Response, "Thou Lord of Hosts"	Burney
	High School Chorus
Salutatory	Oliver Derby
Honor Essay, "Shenandoah Caverns of Virginia"	
	Rita Lambert
Songs: "Marianni," Italian Folk Song; "Moonlight and Starlight," American Folk Song; "Thou Art Near Me," German Folk Song.	
	High School Chorus
Class History	Edward Reed
Class Prophecy	Margaret Robinson
Class Will	Robert Applin
Class Gifts	Ina Hackler
Selection	Orchestra
Honor Essay, "The Old Order Changeth"	James Derby
Valedictory	Ernest Frechette
Presentation of Diplomas	Ray E. Tarbo
	Chairman of the Board
Benediction	Rev. H. J. Foote

These exercises were followed by a short reception and dance.

Music

To the Superintendent of Schools:

Music is one of the most valuable subjects in the school curriculum and the influence of music in the lives of both children and adults is more potent than that of almost any other educational activity. Because of its power to stimulate both body and mind, its effect to socialize, its possibilities in preparing one for a worthy use of leisure time, and because of its influence in causing increase in human happiness, music

has become more and more commonly regarded as an indispensable subject in educational activities.

Supervision of music in the grades has been carried on through weekly visits to the several classes. Some new methods of teaching music have been suggested and much of the non-essential work has been eliminated.

In directing the musical activities of the high school, the first consideration is that the students shall get satisfaction and pleasure from this experience; the second, that they shall come to know and appreciate beautiful music; the third, that each individual student shall acquire an increasing amount of skill in the use of the voice; the fourth, that the student shall understand the theory and principles of music; and lastly, that the student shall use his musical talent as a medium of self-expression.

This year vocal classes have been organized in the high school and general chorus work eliminated. In general chorus work it is not possible to teach in a satisfactory manner vocal technique, enunciation, phonics, breathing, and other essentials of vocal training. There are three classes of vocal theory and practice and only those students who could qualify for these classes have been accepted. Other students have been excused from music.

Definite progress is being made in these classes and it is expected that our objectives will be obtained in due time. It was hoped that before the end of the present school year that the students could be presented in a public performance of an operetta, or other musical program. However this will not be done until the students have learned enough of the essentials of voice production to give a creditable performance. The first year is needed to present fundamentals and the second year to teach application.

These classes meet once each week during regular scheduled periods. The music classes in theory and practice should be continued and to these classes there should be added classes in music appreciation and harmony. All of these classes

should be placed on the regular school curriculum with academic standing and with credit toward graduation. In order to do this these classes should meet three or five times a week.

Many progressive high schools are presenting these music courses to their students and it is hoped that the school board will give this recommendation serious consideration. Many students have expressed the desire for such courses and have shown ability and talent for musical activity.

An orchestra has been organized and this group meets once a week. This group and the vocal groups will participate in the graduation exercises. In order that the work with the orchestra may be carried on successfully an appropriation should be made for the purchase of music and instruments.

May I express my appreciation to the teachers, Principal Ralph Bissell, Superintendent Frederick Johnson, and to the School Board, for their splendid cooperation and interest.

Respectfully submitted,

ARTHUR T. COOGAN,
Supervisor of Music.

REPORT OF SCHOOL NURSE

To the Superintendent of Schools:

The following report is submitted to Mr. Frederick T. Johnson, Superintendent of Schools.

Again this year the school work has been carried on in much the usual manner. This branch of Public Health Work continues to be an interesting and active part of the Community Nursing Program. Visits have been made to school nearly every day.

The pupils have been measured three times during the year and have been weighed each month with the exception of one.

Again this year the pupils have been encouraged to bring milk to school, for mid-morning lunches. At the present time thirty-six pupils are receiving free milk and Cod liver oil. And again this year the serving of the milk and of the oil is being carried on through the splendid cooperation of the teachers and high school pupils.

The annual physical examinations of all the pupils was made in September by Dr. L. G. Hildreth, assisted by Della A. Robbins, R.N. We were very pleased to have Dr. Hildreth do chest examinations on all pupils above the sixth grade.

271 pupils examined

36 defective vision

32 defective tonsils

3 defective hearing

5 cardiac conditions

4 pulmonary conditions

9 pupils advised against playing basket ball.

Corrections made since the last report.

2 have been re-fitted to glasses.

12 have had eyes examined and glasses fitted.

3 have had tonsils and adenoids removed.

On October 26, 1937 an underweight clinic was conducted at the Village School under the direction of the New Hampshire Tuberculosis Association. Dr. Robert B. Kerr was examining physician, assisted by Mrs. Mildred Aiken, County T. B. Nurse and Della A. Robbins, R. N. In as much as Dr. L. G. Hildreth had done previous chest examinations; Dr. Kerr examined, only those who have had some slight history of contact and those who have previously shown some disturbance, also a few by request.

47 pupils examined.

3 new suspicious hilus.

4 Cardiac

1 poor posture

3 defective tonsils and adenoids.

2 have had chest x-rays.

In the early spring we hope to have Dr. Robert B. Kerr come to do the tuberculin skin for all the pupils above the sixth grade.

Three pupils have been taken to the Psychiatric Clinic in Manchester, N. H. Two have been helped considerably.

Dental Clinic

Drs. Gordon Conboy and Erwin Adams of Keene, N. H. conducted a dental clinic which was started in December 1936 and continued through May, 1937. (Three mornings a week).

281 pupils examined.

181 pupils received dental treatment

178 cleanings

60 extractions

39 cement fillings

814 amalgam fillings

114 porcelain fillings

18 treatments

1,223 Total number of operations

We regret that Dr. Gordon Conboy could not return to help us, again this year. However we feel fortunate in having Dr. Erwin Adams return and in securing Dr. Harold Fitzgerald to conduct the dental clinic this year.

We feel very grateful to a friend for the gift of a wash stand which the School Board have connected in the school office thereby bringing running water to the office which adds much to the ease of the dental clinic.

We regret that there has been two wide spread epidemics this year. Namely the measles and the whooping cough.

A considerable amount of Welfare work has been done among the pupils, through the cooperation of the teachers and friends.

In closing I wish to express my sincere appreciation for the splendid cooperation shown at all times.

Respectfully submitted,

DELLA A. ROBBINS,

School Nurse.

Promotions

The following numbers of promotions in respective grades were made in June:

Grades											
I	II	III	IV	V	VI	VII	VIII	IX	X	XI	XII
23	18	22	24	20	28	26	16	24	22	18	17

These promotions were made on the following points: regularity of attendance, term rank standard tests, and regular examinations given by the teachers.

Metropolitan Achievement Tests were given: one at mid-year and one in June.

The Otis Standard Graduation examination for elementary schools was given to the eighth grade.

Results obtained in respective grades justified the above mentioned promotions.

Changes in Teaching Staff

During the present year, there have been three changes in our teaching staff. Miss Alice M. Upton having resigned, Miss Helen M. McEgan, of Laconia, a graduate of University of New Hampshire, was elected as teacher of English. Miss Elizabeth Powers having resigned, Miss Claudia Croteau, a graduate of Keene Normal, was elected teacher of Fourth Grade. Mr. Waldo Streeter, a graduate of Keene Normal, was elected as instructor of Manual Training.

Improvements to School Plant

The installation of modern lights in the old building has been much appreciated. The environment of pupils and teachers and working conditions have been much improved by them.

In conclusion, I wish to thank the school board, teachers, parents and citizens for their cooperation and support.

Respectfully submitted,

FREDERICK T. JOHNSON,
Superintendent of Schools.

Marlborough, N. H., Feb. 16, 1938.

Respectfully submitted,

ROBERT C. DERBY,

Treasurer.

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School district in the town of Marlboro, N. H., qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 8th day of March 1938, at two o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district, as determined by the school board in its annual report.
9. To see if the district will vote to raise and appropriate the sum of eight hundred dollars (\$800) for repairs of number two school building and interest for outstanding notes on the new elementary school building.
10. To see what sum the district will raise and appropriate for milk for underweight school children.

Given under our hands at said Marlborough this 14th day
of February 1938.

RAY E. TARBOX,
ALDEN J. BEAUREGARD,
CLIFFORD E. RICHARDSON,
School Board.

A true copy of Warrant — Attest:

TOWN WARRANT
The State of New Hampshire

To the Inhabitants of the Town of Marlboro, in the County of Cheshire in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at The Town Hall in said Marlboro, on Tuesday, the eighth day of March, next, at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
 - 3A. To choose a delegate to the Constitutional Convention.
 - 3B. To see if the Town will vote to accept State Aid Construction of Class V roads, raise and appropriate the sum of \$562.35 and the State to give \$2,249.42 or accept State Aid Construction of Class II road known as the Troy Road; Town to raise and appropriate the sum of \$1,843.00 and the State to give \$1,843.00.
4. To see what sum of money the Town will raise for repair and construction of sidewalks or act in any manner relating thereto.
5. To see if the Town will raise a sum of money for repairs, Water Storage, Equipment, supplies and other expenses of the Fire Department.
6. To see what sum of money the Town will raise for the support of Electric Lights.
7. To see if the Town will grant the free use of Engine Hall to the Clarence J. Croteau Post of the American Legion.
8. To see if the Town will vote to grant the free use of the

Town Hall to the American Legion, four times a year, providing no admission is charged, or act in any manner in relation thereto.

9. To see if the Town will vote to raise a sum of money to aid the Community Nursing Association or act in any manner relating thereto.

10. To see what sum of money the Town will raise for Memorial Day.

11. To see what sum of money the Town will raise for Old Home Day.

12. To see if the Town will vote to accept the funds for Perpetual care of Cemetery Lots, received since Jan. 31, 1937.

13. To see what sum of money the Town will vote for the purchase of tar for its highways, or act in any manner in relation thereto.

14. To see if the Town will vote the sum of \$400.00 for Calcium Chloride to be applied on Class V roads, or act in any manner in relation thereto.

15. To see if the Town will vote to adopt the Australian Ballot system for the election of officers.

16. To see if the Town will authorize the Selectmen to administer or dispose of any real estate acquired by the Town through Tax Collector's Deeds.

17. To see if the Town will authorize the Selectmen to borrow on the credit of the Town in anticipation of taxes.

18. To see if the Town will vote to continue the construction of the swimming pool, take the necessary land as of Mr. O'Neil's survey, raise and appropriate the sum of \$2,000.00 or act in any manner relating thereto.

19. To see if the Town will raise a sum of money for rebuilding with tar surface and drainage of Little Canada and Knowlton Street, or act in any manner relating thereto.

20. To see if the Town will vote to raise \$250.00 for the repair and tar of the Hill road entering Pine Grove Cemetery and also put some gravel on the road in the cemetery.

21. To see if the Town will give permission to cut two pine trees going from Pine Grove Road into Graniteville, if necessary.

22. To see if the Town will vote to relay a portion of the bank wall on Library Brook adjoining the Library Grounds or act in any manner in relation thereto.

23. To see if the Town will erect a new light at the bend of the road near Judson Walker's residence, raise and appropriate money for the same or act in any manner relating thereto.

24. To see if the Town will vote to raise and appropriate the sum of \$100.00 to the Monadnock Region Association of Scenic New Hampshire for issuance and distribution of printed matter, newspaper and magazine advertising, calling attention to the resources and natural advantages of the Town, in co-operation with the other 37 towns in the Monadnock Region.

25. To see what sum of money the Town will authorize the Selectmen to use against W.P.A. Projects or act in any manner relating thereto.

26. To hear reports of Town Agents or Committees or other officers heretofore chosen or appointed and pass any vote relating thereto.

27. To transact any business that may legally come before the meeting.

Given under our hands and seal, this nineteenth day of February, in the year of our Lord nineteen hundred and thirty-eight.

CLARENCE E. WARD,
ERNEST F. FLINT,
WALTER E. BUCKMINSTER,
Selectmen of Marlboro.

A true copy of Warrant — Attest:
