 ANNUAL ELECTION 2nd Tuesday in March
 ANNUAL TOWN MEETING Saturday following Election

ABOUT THE COVER

Pictured on the front cover are the 2011 Highway Department's acquisitions. At Town Meeting, March 2011 three articles passed allowing the Road Agent to purchase and/or construct three much needed items. Article 5, allowed our Road Agent to order an International diesel 7400 dump truck, model year 2012. His next purchase was a model year 2012 Caterpillar backhoe loader, Warrant Article 6. Warrant Article 7 allowed a salt shed to be built at 23 Beauty Hill Road.

BOSTON POST CANE

ETHEL PINKHAM

Mrs. Ethel L. Pinkham was the recipient of the Boston Post Cane on Saturday, May 14, 2011. Dave Kerr, Chairman of the Select Board, presented the cane. Her six children, grandchildren, great-grandchildren and friends celebrated this happy event with her. Mrs. Pinkham is a retired Postmaster for Center Barnstead. She turned 94 this year.

Traditionally, the Boston Post Cane is given to the oldest resident in Town. In the early part of the 1900's, these gold-headed canes were donated to the towns and cities throughout New England by the Boston Post newspaper. Originally, it was an advertising promotion and there were over 700 canes given out.

CITIZEN OF THE YEAR 2011

ROLAND BUNKER

Roland “Bunk” Bunker was chosen as this year’s Citizen of the Year. He is a life long member of the Barnstead community. He was a veteran of World War II. He served in the Air Force and retired from the reserves as a Senior Master Sergeant in 1988. He served on the Planning Board from 1974 until 1989 and he is the President of the Old Parade Cemetery. For many years he has been the “Keeper of the Gate” at the Town elections. It is an honor to name him Citizen of the Year

IN REMEMBRANCE

The Town of Barnstead wishes to acknowledge the passing of this individual who made contributions to our community through his appointment to the ZBA.

N. DALE MACKAY passed away August 26, 2011 after a long illness in Concord, NH. He was 89 years old. He was a member of the Zoning Board of Adjustment from 2004 to 2007.

We also want to express our condolences to any of the families who have lost loved ones this year whether they are new to the community or have lived here all their lives.

STATE OF NEW HAMPSHIRE

Town of Barnstead

Warrant for 2012 Annual Meeting

THE POLLS WILL BE OPEN FROM 7:00 A.M. to 7:00 P.M.

To the inhabitants of the Town of Barnstead in the County of Belknap in said state, qualified to vote in Town Affairs:

You are hereby notified to meet at the Barnstead Town Hall in said Barnstead on Tuesday, the Thirteenth (13th) day of March, next at 7:00 a.m. of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town officers for the year ensuing.

1 Selectman	3 year term
1 Town Moderator	2 year term
1 Town Treasurer	3 year term
1 Trustee of Trust Funds	3 year term
1 Library Trustee	3 year term
1 Library Trustee	2 year term
2 Budget Committee Members	3 year terms
2 Planning Board Members	3 year terms
1 Overseer of Public Welfare	1 year term
1 Supervisor of Checklist	6 year term

2. To vote by official ballot on amendments to the Barnstead Zoning Ordinance, as proposed by the Barnstead Planning Board, as follows:

- 1, Are you in favor of Question #1, as proposed by the Planning Board for the Town of Barnstead Zoning Ordinance, as follows:

To revise Article 9, Section 9-1 to increase the number of alternate members for the Zoning Board of Adjustment and their terms in accordance with RSA 673:6?

2. Are you in favor of Question #2, as proposed by the Planning Board for the Town of Barnstead Zoning Ordinance, as follows:

To redefine Article 9, Section 9-3 Variances combining requirements for applications for "Use" and "Area" variances and to define "Unnecessary Hardship", and to delete the existing definitions in accordance with revised RSA 674:33, I(b)?

3. Are you in favor of Question #3, as proposed by the Planning Board for the Town of Barnstead Zoning Ordinance, as follows:

To amend the last sentence in Article 5 Section 5-1.07 to require obtaining necessary permits for temporary trailer hookups from the Building Inspector's office?

4. Are you in favor of Question #4, as proposed by the Planning Board for the Town of Barnstead Zoning Ordinance, as follows:

To add to Article 2-1 the definition of "Commercial Towers" such as telecommunication towers, wind farm towers, and solar array towers and add permitted locations of the same to Article 14, Table 1 – Permitted Uses by District or Zone?

The second session for the purpose of discussing and voting upon the remaining articles of the Town Warrant shall be held on Saturday, March 17th, 2012, at 9:00 a.m. at the Barnstead Elementary School.

3. To hear the Reports of Agents, Auditors, Committees or Officers chosen and to pass any vote relating thereto.
4. To see if the Town will vote to raise and appropriate the amount of One Hundred Thousand Dollars (\$100,000) to repave the roadways in Barnstead as proposed by the Road Agent. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen)(Not Recommended by Budget Committee).
5. To see if the Town will vote to raise and appropriate the amount of Fifty One Thousand Seventy Six Dollars (\$51,076) for the purpose of hiring a Town Administrator. Said sum includes a salary of 32 weeks and includes all benefits and costs associated with the position. (Recommended by Selectmen) (Not Recommended by Budget Committee).
6. To see if the Town will vote to authorize the Board of Selectmen to enter into a 3 year contract with the Belknap County Sheriff's Department for the purpose of providing police services for the Town of Barnstead and to raise and appropriate the sum of Two Hundred Forty Three Thousand One Hundred Forty Five Dollars (\$243,145) based on the proposal from the Belknap County Sheriff's Office dated February 7, 2012, for that purpose. This figure represents 6 months of police services for the year 2012. The contract contains an escape clause. (Recommended by Selectmen)(Not Recommended by Budget Committee).
7. To see if the Town will vote to authorize the Selectmen to enter into a lease agreement for the purpose of leasing to own three (3) fully equipped police vehicles and to raise and appropriate the amount of up to Thirty Thousand Dollars (\$30,000) for the first year's payment for that purpose. This is a three (3) year lease agreement and it contains an escape clause. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen)(Not Recommended by Budget Committee).
8. To see if the Town will vote to raise and appropriate the amount of up to Six Thousand Four Hundred Dollars (\$6,400) for the purpose of purchasing new Bullet Proof Vests for the Police Department. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen)(Recommended by Budget Committee).

9. To see if the Town will vote to raise and appropriate the amount of up to Thirty Thousand Dollars (\$30,000) for the purpose of purchasing IMC Police Software Modules for the Police Department. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen)(Not Recommended by Budget Committee).
10. To see if the Town will vote to raise and appropriate the amount of Fifteen Thousand Two Hundred Dollars (\$15,200) to contract prosecutorial services for the remainder of the year 2012 (9 ½ months at the rate of \$1600 per month). (Recommended by Selectmen)(Recommended by Budget Committee)
11. Shall we adopt the provisions of RSA 31:95-c to restrict 100% of the revenues from the ambulance billing to expenditures for the purpose of financing the purchases of Fire Rescue vehicles? Such revenues and expenditures shall be accounted for in a special revenue fund to be known as the Fire Rescue Vehicles Special Revenue Fund, separate from the general fund. Any surplus in said fund shall not be deemed part of the general fund accumulated surplus and shall be expended only after a vote by the legislative body to appropriate a specific amount from said fund for a specific purpose related to the purpose of the fund or source of the revenue. (Recommended by the Selectmen)(Not Recommended by Budget Committee).
12. To see if the Town will vote to raise and appropriate the amount up to Three Hundred Fifty Five Thousand Dollars (\$355,000) to purchase a Fire Tanker for the Fire Rescue Department. Two Hundred Twenty Five Thousand Four Hundred Seventeen Dollars (\$225,417) is to come from the Assistance to Fire Fighters Grant (Federal Funds) and Sixty Seven Thousand Dollars (\$67,000) from the Fire Rescue Expendable Trust with the remaining amount of up to Sixty Two Thousand Five Hundred Eighty Three Dollars (\$62,583) to be raised by taxation. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen)(Recommended by Budget Committee).
13. To see if the Town will vote to raise and appropriate the amount of Thirty Thousand Dollars (\$30,000) for the purpose of purchasing a Command Vehicle for the Fire Rescue Department. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen)(Recommended by Budget Committee).
14. To see if the Town will vote to raise and appropriate the amount of Nine Thousand Two Hundred Seventeen Dollars (\$9,217) for the purpose of fixing the well at the Parade Fire Station. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen)(Recommended by Budget Committee).
15. To see if the Town will vote to raise and appropriate the amount of Fifty Nine Thousand Eighty One Dollars (\$59,081) for the second year's payment of the three year lease agreement for the fully equipped Ambulance for the Fire Rescue Department. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen)(Recommended by Budget Committee).
16. To see if the Town will vote to raise and appropriate the amount of Sixty One Thousand Nine Hundred Eighty Nine Dollars (\$61,989) for the second year's payment of the three year lease agreement for the fully equipped 6 wheel dump truck for the Highway Department. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen)(Recommended by Budget Committee).

17. To see if the Town will vote to authorize the establishment of a Public Recreation and Parks Commission pursuant to RSA 35:B to consist of five (5) citizens of the Town of Barnstead, appointed by the Board of Selectmen and who shall serve without pay. The Commission shall be charged with the responsibility of providing leisure-time services within the Town's jurisdiction and have the power to make charges or fees for the use of facilities or participation, to enforce the rules governing the use of the property, facilities or equipment and the conduct of persons thereon, and to grant concessions as approved by the Selectmen. The Commission shall not have the authority to acquire, hold and dispose of real and personal property, to make contracts, to operate jointly with other governmental units any facility or property, or to hold, trust or manage public property, which powers shall remain with the Selectmen. The persons initially appointed to the commission shall serve staggered terms. Their successors shall be appointed under the same appointing procedure for 3 years. Vacancies as they occur shall be filled by the appointing authority for the unexpired term. Be it resolved that a Selectman shall be an ex officio member of the commission. (Recommended by Selectmen).
18. To see if the Town will vote to raise and appropriate the amount of Seventeen Thousand Six Hundred Ninety Two Dollars (\$17,692) for the purpose of creating the position of a part-time Parks & Recreation Department Coordinator who would report to the Board of Selectmen. This amount includes salary and all associated costs for a partial year beginning April 2012 and if approved, will become part of next year's operating budget. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen)(Not Recommended by Budget Committee).
19. To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000.00) to be placed in the Parks & Recreation Building Capital Reserve previously established. (Recommended by Selectmen)(Recommended by Budget Committee).
20. To see if the Town will vote to raise and appropriate up to Two Hundred Fifteen Thousand Dollars (\$215,000) for the purpose of carrying out the Mitigation Projects as approved by Homeland Security and Emergency Management for Brindle Pond Road, Hazel Clark Road and Depot Street. The Federal and State share (75%) is One Hundred Sixty One Thousand, Two Hundred Fifty Dollars (\$161,250) and the Town's share (25%) is Fifty Three Thousand Seven Hundred Fifty Dollars (\$53,750). This is a special warrant article per RSA 32:3, VI. (Not Recommended by Selectmen)(Not Recommended by Budget Committee).
21. To see if the Town will vote to raise and appropriate Ten Thousand Dollars (\$10,000) for the creation and placement of a "Welcome to Barnstead" sign at the intersection of Route 28 and Route 126 on an existing foundation. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen)(Not Recommended by Budget Committee).
22. To see if the Town will vote to raise and appropriate the amount of Ten Thousand Dollars (\$10,000) to be placed in the Bridge Construction Capital Reserve Fund. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen)(Recommended by Budget Committee).
23. To see if the Town will vote to raise and appropriate the amount of Forty Thousand Dollars (\$40,000) to be placed in the Highway Department Heavy Equipment Capital Reserve Fund. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen)(Recommended by Budget Committee).

24. To see if the Town will vote to raise and appropriate the amount of Five Thousand Dollars (\$5,000) to be placed in the Historical Society Building Capital Reserve. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen)(Recommended by Budget Committee).
25. To see if the Town will vote to raise and appropriate the amount of Fifty Thousand Dollars (\$50,000) to be placed in the Fire Rescue Expendable Trust Fund. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen)(Recommended by Budget Committee).
26. To see if the Town will vote to raise and appropriate the amount of Fifteen Thousand Dollars (\$15,000) to be placed in the Town Hall Computer Support Expendable Trust Fund. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen)(Recommended by Budget Committee).
27. To see if the Town will vote to raise and appropriate the amount of Fifteen Thousand Dollars (\$15,000) to be placed in the Emergency Preparedness Expendable Trust Fund. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen)(Recommended by Budget Committee).
28. To see if the Town will vote to raise and appropriate the amount of Fifteen Thousand Dollars (\$15,000) to be placed in the Milfoil Treatment Expendable Trust Fund. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen)(Recommended by Budget Committee).
29. To see if the Town will vote to raise and appropriate Three Thousand Dollars (\$3,000) to be placed in the Library Computer Support Expendable Trust Fund. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen)(Recommended by Budget Committee).
30. To see if the Town will vote to authorize the Selectmen as allowed by RSA 80:80, III, to convey the property at tax Map 022 Lot 126, to Peter and Margaret Witham. Mr. Witham has paid all back taxes, interest, costs and expenses owed to the Town in maintaining the property. (Recommended by Selectmen).
31. To see if the Town will vote to authorize the Selectmen as allowed by RSA 80:80, III, to convey the property at tax Map 040 Lot 308, to Theodore J. and Jody L. Batte Jr., to be merged with their property at Map 040 Lot 309. The Batte's have paid all taxes, interest, costs and expenses owed to the Town in maintaining the property. (Recommended by Selectmen).
32. To see if the Town will vote to authorize the Selectmen as allowed by RSA 80:80, III, to convey the property at tax Map 036 Lot 356A, to Kenneth W. and Pamela J. Plante, to be merged with their property at Map 036 Lot 355A. The Plante's have paid all taxes, interest, costs and expenses owed to the Town in maintaining the property. (Recommended by Selectmen).

33. To see if the municipality will vote to raise and appropriate the Budget Committee's recommended sum of \$3,279,753 for general municipal operations. The Selectmen recommend \$3,444,729.00. This article does not include appropriations by special warrant articles and other appropriations voted separately.
34. To transact any other business that may legally come before this meeting.

BUDGET OF THE TOWN/CITY

OF: **BARNSTEAD**

BUDGET FORM FOR TOWNS WHICH HAVE ADOPTED
THE PROVISIONS OF RSA 32:14 THROUGH 32:24

Appropriations and Estimates of Revenue for the Ensuing Year January 1, 2012 to December 31, 2012

or Fiscal Year From _____ to _____

IMPORTANT:

Please read RSA 32:5 applicable to all municipalities.

1. Use this form to list the entire budget in the appropriate recommended and not recommended area. This means the operating budget and all special and individual warrant articles must be posted.
2. Hold at least one public hearing on this budget.
3. When completed, a copy of the budget must be posted with the warrant. Another copy must be placed on file with the town clerk, and a copy sent to the Department of Revenue Administration at the address below.

This is to certify that this budget was posted with the warrant on the 17th of February, 2012.

BUDGET COMMITTEE

Please sign in ink.

School	2.12	2.26	2.24	2.22	2.59	2.61 (state)
Totals	16.23	18.40	18.39	18.14	22.36	23.43

EQUALIZATION RATIO

To find the ratio: $\frac{\text{assessment}}{\text{sale price}} = \text{ratio}$

Year	2006	2007	2008	2009	2010	2011
%	93.6	94.8	97.1	108.2	96.0	93.9

THE USES OF EQUALIZATION FIGURES

(from a booklet prepared by DRA for a seminar handout)

- Determine the total equalization valuation of the Town of Barnstead
- Determine the amount of reimbursement to the Town of Barnstead for state and federal forest land
- Calculate current use and conservation restriction assessments;
- Apportion county taxes
- Distribute education monies
- Determine highway and community block grants (by State Planning)
- Determine the amount of debt limit for the Town of Barnstead so that our borrowing power can be established
- Determine the average effective tax rate for the Town of Barnstead

2011 TOWN CLERK/TAX COLLECTOR'S REPORT

The hours of operation for the Clerk/Collector's Office changed in May of 2011, opening at 8:30 a.m. to 4:30 p.m. on Monday, Wednesday, Thursday and Friday and 11:30 a.m. to 7:00 p.m. on Tuesdays. This is just a reminder that we are closed the **third** Wednesday of every month. You can find a list of those days in the town report.

We had received some good news from the NH Department of Safety and the Vital Records Division. The surcharge that the NH DMV had been charging us for the past two years was discontinued on July 1, 2011. The registration fees returned to their pre-July 2009 amounts. The motor vehicle revenue was \$630,520.65 which is a decrease of \$5,221.09. The revenue decrease was not nearly as bad as it was between 2009 and 2010. That revenue decrease was \$26,000.

Also, on July 1, 2011 the cost of a marriage license went from \$50.00 back down to \$45.00. The cost of the certified copy of a vital record event stayed at \$15.00 for the first copy and \$10.00 for each subsequent copy.

The copies of the following records are available through this office:

Birth records from 1984 to the present; marriage records from 1989 to the present and death records from 1990 to the present. We are also able to get certified copies of divorce records from 1990 to the present and civil union licenses or dissolutions from 2008 to 2009.

According to NH State Law RSA 466 all dogs must be licensed by April 30th **every year**. We registered 917 dogs which were down from 2010 dog registrations. Current year dog licenses are available anytime after January 1. Bringing the current rabies certificate with you will ensure that we have the correct information on your pooch.

The tax rate is set by the State of NH-Department of Revenue each fall. The increase was \$1.07 per thousand for the 2011 year. In spite of the tough economy homeowners of Barnstead have made a tremendous effort to pay their property taxes, which helps the Town. This office accepts prepayments and partial payments on property taxes at any time. Please consider this option if you are having difficulty with large semi-annual bills.

Respectfully submitted,

Cynthia L. Treadwell
Town Clerk/Tax Collector

SELECTMEN'S REPORT

To the Residents of Barnstead,

During the past year we experienced one weather related problem, Hurricane Irene, and she was rather docile by the time she reached us. Besides some downed trees and a few wash-outs we were not affected in any major way.

In order to make town business more open and transparent to all Barnstead residents, we have implemented some changes. The Selectmen's meetings are being held in the Town Hall to make it easier for all residents to attend the meetings. The minutes of the meetings are now taped for better accountability. We are currently negotiating with MetroCast on a new ten-year contract. Part of what we are discussing with them is to have the meetings televised so those people unable to attend the meetings will be able to keep abreast of what is happening in regard to town business.

We continue to seek ways to regionalize and cut the Town's operating expenses. Ongoing discussions with Belknap County about the Sheriff's Department contracting to do the policing duties in Barnstead have been part of the regionalization vision. The County being responsible for a town's policing duties is being done in areas all across the country and we want to see if it is a good fit for Barnstead.

We are working on acquiring a twenty-seven acre parcel of land [behind the Town's maintenance building] from the State with an eye toward the possible construction of a future safety complex. The Fire Department and the Police Department both feel this would be a great location. This would be a "swap" type of arrangement. The State would turn this land over to us and we would take over the maintenance on a road or bridge that the State is currently maintaining. Our old town buildings are getting more and more costly to maintain. While we try to cut costs because of the way our economy is, we must still plan for the future of Barnstead as well.

The Town Hall now has an automatic emergency generator and we are installing one for the police station and one for the fire station. The major cost of these generators was paid for through a grant. The Town now has a four-wheel drive emergency vehicle. This will enable personnel to get into the woods for emergencies where larger vehicles will not have access. It was paid for with a \$5000.00 private donation, a \$5000.00 grant, and the remaining balance paid by the Barnstead Firefighters Association.

A large part of Parade Road underwent reconstruction with the drains being rebuilt and paving being redone. The Holmes Road Bridge was replaced. Much of the work was done by Barnstead's road crew which resulted in a good amount of savings to the Town.

As you see on the front page of this report, the new ambulance, plow truck, and backhoe/loader that you voted for last year are here and being used. The salt shed is completed and already saving us money as we can now buy salt and sand in larger bulk quantities. We have been fortunate to add two new "Selectpersons" who brought new ideas and enthusiasm to our board. We've done our best to keep funding down but still plan for the future.

This new year we will be asking for volunteers to help with a beautification committee, cutting wood for those in need, and various other projects. We need to keep Barnstead clean and attractive so the new Business Development Committee will have an easier time convincing businesses to make Barnstead their home. We invite you to join us in this endeavor.

Respectfully submitted,

Bob LaRoche, Chairman

David Kerr, Vice Chairman

Members: Kathy Grillo, Priscilla Tiede and Francis Vardaro

ASSESSOR'S REPORT

After completing a sales ratio study the Town decided it was NOT necessary to update all property values for the 2011 tax year. Although the market has gone thru a lot of changes over the past year Barnstead's assessments remain equitable among the different property types. Therefore, the 2011 assessments remain the same as 2010 unless a property had improvements or an error was corrected. The Town will continue to analyze assessment to sale prices annually to determine the need for a valuation update.

In keeping with the State's requirements that towns review their property record data once every five years the Town has contracted the firm of R. B. Wood & Associates to perform a review of 20% of the Town on an annual basis. In 2011 town tax maps 17 thru 32 were reviewed for accuracy. For 2012 tax maps 33 to 40 will be reviewed. All property owners should check their property record cards annually for data accuracy.

Any taxpayer that feel his property's equalized assessment does not reflect the market value of the property may file an abatement by March 1, 2012. When filling out your abatement application only valid arms length transaction may be used as comparables; foreclosure, bank sales and family sales are not considered valid sales. The abatement applications are available in the Selectmen's office or online at www.nh.gov/btla

The deadline for submitting all exemption and tax credit applications is April 15 for the tax year applied for. These include elderly and blind exemptions as well as veteran's tax credits. If you feel you qualify for any of these as of April 1, 2012 stop by the Selectmen's office to fill out an application.

For 2011 the Town has continued its contract with R. B. Wood & Associates. A representative of the assessing firm is available on Wednesdays for any taxpayer questions.

Respectfully submitted,

Rod Wood, CNHA CMA
Real Estate Appraiser Supervisor

INDEPENDENT AUDITOR'S REPORT ON FINANCIAL STATEMENTS

To the Members of the Selectboard
Town of Barnstead, New Hampshire
Barnstead, New Hampshire

We have audited the financial statements of the governmental activities, each major fund and the aggregate remaining fund information of the Town of Barnstead, New Hampshire as of and for the year ended December 31, 2011, which collectively comprise the Town's basic financial statements as listed in the table of contents. These basic financial statements are the responsibility of management. Our responsibility is to express opinions on these basic financial statements based on our audit.

We conducted our audit in accordance with auditing standards that are generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the basic financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the basic financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general-purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

In our opinion, the basic financial statements referred to above present fairly, in all material respects, the financial position of the governmental activities, each major fund and the aggregate remaining fund information of the Town of Barnstead, New Hampshire, as of December 31, 2011, and the respective changes in financial position there of for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Management has not presented a management's discussion and analysis of the financial statements. Although it is not required to be part of the basic financial statements, United States generally accepted accounting principals considers it required supplementary information. Likewise, budgetary information presented in the section marked *Required Supplementary Information* are not a required part of the basic financial statements, but are supplementary information required by accounting principles generally accepted in the United States of America. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and therefore express no opinion on it.

Our audit was performed for the purpose of forming opinions on the basic financial statements taken as a whole. The accompanying schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly presented in all material respects in relation to the basic financial statements taken as a whole.

BARNSTEAD FIRE RESCUE

2011 was a very productive year for Barnstead Fire Rescue. Our proudest accomplishment this year was the replacement of Ambulance 2. The new ambulance is a 2011 Ford F-450, 4 wheel drive. A special thank you to Brian Cottrell, Brian chaired our ambulance committee. Several department members assisted in specifying, purchasing, arranging financing and equipping the new ambulance. Ambulance 2 was put into service on November 13, 2011; this event was marked by a community housing ceremony at the Parade Fire Station.

On January 12, 2011 we said goodbye to a beloved member of Barnstead Fire Rescue. Firefighter Scott Vick passed away. Scott was a dedicated member of our family who will be missed. A memorial service with full firefighter honors was held at the Parade Fire Station.

2011 was a successful year for acquiring alternative funds. In cooperation with the Emergency Management Director, Shawn Mulcahy, we were able to secure funds to install a generator at the Center Fire Station. This generator will help to ensure continuity of operations even in prolonged power outages.

In cooperation with Forestry Warden, George Krause, we were able to receive a grant to replace two of our forestry pumps. These new pumps will improve our ability to fight wildland fires.

The Barnstead Firefighters Association spearheaded a fund raiser to purchase a Kubota 4X4 off road utility vehicle. This vehicle will prove very useful for off road operations including search and rescue, and wildland firefighting. Thanks for the very generous donations from the Barnstead Firefighters Association, Globe Manufacturing, and the estate of Marion Henderson.

Finally, the department was most recently notified of an award from the Assistance to Fire Fighters Grant program. This grant will provide \$225,000.00 toward the purchase of a new tanker. The new tanker will replace a 1954 military surplus tanker. In addition to carrying 3,000 gallons of water, the new truck will also be equipped with modern safety features to help ensure the safety of our firefighters.

At Town Meeting this year I will be asking for your support to establish an account to replace fire and rescue apparatus. This account will utilize the fees collected from the ambulance to fund future equipment purchases. Additionally this fund will pay for the ongoing ambulance lease and pay for the fire department staff vehicle requested in this budget. The goal is to fund nearly all future fire department apparatus purchases. I ask for your support for this change.

Again this year I would like to remind everyone that we need to critically evaluate fire department facilities. Since the stations were constructed call volume has increased significantly, apparatus has grown, population has shifted north, and the facilities are being utilized for purposes never envisioned as part of their original design. Although we are not seeking funding this year due to the continued economic down turn, this issue has not gone away and we need to consider a plan for moving into the future.

Last I would like to express my sincere appreciation to all of our staff. All our people have gone beyond the call of duty and have enabled us to provide the highest quality of service we possibly could provide. I would like to especially recognize our Fire Officer of the Year, Shawn Mulcahy and our Firefighter of the Year, Daniel Conger.

In 2011 Barnstead Fire Rescue responded to 625 emergency calls for service. These numbers are slightly up from 2010. Of those calls 34 were fires resulting in \$283,000.00 in direct property loss, which is \$73,800.00 less than 2010. Our members participated in 588 hours of training in 2011. Fire Department Staff also conducted 1342 other activities including issuing permits, inspections and public education. Below is a complete breakdown of activities.

Fires	34	5%	Oil Burner Inspections	17
Emergency Medical	372	59.5%	Gas Burner Inspections	46
Hazardous Condition	43	7%	Woodstove Inspections	16
Service Call	41	6.5%	General Inspections	12
Good Intent	91	14%	Foster Care Inspections	7
False Alarm	41	6.5%	Disability Inspections	2
Sever Weather	2	0%	Public Education	8
Special Incident	1	0%	Brush Permits	891
			Seasonal Permits	342
			Commercial Burn	1

In closing, I would again encourage you to consider becoming a member of our department. We are always looking for new members who have an interest in serving their community. Applications can be picked up at either of the two fire stations.

Respectfully submitted,

Mark W. Fetreault, EFO, CFO

Fire Chief
Barnstead Fire Rescue

ROAD AGENT'S REPORT

In 2011 the Highway Department had a very good year. We were able to replace our old backhoe with a new 2012 Caterpillar 450. We also built an 80' x 60' salt shed with a 16' x 80' lean-to to hang the sanders. Both of those came from Capital Reserve Funds. The Town also went into a three year lease for a new plow truck fully equipped with plows and sander. This is the start of our equipment replacement program. In the future we will need to replace the grader and loader.

In 2011 we started with the reconstruction of about a half mile of Parade Road, this included 200 feet of under drain and three catch basins, reclaiming the old asphalt and repaving. We also worked on Brindle Pond Road, we were able to widen the road with the removal of trees and stumps, and then we sloped the sides of the road and replaced all the culverts. This will make the road easier to maintain in the summer and the winter. We also changed culverts throughout the town as needed. We put in a box culvert on Holmes Road that was part of the State Mitigation; this was funded seventy-five percent by the State and twenty-five percent by the Town. This plan is to help towns with major projects that were affected by flooding. This year we started to use liquid calcium for dust control on our dirt roads. This will help on the cost and duration in between grading. We also were able to get a lot of the town mowed with thanks to Dana Frenette for keeping the old tractor going. In all, the summer was a productive one and with the continued hard work from the crew we should be able to get the town's roads back to a higher standard.

Also, I would like to thank those of you that help to keep your driveway culverts, ditches, and tree branches cleared and cleaned. This is a big help to the Highway Department. We also appreciate your telephone calls informing us of any hazardous conditions.

I would like to thank my crew for the dedicated work they have done throughout the year. I would also like to thank all the subcontractors that helped us throughout the year.

The Crew:

James Doucette

Thomas Boyd

Robert Tiede

Scott Gagne

Kyle Tiede

Dana Frenette, Part-time

George Drew, Part-time

KENNETH A. BORGIA, CHIEF

ANNUAL REPORT OF THE CHIEF OF POLICE KENNETH A. BORGIA 2011

The Barnstead Police Department, for yet another year, has strived to provide the best law enforcement services it is capable of while maintaining another nearly level funded fiscal budget. The Barnstead Police Department experienced a reduction in staffing due to illness and a resignation. Those two full-time positions remained vacant due to consideration of a potential merger being discussed with the Belknap County Sheriff's Department.

Although there seemed to be a spike in burglaries it was only in perception and not reality, as 15 of the 41 burglaries were perpetrated during the month of November. Two-thirds of the State of New Hampshire experienced a significant spike in burglary and theft activity in 2011. Many of the burglaries and thefts involved metals, coins, cash, and jewelry being stolen. The Barnstead Police Department took part in an area task force initiative to address these specific crimes.

In order to combat ongoing criminal complaints, the Police Department markedly increased its community presence which is evidenced by the statistical increase in motor vehicle stops on a variety of different roadways within the Town of Barnstead.

In 2011 the Police Department joined the Town in celebrating Old Home Day by staffing a booth and "swearing in" over 250 "junior police officers." Adults were offered an opportunity to experience an "impaired driving course" with the use of impaired driving goggles and a donated golf cart on a closed course.

As dedicated public servants, to the residents of and the visitors to the Town of Barnstead, the sworn and civilian employees of the Barnstead Police Department continue to provide the professional law enforcement services which the Town has come to know and expect, regardless of economic status. As always, anyone can feel free to visit the Barnstead Police Department where their questions, comments, and concerns are appreciated.

Respectfully submitted,

Kenneth A. Borgia
Chief of Police

BARNSTEAD REGIONAL POLICE COMMITTEE REPORT

INTRODUCTION

The initial impetus for studying the regionalization of our police services came from almost unprecedented economic pressures on the community. In late 2010 an approach was made to the Belknap County Sheriff's Dept. to provide a proposal and budget for providing police services to the community.

POLICE COMMITTEE

After the March 2011 town elections a "Barnstead Regional Police Committee" was appointed by the Selectmen to study and produce findings on this option. The Committee's initial charge from the Select Board was to evaluate the proposal from the Belknap County Sheriff to provide the Town of Barnstead with police services for a number of reasons. Among them were the following:

1. Much of the infrastructure is already in place.
2. We already utilize county dispatch and other services.
3. No jurisdictional complications.
4. Generous support from the county sheriff, county administrators and commissioners.

Included in the Charge from the Select Board were a number of topics to be addressed and questions to be answered:

1. Establish the true and actual costs for subsequent years.
2. Determine what inventory would be absorbed by the County.
3. What items would the County require that we do not possess and who bears the cost of the items?
4. Find out what process is used to determine which officers are selected to work for the County (years of experience, etc.).
5. Determine vehicle replacement schedules and costs.
6. Are vehicles taken home?
7. Who pays for the maintenance of the vehicles?
8. Do our current vehicles require any new equipment?
9. Find out if a multi-year contract is allowed.
10. What are the expectations of the current building?
11. What duties would be added that the officers do not currently do?
12. Are all administrative functions performed at the County?
13. What are the County's computer needs and will our existing equipment need to be updated?

14. What will happen if after 1 year either the Town or the County decides that it is not working out?
(See Attachment 1 – Committee’s Charge with responses to each individual question)

The Committee met multiple times with the Select Board, the Barnstead Police Chief, the Belknap County Sheriff, County Administrator, County Finance Director, and conducted two public hearings to gather information. After the second public hearing, the questions raised made it clear that the Committee’s initial charge to review the Sheriff’s proposal would not provide the necessary information to allow the Town to make an informed decision at the 2012 Town Meeting.

FINDINGS

Initially it appeared that economic savings would be a major factor based on a comparison of the proposed Sheriff’s Dept. budget and Barnstead’s Police budget. However, as additional information was acquired it was found that over the past several years the Town has been budgeting for a full time 24/7 local police department consisting of 6 full-time officers, 3 part-time officers, and a part-time administrator, while the Sheriff’s Dept. budget proposed 4 full-time officers, plus overtime. The Town’s police services budget was not spent and in retrospect, was apparently not required, to provide reasonable police coverage for a small rural town such as Barnstead. Part of the reason for this was:

- 1 The Town could not hire enough police personnel and the budgeted funds were never fully spent for police services. (In several cases funds were diverted to other Town services such as the Road Dept. due to natural disasters).
- 2 Staffing with qualified officers was increasingly difficult and turnover in staff was very high.
- 3 The economy seriously deteriorated, reducing Town tax revenue.
- 4 Basic costs of capital equipment, gasoline, insurances, etc. were spiraling upward and out of local control.

The Sheriff’s Department has put forward a proposal to provide what it considers a reasonable level of policing and staffing based on an analysis of the Barnstead 911 calls requiring officer response in a timely manner, using statistics kept by the Belknap County Sheriff’s Dispatcher. However, looking at other surrounding small towns, we are concerned that there may be systemic problems which might not be addressed by merely contracting with the County for police services (*i.e.*, hiring difficulties, very high staff turnover, and the number of lawsuits resulting in insurance settlements. (See conclusions/recommendations regarding a police services audit.)

ADVANTAGES/DISADVANTAGES

Following are the advantages and disadvantages of contracting with the County Sheriff's Dept. based on the Committee's findings:

Advantages of contracting with the County Sheriff

- a) Likelihood of having much less staff turnover due to better compensation and significantly greater career opportunities.
- b) Prosecutions and arraignments in the District Court would be handled by Sheriff's Dept., reducing the amount of officer time spent in court and increasing the time spent and visibility of police in the community.
- c) Use of additional police computer modules which the Town currently has not been able to afford, could lead to enhanced efficiency by allowing police vehicles to become "mobile offices" rather than have officers return to the local station to complete paperwork.
- d) Reduction in Town liability insurance for police services.
- e) Access to a larger pool of available officers to cover vacation or sick time or if additional officers are needed for special events.
- f) Better access to specialized services from the Sheriff's Dept. such as accident investigation and detective work.
- g) Reduction in administrative load on Town Hall staff (payroll, insurance, general administration, etc.).
- h) Any lawsuits and liability regarding police conduct or services would be against Belknap County instead of the Town.
- i) Increased law enforcement presence and visibility in Town in terms of actual patrol time.
- j) Likely extended police vehicle life as each officer is assigned full-time use of a county-leased police vehicle and is responsible for its maintenance and appearance.
- k) Oversight and management of policing within the community by an outside authority with a County-wide perspective, *i.e.*, Sheriff Wiggins.
- l) If the proposed County-Town contractual arrangement were expanded to a regional level (with other towns contracting with the County), there could be an increase in the supervisor to patrol officer ratio, leading to a reduction in supervisory costs. (Currently the Sheriff's proposal is for the current Barnstead Police Chief to supervise three other full time officers.)
- m) Existing Barnstead police officers would be hired by the Sheriff's Dept. and assigned to Barnstead, retaining their experience and community contacts.

Disadvantages of contracting with County.

- a) No major reduction and saving financially if the County staffs at 4 full time officers plus overtime.
- b) Major increase in salaries at County level as opposed to current town remuneration.
- c) No control over possible union driven salary increases for the contract period (currently proposed for 4 years).

- d) Probably higher gas allocation per full-time officer as each officer will have a full-time personal vehicle.
- e) No control over use of overtime. At the moment the Barnstead Police Chief position is salaried, without overtime. Under a County contract, any additional patrol time or call time by any officer would be treated as payable overtime with a 4-hour minimum.
- f) If an unexpected event occurs, *i.e.*, tornado or flooding the Selectmen will have no ability to freeze police department spending and reallocate those resources to another department.
- g) As the Sheriff's Dept. personnel would be County employees, the Selectmen would have no control over who is hired and limited control if anyone in the community has a complaint about police services.
- h) Certain Town police assets would be turned over to the County and would have to be returned or replaced at potentially significant expense if the Town decided to restore its own police services.
- i) Supervisory costs could increase substantially due to overtime. (Currently, one salaried supervisor with no overtime is in charge of three officers)
- j) From past experience with fixed price contracts, there is little likelihood of having unspent budget money returned or applied to next year's budget or the next year's taxes. The County has little or no pressure to save money from a fixed contract price.
- k) The decision as to the number of assigned officers and amount of police coverage which would be reasonable for the Town would not be controlled by the elected Selectmen or budget committee.
- l) If within the 4 year contract period, the Town voters refused to fully fund the contract it could lead an immediate need for the Town to reinstate a police department and acquire personnel, equipment and vehicles to avoid a lapse in police coverage. (It is currently unknown whether the Selectmen can enter into multi-year contract with no firm, fixed, and known annual cost, such as a bond or mortgage)

CONCLUSIONS/SUGGESTIONS

After studying the Sheriff's proposal and gaining some insight from other local and similar police departments, we suggest the following:

- 1) There are no clear financial savings for the Town taxpayers in entering into a contract with the County.
- 2) In the light of the high staff turnover and number of lawsuits we have had to settle, the Select Board should bring in an outside, unbiased agency to perform an external audit or command climate survey, with the results available before the Town Meeting.
- 3) To evaluate appropriate police staffing levels and departmental performance, we have statistics listing the number and type of calls for service. What is missing is any data from

either District Court or Superior Court which can be realistically used as a measure of the department's success in prosecutions and convictions or plea bargains. We have no complete data to develop or evaluate a performance baseline for either our own police department or to enter into a four year contract with the Sheriff's contract. This will have to be established if the voters are to make an informed decision in March 2012, asking them to spend upwards of 2 million dollars over a four-year period. That information should also permit the Town to again review whether 24/7 police patrol coverage is desirable and cost-effective.

- 4) Under the charge of this committee, no attempt was made to explore other options with neighboring towns, although certainly either a wider number of contracts within the County or cross-county sharing with neighboring towns may reduce the costs. There may be financial advantages and efficiencies if multiple towns were to enter into a regional police services agreement.
- 5) If the voters approve the County contract in March, the following issues must be addressed, resolved, and appropriate warrant articles prepared in advance to be voted on at the same meeting:
 - a. Barnstead – County Police Services Contract (4 years including pro-rated 2012) (See Attachment 2 for “Summary of Barnstead – Belknap County Police Services Contract”)
 - b. Establish Police Review Board
 - c. County establish a supplemental budget
 - d. Sheriff's Dept. determine how quickly the Sheriff could hire, train, equip and field the new police personnel
 - e. Budget for remaining Town police services until the transition takes effect
 - f. Dissolving the Barnstead Police Department
 - g. Complete implementation timetable for all of the above

Attachment 1

To: Barnstead Regional Police Committee

From: Board of Selectmen

Date: 4/18/2011

Re: Committee's Charge

The Select Board would like to thank each and every member of this committee for volunteering their time to undertake such an important task.

To that end we have determined the mission of the Committee to be restricted to evaluating the proposal from the Belknap County Sheriff's Office for both the initial transition and future years and to charge the Committee with ascertaining if such a merger provides any actual savings for the town while retaining adequate police coverage. Additionally, the Committee is not directed to recommend (or not recommend), but rather to provide your findings in a report to be submitted to the Board of Selectmen.

As an advisory committee you are not authorized to conduct nonpublic sessions, and we request that you forward any questions that may be of non-public content (such as personnel retention etc.) to this Board.

As you are aware, the Sheriffs proposal did not include the additional costs that would remain in the Town's budget for items such as heating, electricity, building insurance and maintenance. We have compiled some subject matter that we would like you to include in your research and will be forwarding additional questions periodically;

1. Establish the true and actual costs for subsequent years.

Answer: The Belknap Sheriff has provided a proposed budget for the first year of a 4-year contract (based on the expected 4-year vehicle lease term). The Sheriff would submit a new budget for review and approval each following year.

2. Determine what inventory would be absorbed by the County.

Answer: To be determined by the Sheriff and the Barnstead Police Chief. Currently expected to include weapons, vests, radios, and vehicle cages.

3. What items would the County require that we do not possess and who bears the cost of the items.

Answer: Any items that the Sheriff considers necessary that would not be obtained from the Town would be included in the budget.

4. Find out what process is used to determine which officers are selected to work for the County (years of experience, etc.).

Answer: Selection would be at the Sheriff's discretion. Sheriff Wiggin has indicated that he would expect to hire qualified Barnstead Police Officers to maintain continuity and benefit from their

experience with the community. We expect that the Sheriff will hire the current Barnstead Police Chief and Sergeant, and possibly other current officers.

5. Determine vehicle replacement schedules and costs.

Answer: The Sheriff intends to lease 4 new police vehicles under a 4-year County lease.

6. Are vehicles taken home?

Answer: Yes. Each deputy allocated to Barnstead patrol duty would have an assigned vehicle.

7. Who pays for the maintenance of the vehicles?

Answer: Belknap County maintains the vehicles at its expense, which will be a budget line item.

8. Do our current vehicles require any new equipment?

Answer: The Sheriff did not intend to take any current Barnstead police vehicles.

9. Find out if a multi-year contract is allowed.

Answer: Belknap County proposes a 4-year contract to coincide with the vehicle leases. The Barnstead Select Board's ability to enter into a multi-year contract with undetermined future year costs is a question that the Board will need to address with the Town Attorney.

10. What are the expectations of the current building.

Answer: The current Police building would continue to be used as a County Sheriff's substation.

11. What duties would be added that the officers do not currently do.

Answer: In addition to routine police services, the deputies would continue to perform usual Sheriff's Dept services such as service of legal documents.

12. Are all administrative functions performed at the County?

Answer: Yes.

13. What are the County's computer needs and will our existing equipment need to be updated?

Answer: The County has a current contract for police software that would be extended to the deputies assigned to Barnstead patrol. Any required computer update would be included in the Sheriff's budget.

14. What will happen if after 1 year either the Town or the County decides that it is not working out.

Answer: The proposed contract provides that the County may terminate with 12 months notice. Notice period for Barnstead is currently undetermined because the budget must be approved at Town Meeting. In case of termination, Barnstead will have to restore its Police Dept, including personnel, vehicles, and equipment. The proposed contract currently includes return of all Barnstead equipment transferred to the County and proposes assignment of the remaining period of any vehicle lease. We do not believe that personnel can be transferred back to Barnstead but they could voluntarily resign from the Sheriff's Dept and apply for Barnstead police positions.

All meetings are open to the public and we encourage their comments.

Summary of Proposed Barnstead – Belknap County Police Services Contract Terms

- A. THE SHERIFF WILL PROVIDE POLICE SERVICES TO THE TOWN OF BARNSTEAD.
 - 1. Sheriff's personnel will patrol and provide police protection to Barnstead in adequately equipped and maintained police cruisers.
 - 2. The Sheriff shall assign personnel as necessary. The number of personnel dedicated to Barnstead will be determined each year by the approved budget. Barnstead will notify the Sheriff of events and special requirements.
 - 3. Police services and control of personnel are the Sheriff's responsibility.
 - 4. The Sheriff will provide periodic reports to the Barnstead Select Board describing police activities.
 - 5. Any personnel assigned to Barnstead should reside within the area they are assigned to patrol.
- B. TRANSFER OF BARNSTEAD POLICE PERSONNEL. The Sheriff will hire any current full-time Barnstead Police officers if they meet the requirements and standards for employment.
- C. EQUIPMENT.
 - 1. The Sheriff shall provide all necessary labor, supervision, vehicle, equipment, and supplies to maintain and provide the police services.
 - 2. Barnstead shall transfer all acceptable equipment to the Sheriff and receive a credit against the budget for its fair value.
- D. OFFICE SPACE. Barnstead shall provide suitable office and work space in Barnstead for the assigned Sheriff's personnel.
- E. LIABILITY.
 - 1. Barnstead is not responsible for the direct payment of any salaries, wages, or other compensation to Sheriff's personnel.
 - 2. Sheriff is responsible for all liability incurred as a result of the actions of the Sheriff's personnel under this Agreement.
- F. INSURANCE. The Sheriff will provide all insurance required to adequately cover vehicles, personnel and equipment. Barnstead may remove police services from the scope of its general liability insurance.
- G. COSTS. Costs for services for the first year of this Agreement is described in a mutually agreed budget, which shall be revised at least annually. The parties will agree on an incentive program for unspent budgeted funds that directs a portion of any unspent funds to Belknap County and applies the balance against the following contract year budget.

- H. IMPLEMENTATION SCHEDULE: The County will provide a detailed implementation schedule with milestones and completion dates that must be met, to ensure that the transition of police services to the County takes place on the agreed schedule. The parties may agree on incentives for early performance and penalties for delays.
- I. PAYMENT TERMS: \$ _____ per year, payable in two installments due in January and June.
- J. JOINT REVIEW COMMITTEE. The parties may agree to create a Joint Review Committee, with members each appointed by Barnstead and by the Sheriff, to meet periodically to review the success of this Agreement, to analyze the actual costs of providing police services to Barnstead and to assess the adequacy of the services provided.
- K. CONTRACT REVISIONS: Special circumstances and needs may arise which may require adjustments to this Agreement. Either party may propose an amendment or addendum, which must be agreed by both parties before it can go into effect.
- L. TERM AND TERMINATION
1. The initial term of this Agreement shall commence on *[date]* and continue for 4 years.
 2. If the County does not wish to extend or renew this Agreement after the initial 4-year term, it shall notify in writing twelve (12) months prior to the expiration of the current Agreement.
 3. Barnstead shall notify the Sheriff of its intention to extend or renew this Agreement after the initial 4-year term for the following year no later than _____ *[schedule to accommodate Barnstead Town Meeting or other necessary authorization]* of the current contract year.
 4. If Barnstead fails to give notice as required above, or the parties do not agree on renewal, the Agreement shall continue upon the same terms, subject to adjustment based on the actual cost of the services, but not to exceed an increase of 6% from one year to the next. *[confirm whether this is enforceable if the annual police budget must be approved at each town meeting]*. However, this Agreement shall automatically be terminated if Barnstead fails to appropriate sufficient funds to pay for the obligations imposed by this Agreement for the following fiscal year. Barnstead shall inform the Sheriff in good faith at the earliest time should such non-appropriation becomes apparent. Failure to appropriate funds to continue this contract in any subsequent fiscal year shall not be deemed a breach.
 5. Upon termination of the agreement, any original Barnstead equipment transferred to the Sheriff shall revert to Barnstead.
 6. Upon termination of the agreement, any vehicle leases for the Sheriff's personnel assigned to Barnstead shall be transferred to Barnstead. Any fees for such a transfer shall be negotiated into the original leases.
- M. DISPUTE RESOLUTION: Any claim or dispute arising out of this Agreement ("Dispute") that cannot be resolved by the parties will be settled by final and binding arbitration in accordance with the American Arbitration Association ("AAA") rules.

OSCAR FOSS MEMORIAL LIBRARY

Each and every year we do our best to keep up with the times, know what our patrons want and provide all the services we possibly can. This year was no exception as we continued to add to the collection and programs.

The downloadable audiobook service really escalated, primarily due to the Consortium purchasing the licensing for the Kindle. This sent our downloadable audiobook circulation to 1,500 books. This means that above and beyond our in-house circulation, many of Barnstead's residents were downloading lots of audiobooks from home. Our total circulation for the year was 23,620.

The public access computers served a multitude of patrons who spent 1001 hours searching for everything and anything on the Web. Due to the present economy, we heard from a number of patrons that they had to let Internet Access go at their homes, so having the library computers available, especially for job searching and resumes, became a top priority.

Many different programs and meetings occurred in the Meeting Room and the room was booked a total of 244 times last year. There were Scout meetings, sewing, spinning and weaving classes, quilting classes, art shows, story hour, book club and much, much more. Always check at the Library to see what might be going on.

Our Story Hour continued again this year still under the leadership of Dawn McCartney and averaged 20 children and 10 adults each week. This is a community program run completely by volunteers who read stories, provide snacks and do arts & crafts with the children. The attendance for our three special parties was very high again this year.

Another highly successful program was our Summer Reading Program, "One World, Many Stories", organized by our new Children's Librarian, Christy Verville, Pamela Welch and Trina Blackwood. We had 102 children participate, with 76 completing the program. The children received weekly prizes and also were eligible to win 1 of 3 prize baskets at the end of the program. Two art classes were offered: Mosaic Tiles were created in one class and the other was making international instruments. At the end of the Summer Reading Program an exciting show from "Reptiles on the Move" allowed the children to explore animals from around the world. The children were allowed to view and touch exotic animals and learn all about them from trained professionals. Even the staff members of the OFML cautiously picked up a boa constrictor and a tarantula!

At the beginning of December, a Fancy Nancy Tea Party was offered for the "young" lady patrons of the library and we had a full house of beautifully dressed ladies who played Fancy Nancy games and sipped on their "tea" while conversing and eating their snacks. We look forward to presenting something unique and interesting focusing on the boys in the spring.

Once again we were fortunate to have Janice Metzger organize an art show each and every month. We were delighted to have exhibits of oils, charcoals, watercolors and much more. A special (and we hope annual) art show was held in April and May featuring the 8th grade students of Barnstead Elementary School. As the class size was large with lots of projects we decided to have the shows during two Open

House nights. With the help of Mary Dank, Art Teacher and Janice, we were honored to have their paintings, drawings and sculptures on display. This gave the residents of Barnstead, who do not ordinarily visit at the Elementary School, a chance to see some fabulous work by our local students.

The library continues to offer a multitude of services including those elusive “paper” IRS forms, photocopy and computer access, books, magazines, DVD’s, CD’s and much, much more. Our staff consists of Pamela Welch, Assistant Librarian, Trina Blackwood, Support Staff and Christy Verville, Children’s Librarian. I am on year 27 and would like to take this opportunity to thank our Board of Trustees, Bruce Marriot, Sally Kallgren, Rick Simoneau and Suzanne Allison. We all look forward to serving the Town of Barnstead and hope to see you at YOUR library soon!

Respectfully submitted,

Susan T. Conrad
Library Director

Our story hour younger patrons add to their Story Hour Tree during a weekly visit.

REPORT FROM THE BUILDING INSPECTOR'S OFFICE

2011 brought another decline in the market for the building of new homes, as only 7 new home permits were applied for. The maximum allotted permits for this year was 35 with a carryover of 26 permits from last year giving us a total of 61 available permits.

The total numbers of permits issued were: 288

The total amount collected in the office was: \$24,410.00

The total numbers of inspections – (not including mechanical which are done through the fire department) were: 363

The following is a re-cap of issued permits:

BARNSTEAD PLANNING BOARD ANNUAL REPORT

The Town of Barnstead Planning Board has the responsibility to guide the growth and development of the community. The duties of the Planning Board to accomplish that responsibility include preparing and periodically amending a Master Plan, updating a Capital Improvement Plan to project costs for infrastructure improvement projects, reviewing applications for subdivisions and site plans for businesses, and establishing any other requirements deemed necessary or helpful to support the development of the town.

The purpose of a Master Plan is to take input from the community at large and to document the direction the people who live in the community want to see the town headed. Once the desired long-term development of the community is envisioned, infrastructure improvements to support that development can be identified. The Capital Improvements Plan uses the information from the Master Plan to project spending over a 5-year period so that the Selectmen, the Budget Committee and the Town Meeting can budget appropriately and accomplish specific goals while controlling spending. The Planning Board is working on revising the Master Plan and Capital Improvement Plan. Michael Kowalski is spearheading this task, and instead of redoing the whole Master Plan at once - a formidable task - he has divided the sections of the plan into groups, and is updating two sections each year, which will make the Master Plan a living document that reflects changes in the Town as they occur.

During 2011, the Planning Board has approved 3 major subdivisions, 6 lot line adjustments, and 4 site plan reviews for new businesses in town.

In June of 2002, the Planning Board enacted interim measures to control the growth of the Town of Barnstead. In 2001, the number of building permits for new homes jumped from a ten-year average of 9 per year to a total of 137 in one year. Alarmed by this increase, and with the number of building permits for new homes at 87 by the beginning of June 2002, the Board posted a notice to adopt a temporary growth limitation ordinance. This stopped the issuance of building permits until a special election could be held. The voters overwhelmingly supported the limited growth ordinance at the special election in June 2002. With the adoption of the Interim Growth Ordinance, the Planning Board was addressing the issues of overcrowding in the elementary school, increasing high school enrollment, and the strain on municipal services in town created by the unprecedented growth. To continue these growth control measures, the Board placed a permanent Growth Control Ordinance on the ballot for the 2003 Town Meeting. This ordinance passed by an overwhelming margin, and has withstood a test in Superior Court. This ordinance allowed the town to limit the number of building permits issued for new homes each year during the period 2003 – 2014. This provided a chance to get the infrastructure updated to support the increasing population of the town. So far we have built a new high school, but, in the foreseeable future our community will be asked to support additional infrastructure improvements such as a new Town Hall and a Public Safety Complex to serve the inevitable growth that will come in ensuing years.

In 2003 the voters authorized the Planning Board to collect impact fees. In 2007 the Planning Board adopted a fee schedule based on the cost of the new high school. This schedule calls for every new single family home to pay \$1,492.00, every new manufactured home to pay \$1,247.00, and every new duplex to pay \$985.00 per unit into a fund that can only be used to pay off the bond on the new high school. If any other capital projects are approved at this year's Town or School Meetings then the proportional cost of

those projects will be incorporated into the impact fee schedule. These are fees levied against new homes constructed to defray the costs already assumed by the present homeowners.

The Planning Board is in need of volunteers for the Master Plan Committee, Planning Board alternate members, and others who want to aid in the planning process.

An application is available at: <http://www.barnstead.org/townbusiness/planningboard/plnbrdvol.pdf>

REPORT OF THE CONSERVATION COMMISSION

The Barnstead Conservation Commission would like to take this opportunity to thank the community for their support for the various activities undertaken in 2011 by the Commission on their behalf. As in years past, the Conservation Commission continues to focus on managing the Town's existing conservation and recreation parcels, as well as working to develop new conservation easements across the community.

Maintenance activities such as mowing at the Harrison property, maintaining the beach access at the White Oak Road property, and maintaining trails and signs are a number of the items addressed. Due to the limited number of members on the Commission, it would be difficult to accomplish much on the ground without the assistance of other groups, which we would like to acknowledge including the Town Recreation Committee, and a group of volunteers from the Center Barnstead Christian Church. Last fall, we met with Michael Hederman, an Eagle Scout candidate from town who has elected to work on the trails and picnic area at the Stevens Recreation area behind the Police Station. We look forward to reporting on this project's progress in the coming year.

Land Protection Projects

We are currently working on three land protection projects at various stages of review. Over the course of the last twelve months, we also reviewed three other potential sites, which we did not pursue for a variety of reasons. Due to the complexity of the process and the number of issues to address, most easement projects take a significant amount of time and effort to put together, but we hope to make announcements on some or all of these projects in the coming year.

New Members

The Commission continues to have a need for new members. Several members have moved on recently, so we are looking for new ideas and energy to bring to the Commission. Anyone interested is welcome at our regular meetings on the first Wednesday of each month at 7:30 at the Town Hall. Please contact Jim Fougere with any questions or comments.

EMERGENCY MANAGEMENT REPORT

Another year of challenges is behind us, with most weather event's being near misses. We were very fortunate to not see the complete devastation of infrastructure that our neighbors in northern New Hampshire and the State Of Vermont suffered. However, these situations allow us to study and gauge our readiness to respond as needed in the future. We are constantly in contact with the New Hampshire State Emergency Management Office, as well as many other state and federal agency's that offer direct assistance and support along with training and needed resources. In keeping with our continued effort to share resources, we will be involved in exercises with other agencies and community's to conduct a drill which will allow us to evaluate our plans and make necessary needed improvements.

We have discovered an area of needed improvement. We will be evaluating our ability to make notification to our community in the event of an emergency that you may not be aware of. We will be looking at mass notification systems that are readily available including telephone, town web site, media, and sirens or horns.

Again this year I would urge you to make use of the Request For Assistance Form. This information will be kept confidential, only used if needed during an emergency. It will allow us to be aware of any special considerations your family may have including mobility limitations, physical conditions, or special medical needs. This year these forms will be available at the Town Hall, and copy's available at Town Meeting.

I would like to thank all town departments for their continued hard work in preparing for and responding to our needs.

Respectfully submitted,

Shawn Mulcahy

Emergency Management Director

Town Of Barnstead

REPORT OF THE FOREST FIRE WARDEN

George R. Krause, II; Warden

Deputy Wardens: Mark Tetreault, Shawn Mulcahy, Rodney Boyd, John Drew, Roscoe Tasker Jr., Nicholas Rott

Barnstead Fire-Rescue and the State of New Hampshire Division of Forests & Lands, work collaboratively to reduce the risk and frequency of wildland fires in Barnstead and New Hampshire. To help us assist you, please contact the Fire Department at 603-269-4121 to determine if a permit is required before doing ANY outside burning. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the fire department or DES at 603-271-1370 or www.des.state.nh.us for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources.

Both in terms of the number of fires, as well as the number of acres burned, this past fire season was the smallest since records have been kept. Extensive rainfall virtually all season long kept the fire danger down. When fires did start they were kept very small. The largest fire for the season was only 5.4 acres which occurred in Littleton on May 2nd 2011. There was however a small window of high fire danger in the northern third of the state during July when little rainfall was recorded. During this time there were a number of lightning started fires which are fairly unusual in New Hampshire. As has been the case over the last few years, state budget constraints have limited the staffing of our statewide system of 16 fire lookout towers to Class III or higher fire danger days. Despite the reduction in the number of days staffed, our fire lookouts are credited with keeping most fires small and saving several structures due to their quick and accurate spotting capabilities. The towers fire spotting was supplemented by contracted aircraft and the NH Civil Air Patrol when the fire danger was especially high. Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Several of the fires during the 2011 season threatened structures, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe!

BCEP Solid Waste District

www.bcepsolidwaste.com

A Message from the District Committee

2011 was another quiet year at BCEP. Prices received for recyclables held steady at an excellent rate, which helped revenues, even as shipments again shrank. BCEP was able to obtain a \$3,800.00 grant, from New Hampshire the Beautiful, towards the purchase of a new forklift to replace an aging unit.

During 2012 the District Committee plans on conducting an overall review of operations at BCEP to see if any additional efficiency can be found. Some of the items suggested for review are hours open, employee compensation structure, charges for items brought to the facility, ongoing equipment updates and energy efficiency of the building.

The good news is the Committee has avoided increasing taxes for the 13th consecutive year, 2012. While each town's share has changed slightly due to population changes (2010 census), the total taxes collected by the District haven't increased since 1999.

Comments from the public are always welcome. The District Committee meets the last Thursday of each month (except Nov. & Dec.) at the District facility at 7:00 PM. The November meeting is the Thursday before Thanksgiving, while the December meeting is posted in the Suncook Valley Sun. The Public is invited.

REPORT OF THE HEALTH OFFICER

This year has been quite a learning experience that dispelled some preconceived assumption of authority by the Health Officer. We have received a variety of complaints from the public, which the Town is obligated to investigate. In most cases results of the investigation revealed some misunderstanding of regulations or violations that were easily resolved with cooperation from the property owner. However, several complaints were, as verified by site investigation, clear violations of State or local codes that caused unreasonable hazard to the public or residents. Immediate action by the health officer was deemed necessary to abate the hazards.

While the Town through the health officer, has always attempted to resolve violations informally; in several cases these attempts failed, and a higher level of enforcement was required. All along we were led to believe by a higher authority that the health officer had the power to initiate immediate steps to mitigate the violations. The courts disagreed when several cases were dismissed. Our attorney recommended the Town adopt local ordinances as provided by State Statute as a means of eliminating needless legal expenses. He further recommended the Planning Board adopt the regulations as amendments to the zoning ordinances. As a first step, the Planning Board has moved to include minimum housing standards as contained RSA 48-A for rental property. This amendment will be placed on the ballot for Town Meeting. I recommend you support this amendment. While the Town is loathe to over regulate residents; we will be exploring other alternatives that are reasonable and add a level of protection for all of us.

All dwellings in Barnstead are equipped with individual septic systems for the disposal of waste water. Failed systems not only affect the property owner, but also residents within the immediate area. Historically, failed systems have been a common complaint received by the Town. I believe the lagging economy has the potential to exacerbate this problem in several ways. As in the depression era, families may be forced to accept additional members in their dwellings placing more stress on the septic system. Barnstead has also seen its share of property foreclosures that are generally sold without warranty by the mortgage lender. As families add members, they should consider having their system inspected by a septic hauler to determine if the system needs any improvement to handle the increased load. Anyone considering purchase of a foreclosed property should inspect public records through the Town or health officer that may indicate past problems. In the end an individual may save needless expenses by taking preventative measures.

In the past year the health officer has responded to the following:

- 2-foster home facility permit inspections
- 1-day care facility permit inspections
- 4-unsanitary condition complaints
- 1-nuisance complaints
- 4-septic system failure complaints
- 2-rental housing standards complaints
- 1-continuing enforcement case

Respectfully submitted,

William Evans, Barnstead Health Officer

PARKS AND RECREATION COMMITTEE

Numerous community benefits, created through our parks and recreation services, contribute to our little town's ongoing economic vitality. Our goals are to make our community a desirable place to live and play, to develop healthy lifestyles, strong minds and fit bodies, to deter crime and expand experiences for all ages.

As volunteers with Barnstead Parks and Recreation for the past several years, we know the time and energy needed to maintain the programs and services so many residents have come to appreciate. Our intention for the past couple of years has been to create a well-structured department with the ultimate goal of turning over the many responsibilities to a part-time Director and volunteer based Commission. We believe this community will be best served with a Director, allowing for continuity and oversight, who would be guiding the many dedicated volunteers and part-time employees, needed to maintain and develop programs, services and facilities in Barnstead.

The Commission would be appointed by the Board of Selectmen and meet monthly. This group would assist the Director to define and provide diverse, leisure time recreation that complements and preserves our local resources; promote recreational activity for children and adults of all ages and abilities; support efforts to build and maintain recreation facilities in the Town of Barnstead and collaborate with other agencies and organizations in an effort to maintain and expand cultural and recreational opportunities.

The various tasks undertaken by current volunteers include **Town Beach** - recruiting, hiring, scheduling and overseeing Beach Attendants, preparing the beach and swimming area; **Summer Concerts** - booking and contracting performers, publicity, scheduling non-profit concessions; **Ice Rink** - recruit, hire and oversee Ice Rink Attendant (new this season!); **Big River Recreation Area** - so much more can be done with this treasure; **Youth Programs** - over 150 children participate in soccer and basketball. At least 15 adult volunteers for each program are recruited to make these happen. Behind the scenes tasks include player registration, team assignments, uniform and other equipment purchasing, practice and game scheduling (a true challenge with only one gym and 14 teams!), league meetings, referee scheduling, and so much more! **Adult Programs** - women's basketball, volleyball, softball; **Annual Events** - fishing derby, Easter Egg Hunt as well as some new programs, Yoga, Drawing Class, and Kiddie Kickball - we hope to see continue.

Under the guidance of a Volunteer Steering Committee, two warrants are being presented at the 2012 Town Meeting to create the Commission and part-time Director. We hope that this community continues to show its support for its Parks and Recreation as it builds for the future.

Tremendous appreciation and gratitude to all who have given of their time and talents to Barnstead Parks and Recreation!

Respectfully submitted,

Judy Chase, Chair

Peg Simoneau, Treasurer

Dan Chase and Hollie Kelley, Members

Bob LaRoche, Selectmen's Representative and dedicated volunteer

BARNSTEAD OLD HOME DAY

In the past, Barnstead's Old Home Day has been plagued with weather related issues and Old Home Day 2011 was no exception. The day began with the typical hot and humid weather that occurs before a summer storm. As the day progressed, reports of Hurricane Irene became more numerous and more alarming. Most of the planned events took place without any problems. But, some of the events had to be stopped earlier than planned so organizers could get things put away before Irene swept through New Hampshire. Other events, such as the fireworks by American Thunder, began their show earlier than planned and were able to complete the display just before the rains began. Some vendors chose not to participate in the event in order to remain at home and secure things for the impending storm.

The 5K road race was a resounding success with more than 130 runners and walkers taking part in the event. Many of the runners remarked that they had beaten their own times from previous years. The road race event also included a kid's fun run with over 25 children participants. Congratulations to all of the athletes who took part! After the race, the participants were able to enjoy cool bottled water and fruit provided by Hannaford Market, Fiddlehead Farm and Stonyfield Farm. Six local businesses made monetary donations to contribute to the success of the road race.

Barnstead Fire Rescue prepared an exceptional pancake breakfast again this year at the Parade Fire Station. Delicious food was enjoyed by, not only the 5K runners and walkers, but also by all the people who came to support Barnstead Old Home Day.

Exhibitors and vendors set up late morning to provide snacks, treats and demonstration/participation events of various kinds. Some exhibits were provided and demonstrated by Barnstead Historical Society and Barnstead Fiber Arts. Barnstead Fire and Rescue sold funnel cake and other treats, Epsom/Chichester Lions club offered French fries and chicken tenders, sausage and pepper subs were on sale by the Barnstead Youth Baseball-Softball club, the Girl Scouts sold hotdogs and did face painting, a member of the 4-H sold make-your-own hula hoops, North Barnstead Congregational Church sold lemonade and cotton candy, and root beer was for sale at the Explorer's Club. The Old Home Day cake, purchased at Shaw's, and watermelon, purchased from Duane's Farm, was provided by the OHD Committee for an afternoon treat.

Early in the afternoon Linda Peck and Joseph Scalise, both from Double Vision, presented "Pantomonium" to entertain an audience of all ages. They involved audience members in their show of illusion and extraordinary skills. Additional entertainment, throughout the morning and afternoon, included kid's games, disc golfing, rock wall climbing, cake walks, a baking contest, experiencing 'drunk driving' in a golf cart while wearing distorted goggles, coloring contest, Karaoke, a horseshoe tournament, and many other family-friendly fun events.

The theme of this year's Old Home Day was 'Classic Vehicles'. David and Eileen Murley offered their side lawn, across from the Parade Fire Station, for entrants to exhibit their antique tractors, classic cars, and everything in between. A People's Choice Award was given to one of the classic vehicles based on popular vote. Many families and friends walked from the Parade to the Murley's to view the display and reminisce about the days of yore.

Later in the evening, after viewing the classic vehicles, people were able to go across the street to the Parade Fire Station and enjoy a barbeque chicken dinner, prepared by the Suncook Valley Sno-Riders snowmobile club. The popular bean-hole baked beans, for which the Sno-Riders are famous, were packed and sold in pint containers to bring home and enjoy later. This year a dinner and a 'show' were provided. The auction was held at the same time as dinner was being served for those who wished to participate. A wide selection of items was available from which to choose. Russ Abbott, from Atlantic Auction Company and Atlantic Trading Company of Chichester, was the auctioneer again this year.

The 2011 Citizen of the Year Award was presented to Roland "Bunk" Bunker. Bunk was born and raised in Barnstead and has lived here his whole life, minus the time he spent in the military proudly serving his country. He has served on a number of boards, including the Zoning Board, and has been the official gate keeper at the voting booths for many years.

Throughout the Summer Concert Series, put on by Parks and Recreation, the Old Home Day Committee was able to sell booklets, t-shirts, raffle tickets and other merchandise, to raise money to offset the costs of the event. A Husqvarna lawn trimmer, purchased from Barnstead Motorsports, was raffled off as was a pair of folding Adirondack Chairs purchased from the Christmas Tree Shop of Hyannis, MA. A random drawing of the winning tickets was completed in the late afternoon.

In addition, with the financial help of Barnstead Parks and Recreation, we were able to present the group Decades to sing some of that good 'ole rock and roll. The duo provided just the right blend of current and 'golden oldies' music to keep some members of the audience tapping their toes, and others singing along with the familiar tunes.

A special thank you to all the residents, and non-residents, that came out to support our town event. Many thanks to all of the volunteers, auction donors and dedicated members of the Old Home Day Committee:

Peggy Sweeney, Chairperson; Jerissa Brown, Nancy Carr, Mary Clarke, Barbara Comtois, Eric Corliss, Sherri Corliss, Tim Eades, Maureen Fitzpatrick, Chari Gauntt, Nathan Gauntt, Jill Jacques, Amy Jennings, Emily Kallgren, Eileen Murley, Pam Plante, Matt Raymond; Colleen Smith; Kerry Sponberg, Janet Strickland, Paula Vardaro and Taylor Welch

SUPERVISORS OF THE CHECKLIST

The Supervisors of the Checklist had a busy year. Our first meeting of 2011 was held on January 18, for updating the checklist and accepting change in party registration. We met again on February 26. This was the last date to accept voter registrations prior to Election Day, which was held on March 8 for the Town and School elections. We were in attendance at the Town Meeting on March 12 and the School Meeting on March 19. For these elections and meetings we had to have updated checklists available.

Per State Law, 2011 was the year of verification of the checklist which meant we had to have numerous meetings between April and August to check eligible voters and send letters to those voters who had not voted for a period of time and finally, to purge names from the checklist. Our first public meeting to start this procedure was held April 16, duly advertised in the local paper. We had subsequent meetings during the summer months and as per State Law finalized the purged checklist for the September 1 deadline with 353 less voters on the checklist. We were fortunate to have Jessie Fifield help us during this verification of the checklist.

We met October 14 to register voters and we were able to accept party changes prior to the upcoming Presidential Primary.

It is good to see so many voters out on Election Day exercising their right to vote. *Please use that right each and every election.*

YOUR VOTE DOES COUNT!

Respectfully submitted,

Judith L. Forsyth
Marjorie J. Terry
Frances J. Eastman
Jessie L. Fifield, Pro Tem
Supervisors of the Checklist

BARNSTEAD HISTORICAL SOCIETY

The Barnstead Historical Society continued its tradition of having “pot luck” supper meetings in 2011. Our meetings have been very informative. We learned about “Heritage commissions” and about some of the restoration work on the Town Hall from Lucille Noel of the Chichester Historical Society. Peer Kraft-Lund spoke to us about the “Wentworth-Coolidge Mansion” and in July was our tour guide on our trip to the Mansion. NH history really came alive at Governor Wentworth’s Little Harbor estate. We also had a display at Old Home Day in August.

Bill Walker made a presentation of the computer program containing the “Genealogy of Barnstead Families” at our October meeting. It is now available to the public at the Oscar Foss Memorial Library. We hope you have a chance to use the program for your research into Barnstead’s history. We did more fundraising this year. We had a very successful raffle and sold Barnstead Historical Society Calendars featuring “Barns of Barnstead”. Thank you for your support. One of the highlights of the year was the concert by the “Carter Mountain Brass Band” in September, co-sponsored by Barnstead Parks and Rec. and the BHS. They will be back again.

The Barnstead Historical Society is looking to the future in order to preserve the past. A Future Planning Committee was formed at the October meeting of the Society. The purpose of the Committee is to establish a strategy and time-line for the Barnstead Historical Society to acquire a facility (building) in which to display historical artifacts in a museum setting, to provide proper storage of our collections, there are many but more items are always welcome and to provide a meeting space to “disseminate historical information” {Articles of Incorporation.}

This meeting place could also serve as an auxiliary meeting place for other citizen groups in Town. The main consideration is the preservation and display of historically significant items. Barnstead is sorely lacking such a facility. The Barnstead Historical Society does have one building, the “Lock-up” or Tramp House, between the Town Hall and the Fire Station. We also have a storage area for artifacts above the offices in the Town Hall, for which we are grateful, but this facility is inadequate.

Here are some excerpts from the Barnstead Historical Society’s “Articles of Incorporation”, Article III; “the Society’s major function will be to discover and collect any material which may help to establish and illustrate the history of the area;” and “The Society will provide for the preservation of such material and for the accessibility, as far as may be feasible, to all who wish to examine or study it, and to undertake the preservation of historical buildings, monuments and markers.”

The Society would like to thank the citizens of Barnstead for their continuing support of our mission and for helping us to realize our goal of “finding a home” for the Barnstead Historical Society. We hope that all of you are as hopeful and excited as we are to think that the Town of Barnstead and the Barnstead Historical Society will soon have a facility worthy of the history of the Town and that it will be a source of pride which we and future generations will cherish.

The officers of the Barnstead Historical Society for the coming year are: Pres. – Sandra Burt, Vice Pres. – Jeannie Terry, Secretary – Betsy Webber, Treasurer – F. Jeanne Eastman and Archivist – Susan Fraser.

Respectfully submitted,

Sandra E. Burt, President 2011

BARNSTEAD MILFOIL CONTROL COMMITTEE REPORT

It appears that the milfoil growth in the Suncook River is following a similar pattern that occurred in the Suncook Lake system. Milfoil in Suncook Lake was first noticed in 2000 and reached the infestation point in 2003. It was treated in 2004 and appeared well under control for several years. 3 years after treatment, significant regrowth (from seed) began to occur and divers began spending many days removing plants by hand. The regrowth continued to accelerate with divers removing over 1000 gallons in 2009. In several areas, the root system had become so dense that hand removal was not possible. Retreatment of these areas which amounted to about 10 acres was done in 2010. Last year, both lakes were found to be very clean with only about 5 gallons of plants removed. This seems to confirm the need to remove all plants that grow from seed 3 to 5 years after treatment. Once all of the seeds have been exhausted, then new plants can only come from new introductions or old root systems that are still alive. Diver surveys each year should be able to keep this small amount of potential growth in check.

2011 marked the third year after major treatment for the Suncook River. We had expected a diver mop up operation, but it quickly became evident that there was extensive regrowth over the entire river. After some diver examinations of different river areas, it was apparent diver effort would not be worthwhile or productive. Consequently, the divers were directed to survey and remove plants in the Locke Lake area. Over 300 gallons of milfoil were removed from a number of Locke Lake areas that had just a few plants but were scattered around the lake. The divers did find an area of about 5 acres that was a dense infestation that will need to be treated next spring.

The Suncook River treatment program for 2012 is to treat the entire river with the new liquid version of 2, 4 -D. Since this is about half the cost of using the granular formulation, its use permits a retreatment in September which has been found to be critical to achieving the maximum kill of these plants. The Barnstead Milfoil Control Committee has been awarded a \$10,500 NH-DES assistance funding to help with the 2012 Suncook River treatment. The total cost for treatment is \$21,000. \$10,000 is being request on the warrant to complete payment for this treatment. Divers will be used to oversee and police the treatment. There is over \$5000 in the milfoil fund to offset these diver charges.

Ed's company Healthy Environment Innovations was able to complete the fabrication and outfitting of the Underwater Survey Vessel (USV) this summer for NH-DES. This vessel combines computer management of data and video to capture visible records of underwater views tied to GPS coordinates at fast boat speeds and very low visibility that divers cannot duplicate. It will be used to survey and map milfoil locations in all of NH's waterways that have milfoil.

The USV confirmed the location of milfoil over most of the river at 8 feet and less. In fact, where divers have difficulty seeing their hands in the dark river water, the USV was able to see depths to 14 feet. The USV was also used to survey Locke Lake and both the Upper and Lower Suncook Lakes. It demonstrated a unique capability of finding and recording locations of single isolated plants that were not located by any other technique. Once located, divers were dispatched to remove them from the water body. It is hoped that the USV will provide valued assistance to many communities in NH and will help analyze the results of the 2012 treatment in Suncook River sometime in September. Thanks very much for the continued support.

Barnstead Milfoil Control Committee

SUNCOOK RIVER NOMINATION 2011 ANNUAL REPORT

From its headwaters in Crystal Lake to its confluence with the Merrimack River, the Suncook is a dynamic river system possessing many resources vital to local communities. The river has shaped patterns of settlement in the area. Several hydroelectric dams operate along the Suncook, and three towns depend upon aquifers adjacent to the river for public water supplies. The river is used recreationally by paddlers, anglers, hikers, and wildlife watchers. It also provides a habitat corridor for wildlife.

Since 2010 local officials and emergency management personnel in the five lower Suncook communities have been working together to promote regional hazard mitigation and resource planning along the Suncook River. This group identified a need for continued regional communication and cooperation on a variety of matters relating to the River.

One of the recommended actions is nomination of the Suncook River for designation under the Rivers Management and Protection Program (RMPP), which was established by the state in 1988 under RSA 483. Designation of a river into the RMPP results in the formation of a Local Advisory Committee (LAC) composed of volunteer community representatives. This committee is charged with the task of developing and implementing a river corridor management plan. The LAC is also given the opportunity to comment federal, state, and local applications within the corridor.

The Suncook River represents an important regional resource whose water quality, quantity, and flow directly affect residents and users throughout the region. Designation would provide statewide recognition and opportunities for regional river management.

Designation of a river into the program does not affect local land use control authority. It does put in place special protections related to the establishment of new dams, hydroelectric facilities, landfills, hazardous waste facilities, and the agricultural application of sludge within the river corridor. In stream flow levels may be protected to ensure adequate water flow for all users; these levels would be set on a case-by-case basis with substantial public input.

In 2011 locally-designated representatives from each of the seven Suncook River communities held several meetings to learn more about the RMPP and nominating process, identify local concerns, and discuss local outreach. Meeting facilitation and technical support was provided by Central New Hampshire Regional Planning Commission (CNHRPC) and Lakes Region Planning Commission (LRPC). Their continued support into 2012 will be supported with a Water Quality Planning grant through the New Hampshire Department of Environmental Services.

A Public Information Meeting was held December 8, 2011 at the Chichester Grange Hall. The committee will continue to meet on a monthly basis during the first half of 2012 to develop and review the nomination proposal. There will be a second Public Meeting to review the nomination proposal on Wednesday, April 18, 2012.

For more information check with our local representatives or visit the Suncook River website <http://www.suncookriver.org/> for details.

David Kerr and Earl Chase, Barnstead Nomination Committee Representatives

**STATE REPRESENTATIVE REPORT
ELAINE SWINFORD
BARNSTEAD, ALTON, GILFORD AND BELMONT
CHAIRMAN, CRIMINAL JUSTICE & PUBLIC SAFETY COMMITTEE**

The 2011 session year was a very busy year in the State House. I was honored to be chosen the Chair of the Criminal Justice and Public Safety Committee, I was also appointed to the Redistricting committee for the 2010 census. This committee is very interesting as we are able to by the numbers how the state of New Hampshire has changed. More people are moving into the southern part of the state and people are moving out of the North Country; some of which appear to be moving out of state. The demographics of New Hampshire have changed as our population has gotten older.

My committee worked very hard on *the stand your ground bill* which passed and is now law in New Hampshire; we also passed *the castle doctrine* which allows a person to defend their home and that too is now law. The House also brought to the floor a budget that helped small businesses to grow in the state with less taxes and government.

I enjoy my work on your behalf and will continue to work hard to make New Hampshire the best place to live.

Respectfully submitted,

Representative, Elaine Swinford

THE STATE OF NEW HAMPSHIRE
EXECUTIVE COUNCIL

DANIEL I. ST. HILAIRE
EXECUTIVE COUNCILOR
DISTRICT TWO

STATE HOUSE ROOM 207
107 NORTH MAIN STREET
CONCORD, N.H. 03301
(603) 271-3632

TO: All District Two Cities and Towns
FROM: Executive Councilor Daniel St. Hilaire

As the year 2012 unfolds before us, I would like to take this opportunity to thank all of you for the support, concerns, comments and feedback you have given me in 2011. This public input is an important contribution to successfully run our state government.

Throughout the past year, I have issued a report that chronicles the Governor and Executive Council meetings. Included in the report are the agenda items we voted on with the items pertinent to District Two, our Executive Council District, highlighted. This past calendar year, the Executive Council approved 2,632 items/contracts totaling \$1,540,138,079.06. In addition to the contracts listed above, the Executive Council voted to authorize the Governor's Warrant and Expenditures requests (State operating expenses) in the accumulated amount of \$5,670,115,959. My legal background and experience has proven to be a significant asset when giving each and every item careful consideration before casting my vote. It has been my pleasure to provide these reports to you to keep you informed of the decisions that are being made by your elected officials on your behalf. The Reports can also be viewed at: www.nh.gov/council/district2/reports

Also this past calendar year, the Council appointed a total of 344 persons to serve on various Boards and Commissions for the State of New Hampshire, of which 28% were from District Two.

If you have interest in serving on any of the 300+ State Boards or Commissions please send a letter of interest along with a resume, to Jennifer Kuzma in care of the Governor's office as well as copy to me at the Executive Council office. The Executive Council welcomes public input on nominations that are brought forward by the Governor for consideration and confirmation. Please contact me with any concerns or to support individuals or projects coming before the Council.

I look forward to continuing my service to Executive Council District Two.

Sincerely,

A handwritten signature in black ink, appearing to read "D. St. Hilaire".

Daniel St. Hilaire
Executive Councilor

OVERSEER OF PUBLIC WELFARE

Thank you for re-electing me again as your Overseer of Public Welfare. I enjoy the work, helping our friends and neighbors who are having a hard time. I hope I make it a little less intimidating for them when they come into the department for their needs. Barnstead is a wonderful town that cares for its own in a professional and compassionate manner.

This past year was difficult for many with job layoffs, rising heating costs and needing assistance with rent. We were able to help all and keep them in their homes.

Working with our citizens reminds me how lucky our little town is with its friendly and helpful members of the community that will step up to help those in need; running fund raisers, shoveling snow off of a neighbors steps or just checking up on a friend or neighbor.

I will continue to do the best job as Overseer of Public Welfare for the Town of Barnstead that you have come to expect of me.

Respectfully submitted,

Elaine Swinford
Overseer of Public Welfare

LAKES REGION PLANNING COMMISSION
2010 – 2011 (FY11)

The Lakes Region continues to grow and evolve. As our economy and world change, so does the work we are engaged in. The Lakes Region Planning Commission (LRPC) is an organization established according to state law to provide area communities and the region with the capacity to respond to and shape the pressures of change in a purposeful way. With a service area covering over 1,200 square miles in Belknap, Carroll, Grafton and Merrimack Counties, the LRPC provides a wide range of planning services to member municipalities. The Commission offers direct and support services including technical assistance, geographic information systems, transportation planning, land use, environmental planning, hazard planning and economic development. Local, state, and federal resources primarily fund the LRPC. We also maintain a regular dialogue with state agencies as a resource for the entire Lakes Region. Our overall goal is to provide support, knowledge, and leadership to the governments, businesses, and citizens of the Lakes Region.

LOCAL SERVICES:

- Coordinated a building energy assessment to identify energy efficiency and conservation opportunities and to address excessive propane usage at the Center Barnstead Fire Station.
- Advocated for the inclusion of highways improvements along NH Route 28 in the NH Ten Year Plan (TYP).
- Prepared master plans, hazard mitigation plans, capital improvement programs, local emergency operations plans, zoning ordinances, subdivision regulations, and related services for several communities.
- Maintained circuit rider planning services for municipalities interested in assistance with development proposals.
- Provided copies of the NH Planning and Land Use Regulations to the town at considerable savings.

EDUCATION

- Organized and hosted three public Municipal Law Lectures, in cooperation with the NH Local Government Center: 1) Cell Towers: Managing the Approval Process to Protect Municipal Interests and Comply with Federal Law; 2) Conflict of Interest, Disqualification and the Local Land Use Board Decision-Making Process; 3) Administrative Decisions in Planning and Zoning: How They're Made, How They're Appealed.
- Hosted a Housing Diversity Workshop on May 5 in Laconia that addressed the value of locally diverse housing stock and complemented the findings published in the *Lakes Region Housing Needs Assessment: June 2010*.
- Attended 2011 Telecommunications Summit and the NH Best Management Practices planning meeting to begin formulating next steps and working with Regional Stakeholder Groups.
- Represented the region at the Local Energy Solutions Conference, hosted by Clean Air-Cool Planet and the Local Energy Committee Working Group, in Concord. The energy Technical Assistance Program (ETAP) was officially launched at the conference.

REGIONAL SERVICES

- Contributed to the preparation of the award winning Innovative Land Use (ILU) Guidance resource document and ILU Mapper.

- Released the 2011 Development Trends Report, which shows residential, commercial, and industrial permit activity on an annual basis.
- LRPC received the 2011 Planning Project of the Year Award from the NH Planners Association for the development and launch of the Winnepesaukee Gateway (WinniGateway). WinniGateway is the culmination of efforts that led to the successful completion of the first phase of the Lake Winnepesaukee Watershed Management Plan, which continues with the Center Harbor Bay subwatershed management plan.
- Prepared testimony on behalf of the NH Association of Regional Commissions (NHARC) in support of effective criteria in the Comprehensive Shoreland Protection Act (CSPA).
- Met with the New Economy Subcommittee to strategize potential options to enhance local broadband opportunities. Completed a satellite dish survey throughout the Lakes Region.
- Provided a summary of the U.S. Department of Agriculture (USDA) Community Facilities Grant program available to eligible communities in the Lakes Region.
- Modified and improved Community Facility maps for the regional towns and posted them to LRPC's website.
- Hosted a statewide meeting of the Regional Planning Commission (RPC)/Homeland Security and Emergency Management (HSEM) staff to discuss the process for Hazard Mitigation Plan (HMP) updates, Local Emergency Operations Plan (LEOP) updates, and other project issues.
- Hosted an Annual Meeting that featured Mary Collins, Author of *American Idle: A Journey Through Our Sedentary Culture*. Awarded local personages and organizations for their contributions to the Lakes Region.
- Convened six Commission meetings and facilitated discussion on: The NH Legislature's Groundwater Commission: The Role of Municipalities in Regulating Groundwater Withdrawals; Public Exchange on Ground Water; Brownfields and How the Lakes Region Brownfields Program can Facilitate Community Redevelopment in the Lakes Region; The Federal Perspective; NH State Brownfields Program; The Lakes Region Brownfields Program; Draft Region 3 Coordinated Transit Plan; The Northern Pass; The Energy Technical Assistance and Planning (ETAP) Program: Helping NH Communities Save Energy and Money; Economic Outlook for the U.S., New Hampshire and the Region; Current Regional Development Challenges and Opportunities; Everything You Need to Know About State and Federal Highway Aid Programs; Lakes Region 2011 Transportation Improvement Program (TIP).
- Collaborated with the eight other regional planning commissions to finalize an application to the U.S. Department of Housing and Urban Development on a proposed NH Sustainable Communities Initiative.
- Represented the region on the NH Association of Regional Planning Commissions.
- Maintain and host LRPC's website, www.lakesrpc.org, which features extensive information for local officials and the general public.
- An online survey developed by the NH Division of Historical Resources (DHR) was distributed to LRPC Commissioners as part of a statewide effort to assess needed services.

HOUSEHOLD HAZARDOUS WASTE

- Continue to represent the region at meetings of the Lakes Region Household Hazardous Product Facility to explore the ways and means the facility may encourage other communities to participate.

- Continue to organize and coordinate two annual Household Hazardous Waste (HHW) collections a year, involving 24 member communities. Requested proposals from vendors for collection, hauling, and disposal services.
- Received funding from the NH Department of Environmental Services (DES) to publish copies of the Alternative to Household Hazardous Waste brochure.

ECONOMIC DEVELOPMENT

- Continue to coordinate with area economic development groups including Belknap County Economic Development Council (BCEDC), Grafton County Economic Development Council (BCEDC), Franklin Business and Industrial Development Corporation (FBDIC), and the Wentworth Economic Development Council (WEDCO) in pursuit of workforce development and wealth creation opportunities for the region.
- Submitted a proposal to the U.S. Economic Development Administration to update the Lakes Region Comprehensive Economic Development Strategy (CEDS) and to explore the level of regional interest to create an economic development district.
- Worked with regional energy leaders to facilitate a meeting of the Lakes Region Energy Alliance to build capacity to identify economic development opportunities related to energy.
- Convened meetings of the Lakes Region Comprehensive Economic Development Strategy (CEDS) Committee regarding broadband, workforce development, and entrepreneurship.
- Completed an expanded service area map for the Lakes Region United Way training activities and website posting showing communities served.
- Continue to oversee the Lakes Region Brownfield's Program, which has identified and prioritized several sites in the region that need environmental assessments as a condition of redevelopment opportunities. Hired an environmental consulting firm to conduct several Phase 1 and Phase 2 assessments, some of which have led to community inspired clean-up grants from the U.S. Environmental Protection Agency (EPA). Submitted an application to EPA for additional assessment funding to aid local economic development and revitalization efforts.
- Continue to provide program management and guidance for the Lakes Region Brownfields program.

TRANSPORTATION

- Convened several meetings of the LRPC Transportation Technical Advisory Committee (TAC) to enhance local involvement in the regional transportation planning and project development
- Submitted the Lakes Region Transportation Improvement Program to the NH Department of Transportation (NHDOT) for consideration in the state's Ten Year Plan. Projects were developed through the Lakes Region TAC and approved by the LRPC Commissioners.
- Submitted an application to the New Hampshire Department of Transportation (NHDOT) to develop a Scenic Byway around Lake Winnepesaukee.
- Initiated the development of a Bicycle and Pedestrian Plan for the Region.

PUBLIC NOTICE

RESTORATION OF INVOLUNTARILY MERGED LOTS

674:39-aa Restoration of Involuntarily Merged Lots. –

I. In this section:

(a) “Involuntary merger” and “involuntarily merged” means lots merged by municipal action for zoning, assessing, or taxation purposes without the consent of the owner.

(b) “Owner” means the person or entity that holds legal title to the lots in question, even if such person or entity did not hold legal title at the time of the involuntary merger.

(c) “Voluntary merger” and “voluntarily merged” means a merger under RSA 674:39-a, or any overt action or conduct that indicates an owner regarded said lots as merged such as, but not limited to, abandoning a lot line.

II. Lots or parcels that were involuntarily merged prior to September 18, 2010 by a city, town, county, village district, or any other municipality, shall at the request of the owner, be restored to their premerger status and all zoning and tax maps shall be updated to identify the premerger boundaries of said lots or parcels as recorded at the appropriated registry of deeds provided:

(a) The request is submitted to the governing body prior to December 31, 2016.

(b) No owner in the chain of title voluntarily merged his or her lots. If any owner in the chain of title voluntarily merged his or her lots, then all subsequent owners shall be estopped from requesting restoration. The municipality shall have the burden of proof to show that any previous owner voluntarily merged his or her lots.

III. All decisions of the governing body may be appealed in accordance with the provisions of RSA 676.

IV. Any municipality may adopt local ordinances, including ordinances enacted prior to the effective date of this section, to restore previously merged properties that are less restrictive than the provisions in paragraph I and II.

V. The restoration of the lots to their premerged status shall not be deemed to cure any non-conformity with existing local land use ordinances.

VI. Municipalities shall post a notice informing residents that any involuntarily merged lots may be restored to premerger status upon the owner’s request. Such notice shall be posted in a public place no later than January 1, 2012 and shall remain posted through December 31, 2016. Each municipality shall also publish the same or similar notice in its 2011 through 2015 annual reports.

STATE OF NEW HAMPSHIRE
Town of Barnstead
Warrant for 2011 Annual Meeting
SUMMARY

1. To choose all necessary Town officers for the year ensuing.

2 Selectmen	3 year terms	Priscilla Tiede & Francis Vardaro
1 Road Agent	3 year term	Chris Carazzo
1 Trustee of Trust Funds	3 year term	Karen Montgomery
1 Library Trustee	3 year term	Rick Simoneau
2 Budget Committee	3 year terms	William Haynes & Danielle Krause
2 Planning Board Members	3 year terms	Clark Goodrich & Kathy Preston
1 Overseer of Public Welfare	1 year term	Elaine Swinford

2. To vote by official ballot on amendments to the Barnstead Zoning Ordinance, as proposed by the Barnstead Planning Board, as follows:

1. Are you in favor of question #1, as proposed by the Planning Board for the Town of Barnstead Code of Building Regulations, as follows:

To approve substantial revisions to bring the code into conformance with the State of New Hampshire Building Code? **PASSED 478**

2. Are you in favor of question #2, as proposed by the Planning Board for the Town of Barnstead Large Building Fire Protection Code, as follows:

To delete Section 9-A which defines the Fire Wards of the Town of Barnstead and replace the Board of Fire Wards throughout the code with the Town of Barnstead Fire Chief? **PASSED 523**

3. Are you in favor of question #3, as proposed by the Planning Board for the Town of Barnstead Zoning Ordinance, as follows:

To add a new section which would adopt certain minimum housing standards as set forth in RSA 48-A for rented or leased premises. **PASSED 415**

3. To hear the Reports of Agents, Auditors, Committees or Officers chosen and to pass any vote relating thereto. **PASSED VOICE VOTE**

4. To see if the Town will vote to abolish the Board of Firewards. (Recommended by Selectmen). **PASSED VOICE VOTE**

5. To see if the Town will vote to authorize the Selectmen to enter into a lease agreement for the purpose of leasing to own one (1) fully equipped 6 wheel dump truck for the Highway Department and to raise and appropriate the amount of Sixty Five Thousand Five Hundred Ninety Four Dollars (\$65,594) for the first year's payment for that purpose. This is a three year lease agreement and it contains an escape clause. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen) (Not Recommended by Budget Committee).

ELIMINATE 6 WHEEL TO FULLY EQUIPPED DUMP TRUCK

PASSED VOICE VOTE

6. To see if the Town will vote to raise and appropriate the amount of One Hundred Fifty Thousand Dollars (\$150,000) to purchase a Backhoe Loader for the Highway Department and to authorize the withdrawal of up to One Hundred Fifty Thousand Dollars (\$150,000) from the Highway Department Heavy Equipment Capital Reserve created for this purpose. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen) (Recommended by Budget Committee).

PASSED VOICE VOTE

7. To see if the Town will vote to raise and appropriate the amount up to One Hundred Seventy Five Thousand Dollars (\$175,000) to construct a building to be utilized as a Salt Shed for storing salt for the Highway Department and to authorize the withdrawal of up to One Hundred Seventy Five Thousand Dollars (\$175,000) from the Highway Garage Capital Reserve for this purpose. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen) (Recommended by Budget Committee).

PASSED VOICE VOTE

8. To see if the Town will vote to authorize the Selectmen to enter into a lease agreement for the purpose of leasing to own one (1) fully equipped Ambulance and to raise and appropriate the amount of Sixty Thousand Dollars (\$60,000) for the first year's payment for that purpose. This is a three year lease agreement and it contains an escape clause. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen) (Recommended by Budget Committee).

PASSED VOICE VOTE

9. To see if the Town will vote to raise and appropriate the amount of Ten Thousand Dollars (\$10,000) for the purpose of purchasing a radio repeater and related equipment. The radio will be installed on the cell tower located on the Carr Property on Hartshorn Road. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen) (Recommended by Budget Committee).

FAILED VOICE VOTE

10. To see if the Town will vote to raise and appropriate the amount of One Hundred Twenty Thousand Dollars (\$120,000) for the purpose of having the preliminary study and design phase completed by the engineering firm McFarland Johnson on the Hannah Nutter Bridge. Ninety Six Thousand Dollars (\$96,000) (80% of the cost of this project) is to come from the State of New Hampshire Bridge Aid Program, and further to authorize the withdrawal of Twenty Four Thousand Dollars (\$24,000) from the Bridge Construction Capital Reserve. The bridge was placed

on the red-list by the State of NH Bridge Engineer Inspectors and has been accepted into the State Bridge Replacement Program which pays for 80% of the bridge replacement. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen) (Recommended by Budget Committee).

PASSED VOICE VOTE

11. To see if the Town will vote to raise and appropriate the amount of Ten Thousand Dollars (\$10,000) to be placed in the Bridge Construction Capital Reserve Fund. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen) (Recommended by Budget Committee).

PASSED VOICE VOTE

12. To see if the Town will vote to raise and appropriate the amount of Twenty Thousand Dollars (\$20,000) to be placed in the Highway Department Heavy Equipment Capital Reserve Fund. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen) (Recommended by Budget Committee).

PASSED VOICE VOTE

13. To see if the Town will vote to discontinue the Fire Rescue Equipment Capital Reserve created in 1995. The account has remained open with a zero balance. (Recommended by the Selectmen).

PASSED VOICE VOTE

14. To see if the Town will vote to discontinue the Fire Truck Capital Reserve created in 1997. Said funds, with accumulated interest to date of withdrawal, are to be transferred to the municipality's general fund (approximately \$52,000). The purpose is to create one fund for both Fire and Rescue to include vehicles and equipment. (Recommended by the Selectmen).

PASSED VOICE VOTE

15. To see if the Town will vote to establish a Fire Rescue Expendable Trust Fund under the provisions of RSA 31:19a for the purpose of purchasing and replacing new or used Fire and Rescue vehicles and equipment and to raise and appropriate the amount of Sixty Seven Thousand Dollars (\$67,000) to be placed in this fund and furthermore to appoint the Selectmen as agents to expend. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen) (Recommended by Budget Committee).

PASSED VOICE VOTE

16. To see if the Town will vote to raise and appropriate the amount of Ten Thousand Dollars (\$10,000) to be placed in the Town Hall Computer Support Expendable Trust Fund. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen) (Recommended by Budget Committee).

PASSED VOICE VOTE

17. To see if the Town will vote to raise and appropriate the amount of Fifteen Thousand Dollars (\$15,000) to be placed in the Emergency Preparedness Expendable Trust. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen) (Recommended by Budget Committee).

PASSED VOICE VOTE

18. To see if the Town will vote to raise and appropriate the amount of \$5,000 to be placed in the Historical Society Building Capital Reserve. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen) (Recommended by Budget Committee).

PASSED YES 86 NO 38

19. To see if the Town will vote to raise and appropriate the amount of Five Thousand Dollars (\$5,000) to be placed in the Milfoil Treatment Expendable Trust. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen) (Recommended by Budget Committee).

INCREASE FUNDS TO 11,000 PASSED VOICE VOTE

20. To see if the Town will vote to create an expendable trust fund under the provisions of RSA 31:19 a, to be known as the Business Development Expendable Fund, for the purpose of paying miscellaneous expenses such as travel costs, meals and other costs associated with business meetings in order to attract businesses to become established in Barnstead, and to raise and appropriate the amount of Five Thousand Dollars (\$5,000) to such fund and furthermore to appoint the Selectmen as agents to expend. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen) (Recommended by Budget Committee).

PASSED VOICE VOTE

21. To see if the Town will vote to raise and appropriate \$6,000 (Six Thousand Dollars) for the purpose of Milfoil treatment at Locke Lake. (Submitted by Petition) (Recommended by Selectmen) (Recommended by Budget Committee).

FAILED VOICE VOTE

22. To see if the Town will vote to create a Business Development Fund by creation of a TIF District (Tax Incremental Funding) to attract businesses to designated land that would be funded by a TIF, as spelled out in the State of New Hampshire's RSA's. The land designated would be decided by a joint committee of the Planning Board and the Barnstead Development Group. (Recommended by Selectmen).

PASSED VOICE VOTE

23. To see if the Town of Barnstead will direct the Barnstead Board of Selectmen to convey an easement to the Center Barnstead Christian Church for town property known as the "Rogers Property" Map 7 Lot 5. Said easement will be/is for the purpose of continuing activities and structures that existed prior to the Town of Barnstead purchased said property. All costs associated with the conveyance will be borne by the Center Barnstead Christian Church. (Submitted by Petition).

FAILED VOICE VOTE

24. To see if the Town will vote to authorize the Selectmen as allowed by RSA 80:80, III, to convey the property at tax Map 041 Lot 320 and 321, to Robert A & Anne M Agri, to be merged with the property at Map 041, Lot 319 Lot. The Agri's have paid all taxes, interest, costs and expenses owed to the Town in maintaining the property. (Recommended by Selectmen).

PASSED VOICE VOTE

25. To see if the municipality will vote to raise and appropriate the Budget Committee's recommended sum of \$3,421,798 for general municipal operations. The Selectmen recommend \$3,429,417. This article does not include appropriations by special warrant articles and other appropriations voted separately. **REDUCED BUDGET BY 40,100 AND ADD 6,000 TO FIRE PASSED AMENDED TO 3,387,698 PASSED VOICE VOTE**
26. To transact any other business that may legally come before this meeting. **MOTION TO RECONSIDER ARTICLE 9 FAILED VOICE VOTE**
