**RESULTS OF THE JACKSON TOWN MEETING**  
**MARCH 11, 2003**

Polls were opened at 8 AM by Moderator Willis Kelley and closed at 7 PM by Moderator Willis Kelley.

The meeting was called to order by Moderator Willis Kelley at 7:03 PM. Moderator Kelley led the Pledge of Allegiance and one chorus of God Bless America. He then asked for moment of silence so that all present could honor those that passed on during the past year.

Diane McClave presented Frank DiFruscio with going away presents. Frank has served 15 years as Selectman, 12 with Dee (Diane McClave).

Motions were made, seconded and passed to dispense with the reading of the warrant as this was going to be read as each article came up and also to dispense with the use of the checklist except for written ballots.

Moderator Kelley noted that Article 10 was printed out of sequence. The issue of town charges would usually appear as Article 7.

ARTICLE 1. To choose all the necessary Town Officers for the ensuing year. Results of the ballot voting are as follows:

Selectman for 3 years	Richard Bennett	218
	Gino Funicella	158
Trustee of Cemeteries for 3 years	Lee Phillips	330
Trustee of Trust Funds for 3 years	Timothy Scott	326
Library Trustee for 3 years	Lynn Stevens	325
Auditor for 1 year	Frank Connolly	340

Moderator Willis Kelley swore in Richard Bennett.

ARTICLE 2. To see if the Town will vote to adopt Amendment No. 1 as proposed and recommended by the Jackson Planning Board to amend Section 2. NON-CONFORMING USES (and Structures). This is a housekeeping change, since structures are discussed in the wording of that section. This article PASSED with 280 Yes and 54 No votes.

ARTICLE 3. To see if the Town will vote to adopt Amendment No. 2 as proposed and recommended by the Jackson Planning Board to amend Section 3.

DEFINITIONS: (HEIGHT, Building or Structure (Natural Ground Surface). Additions here will clarify the method currently used by height restrictions, as well as the items included in the height restrictions. This article PASSED with 284 Yes votes and 69 No votes.

ARTICLE 4. To see if the Town will vote to adopt Amendment No. 3 as proposed and recommended by the Jackson Planning Board to add Section 4B. DISTRICT & DISTRICT REGULATIONS:

Driveway: Rural-Residential District (Driveways must comply with the following standards)

1. The location and design of driveways shall minimize traffic hazards and not unduly retard traffic flow in the public right of way.
2. Driveways serving more than one dwelling unit shall be designed to accommodate prospective traffic and to meet requirements of the zoning ordinance and any additional requirements of the Fire Department.
3. Construction of driveways shall not result in excess sedimentation, erosion or the creation of a watercourse where one did not previously exist on neighboring or town property.

Driveway: Village District: (Requirements are the same as those for the Rural Residential District (Section 3.1 .g.)

This article PASSED with 284 Yes votes and 69 No votes.

ARTICLE 5. To see if the Town will vote to adopt Amendment No. 4 as proposed and recommended by the Jackson Planning Board to amend Section 5: RIVER CONSERVATION DISTRICT: Clarifications of the current ordinance are proposed by the Zoning Board of Adjustment and the Conservation Commission. This article PASSED with 270 Yes votes and 75 No votes.

ARTICLE 6. To see if the town will vote to allow the Jackson Planning Board to make "housekeeping changes to the Jackson Zoning Ordinance in format, numbering, title, etc., as necessary to ensure clarity and proper interpretation of the ordinance, without changing the substance or meaning. This would permit the Jackson Planning Board to make minor non-substantive changes to the Zoning Ordinance in order to renumber sections, make grammatical corrections, correct misspellings, etc. This article PASSED with 308 Yes vote and 46 No votes.

Articles #1 through #6 were voted on at the regular polling hours by written ballot. Counting was completed after the Town Meeting.

ARTICLE 7. Voted to raise and appropriate the sum of \$210,000.00 for the purchase of a new fire truck and to authorize the issuance of not more than \$105,000.00 of bonds or notes in accordance with the provisions of the Municipal

Finance Act (RSA 33:8-a) and to authorize the selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon; furthermore, to authorize the withdrawal of \$105,000.00 from the Fire Truck Capital Reserve Fund created for this purpose. Further to raise and appropriate \$37,000 for this year's payment on the bond. Hayes and McClave favor this appropriation. DiFruscio opposes. (2/3-ballot vote required). Because of the monetary value for this bond issue, Moderator Kelley explained that the polls would remain open for 1 hour. Fire Chief Dubie explained that the 1979 Engine # 3 has serious rusting and leaking problems. The new truck would be a replacement for this engine. With the new technology, this truck would have a predicted life span of 30 years. It was asked if a FEMA grant was applied for. Chief Dubie said that these grants are very hard to get. Jackson did get one a few years ago for equipment but they are not easily obtained for 100% funding of an engine. Frank DiFruscio explained that he was not in favor of this purchase at this time in an attempt to keep the budget in line during this period of uncertain economy. The polls were open for a written ballot at 7:35 PM and closed at 8:40 PM. There were 142 ballots cast; 95 were needed to pass. There were 126 Yes votes and 16 No votes so the article was PASSED.

ARTICLE 8. To see if the Town will vote to raise and appropriate the sum of \$88,000.00 for the purchase of a new Highway Truck, sander and dump body, and to authorize the issuance of not more than \$63,000.00 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33:8-a) and to authorize the selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon; furthermore, to authorize the withdrawal of \$25,000.00 from the Highway Truck Capital Reserve created for this purpose. Further to raise and appropriate \$22,512.00 for this year's payment on the bond. McClave favors, Hayes & DiFruscio opposed. (2/3 ballot required). Hayes and DiFruscio felt that this is not a good time to request further expenditures because of the economy. Road Agent Arthur Fernald explained the need to replace the current Highway Truck, as it has become undependable. It has spent time being off the road when it was severely needed in order to have necessary repairs made. The selectmen feel that there is money in the budget to continue repairing this truck at this time. A 2/3 ballot was required. There were 143 written votes cast. Ninety-five votes were needed to pass the article. There were 91 Yes votes and 52 No votes; therefore the article was DEFEATED.

ARTICLE 9. Blind Exemptions: Shall the town adopt the provisions of RSA 72:37 for the exemption for the blind from the assessed value of this statute provides that every inhabitant who is legally blind shall be exempt each year, for property tax purposes, from the assessed value on a residence to the value of \$25,000.00 A Majority ballot vote is required. There were 130 ballots cast-117 Yes and 13 No; therefore the article PASSED.

ARTICLE 10. VOTED to raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations for the same.

ARTICLE 11. VOTED \$23,308.00 Town Officers Salaries.

ARTICLE 12. VOTED \$110,384.00 Town Officers Expenses.

ARTICLE 13. VOTED \$70,641.00 Principal and Interest due on the Gray's Inn Note. Frank DiFruscio reported that THIS IS THE FINAL PAYMENT after 15 years.

ARTICLE 14. VOTED \$255,651.00 for Maintenance of Highways

ARTICLE 15. VOTED \$10,000.00 to be deposited in previously established Expendable Trust Fund for Highway Equipment.

ARTICLE 16 To see if the Town will vote to raise and appropriate the sum of \$5,000 to be deposited in the previously established Expendable Trust Fund for the Fire Department Equipment Fund. The selectmen requested that because Article 7 passed to buy a new truck that this Article be defeated. This article was DEFEATED by a voice vote, with no votes in the affirmative.

ARTICLE 17. VOTED to raise and appropriate the sum of \$5,000.00 to be deposited in the previously established Capital Reserve Fund for the Purchase of a New Highway Loader.

ARTICLE 18 VOTED \$108,538.00 for Police Department.

ARTICLE 19. VOTED to raise and appropriate \$5,000.00 to be deposited in the previously established Capital Reserve Fund for the Purchase of a Police Cruiser.

ARTICLE 20. VOTED \$68,300.00 for the Fire Department.

ARTICLE 21. VOTED \$118,995.00 for Solid Waste.

ARTICLE 22. VOTED to raise and appropriate the sum of \$2,000.00 to be deposited in the previously established Expendable Trust Fund for Town Office Equipment.

ARTICLE 23. VOTED to raise and appropriate the sum of \$50,000.00 to be deposited in the previously established Capital Reserve Fund for the Town Revaluation (reassessing). This needs to be completed by 2004 as mandated by the State Department of Revenue Administration. Jackson is up for certification in 2004, and currently has a 66% equalization ratio. A need for computerization of assessment was mentioned as Certification will be required every 5 years.

ARTICLE 24. VOTED to raise and appropriate the sum of \$7,000.00 to purchase a New Ambulance and authorize the withdrawal of \$7,000.00 from the Capital Reserve Fund created for this purpose.

ARTICLE 25. To see if the town will raise and appropriate \$20,720.00 for Maintenance of Town Property/Buildings. A motion was made and seconded and VOTED to amend this amount to \$25,720.00. The increase would cover septic system improvements and air conditioning at the Town Offices. The Article was then VOTED as amended.

ARTICLE 26. VOTED \$3,500.00 for Maintenance of the Town Property/Park.

ARTICLE 27. VOTED \$28,800.00 for building Inspections. Frank DiFruscio explained a lot of this is reimbursed and fees have haven raised.

ARTICLE 28. VOTED \$10,500.00 for the Sidewalks. The work is done but needs to be paid for.

ARTICLE 29. VOTED \$7,800.00 for Street Lighting.

ARTICLE 30. VOTED \$300.00 for Street Signs. Per Diane MClave, Jackson is not required to have the usual green signs.

ARTICLE 31. VOTED \$96,838.00 for BC/BS for employees. There was some discussion of the increasing costs. The selectmen had researched these costs during the past year and are continuing to investigate other options. Jackson has 8 full time employees. This is decreased \$5,000.00 as some have changed plans.

ARTICLE 32. VOTED \$22,221.00 for BC/BS for retirees and others. All of this is reimbursed per Dee.

ARTICLE 33. VOTED \$35,000.00 for Social Security, Medicare Tax, and NH Retirement System.

ARTICLE 34. VOTED \$21,600.00 for General Insurance.

ARTICLE 35. VOTED \$10,000.00 for Legal Expense.

ARTICLE 36. VOTED \$3,400.00 for Emergency Communications.

ARTICLE 37. VOTED to approve the inclusion of Emergency Management in the already established expendable trust fund known as the Civil Defense Enhanced 911 Fund created in 1995 under the provisions of RSA 31:19-a and to see if the town will vote to raise and appropriate the sum of \$2,000.00 for the

expendable Trust Fund known as Civil Defense Enhanced 911 Emergency Management Expendable Trust Fund, and to further name the Board of Selectmen as agents to expend from this fund (2/3 majority vote required). There were 110 votes cast--all affirmative--therefore the article PASSED.

ARTICLE 38. VOTED to raise and appropriate \$30,000.00 from the Baker Prospect Farm Trust for the purpose of executing a Forestry Management plan. No tax money is being spent as there is \$70,000.00 in the Capital Reserve Fund.

ARTICLE 39. VOTED \$3,500.00 for hydrant services provided by the Jackson Water Precinct.

ARTICLE 40. VOTED \$2,000.00 for the State Aid Reconstruction Program.

ARTICLE 41. VOTED \$8,000.00 for the Jackson Planning Board.

ARTICLE 42. VOTED \$2,204.00 for North Country Council.

ARTICLE 43. VOTED to raise and appropriate \$6,712.00 for the support of the Bartlett Recreation Department. Martha Miller spoke on this stating the amount is 12% of the department's budget which is considered Jackson's percentage of attendance in the recreation program

ARTICLE 44. VOTED to raise and appropriate the sum of \$25,900.00 for the support of the Jackson Public Library. The sum of \$10,000 to be raised by taxation and the remainder to come from library trust funds and gifts.

ARTICLE 45. VOTED \$15,000.00 for maintenance of the Jackson town cemeteries. The total amount to be withdrawn from the accrued income of the cemetery trust fund.

ARTICLE 46. VOTED \$2,000.00 for Welfare Claims.

ARTICLE 47. VOTED to raise and appropriate the sum of \$500.00 for support of the Eastern Slope Airport Authority. Jerry Dougherty spoke on this.

ARTICLE 48. VOTED \$2,365.00 for the White Mountain Community Health Center.

ARTICLE 49. VOTED \$1,837.00 for the Gibson Center for Senior Services.

ARTICLE 50. VOTED \$716.00 for the Carroll County Mental Health Service.

ARTICLE 51. VOTED \$1,000.00 FOR THE Tri-County Community Action for the purpose of continuing services of the Fuel Assistance Program for Jackson residents. Evelyn Fenderson explained the use of these funds. She said 113 people in Jackson served for a total of \$7,844.60.

ARTICLE 52. VOTED \$800.00 for the Early Intervention Program of Children Unlimited, Inc. (Birth to 3 years)

ARTICLE 53. VOTED \$300.00 for Starting Point providing crisis services to the victims of domestic and sexual violence and their children.

ARTICLE 54. Resolved, That the Town of Jackson will work closely through it's Board of Selectmen and other host communities in the White Mountain National Forest, to communicate our common interest in the future of this forest, including the continued management for multiple uses of timber recreation, wilderness, and clean water, through our active involvement in the revision of the White Mountain National Forest Plan. After a brief discussion an amendment was proposed to strike the word "common" in the third line of the Article referring to interest. VOTED on amendment and the Article was VOTED as amended.

ARTICLE 55. To see if the town will vote to change the annual town meeting times from the day and night meetings to only night meetings to start at 7:00 PM. After considerable discussion, this article was defeated by a show of hands

ARTICLE 56. To act upon other business which may legally come before this meeting.

A motion was made and seconded to instruct the selectmen to present the town meeting issue on next year's written ballot. This motion PASSED. All voters will then be aware that a vote is needed to make any permanent changes.

There being no further business to bring forward, a motion was made and seconded to dissolve. Willis Kelley, Moderator, dissolved the meeting at 10:20 PM.

WILLIAM H. BOTSFORD  
JACKSON TOWN CLERK

## AUDITOR'S CERTIFICATE

The undersigned, auditor of the Town of Jackson, New Hampshire, does hereby certify that he has examined the accounts, books, vouchers, statements and other financial records of the town and its various officers.

Auditor found the accounts, books, vouchers, statements and other financial records of said town and its officers to be true and accurate in all other respects.

Respectfully submitted,

Frank J. Connolly, Jr.  
Auditor  
January 26, 2004

## TRUSTEES OF CEMETERIES ANNUAL REPORT

The Village Cemetery continues to reap compliments thanks to the dedicated efforts of Pat Donnelly, this year with the aid of a new mower. Floribunda maintains a spectacular display of flowers at the entrance to the Village Cemetery, and Dean Davis keeps the secluded expanse of Dundee Cemetery well groomed.

Fourteen plots were assigned this year, all in the Village Cemetery. The cost for perpetual care remains at \$100 per plot in both cemeteries.

This year we welcomed new trustee Lee Phillips, who has brought us into the 21<sup>st</sup> century and entered all of the Village Cemetery records onto a computer spreadsheet. After a bit more work, we hope to make this information available on-line through the Jackson website and, eventually, information for the Dundee Cemetery as well.

Respectfully Submitted,

Alicia M. Hawkes  
Barbara Theriault  
Lee Phillips

## SELECTMEN'S REPORT

As noted in our 2003 report, "While the national economy may be sluggish, it has not been apparent in the Jackson real estate market." The town continues to grow. Over 50 building permits for new structures and renovations were issued this year. The Snowflake Inn, the Red Fox and the new Inn at Thom Hill opened their doors this year. The population continues to grow with 775 names on the voter checklist. The town will conduct a complete revaluation this year encompassing a full list and measure of every parcel and structure in town. The last full revaluation was conducted in 1990. Property owners will be notified by mail of their 2004 assessed valuation. The escalating values have resulted in our current ratio of 57%. The New Hampshire Department of Revenue Administration requires that our assessed valuation range between 90% and 110%. Because of that requirement, we are proposing a cyclic revaluation with 20% of the town done each year so that at the end of the five year review period we will be more current and better prepared for the Department of Revenue Administration five year review program.

E911 has been implemented and every road whether public or private with two or more buildings has been named and house numbers assigned. As the town grows there is increasing tonnage at the Transfer Site. Tipping fees have been increased and there is concern about the life of the disposal site in Bethlehem. Plans are being formulated for improvements to the Transfer Site in cooperation with the Town of Bartlett.

The Capital Improvements Plan (CIP) has been organized under the leadership of Willis Kelley. A long range plan for the town is imperative as we look ahead to such needs as an adequate town garage, additional space for the fire department equipment, replacement of municipal vehicles and heavy equipment and the status of town owned buildings. 2003 was the final year of our indebtedness for the purchase of Gray's Inn property which was certainly a landmark in the town's long range planning process and a wonderful tribute to the vision of the town meeting that authorized the addition of 32 acres of municipal property. It is eminently appropriate that the rehabilitation of our historic covered bridge has begun, dramatizing our bicentennial theme of bridging the centuries.

The well being of our community is assured and protected by the faithful service our town employees in the Highway Department, Police Department, Town Offices, Transfer Site, and the volunteer members of the Jackson Fire Department. The devoted and concerned participation of our volunteer Planning Board, Zoning Board of Adjustment, Conservation Commission, the Trustees, Supervisors, Town Officers and Communications Committee bespeak the generous gifts of time and expertise that strengthen our community. Our gratitude to you all.

Respectfully Submitted,

Diane H. McClave

Scott K. Hayes

Richard A. Bennett

## JACKSON TOWN OFFICE

It has been another very busy year for the Town Office. We have completed the E911 addressing system; the work has begun on the revaluation project and is expected to be completed this coming fall. Due to the implementation of this, a new tax system will be installed which we expect to be up and running by late spring.

Yvette Levesque has joined us at the town office. She has been an invaluable addition and has helped us with our increased workload.

We would like to thank the selectmen for their support throughout this past year.

Another major project that has been completed by our office was changing the office filing system from owner's names to map and lot numbers. We could not have completed this project without the additional help of our valuable employee Jordan Mosston.

Tracy Mosston  
Julie Maiorano

## ROAD AGENT'S REPORT

The winter of 2003 was normal and the highway department was kept busy plowing, sanding, maintaining the skating rink, and thawing culverts.

With the arrival of spring the road crew started repairing roads damaged from the winter. A great deal of time was spent cleaning culverts, cold patching, grading roads, and hauling gravel.

We gave some special attention to some roads in town. Green Hill Road and Thorn Mountain Road were shimmed with hot top. Dinsmore Road, Wilson Road, Sugar Hill Lane, the upper section of Thorn Mountain Road and Alpine Drive were sealed with tar. There were 4 culverts that were replaced.

Along with road maintenance the road crew spent time maintaining the look of the town by making sure the grass was mowed weekly and flags were replaced when required. Another important improvement the highway department worked on for the town was the parking that was created at the top of the falls. This additional parking was needed and is enjoyed by residents and visitors.

This past year the town purchased a road rack which was very helpful to the highway department.

This year the highway department is proposing to replace a truck and loader. Both of these pieces of equipment had many repairs this past year and in order to better serve the town, we feel it would be an advisable purchase.

Respectfully Submitted

Arthur Fernald  
Road Agent

# JACKSON POLICE DEPARTMENT

In 2003, the Police Department again worked towards maintaining a low crime rate. Over all, we experienced the same level of crime as last year. However, there was a decrease in burglaries. In 2002, we had 14 reported burglaries. Most of these were committed during the early part of summer primarily involving local businesses. In 2003, that number was reduced to 9 with only a few involving local establishments. We attribute this decrease in activity to the visible night patrol as most burglaries happen during the late night hours.

In December of 2003, Sergeant Karl Myers became the newest member of the department. Karl replaced Ted Colby who left us in November to pursue his career in law enforcement elsewhere. We would like to wish Ted all the best in the future. Karl is a New Hampshire certified full time police officer with several years of experience. He has achieved numerous training certificates throughout his career and has continued to advance his knowledge in police work. We are hoping that Karl remains with us for years to come.

This year we are hoping to find a part-time officer to join the force. The 2004 police budget does allow for a part-time member. Our goal is to have someone on board by the end of April. If we are successful in locating the right candidate, we would be able to provide more patrol coverage throughout the entire year.

We are looking forward to 2004 and as always we are confident that we can maintain a low crime rate. We thank the community of Jackson and the Board of Selectmen for their support. We would also like to thank the town departments for their willingness to assist us throughout the year.

Respectfully submitted,

John B. Kelly  
Chief of Police

# JACKSON FIRE DEPARTMENT

The 911 numbering system took effect in July. House numbers must be seen and readable from the street in both directions. Numbers must be reflective and 2 ½ inches by 3 inches high minimum. Street signs must be seen in both directions.

In 2003 we had two members who became fire fighter I, one member who became fire fighter II and several members who took special courses at a total of 630 hours. This was voluntary time.

The new truck should be delivered some time in April.

Please check your smoke and co detector's batteries.

If anyone would like to join the Jackson Fire Department, please contact Chief Edward Dubie at 383-4090 or come to one of our meetings held on the second and fourth Tuesday of each month at 6:30 P.M. at the fire station. A desire to help your community is all that is required to join. Training will follow later.

I would like to thank the people of Jackson, the selectmen, and the members of the Jackson Fire Department for their support throughout the year 2003.

The Jackson Fire Department responded to 106 calls in 2003. They were as follows:

## Jackson Fire Department Calls 2003

2	Structural fires-in town	2	Rescue carry outs
1	Structural fire-out of town	5	Trees on wires
22	Vehicle Accidents-in town	2	Vehicle fires
2	Oil spills	1	Propane leak
7	Smoke investigations	6	CO Alarms
51	Fire Alarms	2	Service Calls
1	Forest fire in town	1	Chimney fire
1	Forest fire out of town		

Total 106 calls

Respectfully submitted,

Edward Dubie  
Fire Chief

## LIBRARY TRUSTEES REPORT

The Jackson Public Library had another banner year. Patron visits increased with both child and adult visits up. Circulation increased and use of the two computers available to the public was up 75%.

The long-range goal of total computerization of the card catalogue and patron circulation was realized in March. Many volunteers put in hundreds of hours to get the job done in three months. Volunteers also staffed the library at time assisted in the maintenance of our building and garden and helped with other organizational chores.

A new children's librarian joined our staff this year. We welcome Meredith Piotrow and are very pleased with the excellent job she is doing. Meredith instructs the school programs which are held at the library bi-weekly as part of the school curriculum.

A generous bequest from Suzanne Klay has enabled the Library to open on Wednesdays from 11:00 to 2:00. Before opening to the public on Wednesdays, Meredith leads a story hour for pre-schoolers that has been well attended.

The Friends of the Jackson Library provided another gift to our programs from the proceeds of their Memorial Day book sale in the town hall. Their literary luncheon held in November at the Red Fox Pub was attended by more than 80 people. Lisa Gardner, Jackson resident and prolific author of detective fiction, was the speaker. The increase in library usage for materials and services is very gratifying. At the same time, it points out our serious needs and weaknesses – a lack of water and plumbing, lack of space for people materials and programs. We are now looking closely at all facets of our operation, with the help of town planning groups to find ways to improve our situation.

Meanwhile, there are new books, tapes and movies awaiting you in the library. A monthly reading group is open to all. Pre-schoolers are invited to our story hour Wednesday mornings. A summer reading program for children is already being planned. Please drop by and see what is available.

### Library Hours

Tuesday 11:00 - 6:00  
Wednesday 11:00 - 2:00  
Thursday 11:00 - 6:00  
Saturday 10:00 - 1:00

Respectfully submitted,

Lynn Stevens, President,  
Pam Smilie, Secretary  
Leslie Schomaker, Treasurer

## JACKSON CONSERVATION COMMISSION

New Hampshire conservation commissions were established for advancing the proper utilization and protection of a town's natural resources (N.H. RSA 36-A). A Conservation commission is the only local board specifically charged with protecting the natural resources of a township and provides a focal point for environmental concerns.

JCC Advisory Role: During 2003, the JCC remained active in its primary role of providing advice to the Board of Selectmen, the Zoning Board of Adjustment, and the Planning Board regarding various natural resource related matters of Town concern.

Wildcat River: In the Spring of 2003, the Selectmen, the U.S. Forest Service, and the State Department of Environmental Services signed a Memorandum of Understanding to implement Public Law 100-554, which designated the Wildcat River and its tributaries components of the National Wild and Scenic River System. Working with the Selectmen, the Conservation Commission formed a Wildcat River Advisory Group to help the Selectmen and other community groups to implement the Memorandum of Understanding.

Voluntary River Monitoring Program: The Commission joined the State Department of Environmental Services' Voluntary River Monitoring Program. Commission members and a group of volunteer citizens took about 50 water samples from the Great Brook, Wildcat and Ellis Rivers during June through October. These were tested by the volunteers and the results submitted to the State. A report of the results is available from the Conservation Commission.

Invasive Plant Species: The Commission published two pieces on invasive plant species in Jackson warning residents about the plants and their impact on the environment. The plants covered were Purple Loosestrife and Japanese Knotweed.

N.H. Wetland Dredge and Fill Permit Application Review: The primary intent of the N.H. wetland permitting process is to see that various forms of site work and alteration undertaken occur with the least short and long-term impact to watersheds and associated wetlands. In Jackson, maintenance of watershed quality is of increasing concern especially as development takes to higher and steeper ground. The permitting process relies heavily on voluntary compliance and citizens are urged to plan ahead and seek required permits prior to undertaking a project.

During 2003, the Jackson Conservation Commission reviewed several N.H. Wetland Dredge and Fill permits that typically involved work of low wetland impact. The JCC also consulted with the N.H. Department of Environmental Services (NHDES) Wetlands Bureau and Water Division in monitoring work

related to the development impacts on and adjacent to land held under conservation easement by the Town of Jackson located on Jackson Highlands and on erosion issues along the Wildcat at the fire pond.

N.H. Association of Conservation Commissions (NHACC): In 2003, the JCC renewed its membership to the NHACC. The NHACC provides numerous avenues of information and support for areas of common interest to conservation commissions throughout New Hampshire.

Web site: The Conservation Commission posted materials about the Wildcat River, invasive plant species, scenic roads, GIS maps of Jackson, and conservation easements to its pages on the jacksonvillage.net web site.

Please address comments and questions to: JCC, P.O. Box 84, Jackson, N.H. 03846.

Respectfully submitted,

Phil Davies

## JACKSON PLANNING BOARD ANNUAL REPORT

2003 was a busy and productive year for the Jackson Planning Board. At the 2003 Town Meeting, voters, by better than a 4 to 1 average, approved proposed ordinance changes (primarily building height, driveway safety, and wording clarification) recommended by the Board. In August, the Board completed its multi-year effort of updating and revising the Master Plan, and made 250 copies of it available to interested residents. In November, the Board approved new Subdivision Regulations to (1) set a realistic fee schedule to cover actual costs, and (2) coordinate well with the Zoning Ordinance. Also in November, the Board initiated a subcommittee, chaired by Bill Kelley, which will examine needs and projected costs for Town departments and services, and prepare a Capital Improvements Program.

In December, the Board decided to propose for a vote at the 2004 Town Meeting changes to three sections of the Zoning Ordinance. These changes will be posted in prominent locations through the 2004 Town Meeting date and will be available at the Town Offices building. All Planning Board documents are available at [www.JacksonVillage.net](http://www.JacksonVillage.net), and have been distributed through the ENews to subscribers; hard copies continue to be available at the Town Offices building. Board members also decided to make "housekeeping changes" to the soils section of the Zoning Ordinance as authorized at the 2003 Town Meeting and as proposed by the Department of Environmental Services.

Although many people came before the Board with requests for information on planning requirements or applications, only a few proposals progressed to the stage of formal application. Board members approved three Boundary Line Adjustments, and recommended for the Selectmen's approval a wireless communication installation on Black Mountain.

Board members decided to initiate a citizens' committee in 2004 to review the Zoning Ordinance in order to select desirable changes for Planning Board review; committee members will review ordinances of other towns with similar issues as part of their work.

Planning Board members and alternates are appointed by the Selectmen; term of service is three years. Present Planning Board members represent a wide variety of Town interests and concerns; they work well together to reach consensus on matters that are determined to be beneficial to the Town. Dick Bennett, Selectmen's representative, helps to foster a spirit of consensus building.

Respectfully submitted,  
Betsey Harding, Chairman

## REPORT OF THE TOWN FOREST FIRE WARDEN & STATE FOREST RANGER

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests and Lands cooperate to reduce the risk of wild- land fires in New Hampshire. To help us assist you, contact your local Forest Fire Warden or Fire Department to find out if a permit is required before doing ANY outside burning. Fire permits are mandatory for all outside burning unless the ground where the burning is to be done (and surrounding area) is completely covered with snow. Violations of the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines up to \$2,000 and/or a year in jail, in addition to the cost of suppressing the fire.

A new law effective January 1, 2003 prohibits residential trash burning. Contact the New Hampshire Department of Environmental Services at (800) 498-6868 or [www.des.state.nh.us](http://www.des.state.nh.us) for more information.

Permits are available from Gordon W. Lang Warden, Edward Dubie Deputy Warden, Kenny Crowther Deputy Warden, and the Bartlett/Jackson Transfer Station.

Help us to protect you and our forest resources. Most New Hampshire wildfires are human caused. Homeowners can help protect their homes by maintaining adequate green space around the house and making sure that the house number is correct and visible. Contact your fire department or the New Hampshire Division of Forests and Lands at [www.nhdf.org](http://www.nhdf.org) or 271-2217 for wildland fire safety information.

## NORTH COUNTRY COUNCIL ANNUAL REPORT

It has been another busy year at North Country Council. We continued to complete a number of local and regional projects for all of our 51 communities throughout the region. Summaries of some of the major projects are as follows.

### **Transportation:**

- Completed over 200 traffic counts during the spring, summer and early fall
- Completed the TIP process and sent a report to NHDOT with our region's priorities
- Coordinated the Transportation Enhancement process including a work session with the committee, project review based on set criteria, presentations by applicants, and a final review and prioritization and final report to NHDOT
- Began the updating of the regional transportation plan
- Coordination meetings with NHDOT on process of the Ten Year Plan
- Attendance and participation at the GACIT meetings throughout the North Country
- Assisted Community Planner with the update to two master plans' Transportation Sections
- Provided technical transportation assistance to the majority of the communities in our region
- Coordinated the North Country Transportation Committee

### **Economic Development:**

- Successfully received \$1.5 million from EDA for the Mount Washington Valley Technology Village
- Coordinated the North Country District Economic Development Committee.
- Successfully extended the EDA District to include all of Grafton County
- Successfully completed a \$2.6 million EDA application for the Dartmouth Regional Technology Village in Lebanon, currently hiring an engineer for the project
- The CEDS Committee also undertook a major re-write of the CEDS document and held seven public meetings in order to educate the public about EDA and to gather input to economic issues in the region.
- Wrote 34 grants, for a total of \$7,020,505 for the region in order to assist local communities. Of these grant applications \$4,567,830 have been funded and \$1,469,000 is still pending.
- Applied for funding to assist with a telecommunications feasibility study, one of the major issues raised at the public advisory meetings in the spring.

### **Community/Regional Planning:**

- Provided technical assistance to 20 towns throughout the region.
- Participated in the updated 7 master plans and zoning ordinances for member communities.

- Coordinated the Law Lecture Series for the NH Municipal Association.
- Provided assistance to three (3) towns for the creation of Hazard Mitigation Plans.

**Environmental Planning:**

- Provided technical assistance to over 25 communities in the area of solid waste and hazardous waste management.
- Coordinated the Household Hazardous Waste Management collections for 23 communities.
- Conducted solid waste and transfer station audits for 2 community transfer stations.
- Conducted an ongoing fluorescent light collection program.
- Conducted 2 electronic equipment collections
- Provided technical assistance in the National Flood Insurance Program throughout the region.

Many of these programs will continue into the year 2004. Major programs for the year 2004 will be completion of our Regional Transportation Plan, the development of feasibility study for a Regional Hazardous Waste collection site and the continued assistance to all of our communities in grant writing, community planning and other community planning needs.

Our overall goal, however, remains the same: to provide support and leadership to the region, its governments, businesses and citizens.

Sincerely,

Michael J. King  
Executive Director

## BARTLETT- JACKSON AMBULANCE SERVICE REPORT

The year 2003 has been quite busy for all of the volunteer services in the Bartlett and Jackson area. Although our call volume was down slightly from last year, the man-hours were up markedly. We had an increase in motor vehicle accidents, many involving several vehicles. Even if no one is injured it requires the time of EMS, Fire and Police personnel to respond to check for injuries, fluid leaks and complete state mandated reports. The average call time for each incident is 1 hour for non transport calls. Fortunately, despite the increase in MVA's , the number of serious injuries was minimal. The nationwide awareness of defensive driving and use of seat belts appears to be working. It is especially important for children to be properly belted in the back seat. New laws effective January 1, 2004 require any child under 55" to be in an age appropriate car seat or booster seat. Children under the age of 12 should not be allowed to ride in the front seat especially if an air bag is in the vehicle. As EMS providers we encourage all adults to wear seat belts as well.

We have several members currently enrolled in advanced programs and have acquired several new members during the year. All courses and re-certifications require hundreds of hours of personal time that is not compensated by the towns. We want to acknowledge all our members and their families for their sacrifice and dedication. They do a fantastic job of serving your communities 365 days a year! Every year a night community EMT course is offered. It is relatively inexpensive and we encourage anyone interested to enroll and become part of our team.

The crews of the State Highway and Town Highway Department are always on the job to make our work safer and easier. The Police Department, AMC, SOLO, Mountain Rescue, IME, the Fire Departments from Glen, Bartlett, Jackson, North Conway and North Conway and Gorham Ambulance Services are always ready to assist us when we need extra resources. We thank you all for your dedication to your professions and for your cooperation and mutual aid to our towns. And as always, we thank the people and leadership of the town of Bartlett and Jackson for their continued support and assistance.

2004 brings the retirement of Fire Chief Roger Labbe from Bartlett and Glen Fire Departments. Roger dedicated many years of service to the town and we wish him a happy and peaceful retirement. He will still be a volunteer firefighter but will not have to be on call 24 hours a day!

We welcome Pat Roberts as the new Fire Chief of the Bartlett/Glen Fire Departments. He will be recertified as an EMT in the near future and that will be a valuable asset to the ambulance service and the towns.

Respectfully submitted,

Rick Murnik, Executive Director  
Sue Gaudette, Co-Director

## GRAY'S INN COMMITTEE REPORT

Gray's Inn Property Long Term Planning Committee

We have walked this property and identified the boundary stakes of this land, with thanks to Ed Dubie, who forged through some steep, thickly forested terrain. This parcel is approximately thirty three acres. The land behind the town office meets with a year round stream approximately 300 feet from the road. The land beyond the stream is a beautiful forest with a trail that leads towards the back of the property which becomes quite steep and dense.

The stream will dictate some of what can be done towards the front of the parcel as there are wetland restrictions. We walked the area with Dave Weathers from the Carroll County Soil Conservation. He recommended clearing the stream of the growth that has choked off some of this waterway so it can be restored to its original course. We would like to see this project considered. Dave believed we would not run into too much difficulty regarding wetland restrictions in developing this land.

We have considered the most likely buildings that we would see on this property: specifically a highway garage, community center, library, and possibly the Trickey barn or town hall. We strongly suggest that before any development takes place on this property that a professional land planner be consulted who could guide us to the best layout for the placement of buildings. We ask that the town put aside funds or raise them privately, so that the Town of Jackson ends up with a visually pleasing and well thought out development. We would discourage volunteers for this project. We ask that only land planning professionals be considered.

We also concur that the voters of Jackson have a say in whatever takes place on this property, including a review of any building designs.

Most of us would like to see this property expanded for recreation purposes. There is already a cross-country ski trail on the property, but there could be hiking and bike paths as well.

Bob Holloran, committee member and architect for the Jackson Town Office, suggests a road that makes all the acreage accessible. Off of this road would be divided building lots for town structures or land that could be leased by others. We would like to see the utilities buried on this site, as well as an assessment of the soils to see if a common septic system could support future buildings.

The State of New Hampshire selects three towns per year to receive help from the kind of professional planners that we are suggesting. We applied last year but were not selected. Betsey Harding has resubmitted an application for us this year. We hope that we are chose!

Respectfully Submitted,

Lisa MacAllister, Chairman  
Pat Donnelly

Ross Heald  
Ken Crowther

Bob Holloran  
Ed Dubie

# WARRANT & BUDGET

## 2004 TOWN WARRANT

To the inhabitants of the Town of Jackson, in the County of Carroll, and the State of New Hampshire, qualified to vote in Town affairs:

You are hereby notified that the annual Town Meeting of the Town of Jackson, New Hampshire, will be held at the Town Hall on Tuesday, March 9, 2004, at 9:00 a.m. to act on the following subjects:

Polls will open at 8:00 a.m. until 7:00 p.m. to vote on ballot articles. All other Articles will be discussed and acted upon starting at 9:00 a.m.

ARTICLE 1: To choose the necessary Town Officers for the ensuing year.

1 Selectmen	3 year term
1 Moderator	2 year term
1 Auditor	1 year term
1 Trustee of Trust Funds	3 year term
1 Library Trustee	3 year term
1 Cemetery Trustee	3 year term
1 Supervisor of Checklist	6 year term

ARTICLE 2: To see if the Town will vote to adopt Amendment No. 1 to amend the Jackson Zoning Ordinance Section 4. DISTRICT & DISTRICT REGULATIONS (Town Wide Regulations on Aircraft). Takeoffs and landings of aircraft are prohibited in all zoning districts within the Town of Jackson, with exceptions as proposed by the Jackson Planning Board.

ARTICLE 3: To see if the Town will vote to adopt Amendment No. 2 to amend the Jackson Zoning Ordinance Section 3. DEFINITIONS: on Accessory Use and Aircraft. (housekeeping changes necessary if Section 4 regulations are adopted).

ARTICLE 4: To see if the town will vote to adopt Amendment No. 3 to the Jackson Zoning Ordinance to add Sub Section B-4 to Section 15. ZONING BOARD OF ADJUSTMENT: relative to equitable waivers of dimensional requirements as pursuant to RSA 674:33-a.

Articles 1-4 will be voted on by ballot during polling hours

ARTICLE 5: Elderly Exemption. To see if the town will vote to modify the Elderly Exemptions from property tax as prescribed under RSA-72:39-b( c ) as follows: for a person 65 years of age up to 75 years \$5,000.00, for a person 75 years of age up to 80 years \$10,000.00, for a person 80 years of age or older \$20,000. To qualify, the person must have been a New Hampshire resident for at least 5 years. Income limit: \$19,000.00 Single, \$25,000.00 Married, net assets not in excess of \$50,000.00

ARTICLE 6: Disabled Veterans Tax Credit: To see if the town will adopt the Disabled Veterans Tax Credit under the provision of RSA 72:35, of \$1,400.00

ARTICLE 7: Veterans Tax Credit: To see if the town will vote to modify the Veterans Tax Credit as prescribed under RSA-72:28 as follows: the optional \$500.00 veterans tax credit shall replace the standard \$100.00 veterans tax credit.

ARTICLE 8: To see if the Town will vote to raise and appropriate the sum of \$95,000.00 for the purchase of a new Highway Loader, and to authorize the issuance of not more than \$52,000.00 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon; furthermore, to authorize the withdrawal of \$31,000.00 from the Highway Loader Capital Reserve Fund created for this

purpose, with \$ 12,000.00 to be collected from trade. Further to raise and appropriate \$19,000.00 for this years payment on the bond. Selectmen favor this appropriation. (2/3 ballot vote required)

ARTICLE 9: To see if the Town will vote to raise and appropriate the sum of \$125,000.00 for the purchase of a new Highway Truck, sander and dump body, and to authorize the issuance of not more than \$ 82,000.00 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon; furthermore, to authorize the withdrawal of \$25,000.00 from the Highway Truck Capital Reserve created for this purpose, with \$ 18,000.00 to be collected from trade. Further to raise and appropriate \$29,000.00 for this years payment on the bond. Selectmen favor this appropriation. (2/3 ballot required)

ARTICLE 10: To raise such sums of money as may be necessary to defray town charges and make appropriations of the same as set forth in the following budget:

A: Town Officers Salary's.....	\$ 23,456.00
B: Town Officers Expenses .....	\$ 119,245.00
C: Interest on Gray's Inn Note.....	\$ 11.00
D: Highway Department .....	\$ 265,550.00
E: Fire Department .....	\$ 64,900.00
F: Police Department .....	\$ 109,488.00
G: Solid Waste Department .....	\$ 117,524.00
H: Maintenance of Town Property .....	\$ 21,850.00
I: Building Inspections .....	\$ 25,000.00
J: Street Lighting.....	\$ 7,800.00
K: Health Insurance Employee's.....	\$ 119,853.00
L: Health Ins. Retiree's & Others.....	\$ 21,440.00
M: Payroll Taxes.....	\$ 39,000.00
O: Insurance General.....	\$ 33,000.00

P: Legal Expenses .....	\$ 10,000.00
Q: Emergency Communications .....	\$ 2,500.00
R: Hydrant Services .....	\$ 7,000.00
S: State Aid Reconstruction.....	\$ 2,000.00
T: Jackson Planning Board .....	\$ 7,000.00
U: Jackson Conservation Commission .....	\$ 1,000.00
V: Cemeteries .....	\$ 15,000.00
W: North Country Council.....	\$ 2,245.00
X: Bartlett Recreation Department .....	\$ 6,712.00
Y: Eastern Slope Airport Authority .....	\$ 500.00
Z: Welfare .....	\$ 4,000.00

The Selectmen favor these appropriations.

ARTICLE 11: To see if the town will vote to raise and appropriate the sum of \$ 5,200.00 to be placed in the Highway Equipment Expendable Trust Fund. Selectmen Favor.

ARTICLE 12: To see if the town will vote to raise and appropriate the sum of \$ 2,500.00 to be placed in the Town Office Equipment Expendable Trust Fund. Selectmen Favor.

ARTICLE 13: To see if the town will vote to create an Expendable Trust Fund under the provision of RSA 31:19-a, to be known as the Street Signs Fund, for the purpose of purchasing and maintaining road signage as required by E911 and to raise and appropriate the sum of \$ 5,300.00 toward this purpose. Furthermore to see if the town will vote to appoint the Board of Selectmen as agents to expend from the Street Sign Expendable Trust Fund. Selectmen favor.

ARTICLE 14: To see if the town will vote to create an Expendable Trust Fund under the provision of RSA 31:19-a, to be known as the Dry Hydrants Fund, for the purpose of repairing dry hydrants and to raise and appropriate the sum of \$ 4,000.00 toward this purpose. Furthermore to see if the town will vote to appoint the Board of Selectmen as agents to expend from the Dry Hydrant Expendable Trust Fund. Selectmen favor.

ARTICLE 15: To see if the town will to raise and appropriate the sum of \$100.00 to be deposited in the previously established Expendable Trust Fund for Civil Defense Enhanced 911 Emergency Management. The selectmen favor this appropriation.

ARTICLE 16: To see if the town will vote to raise and appropriate the sum of \$26,130.00 for the support of the Jackson Public Library. The sum of \$12,000.00 to be raised by taxation and the remainder to come from library trust funds and gifts. Selectmen Favor

ARTICLE 17: To see if the town will vote to raise and appropriate \$23,000.00 from the Baker Prospect Farm Trust for the purpose of executing a Forestry Management plan. This will be a non-lapsing appropriation per RSA 32:7, VI and will not lapse until the Forestry Management plan is completed or by December 31, 2009, whichever is sooner. Selectmen favor.

ARTICLE 18: To see if the town will vote to raise and appropriate the sum of \$ 35,000.00 to be placed in the previously established Capital Reserve fund for the Town of Jackson Revaluation and appoint the Board of Selectmen as agents to expend principal and interest as needed. Selectmen favor.

ARTICLE 19: To see if the town will vote to raise and appropriate the sum of \$1,000.00 to be placed in the previously established Capital Reserve Fund for Solid Waste (capping the Melloon Road site) and appoint the Board of Selectmen as agents to expend principal and interest as needed for the monitoring of this site as ordered by the N.H. Dept. of Environmental Services.

ARTICLE 20: To see if the town will vote to raise and appropriate the sum of \$21,000.00 to purchase a New Police Cruiser and

authorize the withdrawal of \$15,000.00 from the Capital Reserve Fund created for this purpose, with the balance of \$6,000.00 to be raised by taxation. Selectmen favor.

ARTICLE 21: To see if the Town will vote to raise and appropriate the sum of \$2,440.00 for the support of the White Mountain Community Health Center. Agreeable to a petition signed by Ann H. Bennett, et al. Selectmen favor.

ARTICLE 22: To see if the Town will vote to raise and appropriate the sum of \$1,837.00 for the support of the Gibson Center for Senior Services. Agreeable to a petition signed by Marcia L. Hill, et al. Selectmen favor.

ARTICLE 23: To see if the Town will vote to raise and appropriate the sum of \$716.00 to assist the Carroll County Mental Health Service. Agreeable to a petition signed by Richard Rayder, et al. Selectmen favor.

ARTICLE 24: To see if the Town will vote to raise and appropriate the sum of \$2,000.00 in support of Tri-County Community Action for the purpose of continuing services of the Fuel Assistance Program for the residents of Jackson. Agreeable to a petition signed by Donald Graves, et al. Selectmen favor.

ARTICLE 25: To see if the Town will vote to raise and appropriate the sum of \$800.00 for the Early Intervention Program (birth to 3 years) of Children Unlimited, Inc. Agreeable to a petition signed by Lori Badger, et al Selectmen favor.

ARTICLE 26: To see if the Town will vote to raise and appropriate the sum of \$624.00 for the Mount Washington Valley Chapter of the American Red Cross Agreeable to a petition signed by Ann P. Donnelly, et al Selectmen favor.

ARTICLE 27: To see if the Town will vote to raise and appropriate the sum of \$300.00 in support of Starting Point providing crisis services to the victims of domestic and sexual violence and their children. Agreeable to a petition signed by Carry Scott, et al. Selectmen favor.

ARTICLE 28: That we the citizens of Jackson, New Hampshire, call on our elected officials from all levels of government, and those seeking office, to work with consumers, businesses, and health care providers to ensure that: Everyone, including the self employed, unemployed, un- and underinsured, and small business owners has access to an affordable basic health plan similar to what federal employees receive; Everyone, including employers, consumers and the state, local and federal government makes a responsible and fair contribution to finance the health care system; Everyone receives high quality care that is cost efficient and medially effective; and That these efforts help control the skyrocketing cost of health care.

ARTICLE 29: To act upon other business which may legally come before this meeting.

Given under our hands and seals this 15<sup>th</sup> day of February in the year Two Thousand Four.

**JACKSON SCHOOL DISTRICT WARRANT**  
**STATE OF NEW HAMPSHIRE**

To the Inhabitants of the School District of Jackson, in the County of Carroll, State of New Hampshire, qualified to vote on District affairs:

You are hereby notified to meet at the Town Hall in said District on Monday, March 15, 2004, at 7:00 in the evening to act upon the following subjects:

ARTICLE 1. To see if the School District will vote to raise and appropriate the sum of one million, three hundred twenty-two thousand, six hundred and seventy-nine dollars (\$1,322,679) for the support of schools, for the payment of salaries for school district officials and agents, and for the payment of the statutory obligations of the District. This article does not include appropriations voted in other warrant articles. (Recommended by the School Board 3-0-0).

ARTICLE 2. To see if the School District will vote to withdraw the sum of ten thousand dollars (\$10,000) from the Expendable Trust Fund (Tuition Trust Fund) to be used to offset expenditures for the 2004-2005 school budget. (Recommended by the School Board 3-0-0)

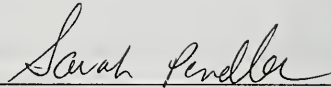

ARTICLE 3. To see if the School District will vote to raise and appropriate the sum of fifteen thousand dollars (\$15,000) to be added to the Capital Reserve Fund (School Buses) previously established for this purpose, with these funds to be offset, in part, by National Forest Reserve Funds. (Recommended by the School Board 3-0-0)

ARTICLE 4. To see if the School District will vote to approve the three-year tuition contract with the Bartlett School District for the Jackson seventh and eighth grade students to attend the Josiah Bartlett Elementary School. (Recommended by the School Board 3-0-0)

ARTICLE 5. To see if the School District will vote to authorize the Treasurer, with the approval of the School Board, to appoint a Deputy Treasurer in accordance with RSA 197:24-a. (Recommended by the School Board 3-0-0)

ARTICLE 6. To transact any other business that may legally come before this meeting.

Given under our hands, this 10<sup>th</sup> day of February 2004.

## BARTLETT/JACKSON TUITION CONTRACT

This tuition contract between the Bartlett and Jackson School Boards and School Districts shall be effective for the three-year period of July 1, 2004 through June 30, 2007.

The contract concerns Jackson students in grades seven and eight who attend the Bartlett School.

### I. CONTRACT TERMINATION AND RENEWAL

This contract shall be for the period specified. Any renewal shall be negotiated and submitted to the respective legislative bodies at the annual district meeting which occurs during the second year of the contract term. Either party may terminate the contract by notifying the other party of its intent no later than December 31 of the second year prior to the intended termination.

Example: intended termination following the 2005-06 school year requires notification by December 31, 2004.

### II. PURPOSE

To assure every member of the Josiah Bartlett Elementary School seventh and eighth grade equal access to all educational programs and opportunities.

To provide a broader range of program offerings for students than would otherwise be financially feasible for individual school districts.

For Jackson to pay the costs of education for Jackson's seventh and eighth grade students at Bartlett.

To provide a mechanism (see Section VIII) for the Jackson School District to actively participate in the evaluation and planning of programs for seventh and eighth grades at the Josiah Bartlett Elementary School.

### III. JACKSON STUDENT ATTENDANCE AT BARTLETT

Jackson shall send all of its students, grades seven and eight (7 & 8) to Bartlett for schooling and shall be responsible for the transportation methods and expenses in connection with such attendance, and Bartlett shall accept said students and be responsible for their education. Jackson will be liable to the Bartlett Board for the tuition of those students unless the student moves from Jackson, attends a nonpublic school, or is assigned to an out-of-district school through an educational process. Jackson will pay direct costs for special education or other specialized programs not included, or unable to be provided in the regular operation of the school.

#### IV. QUALITY OF EDUCATION

The Bartlett School District guarantees to operate the school accredited and fully approved consistent with the standards as defined by the laws of the State of New Hampshire for the education of its own and sending district students, grades K-8.

#### V. STUDENT ORIENTATION & CURRICULUM SERVICES

Orientation services will be made available by the Bartlett School District to grade six students and their parents of the Jackson School District for seventh grade placement. There will be articulation in programs between the elementary schools. Orientation services shall be provided beginning in the spring prior to the inception of this contract.

#### VI. PUPIL REGULATIONS

It is understood that the Josiah Bartlett Elementary School regulations will apply to the Jackson students attending the Bartlett School.

#### VII. REPORTS PROVIDED

The Jackson School Board will have access to educational records for legitimate educational purposes for pupils residing within their district, all in accordance with the Federal Family Educational Rights and Privacy Act, also known as the Buckley Amendment, Public Law 93-380 (20 USC S.1232g.).

The Jackson School Board will have access to educational records with no identification of individual students, for the purpose of conducting evaluations of school programs.

It is further agreed that a written report will be made to the Jackson School Board concerning the achievement and citizenship (quarterly) and attendance records (monthly) of pupils from Jackson who are enrolled in the Josiah Bartlett Elementary School.

#### VIII. JACKSON PARTICIPATION WITH BARTLETT BOARD ACTIVITIES

The Jackson and Bartlett School Boards will meet together twice annually at times to be jointly determined to discuss issues of mutual concern. In addition, the Jackson School Board may have one voting representative on the Bartlett Curriculum, Policy, and Technology Committees or any academically related activities which may impact grades seven and eight at the Bartlett School.

#### IX. SETTLEMENT OF DISPUTES

In the event of disagreement as to the interpretation of this tuition contract, the two Boards shall meet to attempt to settle the disagreement. If agreement cannot be reached, the issue will be submitted to the Superintendent of SAU #9 who will recommend a solution. Following the receipt of the Superintendent's recommendation, either Board may pursue the issue to the Commissioner of Education.

#### X. METHOD OF AMENDMENT

This tuition contract can be amended by the Boards at any time, provided that any amendments must be submitted to the respective legislative bodies and approved by them at a district meeting. The respective Boards have the responsibility of placing any proposed amendments on warrants for the district meetings.

#### XI. TUITION CALCULATION

The tuition to be paid by Jackson to Bartlett for each of its students shall be calculated by taking the actual elementary general fund expenditures for the preceding year as currently reflected by line 7-26 of the MS-25 form filed with the Department of Revenue Administration (copy attached), and subtracting the amounts for transportation; any special education costs, including psychological and speech services, not included in the comprehensive school program and/or provided exclusively for Bartlett Students; and any revenue paid by Jackson to Bartlett for contracted staff services at the Jackson School, (**adjusted for transportation and specialized educational costs;**) and dividing those expenses by the Average Daily Membership (ADM) for the preceding year to determine the tuition per pupil, and attributing that cost to each Jackson student. Each annual calculation report shall be appended to this agreement as a rider to the agreement.

Jackson shall pay a 2% rental fee as calculated by the SAU office and approved by the Department of Education. Each annual approved calculation report shall be included with the agreement as a rider.

Jackson will pay direct costs for special education or other specialized programs not included, or unable to be provided in the regular operation of the school.

#### XII. TUITION PAYMENT SCHEDULE

Tuition shall be billed by the SAU office and paid by the Jackson School Board on a quarterly basis.

Approved by Jackson School Board – January 20, 2004

Approved by Bartlett School Board – January 6, 2004

# JACKSON SCHOOL DISTRICT MEETING

March 17, 2003

## MINUTES

The annual meeting of the Jackson School district was held at the Jackson Town Hall on Monday, March 17, 2003. Moderator Tim Scott called the meeting to order at 6:35pm.

Moderator, Tim Scott outlined some guidelines before the start of the meeting that included the following rules:

- Chances to talk were to be restricted to Jackson residents only, unless in response to a question, or to clarify a point.
- Moderator reserves the right to restrict the time of each speaker
- There will be a ballot vote on Article 6.
- If, on Article 1 a voice vote is unclear, moderator will call for a show of hands, if still unclear a written ballot will be used.

Sarah Pendleton, Jackson School Board chair, welcomed everyone and recognized the following people in attendance:

Dr. Carl Nelson	Superintendent of Schools, SAU 9
Anne Kebler	Principal, Jackson Grammar School
Bob Thompson	Jackson School Board
Peter Benson	Jackson School Board
Judy Wooster	Assistant Superintendent of Schools, SAU 9
Jim Hill	Business Administration, SAU 9
Jack Loynd	Principal, Kennett High School
Jane Gray	Chair, SAU 9 Board; chair, Eaton School Board
Frank Moffatt	Bartlett School board member
Gordon Graham	Lawyer, town of Jackson
John Roberts	Chair, Conway School Board
Becky Moore	Conway School Board
Maureen Westrick	Bartlett School Board
Becky Jefferson	Director of Finance, SAU 9

A motion from the floor to **dispense with the reading of the check list** was moved and seconded. There being no discussion, a **vote was taken and the motion passed.**

A motion was introduced to **dispense with the reading of the warrant.** Moved, seconded. No discussion, a **vote was taken and the motion passed.**

A motion was moved and seconded to **move ARTICLE 6 to the first order of business.** No discussion, a **vote was taken and the motion passed.**

**ARTICLE 6** To see if the Jackson School district will vote to ratify and confirm a long term tuition contract with the school district of Conway, provided that any combination of at least five of the following Districts (Albany, Bartlett, Eaton, Freedom, Madison, and Tamworth) also

vote to ratify and confirm a long-term tuition contract with the Conway School District: such contract to be for a minimum term of 20 years, subject to automatic annual renewal thereafter; to provide in the tuition payment for costs of operation of facilities used by each town in accordance with a ratio of 35% equalized value of each town and 65% of the town's average daily membership and to provide for the payment of capital costs of such facilities in accordance with a ratio of the respective equalized valuations of the towns; to provide that each town will bear a portion of the Facilities Maintenance Fund in accordance with the same ratio of respective equalized valuations; and to authorize the Board to negotiate such other and further terms of the agreement as it may decide in the best interests of the District. (Recommended by the School Board 3-0-0)

**The article was moved and seconded.**

**Discussion:**

- Peter Benson: Thank everyone for turning out, fellow board members, Bartlett-Jackson Cooperative members, and citizens who formed the committee to explore secondary school options. We continue to be at an educational crossroads in the MWV. This is our second historic vote on secondary school options in Jackson. Thank citizens for questions and daily dialog. This contract is somewhat about where we educate our students, and how much it will cost, there is a larger issue at stake: how we view ourselves as a community. Whatever is chosen, I urge Jackson residents to view this decision as the greatest of all goods instead of the lesser of any of the evils. Last year we heard from the voters that they wanted us to move forward and to explore all feasible secondary school options. Three tracts: secondary school ad hoc committee, the two town coop, and the Conway tuition agreement. The four choices that are before us: contract with Conway; Fryeburg Academy, Gorham High School, or the Bartlett Jackson Coop...all have compelling arguments. Every option has positives and negatives: costs, community, educational experience, large v. small, governance and overall educational philosophy. They are all or will be expensive. I, and the rest of the board believe that the tuition agreement with Conway is the best option. I remain somewhat optimistic that our education tax situation (donor town status) to the state will get better in the future, which will certainly help. While Jackson has to vote on its own, it is hard to make a vote without looking at the other towns and how they have voted, since we are all connected in the decision making process. If Jackson votes yes tonight, it is my belief that the tuition contract will pass. If we vote no, the situation becomes much less clear for Jackson, but I believe that the tuition contract will still pass without us. If the 2 remaining towns vote for the tuition contract, Jackson is left with a great deal of uncertainty, and quite possibly out of the local secondary education process. If Conway votes yes, they will quickly move to pass a bond, which will include the towns that have voted for the tuition contract. Where that will leave Jackson, if we vote this down, is unclear. Most importantly, I believe that a school is one of the cornerstones of a vibrant, vigorous and healthy community. As a community, a regional High School is our best overall option for secondary education. Is it perfect? No. But I remain optimistic and positive and trust my neighbors and board members from other towns to make the best decisions for education as a community. We are one community, and we are too closely linked culturally, socially, economically and geographically to separate. This will not only maintain but enhance our identity as the Mount Washington Valley. With that in mind, I think that we can move forward as a community with distinct and celebrated differences, but with a common goal of

providing the best and most fair educational opportunities for our secondary students in the MWV.

- Gino Funicella: There are many people in Jackson on a fixed income. Taxes are up exorbitantly...too high to stay in Jackson. Our costs are tripling, there are many people who won't be around because of tax increases.
- Carl Slack: Jackson children should have the best education possible. This is like being at a picnic with a box lunch. Stick with the contract for 20 years and we won't own it. 35% on taxed assessments if our assessment triples, they're on the low side now, our costs will go up. Historically not all kids go to KHS under the AREA we still pay for them, so too with this contract. We can't be left out. State law requires that no town will be faced with no place to go for secondary education. This open-ended contract is the icing on the cake for Conway. We can't see where its going, it'll change but not necessarily for our benefit. Those who couldn't make this meeting tonight have been disenfranchised by this question not being on the Town Warrant. This should have been a ballot issue. Its not because some already know which way things will go.
- Dave Mason: 90% of kids in town sounds reasonable...the school system serves the community. I have difficulty with the contract because it is not finalized. My question is if the Conway School System decides to spend more money we have 4 months notice. We can opt out. This terminates our ability to send out kids to school. Then won't we just have to agree (to their cost increases)?
- Gordon Graham: Under p 10c, in the out year should Conway consider more bond money, as in an AREA agreement you get 4 months notice if Conway embarks on another project. Then Jackson has an opportunity to withdraw. Jackson will however, be held to the original bond.
- Dave Mason: We could withdraw if there are differences of further spending, but we would continue to make payments on the original bond.
- Sarah Pendleton: This is to answer some of the questions brought up by Carl Slack on assessments...if our values go up, tuition still is based on equalized assessed value. The assessment is multiplied by an r-factor that recognizes the difference in valuations throughout different towns.
- Carl Slack: Can this be guaranteed in writing?
- Sarah Pendleton: Yes. Bearing the full burdon, Conway's tax rate increases by 1.45. Our increase is the greatest, but our rate still remains the 3<sup>rd</sup> lowest. This is not a ballot vote because by law, all school district budget issues are to be voted on at School District meetings. Typically attendance at these annual meetings is one tenth of those in attendance now.
- Carl Nelson: Jackson has the obligation to educate its children. In response to the issue of what would happen if you don't vote to agree to the tuition contract of Conway. It is clear that though you may have nowhere to send Jackson students, you are obligated to educate them. There is no legal obligation of a school to accept students who live in a town that doesn't have a school that covers a particular grade.
- Peter Benson: 90% of Jackson children are publicly educated. If they are home-schooled or attend private school, this does not affect private or home schooled children.
- Thom Perkins: Could a school board member go through the thought process of all our options.

- Bob Thompson: gave the “short version” of an informational meeting that was held earlier in March, outlining each of the 3 explored options for Jackson secondary education students. He outlined strengths and weaknesses of each of these options: Gorham High School; Fryeburg Academy; Kennett High School and also mentioned the 2-town (Bartlett/Jackson) cooperative.
- Dudley Davis: You all know who I am. I went to the last informational meeting. It was a PR meeting, the way the blue sheet was handed out. Figures were left off the record. 13 thousand for tuition to Kennett when we know it’s going to be closer to 25 thousand. We asked the board to do research on our options, I got the distinct idea it was a soft sell to Fryeburg Academy. So I went to Fryeburg Academy to talk with Dr. Lee who was busy in a work session. I did talk with the head administrator there. I got the impression that Fryeburg Academy was a no deal by what you said at the informational meeting. You said they were not a school of record. The first question I asked the administrator was about the school of record and he said they have the best special education programs in the valley. What’s the problem? Don’t you want our kids to have the best? They have to apply. We’re talking about \$14,000. vs. \$25,000. They conveniently left off some figures. If I were borrowing money from a bank and didn’t know the interest rates, would I borrow money? There were some other comments at the informational session, Dr. Nelson mentioned many times and I’d like to ask you when you make a statement like “when you’re out you’re out” I called the NH Board of Education they could not answer the question.
- Carl Nelson: What I have said is Conway’s offering 8 towns an opportunity for educating their secondary students, however they need to move on and they need to know who would like to participate.
- Dudley David: We do have a viable school to send our kids to.
- Peter Benson: I respect your opinion, but I resent the inference that we monkey the numbers. (matrix on 3 2<sup>nd</sup> ed opportunities from informational meeting) We did not include transportation costs (in calculating costs to send students to Gorham, Fryeburg). This board has gone out of its way to inform people. The committee to study our options was made up of 4 citizens. Any choice we make will require faith on our part. Fryeburg cannot commit past 10 years. Moving forward.
- Sarah: How many people here heard Bob (Thompson) describe the difference between operating costs, and cost of our share of the bond?
- Dick Bennett: Is the idea of a co-op (8 town) dead?
- Bob Thompson: Not totally dead in my opinion. It becomes dead if we don’t vote this in. There is a major break in building costs if you form a co-op. If we can demonstrate this to Conway, to explore the feasibility of a cooperative, now that our issues from before are largely addressed (7<sup>th</sup>/8<sup>th</sup> grades remaining at Josiah Bartlett). We are here to serve the voters of this town, remember that each of the other boards have the same task.
- Willis Kelley: A lot has been said against the tuition, I’ll say something for it. Thirteen years ago we brought forth to this town something that changed the village. The addition to the Jackson Grammar School. A lot gets lost with waited votes. All in all, we’ve had a good education in Conway. This is the best choice tonight, to go forward with the rest of the valley. We need to trust our board.
- Ray Abbott: I’m against the tuition contract. Come on...costs could go down!/? Reassessment, horrendous, taxes will be bumped up. Contract looks like a big chunk of

Swiss cheese. We've got nothing in this contract to put your teeth into. We need serious thought on this, common sense.

- Dick Badger: We've been all over the landscape, I said earlier we need to go forward, to be able to sit at the table, to get Conway to realize the loss of millions of dollars if we don't form a cooperative. Let's get the message to Conway voters and the Conway School Board to please reconsider the cooperative that we voted against last year, since the items that kept it from being passed have been fixed. Assessment, Jr. High remaining in Bartlett, and governance. Does Conway want to pay 7 to 8 million dollars just for total governance?
- Trapp Hill: what investigations have been made by the three schools in regard to the quality of education.
- Bob Thompson: In Gorham there are no advanced placement courses. In Fryeburg their A.P. course offerings are similar to those at KHS. The Kennett High School is a regional location for vocational and technical courses for Carroll County. Last year's college placement rate: 71% - Fryeburg; 42% - Gorham; 68% - Kennett.
- Ann Kantack: Will you explain the contract? If we vote yes on the contract...why would we do that if we want a co-op? In reference to a letter to the editor by a Conway Board member who said there would be no negotiating after the tuition contract was voted on. Why should we vote for this with the thought of changing it in the future?
- Sarah Pendleton: Nothing legally prevents us from re-considering a cooperative. Most of the major obstacles have been cleared out, what is left is to decide what is in the best financial and educational interests of all parties...they might recognize the 7 to 8 million dollars in savings.
- Carl Nelson: Conway can't present a cooperative option. Each town must form a committee, if any one town says no along the way, the effort is ceased.

**A motion was made and seconded to move the question. Motion passed.**

Discussion on ARTICLE 6 ended. **A vote by written ballot was taken by the supervisors of the checklist. The motion passed. 115 - YES 95 - NO**

ARTICLE 1 To see if the School District will vote to raise and appropriate the sum of one hundred and five thousand dollars (\$105,000.) to renovate the basement of the Jackson Grammar School in order to develop more instructional space, and authorize the withdrawal of eighty thousand dollars (\$80,000.) from the Expendable General Trust Fund (School Building Maintenance Fund) established for that purpose in 1996. (Recommended by the School Board 3-0-0)

The article was moved and seconded.

Discussion:

- Bob Thompson: For 5 years we've set aside \$15,000. to deal with space needs. It's been recognized there are space needs. Current multipurpose room would be moved to the basement level. Music lessons are intrusive to the learning atmosphere in other classes. We looked at other options. Moving up is cost-prohibitive because of the trusses. We looked into portable classroom space, but that option we thought was not aesthetic. We want to pursue the basement. Bob introduced George Bordash of the Building Committee to give some history of the basement space.

- George Bordash: When we built the new addition, we found groundwater on the first day. The cure was to install perforated pipe and crushed stone, directed to sump well in exterior of building. In 1988 the pumps were overpowered. One inch of water in basement caused the need to replace sheetrock. We then doubled the size of manifold and pumps and use a generator for pumps in the event of lost electricity. George endorses the use of the basement for multi-purpose space.
- Dick Badger: Why is an elevator needed to go “up” and not “down?”
- A: The exit from the basement can be ramped.
- Bruce Hill: Is the level of radon above or below standard?
- George: The radon reading is just above the level set by the EPA for public buildings
- Adam Hirshan: What will the current multi-purpose space be used for?
- Anne Kebler: We can’t specify which rooms will be used for which. Art & music will be in the newly created space of the renovated basement.
- Mike Mallett: (of the building comm.) I’m not an expert on mildew or mold. We could have an air exchange system to address radon and moisture. This is the best way to go, to ensure children will be in a healthy environment. Less concerned with flooding, more concerned with moisture.
- Q: Is air exchange system included in the \$105,000.? Is the area sprinkled?
- A: Yes
- Q: Is there an exterior exit?
- A: Yes. There will be a second exit added.
- Q: What about the amount of daylight?
- A: 2 windows will be added, plus the additional exit will provide more daylight.
- Q: Will the basement cure the noise problem?
- A: We will increase the amount of insulation, and provide soundproofing.
- Huntly Allan: Why not hire a certified industrial hygienist (mold expert)?
- Good idea.
- Peter Benson: We’ll need to be on top of the pumps, keep watching them.
- Bill Kelley: Engineering was done 13 years ago, Has this been looked at to know that pumps are adequate?
- Have not reviewed the pump capacity, but it can be done.
- Bruce Hill: Short vs. long term solutions...is going “up” a better long term solution?
- Mike Mallett: Size wise, the “up” option offers only half the space as the basement option and would cost much more money.
- Bruce Campbell: I spent a lot of time down in the basement for a few years. There wasn’t one year that the space wasn’t wet. There have been drought conditions for many of these past 5 years. If it were my basement, I wouldn’t put anything in it.
- Scott: Wouldn’t a better long term solution be to change the footprint of the building? Maybe we could get a waiver to change the building’s footprint.
- A: 13 years ago, we got a waiver to change the footprint for the addition. It would be almost impossible to get a second waiver.
- Peter Benson: Between the floodplain and the septic system, the gainable space is negligible, and not cost effective.
- Dudly Davis: \$100,000. is not hay. I would like to see some thought to a more long term solution.

- Peter Benson: I agree, but it would cost triple that for a smaller space (up). We're balancing physical space needs with cost needs.
- Bill Kelley: The roof system is a complex system of trusses. To talk about going up is to talk about ripping off the entire roof.
- Tish Weeder: How much would a portable cost?
- Carl Nelson: Portables run about \$1000. per month to rent. These are rough figures. Initial set up would cost about \$25,000.
- Sarah Pendleton: I don't view renovation of the basement to be a short term solution. I respect what you said Bruce (Campbell), but there have been changes made to improve the pump system. The basement is nice space.
- Bob Thompson: We've gotten \$15,000. for the past few years in a fund to remedy our space issues. We're asking for \$10,000. and we have a good plan.

**Motion to move the question was made and seconded. Motion carried.**  
**A vote was taken on ARTICLE 1 and the motion passed.**

ARTICLE 2 To see if the School District will vote to raise and appropriate the sum of one million, fifty-one thousand, one hundred and forty-nine dollars (1,051,149) for the support of schools, for the payment of salaried for school district officials and agents, and for the payment of the statutory obligations of the District. This article does not include appropriations voted in other warrant articles. (Recommended by the School Board 3-0-0)

**The article was moved and seconded.**

Sarah Pendleton: Move to amend this article to increase by \$7,500. because of the loss of Title 1 money we have received in a grant in the past. A new formula under the "No Child Left Behind Act." Leaves Jackson out of Title 1 money, leaving us short \$7,500. to pay for reading specialist staff.

**Amendment was moved and seconded. No discussion. A vote was taken and the amendment passed.**

**Discussion on AMENDED ARTICLE 2:**

- Increases come from students tuitioned to Bartlett & Kennett up from 23 to 27. Health insurance increases. Salary increases. \$13,000. in performance pay. We added a part time aid at \$11,000.
- Q: What is student population?
- A: 52 at the Grammar School

**A vote was taken and the amended article passed.**

ARTICLE 3 To see if the School District will vote to raise and appropriate the sum of seventy-five thousand, two hundred and four dollars (\$75,204) to purchase a new school bus and authorize the withdrawal of forty thousand dollars (\$40,000.) from the Capital Reserve Fund (School Buses), previously established for this purpose. The balance of thirty-five thousand, two

hundred and four dollars (\$35,204) is to come from general taxation. (Recommended by school board 3-0-0)

**The article was moved and seconded.**

**Discussion:**

- Q: Do we still share a spare bus with Bartlett?
- Jim Hill: Bartlett bought your old spare bus.
- Candi Kane-Mays: Perhaps our needs are for a smaller bus?
- Peter Benson: That's the first question I had, but we take kids to Bartlett and Kennett.
- Sarah Pendleton: When our bus reaches the 100 thousand mile mark, we need a new one. You don't save much getting a smaller bus. We can't be stuck with too small a bus if we need to use the spare.
- Dick Badger: Why isn't the capital reserve adequate to cover the cost of a bus?
- Jim Hill: The Jackson voters bought 2 buses back to back. We're coming back to a 4-year cycle.
- Bill Kelley: Is the plan to buy the next bus 3 or 4 years from now? Can we continue to add 15 thousand each year to the reserve fund? Could we wait a year on this?
- Jim Hill: We waited last year. If we wait again, it would negatively affect the 4-year cycle we're striving for.
- Candi Kane-Mays: What about leasing a bus?
- Jim Hill: The cost is about the same, plus leasing costs.

**A vote was taken and the motion passed.**

ARTICLE 4 To see if the School District will vote to withdraw the sum of fifteen thousand dollars (\$15,000.) from the Expendable Trust Fund (Tuition trust fund) to be used to offset expenditures for the 2003-2004 school budget. (Recommended by the School Board 3-0-0)

**The article was moved and seconded.**

**Discussion:**

- Q: What are the expenditures that this money will be used for?
- A: To offset tuition and expenditures in the general fund.

**A vote was taken and the motion passed.**

ARTICLE 5 To see if the School District will vote to raise and appropriate the sum of fifteen thousand dollars (\$15,000.) to be added to the Capital Reserve Fund (School Buses) previously established for this purpose, with these funds to be offset, in part, by National Forest Reserve Funds. (Recommended by the School Board 3-0-0)

**The article was moved and seconded.**

**There being no discussion, a vote was taken and the motion passed.**

ARTICLE 7 That the voters of the Jackson School District vigorously oppose any and all un-funded and under-funded federal educational mandates including but not limited to those contained in the recently enacted No Child Left Behind Law, as well as those mandates historically unfounded within the IDEA/Special Education Laws. (Recommended by the School Board 3-0-0)

**The article was moved and seconded.**

**Discussion:**

- Peter Benson: The federal government has a bad track record for funding education laws. Leaves us no provisions, and erodes local control. Special mandates have dedicated cost, the real costs eight, nine or 10 years out. We want to send a message as a community about under-funded and un-funded mandates.

**A vote was taken and the motion passed.**

ARTICLE 8 To transact any other business that may legally come before this meeting.

- Dick Badger: \$15,000. out; \$15,000. back in. Why not put the money in general fund anyway, avoid the shell game.
- Carl Nelson: They are separate warrant issues.
- Sarah Pendleton: The Tuition Trust Fund was created before my time. We're not hit with \$40,000. increase because of fluctuations in numbers. What drives our costs the most is tuition.
- Q: What would happen if we voted down the \$15,000.? National Forest Funding...
- A: It would remain in the National Forest Reserve Fund.
- Adam Hirshan: After the vote was taken by ballot on Article 6, the moderator said he would not entertain a motion for reconsideration. Should someone want to reconsider the vote, they have the right to do so. I've never heard that the moderator can declare no reconsiderations of votes.
- Tim Scott: The moderator has a right to rule on that.
- Bill Kelley: Agreed with Adam Hirshan.
- Tim Scott: Stood corrected.

**There being no other business, the meeting was adjourned at 9:20pm.**

Respectfully Submitted,

Martha Miller  
School District Clerk

## SUPERINTENDENT'S REPORT

By Dr. Carl J. Nelson

To the Citizens of Jackson:

As the schools in SAU #9 look forward to the 2004-05 school year, we are extremely pleased that the Mount Washington Valley has remained together and supported the construction of a new high school and career/technical center, and the renovation of Kennett as a middle school. This effort will provide us with a long-term solution to the problems of our secondary facilities that have concerned us for years.

The new and renovated facilities will assist us in our pursuit of excellence in education, and reaffirm our commitment to the improvement of student achievement through the Continuous Improvement Process that has been in place for the past six years. This process allows us to make data-driven decisions, which enables staff and administrators to focus energies and resources in the areas that have been identified for improvement. The data obtained from our testing program, postgraduate surveys, and other locally gathered information guides further curriculum and staff development, and also provides guidance with regard to budgeting, resource allocations, and compliance with No Child Left Behind.

In February we published our fifth School Report Card for each individual school. In the spring, administrators throughout SAU #9 will conduct meetings with parents and community members to review School Report Cards for their schools. The SAU #9 and School Report Cards contain such data as testing results, post graduate surveys, and demographic information which are available at the individual schools and the SAU #9 office.

We remain very impressed with the dedication and quality of the people who serve the communities of SAU #9 and the Jackson School District. We have been equally impressed with the Valley's desire to improve and support education. The board and this administration have made every effort to maintain and improve the high quality of education and the delivery of services to our students and community, and at the same time control costs. We ask you to remember that an investment in education is an investment in the future of the Mount Washington Valley.

## PRINCIPAL'S REPORT

By Anne Kebler

The Jackson Grammar School provides students a unique educational opportunity. Our small size allows staff to provide individualized instruction and attention, which includes a challenging curriculum as well as many enriching opportunities.

The student population at the Jackson School is 58 students this year. Classes continue to be organized with three multi-age groupings: a K-1 classroom (21), a 2-3 classroom (15), and a team taught 4-5-6 classroom (22). The large size of the incoming kindergarten (14) led to a staff reorganization in order to provide a full-time assistant in the K-1 classroom. At the same time, a new half-time special education position was created to provide support in grades 2-6 classrooms, and Martha Miller, our Physical Education teacher, has taken on that job as well. We also welcomed a new teacher to our staff this fall, Lissa McDonnell, who came to us from Massachusetts to teach 2<sup>nd</sup> and 3<sup>rd</sup> grades.

The school-wide theme of community building continues this year. We feel very fortunate in the support we receive from the overall broader community. A variety of activities during the past year illustrate this support, including the many parents and community members who made last February's Ski-A-Thon such a success, and the strong participation of volunteers in our soccer, cross country ski, and ESSC programs, as well as individuals who lend a hand in our classrooms each day.

Each year, we see a significant growth in our partnership with the Bartlett Recreation Program. Students participate in many programs offered through Bartlett such as sport activities, as well as Destination Imagination and a recently organized jazz band.

Here at the Jackson Grammar School we feel it is essential that students come to understand and value their role in the wider community. During the past year, that effort has been supported by the newly established "K-Kids" Club, launched by Rob and Marla Casella, and sponsored by the Mt. Washington Valley Kiwanis Club. Students from kindergarten through Grade 6 can participate in this club, where they actively participate in community service projects during the school year and summer months.

The Unified Arts continue to enhance the educational program at JGS. Despite the challenge of finding adequate space and time, all three programs (art, music and PE) provide unique and enriching activities which allow our students the opportunity to broaden their experiences beyond traditional educational activities. As a result, we have developed very talented artists, musicians, and athletes. Throughout the school year, students work with art teacher Lucy Gatchell to develop a portfolio of work that they are proud of and interested in showcasing. Many of our students were asked to display their creations at the Memorial Hospital this year, and the annual spring art festival in April celebrates student work.

Jackson's music teacher, Mr. James Berry, has expanded band and chorus significantly and now has begun to build a program which partners with the Bartlett music program so that our students have that much more exposure as they move forward. His December Holiday Concert was a wonderful community event!

Finally, Martha Miller works diligently to provide a creative and engaging Physical Education program which fosters good sportsmanship, respect, and a joy for physical well-being. Her efforts to contend with space and weather while providing an engaging PE program include cross country skiing, ice skating, cup stacking, and on-snow volley ball. She is always anxious to have volunteers help her with these endeavors, and we encourage interested members of the community to give her a call.

Community building extends to the Jackson Grammar School staff, which is proud of the professional learning community they have begun. Our work together as a staff is reflective and collegial. We embrace the concept of "teachers helping teachers to improve student learning" through activities such as peer observations, Critical Friends Groups to analyze student work, and Book/Study groups.

Each classroom finds unique and exciting happenings within their walls. Through the generosity of a grant from the Pequawket Foundation, K-1 students have been very involved in a garden project, where they have grown both vegetables and perennials. The K-1 classroom also makes weekly visits to their younger contemporaries at the Lilliputian Preschool at the Jackson Community Church. In the 2/3 classroom the students have gained a sense of the wider world through their friends Luna and Leapy.

Luna and Leapy are stuffed frogs who have traveled with members of our school community as far as China. Soon Luna will be traveling with Josh Porter, our Tin Mountain teacher, to Costa Rica, and Leapy has been skydiving in Brazil with Scott Badger.

Finally, in the 4-5-6 classroom our sixth graders have been involved in year-long independent study projects. These interest-based projects have included interviews with members of the Mt. Washington Valley community with expertise in topics such as DNA, law enforcement, and engineering. Students will be prepared by spring to make presentations to the Jackson School Board and community members.

As the memorably cold winter of 2003-04 draws to a close, it has been a very busy and exciting year at the Jackson Grammar School. The JGS mission statement, which emphasizes the commitment to learning by fostering the intellectual, social, and physical growth of children, while promoting responsibility and respect and encouraging pride in the community, we believe is well met. Our doors are open to the community, and we welcome your participation in providing students with academic excellence, enrichment, and a safe and positive environment for learning. Over the years, Jackson has consistently demonstrated solid support for education, both financially and through volunteerism. We remain committed to building and sustaining this community partnership, and to promote continued excellence here at the Jackson Grammar School.

## INDEPENDENT AUDITOR'S REPORT

To the School Board  
Jackson School District  
Jackson, New Hampshire

We have audited the accompanying general purpose financial statements of the Jackson School District as of and for the year ended June 30, 2003, as listed in the table of contents. These general purpose financial statements are the responsibility of the Jackson School District's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general purpose financial statements referred to above do not include the General Fixed Assets Account Group, which should be included in order to conform with accounting principles generally accepted in the United States of America. The amounts that should be recorded in the General Fixed Assets Account Group are not known.

In our opinion, except for the effect on the general purpose financial statements of the omission described in the preceding paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Jackson School District as of June 30, 2003, and the results of its operations for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The individual and combining fund financial statements and schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Jackson School District. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly stated in all material respects in relation to the general purpose financial statements taken as a whole.

## INDEPENDENT AUDITOR'S REPORT

To the SAU Board  
School Administrative Unit #9  
Conway, New Hampshire

We have audited the accompanying general purpose financial statements of the School Administrative Unit #9 as of and for the year ended June 30, 2003, as listed in the table of contents. These general purpose financial statements are the responsibility of the School Administrative Unit #9's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general purpose financial statements referred to above do not include the General Fixed Assets Account Group, which should be included in order to conform with accounting principles generally accepted in the United States of America. The amounts that should be recorded in the General Fixed Assets Account Group are not known.

In our opinion, except for the effect on the general purpose financial statements of the omission described in the preceding paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the School Administrative Unit #9 as of June 30, 2003, and the results of its operations for the year then ended in conformity with accounting principles generally accepted in the United States of America.

A handwritten signature in cursive script that reads "Grzelak &amp; Company, P.C.".

GRZELAK AND COMPANY, P.C., CPA's  
Laconia, New Hampshire
