## ANNUAL REPORT

TOWN OF SANDOWN, NH

POLICE CHIEF JOSEPH GORDON has been instrumental in the culmination of the new Police Station, however, he has contributed for many years to the betterment of the Town of Sandown. Chief Gordon has been at the helm of the Police Department for 12 years as our Chief and on the force as an Officer in Sandown and neighboring towns for many years.

For many years, Chief Gordon recognized the need for the Police Department to have their own dedicated building and through planning, communication, presentations and much hard work, that dream has now come to fruition.

His dedication, determination and endless hours of personal sacrifice are highlighted by his Officers:

that needed to be used. He spent hundreds of hours doing this and saved our town in the area of 24,000.00, an estimate given by a painting company for the door project. He did this on his own time, evenings, weekends, and holidays.

He demonstrated his pride and love for this station as if he were designing and building his own home. He always wanted his Officer's input in the design, the flooring, the colors, the furniture, everything. He was able to receive furniture through a surplus program with the military. The furniture was at no cost and is beautiful. For those of you who don't know, Chief Gordon, is a carpenter by trade and his talent and expertise in woodworking is seen throughout the station, again saving the tax payers money.

We want him to know how pleased we are and how much everything he did for us and the community means to us. Saying Thank You just doesn't seem like enough.

Thank you Chief for all you did for our new home!!!  
Your Officers,

Sergeant Aurie Roy, Detective Corporal John Sable, Corporal William Pica, Officer Chris Rothwell, Officer Stephen Winter, Officer Richard Bucu, Officer Thomas Gallant, Officer Cole Dresser, Officer Andrew Artimovich, Officer David Salois

We want to take this opportunity to recognize Chief Joseph Gordon for his dedication, passion, determination and hundreds of hours of hard work he was responsible for in the design and construction of our new station. Making a dream come true.

He wanted everything to come out perfect to the extent of him volunteering hours upon hours doing a whole variety of construction projects, designing, equipment needs, meetings, painting walls, woodwork, the list is endless.

One particular project was the painting of all the doors and door frames. This was especially difficult due to their surface and the type of paint

---

The Board of Selectmen proudly dedicates this Annual Report to Police Chief Joseph Gordon for his on-going commitment and service to the residents of Sandown.

## SUPPORTING OUR SANDOWN TROOPS

The war on terror continues and our town can be proud of the service, dedication, and sacrifice of Sandown's large contingent of young heroes on duty all over the world. Many have completed multiple tours to the front lines of this war, and always represent Sandown with honor.

One way our town shows its deep gratitude for this service is by supporting the *Sandown LIONS Club's* "Support Our Troops" project which sends periodic care packages, gift cards, letters and a small taste of Sandown to our troops wherever they are deployed. Since 2001, we have identified and supported 80 members of our community who have served or continue to serve in the US military. This year, in addition to troop care packages, we provided a welcome bag of cookies and a Sandown T-shirt for all the soldiers returning home who were made known to us.

As the war on terror morphs, and intensifies, we do not want to put these service personnel or their families in harm's way by using their family names here, but we welcome being updated on service status. Our roster of service members, we suspect, is not complete. Please contact Pat Kimball (at 603-887-6331 or [pmadx@aol.com](mailto:pmadx@aol.com)) to update us on any new or current Sandown service member you know. It is our goal to recognize, support, and salute all from Sandown who serve.

If you would like to help our effort, your tax deductible check can be made out to the *Sandown LIONS Club* and mailed: C/O 17 Brown Ave., Sandown, NH 03873 (write: "SUPPORT THE TROOPS" on the subject line). To assist with letters to the troops or package content, please reach out to any Sandown *LION*.

*Sandown LIONS Club*  
(Fifty years strong in 2016)

*This nation will remain the land of the free, only so long as it is the home of the brave. Elmer Davis*

## INDEPENDENT AUDITORS' REPORT

To the Board of Selectmen  
Town of Sandown, New Hampshire

Additional Offices:  
Nashua, NH  
Andover, MA  
Greenfield, MA  
Ellsworth, ME

### **Report on the Financial Statements**

We have audited the accompanying financial statements of the governmental activities, the major fund, and the aggregate remaining fund information of the Town of Sandown, New Hampshire, as of and for the year ended December 31, 2014, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the Table of Contents.

### **Management's Responsibility for the Financial Statements**

The Town's management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies

used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

## **Opinions**

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the major fund, and the aggregate remaining fund information of the Town of Sandown, New Hampshire, as of December 31, 2014, and the respective changes in financial position, thereof and the respective budgetary comparison for the General Fund for the year then ended in conformity with accounting principles generally accepted in the United States of America.

## **Other Matters**

### *Required Supplementary Information*

Accounting principles generally accepted in the United States of America require that Management's Discussion and Analysis be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the *Governmental Accounting Standards Board*, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with evidence sufficient to express an opinion or provide any assurance.

## 2015 CITIZENS OF THE YEAR

Three hardworking volunteers were celebrated for their efforts during Old Home Day as Citizens and Young Citizen of the Year. Honoring volunteers has long been a tradition during the community event and this year saw a couple of longstanding civic-minded residents recognized as well as a new, but no less diligent young man.

The Sandown Lions Club's Fred and Kathi Soule were recognized as Citizens of the Year, nominated by the group they've been leaders of for many years.

In the nomination form the Soule's humble work in helping Sandown families, the elderly and active duty citizens over the course of decades was noted.

"They did this tirelessly and without complaint or fanfare individually and as the backbone of the Sandown Lions Club," reads the nomination. "Fred, a former Marine, is a fellow whose heart matches his size; he cannot say no to anyone who asks of him, even when the task would be hard for two men half his age. Kathi's seemingly boundless energy has started many worthy initiatives and kept them going, too."

Fred joined the Lions in 1988, followed soon after by Kathi, both serving in many leadership roles in the organization. The couple was lauded for doing everything from building a wheelchair ramp, to clearing brush in the yards of those who needed a hand, for sending packages numerous times a year to Sandown's active duty service men and women, organizing and running Lions fundraisers and scholarship program, facilitating donations to the Sandown Food Pantry and donating use of their special get away as a much sought after Lions raffle prize, among others. Kathi started the book lending library at St. Matthew's Church; Fred is a regular blood and platelet donor.

As the couple transitions out of town, Lions members expressed how much of a void they will leave behind them, and sought to recognize those efforts. "They would often ask the other at meetings, with mild marital irritation, "Are you done now?" Well, they are done now, in Sandown anyway, and we wish we could grant them Sandown Citizen Forever."

With the first ever, 'Young Citizen of the Year' 10 year old Benjamin Winter was recognized. While Winter is a kind of old-fashioned civic minded Sandown citizen, helping out whenever he can and knowing the town's history and geography like an old-timer, he was specifically recognized for his work over the past year or more with the Sandown Food Pantry.

The pantry has a long history in his family, its founder Eleanor Basset is his great aunt and his grandmother Arlene Basset is a longtime leader, it is work he was not pushed into, but which he has taken upon himself out of a desire to do good for his town.

"In spite of his young age, Ben has proven to be a mature and valuable volunteer. He sees what needs to be done and does it. We feel a little uncomfortable nominating our own grandson, but we do think he deserves consideration for this honor," writes Arlene and Carroll Basset in his nomination form.

While at the pantry, he checks expiration dates on food, sorts items, stocks shelves and even helps carry items to waiting cars. He also helps with the annual Thanksgiving and Christmas dinners at the pantry and for two years has aided with the Needy Children's Gift program, where desired Christmas items are provided for by residents through a few giving trees placed around town. He's hung the gift tags, collected toys, loaded and unloaded vehicles and helped to distribute the gifts.

A cub scout currently, Winter was recently awarded with a special 'Good Turn for America' award and has plans to someday help his community with an Eagle rank service project. A good student, Winter was even elected to his student council. He's helped wait tables at the Old Home Day Pot Roast dinner and the Rockingham County Forest Fire Wardens Association Dinner long held in town.

The awards were presented during Old Home Days by chair of the selectmen Jim Devine.

Deliberative Session will be held on Saturday January 30th @ 8:00 am  
 Town Elections will be held on Tuesday March 8th  
 from 8:00 am to 8:00 pm at the Town Hall

**TOWN OF SANDOWN  
STATE OF NEW HAMPSHIRE**

To the inhabitants of the Town of Sandown qualified to vote in Town affairs you are, hereby, notified of the following Town meeting schedule.

*First Session of Annual Meeting (Deliberative)*

You are hereby notified to meet at Sandown Town Hall, 320 Main Street, Sandown, New Hampshire, on Saturday, January 30, 2016 at 8:00 am. This session shall consist of explanation, discussion and debate of warrant articles number 2 through 14. Warrant articles may be amended subject to the following limitations: (a) warrant articles whose wording is prescribed by law shall not be amended and (b) warrant articles that are amended shall be placed on the official ballot for a final vote on the main motion, as amended; and (c) no warrant article shall be amended to eliminate the subject matter of the article.

*Second Session of Annual Meeting (Voting)*

Voting on warrant articles number 1 through 14 and the zoning amendments will be conducted by official ballot to be held on Tuesday, March 8, 2016 at Sandown Town Hall, 320 Main Street, Sandown, New Hampshire. Polls will be open from 8:00 am to 8:00 pm.

**Warrant Article 1.** To choose all necessary Town Officers for the ensuing year (to be voted by ballot March 8, 2016).

**Warrant Article 2.** Shall the Town raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$3,660,530. Should this article be defeated, the default budget shall be \$3,637,137, which is the same as last year, with certain adjustments required by previous action of the Town or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. This operating budget warrant article does not include appropriations contained in ANY other warrant articles.

Estimated tax impact of this warrant article is \$7.18 per thousand.

(Recommended by the Board of Selectmen: 5-0-0)

(Recommended by the Budget Committee: 6-0-0)

**Special Warrant Article 3.** Shall the Town vote to raise and appropriate the sum of Four Hundred Thirty Five Thousand Dollars (\$435,000) to be added to the previously established Road Improvement Capital Reserve Fund.

Estimated tax impact of this warrant article is \$.85 per thousand.

(Recommended by the Board of Selectmen: 5-0-0)

(Recommended by the Budget Committee: 6-0-0)

**Special Warrant Article 4. Shall the Town vote to raise and appropriate the sum of One Hundred Thousand Dollars (\$100,000) to be added to the Bridge Capital Reserve Fund previously established.**

**Estimated tax impact of this warrant article is \$.20 per thousand.**

**Sandown Planning Board  
Zoning Amendments for 2016 Ballot**

**Z-1 Are you in favor of the adoption of an amendment to Article II, Section 18 of the Zoning Ordinance on in-home occupations as proposed by the Planning Board as follows:**

**The proposed amendment revises the definition of in-home occupation; adds a category for visible in-home occupations; requires site plan review by the Planning Board, a public hearing and notification of abutters for visible in-home occupations; and adds limitations on the operation of visible in-home occupations?**

## SUMMARY OF PROPOSED AMENDMENTS TO THE IN-HOME OCCUPATION ORDINANCE

### **Article II Part A General Regulations-All Zones, Section 18 of the Sandown Zoning Ordinance**

#### **WHY REVISE THE EXISTING IN-HOME OCCUPATION ORDINANCE?**

The Sandown Planning Board is proposing amendments to the existing In-Home Occupation ordinance in preparation for a 2016 Warrant Article. **The purpose of the zoning amendments is to allow residents greater opportunity and flexibility to establish a home-based business in town.**

*Note: The proposed amendments are summarized below in the order they appear in the (proposed) zoning ordinance.*

**Section 18.C.1** Revision to clarify the definition of ‘In-Home Occupation’.

**Section 18.D** Minor revision to the Application Procedure and authority for the Building Inspector to consult with Health, Police, and Fire Departments on applications. Notification of abutters by the Building Inspector of approved In-Home Occupation permits (mail copy of permit). Addition of ‘Visible In-Home Occupation’ requiring submission of a Site Plan Review Application to the Planning Board, a public hearing and notification of abutters. Revised provision for revocation or non-renewal of a permit when violations are documented by the Building Inspector. (The section “Voiding of Permit” was incorporated as part of this revision)

**Section E** Minor text revisions and clarification of terms throughout the section.

**Section F.1-15** Addition of new provisions for Visible In-Home Occupations. Along with several requirements that also apply to Invisible In-Home Occupations, a number of additional requirements apply to Visible In-Home Occupations to ensure compatibility with adjacent residential uses and appropriate scale of the in-home use. These additional requirements are listed below with notation of the specific number under proposed Section F.1.

- #3 The in-home occupation shall be carried on by a resident or owner. The property owner must reside at the property where the In-Home Occupation is permitted.
- #4 The in-home occupation shall employ no more than two employees that live outside the home.
- #5 Multiple In-Home Occupations are permitted provided that the cumulative impact on the surrounding neighborhood is no greater than the maximum usage of a single In-Home Occupation.
- #8 One sign of no greater than twelve (12) square feet shall be permitted. The sign may be attached to the dwelling or accessory structure where the in-home occupation takes place or located in the front or side yard of the property. (per Article III. Section 3.C.1)
- #9 The use shall not create additional pedestrian or vehicular traffic beyond that which is typical for residential activities.
- #13 The in-home occupation shall not impact neighboring property and shall provide adequate separation distances to allow for visual and sound buffering from adjacent properties.
- #14 Visible businesses are permitted on property fronting state road and/or Class V road (excluding cul-de-sacs and dead end roads or street).

#15 Other general requirements include:

- Hours of operation limited to 8:00am to 5:00pm Monday through Saturday.
- No on-street parking for business customers.
- No more than 3 customer parking spaces on the property.
- No more than 6 customers at any period during the hours of operation.

**Please direct questions about the proposed In-Home Occupation ordinance revisions to either**

## **PROPOSED AMENDMENTS TO THE IN-HOME OCCUPATION ORDINANCE**

### **Section 18 In-Home Occupation Ordinance**

- A. In-home occupation uses, as defined herein, are permitted in the Residential and Business zones.
- B. Purpose:  
The purpose of this ordinance is to:
1. Ensure the compatibility of in-home occupations with other permitted uses.
  2. Maintain and preserve the character of the residential neighborhood.
  3. Protect residential areas from adverse impacts of activities associated with in-home occupations.
  4. Establish criteria for in-home occupations.
- C. In-home occupation means:
1. Definition: An In-Home Occupation is a professional occupation or business that comprises the production or selling of a product or provision of service(s) carried out from the home. An In-Home Occupation does not include working or telecommuting from home in the conduct of employment outside the home.
  2. An occupation conducted within the dwelling unit or an accessory structure(s) that is clearly a secondary use of the property, does not adversely affect the residential character of the neighborhood, and complies fully with the criteria established for an in-home occupation,
  3. In-home occupations do not include garage sales and yard sales or home parties which are held for the purpose of the sale or distribution of goods or services.
- D. Permit Procedures:

#### **Application:**

Application for an In-Home Occupation permit shall be made to the Building Department on a form provided by the Building Inspector and shall be accompanied by a fee as determined by the Board of Selectmen. The Building Inspector shall have authority to issue In-home Occupation permits and may consult with the Health, Police and Fire Departments on such applications as necessary.

Invisible In-home Occupations complying with the criteria established in Paragraph E shall be considered minor in character and shall receive an in-home occupation permit from the Building Inspector. The Building Inspector will mail a copy of the In-home Occupation permit to abutters.

Visible In-home Occupations (described in Paragraph F) shall submit a Site Plan Review application with the required fees to the Planning Board. The Planning Board will hold a public hearing and give notice to abutters of the application and the hearing. The Planning Board will provide their recommendations on the In-Home Occupation application to the Building Inspector.

Terms of an In-Home Occupation Permit:

In-home occupation permit are reissued annually by the Building Inspector. When documented by the Building Inspector, a violation of a requirement or condition of an In-Home Occupation permit may result in revocation or non-renewal of the permit.

Compliance Inspection:

In-home occupation applicants shall permit a periodic compliance inspection of the premises by the Building Department to determine compliance with this ordinance and building/safety codes.

Renewal:

In-home occupation permits shall be renewed each year provided there has not been any violation. Requests for renewals shall be submitted to the Building Department accompanied by the renewal fee prior to expiration of the permit.

Non-transferable:

In-home occupation permits are intended for use by the current resident/owner or tenants with the owner's permission and shall not be transferred from person to person or address to address.

Voiding of Permit:

The Building Department may void any in-home occupation permit for non-compliance with the criteria set forth.

E. Criteria for Invisible In-home Occupations:

1. The use shall be conducted entirely within the dwelling unit or accessory structures and the total space shall not exceed a maximum of twenty-five percent (25%) of the gross floor area of the dwelling and accessory structure(s).
2. The in-home occupation shall be clearly incidental and secondary to the residential use and shall not change the residential character of the neighborhood.
3. The in-home occupation may be carried on by a resident, owner or tenant with the owner's permission and employ no others.
4. Multiple in-home occupations are permitted provided that the cumulative impact on the surrounding neighborhood is no greater than the maximum usage of a single in-home occupation.
5. No in-home occupation or any storage of goods, materials, products, equipment or supplies connected with the in-home occupation shall be allowed outside.

6. There shall be no display of products visible, in any manner, from the outside of the dwelling unit or accessory structure.
7. There shall be no visible evidence of the conduct of an in-home occupation.
8. No signs or advertising displays shall be permitted.
9. The use shall not create additional pedestrian or vehicular traffic beyond that which is typical for residential activities.
10. No equipment or process shall be used within an in-home occupation which creates noise, vibration, glare, fumes or odor detectable off the property.
11. No equipment or process shall be used which creates visual or audible electrical interference in any communication technology devices off the premises or cause fluctuations in line voltage off the premises.
12. The in-home occupation shall not involve the use of commercial vehicles for delivery of materials to or from the premises, which is not consistent with normal residential activities.

(Added: March 13, 2007)

F. Criteria for Visible In-home Occupations:

A Visible In-home Occupation may be permitted providing the proposed use complies fully with the following criteria and any conditions imposed by the Planning Board or Building Inspector. (Added: March 13, 2007)

1. The use shall be conducted entirely within the dwelling unit or accessory structures and the total space shall not exceed a maximum of twenty-five percent (25%) of the gross floor area of the dwelling and accessory structure(s).
2. The in-home occupation shall be clearly incidental and secondary to the residential use and shall not change the residential character of the neighborhood.
3. The in-home occupation shall be carried on by a resident, owner or tenant with the owner's permission. The property owner must reside at the property where the In-Home Occupation is permitted.
4. The in-home occupation shall employ no more than two employees that live outside the home.
5. Multiple In-Home Occupations are permitted provided that the cumulative impact on the surrounding neighborhood is no greater than the maximum usage of a single In-Home Occupation.
6. No in-home occupation or any storage of goods, materials, products, equipment or supplies connected with the in-home occupation shall be allowed outside.
7. There shall be no display of products visible, in any manner, from the outside of the dwelling unit or accessory structure.
8. One sign of no greater than twelve (12) square feet shall be permitted. The sign may be attached to the dwelling or accessory structure where the in-home occupation takes place or located in the front or side yard of the property. (per Article III. Section 3.C.1)
9. The use shall not create additional pedestrian or vehicular traffic beyond that which is typical for residential activities.
10. No equipment or process shall be used within an in-home occupation which creates noise, vibration, glare, fumes or odor detectable off the property within levels associated with typical residential activities.

11. No equipment or process shall be used which creates visual or audible electrical interference in any communication technology devices off the premises or cause fluctuations in line voltage off the premises.
12. The in-home occupation shall not involve the use of commercial vehicles for delivery of materials to or from the premises, which is not consistent with normal residential activities.
13. The in-home occupation shall not impact neighboring property and shall provide adequate separation distances to allow for visual and sound buffering from adjacent properties.
14. Visible businesses are permitted on property fronting on a state road and/or Class V road (excluding cul-de-sacs and dead end roads or street).
15. Other general requirements include:
  - a. Hours of operation limited to 8:00am to 5:00pm Monday through Saturday.
  - b. No on-street parking for business customers.
  - c. No more than 3 customer parking spaces on the property.
  - d. No more than 6 customers at any period during the hours of operation.

## DEFAULT BUDGET OF THE TOWN

**RSA 40:13, IX (b)** "Default budget" as used in this subdivision means the amount of the same appropriations as contained in the operating budget authorized for the previous year, reduced and increased, as the case may be, by debt service, contracts, and other obligations previously incurred or mandated by law, and reduced by one-time expenditures contained in the operating budget. For the purposes of this paragraph, one-time expenditures shall be appropriations not likely to recur in the succeeding budget, as determined by the governing body, unless the provisions of RSA 40:14-b are adopted, of the local political subdivision.

This form was posted with the warrant on:

### Instructions

1. Use this form to list the default budget calculation in the appropriate columns.
2. Post this form or any amended version with proposed operating budget (MS-636 or MS-737) and the warrant.
3. Per RSA 40:13, XI, (a), the default budget shall be disclosed at the first budget hearing.

# PAVING OF FREMONT ROAD

## **TOWN ADMINISTRATION REPORT**

James Devine, Terry Treanor and Cynthia Bucu were the returning Board members for this year. Jonathan Goldman was elected for a 3 year term and Stephen Brown resigned in January leaving an open seat on the board, to which Thomas Tombarello was appointed until March, 2016.

### **TOWN BUILDING MAINTENANCE PROJECTS**

Our largest and long awaited project of building a new police station took place this year. After years of planning and saving the town and its police officers have a beautiful new building to be proud of. Special thanks to Chief Joseph Gordon for his tireless hours of work and dedication to this project. Thanks as well to the Building Committee: Dean Sotirakopoulos, Gerald LaChance, Robert Bogosh and Paul D'Amore, the designer Dave MacLeod, the construction company Excel Construction Management, LLC, and others including Melissa Gordon, Jason Bouchard, Wayne Britton, Michael Travers, Patricia Kimball, C.O. Michael Evans, Cpl. John Sable, Nathan Albee and Christopher Tammany.

There were minimal repair and maintenance items scheduled for this year including the replacement of some lights at the Library and a new sign on Town Hall. Thank you to David Dupouy for creating this beautiful hand-carved sign. A portion of the roof at Town Hall was replaced this year due to leaking in the town offices. The remaining roof is in the budget with plans to replace in the spring.

### **ROAD IMPROVEMENTS**

The Road Improvement Plan was thankfully funded in 2015. This phase included improving the approach at the intersection of Odell Road and Fremont Road to improve visibility for motorists and the reconstruction of Fremont Road beginning at Odell Road and ending at Sargent Road. The plan also included improvements to a section of Cross Road and a portion of Giordani Lane. The Highway Department is proposing the reconstruction of the remaining portion of Fremont Road from Sargent Road to Main Street in 2016.

Unfortunately, the State of New Hampshire forced the town to close the bridge located on Phillips Road. This bridge was on the State's Red List for a number of years and suffered too much deterioration to remain open. Another bridge Red Listed at this time is Fremont Road Bridge. Scouring in areas under the bridge has been found, most likely as a result of tremendous storms over the last 7-8 years. A warrant article will be placed on the 2016 ballot to appropriate funds to temporarily fix Phillips Road Bridge and repair Fremont Road Bridge.

### **ACCEPTANCE OF TOWN ROADS**

In 2015 the board accepted Twitchells Way and Valerie Way as town roads.

## COMMUNITY

Our largest community matter this year was the passing of Petition Warrant Article #19 which directed the Timberlane Regional School District to conduct a study of the feasibility and suitability of Sandown withdrawing from the school district. After numerous discussions and debates and listening to input from the public at almost every meeting, a majority of the board agreed with the school district's decision that it was not feasible or suitable for Sandown to withdraw from the Timberlane Regional School District. A petition warrant article has been placed on the 2016 ballot to address the matter further.

In January, 2015 there was a powerful snowstorm that generated a record heavy snowfall with hurricane force winds through-out eastern New Hampshire and the Town of Sandown. Necessary action was taken by our Highway Department and first responders. The town later received a FEMA declaration reimbursement in the amount of \$43,461.89 which was 75% of the costs associated with this storm.

We continue to work on reviewing the processes to improve our E911 system. The most important area of this project is renumbering of addresses to meet the recommended standards set by the Bureau of Emergency Communications (E911). We realize this can be an inconvenience to residents but it is for the safety and welfare of everyone in the community. This is a tremendous project that will take a number of years to complete and it is our hope to complete this over the next 5 years.

The board would like to thank all those who volunteer as committee members and various departments and encourage residents to support the community by volunteering. We look forward to proudly representing Sandown in 2016.

Respectfully submitted,

Sandown Board of Selectmen and Town Administrator

## ASSESSOR'S ANNUAL REPORT for 2015

The firm of Municipal Resources, Inc. continues to handle the assessing functions for the Town of Sandown. The primary members of the staff working in Town are Scott Marsh, Michael Pelletier, Jerry Quintal, Shawn Main and Ann Norman-Sydow. The Board requests that if any of the appraisers come to your property, you support the Town's efforts to keep assessments equitable and proper by answering any questions and allowing them to inspect and verify the data of your property.

Municipal Resources personnel are available to meet with taxpayers and if an appointment is desired, the Town's Assessing Office staff can schedule one for you.

The past year saw the assessing office handle 3 individual abatement requests. There were also roughly 305 properties reviewed due to taxpayer inquiries, issued building permits, incomplete status of prior year permits and/or site changes. In addition 576 properties were reviewed as part of Town's quarterly review program. The cyclical review program will be ongoing, with the assessing office visiting a portion of properties each year to verify and/or correct physical descriptions listed in the assessing records. In total the Town's 2015 total assessment increased around \$8,100,000 due to the changes.

A survey of the annual DRA's equalization sales survey has been completed and the Town's overall median assessment ratio as of April 1, 2015 is roughly 88.4%.

# NOTICE

If you own real estate lots that were involuntarily merged by municipal action, you may be able to have those lots restored to their pre-merger status.

Your property may qualify if two or more lots were merged for zoning, assessing, or taxation purposes and the merger occurred:

- During your ownership, without your consent; or
- Prior to your ownership, if no previous owner consented to the merger.

To restore your property to pre-merger status, you must:

- Make a request to the local governing body
- No later than December 31, 2016.

Once restored:

- Your properties will once again become separate lots; however, they must still conform to applicable land use ordinances. Restoration does not cure non-conformity.

*This notice must be:*

- *Posted continuously in a public place from January 1, 2012 until December 31, 2016, and*
- *Published in the 2011 through 2015 Annual Report.*

*Read the full statute at [RSA 674:39-aa Restoration of Involuntarily Merged Lots.](#)*

## BUDGET COMMITTEE ANNUAL REPORT

This year the Budget Committee has made several recommendations on **forty four budgets** and **twelve warrant articles** for the Sandown voters to review at the deliberative session.

Officially, the town's Budget Committee's purpose is "*to assist its voters in the prudent appropriation of public funds*". This is accomplished by reviewing the proposed department budgets along with the backup information provided and asking questions of the department leaders for justification of their requests and estimates. I believe this committee has met this goal to the best of its abilities and hope you will agree.

After the Public Hearing and before Deliberative session, **the Budget Committee's 2016 budget proposal is \$3,660,530 which is a 3.25% increase over the previous year's budget. The proposed budget is \$23,393 higher than the Default budget of \$3,637,137.** Some of the key drivers in the 2016 budget proposal include decreases in budgets for the Government buildings, Health & Human Services, Highway Facility, and Building Inspector accounts. These decreases however, are offset with increases to the Benefits & Executive accounts. A default budget is arrived at by taking the approved budget last year plus or minus any contractual differences, mandatory expenses, and one-time expenditures.

Funding of the operating budget which includes funding the local school district, the Town operation budget, and county taxes is accomplished through taxation of property. Allocation of funds raised through taxation in 2015 were as follows:

- Local School (70%)
- Municipal - Town operating (17% )
- State School (9%)
- County (4%)

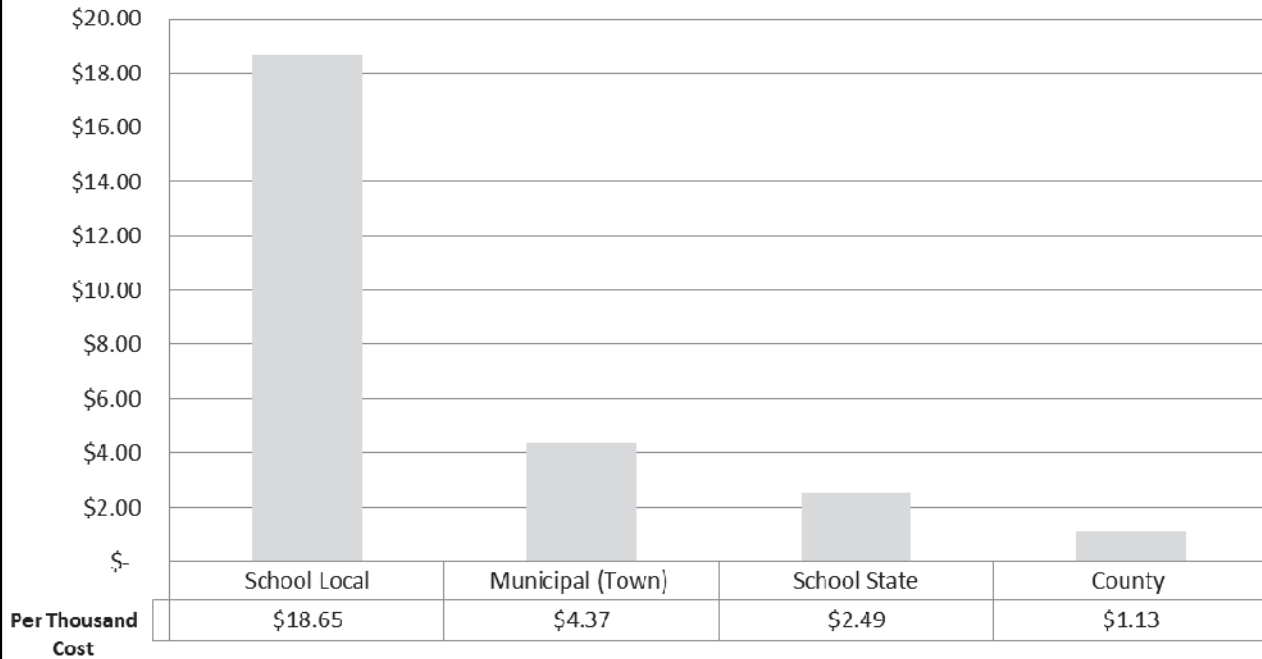

Please see graphs on the next page for more detail and trending.

It takes many people (department heads, Selectman, Budget Committee members, administrative staff and others) working together to arrive at a fiscally responsible budget proposal. Thanks to all of the members of the Budget Committee for volunteering their time, commitment, and professionalism in delivering a fiscally responsible 2016 budget proposal for the residents of Sandown. The Budget Committee would like to thank the Board of Selectmen and Department leaders for working with us on their budgets and providing the information necessary to make informed decisions. We also extend a very special thank you to the Town Hall office staff (Lynne Blaisdell, Paula Gulla, and Cheryl Eastman) and Sue Reynolds our Recording Secretary for their support throughout the budget season.

Respectfully submitted,

This year building permit totals were down from previous years slightly. The permits started off very slowly due to the severe winter and did not start coming in until April. The significant drop as can be seen is in the number of permits in single family homes totaling only 8 for the year.

As always, I would like to thank the other inspectors for their time and effort and a big thank you to the staff at the Town Hall for their help.

## CONSERVATION COMMISSION REPORT

This year proved to be another successful year for the Sandown Conservation Commission. The commission welcomed Tom Sands, Terry Knuuttenen and Sophie Dykeman as new members.

The Board reviewed a Conditional Use Permit application for a development on Wells Village Road and took a site visit with the Planning Board. With input from the board and the town's Environmental Consultant, the board was able to work with the applicant and give a favorable recommendation to the Planning Board for the project.

The Annual Fishing Derby was a great event, as usual. There were over 90 participants with 98 fish caught. Brianna Butler did an excellent job planning and running the event. A special thank you goes to Sal Genuardo for allowing the Commission to utilize his pond for the event.

The Commission sponsored the Community Garden again this year. Having the new well pump which was installed last year was a great asset to the gardeners. The garden is open from Memorial Day through mid-October. It is an organic garden. If you are interested in having a plot, contact the Conservation Commission in early May to reserve your spot.

The board had a booth at this year's Old Home Day event. Members were able to hand out maps of conservation properties and encourage the community to take advantage of the natural resources available to them. You can enjoy hiking, biking, hunting, fishing, geocaching, and even view stone structures that have been discovered throughout the town forests and are being investigated to determine their age and origin. There are green signs posted at most of the entry points to your conservation properties. The public is welcome and encouraged to enjoy these open spaces. A new walking trail is currently under construction in the new town forest off of Odell Rd. This one mile trail is being built by Sandown Boy Scout Troop 268 Eagle Scout candidate Craig Beucler and is expected to be open by the fall of 2016. A map and listing of conserved properties can be found at: [www.sandown.us/Pages/Sandownnh\\_Bcomm/Conservation/townownedland](http://www.sandown.us/Pages/Sandownnh_Bcomm/Conservation/townownedland).

Bruce Gilday, the town's Environmental Consultant started working with the board in January. Mr. Gilday is a Certified Wetland and Soil Scientist from Concord. Mr. Gilday has proven to be an excellent asset and resource for the town. He has helped the board stay apprised of changes on the state level. He has also been a valuable resource for residents with questions or concerns about their property and how to navigate the process of applying for a state wetlands permit.

The Conservation Commission continues to exist and do meaningful work because of the community support it receives. If you are interested in getting involved with the preservation of Sandown's natural resources, contact us at [acairns@sandown.us](mailto:acairns@sandown.us). You can find us on Facebook at *Sandown Conservation Commission*.

# **FIRE DEPARTMENT**

TOWN OF SANDOWN  
PO BOX 1756, SANDOWN, N.H. 03873

The Sandown Fire Department would like to report that during the past year the number of calls has remained about 500. Thankfully the number of house fires has gone down. Please have your chimneys cleaned at least once a year and make sure your address is visible from the road. Smoke detector batteries should be changed every 6 months, smoke detectors have a life span of only 10 years. Carbon monoxide detectors only have a life span of approximately 5 years. If yours are older they should be changed.

This year the Sandown Fire Department has acquired the other half of our building due to the new police station being completed. We are extremely happy having some more space. We now can have some privacy for doing medical reports and having officer meeting's. We no longer will have to use one office for all operations and also for dispatching.

Three years ago we started a capital reserve for the purchase of a new truck to replace our 29 year old front line attack truck and 21 year old ambulance. This past year our engine had a small fire in the pump compartment. The fire was extinguished quickly and the problem was repaired by our members. Our Ambulance caught on fire on September 11 of this year and did significant damage to the vehicle. We have adjusted our fleet insurance to cover full replacement in case something tragic like this ever occurs to one of our vehicles.

This year we hired a grant writer that specializes in Fire Department Grants. She has helped us write Federal a grant and it has been submitted. If awarded, this grant will greatly reduce the cost of a new replacement engine.

The more than forty members, both Firefighters and EMT's taking time away from their families and donating their time to the Volunteer Fire Department is a great asset to this town and is something we are very proud of. Lastly, the Police Department were unable to play the annual softball game so, WE WON BY DEFAULT.

Thank you for all your help and support.

## REPORT OF FOREST FIRE WARDEN AND STATE FOREST RANGER

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands, work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning, unless the ground is completely covered with snow. The ability to obtain fire permits on line was initiated in 2015. Approximately 120 towns participated in the online system with over 4,000 permits issued. To obtain a permit on line visit [www.NHfirepermit.com](http://www.NHfirepermit.com). The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 603-271-3503 or [www.des.nh.gov](http://www.des.nh.gov) for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at [www.nhdf.org](http://www.nhdf.org).

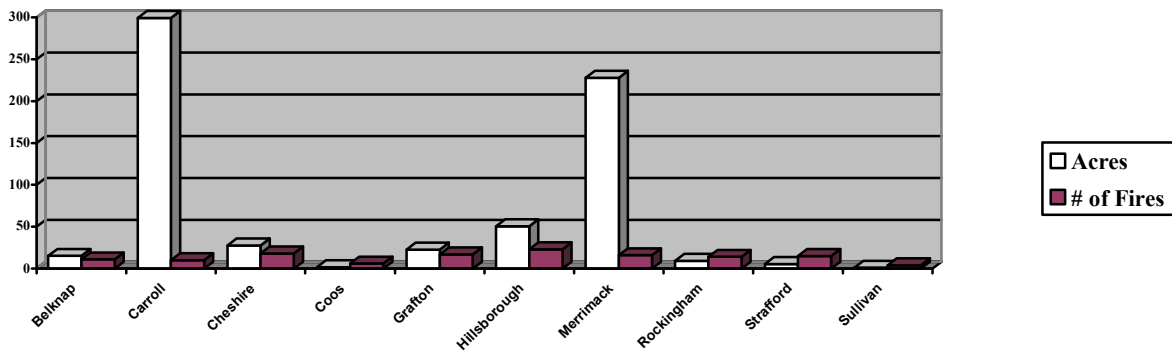

This past fire season burned **661 acres** which was the most recorded since 1989 when 629 acres burned. The fire season began in early April with the first reported fire occurring on April 8th. The largest fire was the 275 acre Bayle Mountain fire in Ossipee. This fire started on May 5<sup>th</sup> and burned for several days. The Bayle Mt. fire was also the largest individual fire in NH in over 25 years. There were also a number of other sizable fires in May which definitely kept NH's wildland firefighting resources stretched to the limit. These larger fires increased the average wildland fire size to 5.12 acres. As usual our higher fire danger days correlated well with the days that there were fires actually reported. The statewide system of 16 fire lookout towers continues to operate on Class III or higher fire danger days. Our fire lookouts are credited with keeping most fires small and saving several structures due to their quick and accurate spotting capabilities. The towers fire spotting capability was supplemented by the NH Civil Air Patrol when the fire danger was especially high. Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Several of the fires during the 2015 season threatened structures, and a few structures were burned, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at [www.firewise.org](http://www.firewise.org). Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe!

# Annual Report of the Southeastern New Hampshire Hazardous Materials District

**Bruce Breton**  
Selectman, Windham  
Chairman, Board of Directors

**Chief Thomas McPherson, Jr.**  
Windham Fire Department  
Chairman, Operations Committee

## **About the District:**

The Southeastern New Hampshire Hazardous Materials Mutual Aid District's membership is comprised of 14 communities, covering approximately 350 square miles with a population of over 175,000 people. The District was formed in 1993 to develop a regional approach for dealing with the increasing amounts of hazardous materials being used and transported within these communities. This District is recognized by the State of New Hampshire as the Regional Emergency Planning Committee (REPC) for the member communities. The REPC, consisting of representatives from local government, industry, and the general public, works with industry to insure their compliance with federal regulations for the reporting of chemicals used within and traveling through the District.

The District draws its funding from an annual assessment from each community as well as from grants and donations. The 2015 operating budget for the District was \$116,151.00. Additionally, in 2015 the District applied for and received federal grants for equipment, training, and operational expenses totaling \$75,662.04. The Fire Chiefs from each of the member communities' make-up the Operations Committee of the District. The Operations Committee is overseen by a Board of Directors consisting of elected representatives from each community. It is the Board of Directors who approves the budget and any changes to the bylaws of the District. The Executive Board of the Operations Committee, which consists of the Chairman, Vice-Chairman, Treasurer, Technician Team Liaison, and one Member at Large, manages the operations of the District within the approved budget. The District employs a part-time REPC Director to manage the administrative functions of the District, including grants management, financial management, and emergency planning.

## **District Facility**

The District maintains a facility in Windham that provides space to house two response trucks, technician trailer, and operations trailer, as well as provide office and meeting space for the REPC Director. In addition, the District is able to utilize the facility for monthly training for the Emergency Response Team.

## **The Emergency Response Team:**

The District operates a Technical Emergency Response Team. This Response Team is overseen by one of the member community's Chief Fire Officer who serves in the Technical Team Liaison position. The Team maintains a three level readiness response posture to permit it to immediately deploy an appropriate response to a District community's request for help involving an unplanned release of potentially dangerous chemicals within their jurisdiction. While the Team primarily prepares for response to unplanned accidental chemical releases it is also equipped and trained to deal with a variety of Weapons of Mass Destruction (WMD) scenarios. The team maintains a host of specialized response equipment to deal with chemical and environmental emergencies.

The Emergency Response Team is made up of 31 members drawn from the ranks of the fire departments within the District. The Team consists of 6 Technician Team Leaders, 17 Hazardous Materials Technicians, 3 Communication Specialists, 1 Information Technology Specialist and 2 Support Specialists. In addition to these personnel, the team also includes an industrial chemist from a local industry and a local police officer.

The Team maintains a fleet of vehicles and specialized equipment with a value of approximately \$1,000,000. The vehicles consist of a Mobile Command Support Unit, two Response Trucks, three Spill Trailers, a Technician Trailer, an Operations/Spill Trailer and a Firefighting Foam Trailer.

This mobile apparatus carries the team's equipment which includes chemical detection and identification instruments, containment supplies, plugging, patching and intervention supplies, communication equipment, computer based and other chemical reference guides as well as chemical protective equipment. The two Response Trucks along with the Technician and Operations Trailers are housed in our Windham facility, while spill trailers are located in Derry, Hooksett and Plaistow, allowing for rapid deployment. The Command Support Unit is housed at Londonderry Fire and the Foam Trailer is housed by Salem Fire. Activation of the team is made by the request of the local Incident Commander through the Derry Fire Department Dispatch Center.

## **Response Team Training**

In 2015 the Emergency Response Team completed 1020 hours of training consisting of monthly training drills and specialized classes attended by team members. These specialized classes included Computer Aided Management of Emergency Operations (CAMEO), Chemical Protective Clothing Testing and Maintenance, Emergency Incident Rehabilitation, and Advanced Air Monitoring.

The Team also provided 33 hours of instruction to member fire departments, in various subjects, including use of the Emergency Response Guidebook, basic spill control and containment, air monitoring and response to suspicious/unknown packages or substances.

## **Emergency Responses**

In 2015 the Team responded to 23 incidents. These included, an ammonia gas leak, assisting local fire departments with advanced air monitoring, spill trailer responses for hydrocarbon fuel spills, assisting the local police departments with identifying unknown substances, as well as requests for technical assistance for member departments where a Response Team Leader provided consultation to the fire department on the handling of an incident. In December the Team also responded mutual aid with specialized detection equipment to assist the Keene Fire Department with a large propane gas emergency.

## HEALTH DEPARTMENT

### “Water, water, everywhere but is it safe to drink?”

As evidenced by several toxic water supplies in the country this year, ensuring your water supply is safe should be a No. 1 Priority. This is especially important if you change your well pump or have any well maintenance completed. The State of NH Department of Environmental Services has recommendations for Water Quality Testing of Private wells. Bacteria and Nitrate testing are recommended yearly. You can go online and link to:

[http://des.nh.gov/organization/divisions/water/dwgb/well\\_testing/](http://des.nh.gov/organization/divisions/water/dwgb/well_testing/). Free water test kits can be picked up at Town Hall and can be brought to a state approved laboratory for minimal cost of analysis.

Water quality should be of utmost concern to owners of private wells. Some contaminants have been linked to cancer and toxicity which is harmful to people. Only testing can determine their presence. The NH Environmental Services has a booklet available to the public entitled: “Protect Your Family – Test Your Well’s Water Quality Today” and is available at [www.des.nh.gov](http://www.des.nh.gov) or by calling (603)271-2513. Some information from their brochure:

“Well water originates as rain and snow that then filters into the ground. As it soaks through the soil and rock, the water can dissolve materials that are present or in the ground, becoming contaminated. Some contaminants are naturally occurring from rocks and soils and commonly occur in well water at unsafe levels. These include bacteria, radon, arsenic, uranium and other minerals. DES estimates that 20 percent of private wells in New Hampshire have more arsenic than is allowed in public water systems.”

“Even typically residential activities, such as the use of fertilizers and pesticides, fueling of lawn equipment and disposal of household chemicals can contaminate the ground when done improperly.”

January was Radon Action Month in New Hampshire. If you are building a home, ask about radon -resistant building construction. Existing homes can be testing for radon easily and inexpensively. If the level is too high in your home, there are ways to fix the problem such as increasing under-floor ventilation and sealing cracks and gaps in the floor.

Another major issue affecting our town and the entire State of New Hampshire is drug addiction. In 2015, over 399 people in New Hampshire died as a result of drug overdoses. This crisis includes heroin, street fentanyl, other illicit opioids and misuse of prescription drugs. The State created the Anyone, Anytime, Campaign to educate New Hampshire residents about opioid addiction. If someone is in crisis in your family, contact the nearest Emergency Room at a local hospital.

THE NH Division of Public Health Services reminds residents to continually monitor your septic system. Improper maintenance and operation includes failure to pump out the system regularly or the placing of materials in the system that are inappropriate for the septic system, such as household chemicals.

From NH Public Health Services: Protection against West Nile Virus and EEE: Detailed information about communicable diseases are available on our town website [www.sandown.us](http://www.sandown.us) on the Health Department page.

## **TOWN OF SANDOWN MOSQUITO CONTROL**

The epic winter of 2014-2015 lingered well into April. Snow and cold temperatures delayed the much anticipated arrival of spring weather. While winter weather may delay the start of mosquito season by a week or two, the adult mosquito emergence will catch up once the warmer temperatures arrive. In 2015, the first adult mosquitoes hatched by mid-May. The dry summer had a negative impact on anything that needed water for survival including mosquitoes. Low mosquito numbers meant fewer samples were sent to the State Lab in Concord for disease testing. Overall, the mosquito population was down from previous years.

Mosquitoes tested positive for West Nile Virus (WNV) in East Kingston, Manchester and Keene. A raven in Holderness has tested positive for WNV. One batch of mosquitoes caught in Newton and one batch in Candia tested positive for Eastern Equine Encephalitis (EEE) this season. No human cases were reported in NH. Maine reported one human death from EEE in 2015. Massachusetts had nine human cases of WNV with two deaths and no human cases of EEE. Nationwide, drought stricken states had little to no EEE activity in 2015. Dry conditions favor WNV. There were over 1900 human cases of WNV across the country in 2015.

Adult mosquitoes were monitored at four locations throughout town. Nearly 2500 mosquitoes were collected in light traps, identified to species, and select species were sent to the State Lab in Concord where they are tested for diseases. None of the mosquitoes collected in Sandown tested positive for disease in 2015. Dragon has identified 168 larval mosquito habitats in the Town of Sandown. Crews checked larval habitats 366 times throughout the season. There were 83 sites treated to eliminate mosquito larvae. In addition, 429 catch basin treatments were made to combat disease carrying mosquitoes. Spraying to control adult mosquitoes was not conducted last season.

The proposed 2016 Mosquito Control plan for Sandown includes trapping mosquitoes for disease testing, sampling wetlands for larval mosquito activity, larviciding where mosquito larvae are found, efficacy monitoring, and emergency spraying when a public health threat exists. The control program begins in April when mosquito larvae are found in stagnant water such as red maple and cedar swamps, ditches, and woodland pools. Trapping adult mosquitoes begins in July. The mosquito control program ends in October when temperatures drop and daylight diminishes.

Homeowners can reduce the number of mosquitoes in their yard by emptying any outdoor containers that hold standing water such as buckets, trash barrels, and boats. Tires collect enough water for mosquitoes to survive. It is also a good idea to change the water in bird baths every two or three days.

Residents who do not want their wetlands treated may use our No-Spray Registry online at [www.DragonMosquito.com/No-Spray-Registry](http://www.DragonMosquito.com/No-Spray-Registry) or write to Dragon Mosquito Control, P.O. Box 46, Stratham, NH 03885. Be sure to include your name, physical address, phone number, and a description of your property with boundaries. Otherwise, your property may be treated. Anyone who submitted a request in 2015 may contact the office to reaffirm your request. Inquiries may be emailed to [info@dragonmosquito.com](mailto:info@dragonmosquito.com) or call the office at 734-4144. You may call or email our office for assistance regarding mosquitoes, insecticides or questions about EEE or WNV. Check out our web site: [www.dragonmosquito.com](http://www.dragonmosquito.com) where you can request a larval survey, sign up for email alerts or follow us on Twitter.

The Sandown Highway Department had a very busy year especially due to the extremely snowy and crazy winter we had in 2015. Last winter resulted in a lot of damage to roads in town and the Department did our best to patch the roads to at least make them passable.

The Department spent a good deal of time on tree and brush cutting this year and we also completed the next phase of the Road Improvement Plan thanks to voter approval. We were able to reconstruct the approach of Odell Road to the Fremont Road intersection, reconstruct another section (approximately 3,300 linear feet) of Fremont Road to the Sargent Road intersection and pave approximately 540 linear feet of Cross Road and approximately 510 linear feet of Giordani Lane.

We were forced to close the Phillips Road bridge per orders of the NH Department of Transportation since the bridge was 'red listed' and ultimately deemed unsafe for travel.

On a positive note, we are happy to welcome Greg Surels to our team as our Building and Grounds Maintenance person.

We have a full schedule for 2016 road work and we hope to make that happen again with voter approval. Please help us make that happen.

## SANDOWN PUBLIC LIBRARY

---

305 Main Street • P.O. Box 580 • Sandown, N.H. 03873 • 887-3428

The Library was busy this year, as always. More than 37,000 visits were made to the library in 2015, with 58,051 items checked out, including 4611 items downloaded via our membership to the New Hampshire Downloadable Books (NHDB) consortium –more than 600 more than last year! We issued 209 new library cards to Sandown residents this year!

Spring saw the advent of downloadable magazines, in addition to the downloadable e-books and audiobooks already available to our library card holders via NHDB. These are hugely convenient, and all you need is your library card! There are 63 magazine titles currently available this way. Check them out here: [nh.lib.overdrive.com](http://nh.lib.overdrive.com).

We also began circulating Launchpads, preloaded subject- and age-specific tablets for children. The response from kids and parents was amazing. Since their debut mid-summer, our twelve Launchpads have been checked out 75 times!

I mentioned this last year, but the response was so great that I'm going to mention it again. For those interested in learning what we are adding to our collection as we add it, we are continuing our newsletter subscription service. Go to <http://www.wowbrary.org/nu.aspx?p=10251> to sign up for weekly updates on upcoming programs and additions to our collection. Note, too, at the top right of the newsletter, a link to Amazon. If you're going to be shopping there anyways, clicking through that link can earn the library credit toward next year's newsletter subscription. In 2015, we earned enough that our 2016 subscription is free!

Former Program Coordinator Judy LaPorte, Youth Services Librarian Jennifer Bryant, and Public Relations and Program Coordinator Tricia Thomas worked hard to offer many activities and programs throughout the year to encourage residents to use the library. The library hosted 433 events including 275 programs for children and teens, 125 for adults, and 33 for all ages. More than 3000 people participated in our programs during the year. The theme for the 2015 Summer Reading Program was "Every Hero Has a Story." We celebrated everyday heroes as well as superheroes.

We gained a new Public Relations and Program Coordinator this year: Tricia Thomas! She replaced Judy LaPorte, who left us to teach full-time. Best of luck to Judy! You may recognize Tricia's name already, as she is also our Early Childhood Literacy Teacher. She hit the ground running with new ideas for adult programming, and has been working closely with Jen Bryant to coordinate children, teen, and all-ages programming. We now have four story times: Tales for Tots and the Grandparents' Guild (for toddlers and their grandparents) on Tuesday mornings, and Preschool Story Hours on both Wednesday and Thursday mornings.

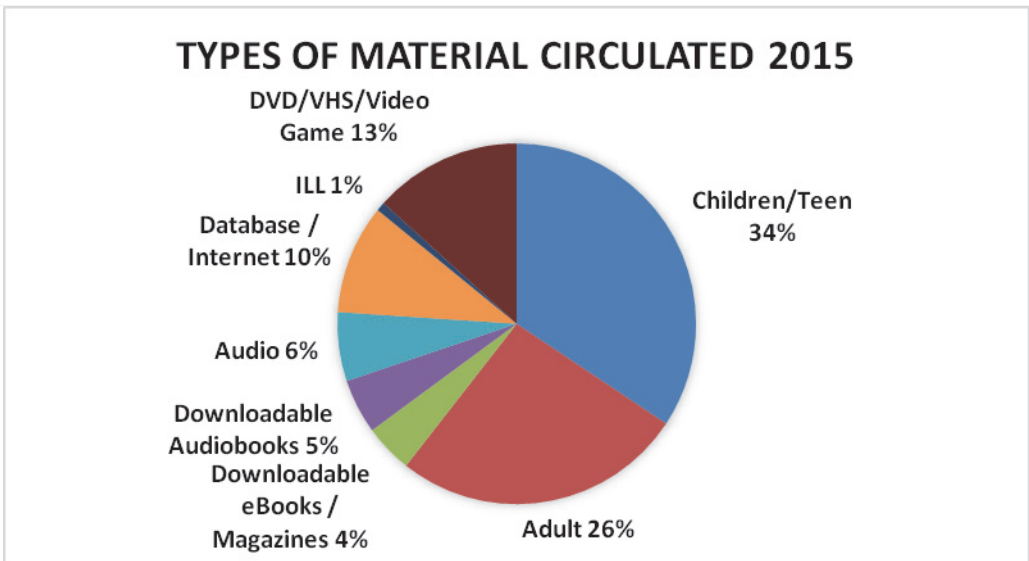

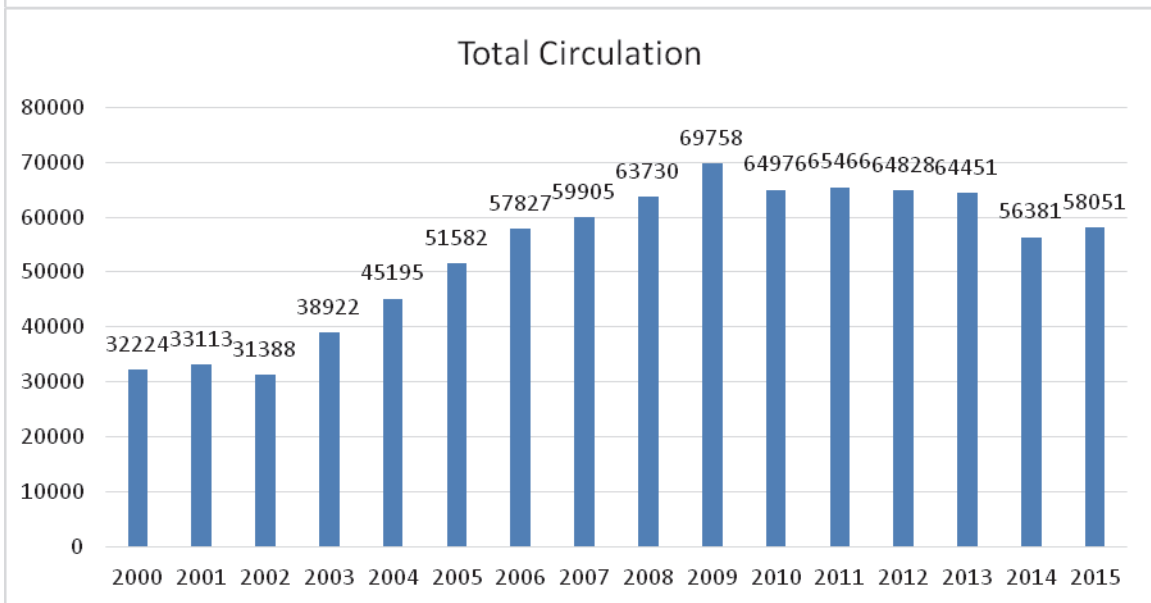

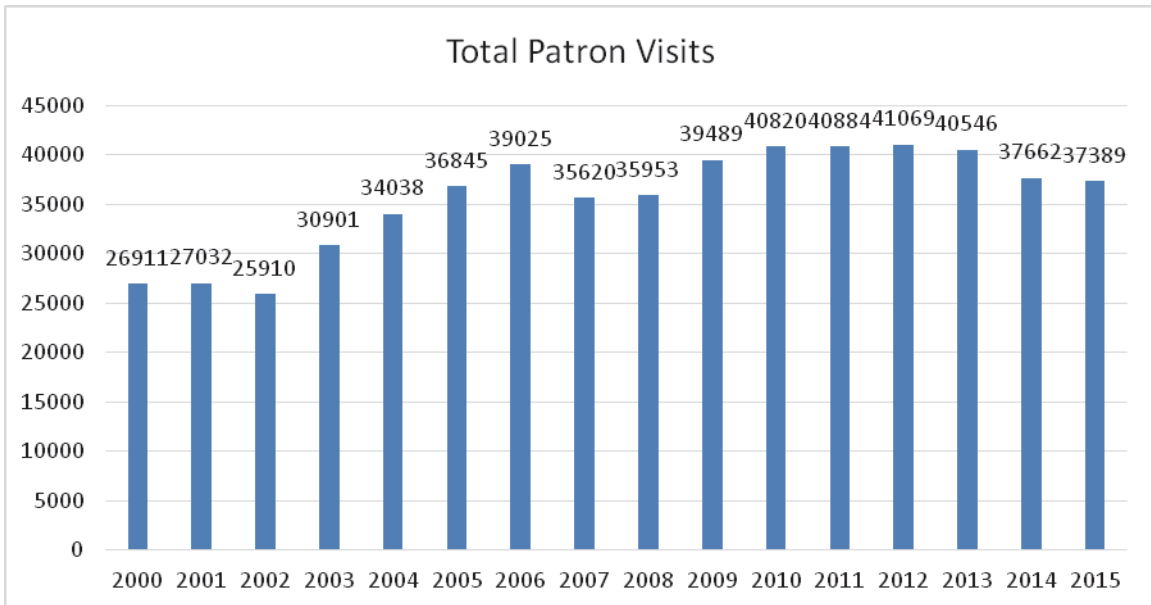

The Friends of the Sandown Public Library continue to fundraise and support library activities above and beyond the operating budget. We are grateful! They give of their time with enthusiasm as they manage the Book Sale room and plan and host fundraising events throughout the year. The Friends support our summer reading program and supplement our audiobook collection. Thanks to the Friends, the library is able to offer our most popular but very expensive museum passes including the New England Aquarium, Boston Science Museum, and Imajine That.

Museum passes are available to our patrons so that they may visit for free or discounted admission. In 2015, our museum passes were used 348 times, which translates to a savings of more than \$3,000 for Sandown Public Library patrons! Thank you to the Friends of the Sandown Public Library for supporting this program. We still have a reciprocal museum pass borrowing policy with our two fellow libraries in the Southern New Hampshire Library Cooperative: Plaistow Public Library and the Kimball Library, in Atkinson. If museum passes are not reserved for a given day, on the morning of desired use, library patrons from the other two libraries may check one out from us, so our passes are not going spare when someone in our Cooperative can use them, and vice versa.

Thank you to everyone who visited the library in 2015 either online (look for our staff book reviews on our virtual bookshelf and our many other online resources: [www.sandownlibrary.us](http://www.sandownlibrary.us)) or in the building. On behalf of the Trustees and Staff, we look forward to seeing all of you in 2016.

## SANDOWN PLANNING BOARD

The Planning Board had a productive year in 2015. The board was led by Chairman Ernest Brown, Vice Chairman, Matthew Russell and Secretary Ed Mencis.

The Board saw a steady number of applications this year and their actions included:

- Conditionally approved a major subdivision application submitted by Autumn Hills Development for property located on Odell Road. The application was to amend a previous approval for a 24-unit elderly housing community into a 16-unit residential open space development.
- Conditionally approved a major subdivision application submitted by the Kasher Corporation for the property located on Wells Village Road. The application was to amend a previous approval for a 26-unit elderly housing development into a 25-lot open space development. In addition, the board approved a Conditional Use Permit for this project to permit the substitution of a standard 48-inch culvert in place of the originally approved concrete bridge structure.
- Conditionally approved an application for a minor subdivision submitted by Premiere Realty Trust and Edmund and Sheila Genest Jr. for the property located on Tenney Road. The proposal was to consolidate three lots and then subdivide the consolidated lot into two single family building lots with frontage on Tenney Road, eliminating the need to construct Maria Lane.

The town received a matching grant of \$4,000 to work with Rockingham Planning Commission (RPC) to look at options to expand the town's in-home occupation ordinance and business zone and implement pollution tracking strategies and methods to meet EPA MS4 permit requirements.

The Planning Board worked collaboratively with RPC for over six months to draft a potential in-home occupation amendment. The purpose of the proposed zoning amendment is to allow residents greater opportunity and flexibility to establish a home-based business in town. The amendment creates two categories of in-home occupations. The first being "invisible" businesses. This provision requires a permit by the Building Inspector and will include notification of abutters. It does not allow for any customers, signage, or employees that live outside the home. The second category is "visible" businesses. These businesses require a site plan review by the Planning Board and a public hearing and notification of abutters. Visible businesses are only permitted on property fronting a state road and/or Class V road (excluding cul-de-sacs and dead end roads or streets); they can employ no more than two employees that live outside the home; and have no more than 6 customers at any period during the hours of operation. The board determined this criteria to be a reasonable balance between the appropriate scale of the in-home business use while ensuring compatibility with adjacent residential uses.

Each year, Sandown is required to submit a NPDES Small MS4 General Permit Report to the Environmental Protection Agency. The NPDES permit program addresses water pollution by regulating point sources that discharge pollutants to public waters. Sandown is required to submit this report because of its proximity to the Exeter River. Starting in 2015 the requirements for this permit are going to expand and Sandown is going to need to take measurable action in several areas. As part of the grant through RPC, an MS4 workgroup was created to work with Julie LaBranche from RPC. The workgroup met monthly for six months to discuss new permit

requirements, identify practices that Sandown currently implements to meet the existing permit requirements, and what will be necessary to meet new permit requirements over the next several years. There are seven major components of the permit that the town will need to address. They include: stormwater management; water quality; data collection and tracking; operation and maintenance of municipal systems and facilities; stormwater pollution prevention plans; illicit discharge detection and elimination; and public education and outreach. The town is fortunate to have access to the resources and knowledge that the Rockingham Planning Commission offers.

Volunteers are always welcome and there are several opportunities within the Board to serve your community. We look forward to a productive 2016.

**2015 Town Report**

This was an AMAZING year for the Sandown Police Department. After years of planning, designing and hard work our dream became a reality, we took residency of our new police station.

We are so proud of how the building came together, how it looks, just everything about it. First and foremost I want to extend a sincere thank you to all who made this building possible.

**Special Thanks to:**

Melissa Gordon, Jason Bouchard, Wayne Britton, Patricia Kimball, Correction Officer Michael Evans, Detective/Corporal John Sable, Nathan Albee and Christopher Tammany.

Our transition went well overall, with a few issues and lots of hands- on work moving everything from the old station to the new.

Cpl. John Sable, through his talents and expertise, was responsible for installing our security and camera system. He also transferred our computer server and all our computers. We have holding cells and juvenile detention areas separate from adults, finally making us compliant with State Law. Easy access to years of records, interview rooms for investigations that are video and audio recorded, again, make us compliant with the Rockingham County Attorney's Office.

Simple things such as, better lighting, air quality, space for officers to work on their reports and investigations without being crowded and on top of each other, general housekeeping and organized record-keeping has improved 100 percent. Supervisors have their own offices, making what they specialize in more organized, efficient and giving them privacy.

At our old station when investigating sensitive crimes against individuals there was no privacy or quiet place to speak to these victims, now that is possible.

We have an area specifically designed for training purposes with room to invite other departments that have hosted trainings in the past for our officers and we now can return the invitation. We now have separate locker rooms for men and women, previously we had one restroom for everyone.

In short, all the worrisome and liability issues regarding officer safety, public safety, health concerns and potential state law violations have been eliminated by this new station. The open house on Old Home Day went very well, many residents came for a tour and all were very impressed.

Explorer Advisors, Officers Richard Buco and Cole Dresser, experienced another successful year with our Explorer Program. They were proud to announce that, one of our Cadets, Dakota "Cody" Sears, received an award from The Daniel Webster Council and was recognized by the State of New Hampshire as 2015 Rookie Explorer of the Year.

Sgt. Roy, along with the 5<sup>th</sup> grade teachers, Ms. Magee, Mrs. Bruce, Mrs. Riley and Mr. Stone celebrated their last DARE classes to be held at Sandown Central School. For over a decade, hundreds of 5<sup>th</sup> graders participated in the Program there. The DARE Program will continue for 5<sup>th</sup> graders at the Sandown North School starting in 2016.

Our department has also worked very closely with the Southern Rockingham County Coalition for Healthy Youth and the Community Prevention Collaborative of the Greater Derry Public Health Network regarding the Heroin Epidemic. Efforts included participation in Drug Forums, Education and Reaching out to Governor Maggie Hassan and the State Legislature on ways to combat the issue.

I want to thank all my officers for their dedication to our department and their careers in law enforcement. They have all settled in very nicely into our new home, which pleases me greatly.

Joseph Gordon  
Chief of Police

## **RECREATION COMMISSION**

### **Parks and Recreation Department**

The Recreation Commission, in accordance with RSA Chapter 35-B: Public Recreation and Parks, oversees the Parks and Recreation Department which maintains town owned recreational facilities and offers recreational activities for all ages. Facilities encompass approximately 20 acres including baseball and softball fields; a public beach; basketball court; and a year-round recreation building that sits on approximately 8 acres and includes a 3-acre multi-purpose playing field and playground.

In 2015 the Recreation Commission accepted with regret, the retirement of long-time member Hans Nicolaisen who served as a member for more than 10 years and as chairman for many of those years. His commitment to the people of Sandown and the recreational needs of the town were always evident and his willingness to donate his time and skills in many areas commendable. The Commission thanks him for his years of service and commitment. A vacancy exists on the Commission.

Programming and facility use continue to grow as the department strives to meet the needs of the community. During 2015 the department worked with Timberlane Youth Soccer League (TYSL) on field improvements at the Ed Garvey Facility and greatly appreciates the \$8,000 the league put into those improvements. The Sandown Baseball and Softball Association (SBSA) continued to work towards improving facilities at the Roy L. Miller Field by knocking down the old dugouts on the "A" Field and starting the process of rebuilding them. The town benefits tremendously when groups work together for the betterment of our town facilities and their efforts and financial contributions are applauded.

Perhaps the most exciting facility news from 2015 is a plan that is currently underway to bring a Babe Ruth size baseball field back to Sandown. A Babe Ruth size field is one for players ages 13 and older that has longer base paths and pitching mound distances than that of a Little League size field. The last time a field of this size was available to play on in Sandown was more than 20 years ago. The elevation on that former field, located at the Roy L. Miller Facility, is some 6 ft between the batter's box and the outfield. Various past plans to 'fix' the issue have proved too costly to undertake and the field was renovated by volunteers, for younger players to utilize. The Recreation Commission is currently working on a plan, together with SBSA and TYSL, which will incorporate a Babe Ruth Field at the Ed Garvey Facility. Existing infrastructure and field maintenance already in place would be utilized to make this happen with minimally increased maintenance costs. Plans are underway to do private fund raising aimed at covering the bulk of the project. Approximately \$18,000.00 has previously been raised. Updates will be forthcoming as this exciting project moves forward to completion, hopefully within the next 3-5 years.

The Old Home Day Committee moved the annual Old Home Day weekend long events to the Ed Garvey facility for the first time and received a lot of positive feedback from folks who enjoyed the change in venue. Recreational programming continues to grow with more children and adults than ever utilizing activities offered to them through the recreation department. The Commission, through the efforts of the Summer Program, was able to provide the Food Pantry with more than \$1,000.00 in cash and food donations; and also participated in the Rockingham

County Senior Santa Program, providing clothing and gifts for seniors in need within our community, with proceeds from the annual Town Wide Yard Sale.

The Commission thanks the Board of Selectmen for recognizing the increase in facility use and programming and the need for adding additional hours to the recreation director position. That board voted to make the position of recreation director full time beginning December 1, 2015. Hours for that position had not seen an increase in more than 12 years although programming, participant use and facility use had greatly increased, in some instances by more than 300 percent. In 2015 the recreation department was able to return revenue of \$55,475.72 to the Town of Sandown to help offset expenditures.

Respectfully submitted,

*Debra Brown*

## **SANDOWN SENIOR AFFAIRS TRANSPORTATION PROGRAM (SSATP)**

The department was formed to create a group of volunteers available for Sandown Residents who may need transportation. The mission of the organization is to provide transportation service and support through a volunteer network to the elderly, disabled, chronically or temporarily ill residents of the Town of Sandown.

We provide safe, friendly, FREE OF CHARGE rides to residents aged 55 years and older who otherwise would be unable to readily get to their necessary appointments, primarily those who do not drive.

The services that our volunteers provide include transportation to and from Doctor and Dentist appointments, medical treatment such as Dialysis, trips to the pharmacy, library, nursing homes, grocery shopping and visits to the Food Pantry.

We help elderly and disabled community members maintain their independence in their homes and the Community by providing rides. FREE OF CHARGE

The transportation is available Monday through Friday 8:00 AM and 3:00 PM by contacting the Sandown Police Department at (603) 887-0216.

All transportation information given to SSATP is strictly confidential.

Our volunteer drivers have a background check and driving history performed by Sandown Police Department and the N.H. Department of Safety prior to starting.

Destinations for transportation are as follows: Sandown, Plaistow, Haverhill, Greater Lawrence, Greater Derry, Manchester and Exeter. We will try to accommodate other areas not listed, but any location request outside the above listed destinations will be at the discretion of the volunteer drivers.

In 2015 volunteers provided 340 transports, driving 15,083 miles.

If you are interested in signing up for the program or need further information: Contact a member of SSATP at:

I would like to take this opportunity to again thank the Sandown residents for working hard at recycling during 2015. Even though the market plunged and the town didn't receive as much revenue as in previous years, we are still not paying for it in our bulky trash.

In the next year or two, I would image and hope we will see the market rise and revenue again increase. I will be implementing several new recycling programs in 2016.

Thank you again for all your hard work – it does make a difference!  
Please check out the separate reports that follow showing our recycling totals.

As usual, I want to thank my staff as well for their efforts and good work all year.
