

DEERING

2008

Annual Reports

A Special Dedication

The first time that I met Cee Safford was during the late 1940's or early 1950's while I was picking blueberries in our pasture on the North Road. I heard a loud scream and a call for help, I came upon Cee and her mother picking berries and surrounded by at least 15 Black Angus cows. I told her to yell at them to go home and they did. They were picking enough berries to make 20 pies for their church fair. This is a perfect example of the dedication that Cee demonstrated in being a good community citizen and being there to help during her vacation time.

Her dedication to the local community was under the radar. She did not seek nor needed recognition for the many good deeds that she displayed to any and all. She often said that she preferred to work behind the scenes to help and let others get the praise. Each year she would bake a wonderful chocolate cake for the newly elected selectman, even if it was not her candidate of choice. I told her one time that it was worth running for office to get one of her cakes and to my surprise she baked one for me.

Cecille J. Safford was born on November 8, 1923 to Nerine Warne Gilbert Duarte and Leroy Charles Gilbert. After working for a short time at station WKXL in Concord she and a friend decided to head west to Los Angeles. While in California she met her future husband Lt. Col. (Ret) Robert R. Safford, USAF and when he retired in 1972 they moved back to New Hampshire.

She was a communicant of St. Mary Church in Hillsboro and served in many capacities including lector and Eucharistic minister. She served as a ballot clerk for Deering for over 25 years. She viewed this job as an annual Old Home Day where you could meet and greet fellow town residents. She always provided the main meal for the rest of the teams working on the elections, a treat for all.

Cee passed away on December 29, 2007. During the fall of 2007 she and Bob celebrated their 50th anniversary at a very special party with the most diverse group of people that had touched their lives. They didn't care if you were rich or not, educated or not, but that you had touched their lives in one form or another. Family includes her husband Robert of Deering; son Michael Safford of Pelham; daughter

Susan Barbettini of San Antonio; seven grandchildren.

2009 TOWN WARRANT

To the inhabitants of the Town of Deering in the County of Hillsborough s.s. in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Deering on **Tuesday the 10th day of March**, 2009 at 11:00 A.M. in the morning to act upon the following subjects:

ARTICLE 1: To choose all necessary Town Officers for the ensuing year.

Selectman – 3 year term Town Clerk/Tax Collector – 3 year term Trustee of the Trust Funds – 3 year term Library Trustee – 3 year term Cemetery Trustee – 3 year term

ARTICLE 2: (To adopt SB2)

Shall we adopt the provisions of RSA 40:13 (known as SB2) to allow official ballot voting on all issues before the voters of the Town of Deering on the second Tuesday of March.

-Submitted by petition

POLLS WILL OPEN AT 11:00 A.M. and will remain open until 7:00 P.M.

ADDITIONALLY, pursuant to RSA 39:2a, you are hereby notified that articles 3 through 10 will be taken up on **Saturday the 14th of March, 2009 next, at 9:00 A.M.** in the morning at Town Hall.

ARTICLE 3: (To Appropriate Funds for West Deering Bridge)

To see if the Town will vote to raise and appropriate ONE MILLION ONE HUNDRED EIGHTY THOUSAND DOLLARS (\$1,180,000) for the purpose of reconstruction of West Deering Bridge over the Contoocook River, and to authorize the issuance not more than NINE HUNDRED FORTY FOUR THOUSAND DOLLARS (\$944,000) of notes or bonds, in accordance with the provisions of the Municipal Finance Act (RSA Chapter 33), and to authorize the Board of Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon, and further to authorize the receipt and expenditure of State Bridge Aid in the amount of NINE HUNDRED FORTY FOUR DOLLARS (\$944,000) which is 80% of the entire project and which will cover payments of such bond with the balance of TWO HUNDRED THIRTY SIX THOUSAND DOLLARS (\$236,000) to be raised by general taxation.

-Recommended by the Board of Selectmen Requires 2/3rd ballot vote for passage

ARTICLE 4:

To approve the reclassification of Bartlett Hill Road, which is presently a Class VI Road (non-municipal maintained road), to a Class A Trail as defined in RSA 231-A:1.

ARTICLE 5:

To see if the Town will vote to approve the following resolution to be forwarded to our State Representatives, our State Senator and our Governor:

Resolved: We the citizens of Deering, NH believe in a New Hampshire that is just and fair. The property tax has become unjust and unfair. State leaders who take a

pledge for no new taxes perpetuate higher and higher property taxes. We call on our State Representatives, our State Senator and our Governor to reject the 'Pledge,' have an open discussion covering all options, and adopt a revenue system that lowers property taxes.

-Submitted by petition

ARTICLE 6: (To accept the Town Reports)

To see if the Town will vote to accept the 2008 reports of the Town officials, agents, and committees, and to accept the 2007 auditors report.

ARTICLE 7: (To Appropriate Operating Budget Funds for the Fiscal Year 2009)
To see if the Town will vote to raise and appropriate the sum of ONE MILLION, SIX HUNDRED TWENTY THREE THOUSAND, FOUR HUNDRED FOURTEEN DOLLARS (\$1,623,414) for the purpose of general municipal operations.

ARTICLE 8: (To Add funds to Previously Established Funds) To see if the Town will vote to raise and appropriate the sum of TWO HUNDRED EIGHTY SEVEN THOUSAND DOLLARS (\$287,000) to be added to the following previously established Funds:

Road Reconstruction Fund	\$ 225,000
Computer System Trust Fund	\$ 2,500
Government Building Improvement Fund	\$ 25,000
Turnout Gear	\$ 4,000
Town Celebration Fund	\$ 500
Bridge Repair Fund	\$ 30,000

ARTICLE 9: (To Adopt a Property Tax Exemption on Real Property Equipped with Solar Energy Systems)

Shall the Town adopt the provisions of RSA 72:62 for the property tax exemption on real property equipped with solar energy systems, which exemption shall be in an amount equal to one hundred percent (100%) of the assessed value of the solar energy systems. In order to show Deering's support for the use of renewable energy, the following warrant article proposes to offer a partial tax exemption for those Deering tax payers who utilize a solar energy system. The intent of the tax exemption is to alleviate the additional tax burden created by installing a solar energy system. Solar energy systems are expensive, and people who make the decision to install are primarily motivated by the larger social issue of energy consumption. Similar tax exemptions already exist in approximately 63 towns in New Hampshire. If instituted, the positive tax implication on each taxpayer in Deering will be about 1/100 of 1%.

-Submitted by petition:

ARTICLE 10: (To Transact Other Business)

To transact any other business that may legally be brought before this meeting.

Given under our hands and seals, this 23 day of February, year 2009.

Dan Donovan, Chairman

2008 TAX RATE COMPUTATION

Town Portion

Total Town Appropriation	\$ 2,028,529
Less: Revenue	(555,124)
Less: Fund Balance Used	(300,750)
Less: Shared Revenue	(9,519)
Add: Overlay	35,935
Add: War Service Credit	64,200
Approved Town Tax Effort	1,263,271

Town Rate \$5.80

School Portion

Regional School Apportionment	3,995,173
Less: Total Equitable Education Grant	(871,854)
State Education Taxes	(457,102)
Approved School Tax Effort	2,666,217

Local School Rate \$12.25

State Education Taxes

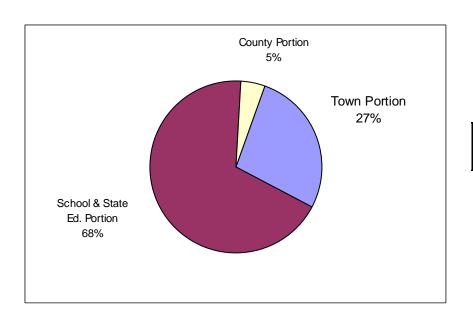

Equalized Valuation (no utilities)	213,598,878
	X 2.14
Divided by 1000	1000
Approved County Tax Effort	457,102

State School Rate \$2.14

County Portion

Due to County	222.726
Less: Shared Revenues to Town	(2,104)
Approved County Tax Effort	220,622

County Rate \$1.01

TOTAL RATE \$21.20

Tax Rate Comparison

From the graph on the previous page you can see that over 70% of your tax dollars goes to fund our schools and county, leaving less than 30% to fund the operations of the Town..

With a property assessed at \$300,000 your annual tax bill was broken down like this...

 County:
 \$ 303.00

 Town:
 1,740.00

 School & State Education
 4,317.00

 Total Annual Tax Bill:
 \$6,360.00

	2000	2001	2002	2003	2004	2005	2006	2007	2008
TOWN PORTION	8.04	8.16	8.82	9.39	4.43	4.43	5.64	5.67	5.80
COUNTY PORTION	1.91	2.12	1.85	2.07	0.82	1.09	0.95	0.96	1.01
SCHOOL PORTION	9.08	13.87	19.32	21.33	11	11.25	10.38	10.76	12.25
STATE ED PORTION	6.19	6.95	7.25	6.13	2.26	2.12	2.14	2.15	2.14

Graphing our tax-rate and then comparing the town, county, and school portions of your tax bill you can see that the school budget really drives the tax rate, while the county has remained flat and the town has been increasing at a significant lower rate.

INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES OVER THE GOVERNING BODY RECORDS

To the Board of Selectmen

Town of Deering, New Hampshire

We have performed the procedures detailed below, which were agreed to by the Board of Selectmen, solely to assist you with respect to the governing body's records of the Town of Deering, as of and for the year ended December 31, 2007. The Town's management is responsible for the governing body records. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of the specified users of the report identified above. Consequently, we make no representation regarding the sufficiency of the procedures described below, either for the purpose for which this report has been requested or for any other purpose.

Our procedures included the following:

- We randomly selected and tested transactions to evaluate if properly recorded and processed.
- We randomly selected and tested vouchers, invoices, and payroll transactions for sufficient documentation of expenditures.

Additional Offices:

Andover, MA Manchester, NH Greenfield, MA Ellsworth, ME

- We reviewed the reconciliations between the governing body records to the Treasurer's records to determine that payments and deposits agreed.
- We compared budgeted amounts to MS reports and Town Meeting votes, as well as to actual revenues and expenditures.
- We compared special warrant articles to Town Meeting votes and governing body records.
- We reviewed the timeliness of tax warrants.
- We observed and reviewed the collection process and the security of daily receipts within the Town Hall.
- We observed and reviewed the segregation of duties over governing body records and functions.
- We reviewed internal control policies provided and compared policies to daily processes.

We were not engaged to, and did not; conduct an audit, the objective of which would be to express an opinion on the specified elements, accounts or items referred to above. Accordingly, we do not express such an opinion. Had we performed additional procedures, additional matters might have come to our attention that would have been reported.

This report relates only to the accounts and items specified above and do not extend to any financial statements of the Town of Deering, New Hampshire taken as a whole. This report is intended solely for the information and use of the specified users listed above and is not intended to be, and should not be, used by anyone other than those specified parties.

We are also presenting for your consideration in the accompanying Schedule of Procedures and Findings, our recommendations regarding the governing body records for the Town of Deering, New Hampshire. The recommendations were developed during the course of our performing agreed upon procedures.

Melanson, Heath + Company P. C.

Nashua, New Hampshire January 15, 2009

Board of Selectmen Annual Report

2008: What can we say?

It seemed that from January through March we were hit with snowstorm after snowstorm. After we shoveled our way out of a snowy winter, spring arrived with the re-election of Michelle Johnson to the Board of Selectmen. This is Mrs. Johnson's third term serving the Town of Deering as Selectperson. Shortly after Town Meeting the Board of Selectmen organized a group of volunteer residents with the charge of "Roads Advisory Committee". This Committee met monthly to research various methods and alternatives for road maintenance and reconstruction standards including the financial implication of such methods to our Town now and in the future. The final report submitted by the Roads Advisory Committee is available at the Town Hall.

During the summer the Board of Selectmen organized another group of volunteer residents for the purpose of thoroughly reviewing and researching the non-profit status of the charitable organizations within the Town of Deering. This Committee invited representatives from all non-profits in Town to a meeting in which they were given the opportunity to define what the organization does to perform some service of public good or welfare, and to verify they meet the definition of a charitable organization. The final report submitted by the Charitable Organizations Review Committee is available at the Town Hall.

In the fall the Board of Selectmen revamped the Budget Advisory Committee. This year instead of the individual Department Heads and Chairs meeting with the Budget Advisory Committee, they met with the Town Administrator, Craig Ohlson. Mr. Ohlson then brought the budgets to the Budget Advisory Committee. The Committee did not view the budget as a whole until the final meetings. The budget was presented to them in seven categories. These categories were revenues, discretionary items, payroll items, warrant article, bonds and notes, non-discretionary, and contracts. This was the first year that the Budget Advisory Committee reviewed the Town's revenues. While reviewing the revenues, the Budget Advisory Committee found it necessary to revise the Town's fee schedule.

We did not continue the relationship with Auditor's Mason & Rich due to the strained and unsatisfying communication we experienced. We have entered into a contractual agreement with Melanson Heath & Company, PC to perform the 2007 and 2008 fiscal year audit reports. The 2007 audit report was disappointing as expected. Administrative Assistant, Beth Rouse was hired in late 2007 and began implementing the internal controls policies at that time. In May 2008, Lisa Demers was hired as a part -time Assessing Clerk/Office Assistant. We are hopeful that by Town Meeting we will have a draft copy of the 2008 audit report to compare. You may request a complete copy of the fiscal year 2007 audit report, we have them available at the Town Hall.

We have almost completed the design phase of the West Deering Bridge project. There is a warrant article for the permission to borrow funds to complete the construction phase of the Bridge. So, if all goes well, we may begin construction in mid 2009. During construction we anticipate the bridge to be closed 4 to 6 months.

The Town was close to closing out fiscal year 2008 within budget, and Mother Nature stepped in yet again. As the ice fell, our expenses rose. Hillsborough County was declared an emergency disaster area, therefore we are eligible to recoup from FEMA 75% of the expenses incurred during the December ice storm.

We would like to take this opportunity to thank all the men and women who aided with the ice storm, from the Highway Department crew, who made the roads passable, to the Fire & Rescue Department personnel who stayed in cold fire stations in order to be ready when the calls came in, to the Deering Police Department for their welfare checks on individual residents and to the neighbors who helped their fellow neighbors.

Assessing

What does your Assessing Office actually do you ask....The assessing office handles all matters related to your property including, but not limited to, property tax cards/maps, current use, veteran's tax credit, elderly exemptions, assessed value of buildings/land, and abatements.

It has been a busy and exciting last ten months working for the town of Deering. I have certainly met a lot of wonderful people and hope to meet many more in the New Year.

At the end of 2008 I started performing audits on the Veteran's Tax Credit, Elderly Exemption, and Current Use records to be sure the town has up to date and accurate information for their files. It's a lengthy process and will certainly continue through 2009. With the help and cooperation from the Deering residents; I'm sure the process will go very smoothly.

As a reminder to all residents, it is your responsibility to certify the information on your tax card is accurate. Please be sure to obtain a free copy of your tax card each year. If you find there are inaccuracies please contact the assessor's office.

If you are a Veteran of the United States Military, was honorably discharged, and served in a qualifying war you could be eligible for a Veteran's Tax Credit of \$500.00.

The town also offers an elderly exemption to those who are 65 years young and older as long as they meet certain criteria. If you would like additional information on these benefits please contact me Monday 8:30-3:00, Wednesday or Thursday 10:00-3:00 or stop by the town hall to pick up an application.

I have currently had three elderly exemption applications; all of which have been approved by the Board of Selectmen. Two exemptions were in the amount of \$45,000.00; with the third for \$75,000.00. Elderly exemption applications are filed up until April 15, 2009.

There have not been any Veterans Tax Credit applications thus far this year.

I have had eight Abatement applications so far this year. Four have been denied, two have been approved, and two are still awaiting decisions. Abatement applications are filed up until March 1, 2009.

Lisa Demers Assessing Clerk Town of Deering

Budget Advisory Committee 2008 Annual Report

The Town of Deering Budget Advisory Committee began its budget review sessions with an organizational meeting on October 1, 2008. The Budget Advisory Committee members consisted of James Greene, Gale Lalmond, Dan Morehouse, Board of Selectmen Liaison Michelle Johnson and Town Administrator Craig Ohlson. Administrative Assistant Beth Rouse sat in on meetings to take minutes. The Budget Advisory Committee met weekly for two hours beginning at 8:30 am and concluding at 10:30am for the purpose of establishing a proposed budget for the fiscal year 2009.

The Board of Selectmen charged the Budget Advisory Committee to review sources of revenue relevant to offsetting taxes related to the expenditures of town departments, elected and appointed officials, also to include the review of the current fee schedule and to advise the Board of Selectmen of the proposed budget of the current fiscal year.

The Board of Selectmen revised the way the proposed budgets were received by the Budget Advisory Committee. In the past, each Department Head would come before the Budget Advisory Committee and review their proposed budgets. This year, each Department Head submitted and met with the Town Administrator, where they had an opportunity to discuss and revise their proposed budgets. The Board of Selectmen also revised the way the proposed budgets were presented to the Budget Advisory Committee. Again, in years past, the Budget Advisory Committee saw the entire budget by departments. This year however, the Budget Advisory Committee saw the budget broken down into seven categories. The seven categories were 1) Revenues 2) Contracts 3) Non-discretionary items 4) Notes & Bonds 5) Warrant Article & Trust Funds 6) Payroll and 7) Discretionary Items.

This is the first year that the Budget Advisory Committee reviewed the Revenues. Along with reviewing the revenues the Budget Advisory Committee revised the fee schedule to reflect the accurate cost associated with the service rendered.

The Budget Advisory Committee sited a few budget lines that they plan to revisit such as the Prosecution and the Hillsboro Park & Recreation contracts for next year.

The main objective of the Budget Advisory Committee was to do what is necessary for the Town while keeping the budget in line.

Respectfully submitted,

The Budget Advisory Committee

James Greene
Gale Lalmond
Dan Morehouse
Michelle Johnson (Selectmen Liaison)
Craig Ohlson (Town Administrator)
Beth Rouse (Administrative Assistant)

Summary of the Seven Categories reviewed by the Budget Advisory Committee

1) Revenues - Approximately 48% of proposed expenditures

These are offsetting revenues; these do not include property taxes. They include timber taxes, excavation taxes, penalties and interest from late payment of property taxes, business licenses, motor vehicle registrations, building permits, and other licensing fees. The Police Department revenues such as pistol permits, Police details, copies of Police reports, etc. were also included in this review. Along with grants from FEMA and the State, such as the Highway Block Grant, Rooms & Meals Tax, and Shared Revenue Block. Other revenues consisted of rental fees from the Town Hall, copies of tax maps and tax cards, and other miscellaneous sources.

2) Contracts – Approximately 15% of the entire budget.

The Town is obligated to make payments for these contracts in fiscal year 2009. These include website support, software support, rentals & leases on office equipment, auditing and assessing services, tax map contract, prosecution, town hall custodial, town hall and cemetery grounds keeping contracts, Property and Liability Insurance, dispatch services, tipping fees, Hillsborough Transfer station, Hillsborough Park & Recreation, and Hillsborough Youth Services.

3) Non-Discretionary Items – Approximately 5% of the entire budget

Non-Discretionary Items are items in which the Town needs to conduct business. These include telephone services, fees due to the state, electricity, heat and oil, gasoline, uniforms for the Police Department, paramedic intercept, and welfare assistance.

4) Notes & Bonds – Approximately 2% of the entire budget

These are the Notes & Bonds that the Town has borrowed and is entitled to pay back.

The Town Hall Renovation bond matures in the year 2024. The West Deering Bridge bond matures in the year 2010. Monies for interest on these bonds and notes must also be appropriated, including interest on an anticipate TAN (tax anticipation note).

5) Warrant Articles and Trust Funds – Approximately 48% of the entire budget

This includes all monies appropriated for warrant articles and monies appropriated to the already existing Expendable and/or Capital Reserve Funds.

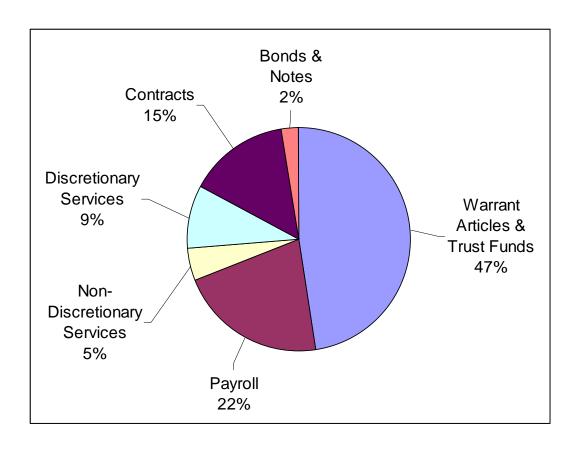

6) Payroll – Approximately 22% of the entire budget

Along with Employee wages this categories consists of all taxes, retirement benefits, insurance benefits, overtime, compensation time, on call time, Police detail reimbursement, and life insurance/disability.

7) Discretionary Items – Approximately 9% of the entire budget

Discretionary Items are items in which the Town entails for providing services to the residents. These items include training/certification for employees and volunteers, postage, printing services, office supplies, notices for newspapers, equipment maintenance and repair, new equipment, mileage reimbursement, tax lien research, legal services, Town Hall maintenance and repairs, animal control, vehicle repairs, culverts, salt, cold patch, dust control, crack sealing, roadside mowing, gravel crushing, tree removal, disposal services, Health Agencies, books, summer reading program, nominated rivers, Deering Lake testing, roads & trails, and Conservation Camp donation.

-This graph demonstrates each categories percentage of the entire 2009 fiscal year appropriations-

Capital Area Mutual Aid Fire Compact Report

This report is presented to the Board of Directors of the Capital Area Fire Compact as a summary of general activities for the 2008 calendar year. It is also forwarded to the governing bodies of the Compact's member communities for informational purposes.

The Compact departments provide emergency fire and rescue services, including emergency dispatching, to its twenty member communities. The Compact's operational area is 711 square miles with a resident population of 124,827. We also provide and receive mutual aid responses with communities beyond our member area.

Dispatch services are provided by the City of Concord Fire Department's Communications Center utilizing eight shift dispatchers and the Dispatch Supervisor. Fire and Emergency Medical dispatched calls totaled 21,967 in 2008. We continue to be one of the busiest regional dispatch centers in New Hampshire. The detailed activity report by community is attached.

The Chief Coordinator responded to 152 incidents in 2008, assisted departments with management functions on major incidents, and participated with Chief Officers on mutual aid response planning. Data entry of dispatch information is handled at the Compact's administrative office utilizing a part-time Administrative Assistant. The Chief Coordinator continued to participate on several state and regional committees that affect mutual aid operations.

The 2007 Command Vehicle responds to all major mutual aid incidents and is available to function as a Command Post.

In 2008, the State of New Hampshire suffered heavy damage from severe weather conditions. One of these major events was a tornado that touched down in the Deerfield/Epsom area on July 24th and quickly traveled northerly ending in the Ossipee area. This event caused heavy property destruction and the loss of a life. The other major event was a severe ice storm in December in the southern sections of New Hampshire. Heavy ice damage caused major power outages affecting upwards of 300,000 residents and businesses for many days. These events tested the resources of many public safety agencies, including the Compact. Although many of our member communities were directly damaged, we were able to play a major role in providing personnel and equipment resources during both of these events to other communities. Most of these responses were provided through use of the New Hampshire Fire Mobilization Plan, a response plan that the Compact heavily supports and participates in.

With the aid of Homeland Security grant funding, we continue to move forward toward completion of radio upgrades to digital capability. The installation of a digital capable radio console is in progress at Fire Alarm Dispatch as this report is being written.

The 2008 Compact operating budget was \$851,282. All Compact operations, including the Chief Coordinator's position, office, command vehicle, and dispatch services are provided through this budget. Funding by the member communities is based on a combination of property valuations and population.

The Compact Training Committee chaired by Assistant Chief Dick Pistey, with members Chief Keith Gilbert, Chief Gary Johnson, and Chief Peter Angwin assisted all departments in hosting mutual aid training exercises during the year. Mutual aid drills involve several departments and test the system capabilities in fire suppression, emergency medical, mass casualty, rescue, hazardous materials, incident management, and personnel safety. We thank the Training Committee for their continuing support to the Compact.

The Central New Hampshire HazMat Team, representing 55 communities in Capital Area and Lakes Region mutual aid systems continues to train and responds to hazardous materials incidents in our combined coverage area. The team operates under the direction of Chief Bill Weinhold with three response units and will welcome personnel interested in becoming active members. We appreciate and thank the team members for their dedication in providing this important emergency service.

We encourage all departments to send representatives and actively participate in all Compact meetings. Your input is needed on all issues and your members need to be informed of Compact activities and planning.

Thanks to all departments for your great cooperation.

Please contact any Compact officer or the Chief Coordinator if we may be of assistance.

Central New Hampshire Regional Planning Commission

28 Commercial Street Suite 3 Concord, New Hampshire 03301 phone: (603) 226-6020 fax: (603) 226-6023 internet: www.cnhrpc.org

Established in accordance with state law, the Central New Hampshire Regional Planning Commission (CNHRPC) is a voluntary association of 20 communities in Merrimack and Hillsborough Counties. The Town of Deering is a member in good standing of the Commission.

The Commission's mission is to comply with State statute by preparing and adopting regional plans and a regional housing needs assessment and by evaluating developments of regional impact, to provide data, information, training, and high-quality, cost-effective services to our member communities, to advocate for our member communities and assist and encourage them in intermunicipal endeavors, and to coordinate our efforts with the other regional planning commissions in New Hampshire.

On behalf of the Town of Deering in 2008, CNHRPC staff:

- Provided technical assistance to local officials and citizens, as issues related to land use, transportation, environmental, economic, and general planning.
- Began an update of the town's hazard mitigation plan, paid for by NH HSEM
- Updated the Town's Comprehensive Improvement Program
- Continued Zoning ordinance update effort with the Planning Board

In addition to the specific services described above, in 2008 the Central New Hampshire Regional Planning Commission:

- Held four Commission meetings (in February, June, September, and November)
 with programs including transportation policy in NH, the new workforce housing law, and green building techniques. CNHRPC Commission meetings are
 open to the public and interested citizens are encouraged to attend. Please refer
 to the calendar on our website for upcoming meetings and events.
- Coordinated workshops related to Planning Board process, land use/ transportation planning issues, and Innovative Land Use techniques and hosted APA audioweb conferences.
- Conducted over 200 traffic counts throughout the region and analyzed accident and other NH DOT data.
- Adopted a new Regional Transportation Plan and a Coordinated Transit Plan.
- Coordinated meetings of the CNHRPC Transportation Advisory Committee (TAC). The TAC:
 - -- Renders technical advice to the CNHRPC regarding transportation plans, programs, and projects;
 - -- Evaluates and ranks application for the Transportation Enhancement (TE) and Congestion Mitigation and Air Quality (CMAQ) programs. Each program is competitive statewide with more than 3 million dollars in federal funding per year for the TE program and 7 million for the CMAQ program.

- -- Evaluates and ranks projects within the Regional Transportation Improvement Program (TIP). The Regional TIP provides an avenue for projects to be considered for inclusion within the Statewide 10 Year Transportation Improvement Plan which is the guiding document for all major highway improvements on state roads.
- -- Reviews and recommends adoption of the Regional Transportation Plan.
- Provided continuing technical assistance to the Upper Merrimack River Local Advisory Committee (UMRLAC) and the Five Rivers Conservation Trust.
- Through the N.H. Department of Environmental Services Regional Environmental Planning Program [environmental planning support to the nine regional planning commissions], 2008 REPP work items included editing and producing the first volume of an Innovative Land Use Techniques handbook and assistance to member communities in adopting ILU techniques.
- Through the N.H. Office of Energy and Planning, utilized Targeted Block Grant funds to update the CNHRPC Regional Housing Needs Assessment, to update the GIS system, and to provide technical assistance to local officials and communities.
- Prepared numerous grant applications for the region as a whole and on behalf of member communities, including EPA Brownfields/petroleum grants, local source water protection grants, HCPP (Housing and Conservation Planning Program) and "moose plate" grants, and Safe Routes to School grants.
- Updated our website to provide better access to land use, environmental, transportation, GIS, and other data.
- With the financial support of Concord 2020, developed and implemented an alternative transportation service "PATH" Program for Alternative Transportation and Health which encourages and provides incentives for people to rideshare, bicycle, walk, or take transit to work.
- On behalf of the New Hampshire Association of Regional Planning Commissions, with the generous financial support of New Hampshire Housing, NH Department of Environmental Services, CDFA, and NHARPC, planned and held the 2008 Fall Planning and Zoning Conference at Loon Mountain.

For additional information, please contact the CNHRPC staff or visit us on the internet at www.cnhrpc.org.

Concord Regional Solid Waste/Resource Recovery Coop 2008 Annual Report

2008 BUDGET

1. Wheelabrator Concord Company Service Fee	\$3,923,091
2. Reconciliation	50,000
3. Bypass disposal Cost Reserve	224,000
4. Franklin Residue Landfill a. Operation and Maintenance b. Expansion Sinking Fund c. Closure Fund d. Long Term Maintenance Fund Total	\$2,490,337 0 84,000 129,000 \$ 2,703,337
5. Cooperative Expenses, Consultants & Studies	477,245
TOTAL BUDGET	\$ 7,377,673
6. Less: Interest, surplus, and over GAT. Net to be raised by Co-op Communities	-1,487,000 \$5,890,673

2009 GAT of 128,332 and Net Budget of \$5,890,673 = **Tipping Fee of \$45.90 per ton**

We are happy to report to all member communities that 2008 marked our nineteenth complete year of successful operations. Some items of interest follow:

The 2009 budget reflects a tipping fee of \$45.90 per ton. This represents an increase of \$3.35/ton. We can expect a substantial increase in the tipping starting in 2010 as the new contract with Wheelabrator goes into effect.

A total of 127,061 tons of Co-op waste was delivered to the Wheelabrator facility this year. This represents a decrease of 7,297 tons from 2007.

A total of 60,921 tons of ash were delivered to the Franklin ash monofill for disposal.

The ash landfill continues to operate very well. Phase IV Stage I is being filled at this time. Phase V construction has been completed and will provide disposal capacity through 2014.

The Joint Board has approved the continued exploration of the idea of building a single stream recycling facility to improve recycling rates and offset the increased tipping fees.

The Co-op has visited several single stream facilities and has contacted many communities in an effort to determine interest in joining with the Co-op in this effort.

A final decision is expected to be made in May of 2009.

Deering Conservation Commission Report 2008

The Deering Conservation Commission (DCC) pushed forward with it's programs through 2008. The surface water sampling indicated that continued high water quality was present in our streams. This coupled with the Lay Lakes Monitoring Program data for Deering Lake indicated that our overall surface water quality was good. The boat ramp was once again monitored for invasive milfoil. It has been the DCC's goal to protect both the surface waters and groundwater of the Town. Thus far, we have been successful. The Deering Lake Improvement Association and the Deering Association have helped fund the yearly testing of Deering Lake.

The Land Protection Program has made progress in 2008 with an additional \pm 479 acres of land being protected, 396 acres purchased by the Society of the Protection of NH Forest, 48 acres were placed under a Conservation Easement by the Piscataquog Land Conservancy, and 22 acres were protected by the Town of Deering. The 22 acres protected by the Town of Deering was the first project completed and fully funded with monies from the Conservation Fund.

The DCC with the assistance of the Deering Association and the Deering Fish and Game Club sent two of Deering's youths to conservation camp in Berlin, New Hampshire. This program has been ongoing for nearly thirty years. Previously the DCC has funded two campers yearly, but due to the increased cost of camp and the economic situation, we had to cut back to one camper per year but the private organizations previously referenced have picked up the slack and funded the additional child.

The DCC started off 2009 with a Conservation Day at the Town Hall in January. We hope to be able to continue on with our various activities throughout 2009 and look forward to working with the citizens of the Town and various private organizations to protect and enhance the natural resources of our Town.

Criminal Prosecution

The role the criminal prosecutor in the Town of Deering is that of an agent of the State of New Hampshire. Local prosecution, just like local law enforcement, is ultimately subject to the control of the attorney general. The prosecutor must work closely with the police department to enforce laws of the State as enacted by the New Hampshire State Legislature. Thus, the prosecutor's duty extends beyond the local community, to all citizens of N.H. In this way the detection, apprehension and prosecution of local criminal activity furthers the State's objective of providing safe and peaceful communities throughout N.H.

In court the prosecutor must prove his case beyond a reasonable doubt. The New Hampshire Supreme Court has stated that reasonable doubt "does not mean a trivial or a frivolous or a principal doubt, nor one which can be readily or easily explained away, but rather, such a strong and abiding conviction as still remains after careful consideration of all facts and arguments against it..." Thus the burden of the prosecutor can be daunting. Many factors, and combinations of factors, can affect prosecution, e.g., new information, witness credibility, defendant and witness competence, witness availability, limited evidence, defects in evidence, preparation, etc.

The following passage reveals the true nature and extent of judicial findings:

"While a not guilty finding is sometimes equated with a finding of innocence, that conclusion is erroneous. Courts do not find people guilty or innocent. They find them guilty or not guilty. A not guilty verdict expresses no view as to a defendant's innocence. Rather, it indicates simply that the prosecution has failed to meet its burden of proof. While there are those who may criticize courts for turning criminals loose, courts have a duty to ensure that all citizens receive those rights which are applicable equally to every citizen who may find himself charged with a crime, whatever the crime and whatever the circumstances. When the State cannot meet its burden of proof, the defendant must go free."

People v Smith, 185 Ill.2d 532, 545 (1999) (emphasis added).

Cases charged as Class-A Misdemeanors and Felonies automatically provide for court appointed Public Defenders, and defendants always have the right to hire their own attorney for any case regardless of how it is charged. Like private attorneys, Public Defenders are highly skilled attorneys that are appointed and subsidized by the State. Some police departments continue to use police officers as prosecutors, but often, non-attorney officers find themselves dealing with increasingly complex issues that are beyond their training and experience, and their prosecution obligations are combined with patrol duties, which limit the time they can devote to prosecution. Deering's use of a Regional Prosecutor puts the Deering Police Department on equal footing with defense attorneys from the public and private sectors because the prosecutor is an attorney that deals almost exclusively with criminal cases.

In 2008 the Deering Police Department nearly doubled its arrest numbers from 2007. The Regional Prosecutor was sent approximately 80 criminal cases for prosecution, which included felonies, misdemeanors, motor vehicle violations, non-code enforcement town ordinances, and juvenile cases. Motor vehicle violations accounted for less than 10% of the cases. Misdemeanors, such as DWIs, simple assaults and criminal threatening, accounted for the majority of the cases.

Code Enforcement

State law grants Towns broad authority to establish zoning ordinances to promote public health, safety, morals and general welfare of local communities. This grant contemplates ordinances to control the rate of growth, use of structures, buildings and land, and even ordinances adopted solely to advance aesthetic values, since the preservation or enhancement of the visual environment promotes the general welfare.

To that end the prosecutor's office is also the enforcement agent for Town of Deering's Zoning Ordinances. Working in conjunction with Craig Ohlson, Town Manager, / Building Inspector, assists in the enforcement of the zoning ordinances.

The process for enforcement begins with informal contact by Mr. Ohlson, either written or in person, whereby the ordinance violation is explained and a request is made to correct the violation. If the violation continues, a formal written notice of violation is sent to the property owner. The formal notice of violation cites and explains the precise violation and what steps are required for the violator be considered in compliance; this may or may not allow for an appeal to the ZBA. Because many of the recent zoning violations exist on properties where the owner is elderly and / or disabled, the prosecutor will often conduct site visits with Mr. Ohlson to determine whether there is some alternative means of achieving compliance. Over the past year collaboration between property owners, the prosecutor's office, Hillsboro Youth Services and Mr. Ohlson, have allowed for children and adults in need of community service to provide much needed assistance to correct zoning violations.

When good-faith efforts fail to produce compliance, the prosecutor drafts a criminal complaint that is filed with the District or Superior Court (depending upon the type of violation). At trial, the prosecutor must prove the validity of the ordinance, ownership or control of the subject property, the existence of a violation and the defendant's responsibility thereof, and that the Town attempted informal efforts to gain compliance.

A conviction of an ordinance violation can produce civil fines of up to \$1375 per citation, plus criminal fines from \$1000-\$2000. The possibility of confinement exists for successful prosecution of ordinance violations brought as Class-A Misdemeanors. Ongoing violations can, and do, trigger the issuance of successive complaints, which can result in additional fines. Where extraordinary measures are required, the Town can, in addition to the remedy above, endeavor to remediate certain violations and recoup the costs through liens on the property, which are enforced by the tax collector.

Over the past year the prosecutor's office has worked on numerous zoning issues, one of which was commenced in 2004, which recently implicated a complex interplay between the Town's police power to enforce its zoning ordinances and the protection normally associated with the property owners' bankruptcy. Such issues can require days of research to ensure that the town proceeds in accord with the law.

That having been said, the prosecutor's office endeavors to work with Mr. Ohlson and violators to achieve amicable resolutions short of legal action that assure compliance with the ordinances.

Department of Fire and Rescue 2008 Annual Report

The Deering Fire and Rescue responded to 234 calls in 2008, the most in our history and an increase in call volume of 12.5% from 2007.

Of our calls, 125 were requests for Medical Aid, 20 Fire Alarm Activations, 20 Mutual Aid responses, 17 Motor Vehicle Accidents, 10 Electrical Emergencies, 5 Brush Fires, 5 Chimney Fires, 5 Hazardous Materials, 4 Carbon Monoxide Alarms, 3 Service Calls, 2 Illegal/Unattended Burns, 2 Motor Vehicle Fires, 2 Smoke Investigations, 1 Structure Fire, and 13 miscellaneous responses.

Not only was 2008 a very busy response year but it also included a large variety of calls. Of the "miscellaneous responses", two were lightning strikes that damaged homes and for the first time an Engine Company from Deering responded to Epsom when a tornado came through that town in July.

Our apparatus suffered very few mechanical problems throughout the year. Any that did arise were swiftly corrected by the Highway Department's mechanic who did an excellent job of keeping our fleet up and running.

The stations came through the year requiring little more than routine upkeep. The McAlister Station received a new furnace in October which replaced the furnace that had been installed in 1981.

We did spend a good deal of the summer, remodeling the Murdough Station so we could relocate the Rescue Boat from the Donovan Station. Moving the boat provides us with a better response time to the West Side of town and the Contoocook River while still keeping us within close proximity of Deering Lake.

To remain skilled providers we experienced a variety of Training during 2008. In addition to our annual training in CPR, Bloodborne Pathogens, SCBA, Ladders, Rescue and EMS, we participated with two area Departments in their drills.

We were invited to join the Washington Fire Department for some live fire training at the New Hampshire Fire Academy in May and we returned the favor by inviting them to the Murdough Station for Motor Vehicle Extrication. In August the Francestown Fire Department asked us to their station for some additional Live Fire Training in the Fire Academy's Class "A" Burn Trailer.

We hosted two classes in Deering. Members of our Department successfully completed the Basic Pump Operators class in the spring pumping from the water source on Second NH Turnpike. In the summer, we spent an evening at the station and a day on Deering Lake as part of the Basic Water Rescue class. We learned how to treat patients in the water and how to better operate our Rescue Boat. At the end of both classes our Firefighters were much more proficient at running our pumps and performing water rescue.

Two of our members completed the Ice Rescue Technician course in February while three members finished their FFI certification class the same month. Six of our Firefighters graduated during the year certified as FFII. Two members made the trip to the National Fire Academy in September to take weekend classes.

Early in the year the majority of the Department took the Weapons of Mass Destruction Awareness class offered by the Office of Domestic Preparedness and delivered in-house by two of our instructors.

This year's annual Self Contained Breathing Apparatus drills took a different turn with our members participating in Air Management Training to discover for themselves their own strengths and weaknesses in their abilities to conserve air while working in their SCBA.

Assistant Chief Robert Pragoff retired from the Department in August. We appreciate his many years of service and dedication and though we miss having him on the Fire and Rescue we are happy to still be able to work with him in his role as Emergency Management Director.

Lieutenant Steve Brooks was called back to Active Duty with the United States Air Force and in September was sent on his second deployment to Iraq. We expect Lieutenant Brooks to return to the Department by the spring of 2009.

In other activities we were visited by Girl Scout Troop 477 so they could learn about hypothermia and the dangers of venturing out onto the ice. We traveled to several towns for Parade Duty and for the second year our Rescue Boat participated in the boat parade on Deering Lake.

We joined the Police Department in June for our Fourth Annual Safety Day at the Town Hall. Our Fire Prevention Open House in October was very well attended with activities for young and old including tours of all our apparatus'.

Our annual dinner, to thank our Mutual Aid towns for their ongoing assistance, was held in April. As a Department we enjoyed our First Annual Barbecue in August to recognize our families for all of the support they give our responders throughout this and every year. We would like to give our thanks to the staff of Oxbow Campground for allowing us to use their facility.

In October a granite bench was donated to the Fire and Rescue by one of its members, Firefighter Kris Saunders. Firefighter Saunders made the bench himself and it is placed on the lawn near the Flagpole in the center of Town.

We met with the DLIA twice during the year to issue burn permits and advice on Fire Safety. Part of the conversation included how we would position apparatus on the narrow roads around the Lake. This opened an additional dialog that will involve the Fire and Rescue actively preplanning our response to homes on the Lake during 2009. If any resident in town has questions or concerns regarding how we would respond to their home in the case of an emergency please feel free to contact me. We would be happy to meet with you!

The violent weather events that we experienced throughout the year culminated with the Ice Storm in December. Much like the flooding that struck the town in 2007, the storm of December 2008 once again tested our resources as a Department.

With access to most of the town extremely limited on the first day, all three stations were manned for the following thirteen hours. We assisted the Highway Department by clearing trees from the roadways and responded to calls for assistance as they came in. Among those calls were leaking propane tanks, residents that were isolated by falling trees, basement flooding, and a home that had been struck by a tree.

Like most of the homes in Deering, our stations were without power. The McAlister Station was the first to have electrical service restored after only three days. The

Murdough Station was without power for 13 days and the Donovan Station finally saw the return of electricity after Christmas, 15 days after the storm.

Though we did not have PSNH supplied electricity in our stations we did receive three 3000 Watt generators from the Office of Emergency Management. One of the three was able to power the furnace at the Murdough Station, keeping our ALS Ambulance at the recommended temperatures during the night. Fortunately, we did not experience any extreme cold while the stations were without heat since the other two generators did not have enough energy to power the Donovan and McAlister furnaces.

Five days after the storm, two 15000 Watt generators were delivered to Deering by the New Hampshire National Guard. Supplied and installed by the Federal Emergency Management Agency, these units powered the stations for over a week. We would like to express our thanks to Town Administrator Craig Ohlson and especially to resident Doug Lalmond for repairing our electrical service at the Donovan Station.

Emergency Management Director Bob Pragoff, and all of the members of the Board of Selectmen were integral in requesting assistance from the State while Road Agent Pete Beard and his Crew reopened the roads. But we would like to make special recognition of Selectmen J.P. Marzullo; who was available in town and able to coordinate all of the efforts of the various Departments and volunteers involved in the recovery. His tireless work throughout was remarkable and was certainly noticed and appreciated by all of us on the Fire and Rescue. Thank you J.P.!

There are many other people that deserve our thanks and if I try to record all of the names I am sure to miss someone. There were residents that brought us refreshments even while they were without power and others that offered to assist us with cutting trees. Some offers we accepted and others we had to decline, but we certainly appreciated your thoughts and your assistance!

Despite the difficulties that were encountered, the members of your Fire and Rescue promptly answered each of the emergencies during the Ice Storm without the need to request Mutual Aid from our neighboring towns. Their dedication to the Fire Service Mission "To Protect Life and Property" in our Community is evident year round, but was even more noticeable during that memorable month of December.

In closing I would like to include our annual reminder to make sure that you have smoke detectors and carbon monoxide detectors in your home and that they are working properly. Make and practice an exit plan with your family. At the first sign of fire evacuate immediately and report the fire to 911 from a safe location. Designate a meeting place outside of your home so you will be sure that everyone has left the building. If you have any questions contact a member of the Fire and Rescue and we will be happy to assist you. Our goal is to keep you Fire Safe throughout the year.

On behalf of the members of your Department, I thank you for your continued faith and your most generous support.

Respectfully Submitted,

Andy Anderson Chief of Department

2008 Deering Forest Fire Wardens Report

This year past year I applied for and did receive a 50/50 Forestry Grant from the State of NH so was able to purchase \$1600 of equipment for \$800. With this award we purchased special nomex fire retardant shirts and replaced some of our outdated hand tools. I also want to extend a special thank-you to Beth Rouse for her help with the submission of the paperwork involved.

Unfortunately this past year we did experience (3) wildland/brush fires that required extensive work and man-hours from the Deering crews and calls to our mutual aid towns for back-up. All of these fires were in fairly remote areas of town and did burn approximately 3 to 4 acres total and did threaten one structure. Our crews did an excellent job containing all of these fires and were able to keep property loss to a minimum.

Below is the breakdown of forestry related calls for 2008.

- (2) Unattended Burns
- (3) Brush Fires

I'm also including again this year the statewide Forestry report for some statewide statistics and general information regarding the NH Forestry Division.

Please remember that unless the ground has adequate snow cover, (4 to 5 inches or more) you must have a fire permit for all outdoor burning and to follow all appropriate laws. The following is a link to the NH Forestry Woodland Fire Control laws page. http://www.gencourt.state.nh.us/rsa/html/NHTOC/NHTOC-XIX-A-227-L.htm If you ever have a question please don't hesitate to give myself or one of the Deputy Wardens a call.

For all of you folks that took advantage of our annual seasonal permit day last May, we are tentatively scheduled this year for Saturday, May 16th from 9 to noon. Once again, if you have an immediate need please don't hesitate to give one of us a call.

Below is a list of current Wardens that are available to issue fire permits or answer any questions that you may have.

Captain, Doug Connor (Warden) 464-3985 Chief, Andy Anderson (Deputy Warden) 464-5308 Asst. Chief, Chris Ladue (Deputy Warden) 496-7334 Captain, Daryl Mundy (Deputy Warden) 464-3625 Captain, Jim Tramontozzi, (Deputy Warden) 464-4550 Firefighter, Pat Murdough (Deputy Warden) 568-7719 Craig Ohlson (Deputy Warden) 464-2746

Respectfully submitted, Doug Connor Forest Fire Warden

2008 Statewide Report of Forest Fire Warden and State Forest Ranger

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 1-800-498-6868 or www.des.state.nh.us for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nhdfl.org.

Spring fire season lasted unusually long this past year, with very high fire danger stretching into the first week of June. Once again, the rains started to fall during the summer and the fire activity was fairly light for the remainder of the year. The acreage burned was less than that of 2007. The largest forest fire during the 2008 season burned approximately 54 acres on Rattlesnake Mountain in Rumney on White Mountain National Forest property. Another 39 acre fire occurred on Mount Major in Alton during the month of April. Our statewide system of 16 fire lookout towers is credited with keeping most fires small and saving several structures this season due to their quick and accurate spotting capabilities. Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Several of the fires during the 2008 season threatened structures, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department and the state's Forest Rangers by being fire wise and fire safe!

ONLY YOU CAN PREVENT WILDLAND FIRE

Heritage Commission Report

Much of the work of the Heritage Commission this year focused on the research and writing of a Draft Ordinance for a proposed historic district in Deering Center. In March we completed our draft of the ordinance and submitted it to the Planning Board and Zoning Board of Adjustment who have the legal authority to write such ordinances.

In April we met with a representative of the Planning Board to discuss procedures for completing the writing of the ordinance and the responsibilities of each party. We agreed to assist the Planning Board to the best of our ability as public hearings were scheduled and the actual boundaries of the district were defined.

In October we received from the Planning Board a detailed list of instructions on items we should expand and add to the original draft. We worked in November and December in rewriting a new draft that is much more detailed and specific. This rewritten draft was submitted to the Planning Board in December.

We also worked on several other issues. We devoted two meetings to discuss recommendations for establishing criteria for the future of the town common including tree planting, installation of memorial benches, and monuments. We have recommended to the Selectmen that Deering consider creating a veterans' memorial similar to the granite memorial commemorating Deering's World War II veterans. The new memorial would include the names of veterans who served in Korea, Vietnam, the two Iraq wars and in Afghanistan.

We also met with the library trustees to make recommendations for building a new library and what to do with the old schoolhouse that earlier served as our library. Both groups are studying possibilities for the location of the schoolhouse as a potential historic museum. We all agreed that essential repairs must be made very soon to preserve this historic building.

We discussed the desirability of securing a separate zip code for Deering and agreed to offer our support to Selectman Marzullo, who has invested a great deal of effort on this project.

We continued our work in identifying the surviving 18th century houses in Deering and also their first owners. We plan to make plaques for these houses with the name of the original owner and the date of the building of the house, if the present owners agree to display the plaque.

Finally, we continued to find ways to preserve the old snow roller presently standing uncovered in West Deering. We would like to see this historic relic restored and moved to Deering Center.

The Commission would happily welcome new members who have a keen interest in working to preserve Deering's rich historic traditions.

Joan Burke Betty Dishong Don Johnson Beverly Yeaple

Highway Department Report

An extremely volatile year known as the 'year of much snow'. A near 100-year record breaker, 44 snow and ice events severely strained Highway budgets Statewide well beyond their breaking points. Cracksealing was one of the functions neglected to help offset the cost of such a winter.

A ten dollar increase per ton for road salt only worsened the situation. Using less salt, cutting overtime as much as possible and still maintaining safety had little effect as the storms, although small in accumulative amounts, kept rolling in, two or three a week.

Fuel prices went through the roof approaching \$5.00 per gallon. The Board of Selectmen entered into an agreement with Dennis Burke Fuels to purchase a predetermined amount of diesel at \$3.75 per gallon. To further enhance the volatility of the market, had we not done so we would instead be now paying \$2.04 per gallon.

2008 marks the first full year that we have had a full-time mechanic since 1998. Along with maintaining the Highway equipment, Matt Burns is responsible for inspections, servicing, and repairing all 5 fire trucks, the rescue vehicle, both police cruisers, and the electrical generator at the Town Hall. The savings to the town can be elusive to find in the Town Report, since all time is charged to the Highway Department.

The Selectmen authorized the purchase of a laptop computer for the Highway Department. As money allows we are purchasing the necessary software to troubleshoot the codes produced by the truck's onboard computers. This in itself saves a tremendous amount of downtime and also saves much wear and tear on equipment, not to have to tie up a driver to travel to Claremont or Manchester just to analyze what might have been a simple repair.

Along with the loader we (the taxpayers) purchased a new backhoe through a local Vender (Knoxland Equipment). In addition to saving almost \$30,000 over the nearest competitor we also received a five year front-to-back warranty.

Considerable drainage work was done both in East Deering as well as in Deering Center (Reservoir Road). Many trees were cut, catchbasins installed and approximately 1 1/2 miles of underdrain and 1 1/2" stone are now in place for future roadbuilding.

Mother Nature, not being one to let you down, finished out the year with 14 events (snow and/or rain) including an ice storm of unprecedented proportions, further straining an already burgeoning budget. Many people were without power for over fifteen days.

Pray for good weather Thank you, Peter Beard Road Agent

Library Trustees Report

The Town Hall library is open year round on Tuesday 10 to 12 noon, Wednesday 10 to 12 noon, Thursday 3 to 7 p.m., and Saturday 10 to 12 noon. The Town Hall library houses the newer collection and the summer Schoolhouse library houses the older collection. Patrons need to see the librarian to access the Schoolhouse collection. We have had 250 borrowers this year. There are now 115 library card-holding families/individuals in the community. The Library Trustees invite all citizens of Deering to stop by the library to receive their FREE library card and browse the collection.

The Expendable Trust started last year now has \$5,720.73 which includes \$35.73 in interest and \$685.00 from the proceeds of the spring plant sale. Thank you to Pia Sunderland and volunteers for all your work toward that donation. The library spent \$1,123.71 of the allocated funds, returning \$876.29. The library's unanticipated funds account totals \$1,037.10 including \$23.88 in interest, \$105.55 from the donated books sale.

The events of the year were as follows:

The library and the Deering Lake Improvement Association held a book swap and sales. These were held at the Schoolhouse Library, in late June and these swaps were well attended giving the summer residents and year round residents an opportunity to mingle.

Trustees met with a design firm, SMP out of New London, NH to discuss options for library expansion.

A February school vacation program for children was offered and approximately 15 children and adults enjoyed the film "Snow Dogs" with snacks and social time.

The library participated with other town organizations in a December Holiday celebration. There were refreshments, visits with Santa, (who arrived on the town fire truck), and crafts. The library passed out free books to every child and hired a balloon tying elf. Many thanks to Stuart and Suzanne Huggard who spent many hours coordinating the event.

An adult book discussion group was facilitated by Deering residents Jaclyn King or Susan Bearor. Some of the books discussed have been *My Sister's Keeper* by Jodi Picoult, and *The Art of Racing in the Rain* by Garth Stein and *Saving Fish From Drowning* by Amy Tan. Approximately eight people attend these discussions, but interest is growing.

A website was developed and is maintained by the Trustees. It can be viewed at: http://www.deeringpubliclibrary.blogspot.com/

The library collection is being entered, and can be now be viewed at: http://www.librarything.com/catalog/DeeringPublicLibrary

At the request of the Selectmen, the Libraries Dutton Cabinet was removed from the Library/Conference room and has been placed in a front office where the librarian still has access to it.

Gil Boulee entertained local residents at a Fall Social to benefit the library. Although attendance was not as large as was hoped, a wonderful time was had by the folks who did attend.

The library is excited to offer a self check out option to residents. This gives patrons the ability to use the library whenever the Town Hall is open. Please follow the directions

posted in the library.

Trustee Susan Foster attended the New Hampshire Library Trustee Association conference in Conway, New Hampshire.

William Compton of Deering refurbished the benches that are placed in front of the school house.

Painting on the southeast side of the schoolhouse was completed.

A music and literacy concert with Amy Conley and her puppets was sponsored by the library during The Guild Fair in August.

We would like to recognize and thank Judy Wood, our volunteer librarian-director. Judy's ability to match patrons up with books and her dedication to volunteer the many hours needed to keep our library open and accessible to the public is much appreciated. Judy's enthusiasm for everything Deering is a tremendous asset.

Planning Board 2008 Annual Report

A total of four subdivisions and one lot line adjustment were acted on by the Deering Planning Board in 2008.

In particular, a four-lot subdivision on Mt. View Lane took up the good part of the year because the proposal was located on a Town designated "Scenic Road" and also presented some site stormwater challenges.

A six-lot subdivision on Homestead Road resulted in a recorded conservation easement of approximately 220 acres. Another two-lot subdivision on Old County Road resulted in another 100 acres that was put into conservation easement.

The Planning Board also reviewed some conceptual development proposals within the Deering Lake Watershed Protection District.

Conceptual reviews held by the Planning Board are an important component of the planning and zoning process and are required by Deering's planning and zoning regulations. All such examinations are non-binding discussions held between the Board and landowners or developers. The goal is to outline potential issues that might arise during the formal subdivision application process. Sometimes development proposals are changed and other times dropped altogether. In every case, however, when a formal subdivision application is filed after a Planning Board conceptual review, there is a clearer understanding about the scope of the project between all parties.

In the coming months, the Board looks to continue its work on the Town of Deering "Master Plan". Our goal is to update and sustain the important connection between residents' wishes and the future growth of our town.

The current Planning Board is made up of a group of volunteers with a broad range of backgrounds and expertise. We don't always agree, which makes for thoughtful and weighty discussion on every development proposal that comes before us. The effort and knowledge of Planning and Zoning Administrator Craig Ohlson is also extremely helpful. The Board welcomes interested residents to participate in the process.

Robert Compton, Chairman

FY2008 Annual Report Narrative

Another year has passed for your Police Department, and it has been busier than ever. Since taking over the reins as your Chief of Police more than six and a half years ago, your police officers have continually become busier and busier. In FY2006 we concluded the year with a (then) record high of 95 arrests while in FY2007 when the Department was short-handed for the majority of the year, we still conducted 76 arrests.

This year, in FY2008, our activity has exploded, and we answered or conducted over 4600 "Calls For Service," including more than 130 arrests and over 1,500 motor vehicle stops. Many people have asked me why our arrest activity has increased, wondering if the problems are specific to certain types of crimes or certain areas. The simple explanation is that no, our statistic show that there was no identifiable trend in types of criminal acts or in the specific area of town. Our statistics actually show a very broad base of crime spread evenly throughout the town, with, as usual, about 50% (or slightly more) of the arrest activity being "self-generated" through attentive and aware police officers on patrol, and the other 50% (plus or minus) of arrest activity attributed to complaints being filed that led to investigations and arrest closures.

Additionally, during FY2008 our department utilized over 200 hours of Grant Based overtime patrols, effectively increasing our coverage at no cost to the town, and identifiably increasing the self-generated arrests by having extra officers working patrol during higher traffic periods and higher criminal activity periods. We also spent many hours investigating serious offense complaints, including several sexual assaults, child abuse allegations, and drug cases, including the seizure of the fruits of marijuana cultivation. We continue to promote an open, accessible, and helpful police department, by trying to focus on providing general service to our citizens in addition to our law enforcement responsibilities.

It was with pleasure that we welcomed Part-Time Patrol Officers Lisa Censabella and Mark Philibert to our ranks during the last quarter of 2008. Both officers come to us with several years of experience as full time officers in other agencies. As we enter 2009 Officer Chris Parsons will be assigned for 15 weeks to the Full Time Police Academy to gain his certification.

A primary factor in our problem retaining (especially) full time officers in the Department for more than 1-2 years is the extremely low rate of pay compared to other agencies. Right now a newly certified Deering Police Officer can "jump ship" to four or five of our six neighboring towns and receive a \$10K-\$12K instant pay raise, plus an additional \$5K+ in overtime. With a full time officer replacement (to gain certification and field training) lasting 9-12 months and costing \$35K or more, it has cost the Town of Deering approximately \$105K (or more) to hire and train the three Full Time Patrolmen we have had to certify in the last six years.

While I know that we have all entered into a national recession, this problem is not

going to go away by wishing it so. Though I cannot promise, I believe our officers would in fact stay longer, perhaps 4-5 years rather than two, if we had a more competitive pay scale. Doing so, the town could conceivably SAVE \$35K-\$70K over a four or five year period, while maintaining a more stable and familiar police force. At some point we should allow reasonable consideration to this problem by allowing this question to be placed in front of the people at Town Meeting.

As always, I urge all residents and citizens to be active participants in our crime fighting and safety initiatives by acting as additional "eyes and ears" for our Police Officers. We continue to be staffed on a standard shift with only one officer working, and he/she obviously cannot cover all 36 square miles of town at one time. We rely upon you to let us know when things seem wrong or out of place so that we can investigate and hopefully dispel problems or take the necessary action when problems do arise.

Hillcat L.E. Explorer Post 612

c/o Deering Police Department 762 Deering Center Road Deering, NH 03244 (603) 464-3127 (603) 464-2677 (fax)

email: deeringpd@conknet.com

Advisor: Chief James Pushee / Ofc. Christopher Parsons

2008 Annual Report Narrative – Hillcat Police Cadet Post #612

The Hillcat Explorer Post #612 is a Law Enforcement Exploring® organization sponsored by the Deering Police Department as a Volunteer In Police Services committee. We are chartered through the Daniel Webster Council of the Boy Scouts of America. The group consists of young adults, (both male and female) between the ages of 14.5 and 21 years old, who have expressed an interest in learning about Public Safety Services and Law Enforcement in general. The members of Hillcat Post #612 meet on a bi-weekly basis, but also participate in various other additional training sessions, state and local events, community service projects, a summer Cadet Training Academy, and more.

The year 2008 was one of ups and downs in many areas for the Hillcat Police Explorer Post #612. First, the original Advisor for Post #612, Part Time Police Officer Nicholas Hodgen, resigned his position citing the extraordinary amount of time necessary with organizing and running this group, and the conflicts created with his family and full-time work schedule. Chief Pushee, who has been involved with Exploring on a local and statewide basis for more than 13 years, took over the task of Head Advisor, and is also assisted by Officer Chris Parsons. As is often the case with such groups, there is seemingly a near constant ebb and flow of membership. At times during 2008 the Hillcat Post #612 had as many as 9 active members, but currently we are down to 4 truly active members, with another one or two members who attend events only occasionally.

During 2008, we conducted more than 30 training sessions in Drill & Ceremony, Defensive Tactics, Firearms, Use of Force principles, Radar Speed Measurements, handcuffing, expandable batons, pepper spray, building searches, physical training, and much, much more. Several of our members also attended the 2008 session of the NH Police Cadet Training Academy, and we sent members to outside training events with the National Guard and other Cadet Posts.

The Hillcat Post 612 Cadets sent a team to the Annual Police Cadet Competition Weekend, where Chief Pushee and the Deering Police Department sponsored the Building Search/Use of Force Decision Making test scenarios. The Hillcat Post #612 competition team won First Place in Use-of-Force Decisions and took Fifth Place overall in the competition, which was attended by 10-12 teams from Cadet Posts throughout Northern New England.

A primary focus of the Hillcat Cadet Post is Community Service, by assisting the Police Department and other local community agencies with events. In 2008 our Cadets provided over 260 man hours of volunteer community service work. These tasks included events in Deering, Hillsboro, Washington, and other towns. Specific events included sponsoring a kids Bike Race and Rodeo, helping with a Youth In Action event, providing traffic control and security services at public events such as a large Exhibit at Camp Morgan, Balloon Fest in Hillsboro, a Mountain Bike Race in Deering, and more. The Cadets also work community relations events and traffic control at most Deering Town Functions, such as Town Voting and Town Meeting, Public Safety Day events, and more.

Members of Post #612 were also detailed to work as victims and actors during several different police and fire/rescue training events in the local area.

In the 2008 Budget, the Deering Police were provided with \$250 towards helping administer this program. This tiny budget amount accounts for the annual rechartering costs with the Daniel Webster Council, which provides insurance and access to events and assistance for the Hillcat Post #612. In 2008 though, Post Members had to raise, either by paying their own way, or by earning money with a booth at Balloon Fest, or otherwise receiving private donations, almost \$3,000.00. The Police Cadet Academy alone costs \$150 for each attendee, and the Annual Competition costs \$85-\$100 for each Cadet on the team, as well as food and transportation costs. Additionally, while the Cadet individually buy their own uniform pants and boots, the Post itself is responsible for funding the purchase of the shirts, caps, jackets, traffic safety vests, hi-power flashlights, equipment duty belts, and other training gear.

If you would like to learn more about the Deering Police Department's Hillcat Police Explorer Post #612, you can call Chief James Pushee or Officer Christopher Parsons at the Police Department, or visit the Learning For Life/ Exploring websites online for more generic information about these programs. We would love to have new members join, so if you know of any young adults who have might have an interest, please let them know about our Cadets Post.

SUPERVISOR OF THE CHECKLIST 2008 REPORT

Barbara Cavanaugh, Chair Eleanor Fitzpatrick Joan Burke

Deering resident voters, as well as the entire state of New Hampshire, were called upon to cast their ballots four times making 2008 a very busy year. The four elections included the Presidential Primary on January 8th, the Local Election followed by Town Meeting March 11th and 15th, the State Primary on September 9th and the State General Election on November 4th. Deering residents turned out in record numbers and over 250 new voters registered this year. The following table below indicates the number of Deering registered voters per election, the number voting and the percentage.

ELECTION TYPE	# REGISTERED VOTERS	# VOTED	%
Presidential Primary	1297	797	62
Local Election	1276	328	26
Deering Town Meeting	1269	102	8
State Primary	1262	208	16
State General Election	1403	1054	75

Respectfully submitted,

Barbara Cavanaugh Chair

Town Administrator Planning & Zoning Administrator Building Inspector/Code Enforcement Officer Forester/Health Officer Deputy Fire Warden 2008 ANNUAL REPORT

TOWN ADMINISTRATOR

As Town Administrator, I supervise all departments within the Town and work closely with all department heads to ensure compliance with Town policies and procedures. Under the supervision of the Selectboard, I am directly responsible for overseeing the numerous day-to-day functions of the Town. Additionally, I assist the Selectmen and Town attorneys on all contract and legal issues.

PLANNING & ZONING

As Planning & Zoning Administrator, I assist the Planning Board in the review of all subdivision, and site plan applications as well as reviewing and updating the subdivision regulations and zoning ordinance. This also includes working closely with the Central New Hampshire Regional Planning Commission. Other functions include providing assistance to applicants with the permitting process, coordinating site visits and making recommendations to the planning board to insure compliance with all town and state regulations. I also work closely with several state agencies such as the Department of Environmental Services, the Department of Health and Human Services and the Department of Transportation.

I assist the Zoning Board of Adjustment with the review of Special Exceptions, Variances and Equitable Waivers of Dimensional Requirements. The assistance provided to the Zoning Board is similar to the assistance I provide the Planning Board.

BUILDING INSPECTOR

The Town of Deering once again saw a decrease in the number of single family permits issued for 2008 compared to previous years. In 2006 the Town adopted the 2003 International Building Code.

The Town received 31 building permit applications in 2008. The 2008 Building Permit Applications break down as follows:

Singe Family Residence	4
Additions/Renovations	5
Garage/Barns	2
Porches/Decks	11

Sheds 4
Pool 1
Signs 2
Demolition 1
Cell Tower 1

With the issuance of the above permits, I performed approximately 180 building inspections. These inspections include: Initial site inspection, foundation inspection, bed bottom inspection (which is inspection of the leach field bed prior to construction of the leach field), rough-in inspection (this involves the review of electrical, plumbing and structural compliance), insulation inspection to insure insulation is installed properly and final inspection which is generally the last inspection prior to the issuance of a certificate of occupancy.

TOWN FORESTER

As the Town Forester, I review and monitor timber intent to cut permits. This includes both monitoring the volume of timber cut as well as assuring that the Best Management Practices are adhered to which requires several onsite inspections. In 2008 13 intent to cut permits were processed.

CODE ENFORCEMENT

This involves the enforcement and compliance of the codes and ordinances that have been adopted by the Town. In 2008 this included the physical clean up of a property in town including working very closely with several other land owners with the clean up of their properties. Several district court appearances become necessary when voluntary compliance with the regulations fail.

HEALTH OFFICER

As health officer, I perform inspections related to failed septic systems and other health and safety issues for both commercial and residential properties.

Respectfully Submitted,

Craig E. Ohlson

Town Clerk/Tax Collector's Report for 2008

The year will be known as the Year of the Ice Storm by our residents, I am sure. We are thankful for the blessings of generosity as neighbor helped neighbor and for the providential instincts of country folk that helped many be prepared for such a disaster. "Business as usual" is difficult to conduct under such circumstances, but we closed only the initial day of the storm and were open for our normal hours under the very abnormal conditions of the storm (no phones, no internet connection to DMV and Vital Records, sometimes no power except for the Town generator which made it necessary to turn off the computers). I am proud of how our Town employees and our Townspeople handled this dire emergency.

This has been another year of changes. We have new staff, increased hours, and Internet capabilities beyond what was imagined in years past. Without a doubt, the Town Clerk/Tax Collector's office is running at a level more efficiently and effectively than ever before. Linda Winters left the deputy position to take full time employment at another job. Sharon Farmer was appointed in her stead. Additionally, Annette Poland joined us as Assistant Clerk. With three working, we have been able to shift our hours so that we are here longer on Wednesdays (till 5:50 PM) and every Saturday morning from 9 to 10:50 AM. In an attempt to stay within budget, I cut the hours of the Tax Collector to Mondays, Wednesday till noon and Thursdays. If you wish to speak with the Tax Collector you need to come or call during those hours, but Tax payments can be accepted any open hours.

Going On-Line with the State DMV turned out to be a mammoth undertaking. Overcoming the difficulties of meshing the new software with that of the DMV, and learning the new procedures was complicated by a record-setting volume of business during the start-up month. This resulted in the infamous long lines and waits. We apologize! The systems are working well now and most of the glitches are gone. Now we do initial plates, moose plates and most other types of plates, and overweight vehicles up to 26,000 lbs. Vital Statistic operations have also continued via the Internet so that certificates for recent births, marriages and deaths can be obtained here even though they were initially filed elsewhere in New Hampshire.

We had an incredible election year for 2008 with a Town Election, State and Presidential Primaries, and the Presidential and General Election. Advances in voter registration, and in voting have been implemented, mostly through increased work by your Supervisors of the Checklist and your Town Clerk. The Election-Net (Statewide voter registration system) added work but made it easier for every citizen to have their vote counted while the system became more impervious to voter fraud. Statistics from the November election showed that more people than ever voted in Deering: 1,054 total votes cast.

The Moose grant won last year for restoring and conserving the Town Clerk records was realized this spring when the completed work was returned to our office from the restoration company. The result is amazing, and you should be proud of these books containing detailed history of our Town. Now the books can safely be handled and viewed without fear of either destroying the precious pages or in suffering the effects of exposure to spores and dust. Additionally, this history is preserved on microfiche, CD and DVD which makes reading and deciphering the content easier. The success with that Moose Plate grant from the Division of Libraries encouraged our office to apply for a similar grant under the New Hampshire Council for the Arts to pay for restoration and conservation of our Town Stage Curtain. We got it! This resulted in a savings as the expenditure for that work had been approved at Town Meeting.

The increased accounts and amount of the tax warrant, plus the increase in the number

of dog licenses, car registrations, and voter registrations testifies that our Town population is still growing. As Deering grows and advances are made, change is inevitable. One thing that will remain constant in the coming year is the pleasure that Sharon, Annette and I take in working for and with the people of our Town. Thank you for your patience with us as we sometimes struggled through the learning period with the State On-line system. We look forward to continuing seeing you and in helping you with whatever you need our offices to do.

Nancy Cowan, Town Clerk/Tax Collector Sharon Farmer, Deputy Town Clerk/Tax Collector Annette Poland, Assistant Clerk

REPORTS

Welfare Report

As the economic crisis increased in the area, the Deering residents found assistance with electrical, heating fuel, emergency food and medications at the local Welfare Department. The 2008 Welfare Budget was \$15,000 with expenses by the end of the year adding to the amount of \$19,006.67. The highest increase in the 2008 budget was found in the areas of fuel, utilities, and emergency food assistance.

Zoning Board of Adjustment Annual Report for 2008

In March 2008 the Town approved a rewritten and modernized zoning ordinance, ending a \$10,000 Planning Board project approved in 2006. Members of the ZBA provided some assistance in this project, but the ZBA's primary function in the scheme of Town government is not to write, but to interpret, the ordinance — to hear and decide appeals by landowners who feel that they have been aggrieved by the regulatory authorities or by the literal enforcement of provisions of the zoning ordinance. The ZBA's meetings are normally held at the Town Hall at 7:00 P.M. on the fourth Wednesday of each month.

Despite the changes to the ordinance, 2008 was a relatively uneventful year for the ZBA. Only two matters were brought before the Board by landowners. Both involved properties on Deering Reservoir that, owing to very steep slopes, had difficult access to the waterfront. The landowners in each case wished to construct stairs to allow safe access from their homes to the waterfront. Because the zoning ordinance prohibits virtually any construction within fifty feet of the lake, variances were needed before these two projects could proceed.

In both cases, the Board felt that the projects were in keeping with the spirit of the ordinance and that the criteria for variances had been satisfied in all respects. The complete notices of decision discussing the Board's reasoning in each case are available at the Town Hall.

The positions of Town Administrator & Police Chief are salaried positions. All other employees are paid by the hour.

All of the above are hired Town employees, subject to the Town's current revised Employee Policies and Procedures. All Performance reviews are given in July. Raises are based on merit and in accordance with the labor grade and wage scale indicated for that position.

Employees change labor grades only if the level of responsibility for that position has justifiably increased. We then contract the services of the LGC to conduct a study of the current position or new position to justify the change in labor grade and increase in the wage schedule. Periodically, the Board of Selectmen updates all the job descriptions and the wage schedule to ensure fair and equitable compensation for duties and responsibilities and to ensure the efficient operation of the Town.

ROLES AND RESPONSIBILITIES OF ELECTED OFFICIALS

You are encouraged to participate in you local government by attending meetings, by contacting your local officials to voice your views, and by running for office yourself. For updated information about current members and vacancies, see www.deering.nh.us. To become a candidate for Town office, file at the Town Clerk's Office at least 40 days prior to the election, as announced in the newspaper. All contestants for local positions run without party identification. Some elected officials receive nominal stipends.

The Board of Selectmen: so named because members are selected on Town Meeting day—performs the Town's executive functions for the rest of the year. The three members are elected for staggered three-year terms, The Select Board implements Town Meeting decisions, appoints members of Town boards and commissions to help them in their work, hires Town personnel, and serves as administrative head of all Town departments. All Select Board meetings are open to the public. Meetings take place on Monday mornings at 8:30am, and on the 1st Wednesday evening of the month at 7:00pm on the second floor of Town Hall. Select Board meeting agendas are posted before each meeting and on the Deering website, www.deering.nh.us. After each meeting, the approved minutes are available on the Deering website.

The Moderator: The Moderator is elected every two years to (1) preside over Town Meeting, and (2) preside at voting polls. Although the Moderator presides at the Town Meeting, the Select Board chair presides at Select Board meetings.

Supervisors of the Checklist: Three (3) Supervisors are elected for staggered six-year terms. Supervisors register voters and maintain a checklist containing the names of all qualified voters. They meet before elections and are present at all elections to register new voters and record changes in party affiliation

Town Clerk/Tax Collector: The Town Clerk/Tax Collector, who serves an elected three-year term, assists at all elections and Town meetings, together with the Supervisors of the Checklist. This position is assisted by a paid Town employee, the Deputy Town Clerk/Tax Collector, who works in the Town Hall. This office handles voter registration, vital records, auto registrations, and tax payments.

The Treasurer: The Treasurer, who serves a three-year paid term, is responsible for receipt and disbursement of Town Funds and the short-term investment of excess funds.

The Trustee of Trust Funds: These three (3) trustees, who serve three-year terms, have custody of and are responsible for the investment and determination of what income is available from private and public trusts, including private cemetery and burial lot trusts, and any reserve funds established by the municipality. The Trustees transfer trust income in response to vouchers received from the designated agents to expend. The Trustees must abide by certain investment restrictions and surety bond requirements. (RSA 33:25 and 41:6).

The Library Board of Trustees: These three (3) Trustees, who serve three year terms, have the entire custody and management of the public library and of all the property of the municipality relating thereto, except library funds held by the municipality.

The Cemetery Trustees: These three (3) Trustees, who serve three-year terms, have authority over the day-to-day maintenance and care of the public cemeteries and maintain the records of each lot location.

2008 TOWN MEETING

The Moderator called the meeting to order at 9 AM, Saturday, March 15, 2008, at the Town Hall of Deering. The meeting began with the Pledge of Allegiance followed by a moment of silence in memory of Deering's citizens who had died the past year and also to remember those members of the Armed Services serving our country in combat areas. The assembly then was called upon to sing the first verse of the song, America. The Moderator followed by introducing the Board of Selectmen and the Town Clerk/Tax Collector. Michelle Johnson was given the floor and she announced the dedication of this year's Town Report to Beverly Yeaple in recognition of Miss Yeaple's lifelong devotion and dedicated service to the Town of Deering. Ms. Johnson recognized the volunteer work of Chuck Gaides who is retiring from his position as head of the Budget Advisory Committee. She also drew attention to the retirement from Trustees of the Trust Fund on Tom Copadis and thanked him for his selfless and outstanding service to the Town. She recognized Peter Beard for his twenty-five years of service with the Deering Highway Department. The Moderator announced that he would like to take time to honor a citizen of Deering who had passed on in the last year. Tom Copadis was called upon to speak on Cee Safford, a ballot clerk for Deering elections for nearly twenty eight years. Tom spoke warmly and well of his association with Cee and of her dedicated assistance to the Town as well as her non-partisan welcoming of every person to be elected a selectman. At this time the Moderator announced the results of the Town Meeting Election held on Tuesday, March 11, 2008.

Moderator for Two Years John Lassey 266 votes (unopposed)

Selectman for Three Years Michelle Johnson 161 votes

Other candidates were Doris Beane with 87 votes and Ray Farrell with 72 votes.

Town Treasurer for Three Years Stuart Huggard 279 votes (unopposed)

Supervisor of the Checklist for Six Years Eleanor Fitzpatrick 281 votes (unopposed)

Library Trustee for Three Years Susan Foster 269 votes (unopposed)

Library Trustee for Two Years Susan Bearor 282 votes (unopposed)

Trustee of Trust Funds for Three Years Marc Albert 6 votes (written in)

Cemetery Trustee for Three Years Terry Verville 16 votes (written in)

ARTICLE 2: To approve of the reformatting of the Town of Deering's Zoning Ordinance, whose purpose is to reduce inconsistencies and provide public understanding.

Passed with 244 yes votes to 80 no votes

ARTICLE 3: (To Establish a Municipal and Transportation Improvement Capital Reserves Fund to be applied to Road Maintenance) Shall the Town vote to create a Municipal Transportation Improvement Capital Reserve Fund and to collect an additional fee on motor vehicle registrations in the amount of \$5.00 in addition to any other motor vehicle registration fees, for the purpose of funding wholly or in part improvements in the local and regional transportation system in accordance with RSA 261:153 VI (a). Such funds would be used for improvements to roads, bridges, bicycle and pedestrian facilities, parking, etc. and to name the Board of Selectmen agents to expend. The additional fee shall be collected from all motor vehicles, both passenger and commercial, with the exception of all terrain vehicles as defined in RSA 215-A:1, I-b and antique motor vehicles or motorcycles, as defined in RSA 259:4.

Passed with 197 yes votes to 125 no votes

ARTICLE 4: (To adopt SB 2) Shall we adopt the provisions of RSA 40:13 (known as SB 2) to allow official ballot voting on all issues before the Town of Deering on the second Tuesday of March?

Defeated with 171 yes votes to 150 no votes (failed to attain 60% majority)

The Moderator then gave the Deering results in the Hillsboro/Deering School District Ballot. (please see attached copy of Hillsboro-Deering School District Ballot for results

of votes cast in Deering.) Next, the Moderator explained the rules of order, asked that the elected officials come to him for swearing in following the meeting, and called for a motion that Town employees not residents of Deering be allowed to take the floor in discussion pertaining to their departments. Such a motion was made, seconded and passed. (These were Police Chief James Pushee, Fire Chief Andy Anderson, Town Administrator Craig Ohlson, and Administrative Assistant Beth Rouse.) The Moderator announced that the first order of business should be to amend Article 8 into a form that would allow it to be voted upon at Town Meeting. The amendment from J.P. Marzullo was: To Amend Article 8 to Exclude the word "not" from the last sentence of the article. The amendment was required, said the Moderator, so that it would no longer require a 2/3 majority. A discussion ensued as to why an escape clause was needed. The answer was that rates could change to favor leaving the prior agreement. The motion to amend was made, seconded and passed in a vote. A motion was made to delay deliberation on Article 8 until Peter Beard (who was out plowing town roads because of the snowstorm) was there to help address questions. That motion was seconded, voted upon and passed.

ARTICLE 5: (To accept the Town Reports)

To see if the Town will vote to accept the 2007 reports of the Town officials, agents, and committees, and to accept the 2006 auditors report. Moved and seconded. There was a question as to why there was an increase of \$9.223 (see page 21) and the answer was that Tax Collecting costs went over what was expected, that the auditing services had cost more as well. Another question about the MS-61 on page 36 was explained that you need to read the entire three parts in order to reconcile...that the first part reflects amounts prior to any billing being done for the year in question. The vote was taken and the **AYES HAD IT**.

ARTICLE 6: (To Appropriate Operating Budget Funds for the Fiscal Year 2008) To see if the Town will vote to raise and appropriate the sum of ONE MILLION, FIVE HUNDRED EIGHTY THOUSAND, EIGHT HUNDRED SEVENTY ONE DOLLARS (\$1,580,871) for the purpose of general municipal operations. The question was moved and seconded. It was decided to cover the line items one by one.

- 01) The Executive amount of \$180,500 was voted upon. The AYES had it.
- 02) Election and Registration of \$30,982 when voted, the AYES had it.
- 03) Financial Administration of \$64,988 when voted, the AYES had it.
- 04) Revaluation of Property at \$2,500 caused some discussion with a question about it being for a revaluation. The Board of Selectmen explained that it was mis-titled. It is more accurately described as Tax Map Update. **The AYES had it.**
- 05) Legal Expenses generated a question as to whether it was legal expenses or code enforcement expenses. The answer was "Both". More explanation was that the figure was the same as last year except that the prosecutor's contract had moved to this line item. The amount is for contracts and does not pertain to any civil litigation matters. **The AYES had it.**
- 06) The Moderator who is chair of the Zoning Board recused himself for the next line item and handed the floor to Chuck Gaides to present the Planning and Zoning amount of \$18,913. **The AYES had it.**
- 07) The moderator returned to preside over line item General Government Buildings for \$35,518. **The Ayes had it.**

- 09) The line item Insurance not otherwise allocated was explained to be Workmen's Compensation. This line item was for \$15,821. **The AYES had it.**
- 10) Central NH Reg. Planning Comm. & LLC amount was for \$3,565. **The AYES had it.**
- 11) Selectman Dan Donovan asked Jim Pushee, Police Chief, to present the Police Department line item in the amount of \$ 200,668. Chief Pushee explained that most of the increase resulted from wages. It was explained that the figured incorrectly. Jim Greene moved for an amendment to reduce this line item by \$3,800 to the amount \$196,868. The motion to amend was seconded and the line item passed as amended. **The AYES had it.**
- 12) The Ambulance line item was \$13. There was a motion to amend to \$14. The motion was seconded and the line item passed as amended at \$14. **The AYES had it.**
- 13) The Fire Department line item of \$68,172 was addressed by Fire Chief Andy Anderson. **The AYES had it.**
- 14) The line item Emergency Management for \$500 passed. The AYES had it.
- 15) Chief Pushee was called upon to address the line item Dispatch Services (Police, Fire/Rescue & Highway) for \$33,051. **The AYES had it.**
- 16) The Highways line item for \$550,475. After moved and seconded, there was an amendment brought forward to amend the amount by an increase of \$25,000 to \$575,475. This motion was seconded and brought to a voice vote which proved inconclusive. Voting was undertaken again by a show of hands. The Nays numbered 24. The Ayes numbered 62. **The Ayes had it and the amount as amended was then to be voted upon.** At this point, there was another amendment to reduce the amount by \$75,000. This motion was seconded but was defeated in a voice vote. There was an amendment moved and seconded to designate the added \$25,000 as follows: Overtime, \$10,000 and Equipment, \$15,000. This was voted upon and the amendment designating the additional \$25,000 into two amounts to be used for two specific purposes **passed.** The amended amount of \$575,475 was then voted upon. **The Ayes had it.**
- 17) Next was the line item for Street Lighting at \$2,872. It was moved, seconded and voted upon. **The AYES had it.**
- 18) The next was Solid Waste Disposal at \$118,605. It was moved, seconded, voted upon with the **AYES having it.**
- 19) Health Agencies and Programs was for \$20,773. It was moved, seconded, and voted upon with **the AYES having it.**
- 20) The Direct Assistance (Welfare) line item amounted to \$15,000. It was moved, seconded and voted upon with the **AYES having it.**
- 21) The Parks and Recreation Programs amount was \$35,953. It was moved and seconded. Prior to voting upon the amount, Jon Stuart suggested that a committee be formed to establish a Deering Recreation Program. When the vote came, **the AYES** had it.
- 22) The Library line item was for \$2,350. Moved, seconded and voted upon, **the AYES** had it.

- 23) The Conservation Commission line item amounted to \$2,256. Moved, seconded and voted upon, **the AYES had it.**
- 24) Bonds & Notes: Principal line item was \$74,769. Moved, seconded and voted upon, **the AYES had it.**

01	Executive	\$ 180,500
02	Election and Registration	\$ 30,982
03	Financial Administration	\$ 64,988
04	Revaluation of Property	\$ 2,500
05	Legal Expenses	\$ 29,690
06	Planning and Zoning	\$ 18,913
07	General Government Buildings	\$ 35,518

25	Bonds & Notes: Interest	\$ 25,085
26	Interest of Tax Anticipation Notes	\$ 100
27	Capital Outlay (Payments on Leases)	\$ 32,827
	TOTAL	\$ 1,602,072

As the total had changed the article was read again.

ARTICLE 6: (To Appropriate Operating Budget Funds for the Fiscal Year 2008) To see if the Town will vote to raise and appropriate the sum of ONE MILLION, SIX HUNDRED TWO THOUSAND, SEVENTY TWO DOLLARS (\$1,602,072) for the purpose of general municipal operations.

The question was moved and seconded. Voted upon, the AYES had it.

ARTICLE 7: (**To Add funds to Previously Established Trust Funds**) To see if the Town will vote to raise and appropriate the sum of TWO HUNDRED SEVENTY NINE THOUSAND, TWO HUNDRED DOLLARS (\$279,200) to be added to the previously established Trust Funds:

The article was read, moved and seconded and then taken line by line before a vote on the total amount was held.

- 1)The first line item, Road Reconstruction Fund for \$200,000, was moved and seconded. There was a motion to amend by increasing this amount by \$25,000 to \$225,000. This motion to amend was seconded and voted upon. By a hand vote there were 49 Ayes to 32 Nays. The motion to amend carried to change the amount to \$225,000. As amended, the item was voted upon and **the AYES had it.**
- 2) The next line item was Exotic Weed Control Fund for \$3,500. It was moved, seconded and voted upon with the **AYES having it.**
- 3) The line item Computer System Trust Fund was in the amount of \$2,500. It was moved, seconded and voted upon with the **AYES having it.**
- 4) The Government Building Improvement Fund was in the amount of \$15,000. It was moved, seconded and voted upon with the **AYES having it.**
- 5) The Fire/Rescue Department Vehicle Fund was for \$12,000. It was moved, seconded and voted upon with the **AYES having it.**
- 6) The next line item was Turnout Gear (FUND) in the amount of \$5,000. Chief Anderson answered questions on what the line item was for. It was moved, seconded and voted upon with the **AYES having it.**
- 7) Cemetery Repair/Maintenance fund was next in the amount of \$7,700. It was moved, seconded and voted upon with the **AYES having it.**
- 8) The Town Celebration Fund was in the amount of \$1,000. It was moved, seconded and voted upon with the **AYES having it.**
- 9) The Bridge Repair Fund line item was for \$20,000. It was moved, seconded and voted upon with the **AYES having it.**
- 10) The Highway Department Vehicle Fund was for \$12,000. It was moved, seconded and voted upon with the **AYES having it.**
- 11) The Heritage Commission fund line item was for \$500. It was moved, seconded and voted upon with the **AYES having it.**

The total having changed for Article 7, the Article was read again before voting. ARTICLE 7: (To Add funds to Previously Established Trust Funds) To see if the Town will vote to raise and appropriate the sum of THREE HUNDRED FOUR THOUSAND, TWO HUNDRED DOLLARS (\$304,200) to be added to the previously established Trust Funds

The article was moved, seconded and voted upon with the AYES having it.

In its original form this warrant article had read as follows:

ARTICLE 8: (To Provide Funds for the Lease-Purchase of a Loader AND Back Hoe for the Highway & Streets Department) To see if the Town will vote to authorize the selectmen to enter into a three year lease-purchase agreement for ONE HUNDRED AND NINETY TWO THOUSAND DOLLARS (\$192,000) for the purpose of lease purchasing a Loader and a Back Hoe for the Highway & Streets Department and to raise and appropriate the sum of SIXTY FOUR THOUSAND DOLLARS (\$64,000) for the first year's payment. This lease DOES NOT contain an escape clause.

Having been amended at the beginning of the meeting by a motion that was seconded and voted upon with the AYES having it, the article now has the word "NOT" struck from it. As AMENDED the article now is:

ARTICLE 8: (To Provide Funds for the Lease-Purchase of a Loader AND Back Hoe for the Highway & Streets Department) To see if the Town will vote to authorize the selectmen to enter into a three year lease-purchase agreement for ONE HUNDRED AND NINETY TWO THOUSAND DOLLARS (\$192,000) for the purpose of lease purchasing a Loader and a Back Hoe for the Highway & Streets Department and to raise and appropriate the sum of SIXTY FOUR THOUSAND DOLLARS (\$64,000) for the first year's payment. This lease DOES contain an escape clause. Moved and seconded, the article was voted upon. The AYES had it.

ARTICLE 9: (To Provide Funds for a Highway Department Winter Salt Shed) To see if the Town will vote to raise and appropriate the sum of FORTY THOUSAND DOLLARS (\$40,000) to purchase a Highway Department Winter Salt Shed. Moved and seconded, the article was voted upon. **The AYES had it.**

ARTICLE 10: (To Establish and Provide Funds for a Police Vehicles Expendable Trust Fund) To see if the Town will vote to establish an expendable trust fund under the provisions of RSA 31:19-a to be known as the Police Vehicles Expendable Trust Fund for the purpose of providing funds for future Police vehicles and to raise and appropriate the sum of TEN THOUSAND DOLLARS (\$10,000) to be placed in the fund and to name the Board of Selectmen as agents to expend.

Moved and seconded, the article was voted upon. The AYES had it.

ARTICLE 11: (To Establish a Deering Library Expendable Trust Fund) To see if the Town will vote to establish an Expendable Trust Fund under the provisions of RSA 31:19-a, to be known as the Deering Library Expendable Trust Fund, for the purpose of providing funds for the operation and future expansion of the Deering Town Library, and to raise and appropriate the sum of FIVE THOUSAND DOLLARS (\$5,000) to be placed in the fund, and to name the Library Trustees as agents to expend. Moved and seconded, the article was voted upon. **The AYES had it.**

ARTICLE 12: (To Establish an Office for Elected Town Auditors) To see if the Town will vote to establish an office for Elected Town Auditors. A board of 3 Elected Town Auditors would be elected for three-year staggering terms. The board of auditors shall carefully examine the accounts of the Selectmen, Town Treasurer, Town Clerk, and any other officer or agent handling funds of the Town., at the close of each fiscal year and at other times whenever necessary, and report to the town whether the same are correctly cast and well vouched, in accordance with RSA 41:31 If the Town has adopted an official ballot for the election of its officers the election of a board of auditors shall not take place until the Annual Town Meeting following the Town Meeting at which the provisions of this section are adopted.

Moved and seconded, the article was discussed and then voted upon. The NAYS had it and the article DID NOT PASS.

ARTICLE 13: (To Decrease the Percentage the Land Use Change Tax that goes to the Conservation Fund) To see if the Town will vote to deposit 75% of the revenues collected pursuant to RSA 79-A, the Land Use Change Tax, in the Conservation Fund in accordance with RSA 36-A: 5 III as authorized by RSA 79-A:25 II.

Properly signed by five petitioners who are registered voters, a petition was presented to vote on Article 13 by secret ballot. The article was read, moved, seconded. An amendment was then moved to change the wording of the article as follows:

...amend article 13 to read: To see if the Town will vote to deposit 100% of the revenue collected pursuant to RSA 79-A, The Land Use Change Tax, into the General Fund for the purpose of reducing taxes.

The amendment was read and moved, seconded and voted upon. A vote of Nay was challenged and the moderator elected to go to a secret ballot. The Ayes were 19 to amend. The Nays were 60. The amendment did not pass.

There was lengthy discussion about article 13 in its original and prevailing form. The article, moved and seconded, was voted upon by secret ballot. The Ayes numbered 35. The Nays numbered 42. The NAYS defeated article 13.

At this time there was a motion made, seconded and voted upon to RESTRICT RE-CONSIDERATION of Articles 6 through 13. **The AYES had it.**

ARTICLE 14: (To Provide Funds for the Repair and Preservation of the Town's Curtain) To see if the Town will vote to raise and appropriate the sum of TWO THOUSAND SEVEN HUNDRED AND FIFTY SEVEN DOLLARS (\$2,757) for the purpose of repairing and preserving the Town's Curtain.

Moved and seconded, the article was discussed and then voted upon. The AYES had it.

ARTICLE 15: (To Establish a Historical District Commission) To see if the Town will vote to establish a Historical District Commission under the provisions of RSA 676:8-10 for the protection of the historical and cultural resources of the municipality and to raise and appropriate the sum of FIVE HUNDRED DOLLARS (\$500) for this purpose. The article was read, moved, seconded. Don Johnston rose to explain that the purpose of this article was not to create a historic district, but to form a historic commission. Bob Compton rose as a representative from the Planning Board to move to amend the article as follows:

To see if the Town will vote to establish a Historic District Commission and raise and appropriate the sum of Five-Hundred dollars (\$500) for this purpose.

The amendment was voted upon and passed. The AYES had it.

There was then a motion to amend the article in its amended form to reduce the amount to be raised by the Town to Two Hundred (\$200)dollars. The motion was seconded, but when voted, did not carry. The NAYS had it and the motion to amend by reducing the amount was defeated.

Then came

ARTICLE 16: (To Transact Other Business)

To transact any other business that may legally be brought before this meeting.

The Board of Selectmen expressed their thanks to the Road Crew for their outstanding work in a very trying year. The Board introduced Beth Rouse as the Town's new Administrative Assistant. There was more thanks to Bev Yeaple and Tom Copadis for the years of service given to the Town in volunteer capacities. The Board again recognized Road Agent Peter Beard for his quarter century of serving the Town's Highway Department. A gift in appreciation of this service was given. The Board thanked Doris Beane and Ray Farrell for running for elective office.

Gary Bono spoke up in support of the format of the traditional Town Meeting. Supervisor of the Checklist Eleanor Fitzpatrick spoke up in recognition of the service given the Town by Mrs. Robert (Cee) Safford and requested that Cee be the individual to whom the next Town Report be dedicated. Jane Waters spoke up and asked that a properly

equipped paper towel dispenser be installed in each of the Town Hall restrooms. There was a motion to dissolve the meeting at 3:05 PM. The motion was seconded and voted unanimously. **The AYES had it.**

Respectfully Submitted,

Nancy A. Cowan Town Clerk/Tax Collector Town of Deering
