No. of visits by Superintendent, 33.

The above is a correct report of the schools in the town of Pittsburg. There has been a Spring and Fall term in Districts No. 1, 5, 6, 7, 8, and 9, the past year of 12 weeks, with the exception of No. 5, the Fall term being only 10 weeks, on account of cold weather.

In No. 2, 3 and 4, a Spring and Fall term ten weeks each; also a Winter term of 8 weeks, making a few more weeks in the three districts.

We have been very successful in getting teachers the past year, especially for the winter term.
