

ANNUAL REPORT

175th ANNIVERSARY

Incorporation

State of New Hampshire
In the year of our Lord one thousand seven
hundred & eighty four
An act to incorporate a place called
Perry's town in the County of Hillsborough

Whereas a petition has been presented
to General Court in behalf of the Inhabitants of a
Tract of Land called Perrystown in the Coun-
ty of Hillsborough setting forth that they labor
under great disadvantages for want of an
Incorporation of which public notice has been
given and no objection made

Be it enacted by the Council and House of
Representatives in General Court assembled
and by the authority of the same it is hereby
enacted that there be and hereby is a Town
called and Incorporated by the name of

SUTTON, N.H.

1959

HISTORY OF THE ACT OF INCORPORATION*

It was not unusual in granting townships to call the "tract of land" by the name of some one of the grantees. Perrystown, as Sutton was called, was named after Obadiah Perry, one of their most prominent men, and whose name is at the head of a list of grantees in the charter.

In many cases these grantees did not become settlers, but sold their rights as they had a good opportunity, and had no further interest in the town. It often happened that when the settlers became numerous enough to feel the need of incorporation, they, in their petition, chose some different name for the town. Why the Perrystown people chose the name of Sutton is not known; but the supposition is that Baruch Chase, Esq., a lawyer of Hopkinton, named it for Sutton, Mass., his native town. Mr. Harvey sometimes applied to Mr. Chase for instructions in legal and official business, and he probably felt the need of doing so in this instance, it being a case in which he could not himself possibly have had any experience. Hence arose the opportunity to invite him to stand sponsor for the new town.

Preserved among the papers of Mr. Harvey is the following, which is evidently the first draft of the petition for incorporation, having some erasures and alterations. It is in the hand writing of Mr. Harvey:

"To the Honorable Council and House of Representatives in General Court convened at Concord in June 1783. A Petition of the inhabitants of a place called Perrystown in the County of Hillsborough and State of New Hampshire, humbly pray that the body of land called Perrystown be Incorporated into a Town with all the privileges of other towns in this State by the name of . The disadvantages that we the inhabitants labor under for want of Town privileges in the making and repairing of Highways, and many other disadvantages too numerous to mention causes us to pray to be Incorporated, for which favor we as in duty bound for you shall ever pray."

Previous to incorporation there had been a town organization, we know, as we have the record of its acts, but it was simply a voluntary association of men, not a legal organization. It had no compelling power. Under it no tax could be collected, no road or bridge built, no school supported. All those had to be done by voluntary subscription. These are some of the "disadvantages" alluded to in the wording of the foregoing petition.

Division of the State into Counties.

At the breaking out of the Revolution, the royal governor, John Wentworth, had become obnoxious to the people, simply because he was the royal governor, and, bound by his oath of office, supported the royal cause. He had, however, been very popular, and many of his measures were beneficial and satisfactory, and none more so than that of dividing the state into counties. The bill passed the assembly March 19, 1771, dividing the province into five counties, viz., Rockingham, Strafford, Hillsborough, Cheshire and Grafton. Prior to this, all the courts were held in Portsmouth, and the transaction of legal business was attended with great delay and expense, especially to people living as far distant as Sutton. After the division, each shire town had its share of its own county business.

Sutton was included in Hillsborough County, and therefore under the head of Hillsborough county we henceforth look for the record of all county matters relating to or connected with, till her became a part of Merrimack county at its formation in 1823.

Warning for the First Town Meeting.

The Warning (*Warrant*) for this meeting will be found on a following page. This warrant is the one authorized in the Act of Incorporation of Sutton, and in pursuance of the warning, the meeting was duly held. The officers chosen on that occasion were: Ebenezar Kezar, Moderator; Thomas Wadleigh, Clerk; Jonathan Johnson, Caleb Kimball, Phineas Stevens chosen selectmen and James King, Constable.

*P.P. 95-99 Part I, History of Sutton, N. H. by Mrs. Augusta Harvey Worthen.

INCORPORATION

State of New Hampshire

In the year of our Lord one thousand, seven hundred, and eighty-four.

An act to incorporate a place called Perrystown, in the County of Hillsborough.

Whereas a Petition has been preferred to the General Court in behalf of the Inhabitants of a tract of land called Perrystown in the County of Hillsborough, setting forth that they labor under great disadvantages for want of an Incorporation, of which public notice has been given and no objection made -

Be it enacted by the Council and House of Representatives in General Court assembled, and by the authority of the same it is hereby enacted, that there be, and hereby is a township erected and Incorporated by the name of Sutton, containing all the lands and bounded as set forth in the Charter or Grant of said Perrystown, which is as follows, viz:

Beginning at a Beech Tree on the line of No. 1, so called one hundred and fifty-six Poles due North from the mouth of a Brook which runs into Amsbury River, so called, from thence running North sixteen degrees West seven miles and eighty Poles to a large Hemlock standing on the top of a hill: thence West five degrees South five miles to a Beech Tree marked with stones about it, Thence South sixteen degrees East seven miles and Eighty Poles to a White Oak marked on the line of No. Two, so called, thence East five degrees North five miles to the place begun at.

And the Inhabitants of said tract of land are hereby erected into a body Politic and Corporate, to have continuance and succession forever, and invested with all the powers, and enfranchised with all rights, privileges, and immunities which any town in the State holds and enjoys, to hold to the said Inhabitants and their successors forever.

And Mr. Ebenezar Kezar is hereby authorized to call a meeting of said Inhabitants to choose necessary and customary Town Officers, giving fourteen days notice of the time, place, and design of such Meeting. And the Officers then chosen shall be hereby invested with all the powers of such officers in any town in this State, and every other meeting which shall be annually held in said town for that purpose shall be on the first Monday in March forever.

State of New Hampshire. - In the House of Representatives April 9, 1784.

The foregoing Bill having been read a third time, Voted that it pass to be enacted. Sent up for concurrence.

John Dudley, Speaker.

In Council April 13, 1784. This Bill was read three times, and Voted that the same be enacted.

M. Weare, Pres.

A copy examined by E. Thompson, Secretary.

Warrant for the First Town Meeting
under the
Act Of Incorporation — 1784

“Whereas the General Court of this State have Incorporated us of Perrystown and called us by the name of Sutton and have appointed mee the Subscriber to Call the first Meeting in Said town.

I therefore do hereby Notify and warn all the free holders and other inhabitants qualified to vote in town meetings to meet together at the Dwelling house of Pain Young in Said town on Thursday the twentieth day of this instant May at ten o'clock in the forenoon to act on the following articles viz -

- 1st To Chuse a Moderator to govern said meeting
- 2ly To Chuse a town Clerk for the present year
- 3ly To Chuse three Selectmen for the present year
- 4ly To Chuse a Constable for the present year
- 5ly To Chuse a Committee to Lay out highways for the present year.
- 6ly To Chuse Surveyors of highways the present year.
- 7ly To see how much money you will vote be laid out on the highways the present year.
- 8th To See how much money you will vote to raise to Defray town Charges this year.
- 9ly To See if you will vote to Chuse a Committee to find a Suitable Place to set a meeting House and make a report to the town.
- 10ly to act on any other business that may be thought Proper to act on when meet.

Sutton May 5th 1784

REPORT FROM THE "ROUND ROOM"

The year 1959 marked the one hundred and seventy-fifth Anniversary of the Incorporation of the Town of Sutton, for on April 9, 1784 the House of Representatives enacted a bill to incorporate a place called Perrystown to be a town by the name of SUTTON; and by this Act the "*Inhabitants of said tract of land are hereby erected into a body Politic and Corporate, to have continuance and succession forever, and invested with all the powers and enfranchised with all rights, privileges, and immunities which any town in the State holds and enjoys, to hold to the said Inhabitants and their successors forever*". Thus we started in business as a municipal corporation and within the same boundaries that exist today, a Century and three quarters later! The Sutton of today, however, could not have been imagined by the people of those times, nor could we dare to foresee what the town will be like one hundred and seventy-five years from now!

A brief history of incorporation, and the full text of the Act of Incorporation, are printed on four pages at the front of this Annual Report.

General Financial Condition

The Thumbnail Review of 1959 should make us pause to consider "*where do we go from here.*" Everyone is aware that their tax bill was a bit higher in 1959 than in 1958; the trends indicated in this brief *Thumbnail Review* point out the reasons why. For even though total valuation was up 3.8% the amount to be raised by taxes was up 7.7%, the trends go on and always up. We have pointed out on several occasions that the taxes we pay are nearly 100% dependent on the amount of money that we vote to spend at Town and School Meetings, so we must try to halt this upward trend of expenditures; and try to find the delicate balancing point where reducing appropriations or restraining our desires for additional improvements or services does not impair essential services or make the funds inadequate to pay our bills. We "sailed pretty close to the wind" in 1959; the amount of balances over overdrafts is down 63%, and a decrease in surplus of 22%. It is well to bear in mind that nearly one half of our Assets is composed of unredeemed and uncollected taxes, and while these are probably collectible this amount of what is owed to us is nearly always the same. In other words having collectible accounts is not the same as having cold hard cash in our possession. You will also note that the cash on hand December 31, 1959 does not equal the amounts that we owe. We hope that the delinquent taxes will be coming into the treasury before our obligations become due.

A THUMBNAIL REVIEW OF THE YEAR 1959

	1959	Per Cent Change over 1958
Tax Rate	\$28.50	UP 3.6%
Total Valuation	\$2,494,655.00	UP 3.8%
Amount to be raised by Taxes	\$70,613.76	UP 7.7%
Income from Sources Except Taxes	\$5,957.59	DOWN 5.6%
Interest and Dividends Tax	\$1,736.76	DOWN 30%
Amount Exempt to Veterans	\$17,000.00	DOWN 15%
School Appropriation	\$35,722.00	UP 7.6%
County Tax	\$5,098.00	UP 7.3%
Net Surplus	\$10,119.39	DOWN 22%
Net Balance of Appropriations	\$1,354.55	DOWN 63%
Uncollected Taxes Poll, Property, Yield	\$17,003.84	UP 3.2%

While this is not a "bad" financial picture, it is not as "good" as it has been, we do not like to see the shrinking surplus, nor to be as close to the wind as we have been this year.

On the brighter side, the town has gained in physical assets in 1959 which is in part a reason for a less glowing financial report. The remodeling of the Town Hall and the purchase of a new road grader are two major capital investments that we have made this year. The truck indebtedness is paid, and the last Fire Department equipment note has been met; leaving only two notes for the grader and these will be paid in full by 1961. In addition to this we have laid aside \$2,000.00 for new equipment and \$1,000.00 for bridge construction.

Highway Department

It was voted at last town meeting to purchase a grader for highway use. It was decided to buy a Diesel powered four-wheel drive Austin Western which was thoroughly reconditioned and painted. This unit has given our highway department exceptionally good service and has also been a fine piece of extra equipment for snow removal this winter. . . . The highways leading from State Route 114 to Bull Bridge and South Newbury and from 114 to the town dump were in a bad and dangerous condition. Both of these short highways have been graded and resurfaced and an agreement made with the State Highway Department to oil these approaches at no cost to the town. . . . Duncan Fund money was used to rebuild and repair bridges, cut bushes and to grade and oil new and old highways. . . . The 1.4 miles of highway on the South Sutton to Roby Corner road was re-surfaced, rolled and oiled. The balance of the TRA funds were used to extend this highway. As this new road was a bad stretch of crooked road not much distance was made due to the cost of rebuilding some of the bad curves and also the cost of large culverts. When this highway is completed it will provide a fine, safe, short cut to all Sutton people going to and from Concord and to the East and South.

Town Hall

All comers to the Pillsbury Memorial Town Hall are given a special invitation to inspect the newly remodelled dining room and kitchen. This project is practically finished with the exception of the floors. Two new oil-burning forced hot air furnaces have been installed including a one thousand gallon outside oil tank together with necessary rheostats and regulator controls. The larger furnace unit is used to heat only the main hall and the smaller furnace to

heat the kitchen, rest rooms, dining room, stairway, front hall and Selectmen's room. A completely new lighting system has also been installed in the kitchen, dining room and Selectmen's room. The Sutton Women's Club donated a new electric kitchen range and many utensils. This group of ladies have also given much time in decorating which has added much to the overall appearance. The remodelling committee should feel justly proud of their accomplishment.

Fire Department

For some time the Selectmen have used their efforts to establish a dependable fire department but for many reasons were not successful. It should be understood that this was not the fault of the appointed fire wards, but for lack of a central authority. After the Ayei fire we fully realized that either the fire department would have to be fully reorganized or discontinued. After consulting with several of our town's citizens we decided to again try to re-establish a fire department. A public meeting was held at the Town Hall for the purpose of considering a reorganization. A fine crowd attended and were requested to ask any questions and make any suggestions. It was explained that any vote taken had no legal status but that the Selectmen did have the authority to make appointments and recommend the payments of necessary bills. It was also stated any action taken at this time could be reviewed at town meeting. Earl Rowe agreed to accept the appointment as chief of the fire department and immediately started a reorganization. Assistants were elected and other members of the department were assigned to special duties. The rolling equipment has been reconditioned and it is ready to move on call. The building has been revamped and made spotless. The personnel of the department show great interest and deserve much credit.

An article will appear in the town warrant to consider the purchase of a siren for Sutton Village, and to dispose of any surplus fire equipment. It was stated at the meeting and again we repeat - the success of this undertaking remains with the people of our town. If we wish an efficient fire department, we as individuals must support it.

Cemeteries

As proposed last year the town voted the sum of five hundred dollars for construction of the expanded North Sutton Cemetery, and a like sum was also transferred from the Fisher Yard Fund, making a total of one thousand dollars available for the above

project. About one-third of this land has been bulldozed to a depth of about four feet and all large boulders removed. New loam has been piled and this will be applied this spring as soon as the weather permits.

Due to the sandy soil and lack of any shade it is almost impossible to grow any vegetation at the Millwood Cemetery. Many suggestions have been made by people who have interests in this cemetery and we suggest that the sum of five hundred dollars be raised by vote of the town and any available Cressey Yard fund interest be used to install a water system for summer use here.

An additional sum of one hundred dollars should be included in the regular Cemetery appropriation for renovation of the old Gore Cemetery.

Supervision of cemetery work at North Sutton this past year has been under the direction of the Trustees of Trust Funds and we recommend a continuation of this authority. A big "thank you" should be given the Trustees by the town for their services.

New Building

At last year's annual town meeting it was voted that the Selectmen present a report this year on the advisability of construction of a new town building to house the highway and fire department equipment and to consider the purchase of a new school bus. The selectmen appointed additional committee members as follows: George G. Wells to represent the School Department, Nelson M. Adams to represent the Highway Department, and Earl A. Rowe to represent the Fire Department.

The size of a building to meet the requirements of all the departments, type of construction and location were considered. Building in other towns were inspected and the Selectmen consulted as to their costs. Due to the outstanding school bonds and for various reasons it is generally considered inadvisable to build at this time. However, the possibility of such a building should be considered at a later date. We suggest a further continuation of the study of this project.

Fuel Oil

Requests were mailed to four different dealers in fuel and diesel oil requesting their bids to supply the Town Hall, Central School, Library, Town Sheds, and Fire House with fuel and diesel oil for one year. By accepting the lowest bid a considerable saving will be made for 1959-60.

Street Lighting

The Selectmen made several changes in street lights this year, removing some completely and putting others on a seasonal basis. For some time we have watched the increasing cost of lighting, a cost which becomes a fixed charge. Lights have been added to our "system" without much planning and only because if "x" has a light to look at, "y" should also have one. We are not against street lights, but we believe that they are most effective in areas where there are pedestrians and at road junctions. Since there has been some question as to the authority of the Selectmen in making these changes we request that the town vote on this matter under an article in the warrant.

Interstate Highway

Mention was made in our report last year in regard to the construction of a super highway on the eastern side of the Town of Sutton to connect the cities of Concord and Lebanon. However, a decision has been made by the State Highway Department to terminate this throughway at Dimond's Corner in the town of Warner on the east and the town of Grantham on the west. It is understood that this highway will eventually be constructed at a later date when funds are available.

Town Report

The 1958 Annual Report of the Town of Sutton was awarded first place in the New Hampshire Annual Report Contest in all towns of the 500-1,000 population class. This award is given annually by the Public Administration Service of the Department of Government of the University of New Hampshire. Also, the Town of Sutton was one of six communities in New England to receive a Certificate of Outstanding Merit for its Annual Report in the New England Report Contest. Announcement of Sutton as the winner in the 500-1,000 population division was made by the New England Council which in cooperation with several state organizations sponsors the annual municipal reports contest. Although Rhode Island did not compete this year there were a record number of entries for the fifteenth annual contest.

Conclusion

We sincerely thank all town officers for the fine cooperation that they have given us during the year, and also the many citizens who have aided us with their helpful advice.

THE STATE OF NEW HAMPSHIRE

TOWN WARRANT

*To the Inhabitants of the Town of Sutton in the County of Merrimack
in said State, qualified to vote in Town Affairs:*

You are hereby notified to meet at Pillsbury Memorial Hall in said Sutton, the eighth day of March next, at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary town officers for the year ensuing. The polls to be open for this purpose from ten of the clock in the forenoon and to be closed no earlier than six-thirty of the clock in the afternoon.
2. To bring in your votes for the election of delegates-at-large, alternate delegates-at-large, district delegates, and alternate district delegates to the National Convention of the Democratic and Republican parties to be held for the purpose of nominating candidates for the President and Vice-President of the United States.
3. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriation for the same.
4. To see how much money the town will vote to raise and appropriate for the payment of aid to persons on public welfare.
5. To see how much money the town will vote to raise and appropriate for the repair of highways and bridges.

6. To see if the town will vote to raise and appropriate a sum not to exceed \$1,239.20 for Town Road Aid; and the State to contribute \$8,261.35.
7. To see if the town will vote to raise and appropriate the sum of \$1,600.00 for street lighting.
8. To see if the town will vote to raise and appropriate the sum of \$500.00 for a Capital Reserve Fund for the construction of bridges.
9. To see if the town will vote to raise and appropriate the sum of \$1,000.00 for a Capital Reserve Fund for the purchase of highway equipment.
10. To see if the town will vote to raise and appropriate the sum of \$75.00 for the Dartmouth-Lake Sunapee Region.
11. To see if the town will vote to raise and appropriate the sum of \$550.00 for the maintenance of the Sutton Free Library.
12. To see if the town will vote to raise and appropriate the sum of \$100.00 for the observance of Memorial Day.
13. To see if the town will vote to raise and appropriate the sum of \$400.00 for the New London Hospital.
14. To see if the town will vote to raise and appropriate the sum of \$200.00 for the control of White Pine Blister Rust.
15. To see if the town will vote to raise and appropriate the sum of \$2,000.00 for the maintenance of the Fire Department.
16. To see if the town will vote to raise and appropriate the sum of \$100.00 for forest fire fighting.
17. To see if the town will vote to raise and appropriate the sum of \$500.00 for the construction of a well and water system at the Millswoods Cemetery; and in addition a like sum to be drawn from the accrued interest of the Minnie W. Cressey Yard Fund.
18. To see if the town will vote to raise and appropriate a sum of money for the purchase of a siren to be installed at Sutton Mills Village.

19. To see what action the town will take in regard to the disposition of any fire equipment.
20. To see if the town will vote to authorize the Selectmen to make such changes in the street lighting system as will best serve the town.
21. To see if the town will vote to set up a schedule of rentals for the use of the Pillsbury Memorial Hall.
22. To see if the town will vote to raise and appropriate the sum of one thousand dollars to be used for the construction of a new highway beginning at the Sutton-New London town line, south of the Crockett's Corner to Soo-Nipi Park Road, and continuing in the town of Sutton to a newly proposed ski slope. This money to remain in the treasury and to be used by the Selectmen only when this proposed ski area is developed and then at the option of the Selectmen.
23. To see if the town will vote to raise and appropriate a sum of money up to 60% of the cost of building a bridge at "Bull Bridge," so-called, and to accept 40% of the cost from the State of New Hampshire.
24. To see if the town will vote to accept any trust funds received during the preceding year.
25. To see if the town will vote to authorize the Selectmen to borrow money in anticipation of taxes.
26. To transact any other business that may legally come before said meeting.

Given under our hands and seal this seventeenth day of February in the year of our Lord, nineteen hundred and sixty.

SUTTON

FREE LIBRARY

Once more the Library board makes its report to the citizens of Sutton and feels that it is good. We have held ten board meetings this past year, none during August and September. Mrs. Howe substituted for the librarian last summer and the arrangement proved more than satisfactory. The circulation is slowly but surely increasing, helped some by interested summer people. The members of the younger generation continue to be leaders in taking books from the library and they are being encouraged by their teachers and the librarian. Are the parents helping too? We hope so!

During the past year there have been two area meetings conducted by Mr. Allen and Miss Stroud of the State Library. Both meetings were in Bradford and attended by members of the Sutton board. At the first Mr. Allen explained the Shieling Trust Fund for co-operative book buying for certain type libraries. Miss Marjorie Stroud had charge of the second meeting and displayed a collection of reference books best suited to the modern library. The books were furnished by the publishers and later divided among the different libraries in the state. We received Lovejoy's College Guide.

Of local interest will be a number of stories written by Mr. Friel which were given to the Library by Mrs. Friel. Friends of Douglas Anderson will be glad to know that he presented three new books to Sutton this last year. We also received a book of poems, "Across a Covered Bridge" by Mary Grant Charles of Potter Place.

Our Open House during Library Week in April was a new adventure but such a success that it will be a yearly event. Some of our citizens had never been in the building until then! Mr. Ray Smith loaned some of his collection of miniature books and unusual papers. The exhibit also included scrap-books belonging to the Library. The younger visitors were interested in the Globe and

microscope which the library received on subscribing to the Young Readers of America.

This year the Library Board is sponsoring a Poster Contest advertising favorite books to be conducted under the supervision of Mrs. Salo. Then during Library Week in April the winners of the contest will be announced and an exhibition of the posters held in the Library. Please show your interest in the children's work by attending and signing the guest book. We hope to do this every year.

An unusual experience for the chairman was writing a short history of South Sutton in response to a request from a student in a California school. The library received the credit for same.

For the new books we still favor the younger readers but many good books for adults have been bought. On the fireplace mantel may be found new non-fiction books on varied subjects. Have you read "Day Before Yesterday?" If not, read it and review those years with Mrs. Theodore Roosevelt, Jr. If there is some special book or author you would like, contact Mrs. Csutor.

As Sutton enters the 175th year since its incorporation, a little review of the vast change in libraries is timely. Certainly much has been accomplished since the first library was founded in 1796 and was known as the Sutton, New London and Fisherfield (*now Newbury*) Liberty Social Library. Money for the books was contributed by the members and many were the miles they walked to obtain an exchange of books.

As we have mentioned before we are gradually locating many books of the early collection and they now fill a number of shelves. One of these is "Biographical Memoirs of the Illustrious Gen. Geo. Washington first published in the Philadelphia Monthly Magazine in 1798, and then in book form in 1800. It is set in the old type with *s* printed as *f* but the pages show it was a well read book.

Did books mean more to our ancestors because they didn't have so many? Our present library offers much and we should be very appreciative and proud of our opportunity to obtain such varied reading in very attractive surroundings.

THE STATE OF NEW HAMPSHIRE

SCHOOL WARRANT

*To the Inhabitants of the School district in the Town of Sutton
qualified to vote in district affairs:*

You are hereby notified to meet at the Town Hall in said district on the 5th day of March 1960 at eight o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To transact any other business that may legally come before said meeting.

Given under our hands at said Sutton this 13th day of February 1960.

School Nurse

REPORT OF SUPERINTENDENT OF SCHOOLS

To the Members of the School Board of the Sutton School District:

During the school year 1958 - 1959 the following teachers were employed:

Teacher and Grades	Training	Yr. Grad.
Mrs. Gladys Murray, Grades 6 - 7 - 8	Potsdam State College	1918
Mrs. Lorraine Cadoo, <i>Principal</i> Grades 4 - 5	Thetford Academy	1918
Mrs. Della Miller, Grades 1 - 2 - 3	Plymouth Normal	1916
Miss Blanche C. Bailey, Music	Keene Teachers College	1932

Superintendent's Salary 1959-58

Bradford School District	\$360.20
Henniker School District	1,015.80
Hopkinton School District	1,752.07
Newbury School District	434.35
Sutton School District	008.30
Warner School District	845.40
Webster School District	<u>253.88</u>
	\$5,000.00
State's Share	<u>3,000.00</u>
Total Salary	\$8,000.00

For the fourth year we have had the same staff of teachers in Sutton, which is a very fortunate thing for us. The teachers work exceptionally well together and compliment each other in the work they are doing so that we are able to take advantage of each teacher's strong points. Mrs. Lorraine Cadoo continues as Principal and Middle Grade teacher. Mrs. Della Miller is the Primary Grade teacher and Mrs. Gladys Murray is the teacher of the Upper grades.

The supply of teachers continues to be inadequate for our needs, and graduates of the teachers colleges are not interested in coming into the small communities which have more than one grade, so these positions are particularly difficult to fill with competent teachers. If a community such as ours does have good teachers every effort should be made to keep them.

Sutton is running a good educational program and our pupils have been well prepared to enter the next stage in their educational program. You should be proud of the effort you have made to improve your program in the Sutton School. Certainly I am proud of it and do not hesitate to mention it. However we must continue our good work, because we cannot stand still. If we do we fall behind, and that we don't want to do.

I enjoy my association with the School Board, Teachers and Members of the Community and look forward to my visits in Sutton.

WILLIAM C. STERLING,
Superintendent of Schools

REPORT OF SUTTON SCHOOL BOARD

The School Board feels that the school system functioned very well during the School Year 1958-1959.

We avail ourselves of this opportunity to thank the superintendent, teachers, students and building custodian for their contribution toward making the program successful.

We would also like to add a commendation to "Coach" Chester Martin for his efforts in the supervision of the boys' athletic teams. This has proven to be a very worthwhile project and certainly has the endorsement of the School Board.
