## SELECTMEN'S LETTER

Another year has passed and with it a sizeable increase in the tax rate. We anticipated an increase due to the new school - we were shocked to find out that it was quite a bit larger. The closing of the dump is still pending on state regulations. We would like to thank the concerned citizens who helped to form the important decisions that were made during the past year and encourage all town residents to take an active part in town government.

Respectfully,  
HARLAN PUTNAM  
BARRY NELSON  
MICHAEL KARKHECK

1988 proved to be a productive year for the Library. With the help of Carole Maleska, all books have been catalogued and coded. A special thank you to Mr. and Mrs. McAfee for the donation of five gallons of paint, which the trustees and Mr. Tim Crosby painted the interior. Mrs. Lawless and Carole Maleska donated some curtains. We are in much need of a carpet for the floor to preserve the floor and insulation. Tav's Electronic donated a TV-VCR stand.

The children's activity program on Saturdays from 11:00 - 12:00 has brought a few children to a fun and productive hour. We would like to see more children. A very special thank you to Mr. & Mrs. William Perry for filling Santa's bag with gifts for the Children's Christmas Party.

Our thanks to all the residents that have contributed to keeping our Library a growing educational public service. Just a call will bring any books to your door on a Tuesday.

Respectfully submitted,  
 JEAN W. GRIFFIN  
 Librarian

**REPORT OF TOWN FOREST FIRE WARDEN  
AND STATE FOREST RANGER**

Between July 1987 and June 1988, we experienced more fires than normal. The three leading causes of forest fires were again children, fires kindled without written permission of a Forest Fire Warden and debris burning. All causes are preventable, but only with YOUR help.

Please help our town and state forest fire officials with forest fire prevention. Contact your Forest Fire Warden for more information.

Enforcement of a state timber harvest regulation is the responsibility of State Forestry officials. Our state has excellent timber harvest regulations; however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest law may be violated, call your Forest Fire Warden, Concord Forest Protection Headquarters at (603) 271-2217, or local Forest Ranger.

On January 1, 1989, the Deceptive Forestry Business Practices Law (RSA 224:54) goes into effect. This law, in summary, states that a person is guilty of a misdemeanor if, in the course of buying or selling a forest product, uses a false weight or measure for falsely determining any quality or quantity of a forest product. For more information, contact one of the persons mentioned above.
