IN MEMORIAM

**Margaret (Peg) DeLude
1919 - 1990**

Margaret "Peg" DeLude, of Unity Stage Road, was a resident of Unity since 1947. She became involved in town politics as a welfare director, library director, and trustee of trust funds.

She served as a school board member for 12 years, also serving as Chairman 1956-59 and Moderator for several years through 1990. "Peg" represented the Town as a member of the New Hampshire House Municipal Association, as a member of the New Hampshire House of Representatives 1953-55, 1959,62, and as a member in the New Hampshire Senate 1957-59 and 1963-65.

In 1983 she became a Selectman and considered this position her "fun" job. Peg tenaciously pursued a grant for the renovation and reconstruction of the Unity Town Hall for 4 years. but unfortunately died before it was finalized.

The loss to the Town and her friends cannot be measured in words and she will be sorely missed.

ARTICLE II: "Shall we adopt the Provisions of R.S.A. 287E relative to the conduct of games of Bingo and the sale of Lucky 7 tickets?"

Yes - 140 No - 39

The business meeting will reconvene at 12:00 March 17th, 1990 at the Unity Fire Station for the continuation of the business. Motion to continue meeting.

John Callum made a motion to reconvene at noon on March 17th, 1990, to continue with the business meeting. Tynne Cox seconded. Motion carried.

Moderator Fred Hall opened the meeting at 12:20 March 17th, 1990 with the salute to the flag. Selectmen John Callum, Fred Bellimer and Margaret DeLude were present. Moderator Fred Hall read the rules of the meeting. Moderator Fred Hall read the warrant.

ARTICLE III: To receive reports of Town Officers and take any action thereon. John Callum moved the article as read. Fred Bellimer seconded. Motion carried.

ARTICLE IV: To see if the Town will vote to raise and appropriate the sums as stated in the posted budget (MS 6) in the following categories, for a total of \$1,001,158.

John Callum moved to bypass action until all articles have been voted on, Margaret DeLude seconded. Motion carried.

ARTICLE V: To see if the Town will vote to discontinue the authorization to issue long-term bonds or notes in the amount of \$117,500 voted in Article III of March 12, 1988 and further to discontinue the appropriation of \$419,000 for the purpose of restoration of the Unity Town Hall.

John Callum moved the article as read. Fred Bellimer seconded. Motion carried by Unanimous affirmative voice vote.

ARTICLE VI: To see if the Town will vote to appropriate the sum of \$340,000 for the purpose of restoring the Unity Town Hall to be funded in the following manner: By the issuance of long term bonds or notes in the amount of \$60,000. A 2/3's ballot vote is required and further to authorize the Town to accept a Community Development Block Grant in the amount of \$240,000. No taxes will be raised in 1990, the first principal payment will be due in 1991.

Margaret DeLude moved the article as read. John Callum seconded. Discussion on what kind of Grant and where private donations came from. Ballot vote cast 98 for article 23 against article. Article passed by more than 2/3's required.

ARTICLE VII: To see if the Town will vote to raise and appropriate \$100,000 for the renovation of the Unity Town Hall of which \$40,000 is from private donations. By the issuance of long term bonds or notes in the amount of \$60,000. A 2/3's vote by ballot is required.

Fred Bellimer moved article as read Roberta Callum seconded. Ballot vote cast. 101 votes for article 21 against. Article passed by 2/3's vote.

ARTICLE VIII: To see if the Town will vote to raise and appropriate the sum of \$15,000 for the purpose of renovating Town owned land and buildings. (the former Reed property)

Fred Bellimer moved article as read. John Callum seconded. Discussion on having the building used as Town Offices. Two car garage possible for cruisers. Amendment by Margaret DeLude to read:

ARTICEL VIII: To see if the Town will vote to raise and appropriate the sum of \$15,000 for the purpose of renovating Town owned land and buildings (the former Reed property), with open meeting to know where the money will be spent.

Shirley Hodge moved article as amended Willard Hathaway seconded. Susan Lawrence suggested a committee be formed to keep the Town advised on where the money will be spent. Ballot vote was requested. Margaret DeLude moved that Clerk cast one ballot for question. Motion passed. Article passed as amended.

ARTICLE IX: To see if the Town will vote to create and establish a Capital Reserve Fund for the purpose of Septage Construction in the amount of \$15,000 and further to name the selectmen as agents of the fund.

Margaret DeLude moved article as read. Fred Bellimer seconded. Article passed by unanimous affirmative voice vote.

ARTICLE X: To see if the Town will vote to transfer out of fund balance the amount of \$1,500 to the existing Capital Reserve Fund for the purpose of Land Acquisition.

John Callum moved article as read, Margaret DeLude seconded. Article passed by unanimous voice vote to the affirmative.

ARTICLE XI: To see if the Town will vote to appropriate the sum of \$64,460 for the purpose of Capital Outlay Road Construction. This is offset by Highway Subsidy funds.

John Callum moved article as read, Fred Bellimer seconded Article passed by unanimous affirmative voice vote.

ARTICLE XII: To see if the Town will vote to raise and appropriate the sum of \$15,000 for the purpose of a new police cruiser.

Ballot vote was requested. John Callum moved article as read Fred Bellimer seconded. Susan Lawrence moved to amend article to read:

ARTICLE XII: To see if the Town will vote to raise and appropriate the sum of \$5,000 plus salvage money.

Rhonda Cota seconded Margaret DeLude rose in opposition. Vote by division of the room 65 against amendment 52 for amendment. Amendment defeated. Jay Little moved the question. John Callum seconded. Walt Rady moved to amend the article to read.

ARTICLE XII: To see if the Town will vote to raise and appropriate the sum of \$5,000 to be used to replace a police vehicle in conjunction with insurance money and salvage return money.

Robert McDevitt seconded. Motion defeated. Robert Janelle moved the question John Callum seconded article XII passed as read 71 votes for the article and 47 against.

ARTICLE XIII: To raise and appropriate \$10,000 to be placed in the trust fund for Highway Vehicles and to further name the selectmen as agents of said fund. Fred Bellimer moved the article as read, John Callum seconded. Affirmative voice vote was unanimous.

ARTICLE XIV: To see if the Town will vote to raise and appropriate the sum of \$8,600 for the purchase of recycling equipment.

Ballot vote request. Fred Bellimer moved article as read John Callum seconded. Discussion on what type of equipment would be bought and where it would be stored. Shirley Hodge moved the question. Susan Lawrence seconded Ballot vote 105 for article 2 against. Article passed.

ARTICLE XV: To see if the Town will vote to raise and appropriate \$10,000 for the purpose of Monitoring wells.

Fred Bellimer moved the article as read, Margaret DeLude seconded. Discussion on why wells were needed. Susan Lawrence moved the question Shirley Hall seconded. Article passed by unanimous affirmative voice vote.

ARTICLE XVI: To see if the Town will vote to raise and appropriate the sum of \$25,000 for the purpose of Highway Loader.

John Callum moved article as read Fred Bellimer seconded Motion passed by voice vote.

ARTICLE XVII: To see if the Town will vote to raise and appropriate the sum of \$25,000 to be added to the Town Revaluation Reserve Fund previously established.

John Callum moved article as read, Fred Bellimer seconded Motion passed.

ARTICLE IV: To see if the Town will vote to raise and appropriate the sums as stated in the posted budget (MS 6) in the following categories, for a total of \$1,001,158.

John Callum moved the article as read. Fred Bellimer seconded. Shirley Hodge moved to decrease the budget by \$11,000 to \$990,158 Susan Lawrence seconded. Shirley cited that the budget should be cut in the area of the police department. Margaret DeLude rose in opposition. Amendment not passed. Article passed as read.

ARTICLE XVIII: To see if the Town will vote to authorize the selectmen to borrow money in anticipation of taxes. To be done by ballot.

Margaret DeLude moved article as read. Fred Bellimer seconded Margaret DeLude moved to cast one vote by clerk Susan Lawrence seconded motion passed. Article XVIII passed.

ARTICLE XIX: To see if the Town will vote to authorize the selectmen to dispose of property acquired by tax deed.

Fred moved article as read John Callum seconded Motion carried.

ARTICLE XX: To see if the Town will vote to authorize the selectmen to apply for, accept and expend, without further action by the Town Meeting, money from the State Federal or other governmental unit or private source which becomes available during the fiscal year. Such article or item shall not require the expenditure of other town funds.

Fred Bellimer moved article as read Margaret DeLude seconded Motion carried.

ARTICLE XXI: By Petition: To see if the Town of Unity will send the following message to our Representatives and Senators in Washington - As citizens of New Hampshire assembled at our Town Meeting and concerned over the present and future wellbeing of our Town, state, nation and world, we call on our Representatives in Washington to work vigorously for substantial reductions in military spending--spending for which the taxpayers of our Town paid approximately \$995,000 last year--and to redirect our federal tax dollars toward such purposes as education, environmental protection, deficit reduction, farming, housing, health care, and welfare of the elderly and children.

Jim Romer moved the article as read. Ethel Jarvis seconded. Jim Romer explained why the article was presented and his views on why we should send this to our representatives. Walt Rady talked for ten minutes on how he felt we should not send this message. John Callum moved the question Carol Varnum seconded motion carried. Vote cast by dividing the house 31 for article 35 against article. Article defeated.

ARTICLE XXII: By Petition: To see if the Town will vote to send the following message to the Legislature and Governor calling for a comprehensive toxics law requiring coordinated programs of planning, research and development, education, enforcement, and economic incentives to achieve toxics reduction by substitution with safer substances.

Jim Romer moved the article as read Erica Pfister seconded. Heated discussion on article Ed Gregory moved the question Nancy Zekos seconded Motion carried. Article defeated by voice vote.

ARTICLE XXIII: To see if the Town will vote to adopt a comprehensive, voluntary solid waste recycling program for the Town of Unity. This program is to be overseen by the Recycling Committee and the Board of Selectmen and opera-

tional by August 31, 1990. The Recycling Committee to be comprised of 1 selectmen and no more than 4 other members who are to be appointed by the Board of Selectmen. This committee and the Board of Selectmen are to encourage drastic reductions in the amount of solid waste generated by the Town of Unity. They are also to work toward the creation of neighborhood recycling centers within the Town of Unity, and to co-operate with neighboring towns in the shared use of recycling equipment, information, and joint marketing of recycled material.

John Callum moved article as read Ed Gregory seconded. Fred Bellimer moved to amend Landfill regulations (attached to back) John Callum seconded. Walt Rady moved to amend voluntary to compulsory Tynne Cox seconded Amendment withdrawn by Walt and Tynne. Article passed with amendment.

ARTICLE XXIV: To transact any other business as may come before said meeting.

Moderator recognized Roberta Callum;

Mrs. Callum reported that the Unity Old Home Day for this year was to be held on the 28th of July.

Moderator recognized Fred Bellimer;

Mr. Bellimer commented on how the newspapers had reported the Town Report.

Moderator recognized Walt Rady;

Mr. Rady asked for any volunteers to help in straightening out grave stones in the cemeteries.

Moderator Fred Hall thanked everyone for coming.

Meeting adjourned at 5:25 p.m.

LANDFILL REGULATION AMENDMENT

Unless otherwise stated in this regulation all refuse dumped at the Unity Landfill shall be generated from private residences located within the Town of Unity. Dumping at the landfill shall be allowed by permit only during the hours designated by the Selectmen.

RESIDENT PERMITS

Permits are required for the use of the Unity Landfill and are free for residents of the Town of Unity. The permits are available at the Town Office and must be permanently displayed on a vehicle in a place prescribed by the Selectmen.

NON-RESIDENT UNITY PROPERTY OWNER PERMIT

Non-residents may apply at the Town Office for a landfill permit.

COMMERCIAL RESIDENT PERMIT

Any resident dumping from a commercial establishment in Unity or hauling refuse commercially must obtain a commercial resident permit from the Board of Selectmen. Commercial haulers shall be required to provide the names and addresses of their customers to the issuing official and shall keep the Selectmen apprised of all changes in their list of customers. Only one commercial permit shall be issued to a household and the fees are to be set by the Board of Selectmen.

NON-RESIDENT, NON PROPERTY OWNER PERMIT

Persons who are neither residents of Unity nor property owners may apply to the Board of Selectmen for temporary non-resident permit. Such a permit shall be issued only by a vote of the Board of Selectmen with fees, penalties, and fines to be set by them.

DUMPING TICKETS

Each Unity resident permit shall include a sufficient number of tickets to allow the average household to dump their refuse free for one year. This amount of refuse is to be determined by the Board of Selectmen and the Recycling Committee. Additional tickets will be available in blocks of ten tickets at the Town Office. A fee will be charged for these tickets, and are only valid when attached to the original permit ticket. Tickets are to be non-transferrable. The Selectmen and the Recycling Committee together shall set fees for other items and material to be dumped at the landfill.

LANDFILL RULES

The landfill attendants shall designate areas to dump.

Recyclable items may be removed with the attendants permission.

The attendants shall designate what must be separated and where it is to be placed.

The attendants shall assess the size of loads and the number of tickets required to dump.

The attendants may inspect any load to be dumped and refuse to allow it to be dumped if the contents are considered inappropriate.

The landfill shall be locked when not in operation.

Anyone who violates these regulations shall be guilty of a misdemeanor if a natural person, or a felony if any other person, pursuant to RSA 149-M:12, II and in addition shall be subject to a penalty of \$1,000 pursuant to RSA 31:39, III.

SELECTMEN'S REPORT

1990

This has been an extremely busy and difficult year for the Board of Selectmen. The sagging economy of the area has caused the Board to cut back on spending as much as we possibly could without severely impacting Town services. This policy will also continue into 1991 where Town spending will be closely controlled to keep taxes as low as possible.

We all mourn the death of Selectperson Margaret (Peg) DeLude who passed away during her third term in office. Her knowledge of workings of State and Town governments will be sorely missed by all of us. Mr. Edward Gregory was appointed to fill the term of office vacated by her death and he has brought many innovative and exciting ideas to the Board.

The most important development was the agreement settling the dispute with the Unity Volunteer Fire Department. This was an extremely difficult situation for the Board and we were pleased with the agreement. This friendly relationship must be maintained to allow both departments to function in the best interest of the town, both now and in the future.

Due to a break in at the Town Office tax records and other information were lost or destroyed and necessitated that Selectmen ask the assistance of an auditing firm to reconstruct our records. We have been working very hard trying to rebuild our Tax Records and are hopeful that this will be completed before Town Meeting. The Town Clerk/Tax Collector resigned mid year and Priscilla Swensen was appointed by the Selectmen to fill that seat until March 1991.

We are reconstructing three bridges within the town and this work will be completed early in 1991. We will complete as much road reconstruction as possible with limited funds.

Our grant application was finally approved for the renovation of the Unity Town Hall, after several years of hard work by Peg DeLude and the board and we have plans to start construction in early 1991. We are extremely pleased with the plans for the historical landmark and anticipate completion in late 1991. We are in hopes that all residents of the Town will once again be proud of this stately old building and the new facilities housed within it.

Respectfully submitted,
Frederick Bellimer
John Callum, Jr.
Edward Gregory

ADMINISTRATIVE ASSISTANT'S REPORT
1990

If there is such a thing as a Town being infamous I guess this year counts for Unity. Everytime the newspaper came out, Unity was in the headlines for one thing or another. But the year ended with problems pretty well resolved.

The town is still trying to keep the tax rate down although it's almost an impossible task with the state cutting income. The roads would improve if the weather would cooperate. We were awarded a \$240,00 Grant and finally we can renovate and reconstruct the Old Town Hall, after four years of trying to do something, so that the town will have a historic useful building for the communty.

The landfill is still operating and recycling has begun in earnest. Hopefully we can keep the landfill going for another two years at least.

The Town Office was broken into and tax records were stolen causing a lot of difficulty and problems for the Tax Collector's Office and the taxpayers. Payments and non-payments must be checked for accuracy in order to give the tax collector realistic uncollected lists from 1979-1990. Please bear with us in this most complex task.

I attended as many meetings on Zoning as possible, and afer the pulic hearings, regulations have been hammered out that perhaps we can live with and change if we cannot. I was on the building Committee as Secretary and served as interim Welfare Director when "Peg" DeLude was ill.

The check list has been put on computer by Liz Lord at the direction of the Supervisors. Liz is still doing the tax bills, warrant book, grand list, resident list and audit trail. Robert Janelle continues to do the inventory list and address labels for us when we need them.

Arbor Day was different this year, we planted an Oak Tree on the town common with many attending the celebration including Governor Gregg. After the celebration "Peg" took Governor Gregg on a tour of our Old Town Hall and he thought it was a wonderful idea to fix it up and make it useful for the community and seemed extremely pleased we had received our grant.

This position is busy but never boring. Last but by no means least to all the personnel who work so diligently for the town and those who volunteer their time, and there are many, Thanks.

Respectfully submitted,
Ethel Jarvis

**TOWN WARRANT
TOWN OF UNITY
State of New Hampshire
1991**

To the inhabitants' of the Town of Unity in the County of Sullivan in said State, qualified to vote in Town affairs.

You are hereby notified to meet at the Fire Station in said Town on Tuesday the 12th of March 1991 at 10:00 a.m. in the forenoon to act upon the following subjects.

(Motion to postpone action on this article until all money articles have been voted on)

ARTICLE V. To see if Town will vote to raise and appropriate the sum of \$20,000 to reconstruct a portion of Thurber Road in East Unity.

ARTICLE VI. To see if the Town will vote to raise and appropriate the sum of \$15,000 to begin reconstruction of Gilman Pond Road in East Unity.

ARTICLE VII. To see if the Town will vote to accept \$6,395 for the purpose of Parks and Recreation from Sugarbush, Inc. of the Huntoon Farm Subdivision in lieu of property as per agreement with the Planning Board.

ARTICLE VIII. To see if the Town will vote to appropriate the sum of \$6,395 for the purpose of Parks and Recreation. This money is revenue from developers of the Huntoon Farm Subdivision in lieu of property as per agreement with the Planning Board. (This action encumbers this money for no other purpose).

ARTICLE IX. To see if the Town will vote to appropriate the sum of \$62,450 for

the purpose of Capital Outlay Road Construction. This is to be offset by Highway Subsidy Funds.

ARTICLE X. To see if the Town will vote to create and establish a Capital Reserve Fund, under the provisions of RSA 35:1, for the purpose of constructing a municipal building on the Reed property and to raise and appropriate the sum of \$25,000 to be placed in this fund and further to name the Selectmen as agents of the fund.

ARTICLE XI. To see if the Town will vote to raise and appropriate the sum of \$12,000 for the purpose of constructing landfill buildings.

ARTICLE XII. To see if the Town will vote to raise and appropriate the sum of \$4,500 for the purchase of an on board recording unit for the Unity Police Department.

ARTICLE XIII. To see if the Town will vote to raise and appropriate the sum of \$13,000 for construction of additional monitoring wells as mandated by the State of New Hampshire.

ARTICLE XIV. To see if the Town will vote to establish a Capital Reserve Fund, under the provisions of RSA 35:1 for the purpose of a Backhoe and to raise and appropriate the sum of \$25,000 for this purpose and further to name the Selectmen as agents of the fund.

ARTICLE XV. To see if the Town will vote to transfer out of fund balance \$1,500 to the existing Capital Reserve Fund for the purpose of Land Acquisition.

ARTICLE XVI. To see if the Town will vote to raise and appropriate the sum of \$10,000 to be added to the Town Revaluation Capital Reserve Fund previously established.

ARTICLE XVII. To see if the Town will vote to create and establish a General Fund Trust for the purpose of long range repairs and improvements to the Old Town Hall as provided for in RSA 31:19a and to raise and appropriate the sum of \$1,000 to this fund and further to appoint the Selectmen as agents of this fund.

ARTICLE XVIII. To see if the town will vote to raise and appropriate the sum of \$2,000 to establish a Trust Fund called Insurance Casualty Fund. The purpose of this fund is to cover any losses due to deductibles of \$1,000, and further to name the Selectmen as agents of the fund.

ARTICLE XIX. To see if the town will by majority vote authorize the Selectmen to dispose of any tax lien or convey by deed, property acquired by the town for the non-payment of taxes as justice may require as provided by RSA 80:42.

ARTICLE XX. To see if the town will vote to authorize the Selectmen to borrow short term money in anticipation of taxes.

ARTICLE XXI. To see if the town will vote to discontinue the authorization of Article 14 March 11, 1980 to authorize the Selectmen to comply with RSA 155 which requires permits for any new Earth or Excavation Pit.

ARTICLE XXII. To see if the Town will vote to discontinue the authorization of Article VII March 18th, 1990 to raise and appropriate \$100,000 for the renovation of the Unity Town Hall of which \$40,000 is from private donations and to further discontinue the issuance of Long Term Bonds or Notes in the amount of \$60,000.

ARTICLE XXIII. To see if the Town will vote to authorize the Selectmen to apply for, accept and expend, without further action by the Town Meeting, money from the State, Federal, or other governmental unit or private source which becomes available during the fiscal year. Such article or item shall not require the expenditure of other town funds.

ARTICLE XXIV. To see if the town will vote to stop completely the planning and construction pertaining to the restoration of Unity's Town Hall utilizing the

Federally Funded "Public Facility Grant" that would burden the Town with additional financial responsibilities. To direct our Town's Selectmen to terminate all contracts associated with the "Public Facility Grant" and to re-coup monies connected with such contracts. By petition.

ARTICLE XXV. To see if the Town will vote to convey legal title to the Old School House Lot, now serving as the Fire Department Building, to the Unity Volunteer Fire Department, Inc. for the sum of (\$1.00) dollar, with the people of Unity retaining all rights given to them by law as beneficiaries of property held by a charitable organization.

ARTICLE XXVI. To see if the Town will vote to empower the Board of Selectmen to appoint a 180 day JOB DESCRIPTION EVALUATION COMMITTEE, consisting of 5 members, and charging them to establish Job Descriptions and Evaluation Criteria for non-elected paid town employees. This committee will work in concert with the Board of Selectmen, and submit its recommendation to the Board for ratification and implementation. By petition.

ARTICLE XXVII. To see if the town will vote to close out the Highway Vehicle Capital Reserve Fund and transfer the balance of \$5,896.01 to the Highway Grader, Trucks, Bulldozer, Chipper Capital Reserve Fund.

ARTICLE XXVIII. To transact any other business as may come before said meeting.

GIVEN UNDER OUR HAND AND SEAL the 25th day of February in the year of our Lord, Nineteen Hundred and Ninety-One.

Selectmen of Unity, N.H.
Frederick Bellimer
John Callum, Jr.
Edward Gregory

**UNITY PLANNING BOARD
1990 REPORT**

The year of 1990 was a slow one for the Planning Board as far as new subdivisions and annexations, but we did have our work cut out for the Planning Board. Right after town meeting last year we started to work on Zoning Regulations, which meant many meeting nights and a lot of homework too. So all and all the Planning Board put in many hours of their time on these Zoning Regulations. After each public hearing on the Zoning Regulations many changes were made. Taken out was the wetland and conservation overlay district, also the definition of Certified Soil Scientist. Deleted was the nuisance provisions. What we have now is a lot less reading, and when the Federal and State Officials come to terms on what wetland is we will take another look at it again. The Town of Unity should not be the only town left with no zoning, as all surrounding towns have some sort of zoning.

We know that there are some things in the Zoning Regulations that will not please everyone, but when you look at it from an overall basis there is good in it for Unity. We hope you will see fit to pass these regulations for the good of Unity.

Fred E. Hall, Chairman

**UNITY FREE PUBLIC LIBRARY
1990 REPORT**

As I look back on 1990 at the Unity Free Public Library, the first line of Dicken's novel TALE OF TWO CITIES, comes to mind. "It was the best of times and the worst of times." We have more patrons and we are still in need for space.

At the Unity Free Public Library we want to make 1991 one of the best times ever. We can do this in a small way by providing you, the taxpayer, with up to date information on the subject of your choice. First you must let your Librarian know what information you need, then she will do her best to obtain it for you.

Do you have a favorite periodical you would like to see in your library? We keep issues for one year so patrons can refer to them.

As a taxpayer it's your duty to let us know when the Unity Free Library should be open. What subjects would you like to see on our shelves? We want you to get the most out of your hard earned tax dollar in 1991.

Unity Free Public Library is a valuable supplement to the formal system of education to the students of Unity. We are proud to share this responsibility. Thus we are trying to live up to the towns name of UNITY. Remember the good things in life are free.

Respectfully submitted
Chairman, Board of Trustees
Unity Free Public Library
Sherry L. Schultz

**UNITY FREE PUBLIC LIBRARY
LIBRARIN'S 1990 REPORT**

Another year has passed, and this time I have been privileged to have worked the entire year before giving my report, as opposed to a few months last year, and I feel that I am a lot wiser about the workings of your library, with a lot more to learn.

Some wonderful advances have been made:

- A. The School Librarian, and School Principal are working with the Trustees and town librarian. We have a very compatible working relationship. The pupils utilize the library during the day, and now they are beginning to come to the library after the school hours.
- B. The Trustees have sent me to Keene State to begin earning Library credits, and I have completed my first course. A wonderful experience, and so nice to be back in school. I love library work, and enjoy working in the town library.
- C. I was making trips to the Sullivan County Hospital, showing videos to the patients. Was making one trip each Wednesday, until I started taking classes, but hope to start again in 1991. The patients loved the videos, and I love the patients, they are such beautiful people. This program is part of our outreach program.

Statistics for the year 1990:

Magazines loaned: 21

New Members: 29 residents - 1 non-resident

Books loaned: 50 adults - 86 juniors - total 136

Videos loaned: 43 (This includes the ones that I used for outreach.)

Books Accessioned: 486

Visitors: 220 - (This count includes folks who actually borrowed books, browsers, and folks seeking informaiton of different kinds.)

Book Fines: \$3.85

Books Repaired: 5

Paperbacks put onto shelf: 59

New Members through the school: 106

Inter-Library Loans: 3

Total New Members: Town and School: 133

Note: Please know that the Town Library is open 2:30 to 4:30 Monday through Fridays, Saturdays: 1:00 to 4:00 p.m., and that we are located in the school.

Please drop in and enjoy the town library - after all - it is yours.

My greatest goal for 1991, is to see more and more of you come in.

Patricia L. Lique
Town Librarian

**BOARD OF TRUSTEES SPECIAL BUDGET MEETING
UNITY FREE PUBLIC LIBRARY
December 28, 1990**

Present: Ina Thurber, Sherry Schultz, Shirley Osgood

After much discussion the following proposed budget for 1991 was approved:

Books	\$1,100.00
Librarians Salary	2,600.00
Telephone	375.00
Supples	250.00
Magazines	250.00
Audio Visual	300.00
Miscellaneous	125.00

Total \$5,000.00

UNITY POLICE DEPARTMENT
1990 REPORT

Ladies and Gentlemen:

Enclosed you will find a breakdown for the activities of the Unity Police Department for the year of 1990. As you can see it was a busy year. The number of calls increased by 41 calls. The total calls for the year was 459, this is approximately a 8.9% increase.

The year saw the purchase of a new police cruiser which was approved at the 1990 Town Meeting. The vehicle a 1990 Ford Bronco 4 wheel drive has been fully equipped with almost all new equipment.

The year also saw very few major incidents, the biggest being the burglary at the Town Office which we are assisting the NH State Police on the investigation, which is continuing as of this writing.

One of the changes which we feel is for the betterment of the town is the revision of the town large gathering ordinances. A proposal was made to the Board of Selectmen by Sgt. Bodkins to increase some of the fee's for any gatherings of over 100 people. A public hearing was held on this and was passed in December.

Again we would like to remind residents that we are usually always available and if you ever have any questions don't be afraid to call us. If you are planning to be away for an extended period of time, make sure to give the dispatch center a call and leave them information that you are going to be gone, if there are going to be any lights on, how long you will be gone and who we can contact in case of emergency. This way we will keep an extra eye on your residence.

If you see something that looks strange or out of place also be sure to give us a call, when one of the officers are not around you are serving as our eyes in your neighborhood. This at times is the way which we solve crimes by calls from the general public.

In closing we would like to take this opportunity for allowing us to serve you throughout the year and hope that we can continue to serve you in the same capacity in the year to come.

For those of you who are not aware of it, there has been a committee set up in the state to look into the feasibility of a Statewide E-911. Sgt. Bodkins will occasionally be attending these meeting and will keep on top of this service.

Yours In Safety,
Barritt C. Bodkins
Sergeant, Officer In Charge

Andrew S. O'Hearne
Patrolman

Breakdown of Calls for 1990:

Abandoned Property	05
Accidents	43
Alarms	04
Animal Complaints	02
Assaults	01
Assist other Department	21
Be On the Look Out	03
Burglaries	15
Criminal Mischief	12
Dog	13
Domestic	07
Disabled Vehicles	12
Dump Complaints	03
Driving While Intoxicated	01
Fire Calls	05
Fire Arms Complaints	08
Highway Problems	08
Juvenile Problems	11
MV Stop w/Summons	80
MV Stop Warnings, Other w/CSR	22
MV Stop Warnings, DE Tags w/out CSR	*58
*(not included in yearly total)	
Medical Emergencies	06
Message Delivery	06
Noise	02
Open Doors	03
Police Information	25
Request Officer	64
Recovered Stolen Property	04
Suspicious Activity	28
Missing Persons	09
Thefts	16
Town Office Requests	12
Wanted Persons	02
Motorist Assist	03
Calls Handled by NH State Police	43

The above calls are any requests for service by citizens of the Town or adjoining agencies. The category MV Stops w/out CSR is any stop an officer makes which he does not issue a summons. This figure is not included in the total number of calls for the year.

Property Owned by Unity Police Department:

- 1 1990 Ford Bronco 4 x 4 Cruiser
- 1 99 Channel Motorola Radio w/antenna
- 2 General Electric 8 Channel Non-scanning Radios
- 1 10 Channel Regency Scanning Radio

- 1 PR24X Baton w/holder
- 2 Sets of blue lights
- 1 Panasonic 2 line telephone
- 1 Shotgun
- 3 3 drawer filing cabinets
- 3 Desks
 - Assorted Office Equipment
 - Assorted Police Equipment
 - Assorted Uniform Equipment

**UNITY VOLUNTEER FIRE DEPT, INC.
1990 REPORT**

The Unity Volunteer Fire Department responded to **51** calls this year. Most of the calls were not of a serious nature, but took up to **310** hours of emergency man hours.

This year, we put in service a 1985 Chevrolet 1-ton van for a rescue truck which now responds to accidents and medical calls. This truck saves wear and tear on the fire engines, as they now don't have to respond unless requested. This rescue van enables us to get around easier in narrow roads and driveways which will get the emergency equipment closer and quicker to the incident.

We also installed overhead doors which should save on our heat bill. We have also purchased new and used portable equipment which will make our job easier, safer, and will also enhance the fire fighting capabilities of the department.

In the spring of 1990, we had three (3) firemen achieve level one (1) certification through the State of New Hampshire.

Once again, we would like to thank the Club 62 members for their support.

The new truck still runs great, and we would like to thank the people that responded to our fund raising newsletter. Everyone's donation helps save tax dollars. Without your support the new and the used equipment would not be purchased.

Emergency No. 1-352-1100 Non-emergency No. 543-3838

Fire Warden, Robert Janelle - Home No. 543-3823

Fire Chief, Deputy Fire Warden, Robert Brown - Home No. 543-0274

Deputy Fire Chief, Deputy Fire Warden, Everett Hodge - Home No. 863-2145

(You can also request burning permits from these three (3) people.)

Sincerely,
Robert Brown,
Unity Fire Chief

	Total	\$6,786.00

**UNITY FOREST FIRE WARDEN AND STATE FOREST RANGER
1990 REPORT**

During Calendar Year 1990, the State of New Hampshire experienced an average number of wildfires. The three leading causes of these wildfires were fires kindled without a fire permit from the Forest Fire Warden, permit fires that escaped control and rekindled fires. All of these fires are preventable, but **ONLY** with your help.

Please help your town and state forest fire officials with forest fire prevention. New Hampshire State Law (RSA 224:27 II) requires that, "No person, firm or corporation shall kindle or cause to be kindled any fire or burn or cause to be burned any material in the open, except when the ground is covered with snow, **without first obtaining a written fire permit from the Forest Fire Warden of the town where the burning is to be done.**"

Violations of RSA 224:27 II and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$1,000 and/or a year in jail and you are also liable for all fire suppression costs.

The State of New Hampshire, Division of Forests and Lands assisted many towns in wildland fire suppression during 1990, including a 262 acre fire in Moultonboro and several fires in Hooksett.

In 1990, the New Hampshire Division of Forests and Lands trained 844 local Wardens and Deputy Wardens in the Incident Command System (ICS), an incident management system for all types of emergencies. In 1991, Wardens will be trained in the use of Class A foam in wildfire suppression.

If you have any questions regarding New Hampshire forest fire laws, please contact your local Forest Fire Warden, State Forest Ranger, or the Division of Forests and Lands at 271-2217.

FOREST FIRE STATISTICS — 1990
STATE Number of Fires 489 - Acres Burned 473 —
DISTRICT Number of Fires 32 - Acres Burned 38 —

Bryan C. Nowell
Forest Ranger
Robert Janelle
Forest Fire Warden

**CEMETERY REPORT OF UNITY
1990**

We used 360 man hours this past year.

The Cemeteries are in fine shape, but much work is needed to be done. New fences, gate, poles, removal of trees, loam to be spread in low spots and cleanup. The Budget for 1991 is requested to be \$5,000.00.

If there is anyone wishing to donate any time to help with the coming Spring work, please contact me, Ken Hall at 542-8968 after April 15, 1991.

Respectfully submitted,
Kenneth J. Hall
Unity Town Sexton

**CONSERVATION COMMISSION
1990 REPORT**

The Conservation Commission has met several times to discuss goals and objectives for the next few years. One of the goals is to map and survey all town-owned property and make recommendations to the Selectmen.

Leon and Carol Dombroski have been attending the "Visions 2000" Committee of Sullivan County and make monthly reports to the Commission. The "Visions 2000" Committee was formed to help the Commissioners form an agenda for future development of Sullivan County.

It appears the correctional facility heads the top of the list for expanded facilities, followed by the farm, health care facilities, and finally woodlands development including Marshall Pond.

The Conservation Commission is in the process of purchasing a set of 1981 and 1991 aerial maps to compare development in Unity for the past 10 years. The Conservation Commission will be making a report to the Planning Board.

We meet once a month on the third Wednesday and welcome the public. Anyone wishing to be on the Commission should contact the Selectmen as we are in need of two more members.

Respectfully submitted,
Ethel Jarvis
Secretary

HISTORICAL SOCIETY 1990 REPORT

For the Unity Historical Society, the opposition to the restoration of the Unity Town Hall is particularly disturbing. Since 1983, the members have been collecting memorabilia of Unity and its beginnings, hopefully to have a display area in the future. Townspeople have contributed to the Society to be used for this purpose.

Outside of this set-back our year has been successful.

At our April meeting Ann Tenney, Newport, spoke on graveyards and had an antique hat display. Our Old Home Day was held July 28, 1990, once again under the most able chairmanship of Tyyne Cox, was even more successful than that of last year. We hope to make this an annual affair if Tyyne can stand up under the strain. All organizations in the Town cooperated in making this event an enjoyable time for all. Organizations such as the Fire Department, the Library, and Tractor Club. At 11 a.m. a parade of firetrucks, antique tractors, bicycles and doll carriages was enjoyed. At 12 noon fiddle music. The 2:00 p.m. program festivities included Congressman Chuck Douglas as speaker honoring the Bicentennial of the U.S. Constitution Judiciary. Senator George Disnard presented Tyyne Cox with a proclamation from the Senate. The Yankee Belles sang. Certificates were presented to Levi LeMere oldest Unity resident present, Clifford Stone oldest Unity native, from and living in Unity present and Clyde Quimby, oldest person born in Unity, not a resident, present. The Cripple Creek Cloggers performed and Paul and Rich entertained with Country Music. Numerous all day activities took place and Unity's 1964 Bicentennial pictures and Cornerstone pictures of Unity were on display. A supper was served from 4:30 - 6:30 at the fire station to benefit the 7th grade class. At 7:00 p.m. the Hutchinson family singers sang. A great time was also had at a dance with a live country band, banded together by Jerry Serem.

Unity was one of 13 communities to be chosen for the purpose of identifying 21 cornerstones. The steering committee was chosen, Tyyne Cox, Audrey Shepard, Phyllis and Norwood Keeney. Many townspeople contributed their time, to this project for which we are grateful. It's important to note that the first cornerstone chosen by the townspeople was the Unity Town Hall.

At our September meeting Dr. Stuart Wallace, Director of Development of Historical Resources and State Historical Preservation Officer, spoke.

The Society was saddened by the death of "Peg" DeLude in September. She left several pieces memorabilia to us, and we are grateful to her estate for giving us more. The Historical Society is fortunate to have in its possession the original grant of the Town of Unity from King George the Second of England.

Once again we invite any and all townspeople to attend our meetings which are held the 2nd Thursday of each month. Any historical items having to do with Unity would be gratefully appreciated by the Unity Historical Society.

Respectfully submitted,
Loraine Light, President
Tyyne Cox, Vice-President

**LAKE SUNAPEE HOME HEALTH CARE
1990 REPORT**

1990 was a year of change and growth for Lake Sunapee Home Health Care. In February, we changed our name to Lake Sunapee Health Care and affiliates, Lake Sunapee Home Care and Hospice and Lake Sunapee Community Health Services. We also merged with the Hospice of the Kearsarge Valley and now provide hospice volunteers as an additional service.

Demand for patient care increased due in part to more requests from physicians, hospitals, insurers, and people in the community. Professional and support staff responded to the growing need by maintaining demanding patient caseloads throughout the year.

During the year we received memorial and general donations which were important and greatly appreciated. These gifts enabled us to provide care to people who would otherwise be unable to afford it.

The following is a summary of visits provided to people in Unity in 1990:

Skilled Nursing	110
Rehabilitation Therapies	60
Home Health Aide	164
Child Health Clinic	32
Blood Pressure Screening	16

Thank you for your continued support of our agency and its services.

Respectfully submitted,
Cheryl Blik
President and CEO

UPPER VALLEY LAKE SUNAPEE COUNCIL 1990 Report

There are nine Regional Planning Commissions in New Hampshire and 12 in Vermont. Like the others, the Upper Valley Lake Sunapee Council is a private, non-profit corporation enabled by state legislation.

Overall, our duties fall into two categories:

- Provide services to member Towns.
- Address regional issues.

Services to Towns:

Four types of basic services are available to member Towns:

- **Information:** we maintain a library of pertinent planning information, and have a capable staff with expertise in many areas of planning.
- **Advise:** perhaps our most valuable service. We spend a lot of time on the telephone and in our office simply giving advice on planning issues, based on our cumulative experience and expertise.
- **Hands-On Help:** “hands-on” services are one step beyond advice. Examples include: reviewing an ordinance, providing a linkage to a state or federal program, reviewing a proposed development project, explaining how a certain aspect of planning usually works and investigating what is appropriate in a given situation, exploring alternative solutions for a particular problem.
- **In-Depth Support:** we do transportation planning, master plans, ordinances, natural resource planning, capital improvement programs, impact fee studies, opinion surveys, impact studies for large projects, and other special studies of many sorts. A number of towns also take advantage of our circuit rider planning program. Usually, we must charge in addition to dues for support in depth, to meet our expenses and break even. This type of support is available only to member communities (we do not do any work for private companies or individuals), and at far less cost than comparable expertise from a private consulting firm.

Regional Issues:

We also provide a forum for regional issues. Currently we are working regionally on community development, economic development, solid waste, hazardous waste, transportation, housing, and studies related to Lake Sunapee and the Connecticut River. We are almost always able to support these efforts with state funds and/or special grants. Some of the state funding does vary depending on how much local support we have via dues.

Services Available:

As noted, one primary function of UVLSC is to provide planning services to member communities. Many of these services are directly related to the planning and zoning activities of the communities, but others are more specialized. It is useful to take a closer look at some of these specialized resources. They tend to vary over time, as different issues come to the fore. Our current services are listed below.

Community Development:

UVLSC administers Community Development Block Grant programs for member communities in New Hampshire. We also prepare grant applications to obtain funding under this program. Monies are passed through by the State from Federal sources, and are currently used in three ways; for housing rehabilitation, water supply, and municipal building improvement programs. We have been highly successful in obtaining funding for this program, and have brought over

\$3,000,000 worth of Community Development money into the region during the past four years.

Economic Development:

We started the Sullivan County Economic Development Commission six years ago, and have helped support it ever since, with partial funding and by providing overall administrative services. This highly successful organization is now being "spun off", to become a separate entity, and our funding commitment ends at the end of the year. This will allow us to turn our attention to other issues in Sullivan County, while the Economic Development Commission simultaneously continues its mission of bringing new business into the region., We are also beginning to turn our attention to economic development issues in the rest of the Region.

Transportation Planning;

We were heavily involved in the 1988 Upper Valley Transportation Study, which provided detailed recommendations for transportation improvements in the core of the Upper Valley (Hanover, Hartford, Lebanon, and Norwich). This study developed a computer model of the transportation network in the core area, which we continue to maintain and upgrade. We also have done a number of studies of mass transit issues and options in the area. We continue to provide transportation planning services to a number of member communities.

Environmental Planning:

UVLSC is involved in regional solid waste planning in both New Hampshire and Vermont. We continue to support and advise the Upper Valley Solid Waste District in New Hampshire, and the Greater Upper Valley Solid Waste Management District in Vermont. We are also involved in water quality planning in a number of ways. We have prepared Water Quality Management Plans for several New Hampshire towns. We continue to be involved with the New Hampshire Connecticut River Valley Resource Commission and the Vermont Connecticut River Advisory Council, devising long-term strategies for preserving appropriate land uses along the Connecticut River. We are also working on shoreline protection ordinances around Lake Sunapee.

Land Preservation:

We continue to support and cooperate with land preservation efforts throughout the region.

GIS - Geographic Information Systems

We continue to work with this new technology. We are a GIS service center for member communities in both New Hampshire and Vermont, with three trained staff people, and we have provide advice regarding GIS to many member towns. Currently, UVLSC is working with a number of member towns to provide maps and analyses for Master Plans, utilities, and special land evaluation studies. The possibilities for utilizing GIS and integrating it with all aspects of planning are widespread, and as more data becomes available from the states, GIS becomes more cost effective for smaller communities. As GIS becomes an every-day reality throughout New Hampshire and Vermont during the next several years, UVLSC will be able to offer more GIS mapping and analyzing services to member towns.

During 1990, UVLSC was involved in a wide variety of activities. These included:

- As in the past several years, provided consultation and help to over two-thirds of the local communities. (Which two-thirds this is varies - not all communities request help every year.)
- Continued to work with the Geographical Information System (GIS). We completed a regional land use analysis and began work on region-wide data

layers for base maps, including municipal boundaries, roads, water bodies, and rail lines. We were designated an official Service Center by the Vermont Office of GIS. We were also instrumental in getting our Vermont towns to the top of the list for state-funded base mapping of tax plat maps. We also began GIS project work for Hartford and Thetford.

- Continued to promote a consistent land use classification system for both New Hampshire and Vermont to use in GIS mapping.
- Developed a Land Use element for the Regional Plan. This included creating a series of four regional land use maps using the GIS.
- Met repeatedly with state officials and agency representatives to influence policy and help keep the region an active participant in many ongoing programs.
- Maintained a library of regional data, and answered numerous requests for information.
- Provided extensive support to our Vermont towns for solid waste district formation, in cooperation with the Two Rivers Ottauquechee Regional Commission. We also worked toward fulfilling our other responsibilities under Act 78, Vermont's solid waste law.
- Assisted the Upper Valley Solid Waste District (on the New Hampshire side), sponsored a number of meetings of the District, worked toward revising the District plan to accommodate comments from the State of New Hampshire, and worked toward implementation of regional solid waste solutions where appropriate.
- Continued to make available the services of a recycling coordinator to New Hampshire towns. Among other things, we assisted in a number of successful grant applications for recycling projects.
- Continued to administer the Upper Valley Household Hazardous Waste Collection program. Helped move the program toward providing some form of year-round collection efforts, coupled with increased public education.
- Completed a number of Water Quality Management Plans for inclusion in town Master Plans under NH Chapter 167.
- Continued to provide support for an economic development agent in Sullivan County, to help retain and expand employment opportunities in the area. This highly successful organization became administratively independent in 1990, and will be financially fully independent as of January, 1991. We continue to have overlapping Board memberships with this organization.
- Participated in a second year of statewide dialog regarding Impact Fee legislation during the legislative session in New Hampshire.
- Sponsored local sessions of the NH Municipal Law Lecture series.
- Participated in the Governor's Council for the 21st Century.
- Administered a number of Community Development Block Grants. These grants have brought several million dollars worth of rehabilitation and municipal improvement funds into the region during the past few years. Only 2 of the 9 regional planning agencies in New Hampshire provide this service.
- Continued to work with the computer model developed during the Upper Valley Transportation Study to assess the traffic impacts of several large proposed development projects, and to assess the impacts of changes to the roadway network.
- Continued support for the Transportation Coordinating Committee, formed in 1989 at the request of the New Hampshire Department of Transportation.
- Provided technical assistance to Advance Transit and County Coach.

- Continued a study of public transportation for social service agencies in nearby towns in Vermont.
- Complied with applicable Act 200 requirements at the local, regional, and state level, including participation in the Council of Regional Commissions.
- Participated in review of Act 200, the new comprehensive planning legislation in Vermont, including legislative strategy sessions.
- Participated in the Vermont Act 250 environmental review process for a number of regionally significant projects.
- Sponsored local sessions of the VT planning training series.
- Worked with the communities around Lake Sunapee to develop a shoreline protection ordinance.
- Worked closely with the Upper Valley Land Trust, Society for the Protection of New Hampshire Forests, the Trust for New Hampshire Lands, and the Connecticut River Watershed Council to protect open space and conserve important parcels of land.
- Continued to participate in and work with the Connecticut River Valley Resource Commission. This commission allows New Hampshire towns in the Connecticut River Valley to join together in addressing issues such as growth, development, and preservation of the natural environment.
- Completely revised and updated our Regional Profile, and distributed copies to member towns.

The Upper Valley Lake Sunapee Council also provides specific services to communities on a contract basis. As requested by the communities, the Council conducted impact studies regarding proposed development, worked on amendments/updates to local ordinances and regulations, drafted new ordinances, performed capital improvement programs, and provided general mapping, drafting, and other technical assistance.

The Upper Valley Lake Sunapee Council looks forward to serving your community during the coming year. Please feel free to contact us for more information about specific activities in your community, or whenever we can be of assistance.

School District Treasurer

NUTRITIOUS MEAL PROGRAM

For the 1990 school year the students of Unity School were provided an average of 79.0 nutritious meals per day. A total of 14,146 meals were prepared and served under the guidance of Carol Gregory, Unity School Kitchen Manager and Marge Smith, to whom the District is indebted.

- Free lunches served 3,976 - average 22.2
- Reduced lunches served 1,258 - average 7.0
- Paid lunches served 8,508 - average 47.5
- Milk served 2,555 - average 14.2
- Teachers lunches served 404 - average 2.2
- Full Total 14,146 average 79.0

As always the lunch program encourages suggestions and comments in order that we may improve this program.

Carol Gregory

**UNITY SCHOOL DISTRICT
CHANGES IN LONG-TERM DEBT**

General Obligation Debt

The following is a summary of general obligation debt transactions of the School District for the fiscal year ended June 30, 1990.

General Obligation Debt Payable, July 1, 1989	\$220,000
General Obligation Debt Retired	20,000
General Obligation Debt Payable, June 30, 1990	200,000

General obligation debt payable at June 30, 1990 is comprised of the following individual issue:

General obligation debt payable at June 30, 1990 is comprised of the following individual issue:

\$400,000 Elementary School Addition	
Bonds due in annual installments of \$20,000 through 2000: interest varying from 5.50% to 8.75%	\$200,000

The annual requirements to amortize all general obligation debt outstanding as of June 30, 1990, including interest payments, are as follows:

Fiscal year Ending June 30, 1990	General Obligation Debt		
	Principal	Interest	Total
1991	\$20,000	\$16,400	\$36,400
1992	20,000	14,910	34,910
1993	20,000	13,380	33,380
1994	20,000	11,810	31,810
1995	20,000	10,200	30,200
1996-2000	100,000	25,850	125,850
Totals	\$200,000	\$92,550	\$292,550

All debt is general obligation debt of the School District, which is backed by its full faith and credit.

Legal Debt Margin

According to State Law, School district borrowing may not exceed seven percent (7%) of the valuation of property based upon the applicable locally assessed valuation of the municipality as last equalized by the Commissioner of Revenue Administration. For the year ended June 30, 1990, the Unity School district is using an equalized value of \$63,450,096 and a legal debt margin of \$4,441,507.

SUPERINTENDENT'S REPORT

The Community, Board, staff and students each have a very important role in the education process. The community members provide the funding support through their taxes and participate in school events because of their interest in the school. The Board listens to all groups as they establish direction for the school so students may be educated within the resources provided. The staff share their skills and interests in providing education to the students. The staff also work with parents who are the other key adults in shaping a child's future. The CHILD, our most important resource, receives the benefits when the community, Board and parents work together.

Unity has worked together in a very challenging time. Economic constraints throughout New England have limited the resources in the schools. The limited funding of education in New Hampshire has further reduced the resources. Unity citizens have faced these challenges by increasing participation in budget meetings and meeting with Legislators. The challenge will be met. It may take time but the outcomes will benefit our students.

The teachers of Unity School have drawn on their creativity and hard work to provide many experiences for the students. The support staff have contributed, also. Walking into Unity School reminds one that it is a school built on pride and caring in the community. Working together will strengthen the opportunity for our students to have a successful school experience and future. Thank you all for caring.

Respectfully submitted,
Karen S. Angello, Ph.D.
Superintendent

REPORT OF THE ASSISTANT SUPERINTENDENT

The 1990 school year brought changes in the Unity Elementary School. Carole Schuschu assumed the leadership of the school upon the retirement of Rodney Walker.

Budget reductions made at the School District Meeting in March of 1990 impacted our school. Staff members assumed additional responsibilities to insure a quality education for students and a safe school environment.

Unity parents have shown increased participation in their school. This encompassed participation in the principal selection, PTO activities, budget formation and reduction. A large contingent of Unity's townspeople attended the SAU Legislative Night to hear ideas relative to educational funding.

With a bleak economic outlook ahead, continuing to provide a cost effective quality education will take the School Board, staff, administration and parents working collaboratively.

REPORT FROM THE UNITY SCHOOL BOARD

The Unity School Board faced many changes this past year. Tim Deppmeyer resigned from the Board in March and moved from Unity. Donald Morse, a former Board member, accepted the vacated position. The District Meeting, as well as the community, will have a large void with the absence of Margaret (Peg) DeLude who passed away in September. She gave significantly to Unity School District as Moderator.

Budge preparations began in October and proved to be difficult because of the \$134,000 of Foundation Aid from the State. The loss will result in significant changes in some of our educational programs. As in the past, the Board encourages Unity Taxpayers to contact their legislators and urge them to fund education more equitably.

Carole Schuschu, joined the Unity staff this year as principal. Her leadership is appreciated. The staff continues to contribute to delivering quality education to our students. The students' achievements are a result of the guidance provided by the staff. The Unity School Board was proud to have two winners in the Colonel Samuel Ashley DAR Essay Contest. Those students were Vanessa Raymond and Jodie Gregory. Another staff member, Edward Gregory, is appreciated for his excellent care of our building and grounds throughout the year.

The Unity School Board welcomes the citizens of Unity at the Board meetings which are held the second Monday of each month at 7:00 p.m.

Respectfully submitted,
Loraine C. Light
Mary Ellen Bellimer
Donald Morse

PRINCIPAL'S REPORT

1990

It is a little difficult to give an annual report when I have been here for six months, but let me talk to you about what I have seen and done in my first few months on the job. I have spent this time getting to know the school community. I met with teachers and parents at the beginning of the school year to ask what they wanted their school to be and to assess its strong points. The input I received was very valuable and has helped to shape the direction we all want our school to move in. I have spent time learning the names of the students in all our grades. This is one of the benefits of a small school, the possibility of knowing each student individually. I know also from listening to parents, that despite the hard financial time we are facing, the community wants to hold on to the sense of community and values which a small school can inspire.

It has been great fun for me getting to know the students outside of school at soccer games, bowling and at the school dances. I have met children as the principal/guidance person and listened to some of the problems they face. I have tried to be a good listener and to be a friend.

Some of the things we have accomplished this fall include; our 5th - 8th grade trip to Hulbert Center, the 6th/7th grade visits to the County Home, participation in the Performing Arts Series at Hopkins Center in Hanover, a Thanksgiving dinner in which all classes ate together and gave thanks for our many blessings, a schoolwide effort to send tapes, letters and cookies to our Unity Friends in Saudi Arabia, a Christmas concert put on by our new music teacher, Lyn Peterson and a trip by the chorus to the county home to sing Christmas carols. Recently, we were entertained by Odds Bodkin, thanks in part to the generous support of the PTC and the student council.

I would like to thank the staff of talented and dedicated teachers for their patience and help during these first few months. I would also like to thank the support staff who have been most helpful. We have worked together as a staff for the betterment of the school.

I would encourage you to visit us to get to know the school better. My office door is open to parents and community members. We need your help in educating your children and we want to know your feelings.

Thank you to the Unity School Board, Superintendent Dr. Karen Angello, Assistant Superintendent Mary Bell, Director of Pupil Services, Dr. Hal Hayden and the members of the community for their support.

Respectfully submitted,
Carole Schuschu

AUDITOR'S REPORT ON FINANCIAL PRESENTATION

To the Members of the School Board
Unity School District
Unity, New Hampshire

We have audited the accompanying general purpose financial statements of the Unity School District and the individual fund financial statements of the School District as of and for the year ended June 30, 1990, as listed in the table of contents. These financial statements are the responsibility of the School District's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1B, the general purpose financial statements referred to above do not include the General Fixed Asset Account Group, which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Asset Account Group is not known.

In our opinion, except that omission of the General Fixed Asset Account Group results in an incomplete presentation, as explained in the above paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Unity School District at June 30, 1990, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles. Also, in our opinion, the individual fund financial statements referred to above present fairly, in all material respects, the financial position of each of the individual funds of the School District at June 30, 1990, and the results of operations of such funds for the year then ended, in conformity with generally accepted accounting principles.

Plodzik & Sanderson

November 13, 1990

SCHOOL NURSE REPORT 1990

During the school year 1989 - 1990, I spent four hours Monday mornings at Unity School.

All students Grades one through eight were screened for vision and hearing. Those students failing either screening were re-screened at a later date. Students failing the second screening were referred for medical follow-up.

In all, twenty one hearing re-tests were done with nine actual referrals. Twenty eight vision retests were done with eleven referrals made.

Seventy eight children presented to the nurse with complaints of illness and one hundred and three students with complaints of injury. Sixty six parent contacts were made either by phone, note, or home visit.

A survey on the immunization status of all first graders and new out of state students was completed and returned to the state. All thirteen first graders were properly immunized and new students, if not up to date, were either seen at school clinic or by their private physician to complete the requirements.

Most students in grades one through six participated in the fluoride rinse program sponsored by the State Bureau of Dental Health. Unfortunately for the children of New Hampshire, the Bureau of Dental Health was unfunded and the excellent programs they sponsored were discontinued.

Scalp inspections for Pediculus (head lice) was completed on all students the first week of school, after every long vacation, and on an individual or class basis as needed. Fortunately the incidence of Pediculus was relatively low in the Unity School.

I have enjoyed being a part of the "Unity Team", if only for a few hours a week. I found all teachers and parents most cooperative in assisting me with the health program.

Lois Berube, R.N.
School Nurse

**ANNUAL SCHOOL DISTRICT MEETING
UNITY, NEW HAMPSHIRE
MARCH 5, 1990**

Minutes of the Annual School District Meeting held on March 5, 1990 at the Unity Elementary School, Unity, New Hampshire. At 5:00 p.m. the polls were duly opened to act upon Article 1 of the Warrant: "To choose a Moderator, Clerk, Treasurer, and Auditor for the ensuing year, and one member of the School Board for a term of three years." The Warrant was read in its entirety, a total of eight Articles, by the Moderator was read in its entirety, a total of eight Articles, by the Moderator Pro-Tem, Gata Hudson, who stated that "the polls for voting on Article 1 will close at 7:30 in the evening. The remaining Articles will be acted upon at 7:30 in the evening."

At 7:30 p.m. the Moderator, Margaret DeLude, declared the polls closed and opened the meeting by reading the Warrant in its entirety.

ARTICLE 2: Mary Ellen Bellimer moved, "To hear the reports of Agents, Auditors, Committees, or Officers chosen and pass any vote relating thereto." Timothy Deppmeyer seconded. Motion passed.

ARTICLE 3: Mrs. Bellimer moved: "that the District raise and appropriate \$864,118 for the support of schools, for the salaries of District officials, agents, and employees, for the payment of statutory obligations, and to authorize the application against said appropriation of such sums as are estimated to be received from the State equalization and building funds, together with other income, the School Board to certify to the Selectmen the balance between the estimated revenue and the appropriations, which balance is to be raised by taxes by the town." Seconded from the floor. There was discussion, and the budget was reviewed line by line. Mrs. Tynne Cox moved to amend the sum in Article 3 to \$838,618 - to represent a cut of \$25,500. Seconded by Mrs. Shirley Hodge. A ballot vote on this amendment was moved and seconded. At 9:00 p.m. the Moderator announced the results of the balloting: twenty-one (21) "no", forty-seven (47) "yes". Amendment passed. Mrs. Tynne Cox moved Article 3 with the amended figure of \$838,618. Seconded by Shirley Hodge. The motion was put to a voice vote. Article passed.

ARTICLE 4: Mr. Deppmeyer moved "that the District authorize the School Board to make application for and to accept and expend, on behalf of the School District, any and all grants or other funds for educational purposes which may now or hereafter become forthcoming from the United States Government or from the State of New Hampshire. (pursuant to RSA 198:20-b)." Mrs. Bellimer seconded. Article passed.

ARTICLE 5: Mrs. Light moved: "that the District will vote to authorize the School Board to accept and expend on behalf of the District, any and all gifts or other funds received from miscellaneous sources as the Board shall determine to be advisable." Mr. Deppmeyer seconded. Article passed.

ARTICLE 6: (By Petition). "To see if the School District will vote to increase the number of school board members from three (3) to five (5) and to elect the said as follows: For year 1991, elect two (2) members for three year terms and elect one (1) member for a two year term; for year 1992 and every third year thereafter, elect one (1) member for a three year term; and, in all other years, elect two (2) members for three year terms." The Moderator declared that this Article would be done by secret ballot as petitioned by five registered voters. Mrs. Light was recognized and read a statement of opposition to this Article from the Board. There was some discussion. The balloting results of Article 6 were twenty-one (21) "yes", (47) "no". Article failed.

ARTICLE 7: Mrs. Bellimer moved, "We the residents of the Unity School District find the State of New Hampshire to be negligent in the funding of Public Education, thus creating an undue burden on the local property taxpayers. We demand that the State of New Hampshire Legislature begin in earnest to study methods for substantially increasing State aid to education." Seconded unanimously. Article passed.

ARTICLE 8: To transact any other business that may legally come before this meeting. Mrs. Evelyn Page moved, "that the Unity School District take immediate steps to discontinue the use of styrofoam food and beverage containers in the lunch program, thereby eliminating an unnecessary burden on our diminishing landfill." Seconded from the floor. The District voted unanimously in favor of this motion. As a recommendation to the Board, Mr. & Mrs. Everett Hodge moved and seconded that the School District Meeting be held on Saturdays in the future. The District approved.

At 9:30 p.m. Mrs. DeLude declared the meeting closed and adjourned.

After tabulation of the balloting on Article 1, the Moderator read the results of the District's vote. There were ninety-eight (98) ballots cast, including three (3) Absentee Ballots. For School Board, Mary Ellen Bellimer was the declared winner with forty-eight (48) votes. Becky J. Vittum received forty seven (47) votes. Mrs. Thurber received one (1) write-in vote. For Moderator, Margaret DeLude was the declared winner. She received thirty-four (34) of the seventy (70) write-in votes cast for this position. For Treasurer, Peggy Austin was the declared winner with ninety (90) votes. For Clerk, Gata B. Hudson was re-elected with eighty-six (86) votes. Attached to these minutes is a record of all votes cast, including those written in.

At approximately 10:30 p.m., the School Board Member, Mary Ellen Bellimer; the Moderator, Margaret DeLude; and the District Clerk, Gata B. Hudson were duly sworn in.

Respectfully submitted,
Gata B. Hudson
Unity School District Clerk
