DEDICATION

I would like to dedicate this year's Town Report to us, the citizens of the United States. What was a relatively quiet year nationally became a cataclysmic year on September 11. Following the tragic events that transpired that day, I observed the American people come together and with one voice say "Not Here!"

We lost friends, neighbors and relatives on that day. Our way of life was challenged. We stood up and showed our outrage. And the world listened. And the world agreed. Not here, not anywhere, not again. In the months that followed September 11, there were other localized incidents, even in Atkinson. We did not overreact. We faced the situations. We resolved the situations and we moved on.

Our strength as a nation is in our diversity, and our ability to overlook differences and work together for a better life. We showed that, regardless of reports of indifference and lack of interest, we believe in our values and we will defend them against all opposition. To the American people and particularly the residents of Atkinson, Well Done.

A circular collage of black and white photographs depicting various community events and gatherings. The photos show groups of people, including children and adults, engaged in activities like playing instruments, dancing, and socializing. The text "Atkins Community" is written in a large, stylized font across the top of the collage.

BOARD OF SELECTMEN

The year 2001 should have been a quiet year. Or so I had hoped, it being my first time as Chairman of the Board of Selectmen. As quiet years go, we had one of the worst snow seasons in recent memory. Our entire Winter Maintenance budget seemed to go in a flash. That was followed by a spring plagued by deluges repetitively washing out roads, both new and old. Summer brought a welcome relief, time to repair the damages and assess the finances of the Town.

Negotiations continued with the police union throughout the summer, culminating in an agreement on the first contract terms to be presented for ratification on this year's ballot. I see this as further indication of the growth and urbanization of the Town. Paid employees of the Town have grown to where there are now about 125 employees of the Town. This is in addition to and in support of all the volunteers that continue to diligently provide essential services on a daily basis.

Trash collection continues to be an issue. Waste Management had adopted one-day collection, which was originally proposed by the Town and it seems to be working better. We hope for continued improvement. The recycling center has more business than ever. Waste Management has taken notice of the volume generated from the center and we are expecting proposals for more curbside recycling in the near future.

The Town installed a new computer system to maintain our property assessment records. The conversion will be complete in 2002, as we prepare for State assessment certification to come in 2004.

Recreation had another banner year between the Community Center programs and Sun'n'Fun. The athletic fields at the Pope Recreation area are in constant usage during the Spring-Summer-Falls seasons and there is no reason to believe that more will be needed in the future.

At the end of my first term as Selectmen and first year as Chairman, I can reflect on what an education I have received. I appreciate the many residents who have called with advice, information, and yes, even those with complaints. You all are important. The Board does listen. Atkinson remains a nice place to live, with nice residents. We continue to be fiscally sound and responsive.

On behalf of the Board of Selectmen, I would like to thank the employees, the volunteers and all of you, the residents, for making 2001 another successful year for Atkinson.

Respectfully submitted,

Michael C. Turell,
Chairman

TAX COLLECTOR'S REPORT

Thank you Atkinson Homeowners! Again, you have shown great commitment and dedication to your Town. During a time when we suffer the effects of a recession, the majority of our Homeowners still manage to meet their financial obligation to our Town. The 96% of collected tax revenue shows the consistency of our dedication and commitment to keep the financial integrity of our Town intact.

Thank you Atkinson, I look forward to many years of serving you.

OFFICE OF THE TOWN CLERK

The year 2001 started with a new Moderator, Frank Polito, who did an excellent job at the Deliberative Session on February 10th and also at the ballot vote on March 13th. Assistant Town Clerk, Pat Ferrelli left the end of January for a full-time job nearer her home in Greenland, NH. We were lucky to replace her with Patti Mangini mid-February. Our concerns about Deputy Shirley Reed's health were confirmed and she went through difficult times. In April, "Smokey" Seckendorf was sworn in as our new Animal Control Officer. He worked very hard and along with the help of fantastic publicity helped increase dog revenue by \$3,796. While Shirley was out sick, we were understaffed at our busiest time, and Pat Ferrelli returned to help on a temporary, part-time basis. In May Shirley's resignation was accepted with hopes that she would recover and have many years to enjoy her retirement with her beloved family and friends. Patti Mangini was promoted to Deputy when Shirley resigned because she had received training with all the State agencies we work with and had proved to be a hard worker, a quick learner, and more than pleasant with all the customers. Pat Ferrelli continued to help us out until September, when we were fortunate to have Lucy Duquette join our staff. It was a bittersweet, sometimes difficult year but quality service remained a priority and things worked out very well over all. Many thanks for your support---you are the best!

For the Year Ended December 31, 2001

INDEPENDENT AUDITOR'S REPORT

MASON + RICH

Professional Association

Certified Public Accountants

Six Bicentennial Square

Concord NH 03301

August 23, 2001

Board of Selectmen

Town of Atkinson

Atkinson, New Hampshire

We have audited the accompanying general purpose financial statements of the Town of Atkinson, New Hampshire, as of December 31, 2000 and for the year then ended as listed in the table of contents. These general purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1, the general purpose financial statements referred to above do not include the general fixed assets account group, which should be included in order to conform with generally accepted accounting principles. The amount that should be recorded in the general fixed assets account group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the third paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Atkinson, New Hampshire, as of December 31, 2000 and the results of its operations and the cash flows of its proprietary and similar trust fund types for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The accompanying combining and individual fund financial statements listed as supporting schedules in the table of contents are present for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of Atkinson, New Hampshire. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and in our opinion, is fairly stated in all material respects in relation to the general purpose financial statements taken as a whole.

Respectfully submitted,

Mason + Rich Professional Association,

2002

TOWN WARRANT

&

BUDGET

NOTES

MUNICIPAL BUDGET COMMITTEE

The Budget Committee has recommended a town operation budget for 2002 in the amount of \$3,023,676.00. This amount represents an approximate 4.1% increase over the fiscal 2001 operating budget of \$2,903,320.00.

Recognizing the current condition of the local economy, the Budget Committee made every reasonable attempt to hold the line on the operating budget. After several meetings with department heads and town officials, reviewing the budget and listening to those comments made at the January 15, 2002 Public Hearing, we made our final recommendations.

We are also recommending the passage of \$464,661 in warrant articles. These include:

2002-4	Coventry Road (East)	\$142,560.00
2002-5	Stonewall Terrace	\$106,920.00
2002-6	Sunset Drive	\$106,920.00
2002-7	Highway Truck Lease	\$14,561.00
2002-14	Fire Dept. Capital Reserve	\$30,000.00
2002-15	Fire Department Paid Call	\$50,000.00
2002-16	Dow Common Monument	\$10,700.00
2002-17	Dow Common Completion	\$3,000.00

Some of the major issues facing the voters this year include:

- Use of money received from the Land Use Change Tax. This account currently has a balance in excess of \$728,000. The Conservation Commission now owns 499.40 acres of land. In placing our priorities, should we purchase more conservation land or return that money to the general fund for other purposes, such as a new library?
- Fire Department – Paid Call
- Police Department – Fifth full-time Police officer
- Dow Common Improvements – Monument

The Budget Committee would like to thank the department heads for their cooperation and participation. We would like to offer a special Thank You to the residents of the town for their continued support.

We hope the voters will familiarize themselves with the Town Warrant as well as the school warrant. Get out and participate in our democratic process -

And VOTE

Respectfully submitted,

Brian J. Boyle,
Chairman

STATE OF NEW HAMPSHIRE

TOWN OF ATKINSON

2002 TOWN MEETING WARRANT

To the inhabitants of the Town of Atkinson in the County of Rockingham in said State, qualified to vote in Town Affairs.

You are hereby notified to meet at the Dyke Auditorium of Atkinson Academy on Saturday, the 9th day of February next, at ten o'clock in the forenoon to deliberate upon the articles included in the warrant.

You are also notified to meet on Tuesday the twelfth day of March 2002, at 7:00 o'clock in the morning in the Atkinson Community Center, to vote by official ballot on the election of town officials and on all warrant articles. By vote of the Selectmen, the polls for the meeting will remain open from 7:00 o'clock in the forenoon until 8:00 o'clock in the evening.

Article 2002-1 Choose all necessary officers for the coming year.

Article 2002-2 *Zoning Amendment – Section 600:17*

An amendment to the Atkinson Zoning, Article VI, Section 600:17 by adding a new subsection (e) to clarify the intent of zoning and to insure that open space is utilized as intended in the original writing.

New subsection (e) to read:

The usage of all Open Space associated with a Cluster shall remain under the direction and control of the Homeowners of that Cluster so that the homeowners access and usage of the land is protected. Said access and usage shall also be protected by the developer during the developer's stewardship of the Open Space, until such time as it is transferred to the Homeowner's Association.

Recommended by the Planning Board
Recommended by the Board of Selectmen

Article 2002-3 *Operating Budget*

Shall the Town of Atkinson raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling Three Million Twenty-three Thousand Six Hundred Seventy-six Dollars (\$3,023,676). Should this article be defeated, the operating budget shall be Two Million Nine Hundred Three Thousand Three Hundred Twenty Dollars (\$2,903,320), which is the same as last year, with certain adjustments required by previous action of the Town of Atkinson or by law or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. NOTE: This warrant article does not include appropriations in ANY other warrant article. (Majority vote required)

Recommended by the Board of Selectmen
Recommended by the Budget Committee

Article 2002-4 *Coventry Road (East)*

To see if the Town will vote to reconstruct 0.60 miles of Coventry Road (East) to a width of 24 feet and to raise and appropriate the sum of One Hundred Forty-two Thousand Five Hundred Sixty Dollars (\$142,560) for this purpose. All work will be done under the supervision of the Road Agent. This article is in addition to Warrant Article 2002-3, the operating budget. (Majority vote required)

Recommended by the Board of Selectmen
Recommended by the Budget Committee

Article 2002-5 *Stonewall Terrace*

To see if the Town will vote to reconstruct 0.45 miles of Stonewall Terrace to a width of 22 feet and to raise and appropriate the sum of One Hundred Six Thousand Nine Hundred Twenty Dollars (\$106,920) for this purpose. All work will be done under the supervision of the Road Agent. This article is in addition to Warrant Article 2002-3, the operating budget. (Majority vote required)

**Recommended by the Board of Selectmen
Recommended by the Budget Committee**

Article 2002-6 *Sunset Drive*

To see if the Town will vote to reconstruct 0.45 miles of Sunset Drive to a width of 22 feet and to raise and appropriate the sum of One Hundred Six Thousand Nine Hundred Twenty Dollars (\$106,920) for this purpose. All work will be done under the supervision of the Road Agent. This article is in addition to Warrant Article 2002-3, the operating budget. (Majority vote required)

**Recommended by the Board of Selectmen
Recommended by the Budget Committee**

Article 2002-7 *Highway Department Dump Truck Lease Agreement*

To see if the Town will vote to authorize the selectmen to enter into a three-year lease agreement for the purpose of leasing a 2002 Ford F-450 dump truck with plow, for the Highway Department, and to raise and appropriate the sum of \$14,561 for the first year's payment for that purpose. This lease agreement contains an escape clause. (Majority vote required)

**Recommended by the Board of Selectmen
Recommended by the Budget Committee**

Article 2002-8 *Disposal of Town Property – Dump Truck*

To see if the Town will vote to authorize the Selectmen to dispose of the Highway Department's 1997 dump truck with plow by bid, trade, or sale contingent on passage of Article 2002-7. (Majority vote required)

Recommended by the Board of Selectmen

Article 2002-9 *Police Department Collective Bargaining Agreement – Union Contract*

To see if the Town will vote to approve the cost item included in the collective bargaining agreement reached between the Town of Atkinson and The International Brotherhood of Police Officers, Local #563 which calls for the following increases in salaries and benefits:

Year	Estimated Increase	Year	Estimated Increase
2002	\$44,146.00	2003	\$14,715.00

and further to raise and appropriate the sum of Forty-four Thousand One Hundred Forty-six Dollars (\$44,146) for the current fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits over those of the appropriation at current staffing levels paid in the prior fiscal year.

**Recommended by the Board of Selectmen
Not Recommended by the Budget Committee**

Article 2002-10 *Disposal of Town Property – Police Cruiser*

To see if the Town will vote to authorize the Selectmen to dispose of the Police Department's police cruiser by bid, trade, or sale. (Majority vote required)

Recommended by the Board of Selectmen

Article 2002-11 *Disposal of Town Property – Police Weapons*

To see if the Town will vote to authorize the Selectmen to dispose of Fourteen (14) of the Police Department's duty weapons by bid, trade, or sale. (Majority vote required)

Recommended by the Board of Selectmen

Article 2002-12 *Police Department – Fifth Full-time Police Officer*

To see if the Town will vote to raise and appropriate the sum of Twenty-four Thousand Eight Hundred and Ninety-six Dollars (\$24,896) to fund the position of a fifth full-time police officer. These funds will be used to pay the officer's salary from June 1, 2002 to December 31, 2002 and all related fringe benefits. This officer's estimated yearly salary for 2003 will be Thirty-two Thousand Five Hundred Dollars (\$32,500)

This appropriation will be reimbursed by any Federal funds for which the Town is eligible and which are received through a Federal Grant application. This article is in addition to Warrant Article 2002-3, the operating budget. (Majority vote required)

**Recommended by the Board of Selectmen
Not Recommended by the Budget Committee**

Article 2002-13 *Fire Department – Water Line*

To see if the Town will vote to appropriate the sum of Forty-five Thousand Dollars (\$45,000) from the balance of Warrant Article 99-11 to bring the Walnut Ridge Water Co. water line to the existing fire station, to resolve water supply problems at the Atkinson Fire Station facility. (Majority vote required)

**Recommended by the Board of Selectmen
Recommended by the Budget Committee**

Article 2002-14 *Capital Reserve Fund – Fire Department Fire Equipment and Vehicles*

To see if the Town will vote to raise and appropriate the sum of Thirty Thousand Dollars (\$30,000) to be added to the Fire Department Fire Equipment and Vehicles Capital Reserve Fund previously established for the purpose of acquiring fire equipment and vehicles as determined by the Board of Engineer's capital plan. This article is in addition to Warrant Article 2002-3, the operating budget article. (Majority vote required)

**Recommended by the Board of Selectmen
Recommended by the Budget Committee**

Article 2002-15 *Fire Department – Paid Call*

To see if the Town will vote to raise and appropriate the sum of Fifty Thousand Dollars (\$50,000) for purposes of paying Atkinson Fire Department fire fighters and Emergency Medical Technicians on a "call" basis as defined in RSA 508:12-B. Fire fighter and Emergency Medical Technician members to be paid for emergency responses and approved related training on an hourly wage basis to be determined by the AFD Board of Engineers and the Board of Selectmen. Under this Article, payment will begin for services rendered occurring on or after April 1, 2002. This article is in addition to Warrant Article 2002-3, the operating budget article. (Majority vote required)

**Recommended by the Board of Selectmen
Recommended by the Budget Committee**

Article 2002-16 *Dow Common Improvements – Monument*

To see if the Town will vote to move the Soldier's Monument, which sits on Dow Common, to the middle of the existing Dow Common and to raise and appropriate the sum of Ten Thousand Seven Hundred Dollars (\$10,700) for this purpose. This article is in addition to Warrant Article 2002-3, the operating budget article. (Majority vote required)

**Recommended by the Board of Selectmen
Recommended by the Budget Committee**

Article 2002-17 *Dow Common Completion*

Will the town agree to raise and appropriate the sum of Three Thousand Dollars (\$3,000.00) to complete the work planned at the Dow Common?

**Recommended by the Board of Selectmen
Recommended by the Budget Committee**

Article 2002-18 *Modify The Elderly Exemption*

"Shall we modify the elderly exemptions from property tax in the town of Atkinson, based on assessed value, for qualified taxpayers, to be as follows: for a person 65 years of age up to 75 years, Fifty-seven Thousand Five Hundred Dollars (\$57,500); for a person 75 years of age up to 80 years, Eighty-six Thousand Two Hundred Fifty Dollars (\$86,250); for a person 80 years of age or older One Hundred Fifteen Thousand Dollars (\$115,000). To qualify, the person must have been a New Hampshire resident for at least 5 years, own the real estate individually or jointly, or if the real estate is owned by such person's spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of not more than Twenty-nine Thousand Seven Hundred Dollars (\$29,700) or, if married, a combined net income of less than Thirty-eight Thousand Five Hundred Dollars (\$38,500); and own net assets not in excess of Sixty Thousand Dollars (\$60,000) excluding the value of the person's residence." New exemption qualifications become effective tax year 2003.

**Recommended by the Board of Selectmen
Recommended by the Budget Committee**

Article 2002-19 *Capital Reserve Fund – Cable TV*

To see if the Town will vote to appropriate the sum of Thirty-five Thousand Dollars (\$35,000) to be deposited in the Atkinson Community Television Capital Reserve Fund, such funds to come from Adelphia from fees returned to the Town under the Franchise Agreement of May 27, 1983 for this purpose. (Majority vote required).

**Recommended by the Board of Selectmen
Recommended by the Budget Committee**

Article 2002-20 *Accept Roads*

To see if the Town will vote to accept Millstream Drive, and Abbey Road as town roads. (Majority vote required)

Recommended by the Board of Selectmen

Article 2002-21 *Accept Roads*

To see if the Town will vote to accept Haydn Drive, Pope Road, Meeting Rock Road, and Kings Grant Drive as town roads, and authorize the Selectmen to release bond money upon completion of certain items as outlined in the Keach and Nordstrom recommendations. (Majority vote required)

Recommended by the Board of Selectmen

Article 2002-22 *Code of Ethics Amendment – Time Limit*

Shall the Town adopt the following amendment to the Atkinson Code of Ethics Ordinance as proposed by the Atkinson Code of Ethics Committee?

This amendment will set a time limit as to the submitting of a petition to the Code of Ethics Committee for processing of any allegations.

Proposed change as follows:

Under Section VII, A, Procedures for Inquiries and Alleged Violations. - Add the sentence after the words Conflict of Interest. (Third line) "The petition must be submitted to the Code of Ethics Committee within one year after the alleged violation has occurred."

Recommended by the Board of Selectmen

Article 2002-23 *Code of Ethics Amendment – Delivery Process*

Shall the Town adopt the following amendment to the Atkinson Code of Ethics Ordinance as proposed by the Atkinson Code of Ethics Committee?

This amendment will clarify the delivery process.

Under Section VII, A (1), Procedures for Inquiries and Alleged Violations: add after the second sentence: The petition must be placed in a sealed envelope marked "Code of Ethics Committee".

Recommended by the Board of Selectmen

Article 2002-24 *Code of Ethics Amendment – Maintenance of Files*

Shall the Town adopt the following amendment to the Atkinson Code of Ethics Ordinance as proposed by the Atkinson Code of Ethics Committee?

This amendment will specify the maintenance of the files and keep them under the control of the Code of Ethics Committee therefore maintaining the privacy as specified by statute – RSA 91-A.

(Access to Public Records and Meetings)

Under Section VII, A (2), Procedures for Inquiries and Alleged Violations:

Change the first sentence as follows – Delete the words "Filed with the Town Clerk"

Add in its place the words "submitted to the Town Clerk's Office"

Delete in the first sentence, the words " a copy "

Add in its place: "the sealed envelope".

Delete the second sentence the words "Clerk's Office"

Add in its place the words "Town Hall, under the exclusive control of the Code of Ethics Committee"

Recommended by the Board of Selectmen

Article 2002-25 *Land Use Change Tax Proceeds*

Pursuant to RSA 79-A:25 IV, to see if the Town will vote to rescind the action taken by the 1998 Town Meeting to deposit all current use change tax revenue collected pursuant to RSA 79-A:25 II into a conservation fund and pay all future land use change tax revenue to the general fund as permitted by RSA 79-A:25 I and IV.

**Recommended by the Board of Selectmen
Recommended by the Budget Committee**

Article 2002-26 *Petition: Town Administrator*

"To see if the Town will replace the position of Selectmen's Assistant with That of Town Administrator."

Recommended by the Board of Selectmen

Article 2002-27 *Accept Road*

To see if the Town will vote to accept Murray Drive as a town road.

Recommended by the Board of Selectmen

Given under our hands this twenty-eighth day of January 2002.

Article 2001-41 – Town Administrator	Fail
Article 2001-42 – Accept Butler Road and Twin Oaks Drive	Pass

DEPARTMENT

&

COMMITTEE REPORTS

2001 was my first year as your Animal Control Officer.

I found that working as a team, with my staff and the staff in the Town Clerk's office, we were able to license more dogs than ever. I would like to express my appreciation to the Town Clerk's office staff for their hard work.

The local newspaper and radio stations were also a great help in getting the message out concerning the importance of licensing your dog.

The Atkinson Fire station will host a rabies clinic on April 6, 2002.

We felt very satisfied to see two wild owls returned back to health so they could be set free again.

Please feel free to contact me or one of my assistants: Tim Judge, John Leone, Don Murphy or Ted Stewart at 362-4739.

We look forward to serving the town of Atkinson in 2002.

Respectfully submitted,

Warren "Smokey" Seckendorff,
Animal Control Officer

BUILDING INSPECTOR

In 2001 new projects were scarce, building continued on older lots and projects. Approximate building permit value for the year was \$21,168,568. We anticipate less building activity in 2002, given the state of the economy. Our availability of lots is dwindling and there have been no large subdivisions proposed.

PLAN AHEAD FOR PERMITTING – Applications can be submitted on Monday evenings between 7:00 p.m. to 8:30 p.m.

Go to the Atkinson Web Site www.town-atkinsonnh.com to check on requirements for building permits, pool permits, office hours and names and phone numbers of inspectors.

2001 Building Permits issued were for the following:

Type	Number of Permits*
New Homes	32
Foundations	34
Condominiums	44
Garages, Carports + Barns.....	11
Additions, Alterations + Remodeling, Decks/Porches/Sunrooms, Sheds, Poolhouse, Handicapped Ramp & Sheds	131
Pools	22
Re-roof & Siding	18
Commercial	3
Demolition.....	3
Temporary Mobile Home	1
In-Law Apartment	2

* A list of the 2001 Building Permits is available in the Code Enforcement Office/Building Department for public review.

Respectfully submitted,

Robert Jones,
Building Inspector

The year 2001 was a busy year for the committee. We were involved in court proceedings, petitions that required the attention of the committee, and some requests for information.

The Committee was busy reviewing the Code of Ethics Ordinance wording. Once again, this year we are submitting proposed changes to be included in the Town Warrant.

These articles will help us to be in line with the Statute as written by the State of New Hampshire. We feel the wording and definitions should be easily understood by all the Town's citizens. This is why we continuously try to improve the wording, making the Ordinance easier to understand by everyone.

The Code of Ethics Committee members hope that these proposed changes will help to clarify the process of those sections being changed.

We would like to thank the voters for their support in approving the 2000 Town Warrant Articles that we had submitted.

We are open to any questions or comments regarding the meaning, intent, and interpretation of the Code of Ethics Ordinance that you may have.

Respectfully submitted,

Robert A. Murad,
Chairman

The Atkinson Conservation Commission is an all-volunteer group which is appointed by the Board of Selectmen. It operates under the auspices of New Hampshire RSA 36-A, which empowers the Conservation Commission to provide "for the proper utilization and protection of the natural resources and for the protection of watershed resources of said city or town." The Commission is the only local board specifically charged to protect the natural resources of the Town, and as such provides a focal point within town government for environmental concerns. The Atkinson Conservation Commission serves as an advisory board to the NH State Wetlands Bureau and the Atkinson Planning Board and Zoning Board of Adjustment.

YEAR 2001 ACTIVITIES

The past year was again marked by an intense flurry of development activity and a remarkable rise in the price of real estate and new homes. This resulted in efforts to develop several marginal land parcels, which in the past would have been deemed too expensive to build upon. As the price of land increased and the amount of available buildable land continued to decrease, the Conservation Commission was kept busy in a variety of efforts to oversee and protect those natural resources of our town which would be potentially impacted by these projects. In our advisory roles, we were called upon numerous times to examine plans for new developments, to conduct site walks, and to provide opinions on many wetland zoning variance requests.

The Commission also sponsored a Boy Scout Eagle project, which succeeded in rebuilding and re-blazing the interpretive nature trail network on the Ruth Marshall Conservation Land, which abuts Big Island Pond off of Boulder Cove Road. The scouts' work implemented the educational material and trail layout suggestions made previously in a report produced by a group of UNH Natural Resources students. Another Eagle Scout project involved the construction and installation of several wood duck boxes at various wetland locations around town. The Commission is deeply indebted to these hard-working and conservation-minded Scouts!

Members of the Commission attended several workshops throughout the year in an effort to keep current on the latest conservation tools and techniques. Topics of the workshops included land easements and protection techniques, wetland and wildlife habitat identification, understanding the Land and Community Heritage Investment Program (LCHIP), and documentation and mapping of conservation lands.

THE CONSERVATION FUND

The Conservation Fund is a permanent fund established by the Town for the purpose of open space protection and preservation. The rules for funding and use of the Fund are governed by New Hampshire law, which specifies, among other things, that the Fund is a "non-lapsing" account (i.e. it is carried over from year to year) and that money can only be spent from the fund after approval by the Conservation Commission and the Board of Selectmen.

The current primary funding mechanism for the Conservation Fund is the Current Use Change Tax. In essence, as open space land is developed and its tax status changes, money is deposited into the Fund. Thus, the Use Change Tax is the perfect funding vehicle for the Conservation Fund, as the rate of deposits to the fund is directly proportional to the rate of development. As open space disappears from our landscape, the Conservation Fund is empowered to protect and preserve some of the remaining open space with the funds that it receives.

As you can see by the numbers at the bottom of this report, over \$500,000 was deposited to the Conservation Fund in 2001, an amount which was frankly shocking to even the members of the Commission. While we were pleased to have that money set aside for open space preservation, the relative amount of money collected compared to previous years served to starkly illustrate just how quickly development was proceeding in Atkinson and also how much demand there was for new development. After the year 2000's decline in revenue (\$67,000 collected in 2000 as opposed to \$276,000 in 1999), we thought that the Change Tax Revenue was once again returning to more normal levels (a median of \$33,647 per year for the 11 year period prior to 2000). However, as it turns out, the price of land and the demand for new housing once again pushed revenues to an all-time high in 2001.

USE OF THE CONSERVATION FUND

So the obvious question is "How is this money being used?" The answer is that the money is being saved (earning interest, of course) in anticipation of being able to fully maximize its value when an especially vital protection project comes along. In addition to fee-simple purchases of land, the Commission is also pursuing alternative means of land protection such as conservation easements and purchase of development rights. However, these types of protection mechanisms take much longer to implement due to the landowner education process required and the need to construct each deal in a unique manner. (It is also worth noting that over \$335,000 of the 2001 receipts came into the Conservation Fund in the month of December 2001, so the Commission has not really had time to even consider, much less fully develop a plan for its use.)

The next obvious question is "Don't you have enough money in the Conservation Fund yet?" The answer is that even with over \$728,000 in the bank, the current historically high property values argue against purchasing development rights of, or buying outright, any significant parcel of land in the immediate future. Although some may doubt that prices will go lower, history has shown that real estate prices always move in cycles, and the trick is to buy when the market is down. Thus, although there may be a "surplus" in the Conservation Fund for some period of time, it is critically important to continue making regular contributions to the Fund in order to keep it effective in the future.

The Commission is always interested in talking with Atkinson landowners about the possibility of acquiring or protecting land parcels which are significant from an ecological and/or scenic perspective, and about the variety of financial arrangements and land use practices which can be mutually beneficial to both the owner/seller and to the Town. Many landowners are unaware of the significant impact that Federal inheritance taxes can have on even a small to medium size estate which includes land whose value has significantly appreciated over the years. There have been many cases where lack of proper planning has resulted in a large inheritance tax, and the heirs have been forced to sell off or develop property which they had intended to keep in the family for generations. The Commission is always willing and available to help begin the land protection education process.

WHY SPEND MONEY ON PRESERVING OPEN SPACE?

Since 1998, you the Townspeople have continually expressed your support for the full allocation of the Current Use Change Tax to the Conservation Fund. Your support clearly demonstrates that preservation of open space continues to be a top priority among the residents of Atkinson. Once again, there is a warrant article on the ballot which proposes to halt all contributions of the Current Use Change Tax to the Conservation Fund. We ask for your support in once again opposing this article and helping to defeat it at the polls.

Let the Conservation Commission members be the first ones to sympathize with the ethic of frugality. After all, the very definition of "conservation" is saving! However, we recognize that this year, with the economy in decline and everyone taking an even more critical look at the taxes they pay, it is difficult to justify putting money in the bank for future land preservation when there are so many other current needs going unmet. But while it is easy to look back on the Use Change Tax money collected last year and say, "Think of what we could have bought with that money!", we assert that it is important to keep in perspective where that money is coming from, and even more importantly what it is going to be used for.

First of all, the money is coming in as a direct result of loss of open space and the development of that land. However, if you speak to the new residents of those developments, inevitably they will tell you that the reason they chose to live in Atkinson is exactly the "open space and rural character" that those open spaces bring to our Town. Nine times out of ten they move to Atkinson to escape "overbuilt" towns which took their open spaces for granted, and lost them before they realized it. And while we don't have space to fully discuss it here, there is ample evidence that housing development actually has a negative impact on property taxes – for each housing unit built, the taxes on your existing house will go up!

In order to keep Atkinson an attractive (and affordable) place to live and work, we need to maintain exactly those qualities which attracted us here in the first place, and not take our open spaces for granted. People who have lived here all their lives may find it hard to imagine the farm next door being turned into a housing development, but it is happening all across the country, and Atkinson is especially vulnerable. It is impossible and most likely unwise to try to severely limit development, so perhaps the next best thing is to make sure that the loss of open space due to development is offset by the preservation in perpetuity of other lands. If you agree, then you must conclude that the use of the Current Use Change Tax as a funding mechanism for open space preservation strikes a perfect balance. Please help us to protect and preserve open space in Atkinson by preserving the contribution of the Current Use Change Tax to the Conservation Fund!

HELP WANTED!

The Conservation Commission is always seeking additional new members and volunteers for projects throughout the community. The Commission consists of 7 full-time members, appointed by the Selectmen for 3-year terms, and 2 alternates, appointed for 1 year. Meetings are held the 1st Monday of each month at 7:30 in the Town Hall. If you are interested in serving on the Commission or simply curious about the workings of the Commission, please attend a meeting or contact the Atkinson Selectmen's office.

We are also very interested in establishing a system of volunteer "land stewards" to help us oversee and maintain our Town Forests and Conservation Lands. Perhaps you live near one of these parcels and use it on a regular basis, but just aren't interested in becoming a regular Commission member. If so, we would love to hear from you! Our small and busy group would gladly welcome any and all "eyes, ears, and hands" in the field to let us know of any issues and to help maintain the Town Lands in general. Again please contact the Commission chairman or the Atkinson Selectmen's office if you are able to help.

2001 CONSERVATION FUND FINANCIAL STATEMENT

For Year Ended December 31, 2001

Beginning Balance - January 1, 2001	\$214,524.36
Additions:	
Interest earned	12,738.13
CU Change Tax	501,212.68
Subtractions:	0.00
Ending Balance - December 31, 2001	\$728,475.17

Respectfully submitted,

Scott Kukshel,
Chairman

I am pleased to advise the residents of Atkinson that 2001 was one of the most productive years that the Police Department has had in providing services to our senior citizens.

We have provided more transports than we did in the past two years combined. We provide transportation to doctors, friends, hospital (non-emergency) and to local shopping centers. We pick up prescriptions, mail, bread, milk and many other various items.

During 2001 we put in service a wheelchair van. This now has allowed us to transport seniors that are restricted to a wheelchair. One resident stated that this was the first time that she was able to go to a shopping center since she was confined to a wheelchair.

All of the above services are free of charge to any Atkinson resident.

In May we sponsored our fifth senior citizen big band concert. The response was great and all that attended had a terrific time. We also held our annual flue shot clinic at the Town Hall. In 2000 we had 219 seniors attend to get their flue shots, last year we well surpassed that amount and dispensed 329 flu shots. This has turned into such a large event, that this year we will be holding the flu clinic at the Community Center.

Please keep in mind that if any senior should have any problems with contractors, retail outlets, or any other situations that they are unable to handle on their own, they only need to give us a call and we will do everything possible to help rectify their problem.

We have many medical appliances such as wheelchairs, crutches, walkers and shower seats available at the Police Station. If you find yourself in need of one of these appliances, please give us a call and we will deliver it directly to your door.

As Director of Atkinson's Elderly Affairs Department, I have made myself available to any Atkinson senior, to sit down and discuss any problems or concerns they may have.

I can be reached at the Police Station at 362-4001, or at home at 362-5627. Please do not hesitate to call for any of the above services or for any other reason that you feel our assistance could be of value to you or your family.

Respectfully submitted,

Chief Philip V. Consentino,
Director of Elderly Affairs

The agency has been very busy this past year. A new director, Beverley Wyman was hired in February. Rich Cram and Leslie Miller continue with their commitment to the agency.

Over this last year, we serviced 739 youth for an increase in direct referrals of slightly more than 100%. We more than doubled the youth that we served. This phenomenal growth was in part due to active involvement out in the community giving presentations and workshops, and being in active contact with our referral sources. Previous growth rates had varied between 12 - 20% in the past three years.

A survey was conducted in March 2001 in order to gain information and feedback from our referral sources as to the needs of the communities we served and the areas that most needed to be addressed. This survey was conducted with the police chiefs, juvenile officers, judges and school personnel in the towns we serve; Atkinson, Danville, Hampstead, Kingston, Newton, Plaistow and Salem show that: -

- 1) There is an increase in physical and verbal violence between teens and between teens and their parents.
- 2) That many of the families have multiple issues which are contributing to a breakdown in communication and an escalation of anger, creating an environment in which teens are acting out.
- 3) The ease of access to substances and the role modeling that they observe allow substance abuse to occur by default.
- 4) The greatest increases in offenses by 12 - 17 year olds are offenses involving anger.
- 5) The largest growth in incidents and offenses seen in the schools are those relating to anger, verbal and physical violence and bullying.
- 6) The schools are seeing an increase in the number of re-offenders in incidents relating to anger. (The new bullying law, will more than likely increase the number of juveniles referred to our program).

The results of the survey plus comments from the families we have served led us to apply for a grant that would add a parent component to the anger management and substance use classes. The thought is that if we give the parents some of the same information and tools as we give their youth, plus some additional information to assist them with alternative ways of communicating and interacting with their youth, they will be able to create positive family dynamics. In December we were excited to learn that New Hampshire Charitable Foundation had funded our parenting component, which will start in January 2002.

We have conducted peer mediation trainings at Hampstead Middle School and at Timberlane High School. They have been very well received by the youth and with the school personnel who indicate it has been helpful in resolving disputes. We are continuing to adjust our curriculums based on feedback from the participants and through our collaborative efforts with other agencies.

We facilitated a parent - child mediation training in the fall with our newly revised format, which includes five hours of domestic violence training. We trained nine new mediators. We have also continued a bi - annual newsletter to keep volunteers and referral sources updated on agency happenings. We have a new email address: info@familymediation.mv.com.

We had a yard sale fundraiser in the spring that raised \$1,166 for the agency. Much more planning was done for future fundraising events, which the agency will benefit from in the next fiscal year.

We increased the number of Community Service sites available for placing the youth.

We have continued to work with other community agencies and entities. We gave presentations at Hampstead Middle School's Project Respect and Sanborn Middle School's Project Safeguard on anger management and the mediation process. In this, as with our other programs, we received very positive feedback with participants and parents very pleased with the quality of services we provide. A new Tobacco Education course was created with the use of some interactive tools and was presented to 263 students of Timberlane Regional Middle School. Agency presentations were also given to P. A. C. E., Plaistow Area Commerce Exchange and Rockingham Visiting Nurse Association in association with the United Way.

The agency and the Board would like to recognize and thank all the volunteer mediators and community service site supervisors for their time and dedication to our programs. The programs could not function without you. A special thanks to "Jake" and Una Collins and Patty Macomber whose support is unwavering. Thank you to all the Board members whose efforts assist the agency to serve the community's needs.

On behalf of the Board Members, Staff and Clients of Family Mediation, I would like to take this opportunity to thank the citizens of Atkinson for their support during the past year and look forward to your continued support now and in the future.

Respectfully submitted,

Beverley Wyman,
Program Director

FIRE DEPARTMENT

In the past year the Fire Department has responded to 447 calls for service, both fire and medical related. We continue to serve the public in as a professional manner as possible. The members of the Fire Department have logged over 7,785 hours in training and responding to emergency calls. The Fire Department currently has a roster of 33 volunteers trained in various fields related to the fire service. We continue to actively recruit volunteers to help with safety of the town. Anyone interested please take the time to stop by the station, look around and ask questions.

With almost two years in our new building we are finding it very comfortable and very well planned. Only minor changes have been made since we moved in. Thank you again for supporting this project.

Our response equipment is currently made up of three pumpers, one rescue, one tanker, two utility units and one command unit. All units are in well-maintained and excellent working order.

As the growth of the community continues, so do the needs of the fire department. The Department finds itself in a position, due to the increase of call volume over the past several years, to start compensating our volunteers. We are asking you to support this years Warrant Article #15 to pay our dedicated volunteers for the time they respond to calls for service as firefighters and emergency medical personnel.

I thank you again for your generous support we have received over the past years and ask you for your continued support in the future.

Respectfully submitted,

Michael E. Murphy,
Atkinson Fire Chief

I'd like to start off by thanking all the Town's people who supported the Highway Department through the budgetary season, town meeting and elections and throughout the year.

It truly has been a pleasure working with the Board of Selectmen and the Budget Committee. Both groups gave their approval for the budget as well as the warrant articles. These actions, as well as the voters, allowed our Highway Capital Improvement Plan to complete its third year. 2001 warrant article projects included Amberwood Drive, Dow Avenue and Brendan Road. These roads were reclaimed (pavement pulverized), gravel supplemented, and repaved with 3" of new hot top. Drainage was updated and improved. Brendan Road had an improper stump dump removed from the right-of-way which was creating sink holes as well as making the pavement fail. Through the budget, the Town also repaved Crown Hill Road, Brookside Terrace, parts of Island Pond Road and Line Brook Road. Line Brook Road received only the shim portion of its shim and overlay, awaiting the completion of Timberlane School construction. Hopefully this road will receive its final 1" course in the summer of 2002.

Speaking of 2002, the upcoming Capital Improvement Roads will be: The easterly end of Coventry Road, Stonewall Terrace and Sunset Drive. These roads will be warrant articles and have already been approved by the Selectmen and the Budget Committee. The only thing left is voter approval, which is critical not only for the people who live on those roads, but also those who live on the roads left to do in the remaining six years of the Capital Improvement Plan.

Road maintenance and home maintenance have a lot in common. No one likes to do it, but we do it anyway because it's the responsible thing to do.

The winter of 2001 was memorable, to say the least. The winter had over 100 inches of snow and lasted well into April. I, for one, truly appreciated the warm days of spring. Removing hundreds of thousands of tons of snow off the pavement to the non-paved portions of the right-of-way is one of the highest priority jobs the Highway Department has. Unfortunately, it creates numerous conflicts between the plow operators and the homeowner, who may just have cleared his or her driveway or had sprinkler heads installed at the edge of the pavement. No one plowing for this Department enjoys these conflicts, but there is only one place for us to plow the snow. I ask for patience and understanding from you and hope you know that my drivers and I respect your property as well as the people we work for.

I am looking forward to another year working with the people of Atkinson.

Respectfully submitted,

Edward A. Stewart,
Road Agent

One of the stated goals of the Atkinson Historical Society is “to restore, replace and preserve by any method necessary historical objects of any kind, such as monuments, buildings, gravestones, etc.” Being ever mindful that “charity begins at home” the Society’s efforts for the year 2001 were concentrated on preservation of the Kimball or Reverend Stephen Peabody House where the Society makes its home.

The Reverend Stephen Peabody, first pastor of the Atkinson Congregational Church, and, incidentally, the first full-time paid employee of the town, purchased 12 acres of land from Oliver Knight in the year 1772, and proceeded to build himself a home for his wife and family. The language of the deed preserves a right-of-way for “a path leading to the Academy”. This eventually became, and remains Academy Avenue.

Time had taken its toll on the Reverend Peabody’s house in the 229 years since its beginning. Although it has had various repairs and renovations, the building had reached a sad state – sagging sills and flaking paint – inside and out.

In building the budget for the year 2001, the condition of the building was brought to the attention of the Selectmen and the Budget Committee by the Historical Society members. Recognizing the importance of preserving the heritage of the town, it was approved that money be put in the maintenance budget for the necessary carpentry work and painting to be done.

With the exception of a few minor odds and ends the work is now complete. The building sits proudly on its knoll, its white paint gleaming in the sun. The holes in the foundation, which the animals found so convenient for den making, are no more, and the sills are straight and true.

The Atkinson Historical Society members would like to say a heartfelt “thank you” to the people of the town for their support and to issue an invitation to all to come by for a visit on any Wednesday afternoon from 2:00 to 4:00 PM and the first Saturday of each month, from 10:00 AM until 2:00 PM.

Respectfully submitted,

Richard Smith,
President

The year 2001 was in some ways a difficult one for the Library:

- A warrant article to establish and fund a capital reserve for a new library was defeated.
- We continue to struggle with issues related to the operation of the building and space limitations.
- In August our library director resigned.

There were however, several significant bright spots:

- The staff of the library, in particular our assistant director Carolyn Birr, really stepped up and maintained all the functions of the library at a very high level.
- The voters were kind enough to approve a warrant article that is allowing us to bring all library software, hardware, and network infrastructure up to the latest levels. Note that these expenditures are continuing into 2002 and almost all of this equipment could be transferred to a new library when it is built.
- A long and thorough search process for a new library director yielded an excellent selection of final candidates. The top choice became the new director, Dan Walker, who comes to us from the western U. S. and has a resume that includes special (corporate) and public libraries, as well as owning a bookstore. We are very happy to have Dan on board and we plan that Dan will be highly visible to the town.

In 2002, while there are not warrant articles directly related to a new library, there are related issues we intend to push during the election and in the upcoming year. The trustees felt that 2002 was not the appropriate time to put forward a bond issue, but are confident that the town will align in 2003 for a new library.

Support of the library continues to be strong with successful fundraisers being held in January 2001 and 2002. Many thanks to Thea Valvanis and others for really making these a big hit for both the library and the attendees. These fundraisers signaled that there is a wellspring of goodwill for the library, which we intend to draw upon in a future capital campaign.

We thank you for your patronage and support.

Respectfully submitted,

*Jamison Tomasek, Chairman
Trustees of the Kimball Public Library*

The 2001 pace of development has continued to slow, as the amount of available and developable land has been reduced by the activity of the past few years. New subdivision has been limited to one single house lot and Commercial Site Plans have consisted of 3 expansions to existing facilities, as well as one plan for storage units and the addition of one antenna on a wireless communications tower.

The Planning Board grappled with the potential for misuse and abuse of the Low-Moderate Incentive Zoning, and reworded sections to tighten control over such development. Prior to this there had been little ability to control the units developed as low-moderate dwellings. We have increased our ability to monitor the sale of these units to qualified individuals, as intended by the original ordinance.

Looking forward to 2002, there is potential for continued condominium development in some areas of the town. The Planning Board is strongly committed to assure that sufficient and accessible Open Space is set aside within these developments, with appropriate covenants.

As always, the Citizens of Atkinson are encouraged to attend Planning Board hearings and workshops held twice monthly. The Town will benefit from citizen awareness of the process and your participation is always welcomed.

2001 PLANNING BOARD ACTIVITY

Terry Trudel, S.E.C. Engineering & Consulting for GEX Publishing Services – Minor Site Plan for construction of a two story addition (5,080 sq.ft.) to existing building and expansion of existing parking area for property located at 3 Industrial Way, Map 16, Lot 54, CI Zone. Approved 4/18/01. Recorded 5/23/01 – D28957

Town of Atkinson – Consolidation and Lot Line Adjustment Plan for Town Center. Map 13, Lots 13, 30, 31, & 88. Approved 4/18/01 – Unrecorded

Cingular Wireless, Jonathan McNeal for PAVCO, LLC – Minor Site Plan for installation of a wireless antennae; addition of an accessory shelter and addition of a propane generator to existing Wireless Communication Tower located on property owned by PAVCO, LLC at Route #111, Map 20, Lot 35-1, CI Zone. Approved 5/16/01. Recorded 7/18/01 – D29100

TF Moran, Inc. for Squid, Inc. d/b/a All Around Sports – Site Plan for a 60,000 sq. ft. Sports Complex Building located on Route #111 (Map 6, Lot 19 in Hampstead, NH) with 1.42 ± acres of land in Atkinson with no development proposed in Atkinson, Map 21, Lot 5, CI Zone. Approved 6/6/01. Recorded by Town of Hampstead.

Jan Realty Trust – Lot Line Adjustment Plan to add 0.039 Acres of land from Map 13, Lot 33 (owned by Peter & Jayne Williams), to Map 13, Lot 32 (owned by Jan RT, George & Nancy T. Barcelos Trustees). Properties located on Main Street, TC Zone. Approved 7/18/01. Recorded 9/7/01 – D29225

SFC Engineering Partnership, Inc. for PAVCO, LLC – Commercial Site Plan for a proposed 33,200 sq. ft. self-storage building and 1,700 sq. ft. of office/accessory use space on property located on Route #111, Map 20, Lot 35-1, CI Zone. Conditionally Approved 7/18/01.

James Lavelle Associates, Inc. for Robert Perreault – Site Plan for addition of a porch and 3 car garage (residential use) on property located at 12 Main Street, Map 5, Lot 45, C Zone. Approved 8/15/01. Recorded 9/7/01 – D29226

James Lavelle Associates, Inc. for John & Catherine Ela & Scott Daigle – Lot Line Change and Subdivision for lots owned by John & Catherine Ela, 7 Oak Ridge Drive (Map 16, Lot 77, 4.92 Acres) and Scott Daigle, 42 Westside Drive (Map 11, Lot 22-1, 7.38 Acres) Zones TR2 & RR3. Plan adjusts lot lines and creates 3 lots from 2, which will leave Map 11, Lot 22-1 with 6.01 Acres and Map 16, Lot 77 with 3.05 Acres and new Lot with 3.236 Acres. Approved 8/15/01. Recorded 10/10/01 – D29311

Cornerstone Survey Associates for Paul & Kathryn Regan – Submission of a 4 Lot Residential Subdivision Plan on 30.90 Acres for Acceptance and Formal Consideration on property off Maple Avenue (Whitetail Lane Subdivision), Map 9, Lot 49, TR2 Zone. Withdrawn.

Meisner Brem Corp. for Charles Ermer, Palmer Gas Company – Amended Site Plan to construct a 4,700 sq. ft. vehicle maintenance garage, associated utilities, parking and grading on property located at 13 Hall Farm Road, Map 16, Lot 14, CI Zone. Approved 11/21/01. Recorded 12/19/01 – D29500

Under Review:

Kevin Camm, KLC Land Planning for Reddy Home Builders – Proposed Low-Moderate Cluster Plan of 5 – 2 bedroom townhouses on property (12.8 Acres) located at 1 Eldon Way, Map 7, Lot 139, TR2 Zone.

Respectfully submitted,

Susan Killam,
Chairman

During the year of 2001 the Police Department was able to continue to have one of the lowest crime rates in the area. This has been accomplished by providing regular patrols in the neighborhoods. By having constant patrols in the neighborhoods, we have been able to show a strong police presence and thus we have been able to keep crime at its present low level.

During last year we presented many programs at the Academy school. Both the teachers and the children have accepted our presence, and we are planning many more safety programs during the coming year.

Last year we conducted our 23rd annual coloring contest for the children at the Academy school. We had great participation from the children and they really appreciated all of the prizes we handed out.

Through the efforts of Officer Don Roberts, we are now able to have a complete set of statistics that we can compare from year to year. He was able to put together a software program that provides us with all of the officers' reports. During 2001 we responded to 1,046 complaints and calls for services. This figure does not include any motor vehicle stops or arrests. Some of these complaints are as follows:

Aggravated Assaults	3	Criminal Mischief	61
Simple Assaults.....	9	Lock Outs.....	19
Forgery	2	Juvenile Complaints.....	15
Neighborhood Complaints	14	House Alarms.....	287
Fraud	15	Domestics.....	42
Harassments	11	Criminal Threatening	7
911 Hang Ups	62	Civil Matters	20

For 2002 we are proposing that the voters allow us to hire our fifth full-time officer. Most towns of our size are employing six to eight full-time officers. We no longer are able to hire part-time day coverage. This puts a strain on the full-time day duty officer. He cannot be in two places at the same time. He cannot follow up on cases and also be in the neighborhoods patrolling our streets. We only have one officer on duty at any given time. Most departments have at least two officers on duty during all shifts. We now have the opportunity to receive a federal grant that will provide us with up to seventy-five thousand dollars over the next three years. All of the officers are asking the voters to support this very important warrant article.

In August of this year I will be celebrating my thirty-fourth (34) year as a member of the Police Department. Over the years I have seen a lot of changes within the Police Department. One of our biggest changes has been in providing the residents with the services that they are requesting. This is the main reason that I am requesting that the voters support our request and vote in favor of hiring our fifth full-time patrol officer.

I have in the past and will continue in the future to make myself available to any Atkinson resident, day or night. I can be reached at the Police Station at 362-4001, or at my residence at 362-5627. All members of the Police Department are dedicated in providing the residents of Atkinson with the most efficient and professional police services possible. Please drive defensively, love and respect thy neighbor, and make 2002 a safe, memorable and enjoyable year.

Respectfully submitted,

Philip V. Consentino,
Chief of Police

Recreation is alive and well in Atkinson.

The Senior Program continues to grow due to the tremendous support of the SENIORS! Whatever we offer, they seem willing to try at least once! We keep them busy with yoga, Tai Chi, line dancing and playing bridge and whist. Some of the trips we're scheduling for 2002 are the JFK Museum, Newport, R.I. and New York City. We feed them a lot too. This year we collaborated with the Atkinson Women's Civic Club and the Garden Club to sponsor a Mardi Gras Dance, Spring Tea, Summer Luncheon and Christmas Luncheon. The Community Center was filled to capacity for all of these events.

In December we teamed up with the Women's Civic Club and the Fire Department to sponsor the Tree Lighting on Dow Common. The tree was donated by the Freshwater Farm and brightened up the common all through the holiday season.

The events of September 11 prompted us to host our first annual Veteran's Day Breakfast in November. Over 50 veterans joined us for donuts, bagels and coffee and a lot of camaraderie and sharing. Colonel "Bob" Adams from Atkinson was the guest speaker. We are hoping to set up a monthly Veteran's Club at the Community Center. Please look for details on the bulletin board or call Noriko at 362-5531.

Trips and events this past year included a Ski Trip to Mt. Sunapee, Easter Egg Hunt, Spring Flower Show, Foxwoods Trip (Spring and Fall), Fishing Derby, Ice Cream Social, Boston Duck Tour, Fosters Clam Bake, Trip to Pickety Place, Make a Difference Day, Fall Foliage trip with a stop at the Norman Rockwell Museum and the Boston Pops at UNH.

Continuing events include the summer Sun 'n Fun summer program for Atkinson children in grades one through five (held at Woodlock Recreation Pope Field) and the Sequel Program for middle school students (held at the Community Center). We continue to sponsor the Timberlane Community Band; and if you haven't heard them lately, please support them by attending one of their many concerts throughout the year.

The Memorial Day Parade continues to draw our residents together for a great afternoon of community sharing. The parade participants have been increasing every year and it is so wonderful to see children and adults marching, speaking and performing together. We hope that the increased spirit of patriotism prevailing in the country carries through for a good long time, and look forward to coming together in May to celebrate Memorial Day.

Thank you for your ever-present support and volunteer efforts.

Respectfully submitted,

***Cathy J. Thompson
Patricia Mangini***

SUPERVISORS OF THE CHECKLIST

The Supervisors of the Checklist of the town of Atkinson had a busy year in 2001. The State of New Hampshire requires that every ten years in accordance with RSA:654:39 a verification of the voter checklist must be done.

In January of 2001, the number of people registered in Atkinson was 5,249. During July 1,064 letters were sent out to persons that had not voted in any of the year 2000 elections.

As of January 2002, our corrected checklist has a voter total of 4,329.

Respectfully submitted,

Martha E. MacDonald,
Supervisors of the Checklist

In accordance with the town vote on March 2001, the Atkinson Town Center Committee [ATCC] purchased and installed lanterns, trees, four commercial grade granite benches, and a new Dow Common sign. The replacement parts for the old pump and platform will be installed when spring arrives. The services of an arborist were utilized to rejuvenate and repair existing trees to assure the health of trees on the Dow Common.

Activities for this year will be finalized after the results of the Town vote in March.

The Common will be graded and new grass seeded in the spring. Additionally, lighting plans for the new sign will be completed, lighting installed, shrubs updated, pavers added, and planters purchased and installed.

The ATCC on behalf of the townspeople would like to thank all the tradespeople and volunteers who contributed to the work done by donating time and material. Contributions toward memorial items on the Dow Common were greatly appreciated. Finally, a thank you to the town of Atkinson for their support of this ongoing project and trust that everyone is pleased with the evolving Town Common.

Respectfully submitted,

Nina Gray

Howard Seckendorf, Jr.

Dow Common @ 1888

ZONING BOARD OF ADJUSTMENT

Hearings during the year 2001 were concerned with requests for the following:

Variances to the Atkinson Zoning Ordinance (13)
Special Exceptions allowed by the Atkinson Zoning Ordinance (14)
Administrative Appeals (0)
Equitable Waivers (2)
Rehearing Requests (4)

This year, hearing results were as follows:

Purpose of Hearing	Granted	Denied	Withdrawn
Variances to:			
Height.....	2.....		1
Wetland.....	5.....	2	
Sideline	1		
Commercial Buffer	1		
Living Space in Com.	1		
Outside Storage.....	1		
Special Exception:			
Home Business.....			1
New	2		
Renewals	4		
Exemptions	3		
Conversions.....	1		
Accessory Living Unit	2		
Non-conforming Use	1		
Other Non-conforming Use	1		
Equitable Waiver	2		
Rehearing		4	

**Records of all public hearings and decisions are maintained in the Zoning Board of Adjustment Office and available for public review.

Check out the Atkinson Web Page www.town-atkinsonnh.com for zoning information regarding the following: Accessory Living Units (In-law apartments); Home business regulations; Seasonal Conversions; Zoning, Special Exception & Appeal Application and instructions.
