CONCORD, N. H. — JANUARY 29, 1957

A meeting of the County Delegation was called to order by Chairman Robertson immediately after the close of the day's session, in Section 5.

Present were Representatives Rollins, McAllister, Haggett, Matheson, Robertson, Lacaillade, McCarthy, Morin, Simoneau, Tilton, Burbank, Dana, Varrell, Smith, Atwood and Metcalf.

Co. Com. Joseph Smith explained the purpose of the meeting was to secure the authorization of the delegation to deed some property on the County Home farm to the State of New Hampshire for the new road on N. Main Street in Laconia. The deed and the check for the same were shown. The land amounts to 6.1 acres, and is not land now being cultivated, according to Com. Smith.

It was moved by Rep. Dana, and duly seconded that the Belknap County Convention authorize the County Commissioners to convey a deed to the State of New Hampshire for a certain tract of land situated in Laconia on county property, as described in said deed. It was so voted.

LACONIA, N. H. — MARCH 4, 1957

The Public Budget Hearing on the Belknap County Budgets was held in the Court House, with Chairman William Roberts in presiding. Present were Representatives Rollins, McAllister, Lord, Robertson, Lacaillade, McCarthy, Morin, Tilton, Karagianis, Lucier, Burbank, O'Shan, Dana, Varrell, Miner, Smith, Atwood, and Metcalf.

The items in the County Budget were read and explained. Under the item of Extension Service, the Commissioners had cut the amount requested by the Extension office for the County work, so there were several residents of the county who testified to the worth and necessity of this program receiving additional support. Speakers were: James Hughes, President of the Farm Bureau, Byron Galloupe of Belmont, Albert Edgerly of Laconia, Col. Emond of Gilmanton, Marcella Muelke, Barbara Benoit, Elaine Townsley, Stanley Hill, Norman Hubbard, Clifford Eastman and others. Asso. Extension Leader of N. H. Samuel Hoitt

was present and answered several queries from the delegation, as did Mr. Hughes of the Farm Bureau. Co. Agent Horace Ballard spoke as a taxpayer of the County, and said his hat was off to the Farm Bureau Ex. Board because they knew the "difference between a budget and an appropriation." The Extension Service had never gone over the budget allotted as the county had in other departments. He criticized the rise in expenditures in the total County Budget, and stated that the rise in the Extension Budget was far less. The Commissioners said the reason the amount was cut was because there was a contingency fund, and they considered that should be used to make up this year's operating budget.

Clerk of Court Robert Tilton appeared for the item of \$8,900.00 for the purpose of expanding the quarters of his office. The present vault is completely filled. New space can be provided in the basement of the Court House.

The Commissioners stated that they approved an item which did not appear on the Budget, that is, \$378.57 for Civil Defense.

Mayor Boutin of Laconia appeared for the city in regard to the County giving a contribution to the Airport Authority which he claimed served the whole county, but only Laconia and Gilford supported it.

It was stated the Sheriff's Expense was a new item being set up to secure a part time secretary for that office.

The Area Budget was discussed. Questions were asked which Manager Baer answered. He said the income for January and February was \$1,500.00 over last year. The Area had been able to ski on only three inches of snow. He introduced the new ski instructor Pierre Duscie, who spoke of similar work in Canada, and the need of more advertising for the Belknap Area.

The president of the Ski Club spoke of all the hours of volunteer labor contributed by the ski clubs to keep the area in good condition. He announced the N. American Championship Races to be held there the coming week end, and invited all to attend.

Meeting adjourned at 10:50.

adjoining the new road and State School property, also a right of way to the same. He introduced R. Emery Smith of the Company who described the parcel of land and answered questions. LACONIA, N. H. — DECEMBER 27, 1957

The Executive Committee met at the Court House, at the request of the County Commissioners, to act upon giving said Commissioners the authority to exceed the amount of the 1957 budget.

The Hearing was called to order at 10 a.m. by Chairman Burbank. Present were Representatives Burbank, Tilton, Simoneau, McAllister, also Clerk Atwood and Chairman of the Delegation, Rep. Robertson. The three Commissioners were present, also Mayor Bernard Boutin of Laconia.

The Commissioners explained that County Home revenue, estimated at \$80,000.00, would be about \$95,000.00. Other revenue would be slightly less than estimated. Extra expenditures were overdrafts: (1) Over \$7,000.00 in Superior Court expense (2) Increase of \$2,000.00 in taxes paid on the County Farm to the

city of Laconia (3) Extra inmates at the Home (balanced by extra income). They added that the extra revenue would take care of the request for exceeding the voted Budget.

The Area revenue has not met the amount as estimated because of lack of snow. The Budget, as voted at the annual meeting, has not been exceeded, but has exceeded the revenue actually received. The Commissioners reported that a bill of L. M. Pike and Son for \$5,959.27 for construction of Area roads, as voted by the Delegation, has not been paid because of lack of funds.

Chairman Burbank closed the Hearing and the Executive Committee meeting was called to order.

Rep. Robertson, Chairman of the Delegation, read the resignation of W. F. Metcalf of Tilton from the Executive Committee, caused by his accepting the post of Postmaster in Tilton. The resignation was accepted with regret. Chr. Robertson announced that he had appointed Rep. Ruth Miner of Meredith to fill the vacancy.

It was moved by Rep. Tilton, and duly seconded, that the County Commissioners be authorized to expend not over Ten Thousand Dollars (\$10,000.00) from the unexpended Revenue, to exceed the Budget as voted by the Delegation. It was so voted.

The Area situation was discussed. As the Budget voted by the Delegation was not exceeded, it was felt that the Executive Committee need not take affirmative action. However, to facilitate the payment of the bill of L. M. Pike and Son which is overdue, the following action was taken:

It was moved by Rep. Atwood, and seconded by Rep. Robertson, that the Executive Committee approve the action of the Commissioners in seeking approval of the Court to borrow money to pay the Pike bill, in anticipation of revenue expected. It was so voted unanimously.

Meeting adjourned at 11 a.m.

COMMISSIONERS' REPORT

In accordance with the Public statutes of New Hampshire the Commissioners of Belknap County present the annual report of the County Commissioners, Treasurer, Superintendent County Home and House of Correction, Manager of the Recreation Area, Clerk of Superior Court, Sheriff, Solicitor and Auditors for the year ending December 31, 1957.

During the year 1957 Belknap County had a very pleasant and prosperous year.

COURT HOUSE

During the year office space was made available for the Court Stenographer. Considerable improvement was made in the Clerk of Court offices and these offices have been completely modernized.

COUNTY HOME

A new truck was purchased for the County Home, silo was repaired and a new foundation replaced on one of the buildings.

Many improvements were made in the Infirmary. New hospital beds were added and many other items that were greatly needed have been purchased. Estimated revenue for the year was set at \$80,000.00. Actual receipts were \$95,000.00.

WELFARE DEPARTMENT

Direct Assistance costs were higher than previous years. The amount budgeted was not adequate for the aid granted. The fall and winter months bring regular increases in such relief costs, reflecting seasonal unemployment and cold weather factors always present at this time.

Old Age Assistance grants were somewhat higher than the previous year and are now fairly constant.

Board and Care of Children and Soldiers' Aid cases present the greatest problems. Increased needs for Care of Children arise from broken homes and lack of parental responsibility. Reimbursements on such cases are difficult to obtain and of rather disappointing amounts, except through Court action. Soldiers' Aid problems showed a decided increase this year and involves both necessary care of such families during emergencies and considerable guidance in trying to get families to make an effort to solve their own problems. An increased appropriation for Soldiers' Aid seems necessary for 1958.

REGISTER OF DEEDS

The ten year indexing is now nearly done, and should be completed in August or September of 1958.

RECREATION AREA

Under the management of Fritzie Baer another good year has been had at the Area, despite the lack of snow in November and December.

The Student Ticket is still in effect and more students are availing themselves of this privilege.

JOSEPH F. SMITH
MAURICE W. SAWYER

SUPERINTENDENT'S REPORT

To the Honorable Board of Commissioners of Belknap County:

Each year the time comes to submit an annual report of activities of the Belknap County Home and Infirmary for the year past. It possibly sounds repetitious that our work seems to grow and grow until the year's end finds us bursting out all over so to speak. This year past has been of full capacity for our Infirmary, each and every day all categories of Welfare have averaged 97.8 of our patients, the balance self sustained persons. The Infirmary has been at full capacity with a long waiting list for admittance 49.7 patient days of service rendered. The financial report of the Infirmary has surpassed all previous estimates or records, the major portion of finances, as usual, received from cases serviced by the Department of Public Welfare.

The usual farming operation has been carried on, fruit and vegetables have been processed to meet the needs of the ever increasing Infirmary population.

Much needed new equipment has been added to the Infirmary to expedite the care of severe cases admitted. The interest indicated and the many thoughtful gestures extended to the aged persons at the Infirmary has been most gratifying.

Without the help and deep interest of our County Home organization who have carried out so efficiently their respective duties for the past year we would be unable to make this report. We extend to them our grateful appreciation.

Our deep gratitude to each and every one who have graciously given gifts of all sorts to our patients, programs rendered, flowers and favors and numerous other gifts.

To our County Commissioners our thanks for their help and guidance. The helpful cooperation of our Police, both State and Local, the Sheriff's Department and Town Officials we are grateful.

Our Chaplains Father George Chicoine and Rev. Thomas Cate who give of their untiring spiritual solace to our patients and those who come to us under other circumstances.

The excellent service rendered by our Doctors for which we are deeply grateful.

Respectfully submitted,

JOHN A. PICKARD, Superintendent
INA A. PICKARD, Matron

**BELKNAP RECREATION AREA REPORT
FOR 1957**

To the Honorable Board of Commissioners of Belknap County:

It is gratifying to report to the Belknap County taxpayers that the year ending December 31, 1957 showed the second largest income in its history of \$124,238.13. From the income, we purchased for resale and increased our inventory over \$13,000.00. In spite of a slow Winter and a low income in the month of February the added Summer business greatly increases.

\$6,000.00 was allocated in the budget for asphalt resurfacing of the "S" turn coming in to the Area building and also adding to the new road coming in from the Arlberg entrance towards the Winnepesaukee building. It is the hope of the management that additional work can be carried on yearly until the whole parking lot in front of the Recreation building can be resurfaced.

The annual events such as the National Championship Motorcycle road race and rally, the Arts and Crafts show, the Antique, and the Sport Car events are getting larger every year. Harvard College played hosts to nine other colleges this season for their Sport Car events. The N. H. Sports Car Association held two events during 1957. The motorcycle Rally was a five day event and brought hundreds of thousands of dollars to the Lakes Region. Their slogan "Make a Date for '58" has been advertised around the World and Laconia is now known internationally as the outstanding motorcycle Spot for Sports.

The interest in the Area by members of the Ski Advisory Board and their advice is valuable to management. This season a NEW ski school hill was developed which will keep the classes off the Phelps Slope and the ski school is growing larger every season.

The Ski Patrol, headed by Keith Twitchell this year, is doing a wonderful job in safety and many letters have been received praising this organization.

To the Citizen, Earl Anderson of the Union, W.L.N.H. and many others who have helped us with publicity, we are grateful.

We know that Belknap has now taken its place again as a Major Ski Area, and we should be thinking of another up-hill ski lift, more parking space and more trails. Some of our equipment which is now eight years old will have to be replaced to help us keep up our reputation of being ready for skiers after any snowfall. More camping facilities are desired and it is the

hope of management that a larger children's playground will soon be available at Belknap.

Our thanks to the County Commissioners, the County Delegation and members of the Belknap Staff for their support and guidance in our many problems at the Belknap Mountain Recreation Area.

FRITZIE BAER,
Director

COUNTY SOLICITOR'S REPORT

January 1, 1958

Belknap County Commissioners
Belknap County Court House
Laconia, New Hampshire

Gentlemen:

I hereby tender report for the year 1957.

Cases Pending against the County**Civil**

All cases under this category involve the accident at the Belknap Ski Area. Comment at this time is inappropriate in view of current litigation.

Cases Pending in Superior Court**Criminal**

Other than appeals from Municipal Court which involve mostly traffic cases. The case which will be tried is, *State v. Amero* — breaking and entering, Alton, N. H.

In addition to the above, several cases will be presented to the Grand Jury in March which may result in further criminal trials next term in Superior Court.

Cases Pending Supreme Court

State v. Gallagher. Reserved case will be submitted.

Comments and Notes on 1957

One significant development was the formation of the Belknap County Law Enforcement Association which meets monthly and which should prove a valuable asset towards insuring cooperation between all law enforcement officers of the County in the efficient enforcement of the law.

I have found all law enforcement officers in the County most cooperative, friendly and helpful. It is my opinion also, that we are fortunate in having a very fine group of men as judges in our Municipal Courts throughout the County.

Finally, I wish to thank you Gentlemen for your energetic cooperation whenever I have requested information or assistance of any kind.

Respectfully submitted,

JAMES D. O'NEILL,
County Solicitor

REPORT OF CHAPLAINS

REPORT OF PROTESTANT CHAPLAIN — 1957

To Belknap County Commissioners:

I hereby submit my report for the year 1957.

The work of the Protestant Chaplain varies little from year to year.

There has been frequent and continued visitation to wards and rooms for counsel, comfort and spiritual help. Some contacts have been made with those in the jail and in the House of Correction. Visits have been made to the Laconia Hospital. There has been attendance at funerals.

A monthly religious meeting has been held. At some services special music has been rendered. At Christmas time a church choir brought carols and an anthem. This has enriched these services and given added enjoyment and inspiration.

Mr. and Mrs. Pickard and Mrs. Hayner and the various members of the staff have been sympathetic and cooperative. Their kind and efficient service at the Home has been greatly appreciated.

Respectfully submitted,

THOMAS J. CATE,
Protestant Chaplain

REPORT OF CATHOLIC CHAPLAIN — 1957

February 25, 1958

Belknap County Commissioners
Laconia, N. H.

Gentlemen:

The priests of the Sacred Heart Church of Laconia are pleased to submit their report concerning their work as Catholic Chaplains at the Belknap County Home and Jail for the year ending December 31, 1957.

As agreed upon, mass is celebrated at the Home once a month. Confessions and communion are administered at the same time to all those who wish to avail themselves of the privilege whether they are able to come to the room where mass is celebrated or whether they are confined to their rooms. At all religious services a spiritual talk is given to all persons present. The old and sick are given the consoling sacrament of Extreme Unction.

We have donated rosaries, medals and prayer books to those who had none.

When patients are moved to the Laconia Hospital for a while we visit them there also. We make other visits to the Home as often as needed during the month to insure that all receive the spiritual guidance, comfort and care they desire.

We wish to add that it is always a pleasure to work with Superintendent John Pickard and with his wife Matron Ina Pickard. We sincerely appreciate Mrs. Helen Hayner for her loyal and complete cooperation in helping us make our work easier. It is indeed a pleasure to work with such wonderful social workers.

Respectfully submitted,

GEORGE CHICOINE,

Catholic Chaplain

BELKNAP COUNTY COOPERATIVE EXTENSION SERVICE REPORT

Each year the Belknap County Legislative Delegation appropriates a sum of money which, with state and federal funds administered through the University of New Hampshire, supports the work of the Belknap County Cooperative Extension Service.

This off-campus-teaching-arm of the University includes the fields of Agriculture, Forestry, Home Economics, and Youth.

Change of Local Sponsorship

For many years the Farm Bureau Executive Board served as local sponsor and guiding light of Extension Service work in the county. For this work of the Farm Bureau the people of the county are most appreciative.

Following new policies recommended by the U. S. Department of Agriculture, the County Delegation and the University have established new sponsorship by a council of thirteen members known as "The Belknap County Extension Service Council." This Council will sponsor, promote, and guide the work of the County Extension Service hereinafter.

Production of crops including soil testing, fertilization recommendations, harvesting and management including the Green Pasture Program and the Potato growing program.

Fruit production, handling and marketing including a series of several evening and twilight farm meetings. This phase included the Blueberry industry.

Business Management on many types of farms including farm and home business counseling, farm records and accounts, income and social security taxes, changes in size of businesses, etc.

Some work with *NON-FARM PEOPLE* included soil testing of old and new lawns and home gardens soils, fertilizer recommendations, landscaping, insect and pest problems, operation of the International Farm Youth Exchange Schedules, Farm-City Week work, Hungarian Refugee Program work, work on retention of Vocational Agriculture at Laconia High School.

305 Farm visits — 389 office visitors — 754 incoming phone calls — 60 radio talks — 78 meetings with an attendance of 5706.

Home Economics

During the year from December 1, 1956 to November 30, 1957 in Home Demonstration work in Belknap County some statistical facts are here noted:

71 home visits, 161 office visitors, 620 telephone calls, 58 radio talks, 1856 bulletins distributed (besides over 3,000 taken at Plymouth Fair), 43 circular letters (24,866 copies went to families), 108 demonstration meetings were held with 2211 in attendance.

Many women of the county (composed of ten towns and the city) were reached either by meetings or circular letters.

Meetings in nutrition were on the subject of Eat Well to Work Well. In cooperation with N. H. Heart Association a series of meetings on Weight Control was held with excellent results. 83 people attended all meetings with an average weight loss of 5.6 pounds.

To emphasize better light for better sight and to make something beautiful out of unsightly old shades, the project of lamp shade making was taught. This project used pressed grasses or flowers put between fiber glass and plastic. Over 100 shades had been made by December 1. This project also fitted into our Interior Decoration work on Color, Line, and Design.

Upholstering with a saving of over \$500 was done at a six day Workshop. Chair Re-seating and Rug Braiding were also taught.

Suggestions for improving home kitchens and church kitchens also were given. Business Facts for Busy Homemakers was the subject of a project in Home Management with the result that many women reported making a will and investigating their property deeds. Some reported changes in insurance on property.

In Clothing work subjects as New Fabrics and Their Care, Tailoring, Making rs. Buying, Making Men's Wool Shirts, and Good Grooming were all taught with some excellent results.

A Fit and Fashion Workshop was held with 28 of our county women attending.

In cooperation with the agricultural agent, meetings were held with Retailers in the county to present the consumer's side of the picture in the problems that retailers have in the Food Marketing area.

4-H Club Work

The 4-H Clubs are organized groups of young people who are engaged in farming, homemaking, or community activities under the guidance of the Belknap County 4-H Club Agent and Local Volunteer 4-H Leaders.

Any boy or girl between the ages of 9 and 21 years who agrees to "Learn to do by Doing" may enroll. The group elects its own officers, plans and conducts programs based on the needs and interests of the young people, holds regular meetings, and takes part in community activities.

The distinctive educational objectives in 4-H Club work are:

HEAD — To help boys and girls learn to love nature and the things around them. To help them learn about new developments and how they can use them in the home and on the farm. To help them to want to continue to learn new and better ways of doing things.

HEART — To help boys and girls learn to work with other boys and girls and adults. To help them develop ideals and standards for farming, homemaking, community life, and citizenship, and to learn how to help carry them out.

HANDS — To give the boys and girls information about farming and homemaking. To give them a chance to "learn by doing" through carrying a 4-H project.

HEALTH — To help boys and girls learn what they can do to develop habits of good health. To help them learn how to use their free time.

More than 75 Local Volunteer 4-H Leaders directed the activities and taught project work to more than 475 4-H members in Belknap County. The 4-H boys and girls were members of 31 different 4-H clubs in each town and city in the county. In addition to the individual 4-H project work, the 4-H members participated in county, state, and regional activities, such as exhibits at fairs, county 4-H camp, leader training meetings, educational tours, etc.

Each 4-H member strives to better himself, and his community, country, and world, by learning and living the ideals taught through 4-H Club work, and following the 4-H Club motto, "To Make the Best Better."

Forestry

There are approximately 207,900 acres of forest lands in Belknap County; this comprises 81% of the total land area. A breakdown of private woodland ownership shows that 40% is classified under farm ownership and 60% non-farm.

Recent surveys show that many woodlands are supporting immature forest stands composed of inferior specimens of desirable softwood trees and hardwood trees and mature stands of hardwoods of such low quality that they have little commercial value other than for wood fibre products.

The principal goals of the County Forestry program are to assist private woodland owners in the area in carrying out good forestry practices so that in the future each acre of woodland may yield a continuous crop of high quality timber which is best suited to the land and to the local markets; and to correlate the annual timber drain by the local woodusing industries with the annual growth of timber on our forest lands.

In Belknap County we have been trying to reach the above goals through a forest education program. This program includes personal contacts with woodland owners, timber operators and consulting foresters. In the case of woodland owners they are shown where and how they may carry on selective cutting, weed-

ing, and thinning, and tree planting operations. So far, this assistance has been strictly on a request-by-the-landowner basis.

Probably one of the most effective educational methods of acquainting landowners with forestry problems and how to solve them has been the Annual Statewide Forestry Field Days held at the Belknap Mountains Recreational Area in Gilford. The Extension Service in cooperation with the County Commissioners and other state and private organizations put on the second annual Forestry Field Days on August 30 and 31, 1957. Landowners and timber operators and guests were shown the latest methods to be used in forest management and forest marketing. Another feature of the Field Days was the recognition of the five woodland owners in Belknap County who are participating in the New Hampshire Pilot Woodland Management plan sponsored by the Sears Roebuck Foundation. These woodland owners are compiling records on the forestry work done on their properties, its costs, what equipment is used, the volume of timber cut, taxes paid and the value of the harvested products. The County Forester keeps them supplied with facts on market trends, and gives needed professional advice. When the Pilot project terminates in 1960 the summary of the results will be made available to landowners in Belknap County so they may make more efficient and profitable use of their woodlands.
