

Town of Barnstead New Hampshire

2021
Annual
Report

Dedication to the Employees of the Town of Barnstead

It is with great appreciation; the Board of Selectmen dedicate the 2021 Town of Barnstead Annual Report to all those employed by the Town of Barnstead.

This past year has been a challenge unlike any other. With Covid protocols creating staff shortages, it resulted in an increase of the workload for the remaining department employees. Many went beyond their own duties while working longer hours to keep the town running efficiently and safely. In response to Covid, the Board created procedures that were enacted town wide to deal with public safety and everyday operations. With all those challenges faced, town employees managed to keep most of the departments open and operating to continue serving the citizens of Barnstead.

The commitment, dedication, and extraordinary teamwork they have shown through the past 2 years is something the Board of Selectmen wanted to recognize and express our appreciation for.

Our community should be extremely proud of town employees for their commitment and handling of the rapidly changing health crisis while keeping Barnstead a special place to live and work.

ANNUAL ELECTION.....2nd Tuesday in
March
ANNUAL TOWN MEETING.....Saturday following Election

In Remembrance

The Town of Barnstead wishes to acknowledge the passing of individuals who have made contributions to our community either as elected officials, served on a board or committee, or in another capacity.

Vernon "Chris" Hipkiss, born in Oakland, CA graduated from the Naval Postgraduate School in Monterey, CA with an MS in Electrical Engineering. After being honorably discharged from the USCG and moving to Barnstead, NH with wife and son, he worked in the public water industry and finished his career as a Lab Supervisor for the Franklin Water Treatment Facility. During those years, he also chaired the Barnstead Budget Committee and was a member for 24 years; served as Town Moderator for 6 years and as School Moderator for 15 years. Chris was an Eagle Scout and was Scout Master for Barnstead Troop 43 for over 20 years.

Paula Oberg worked part time as the Secretary for the Barnstead Police Department. She started working as their Secretary in 1987 and continued for 12+ years.

We also express our condolences to the families of those who have lost loved ones this year whether they were new to our community or lived here all their lives.

Selectmen's Report

2021 started with the hope that the worst was behind us. We all soon realized that Covid-19 was here to stay. By adjusting the entrance and exit for business at the Town Hall as well as implementing 6 foot distancing when waiting for services we felt, while not perfect, we could provide the townspeople a safe option to do in-person business.

In January, Al Poulin was sworn in as Part-Time Fire Chief for Barnstead. He was accompanied in the department by new Deputy Chief Will Bartels in charge of EMS and Deputy Chief Shawn Mulcahy.

In March we said goodbye to Selectman Lori Mahar and welcomed back Paula Penney as our new member on the Board of Selectmen. Also in March we welcomed to the Barnstead Police Department, Capt. Robert Cormier, who comes to Barnstead with a wealth of experience.

Covid decided to make a springtime visit to the Town Hall. The decision was made to close the Town Hall to allow those affected to recover. Our thanks go to the Towns of Alton and Pittsfield for allowing our townspeople the ability to register or renew their cars while the office was closed. The Board of Selectmen continued to meet bi-weekly, and Zoom has become a permanent way of allowing remote public input. We also reopened the Town Hall for the public to attend the meetings in person. The Board continues to monitor conditions in the town bi-weekly.

The Town Clerk/ Tax Collector introduced a new online program that allows you to renew your vehicle registration and dog license online.

The town revamped the webpage under the guidance of Karen Montgomery, Town Administrator and Lisa Magerer to a new interactive one. Each department has their own page that is updated with information daily or weekly. We would like to acknowledge and thank Denise Adjutant for her many years of volunteer work maintaining the previous website. We deeply appreciate all her time and effort.

The Barnstead Select Board thanks Barnstead's First Responders for the dedication of our Firefighters and EMS personnel led by Chief Al Poulin and Deputy Chief's Shawn Mulcahy & Will Bartels, and to the Police Department led by Chief Paul Poirier and Highway Department led by George Drew. Your dedication to keep our town running is most appreciated.

In closing, the Board of Selectmen especially wants to thank you, the Citizens of Barnstead - for your patience, your support of our town departments, and to the continued outpouring of support for the entire community.

Respectfully submitted,

Diane Beijer, Chairman

Richard Therrien, Vice Chairman

Gary Madden

Paula Penney

Edward Tasker

"We are all agents of the same supreme power, the people" - Daniel Webster

Article 01 To choose Town Officers and vote by Official Ballot

STATE OF NEW HAMPSHIRE
Town of Barnstead
Warrant for 2022 Annual Meeting

THE POLLS WILL BE OPEN FROM 7:00 A.M. to 7:00 P.M.

To the inhabitants of the Town of Barnstead in the County of Belknap in said state, qualified to vote in Town Affairs:

You are hereby notified to meet at the Barnstead Town Hall in said Barnstead on Tuesday, the Eighth (8th) day of March, next at 7:00 a.m. of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town officers for the year ensuing.

- | | |
|------------------------------|--------------|
| 2 Selectmen | 3 year terms |
| 1 Town Clerk/Tax Collector | 3 year term |
| 1 Trustee of Trust Funds | 3 year term |
| 1 Supervisor of Checklist | 6 year term |
| 2 Planning Board Members | 3 year terms |
| 1 Planning Board Member | 2 year term |
| 2 Budget Committee Members | 3 year terms |
| 1 Overseer of Public Welfare | 1 year term |
| 1 Library Trustee | 3 year term |
| 1 Moderator | 2 year term |

Article 02 To vote by Official Ballot on amendments to the Zoning Ordinance

To vote by official ballot on amendments to the Barnstead Zoning Ordinance, as proposed by the Barnstead Planning Board and Zoning Board of Adjustments, as follows:

1. Are you in favor of the adoption of question #1, amending the Zoning Ordinance, Town of Barnstead, NH as proposed by the Planning Board, as follows:

To add Article 2, Section 2-1: Definitions: Short term rental property: A rental property that is engaged in the business of offering short stay rentals; either directly or through a property rental service. Short stay rentals are generally offered by daily, weekend or weekly rates.

2. Are you in favor of the adoption of question #2, amending the Zoning Ordinance, Town of Barnstead, NH as proposed by the Planning Board, as follows;

To add Article 2, Section 2-1: Definitions: Recreation Vehicle: A vehicle or portable device with or without motor power, designed as a temporary dwelling for travel, recreational, vacation or business use.

3. Are you in favor of the adoption of question #3, amending the Zoning Ordinance, Town of Barnstead, NH as proposed by the Planning Board, as follows:

To add Article 4, Section 4-5: Recreational Vehicles: Section 4-5: Recreational Vehicles: A. 4-5.01: No more than one (1) Recreational Vehicle is permitted to be occupied on a lot with an existing dwelling unit for no more than six (6) months in a calendar year. If a Recreational Vehicle is occupied on a lot with an existing dwelling unit for more than ten (10) consecutive days, then the property owner shall obtain a permit from the Building Department. Such occupied Recreational Vehicle must have a domestic water supply and adequate provision for wastewater

disposal, including sewerage, septage and gray water. Such Recreational Vehicle shall not be rented for commercial gain.

Article 03 The 2nd session of Town Meeting

The second session for the purpose of discussing and voting upon the remaining articles of the Town Warrant shall be held on Saturday, March 12th, 2022, at 9:00 a.m. at the Barnstead Elementary School.

3. To hear the Reports of Agents, Auditors, Committees or Officers chosen and to pass any vote relating thereto.

Article 04 Final payment for the Fire Pumper

To see if the town will vote to raise and appropriate the amount of Eighty Five Thousand Five Hundred Fifty Dollars (\$85,550) for the fifth and final payment of the 5 year lease purchase agreement as passed at the 2017 Town Meeting for the Fire Pumper. This lease agreement contains an escape clause. (Recommended by Selectmen 5-0) (Recommended by Budget Committee 8-0) (Tax rate impact: .14 cents per \$1000 of assessed valuation). (Majority vote required).

Article 05 The second payment of the 6 year lease purchase for a new ambulance

To see if the Town will vote to raise and appropriate the amount of Fifty Two Thousand Six Hundred Seventy Four Dollars (\$52,674) for the second payment of the 6 year lease purchase agreement as passed at the 2021 town meeting for the new ambulance and to further authorize the withdrawal of Fifty Two Thousand Six Hundred Seventy Four Dollars (\$52,674) from the Fire Rescue Expendable Trust Fund previously established in 2011, (current balance \$152,018). This lease agreement shall contain a non-appropriation clause for payments beyond 2022. (Recommended by Selectmen 5-0) (Recommended by Budget Committee 8-0). (Tax rate impact: 0 cents). (Majority vote required).

Article 06 The second payment of the 3 year lease purchase for Police Vehicles

To see if the town will vote to raise and appropriate the amount of Thirty Three Thousand Four Hundred Seventy Three Dollars (\$33,473) for the second payment of the 3 year lease for the purchase of 2 police vehicles (as passed at the 2021 town meeting). This lease agreement shall contain a non-appropriation clause for payments beyond 2022. (Recommended by Selectmen 5-0) (Recommended by Budget Committee 8-0) (Tax Rate impact: .05 cents per \$1000 of assessed valuation). (Majority vote required)

Article 07 To make repairs to a town road.

To see if the Town will vote to raise and appropriate the amount of \$Two Hundred Thousand Dollars (\$200,000) for the purpose of making improvements to Damsite Road per the Department of Environmental Services orders. Two Hundred Thousand Dollars (\$200,000) to come from unassigned fund balance. This is a non-lapsing warrant article per RSA 32:7 VI and shall not lapse until December 31, 2026. (Recommended by Selectmen 5-0)(Recommended by Budget Committee 8-0). (Tax rate impact: 0 cents). (Majority vote required).

Article 08 Add to Capital Reserve Fund

To see if the Town will vote to raise and appropriate the amount of Five Thousand Dollars (\$5,000) to be added to the Parks & Recreation Facility Capital Reserve previously established (current balance \$39,286). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 4-0-1) (Recommended by Budget Committee 8-0). (Tax rate impact: less than 1 cent per \$1000 of assessed valuation). (Majority vote required).

Article 09 Add to Capital Reserve Fund

To see if the Town will vote to raise and appropriate the amount of Fifty Thousand Dollars (\$50,000) to be placed in the Bridge Construction Capital Reserve Fund (current balance \$3.93). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 4-0-1). (Recommended by Budget Committee 8-0). (Tax rate impact: 8 cents per \$1000 of assessed valuation). (Majority vote required).

Article 10 Add to an Expendable Trust Fund

To see if the Town of Barnstead will vote to raise and appropriate the amount of Two Hundred Thousand Dollars (\$200,000) to be placed in the Road Paving and Maintenance Expendable Trust Fund (current balance \$17,597). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 5-0) (Recommended by Budget Committee 8-0) (Tax rate impact: 32 cents per \$1000 assessed valuation). (Majority vote required).

Article 11 Add to Capital Reserve Fund

To see if the Town will vote to raise and appropriate the amount of One Hundred Thousand Dollars (\$100,000) to be placed in the Highway Department Heavy Equipment Capital Reserve Fund (current balance \$7,359). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 5-0) (Recommended by Budget Committee 8-0) (Tax rate impact: 16 cents per \$1000 assessed valuation). (Majority vote required.)

Article 12 To lease/purchase a Roller for the Highway

To see if the Town will vote to authorize the Selectmen to enter into a three (3) year lease/purchase agreement in the amount of Ninety Five Thousand Six Hundred Dollars (\$95,600) for the purpose of leasing a Dynapac Roller for the Highway Department and to raise and appropriate Thirty Three Thousand Four Hundred Twenty Six Dollars (\$33,426) for the first payment with said amount to come from the Highway Department Heavy Equipment Expendable Trust Fund. This lease agreement shall contain a non-appropriation clause for payments beyond 2022. (Recommended by Selectmen 5-0). (Recommended by Budget Committee 8-0). (Tax Rate impact: zero cents). (Majority vote required).

Article 13 Add to an Expendable Trust Fund

To see if the Town of Barnstead will vote to raise and appropriate the amount of Fifty Thousand Dollars (\$50,000) to be added to the Fire Rescue Expendable Trust Fund (current balance \$152,018). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 5-0)

(Recommended by Budget Committee 8-0) (Tax rate impact: 8 cents per \$1000 assessed valuation). (Majority vote required).

Article 14 Add to an Expendable Trust Fund

To see if the Town will vote to raise and appropriate the sum of Two Thousand Five Hundred Dollars (\$2,500) to be placed in the Barnstead 300 Year Celebration Expendable Trust (current balance \$18,068). (300 years will be 2027). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 5-0). (Recommended by Budget Committee 8-0). (Tax rate impact: 1/2 cent per \$1000 of assessed valuation). (Majority vote required).

Article 15 Add to Capital Reserve Fund

To see if the Town will vote to raise and appropriate the amount of Five Thousand Dollars (\$5,000.00) to be placed in the Historical Society Building Capital Reserve Fund (current balance \$64,762). This is a special warrant article per RSA 32:3, VI. (Not Recommended by Selectmen 2-2-1). (Not Recommended by Budget Committee 3-5). (Tax rate impact: 1 cent). (Majority vote required).

Article 16 Add to Capital Reserve Fund

To see if the Town of Barnstead will vote to raise and appropriate the amount of Seventy Five Thousand (\$75,000) to be placed in the Public Safety Building Capital Reserve. (Current balance \$276,752). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 5-0) (Recommended by Budget Committee 8-0) (Tax rate impact: 12 cents per \$1000 assessed valuation). (Majority vote required).

Article 17 Add to an Expendable Trust Fund

To see if the Town will vote to raise and appropriate the sum of One Dollar (\$1.00) to be placed in the Emergency Preparedness Expendable Trust (current balance \$26,609). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 5-0). (Recommended by Budget Committee 8-0). (Tax rate impact: 0 cents per \$1000 of assessed valuation). (Majority vote required).

Article 18 Add to an Expendable Trust Fund

To see if the Town will vote to raise and appropriate the amount of Fifteen Thousand Dollars (\$15,000) to be placed in the Municipal Computer and Equipment Expendable Trust Fund (current balance \$14,838). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 5-0). (Recommended by Budget Committee 8-0). (Tax rate impact: 2 cents per \$1000 of assessed valuation). (Majority vote required).

Article 19 Add to an Expendable Trust Fund

To see if the Town will vote to raise and appropriate the amount of Thirty Six Thousand Dollars (\$36,000) to be placed in the Milfoil Treatment Expendable Trust Fund (current balance \$32,751). Note: It is the intent to support the following items with these funds this year: \$20,000 is for the Suncook River Milfoil treatment, \$10,000 for the Barnstead Milfoil Control Committee Dash and

32:3, VI. (Recommended by Selectmen 5-0). (Recommended by Budget Committee 8-0). (Tax rate impact: 5 cents per \$1000 of assessed valuation). (Majority vote required).

Article 20 Add to a Trust Fund

To see if the Town will vote to raise and appropriate the amount of Four Thousand Dollars (\$4,000) to be placed in the Library Computer Support Trust Fund (current balance \$1,241). This special article is a special warrant article per RSA 32:3 VI. (Recommended by Selectmen 4-1). (Recommended by Budget Committee 8-0). (Tax rate impact: less than 1 cent per \$1000 of assessed valuation). (Majority vote required).

Article 21 Add to an Expendable Trust Fund

To see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars (\$10,000) to be placed in the Cistern Construction and Maintenance Expendable Fund (current balance \$55,617). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 5-0). (Recommended by Budget Committee 8-0). (Tax rate impact: 1 1/2 cents per \$1000 of assessed valuation). (Majority vote required).

Article 22 To increase the number of Commission members on the Parks and Rec. Commission

To see if the Town will vote to amend the number of the Public Recreation and Parks Commission members to consist of seven (7) members appointed by the Selectmen, increasing the members from five (5) as voted at the March 2012 Town Meeting. (Not Recommended by Selectmen 5-0).

Article 23 To amend the existing Noise Ordinance

To see if the Town will vote pursuant to RSA 31:39, I(n) to repeal in its entirety the noise ordinance adopted by the 1990 Barnstead Town Meeting and replace it with a new noise ordinance which: prohibits specific unnecessary noise from motor vehicles from electronically amplified sound systems and the misuse of power, braking, acceleration, deceleration and racing of engines in non-emergency situations; prohibits nighttime operation or use of construction equipment, tools, and vehicles, and fireworks or cannons; prohibits nighttime use of radios, television, phonographs, instruments and amplifiers at a volume clearly audible at the property boundary; exempts from these prohibitions certain safety and emergency sounds, signals, equipment, and vehicles, including public and private snow removal; exempts governmental and utility emergency work; exempts municipal maintenance work when abutters have been notified; exempts noise from certain temporary permitted or licensed activities; exempts certain bells and chimes; exempts the unamplified human voice; and provides for police warnings and penalties of \$100 per violation for individuals and \$500 for any other person per violation. (Recommended by Selectmen 5-0).

Article 24 Annual Bus Company lease

To see if the Town will vote to approve the annual Lease Agreement between the Town and Bus Company for the purpose of leasing the town-owned land on South Barnstead Road to the Bus Company to allow the parking of company's school buses. The Bus Company pays property taxes on that portion of the property that is used. (Recommended by Selectmen 5-0).

Article 25 Operating budget

To see if the municipality will vote to raise and appropriate the Budget Committee's recommended sum of \$4,519,059 for general municipal operations. This article does not include appropriations by special warrant articles and other appropriations voted separately. (Majority vote required).

Article 26 To transact any other business

To transact any other business that may legally come before this meeting.

Assessor's Report

After completing a sales ratio study, the Town decided it was NOT necessary to update all property values for the 2021 tax year. Therefore the 2021 assessments remain the same as 2020 unless a property had improvements or an error was corrected. The Town is scheduled for a valuation update in 2023.

The NH DRA has determined the equalization rate for 2021 to be 75.2 %. Any taxpayer that feels their property's equalized assessment does not reflect the market value of the property may file an abatement by March 1, 2022. When filing your abatement application, only valid arms length transactions may be used as comparables. Foreclosure, bank sales and family sales are not considered valid sales. The abatement applications are available in the Selectmen's Office or online at www.nh.gov/btla.

The deadline for submitting all exemption and tax credit applications is April 15 for the tax year applied for. These include elderly and blind exemptions as well as veteran's tax credits. If you feel you qualify for any of these exemptions as of April 1, 2022, stop by the Selectmen's Office to fill out an application.

For 2022, the Town has continued its contract with R. B. Wood & Associates. A representative of the assessing firm is available on Wednesdays for any taxpayer questions.

Respectfully submitted,

Rod Wood, CNHA CMA
Real Estate Appraiser Supervisor
R. B. Wood & Associates

Building Inspector's Report

2021 produced 23 new homes in Barnstead; a decrease of 8 homes from the previous year. A total of 37 new home permits were allotted for 2021. This left 14 permits unused for 2020. Left over permits from 2021 will not roll over into the 2022 allotment as per 12-8.01 of the Barnstead Zoning Ordinances.

The amount of new home permits allowed for 2022 per Section 12-7 of the 2020 Town of Barnstead Zoning Ordinance will be **37**.

In 2021 a total of 564 permits were issued including 28 Certificates of Occupancy (including temporary CO's) and 7 Certificates of Completion.

The total revenue collected in 2021 by this office was \$45,805.00.

On Sept. 19, 2017, due to the severe water shortage issues for those connected to the Pennichuck Water Co. system in Locke Lake Colony, the Barnstead Selectman unanimously voted to place a hold on further issuance of building permits in Locke Lake Colony. This hold will continue until such time the water shortage can be resolved. One exception to this ruling was made for those who had the ability to legally site a well along with a NHDES approved septic system on their property; that would supply sufficient water to the residence. For those who own land in Locke Lake Colony with hopes of building a new home in LLC please keep in mind until the Selectman determine the water shortage has been resolved, or unless you can drill your own well, no building permits for new homes can be issued in LLC. This ban does not prohibit existing residents in LLC from obtaining other building permits for repairs, additions, garages, etc.

If you live in Locke Lake Colony, Birchwood Hideaway or any other association with deeded restrictions, it is your responsibility to obtain the appropriate permits through your association. The Town of Barnstead Building Dept. does not approve permits on behalf of private associations, nor enforce association rules, regulations or deed restrictions.

If you are planning to make any structural improvements, additions, electrical and/or plumbing changes to your home, a permit is required before any work commences. The Barnstead Building Inspector position is a part-time position so please call 603-269-4071 x 110 or the Building Inspector's cell at 603-235-6469 to schedule appointments.

Please remember if you have a current active building permit you must call for periodic inspections as laid out in your inspection checklist which includes a final inspection. Upon every satisfactory final inspection, a certificate of completion or occupancy is issued, and this certificate will then prompt us to close your existing permit and its associated file(s). Those who do not call for a final inspection may receive a letter generated from the Building Department requesting a permit renewal at the end of the 12 month period the permit is active.

Effective Sept. 15, 2019, The NH State Building Code was amended in accordance with BCR 300. The Town of Barnstead now uses the 2015 versions of International Building and Residential Codes, International Existing Building Code (IBC & IRC), International Energy Conservation Code, International Plumbing code, Life Safety 101, International Swimming Pool & Spa code, State Fire Code saf-C-6000, and the 2017 National Electric Code.

Respectfully submitted,

Fab Cusson, Building Inspector/Code Enforcement Officer

Conservation Commission Report

The Barnstead Conservation Commission (BCC) would once again like to take this opportunity to thank the community for its support, and report on the various activities undertaken in 2021, on behalf of the Town. As it did in 2020, the impact of the Covid virus on our efforts was obvious, especially in the simplest of projects – namely, our ability to conduct regular meetings. We did manage to continue our efforts addressing properties on behalf of the town and as always we are continuing to work on developing new conservation easements that would complement our existing projects.

The Harrison Woods Natural Area continues to be a major focus of the Commission with various efforts to maintain the beauty and utility of this site. Normal maintenance projects conducted this past year included tree trimming along the road to Upper Suncook Lake and removal of some of the invasive species found in the field. The Commission would like to thank the neighbors who have also contributed to the maintenance of the property, as well as keeping an eye on issues and needed repairs.

The 100-acre Conservation Easement located off Gilmanton Road reported last year was made official with the Governor’s Council approving the funding for the project. The Commission would like to thank everyone involved in this project for helping make it happen including Bear-Paw Regional Greenways, New Hampshire DOT, and the New Hampshire DES. The Commission continues to work closely with the Bear-Paw organization and we appreciate all their efforts on our behalf as well as in the region. Please consider becoming a member of this worthy organization that works to conserve land in the Barnstead and Pittsfield area, as well as throughout the region, with conserved lands as far south as Raymond.

The Commission also conducted our normal maintenance activities at the Town Beach, such as trimming brush along the causeway to the beach and tree removal along the access road. Last summer, we had the benefit of Kate Crary of the Recreation Committee helping out and keeping us informed of the needs of the beach area.

The BCC also remains an active contributor to The Belknap Range Conservation Coalition (BRCC). The Belknap Range area is an important asset available to the residents of Barnstead, and includes the headwaters of the Suncook River, as well as Mount Major, and Gunstock Mountain. BRCC continues to work on various conservation and land protection projects in that region and is always interested in new members and other assistance as well.

The Commission continues to have a strong need for new members on the commission. The Commission meets (Covid notwithstanding) every month, September through May, with occasional summer work sessions, as needed. Please consider participating in the Commission or simply attending meetings to see what it is all about. Anyone is welcome at our regular meetings on the first Wednesday of each month at 7:00 at the Town Hall. **Please** feel free to contact Jim Fougere with any questions or comments.

Respectfully submitted,
Jim Fougere, Chairman 269-4264

Emergency Management Report

Emergency Management is tasked to bring all town departments and services together in order to save lives, reduce suffering, restore essential services and minimize the damage caused by natural and manmade events.

Town Officials and the Emergency Management Director (EMD) accomplish this through policy and plans development, fiscal management, resource and event management, and by providing programs and resources that help individuals and families better prepare for and respond to emergencies. They also instill confidence in the future restoration of normal operations by motivating responders and providing timely and accurate information to citizens and the media.

COVID-19 continued to be the headline story for 2021. Members of the Emergency Management Team and the Barnstead Fire Department were intimately involved in many New Hampshire State and Winnepesaukee Public Health Region vaccine clinics including events at the New Hampshire Motor Speedway, Lakes Region Community College, Prospect Mountain High School and the Barnstead Elementary School.

In 2021 the Emergency Management Director brought together representatives of town departments to update the Local Emergency Operations Plan (EOP). The EOP establishes a framework for Town government and its partners to provide a response in the event of a perceived, potential or actual disaster.

The EOP update was accomplished through a New Hampshire Homeland Security Emergency Management Performance Grant (EMPG) of \$4000.00 and a match of time from all applicable Town departments and board representatives.

The Barnstead Elementary School generator project that was approved by the town and school for 2021 was delayed due to the lack of federal grant funding. This project is a priority for 2022 and the grant application will be submitted to the state once the town and school approve warrants that cover the cost of the project while grant fund reimbursement requests are processed.

During 2022 the Emergency Management Director and department staff will work with Town officials, department heads and volunteers to:

1. Continue an “All Community” preparedness and awareness program.
2. Liaison with school department staff, state, county and adjoining towns to better coordinate mutual support during disasters.
3. Continue all response efforts related to the COVID-19 pandemic.
4. Complete the lightning protection project for town facilities with antennas and radio equipment.
5. Assist the Elementary School with the installation of a generator and develop a Sheltering Plan for our community.

6. Conduct a Table-Top exercise using the 2021 EOP in order to assess our community's ability to work together in disaster response.

The Emergency Management Department encourages you to continue your efforts to prepare yourselves and your families. There are many ways to do this, however here are a few suggestions:

Apply for NH Alerts: [Community Notification Enrollment \(coderedweb.com\)](https://www.coderedweb.com)

Join Next Door: <https://nextdoor.com>

Consider these planning tips at the Ready.gov site: www.ready.gov

Maintain situational awareness of the Pandemic response efforts through the state's COVID-19 website: <https://www.nh.gov/covid19/>

If you need assistance making your home safer or your family more resilient, do not hesitate to contact the Emergency Manager.

Respectfully Submitted,

Wayne W. Santos
Emergency Management Director

December 31, 2021

Another year is coming to an end as we head for 2022. As a department 2021 we had several changes to our operations with, additions of new call/per diem spots, promotions, new hires for fulltime employment and some key members have moved on as well. If you are interested in becoming a member to one of the most rewarding professions please call Station 2 to set a time to get an application.

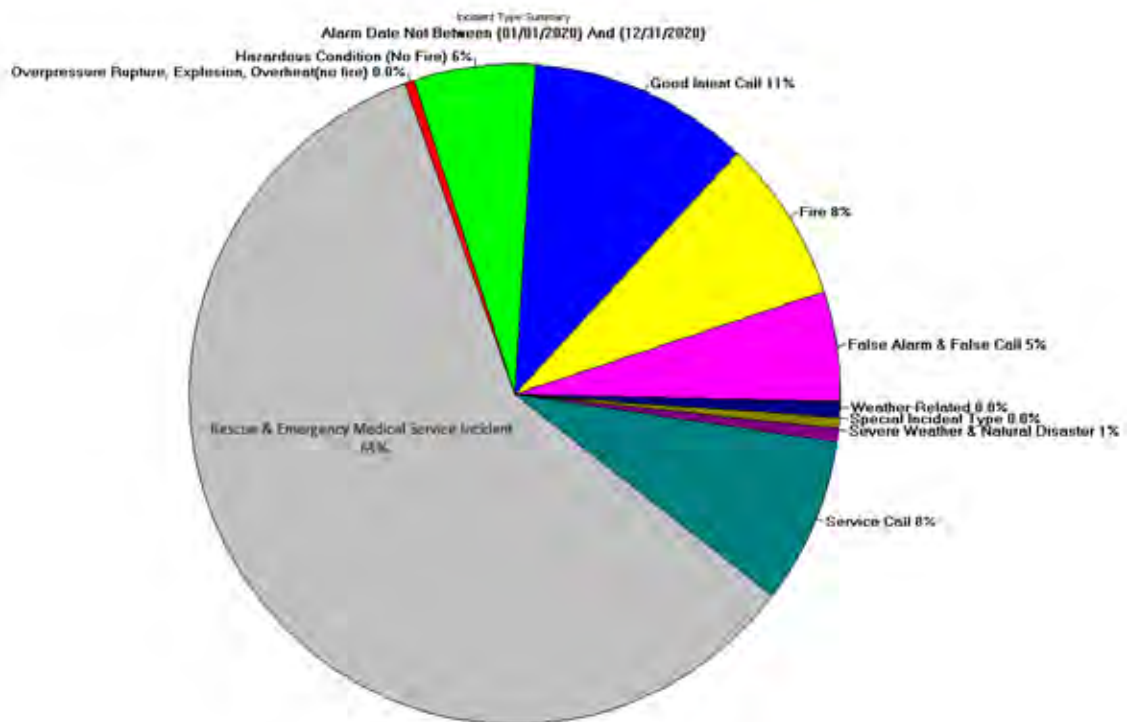

Barnstead Fire Rescue would like to thank the following individuals, Chief Shawn Mulcahy for leading the department for several years and guiding the organization in and through some very difficult times as our Fire Chief. Chief Mulcahy is still part of the organization as a Deputy Chief who is in charge of the maintenance division. We would also like to thank Stacy Mulcahy who was our Administrative Assistant for a very long time. Stacy was instrumental on keeping the business side of the department running smoothly, and keeping all of the paperwork organized you will be missed.

During the year not only did Barnstead Fire Rescue employees handle emergency services for the town they assisted with vaccination clinics and sites for the Covid-19 Pandemic throughout New Hampshire? In addition to this we had several members attend classes at the National Fire Academy, State of New Hampshire Fire Academy and a few are taking their National Registry of Emergency Medical Technician. These individuals join a long list of dedicated employees to provide public safety to the town.

Barnstead Fire Rescue experienced another busy year; answering 811 calls for service which is an increase of 10% from 2020 the national average for call increases is 6%. The attached graph is a breakdown percentage of the yearly activity. During the year department members maintain certifications, attend classes, and attend training events as individuals and as a team all of which are to better serve the community. The department during the year has recruited several new members. The new members have either Fire/Emergency Medical Technician certifications. The department has members waiting to test for their National Registry for EMT also.

We have received the new ambulance to replace the 10 year old unit that was approved at town meeting. Also we have applied for a grant to replace the Tower and backup Pumper and received a grant to purchase EMS equipment to help provide a higher level of Advanced Life Support care to the residents we serve and protect. It is the 5 year plan to move ahead in both EMS and Fire activities to better serve the residents of Barnstead and provide the best service available.

As always, I would like to thank my department members and their families for all of the hard work and dedication and sacrifice, Barnstead Police Department, Town Hall Office staff, Barnstead Highway Department, all the area Mutual Aid from other communities. The Command Staff and membership would like to thank the taxpayers who have supported us for decades.

Respectively Submitted,
Alfred Poulin
 Alfred Poulin
 Fire Chief
 Town of Barnstead

Report of Forest Fire Warden

George R. Krause, II Warden

Deputy Wardens: Alfred Poulin, Shawn Mulcahy, Wellington Bartels, Roscoe Tasker, Jr., Nicholas Rott

Despite a brief flurry of wildfire activity across the state this spring, the summer and fall months saw weather conditions which kept the fire danger consistently at low levels. Barnstead Fire-Rescue and the Division of Forests & Lands worked throughout the year to protect homes and the forests. The statewide system of 16 fire lookout towers continues to operate on high fire danger days. The towers' fire detection efforts are supplemented by the NH Civil Air Patrol when the fire danger is especially high.

Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Every year New Hampshire sees fires which threaten or destroy structures, a constant reminder that wildfires burn more than just trees. Homeowners should take measures to prevent a wildfire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe!

The long lasting drought effects in Coos County are showing some minor signs of improvement but a good portion of northern Coos remains in the abnormally dry category with the northeastern portion still remaining in moderate drought. While the drought conditions have improved, we expect some areas of the state may still be experiencing abnormally dry or drought conditions this spring. For this reason, we ask everyone to remember Smokey's message about personal responsibility and follow his ABC's: **Always Be Careful with fire**. If you start a fire, put it out when you are done. **"Remember, Only You Can Prevent Wildfires!"**

As we prepare for the 2022 fire season, please remember to contact the Fire Station (603-269-4121) to determine if a fire permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning, unless the ground is completely covered with snow. Fire permits are also available online in most towns and may be obtained by visiting www.NHfirepermit.com. The burning of household waste is prohibited by the Air Resources Division of the Department of Environmental Services (DES). You are encouraged to contact the local fire department for more information. Safe open burning requires your diligence and responsibility. Thank you for helping us to protect New Hampshire's forest resources. For more information, please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nh.gov/nhdfl/. For up to date information, follow us on Twitter and Instagram: **@NHForestRangers**

2021 WILDLAND FIRE STATISTICS

(All fires reported as of December 01, 2021)

*Unpermitted fires which escape control are considered Wildfires.

Year	Number of Wildfires	Wildfire Acres Burned	Number of Unpermitted Fires*
2021	66	86	96
2020	113	89	165
2019	15	23.5	92
2018	53	46	91
2017	65	134	100

CAUSES OF FIRES REPORTED

(These numbers do not include the WMNF)

Arson	Debris Burning	Campfire	Children	Smoking	Railroad	Equipment	Lightning	Misc.*
1	81	25	0	7	1	4	2	41

*Miscellaneous includes power lines, fireworks, electric fences, etc...

Health Officer Report

Health officials have a critical role in effective local and regional environmental and public health systems and are responsible for three critical functions.

Our first role is to enforce applicable New Hampshire laws and administrative rules (i.e. regulations), as well as local ordinances and regulations.

The second critical function is to serve as a liaison between state officials, local elected officials, and our community on issues concerning local environmental and public health.

The third is to be a leader and active participant in efforts to develop regional environmental and public health capacities.

Below is a list of the most common roles of the Barnstead Health Officer.

We may be called upon to assist the DHHS, Bureau of Communicable Disease, to act as liaisons to local citizens by linking them to state, local and federal resources. We will distribute or display materials / health alerts produced by local, state and national partners. Generally we will post all health alerts as they come in on the town bulletin board next to the Tax clerk's window.

We conduct sanitary investigations into complaints and public nuisances that may endanger public health including a buildup of garbage, dead animals (and their burial), insects, unsanitary living conditions, rodents, and safe drinking water inspections. We will inspect septic systems to determine if a system has failed and, when necessary, coordinate with the NH Department of Environmental Services to certify septic system failure. The Health Dept. along with the Building Dept. can also be the enforcement of NHRSA 48A Minimum housing standards for rental units as per 3-5 of Barnstead zoning.

Though more rare, we also conduct the inspection and give approval to schools, and or facilities used to provide childcare and Foster homes. Along with taking water test as needed of public \ private water supply suspected of being unsafe, per directives from the Department of Environmental Services.

If you are experiencing a rodent infestation below are a few tips that can help you.

- *Keep all trash sealed in metal containers. Empty containers at the waste facility as often as possible.
- *Seal up all food in your house.
- *Thoroughly inspect your home for any openings, cracks or separations where rodents can enter.
- *Seal all possible points of entry including stuffing the area surrounding any pipes or small holes...
- *Set traps.
- *If you are having a difficulties in resolving the problem on your own, we highly recommend you call an exterminator before the problem worsens and damage ensues.

If you have a public health concern Fab can be reached directly by phone or text (603) 235 6469, or Mary Jane can be reached at (603) 269-4071 x 1.

Fab Cusson: Health Officer

Mary Jane Dascoli: Deputy Health Officer

Barnstead Historical Society

After many COVID-related delays, a permanent memorial to Stuart “Twink” Merrill was dedicated on October 16, 2021. In addition to serving as a founding member of the Barnstead Historical Society, Twink was also an elected member of the Trustees of the Trustfund, 40 year veteran of NH Fish and Game, as well as Barnstead’s own version of Ancestry.com long before there ever was an Ancestry.com. His dedication to the history of Barnstead was legendary. Through the generous donations from many, a granite bench was purchased through Perry Brothers Monument Company in Concord, who also donated to the cause. The bench is located outside the Old Tramp House between the Center Fire Department and Town Hall.

Barnstead Milfoil Control Committee Report

2021 Treatment Report

The summer of 2021 was a perfect storm for milfoil growth. The temperature was as much 10 degrees above normal through most of May. Milfoil grew rapidly as the water temperature reached over 70 degrees by the middle of June.

The Town of Barnstead contracted with Solitude Lake Management to treat with ProcellaCOR herbicide up to 50 acres of the Suncook River. This treatment was to be applied to the Crooked Run Cove, the Trestle Cove, and the Broads area as presented on a map with coordinates submitted to Solitude.

A pre-survey was done from land since the Town did not approve at the Town Meeting monies to support the DASH operation for this year. The picture on the right shows the condition of the Crooked Run Cove on July 5, 2 days before the treatment. The next picture shows the East side of the Broads on the same day. A close look shows the milfoil stalk ends were standing up to 4" high above the water everywhere milfoil was located. This stalk height had never been seen before since water variable milfoil treatment began in 2004 in Barnstead.

Past herbicide treatments used 2,4 D solid and liquid forms which were shown to never kill more that 80% of the root crown resulting in many surviving plants. Full recovery was seen to occur in year 2 or 3 post treatment.

The two pictures below show no milfoil on the Suncook River Broads area when a post survey was done in mid-September.

This survey was done when the barge was relocated from its winter storage near the Barnstead Parade dam to the North side of the Broads. This was typical of the views in the Crooked Run Cove and the Trestle Cove. However, a survey using the lightbar on the end of the barge (as seen in the following right picture) showed plants growing about one foot off the bottom in spots in the Broads area and in many spots (about 5 feet spacing near the center portion) in the Trestle Cove. Because of the lateness of the night, no night survey was done in the Crooked Run Cove.

On October 2, prior to storing the barge for the winter, an afternoon survey was made of the Broads area. No plants were found over most of the area except four shown in this picture that were 4 feet long. All four were carefully remove using a T pole positioned close to the bottom surface. Amazingly, they were not variable milfoil but bladderwort.

Consequently, a resurvey will need to be done in mid-June 2022 to confirm that the plants seen are indeed variable milfoil. Most likely, provided Barnstead approves of the DASH funds on the warrant article, divers will be put into the water in both coves to remove and examine existing plants so their locations can be noted prior to spot ProcellaCOR treatments during the remaining expected Suncook River treatment from the Broads area to the Barnstead Parade Dam.

The cost of the treatment was #31,182.75 with grant funding support coming from the Department of Environmental Services of \$11,901.10.

The Suncook Lake Association continued with their barge/diver operations to ensure that any plants found would be removed before segments could start new plants. They found only a small number of plants that were growing from seed and removed them successfully. Locke Lake did find milfoil growing in spot locations during the later summer months and contracted with a diver for their removal. A follow up night lightbar survey is scheduled in June to determine if a spot treatment is required for this summer. A night lightbar survey on Halfmoon Lake found no milfoil plants, but a deeper area is planed for this year.

The BMCC is always in need of volunteers to help with the milfoil effort. Please contact the Selectmen's office if you would like to participate in this important work.

2021 Annual Report

2021 was a year of new challenges at the library. We began the year offering browsing by appointment, curbside service, and home delivery for at-risk residents. We also provided take home craft kits and online Storytime. In April, patrons could once again browse the collection, and by May we were running in-person programs outdoors. In July, during summer reading, our circulation numbers began to climb back to pre-2020 levels, and by September we moved our programs back indoors in smaller groups. We had a great ending to the year and were recipients of an \$11,336 ARPA grant that will be used in 2022 to create a makerspace at the library and provide new programs in collaboration with community members and organizations.

Circulation

The Oscar Foss Memorial Library circulated 18,756 items in 2021. For the first part of the year, we were still mostly circulating via curbside pick-up and by appointment, but once patrons were able to come in for regular browsing, our circulation numbers started to return to pre-2020 levels. We also continued to deliver books to seniors and homebound residents. We registered 104 new patrons for a total of 1,914 active users. Books are still the number one circulated item followed closely by DVDs and adult audio books. We added 1,316 new items bringing our collection size to 15,767 items. Use of NH Downloadable Books continued to rise in 2021, with 6,747 items checked out this year, and the NH State Library worked with our libraries and Libby to meet the new demands.

Community Partnerships

The Oscar Foss Memorial Library maintained and added to our strong community partnerships in 2021. We continue to offer programming for Barnstead Adventure Zone (BAZ), utilizing take home kits and videos at the start of the year, and then providing in person programming during the summer. We look forward to working with BAZ again in 2022.

We collaborated with Parks and Recreation to update the Storywalk on the Two Rivers Trail, courtesy of a Storywalk grant we received from the State Library. We also have collaborative programs planned for 2022 related to the second ARPA grant we received from the NH State Library.

We received a grant from the Alton Rotary Club that funded two of our Summer Reading programs.

The National Art Honor Society at Prospect Mountain High School painted the library windows for the holidays and will also be partnering with us for the ARPA grant in 2022.

Bryan Locke very generously donated the time and resources to clear the area behind the library and build a pergola for the new seating area we received through the first round of ARPA grants from the NH State Library.

We also received donations to honor the memory of former librarian and our dear friend, Trina Blackwood. Local resident Bill Kriete will be building a bookshelf to display staff recommendations with the funds, a plaque with a haiku about Trina submitted by her book club will be displayed, and we have also purchased a new bench for the children's area.

The library had a regular table at the Barnstead Farmer's Market.

The library is represented by the Director on the Barnstead Helpers Committee and on the board of Barnstead Adventure Zone.

The library also started the Barnstead Banner in September of 2021, a local newspaper sharing community information and "good news" about our town.

We collected coats and hats for the kids at Barnstead Elementary School and were a drop off location for the Barnstead Food Pantry Christmas Program.

Library Programs

Adult: This year the Oscar Foss Memorial Library hosted 147 library-sponsored adult programs, with 788 people participating in those events, both in person and virtually. Some of the programs offered included Bad Art Night, Oscar Talks, Local Lore Night, Yoga at the Library, and Painting with Michelle.

Children and Teens: There was a grand total of 121 youth and family library programs held this year, with total attendance at 1,567 participants. We tracked our online outreach in the early part of this year and we connected with our community over 40,832 times on Facebook, Instagram and YouTube with our posts and online story time videos.

In the early part of 2021, we had to continue to find creative ways to reach our patrons because in-person programming was not yet possible. Miss Jerissa ran her Story Hour program on Wednesdays by recording her stories each week for patrons to view on our YouTube and Facebook pages. In addition, she created Take-and-Make crafts for patrons to pick up on our free shelf each week. We saw even more craft participation this year than we generally do with our in-person programs! We offered biblio-boxes, themed “subscription” style boxes for patrons to check out, that were very popular. In May, we started to offer a drive-in style Storytime in our parking lot, and by July we were hosting outdoor programs like Wildlife Encounters, Storyteller Simon Brooks and our Cats and Dogs Party. We moved Storytime back indoors in September and started offering After School Club and Teen Advisory Board programs again. In October, our Teen Advisory board hosted a Haunted Library event that was well attended, and in December “Oscar’s Elves” were busy wrapping gifts and giving out hot cocoa.

Our summer reading theme for 2021 was “Tails and Tales”. We had many really fun animal themed programs, and thanks to a Summer Learning Grant we were able to purchase a 3D printer for the library that the kids used to create name tags for their pets and a cats and dogs checkerboard.

We also launched a new literacy program for school aged children in 2021 using a grant from the Rural Library Association and Save the Children network. In addition to our 1,000 Books Before Kindergarten program, we are now able to offer a 500 Books Before Middle School and 100 Books Before High School program that encourages literacy by giving kids incentives to read.

There is always something happening at the Oscar Foss Memorial Library! We look forward to seeing you in 2022.

Respectfully submitted,

Danielle Hinton, Library Director

Overseer of Public Welfare

It is the responsibility of the Overseer of Public Welfare to assist the residents of Barnstead, in a variety of ways, while keeping them safe in their homes.

The Welfare Department entertained applications, as needed, while the Covid-19 pandemic continued to dominate our Country.

Thank you for the continued support from the Town and to the generous Volunteers for all your time and efforts throughout the year. If you know of someone who is in need of assistance or help in some way, please advise them to contact this department. All information received is kept confidential.

Respectfully submitted,

Elaine Swinford - Overseer

If you need a helping hand.

Parks & Recreation Commission

- 2021 started off with the annual fishing derby.
- The skating rink with the new liner was a smashing success and we had high usage at the rink in 2021. Positive comments flowed in as the townspeople enjoyed the highly maintained surface.
- The summer included a town wide yard sale, roadside clean up and swimming lessons. Having safe outdoor events were a wonderful way to get

the community involved.

- Parks and Recreation partnered with Chuckster's to provide discounted tickets for Barnstead residents.
- Kate the Great did her magic by painting wonderful designs on the local kiddos and we also had a tie dye event free to the community at the Farmer's Market.
- 2021 brought about Barnstead's first calendar project for 2022. Each month is populated with pictures from local townspeople and also local businesses supported the endeavor with advertising.
- Barnstead was the recipient of a massive donation in 2021 of skates and hockey gear. Over 100 pairs of skates were donated so we were able to start lending again.
- Parks and Recreation created a mailbox for letters to Santa and the library was nice enough to let us house it inside out of the elements.
- In addition to our recreation activities, Parks and Recreation made important progress on two long range goals. We received a \$75,000 Federal Lakes & Water Conservation Fund Grant that will help us construct the Family Park and Nature Playscape that was featured in last year's Town Annual Report.
- Parks and Recreation also implemented a Team structure for some of our recreation events and projects. The teams are a framework for getting more things done, involving new volunteers, working out the details of events, ice rink maintenance, and detailed park planning so we could focus our Commission Meetings on long range plans, and decision making on major issues.

We would like to thank all of our volunteers and team members that have given their time to assist with events, clean up, maintenance and many other time consuming efforts. Great job to all!

Respectfully submitted,

David Allen, Chair

Barnstead Planning Board Annual Report

The Planning Board had a busy year with the approval of 4 minor sub-division, 3 lot line adjustments, 8 conceptual consultations, and 7 site plan reviews for new businesses in town.

Again, this year we were met with unprecedented challenges due to the SARs-Covid 19 pandemic. We were able to meet via 'Zoom' with board members and applicants alike. When Town Hall opened to the public we willingly resumed in person meetings. Every year we always spend several meetings and work sessions meeting with the ZBA reviewing the Zoning Ordinance for the town, this year has been no different. We also, listened to concerns of residents and that has resulted in the ballot questions for March 2022.

The Planning Board is once again seeking volunteers to help with the Capitol Improvements Plan (CIP). The CIP Committee should meet to review the needs and wants of all the town departments and the two SAU offices. The purpose of the CIP is to help the town plan for future capitol expenditures such as large equipment or buildings. The CIP Committee will meet with all department heads and both school SAU's to update the comprehensive guide to the town's spending over the next six years. The Planning Board would then approve the CIP and forward it to the Selectboard Office and the School Board and SAU's for use in their budget planning. The CIP committee will resume meeting over the summer months to update the plan. If you are interested in helping the CIP Committee, please contact the Planning Board.

The Planning Board will also be looking for volunteers to start the process of updating the Master Plan for 2024. If you are interested in helping, please contact the Planning Board.

The Planning Board meets at 6:00 PM the 1st Thursday of every month at the Town Hall and all meetings are open to the public. Work sessions are held at 6:00 PM the 3rd Thursday of the month on an as needed basis.

Barnstead Police Department

2021 Annual Report

Submitted by

Chief of Police Paul A. Poirier

To the Board of Selectmen and the citizens of Barnstead as your Police Chief I submit the 2021 Barnstead Police report on behalf of the men and women of the Barnstead Police Department who proudly serve our community.

It goes without saying that 2021 was yet another challenging year for everyone with the COVID pandemic and all it's variants. The pandemic brought on many challenges that we as first responders needed to adapt to while providing the same level of professional services that the community deserves and demands.

This past year police departments all around the country had to adapt to new standards due to law enforcement reform. Although, New Hampshire has not had the problems we've seen around the country, New Hampshire law enforcement as always has stepped to the forefront partnering with the Governor and his team of civilian and law enforcement professionals by putting forth legislation to make changes in policy and by developing The Commission on Law Enforcement Accountability, Community and Transparency (LEACT). Due to this new legislation Police Department's have had to increase their yearly hours of training, attend courses in Implicit Bias, De-Escalation and Ethics and develop new policies addressing these topics. As your Chief, I am happy to report that Barnstead officers have completed all of the required trainings in addition to other mandated police training and Leadership courses.

In 2021 the Barnstead Police Department with its sights set on accreditation in the future reorganized the rank structure at the police department by hiring a former police chief (Robert "Bob" Cormier) who brings nearly 40 years of police experience and professionalism to our organization. Captain Cormier is assigned to our Professional Standards Unit working on policy development, overseeing recruitment and training, firearms, fleet management, computer systems and special investigations.

Additionally, the police department hired two new police officers in 2021. The first officer being Mytchel Cookinham a local resident who grew up in Barnstead and went to Barnstead schools. Officer Cookinham graduated from the 185th New Hampshire Police Academy and has proven to be a great addition to our department. Officer Cookinham was a natural pick in the process, already knowing many people in the community and the lay of the town.

The second officer hired was Garrett Patten who graduated from the 186th New Hampshire Police Academy. Officer Patten grew up in Tilton, NH and we are proud to report that he graduated from the academy receiving the award for the Most Physically Fit recruit.

In 2021, in a collaborative effort with the school board and BES faculty we were able to hire a School Resource Officer albeit, he is working part time, we are already seeing the benefits of his contributions as a seasoned officer and great role model for the students. Officer Neal Casale comes to us with over thirty years experience having retired from a the Nashua Police Department where he served as a juvenile detective and a school resource officer for over ten years. Officer Casale is a natural fit, he holds a masters degree and was also a vice principal at a private institution in NH.

In 2021 the Barnstead Police Department took on a very aggressive project of building a Veterans/Law Enforcement Memorial for the community. The project was spearheaded by Chief Poirier and Captain Cormier who shared the same vision and who's collaboration made the process seamless. The beautiful memorial sits proudly in front of the police station with a 40' flagpole displaying the American Flag along with two 35' flagpoles one displaying the State Flag while the other displays a POW flag. The memorial is flanked by a garden of flowering crabapple trees, beautiful azalea's, hydrangea's and other shrubbery. There are two memorial benches yet to be engraved and a commemorative stone is in the works which, will honor each branch of our armed services and sit inside the memorial at the base of the American Flag Pole. The memorial is beautifully lit at nighttime and we have the ability to change the lighting to any color for any occasion for instance Red, White & Blue on July 4th. The memorial, a tribute to loved ones is evident with the many memorial bricks that were purchased and are displayed. The memorial was built with the community in mind and will stand for decades and beyond. We hope that everyone stops by to visit, day or night it's a beautiful sight.

The memorial standing beautiful and proud would not have been possible without the communities support. From the anonymous generous flagpole donors to the many selfless local contractors who donated so much of their time, materials, equipment to make the vision a reality. A lot of residents stepped up to help in one way or another and many made a monetary donations to help with purchasing items for the memorial.

In celebration and in appreciation for all those who served in the military and to those who made the memorial possible this past Veterans Day the Barnstead Police Department, held a Veterans Day celebration at the memorial with the help of our local veterans and American Legion Post followed by a free luncheon at the police department. We look forward to continuing this every year making it a Barnstead Veterans tradition.

In 2021 the Barnstead Police Department looked at different ways to expand our community outreach programs and came up with the idea of renting an ice cream truck and giving out free ice cream in the community. The ice cream truck rental donor was anonymous and the police department descended on the community with the ice cream truck on two separate occasions, both days bringing us beautiful weather which, went hand and hand with the delivery of ice cream. The fist beta run with the ice cream truck, officers drove throughout the community, stopping at the library, town hall, fire department and around the different lakes handing out over a \$1,000 in free ice cream to children and parents alike. The smiles on the recipients of the ice cream and the officers giving out the ice cream were reciprocal. The second time the police handed out

ice cream was to all of the students and faculty at the Barnstead Elementary School (BES) and we must say that we literally hit it out of the park. Anyone and everyone who wanted an ice cream got one and some even got two.

Seeing the ice cream truck making such a positive impact in the community and it's ability to help our officers build bridges and connect with everyone, we knew right away that we needed to somehow make this part of the police department. We decided to make it our mission to find a used ice cream truck and make it a regular part of our community service programs. Mission was accomplished! An ice cream truck was found and donated to the police department. Since the ice cream truck was acquired the community has really stepped up with their support by donating money towards the repairs and future ice cream purchases. When the ice cream truck rolls out it will be making stops throughout the community and at different sporting events etc. So this summer for those of you who are old enough to remember that nostalgic sound of that ice cream truck's music box and bell ringing through your neighborhood as a kid, you'll be able to look outside and see the Barnstead Police Department Ice Cream Truck rolling through but with a friendly police officer behind the wheel and the best part is the ice cream will be FREE!

Though, we have many community service outreach programs and believe that they are all an integral part of 21st century policing, our main mission is to protect and serve the people and community.

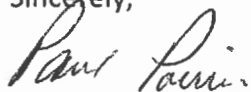

In 2021, throughout the country police staffing levels were at an all time low and the Barnstead Police Department was no different and felt the strain. Fortunately, we have a very good working relationship with our law enforcement counterparts in our surrounding communities and on a state level and many of them jumped in to help out when we needed them, for that we are grateful.

In 2021 the Barnstead Police Department handled over 4,100 Calls For Service and made 81 criminal arrest for a variety of felony and misdemeanor charges as broken down below.

Although, not all inclusive these stats represent a snapshot of the hard work and dedication that the men and woman of Barnstead Police Department do on a daily basis to keep the community safe.

In keeping with my belief of strong ethical values and transparency I encourage all members of the public to contact me directly if they have a concern or suggestions on how we can better serve you

Sincerely,

Paul A. Poirier
Chief of Police
Barnstead Police Department

Road Agent Report

It was an incredibly busy year for the Highway Department. We started off the year with a horrible mud season. We had to put an inch and a half of stone on some roads so we wouldn't lose them; notable roads being Brindle Pond Road on the hill, North Barnstead Road on one of the hills, and Cooke road going toward New Durham. These were not the only locations.

Grading was a daily occurrence weather permitting. We had a high amount of rain and flooding in July which washed out White Oak Road and other roads as well. With our Town being part of highway mutual aid, the Town of Wakefield sent 3 workers and some equipment during the floods to help; we thank them for their assistance.

This year the Highway Department built a water truck from the remains of a decommissioned fire truck the town has owned for quite some time. The Town of New Durham traded with us so we were able to acquire a 2500 gallon water tank and a water pump that was mounted to the chassis of the truck. We purchased a calcium pump and were able to use either water or calcium and manufactured a spray bar. We upgraded from a 750 gallon tank to a 2500 gallon tank which meant fewer trips back to load up.

North Barnstead Road was reclaimed, and had a base coat applied from Peacham Road to Pitman Road; the following year it will be ready to be topped. We also reclaimed and based Holmes Road and will top coat Holmes Road next year. We applied a top coat to Shackford Corner Road, Peacham Road and Grey Road and in a decade we will have to apply another top coat to these roads.

The Highway Department also traded decommissioned plow trucks, army surplus equipment, and some scrap trucks that were no longer operable for two 10 wheelers that were previous State of New York plow trucks. These trucks have computerized controls which will allow us to precisely calculate how much material is being put down (at least on the plow route these trucks are assigned) with no guesswork. They also have stainless steel dump bodies with brine tanks on the side. This means fewer trips back to the shed to reload material during a storm. They are ideal for longer routes plus the brine tanks on the side opens the possibility of using a calcium based road treatment over the traditional road salt. This opens up the possibility of trucking material, if needed, at a much higher capacity.

I wish to thank the Highway Crew for all their hard work plus facing the challenges of not only what can be described as 'New England Weather' but also wide spread illnesses; your dedication is greatly appreciated.

George Drew – Road Agent

Supervisors of the Checklist

The supervisors of the checklist started the year 2021 with a session held on January 19, 2021 and February 27, 2021 for corrections and additions to the voter checklist for Town Election to be held on March 9th, Town Meeting on March 13th and School Meeting on March 20th.

2021 was also the year for the 10 year verification to start by April 1st. This happens every 10 years in each town and city in the state of New Hampshire. We reviewed our checklists for any voter that had not voted in the past four elections. A public session was held, a 30 day letter was sent to each person on our list of 823. Notices were in the Laconia News, the two Post Offices, the Website and the Town Hall with the dates to meet the Supervisors.

August 31st was the last date that the voters were to be removed during a session. We removed 812 names from the voter checklist—with 11 people who came in to register. September 1, 2021 we filed certification with the Secretary of State Office. A new checklist was printed and posted.

We meet thru the fall to up-date the books, match letters with voters cards and other housekeeping jobs. It was a very busy summer and fall.

Our responsibilities are to keep the voter checklist updated, change of party, additions , corrections and removal. We do same day registration on Election Day—but not at Town and School Meetings.

The year 2022 will bring 3 elections—March , September and November. Please Make sure that you are a registered voter—if you are not –bring your drivers License and a bill as proof of residency.

It is a privilege to vote—may we never have it taken away from us!

Respectfully Submitted,
Judith L Forsyth
Marjorie J Terry
Shirley Hayes

Town Clerk's Report

January 1, 2021 - December 31, 2021

Town Clerk/Tax Collector's Report

2021 brought about more changes in our office! In February, we added a third member to our office staff, Melissa Jette. Although she had virtual training, she's caught on to everything our busy little office handles. We are NOW online for Motor Vehicle registrations, dog licenses and vital records! Please be advised that it may take up to 5 days for us to process your online requests. Once it clears our bank we will then process them. We will be working on more online processes for you in the near future! We appreciate all of your patience and cooperation while we navigate our way through all of our new options! The Tax Kiosk has become a popular option for paying your tax bills, with over a million in taxes paid through the Kiosk! We try to update the Kiosk once a day so you have the most current information about your taxes.

Town Election was held in the Town Hall with Covid precautions in place as well as a socially distanced Town Meeting held at Barnstead Elementary School. In April, Covid hit the Town Hall resulting in a closure of the office. The Towns of Pittsfield and Alton stepped up and took care of our residents that needed to register their cars! We are very grateful for their willingness to help!

2021 was a year of more unpredictability, with the delayed setting of our tax rate (that went down to 21.96 %!), preventing tax bills being sent on time, with a due date of December 16st. Still earlier than 2020s bill! While not an ideal due date, we are required by State Law, to make the due date 30 days after mailing.

2021 did have some good moments though and we were able to go to our fall Tax Collector & Town Clerk Conference. It was so nice to be able to see everyone! Our conferences provide invaluable resources to help us do our jobs more efficiently & effectively! Although we closed the office for these conferences we felt it was important that we attend them!

Although 2021 was filled with many changes, whether it be registering motor vehicles, dog licensing, paying property taxes, or voting in elections, the citizens of Barnstead embraced their roles, with the results showing the resilience of the citizens of this Town. We registered over 1,450 dogs this year with an increase of 14.17%! Dog licenses are due by April 30th of each year. As a courtesy we send out reminder postcards to license your pups. At the end of the year we had an average of 4% of the 2021 property taxes remaining unpaid!! This is an improvement over the years where it had been as high as 20% unpaid. Our Motor Vehicle registrations were up as well from last year; we registered 8,660 vehicles this year with an increase of \$63,157.24 in revenue. Ending 2021 our phones decided they didn't want to "work" anymore; unfortunately it won't be fixed until we have a new phone system installed. It has been very frustrating for us here in the office as well as for you all!

Our office hours are still 8:30am - 4:30pm, Monday – Friday. Please continue to use our drop box, and check out our new website for online payment options! As always, we are here for you. If you have any questions or concerns, please do not hesitate to contact the office, emailing is the best way to reach us!

Thank you,

Jessie Fifield – Town Clerk ~ Tax Collector

jfifield@barnstead.org

Mary Clarke – Town Clerk ~ Tax Collector Deputy

Zoning Board of Adjustment

The function of the Barnstead Zoning Board of Adjustment (ZBA) is to review applications from property owners seeking relief from requirements of the Barnstead Zoning Ordinance. Relief can be sought by applications for variances, special exceptions, or equitable waivers. In addition, the ZBA can consider appeals by property owners regarding land use administrative decisions made by other boards or Town Officials.

Applications for relief are granted based on the information provided in the application presented, the testimony given at a public hearing, the observations of the Board members at site visits and findings by the Board that all criteria for the application have been met.

The following are cases that were approved before the Board in 2021:

1. two (2) variances to allow the construction of garages where front/side setback requirements could not be met
2. a variance to allow improvements to an existing home where setback requirements could not be met
3. a special exception to allow construction of a detached A.D.U.
4. two (2) special exceptions to allow the operation of a businesses
5. a variance to allow construction of a new home where setback requirements could not be met

There were three (3) cases that were denied in 2021 and are as follows:

1. an appeal of a Planning Board decision allowing the construction of a cell tower
2. two (2) requests for rehearing of the previously granted special exceptions

The members of the ZBA are appointed by the Board of Selectmen for a three (3) year term. The membership consists of five (5) members and up to five (5) alternate members. If you are interested in joining the Zoning Board of Adjustment, please inquire to ZBA@Barnstead.org or by calling the Town Hall at 603.269.4071.

Respectfully submitted,

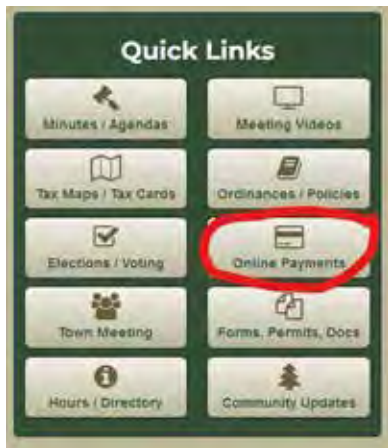

David Brown, Chair

Please check out our new town website. It has lots of great features with the availability to accomplish many tasks online.

www.Barnstead.org

On the home page, you can reach some of the online features:

The online payments button brings you to:

Online Payment Options

In this location you can pay your taxes, register your car, or get Car registration estimates, license your dog, or even obtain a vital record such as a birth certificate.

On the home page, you can reach some of the online features:

Here you can access tax maps and tax cards. Tax cards give all the information about your property, and how it is valued for your tax bill. You should check your tax card for accuracy. This button will bring you to your tax card.

This will bring you to the tax cards.

Tax Maps

These maps are for assessment purposes only and are not to be used for conveyances.

Property Tax Maps for the Town of Barnstead, as prepared by Cartographics Associates Technologies. Use the **Map Index** to determine the location of the property and cross reference it with the Map number below.

BCEP Solid Waste District

A Message from the District Committee

2021 showed improvement in tonnages at the Facility compared to 2020, as the District processed 830.96 tons of recycled material for a cost savings in tipping fees of \$65,645.84.

Our vintage 1996 baler was replaced at the end of 2021 with a brand new Marathon baler, this new PLC controlled baler is more energy efficient, faster and produces the size and weight bales that the facility has regularly produced over the years. Another improvement was the much needed "Scale bypass lane" which has alleviated a lot of the back up traffic across the scale. There are clothes/shoe boxes back at the district. Putting your textiles in the boxes instead of the trash will help avoid tipping fees and help people in need of such things.

During the summer months the BCEP extended the hours on Thursdays until 6:00 PM. Many people took advantage of this, and we look to bring the Thursday extended hours back again for the Summer of 2022.

The District will be able to operate within the same operating budget for 2022 as 2021. BCEP continues to get top dollar for recycled products thanks to everyone's efforts in following recycling guidelines, making it possible to bring in revenue instead of paying tipping fees on this tonnage. Thank you for Recycling!

In April the District hired, and welcomed back, John Keane to the Administrators position. John had previously been employed as the Operations Manager for 9 years before leaving for a position at a Family startup business.

Comments from the public are always welcome. The District Committee meets the last Thursday of each month (except Nov. & Dec.) at the District Facility @ 6:00 PM. The November meeting is the Thursday before Thanksgiving, December's meeting is posted at each of the 4 Town Offices, the District Facility, and the Concord Monitor.

In closing the District Committee would like to Thank Mr. Hugh Curley for stepping in as the Interim District Administrator in the absence of a full time Administrator. Thank you, Hugh!

Respectfully submitted,
John Keane
BCEP Administrator

John Keane
District Administrator

Lakes Region Planning Commission

103 Main Street, Suite 3
 Meredith, NH 03253
 603-279-5334 | www.LakesRPC.org

**FY21 Annual Report
 Town of Barnstead**

The Lakes Region Planning Commission (LRPC) is a voluntary organization of 30 communities within one of 9 state regional planning areas established under RSA 36:45. The LRPC plans at the local, regional, and statewide levels and is an essential conduit for federal funding. LRPC provides important cost-saving local services such as presented below and coordinates transportation, land use, economic development, and environmental planning at the regional level.

LRPC provides a forum for communities to share information and services and serves as a resource to support and enhance local planning and regional collaboration. Membership provides technical assistance and access to a wide range of services and resources, including:

- Master Plans, Capital Improvement Plans, and Hazard Mitigation Plans
- Land Use Regulations and Ordinances
- Developments of Regional Impact Review
- Circuit Rider Assistance to Planning & Zoning Boards
- Economic Development Assistance
- Grant Writing & Administration
- GIS Mapping
- Data Collection & Analysis
- Transportation, Land Use, and Watershed Management Planning.

The following includes highlights of services and activities performed for or within Barnstead during FY21, and regional initiatives and projects that benefit multiple member communities.

Local Services & Activities

Planning & Land Use Books	<ul style="list-style-type: none"> • Purchased and distributed annual <i>New Hampshire Planning and Land Use Regulation</i> books for members for a Group Discount of \$82.50 per book as part of a regional bulk purchase. <i>Town cost for 11 books = \$120.50 Amount saved after cost = \$907.00</i>
General Assistance	<ul style="list-style-type: none"> • Supplied data to the Emergency Management Director for mapping associated with the Emergency Medical Services (EMS) Alert program. • Reviewed a Request for Intergovernmental Review for LWCF grant application, Big River Natural Playscape and Ice Rink Improvements, Town of Barnstead, for a federal outdoor recreation grant under the Land and Water Conservation Fund program of the National Park Service.
Solid Waste Management	<ul style="list-style-type: none"> • Organized a roundtable for community members to visit the BCEP Solid Waste District in Pittsfield to discuss efficient site design and regional waste management opportunities.
Transportation	<ul style="list-style-type: none"> • Conducted traffic counts at 7 locations within Barnstead as requested by the NH Department of Transportation.
Watershed Management	<ul style="list-style-type: none"> • Met via Zoom with the Half Moon Lake Association (HMLA) at their request regarding watershed planning and sedimentation problem concerns. The HMLA is a private group with membership open to anyone who is a property owner on or has deeded rights to Half Moon Lake, located in Barnstead and Alton.

Regional Services & Activities of Benefit to Multiple Communities

- **Development of Regional Impact Reviews.** Reviewed 5 developments of regional impact for the Planning or Zoning Boards in 5 member municipalities pursuant to RSA 36:54.
- **GIS Mapping.** NH Geodata Portal project to create better access to UNH's GIS mapping system. Maintained regional GIS mapping system administration of ArcGIS Online and associated applications to meet community and regional needs.
- **Household Hazardous Waste (HHW) 2021 Collection BY THE NUMBERS:** 35 years of regional collections | 24 participating communities | 5 HHW Coordinators meetings | about 80 local workers and volunteers | 1,721 households | 25,000 feet or 4.5 miles of fluorescent tubing | 77,994 POUNDS or 39 TONS of household hazardous waste safely removed and disposed of from our region.
- **Housing Needs Assessment.** In process of conducting a Regional Housing Needs Assessment, with a scheduled completion date of December 2022.
- **Intergovernmental Reviews.** Reviewed 14 project notices under the NH Intergovernmental Review Agreement process which requires public notification to regional planning commissions of all projects in the region intended to receive federal financial support.
- **Planning & Land Use Books.** Bulk purchased and distributed 356 copies of NH Planning & Land Use Regulation books for members at a Group Discount of \$82.50 per book.
TOTAL SPENT by 26 Member Municipalities = \$3,846
TOTAL SAVED by 26 Members = \$29,262 = the power of regional purchasing
- **Targeted Block Grant.** Provided Technical Land Use Planning Assistance to member Planning and Zoning Boards.
- **Watershed Management.** *Pemigewasset River Local Advisory Committee.* Provided organizational support including planning and preparation for 10 meetings, distribution of meeting materials, and maintenance of membership list. Explored options for updating the 2013 Pemi River Corridor Management Plan and presented information about a Water Quality Planning 604(b) Grant opportunity for funding the plan update.

Winnisquam Watershed Management Plan. Worked with Winnisquam Watershed Network and several town planners to acquire EPA funding to hire a consultant to assist with a watershed plan. Acquired seed funding from the NHDES 604(b) grant program to help organize stakeholders and solidify town planner support for the effort.

Community Outreach & Education

- Direct outreach to member communities urging them to sign up for automatic Coronavirus Local Fiscal Recovery Funds (CLFRF) to be distributed by the State of New Hampshire to all non-metropolitan towns and cities which would be forfeited if not applied for by the deadline. Provided documentation and application information.
- Designed new Commissioner Handbook, adding new content and features including hyperlinked Table of Contents. Distributed PDF copies directly to all Commissioners and posted on our website as a downloadable PDF.
- Produced three Transportation Newsletters and emailed to member municipalities outlining the transportation planning process and funding opportunities in the region.

- Convened five regular Commission Meetings and one informational meeting during FY21, with guest speakers on the topics of: *Hazard Mitigation Assistance Programs; Accessory Dwelling Units (ADUs); The Nature Economy; Short-Term Rentals (STRs); Communities and Consequences II – Rebalancing NH's Human Ecology; Housing Ordinances & Cost Summary; Floodplain Management Basics; LCHIP Projects & Funding in the Lakes Region; The Future of Broadband in the Lakes Region and How To Get There.*

Economic Development

- **Comprehensive Economic Development Strategy (CEDS).** Began the update of the region's 2013 plan.

- **Community Development Block Grants (CDBG)**

CDBG | *Makers Mill Project.* Provided an assortment of grant administration services on behalf of the Town of Wolfeboro for Makers Mill, a Community Makerspace, Vocation Hub, and Business Incubator conceived and developed by the non-profit G.A.L.A. to serve the Lakes Region. LRPC was awarded intermediary business development grant funds to complete final design and engineering for the project and apply for additional construction funds. The nearly-completed construction project is scheduled for initial opening in summer of 2022.

CDBG | *Microenterprise COVID-19.* Provided grant writing assistance to Grafton County resulting in the County's award of \$421,365 on behalf of three non-profit organizations: Belknap Economic Development Council (BEDC), Women's Rural Enterprise Network (WREN), and Northern Community Investment Corporation (NCIC). LRPC is contracted by Grafton County to administer the funding award that will provide grants to 108 low and moderate-income micro-business owners and others impacted by the pandemic in three of the four counties within our region: Belknap, Carroll, and Grafton.

CDBG | *Microenterprise Technical Assistance.* Provided grant writing assistance to Grafton County resulting in the County's award of \$394,865 on behalf of BEDC, WREN, and NCIC in Belknap, Carroll, and Grafton counties. LRPC is contracted by Grafton County to administer the funding award that will provide entrepreneurial training and technical assistance to low and moderate-income micro-business owners and others who are planning to start micro-businesses.

- **Lakes Region Facility.** Provided a range of planning and project management services to the state's Lakeshore Redevelopment Commission in support of the redevelopment of the all but abandoned 200-plus acre former state school property along Rt. 106 in Laconia before it was defunded by the Governor's office. LRPC acted as grants manager and applied for several grants including a successful \$1 million Northern Border Regional Commission (NBRC) grant to develop basic infrastructure on the front 5 acres.
- **Northern Border Regional Commission (NBRC) Grant Administration.** As the designated Local Development District (LDD) for NBRC, continued to provide services, including grant writing and administration, for 12 active grant projects within 10 member communities.

Transportation

- **LRPC Transportation Technical Advisory Committee (TAC).** Facilitated communication and activities and provided staffing support for the TAC which met 8 times during FY21 to drive community participation and local involvement in regional transportation planning and project development. This included meeting logistics, minutes, press releases, posting

documents on LRPC’s website, tracking member appointments and term expirations, and other administrative functions. Guest speakers included state and federal legislators.

- **Bicycle and Pedestrian Planning.** Partially completed the update to the region’s 2012 bicycle and pedestrian plan.
- **Shovel-Ready List.** Reached out to all 30 member communities to compile a list of shovel-ready infrastructure projects in the region.
- **Transportation Improvements.** Facilitated the TAC’s review and scoring of project proposals for the state Ten Year Plan (TYP), the Regional Transportation Improvement Program (RTIP), and the Transportation Alternatives Program (TAP). Sent the TAC’s final recommendations to the Executive Board for review then submitted the top-ranked proposals.
- **Data Collection & Analysis.** Continued to provide transportation field data collection services in several communities using the latest SADES (Statewide Asset Data Exchange System) protocol. LRPC Transportation Staff collaborated with colleagues from other regional planning commissions to develop strategies and protocols for Unpaved Road Assessment. Contracted with 9 member communities to complete Road Surface Management System (RSMS), Culverts and Closed Drainage Systems (CCDS), and Stream Crossing Assessments, which include data collection, mapping, and final reports for each project.
- **USDA Community Facilities Disaster Technical Assistance & Training Grant for Streetscaping.** Applied for and awarded supplemental transportation planning grant funds from the USDA to help assist communities with sidewalk and Complete Streets planning. LRPC expects to provide planning resources and follow through with communities on implementation funding.
- **Regional Coordinating Councils.** Continued coordination with RCC and Mid-State RCC Mobility Manager to complete update to Coordinated Transit Plan, improving data about the transit-dependent populations in the region, along with how to communicate this information to decision-makers.
- **Traffic Counts.** Conducted over 160 traffic counts throughout the region to determine road capacity issues. Developed protocols to ensure appropriate coordination while maintaining distance during the pandemic.

The LRPC is a participation-based organization where Commissioners have final say on the annual budget and can determine what services the organization provides. • Barnstead’s representatives to the LRPC during FY21 were:

Commissioners (entitled to 2): David Kerr (Commission Treasurer) *Alternates: Vacant*
Transportation Technical Advisory Committee: David Kerr *Alternate: Vacant*

Respectfully submitted,
Jeffrey R. Hayes, Executive Director

STATE OF NEW HAMPSHIRE
Town of Barnstead
Warrant for 2021 Annual Meeting

THE POLLS WILL BE OPEN FROM 7:00 A.M. to 7:00 P.M.

To the inhabitants of the Town of Barnstead in the County of Belknap in said state, qualified to vote in Town Affairs:

You are hereby notified to meet at the Barnstead Town Hall in said Barnstead on Tuesday, the Ninth (9th) day of March, next at 7:00 a.m. of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town officers for the year ensuing.

1 Selectmen	3 year term	PAULA PENNEY
1 Treasurer	3 year term	MARJORIE TERRY
1 Town Clerk/Tax Collector	1 year term	JESSIE FIFIELD
1 Trustee of Trust Funds	3 year term	JUDITH FORSYTH
1 Supervisor of Checklist	4 year term	SHIRLEY HAYES
2 Planning Board Members	3 year terms	NANCY CARR DALE TWITCHELL
2 Budget Committee Members	3 year terms	MICHELLE ROSADO HILARY HENRY
1 Overseer of Public Welfare	1 year term	ELAINE SWINFORD
1 Library Trustee	3 year term	SUZANNE ALLISON

2. To vote by official ballot on amendments to the Barnstead Zoning Ordinance, as proposed by the Barnstead Planning Board and Zoning Board of Adjustment, as follows:

1. Are you in favor of the adoption of question #1, amending the Zoning Ordinance, Town of Barnstead, NH as proposed by the Planning Board, as follows:

To amend Article 4, Section 4-1 of the Zoning Ordinance – Lot Size from “Without regard to size, each building lot in the Town of Barnstead shall be capable of siting an on-lot sewage disposal system that meets the approval of the Water Division as found in New Hampshire code of Administrative Rules Env-Ws 1000 (Env-Ws1000). The minimum lot size for a single-family unit shall be two acres, eighty-seven thousand one hundred and twenty (87,120) square feet” to: “Without regard to size, each building lot in the Town of Barnstead shall be capable of siting an on-lot sewage disposal system that meets the approval of the Water Division as found in New Hampshire code of Administrative Rules Env-Ws 1000 (Env-Ws1000). The minimum lot size for a single-family unit shall be five acres, two hundred seventeen thousand eight hundred (217,800) square feet”.

YES – 126 NO – 278

2. Are you in favor of the adoption of question #2, amending the Zoning Ordinance, Town of Barnstead, NH as proposed by the Planning Board, as follows:

To amend Article 8, Section 8-1 of the Zoning Ordinance – Business from “Any business may be located in Barnstead upon application and approval of the Planning Board, Selectmen, and Health Officer; and provided that the business or industry or structure would not be seriously detrimental or offensive to the owners of adjoining property, or to the town, or would tend to radically reduce property values of other property” to: “Any business may be located in Barnstead upon application and approval of the Planning Board; and provided that the business or industry or structure would not be seriously detrimental or offensive to the owners of adjoining property, or to the Town, or would tend to radically reduce property values of other property.”

Yes – 203 No - 208

3. Are you in favor of the adoption of question #3, amending the Zoning Ordinance, Town of Barnstead, NH as proposed by the Planning Board, as follows:

To amend Article 2, Section 2-1 of the Zoning Ordinance - Definitions, to add “Lodging, Short-term: A dwelling unit where transient lodging is provided for compensation for stays of between one (1) and Ninety (90) consecutive nights, and where the dwelling unit would normally be considered a residential living unit not associated with regulated commercial activities such as a hotel, motel, rooming/boarding/lodging house, or bed-and-breakfast.”

Yes – 126 No – 290

4. Are you in favor of the adoption of question #4, amending the Zoning Ordinance, Town of Barnstead, NH as proposed by the Planning Board, as follows:

To amend Article 8 Business of the Zoning Ordinance to add “Section 8-2: Short Term Rentals” which would require a permit from the Planning Board for Short-Term Rentals (“STRs”); permit STRs in the Village District and Residential/Agricultural District, permit STRs by special exception in the Suburban District, and prohibit STRs in the Industrial/Commercial District; and would set forth criteria and procedures to be used by the Planning Board in reviewing and approving or denying applications for STRs.

Yes – 120 No – 297

5. Are you in favor of the adoption of question #5, amending the Zoning Ordinance, Town of Barnstead, NH as proposed by the Planning Board, as follows:

To amend Table 1: Use short Term Rentals as listed “P” in the Village Districts and the Residential/Agricultural District, “E” in the Suburban District, and “N” in the Industrial/Commercial District.

Yes – 124 No – 284

The second session for the purpose of discussing and voting upon the remaining articles of the Town Warrant shall be held on Saturday, March 13th, 2021, at 9:00 a.m. at the Barnstead Elementary School.

3. To hear the Reports of Agents, Auditors, Committees or Officers chosen and to pass any vote relating thereto. **PASSED VOICE VOTE**
4. To see if the Town will vote to raise and appropriate the amount of Eighty Five Thousand Five Hundred Fifty Dollars (\$85,550) for the fourth payment of the 5 year lease purchase agreement as passed at the 2017 Town Meeting for the Fire Pumper. This lease agreement contains an escape clause. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 5-0) (Recommended by Budget Committee 8-0). (Tax rate impact: 14 cents per \$1000 of assessed valuation). **PASSED VOICE VOTE**
