Dedication

The Board of Selectmen take great pleasure in dedicating this Town **Report to F. Robert Osgood** for his outstanding service to the Town of Grantham. Over the years Bob has been a member of the Police Department, Fire Department, School Board, School District Moderator (20 years), school bus driver, Building Maintenance Manager, Emergency Management Director and currently Deputy EMD.

Bob is always ready to lend a hand and help out where ever he is needed. He has spent innumerable hours developing our Emergency Management Plan as well as attended countless meetings and classes to assure that Grantham is in compliance with all that is required by the State and Federal Government.

A true patriot and supporter of the “Red, White & Blue”, Bob is extremely dedicated to preserving the memory of those who have died defending our country and he has not missed marching in a local Memorial Day parades for 40 years.

Grantham’s “Ozzie” has given us a glimpse of “Oz” on Halloween with his scarecrow costume delighting children with his big smile and treats!

Thank you Bob for all your efforts on behalf of the Town of Grantham. An extra special thanks to “Tink” for sharing Bob with us for all these years!

Right to Know Law

What is the “Right-to-Know” Law, RSA 91:A? It is New Hampshire’s statute that emphasizes that the business of the Town is the public’s business. It makes clear that, with very few exceptions, the public has access to Town records and meetings held in connection with Town Government.

Who does it cover? All of us, whether we are elected officials, employees or volunteers serving on boards of the Town of Grantham.

What does it cover? It covers all “meetings”. A “meeting” occurs whenever a quorum of a Board, Committee or Subcommittee has supervision, control, jurisdiction or advisory power. The law also requires that the business of a Board be conducted at a meeting, rather than by telephone, e-mail or private gathering of individuals.

If it is a meeting, what does that mean? A notice of the time and place must be posted at least 24 hours in advance (excluding Sundays and legal holidays) in at least two (2) public places. The public is entitled to attend and may record or videotape the proceeding. All votes, with the very few exceptions itemized below, must be taken in open session and not be secret ballot. Minutes must be taken and made available to the public within 144 hours.

When can we hold a nonpublic session? Rarely. The Right-to-Know Law lists certain limited situations, which allow a Board to go into nonpublic session. Those situations are: Dismissal, promotion or setting compensation for public employees, RSA 91:A: 3, II (a). Consideration of the hiring of a public employee, RSA 91:A: 3, II (b). Matters which, if discussed in public, would likely affect adversely the reputation of any person-however, this cannot be used to protect a person who is a member of your board, committee or subcommittee, RSA 91-A: 3, II (c). Consideration of the purchase, sale or lease of real or personal property, RSA 91-A: 3, II (d). Discussion of pending or threatened (in writing) litigation, RSA 91-A: 3, II (e).

How do we go into nonpublic session? A motion must be made which specifically identifies the statutory category, which is the reason for going into nonpublic session, and then a roll call must be taken in which each member’s vote on the motion must be recorded.

If we go into nonpublic session, what then? Minutes must be taken just as you would in an open session. Decisions can be made in nonpublic session. You must stick to the subject which was the reason for going into the nonpublic session; if there is need to discuss other matters which discussion would be covered by a different exemption, you need to first come out of nonpublic session and then vote to go back in under that different exemption. It is only in this way that a proper record can be prepared for public review. The minutes from the nonpublic session must be made public within 72 hours unless two-thirds of the members, while in nonpublic session, determine that the divulgence of the information likely would adversely affect the reputation of any person other than a member of the Board, Committee or Subcommittee, or render the circumstances, the minutes may be withheld until those circumstances no longer apply. Action required to sequester.

Which Public Records are accessible? The public has access to all records held by the town except to the extent they may fall under one of the exemptions listed above.

How quickly do the records need to be supplied? If the requested record cannot conveniently be made available immediately, there is a deadline of five (5) business days for complying with the request. If there is a question as to whether something is open to the public, what do I do? Consult with the Selectmen and they will get advice from town counsel, if necessary.

In what format can the public demand that town records be produced? Most records are available for photocopying, but the Right-to-Know Law also extends the right to obtain computer disks of material already in the town's computers. A reasonable charge can be made to cover the cost of providing the copies or disks. In no case, however, does a member of the public have the right to demand that the town collect, search for, or arrange information that is not already pulled together for the town's own purpose.

This document is intended as a general outline of the "Right-to-Know" Law and is somewhat simplified for ease of use. If you have any questions, please contact the Board of Selectmen.

2012 TOWN MEETING RULES

1. Non-voters who are not officers of the town may be allowed to address the meeting only if the town votes to permit it.
2. ALL voters will direct their remarks to the moderator. Whenever a voter wishes to speak, he or she will address the moderator and identify him or herself.
3. Unless superseded by State law, reconsideration of a vote on any article should be brought up immediately after the vote has been declared. A vote on the issuance of bonds or notes over \$100,000 cannot be reconsidered at the same meeting. The town may also vote to restrict reconsideration of any other vote in the same manner.
4. The moderator will conduct a secret "yes-no" ballot vote when five voters make a written request prior to a voice or show hands vote on any article open for discussion.
5. Any ruling by the moderator can be challenged. The moderator will conduct a secret "yes-no" ballot when seven or more voters questions any non-ballot vote immediately after the vote is declared, and before any other business is conducted.
6. All proposed amendments to articles will be submitted in writing to the moderator prior to discussion of the amendment.
7. Registered voters only will be seated in the center section of the meeting hall. Non-voters will be seated in the visitor's gallery located in the area bounded by the pillars and the inside wall of the meeting hall.

TOWN OF GRANTHAM NEW HAMPSHIRE

TOWN MEETING WARRANT YEAR 2012

SS. STATE OF NEW HAMPSHIRE

SULLIVAN COUNTY

To the inhabitants of the Town of Grantham, in Sullivan County, in the State of New Hampshire, *who are qualified to vote in town affairs:*

You are hereby notified that the Annual Town Meeting of the Town of Grantham will be held at the Grantham Town Hall, 300 Route 10 South on Tuesday, March 13, 2012 at 5:00 p.m. to act on the following subjects. **Article 1 and Article 2** shall be by ballot at the polls which shall be open from 10:00 a.m. until 7:00 p.m. The remaining articles shall be considered during the business meeting beginning at 5:00 p.m.

ARTICLE 1 – Election of Officers

To choose by ballot and major vote for the ensuing years as enumerated:

- Selectman - 3 year term
- Planning Board – 3 year term
- Planning Board – 3 year term
- Trustee of Trust Funds – 3 year term
- Trustee of Trust Funds – 2 year term
- Cemetery Trustee – 3 year term
- Trustee of Dunbar Free Library – 3 year term
- Trustee of Dunbar Free Library – 3 year term
- Trustee of Dunbar Free Library – 1 year term
- Trustee of Dunbar Free Library – 1 year term
- Supervisor of the Checklist – 6 year term
- Town Moderator – 2 year term

ARTICLE 2 -- Amendments to the Zoning Ordinance.

Zoning Ordinance Change(s)

Pursuant to RSA 675:4, we the undersigned registered voters of Grantham, New Hampshire submit this petition for an amendment to adopt the following Zoning Ordinance, to be included under Article XII: Signs, with a ballot vote:

SIGN, SANDWICH BOARD: A free standing, A-frame ground sign having a message on both sides shall be allowed in the Business and Business Light Industrial Districts only, and may not be larger than 3 ft. x 4 ft. (12 square feet) in area. The sign shall not obstruct visibility of vehicles or pedestrians, and shall not be located within a street or street right-of-way. Only one such sign shall be allowed in front of each business establishment. The sign shall be removed during non-open business hours. The sign shall be properly secured and/or weighted as to not intrude upon, infringe upon or cause a hazard to passers-by and/or the traveling public.

Rationale: Running a business in a small town is challenging. Sandwich Board signs are extremely beneficial in exposing customers to information regarding goods and services as well as special sales. As Grantham has very limited Business and Business Light Industrial Districts such signs would be minimal in number. In this economy, helping our local businesses to thrive is essential.
Is recommended by the Planning Board.

ARTICLE 3—Modification of the Standard Elderly Exemption.

Shall the Town modify an exemption for the elderly under the provisions of RSA 72:39-b as follows: for a person 65 years of age up to 75 years, \$40,000; for a person 75 years of age up to 80 years, \$60,000; for a person 80 years of age or older, \$75,000. To qualify, the person must have been a New Hampshire resident for at least 3 consecutive years and own the real estate individually or jointly, or if the real estate is owned by such person’s spouse, they must have been married for at least 5 consecutive years. In addition, the taxpayer must have a net income of not more than \$40,000, or if married, a combined net income of less than \$60,000; and own net assets not in excess of \$100,000 if single or \$120,000 if married, excluding the value of the person’s residence as described in RSA 72:39-a(I).

**Is Recommended by the Board of Selectmen
(Majority vote required.)**

ARTICLE 4 – General Government

To see if the Town will vote to raise and appropriate the sum of one million thirty-six thousand seven hundred sixteen dollars (**\$1,036,716.00**) to defray the cost of **General Government** operations.

**IS RECOMMENDED BY THE BOARD OF SELECTMEN
(Majority vote required)**

Mowers Capital Reserve	\$2,000.00	\$2,000.00
Revaluation	\$15,000.00	\$30,000.00
Town Buildings	\$15,000.00	\$15,000.00
Athletics Fields Capital Reserve	\$ 0.00	\$ 0.00
Bridge Replacement Capital Reserve	\$33,250.00	\$33,250.00
TOTAL	\$111,250.00	\$162,250.00

ARTICLE 11 – Library Capital Reserve Funds

To see if the Town will vote to raise and appropriate the sum of fifty thousand dollars (**\$50,000.00**) to be placed in previously established **Library Addition Capital Reserve Fund**.
IS NOT RECOMMENDED BY THE BOARD OF SELECTMEN
(Majority vote required)

ARTICLE 12 – Land Preservation Capital Reserve Fund

To see if the Town will vote to raise and appropriate the sum of one hundred thousand dollars (**\$100,000.00**) to be placed in previously established **Land Preservation Capital Reserve Fund**.
IS NOT RECOMMENDED BY THE BOARD OF SELECTMEN
(Majority vote required)

ARTICLE 13 – Police Department Cruiser

To see if the Town will vote to raise and appropriate the sum of thirty five thousand dollars (**\$35,000.00**) for the purchase of a replacement cruiser and to authorize the withdrawal of ten thousand dollars (**\$10,000.00**) from the Police Vehicles Capital Reserve Fund previously established for that purpose, twenty-five thousand dollars (**\$25,000.00**) to be raised by taxation and to permit the Selectmen to dispose of the existing 2007 Dodge Durango 4x4 SUV cruiser by “trade in” allowance or by sale as deemed in the best interest of the Town of Grantham.
IS RECOMMENDED BY THE BOARD OF SELECTMEN
(Majority vote required)

ARTICLE 14 – Athletics Fields Capital Reserve Fund – Change of Purpose

To see if the Town will vote to change the purpose of the Athletics Fields Capital Reserve Fund previously established. The Athletics Fields Capital Reserve Fund shall be used for construction of athletic fields, purchase of capital equipment associated with the Recreation Park Master Plan and other physical improvements, including but not limited to pavilions, playgrounds, septic systems, roads, snow towing equipment, conduits, parking areas and water wells and to vote to authorize the Selectmen as agents to expend from this fund.

IS RECOMMENDED BY THE BOARD OF SELECTMEN
(2/3 vote required per RSA 35:16)

ARTICLE 15 – Taxpayer Coalition

To see if the Town will vote to raise and appropriate the sum of one-thousand dollars (\$1,000) and to expend said funds by making a contribution to the Coalition Communities group headed by the City of Portsmouth, New Hampshire. The Coalition Communities group consists of 35 towns and represents the Town of Grantham in attempting to find a solution to the educational funding issue that does not reinstate donor towns but allows Grantham to continue to keep the statewide education property tax for local use to fund local schools. The Coalition already has saved the Town of Grantham hundreds of thousands of dollars per year for several years. The Coalition is continuing to fight to reverse any new “donor town” formula. Less than \$0.01 Impact on tax Rate.

IS RECOMMENDED BY THE BOARD OF SELECTMEN
(Majority vote required)

ARTICLE 16 – To see if the Town will vote to include the Smith Lot in the previously established Town Forest under RSA 31:110. The following tract of Town owned land currently under a conservation easement to the Upper Valley Land Trust known as the Smith Lot and shown on Tax Map 211-12, located principally on Miller Pond Road, consisting of 29 acres more or less; and to authorize the Conservation Commission to manage the Smith Lot as part of the Town Forest under the provisions of RSA 31:112 II and to authorize the placement of any funds which may accrue from said forest management into a separate Smith Lot forest maintenance fund, which shall be allowed to accumulate from year to year as provided by RSA 31:113.

PETITION WARRANT ARTICLE
IS RECOMMENDED BY THE BOARD OF SELECTMEN
(Majority vote required)

ARTICLE 17 – Disposal of Town Owned Property

To see if the Town will vote to authorize the Board of Selectmen to dispose of any acquired properties through sealed bids or auctions, with the Selectmen reserving the right to accept or refuse any or all bids.

IS RECOMMENDED BY THE BOARD OF SELECTMEN
(Majority vote required)

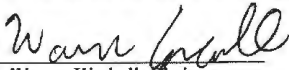

ARTICLE 18 – End of Meeting

To hear the reports of agents, officers, and committees heretofore chosen, to pass any vote relating thereto, and to transact any other business that may legally come before said meeting.

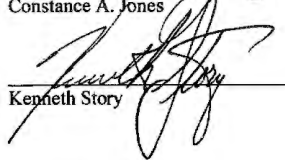

IS RECOMMENDED BY THE BOARD OF SELECTMEN

(Majority vote required)

Given under our hands and seal this 8th day of February, 2012.

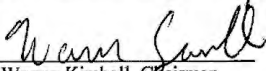

G. Warren Kimball, Chairman

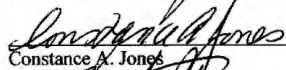

Constance A. Jones

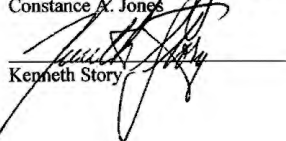

Kenneth Story

Board of Selectmen

We certify that on the 8th day of February, 2012, we caused a true copy of the within warrant to be posted at the Grantham Town Office at 300 Route 10 South, the Dunbar Free Library at Route 10 South and the Grantham Post Office at Willis Avenue.

Appropriations and Estimates of Revenue for the Ensuing Year January 1, _____ to December 31, _____

or Fiscal Year From 7/1/2012 to 6/30/2013

IMPORTANT:

Please read RSA 32:5 applicable to all municipalities.

1. Use this form to list the operating budget and all special and individual warrant articles in the appropriate recommended and not recommended area. All proposed appropriations must be on this form.
2. Hold at least one public hearing on this budget.
3. When completed, a copy of the budget must be posted with the warrant. Another copy must be placed on file with the town clerk, and a copy sent to the Department of Revenue Administration at the address below within 20 days after the meeting.

This form was posted with the warrant on (Date): February 9, 2012

GOVERNING BODY (SELECTMEN)

Please sign in ink.

Under penalties of perjury, I declare that I have examined the information contained in this form and to the best of my belief it is true, correct and complete.

Dana Seidl

Jonathan P. Jones

James J. Kelly

THIS BUDGET SHALL BE POSTED WITH THE TOWN WARRANT

FOR DRA USE ONLY

TOWN OF GRANTHAM NEW HAMPSHIRE

**Town Meeting
March 08, 2011**

SS. STATE OF NEW HAMPSHIRE

SULLIVAN COUNTY

Moderator Victoria Smith called the 235th Annual Town Meeting to order at 5:20pm. The Girl Scout Troop led the assembly in the Pledge of Allegiance.

The Grantham Town Report was dedicated to the Grantham Area Chamber of Commerce, founded in February 2006. Selectman Connie Jones spoke to the dedication. Ms. Jones asked that all members of the Chamber, who were present, stand up and be recognized for their accomplishments.

Moderator Smith stated that the meeting having been properly warned as it is certified on page 19 of the Town Report and by the authority vested in me by the laws of the State of New Hampshire I do now declare the 235th Annual Meeting of the Town of Grantham officially opened for business. Polls were officially opened at 10:00am for ballot voting and close at 7:00pm. Absentee ballots were counted at 1:00pm in the afternoon.

Moderator Smith introduced Selectmen Constance Jones, Harold Haddock and Warren Kimball; Town Clerk/ Tax Collector Rita Eigenbrode; Town Administrator Becky Newton; Police Chief Walter Madore; Supervisors of the Checklist: Donna Stamper, Sandra Noordsey, Janet Goodrow; Assistant Moderator Ken Story, ballot clerks: Lorie McClory, Elaine Pillsbury, Don Gobin and Michael Holdowsky.

The rules of the Meeting, on page 12 of the Town Report, were adopted and the Moderator directed the Town Clerk to make the rules of the meeting a permanent part of the meeting record.

Passed by Unanimous Voice Vote

2011 Town Meeting Rules

1. Non-voters who are not officers of the town may be allowed to address the meeting only if the town votes to permit it.
2. All voters will direct their remarks to the moderator. Whenever a voter wishes to speak, he or she will address the moderator and identify him or herself.
3. Unless superseded by State law, reconsideration of a vote on any article should be brought up immediately after the vote has been declared. A vote on the issuance of bonds or notes over \$100,000 cannot be reconsidered at the same meeting. The town may also vote to restrict reconsideration of any other vote in the same manner.

4. The moderator will conduct a secret “yes-no” ballot vote when five voters make a written request prior to a voice or show of hands vote on any article open for discussion.
5. Any ruling by the moderator can be challenged. The moderator will conduct a secret “yes-no” ballot when seven or more voters question any non-ballot vote immediately after the vote is declared, and before any other business is conducted.
6. All proposed amendments to articles will be submitted in writing to the moderator prior to discussion of the amendment.
7. Registered voters only will be seated in the center section of the meeting hall. Non-Voters will be seated in the visitor’s gallery in the area bounded by the pillars and the inside wall of the meeting hall.

ARTICLE 1 – Election of Officers

To choose by ballot and major vote for the ensuing years as enumerated:

G. Warren Kimball	Selectman	3 years
Christopher E. Morris	Treasurer	3 years
Charles McCarthy	Planning Board	3 years
Susan Mellow	Library Trustee	3 years
Vacant	Library Trustee	3 years
G. Warren Kimball	Cemetery Trustee	3 years
Joyce B. Spatz	Trustee of Trust Funds	3 years
Robert E. Fogg, Jr.	Trustee of Trust Funds	2 years

ARTICLE 2 - Are you in favor of the adoption of Amendment No. 1 proposed by the Planning Board for the Town Zoning Ordinance as follows?

Add a new Article that would provide for Affordable Housing in the Town of Grantham as mandated by RSA 674:58 to 674:61 and passed in 2009. The new Article would state 1) Grantham recognizes and makes provision for Affordable Housing; 2) outlines the existing availability within most of Grantham’s Zoning Districts for Affordable Housing; and 3) notes the various State agencies and Grantham Boards responsible to facilitate implementation of the Affordable Housing mandate.

RECOMMENDED BY THE PLANNING BOARD

PASSED YES 297 NO 80

ARTICLE 3 – Are you in favor of the adoption of Amendment No. 2 proposed by the Planning Board for the Town Zoning Ordinance as follows?

To facilitate Amendment No. 1 above, amend Articles III-B Business District and Article III-C Business Light Industrial Districts to increase the minimum number of units in a multiple dwelling from four(4) to five(5). The definition for “Multiple Dwellings” in Article XIII Definitions will be revised to reflect this change. Additional provisions will also be made in

Article VI-Cluster Residential Development to provide for Affordable Housing within this type of development.

RECOMMENDED BY THE PLANNING BOARD

YES 309 NO 138

ARTICLE 4 – Are you in favor of the adoption of Amendment No. 3 proposed by the Planning Board for the Town Zoning Ordinance as follows?

Revise the “Hardship” criterion for consideration of a variance in Article VIII Zoning Board of Adjustment in order to comply with RSA 674:33 which has been in effect since January 1, 2010. This change will also be reflected in Article XIII – Definitions under “Variance”.

RECOMMENDED BY THE PLANNING BOARD

YES 370 NO 68

ARTICLE 5 - Are you in favor of the adoption of Amendment No. 4 proposed by the Planning Board for the Town Zoning Ordinance as follows?

Add a new definition for “Outdoor Display – Business and Business/Light Industrial Districts” in Article XIII – Definitions.

RECOMMENDED BY THE PLANNING BOARD

YES 354 NO 85

ARTICLE 6 – Are you in favor of the adoption of Amendment No. 5 proposed by the Planning Board for the Town Zoning Ordinance as follows?

Add a sentence in Article X – Administration and Enforcement under penalties for Zoning violations stating that “Each day that a violation continues shall be a separate offense”. This has been mandated by RSA 676:17.

RECOMMENDED BY THE PLANNING BOARD

YES 342 NO 103

ARTICLE 7 – General Government

It was moved and seconded: To see if the Town will vote to raise and appropriate the sum of nine hundred ninety-three thousand eight hundred fifty-six dollars (**\$993,856.00**) to defray the cost of **General Government** operations.

IS RECOMMENDED BY THE BOARD OF SELECTMEN
(Majority vote required)

Account Title	Budget 2010/2011	Proposed 2011/2012
Selectmen’s Office	\$139,965.00	\$148,390.00
Town Clerk/Tax Collector	\$100,450.00	\$103,746.00
Supervisors of the Checklist	\$ 6,840.00	\$5,177.00
Financial Administration	\$ 63,385.00	\$67,593.00
Tax Maps/Assessing	\$30,000.00	\$35,000.00
Legal	\$7,500.00	\$10,000.00
Personnel Administration	\$419,900.00	\$450,200.00
Planning Board	\$7,750.00	\$7,750.00
Zoning Board of Adjustment	\$2,580.00	\$2,300.00
General Government Buildings	\$123,275.00	\$118,200.00
Cemeteries	\$22,000.00	\$15,900.00
Insurance	\$25,000.00	\$26,500.00
Regional Associations	\$3,000.00	\$3,100.00
TOTAL	\$951,645.00	\$993,856.00

Moderator Smith recognized Selectman Harold Haddock to speak to this article. He said that the majority of the increase is due to personnel administration. The major reason for the increases is expected increases in our health insurance premiums and the increase in FICA and NHRS.

The Moderator recognized Robert Lagassa to speak and he asked what the personnel participation is for health insurance and how that relates to what other communities contribute. Town Administrator Newton responded: employees contribute 10% and she believes that contributions in other towns run 9%-11%.

Article 7 Passed by Majority Voice Vote

ARTICLE 8 – Public Safety

It was moved and seconded: To see if the Town will raise and appropriate the sum of five hundred thirty-one thousand one hundred fifty-one dollars (**\$531,151.00**) to defray the cost of **Public Safety** operations.

IS RECOMMENDED BY THE BOARD OF SELECTMEN

(Majority vote required)

Account Title	Budget 2010/2011	Proposed 2011/2012
Police Department	\$372,260.00	\$347,678.00
EMS (FAST) Squad	\$49,146.00	\$56,192.00
Fire Department	\$102,160.00	\$107,095.00
Forest Fire	\$375.00	\$375.00
Building Inspection	\$6,560.00	\$6,560.00
Emergency Management	\$12,440.00	\$13,251.00
TOTAL	\$542,941.00	\$531,151.00

Selectman Connie Jones was recognized by the Moderator to speak to this article. She pointed out the bottom line of article 8 had decreased by \$11,790. The reduction is due to not funding the 5th police officer position because we were unable to fill the position since we voted for it. The moderator called on Police Chief Madore who said his department has for the past 3 years the police department budget has been reduced every year.

Moderator Smith recognized Barry Cunningham for an amendment to article 8: *Motion to consider amending "article 8 – Public Safety" of the 2011-2012 General Fund for the Town of Grantham by increasing it \$30,000 (Account Number: 01-4210-1-105) from the proposed \$531,151 to \$561,151.*

Mr. Cunningham stated that the \$30,000 was cut from the Police Departments budget because of the inability to fill the police officer position. It was not for lack of trying but for one reason or another the candidates did not pass. I think we should leave the \$30,000 in the budget so that the needed police officer can be hired.

The next recognized speaker was Christopher Morris. Mr. Morris wanted to know what the right number of policemen was for Grantham. We've operated for a number of years with 4 police officers and it is not clear to him that the town needs five full time position police officers. Perhaps that could be studied and a rationale could be presented so need for a 5th officer could be justified. Selectman Jones said that, nationally, the norm is 2 officers per 1000 population.

The Moderator recognized Bob McNeil and he reminded that Chief Madore submitted a budget that he thought his department could live by and why would we vote to change it if he's comfortable with it. **Amendment Failed by Majority Voice Vote**

Article 8 Passed by Unanimous Voice Vote

ARTICLE 9 – Public Works

It was moved and seconded: To see if the Town will vote to raise and appropriate the sum of six hundred fifty-three thousand four hundred forty-nine dollars (**\$653,449.00**) to defray the cost of **Public Works** operation.

IS RECOMMENDED BY THE BOARD OF SELECTMEN

(Majority vote required)

Account Title	Budget 2010/2011	Proposed 2011/2012
Highway Administration	\$173,880.00	\$177,400.00
Highway Maintenance	\$160,000.00	\$158,700.00
Street Lights	\$4,000.00	\$4,000.00
Transfer Station	\$120,100.00	\$121,349.00
Waste Disposal	\$191,000.00	\$184,000.00
Landfill Monitoring	\$7,500.00	\$8,000.00
TOTAL	\$656,480.00	\$653,449.00

Article 9 Passed by Unanimous Voice Vote

ARTICLE 10 – Health and Welfare

It was moved and seconded: To see if the Town will vote to raise and appropriate the sum of twenty-three thousand four hundred seventy dollars (**\$23,470.00**) to defray the cost of **Health and Welfare** operations.

IS RECOMMENDED BY THE BOARD OF SELECTMEN

(Majority vote required)

Account Title	Budget 2010/2011	Proposed 2011/2012
Boarding Animals	\$500.00	\$100.00
Community Services	\$10,500.00	\$13,870.00
Town General Assistance	\$9,000.00	\$10,000.00
TOTAL	\$20,000.00	\$23,970.00

Community Agencies:

Lake Sunapee Home Health.....	\$6,900.00
Sullivan County Nutrition SVCS.....	\$200.00
Kearsarge Area COA	\$2,500.00
S. Western Comm Services.....	\$850.00
West Central Services.....	\$2,420.00
Community Alliance of Human Svcs (Requested \$500.00).....	\$0.00
Mascoma Valley Health Initiative (Requested \$1,875.00).....	\$1,000.00
CASA (Requested \$500.00).....	\$0.00
Total:	\$13,870

Before reading the article Moderator Smith corrected an error in article 10. Where it states \$23,470.00 the amount should be \$23,970.00.

Article 10 Passed by Majority Voice Vote

ARTICLE 11 – Culture and Recreation

It was moved and seconded: To see if the Town will vote to raise and appropriate the sum of two hundred twenty-six thousand seventy-seven dollars (**\$226,077.00**) for **Culture and Recreation**.

IS RECOMMENDED BY THE BOARD OF SELECTMEN

(Majority vote required)

Account Title	Budget 2010/2011	Proposed 2011/2012

TOTAL	\$111,250.00	\$136,250.00

Article 13 Passed by Unanimous Voice Vote

ARTICLE 14 – Police Department Cruiser

It was moved and seconded: To see if the Town will vote to raise and appropriate the sum of thirty thousand dollars (**\$30,000.00**) for the purchase of a replacement cruiser and to authorize the withdrawal of thirty thousand dollars (**\$30,000.00**) from the Police Vehicles Capital Reserve Fund previously established for that purpose and to permit the Selectmen to dispose of the existing 2005 Crown Victoria cruiser by “trade in” allowance or by sale as deemed in the best interest of the Town of Grantham. No amount to be raised from taxation.

IS RECOMMENDED BY THE BOARD OF SELECTMEN

(Majority vote required)

Chief Madore was recognized to speak to this article. The 2005 Crown Victoria needs to be replaced. At this time the car has 102,006 miles on the speedometer.

The Moderator received a written request for a secret, yes/no ballot.

Article 14 Passed Yes 167 No 58

ARTICLE 15 – Dunbar Free Library Generator

It was moved and seconded: To see if the Town will vote to raise and appropriate the sum of up to five thousand dollars (**\$5,000**) for purchase and installation of a generator to prevent freeze-ups and maintain minimum library functions during power outages.

IS RECOMMENDED BY THE BOARD OF SELECTMEN

(Majority vote required)

Moderator Smith recognized Don Noordsy and he questioned the way the Trustees chose to fund the purchase of the generator. He asked why they didn't use part of what remains of the inheritance they received a few years ago or the balance left from a fund raising campaign or the balance left in their budget for the generator. Mr. Noordsy asked the Selectmen why the tax- payers should pay this \$5000 when it is obvious that the library has sufficient funds in their reserves for the generator. Selectman Jones answered that since the discussion at the budget hearing we felt that if they were that passionate that they needed this generator and were going to make good use of it we would be good neighbors and would give \$5000 towards this project.

Ed Jenik, Trustee of the Dunbar Free Library, commented that the library is a town building and that since the generator would help protect the town building the town could meet us half way with the purchase of the generator.

Article 15 Passed by Majority Hand Count Yes 148 No 50

ARTICLE 16 – Athletics Fields Capital Reserve Fund

It was moved and seconded: To see if the Town will vote to raise and appropriate the sum of two hundred forty eight thousand seven hundred dollars (**\$248,700.00**) from the general fund surplus to be deposited in the Athletics Fields Capital Reserve Fund previously established. Said sum represents the balance of the proceeds of the sale of 119 Shedd Road (The "Wien House").

IS RECOMMENDED BY THE BOARD OF SELECTMEN

(Majority vote required)

Warren Kimball was recognized to speak to article 16. Selectman Kimball stated that this money was from the sale of the Wein house that was on the property for the ball fields that we sub-divided into a small area and sold that with the house. We'd like to put this money towards the ball fields to start work on the second phase project, a baseball field-soccer field combination on the south end of the ball field area. The Moderator recognized Town Administrator Becky Newton. Administrator Newton stated that the money from the sale of the Wein house went into the General Fund balance in January 2011, when we closed on the property. There has been much discussion about how we would use the money . In the Town Report from last year, the Wein Subcommittee study recommended the sale of the house and 2.5 acres and to use the proceeds from the sale of the house for the development of the park.

The Administrator quoted from the committee's report: "Subdividing the property and selling the house appears to be the most logical option. It is one that will generate a substantial sum of money to resolve a number of recreation "Our Town" needs and to construct, sooner than later, much needed athletic fields for youth sports and adult recreation." Administrator Newton said that the bulk of the money would go for earthwork. There is a modest pavilion allowance because the park needs bathrooms. There is allowance for electricity, backstop and other items that add up. How will we pay for this? Our plan is to use the Timken Foundation \$100,000 that we received as a grant and to use the funds from the sale of the house (article 16) which is \$248,700. We intend to be very frugal.

The Moderator recognized Debra Cheever for an amendment to article 16. *To see if the Town will vote to raise and appropriate the sum of one hundred thousand dollars (100,000) from the general fund surplus to be deposited in the Athletics Fields Capital Reserve Fund previously established. The \$100,000 will meet the matching requirements of the Timken grant.* The amendment was moved and seconded.

Ms. Cheever commented that she thought the proceeds from the sale of the Wein house and property could be spread around better than spending it all on the ball fields.

Elaine Pillsbury was recognized and commented that she was against the amendment because with the recreation park the kids finally have a place to go and play.

Jamie Hunt, a former Recreation Committee member, was recognized to speak. He stated that he was against the amendment and encouraged everyone to support the original article and full amount that is being asked for.

Simon Meyer was recognized and said the money was spent to buy the recreation field with the house on it. The Recreation Committee and the Town decided to sell that property off so that is actually part that came out of what was spent on this property. That part goes back into the Recreation Park.

Amendment Failed by Majority Voice Vote

Kristina Burgard was recognized to speak. She asked if the plan was to spend the \$248,700 in the next fiscal year or the year after that. The answer, given by Town Administrator Newton, was in this fiscal year. Ms. Burgard stated that there didn't appear to be an authorization to spend money from the Capital Reserve. The last authorization was \$25,000 last year and the Selectmen are not the agents to expend. So how are you going to spend that money next year out of the Capital Reserve? Administrator Newton responded: that question came up today and I was able to do some research. Our Chairman of the Trustees of the Trust Fund, Robert Lewis, was not able to be present today to speak to this issue. I pulled the records from Mr. Lewis's records and it does appear that the Selectmen are agents to expend. Ms. Burgard questioned: When were they appointed agents to expend because they weren't in the original or in the changing from ball fields to athletics nor were they appointed last year. So, in 2009 they were not the agents to expend. Administrator Newton said: all I can tell you is that I pulled his

records, two Selectmen looked over the records with me, and it says that the Selectmen are agents to expend.

A written request for a secret yes/no ballot was presented to the Moderator for Article 16.

Article 16 Passed Yes 196 No 16

ARTICLE 17 – Land Preservation

It was moved and seconded: To see if the Town will vote to raise and appropriate the sum of one hundred thousand dollars (**\$100,000.00**) from the general fund surplus to be deposited in the Land Preservation Capital Reserve Fund previously established.

IS RECOMMENDED BY THE BOARD OF SELECTMEN

(Majority vote required)

Kristina Burgard, Conservation Commission member, reminded that conservation is not just about protecting critical areas for wild life, protecting them from being built, protecting them from damaging resources such as our water supply. It's also about outdoor recreation. The residents who supported the current Master Plan overwhelmingly supported using town dollars to purchase land for conservation. Ms. Burgard pointed out that the Land Preservation Capital Reserve fund does not have the Selectmen appointed as agents to expend. Therefore, no money can be spent in the next fiscal year from this account.

Merle Schotanus, Conservation Commission member, was recognized to speak. He referenced what the 2005 Master Plan had to say about open space: It provides stewardship for natural resources and serves the needs of conservation Grantham should actively seek opportunities to acquire land or obtain easements to conserve the rural character to provide conservation and recreational activities and to maintain scenic views. Merle thanked the Selectboard for exercising their leadership to do this. The money will be placed into the Land Preservation Capital Reserve fund.

A motion was made by Joann Purdy to call the question. The motion passed by majority hand count. Yes 100 No 47

Article 17 Passed by Majority Voice Vote

ARTICLE 18 – Town Office Equipment Cap Reserve

It was moved and seconded: To see if the Town will vote to raise and appropriate the sum of eight thousand dollars (**\$8,000.00**) for the purchase of a replacement computer server and to authorize the withdrawal of eight thousand dollars (**\$8,000.00**) from the Town Office Equipment Capital Reserve Fund previously established for that purpose. No amount to be raised from taxation.

IS RECOMMENDED BY THE BOARD OF SELECTMEN

(Majority vote require)

Article 18 Passed by Unanimous Voice Vote

ARTICLE 19 – Mowers Purchase

It was moved and seconded: To see if the Town will vote to raise and appropriate the sum of nine thousand dollars (**\$9,000.00**) for the purchase of a used reel type mower and to authorize the withdrawal of nine thousand dollars (**\$9,000.00**) from the Mowers Capital Reserve Fund previously established for that purpose. No amount to be raised from taxation.

IS RECOMMENDED BY THE BOARD OF SELECTMEN
(Majority vote required)

Article 19 Passed by Unanimous Voice Vote

ARTICLE 20 – Motor Vehicle Reclamation Fund

It was moved and seconded: To see if the Town will vote to raise and appropriate the sum of eight thousand dollars (**\$8,000.00**) for the purchase of two open top containers for the Transfer Station and to vote to withdraw the total of eight thousand dollars from the Motor Vehicle Reclamation Fund previously established for that purpose.

IS RECOMMENDED BY THE BOARD OF SELECTMEN
(Majority vote required)

The Moderator recognized Lorie McClory for clarification of the Motor Vehicle Reclamation Fund. Town Administrator Newton explained that when one pays for the motor vehicle registration there is a fee added to each registration that goes into the fund to pay for anything involving recycling.

Article 20 Passed by Unanimous Voice Vote

ARTICLE 21 – Underground Storage Tank

It was moved and seconded: To see if the Town will vote to raise and appropriate the sum of ten thousand dollars (**\$10,000.00**) to remove the underground fuel storage tank located at the Grantham Fire Department.

IS RECOMMENDED BY THE BOARD OF SELECTMEN
(Majority vote required)

Article 21 Passed by Unanimous Voice Vote

ARTICLE 22 – Town Hall Paving

It was moved and seconded: To see if the Town will vote to raise and appropriate the sum of twenty thousand dollars (**\$20,000.00**) to place a “top coat” of paving on the rear parking lot at Town Hall.

IS RECOMMENDED BY THE BOARD OF SELECTMEN
(Majority vote required)

Article 22 Passed by Unanimous Voice Vote

ARTICLE 23 – Transfer Station Paving

It was moved and seconded: To see if the Town will vote to raise and appropriate the sum of eighteen thousand dollars (\$18,000.00) to place a “top coat” of paving on the main travel area at the Grantham Transfer Station.

IS RECOMMENDED BY THE BOARD OF SELECTMEN

(Majority vote required)

Article 23 Passed by Unanimous Voice Vote

ARTICLE 24 – Taxpayer Coalition

It was moved and seconded: To see if the Town will vote to raise and appropriate the sum of one-thousand dollars (\$1,000) and to expend said funds by making a contribution to the Coalition Communities group headed by the City of Portsmouth, New Hampshire. The Coalition Communities group consists of 35 towns and represents the Town of Grantham in attempting to find a solution to the educational funding issue that does not reinstate donor towns but allows Grantham to continue to keep the statewide education property tax for local use to fund local schools. The Coalition already has saved the Town of Grantham hundreds of thousands of dollars per year for several years. The Coalition is continuing to fight to reverse any new “donor town” formula. Less than \$0.01 impact on tax rate.

IS RECOMMENDED BY THE BOARD OF SELECTMEN

(Majority vote required)

Article 24 Passed by Majority Voice Vote

ARTICLE 25 – Disposal of Town Owned Property

It was moved and seconded: To see if the Town will vote to authorize the Board of Selectmen to dispose of any acquired properties through sealed bids or auctions, with the Selectmen reserving the right to accept or refuse any or all bids.

IS RECOMMENDED BY THE BOARD OF SELECTMEN

(Majority vote required)

Article 25 Passed by Unanimous Voice Vote

ARTICLE 26 – End of Meeting

It was moved and seconded: To hear the reports of agents, officers, and committees heretofore chosen, to pass any vote relating thereto, and to transact any other business that may legally come before said meeting.

IS RECOMMENDED BY THE BOARD OF SELECTMEN

(Majority vote required)

Moderator Smith recognized Merle Shotanus, Conservation Commission member, to speak. Merle brought the attention of the audience to the vase of flowers on the front table. The Conservation Commission presented the bouquet to the Town in memory of one of the

pioneer conservationists of our town, Ramona Flewelling, 1909-2011. A moment of silence followed.

This year the Fence Viewers are William and Erin Newhall. The Hog Reeves are Brian and Bridget Brown.

There being no further business or reports, Moderator Smith declared the 235th Town Meeting adjourned at 8:10 PM.

A True Copy Attest:

Rita Eigenbrode, Town Clerk
March 15, 2011

TOWN OF GRANTHAM NEW HAMPSHIRE

Special Town Meeting May 25, 2011

SS. STATE OF NEW HAMPSHIRE

SULLIVAN COUNTY

Moderator Victoria Smith called the Special Town Meeting to order at 5:05pm. Ballot Clerks, Lori McClory and Missy Walla were introduced. The 2011 Special Town Meeting rules, a copy that is attached to these minutes, were presented and accepted by the voters by unanimous voice vote.

Article 1 – It was moved and seconded: To see if the Town will vote to change the purpose of the Athletics Fields Capital Reserve Fund previously established. The Athletics Fields Capital Reserve Fund shall be used for construction of athletic fields, purchase of capital equipment associated with the Recreation Park Master Plan and other physical improvements, including but not limited to pavilions, playgrounds, septic systems, roads, snow towing equipment, conduits, parking areas and water wells and to vote to authorize the Selectmen as agents to expend from this fund.

IS RECOMMENDED BY THE BOARD OF SELECTMEN
(2/3 vote required per RSA 35:16)

The Selectmen presented an amendment to article 1 because the purpose of a Capital Reserve Fund cannot be changed at a Special Town Meeting. The article, as amended would read: *To see if the Town will vote to authorize the Selectmen as agents to expend from the Athletics Fields Capital Reserve Fund.* It was moved and seconded to accept the amendment for discussion.

Discussion followed concerning the reasons for amending the article. It was noted that as amended, the article would not need a 2/3rd vote.

Passed by Unanimous Voice Vote

Article 2 – It was moved and seconded: To see if the Town will adopt the provisions of NH RSA 41:14-a regarding the acquisition or sale of land, buildings or both.

IS RECOMMENDED BY THE BOARD OF SELECTMEN
(majority vote required)

Passed by Unanimous Voice Vote

Article 3 – It was moved and seconded: To see if the Town will vote to authorize the Selectmen as agents to expend from the Land Preservation Capital Reserve Fund previously established.

IS RECOMMENDED BY THE BOARD OF SELECTMEN
(majority vote required)

Passed by Unanimous Voice Vote

Article 4 – It was moved and seconded: To see if the Town will vote to authorize the Selectmen as agents to expend from the Town Office Equipment Capital Reserve Fund previously established.
IS RECOMMENDED BY THE BOARD OF SELECTMEN
(Majority vote required)

Passed by Unanimous Voice Vote

Article 5 – It was moved and seconded: To see if the Town will vote to authorize the Selectmen as agents to expend from the Fire Department Apparatus Capital Reserve Fund previously established.
IS RECOMMENDED BY THE BOARD OF SELECTMEN
(Majority vote required)

Passed by Unanimous Voice Vote

Article 6 – End of Meeting

To hear reports of agents, officers, and committees heretofore chosen, to pass any vote relating thereto, and to transact any other business that may legally come before said meeting.
IS RECOMMENDED BY THE BOARD OF SELECTMEN
(Majority Vote Required)

It was moved and seconded to adjourn the meeting.

Passed by Unanimous Voice Vote

There being no further business or reports, Moderator Smith declared the Special Town Meeting adjourned at 5:35 PM.

INDEPENDENT AUDITOR'S REPORT

To the Members of the Board of Selectmen
Town of Grantham
Grantham, New Hampshire

We have audited the accompanying financial statements of the governmental activities, major fund, and the aggregate remaining fund information of the Town of Grantham as of and for the year ended June 30, 2011, which collectively comprise the Town's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the Town of Grantham's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

As discussed in Note 15 to the financial statements, management has not recorded the long-term costs of retirement health care and obligations for other postemployment benefits in governmental activities. Accounting principles generally accepted in the United States of America require that those costs be recorded, which would increase the liabilities and expenses of the governmental activities. The amount by which this departure would affect the liabilities, net assets, and expenses of the governmental activities is not reasonably determinable.

In our opinion, because of the effects of the matter discussed in the preceding paragraph, the government-wide financial statements referred to above do not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the governmental activities of the Town of Grantham as of June 30, 2011, or the changes in financial position thereof for the year then ended.

Also, in our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the major fund and aggregate remaining fund information of the Town of Grantham as of June 30, 2011, and the respective changes in financial position thereof for the year then ended and the respective budgetary comparison for the general fund, in conformity with accounting principles generally accepted in the United States of America.

The Town of Grantham has not presented a Management's Discussion and Analysis that accounting principles generally accepted in the United States of America have determined is necessary to supplement, although not required to be part of, the basic financial statements.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Grantham's basic financial statements. The combining and individual fund financial schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements. The combining and individual fund financial schedules are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the financial schedules themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statements as a whole.

INDEPENDENT AUDITOR'S COMMUNICATION OF SIGNIFICANT DEFICIENCIES AND MATERIAL WEAKNESSES

To the Members of the Board of Selectmen
Town of Grantham
Grantham, New Hampshire

In planning and performing our audit of the financial statements of the governmental activities, major fund, and the aggregate remaining fund information of the Town of Grantham as of and for the year ended June 30, 2011, in accordance with auditing standards generally accepted in the United States of America, we considered the Town of Grantham's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Town of Grantham's internal control. Accordingly, we do not express an opinion on the effectiveness of the Town of Grantham's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be significant deficiencies or material weaknesses and therefore there can be no assurance that all such deficiencies have been identified. In addition, because of inherent limitations in internal control, including the possibility of management override of controls, misstatements due to error or fraud may occur and not be detected by such controls. However, as discussed below, we identified certain deficiencies in internal control that we consider to be material weaknesses and other deficiencies that we consider to be significant deficiencies.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. We consider the following deficiency in the Town of Grantham's internal control to be a material weakness:

GASB Statement No. 45 Non-Compliance

The Town's financial statements do not comply with Governmental Accounting Standards Board Statement No. 45 dealing with the financial reporting for other postemployment benefit (OPEB) plans. We recommend that steps be taken to comply with GASB Statement No. 45.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the following deficiencies in the Town of Grantham's internal control to be significant deficiencies:

General Accounting System

The objective of a proper internal control system is to provide management with reasonable but not absolute, assurance that assets are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit preparation of financial statements in accordance with accounting principles generally accepted in the United States of America. Without adequate procedures for monitoring the overall performance of the accounting system, it is possible that deterioration may occur which could result in the Town's inability to detect errors or irregularities on a timely basis, as well as a lack of financial reports for both management and external parties use.

During our examination of the Town's general, conservation commission, reclamation trust and recreation revolving funds general accounting records, we noted that the general ledger accounts for all these were not reconciled at year-end, and in many instances, were not reconciled on a monthly basis either. As a result, the Town's staff spent a lot of additional time reconciling the general ledger accounts so we could complete our audit.

We strongly recommend that a process be implemented so the general ledger is reconciled for all of the above noted funds on a monthly basis, and any differences investigated and addressed immediately. The reconciliation process should include reconciling the various general ledger accounts with the Town's treasurer, clerk, and tax collector.

Town of Grantham
Independent Auditor's Communication of Significant Deficiencies and Material Weaknesses

GASB No. 54 Fund Balance Policy

In March 2009 the Governmental Accounting Standards Board issued Statement No. 54, *Fund Balance Reporting and Governmental Fund Type Definitions*. This statement became effective June 30, 2011, and requires the Board of Selectmen to adopt a fund balance policy. As of June 30, 2011, the Town had not yet done so. We recommend that the Board develop and formally approve such a policy.

Approval of Adjusting Journal Entries

Through a review of internal controls over adjusting journal entries, it was again identified that the adjusting journal entries processed were not being formally approved. To improve internal controls over adjusting journal entries, we again recommend that the client review and formally approve all adjusting journal entries that are processed.

Cash Disbursements

Upon review of the internal controls over cash disbursements we noted the following conditions:

1. Elected officials' salaries were being paid out through the accounts payable system.
2. There were two instances noted where the accounts payable manifests were not approved by the majority of the Board of Selectmen.
3. It was noted that there are a few Town credit cards that are held in the custody of the employees at all times. When not in use, they should be held in a secure location on Town property for safekeeping.
4. There were three purchase orders that were not properly dated, and five disbursements that should have had a purchase order but did not. Finally, we noted two purchase orders over \$1,000 missing the approval of the Town Administrator and a Selectman.

In order to assist the Town with strengthening controls of cash disbursements, we recommend the following:

1. All payroll related payments should be disbursed through the payroll system, not the accounts payable system, so that the necessary taxes (if applicable) can be deducted and reported as paid at year-end on all necessary payroll reports.
2. As required by RSA 41:29, a majority of the Board of Selectmen shall approve all cash disbursements prior to the Treasurer releasing the payment. Approving all cash disbursements, and reviewing all of the manifests and comparing against approved invoices, will improve cash disbursement controls by addressing the risk of erroneous or inaccurate payments being made.
3. The Town's credit card policy should be strictly adhered to, and require that all credit cards be kept in a secure and locked location on Town property when not in use.
4. The Town's purchase order policy should be enforced and no exceptions should be allowed.

Investment Policy

RSA 41:9 for the Board of Selectmen states that the investment policy should be reviewed and approved annually. While the Board of Selectmen has an investment policy, it has not been reviewed or approved recently. In addition, the policy does not contain the required GASB Statement No. 40, *Deposits and Investment Risk Disclosures*, language that requires additional disclosures for the various types of risk that may affect a government's investments. We recommend that the Board of Selectmen annually review and approve their investment policy and revise their existing investment policy to address credit risk, custodial credit risk, concentration of credit risk, interest rate risk, and foreign currency risk.

This communication is intended solely for the information and use of management, Board of Selectmen, and others within the organization, and is not intended to be and should not be used by anyone other than these specified parties.

Board of Selectmen Annual Report

It's been a busy year for the board, a year made only busier by the resignation of longtime selectman Harold Haddock. Harold and his wife Margot relocated to Hanover last summer, leaving a legacy of wise and dedicated service to the town. While we wish Harold and Margot the very best, they will be sorely missed. Longtime Grantham resident Ken Story has agreed to serve the remainder of Harold's term.

The past year continued to present challenges to us all, particularly due to the continued sluggishness of the economy. The board recognized this reality and made the effort to address it in ways that would help our residents. We raised the maximum income limits on the elderly exemption to help more of our senior citizens qualify. We also used a large portion of the annual surplus to help offset anticipated increases in the tax rate, thereby keeping residents' tax burdens almost level from last year. We have also investigated a number of other cost cutting measures that, should they prove fruitful, will allow us to maintain our current level of services at less expense. We have high hopes for all these endeavors and what they will mean to our citizens.

Finally, we want to thank our dedicated volunteers who do so much to improve life within our town. Their sacrifice and commitment at all levels is commendable and appreciated. And yet, we do have several committees that do not have their full complement of members. These committees are important to the town's operation, growth and future. We hope that more residents will step forward and contact the town about these opportunities. We look forward to seeing more of our citizens becoming involved as volunteers, and as active participants in the many facets of our town and its government.

Sincerely,

G. Warren Kimball, Chairman
Connie Jones
Kenneth Story

Town Administrator's Report

As I write this report, we are being informed that the Army Corps of Engineer's Permit for the Grantham Recreation Park has been approved. This is great news and means that all of the permits necessary to bid and construct Grantham's new soccer field are in place. It took over a year and \$64,000 to obtain all the permits necessary. This says much about the level of regulation that Town's must endure to get important construction projects done. We would not have been able to get even this far without the generous support of the Timken Foundation.

Grantham has a new Town Assessor—his name is Mike Ryan. He lives right here in Grantham and has been in the assessing business for 30 years. If you feel that the details on your property record card are in error, make contact with us and we will make time to go over the details with you.

As you review the Town Meeting Warrant this year, you will see that one of the Articles involves the terms of the Elderly Exemption. This Article raises the income and asset limits for the exemption. It also raises the amount of the exemption itself. An exemption is a deduction from gross valuation. If this Article passes, a person who is over 80 and who meets the asset and income limits would have an exemption or deduction of \$50,000 off the value of their home for taxation purposes. The intent of the Article is to help a greater number of Grantham's elderly qualify for the exemption. We have had many inquiries from the elderly about ways to get assistance with their taxes. Please ask about tax deferral, elderly exemptions, Veteran's Credit or the State's Low and Moderate Tax Relief Program if you are having difficulty paying your taxes.

Grantham is lucky to have the great volunteers that it has! Have you considered volunteering for your community? We presently have vacancies on the Capital Improvement Committee and a vacancy for Town Archivist. There is also a vacancy for a representative to the Regional Planning Commission. If you would like more details about what is involved in serving in any of these positions, please let me know.

I could not write this report without mention of Tropical Storm Irene. The storm did a considerable amount of damage in Town. Significant portions of New Aldrich and Mountain Road were washed out. Our Emergency Operations Center was open and functioning. We sent a "Reverse 911" message alerting residents of dangerous road conditions. When the storm passed and the water receded, there was much work to be done. I congratulate our Highway crew in making the roads passable in record time. We really are fortunate for all the dedicated employees we have in Grantham.

I wish you all a prosperous 2012. It is my pleasure to serve you.

Respectfully submitted,

Becky Merrow Newton, Esq.

Does your municipality commit taxes on a semi-annual basis (RSA 76:15-a) ? YES

Under penalties of perjury, I declare that I have examined the information contained in this form and to the best of my belief it is true, correct and complete.

TAX COLLECTOR'S SIGNATURE Rita Friedman **DATE** 07/26/2011

Supervisors of the Checklist

Dates to Remember:

August 14th supervisors will post a corrected and up to date checklist at the Town Office and the Dunbar Free Library. It is suggested that voters look at the checklist to make sure they are registered to vote and that the party listed is correct.

September 4th is the last day for the town clerk/supervisors to accept voter registration applications. No additions or corrections can be made to the checklist after this date, until election day.

September 11th State Primary Election – new voters may register at the polls.

October 23rd corrected checklist will be posted at the Town Office and the Dunbar Free Library.

October 27th Last day for town clerk/supervisors to accept voter registration applications. No additions or corrections shall be made to the checklist after this session until election day.

November 6th Election Day

We want to thank all those voters (registering before 2006) who have come forward to update their registration cards. To those who still haven't had the time we encourage you to come in to the Town office anytime or to see us during one of our sessions. Before the 2006 date we do not have information such as your driver's license number or a full middle name. This information is helpful as the State has encouraged us to keep up - to - date records and since we are a first in the nation Primary we are under greater scrutiny. We will be busy this year with Town meeting in March, Water District meeting, School Board meeting and the National Election. We are always in need of Ballot Clerks so if you have an interest in serving, please call either of us or stop in the Town Office and let Rita or Cindy know. A big thank you to Janet Goodrow who has worked with us the last 6 years. She will be missed.

Donna Stamper
Sandy Noordsy

Town Treasurer Report - Fiscal Year 2011

BEGINNING BALANCE -- July 1, 2010:

LSB Business Treasury NOW Acct.	\$4,604,617.85
NH PDIP-0001, General Fund	\$4,617.74

2011 Grantham Historical Society Report

Last year the Grantham Historical Society continued ongoing projects and initiated substantial new endeavors. It was a year that left us both tired and proud.

As always, publication remained an area of emphasis for the society. Our newsletter continued to inform and entertain, thanks to our editor, former recording secretary and current board member Pat Andrews. Pat has continued her excellent work through exploring new angles on Grantham history, including essays on work the society is currently undertaking that both explores the nature of the project and solicits input from the readership. Pat's vision and enthusiasm for the newsletter are directly reflected in the quality of its content and layout. As always, we thank Pat for her dedication and high standards.

For the second year the society participated in the publication of a brochure featuring the society and regional historical societies near and around Grantham. This project saw significant improvements over the previous year's version. The end product gave us significant exposure and helped to increase our visibility with our local partners and the public in general.

The society's work toward the completion of a published history of the town continues apace. Our dedicated volunteers continue to do yeoman work on the various aspects of the project necessary for its completion, including board member Rae Tober's thorough cataloging of all known historic maps of the town. Our goal is to have the writing finished by the end of the year, with a publication date some time in 2013.

Board member Craig McArt and recording secretary Christina McKahan have largely completed their work on a video presentation, targeted for local schools, that chronicles the history of the town. The society continues to be dedicated to the idea of education generally and the importance of encouraging a love of history among our school children. Additionally, Craig has uploaded several presentations to our website (www.granthamhistoricalsociety.org) that can be accessed via the internet.

Finally, largely through Craig's efforts the society also produced a beautiful 2012 wall calendar featuring historic photos of Grantham. We have been overwhelmed by the positive response with which this calendar has been received and are exploring the possibility of making this an annual fund-raising opportunity.

The society sponsored an exciting variety of programs last year. The annual meeting in May featured a potluck supper and presentation by Dr. Allen Koop, professor of history at Dartmouth College. He discussed the history of Camp Stark, a German POW camp located in northern New Hampshire during World War II. The talk was extremely well-attended and all were impressed with the depth of research evident in the details of Dr. Koop's narrative. In July, the society made its presence known at Old Home Day with a display table at which we sold a number of items, including several new memberships. Later that month we supported the afore-mentioned town history book through a picture day, to which we invited Grantham residents who own historic photos of the town to come and share their pictures with the society. We had a significant and extremely worthwhile response and were able to scan a number of important photographs into our collections. In August former board member and loyal GHS supporter Renee Gustafson led a tour of the town forest, during which she pointed out such evidence of former human settlement as old roads and cellar holes. In October, Colonel Theodore Roosevelt visited Grantham for a second time (faithfully rendered by Grantham resident and impersonator extraordinaire Dwight Wilder) and waxed eloquent about his active and colorful life. Finally, although our plans to reprise our extremely popular "antique appraisal day" fundraiser from last year fell through, the success of that event has inspired us to reschedule it for a day in the spring of 2012. Once a date has been set, we will make a formal announcement and hope to see everyone there with their treasures.

Several other initiatives deserve mention. Pat Andrews has assiduously pursued her veterans project, the goal of which is to collect the most accurate and thorough information about any and all Grantham residents who have served in our nation's armed services. Pat has reached out to veterans and their families in a number of ways to bring our information up to speed. Pat has also lead the charge to visit a number of cemeteries next door in Plainfield to help locate Grantham residents who are not buried within the town's current boundaries but whom we know were residents before the western third of the town was ceded to Plainfield. Finally, the society is most proud of the work done to establish a vital and active relationship with the families of Joe Forest and Kitty Brown, the heirs of the Horton Farm, a remarkably intact farm in North Grantham that has the potential to teach us much about a considerable span of time in the town's history. In single family ownership for over two-hundred years, this farm is a virtual time capsule and as such poses a truly exciting opportunity to learn and to teach.

The collections committee has been busy with the 27 donations given to us by generous residents. We continue to be grateful and appreciative of the trust and belief in our organization these gifts represent.

Our membership has begun to grow gradually, a fact that makes us happy and hopeful. We remain extremely grateful for the support from those who understand and appreciate what we do and look forward to making more friends in the new year.

Finally, last July it was the society's privilege to host, along with the town, an ice cream social at the town hall as a thank-you event for retiring long-time archivist and society member Lea Frey. Lea served both the society and the town for many years and gave generously of herself and her talent. Lea brought her family with her, including children and grandchildren, and a great time was had by all. We wish Lea and her husband Conrad (himself a dedicated town volunteer) all the best now and in the future.

Sincerely,

Kenneth Story
President

Town of Grantham Transfer Station 2011 Town Report

Here we are another year, another Annual Report and I cannot believe it is snowing again and it is not even November. After such a snow filled 2010-2011 winter, it looks like the upcoming winter could be longer. Oh well this is Mt. Trashmore after all.

We had a good summer and the parking lot got a well deserved new coat of asphalt, which was overdue. Upon completion of paving, we added lines to keep everyone organized, and so far they are working quite well. With such a nice new parking lot we took a look at the building and saw it needed a new coat of paint. We took it upon ourselves to spruce it up with a fresh coat.

I want to apologize for the lengthy closing of the used oil facility but now we have a clean tank and are accepting oil again. I hope we will not have to go through such a lengthy and expensive ordeal like this again. We are going to work hard to make sure just used oil goes into the tank and that is why we will be responsible for emptying your containers. We need everybody's cooperation; please only used motor oil nothing else.

Once again I would like to thank the public for recycling. I have been looking at the numbers and the percentage of material being recycled to the amount being thrown out is increasing, but at a slow pace. We are happy that the percent is increasing. I have compared the numbers for the months of Jan through Sept 2010 and the same for 2011 and came up with some interesting findings. Total tons of material removed from here in 2011 was up by ten tons, but the tonnage of recycling was up by 39 tons. We are at 26% recycling for this period compared to 23% for the same time last year. Even though the expense of recycling went up for the same period by \$697, the revenue was up by \$11,529.61 to the same time last year. This has a lot to do with the market, paper and metal have been quite high this year but unfortunately it has just taken a huge dive, so we shall see how it goes. Please keep recycling after all it costs less to recycle than to throw it in the trash.

Please remember you must update your 2011 hang tags to 2012 in order to use Mt Trashmore and to purchase punch tickets for items that need them. If you are online go to www.granthamnh.net under Transfer Station you can get a list of what the cost is for certain items and loads, if it is not there contact us we will let you know.

Have a great New Year and see you here at the Mountain.

Respectfully submitted,

Christopher C Scott,
Supervisor

Road Agents Report

The winter of 2010-2011 started on November 26th with an ice storm and ended with a couple of inches of snow on April 4th.

We had 4 storms that produced a foot or more of snow. We plowed and sanded for 24 separate storms, some ice but mostly snow. We used 176 tons of salt and 2022 tons of winter sand and worked over 200 hours of overtime. We used approximately 3000 gallons of diesel fuel with the price starting at \$2.58 per gallon and by winters end were paying \$3.91.

All in all last winter wasn't the longest coldest or snowiest that I can remember but it certainly rated right up there.

The spring mud season was fairly typical. Mud season officially began on February 23rd and was pretty well over by April 15th. We used about 170 tons of stone during this time. The road ban was lifted on May 4th.

Our summer projects consisted of routine grading & raking of gravel roads as required as well as placing road fabric and gravel on portions of Meadowbrook, Burpee Hill and Miller Pond Roads.

Cote Road and Bouldervale Road were ditched and culverts changed in preparation for paving which was done at the end of August.

Hurricane Irene brought a little extra work our way on August 27th, requiring about 400 yards of gravel as well as a fair amount of equipment and man-hours to repair washouts on Miller Pond Road and Olde Farms Road. All things considered and compared to other towns around we were very fortunate to not have had a lot more damage.

In closing I would like to thank the townspeople, selectmen and other departments for your support and assistance.

Respectfully,

Joe Newcomb, Road Agent
Jeff Hastings, Assistant

ZONING BOARD OF ADJUSTMENT

2011 ANNUAL REPORT

For the fiscal year, July 1, 2010 to June 30, 2011, the Zoning Board of Adjustment met only three times reflecting the lack of building activity during the current depressed economy.

Three applications were presented over the course of the fiscal year and variances were granted in all cases: replacing a grandfathered cabin within the Forest Lands Conservation Districts; allowing expansion of a previously approved pond in the Flood Plain Conservation Overlay Districts; and granting the use of outdoor displays in the Business Districts.

A new Article for the Ordinance concerning "Affordable Housing" was introduced, discussed and approved by the Board and was subsequently presented to the Planning Board for their recommendation prior to vote at the 2011 Town Meeting. Two revisions to existing Articles mandated by the New Hampshire State Legislature that went through the same procedure and approval process. One of these concerned the oft changed "Variance Criteria". The Town voted affirmatively for all of these proposed changes to the Ordinance.

Respectively submitted,

Conrad F. Frey

UPPER VALLEY LAKE SUNAPEE REGIONAL PLANNING COMMISSION

The Commission has been providing professional planning assistance to municipal boards since 1963 when it was the Upper Valley Development Council. The Commission is one of nine regional planning commissions (RPCs) in New Hampshire created to coordinate all aspects of planning, act as a liaison between local and state/federal agencies and provide advisory technical assistance on land use issues and development. We serve 27 communities from Piermont to Charlestown along the Connecticut River and from Wilmot to Washington to the east.

Revenue for the Commission was \$809,250 for FY11. About 16% of last year's revenue was received through local contracts with municipalities over and above dues, demonstrating the need and value of services. Currently, 93% of the municipalities within the region are members of the Commission. About 17% of Commission revenue comes from the Unified Planning Work Program utilizing Federal Highway Administration funding through the NH Department of Transportation. Other state and federal funding sources include USDA Rural Development, EPA funding distributed through NH Department of Environmental Services and FEMA through the NH Department of Safety - Homeland Security and Emergency Management. Approximately 2.5% of the Commission revenue was received from state resources through the NH Office of Energy and Planning.

Local dues from municipalities support just over 12% of the budget. In FY11, member communities and counties provided membership dues that allowed the Commission to leverage approximately \$520,000 in federal funding.

The Commission consists of representatives appointed by the leadership of each member municipality or county. Each municipality that is a member of the Commission is entitled to two representatives to the Commission. Municipalities with a population of over 10,000 but less than 25,000 are entitled to have three representatives on the Commission. ***In Grantham, Thain Allan currently represents your community.***

The Commission was engaged in over 35 projects within the region this year and has increased its capacity to serve the communities of the region. We are currently engaged in planning for the deployment of high speed broadband through a 5-year National Telecommunications & Information Administration grant in collaboration with UNH and the eight other RPCs in NH. A recently completed website at www.uvlsrpc.org provides a database of projects that can be searched by funder, municipality, type of project such as transportation or housing and more. Additionally, all minutes, agendas and public meetings are posted on this website on a regular basis and communities can add their own planning related events to our website. Please use this website to learn more about how the Commission can be of service to your community.

Conservation Commission

The Grantham Conservation Commission (GCC) had another busy year. The citizens of Grantham voted to add \$110,000 to the Land Preservation Capital Reserve Fund (LPCRF) in March 2011 and at a Special Town Meeting in May appointed the Selectmen as agents to expend for the LPCRF giving them the authority to spend amounts from the LPCRF for projects that are within its purpose. This was important since the Town was required to mitigate wetlands impacted by the proposed construction at the Recreation Park. At the Selectmen's request, the GCC worked with the Upper Valley Land Trust to identify available parcels in Grantham within the purpose of the LPCRF that also appeared to contain a wetland:upland ratio within the range required for the mitigation, and one parcel so identified was a 90 acre property off Leavitt Hill Road. After much effort, the purchase of that parcel was completed by the town and Upper Valley Land Trust in September. The Town is now positioned to complete its permit applications for construction at the Recreation Park and the GCC has expanded the conserved land in Grantham by 90 acres.

As part of the effort to locate property for the mitigation the GCC identified a parcel for sale that abutted Eastman and with permission of the owner was part of the Eastman recreational trail system. Eastman was made aware of the parcel availability and quickly moved to acquire the land thus insuring the future use of the land for recreation.

The GCC, as follow-on to the Critical Conservation Land Index (CCLI), launched an inventory of Grantham Wetlands. Dr. Rick Van de Poll was hired as the wetland scientist to accomplish the identification and quantification of Grantham wetlands exceeding one (1) acre. Volunteers were solicited to assist in the field evaluation and 38 volunteers and GCC members were trained by Dr. Van de Poll in the evaluation process. The plan was to have all of the evaluations complete by October but Dr. Van de Poll was delayed in his work until early October when the first packages of identified wetlands were received by GCC. In all 54 sites were identified for evaluation throughout October. After careful consideration of many factors that impact the ability to conduct evaluations in the late fall, the GCC decided to suspend work on this project until the next spring. When the project was first planned, a three year effort was laid out to accomplish all elements of the project. Even with the delay the schedule is still intact but the time for carrying out some of the elements is now compressed. In the end, warrant articles to designate Prime Wetlands will be presented for the most important Grantham wetlands along with an Ordinance to protect those wetlands.

October saw the start of the work to implement the 10-year Forest Management Plan for the Town Forest. The Plan was created in 2007 but because of economic considerations work was delayed until now. The work was done using horses instead of large skidders to minimize the impact to the forest. Proceeds from the sale of the timber will be used by GCC in the accomplishment of its mission. The GCC continues to work with the Springfield Conservation Commission (SCC) on issues related to the Bog Brook-Stocker Pond Conservation Focus area (CFA) The SCC whole-heartily agreed to join GCC in its evaluation of the Bog Brook area wetlands. Also, to assist the SCC in its conservation of the very important Spurling property, the GCC made a contribution to the Ausbon Sargent Land Trust using private funding. This conservation will be complete in November 2011.

The GCC lost long time member Andy Eastman in September when he resigned for health reasons. Andy was instrumental in many of the GCC activities over the years and has made major contributions to our future success. Mr. David Wood has been nominated to take Andy's place on the Commission.

"You can borrow books for your Kindle with your DFL library card: Ask us how!"

Dunbar Free Library

Hours: Mon & Wed 9 a.m.-7:30 p.m.
Thurs. 9 a.m.-5 p.m.; Fri. 9 a.m.-Noon; Sat. 9 a.m.-2 p.m.

Paid staff:

Dawn Huston, Joey Holmes, Bobbi Travis, Sandy Noordsy, Terri Heepe,
Lisette Scott, Susan Wren, and Andy Gelston

Your library is now open 37 hours each week compared with 36 hours/week last year.

In FY2011:

56,500 circulations (including 979 downloadable e-books and audio books through the New Hampshire Downloadable Consortium via Overdrive)

33,137 visits + 400 (see next)

85 programs that attracted 2,041 people, including 400 at 6 off-site programs

Passes are available to 10 museums and other venues: Billings Farm and Museum, The Fells, McAuliffe-Shepard Discovery Center (formerly the Christa McAuliffe Planetarium), Mt. Kearsarge Indian Museum, Museum of New Hampshire History, Museum of Fine Arts, Museum of Science, The Currier Museum of Art, Squam Lakes Nature Center, VINS

Friends of Dunbar Free Library, which sponsors most of the above, won the Sue Palmatier Award for Outstanding Support by a "Friends of the Library" Group for being the most wonderful Friends group in New Hampshire... but we already knew that!

- 189 new cardholders, bringing our total to 2,208 at year's end
- 2,981 staff hours, plus me with "40" hours a week (2,080), and approximately 2,067 volunteer hours (an average of just under 40 per week). That doesn't include the volunteer hours of the trustees and building committee members.
- 1,802 computer users, which doesn't count the ones who use our wireless from outside the library
- 1,143 items we loaned to other libraries and we borrowed 1,046 from other libraries for Grantham patrons

These are the bare bones, but how do we stack up to other libraries in the state?

Dunbar Free Library circulated 56,500 **titles** (books, TV series, movies or audiobooks as a package, not each CD/DVD that has a barcode). Other libraries our size for FY 2010 (the most recent figures available) ranged from 23 to 56,841 (that was!) us circulations. New Hampshire's average circulation per capita for 2010 was 5.2, ours was 22.7. In June of 2011, we owned 23,777 titles; other libraries within 500 of our population averaged just under 19,000 the year before.

If we're able to do so much, why do we need the addition?

Consider libraries of town population from 3,001 to 6,000. From the statistics** compiled for the federal government and kept by NH, there are at least 55, and even though our category hadn't changed last year before the census figures (Grantham = 2,985) became public, I'll use those 55 for comparison. There are many statistics where we are in the top 10 or better of those 55 libraries, all of which are BIGGER than we are in regard to population served. We are 9th for annual visits, 8th for total circulation, 5th for hours per week that volunteers assist us, and TOP 4! in the number of volunteers who help us out (and I'll bet I didn't count everybody). Only eight of these larger town libraries lent more to other libraries via Interlibrary Loan (ILL) than we did.

We are in the bottom 20% for size; only 16 libraries have less square footage than us in this division and when you consider the 110 libraries that serve populations from fewer than 1,000 to 3,000, 34 of them have more space than we do. While this proves you don't have to have a lot of space to do a great job serving the patrons, we want to do even better. We've no room to give teens a space of their own, during some Story times we're spilling out into the circulation counter aisle and some patrons would like a quieter sitting area with more comfy chairs. The addition will allow us to serve our population even better and give us a meeting room we can use for Story times, the Summer Reading Program weekly meetings and the many book groups we serve. And frankly, we also need more storage space so we don't have to have boxes on top of the cupboards and a staff room so the fridge doesn't have to be in the same room as the toilet.

**If you want to play around with the figures, go to www.nh.gov/nhsl, and click on "The 2010 Public Library statistics are available". Remember, the figures I'm throwing about in this section are all FY 2010, not this past FY 2011, because I don't have a statewide compilation

Acceptance of the "Sue Palmatier Award" for Outstanding Support by a "Friends of the Library" Group

From left to right, Andrea Welch, Friends' board member, Constance Kirwin, NH Library Trustee Association Director, Adele Knight, NHLTA President, Susan Wren, Friends' President, Laurie Hanks, Jane Hunt, and Patricia Cossey, Friends' board members.
of FY 2011 yet.

DUNBAR FREE LIBRARY TRUSTEES REPORT

The Dunbar Free Library is remarkable for the size of our town, and the library trustees have continued to work this year to improve the quality of our asset.

We want to start this year's report by citing a fantastic organization called the Friends of Dunbar Free Library, which was awarded the 2011 Sue Palmatier Award for Outstanding Support by a Friends Group by the New Hampshire Library Trustee Association.

In the nomination letter, library trustee President Mary Kronenwetter wrote: "The mission statement of the DFL Friends is to promote and enhance the services of Dunbar Free Library. The library, the DFL patrons and the residents of Grantham benefit immensely from the hard work and dedication of this volunteer group. They not only support the library financially, but also provide cultural enrichment opportunities for all Grantham residents that rival much larger communities in the state."

The Friends of Dunbar Free Library, which was chaired in 2011 by Susan Wren, was established in 1990 in response to the library expansion and raised money for the carpeting. Programming offered by the Friends is diverse, including providing passes to regional museums and cultural sites, including The Fells in Newbury and the Museum of Science in Boston. In 2011, the Friends group hosted "A Night of Music with Two Old Friends" featuring Mac McHale and Emery Hutchins in March, raised money by sponsoring a Kindle raffle and "staffed" the DFL table at Old Home Day on July 4.

In March 2011, Susan Mellow was reelected to the Board. Following the election, Wendy Grant and Lorie McClory were appointed to fill the vacancies left by the resignations of Joy Gobin and Russell Clark. Annual Board elections were held with Mary Kronenwetter serving as Chairperson, Ed Jenik serving as Treasurer, and Susan Mellow as Recording Secretary. Wendy Grant is serving as Deputy Treasurer and Lorie McClory as Corresponding Secretary. Our meetings are typically held at 6 p.m. the third Thursday of each month at the Dunbar Free Library and are open to the public.

The library and Our Town celebrated Read Across America in April, including an animated book reading, craft projects and raffles. The summer reading program, "One World – Many Stories," kicked off in June with a hands-on presentation called "World of Fun with Reptiles." In addition to the weekly Storytime programs (which occur throughout the year), the summer program included a Bedtime Story Hour, a Lego® and pizza night, and a 'tween craft and pizza night. The grand finale was Alejandro's Olde Tyme Magik Showe with Andrew Pinard. And the night before school started, the library celebrated the end of summer with a Bedtime Story Hour for all ages.

In June and July, the Trustees sponsored "Menu for the Future" in conjunction with Sustainable Eastman and several Grantham residents. This wonderful, six-week program focused on the connection between food and sustainability, how modern, industrial eating habits have had an effect on culture, society and ecological systems, and how farming for the future can help everyone work toward sustainable living. And on a snowy Thursday in October, Dunbar Free Library hosted Glenn Knoblock speaking about "Brewing in New Hampshire: An informal history of beer in the Granite State."

The plethora of library volunteers was celebrated in September at the Volunteer Appreciation Gala held at the home of Joy and Don Gobin. As always, the food was fabulous and the weather cooperative. And Halloween night brought many goblins, witches, Spidermen, Snow Whites and other celebrities to the library for treats distributed by trustees and library staff.

New to the library are e-readers that can be circulated, and e-reader owners can download books from nh.lib.overdrive.com by using their library cards. By visiting www.dunbarlibrary.org, patrons can access the library catalog, place holds, renew their own materials and much more. Want to learn a new language? Use Mango on-line... just call the library to get a prefix to add to your library card number and you're on your way.

And if you're homebound, DFL offers a deliver service. Just call 603-863-2172 and let them know what you want.

The trustees are very involved in the ongoing expansion and renovation project. Warrenstreet Architects Inc. of Concord has been chosen as the architect. After two open houses and much input from the community, the trustees have selected the "traditional" design as the final plan. Fundraising will commence early in 2012 and the project is expected to be completed in 2014.

As you can see, it takes more than five trustees to do all that is needed for the library. Thank you to everyone who uses and supports the Dunbar Free Library, including town personnel, the library staff, our fantastic volunteers and our award-winning Friends! Cooperation and collaboration are essential to making our small town big in many ways.

Respectfully submitted,
Dunbar Free Library Trustees

Police Department Report

This past year, 2011, has proven to be a busy one for the Police Department. Our final accounting for 2011 has shown an astonishing increase of 95% in our call volume over last year, which in real numbers is 1,102 calls over 2010 (1,148) for a total of 2,250 calls for service. In addition to this, there were 1,173 traffic stops performed for the same period.

While our overall numbers have increased, I am happy to report that our property crime numbers have decreased slightly from last year. There are still many types of scams and phishing schemes out there today designed to defraud unwary individuals of their assets and unfortunately it is our elderly citizens that are most frequently targeted. Please remember, "If the offer sounds too good to be true, there is a good chance it is!" Please report such scams to your police department.

Partnering with the DEA, NH National Guard and local law enforcement agencies throughout the state, the Grantham Police Department participated in the National Prescription Drug Take Back Day. This initiative allows people to turn in unused or expired prescription drugs at their local police stations. Two such events were hosted in 2011. Twenty nine pounds of prescription drugs were collected in April and fifty pounds were collected in October. This initiative is not only designed to remove the unused drugs from the home, it is also protecting the environment as these drugs are incinerated and not flushed into our septic systems or discarded into our landfills. Plans are in the works for collection dates for 2012.

Courtland Smith was hired as our fourth full time officer in February of 2011 and attended the 155th session of the New Hampshire Police Standard Training Academy, graduating in late July. Following his graduation, Officer Smith began his Field Training with the Grantham Police Department. This 16 week program allows the new officer to become familiar with the Town, our department policies and procedures and perform police duties while working with, and under the guidance, of a senior officer. Officer Smith completed his Field Training and assumed full patrol duties on November 27th.

The police department was again able to provide the D.A.R.E. program to our fifth grades. Under the tutelage of Sgt. John Parsons 39 students were provided this important drug awareness education.

Old Home Day and Trick or Treat, were well-attended events and the department was again out in force to keep these events safe and fun for everyone involved.

In closing, I wish to thank you, the residents of Grantham, for your continued support of your Police Department

Regards,

Walter A. Madore Sr.

BUILDING INSPECTOR

61 building permits were issued for the calendar year 2011 which represents a slight increase for the same period last year (72 permits).

Well over 100 inspections were conducted. Property owners are reminded that all building permits must be displayed and made available for required inspections.

Also, street # signs for homes should be prominently displayed and observable from the road, at a minimum for safety purposes as well to facilitate the required inspections.

Please contact me at the Town Office (863-6021) or at home (863-5863) with any questions or comments.

Roger Woodworth
Building Inspector

Emergency Management Report

For the residents of Grantham, Mother Nature handed us in Emergency Management in South and Central New Hampshire many different problems to deal with. A heat wave in July, Hurricane Irene (downgraded to Tropical Storm) in August, the end of October a powerful snowstorm knocked out power here and the East Coast with 1.7 million people without power. At least here in Grantham the flood caused by Irene spared us minimal problems compared to other towns like our next-door neighbors in Vermont. Power outages for up to a week at a time continue to be the big problem here in Grantham.

I worked with the Greater Upper Valley Public Health Region during the year and in November we received an updated plan for 2011. My thanks to Stephen Allen, Coordinator in Lebanon for all the hard work he has accomplished this year with the 13 towns in the region.

In addition, again thanks to Stephen Allen Grantham received a Point of Dispensing Plan (POD) to deal with setting up and dispensing medication/vaccine at the Town Hall for more than 3,500 people in a timely manner. This plan is written in line with the National Incident Management System and New Hampshire Department of Health and Human Services in Concord to meet the requirements of a pandemic or other biological outbreak, either natural or man-made. Again, this year Grantham held a Health Fair working with Lake Sunapee Region VNA and Hospice. Many resources from other area organizations made this a very successful clinic. Many thanks to all who participated.

I have enjoyed being your Emergency Management Director for the last 11 years and now at 74 years old feel it is time to make a change and continue as assistant EMD. Congratulations to the Selectboard for appointing Russ Lary as the new Emergency Management Director and I look forward to working with Russ. As a team we will be able to keep up with the fast changing technology that is required of the job.

My thanks to so many people who have helped me accomplish all the programs over the years that are written in our Local Emergency Plan that will be updated again 2012.

God Bless America and all of the residents who live in this beautiful Town of Grantham.

Respectfully submitted,
F. Robert Osgood
Emergency Management Director

If you take care of your little problems they never become big ones!

Grantham Fire Department

The Fire Department saw an increase in 911-calls in 2010 with a total of 129 responses. So far in 2011 we have seen the total number of calls keeping pace with 2010. Our most common calls were false alarms, vehicle accidents and power lines down or trees on the wires.

The following is the breakdown for calls between January 2011 and September 2011:

7	Fires
24	Vehicle Accidents
22	False Alarms
2	Rescue
14	Service Calls
5	Medical Assists
11	Carbon Monoxide, Smoke or Odor calls
9	Hazardous Condition
16	Electrical/Power Line

This year we have sent many of our members to trainings outside of the training they receive in house. One of our members completed his firefighter level 2; another completed a certified car seat installation course. Others complete a certified Emergency Vehicle Driver Training and a rural water supply class. All of these trainings not only benefit the department but also the residents of Grantham and surrounding communities.

If you have ever considered volunteering to help your community the Fire Department could be what you are looking for. While our firefighters are paid on calls and some training, the largest portion of our work around the station is done on a volunteer basis. We are always looking for new members to join the department and experience is not required. Even if you don't wish to respond to emergency calls, we can always find something within your skill set to assist the department.

If you are interested in joining the Fire Department please feel free to stop by the station and talk with a member. Our monthly meeting night is the first Tuesday of every month or you may also call the department at 863-5710.

I would personally like to thank all the members of the Fire Department and FAST squad for their commitment and dedication to the Grantham Community. These members have given many hours of their time over the last year and it is greatly appreciated.

Respectfully Submitted,

Jay Fountain
Fire Chief

Grantham EMS is an active participant in the Dartmouth-Lake Sunapee EMS Region and the New London EMS district C-5. Our Medical Resource Hospital for providing Medical Control is New London Hospital and our primary patient transport agency is New London Ambulance Service.

If you have any interest joining or learning about the squad, we are always looking for new volunteers. Please feel free to speak to one of the members, visit our new web site, which you can reach through the town's site <http://www.granthamnh.net/>, and e-mail one of us, or just stop by at one of our monthly meetings. These are held on the 3rd Thursday of each Month at 6:00pm.

We as a squad would like to thank the people of Grantham and our town officials for their continued support and wish you all a safe and healthy 2012.

Respectfully submitted,

Stuart Gillespie,
Coordinator

**Grantham Athletic Department
Annual Town Report
2011**

BASEBALL—Opening day on the new baseball diamond at the Recreation Park with our Grantham Majors playing Andover proved a great accomplishment for our towns youth. A modest ribbon cutting ceremony and a first pitch were thrown by the team’s captains. This was the start to a terrific season for our Majors baseball team. The majors and three minors teams used this new field allowing more time for practices for all teams with the younger groups using the GVS baseball fields.

Grantham Athletics still enjoyed a strong spring sports season and organized two T-ball teams, 2 rookie, 3 minors and 1 major’s team. Although Grantham is now a member of the Upper Valley Recreation Association, the baseball program currently remains with KVCRL. After the regular season, several baseball players moved on to play on the 10U, 11U and 12U All-stars teams organized by the Kearsarge Valley Cal Ripken League.

A special thank you to Leonard Angelli, his assistants and the young men of Mt. Cardigan School who were bussed over to help with our annual field day. They helped prepare the field at GVS and at the new diamond at the rec. park. The new dugouts were also stained by this group, finishing them in no time. They look great!

SOFTBALL—Unable to form a complete team for the 10U and 12U age groups. Interested girls were sent to the Lebanon program.

SOCCER—September brought the registration of Soccer and the planning of soccer fields at the Recreation Park. 8 teams were created with a Kindergarten group, three 1st/2nd grade groups, girls and a boys 3rd/4th grade group and a girls and a boys 5th/6th grade group. The older players competed with local teams from the Upper Valley Recreation Association. With the addition of the baseball outfield at the rec. park, we created a full sized soccer field dissected by two smaller fields which enabled our soccer teams to enjoy a full schedule of games. Two smaller fields were developed in various spaces at the park as well as a small field at GVS. A total of 148 + players had fun this fall. Soccer teams played against Rivendell (Orford), Thetford, Lebanon, Plainfield, Cornish and Newport.

FRANK’S CAFÉ—The concession at the Haunted Pumpkin Festival in October was a success. The use of the cafeteria at GVS makes it easier and more spacious to offer snacks and drinks to the Halloween participants.

BASKETBALL AND CHEERLEADING—It was not possible to provide information on these programs at the time of this writing. These sports are scheduled for the months of November-February. For the prior year of 2010/2011, the basketball season was rewarding to all players. A total of 6 teams were created from Kindergarten to Sixth grade. Teams participated in games within the Quad Valley League consisting of Sunapee, Kearsarge and Grantham. Many of the older teams played in the Karp’s Klassic tournament held each year at the CCBA. The Athletic Department is proud to say that the 3/4 girls team captured the tournament for their age group, emerging undefeated after a series of games.

All sports teams and players enjoy the opportunity to capture their season in pictures. All Around Towne photography provides their services to families with players which is a well anticipated event each sports season.

Finding volunteer parents to become coaches, referees and support staff becomes one of the more daunting aspects of my job, however, the enthusiasm and rewards of seeing this involvement progress smoothly and through the interaction that occurs within these teams is the highlight of my job as well. I hope to continue to stress to our volunteers that it is all about teaching the fundamentals, improving skills and having fun as they work with the youth of Grantham. I am fortunate that my job as Athletic Director allows me to work with these dedicated parent/coaches and volunteers and I feel that I too, have learned from them as well.

I feel that the Athletic Department continues to offer successful programs to its youth and I am constantly striving to find ways to make it better by incorporating new resources for the volunteer coaches in an effort to make it fun and rewarding for the children that participate. The programs offered to these young residents are an integral part of their experience of growing up in Grantham.

As the population of our youth in Grantham grows, so too does the athletic programs this department provides. There is a definite need for more volunteers, support and awareness as each program evolves. I am hopeful that all residents of Grantham recognize the importance of these athletic programs and the fulfillment that both youth and adults involved in these programs feel as a season concludes.

Respectfully submitted,

Marsha Googins, Director Grantham Athletics

November 2011

Activities Department "Our Town" 2011

"Our Town" is a division of the Grantham recreation department. We are dedicated to providing family oriented community events. Volunteers are always welcome. If there is an event listed below that you would like to help with please contact the department.

Ice skating was open throughout the month of February on the pond at the recreation park.

The rabies clinic was offered once again this year in April at the fire department. The annual community service was well attended.

The Easter Egg Hunt was held at the Grantham Village School, inside this year because of the weather.

Thanks to the employees at Sugar River Savings Bank all 2500 eggs were stuffed with goodies. Each year we have four golden eggs shuffled in the mass egg scramble in which the recipient wins a basket of goods. And of course there were visits and photo opportunities with the Easter bunny.

The Walking Club rallied from 7:30 -8:10 AM - Monday – Friday February 21st - June 3, every day school was in session at the Grantham Village School Gym. Open to all in the community. A safe warm environment to get fit and visit – The program was free and Our Town offered incentives to walk. The club provided parents with a safe before school activity that included exercise and challenges to youth and adults. It saw an average of 50 students every day, and filled a need in our community for morning child care. Do you like to walk? I'll be looking for adults to help supervise while they exercise.

The Mother's Day Breakfast Buffet brought its usual hungry crowd on May 8th. The buffet offers up hardy dishes of all kinds and each mother is presented a carnation for sharing their morning with us. Visit us this year if you've missed us in the past.

Let's Go Fishing Grantham offered a "Take Me Fishing" program on May 14th. Volunteers and members of the NH Fish and Game came out for a day long program that offered information and safety tips as well as a field trip to Croydon's Spectacle Pond. The program provides parents the information and opportunity to fish with their children

The Town Wide Yard Sale was held again this year on the weekend before Memorial Day. We had 30 locations listed. The church was open for those folks wishing to rent a table to hold their own sale inside. Our Town provides a map to help you find the bargains that are scattered throughout Grantham. "Our Town" does all the advertising and is free to those signing up.

The American Flags this year were hung by the Grantham Fire Department. The flags are provided and maintained by the members of the Grantham Area Chamber of Commerce. The flags are in place on RT 10's telephone poles each year from Memorial Day until Labor Day.

The Father Daughter Dance was held in the town hall on Saturday the 11th of June. It was very well attended with Dads and their girls dressed to the T. Dancing continued all evening to the beat of Jim Hollis. Each father and daughter received a complimentary photo to remember the night with, and the ladies were all presented with a flower when they came through the door. The evening also includes hot and cold refreshments, and an ice-cream social. We'll be back again in June if you missed us. We had a fabulous time!

Old Home Day - July 4th. A Pancake Breakfast was once again offered by the United Methodist Church on the morning of the 4th followed by the parade at 11 with your favorite old TV show as its theme. Etta Barton and Lillian Cote road in the parade with the honor of being Grantham's oldest natives. Activities were held at the Grantham recreation park, great family fun including Games, Petting Zoo * Antique display * Jim Hollis Band * Bounce Houses * Curious Creatures* Exhibits * Pony Rides* Touch a truck event * Pie Eating Contest * Sack Races, 3 legged Race, and balloon toss. * Parent Teacher Group Fun Run * Great Food.

including a chicken BBQ from the Grantham volunteer fire department and burgers, dogs and fries from the Snowdusters outdoor recreation club. Thank you to everyone that volunteered your support is greatly appreciated. Old Home Day entertained over 1000.

The 4-H program returned in October under a smaller format.

Craft in the Park took place every Tuesday in August at Music in the Meadow. A new make and take craft is offered at each visit free of charge.

Music in the Meadow was held on Tuesdays, in August from 6-8PM.

Along with music the event offered popcorn, drinks, hot-dogs and an ice-cream social. It proved to be a simple but enjoyable time to spend with family and friends, complete with our own group of line dancers. We'll be back again next year.

The Scarecrows, We grow a bit in numbers as new businesses sign on to own one of our fall friends.

The original 20 were dressed again by the Grantham school children on the 24th of Sept.. I've lost count of how many businesses are out there. The straw folks went up on October 1st and were removed on the 6th of Nov.

The Haunted Pumpkin Festival was held again in the gym on Sat. October 29th The Athletics department director Marsha Googins ran our haunted meal counter. Prizes were awarded to best costumes. The event serves as a safe warm place for our trick-or- treaters to mingle and check out their costumes in comfort. A huge thank you too the many youth and

adult volunteers that helped to make this event run smoothly, without you it wouldn't be possible.

Harvest Dance – was held on Nov.19th an Old Fashion Family Barn Dance featuring hot and cold refreshments, apple and pumpkin galore desert table, door prizes and family foot stompin' music. Complete with hay bales and cider.

Town Christmas Decorations and Tree Lighting at the fire station all happened the Sunday after Thanksgiving.

Breakfast with Santa December 3rd, as always is a wonderful turn out. The food drive was held again this year for the local food pantry. Thanks again to the Grantham Area Chamber of Commerce for providing us with a fabulous Saint Nick.

100 Gingerbread men along with 100 books leave our cookie table at the church hall on Dec. 22nd, as a holiday offering from Our Town and the Dunbar Free Library. Thank you Missy Walla for all your help in making this event successful. If you missed this free

Volunteers

A special thanks to my family and the Walla family who are always there to help out. I also would like to thank everyone that has given their time to help make our events special, including the more than 20 youth volunteers who give time for their community.

Respectfully submitted,

Laurie Field
Activities Director.

Lake Sunapee Region
VNA & HOSPICE

January 2012

Dear Friends:

On behalf of all staff and the trustees of Lake Sunapee Region VNA and Hospice (LSRVNA), thank you for continuing to provide us opportunities to provide home health and hospice services, long-term care and community health services to all Grantham residents.

Our Mission remains unchanged and centers on providing these services to support the dignity and independence of everyone in your community. As in previous years, the LSRVNA Board of Directors has pledged that, within its financial resources, the Agency will continue to provide Grantham residents with all its services, except for long-term private duty care, regardless of insurance coverage or any patient's ability to pay for care.

I am proud to report that, in 2011, LSRVNA employees:

Provided over 1940 hours of nursing, therapy and in-home long term supportive care to 127 residents;
Provided approximately 1,592 in-home nursing, therapy and social work visits to these residents. 127 of these visits were provided without any remuneration to LSRVNA. 125 visits were provided under the NH Medicaid program. The NH Medicaid program reimburses LSRVNA at roughly 60% of the Agency's visit cost;
Five residents received 427 visits through our hospice program and, thanks in part to our support, they were able to spend their last days at home. Their families and loved ones are provided bereavement support and counseling at no cost; and
290 Grantham residents utilized foot care, flu and blood pressure clinics as well as parent child, bereavement and other support groups provided by LSRVNA.

I think that one of the reasons that this is such a special place to live is because of the sense of community and the commitment of local residents to support each other. LSRVNA is totally committed to fostering not only individual health and well-being, but to fostering community support which enables people to help their friends and neighbors. Please do not hesitate to call us at 526-4077 if there is any way that we may be of service to you, your friends, or loved ones or if you have an idea how we can help foster the overall health and well being of the Grantham community.

Sincerely,

Scott Fabry, RN
President and CEO

**SULLIVAN COUNTY NUTRITION SERVICES
NEWPORT SENIOR CENTER, INC.**

P.O. BOX 387 • 76 SOUTH MAIN ST. • NEWPORT • NEW HAMPSHIRE • 03773

BRENDA BURNS, Executive Director- (603) 863-5139

September 6, 2011

Board of Selectmen
Town of Grantham
300 Route 10N.
Grantham, NH 03753

Dear Members of the Board,

Sullivan County Nutrition Services (SCNS) provides elderly and incapacitated adults, who have high nutrition risks, with 1/3 of their daily nutritional requirements through our meals-on-wheels program (M.O.W). Because the average income of a M.O.W. participant is under \$1,116 per month, the participant is not always able to make a donation for his/her meal. The federal and state funding we receive does not cover the full cost of a meal. State and federal funding does not cover any cost for meals delivered above and beyond our contracted units (meals). SCNS has provided meals above and beyond the contracted units for the past seven years. By design, (nationally) the program has as a part of its funding formula an element of community support.

It is that time of the year when we solicit community support for the meals-on-wheels segment of the program. With the average age of a M.O.W. participant being 75, and who have deficits in two or more activities of daily living, your financial support will help to insure your residents have a well-balanced nutritious meal delivered to his/her home and a safety check, especially for the 60% of participants who currently live alone. Your support, along with state and federal support, will prevent the need for placing people who ask for assistance on a wait list. At the same time, citizens with mobility problems can maintain independence and remain in his/her home.

Times are tough and now, more than ever, we need your help. Please allow us to continue to provide a hot meal and a visit to make sure your elderly homebound and disabled residents are safe. To help ensure that we are able to meet these basic and vital needs, SCNS ask for your support of \$200.

Without your contribution, SCNS would not meet our cash match requirement. Your contribution will allow SCNS to continue to access partial State and Federal Funds used to provide the elderly and disabled citizens of Grantham with a well-balanced nutritious meal, safety check and access to other services from which they may benefit.

Listed below are some statistics relative to this request. You will notice the number of meals have increased from the prior year. There are several reasons why this happens. Some clients pick and choose which meals he/she would like delivered, clients may have been hospitalized for a period of time or client may receive weekend meals where as another client may not. Should you have any questions, please feel free to contact me. Thank you for your continued support.

Respectfully,

Brenda Burns
Executive Director

Southwestern Community Services

Over 40 years of people helping people in Cheshire and Sullivan counties
October 17, 2011

Mr. Harold Haddock, Chair
Board of Selectmen
300 Route 10 North
Grantham NH 03753-3618

Dear Chairman Haddock,

On behalf of Southwestern Community Services, Inc., I wish to thank you once again for last year's appropriation for our agency.

As we have in years past, we are asking the local communities with which we work to consider a small appropriation to assist with our outreach effort. Although our costs have risen, as have yours, I am sure, we are trying to keep our new request as low as possible, knowing that resources are limited.

I am enclosing an updated list of resources and services that Southwestern Community Services delivered to the residents of Grantham during the past year. Upon completion of your review, we respectfully request that we be placed on your town warrant to ask the voters to appropriate the sum of \$850. This will allow us to continue the outreach and service delivery in Grantham at the same level as in the past.

We look forward to continuing the excellent working relationship that we have had with Grantham over the past forty-plus years.

In closing, I would be happy to meet with the Board of Selectmen or Budget Committee, or any group you suggest in an effort to further detail the significance of our request.

I can be reached at (603) 352-7512, extension 4123. I look forward to hearing from you in the near future.

Sincerely,

David W. Osgood
Southwestern Community Services, Inc.

**Mascoma Valley Health Initiative
Request for Town of Grantham Budget Allocation for Fiscal Year 2012
December 1, 2011**

We want to thank the Town of Grantham for recognizing the need for public health at the local level and for your past financial support. As we continue to fulfill our mission and expand our programming, we ask for your consideration of our agency's request for funding for 2012.

MVHI is a nonprofit public health organization serving the Upper Valley of New Hampshire. Our goal is to protect and promote the health of our community. MVHI was formed in 2001 with the mission of improving the health of the residents of five rural Mascoma Valley towns, and has grown to serve the towns of Canaan, Cornish, Dorchester, Enfield, Grafton, Grantham, Hanover, Lebanon, Lyme, Orange, Orford, Piermont, and Plainfield. Our approach is to partner with community members and organizations who share our commitment to community health, to build a strong and effective public health system that serves the needs of Upper Valley residents.

MVHI is operated by a Board of Directors made up of professionals with experience in health care, education, town government, law enforcement and human services. Our Board represents a number of prominent local and regional organizations including Dartmouth Hitchcock Medical Center, Dartmouth Medical School, the Children's Hospital at Dartmouth, Alice Peck Day Memorial Hospital, and local business and government.

Funding Request

For 2012, we are requesting financial support from all 13 towns and municipalities in our region at the level of 75 cents per capita. Based on this formula, our funding request of the Town of Grantham (population: 2,985) is \$2,239.00. This funding will permit us to sustain service to the residents of Grantham throughout the coming year.

Programs

Immunization: Through June 2011, MVHI served as the coordinating organization for the "New Hampshire Immunization Initiative," with the goals of improving immunization coverage for the entire population (children, adolescents, and adults); assessing regional immunization capacity, needs, and gaps in coverage; supporting regional emergency preparedness and response; and encouraging immunization best practices.

- During the 2010/2011 school year, MVHI assisted with coordination of the school-based seasonal flu vaccinations offered to students in the Grantham Village School. During this

Celebrating 10 years of service to our Upper Valley communities

Canaan · Cornish · Dorchester · Enfield · Grafton · Grantham · Hanover · Lebanon
Lyme · Orange · Orford · Piermont · Plainfield

past fall (September to October 2011) MVHI worked with school officials to provide information about free and reduced cost sources of seasonal flu vaccine given that clinics were not being offered to the Grantham Village School this year.

- MVHI partnered with Tiltfactor Lab at Dartmouth (www.tiltfactor.org) to develop POX: Save the People, an innovative game that teaches the importance of vaccination. MVHI purchased and donated game sets (retail value \$350 each) to schools throughout the region, Grantham and Lebanon Schools included.

Rural Health Planning: In July 2011, MVHI completed the Upper Valley Healthy Community Project. This project has resulted in a comprehensive community-based health needs assessment, and an agreement between MVHI and several partner organizations to strengthen collaborative assessment, prioritization, and mutual action to improve population health in the region.

- Grantham residents participated in at least one of several meetings held throughout the region to gather community input on priority health needs for our residents;
- Benefits to the residents of Grantham include community member input into a regional rural health needs assessment; concrete benefits will accrue if MVHI is successful in receiving funding to support new programs in the following priority areas:
 - Care Coordination: MVHI is currently pursuing funds to support a Healthy Homes Initiative for the Upper Valley. This program would train and support health and human service providers, who already go into people's homes for a specific purpose, to offer a free home screening to identify an array of environmental and safety issues that could then be referred to the appropriate agency partner. Partner providers may include home health nurses, maternal and child health nurses, fire safety personnel, lead inspectors, and others.
 - Care Coordination: MVHI is also pursuing funding to support the development of a community health worker program based on the idea that having a trusted local person trained to understand the health care system and what resources are available would help connect people to all the resources they need and help in problem solving and patient advocacy.
 - System Development: MVHI expects to lead a planning effort over the next year that will lead to a clearer, more cohesive public health system in the Upper Valley's New Hampshire communities. These planning activities will reduce current public health system fragmentation, and prepare our region to best participate in NH's public health regionalization process and compete effectively for future state and federal public health funding. By so doing, it will improve our regional capacity to deliver effective and timely public health services.

Substance Abuse Prevention: MVHI has the capacity and expertise to consult with communities like Grantham to identify alcohol and drug related concerns and facilitate a process to begin addressing them. MVHI can help coordinate resources and information should the need arise. MVHI is currently in discussion with Grantham Village School personnel to promote peer-leadership development by bringing Mascoma Valley's Indian River Youth 2 Youth to conduct a training with GVS in the early winter. We also hope to provide tobacco prevention education to Kindergarteners over the next few months.

General Public Health Involvement: MVHI staff participate on numerous committees throughout the Upper Valley to provide expertise, coordinate resources, and look for opportunities to further meet the community's needs. This includes the Upper Valley All Health Hazards Regional Coordinating Committee, the HEAL Partnership, the Upper Valley Child Care Association, and the Mascoma Valley Regional School District Wellness Committee.

Other Support

MVHI's programs are largely supported by grants, although we do receive some income from individual donations and private foundations, such as the NH Charitable Foundation. In order to continue developing programs and services for Grantham, and our other Upper Valley towns, it is essential that MVHI secure unrestricted funds to support program development, operating expenses, and mission-related projects not covered by grant funding. Your contribution sustains us and allows us to develop new approaches to encouraging healthy choices, delivering outreach, providing information and community health education, and building coalitions to engage the community in solving our public health problems.

As we continue to deliver services and expand our programming, we thank the Town of Grantham for your thoughtful consideration of our request for financial support. Please contact me if you have any questions or require any additional information.

Sincerely,

Grantham Board of Selectmen
Town of Grantham
300 Route 10 South
Grantham, NH 03753

October 11, 2011

Dear Grantham selectmen,

As a state-designated, nonprofit community mental health center, West Central Behavioral Health provides high-quality, research-based mental health services for many of the most vulnerable people in our region, including some residents of Grantham. Our mission is *"to reduce the burden of mental illness and to improve the quality of life in our community. We commit ourselves provide services that are safe, effective, client-centered, timely and efficient."* In addition to offering outpatient therapy, we respond to mental health crisis calls in homes, schools and workplaces.

In Fiscal Year 2011, West Central Behavioral Health received an appropriation of \$2,420 from the Town of Grantham. During that year, West Central provided 1,740 hours of therapeutic services and \$5,001 in free or discounted care to 67 Grantham residents, including 32 children and 35 adults.

To help sustain our commitment to provide affordable mental health services to residents of Grantham and a broader area that includes Sullivan and southern Grafton counties, West Central Behavioral Health requests an appropriation of \$2,420 for FY12 from the Town of Grantham.

West Central appreciates your continued support. Please feel free to contact me at 448-0126 ext. 2100 if you have any questions.

Sincerely,

Heidi Postupack
Director of Development
West Central Behavioral Health

Grantham Community Crisis Fund Report 2011

In 1995, a group of concerned citizens banded together and formed the Grantham Community Crisis Fund. The mission statement of this committee was to respond quickly to the special needs of anyone in the larger community of Grantham. In the last 17 years this non-profit organization has distributed aide to community members assisting with food, shelter, medical emergencies and special needs. Our ability to deal with requests in the most confidential manner has always been a priority with our members. The Crisis Fund is funded by donations only. These donations come from organizations in Grantham, private individuals, non-profit groups and fund raising groups.

This year, we enacted a solicitation letter to our community members and were able to replenish our funds. We thank the very generous contributors for their response. These gifts will enable us to assist requests for the foreseeable future.

In May of 2011 we increased our committee from 5 to 6 members. This was done in an effort to be more accessible to the overall population of Grantham. All of our members are available by phone for questions or requests.

Thank you again for the support for

“Neighbors Helping Neighbors”

RE: Request for Funds, Fiscal Budget Year 2012

The Kearsarge Area Council on Aging, Inc. (COA) respectfully submits a request for **\$2500** from the **Town of Grantham** to support services and activities for the seniors in **Grantham**.

COA gives seniors a multitude of opportunities to exercise their minds and bodies, to socialize and to serve others, while providing important services. COA provides vital services to its nine town area, such as the transportation program which gives free of charge rides to such places as medical appointments (including regular visits to area hospitals) dental appointments, bank/grocery/drugstore visits and social engagements.

COA's transportation program volunteers drove approximately 37,000 miles last year. Such services are important in making it possible for older adults in our area to stay in their own homes and continue to be a vital part of our community. COA also operates and maintains a Senior Center located at 37 Pleasant St., New London with many activities and programs. COA provides a very active medical mobility equipment lending program. Seniors turn to COA when they need more information about Medicare, aging related issues, housing and care options, etc., and their relatives turn to COA for resources on how to support aging parents or friends.

COA receives approximately 70 percent of its annual income from members, businesses, foundations, etc. and approximately 30 percent from the nine area towns it serves. Please contact me if you have any further questions or information.

Thank you for your consideration of this request.

Sincerely,

Nancy Friese
Executive Director

The Ausbon Sargent Land Preservation Trust

The Ausbon Sargent Land Preservation Trust (Ausbon Sargent) is a regional land trust founded in 1987 to preserve the rural quality of the Mt. Kearsarge/Lake Sunapee region. Ausbon Sargent has been a leader in the conservation of our natural resources and has earned the mark of distinction as an accredited land trust. Fewer than 8% of land trusts in the United States have earned this important distinction. Since our founding nearly 25 years ago, the Land Trust has completed 119 projects and protected 9,581 acres. All of these properties provide for some public benefit and two thirds of these properties offer public access.

During 2011 we held events including hikes, field trips, our successful progressive dinners and our annual Holiday Party. We are pleased that so many of you participate actively in our events. We also sponsored two roundtable discussions for the chairmen of the Conservation Commissions from our 12 town region. The events afford us an opportunity to learn about the concerns facing the towns in our region regarding conservation issues and to share our expertise in land conservation with them. We very much appreciate the support that we receive from the conservation commissions of our member towns.

The year 2011 was also a successful year for doing what we do best – land conservation. We completed 5 projects conserving a total of 782 acres. These conservation easements include the 143-acre Battles Farm in Bradford, 53 additional acres added to the Star Lake Farm easement in Springfield, the 318-acre Kiskanari easement in Bradford, the 158 acre Fernley easement also in Bradford, and 103 acres at Ledge Pond in Sunapee. Now that we have conserved these properties, it is our obligation to steward these lands, forever.

The year 2012 will mark our 25th Anniversary celebration. This will be a wonderful opportunity for all of us to remember the successes and struggles which we have experienced together. Along with the citizens of our region, we have partnered to preserve a quality of life that is only possible because of the many natural places we have preserved since our founding. We are planning dozens of activities and events to celebrate this milestone including a roving video presentation to visit each of the 12 towns in our region, a birthday celebration around Ausbon Sargent's birthday in June, a barbecue picnic at Star Lake Farm in July, a very special appreciation event in September, tours of properties and art shows. We hope that you will be able to attend as many of them as possible.

Ausbon Sargent is a success because of our members and our many generous friends at all levels. We thank our loyal and giving members who provide financial support to sustain the land trust so that we may successfully continue to further our mission to protect the rural heritage that we all enjoy. Many of our members assist in organizing our fundraising events and serve on various committees. We are especially thankful for their support and the countless hours that they give us during the year. All of their efforts add up to help for everything from folding letters to desktop publishing to legal support and land monitoring. Also, we are grateful for the generous land owners who have placed conservation easements on their properties and have helped us with our journey to preserve this very special region.

Executive Councilor
District One

Report to the People of District One Ray Burton, Executive Councilor, District One

The Governor and Council have had a busy year since being sworn in to office on January 6, 2011. We meet approximately every two weeks to dispose of official business brought to us from the Governor's Office and the Departments of NH State Government.

The Governors Advisory Commission in Intermodal Transportation (GACIT) submitted our recommendations for the 10 year transportation plans for air, rail, highway and other public transportation to Governor Lynch on December 15, 2011. The Governor will review it and submit his recommendations to the NH House and Senate by January 15, 2012. It is now up to the NH House and Senate Committees to come to conclusions by July 12, 2012 on what our roads, bridges, airports, rail systems, and public transportation will be for the next ten years. Find your local state Senator and Representative by going to <http://www.gencourt.state.nh.us/house/members/wml.aspx>. Another valuable resource is your local library and town/city clerks. Speak up and let them know what you believe should be done to maintain and improve our public transportation!

Hurricane Irene caused millions of dollars worth of damage to not only town and state road systems, but also caused major river/stream bank erosion. One of the best sources for FEMA and related matters is Chris Pope, Emergency Manager Director, at NH Dept. of Safety. His direct line is 545-5842. NH DOT and NH Environmental Services, Depts. of Safety and local town/city agencies coupled with private construction companies deserve lots of credit for putting back together roads and bridges for safe and timely travel.

A very important function and duty of the Governor and Executive Council is to find citizens to volunteer on the dozens of State Boards and Commissions. If you are interested please send your letter of interest and resume to Jennifer Kuzma, Governor's office 107 North Main Street, Concord, NH 03301 tel 603-271-2124.

2012 is an election year. The NH Secretary of State has a very valuable political calendar with all appropriate dates for filing for office, financial reports, and election dates plus much more. Call NH Secretary of State at 271-3242 or my office for a copy or go to: <http://www.sos.nh.gov/polcal2012-13forweb.pdf>.

District Health Councils offer a lively forum to discuss health issues- federal, state and local. If you would like to serve on one of the three District Health Councils in Council District One please send me your name and contact information.

My office has NH Constitutions, official tourist maps, and other information. I always enjoy speaking and participating in local events.

I am at the service of this District. It is an honor to hear from you!

Ray Burton

Fence Viewer's Report

The station of Fence Viewer is one founded in our rich New England heritage. When pastures formed a patchwork throughout the hills, it was fences and stonewalls that kept the livestock from trespassing onto neighboring lands. With the extensive farm animal fortifications spread across the country side, townships created the position of Fence Viewer. It was the job of the Fence Viewer to inspect fences throughout the town and report back issues to the local town administrators. It is in the spirit of this tradition that Grantham carries on the appointment of this post.

In 2011, the Fence Viewers would like to report that all applicable fences in the area can be deemed as "hog tight and horse high", sadly though, they were not cow proof. The fence for one lonely little cow was no match when the tenacious bovine decided to kick up his heels and head into town for a trot to Dunkin Donuts, or, a visit to the folks at Yankee Barn. The transient beast always found his way home, whether on his own, or with a police escort. The friendly cow seemingly craved companionship, outside of what was offered by his pasture mates. Upon his return to pasture, the fences were mended, the electricity sparked, and the little cow content with his wonderings.

Additionally, a spunky pair of young cows escaped their enclosure for the isolation of the forest around them. Where the aforementioned cows wanted nothing more than the companionship of the town folk, this pair craved freedom and the solace of a secluded life, making the Howard field's their home without borders. Whether walking the wooded hills behind Howard's fields, or, driving Route 10, a single cow can be seen wandering the fields, eluding his owners, and bucking the rules that come along with fences. The second animal has blended into the forests much like the early settlers that roamed the hills when New England was a young, fenceless and free.

Grantham Fence Viewers – Eryn and Willy Newhall

Hogreeves Report

Brian and I were very, very surprised that we had been voted the next Hogreeves for the Town Of Grantham. After the news we were honored that our friends and neighbors could think we were the ones to get these animals back to the beloved families; until the Towle-Kimballs bought some feral bovines.

Who has ever heard of feral bovines? They are the darndest creatures to get back home. Sometimes they just won't go and you have to stay up for days making trails of grain to the barn. I'm sure the Towle-Kimballs know our phone number by heart. After all they called us in day and night.

So our honeymoon in Grantham was a bit disruptive by our new duties to our neighbors. We took great pride in our work but never having been on a working farm or mending fences, we were greatly challenged.

We are happy to report that the lack of snow in November and December made our work a little easier. We are pleased to pass on this prestigious and important job to the next Hogreeves of Grantham. Now to get some well needed rest and get started on our real honeymoon in the greatest little town known as Grantham, NH.

Respectfully submitted,
Brian and Bridget Crowley-Brown
