## IN MEMORIAM

Dorothy Smith LeMere  
Nov. 28, 1915 - Sept. 17, 1992

Levi Albert LeMere, Sr.  
Aug. 14, 1908 - Dec. 23, 1992

Dorothy Alice Smith was born November 28, 1915, in the birthing room of the farm house on the hill in East Unity (now owned by Rev. Donald Wright) the youngest child of Alvin C. and Christine (Hannaford) Smith. Some of her favorite youthful remembrances were of the winter sleigh rides to Newport and primary school years at East Unity School.

Levi Albert LeMere was born in Keene, N.H., on August 14, 1908, and came to Unity with his father, Albert, and his uncle William at an early age. Living in the "north neighborhood", Levi attended the small "north neighborhood" school and later the Center school and played baseball with the "Unity Tigers".

After their marriage on January 11, 1934, Dorothy and Levi spent most of their married years in Unity. During the depression years Levi worked at laying the pipe line from Marshall Pond to the Sullivan County reservoir and as an assistant road agent.

In keeping with his strong interest in town affairs, he served on the School Board (1945-1954) where he was instrumental in consolidating the East, West and "Quaker City" schools into the two-room school building at Unity Center and in initiating plans for the erection of the present Elementary School. In 1945 with his purchase of a bus, he came to know the young people of the town as their school bus driver. He also held the positions of Tax Collector (1954-1970) and Police Chief (1947-1976) and was a president of the Sullivan Law Enforcement Association.

Together, Levi and Dorothy were charter members of the reactivated Unity Grange and the Unity Volunteer Fire Department and Auxiliary. Always supporting Levi in his town efforts, Dorothy also initiated the first school hot lunch program in 1946. Other capacities which she enjoyed included serving as a Supervisor of the Check List (1966-1980) and as an agent for the sale of hunting and fishing licenses.

Unity and their children were their lives and they are greatly missed.

## JOHN M. CALLUM MEMORIAL FUND REPORT

As many of you know, at the time of the death of John M. Callum, Sr. on March 24, 1988, a memorial fund was established in his memory to be used to purchase furnishings for the restored Unity Town Hall.

We would like at this time to thank again all of the following people, some no longer with us, who made possible the purchase of the new public address system and the new metal folding chairs for the Town Hall . . . John would be proud and pleased.

Re: CDBG Grant #90233CDPF

Dear Mr. Callum:

This letter constitutes the State's approval of the use of the Old Unity Town Hall building for annual Town Meetings.

As I explained at the Special Town Meeting on July 2, Section 105.(a)(2) of the Housing and Community Development Act outlines the activities which are eligible to receive assistance under the Community Development Block Grant program. The rehabilitation of buildings for the general conduct of government (as defined at Section 102.(a)(21)) is specifically excluded from eligibility. Therefore, since the Old Town Hall has been rehabilitated with funds provided under this Act, the facility may not be used for the regular conduct of town business. Specifically, Town Offices may not be installed in this facility.

With respect to the use of the facility for Town Meetings, I reach a different conclusion. Accordingly, on behalf of the State of New Hampshire, I hereby find that the use of the Old Unity Town Hall building for official Town Meetings, whether Regular or Special, shall be considered an incidental and permitted use, so long as this activity does not detract from the main purpose of the original grant, which was to benefit low and moderate income persons.

I trust that this will clarify the situation once and for all, and that Unity will shortly be in a position to close out this grant, and to open the facility to serve the populations referenced in the original application.

Sincerely,

A handwritten signature in black ink, appearing to read "Jeffrey H. Taylor".

## **SELECTMAN'S REPORT FOR 1992**

This year 1992 has been another extremely busy year for the officials and staff at the Town Office. We the board would like to thank all town employees for their special efforts through out the year, and for the diligence of the committees and many volunteers who help out in critical times.

The Town Clerk/Tax Collector, Treasurer and Selectmen's books are being balanced on a monthly basis through a procedure established by our auditing firm.

The Selectmen contracted for surveying of the properties of the Highway Department and Fire House and the Town Common. Doing this had cleared up some misunderstandings. There is still some work to be done with respect to the Northwest corner of the Common. With this 1st point finalized, the Selectmen intend to relocate the intersection at the back of the Common and the one between the Common and Fire Department at right angles to their respective roads. This is in the interest of safety and has the approval of the Road Agent, Fire Chief, State Highway Eng., School Bus contractor and Unity Police Department.

We have been continuing to upgrade our Class V roads and over the next year the board will be submitting a long term plan to resurface existing tar roads.

The Selectmen, responding to State and Federal mandates, have contracted in the Town's behalf DSM Environmental Services, Inc. to make an initial study and give recommendations upon which to build a closure plan for the Landfill.

The revaluation for the Town is now complete with upgrading of the assessment cards being done on a regular basis. The Town's value is \$57,092,568 with taxes computed at 100%.

William Raymond has been appointed as Dog Officer brought by the resignation of Jerri Bruno.

We would at this time recognize Selectman John Callum's service over the past 6 years as an elected official.

The Board of Selectmen would like to thank you for your continued support.

The Board of Selectman on behalf of the Town of Unity would like to extend a special thanks to the following for their donation of time and help on the Town Hall and the Town Common.

Bobby Brown, Terry E. Callum, Todd and Terry L. Callum, Eric Callum, Todd Gregory, John Phelps, Alvin Smith, Bruce Baker, George Dunn, hay and trucking; Fred Hall, hay; Joe Cloutier, hay, Gary

Cloutier, dozer equipment and time; Harry Kosch and Mayland Osgood for digging test holes around the Town Hall and Common; Chuck Hudson for portion of electrical work; Town Hall legal committee, Robert McDevitt, Lyle Guynup, Stan Woodman, Sue Lawrence, Larry Wiggins; Mary Ruggles and the 4-H Unity Moutaineers for painting the cemetery fence; Mr. & Mrs. Harry Lefebvre for donating security counter at the Town Office. For any omission, our apology, again our sincerest *THANKS*.

## TOWN OF UNITY PLANNING BOARD REPORT FOR 1992

The Unity Planning Board was kept busy in the last year with a few subdivisions and annexations. The numbers we worked on is listed along with the financial report.

In January of 1992 we began to think about updating our Master Plan, but we needed some help. We talked with Upper Valley Planning and decided to do a questionnaire to get more input. This was done and the results were tabulated. Looking at the results it was clear that Zoning should be first on the list. We changed our line of thinking to Zoning and will do the Master Plan later.

Going over the old zoning ordinance we took out some sections that people objected to. This makes the new ordinance a lot thinner (nine pages) and hopefully more acceptable for Unity.

There is one thing we want to make clear. The Planning Board can not ammend the Zoning Ordinance without having a Public Hearing first, and putting an article in the warrant for Town Meeting.

The board spent many extra hours on this new ordinance with help of Upper Valley. Also we would like to thank the people who were not on the board for all their help and input.

We do need something for the Town of Unity and hope you will look favorable on this new ordinance.

## UNITY POLICE DEPARTMENT 1992 REPORT

As we come to the end of the year we have seen 2 changes that affect the Police Department:

#1 is the changing of dispatch services to the Claremont Public Safety Communications Center. This change has made it easier for residents to have access to one of the officers. This change has also made it easier for the officers to get information needed from the State Police Telecommunications System and also use of the in-house computer system for doing reports and arrest info. A number of residents with the Claremont telephone exchange has also used the 911 system in emergencies.

#2 came late in the year with the resignation of Jerri Bruno as Dog Officer and the hiring of William "Buzzy" Raymond to take her place. Since taking over in November he has been somewhat busy as you will see in his report. If you need to contact him, contact the dispatch center via the regular number and he will call you back.

1992 showed an 8.1% increase in calls, with no major crimes or incidents. Again, this is due to the preventive patrol work conducted by the officers.

A lot of times the question is asked of the Board of Selectmen or myself as to Unity residents being stopped by officers and receiving a traffic summons or warning. When an officer is hired he/she takes an oath of office stating that he/she will uphold the law to the best of his/her ability. On issuing any type of summons or warning he is enforcing the laws which he swears to uphold no matter who is involved. We would advise residents like anybody else to use a little extra caution and care when travelling throughout town and you will not put the officer in the situation to stop you for some type of violation.

Again it as been an honor for us to serve the town and look forward to serving you in 1993.

We ask for you support of our budget request.

Yours in Safety,  
Barritt C. Bodkins,  
Sergeant/Officer in Charge  
Andrew S. O'Hearne,  
Patrolman

Report of Town Forest Fire Warden and State Forest Ranger

1992 was below average for wildfires reported in our state. Our largest fire was in May in Rumney where a suspicious origin fire burned approximately 150 acres with a total cost of approximately \$30,000. The N.H. Division of Forests and Lands assisted many other communities in wildland fire suppression as well.

Our fire lookout towers reported 289 fires, burning a total of 136 acres. Our major causes of fires were fires kindled without a permit, unknown causes and children.

Please help your town and state forest fire officials with fire prevention. New Hampshire State Law (RSA 224:27) requires that, "No person, firm or corporation shall kindle or cause to be kindled any fire or burn or cause to be burned any material in the open, except when the ground is covered with snow, without first obtaining a written fire permit from the Forest Fire Warden of the town where the burning is to be done." Violation of this statute is a misdemeanor, punishable by a fine of up to \$1,000 and/or a year in jail and you are liable for all fire suppression costs.

Local fire departments are responsible for suppressing fires. The small average fire size of .47 acre/fire is a tribute to early detection by the public or our fire tower system and the quick response of our trained local fire departments. Please help your Warden and Fire department by requesting and obtaining a fire permit before kindling an open fire.

The N.H. Division of Forests and Lands assisted 28 towns with a total of \$20,000 in 50/50 cost share grants for fire fighter safety items and wildland suppression equipment in 1992.

If you have any questions regarding New Hampshire forest fire laws, please contact your local Forest Fire Warden, State Forest Ranger, or Division of Forests and Lands at 271-2217.

**Chief's Report**

We would first of all like to thank all the people that responded to our fund raising news letter. We would also like to thank Club 62 members for help with the payment of the new truck (which is now eight years old).

The Rescue Squad (fire fighters) completed and passed their Advanced First Aid, First Responder Course, CPR Course, and Ambulance Attendant License. The department has been credited with a total of over 650 hours of approved training. The members also participated in over 400 hours of work details. Also, this year the vinyl siding project on the building was completed. In 1993 we hope to re-roof the firehouse.

We responded to 65 calls this year. Most of the calls were medical related or automobile accidents. In 1993 we plan to take EMT courses and new members would like to attend Level One Fire Fighting Course. We are always willing to assist any member of the community whether your needs are emergency related or not. Much of the growth of the department could not have been done without the support of the Unity residents and many others who show interest in our affairs. If you think we can help you, give us a call or stop by the station.

## UNITY FREE PUBLIC LIBRARY LIBRARIAN'S 1992 REPORT

Upon comparing statistics from 1991 and 1992, we are seeing an increase in: visitor participation, new patrons, books loaned, inter-library loans and videos loaned.

These statistics are available at the library if you would like to see them.

Anyone is welcome to come in and see monthly reports and most certainly, anyone is welcome to come to the Trustees Meetings, held the first Monday of each month, at the Unity Free Public Library, at Seven (7) p.m.

On May 2, 1992 we held our annual rabies clinic. It was a bit late this year, and many clinics had been held in neighboring towns, but the veterinarian thought that maybe this is why we had the turn out that we did. People who couldn't get to others, hit ours. We had seventy two (72) animals, both cats and dogs for the clinic. The clinic is sponsored by: The Friends of the Library.

The Trustees and Librarian want to thank Gador Hudson who always helps out at this event.

The Summer Reading Program gave us six (6) enthusiastic children and their parents, who participated in the program. We had one (1) elementary student and five (5) pre-school children. These children and their parents read seventy (70) easy readers and four junior fictions. This was all followed by a picnic in the park, in Unity, with hamburgers and all of the fixings, and the kids helped churn homemade ice cream. But! !! it did not stop there. Out of this came the program that is in progress every Saturday a.m. 10:30 to 11:00. One Saturday I read to those who come in, and the next week we see a video. Great fun.

On November 1, 1992 the Unity Library enjoyed an Open House to celebrate the 100th Anniversary of the Unity Free Public Library, 1882-1992. I contacted the Historical Society and invited them to host the occasion. They accepted and nostalgia hit the village. It was so nice. Thirty-five visitors turned out. This included the librarian from Lempster, the librarian from Dublin, N.H. and a Trustee from Charlestown, N.H.

The library was presented with a check for \$1,000.00 from the Reed brothers, and jointly the Trustees and Librarian decided to use this as a seed to start a New Library Fund, that anyone can donate to in the future. Many, many thanks to the Reeds.

Last year I had reported to you that I am attending the School of Life Long Learning at Keene State College, and at that time I had taken: Purchasing and Weeding--end mark--B+, Reference--end mark B+, and since, I have taken Cataloging--end mark B, and in December 1992 I

completed Programming with the end result of an A. I have three more courses to take, and I will have earned my Certification. The library work is a proud thing that I do. Many thanks to the Trustees, and Town for allowing the funds for my schooling. Education is worth its weight in GOLD.

Please drop into the library, and enjoy its rewards.

I would also like to thank John Fontaine for the videos that he has done and given to the library, for your enjoyment. They are of Old Home Day in Unity.

I would like to thank the Unity Volunteer Fire Department for giving rides on the fire trucks at the picnic of the reading program.

**ANIMAL CONTROL REPORT FOR 1992**

As of December, all strays and unlicensed dogs picked up whose owners could not be found, will be held by Wendell Vet. (863-3631) for seven days. To claim these animals, the owner shall show the Vet their dog license and pay the facility the fee to maintain the animal and any necessary veterinary fees.

For the month of December, I had eleven calls and transported one stray to Wendell Vets.

I can be reached thru Claremont Police Dept. at 542-9538 or Sullivan County Sheriffs Office at 863-4200.

Respectfully submitted,  
William P. Raymond, Jr.

## TOWN OF UNITY CEMETERY REPORT 1992

This was a busy year in the cemetery department.

One half of the fence at the Center Cemetery was replaced and painted.

The cemetery department wants to thank the local 4-H club for doing the painting. It is greatly appreciated.

All of the cemeteries have name signs now. Most are up, and the others are all finished and will be put up as soon as the ground is so that I can do so.

Center, East Unity and Quaker Cemeteries all have water barrels and trash barrels out during summer months.

On the backs of the cemetery name signs, you will find the cemetery rules.

I managed to get a few grave sites filled with loam and seeded and plan to continue this practice in 1993.

This next season (1993) I plan to get the other half of the fence done at the Center Cemetery.

Many thanks to the Reed Brothers who gave the cemetery department \$1,000 to do work on the Hearse House at the Center Cemetery.

Tentative plans are underway at the time of printing of this report, to begin work as soon as weather will allow.

Respectfully submitted,  
Ron Lique,  
Sexton

## HISTORICAL SOCIETY 1992

In this our ninth year, of the Unity Historical Society, we're looking forward to occupying a room in the newly renovated Town Hall. Here we can house our memorabilia which has been given to us. For this purpose Clyde Quimby has presented us with a glass showcase in which we can display many of these items that all Unity townspeople should find interesting, as well as informative.

We have been fortunate this year in so far as gifts are concerned. The Reed family (Charles, Edwin, Frank and Ralph) made us a generous gift of one thousand dollars for which we are very grateful.

Once again we had a very successful Old Home Day held July 24th, under the capable supervision of Tyyne Cox. As in previous years the Volunteer Fire Department, the Antique Tractor Club, the school board, the 4-H Club and the P.T.C. all cooperated with us. Certificates of recognition were presented to Rita Bouchard, the oldest resident present; to Clifford Stone, the oldest native present; and to Clyde Quimby, the oldest person born in Unity but no longer a resident, also present. We enjoyed entertainment provided by Joe Jennings with Country music accompanied by Andrew Callum on the washtub, Fiddler's music and Rich Baron band. Awards for the best in the parade were in the form of ribbons donated by Audrey Shepard in memory of her husband, Robert Shepard. Supper was provided by the 8th grade class of '93. A grand finale to the day was the dance at the Unity Fire Station, enjoyed by a record crowd. Music was provided by Jerry Serem and friends County Band.

Once again we want to thank Clyde Quimby and the Reed brothers for their generous gifts.

We would like to remind all residents of Unity that they are welcome to attend our meetings held the second Thursday of the month, at the home of Loraine Light.

Respectfully submitted,  
Loraine Light, President  
Tyyne Cox, Vice President

**OVERSEER OF WELFARE  
1992 REPORT**

Annual Budget Report Fiscal Year 1992:

Food Pantry	200.00
Rent	3,400.00
Fuel Assistance	84.00
Electricity	158.26
Child Assistance	40.00
Sullivan Housing Coalition	<u>420.00</u>
 Total:	 4,302.26
 Budget:	 <u>-3,500.00</u>
Over Budget:	-802.26

Monies were given to the Goshen Food Pantry to help support their food pantry efforts. Several Unity residents have benefited from this service and the relationship saves both Goshen and Unity money by buying bulk surplus.

Food baskets were donated by the Unity Mountain 4-H Club again this year. Several baskets were distributed to residents in need for Thanksgiving. Other food baskets were distributed by the Unity Volunteer Fire Department, and the Unity and State Police.

Many Thanks to the Unity 4-H, the Fire Department, and to the Police for their thoughtful gifts. This spirit of giving brings hope and good feelings to the many residents of Unity who are experiencing difficulty in their lives as a result of harsh economic times.

Respectfully,  
Rodney Minckler,  
Overseer of Welfare

## CONSERVATION COMMISSION REPORT FOR 1992

The Conservation Commission has worked diligently with the County Commissioners, County Delegation, Selectmen and the Society for the Protection of N.H. Forests to acquire a conservation easement on the Mills Place, including Marshall Pond in the north end of town. This was achieved November 10, 1992 with the signing of the easement thereby protecting 230 acres of public land from development for future generations to use and enjoy. Many thanks to John Fontaine who video-taped the signing and later video-taped the area. He plans to give a copy of the video to the Library and Historical Society for future reference.

We have purchased the new laws for the Conservation Commission manuals so we may remain up-to-date.

Chairman Evelyn Page and Barty Flanders attended a seminar on Shoreline Protection. Information collected included an aquifer map of Unity which is on file in the town office for anyone's perusal with permission of the Selectmen or the Planning Board. Our future goals still include a survey of a town owned lot on Crescent Lake, and to map all lots owned by the town and to place in a binder for future reference.

Our meetings are once a month, usually on Thursday, wherever we can meet, sometimes in a home, parking lot or right on site. We are a comparatively new Conservation Commission, but we feel, this year especially, that we have accomplished a great deal at very little cost to the taxpayer.

We ask you to support a budget appropriation for \$1,000 and also two other articles presented in the warrant.

As our responsibilities grow so do our needs for more members. Present members include Chairman Evelyn Page, Secretary Ethel Jarvis, Jenny Wright, Barty Flanders, Leon Dombroski, and Carol Dombroski. Anyone wishing to join us please contact Evelyn Page.

Respectfully submitted,  
Ethel Jarvis,  
Secretary

## CONSERVATION REPORT 1992

On November 10, 1992, the County of Sullivan granted the Town of Unity a Conservation Easement on the property referred to as the Mills Place on Mica Mine Road in Unity. The parcel encompasses approximately 230 acres and includes Marshall Pond.

The purpose of the conservation easement is to preserve the land and protect the watershed area and water body of Marshall Pond. The preservation of the 230 acres of productive farm and forest land as well as Marshall Pond will provide the general public an area for outdoor recreation and open space for scenic enjoyment. This area will also be preserved for agriculture, forestry and wildlife habitat. This protects the parcel specifically from development, excavation, mining and dumping.

The County of Sullivan retains ownership of the parcel and rights to use the water from Marshall Pond, but they have insured that this valuable resource will remain unspoiled in perpetuity. If the property were to be sold, the easement would remain with the property and one single-family residence with customary outbuildings would be allowed. The Society For The Protection of New Hampshire Forests has been named as back-up executory interest holder to further insure this easement. The Town of Unity has the right of first refusal on the property.

The Conservation Committee worked over one year negotiating with the County Commissioners, County Delagation, Society for the Protection of New Hampshire Forests, Town Selectmen and Council writing and re-writing this easement.

The vote at last year's Town Meeting was an essential step in reaching our goal for the Town of Unity. Thank you for your support.

**SULLIVAN COUNTY HOSPICE, INC.  
1992 REPORT**

Sullivan County Hospice has been in existence since 1984. We are a volunteer agency, governed by a board of directors. The board of directors is comprised of 11 members all of whom reside in Sullivan County.

Our goal and purpose is to provide practical and emotional support to terminally ill patients and their families within Sullivan County. The majority of our patients are home hospice patients. They have decided to remain at home under the care of their families and we provide most of our services in that setting. However, we are flexible enough to follow and serve patients and families in the hospital or nursing home setting as well. Our volunteers are fully trained in areas such as death and dying, active listening, universal precautions, and grief. A few of the ways our volunteers might provide practical support include respite for caregivers, running errands, light meal preparation. These volunteers provide emotional support to both the patient and the family by being available to them, by listening, reassuring and encouraging.

Our referrals come from doctors, nurses, visiting nurse associations, discharge planners, and from family members or patients themselves. Our only requirements for service are that the patient be terminally ill and that they reside in Sullivan County. We accept all referrals on that basis and there is never a charge for our services. We did not have any referrals in the Town of Unity in 1992. However, our services were available to the people of Unity.

In addition to providing volunteer services Sullivan County Hospice offers a bereavement support group and a cancer support group. Each of these groups meet twice monthly and are open to anyone. We maintain a loan closet with hospital beds, walkers, commodes, and other equipment that is useful in the home setting. These are loaned at no charge and in some cases this service helps considerably to keep out of pocket expenses lower for the patient. All of these services are available to the residents of Unity.

We thank you in advance for your consideration. We hope that you will continue to support our work with your financial contribution, as we continue in our efforts to support the terminally ill and their families in Sullivan County.

Sincerely yours,  
Catherine C. Studley  
Director

## INDEPENDENT AUDITOR'S REPORT ON FINANCIAL PRESENTATION

To the Members of the School Board  
Unity School District  
Unity, New Hampshire

We have audited the accompanying general purpose financial statements and the individual fund financial statements of the Unity School District as of and for the year ended June 30, 1992, as listed in the table of contents. These financial statements are the responsibility of the School District's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1B, the general purpose financial statements referred to above do not include the General Fixed Assets Account Group, which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Assets Account Group is not known.

In our opinion, except that omission of the General Fixed Assets Account Group results in an incomplete presentation, as explained in the above paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Unity School District as of June 30, 1992, and the results of its operations for the year then ended in conformity with generally accepted accounting principles. Also, in our opinion, the individual fund financial statements referred to above present fairly, in all material respects, the financial position of each of the individual funds of the School District as of June 30, 1992, and the results of operations of such funds for the year then ended in conformity with generally accepted accounting principles.

## SUPERINTENDENT'S REPORT

On January 4, 1993, I assumed the position of Superintendent. In my short tenure, I have been impressed not only with the staff and the principal of Unity School, but also with the quality of the education they are imparting to the children of Unity. Their dedication and commitment to the children is in evidence everywhere in the building. I am also impressed with the Unity School Board and their efforts, in these difficult financial times, to do the right things for the children in their budget deliberations and decisions. It's not an easy task.

We are also in difficult times in this nation, a time when all of our decisions will have a serious impact on our future. And there is agreement everywhere that the answer to a positive change in our economic future depends upon well-educated citizens, citizens able to adapt to constant change and the requirements of the information age. So what we ask and want for children in regard to their education will also eventually benefit all of us.

We will continue to be strong advocates for your children and ask for your continued support to provide what is necessary to prepare them for the new century ahead. In Unity, this means we must consider providing a kindergarten for our children to give them an important early start so that they will have the same educational advantages as other children.

In addition, given the needs of today's children and families, Unity needs a full-time principal who will be able to devote his time not only to meeting the every day needs of the school, but also to having the opportunity to do long-range planning and problem-solving with the staff. The school has so much potential for excellence that should be utilized to the fullest.

As a community you have supported your school by being involved in its activities and by supporting school budgets. We are aware of your concerns about costs and will be diligent in ensuring that we keep them contained and reasonable. Most important, however, is that we work together to provide the best education we can. Your children deserve our best efforts. I pledge you my personal commitment to that end.

Respectfully submitted,  
Barbara H. Krysiak, Ed.D.,  
Superintendent

## ASSISTANT SUPERINTENDENT'S REPORT

In June 1992, I assumed Mary Bell's position as the Assistant Superintendent for the 1992-93 school year. Without question, this experience over the past 8 months has been one of the most challenging, yet rewarding times for me during my twenty-four years in education. At the close of school in June, Mrs. Carole Schuschu resigned her position as principal of the Unity Elementary School. A Search Committee composed of School Board Members, teachers, parents, and myself spent most of the summer finding the right person for that position. In late August, Mr. Thomas Dimitriadis accepted the position as a teaching principal of the Unity Elementary School. In addition, several professional and paraprofessional staff positions were filled, a never-ending list of summer projects and a host of administrative tasks were all completed prior to the opening of school. It should be noted that endless hours were spent this last summer by all factions from the Unity School Community to launch the school into a most productive year.

During the fall and winter months, agreements with the Unity Education Association were signed for the 91-92, 92-93, and 93-94 school years; this accomplishment should be attributed to both the UEA and the School Board for the time they spent in deliberation. Not to be overlooked or understated, the fact is that the Unity Elementary School has adapted very well to the leadership of the new principal, Mr. Thomas Dimitriadis. He has brought a spirit of cooperation and vision that has significantly enhanced the learning environment. If the Unity Elementary School has the opportunity to develop under the present staff and administration, I believe the citizens of Unity will have a lot to cherish and look forward to in their school.

John W. Caldon, Ed.D.  
Assistant Superintendent

## UNITY SCHOOL BOARD REPORT 1992

The 1992 year was very busy for the Unity School Board. During this time we attended many meetings and interviews. We hired Dr. Barbara Krysiak as Superintendent of SAU #6; Dr. John Caldon as Assistant Superintendent of SAU #6, and Thomas Dimitriadis as the new principal at Unity School. Dr. Caldon serves as Unity's Superintendent and has been very helpful in coordinating business between the board, the principal and the SAU. The Board has great faith in his abilities.

In early August Mr. Dimitriadis came to the Unity School as our teaching/principal. He teaches the eighth grade half-time; supervises/evaluates staff; and also acts as guidance counselor, emergency custodian, nurse and curriculum coordinator. He must also attend meetings and go to court when necessary. The board feels that his many responsibilities make it essential that this position become full-time in 1993-94. For these reasons, we have included it in the budget as well as a half-time teaching position to replace him in the eighth grade classroom. We urge you to support this initiative.

Once more the State of New Hampshire in all its' wisdom has seen fit to lower the amount of Foundation Aid that Unity will receive for the support of our children's education. We expect the amount to be around \$104,420, which is \$72,448 less than last year. This is happening at a time when we are experiencing large increases in special education costs which makes it doubly difficult to provide the very best education for all our children. We have a very dedicated staff that works hard with very little reward for their efforts. The Board is very fortunate that staff turnover has been low for the past five or six years.

At a special meeting held in November, a request for funds to cover unexpected Special Education costs was defeated by a narrow margin. We will be asking for this funding once again in March although the amount needed has been reduced. These expenditures are required by law and we have no control over them. We are responsible for special education from age three to twenty-one.

On a happier note we are pleased to acknowledge a gift of \$1,000 from the Reed Family (Ed, Charles, Ralph and Frank). this money is to provide for a Unity child with a special need that cannot be met by his family. The fund will be administered by the principal and the Board. We appreciate the generosity of the Reed family and their faith in Unity School and its' children.

The Board urges all members of our community to attend our regular board meetings held the second Monday of every month at 7:00 p.m. at the school. Come and visit your school and see all the great things our teachers and students are doing; this is where your tax dollars are going. The school is the center of our community and is educating the future leaders of Unity, the State and the United States. They deserve your support.

Respectfully submitted,  
Unity School Board

**PRINCIPAL'S REPORT  
1992-1993  
SCHOOL YEAR**

The year began with my hiring in August of 1992. A total of ten new faces have filled the positions of teaching principal, secretary, part-time eighth grade teacher, library aide, two special education aides, a music teacher, a physical education teacher, a noon aide, and a kitchen manager.

Students continued to benefit from the field trips to the Sullivan County Nursing home and the Hulburt Center in Vermont. We continued to recognize our students through our student-of-the-month program and their participation in the spelling and geography bees.

The PTC sponsored a pot luck supper and fund raising for our winter activities program. Students enjoyed skiing or bowling and in-school activities for six consecutive Mondays through this program.

Students in grades five through eight had an opportunity to work on their self-esteem with Nick Stamas from the counseling center. This opportunity was provided by an SAU Drug Free Schools Grant.

Jane Elliott wrote a successful Chapter II Grant that provided for health education for all the students, and physical fitness for the "At Risk Students". Janet King organized the jump rope for heart activity for grade one to four students. The peer outreach program expended to reach more students through the efforts of Robin Grumman. Tina Lawrie organized a successful book fair in the fall.

The school hosted an open house in October and provided a number of activities for parental involvement during American Education Week in November. In all, the students were able to realize a number of experiences and activities because of the hard work and dedication of this staff.

In order for the Unity Elementary School to move forward into the nineties and the twenty-first century it is my hope that a number of essential services and programs will be available to meet the needs of all our students.

I'm looking forward to the challenges and opportunities that the 1993-1994 school year will bring.

Respectfully submitted,  
Thomas G. Dimitriadis,  
Principal

## UNITY SCHOOL NURSE REPORT 1992

During the 1991-1992 school year, I spend four hours each week at the Unity Elementary School. The student population ranged from 126 to 117 over the course of the school year.

Vision and hearing screenings were completed on all of the students. Students who failed the first screening were screened a second time at a later date. If at that time they failed the screening they were referred to their private physician or the school clinic for a complete exam. The total number of students screened was 126. Of this 18 were referred for vision and 6 for hearing consultation.

Scoliosis screenings were performed for 55 students. Of these 21 were found to have a curve in the spinal vertebra of less than 5% (not clinically significant) and six students were referred to their private physician for a curve of greater than 5%.

Immunization surveys were completed and sent to the State of New Hampshire, Division of Public Health. This survey included all first and seventh grade students as well as any student that transferred into Unity from another District or State. At the time of this report all students enrolled at Unity Elementary School were immunized in accordance with NH State law. Parents were notified of immunization requirements for students entering the seventh grade in the fall of 1992; a second measles, mumps, and rubella, (MMR) vaccine.

During the school year a total of 74 visits were made to the nurse for complaints related to illness. There were twenty-eight visits for injuries. One student required ambulance transportation to Valley Regional Hospital after an injury. Fifty-two parent contacts regarding health services were made and six physicians contacts for health care planning were made.

Pediculosis checks were completed for every child in school at the beginning of the school year and after each school vacation. Again this year Unity continues to enjoy a very low incidence of pediculosis (head lice).

If questions should arise concerning the health of a child at Unity Elementary School I am available at the school on Wednesday mornings.

Respectfully submitted,  
Joella Merchant, R.N.  
School Nurse

## NUTRITIOUS MEAL PROGRAM 1992 REPORT

For the 1992 school year the students of Unity School were provided an average of 73.3% nutritious meals per day. A total of 13,281 meals were prepared and served under the guidance of Carol Gregory, Marge Smith, and Mary Ruggles, to whom the District is indebted.

Free lunch served:	3,409 average 18.8%
Reduced lunch served:	2,219 average 12.2%
Paid lunch served	7,262 average 40.1%
Teachers lunches served:	491 average 2.7%
Full total:	13,281 average 73.3%

As always the lunch program encourages suggestions and comments in order that we may improve this program.

**ANNUAL SCHOOL DISTRICT MEETING  
UNITY, NEW HAMPSHIRE  
MARCH 3, 1992**

Minutes of the the Annual School District Meeting held on March 3, 1992 at the Unity Elementary School, Unity, New Hampshire. At 5:00 p.m. the Warrant was read in its entirety by the Moderator, Fred Hall Sr., and the polls were declared open to act upon Article I of the Warrant: "To elect a Moderator, Clerk, Treasurer for a one-year term and to elect one member of the School Board for a three year term."

At 7:25 p.m. the Moderator called for a pledge of allegiance. Mr. Hall asked that Mrs. Bellimer introduce those sitting to her right, adjacent to the head table (Superintendent of SAU #6 Karen Angello; Assistant Superintendent Mary Bell; Business Administrator John Aubin; Director of Special Education Carmen Young and Unity Principal Carole Schuschu). Mr. Hall reviewed rules of the meeting.

ARTICLE II. Loraine Light presented the following motion and moved its adoption: "That the District hear the reports of Agents, Committees or Officers chosen and pass any vote relating thereto." Donald Morse seconded. Motion passed.

ARTICLE III. Mary Ellen Bellimer presented the following resolution and moved its adoption: "That the District raise and appropriate \$817,291 for the support of the schools, for the salaries of District officials, agents, and employees, for the payment of statutory obligations, and to authorize the application against said appropriation of such sums as are estimated to be received from the State equalization fund and building fund, together with other income, the School Board to certify to the Selectmen the balance between the estimated revenue and the appropriations, which balance is to be raised by taxes by the Town." Donald Morse seconded. Mrs. Bellimer reviewed the budget. There were some questions from the floor about SAU funding, the AREA agreement, and tuition. By voice vote the motion passed.

ARTICLE IV: Mr. Morse presented the following resolution and moved its adoption: "That the District authorize the School Board to apply for, accept and expend, without further action of the School District Meeting, money from any source which becomes available during the fiscal year, as set forth in RSA 198:20-b, provided that (1) such money is used for legal purposes for which a school district may appropriate money, (2) the School Board holds a public hearing on the expenditure of such money before it is expended, and (3) the expenditure of such money does not require the expenditure of other School District Funds."

Lorraine Light seconded. Article passed.

ARTICLE V: The Moderator read Article V: "That the District transact any other business that may legally come before this meeting." Mr. Jim Romer moved that the District thank the students of Unity Elementary School for the magnificent decorations of Greek Gods and Goddesses. John Phelps seconded. Motion passed. John Callum, Jr. moved that the budget in next year's report include an additional column showing actual expenditures of the last full fiscal year completed. Jim Romer seconded. Motion passed. Mrs. Light moved Article V, Mr. Morse seconded. Article passed.

Motion to Adjourn was made at 8:35 p.m.

After tabulation of the balloting on Article I, the Moderator read the results of the District's vote. There were fifty-three (53) ballots cast. SPECIAL SCHOOL DISTRICT MEETING  
NOVEMBER 23, 1992**

Minutes of the Special School District Meeting held on November 23, 1991 at the Unity Elementary School, Unity, New Hampshire. At 7:05 p.m. the Moderator, Fred Hall, called the meeting to order. After the Pledge of Allegiance and an explanation of ground rules, the Warrant was read in its entirety by the Moderator. The Moderator announced that there had been a written request for ballot vote on both Articles, signed by 5 registered voters, and that that request would be honored.

**ARTICLE I.** To see whether the voters of the District will vote to appropriate \$76,676 as required to fund special educational costs not provided for within the 1992-1993 school operating budget.

Mr. Morse moved the article, Mrs. Bellimer seconded.

Members of the panel were introduced by Board Chairman Mrs. Bellimer. They were John Aubin, Business Director for SAU #6; Mike Harris, Director of Student Service for SAU #6; and Dr. Jack Caldon, Interim Assistant Superintendent for SAU #6.

Discussion of the article lasted until 8:27 p.m., when motion to move the question was made and seconded, and approved by voice vote. The District was then directed to vote by ballot on Article I.

**RESULTS** of ballot vote on Article I were: 123 votes cast, 59 yes and 64 no votes. **ARTICLE FAILED.**

**ARTICLE II.** To see whether the voters of the District will vote to appropriate \$8,451.64 to fund the salary increases as agreed to in the 1992-1993 Master Agreement by the Unity School Board and the Unity Education Association.

Mary Ellen Bellimer moved, Loraine Light seconded Article II.

During discussion an amendment was made by Leo Duranlo, seconded by Mr. Prokop "To freeze and not raise \$8,451.64." When motion was made to move the question, Mr. Duranlo and Mr. Prokop rescinded the Amendment. By voice vote the District agreed to move the main Article II at 9:24 p.m.

**RESULTS** of ballot vote on Article II. 110 votes cast, 77 no votes and 33 yes votes. **ARTICLE FAILED.**

The Moderator concluded the meeting at 9:45 p.m.

Respectfully submitted,  
Gata B. Hudson  
Unity School District Clerk
