C. B. AVERILL,
 MRS. FLORA A. COTTON, } School Board.
 ARCHIE A. HEAD,

THE SCHOOLS

TO THE CITIZENS OF WARREN SCHOOL DISTRICT:

Your School Board has worked faithfully and to the best of their ability for the interest and advancement of the schools in town. Have maintained schools at Warren Summit, East Warren, Ore Hill and Warren Village. The school at the village will have thirty-six weeks, the others thirty-one.

We were pleased that we succeeded in our efforts to have our two years' course of High School approved by the State Superintendent, believing that it is a long step in the right direction and means much for the best interests of our young people and our town. State Superintendent H. C. Morrison was very kind and helpful in advising about the work.

The state program of studies is being followed in the four rooms at the Village school, making the work uniform in all the grades, and is also used in the other schools as far as practical.

We wish to thank the Womans' Club for their generous donation of five dollars toward the purchase of a typewriter for the High School; Mr. F. C. Clement for adding books to the library for the High School; Mr. C. E. Caswell who gave five dollars, and others who helped to get a new up-to-date dictionary for the school; and last but by no means least, Rev. W. A. Loyne for his interest in and kindly visits to all the schools in town.

Another thing of importance accomplished this year was the building of new sanitary closets at the Village school house.

CLAUSE FROM THE SCHOOL LAWS, IN REGARD TO STATE AID:—"When any district shall employ graduates from a New Hampshire Normal School, or any Normal School in another state of equivalent grade, or persons holding a permanent New Hampshire State Teachers' Certificate, it shall receive a further sum of two dollars per week for every teacher so employed." We have three teachers holding such certificates and expect to have more next year.

The roof of the Village school house must be repaired. (See article in Warrant.) The building, including new closets, should be painted inside and out, to keep it in good condition.

We would be glad if parents would visit the schools, and as far as possible see that the children attend regularly.
