MINOT - SLEEPER LIBRARY**Report of Board of Trustees 1963**

The library is open Monday, Wednesday and Saturday from 1 to 5 and 6 to 9 P.M.

The librarian reports circulation as follows:

Adult fiction	4,336
Adult non-fiction	1,724
Junior fiction	2,348
Junior non-fiction	428
Magazines	1,593
Bookmobile	1,395
Borrowed from State Library	26
New Books purchased	368
Gift volumes	75
Memorial books	6
Increase in circulation over 1962	1,226

The income from the Minnie Jackman Fund supplies the Reading Room with 32 magazines and the Bristol Enterprise.

Our librarian, Mrs. Wilbur Doran, has spent a great deal of time selecting children's books so that we can offer the children new and interesting reading; at the same time we are not neglecting our teenage readers. Your book buying committee has been on the alert all year to select interesting and readable adult fiction and non-fiction. We wish we could get more suggestions about readable books from our library patrons. After all, it is your library and your tax money which supports it and we certainly would appreciate your help. We now have our share of the Shieling books on the shelves. We are still in the buying group with Franklin, Tilton, Belmont and Canterbury which gives us an additional six percent buying power.

We hope you approve and appreciate the new interior paint job and tiled floor. The exterior woodwork now needs paint and we are asking for a modest amount to cover this cost. We have used library money to install a telephone and refinish two chairs and a table. Also we have had to renew some of the electrical wiring.

It was with sincere regret that we accepted Mrs. Donald Lamson's resignation. Due to poor health she felt she could no longer continue. We have appointed Mrs. Curtis W. Mooney to fill her unexpired term. Mr. Storm also asked to be relieved of the Treasurer's job after long and faithful service. Fortunately, Mr. Wilbur Bowen agreed to take over. As you have undoubtedly noticed in the Bristol Enterprise, Mr. Field, the owner, asked us for book reviews. We have done this hoping that we could interest more readers and increase circulation.

BRISTOL MUNICIPAL COURT

During the year 1963 there were 160 criminal cases entered in Bristol Municipal Court. One was a felony and probable cause was found to hold the defendant for Superior Court. One hundred fifty-nine misdemeanors made up the remainder of the criminal cases. Five of these were town ordinance and stop sign violations. Five were fish and game violations, and four were prosecuted by the Employment Security Division. The remainder were traffic violations.

Ten civil cases were entered in court and disposed of. Nine Juvenile cases were entered and two were disposed of, seven cases are pending.

The 1963 Legislature passed the District Court Bill which will make a radical change in the New Hampshire municipal courts. Under this new set up Bristol residents will have to go to Plymouth, as Bristol is in the Plymouth District.

The Legislature made the provision that the towns could vote at the 1964 annual Town Meeting to retain their Municipal Court until the retirement of its present Judge.

Once again I must turn to all sections of the Newfound Region when the list of recreation supporters is compiled. Without the continued faith of our many friends, volunteers, churches, industry, service organizations, school departments and administrators, the task of providing a large and varied program of recreation would be unsurmountable.

Credit must be extended to all individuals and organizations who frequent the Community Center for various events. Because of their willingness to cooperate, close scheduling can be accomplished with a minimum of hardship to all concerned.

Because of their annual contributions of land and equipment, we tend to forget the wonderful cooperation we receive from N. H. Morrison & Sons; Mr. and Mrs. Morton Cavis for the water-front property; the Slim Baker Fund for Outdoor Living, Inc. for the 125 acres of land to conduct the summer day camp program; Curtis Mooney, Raymond Morrill, and Mr. and Mrs. Lawrence Huntoon, for the Turnpike Ski Area. To these people go the deepest appreciation from not only the Recreation Department, but from all friends of recreation in the Newfoundland Region.

Each year a record is kept of meetings held at the Community Center. They are divided into two categories consisting of department sponsored events and those sponsored by clubs and organizations. During 1963 recreation sponsored meetings totaled 979 and non-recreation schedulings added up to 891. These figures compare with 893 and 836 for 1962. Forty different groups met at the Community Center during the twelve month period with the majority scheduled from September to May. Total participant attendance has climbed to over 36,000 which is the third consecutive substantial increase.

A detailed report covering all recreation activities may be obtained in local stores or upon request at the Community Center.

SUPERINTENDENT'S REPORT

I am pleased to present this brief report, the last of a Superintendent to the Bristol School District, as such. The voters of the District are to be congratulated on the spirit which has made the Newfound Area a truly cooperative School District.

Several improvements have been made in the schools during the past year. Curtains have been hung at the south windows of the High School gymnasium. Fluorescent lights have been installed in the last classroom in the Elementary School. We have painted more rooms in this building and replaced old water pipes and toilet flushing mechanisms. A small lot adjacent to the Elementary School has been purchased but has not yet been developed.

We have introduced a new method of teaching reading. Based on phonics, but with a new approach, this system can be used with any series of reading books. Our experience so far indicates that pupils will have larger vocabularies, will read faster and understand better that which they read.

Modern mathematics is now being taught in the first three grades and is being included in the content of the high school curriculum.

The situation at Memorial High School is a trying one. The school is badly overcrowded, with rooms too full and substandard areas being used for classrooms. The noise and confusion of construction adds no little to the problems of teachers and pupils alike. We can only say with some sports fans, "Just wait until next year."

I want to thank the members of the School Boards with whom I have worked. Their cooperation and devotion to the welfare of the children of the community are deeply appreciated.

Respectfully submitted,

Edward H. Currier
