Article 2. To see if the Town will vote to authorize the Selectmen and the Town Treasurer to borrow money on the credit of the Town in anticipation of taxes.

A motion to accept Article 2 as printed, passed.

Article 3. To see if the Town will vote to raise and appropriate the sum of \$50.00 for the support of the Monadnock Region Association or take any other action relating thereto.

A motion to accept Article 3 as read, denied.

Article 4. To see if the Town will vote to raise and appropriate the sum of \$641.25 in Support of the Monadnock Family and Mental Health Services.

A motion to accept Article 4 as printed, passed.

Article 5. To see if the Town will vote to raise and appropriate the sum of \$2,494.08 in support of the services of the Home Health Care and Community Services.

A motion to accept Article 5 as written, passed.

Article 6. To see if the Town will vote to raise and appropriate the sum of \$856.00 as the Town's share for the studies and operations of the Southwestern New Hampshire Regional Planning Commission.

A motion to accept Article 6 as printed, passed.

Article 7. To see if the Town will vote to authorize the Selectmen to apply for, negotiate for, contract for, accept and do all things necessary to obtain such Federal, State or other assistance (financial or otherwise) as may be available to the Town.

A motion to accept Article 7 as read, passed.

Article 8. To see if the Town of Harrisville shall call upon the Governor and Executive Council, its State Representative, and State Senator to promptly convene a Special Session of the Legislature for the sole purpose of preventing the imposition of huge cost increases in electric rates resulting from the Seabrook Nuclear Power Plant on the citizens, businesses, schools, and agencies in the Town of Harrisville, and to direct the Selectmen to promptly notify our above listed elected officials of the Town's desire. (By petition.)

A motion to accept Article 8 as printed, passed.

Article 9. To see if the Town will vote to have the road known as Silver Road be posted at the speed limit of 20 miles per hour. (By petition.)

A motion to accept Article 9 as read, passed.

Article 10. To see if the Town will vote to appropriate and authorize withdrawal from the Federal Revenue Sharing Fund for use as setoffs against budget appropriations in the amount indicated; further to authorize the Selectmen to make pro-rata reductions in the amounts if the estimated entitlements are reduced, or take any other action hereon:

Appropriation	Estimated Amount
Highway Maintenance	\$7,883.00

A motion to accept Article 10 as read, passed.

Article 11. To see if the Town will vote to raise and appropriate the sum of \$3,500.00 to be spent at the discretion of the Selectmen to defray legal and other expenses which the Town may incur in pursuing its position as adopted at Town Meeting in March 1977 relative to a Route 101 relocation through Harrisville. Such monies will be returned to the General Fund in the event that it is not expended for the intended purpose.

A motion to accept Article 11 as printed, passed.

Article 12. To see if the Town will vote to raise and appropriate a sum not to exceed \$10,000.00 to purchase a suitable equipped police cruiser. Funds to be raised by raising \$3,000.00 by taxes in 1984 and to authorize the Selectmen to withdraw \$7,000.00 from the Capital Reserve Fund.

A motion to accept Article 12 as read, passed.

Article 13. To see if the Town will vote to raise and appropriate a sum not to exceed \$42,000.00 to purchase a truck for the Highway Department. Funds to be raised by raising \$10,000.00 by taxes in 1984 and to authorize the selectmen to withdraw up to \$32,000.00 fro the Capital Reserve Fund.

A motion to accept Article 13 as read, passed.

Article 14. To see if the Town will vote to raise and appropriate a sum not to exceed \$100,000.00 to construct a new fire station. Funds to be raised as follows; to raise \$25,000.00 in 1984 taxes; the balance of \$75,000.00 to be raised by the issuance of five equal notes of \$15,000.00 each, the first note coming due in 1985 and one note coming due each year for a period of four years thereafter.

To further authorize the Selectmen to determine the date and place of payment of such notes and to determine the rate of interest thereon and to take such other steps as may be necessary to negotiate such notes as shall be to the best interest of the Town of Harrisville.

A ten minute adjournment was in the affirmative, so a plan for an enlarged existing Town Barn, to serve both as Highway Department and Fire Station could be viewed by everyone.

Polls closed at this time. 8:30 p.m.

Meeting resumed at 8:40 p.m. at which time a motion was made: To have action on this Article 14 postponed and considered at a recessed meeting of this Town Meeting to be held on May 22, 1984 at 7:30 p.m. at the Wells Memorial School and at that meeting to hear and discuss other alternative plans for a new fire house, and be voted by paper ballot.

Results of ballot 53 Yes 83 No

Motion for amendment of this article failed.

A motion to amend Article 14 to read: To see if the Town will vote to raise and appropriate a sum not to exceed \$100,000.00 to construct a new fire station. To be specific to Town Barn sight. Proposal presented at the 3-12-84 Town Meeting, the total price of \$100,000.00 to include land acquisition. Funds to be raised as follows: To raise \$25,000.00 in 1984 taxes; the balance of \$75,000.00 to be raised by the issuance of five equal notes of \$15,000.00 each, the first note coming due in 1985 and one note coming due each year for a period of four years thereafter.

To further authorize the Selectmen to determine the date and place of payment of such notes and to determine the rate of interest thereon and to take such other steps as may be necessary to negotiate such notes as shall be to the best interest of the Town of Harrisville.

This Amended Article was voted by paper ballot, 2/3 majority was needed to carry.

Results of ballot 103 Yes 26 No

Article 14 as amended, passed.

Article 15. To see if the Town will vote to raise and appropriate the sum of \$25,000.00 to be used for site and building preparation for a new fire station to be built on the site purchased at the March 1981 Town Meeting. (By petition.)

A motion to table this Article, passed.

Article 16. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same.

A motion to postpone consideration of this article after Article 17, passed.

Article 17. To see if the Town will vote to have prepared and distributed an updated list of taxable properties; and to raise and appropriate a sum not to exceed \$3,500.00 for this purpose. (By petition.)

A motion to accept Article 17 as read; 36 Yes 40 No

Article 17, failed.

Returning to Article 16, Warren Thayer discussed budget.

\$234,122.00 before the monies appropriated at this meeting. An added \$45,541.00 bringing the budget to \$279,663.00

A motion to accept budget as read, passed.

Article 18. To hear reports of Agents, Committees or Officers chosen and pass any vote related thereto.

A motion to accept Article 18 as presented, passed.

**Article 19.** To transact any other business that may legally come before this meeting.

A motion made; that a committee be formed consisting of two representatives each from the Fire Dept., Highway Dept., and Board of Selectmen to oversee the project proposed in Article 14. The purpose being to insure the new Town Building meets the requirements of these Departments, passed.

The meeting recessed at 10:45 to count ballots.

Results as follows: 201 ballots cast

Town Clerk

**THE STATE OF NEW HAMPSHIRE  
WARRANT FOR TOWN MEETING**

To the inhabitants of the Town of Harrisville in the County of Cheshire New Hampshire.

You are hereby notified to meet at the Wells Memorial School in said Harrisville on Thursday, the 13th day of December, 1984 at 7:00 p.m. to act upon the following subjects:

Article 1. To see if the Town of Harrisville will vote to create a special unpaid committee to be known as a Regional Refuse Disposal Planning Committee consisting of three people to be appointed by the Moderator pursuant to RSA 53-B:1. This committee shall study the advisability of establishing a Regional Refuse Disposal District, may not obligate the town in any way, and shall report back to the Selectmen and to the Town for further action at a subsequent Town Meeting.

Article 2. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this 26th day of November, in the Year of our Lord nineteen hundred and eighty-four.

Michael Potter  
Marilyn St. Peter  
Barbara Haggblad  
Selectmen of Harrisville

# TOWN WARRANT

The State of New Hampshire

The polls will be open from 10:00 a.m. to 8:30 p.m.

To the inhabitants of the Town of Harrisville in the County of Cheshire in said State, qualified to vote in Town affairs:

You are hereby notified to meet at Wells Memorial School in said Harrisville on Tuesday, the twelfth day of March next, at Seven of the clock in the afternoon to act upon the following subjects:

Article 1. To choose all necessary Town Officers for the year ensuing.

Article 2. To see if the Town will vote to authorize the Selectmen and the Town Treasurer to borrow money on the credit of the Town in anticipation of taxes.

Article 3. To see if the Town will vote to accept the provisions of Sections No. 1 to 10 inclusive of Chapter 53 B of the Revised Statutes Annotated of 1970 providing for the establishment of a Regional Refuse Disposal District, together with the Towns of Chesterfield, Fitzwilliam, Gilsum, Hinsdale, Marlborough, Nelson, Roxbury, Surry, Swanzey, Troy, Westmoreland and the City of Keene, and the construction, maintenance, and operation of a Regional Refuse Disposal facility by said District in accordance with the provisions of a proposed agreement filed with the Selectmen or the Mayor. (Vote by written ballot.)

Article 4. To see if the Town will vote to raise and appropriate the sum of \$641.25 in support of the Monadnock Family and Mental Health Services.

Article 5. To see if the Town will vote to raise and appropriate the sum of \$2,606.66 in support of the services of Home Health Care and Community Services.

Article 6. To see if the Town will vote to raise and appropriate the sum of \$884.00 as the Town's share for the studies and operations of the Southwestern New Hampshire Regional Planning Commission.

Article 7. To see if the Town will vote to raise and appropriate the sum of \$150.00 for the support of the Grand Monadnock Arts Council.

Article 8. To see if the Town will vote to raise and appropriate the sum of \$100.00 for the support of The Women's Crisis Services.

Article 9. To see if the Town will vote to authorize the Selectmen to apply for, negotiate for, contract for, accept and do all things necessary to obtain such Federal, State, or other assistance (financial or otherwise) as may be available to the Town.

Article 10. To see if the Town will vote to appropriate and authorize the Selectmen to withdraw from the Revenue Sharing Fund for use as setoffs against budget appropriations in the amount indicated; further to authorize the Selectmen to make pro-rata reductions in the amounts if the estimated entitlements are reduced, or take any other action hereon:

Appropriation	Estimated Amount
Highway Maintenance	\$9,000.00

Article 11. To see if the Town will vote to raise and appropriate \$5,000.00 to be placed in a Sinking Fund and to be added to in subsequent years by vote of the Town. Purpose of the fund would be to defray the expense of compliance related to reclamation of the Town owned dump site. These funds raised under provisions of the Capital Reserve Act of 1943, Chapter 160 amended.

Article 12. To see if the Town will vote to authorize the Selectmen to appoint a Recreation Committee under the provisions of N.H. R.S.A. 31:47.

Article 13. To see if the Town will vote to raise and appropriate a sum not to exceed \$55,000.00 to purchase a loader for the Highway Department. Funds to be raised by raising \$25,000.00 by taxes in 1985 and to authorize the Selectmen to withdraw up to \$30,000.00 from the Capital Reserve Fund.

Article 14. To see if the Town will vote to re-allocate the funds raised under Article 14 at the 1984 Town Meeting for the construction of a new fire station; to construct said new fire station on Town owned land on the Harrisville-Chesham road which was purchased by the Town in 1981 for that purpose. (By petition.)

Article 15. To see if the Town will vote to raise and appropriate a sum not to exceed \$17,000.00 to be placed in a Sinking Fund and to be added to in subsequent years by vote of the Town and to authorize the Selectmen to make withdrawals for the stated purpose of the fund. The purpose of the fund is to provide for a total reappraisal of the Town. The funds to be raised under provisions of the Capital Reserve Act of 1943, Chapter 160, as amended. (By petition)

Article 16. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same.

Article 17. To hear reports of Agents, Committees or Officers chosen and pass any vote related thereto.

Article 18. To transact any other business that may legally come before this meeting.

Given under our hands and seal this fourteenth day of February in the year of our Lord nineteen hundred eighty-five.

February 6, 1985

Board of Selectmen  
Town of Harrisville, New Hampshire

We have examined the financial statements of the various funds and account groups of the Town of Harrisville, New Hampshire, for the year ended December 31, 1984, and have issued our report dated January 10, 1985. As part of our examination, we made a study and evaluation of the Town's system of internal accounting control to the extent we considered necessary to evaluate the system as required by generally accepted auditing standards. Under these standards, the purpose of such an evaluation is to establish a basis for reliance on the system of internal accounting control in determining the nature, timing, and extent of auditing procedures that are necessary for expressing an opinion on the financial statements.

The objective of internal accounting control is to provide reasonable, but not absolute, assurance as to the safeguarding of assets against loss from unauthorized use or disposition and the reliability of financial records for preparing financial statements and maintaining accountability for assets. The concept of reasonable assurance recognizes that the cost of a system of internal accounting control should not exceed derived benefits and that evaluation of these factors necessarily requires estimates and judgments.

There are inherent limitations that should be recognized in considering the potential effectiveness of any system of internal accounting control. In the performance of most control procedures, errors can result from misunderstanding of instructions, mistakes of judgment, carelessness or other personal factors. Control procedures whose effectiveness depends upon segregation of duties can be circumvented by collusion. Similarly, control procedures can be circumvented intentionally with respect to the estimates and judgments required in the preparation of the financial statements. Further, projection of any evaluation of internal accounting control to future periods is subject to the risk that the procedures may become inadequate because of changes in conditions and that the degree of compliance with the procedures may deteriorate.

accounting control for the year ending December 31, 1984, would not necessarily disclose all weaknesses in the system because it was based on selective tests of accounting records and related data. the study and evaluation did not disclose any weaknesses which we Town of

which follow were developed from our observation of the Town's operations. They are not the result of a special study.

#### TOWN CLERK REMITTANCES

During our fieldwork we observed that the Town Clerk had summarized her cash receipts journal and prepared deposits to the treasurer on a basis which was consistent with State requirements. However for the period which we tested, actual bank deposits were not consistently made on a timely basis.

We recommend that the Town Clerk make every possible effort to turn over cash receipts to the treasurer promptly.

#### RESIDENT TAX ABATEMENTS

During 1984 the Town computerized its Resident Tax records. Subsequent to issuing the Resident Tax bills it was necessary to abate approximately 17% of the billing.

We recognize that initial computerization of any records is a formidable task for Town officials. We urge that the existing records be carefully reviewed and purged of any individuals who are not liable for the tax prior to the 1985 billing.

#### RESIDENT TAXES AND MOTOR VEHICLE PERMITS

State law currently requires that individuals provide the Town Clerk with proof that Resident Taxes are paid before a motor vehicle can be registered. Our tests of the motor vehicle revenues indicated that this requirement is not consistently followed.

We recommend that the Town adopt procedures which will insure that proof of Resident Tax payment is provided before a vehicle is registered. This would aid in the updating of Resident Tax records and insure timely collections of Resident Taxes.

A letter of this type is critical by nature. We found many examples of sound business management practices in our review of the Town's systems. We wish to express our thanks to the officials of the Town for their assistance during the course of our audit.

Very truly yours,

*Carey, Vachon & Chalmers*

## CONSERVATION COMMISSION

During the Spring of '84, the Conservation Commission sponsored two events. The roadside clean-up had its obvious results thanks to the volunteers. We will repeat this activity again in the spring hopefully before the black flies arrive! Also an educational program was held at the Wells Memorial School to teach the children what we all can do to protect the quality of the water around us.

There has been substantial progress made in the formation of a Regional Solid Waste Disposal District of which Harrisville is a member. Under the jurisdiction of RSA 149:M, the District has been negotiating with a private company to build a Refuse-to-Energy plant. Also the town delegates, appointed by the town Moderators following the special Town Meetings held this fall, have been studying the advisability of forming a more formal District under RSA 53:B. If it is agreed that organizing under RSA 53:B is in the best interest of the participating towns, then the question will be brought before the citizens for a vote at Town Meetings.

The Conservation Commission would like to remind all citizens that our wetlands and water resources serve a very important purpose in our environment. Any filling or dredging of wetlands needs to be approved and a permit must be gotten from the Selectmen.

Our meetings are open to the public and are held on the first Monday of each month.

Respectfully submitted  
Barbara Watkins, Chairman,  
Peter Temple  
Constance Boyd  
Marilyn St. Peter  
Shaun McKenna  
Ezekiel Goodband

## FIRE DEPARTMENT REPORT

The Harrisville-Chesham Fire Department answered a total of 78 alarms.

38 Fire Calls

40 Rescue

Again this year we continued to emphasize a monthly training program for all hands. This included several mutual aid drills with personnel from surrounding towns. In this regard a total of 661 man hours were given to the training process by the volunteer members. This was done on their own time. Many additional hours were given to medical training by members of the Rescue Squad.

During the year we added seven new members — four of them women. Our roster now stands full at thirty members.

As an added note, I would like to tell the residents of Harrisville that you need a written permit to purchase a portable kerosene space heater.

The new State Fire Code states only single family dwellings built before Jan. 1, 1982 are allowed to have battery operated smoke detectors. All other occupancies with detectors installed after July 1, 1984 are required to have detectors powered by the house electrical current (including the hard-wired type.)

Respectfully submitted,  
John W. St. Peter Sr.

## FIRESTATION COMMITTEE REPORT

After the town voted to accept the plan to renovate and expand the highway barn into a combination highway facility and firestation, a building committee was formed. This committee included the selectmen, representatives of the highway and fire department, a representative of the neighborhood, the design sponsor and a professional architect. The committee had the difficult task of sorting out project details such as space allocation, appearance, compliance with building codes and regulations, requirements for the bid process, land needs and scheduling.

Early in the discussions it became apparent that in order to have an adequate design package, suitable for safe and proper construction as well as sufficient in detail for the bid process, a structural engineer would have to become involved, the plans redrawn in proper format, and a written specification generated.

By July, the plans had been redrawn and a specification prepared. Due to the structural engineer's schedule, a final engineering approval had not yet been secured. During this time period, we learned that it would not be possible to install a simple holding tank for sewage and that the space constraints for the installation of a septic system would require a variance from the state. We also learned that we would require a variance from the Governor's Commission for the Handicapped.

At this time we also had not been able to secure additional land from abutters or water rights. However, it was getting late in the season and we

realized that the bid process would take at least six weeks. Knowing this, we decided to go out for bid with the recognition that variances would have to be secured and problems resolved before we could award a contract. We contacted seven contractors, provided bid documents and asked them to submit bid proposals. None of the contractors chose to submit a bid, all citing heavy commitments through the remainder of the building season.

Undaunted by this further setback we decided to continue persuing the needed engineering approval, variances and water source and then to go out to open bid before the March, 1985 Town Meeting. With much effort on the part of many people, we have managed to get the necessary approvals and variances and we have alternatives still under consideration for a water source. We have put the project out to open bid and at the time of this writing we have had 18 requests for bid documents. The bids will be publicly opened on the 10th of February and we should have an answer as to whether or not this is a viable project by Town Meeting 1985.

This has been a long and difficult undertaking with a great deal of effort put in by many people. In particular, I would like to thank John Hansel and Charles Michal for their personal contributions to this project. I would also like to thank the other members of the committee for their efforts.

Respectfully submitted,  
Michael Potter, Chairman

Committee Members: Marilyn St. Peter, Barbara Haggblad, Selectmen, John Hansel, Charles Michal, John St. Peter, Rand Duffy, Wesley Tarr, Chris Smith.

**REPORT OF THE TOWN FOREST FIRE WARDEN  
AND STATE FOREST RANGER**

Our first forest fire prevention law was enacted by our State Legislature 90 years. ago. This early law set in place a cooperative forest fire prevention and suppression effort between city and town governments and State government. It simply stated that no open fire could be kindled, when the ground is free of snow, without the written permission of the town/city Forest Fire Warden. This law also stated that anyone kindling a fire without written permission shall be liable for the damage caused and subject to a \$1000 fine.

During the past 90 years, this law has worked so well that it has remained unchanged. All open fires when the ground is not covered with snow must be authorized by the local Forest Fire Warden. Persons kindling a fire without a permit when one is required are liable for damages caused, fire suppression costs and subject to a \$1000 fine.

This cooperative fire prevention law has contributed significantly to our nationally recognized annual forest fire loss record.

No. of Acres	335	32	1/4

## REPORT OF HISTORIC HARRISVILLE, INC.

1984 was the year of the fire for Historic Harrisville. On June 13, 1984 the Milan Harris Mill (c.1832) suffered major structural damage to the roof and attic floor, significant charring and smoke damage to the second floor, and water damage throughout. The volunteer firemen of Harrisville, assisted by four fire companies from neighboring towns, did a remarkable job of saving the mill from total destruction. Local businesses, friends, and neighbors pitched in to help with the clean-up and reconstruction and we want to thank everyone involved for their generosity. The irony of the fire was that a fire alarm system for the building had just been priced. Alarm systems are now planned for all the Historic Harrisville buildings and a no smoking policy has been approved for all the public buildings. We are happy to report that the Harris Mill reconstruction is virtually complete and we were able to come in right on budget with the amount of insurance coverage awarded.

1984 also saw the completion and submittal of a massive research project which identified five local areas and many individual properties in town for nomination to the National Register of Historic Places. That nomination is presently being reviewed by the State Historic Preservation Office. Mary Meath has continued to staff the Historic Harrisville research office on the third floor of the Cheshire Mills Boardinghouse and the public is invited to stop in to take advantage of the growing library of local histories, maps, photographs, postcards, and artifacts.

Historic Harrisville is a public, non-profit foundation and we welcome anyone to our meetings, which are usually held the last Saturdays of April and October.

## **HARRISVILLE POLICE DEPARTMENT REPORT FOR 1984**

1984 could be considered a routine year for the Harrisville Police Department. There was no dramatic increase in any type of criminal case investigated by this department. One area of concern did remain in 1984 as in the past several years, burglaries. Summer homes have been particularly vulnerable. As always we urge everyone to immediately report any suspicious activity.

Throughout 1984 the police department has been extremely short of help. Right now there is just one fully active police officer along with myself and one special. We hope to fill at least one of the vacancies before summer, when the number of complaints rises with the increased population. Patrolling is also important during that period of time to avoid many problems. This area was made easier and more professional by your vote for the new cruiser which we appreciate.

As I look forward to a quiet 1985 I wish you all a safe and happy year.

Respectfully submitted,  
Michael C. Sundstrom, Police Chief

## **MARL-HARRIS AMBULANCE REPORT — 1984**

During the 1984 calendar year, Marl-Harris Ambulance responded to 121 calls. There were 97 emergencies and 24 non-emergencies. Emergency calls included 16 motor vehicle accidents with 14 patients being transported and 81 home calls. Non-emergencies included 6 stand-by (parades, bike-athon, fires in Marlborough & Harrisville,) 2 drills, 6 no transport, 9 transfers and 1 Mutual Air to Dublin. 24 of the 121 calls were made to Harrisville & Chesham.

There has been updated equipment purchased for the ambulance and there are specially trained personnel to use it. There is in-squad training as well as many hours spent in outside specialized training to give the best care possible. There are constant maintenance check-ups to the ambulance to assure its good working order.

We wish to thank each and everyone for their donations and support to help keep Marl-Harris alive and independant of having to charge patients or use tax dollars. We care!

A special thanks to our fire depts and police depts for their dedicated assistance and service to the communities they serve. They are a very necessary and vital part of teamwork.

On behalf of directors, officers and squad members this report is respectfully submitted,

Geri Dunn  
Director

## **HARRISVILLE PLANNING BOARD ANNUAL REPORT 1984**

The Board met 3 times the past year to consider 6 subdivision applications 14 lots. Five applications involving 12 lots were approved as meeting the requirements of the Zoning Ordinance. One application was referred to the Zoning Board of Adjustment — later approved by it.

We have started a review of our Zoning Ordinance and Subdivision Regulations in the light of recent legislation and of a court decision regarding zoning requirements in the Town of Atkinson. This will be pursued in the coming year. We will need the assistance of the Southwest Region Planning Commission on this as well as on other projects and urge that the Town continue support of it as in the past.

Two of our members, Max Boyd and Dan Scully are leaving the Board and on the part of the Town we wish to express our appreciation of their years of participation in our work,

Respectfully submitted  
William B. House, Chairman  
Max Boyd  
Michael Potter  
Lawrence Rathburn  
Dan Scully

## **HARRISVILLE PUBLIC LIBRARY 1984 REPORT**

Throughout the year, the Library continued to be a center for learning and a source of enjoyment. Seasonal and informative displays decorated the bulletin board. There were several well-attended Story Times held during the Summer months. The Summer Reading Program — Harrisville Aquarium — was very popular.

For the third summer, the Library was open two mornings a week. Again our Volunteers gave generously of their time and talent.

Our annual Friends of the Library Tea was a success. The Friends' project for this year was having the carpet cleaned. It looks wonderful.

With one hundred thirty-six volumes added and one hundred seventy-two volumes withdrawn, the Library now has 4822 books in its collection. Twenty-four books were borrowed from the State Library and ninety-five items were borrowed from local Libraries. The Peterborough Town Library contributed 202 books on long-term loan. Circulation for the year was 6628.

With regret we accepted the resignation of Martha Temple. We welcome Betty Ann Vakauza as a new staff member.

We wish to thank everyone for their support and our Volunteers for their time and energy. We welcome your suggestions in helping us to better serve you.

The Library Trustees and Staff

## STATE OF NEW HAMPSHIRE

To the inhabitants of the School District in the Town of Harrisville qualified to vote in District affairs:

You are hereby notified to meet at the Wells Memorial School in said District on the 12th day of March, 1985, Ten O'Clock in the forenoon to bring in your votes for the election of school district officers. The polls will be open at 10:00 a.m., nor close earlier than the time of closing the polls for the election of town officials.

Article 1. To choose all necessary school district officers:

A moderator for the ensuing year.

A clerk for the ensuing year.

A member of the school board for the ensuing three years.

A member of the school board for the ensuing two years.

A treasurer from July 1, 1985 for the ensuing year.

An auditor for the ensuing year.

You are hereby further notified to meet at the Wells Memorial School in said District on March 12, 1985, at 6:00 p.m. to act upon the following:

Article 2. To hear the reports of agents, auditors, committees or officers chosen, and to pass any vote relating thereto.

Article 3. To see if the District will vote to authorize the school board to make application for, and to accept and use in the name of the District, such advances, grants-in-aid, or other funds for educational purposes as may now or hereafter be forthcoming from the United States Government, the State of New Hampshire, or any department or agency thereof, or any federal, state or private agency.

Article 4. To see what sum of money the district will vote to raise and appropriate to be deposited in the Capital Reserve Fund established by the District March 8, 1983.

Article 5. To see if the District will authorize the school board to transfer all or any portion of its unencumbered surplus funds, if any, remaining on hand at the end of the fiscal year, June 30, 1985, to the Capital Reserve Fund established by the District at its annual meeting held on March 8, 1983.

Article 6. To see what sum of money the District will vote to appropriate from the Capital Reserve Fund established by the District March 8, 1983, for the purposes of capital improvements to the old schoolhouse at the Wells Memorial School.

Article 7. To see if the District will vote to authorize the school board to expend, without further action by the School District Meeting, money from the state, federal, or other governmental unit or a private source which becomes available during the 1985-1986 school fiscal year provided that such expenditure be made for purposes for which a school district may appropriate money, and that such expenditure not require the expenditure of other school district funds. Further, that the school board hold a public hearing prior to accepting and spending such money.

**Article 8.** To see what sum of money the District will vote to raise and appropriate for the support of schools, for the salaries of school district officers and agents, and for the payment of statutory obligations of the District.

**Article 9.** To choose agents and committees in relation to any subject embraced in this warrant.

**Article 10.** To transact any other business which may legally come before this meeting.

Given under our hands at said Harrisville this 11th day of February, 1985.

School Board

**HARRISVILLE SCHOOL DISTRICT MEETING**  
**Tuesday, March 13, 1984**

The Harrisville School District Meeting was opened at the Wells Memorial School at 10:10 a.m. by Moderator Jane Dunn. Article I was read, and the polls declared open for voting under this article until 8:30 p.m. Motion was made to recess until 6:00 p.m. under Article 1. Meeting was reconvened at 6:15 p.m. by Moderator, Jane Dunn, to act upon the following articles:

**Article 1:** To hear the reports of agents, auditors, committees or officers chosen, and to pass any vote relating thereto.

Move that all reports contained in the Harrisville Annual School District Report be approved as printed. Motion seconded.

Reports on Eastview Study Committee and Late Bus Survey were given by Linda Potter. Report on Old Schoolhouse Committee was given by Alton Chamberlain. Moved and passed to accept these reports and place on file.

**Article 2:** To see if the District will vote to authorize the school board to make application for, and accept and use in the name of the District, such advances, grants-in-aid, or other funds for educational purposes as may now or hereafter be forthcoming from the United States Government, the State of New Hampshire, or any department or agency thereof, or any federal, state or private agency.

Moved to accept this article as printed. Motion seconded and passed.

**Article 3:** To see what sum of money the District will vote to raise and appropriate to be deposited in the Capital Reserve Fund established by the District, March 8, 1983.

Moved to accept this article. Motion seconded and passed.

**Article 4:** To see if the District will authorize the school board to transfer all or any portion of its unencumbered surplus funds, if any, remaining on hand at the end of the fiscal year, June 30, 1984, to the Capital Reserve Fund established by the District at its annual meeting held on March 8, 1983.

Moved to accept this article. Motion made and seconded. Michael Potter moved that motion be amended to limit surplus funds allocated to Capital Reserve Fund to be \$10,000. Amendment seconded and passed. Motion as amended passed.

**Article 5:** To see what sum of money the District will vote to appropriate from the Capital Reserve Fund established by the District March 8, 1983, for the purpose of capital improvements to the electrical and/or plumbing system at the Wells Memorial School.

Moved that the district appropriate a sum not to exceed \$4,000 from the Capital Reserve Fund established by the District March 8, 1983, for the purposes of capital improvements to the electrical and/or plumbing systems at the Wells Memorial School. Motion seconded. Discussion held and motion passed.

**Article 6:** To see what sum of money the District will vote to raise and appropriate for the purpose of employing an additional full-time, certified

teacher at the Wells Memorial School, said teacher to be used to replace two part-time positions, and to provide the principal with two half-days a week for administrative duties and classroom instructional visitation.

Move that the district raise and appropriate the sum of \$14,500 for the purpose of employing an additional, full-time, certified teacher at the Wells Memorial School, said teacher to be used to replace one full-time position and one part-time position, and to provide the principal with two half-days a week for administrative duties and classroom instructional visitation. Motion seconded. Discussion was held, and the motion was passed.

**Article 7:** To see if the District will vote to authorize the School board to expend, without further action by the School District Meeting, money from the state, federal, or other governmental unit or a private source which becomes available during the 1984-85 school fiscal year provided that such expenditure be made for purposes for which a school district may appropriate money, and that such expenditure not require the expenditure of other school district funds. Further, that the school board hold a public hearing prior to accepting and spending such money.

Move to accept this article as printed. Seconded and passed.

**Article 8:** To see what sum of money the District will vote to raise and appropriate for the support of schools, for the salaries of school district officers and agents, and the payment of statutory obligations of the District.

Move that the district raise and appropriate the sum of \$352,333 for the support of schools, for the salaries of school district officers and agents, and for the payment of statutory obligations of the district. Motion seconded and passed after discussion.

**Article 9:** To choose agents and committees in relation to any subject embraced in this warrant.

Moved to take no action under Article 9. Motion seconded and passed.

**Article 10:** To transact any other business which may legally come before this meeting.

At 6:55, moved to recess until the closing of the polls at 8:30 p.m.

## ADMINISTRATIVE REPORT

Change has worked to one advantage at Wells Memorial School this year. With seven new staff members out of ten, it could have been a difficult year for students, but that has not happened. New staff, under the leadership of Mrs. Frazier, have not only been responsive to the needs of students and parents, but have worked together as a team to improve the quality of learning at the school.

Visit and you will see a strong staff that works closely with children. You will also see a learning climate that is orderly, purposeful, warm, safe, and attractive. In all classes there is a focus on achievement with high, but reasonable, expectations for students. Instructional activities absorb most of the day. Clearly understood priorities for skill development are evident. Some of the best that we know about schooling is happening at Wells Memorial School.

However, the work is not done. We need to continue to grow if our children will have the advantages they will need in the years to come. Planning to provide for increased enrollments in the near future, effective student learning and more community involvement head our list of goals for the coming year.

Consistent help and involvement from the parents is vital to the life of the school. Teacher involvement in curriculum and staff development is critical to our growth. Continuing evaluation of student progress, staff and the school itself is a must.

Although your 1985-86 budget shows an increase, it allows us to continue at a strong level and move into the future with confidence. Placing a high value on your school will pay off in making Harrisville a stronger community for all citizens. We appreciate your support and look forward to your help and involvement in the future.

Your school board has represented you well this year. Concern for students, careful hiring of new staff, responsiveness to community needs, and a watchful eye on spending have been characteristic of this board. It has been a pleasure to work with them while they have served you.

Lawrence E. Seavey  
Assistant Superintendent for Towns

## PRINCIPAL'S REPORT

September, 1984, brought to Wells Memorial School many new faces and changes. We were fortunate to have Linda Nelson, our resource room teacher, return to us this fall. We have some wonderful new staff. Kathy Haley-Frick is teaching grades three and four; Georgia Tasoulas is teaching grades five and six. Valerie Belanger is in the new position. I am teaching grades one and two.

Among the many changes at Wells, one of the most important is the new position. This position has assumed the duties of the Chapter I program which assists students working below grade level in reading. Previously the resource teacher serviced this program. This change has allowed our resource teacher more time to meet the obligations of evaluating and teaching special needs students. The new position also teaches math and reading groups, allowing for more effective grouping and teaching. This position is also responsible for substituting for the principal when obligations required of the position need to be met. This has worked much better than when in previous years random substitutes were hired. Miss Belanger also took over the music program this fall. In January, Karen Desrosier is teaching music. Mrs. Desrosier has been offering individual instrumental lessons (at student expense) since October. She has done an outstanding job, and we are real excited about her joining our staff.

Our part-time staff includes Ellen Post, guidance counselor, returning for her second year; Kent Gemmell, school psychologist, replacing Bonnie Kraft; and Pat Wilson, speech therapist, replacing Jean Maccalous. Linda Vermouth returned as our physical education teacher for the first quarter. She has resigned to take a position at Keene State College. The physical education position is currently vacant. We sincerely appreciate the quality of physical education offered by Miss Vermouth to students of the Wells Memorial School over the past few years.

Debra Kensity continues her excellent job of directing the hot lunch program. She also continues to assume the responsibilities of school secretary. Larry Jackson has filled the position of custodian.

In our continued efforts to improve the quality of instruction, we have completely implemented the STAMM (Systematic Teaching and Measuring Mathematics program. We have introduced an alternate reading series in grades one and two in an attempt to accommodate children with different learning styles. This program will be implemented at higher levels as students advance. We are constantly monitoring student progress to ensure appropriate, quality education. Also, this year we are concentrating on our science program with the aim for complete implementation in 1985-1986.

Our relationship with the Harrisville School continues to flourish. This year we are synthesizing our record keeping to facilitate student movement from Harrisville School to Wells Memorial School.

Our total enrollment is 61 students at Wells Memorial, and 9 at The Harrisville School. We are projecting similar enrollment figures for the 1985-1986 school year at Wells Memorial. However, we are projecting an enrollment of approximately 19 students at The Harrisville School.

Dorothy W. Frazier

## **COMPLIANCE STATEMENT**

This school district receives Federal financial assistance. In order to continue receiving such federal financial assistance, this school district will not discriminate in their educational programs, activities or employment practices on the basis of race, language, sex, age, or handicapping condition, under the provisions of Title IX of the 1972 Educational Amendments; Section 504 of the Rehabilitation Act of 1973.

Complaints regarding compliance with Title IX regulations should be submitted in writing to the Title IX liaison for School Administrative Unit 29, the Personnel Manager, 34 West Street, Keene, New Hampshire.

Complaints regarding compliance with Rehabilitation Act of 1973-Section 504 should be submitted in writing to the Director of Special Education, 34 West Street, Keene, New Hampshire.

Richard L. Champagne  
Superintendent of Schools

## **REPORT OF THE FOOD SERVICE DIRECTOR**

In April a morning snack program was started to give students a chance to buy an inexpensive nutritious snack. The snack program has gone over very well with the students and with the parents.

On June 30, 1984 the hot lunch program had a surplus of \$1,930.01 This balance was due to careful planning, high student participation and from the use of government commodities. The government commodities and reimbursements certainly help our lunch program.

The average daily participation in the hot lunch program is 75% or 46 out of 61 students. This varies depending on the menu and on attendance.

To generate interest in good nutrition and to add fun to eating lunch, we have had contests related to the lunch menu. We have a prize in each classroom and consolation prizes for everyone who enters the contest. The students really seem to enjoy the contests, and are looking forward to the next one.

We had a family holiday dinner in December which everyone seemed to enjoy. We plan to have a few more "special" occasions in the future.

I really enjoy working at Wells Memorial and look forward to a long association with the school.

Debra Kensy  
Food Service Director

## REPORT OF THE SCHOOL NURSE

An individual health folder was started for each student so that all health related information is found in one place. Heights and weights were done, and recorded on the Kardex file, and on each student's growth chart. Blood pressures were taken as well.

Head checks were done on all students soon after school started. There was no problem at that time. One student was found later, but it was controlled at that level through parent evaluation and prompt action.

All first and fourth graders were tested for hearing and eyesight.

Dr. McMurphy, school physician, came to the school on November 15, for the annual fourth grade physical exams. Four out of eight students had permission from their parents to participate in this program. I would like to urge more parents to take advantage of this opportunity.

An informal nutrition class was given with the aid of the teacher in the first and second grade with the idea of learning good eating habits. This is the time in a child's development when it is extremely important for proper growth.

During the latter part of the school year I hope to be able to spend more time on health education programs utilizing media available at the Media Center located at the School Administrative Unit 29 building.

Scoliosis checks will also be done on all 5th and 6th graders to comply with the new screening requirements.

As yet I have not heard from PSU-PSH as to when their clinic will be, but I expect it will be in May. It is usually scheduled at the Congregational Church in Harrisville, and posters are displayed to inform the parents of incoming first grade students.

As I am only here for three hours a week, the teachers have a great deal of responsibility for accidental care of the students. I can only be a resource person for them in handling any of these emergencies unless they happen during the time I am normally here.

I have enjoyed my work with the staff and students at Wells Memorial School.

Harriet G. Piotrowski, R.N.  
School Nurse
