FISCAL YEAR ENDING DECEMBER 31, 2009

Since the war on terror began the Sandown **LIONS** Club has attempted to identify and provide support to our young Sandown heroes who serve in the military. With periodic care packages, phone cards, notes & letters we attempt to bring a small taste of Sandown to wherever they might be. Please review the list below and contact me (at 603-974-0547 or VBALNH@YAHOO.COM) if we have inadvertently omitted someone you are aware of from this list. It is our intent to include all; it is our view that we're doing the "easy" part-it is **they** who are doing the "heavy lifting". Sandown can be proud of its contingent of men & women in service to country- and thankful.

I am also grateful to my fellow **LIONS** who have once again provided extraordinary financial and other assistance in this very worthy project and also to my bride Kathi who did 100% of the care package builds in 2009. If you are inclined to assist this effort with tax deductible checks (can be made out to Sandown **LIONS** Club PO Box 46 Sandown, NH 03873-write SUPPORT THE TROOPS on the subject line), letters, or package content, please contact me or any other Sandown **LION**.

Thank you & Best Regards,
-Fred Soule

INDEPENDENT AUDITORS' REPORT

To the Board of Selectmen
Sandown, New Hampshire

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Sandown, New Hampshire, as of and for the year ended December 31, 2008, which collectively comprise the Town's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the Town of Sandown's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Sandown, New Hampshire, as of December 31, 2008, and the respective changes in financial position, thereof and the respective budgetary comparison for the General Fund for the year then ended in conformity with accounting principles generally accepted in the United States of America.

The management's discussion and analysis, appearing on the following pages, is not a required part of the basic financial statements but is supplementary information required by accounting principles generally accepted in the United States of America. We have applied certain limited procedures, which consisted principally of

inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

Hazel Marlow Named Citizen of Year

MATT RITTENHOUSE
Tri-Town Times

SANDOWN – Hazel Marlow was honored with the Citizen of the Year award at Old Home Days Saturday. She was nominated for the award by the Sandown Public Library and the Friends of the Library, for her dedication to their efforts, as well as for her commitment to giving back to the town where she was born and raised and has lived for many years.

Nelson Rheume, selectman and liaison to the library, presented Marlow with the award, and spoke of her hard work.

He noted that since she returned to Sandown in 1981, after years of living in Vermont, she became a dedicated supporter of the Friends of the Library by volunteering at all fundraising events, making countless sandwiches, scooping ice cream, selling books at Old

Home Days, and donating plants for plant sales.

“No matter what else needs to be done, Hazel Marlow is always there to help,” Rheume said.

Marlow was also commended for her gentle and quiet spirit.

The results of efforts by the Friends of the Library, including Marlow, help pay for museum passes, furniture and equipment for the library, and other improvements that make the library “a vibrant, dynamic community center” at no additional cost to the taxpayer.

“Dedicated volunteers such as Hazel Marlow who give a lifetime commitment to their community are rare and special individuals. Sandown is extremely fortunate to have such an individual. She is a role model for all of us,” Rheume said.

After receiving the award, Marlow had few words, just a “Thank you” for all in attendance and for those who

nominated her.

Marlow, the oldest member of the Bassett family, follows in a long line of both community-mindedness and

receipt of Citizen of the Year honors in her family. In the past, Eleanor, Irving, Carroll and Arlene Bassett have all been awarded the honor.

**TOWN OF SANDOWN
STATE OF NEW HAMPSHIRE**

To the inhabitants of the Town of Sandown qualified to vote in Town affairs you are, hereby, notified of the following Town meeting schedule.

First Session of Annual Meeting (Deliberative)

You are hereby notified to meet at Sandown Town Hall, 320 Main Street, Sandown, New Hampshire, on Saturday, January 30, 2010 at 8:00 am. This session shall consist of explanation, discussion and debate of warrant articles number 2 through 22. Warrant articles may be amended subject to the following limitations: (a) warrant articles whose wording is prescribed by law shall not be amended and (b) warrant articles that are amended shall be placed on the official ballot for a final vote on the main motion, as amended.

Second Session of Annual Meeting (Voting)

Voting on warrant articles number 1 through 22 and the zoning amendments will be conducted by official ballot to be held on Tuesday, March 9, 2010 at Sandown Town Hall, 320 Main Street Sandown, New Hampshire. Polls will be open from 8:00 am to 8:00 pm.

Warrant Article 1. To choose all necessary Town Officers for the ensuing year (to be voted by ballot March 9, 2010).

Warrant Article 2. Shall the Town raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$3,191,510.68. Should this article be defeated, the default budget shall be \$3,243,445.87, which is the same as last year, with certain adjustments required by previous action of the Town or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. This operating budget warrant article does not include appropriations contained in ANY other warrant articles.

(Recommended by the Board of Selectmen: 3-0-0)

(Recommended by the Budget Committee: 4-0-1)

Warrant Article 11. Shall the Town vote to raise and appropriate the sum of One dollar (\$1) to purchase and install a generator at the Recreation Building to be used for emergency purposes for the Town of Sandown.

(No Recommendation by the Board of Selectmen: 2-2-0)

(Not Recommended by the Budget Committee: 0-4-1)

Special Warrant Article 12. Shall the Town vote to raise and appropriate the sum of Thirty Five Thousand Dollars (\$35,000) for the purchase and equipping of a new forestry/utility vehicle for the Sandown Fire Department. This vehicle to replace the 24 year old vehicle we now have. Existing vehicle to be sold at sealed bid and proceeds of sale to go to the general fund.

(Recommended by the Board of Selectmen: 3-1-0)

(Recommended by the Budget Committee: 5-0-0)

Warrant Article 13. Shall the Town vote pursuant to RSA 79-A: 25, IV to alter the percentage established by the 2005 Town Meeting which authorized 100% of the Land Use Change Tax revenue to be deposited into the Town of Sandown Conservation Fund and to change the percentage to deposit 50% of the Land Use Change Tax revenue into the Town of Sandown Conservation Fund which will limit the ability of the town to purchase additional open space and to deposit the remaining 50% into the Town of Sandown's general fund unreserved fund balance.

(Recommended by the Board of Selectmen: 3-1-0)

(Recommended by the Budget Committee: 4-0-1)

Warrant Article 14. Shall the Town vote to discontinue the expendable trust fund known as the Cable TV fund created in 2004. Said funds, with accumulated interest to date of withdrawal, are to be transferred to the municipality's general fund. Should Warrant Article 15 fail, this article shall be null and void.

(Recommended by the Board of Selectmen: 4-0-0)

(Recommended by the Budget Committee: 4-0-1)

Special Warrant Article 15. Shall the Town vote to establish a revolving fund pursuant to RSA 31:95-h, for the purpose of operating the Town's public television station to be known as the Cable TV Revolving Fund. All revenues received from cable franchise fees will be deposited into the fund and the money in the fund shall be allowed to accumulate from year to year, and shall not be considered part of the town's general fund unreserved fund balance. The Town Treasurer shall have custody of all moneys in the fund and shall pay out the same only upon order of the governing body and Cable Committee and no further approval is required by the legislative body to expend. Such funds may be expended only for the purpose for which the fund was created. Further to raise and appropriate the sum of Thirty Two Thousand Six Hundred Fifteen Dollars (\$32,615)) from the unreserved fund balance to be deposited into this fund. Should this warrant article fail, then Warrant Article 14 shall be null and void.

(Recommended by the Board of Selectmen: 4-0-0)

(Recommended by the Budget Committee: 4-0-1)

Warrant Article 16. Shall the Town vote to raise and appropriate the sum of Three Thousand Dollars (\$3,000) for the maintenance of the OHRVs and the outfitting of officers with safety gear while patrolling the trails. Further to authorize the withdrawal of that appropriation from the existing balance of the Police Department Safety and Enforcement Special Revenue Fund created for that purpose.

(Recommended by the Board of Selectmen: 4-0-0)

(Recommended by the Budget Committee: 5-0-0)

Warrant Article 17. Shall the Town vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000) for the purpose of purchasing an in-car video system to replace and upgrade the current system. This appropriation is contingent upon the Town receiving a NH Highway Safety Grant to pay for 50% of the cost. The Town's cost will be Two Thousand Five Hundred Dollars (\$2,500).

(Recommended by the Board of Selectmen: 4-0-0)

(Recommended by the Budget Committee: 5-0-0)

Special Warrant Article 18. Shall the town vote to create an Expendable Trust Fund under the provisions of RSA 31:19-a to be known as the Town Disaster Management Expendable Trust Fund for the continuation of town services and repair and maintenance of town property as a result of an emergency situation and to raise and appropriate Seven Thousand Five Hundred Dollars (\$7,500) for this fund. This sum is to come from the unreserved fund balance (surplus) and further to appoint the Board of Selectmen as agents to expend this fund.

(Recommended by the Board of Selectmen: 4-0-0)

(Recommended by the Budget Committee: 3-1-1)

Warrant Article 19. Shall the Town vote to establish a revolving fund pursuant to RSA 31:95-h, for the purpose of police special detail wages, benefits, supplies and equipment and to raise and appropriate the sum of Five Thousand Dollars (\$5,000) to be deposited into the fund. Further, all revenues received for police special details will be deposited into the fund, and the money in the fund shall be allowed to accumulate from year to year, and shall not be considered part of the town's general fund unreserved fund balance. The Town Treasurer shall have custody of all monies in the fund, and shall pay out the same only upon order of the Board of Selectmen and no further approval is required by the legislative body to expend. After payment of police special detail wages, benefits, supplies and other equipment, the fund may also be used for the purpose of purchasing new cruisers for police special details. Such funds may be expended only for the purpose for which the fund was created.

(Recommended by the Board of Selectmen: 4-0-0)

(Recommended by the Budget Committee: 4-0-1)

Special Warrant Article 20. Shall the Town vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 to be known as the Highway Excavator Capital Reserve Fund for the purpose of a Highway Excavator and to raise and appropriate the sum of Thirty Two Thousand Eight Hundred Ninety Four Dollars (\$32,894) to be placed in this fund. Expenditure of funds to be approved by Town meeting. (Majority vote required).

(Recommended by the Board of Selectmen: 4-0-0)

(Recommended by the Budget Committee: 3-1-1)

Petitioned Warrant Article 21. Shall the Town vote to explore increasing the elderly exemption dollar amounts as follows:

**Sandown Planning Board
Zoning Amendments for 2010 Ballot**

- Z-1 Are you in favor of the adoption of Amendment #Z-1, as proposed by the Planning Board for the Town Zoning Ordinance as follows:**

To amend Article II – Part D – Open Space Development – This Proposed amendment is required for compliance with NH RSA 674:59, entitled “Workforce Housing Opportunities”.

(Recommended by the Planning Board)

- Z-2 Are you in favor of the adoption of Amendment #Z-2, as proposed by the Planning Board for the Town Zoning Ordinance as follows:**

To delete Article V – Section 6, entitled Seasonal to Year- Round Occupancy Classification or Conversion as written and replace it with an amended Article V – Section 6, entitled Conversion of Residential Structures from Seasonal to Full-Time Occupancy. The proposed amendment clarifies requirements for the issuance of a Special Exception required for conversions.

(Recommended by the Planning Board)

- Z-3 Are you in favor of the adoption of Amendment #Z-3, as proposed by the Planning Board for the Town Zoning Ordinance as follows:**

To delete Article I – Part B – Wetland Conservation District in its entirety and replace it with an Amended Article I-Part B-Wetland and Surface Waters Conservation District. The proposed amendment provides protection to wetlands and surface waters through creation of land use buffers.

(Recommended by the Planning Board)

DEFAULT BUDGET OF THE TOWN

SANDOWN

For the Ensuing Year January 1, 2010 to December 31, 2010

or Fiscal Year From _____ to _____

RSA 40:13, IX (b) "Default budget" as used in this subdivision means the amount of the same appropriations as contained in the operating budget authorized for the previous year, reduced and increased, as the case may be, by debt service, contracts, and other obligations previously incurred or mandated by law, and reduced by one-time expenditures contained in the operating budget. For the purposes of this paragraph, one-time expenditures shall be appropriations not likely to recur in the succeeding budget, as determined by the governing body, unless the provisions of RSA 40:14-b are adopted, of the local political subdivision.

1. Use this form to list the default budget calculation in the appropriate columns.
2. Post this form or any amended version with proposed operating budget (MS-6 or MS-7) and the warrant.
3. Per RSA 40:13, XI, (a), the default budget shall be disclosed at the first budget hearing.

TOWN OF SANDOWN 2009 YEARLY REVIEW

Sandown experienced a very difficult year in 2009, due to the default budget. The Board of Selectmen in conjunction with Department Heads reduced line items from their budgets, including \$73,385.43 which was placed into a budget buffer account for emergencies and shortfall's in departments and to replace items removed from some line items.

TOWN ADMINISTRATION

There were changes to the Board, Brian Chevalier was re-elected to a 2 yr term, and Hans Nicolaisen was elected to a three year term. Roger Barczak and Paula Bonasoro are in their last year of 3 year terms. Brian Chevalier was named Chairman and Nelson Rheume was named Vice Chairman. During the year Paula Bonasoro resigned and the Board filled the vacancy with Steve Brown. On January 11th, Brian Chevalier resigned as Chairman of the Board of Selectmen. Nelson Rheume was appointed Chairman and Hans Nicolaisen was appointed as Vice Chairman. Brian was very knowledgeable and very helpful to all of us on the Board, he will be missed.

ASSESSORS

The Town wide revaluation was completed by Vision Appraisal Technology. The Board decided to change the format for revaluation in the future. Rather than performing the revaluation of all the property in the 5th year, we will now review 25% of the property each year. This should result in a savings to the Town. After the 5th year, a market analysis will be performed.

RECREATION BUILDING

After several years of frustration, this project was completed in November. All outstanding issues were resolved. We expect the building will be ready by February 2010.

PERFORMANCE REVIEWS

Each Town employee and Department Manager conducted and/or received a personal evaluation of their performance. Based on the economic situation, the Board decided not to give merit raises this year, however the Board decided to give a 2 % cost of living increase (COLA).

INTERNAL CONTROLS

Internal Controls were put in place in 2009. Internal controls provide the best guarantee that tax money and public funds are protected and policies are followed.

The lack of Internal Controls was listed as a major deficiency by Melanson and Heath, our Auditing Firm.

Thanks to Michelle Short, Town Clerk and Tax Collector, Marie Buckley, the Town Treasurer, Darlene Ford, Bookkeeper, and Lynne Blaisdell and Paula Gulla, office staff for their assistance in putting these controls in place.

ROAD IMPROVEMENT PLAN

We have seen tremendous improvement to our roads after the completion of phase one (2009) and the resurfacing of Rt. 121A. Hale True Road and the old section of Celeste Terrace were reconstructed. Shim and overlay were completed on Woodland Drive and Lakeview Avenue.

Hawkewood Road and Morrison Lane are scheduled for reconstruction during phase 2 FY 2010.

GOALS

TOWN HALL CABLING PROJECT

The town will be implementing a new structured cabling system in the town hall in 2010 to support future enhanced voice, data and video connectivity. Funding has been provided through the Cable TV Expendable Trust Fund.

VOICE OVER INTERNET PROTOCOL (VOIP) PHONE SWITCH PROJECT

The selectmen are continuing to work towards the goal of funding and installing an advanced centralized VOIP phone switch at the town hall to reduce future telecommunications costs.

Regards,

Nelson Rheaume

Chairman

Board of Selectmen

ASSESSOR'S ANNUAL REPORT for 2009

The firm of Municipal Resources, Inc. continues to handle the assessing functions for the Town of Sandown. The three primary members of the staff working in Town are, Scott Marsh, Michael Pelletier and Joseph Lessard. There are also several additional staff members who will continue to assist in data collection over the next year. The Board requests that if any of the appraisers come to your property, you support the Town's efforts to keep assessments equitable and proper by answering their questions and allowing them to inspect and verify the data the Town has regarding your property.

Municipal Resources personnel are available to meet with taxpayers and if an appointment is desired, the Assessing Office staff can schedule one for you.

The past year saw the assessing office handle roughly 180 abatement requests as a result of the revaluation completed for the 2008 tax year. There were also around 265 properties reviewed due to taxpayer inquiries, building permits being issued, incomplete prior year construction and/or site changes. In addition 375 properties have been reviewed as part of the Town's quarterly review program, which is the process of visiting 25% of the properties each year to verify and/or correct the physical descriptions listed in the assessing records. In total the Town's 2009 total taxable assessment decreased roughly \$4,500,000 with the majority of the change being due to the increase in the elderly exemption amounts that were approved by the Town voters.

A preliminary survey of the annual DRA's equalization sales survey has been completed and it is estimated that the Town overall median assessment ratio as of April 1, 2009 will be 106.5%. Other statistical indications indicate that overall assessment equity remains good.

I have had a great experience as Chairmen on the Sandown Budget committee this year. It has been my privilege to work with a group of very dedicated volunteers and I would like to thank each and everyone of them as my three year term ends this year.

I want to thank Melinda Salomone Abood our Vice Chairmen for all the extra work that she has put in this year and also to our two new elected members Jonathan Goldman and Gail Cerva. And a special thank you to the two members JoAnne Turner and Ken Scipone who answered the call when we had two seats that became vacant and agreed to serve with us for the remainder of the year .

I would also like to thank Sandra Graves and Carl Anderson for the time they gave to the Sandown Budget committee.

Also a big thank you to our recording secretary Sue Reynolds for the excellent job she did all year.
"Thank you Sue for putting up with us"

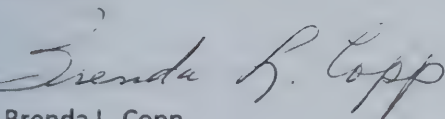

This committee was again fortunate enough to have Selectmen Roger Barczak to act as ex-officio and to have his vast knowledge and his ethics as a person and selectmen to work with, his devotion to this town shows in every thing he does.

Thank you Mr. Barczak it has been a pleasure to work with you.

I would also like to thank Lynne Blaisdell , Darlene Ford and Paula Gulla for all the research and help they gave us this year with information that was needed, their never ending dedication to this town has been greatly appreciated.

And a final thank you to the department heads who worked so hard again this year to bring in a budget to present to the voters for 2010. We know how hard it was for you to work under the conditions of a default budget this past year , you did that and still managed to bring in a reasonable budget for us to send to the residents of Sandown.

Sincerely,

Brenda L. Copp

BUILDING / ELECTRICAL / HEALTH DEPARTMENT REPORT FOR 2009

The number of new housing starts in 2009 rose to a level just about double that of the 2008 level; from 11 in 2008 to 23 in 2009. Four(4) of these are 55+ townhouses and fourteen(14) are in the revitalized cluster subdivision Waterford Estates off of North Rd. These 23 new Single Family Dwellings are just 50% of what our average has been since 2000.

The total number of permits issued in 2009 was about 82% of the 2008 level. Building activity during the last couple of winter months has slowed a bit but I feel the coming construction season will be seeing a substantial increase.

The numbers of well, septic, plumbing, and other permits issued were also down, keeping pace with the building permits.

Because of the memories of the severe ice storm of December 2008 and long term power outages we have had a great increase of generator installations. Optional generator installations; either portable or permanent propane fueled units do require permitting and most importantly inspection!

Improper wiring can result in a loss of electrical protection within the dwelling as well as putting neighbors or utility workers in great danger of electrocution!

Town of Sandown Mosquito Control

The mosquito control season in 2009 was certainly remarkable. The spring and many of the summer months were rainy and cold, setting the stage for an active Eastern Equine Encephalitis (EEE) season. As a result, all aspects of mosquito control were challenging. More time and effort were dedicated to larviciding as wetlands had a steady supply of water resulting in extensive larval activity.

Eastern Equine Encephalitis had a record breaking year in 2009. Activity was found reaching across the entire southern portion of the state, extending as far north as Moultonborough. New Hampshire's only reported human case occurred in Candia, although multiple veterinary cases were confirmed throughout the state. Mosquitoes carrying EEE were found in 32 communities, including Sandown. Positive mosquitoes were also found in neighboring Danville, Derry, Raymond, Kingston, Plaistow, Brentwood and Fremont.

Dragon has identified 88 larval mosquito habitats in the Town of Sandown. Crews checked freshwater sites 255 times throughout the season. There were 76 treatments to eliminate mosquito larvae. In addition, 108 catch basins were treated to combat disease carrying mosquitoes. Spraying to control adult mosquitoes was conducted twice last season in response to EEE activity in Sandown.

Four traps were set each week throughout the season. Adult mosquitoes were caught, identified to species and sent to the State Lab where they were tested for EEE and West Nile Virus. Mosquitoes collected in Sandown on 8-27-09 and 9-4-09 tested positive for EEE. A total of 7580 mosquitoes were caught in town and identified in 2009.

The proposed 2010 Mosquito Control plan for Sandown includes trapping mosquitoes for disease testing, sampling wetlands for larval mosquito activity, larviciding where mosquito larvae are found, and emergency spraying when a public health threat exists. The control program begins in April when mosquito larvae are located in stagnant water such as swamps, ditches, and woodland pools. Trapping adult mosquitoes begins in July. The mosquito control program ends in late September or early October when temperatures drop.

Homeowners can reduce the number of mosquitoes in their yard by emptying any outdoor containers that hold standing water such as buckets, trash barrels, and boats. Tires collect enough water for mosquitoes to survive. It is also a good idea to change the water in bird baths every two or three days.

If you're new in town and do not want your property treated for mosquitoes, then a written request is needed. Please send a letter to Dragon Mosquito Control, P.O. Box 46, Stratham, NH 03885. Be sure to include your name, physical address, phone number, and a description of your property with boundaries. Otherwise, your wetland may be treated. Anyone who sent a written request in 2009 may call the office to reaffirm your request. Our phone number is 964-8400. You may call our office for assistance regarding mosquitoes, the insecticides we use, spray dates, or questions about EEE and WNV.

For more information on Eastern Equine Encephalitis and West Nile Virus, visit the NH Department of Health and Human Services online at www.dhhs.state.nh.us or the Centers for Disease Control at www.cdc.gov

Sandown Cable Advisory Board - Annual Report

SandownCable@yahoo.com // (603) 887-0017

2009 has been an eventful year for Sandown Cable. Most recently, we have completed a substantial upgrade of the sound system in the Town Hall upstairs meeting room. This will help us not only provide improved sound quality on Channel 17, but also enhance the listening experience for those attending meetings and other public events in person.

In addition to serving as a communication tool for the residents of Sandown, we have also provided our technical resources to organizations utilizing the Town Hall for their events. We have made our A/V projection equipment available to different groups to facilitate "Movie Days" and other presentations. Most recently we purchased a Canon T1i dSLR camera to photograph town and community events for Channel 17 and other outlets.

We are also collaborating with the town to provide enhanced video and data connectivity throughout Town Hall. This will not only provide additional video resources for Channel 17, but will also upgrade the IT infrastructure throughout the town offices.

Hometown Idol has completed its second season on Channel 17. We look forward to beginning Season 3 later this spring. Special thanks to all area businesses who contributed to the program, which supports our town's Food Pantry as well as the Make-A-Wish Foundation. Any resident can be involved in producing a show for Channel 17! C.A.B. membership not required. We provide training on equipment and software. We may be reached at SandownCable@yahoo.com.

We also have some new members joining the Channel 17 and the Cable Advisory Board:

- Shawn Allen, producer of "Hometown Idol"
- Sue Casey, camera operator
- Sandra Graves, former Budget Committee member

Brenda Merrill and Dave Noel have also rejoined the C.A.B. Betsy Donahue-Davis, our Recording Secretary for many years, has also joined us as an alternate member of the board. C.A.B. has resumed regular meetings, with Mrs. Graves attending via Skype videoconference live from Las Vegas!

Respectfully submitted,

Dean Zanello (Station Producer)

One half of the purchase price goes into the cemetery maintenance trust fund and the balance goes into perpetual care of that lot ,both trusts are held by the trustees of the trust funds. Many headstones were repaired again this year using \$650 from the maintenance trust find as well as volunteer help. Work was begun on the restoration of the Wells village cemetery this year using \$750 from the cemetery maintenance Trust Fund for grading and trucking of fill. Special thanks go to Taurus Landscaping and Gary Barnes for their generous donation of the loam.

To the Residents of Sandown,

The Sandown Conservation Commission has received a lot of help from the people of Sandown in its efforts to conserve open space, enhance our wildlife habitat, introduce people to the outdoors, and protect water quality both in Sandown and in those towns that are downstream on the Exeter River.

The Fremont Road Town Forest has had hundreds of visitors throughout 2009, with both individual and group users of the open space. The Girl Scouts, Boy Scouts, and Cub Scouts each had events in the Town Forest that introduced many people to the outdoor activities in our town. The SCC held a number of events in the Town Forest, including a moonlight snowshoe walk, a Fall Festival, and several other events including supporting a Spooky Walk fundraiser held by Brittany Martin with over 100 people in attendance. Look for more events in 2010.

The SCC would like to thank Eagle Scouts Joshua Beaulieu and Andrew Robinson for the projects that brought new trail markings and a new parking lot to give fishermen better parking along the Exeter. The Town's Road Agent, Arthur Genualdo was once again extremely helpful in building this second access point to the Town Forest.

Starting in July, the SCC worked jointly with the Planning Board to draft a new Wetlands Ordinance that will go a long way towards protecting our wetlands and drinking water. This work was done with technical assistance from the Rockingham Planning Commission and Sandown's Planning Board Engineer with support from the Exeter River Local Advisory Committee, the Department of Environmental Service, and the Piscataqua Regional Estuary Project.

The SCC is looking forward to opening a new Community Garden on 121A near Phillipswood Road this coming spring. With help from a number of citizens led by Scott Burt, people with poor gardening land will be able to sign up for a plot in this sunny field. With help from Alison Dixon and Amy Difeo we had the best town wide roadside trash pickup ever with help from the Rogue Runners, Lion's Club, and the Mother's Club along with hundreds of residents. Heidi Chaput and crew put on our Annual Fishing Derby in May and once again exceeded everyone's expectations on the day of the event. The four months of planning she puts into the event really shows. Look for the dates for these two events in 2010. These projects and events would not be possible without the additional help and vision of the residents of Sandown – Thank you.

Respectfully,

The Sandown Conservation Commission

FIRE DEPARTMENT

TOWN OF SANDOWN
PO BOX 1756, SANDOWN, N.H. 03873

The Sandown Fire Department is pleased to report that although the number of calls has decreased slightly this year, the structure fires and chimney fires remain the same.

Fortunately, this year the Fire Department did not need to purchase any new apparatus which therefore did not cause any additional tax burden to the taxpayers. Presently, almost all of our Fire and Rescue apparatus is up to date and in good working order. Although vehicle maintenance cost is up from last year.

We have more than forty members donating their time to the Volunteer Fire Department, so hopefully we get along without hiring any more full time employees for a while longer.

We purchased some new auto extrication tools and have upgraded existing tools which has been a great addition to this department. We are always on the lookout for any grants to upgrade our equipment and keep the tax burden to a minimum.

Again, the town is very fortunate to have so many dedicated people willing to train, assist their neighbors, and respond to all calls. This makes for a great department

Thank you for all your help and support.

Report of Forest Fire Warden and State Forest Ranger

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 1-800-498-6868 or www.des.state.nh.us for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nhdf.org.

Spring fire season was unusually short this past year, with wet weather beginning the third week in April and lasting virtually all summer long. Consequently both the number of fires and the number of acres burned were below the last five year average. Due to state budget constraints, the staffing of our statewide system of 16 fire lookout towers was limited to class III or higher fire danger days. Despite the reduction in the number of days staffed, our fire lookout towers are credited with keeping most fires small and saving several structures this season due to their quick and accurate spotting capabilities. The towers fire spotting capability was supplemented this year by contracted aircraft and the Civil Air Patrol when fire danger was especially high. Surprisingly the largest single fire this year occurred in late November during an unusual dry spell, in the northern Coos County town of Clarksville. This fire burned 17.1 acres and is presumed to have been caused by a careless hunter. Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Several of the fires during the 2009 season threatened structures, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department and the state's Forest Rangers by being fire wise and fire safe!

Highway Department Sandown 2009 Annual Report

The 2009 year started off quite busy with the clean-up of the December 2008 Ice Storm. It was a long process, but well worth it in the end. I had applied for help through FEMA to offset the cost for the town and it all came through. I wouldn't have been able to have done it if it wasn't for the hard work and long hours my Department crew and my plowing subcontractors put in.

Also underway in 2009 was the first phase of the Road Improvement Plan, which was a great success. Thank you again to the residents of Sandown for passing it. The first phase roads that were completed were Celeste Terrace, Hale True, Lakeview and Woodland. I am hoping that the residents of Sandown again vote in 2010 to accept phase II of the Road Improvement Plan so that we may keep with the improving of our roads. Phase II roads would be Hawkewood Road and Morrison Lane.

I would like to give great thanks to my employees Shaun Brooks and Mike Devine for all their hard work and support through the year. And I can't forget about my subcontractors who plow for the town helping to make our roads safe. I have had the same crew since I have started here back in 2006. We all make a great team effort and they make my job a lot easier.

2009 Sandown Planning Board Report

The Planning Board was able to complete work on several projects. Hersey Highlands, a phased development, was approved in February and the Montana Realty subdivision, which included the Town's new recreational building, was approved in November. Several small subdivisions and lot line adjustments were approved in 2009. Unfortunately, as a result of the current recession the Board was forced to call upon a performance guarantee given by the developer of the Meadowbrook Subdivision to cause the remaining public infrastructure improvements within the subdivision to be completed in 2009.

The Board spent several months working on zoning proposals which will appear on the 2010 ballot. In a joint effort with the Conservation Commission, the board was able to draft a new wetlands ordinance. Along with the proposed zoning changes, the board has been actively reviewing Subdivision, Site Plan and Excavation Regulations with the intent to update each of them. The board has also adopted a new waiver request form as a part of the subdivision regulations.

Sandown is a member of the Rockingham Planning Commission. The Commission is a non-profit local government organization that serves in an advisory role to local governments in order to promote coordinated planning, orderly growth, efficient land use, transportation access, and environmental protection. The Commission's professional planning staff provides an array of planning assistance to its 27 active member communities. Membership, which is optional, is obtained through annual dues assessed to each community on a per capita basis.

As one of nine regional planning commissions in the state, the Rockingham Planning Commission consists of twenty-seven communities. It is not affiliated with Rockingham County and takes in towns beyond the boundaries of Rockingham County.

In 2009, Sandown received assistance from the planning staff at the commission through a Federal Brown Fields program to assess a town-owned parcel of land that may have been environmentally compromised. The Commission also assisted in drafting a new wetlands ordinance and advised on a Dark Skies ordinance, not yet put forward, that would assist in preserving the beauty of our night skies. The Commission also supplied a number of aerial maps for the use of the Planning Board and the Conservation Commission, and was instrumental in supplying statistical information in helping the Planning Board assess their compliance with the state's workforce housing legislation.

Sandown has been able to access Federal Community Technical Assistance Program (CTAP) funds through the assistance of the RPC. Through its mandated role as a Metropolitan Planning Organization, RPC provides general transportation planning assistance to Sandown and other communities impacted by the I-93 expansion, as well as being a conduit for federal transportation monies to member communities.

Sandown's Board of Selectmen appointed Mark Traeger (Conservation Commission) and Donna Green (Planning Board) as RPC Commissioners. Mrs. Green is also an alternate to the Executive Committee of the RPC. By far one of the best benefits Sandown receives is knowledge from interfacing with other towns and in attending learning sessions from various state and federal agencies.

Thank you to Vice Chairman Donna Green, Ed Mencis, Steve Meisner, Marilyn Cormier, Selectmen's Representative Nelson Rheame and Alternate Matt Russell for serving on the Planning Board. Thank you to our staff, Administrative Assistant Bette Patterson and Consulting Engineer Steven Keach for their assistance and advice.

SANDOWN POLICE DEPARTMENT
ANNUAL REPORT FOR 2009

2009 has been a struggle for many people in the present economy. When tough times come upon us, police activity is directly affected by an increase in calls for service. This was evident over the past twelve months for our department. Serious crimes to include thefts, burglaries have increased, along with alcohol and drug offenses. Many of these offenses require extensive investigation. Cpl. John Sable and Officer Dave Cianfrini were promoted to the position of Detective. Investigations can be a lengthy process which require collection of crucial evidence and interviews. We also experienced a usual amount of incidents of criminal mischief; arrests were made of those persons responsible along with restitution and closure to the victims in these cases.

Sgt Scott Wood, Senior Explorer Advisor, has motivated our Explorer Program to experience another successful year. They along with the Fire Explorers held spaghetti dinners and a pancake breakfast which were successful and also offered an opportunity for the community to gather. The Explorers attended the "Law Enforcement Weekend challenge" in Concord, which they won 5th place. The Explorers are always looking for youth interested in joining. The program teaches law enforcement procedures for those who may be interested in a career in law enforcement. Sgt. Scott Wood received the Daniel Webster Council Leadership Award for his role and involvement with the Explorers. We presently have a large group of members thanks to Sgt. Wood's dedication.

Sgt. Aurie Roy reports another successful year with the Dare Program. The Program is taught to fifth graders at Sandown Central. At this years graduation teens from the Peer Outreach Program from Timberlane High School spoke to the children and their families. The teens talked about their experiences, their cause (keep teens safe from the dangers of drug and alcohol abuse) and how kids can get involved in positive ways by educating the community. Sgt. Roy is also involved with the program Allies in Substance Abuse who address issues with underage drinking, and parties, Controlled Substance Prescriptions abuse strategies and much more. The purpose of this group is to devise ideas, and awareness in educating the community. They initiate and support programs along with grant funding to address drug and alcohol issues with our youth.

Officer Rothwell has shown his strengths by taking on the task of training our officers in many aspects of officer survival and firearms training. He has recently completed the Instructor course specific to the shotgun. This is mentally challenging as well as physically demanding two week course. He will now bring those skills to all of the other members through out the years to come.

Officer Richard Buco has joined our department this year, he is a seasoned officer and will be a valuable asset to the department. He has just recently completed the two week prosecution training and will be representing us in the courts as our Juvenile Officer.

Another area under my direction is the Animal Control Department. Animal Control Officer, Claire Kontos responsibilities and incident numbers have continued to increase year after year, this year being the highest. She is dedicated to every call day or night. Calls she deals with range from domestic and/or wild animals, sick and deceased animals. Claire also investigates incidents of animal hoarding, neglect, cruelty and illegal breeding. Claire is very talented and knowledgeable in her work.

The annual softball game between Police Officers and Firemen was held during Old Home Day weekend and was in favor of the police. YES, The Police took back the trophy this year from the Fire Department. The second place trophy can be viewed in the front window of the fire department. Chief Tapley and I have a great time every year with this fun event. I was blessed with the old Grapefruit gag and fortunately for me the pitch was a ball and the gig was up. I had a lot of fun and look forward to next year.

I want to thank all my officers for their hard work, professionalism and determination. I hold a position that requires me to be fair but to also provide the community a feeling of safety and security in their homes. All of the members of this department dedicate themselves everyday to maintain this and hold the level of professionalism that makes me very proud.

Thank you for all your support,
Joseph Gordon
Chief of Police

SANDOWN PUBLIC LIBRARY

305 Main Street • P.O. Box 580 • Sandown, N.H. 03873 • 887-3428

Congratulations, Sandown residents!

Thanks to all of our readers, the library circulated nearly 70,000 items (69,758), and reached 39,489 visits for the year. This 10% increase over 2008 in both visits and circulation statistics clearly demonstrates the impact of an active, dynamic service to the town. During a challenging economic year, these unprecedented statistics also highlight the resourcefulness of Sandown residents who were smart enough to utilize the free services of their community library. Not only did they save money but they got the most for their tax dollars!

The library sponsored 319 events throughout the year. The Calendar of Events on our re-designed website, www.sandownlibrary.us, gives everyone a chance to view and sign up for our popular activities and museum passes. Ongoing activities include a monthly book discussion group, chess club, knitting group, and children's story hours. Of the 83 programs offered to adults this year, some of the more popular ones were: Cake and Cupcake Decorating, Disney Book Author talk, Bicycling program, and Holiday Centerpiece Workshop. The Library Staff voted "Honoring our Veterans" as the most meaningful program for all of us. We thank all residents and local businesses who supported these programs.

The Summer Reading program, "Summertime and the Reading is Easy" flourished under the direction of Children's Librarian JoAnn Pinard-Evans and Story Hour Coordinator Judy LaPorte with 290 participants and 3914 books read. The Library ended the summer program on a sad note saying good-bye to Miss JoAnn who resigned after 11 years of service to the children of Sandown. We thank her for her years of dedication.

The Children's Room looks brand new with bright colors, new rugs, shelving, and furniture. The Library extends its appreciation and thanks for these upgrades, which were made to the Children's Room through generous contributions from the Whitney Turner Memorial Fund.

Thank you to the 20 volunteers who worked on special projects throughout the year. A very special thank you to the Friends of the Library for their continued support of our library programs through their fundraising activities. The Friends purchased six museum passes: New England Aquarium, Museum of Science, Children's Museum of New Hampshire, McAuliffe-Shepard Discover Center, SEE Science Center, and Butterfly Place; sponsored a program by cycling author Marty Basche; and purchased many adult audio books. They also sponsored the very popular Ice Cream Social to kick off the summer reading program. Their constant up-keep of the Book Sale Room is extraordinary. Thank you to all of the members.

The library welcomed Jennifer Bryant to the library staff in November as Youth Services Director. Ms. Bryant completed her Masters in Library Science in 2000 and has worked in a number of public libraries in Maine and New Hampshire. We look forward to expanded services for the young people of Sandown under her direction.

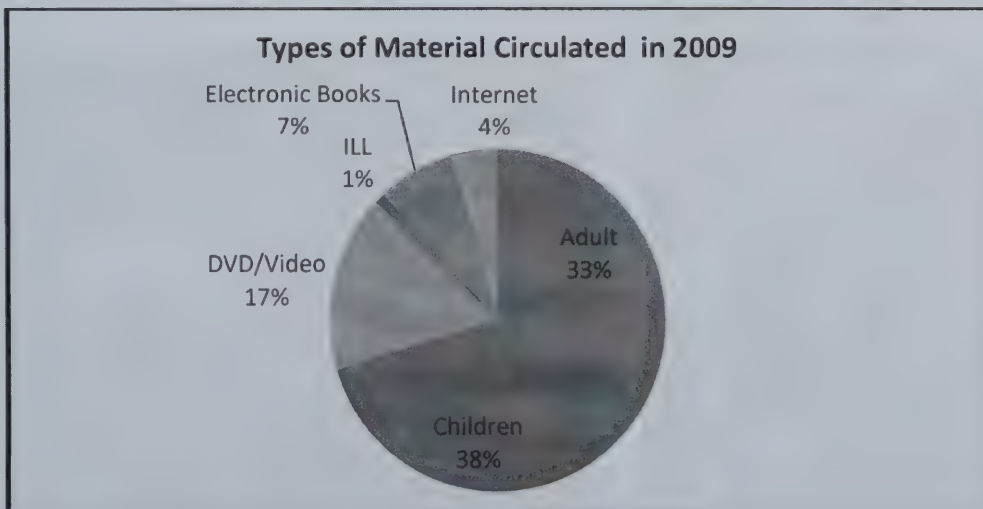

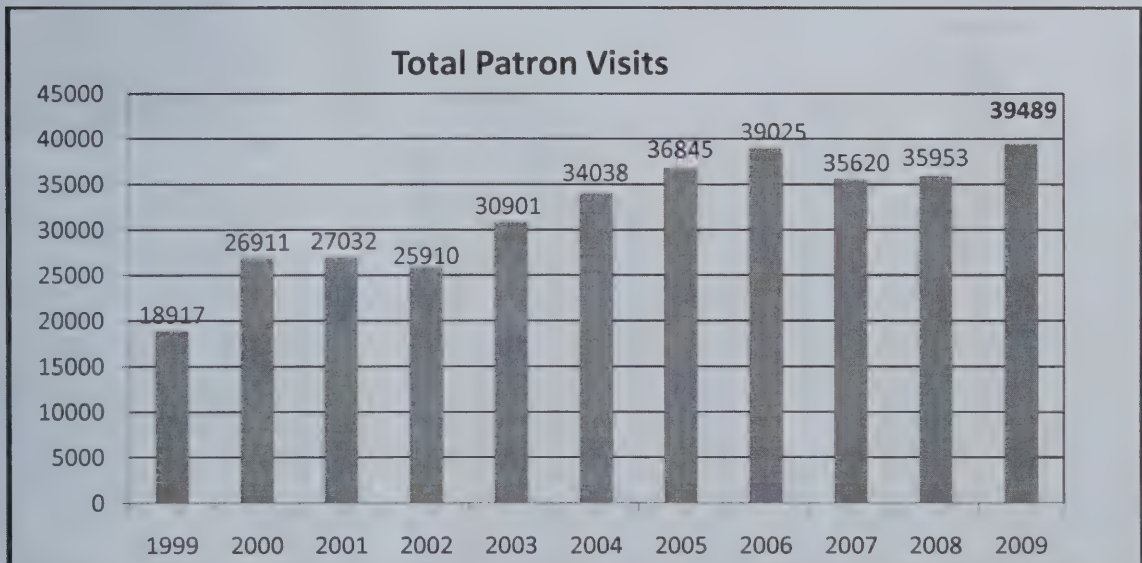

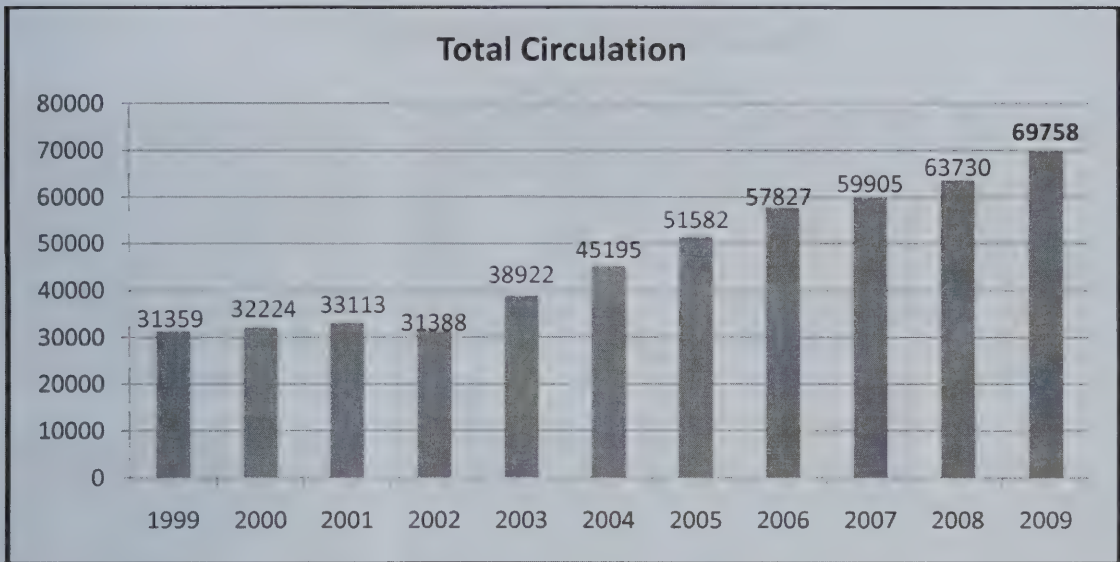

I cannot complete the year without acknowledging the hard work and dedication of the Board of Library Trustees and the Library staff. Because of their unwavering commitment to the Library and the residents of Sandown, we are able to offer outstanding service to the community. Thank you for a very busy and successful year.

We look forward to seeing all of you in 2010.

Recreation Commission

People who cannot find time for recreation are obliged sooner or later to find time for illness". – John Wanamaker 1838-1922, American Merchant.

RECREATION COMMISSION PARKS AND RECREATION DEPARTMENT

The Recreation Commission oversees the Parks and Recreation Department, the maintenance of town owned recreation facilities, and programming for residents of all ages. With the recent acceptance of the new recreation facility residents now have approximately 20 acres of maintained recreation space including a town beach, baseball and softball fields, a multipurpose field, playground, year-round building and more. The Commission continues to coordinate recreation activities for residents, from the very young to the young-at-heart.

Perhaps the most exciting news to report for 2009 was the late year acceptance of the new recreation facility located at 25 Pheasant Run Drive. The year round building houses a large meeting room, full kitchen, recreation office space, multipurpose field and future playground. Springtime plans include some parking lot paving, fencing around the field and the installation of a small playground area. The building is equipped with monitored security and fire alarm systems. It will also be included in the emergency management plans established by the town.

As this town report goes to press in January, work has begun to outfit the building so that it may soon be opened for recreation programming and other public and private use. The Recreation Commission has met many times over the past year to develop policies and procedures for this new facility. It is an exciting time which includes a learning curve. The Commission is looking forward to having the space to offer increased recreation programming, activities and events for all residents. As the process moves forward the Commission looks for your input, suggestions and ideas.

Recreation Commission members and department employees would like to take this opportunity to thank the various boards, volunteers, employees and individuals who have worked diligently throughout this process to overcome hurdles and obstacles and bring it to fruition. It would also like to recognize town residents who have waited patiently and with support. It has been a long road and a learning experience for all involved.

This past summer saw some vast improvements to the Roy L. Miller Field. These accomplishments were the direct result of individuals and organizations who chose to contribute to their community. The accomplishments were many and following projects are recognized within this report:

New Message Sign: Eagle Scout Project of Sean Sullivan. The new sign you see was the project chosen by Sean to benefit residents as they drive along Main Street. Sean worked to raise money to replace the old sign, install it at a more visible height and provide protective covering for the message portion. The beautiful new sign, complete with gold leaf lettering, was accepted in August prior to Sean's departure for college. Less than 3 percent of Boy Scouts achieve the rank of Eagle Scout. Sean joins an elite group of young men from Sandown who have contributed their Eagle Scout projects to better the recreation facilities of the town.

Renovation of "C" Field: Residents Gary Paradis, Leo Reynolds and others, spent many hours toiling in the summer heat to make improvements to this field which has been dormant for a number of years due to safety issues. Thousands of dollars of labor and materials were donated to make these improvements so that additional space would be available to meet the growing needs of youth teams. Slated for future renovations as a Babe Ruth size field, through an agreement between the Planning Board, a local developer, and the Recreation Commission, these interim improvements mean an additional field will now be available for playing in the upcoming season. Thank you to everyone who made this happen for our young residents!

Batting Cage: The Sandown Baseball Association requested permission to install a batting cage and build a storage shed. These new additions will provide a safe area where players can warm up their pitching arm; practice their swing; provide protection to other players and observers while engaged in those activities; and increase storage. Baseball Association members raised the funds and paid for these improvements. The batting cage will be available for all residents to use when not in use by Sandown baseball teams. Please read and abide by posted regulations.

It would be remiss not to mention the many businesses and individuals who step forward to offer support through sponsorship and donations for the many activities and programs which are offered. Whether you provided materials for an arts and craft project, donated a box of popsicles or supported a senior activity, your help and generosity was noted. This generosity is extremely beneficial and greatly appreciated.

The Commission is pleased to encourage community participation and support through offered events such as the Summer Program Annual Lemonade Stand and Car Wash; Town Wide Yard Sale, and Holiday Concert all which raise money and collect food to help support the Community Food Pantry.

The annual summer program continues to grow and participation has increased more than 65 percent over the past 5 years. The after-school programs continue to fill and expand. Our programs are based in activities that promote health and physical activity as well as community involvement, respect, safety, and of course fun! Most of our staff members are Sandown residents who undergo background checks, are certified in First Aid and CPR and participate in professional training. We expect our staff to be role models for participating children and to that end, eight of our college age staff members were also on the Dean's List at their respective schools last year. Some of them are studying in the fields of health, education and counseling. We encourage students entering Grade 9 to participate for a week or two as a counselor-in-training to gain experience in a workplace atmosphere, develop job skills, and to use their time to fulfill community service requirements.

The Recreation Commission is currently seeking to fill a couple of positions on this active board. If you enjoy volunteering, growing programs, and participating in your community, please contact the recreation office or any member for information on how you can be involved.

Sandown Sanitation Department 2009 Annual Report

The year 2009 has yet been another busy year, with still a strong focus on recycling. It is really great to see so many of you taking the time and effort to do your part. Keeping in mind it only brings in revenue for your town and also keeps down the fees for trash disposal.

My focus is still in trying to keep the transfer station clean and presentable and to be easily accessible to all residents.

I would like to thank my crew for all their hard work in keeping the transfer station clean and for helping out residents when needed.

Let's make 2010 a better year in recycling!
