MINOT - SLEEPER LIBRARY

Report of Board of Trustees

The Library is open Monday, Wednesday and Saturday from 1 to 5 and 6 to 9 P.M.

The Librarian reports circulation as follows:

Adult fiction	5,804
Adult non-fiction	1,834
Junior fiction	3,241
Junior non-fiction	579
Magazines	2,209
Bookmobile	1,509
Borrowed from State Library	45
New Books purchased	410
Gift volumes	108
(plus 1 set Golden Encyclopedia)	
Memorial books	2
Increase in circulation over 1963...	3,352

Subscriptions to 38 magazines and the Bristol Enterprise is supplied by the Minnie Jackman Fund.

As you will note we have increased our circulation this year by a substantial amount over 1963. This is in large part due to your buying committee, Mrs. Doran, Mrs. Robert Sargent, Mrs. Curtis Mooney. This is our last year as a member of the Shieling buying group. We are, however, under the state-wide Library Development Program, joining a state-wide purchasing group which will give us an additional 4% discount on book purchases plus larger and better displays to choose from at regular intervals with more and better guidance from trained Library Personnel. We may also receive some State funds for book purchasing. With the cost of books rising rapidly this should be of some help.

We still have some repairs to make on our building and renovations on the interior to make it more attractive.

Our present fire insurance on the building and contents is totally unrealistic and we want to revise this upward this year. Liability needs revision upward also.

We are again joining the New Hampshire Library Trustees Association.

Your Trustees feel that our Treasurer should receive some compensation for the amount of detailed work he has to do, so we have included a modest amount in our budget to cover this.

Mrs. Caro Jones notified us she wished to resign from the Board. Her resignation was accepted with regret as she has been a long and faithful member.

When we have time we are still sending Book Reviews to the Enterprise. It has been a busy '64 and as a Charter Member of one of the four districts to be established in the state we will be able to appoint a member to the District Council which will direct and develop minimum standards for the new district.

The Bristol Recreation Department is administered by the Park Commission appointed by the Selectmen, and the Recreation Advisory Council which assumes the responsi-

bility of supervising the Community Center and its yearly programs. The Commission meets periodically and the Advisory Council meets monthly except for June, July and August.

The Superintendent of Parks and Recreation is the liaison officer between the two groups and attends all meetings. He submits plans for future programs and the development of facilities in addition to presenting progress reports pertaining to each group.

During 1964 the Recreation Advisory Council has supervised several fund-raising events. They continually evaluate the events to see that they are serving the purpose for which they were intended. In almost every case these events are recreational in nature with the proceeds being used to conduct our yearly recreation programs.

Statistics prove that the Community Center is still a popular place. A total of 901 meetings were held at the Center under Recreation sponsorship and 703 by organizations, clubs and outside groups. Both of these totals are slightly below the previous year. However, an important trend is indicated by the large increase in attendance of year-round recreational activities. The figures for 1963 showed a total attendance of 36,672 while the 1964 total climbed to 43,669.

A detailed outline of recreation activities can be found in the 1964 Annual Report of the Bristol Recreation Department available at the Community Center and Town Clerk's office.
