Steve Bean – Lead Attendant  
Mike Chamberlain– Attendant  
Eric Rasmussen– Attendant  
Dylan Brooks – Part Time Attendant  
Richard Hindersinn—Part Time

## **Board of Selectmen's 2018 Annual Report**

2018 started out with the news that Select board member Milt Bratz would not seek re-election to the Select board. As Chair, I wondered who would replace Milt. Fortunately, Carrie Gendreau decided that becoming a selectperson was one more way that she could serve the town that she was born in, lives in, and loves. She secured a large majority in a three-way race and was sworn in shortly after Town Meeting. We miss Milt; however, Carrie has done a yeoman's job in filling his shoes.

As time goes on, unfortunately, so do some of Littleton's finest leaders. 2018 saw the passing of Burt Ingerson, Ed Boyton and Don Sargent. Burt and Ed served with distinction as selectmen, and Don served for many years on various town, community, and state boards and committees. All three will be missed; however, their work and legacies will be an inspiration to others to follow in their footsteps. My condolences to their families and friends.

Littleton Water & Lights long time commissioner Perry Goodell retired from his position after several decades of service. His selfless dedication certainly qualifies him for inclusion in Littleton's honor role of outstanding leaders. Perry's presence is missed by all of those at LW&L!

The Department of Public works saw it's Joe DePalma retire to embark on a business opportunity. While the town will miss Joe's tenacity and dedication to job, we wish he and his family success and happiness in their new venture.

The re-assessment in 2018 produced significant increases in property assessments to many, if not most, Littleton businesses and residences. Fortunately, many, if not most, were partially offset by the reduction in tax rate resulting in moderately higher (in most cases) December tax bills. The increased assessments produce a higher tax base, and the decreased tax rate help make it more affordable to live in our vibrant community. The combined efforts of the Chamber of Commerce, town administration, Littleton Industrial Development Corporation, and other groups and organizations all contribute to increasing the tax base. At the same time, the town administration, town department heads, budget committee, and selectmen are working to control spending; hence, the tax rate. The last, and most important, piece of the combined effort for gradual, sustainable, controlled growth is brought about by the tax payers who support the budget and warrant articles.

Due in part to our growth, parking has become and is a concern. To that end, the selectmen have appointed a parking committee to come up with recommendations for addressing these concerns. The committee, with the assistance of the North Country Council, is expected to deliver those recommendations in the not too distant future.

Rather than steal John Hennessey's thunder, I will only say that we should all be pleased with the progress in the River district, and I understand that landscaping and final paving are due in the spring. In that same neighborhood---congratulations to Jeff Cozzens and his crew at Shilling for their newly completed brewery!!

I would be remiss if I, on behalf of the selectmen, did not thank all the members of all of the Town's committees and commissions for their efforts and commitments to make Littleton the town that it is---**THANK YOU!**

In addition to the town committee/commission appointed members, there are the members of the private organizations and clubs who donate countless hours and are committed to the viability of Littleton. **THANK YOU!**

Police, Fire, Public Works, Parks, Library, Transfer Station, Water Treatment, Trust Funds, Water & Light---Chiefs, department heads, supervisors, and all staff and employees.... we couldn't do it without you. **THANK YOU!** (my apologies if I inadvertently missed someone).

Our Town Manager, Andrew Dorsett, deserves special thanks for both his skill set as well as his tireless dedication. **THANK YOU!**

Lastly, for their confidence and unyielding support. My fellow selectmen (women), Franco Rossi and Carrie Gendreau. **THANK YOU!!!**

**And.....most importantly, the voters and citizens of Littleton for giving me the opportunity and supporting me for the last four years in serving this wonderful community.**

Respectfully submitted,  
Schuyler W. Sweet, Chairman  
Littleton Board of Selectmen

## Office of the Town Manager

I'm honored to present to the citizens of Littleton my annual report for 2018. Each year has provided me with numerous professional experiences and rewarding challenges as Town Manager.

With planned retirements of key staff members, administrative office restructuring, continued community growth, contractual changes, and long-range planning efforts, my attention has been focused in multiple directions.

In 2018 we continued to work on several administrative changes that focused on improving our efficiency, our effectiveness and our personnel management. The cooperation and communications with the School Board and SAU administration has proven to be beneficial to both organizations. We continue to collaborate and explore furthering our separate organizational ability to function more closely.

The Board expanded community input in key areas through the creation of a Parking Commission and a Cultural Arts Commission. And further work was completed by the EMS Commission and Dog Park Committee. The many official boards and commissions continue to make progress, and the Town collaborated and supported work with these groups as well as outside organizations. We successfully continued to realize funding collaboration with granting agencies to further leverage the Town's community and economic development vision, as well as support critical municipal services.

Some significant progress and accomplishments were: the completion of the Littleton Parking Study, NHDOT acceptance of our Bicycle Pedestrian Plan, final closeout of the 2011 Safe Routes to School project, awarded contracts and begun construction on Saranac-Ammonoosuc and Sub 5 projects, completed Sub Area 2 Waste Water Collection System conditions study, finalized the phased plan for a new recreation center, partnership with Buxton Co. for economic development expansion, major repairs to the Waste Water Treatment Plant (WWTP) dewatering unit, completion of the WWTP energy audit, recalibration of the Industrial Discharge Permit processes, lateral collection systems GIS mapping project, awarded the NH TAP project engineering contract, adjusted landfill sampling to meet State requirements, new EMS contract with Golden Cross, expanded town safety training opportunities, completed a statistical revaluation, collaborated with NHDOT & NH Attorney General's office for rail trail project, applied for Main Street Phase II for inclusion in NHDOT 10 Year Plan, awarded a Land Water Conservation Fund (LWCF) River District grant, awarded a Tilloston grant for Opera House sound, progressed toward a resolution of Cable Franchise Agreement, successful legal collaboration on Northern Pass, implemented project development management software, successful collaborative intern program, Master Plan RFP process and review, updated the Dog Ordinance and Traffic Ordinance, worked closely with NH legislative and executive offices on critical legislative issues, in addition to successful outcomes with multiple legal and personnel actions. Recruited two new highly qualified department heads to fill vacancies (Parks and Recreation Chris Wilkin and Public Works Director Doug Damko).

I'm very excited about the many challenges and opportunities we will be tackling in 2019.

A special thank you to all those who diligently serve the Town so well, and all the present staff who have stepped up when needed to help keep all our operations running smooth and successfully. As a community, we are blessed to have such a dedicated, talented and qualified group of staff members. I also want to thank the Selectboard, Boards, Commissions, and Committees for their continued support and confidence, as well as the citizens of Littleton for their contributions towards making this a wonderful community to be a part of.

Please contact us if you have any questions, comments or wish to volunteer in our great community, by phone (603.444.3996), in person here at Town Office, or by email at [adorsett@townoflittleton.org](mailto:adorsett@townoflittleton.org).

Respectfully submitted,

Andrew Dorsett  
Littleton Town Manager

# Town of Littleton 2019 Amended Warrant

The Inhabitants of the Town of Littleton in the County of Grafton in the State of New Hampshire qualified to vote in Town affairs are hereby notified that the two phases of the Annual Town Meeting will be held as follows:

**First Session of Annual Meeting (Deliberative Session):**

Date: February 5<sup>th</sup>, 2019

Time: 6:00 PM

Location: Littleton High School Cafeteria, Littleton NH

Details: The First Deliberative Session will consist of explanation, discussion, and debate of each of the following warrant articles, and will afford those voters who are present the opportunity to propose, debate and adopt amendments to each warrant article, except those articles whose wording is prescribed by state law.

**Second Session of Annual Meeting (Official Ballot Voting)**

Date: March 12<sup>th</sup>, 2019

Time: 8:00 AM to 7:00 PM

Location: Littleton Public Works Garage, 240 West Main Street, Littleton, NH, 03561

Details: You are notified to meet for the Second Session of the Annual Town Meeting, to elect Town Officers by official ballot and to vote by official ballot on the warrant articles as they may have been amended at the First Session.

<b>Article 01</b>	<b>Election of Officers</b>
	To choose necessary officers, including one (1) Selectman, three year term; one (1) Town Clerk, three-year term; one (1) Supervisor of the Checklist, five year term; one (1) Treasurer, three-year term; one (1) Trustee of the Trust Funds, three-year term; three (3) Library Trustees, three-year term; one (1) Library Trustee, one year term; and one (1) Park Commissioner, three-year term.

<b>Article 02</b>	<b>Sewer Storm Water Roadway and Street Project Sub Area-2</b>
	To see if the Town will vote to raise and appropriate the sum of \$6,322,300 (Six Million Three Hundred Twenty-Two Thousand Three Hundred Dollars) for the purpose of Sub Area-2 repair and replacement of the sewer lines and storm water collection system. within the existing wastewater collection system, and any other cost related thereto and to authorize the issuance of not more than \$6,322,300 of bonds or notes in compliance with the Municipal Finance Act, RSA 33:1 et seq., as amended, with the amount of such bonds or notes to be reduced by any grant funding received for the project; to authorize the Selectmen to apply for, obtain and accept federal, state or other aid, if any, which may be available for said project and to comply with all laws applicable to said project; to authorize the Selectmen to issue, negotiate, sell and deliver said bonds and notes and to determine the rate of interest thereon and the maturity and other terms thereof; and to authorize the Selectmen to take any other action or to pass any other vote relative thereto. If the Town does not receive grant award(s) of at least 45% of the amount of the appropriation, it will not undertake the project until it does receive the 45%. Bond payments are anticipated to come from Sewer Users for this Bond. No Tax Impact (3/5 Ballot Vote Required) Recommended by Selectmen 3-0 Recommended by the Budget Committee 7-0

<p><b>Article 03</b></p>	<p><b>Partridge Lake Phosphate Reduction Study/Design</b></p> <p>Shall the Town of Littleton vote to raise and appropriate a sum not-to-exceed \$85,000 (Eighty Five Thousand Dollars) to hire a Certified Lake Management / Engineering firm to study conditions and provide design solutions to reduce external and internal phosphate loading in Partridge Lake -- to prevent future Cyanobacteria Algae Blooms in the Lake? And to authorize the issuance of not more than \$85,000 of bonds or notes in compliance with the Municipal Finance Act, RSA 33:1 et seq., as amended, with the amount of such bonds or notes to be reduced by any grant funding received for the project; to authorize the Selectmen to apply for, obtain and accept federal, state or other aid, if any, which may be available for said project and to comply with all laws applicable to said project; to authorize the Selectmen to issue, negotiate, sell and deliver said bonds and notes and to determine the rate of interest thereon and the maturity and other terms thereof; and to authorize the Selectmen to take any other action or to pass any other vote relative thereto. It is anticipated that there will be \$75,000 in principal loan forgiveness under the New Hampshire Department of Environmental Services Clean Water State Revolving Fund (NH CWSRF), The remaining \$10,000 will be offset by the a donation from the Partridge Lake Property Owners Association Water Quality Fund. Fiscal Impact Note: The tax impact associated with this will be \$0.00 per \$1,000 valuation. The principal loan amount of \$75,000 will be forgiven per the terms of the NH CWSRF agreement. Any and all interest accrued prior to loan forgiveness and Administrative cost shall be paid via monies held in the Partridge Lake Property Owners Association Water Quality Fund.  No Tax Impact.  (3/5 Ballot Vote Required)  Recommended by the Selectmen 3-0  Recommended by the Budget Committee 8-0</p>
<p><b>Article 04</b></p>	<p><b>Wastewater Treatment Plant Asset Management Study</b></p> <p>To see if the Town will vote to raise and appropriate the sum of \$49,000 (Forty Nine Thousand Dollars) for the purpose of an asset management study and preliminary engineering of the Wastewater Treatment Plant, and any other cost related thereto and to authorize the issuance of not more than \$49,000 of bonds or notes in compliance with the Municipal Finance Act, RSA 33:1 et seq., as amended, with the amount of such bonds or notes to be reduced by any grant funding received for the project; to authorize the Selectmen to apply for, obtain and accept federal, state or other aid, if any, which may be available for said project and to comply with all laws applicable to said project; to authorize the Selectmen to issue, negotiate, sell and deliver said bonds and notes and to determine the rate of interest thereon and the maturity and other terms thereof; and to authorize the Selectmen to take any other action or to pass any other vote relative thereto. It will be based on refund award(s) of at least \$30,000 of the amount of the request. The remaining \$19,000 will come from the Undesignated Sewer fund balance to pay off the bond prior to the first payment. No bond payment due in 2019.  No Tax Impact. (3/5 Ballot Vote Required)  Recommended by Selectmen 3-0  Recommended by Budget Committee 7-0</p>
<p><b>Article 05</b></p>	<p><b>2019 Operating Budget</b></p> <p>Shall the Town of Littleton raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$8,863,210 (Eight Million Eight Hundred Sixty Three Thousand Two Hundred Ten Dollars)? Should this article be defeated, the default budget shall be \$8,740,679 (Eight Million Seven Hundred Forty Thousand Six Hundred Seventy Nine Dollars), which is the same as last year, with certain adjustments required by previous action of the Town of Littleton or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only.  Estimated Tax Impact: \$7.133 per thousand.  Recommended by the Selectmen 3-0  Recommended by the Budget Committee. 7-0</p>

<b>Article 06</b>	<p><b>Transfer Station Special Revenue Funds</b></p> <p>To see if the Town will vote to raise and appropriate the sum of \$405,544 (Four Hundred Five Thousand Five Hundred Forty Four Dollars) for the purpose of the Transfer Station Operations with \$269,905 to come from the Transfer Station Special Revenue Fund. With the balance of \$135,639 to be raised by taxation. This special warrant article per RSA 32:3VI (d) and RSA 32:7 V.  Estimated Tax Impact \$0.167 per thousand.  Recommended by the Selectmen 3-0  Recommended by the Budget Committee 7-0</p>
<b>Article 07</b>	<p><b>Opera House Special Revenue Fund</b></p> <p>To see if the Town will vote to raise and appropriate the sum of \$96,374 (Ninety Six Thousand Three Hundred Seventy Four Dollars) for the purpose of the Opera House Operations with \$45,602 to come from the Opera House Special Revenue Fund, with the balance of \$50,772 to be raised by taxation. This special article is a special warrant article per RSA 32:3VI (d) and RSA 32:7 V.  Estimated Tax Impact \$0.062 per thousand.  Recommended by the Selectmen 3-0  Recommended by the Budget Committee 7-0</p>
<b>Article 08</b>	<p><b>Parking Meter Special Revenue Fund</b></p> <p>To see if the Town will vote to raise and appropriate the sum of \$54,818 (Fifty Four Thousand Eight Hundred Eighteen Dollars) for the purpose of the Parking Meter Operations with \$54,818 to come from the Parking Meter Special Revenue Fund. This special article is a special warrant article per RSA 32:3VI (d) and RSA 32:7 V.  Estimated Tax Impact \$0.000 per thousand.  Recommended by the Selectmen 3-0  Recommended by the Budget Committee 7-0</p>
<b>Article 09</b>	<p><b>Dog License Additional \$1 (One Dollar) Fee</b></p> <p>Shall we adopt the provisions of RSA 31:95-c to restrict the additional \$1.00 dog licensing fees proposed by the Select Board under RSA 466:39 to expenditures for the purpose of establishing and operating a dog park by the Littleton Parks and Recreation Department? Such revenues and expenditures shall be accounted for in a special revenue fund to be known as the Littleton Dog Park Fund, separate from the general fund. Any surplus in said fund shall not be deemed part of the general fund accumulated surplus and shall be expended only after a vote by the legislative body to appropriate a specific amount from said fund for a specific purpose related to the purpose of the fund or source of the revenue.  No Tax Impact  Recommended by Selectmen: 3-0  Recommended by Budget Committee: 8-0</p>
<b>Article 10</b>	<p><b>Road Improvements and Repairs</b></p> <p>To see if the Town will vote to raise and appropriate the sum of \$300,000 (Three Hundred Thousand Dollars) for the purpose of improvement, replacement, and repair of Crane Street, and any other roads and to bring the roads up to Town Standards. Any savings from these funds will be used to continue improvements on other roads in town. To further authorize the Selectmen to take any other action and to apply for, obtain and accept Federal, State and other aide if any, is available for said project. This is a non-lapsing warrant article until December 31, 2020.  Estimated Tax Impact: \$0.368 per thousand.  Recommended by the Selectmen 3-0  Recommended by the Budget Committee. 8-0</p>

<p><b>Article 11</b></p>	<p><b>Public Works Department 6 Wheel Dump Truck</b></p> <p>To see if the Town will vote to authorize the Selectmen to enter into a Three Year lease purchase agreement in the amount of \$90,000 (Ninety Thousand Dollars) for the purpose of leasing/purchasing a new F550 6 Wheel Dump Truck, and to raise and appropriate the sum of \$30,000 (Thirty Thousand Dollars) for the first year's payment for that purpose. This lease purchase agreement contains an escape clause. (Majority vote required)  Estimated Tax Impact \$0.037 per thousand.  Recommended by the Selectmen 3-0  Recommended by the Budget Committee 8-0</p>
<p><b>Article 12</b></p>	<p><b>Opera House Heating System Repairs, Replacement</b></p> <p>To see if the Town will vote to raise and appropriate the sum of \$20,000 (Twenty Thousand Dollars) for the purpose of repairs and or replacement of one of the boilers and improvements to the heat exchange system at the Opera House. If there are any savings on this project once the repairs/replacement and improvements are complete it shall be used for other energy improvements or repairs in the Opera House.  Estimated Tax Impact \$0.025 per thousand  Recommended by Selectmen: 3-0  Recommended by Budget Committee: 8-0</p>
<p><b>Article 13</b></p>	<p><b>Opera House Maintenance and Repairs</b></p> <p>To see if the Town will vote to raise and appropriate the sum of \$5,000 (Five Thousand Dollars) for the purpose of additional repairs, improvements, event equipment, and cleaning equipment at the Opera House. This may include using the funds as a grant match if needed to expand the improvements or purchases.  Estimated Tax Impact \$0.006 per thousand  Recommended by Selectmen: 3-0  Recommended by Budget Committee: 8-0</p>
<p><b>Article 14</b></p>	<p><b>Transfer Station Repairs, Replacement, Equipment &amp; Buildings</b></p> <p>To see if the Town will vote to raise and appropriate the sum of \$25,000 (Twenty Five Thousand Dollars) to replace, repair, fix, purchase and maintain Transfer Station equipment, buildings, containers, vehicles, and the purchase of additional supply of bags. And to authorize the withdrawal of \$25,000 from the Transfer Station Special Revenue Fund created for the above purposes.  No Tax Impact.  Recommended by Selectman 3-0  Recommended by Budget Committee: 8-0</p>
<p><b>Article 15</b></p>	<p><b>Transfer Station Auger &amp; Pre Crusher</b></p> <p>To see if the Town will vote to raise and appropriate the sum of \$60,000 (Sixty Thousand Dollars) for the purchasing and installing a new bulky waste Auger or Pre-Crusher and Containers. Further to authorize the withdrawal of \$10,000 from the Transfer Station Special Revenue Fund created for the above purposes, with the remaining \$50,000 to be raised by taxation.  Estimated Tax Impact \$ 0.061 per thousand  Recommended by Selectmen 3-0  Recommended by Budget Committee. 8-0</p>

<p><b>Article 16</b></p>	<p><b>Dog Park Engineering, Planning, Designing and Land Purchase</b></p> <p>To see if the Town will vote to raise and appropriate \$45,000 (Forty Five Thousand Dollars) to provide engineering, planning, design, fencing, make land improvements, provide water and/or the purchase of land, easements, equipment and supplies needed for a dog park. This warrant article will be offset by \$22,500 in donations, fund raiser funds and in kind work, with \$22,500 to be raised by taxation. If the amount of full donations are not received, the Town will spend no more than \$22,500 plus the amount of donations received.</p> <p>Estimated Tax Impact: \$0.028 per thousand  Recommended by Selectmen: 3-0  Recommended by Budget Committee: 8-0</p>
<p><b>Article 17</b></p>	<p><b>Parks &amp; Recreation Playground Replacement</b></p> <p>To see if the Town will vote to raise and appropriate \$150,000 (One Hundred Fifty Thousand Dollars) to replace, repair and/or make improvements to the Remich Park Playground. This warrant article will be offset by \$25,000 (Twenty Five Thousand Dollars) in donations, fund raiser funds, and in kind work, with \$125,000 to be raised by taxation. If the amount of donations is not received, the Town will spend no more than \$125,000 plus the amount of donations received. Any savings seen on this project will be used toward replacement, repairs, and improvements in any of the Town owned parks and recreation locations.</p> <p>This article is supported by the Littleton Parks &amp; Recreation Board of Commissioners.</p> <p>Estimated Tax Impact: \$0.153 per thousand  Recommended by Selectmen: 3-0  Recommended by Budget Committee: 8-0</p>
<p><b>Article 18</b></p>	<p><b>Unexpended Conservation Commission Funds</b></p> <p>To see if the Town will vote to authorize the Conservation Commission to retain the unexpended portion of its 2018 annual appropriations, said funds to be placed in the Conservation Fund. The unexpended portion of the 2018 annual appropriations is \$11 (Eleven Dollars).</p> <p>No Tax Impact  Recommended by Selectmen: 3-0  Recommended by Budget Committee: 8-0</p>
<p><b>Article 19</b></p>	<p><b>Parking Lot Improvements and Expansion</b></p> <p>To see if the Town will vote to raise and appropriate \$10,000 (Ten Thousand Dollars) for the purpose of improvements and expansion to public parking lots in the downtown area to bring the parking lots up to best practice standards, including improvements to pavement, lighting, drainage, pedestrian connections, and/or the configuration of parking lots.</p> <p>Estimated Tax Impact \$0.012 per thousand  Recommended by Selectmen 3-0  Recommended by Budget Committee 8-0</p>
<p><b>Article 20</b></p>	<p><b>Property Purchase and Parking Lot Expansion</b></p> <p>To see if the Town will vote to raise and appropriate \$50,000 (Fifty Thousand Dollars) for the purpose of purchasing property (Map 78 Lot 179, 17 Hillview Terrace), engineering, designing and making improvements for the expansion of public parking in the downtown area. And to authorize the withdrawal of \$20,000 (Twenty Thousand Dollars) from the Parking Meter Special Revenue Fund to offset and reduce the cost of this purchase and work done.</p> <p>Estimated Tax Impact \$0.037 per thousand  Recommended by Selectmen 2-1  Recommended by Budget Committee 8-0</p>

<p><b>Article 21</b></p>	<p><b>Town Office Safety and ADA Improvements</b></p> <p>To see if the Town will vote to raise and appropriate \$5,000 (Five Thousand Dollars) for the purpose of making the Town Administrative Office ADA compliant and enhancing the safety of Town employees. Also to authorize the Selectmen to use these funds toward a grant match for the same purpose if one becomes available.  Estimated Tax Impact \$0.006 per thousand  Recommended by Selectmen 3-0  Recommended by Budget Committee 8-0</p>
<p><b>Article 22</b></p>	<p><b>Mount Washington Regional Airport</b></p> <p>To see if the Town will vote to raise and appropriate \$6,000 (Six Thousand Dollars) for the purpose of supporting the Mount Washington Regional Airport.  Estimated Tax Impact \$0.007 per thousand.  Recommended by Selectmen 3-0  Not recommended by the Budget Committee 6-2</p>
<p><b>Article 23</b></p>	<p><b>Police Part Time Officers Expendable Trust Fund</b></p> <p>To see if the Town will vote to create an Expendable Trust Fund pursuant to RSA 31:19-a to be known as the Police Part time Training Expendable Trust Fund to pay for training and operational wages including benefits for part time officers. Further, to raise and appropriate the sum of \$1,000 (One Thousand Dollars) to be placed in said fund, that amount representing some of the amount of any remaining balance from the Police Departments 2018 annual budget for wages both part time and full time salary lines, with said funds to come from the unassigned fund balance. The expendable trust fund balance shall not exceed \$50,000. And to further appoint the Selectmen as agents to expend from said fund.  No Tax Impact  Recommended by Selectmen 3-0  Recommended by Budget Committee 8-0</p>
<p><b>Article 24</b></p>	<p><b>Downtown Revitalization Loan Modification</b></p> <p>To see if the Town will vote to raise and appropriate the sum of \$22,031 (Twenty-Two Thousand Thirty One Dollars) in the general fund debt schedule for the 2019 payment on the Downtown Revitalization Loan and for the purpose of moving the loan/note from the Parking Meter Fund to the General Fund. The financing for this loan had already been approved in 2013. The loan maturity date is in 2023. If this article is approved, the loan principal and interest will become part of the general fund expenditures for the remainder of the life of the loan and will be paid from general fund allocation for the next 5 years. Also, if approved, the Parking Meter Special Revenues Fund expenditures for 2019 will decrease by \$22,031.  Estimated Tax Impact \$0.027 per thousand  Recommended by Selectmen: 3-0  Recommended by Budget Committee: 6-2</p>
<p><b>Article 25</b></p>	<p><b>Unexpended Supplement Local Assistance (Welfare) Expendable Trust Fund</b></p> <p>To see if the Town of Littleton will vote to raise and appropriate \$8,000 (Eight Thousand Dollars) to be placed in the Local Assistance (Welfare) Expendable Trust Fund with said funds to come from unassigned fund balance. These funds represent some of the unexpended portion of the 2018 welfare appropriations.  No Tax Impact  Recommended by Selectmen: 3-0  Recommended by Budget Committee: 8-0</p>

<p><b>Article 26</b></p>	<p><b>Chamber of Commerce Downtown Beautification</b></p> <p>To see if the Town will vote to raise and appropriate the sum of \$11,650 (Eleven Thousand Six Hundred Fifty Dollars) to support the Down Town Beautification efforts of the Littleton Area Chamber of Commerce. Any savings realized while purchasing these items will be used for additional Chamber events/activities.</p> <p>Downtown Flowers-Purchase \$4,250  Downtown Flowers-Watering \$3,900  Pollyanna Gateway Umbrellas-Purchase \$300  Downtown Piano – Tuning &amp; Painting \$1,200  Down Town Seasonal Decorations-Purchase \$2,000  Total \$11,650  Estimated Tax Impact: \$0.014 per thousand  Recommended by Selectmen: 3-0  Recommended by Budget Committee: 8-0</p>
<p><b>Article 27</b></p>	<p><b>Chamber of Commerce Downtown Community Event Efforts</b></p> <p>To see if the Town will vote to raise and appropriate the sum of \$2,755 (Two Thousand Seven Hundred and Fifty-Five Dollars) to support the Downtown Community Event efforts of the Littleton Area Chamber of Commerce. MS-DTB**

**Default Budget of the Municipality**

**Littleton**

For the period beginning January 1, 2019 and ending December 31, 2019

*RSA 40:13, IX (b) "Default budget" as used in this subdivision means the amount of the same appropriations as contained in the operating budget authorized for the previous year, reduced and increased, as the case may be, by debt service, contracts, and other obligations previously incurred or mandated by law, and reduced by one-time expenditures contained in the operating budget. For the purposes of this paragraph, one-time expenditures shall be appropriations not likely to recur in the succeeding budget, as determined by the governing body, unless the provisions of RSA 40:14-b are adopted, of the local political subdivision.*

Article 14: Transportation Improvement Fund

To see if the Town will vote to collect an additional vehicle registration fee of \$5.00 (Five Dollars) for the purpose of supporting a Municipal Transportation Improvement Fund, which shall be a capital reserve fund established for this purpose and governed by the provisions of RSA 35. Of the amount collected, \$0.50 of each fee paid shall be retained by the Town for administrative costs. The remaining amount shall be deposited into the Municipal Transportation Improvement Fund established to allow a community to fund, wholly or in part, improvements in the local or regional transportation system including roads, bridges, bicycle and pedestrian facilities, parking and intermodal facilities, electric vehicle charging stations, and public transportation. And to further authorize the Selectmen to expend from said fund. The funds may be used for engineering, right-of-way acquisition, and construction costs of transportation facilities, including electric vehicle charging stations, and for operating and capital costs of public transportation only. The funds may be used as matching funds for State or Federal funds allocated for local or regional transportation improvements. Such funds shall not be used to offset any other non-transportation appropriations made by the municipality. The additional fee shall be collected from all vehicles, both passenger, and commercial, with the exception of all-terrain vehicles as defined in RSA 215-A:1, I-b and antique motor vehicles or motorcycles as defined in RSA 259:4. Effective date April 1st, 2018 if passed. (3/5th if SB2) No Tax Impact. Recommended by Selectmen 3-0. Recommended by Budget Committee 6-0.

A TRUE COPY ATTEST:

Judith F. White

LITTLETON TOWN CLERK

## Office of the Tax Collector

The Tax Collector's Office is responsible for collecting revenue from property taxes, sewer user fees, yield taxes, current use taxes, and excavation tax. If these taxes and fees go unpaid then we are responsible for the Tax Lien and the Deeding process. The office also responds to the inquiries from banks, mortgage companies, attorneys, and real estate agents. The Tax Collector's office works closely with the Assessors and the Planning/Zoning office as well.

The Town of Littleton accepts monthly payments for property taxes and sewer user fees. Please contact me if you would like to set up payment arrangements, we can also set them up to pay on previous years taxes. In 1994, the Town voted to accept pre-payments on taxes; if you wish to pay early we would be glad to assist you. Pursuant to RSA 76:13 interest will be assessed on all taxes and sewer late after 30 days. For your convenience there is a drop box for the Town of Littleton Tax Collector outside on the front of the building.

As of July 2015, the Tax Collectors Office is now accepting Discover, Visa, Master Card and American Express **on-line only**. To pay on line go to the town website [www.townoflittleton.org](http://www.townoflittleton.org) click on Municipal Departments, click on the Tax Collectors page, Scroll down to online payment services and you will see a button for property taxes, and sewer click on that. Have your tax bill or sewer bill in front of you with your map and lot, which is your property ID. Follow the next series of questions to make your payments. Please be aware there are convenience fees that will be charged and are not paid to the Town of Littleton.

If anyone has any questions please contact me at [ahatfield@townoflittleton.org](mailto:ahatfield@townoflittleton.org) or (603) 444-3996 ext. 1012

Respectfully,

Amy Hatfield

NH Certified Tax Collector

**REPORT OF TRUST AND CAPITAL RESERVE FUNDS**

For the period ending: Dec 31, 2018

This form is due **March 1st (Calendar Year) or September 1st (Fiscal Year)**

**Instructions**

**Cover Page**

- Select the Municipality name from the pull down menu
- Enter the preparer's information

**Reporting:**

- Complete all fields as necessary for the *Report of Trust Funds* and *Principal Only* sections.
- INVESTMENT POLICY - RSA 31:25 requires the trustees to adopt an investment policy and review and confirm this policy at least annually. A copy of this policy must be filed with the Director of Charitable Trusts (RSA 31:25, 34, 35:9).
- PROFESSIONAL BANKING AND BROKERAGE ASSISTANCE - RSA 31:38-a enables you to have a professional banking or brokerage firm assist you in performing your trustee duties. Refer to the law for further information. Attributable expenses may be charged against the trust fund involved, however, please be advised the fees can be taken from income only and not from principal.
- WEB SITE - A trustee handbook can be downloaded from the website for the Attorney General's Charitable Trust Division at [www.doj.nh.gov/charitable](http://www.doj.nh.gov/charitable)
- FAIR VALUE - Use this section to disclose the fair value (market value) of principal only. This information may be obtained from financial publications or from your professional banker or broker.
- CAPITAL RESERVE FUND - Must be kept in a separate account and not intermingled with any other funds of the municipality (RSA 35:9).
- WHEN and WHERE TO FILE - By March 1 if filing for a calendar year and by September 1 if filing for optional fiscal year. See instructions and address on the last page of this form. If you hold funds for the school, the school business administrator will also need a copy for the school's financial report.

A hard copy of this form, as well as the signature page, must be sent to:

Department of Justice  
Office of the Attorney General  
33 Capitol Street  
Concord, NH 03301-6397

**For Assistance Please Contact:**

NH DRA Municipal and Property Division  
Phone: (603) 230-5090  
Fax: (603) 230-5947  
<http://www.revenue.nh.gov/mun-prop/>

**ENTITY'S INFORMATION**

Municipality:	LITTLETON	County:	GRAFTON	Total of All Funds:	\$7,292,551.71
---------------	-----------	---------	---------	---------------------	----------------

**PREPARER'S INFORMATION**

First Name	Last Name	
Therese	Linden	
Street No.	Street Name	Phone Number
3	Eagle Square	(603) 527-3905
Email (optional)

# Littleton Assessing Department

## Assessing Department

603-444-3996 ext. 1014

KRT Appraisal Contract Assessors

### Important Dates

March 1: Last day to file for abatements for the upcoming tax year.

April 15: Last day to file application for property tax exemption, credit, or deferral for the upcoming tax year.

April 15: Last day for religious, educational, and charitable organizations to file annual list of all exempt property with assessing officials. Refusal to file may be grounds for denial.

April 15: Last day to file application for "Current Use" for the upcoming tax year.

The Assessing Office is responsible for calculating the Assessed Value of each property in Littleton and ensuring that each is assessed equitably in relation to market value. Littleton utilizes computer assisted mass appraisal (CAMA) software provided by Vision Government Solutions of Northborough, MA. The last update of values was performed in 2015 by KRT Appraisal of Haverhill, MA. The assessed values of Littleton properties can be found in the Vision Government Solutions Online Database or at the Town of Littleton website under Town Maps.

KRT Appraisal is the Town's contracted Assessors and is usually in the Town Hall two to three days during the work week. Please feel free to call and speak with them with questions you may have regarding your assessment. Some of the duties of the Town's contracted Assessors are to follow up on building permits, quarterly property inspections and data checks on properties. If you have any questions regarding their credentials, please contact us here at the Town Hall and we will verify who they are and if they are in your neighborhood on that particular day.

Applications for all exemptions, tax deferrals (formerly the elderly & disabled tax lien), and tax credits must be made no later than April 15th, preceding the setting of the tax rate (RSA 72:33). The taxpayer must be qualified for the exemption, deferral, or credit as of April 1st of the tax year claimed. The financial qualifications will be judged as of the time the application is filed. The Assessing Officials are to provide a written decision.

Applications for abatements must be made by March 1st following the notice of the tax. The Assessing Officials are to grant or deny the abatement by July 1st. The taxpayer may appeal the denial of an abatement to the Board of Tax & Land Appeals or to Superior Court, but not both, by September 1st. These dates are adjusted if the tax bills are mailed after December 31st.

## POLICE DEPARTMENT

In 2018, one of the primary goals of the Littleton Police Department was to reduce the seven overdose deaths our community suffered in 2017 as a result of the statewide drug epidemic. The use of these highly addictive drugs has repercussions that extend far beyond the individual user. The medical and social consequences of their use—such as hepatitis, HIV/AIDS, fetal effects, crime, violence, and disruptions in family, workplace, and educational environments—have a devastating impact on society and cost billions of dollars each year. The Office of the Chief Medical Examiner projects that in 2018 there will be 450 drug related deaths in New Hampshire. I am happy to report that Littleton did not suffer any overdose deaths in 2018. This decline is attributed to the availability of Naloxone (Narcan), educational efforts in preventing illicit drug use, coordinated treatment/recovery programs and enhanced law enforcement efforts.

In an effort to reduce the illegal distribution and use of controlled substances in the Town of Littleton, the Littleton Police Department participated in Operation Northern Alliance. The goal of this operation is to investigate and arrest individuals in New Hampshire distributing heroin, fentanyl and opioid-based narcotics along with other illicit drugs. Northern Alliance is a collaborative effort within northern Grafton County involving local municipal police departments, Grafton County Sheriff's Office, DEA, Homeland Security Investigators, Attorney General's Drug Task Force, and the New Hampshire State Police (comprised of members from the Mobile Enforcement Team (MET), Narcotics Investigations Unit (NIU), and Troop F). Twenty four North Country and NEK residents have been arrested on a variety of charges as part of a larger police operation investigating the distribution of heroin, fentanyl, and other narcotics, which has netted hundreds of grams of drugs as well as several guns. In addition to Northern Alliance, in late 2018, the Littleton Police Department has partnered with the Berlin Police Department in participating in the NH Law Enforcement Opioid Abuse Reduction Initiative Grant (Granite Shield). We are looking forward to working with the Berlin Police Department to address the illicit use of opioid class drugs by interdiction work and forming a larger coalition to serve the "North of the Notches" region. Officers of the Littleton Police Department uncovered several methamphetamine production sites. The manufacture of methamphetamine is extremely dangerous due to the chemicals used to produce the drug. The Littleton Police Department remains committed to reduce illegal distribution and use of controlled substances in order to maintain the status of being a safe community with a reputation as a great place to live, visit, work and do business.

Please don't forget that in an effort to remove unwanted unused prescription medication we partnered with Littleton Regional Healthcare to establish a permanent drug take back location in the lobby of the Littleton Police Department. Unused prescription medications in homes create a public health, environmental and safety concern, because they can be accidentally ingested, stolen, misused, and abused. In 2018 the department collected over 300 lbs. of unused prescription medication. We remain committed to this effort in order to maintain the quality of life our citizens enjoy.

The department continued to utilize outside revenue sources such as grants to provide enhanced patrols in order to provide for safer streets and neighborhoods. The Littleton Police Department was the recipient of several New Hampshire Highway Safety Agency grants. The grants provided enhanced patrol coverage which included DWI saturation patrols, pedestrian safety foot patrols, seatbelt enforcement patrols, and specialized patrols to address distracted drivers and speed during morning and afternoon "rush hour" traffic. In total, the Littleton Police Department secured \$14,111.00 in New Hampshire Highway Safety grant funding to make our streets and sidewalks safe. In addition, the department received USDA grant funding to assist in the purchase of a new UTV to aid in search, rescue and enforcement efforts. We also replaced three of our aging cruiser radios and updated seven obsolete TASERS.

Due to vacancies and a military deployment, the department experienced several personnel changes in 2018. Officer Bryce Lineman was hired to fill a vacancy created in 2017 when Officer Sean O'Brien resigned from the department. Officer Caroline Hafey was selected to fill a new vacancy which was created when the Town of Littleton graciously voted to increase our patrol staffing. Officer Kyle Audit was hired to temporarily fill a vacancy created when Officer Frank Silye was deployed for an extended active duty tour for the US Marines. We welcome these new officers and are looking forward to their service to the Town of Littleton. Three part-time officers (Gary Hebert, Joe Priest and Blaine Hall) resigned from the department in 2018 to pursue other endeavors. We thank them for their service and wish them luck. In early 2018, Detective Scott Powers was announced as the recipient of the 2017 Officer of the Year Award for his performance of duty and dedication to the Town of Littleton. During the ceremony, several awards and citations were also presented to officers, civilian employees, and volunteers (VIPS) who distinguished themselves throughout the year. Detective Powers is skilled as a Field Training Officer, Drug Recognition Expert and a member of the DEA Clandestine Laboratory Enforcement Team.

The Littleton Police Department continues to participate in the Alcohol Tobacco and Other Drugs task force (ATOD). ATOD is a collaborative effort of community leaders which is hosted by the North Country Health Consortium. It's primary mission is to reduce consequences of alcoholism and drug addiction by preventing youth substance misuse. The department is a proud member of the Grafton County Drug Court team and continues to be committed to alternative sentencing such as ASSERT (our local mental health court). Grafton County Alternative Sentencing Programs seek to provide an effective and meaningful alternative to the traditional criminal justice system for first time juvenile offenders and for individuals with a mental illness, or drug and alcohol addiction. Their goal is to promote prompt intervention, education, treatment and recovery in order to improve the quality of the individual's life, reduce recidivism, save money and improve community safety. The department remains committed to educating and mentoring our youth against the dangers of drugs, tobacco and alcohol with programs such as the Too Good For Drugs program. In 2018 the Littleton Police Department D.A.R.E. officer, Sgt. James Gardiner, introduced the Too Good For Drugs program in the Mildred C. Lakeway Elementary School. Skill development is at the core of Too Good for Drugs, a universal K-12 prevention education program designed to mitigate the risk factors and enhance protective factors related to alcohol, tobacco, and other drug (ATOD) use. The lessons introduce and develop social and emotional skills for making healthy choices, building positive friendships, developing self-efficacy, communicating effectively, and resisting peer pressure and influence

In support of a strong community policing philosophy the Littleton Police Department hosted the 12<sup>th</sup> Annual Halloween Festival for area youth. In 2018, the department introduced the Great Pumpkin Challenge. This pre-Halloween event was designed to encourage families to get outside and discover our community together. Judging by the amount of participation, citizen involvement and positive feedback, this proved to be a successful event. Thank you to the many merchants and community members who donated prizes for these events. Members of the police department participated, volunteered and donated their time and money to support programs sponsored by the Littleton Police Department Benevolent Association. The Littleton Police Benevolent Association sponsors programs such as "Operation Santa" which provides assistance anonymously to families in need within our community at Christmas time. This year, they were able to adopt two families and provide them with items such as winter coats, snow suits, winter boots, hats, gloves, scarves, warm clothes, books and toys. We will continue to provide these programs and would like to thank the supporters for their generous donations that help make these events and programs possible.

The Littleton Police Department remains very dedicated in providing a school safe environment. We work very closely with the administration and staff from SAU #84 in order to provide for the safety of our youth. In 2018 we participated in safety meetings, conducted emergency drills and provided training to the faculty and staff to help the district become a leader in school safety in the State of New Hampshire. The department assisted in the implementation and training of the RAVE Mobile Panic Button alert system for the district which provides an additional tool for staff to alert others and notify emergency responders in the event of a "violent intruder" type incident. Additionally, the department assisted with the A.L.I.C.E. (Alert Lockdown Inform Counter Evacuate) training for the district which aids students and staff with additional lifesaving options during an actual active shooter situation where lives are at risk. Instructors from the department provided assistance to the district ALICE instructors with training for SAU staff members and students in an effort to better equip them with more options for responding to an active shooter incident. The Littleton Police Department continues to be a proud member of the Safe Routes to School (SRTS) Committee. Due to the hard work of the SRTS committee and with the assistance of many volunteers such as VIPS, we were able to provide support for the annual Bike Rodeo in May.

In 2018, the Littleton Police Department engaged in a partnership with Littleton Regional Healthcare to assist with the creation of their Campus Security Department. Officers of the Littleton Police Department assisted with the selection and provided training for the new security officers. Additionally, Littleton officers trained with LRH security officers to enhance campus security and create team approach in order to provide a safe environment for the staff, patients and staff at LRH.

The Littleton Volunteers in Police Service program continues to be an integral part of the Littleton Police Department. The Volunteers in Police Service (VIPS) program was created by the United States Department of Justice and established in Littleton in 2008. The VIPS program provides support and resources for agencies interested in developing or enhancing a volunteer program and for citizens who wish to volunteer their time and skills with a community law enforcement agency. The program's ultimate goal is to enhance the capacity of state and local law enforcement to utilize volunteers. The volunteers have been able to provide assistance to the officers and the community in the following areas: community outreach such as the Halloween Festival and Safe Routes to School Bike Rodeo, cruiser maintenance, prosecutorial assistance, house checks, landscaping, speed trailer deployment, front desk assistance to the administrative staff and assist with traffic control during the numerous parades that our community holds. Annually the Littleton Police Department Volunteers in Police Service (VIPS) donate equipment for the men and women of the department. The VIPS raise money through private donations and an annual fundraiser. In 2018, enthusiastic volunteers have logged approximately 950 hours of service to the community and department. Utilizing the formula provided by the Federal Government, those hours of service calculated into \$23,465.00 in savings to the tax payer. We would like to extend a special thanks to the current members of the VIPS program.

We continued to honor National Police Week by recognizing all law enforcement personnel who have made the ultimate sacrifice. On May 15<sup>th</sup>, Peace Officers Memorial Day, members of the Littleton Police Department and VIPS coordinated a memorial service at Glenwood Cemetery in remembrance of all law enforcement officers killed in the line of duty. At the conclusion of the ceremony, law enforcement markers and flags were placed on the gravesites of former full-time police officers for the Town of Littleton in recognition of their service and commitment to this community and law enforcement.

We encourage you to visit our website at [www.littletonpd.org](http://www.littletonpd.org) to familiarize yourself with the services provided by our department, obtain information on upcoming events, the park card program, our VIPS program, or to sign up for Code Red. If you would like to receive updates on police department activities, events, as well as criminal related incidents, please "like" us on Facebook, follow us on Twitter or sign up for alerts via text messages and e-mail on our website home page. Don't forget, parking ticket fines may be paid online at our website.

IF YOU SEE SOMETHING, SAY SOMETHING™

Littleton is a diverse community with vision and determination that contributes to its growth and success. Littleton is the economic and recreational hub of the North Country. Littleton officers work very hard to serve the citizens of this community each and every day. We currently have twelve sworn full time officers, one part-time (full time certified), one full-time prosecutor, two full-time administrative assistants, one parking enforcement officer, and four unsworn auxiliary personnel. In addition to basic patrol functions, the police department offers an Honor Guard and Bike Patrol.

The Littleton Police Department will continue to be sensitive to the many issues and challenges that this community has faced in recent times and will strive forward in a very transparent and energetic way by stepping outside the box and continue to build new relationships with the community. We remain committed to our mission, "To provide responsive, competent, and professional law enforcement service in partnership with our community." The men and women of the Littleton Police Department take great pride in serving the Town of Littleton. They are truly dedicated professionals who believe strongly in their ethics and integrity. On behalf of the men and women of the Littleton Police Department, I wish to extend our sincere thanks for your help and support during this past year and wish you all a very safe new year.

Respectfully Submitted,

Paul J. Smith

Chief of Police

*"Community Service and Protection"*

## 2018 Annual Report

This year started slow with a few projects that needed to be completed for the Police Department. Florian Seaman and Nick Fiore removed hard drives from previously used computers so they could be disposed of properly. Mary Edick and Monique Decoste spent countless hours helping in the front office with filing and anything they could do to assist. The annual Police Department Banquet was in January at The Topic of the Town, Several awards and recognition certificates were given out.

Our 2<sup>nd</sup> annual Bake Sale was held at the Littleton COOP and was a huge success this year as well. We would like to thank all of the patrons who donated for our cause, as well as the Littleton COOP for accommodating the space to hold this event. Dennis Sharpe and all the volunteers who made this possible. Richard Massimilla continues to create yet another video; this time he concentrates on what the Littleton Police Department and their Officers do. He should have another great presentation early in the 2019 season. This will be available to the public for viewing on Channel 2 or go to the Littleton Police Department website. Sharon Craigie continues to research, capture and document a history of the Littleton Police Department from its inception through its current status.

Once again, in 2018, many volunteers were involved in numerous events with the police department and the Town of Littleton. Some of these events include an annual bike rodeo which we registered about 65 bikes. Due to the inclement weather, the rodeo was held inside the Lakeway Elementary School.

VIPS also provided traffic control for the Memorial Day Parade, the 4th of July celebration, the Holiday Parade, the Antique Parade, and, new this year after a 10 year hiatus, the Littleton Fire Department presented their annual Fire Truck and Emergency Vehicle Parade. Many local communities showed up for this with their equipment to show their support. Lastly, the VIPS assisted with the annual pumpkin carving contest, the Lighting of the Jack -O-Lanterns and the Harvest Festival. Even with the freezing temperatures, we had a good community support with volunteers braving the temperatures.

The Volunteer in Police Service (VIPS) members had specialized training in CPR, First aid, Narcan awareness and use. Sergeant Rick Ball attended one of the VIPS meetings to educate our members in an active shooter awareness.

The Volunteer in Police Service provide many hours of cleaning the facility, general maintenance, upkeep of the flower beds, painting, speed trailer deployment, front office help and many other services to the Police Department and Town of Littleton.

The VIPS membership has lost two of our recent members to other commitments. Nick Fiore and Cindy Parker, thanks for your hard work, you will be missed.

Over the course of 2018, the VIPS logged 950 hours of volunteer time at the Littleton Police Department. The national guidelines for hourly pay for New Hampshire volunteers values our volunteer time at \$24.70 per hour. By utilizing this calculation, the VIPS provided the Town of Littleton \$23,465.00 in wages and savings.

The Littleton Police Department Volunteers in Police Service proudly serve the police department and our community. We thank you for your continued support and look forward to a prosperous 2019. If you have any interest in becoming a proud volunteer or want to learn more about VIPS, you can find us on the Littleton Police Department website, [www.littletonpd.org](http://www.littletonpd.org). Under the "Divisions" tab. We are gladly welcoming new members

Respectfully Submitted,

Harry Smith

Littleton Police Department VIPS Coordinator

# LITTLETON FIRE RESCUE

It is my pleasure to present to the residents of our community our 2018 Littleton Fire Rescue Annual Report. This report reflects the Department's activities and accomplishments for the year. Included in the Annual Report is data from several areas which serve as examples of the Department's various and diverse activities. I am confident that a review of this report will confirm the Department's dedication to the Town and residents we serve.

Our personnel were very busy in the community last year and will continue to work hard to reflect the Department's dedication to outstanding customer and community service. On behalf of each firefighter, I wish to thank the residents for the opportunity to serve them and extend my appreciation to the Littleton Board of Selectmen, the Littleton Budget Committee, Littleton Energy Committee, the Chamber of Commerce, Littleton School Board and Administrators, Littleton teachers, Littleton Regional Hospital, Golden Cross Ambulance and our mutual aid partners.

In closing we look forward to continue working together to make Littleton a safe and productive environment for all who live, work, do business and vacation in our community.

Respectfully

*Chief Joe Mercieri*

## 2018 Annual Report

The most valuable resources of the Fire Department are the dedicated men and Women who are responsible for emergency responses and daily functions required for Operating and maintaining the department in a professional manner.

### OUR VISION

To be recognized by our community and employees as:

A model of excellence in providing services thru Education, Prevention, and Mitigation;

A Department that is synonymous with the term leadership;

A Department that fosters an environment of involvement, trust and cohesion;

A Department responsive to the community's needs and concerns.

### OUR MISSION STATEMENT

It is the mission of the Littleton Fire Rescue to strive to be on the cutting edge of excellence by exceeding expectations in providing fire suppression, rescue and hazardous materials control. We, the individuals who make up Littleton Fire Rescue form a united team of professionals who are committed to the following values:

- The elimination of loss of life, injuries, and destruction of property from fire through proactive fire safety education and code enforcement...
  - The protection of all individuals; residents, guests or visitors alike, through the application of state of the art firefighting and rescue techniques...
  - The department will provide fire prevention and education to all segments of the population through a comprehensive program delivered in a professional manner.
  - The defense of our natural resources from uncontrolled releases of hazardous materials into the environment.
  - To be responsive to the needs of the citizens and community...
  - To promote teamwork and fellowship by creating an atmosphere of openness and caring.
  - To stimulate a sense of vision by encouraging innovation and change.
- To foster a positive attitude about ourselves, our community and our department!

### Staffing

The Fire Department employs one Full-time Captain, two-fulltime Lieutenants, four fulltime Firefighters; a full-time Fire Chief and 17 Call Company personnel.

### Apparatus

Current apparatus in the Department includes:

Engine 3 1995 KME Class-A Pumper Age:	24 years old
Engine 6 1997 KME Class-A Pumper Age: in 2014)	22 years old (Refurbished)
Ladder 1 2003 American LaFrance 110 foot aerial Age:	16 years old
Tanker 1 2014 Freightler Vacuum Tanker:	5 years old

## Calls for Service

In 2018 Littleton Fire Rescue responded to 1,060 emergency calls for service and issued 690 Burn permits. This is a 14% increase in call volume from last year and a 27% increase from 2016.

Type of Call	Total	Permits Issued
Fires	34	Brush burning 400
Explosion	3	Seasonal fires 290
Rescue & EMS	719	
Hazardous Conditions	54

## **Littleton High School Firefighter 1 and EMT Certification Program**

Littleton Fire Rescue has partnered with the Littleton High School Vocational Education Department and the New Hampshire Fire Academy to offer a Firefighter 1 certification program for high school students. This is a unique opportunity for our young men and women to pursue a career in firefighting and obtain State and National certification as a Level 1 firefighter opportunity to area high school students. The internship program is now in its fifth year. The program offers young men and women the opportunity to experience what it is like to work for a fire department. Students learn skills and concepts that they will need to prepare them for the State of New Hampshire Firefighter Level 1 certification test. The internship program combines firefighting, fire prevention and emergency medical services into a comprehensive “head start” program. Please contact Captain Chad Miller at 444-2137 or your high school guidance counselor for more information on this program.

## **Public Fire Education**

Littleton Fire Rescue offers the following classes to the general public, businesses and schools.

- CPR / AED
- Crowd Control Management
- Fire Extinguisher training
- Public Fire Education classes

Please contact the firehouse at 444-2137 to schedule a public fire education class or emergency evacuation drill.

## **New Website and Facebook Account**

Please visit us at [www.Littletonfirerescue.org](http://www.Littletonfirerescue.org) or our Facebook page at [www.facebook.com/LittletonNHFireRescue/](http://www.facebook.com/LittletonNHFireRescue/).

## **Special Events**

In 2018 Littleton Fire Rescue participated in the following events:

Home Depot Safety Day; Lowe’s Safety Day; Littleton High School Career Fair; Fire Prevention Month activities; Regional Fire Training School programs and the Littleton High School Firefighter 1 certification program.

## Littleton Department of Public Works

### FULL TIME STAFF

Doug Damko	Bill Sargent	Ralph Lucas
Robert Borowiec	Steve Cloutier	Ren Bouchard
Jeff Osgood	Ren Bouchard	George Skidmore

### 2018 – 2019 TEMPORARY STAFF

Frank Prue      Dave Louis

I would like to start by thanking my staff for the support and confidence you have bestowed on me for the past eight months. It is the team work and dedication and care for the town and your job that has made this department as successful as it has been. Many changes came within the department this year and you put your heads to the grindstone and continued with doing your job and did not miss a beat.

I would also like to thank Joe DePalma for his dedicated service to the Public Works Department and the community. You continue to set the bar of public involvement and pride of your community.

The winter ended with a series of North Easters that challenged our budget in various ways. Winter road maintenance materials, salt and sand were still being heavily used during a month when we are typically “winding down”. Again making it very hard to predict usage ratios. With needing to continue to order salt and truck sand in it left us with a bare minimum to start winter this fall. Our sand was ready and put up and we filled the salt shed but a heavy November of snow put my predictions and wishes of a slow start right to shame. Also I must mention the more frequent “ice” events that we seem to be getting will make me have to look at increasing the budget in these areas. We are a hustling and bustling area with much commerce that needs to keep

moving. Some of our fleet is really starting to show its age and should be rotated out in the immediate future. I would like to say that the new sidewalk machine has been all and more of what was expected. It has made maintaining the sidewalks during these significant snow events much more tolerable and efficient. We have other towns and cities inquiring about it.

With a typical spring and not a lot of problem areas during “mud season” we were able to start spring cleaning of the roads and plow damage a little earlier than usual and look towards a busy summer.

Projects that occurred this summer and ones that are currently in progress are, Foster Hill reconstruction, River District/Saranac street, Green street reconstruction, Sub Area 2 sewer and storm drain upgrades and an asset management program that is mapping and inventorying all of our sewer manholes. Over four hundred. All of these projects have an effect on the public works department in one way or the other. Some we have minimal contact with and some we are heavily involved with. Along with the yearly maintenance of streets, sidewalks, green areas, and storm events we are busy twenty four hours a day. We set a schedule of intended work and adjust sometimes on a daily basis. The amount of work that gets accomplished during a course of a year could again not be completed without a team of very dedicated employees.

I would like to thank everyone for your support of this department. We are not always at the right place at the right time and we may not always be making your life convenient but trust me, we are always there doing what we do with good intent. Many factors are involved in making a department successful and I credit it to the employees and the support of the community. The town of Littleton has the most gracious business owners and community members in the North

Country. This is why we are where we are at and why we have been successful in the past. Patients, open and creative talk, and willingness to think outside the box will continue to allow our town and our local government to succeed.

In closing I would like to welcome Doug Damko, the new Public Works Director. I look forwards to working alongside of him and serving the public needs of the upcoming years. Our office doors are always open and we look forward to having you come down and introduce yourself. We are ready to hear your concerns or just to do some talking.

Respectfully Submitted

William Sargent

Interim Highway Manager

# 2018 Transfer Station Report

The Recycling Center saw a successful yet difficult year in 2018. With a collapse in recycling markets and a lot of changes in personnel, we were constantly behind but we made it through with minimal breakdowns and getting too far behind.

## New Equipment:

Thank you for all the support we get every single year. With every purchase, we take our time and look for the best option available. In 2017, you allowed us to purchase a new baler, and in 2018 you let us replace our trash compactor, handicap ramp, and various other items.

The new baler was purchased in fall of 2017 but with the company getting a huge amount of orders, it was not installed until beginning of 2018. This baler processes our paper, plastic, aluminum cans, and steel cans. It replaced a worn out one that was purchased in 2001. The baler is quicker and makes heavier bales, saving us labor, fuel, and other costs. We had a lot to learn about it but I believe it will serve this town for many years to come. We process 350 to 500 tons per year through it.

The new trash compactor replaced the original one from the early 1990's. It was definitely needed as we were starting to see many minor breakdowns with the old one and it probably would not make it through the end of 2018. It pushes roughly 10 to 12 tons per week of trash.

Other small improvements/replacements include a new handicap ramp, self dumping hoppers for our metal, pressure washer, ladder, skid-steer tires loader tires, burn pit water pump, and maintenance on our skid-steer, loader, and dump truck.

## THE STATE OF RECYCLING:

In case you have not heard, the recycling market is in a bad place. China stopped taking the worlds recyclables. This has led to the few still open US mills to become overfilled with material and having them be able to "cherry pick" what material they want to take. This has lead to prices dropping A LOT.

Fibers—Cardboard seems to be a nice steady income still but it is also lost half of its value from a year ago. White paper is still a nice price but we don't get much of it. Mixed paper (paper, newspaper, cereal boxes, etc) has seen the biggest hit. We are now getting no revenue for it or have to pay to recycle it. Also, they only allow a tiny amount of shredded paper so he have had to throw a lot of shredded paper away.

Plastics—The main plastics (#1, #2) are also seeing a decline in price. The #2 plastics seem to be good though, thanks to the numerous items they can be recycled into. The #1 plastics (water/soda bottles) took a huge hit since there is a surplus and with lower oil prices, it is cheaper to buy virgin resin than recycled resin.

Metal—Metal is fluctuating in price all year but now in on a down swing. Copper, Aluminum, and such took a large drop while scrap steel is constantly going up and down depending on demand.

**BUT GOOD NEWS!!! WE ARE STILL SURVIVING AND DOING A LOT BETTER THAN MOST COMMUNITIES.** This is thanks to the great recyclers that come in and a very hardworking staff. There are places to improve but overall we will survive until better days thanks to all of you!

Insert for the Town of Littleton

In 2018, the Town of Littleton was awarded a grant from NH the Beautiful (NHtB) in the amount of \$5,000.00. This grant was used toward the purchase of a Horizontal Baler with Conveyor. The town is replacing their 16-year-old baler that has very costly maintenance. The new baler is also more efficient and can possibly allow the town to take in more material.

NH the Beautiful, Inc. ([www.nhthebeautiful.org](http://www.nhthebeautiful.org)) is a private non-profit charitable trust founded in 1983. All NHtB funding comes from voluntary donations made by the soft drink, grocery, and malt beverage industries in NH.

NHtB has been helping New Hampshire communities improve their recycling programs for over 30 years by providing equipment grants and recycling signs as well as offering discounted pricing on recycling bins and containers.

NHtB New Hampshire the Beautiful, Inc. also supports the NRRRA School Education Program (the CLUB). The Northeast Resource Recovery Association (NRRRA) ([www.nrra.net](http://www.nrra.net)) is administrator for the New Hampshire the Beautiful programs.

NH the Beautiful is pleased to support the Town of Littleton its efforts to improve its recycling program.

# PLANNING BOARD & ZONING BOARD OF ADJUSTMENT

## Planning Board

The Planning Board normally meets twice a month, on the first and third Tuesday, at 6:00 PM, at the Community House Heald Room. The Planning Board approves Subdivisions, Lot Line Adjustments, and Merges. Subdivision approval is required before a landowner can divide a lot into smaller lots or building sites, and is often needed for new large development projects. The Board holds a Public Hearing to assure that any concerns of the public are considered. In addition, the Board determines if the proposed changes are reasonably safe and appropriate for Littleton as a whole.

During the fall of 2018 the Littleton Planning Board began the process of updating the Master Plan, with the help of Resilience Planning & Design from Plymouth NH. They have been extremely cognitive of the concerns and challenges Littleton faces.

The Littleton Planning Board will continue to be proactive when developers come before the Board. We also are looking for ways to improve communication with the community at-large so that we are aware of concerns from the public.

As 2019 begins, it is with regret that I resign my position as Littleton Planning Board Chair and Member. I wish to thank the Select Boards over these many years that have supported the Planning Board and specifically my position as Vice Chair and Chair. Your support is much appreciated. I pass the torch to the current Board and know that they will continue what we began.

I also wish to let Littleton know how much Joanna Ray's running of the Planning & Zoning Office has meant to the Boards. We would not be able to function without her expertise and guidance. Thank you, Joanna!

*Linda MacNeil*

Planning Board Chair

*Tony J. Ilacqua*

Planning Board Vice-Chair

### OVERVIEW OF ZBA CASES

Special Exception approvals – 6

Variance approvals – 2

Special Exception denials – 1

### OVERVIEW OF PB CASES

Subdivision approvals – 2

LLA approvals - 3

Merges - 4

Lots created - 4

### SUMMARY OF BUILDING PERMITS

7 new homes

27 residential alterations

3 demolitions/ relocations

9 commercial alterations

4 new commercial

4 fences

## Zoning Board of Adjustment

The Zoning Board of Adjustment meets the second and fourth Tuesday of each month, as necessary, beginning at 6:00 PM, at the Community House Heald Room. The Board considers Variances and Special Exception applications as well as Equitable Waivers of Dimensional Requirements and Appeals to Administrative Decisions. Some of the items that Board members consider during a hearing is how the requests might affect surrounding properties, property values, whether or not a nuisance or unreasonable hazard would result, the specific restrictions in the Zoning Ordinance, and if the request is consistent with the spirit of the ordinance.

The Planning & Zoning Office provides assistance to landowners and/or their agents regarding the process of submitting the necessary forms for building and other land use applications. For all questions regarding permits and hearing applications, please do not hesitate to visit Joanna in the Planning & Zoning Office or call her at (603) 444-3996 Ext. 2.

*Jessica Daine*  
Zoning Board Chair

*Jerry LeSage*  
Zoning Board Vice-Chair

### **PUBLIC NOTICE**

#### RSA 674:39-aa Restoration of Involuntarily Merged Lots

Residents with lots that were involuntarily merged prior to September 10, 2010 may request the Town to restore the lots to premerger status. Request must be submitted prior to December 31, 2021.

## 2018 TOWN CLERK'S ANNUAL REPORT

We had several changes in staffing in 2018. My Deputy, Belinda Larrivee has retired, but at the same time has stayed on as my Deputy part-time. I did have a person, new to municipal work start training to become the new Deputy full time. It was not the right fit for her and she chose to go into another line of work. She did a great job and I was sorry to see her leave.

I searched for a person to fit into the office that had previous Town Clerk office skills. I was very fortunate to be given information about a previous Town Clerk that was working part-time in other towns. I called her and she came in and she had all the qualifications needed to work in my office. I did not have to spend any funds to have her go to training. She met all the State of NH requirements. What a savings for the Town! Her name is Jen and as she does not live in Littleton, she cannot be the Deputy, she is an assistant Town Clerk and is fulltime. Belinda has graciously offered to stay on as Deputy.

We were incredibly busy getting ready for elections, from the Town deliberative session in February to the Town and School election in March, the State Primary in September and the General election in November and all the absentee applications and ballots we handled. I want to give proper thanks to the Highway Department for letting us use the garage for elections. They have everything ready to go when we show up the morning of the election to put out the information for the voters.

The elections could not run without our ballot clerks. We, the voters of Littleton are so lucky to have the many people that come and work at the polls for each election. When they ask for your name, and verify your address and ask to see your ID, they are instructed through the State of New Hampshire laws to do so. Please remember, these people are taking a day out of their lives to help you to receive a ballot to vote.

My office took in \$1,613,452.74 in 2017. In 2018 my office took in \$1,671,557.81. Of that amount, \$1,260,214.42 was for automobiles and boats. This year the total amount of monies taken in was above 2017 by a bit over \$58,000. Most of that was in automobile registrations.

My staff and I wish you a Happy and Healthy New Year.

Respectfully,  
Judith F. White  
Littleton Town Clerk

**2018**  
**Littleton Parks & Recreation**  
**Department/Commissioner's Report**

2018 was an exciting year for me as the new Director of Parks and Recreation. I joined the town in late February, and throughout the first few months, there was an incredible outpouring of support for the programs in the department that continued throughout the year. The mission of the department is to provide a safe and affordable place for residents of Littleton to come out and enjoy the parks and recreation programs that the Town of Littleton offers. We welcome public input that can make Littleton a better place to live and recreate. The Parks and Recreation Department did lots of rebuilding, gathering new ideas, and exploring the direction that we would like to go moving forward to reach that goal. We created new relationships with local businesses and fostered the community feeling that town parks should have with the area. We were able to accomplish those goals with a variety of programming, community outreach, and the dedication of people throughout the region that helped make everything possible. We have a tremendous community in Littleton, and I am excited about moving into 2019 to continue meeting those goals.

It was a Fantastic year beginning with a terrific skating rink and maintained walking trail at Remich Park through the winter months, and ending with the Polar Express movie night with hot cocoa and snacks for 150 community members. In between we had community events private tennis lessons, rentals in the parks, Littleton High School sporting events and homecoming, and a whole variety of events and activities.

In 2018 for the skating rink we once again set up an impressive area for everyone in the community to skate on beautiful ice maintained by Patrick Donahue and George Dimick, who worked long nights and hours to open the rink even in hard conditions. We received many compliments that the skating rink has not looked that good in years, and we were able to have the Lakeway Winter program join us on most of their activity days!

The Parks Department purchased a new Chevy 3500 truck with, a plow and sander. This purchase has cut our vehicle maintenance costs as well as given us better working equipment for the heavier tasks that we have such as plowing, tree removal and other parks maintenance. Parks staff perform weekly maintenance and upkeep on the truck to keep it looking great and performing well for years to come.

Our annual Easter Egg Hunt at Aphthorp Common was a success with around 100 children and families in attendance. We had Walmart as a community sponsor who donated all of the candy that was given out at the event! Littleton Fire and Police departments also participated in the activities by giving out a "Ride to school in a Fire Truck and Cruiser" to our grand prize winners! It has been great working with our emergency response teams for fun and community outreach.

We held five concerts in our park series with music ranging from Bluegrass to Frank Sinatra and the Beatles, and we were able to do that with community support from local business sponsors for each concert. At each show, we saw new people joining us at the park, and we drew some large crowds with the bands.

During the summer months, we added three new programs to our catalog, Soccer, Tennis and Drama Club. With our goal of preparing low-cost recreation for our entire community, we had between 10 and 30 children and adults participate in each new program. We are looking to add more new programming in 2019!

The Littleton Park Program was excited to serve 120 youth in Littleton and surrounding areas with the average attendance of 70 campers. The Park Program ran for the whole summer which was a ten week program from June to August. The program runs from 9-4 Monday through Friday and offers both extended morning and afternoon care. Highlights from the program include weekly field trips to places such as Echo Lake, Santa's Village and Story Land. The program collaborated with the Littleton Public Library, Littleton Studio School, and White Mountain Science Inc., to offer a wider variety of opportunities to our campers in the Arts, Science, and experiential learning. We were excited to offer all campers the opportunity to take advantage of weekly swim lessons as part of their camp fees this summer, as well as continuing our Free Meals during the summer months through USDA funding.

The After School Program currently has 75 students enrolled, serving an average of 45 per day. The program offers a safe and fun place for students after school. Activities include both outdoor and indoor organized games, arts and crafts projects, board games and much more.

In addition to after school care we now offer February and April Vacation Day Camp. This service allows for working families to have a safe fun place for children during the day when there is no school.

The annual Independence Day Celebration was moved back to Remich Park for the first time in many years and included one of the most prominent fireworks displays that the town has seen in a long time. Around 1500 people from Littleton and the surrounding area joined together at Remich Park to enjoy local food from 5 vendors, peruse through retailers from the region and enjoy games and activities put together by the community, while bands from all over the state played at the Gazebo.

Youth sports in 2018 were an enormous success and had tremendous support from parents and the community. Coaches are all volunteer, and they take vast amounts of time out of their busy schedules to help out. Thank you to every parent who stepped up to the plate, and made each season fun and memorable for the kids.

Youth Softball was added back into park programming and had a fun first season back after a break. With guest pitching coaches and a full day clinic with Plymouth State Softball coaches, this sport is growing rapidly, and we are looking forward to a 2019 season.

Baseball and Soccer in Littleton are run by the Littleton Babe Ruth Association and Littleton Youth Soccer League respectively. These are non-profit groups, led by boards of dedicated volunteers that work closely with the Parks Department for scheduling and marketing.

From Kindergarten through 6th grade over 125 kids participated in our In-house Basketball program, 35 of which were grades k-2! Our in-house season consists of practices with fitness, skills, and game theory, lasting for five weeks after which travel continues for grades 3-6 for players that wish for a higher level of competition. Each of the five travel teams goes to about three tournaments and play against town teams from Gorham to Haverhill. The 1st and 2nd-grade groups split into teams and play in a Jamboree against each other on a Saturday at the end of the season! 2018 was a very successful season for our Basketball program.

For the last few years, the Parks and Recreation Department has held a successful Golf Tournament at the Maplewood Country Club as a fundraiser for programming, specifically the Fourth of July Fireworks. This year was no exception! We raised just over \$8,000 at the event with the help of our local sponsors and 28 teams!

In our town we are lucky enough to have a wide selection of recreation parks, trails and conservation areas with a variety of recreation activities to participate in. From our Ski Hill at

Mt. Eustis to Kilburn Craigs and the Dells conservation area for hiking, and the parks in town. It takes a lot of work from staff and volunteers to make it work. The Dells and Kilburn Craigs are maintained by the Littleton Conservation committee, and each year those parks look better and better!

The Apthorp Commons, Brickyard, Norton Pike, and Remich Parks including the buildings, care of the skating rink and pool, tennis courts, sports fields, and all other structures and attractions that are located in the parks are run and maintained by the parks department. This work is done under the direction of Patrick Donahue, the Parks Superintendent. Patrick was at the park at all hours of the night to build the skating rink, and can always be found early in the mornings prepping fields, mowing, or checking the pool pump room to make sure it is running smoothly for the day. Thank you, Patrick, for all of your hard work.

In the parks department this year we have started several projects. A Dog Park committee was launched in late 2017 and spent the year raising funds and awareness to bring about a dog park. We went to many events including farmer's markets concerts in the park, and we were voted in as a "partner of the month" for the Littleton Food Coop to be a recipient of their round-up program. The group has done some great work with marketing and outreach. In 2019 we will continue raising funds through donations and grants.

Another project that was started in 2018 was a remodel of the Remich Park Playground. An inspection of the playground was done, and it was recommended that the old wooden structures be replaced with newer equipment to bring it up to code. We have started raising funds for this project, and our goal is to have the playground completed in 2019.

While implementing new programs in 2018, we have not lost sight of our ultimate goal of creating a new indoor recreation facility. We continued working with recreation facilities throughout the state for insight and advice as we get closer to making ours a reality. In 2019 we will be bringing the community back into our planning process and potentially beginning a new building campaign.

Throughout the last year, there have been countless individuals and organizations that have made Parks and Recreation such a success. First I would like to thank the park commissioners for their support and dedication to the department and volunteering their time. Secondly, I would like to thank the business community of Littleton from the Industrial Park to our Main St. donors for their generosity. Lastly, to the individuals who have contributed their time such as coaches, grill-masters, planners, and parent cheerleaders. Your enthusiasm and encouragement of every person in the community helped make 2018 a great year. We hope that you all keep contributing and cheering for the Parks and Recreation programs through 2019.

Town of Littleton

# Littleton Public Library

2018 Report

[www.littletonpubliclibrary.org](http://www.littletonpubliclibrary.org)

2018 was a busy and productive year at the library. The Board of Trustees ended the year on an exciting note by eliminating overdue fines. This change is the result of extensive research into best practices and also reflects the needs of the community. Far too many people have not been able to use the library due to prohibitive fines. We are fully embracing our mission to provide educational, cultural, and recreational opportunities to ALL Littleton residents.

Our physical collection remains highly sought after. The library added 207 new patrons in 2018, a 7% increase over 2017, continuing the upward trend. The library circulated 32,032 books, audiobooks, DVDs, magazines, and more. This represents a 6% increase over 2017. We added 2,167 books, audiobooks, DVDs to the collection and removed 3,124. Library staff is doing extensive collection analysis to ensure that there is adequate space on the shelves for new materials, and that what is there is relevant, useful, and desirable.

We have had a lot of success over the past year with our programs and events. The library continued to offer well-loved programs but also added a variety of other programs for children and adults. We continued the tradition of the Summer Author Series, bringing in local and regional authors to present on their recent publications. The library also hosted a variety of lectures including topics on Robert Rogers, Chronic Illness, the Vietnam War, and Brewing in New Hampshire! Technology workshops had attendees learning MS Office, genealogical research, safe browsing habits, and more.

For kids, we continued our beloved story times, Polar Pals, and Summer Reading Programs. Our Summer Reading Program had kids rocking out while expanding their reading horizons for exciting prizes donated by local attractions. At Halloween, we hosted a Monster Mash Dance Party, which was a huge hit. For our 1,000 Books Before Kindergarten program participants, we had a Teddy Bear Tea to celebrate their early literacy efforts. All in all, the library offered 446 programs over the year with a total program attendance of 3,864. This is an astonishing 89% increase in program attendance over last year.

In addition to programs, staff provided assistance to patrons of all ages with reader's advisory, technology support, research assistance, and interlibrary loan. This year also brought exciting partnerships with other area organizations. We partnered with the middle and high school to provide a safe and reliable space to go after school. Mary, our children's librarian, went to Shining Lights and

Head Start to do outreach story times and bring our collection and services out of the library to where kids are. The Rec program joined in on library events during vacation weeks, including Dinosaur Day and Magnet Mania. For adults, we continued our book delivery program to residents at Riverglen House.

Other projects the library worked on include building improvements and preservation efforts for our historical collections. As of the new year, the historic newspapers up until 1949 are completely digitized and available for viewing on the library's network. These files are searchable and downloadable for offline use. We are also cataloging our Kilburn Stereoscope collection as part of our efforts to preserve and make accessible this culturally significant piece of Littleton's history. Thanks to a bequeath from the Robert Labonte estate, the library was able to repair the front steps and new railings will be installed soon. Water infiltration in the library basement has been mitigated by installing a drainage solution on the east side of the building.

We are very grateful for the efforts of the Friends of the Littleton Public Library in supporting the library's mission. They brought back the Summer Gala, which has been sorely missed. This fundraising event brings people into the library for an evening of music, food, drinks, and merriment. They also took over managing the Book Sale, which this year was held at the Littleton Opera House. The Friends of the Library generously fund access to NH Overdrive, the portal to eBooks and downloadable audiobooks, along with passes to local museums, presenters, and library improvements. Check out the seating they purchased for our children's room!

We are fortunate to have a dedicated pool of volunteers who assist with everything from shelving to program preparation, mentoring, and event assistance. We thank all our donors whose contributions improve the library and demonstrate the generosity and goodwill of the community. Special thanks to our donors to the Annual Fund Drive and the Wish Tree. We are grateful to be a part of such a vibrant and caring community. We could not do it without you!

Some of the resources we provided residents this year:

- 47,731 books, audiobook, magazines, DVDs, and more in our physical collection.

- Access to Ancestry.com and HeritageQuest for genealogical research.

- Museum passes for free or reduced admission to Squam Lakes Natural Science Center, Currier Museum of Art, Fairbanks Museum, and NH State Parks.

- Access to thousands of articles through the EBSCOhost databases provided by the NH State Library.

- Thousands of eBooks and Audiobooks through the NH Overdrive program, provided by the Friends of the Littleton Public Library.

- Ability to check out a telescope thanks to the NH Astronomical Society Library Telescope Program

- Access to the internet from 4 adult public terminals and 3 children's and free WiFi throughout the building providing access to tax forms, unemployment, job searching, resumes, email and more. We also increased bandwidth this past year.

Respectfully submitted,  
Meagan Carr, Director

## 2018 Opera House Annual Report

The Opera House had a very successful year with increased events and meetings. We set a goal of \$35,000 for 2018 and surpassed our goal with revenues of \$37,414. In 2017 our revenue was \$17,439. What a difference a year can make. We continually receive community support and some of the increase in revenue has resulted from community members getting the word out about the great things that are happening at the Opera House.

It seems everyone is talking about the Opera House and it no longer revolves around shutting the building down, or as someone said to me in 2017, "I wanted to push the building over the embankment". Now he congratulates the town for our success. It is gratifying to hear these type of positive comments from community leaders, and community members. It proves the Opera House is a strong investment for Littleton. The Opera House is a valuable source for entertainment and cultural events, non-profit fundraisers, parties, weddings, workshops, annual meetings from local businesses, and so much more. We are invested in seeing the Opera House thrive with every year realizing a larger increase in revenues.

The Grand Hall was booked a total of 213 days, while many are during the week, the Opera House was booked every weekend except for 12 in 2018. The 3<sup>rd</sup> floor conference room, "The Tower Room" was booked 197 times with some meetings taking place on the same day. The increase in activity has resulted in the hiring of a part-time receptionist to assist the manager with booking reservations, and the increase in clerical office work. We have a part-time custodian employed 5 days a week. Both of these employees have already become an integral part of the Opera House team with a passion for the Opera House and work diligently to maintain the office and the building with high standards for the historic Opera House.

The Tower Room entry way is complete with new paint, new carpet, and baseboards for a clean and classic appearance. The Tower Room (conference room) is now fitted with blackout blinds and attractive valances. We received a donation of a smart TV and volunteers helped mount it to the wall. Google Chromecast for wireless presentations has been added. With all these upgrades, the conference room is in demand for meetings not only from our local area, but also from many who want to come and visit beautiful Littleton. We also received a donation of 16 upholstered chairs for the conference room from our local Social Security Office. We repaired and now use a conference table that was left in a storage room. Stop in and take a look at our updated conference room.

The venue is still a work in progress with many upgrades needed for lighting and sound. In October we were excited to learn the Opera House was awarded a \$20,000 grant made possible by the Tillotson Fund of the New Hampshire Charitable Foundation. This grant will help us with obtaining audio equipment needed in the venue. We continue to search for more grants and funds to enable the Opera House to meet the need for upgraded sound and lighting for our entertainment bookings. Let us know if you can help.

Our mission in 2019 is to offer Opera House concerts as fundraisers for the Opera House. In January we received a Community Impact grant from Mascoma Bank to help underwrite our first 2019 Opera House sponsored concerts. Our first concert was held in January with a Beatles Tribute Concert. After expenses we brought in \$1,267 in revenue.

(2)

We have already booked three additional concert fundraisers, two in March and one in June. Our goal is to have upgraded and Opera House owned sound equipment in place for these concerts. We are fortunate the bookings thus far are able to provide their own sound equipment. But most bookings will require the venue to have the necessary equipment in place. We could not do these events without the support from our community. Our goal is to book 12 entertainment fundraisers for 2019.

In the past the Opera House only rented the venue and did not receive any revenues, other than the fundraisers we have done in the past 1½ years, and rental income. We have increased in revenue from our rentals, but if we want the Opera House to become self-sufficient we need to do more.

Starting in 2019, we are booking our own entertainers. Fundraising entertainment events, i.e., concerts, comedians, any type of entertainment that the Opera House sponsors, will for the first time, have tickets sales going directly to the Opera House. We are working with Catamount Arts in St Johnsbury to advertise our events and sell on-line tickets for a minimal fee. This new business plan will result in more revenue and bring new life into the Opera House. We can do a lot more at the Opera House and reap the benefits by booking our own entertainers. The impact of becoming a hotspot for entertainers to book will have a positive impact in our community by bringing more visitors to Littleton. The Opera House venue will continue to raise revenue with our rentals. We have two weddings booked for June, and many more private rentals booked in 2019.

In 2018 we created a revolving entertainment fund. These funds will help us with booking fees. We have already booked 4 great entertainers for 2019. So stay tuned and watch for events posted by Catamount Arts, our local media, as well as in our website google calendar, and on the Opera House Facebook page. When you go by the Opera House, take notice of the banners on our Union Street railings advertising events. We will be selling printed tickets at the Opera House during our business hours, so stop in to purchase tickets for an entertaining night at the Opera House.

The work in progress at the Opera House by the Town and management has already received positive attention, not only from within our community, but throughout the North Country. The Opera House in all its beauty and with upgrades to sound and lighting will be a source of great entertainment for all to enjoy, and at the same time become less of a tax burden on our taxpayers.

The manager and staff, along with help from a volunteer group "Friends of the Opera House" have held several fundraisers in 2018. These fundraisers brought in over \$3,000 after expenses. We are excited about this new source of revenue for the Opera House. These fundraisers, such as dances, flea markets, and craft fairs will continue in 2019 and annually each year.

In 2018 we received donations from several local businesses who wanted to invest in the Opera House. They too see a bright future for the Opera House and we are appreciative of their donations. One person in particular I want to thank is Ronney Lister, who sadly passed away in March. When I approached Ronney about contributing to the Opera House to help us become a viable asset to Littleton, he was excited to hear about our plans and goals, and contributed money from each of his dealerships.

Ronney was a successful business leader, a friend of the Opera House, and a friend to many. His financial support, his encouragement and words of advice will not be forgotten. A perpetual plaque in honor of Ronney and other contributors will be placed in the entryway. Our goal is to have this plaque filled with names of contributors who has the same vision Ronney and I spoke about before his passing, to have a prosperous and vibrate entertainment venue in the Opera House. I am available to anyone who wants to have a discussion on how they can help.

The Opera House has received generous donations of event supplies, such as table linens, centerpieces, and much more by a supporter of our endeavors. These donations have assisted us in rentals for many of our events. The Opera House did not have any supplies or a place to put them. Now we have a functional prep kitchen supplied with the tools needed to host events.

In 2018 we hosted the Littleton Library for their September Book Sale. The Library had a very successful book sale, and will be back in September for their 2019 book sale. This idea to bring the library sale to the Opera House was another way for the Opera House to support our town's resources. We also held several Park & Recreation events at the Opera House to the delight of many.

We hosted our 2<sup>nd</sup> annual Santa Community Party with donations of sugar cookies from Shaw's and the Littleton Food Co-op. The children enjoyed decorating their own cookies to take home, visits with Santa and Mrs. Claus, and holiday music by Richard Alberini. Porfido's Market has also been very gracious with donations of water and soda for our fundraisers. We are grateful for all these donations for the support of the Opera House.

The LACC Economic Celebration was another successful event at the Opera House. The Opera House was filled with local business leaders, dignitaries, and community members. The sharing of the success and future plans for our area are important for Littleton and surrounding communities. The Opera House is honored to host this annual event.

We held many non-profit fundraisers, and consistently received high praise for the Opera House. As one event coordinator commented "The Opera House is a classy venue". We agree!

**Opera House Maintenance and Upgrades:** Insulation was completed in the attic area. This will help with heat loss in the building. Plans are to have the stained glass repairs completed in 2019. Our in-ground propane tank had to be replaced in September. The tank is now more accessible for our propane deliveries as it now sits above the ground at a higher level, and the cover will not freeze as it did in the past. The landscaping was also redone around the tank and the embankment to make it easier for the Garden Club to maintain. Thank you Littleton Garden Club for the beauty you bring to the Opera House.

We will be installing a new card entry system on the parking lot entrance door in March to enable users to have timed access for their rentals. This will enable trusted renters to have access during their timed event. The door will unlock with their card at the set rental time and time out at the end of the rental. A deposit will be paid to the Opera House for their key and when the card is returned, the deposit will be given back.

(4)

Another security feature being added to the Opera House in 2019, is the installation of security cameras. Due to the increase in usage, and unauthorized individuals accessing areas not open to the public, security cameras are necessary for the protection of the building. Staff will be able to monitor activity from the office with a view of the entrance doors, and other areas.

We will be replacing a boiler this year and install a much needed heat looping system for our entry-way. The floor in the grand hall and the stage are in need of a new finish, and the walls need a fresh coat of paint. The Union Street porches need to be repainted. We are in the process of receiving bids for these projects. The balcony seats are being repaired, and bolts tightened. Seats that are splintered or in bad shape are being replaced from our stock of original balcony seats.

Electrical work was completed for the 3<sup>rd</sup> floor rented office space. The Opera House is fortunate to have a local electrician who is a good friend of the Opera House and does the work below cost. His work will continue when the final plans are completed for the additional 3<sup>rd</sup> floor space. We are currently in talks for purchasing black stage backdrop and side curtains. These curtains will provide a more professional appearance to our stage.

We were able to finally clean out the 1<sup>st</sup> floor "storage area", the 3<sup>rd</sup> floor unfinished "work in progress" office space, and the area off the balcony. A lot of work went into the cleaning, and thanks go out to the Highway crew, volunteers, and staff for the help in removing many items that had been stored and unused for years in this space.

We held a meeting with Laura Black, Easement Coordinator for NH Division of Historical Resources in July at the Opera House for guidance on future projects. It was Laura's first visit to the Opera House and she was appreciative for the requested visit and enjoyed viewing our historical Opera House.

Come in and visit the Opera House, book your dates for events and meetings. Become a friend of the Opera House, and like our facebook page where you will find information on events and notes from the manager on "what's happening at the Opera House".

Thank you to Andrew Dorsett, Town Manager, and Karen Noyes, Finance Director for their continued support and advice. Thank you to the local media for keeping the Opera House in the news; Tara Giles, and Justin Roshak from the Littleton Courier, Chad Fillion from Phlume Media and Granite North Television, the Caledonian Record, and WLTN, as well as other media outlets. Watch for upcoming video promotions from Granite North Television in the near future promoting the Historic Opera House.

We look forward to continuing with our goals for success at the Littleton Opera House.

# Welfare Department

The Town of Littleton provides assistance to families and individuals with identified and verified needs as required by law. The basic local welfare duty is described in RSA 165:1, I, which says:

Whenever a person in any town is poor and unable to support himself, he shall be relieved and maintained by the overseers of public welfare of such Town, whether or not he has a residence there.

This simple statement imposes substantial responsibilities. The word “whenever” means there is no time limit to the duty to assist. The word “shall” means that no municipality may treat the program as optional, even when the local budget for the task has been fully expended. The duty includes all persons, not just those who can be classed as a “resident.” The local welfare program truly constitutes the “safety net” for all persons in the state of New Hampshire.

There are any number of things a person or family may require in order to meet their basic needs. Sometimes, the question becomes: What must be done today so that this person or family has shelter, heat, lights and food today? This is different from assistance programs based in federal or state helping agencies. Those programs have specific and limited responsibilities, and they have time to process applications. For example, Medicaid is only a medical assistance program, while Temporary Aid to Needy Families (TANF) is limited to economic assistance. The local welfare official will deal with the full range of needs presented by an individual or a family, and must be prepared to respond promptly to those needs.

## **ENERGY CONSERVATION COMMITTEE (ECC)**

### **Introduction**

The focus for 2018 was on education and encouragement on energy conservation and efficiency. Most municipal buildings are at acceptable levels of efficiency and no major projects are in the works.

Due in part to the diminishing number of projects and dwindling membership, the ECC suspended its activities in October.

### **Energy Management/Cost Savings**

The ECC worked with the public library on replacing their aging window air conditioners with wall mounted heat pump units. These units would provide A/C in the summer and supplement the heating system during the 'shoulder' months during the winter. The USDA Rural Development offers energy efficiency grants and this project might be eligible for funding to help offset the costs.

The ECC worked with the town to help conclude the project to add insulation to the Town Building (aka Opera House). Delays were encountered revolving around concerns raised by the NH Division of Historic Resources relating to irreversible changes to the structure.

The ECC continued to try to resolve lingering issues with the heating of the fire station and highway garage. More propane is being used than expected or desired.

Once again, committee members met with all department heads to review energy consumption and trends. All departments take energy management seriously. One major step forward this year was the installation of new, solar exterior doors at the fire station. Our observations and recommendations were briefed to the Board of Selectmen. An Energy Management Report was posted to the Town website.

### **Education and Encouragement**

Activities included:

Participation in town Green Up Day

Participation in a regional Energy Fair

Participation in a Value Chain Network project sponsored by the Tillotson Fund

Several local newspaper articles and a first ever article in the Green Energy Times

The Littleton Area Chamber of Commerce Board of Directors and Staff would again like to thank the citizens of Littleton for their enthusiastic and continued support of downtown beautification efforts and events in Littleton.

As Littleton continues to grow and thrive as the economic center of our region, we are pleased to be able to draw large crowds to the area for events such as the Gathering of the Jack O'Lantern's and Holiday Parade. The funds granted to us by Littleton tax payers for these programs allow us to build on event success year over year and to continue to think outside the box and build new creative partnerships with the success of our economies and community in mind.

We're proud to continue our stewardship of Littleton's Main Street and downtown with beautification programs such as the piano project, hanging flower baskets and holiday lights. It's no doubt that downtown beautification is an important and very big job and we're pleased to have your support to continue these programs that have proved vital to keeping Littleton as front-page news.

With our former board member now Executive Director, Nathan Karol joining the Chamber leadership in April of 2018 we have embarked on a new journey of positive and sustainable change. We have renewed our commitment to our members through closer and more meaningful working relationships. We are developing new programs and looking closely at existing ones to be sure that they meet the needs of our members. We are focused now more than ever on our mission of sustainable economic and community development. We believe that the future is even brighter!

Thank you again for your continued support and valuable feedback. We look forward to seeing you around town!

Nathan Karol  
Executive Director
