# Dedication

This issue of the New Hampton Town Report is dedicated to Clifton "Sam" Blake.

On July 1, 1995 at nearly 72 years of age, Sam retired with over 50 years of dedicated service on the Highway Department.

To know Sam Blake is to know the meaning of hard work, respect, loyalty and Yankee traditions. Sam has always lived on the family farm in New Hampton. He brought his wife, Joan, home to the farm and there they raised their family — Annette, Andy, Peter and Beth. In retirement Sam and Joan still work the family farm with sister Viola and brother Eben.

## Clifton M. Blake “Sam”

Sam grew up on the family farm in New Hampton. From an early age he learned the value of hard work and the dollar. His father, Millard, was New Hampton's Road Agent when Sam got out of school. For a few years after school, Sam worked at the farm, at a nearby orchard, and part-time for his father on the Highway crew. When the opportunity came, Sam became a full-time Highway Department member, still working with his family members on the farm. Sam kept this lifestyle for forty some years until retiring last July. His day started at 2:30 A.M. and ended when the work was done. When the Highway Department called him out for long hours, then other family members picked up his chores.

When Sam's father, Millard retired as Road Agent, Sam was the obvious choice as successor. But Sam didn't want the job. People encouraged him to run, but he was not interested. When Road Agents had resigned in the past, the Selectmen naturally went to Sam and asked him to take the job. Again Sam said no!

Sam is a true Yankee farmer. If something broke down, he learned to fix it with what he had. He only bought new parts if there was no other choice. Over the years, Sam saved the town thousands of dollars.

When I first came to this position as Road Agent, I was scared! There was so much to know and learn. How could I do it? “Sammy” made the job easy. He's a true book of knowledge when it comes to New Hampton roads. Whatever happened it seemed “Sammy” had the answer, from past experience or just plain “common sense”. I don't think hardly a day went by in the eight years I had the privilege of working with “Sammy”, that I didn't ask his advice on some matter. Up until his retirement Sam was the first and only grader operator this town had known. I would put Sam up against any other Town or City grader operator and feel really comfortable in doing so. Sam is the best. He always took pride in and excellent care of his machine.

Every member of our crew always showed the greatest of respect for Sam. That says a lot about a person! I can't remember anyone getting angry or arguing with him. When “Sammy” spoke everyone listened!

Sam usually was the first to work in the morning. He seldom had a sick day, and spent his vacations getting in hay in the hot July sun. We never thought of Sam being old enough to retire. He always kept up with the youngest and never complained of aches and pains. Although, he did show signs of being tired after plowing snow for 24 hours straight. Imagine that!

We miss Sam here at the Highway Department, more, I'm sure than he misses us.

Speaking for the whole Town, I would like to say — we love you “Sammy” and we wish you many long years of joyful retirement.

—Gordon Huckins

# State of the Community

For those of you who missed Sam Blake's retirement cookout at the Blood residence this past summer, we would like to again express our sincere thanks for his fifty plus years service to the Town. He will be missed.

During the past year the Board of Selectmen has either formed, or are planning to form, committees to study specific issues and to recommend policies in the following three areas that we feel are important:

1. Personnel Policy Committee - To develop a uniform policy for all Town employees. Work is under way and we expect to receive a draft policy in the very near future.
2. Class VI Road Committee - To advise and help set policy on the disposition of Class VI roads. The committee has just recently been formed.
3. Ambulance Service Committee - Plans are under way to appoint a committee to study the feasibility of forming and running our own ambulance service, independent from the Newfound Ambulance Service.

We would like to thank the 911 Committee for all its work over the last several months. All street signs and posts have been purchased and we are currently waiting for State work to be completed so that we can assign lot numbers, etc.

As in the past, the landfill closure continues to be an issue for the Town. Revised estimates indicate that additional funds may have to be appropriated to cover closing costs. As the project has recently gone out to bid, construction costs will be known by the end of February and a more accurate closing cost can be assigned.

Negotiations are under way with the current landowner for either the purchase of the landfill property or the possibility of entering into a long term lease. This is being done at the recommendation of the State. Both options are being presented in the Town Warrant for your consideration.

Please note that a warrant article is also being presented for your consideration to release a quarterly newsletter issued from the Town Office informing residents of important issues, dates and Town functions.

Finally, the Board of Selectmen plan to adopt a new position of Administrative Assistant in the Town Office. Because Town duties have become more demanding and time consuming for all involved, this position will require additional responsibilities. No additional office staff will be hired. Barbara Lucas has agreed to fill this position as well as accept the additional responsibilities required. Based on past performance we could not hope to fill this position with a more dedicated and qualified individual.

# New Hampton Town Meeting

March 14, 1995

To the inhabitants of the Town of New Hampton, New Hampshire, in the County of Belknap, qualified to vote in town affairs:

You are hereby notified to meet at the Town House on Tuesday, the 14th day of March next at eleven of the clock in the forenoon to cast your ballots for town officers and for questions required by law to be on the ballots. Polls to close not later than 7:00 P.M.

1. Are you in favor of the adoption of Amendment No. 1 to the New Hampton Zoning Ordinance as proposed by the Planning board to add language to Article IV, B and Article III, A to divide the existing General Business and Commercial District into two (2) new zones called BC1 and BC2 and to amend the New Hampton Zoning Map to depict these new zones?

2. Are you in favor of the adoption of Amendment No. 2 to the New Hampton Zoning Ordinance as proposed by the Planning Board to add language to Article IV, C, 6 which will allow, by Special Exception in the BC2 Zone, for up to a 45 foot building height for commercial and light industrial structures?

3. Are you in favor of the adoption of Amendment No. 3 to the New Hampton Zoning Ordinance as proposed by the Planning Board to add language to Article IV, A, 2(a) that would require a 75 foot front setback requirement for commercial, light industrial or business use structures that are permitted by Special Exception in the General Residential, Agricultural and Rural District?

The remainder of the warrant will be acted upon at the New Hampton Town House, Saturday, March 18, 1995 at 10:00 A.M.

Ballot clerks present were Hope Clement, Charlie Moulton, Dana Torsey and Pat Torsey.

The polls were opened by the Moderator, Ken Kettenring, at 11:00 A.M. for the purpose of balloting for Town Officers and Proposed Zoning Ordinance Amendments.

The polls were closed at 7:00 P.M. The officers in charge of the meeting were given supper before counting the ballots.

There were two sets of callers and counters set up as follows to count the official ballots:

**First Set:**

Caller - June Smith

Counters:

Doug Salmon

Red Boynton

**Second Set:**

Caller - Hope Clement

Counters:

Chip Sawyer

Charlie Moulton

Also, there was one set of a caller and counter to count the zoning ballots as follows:

Caller - Larry Blood, Counter - Mark Denoncour

The ballots were counted and the Moderator, Ken Kettenring, read the totals as follows:

**SELECTMEN for (3 years) - Mark T. Denoncour with 219 votes**

-Write-ins for Selectmen-

Dana Torsey	- 2 votes	Bernard Smith	- 1 vote
Bob Donnelly, Sr.	- 1 vote	Ken Torsey	- 1 vote
George Luciano	- 1 vote		

**SELECTMEN for (2 years) - Laurence A. Blood with 196 votes**

-Write-ins for Selectmen-

Bob Donnelly, Sr.	- 3 votes	Howard Amsden	- 1 vote

**Bud Lowell - 1 vote, Ernie Parmenter - 1 vote, George Wallace - 1 vote**

**SCHOOL DISTRICT "BUDGET COMMITTEE CONTINUED"**

**Bridgewater for (3 years) - Mary Ellen Godville with 123 votes**

-Write-ins for Bridgewater Budget Committee-

Sindee Atwood	- 1 vote	David Roberts	- 1 vote
Gannon	- 1 vote	Denise Stewart	- 1 vote

**SCHOOL DISTRICT MODERATOR for (1 year) - Edward N. Gordon with 175 votes**

-Write-ins for School District Moderator-

Ken Kettenring	- 1 vote	Pat Provencher	- 1 vote
T. Holmes Moore	- 1 vote	R. Thompson	- 1 vote
Leona Piper	- 1 vote		

**1995 PROPOSED ZONING ORDINANCE AMENDMENTS RESULTS:**

Amendment #1	Yes - 195	No - 36
Amendment #2	Yes - 192	No - 45
Amendment #3	Yes - 194	No - 42

There were 242 regular ballots cast and 10 absentee ballots cast. A total of 252 votes out of 953 registered voters in the Town. This averages out to 26%.

Respectively submitted,

Cynthia M. Hallberg  
New Hampton Town Clerk

March 18, 1996

State of New Hampshire

Town of New Hampton

Belknap County

Kenneth Torsey was sworn in as ballot clerk to replace Patricia Torsey who could not be present. Later on Patricia Torsey took Dana Torsey's place as ballot clerk for the remainder of the meeting.

The Moderator, Ken Kettenring opened the recessed meeting of March 14, 1995 at 10 o'clock A.M.

The Boy Scouts and Tiger Cubs of New Hampton presented the Flag. All present gave salute to the flag and then the colors were posted.

The Reverend Rusty Pettis gave the invocation.

The Moderator then gave a brief outline of his procedures for voting at this meeting. The rules were also posted in various places around the room.

The Moderator then asked that all non-registered voters please identify themselves by standing so that the ballots clerks would know who they are. He then read the results of the March 14, 1995 election which consisted of the first three (3) Articles.

The Moderator recognized the Board of Selectmen for a special presentation. Selectman Mark Denoncour said that each year at this time the Town has taken the opportunity to recognize the support and hard work that an individual has given to the Town over a number of years. "This year's individual that the town has chosen to recognize is Mr. Alden Hofling. He came to town approximately 30 years ago and almost immediately was recognized for his talents and served with the Library as Trustee. Later when zoning became an important issue with the Town, Alden got involved and also served as the chairman of the ZBA, a position that it is fair to say is one of the more difficult public positions in Town. We all felt that Alden served with distinction, he was focused, he was careful and impartial. Personally my years of serving on the ZBA, I always found him to be the kind of person who would treat all applicants well regardless of who they were. For me that is one of the reasons why I felt Alden lent a lot to the Town. Clearly some of the work of his leadership on the ZBA shows today where we are with zoning and what we are trying to do in commercial zoning and planning over an extended period of time. Alden had a lot to do with this and his leadership was essential. In addition he was a Moderator, a person who certainly served as a Moderator that presided over at least in recent history one of the smoothest Town Meetings last year and one that we will remember. In closing, I want to express the gratitude of the Town to Alden and to his family, because, as we all know it's the family that also needs the support of the town because a lot of these positions take an awful lot of time and Alden was certainly willing to serve and he served with distinction." A plaque was presented to Alden's daughter, Christine, in his absence.

The Moderator proceeded to the first item of business for the day which is Article #4 as we voted on Articles #'s 1,2, and 3 on Tuesday. The Moderator then read the Article as follows:

**ARTICLE #4 - To raise such sums of money as may be necessary to defray Town Charges for the ensuing year and make appropriations of the same.**

Selectman Red Boynton made a motion to raise and appropriate \$305,679.00 to defray Town Charges for the ensuing year which was seconded by Larry Blood. Red Boynton explained the Article line by line. Red said pickup appraisals are up a little from last year. What we intend to do there this year is to have the same person that does our pickup appraisals to also monitor the logging operations to make this a part time position. The reason for the difference between the \$305,679.00 and what is on page 24 (\$304,192.50) is \$1,486.50 which is the 25% penalty on the Current Use Penalty which goes to the Conservation Commission. Even though the money is there we have to transfer it and it has to be appropriated.

Bernard Smith made a motion to amend the Article as follows: I move NOT to approve the position described in 'State of the Community' report regarding extended responsibilities of Pick-up Appraiser and remove the sum of \$5,000.00 funding same. June Smith was the second to this amendment. After a long discussion the Moderator reread the amendment and it was defeated. The Moderator reread the original Article. There was no further discussion on this Article. The Moderator reread the Article and he declared it passed.

**ARTICLE #5 - To See if the Town Will vote to raise and appropriate the sum of \$8,860.00 for the work of the 911 Committee, including the installation of road signs. This will be a non-lapsing account per RSA 32:3, VI and will not lapse until the signs have been installed or in two years, whichever is less. The Selectmen recommend this appropriation.**

The Article was moved by Kevin Lang and seconded by Doug Smith. Kevin explained the Article and the second chose not to speak. After a short discussion the Moderator reread the Article and he declared it passed.

**ARTICLE #6 - To see if the town will vote to raise and appropriate the sum of \$373,276.44 For the support of Public Works, including Highway and Solid Waste. This Amount includes \$61,026.44 in Highway Block Grant Aid.**

The Article was moved by Gordon Huckins and seconded by Change Parker. Gordon explained the Article. After a short discussion the second, Change Parker, chose to speak. Change Parker made a motion to the Article to read: "To see if the town will vote to raise and appropriate the sum of \$378,276.44 for the support of the Public Works, including Highway and Solid Waste. This amount includes \$61,026.44 in Highway Block Grant Aid and \$98,375.00 for Solid Waste." This was seconded by Clare Eckert. Change Parker explained the amendment. After a long discussion, the Moderator reread the amendment and declared the amendment passed. The Moderator then read the amended Article and he declared that the Article passed.

**ARTICLE #7 - To see if the town will vote to raise and appropriate the sum of \$100,000.00 for the resurfacing of town roads.**

The Article was moved by Gordon Huckins and seconded by Larry Blood. After a short discussion the Moderator reread the Article and declared that it passed.

**ARTICLE #8 - To see if the town will vote to raise and appropriate the sum of \$5,000.00 to rebuild the deck on the box culvert over Wallace Brook near Cross Road and for this purpose authorize the transfer of \$5,000.00 from undesignated surplus. (Recommended by the Selectmen.)**

The Article was moved by Gordon Huckins and seconded by Paul Fisher. After a short discussion the Moderator reread the Article and he declared that it passed.

**ARTICLE #9 - To see if the town will vote to raise and appropriate the sum of \$48,365.00 for the purchase of a Cat 938 F Front End Loader, and for this purpose authorize the transfer of \$35,000 from undesignated surplus and in addition transfer \$4,000 from the Highway Department Capital Reserve Fund, with the balance of \$9,365.00 to be raised from general taxation. (Recommended by the Selectmen.)**

The Article was moved by Gordon Huckins and seconded by Stanley Huckins. After a short discussion the Moderator reread the Article and he declared that it passed.

**ARTICLE #10 - To see if the town will vote to raise and appropriate the sum of \$163,606.05 for the support of the Police Department.**

The Article was moved by Police Chief Chip Sawyer and seconded by Mike Drake. After a short discussion the Moderator reread the Article and he declared that it passed.

**ARTICLE #11 - To see if the town will vote to raise and appropriate the sum of \$22,900.00 for the purchase of a new police cruiser, fully equipped.**

The Article was moved by Chip Sawyer and seconded by Mike Drake. Chip spoke to the Article and said that the town currently owns 3 cruisers. The Department travels a combined total of 100,000 miles a year. This breaks down roughly to 40,000 miles for each patrol car and 20,000 for the unmarked car. Currently there is approximately 40,000 miles on the unmarked car.

The second, Mike Drake, chose to speak. He said he had a discussion last December on the use of the old (unmarked) cruiser with Chief Sawyer. When he approached Chief Sawyer, the Chief said he was going to trade it in. He asked Chief Sawyer about the possibility of acquiring this vehicle for the Fire Department use. He said he then approached the Selectmen and discussed that option. The reason behind the request for the Fire Department, is the increase of mileage that he has put on his pickup last year which was about 7,000 miles doing Fire Department inspections, meetings, fire calls, district meetings, mutual aid meetings and board of directors meetings. Mike said there

is no compensation for Deputies or myself to use our private vehicles to run these errands. What we are looking for is the acquisition of the replacement cruiser for use in inspections, emergency fire calls and for the Fire Department. Chief Sawyer said the trade-in value is \$2,500.00.

Fran Wendleboe made an amendment to reduce the request of \$22,900 in Article 11 by the \$2,500.00 trade-in value of the existing Chief's cruiser. The amendment was seconded by Wally Orvis. After a long discussion a ballot vote was requested by Fran Wendleboe. The Moderator said to have a ballot vote you need to have a written request and signatures of seven (7) voters. Such a request was submitted by Mrs. Wendleboe. The results of the ballot vote on the amendment are as follows:

YES - 22

NO - 37

The amendment was declared defeated by the Moderator. The Moderator reread the original Article and there was a short discussion. The Moderator reread the Article again and declared that it is passed.

**ARTICLE #12 - To see if the town will vote to raise and appropriate the sum of \$7,380.00 for the purpose of two radars and a video camera. This amount includes \$2,650.00 in Highway Safety Grant aid.**

The Article was moved by Chip Sawyer and seconded by Mike Drake. Chip Sawyer made a motion to amend the Article to read "To see if the town will vote to raise and appropriate the sum of \$7,630.00 for the purpose of two radars and a video camera. This amount includes \$2,700.00 in Highway Safety Grant aid." The Moderator said unless there was an objective that he was going to take this motion as a motion to approve Article #12 with modifications stated. There was no discussion on the Article. The Moderator then read the modified Article and he declared that the Article passed.

**ARTICLE #13 - To see if the town will vote to raise and appropriate the sum of \$56,811.00 for the support of the Fire Department, including Forest Fires, Emergency Medical Services and Emergency Management.**

The Article was moved by Mike Drake and seconded by Kevin Lang. After a long discussion the Moderator reread the Article and declared that it passed.

**ARTICLE #14 - To see if the town will vote to raise and appropriate the sum of \$31,800.00 for the purchase of extrication equipment (\$6,000.00), breathing apparatus (\$10,800) and for the repair and reconditioning of fire apparatus (\$15,000).**

The Article was moved by Mike Drake and seconded by Vinnie Governanti. Mike made an amendment to the Article to read "To see if the town will vote to raise and appropriate the sum of \$35,829.80 for the purpose of rescue equipment (\$6,000.00), breathing apparatus (\$13,729.80) and for the repair and reconditioning of fire apparatus (\$16,100.00)". The Moderator took this as

a modified Article and the second agreed. After a short discussion the Moderator reread the modified Article and declared it passed.

**ARTICLE #15 - To see if the town will vote to raise and appropriate the sum of \$390,000.00 to close the town landfill and for this purpose authorize the withdrawal from the Landfill Closure Capital Reserve Fund the balance of \$354,376.05 plus accrued interest and also authorize the use of the December 31, 1994 undesignated surplus for the remainder of this appropriation. This will be a non-lapsing account per RSA 32:3, VI and will not lapse until the landfill Closure is completed or in three years, whichever is less. The Selectmen recommend this appropriation.**

The Article was moved by Selectman Mark Denoncour and seconded by Selectman Larry Blood. After a short discussion the Moderator reread the Article and declared that it passed.

**ARTICLE #16 - To see if the town will vote to raise and appropriate the sum of \$34,221.80 for the support of regional associations; Bristol Community Center \$6,600.00; Community Action Program \$4,865.00; Lakes Region Community Services Council \$300.00; Lakes Region Planning Commission \$1,591.00; Newfound Area Nursing Association \$8,646.00; Newfound Ambulance Service \$9,342.48; and Youth Services Bureau \$2,877.32. (By Petitions.) Recommended by the Board of Selectmen.**

The Article was moved by Mark Denoncour and seconded by Red Boynton. After a short discussion the Moderator reread the Article and declared it passed.

**ARTICLE #17 - To see if the town will vote to raise and appropriate the sum of \$372.82 to supplement the prior year appropriation of \$23,000.00 to purchase time in the NH Retirement System for years of service prior to 1985 (when the town began participating) for two current employees.**

The Article was moved by Larry Blood and seconded by Red Boynton. After a brief explanation Moderator reread the Article and declared it passed.

**ARTICLE #18 - To see if the town will vote to raise and appropriate the sum of \$3,000.00 for the support of the New Hampton Community Kindergarten. If the Newfound Area School District annual meeting approves public kindergarten then this appropriation will lapse. (By petition). Recommended by the board of Selectmen.**

The Article was moved by Theo Denoncour and seconded by Mary Dade. After a short discussion the Moderator reread the Article declared it passed.

**ARTICLE #19 - To see if the Town will vote to raise and appropriate the sum of \$400.00 for the support of hospitals; Dartmouth-Hitchcock Medical Center, Franklin Regional Hospital, Lakes Region General Hospital and Speare Memorial Hospital. Recommended by the Board of Selectmen.**

The Article was moved by Red Boynton and seconded by Mark Denoncour. There was no discussion. The Moderator reread the Article and declared it passed.

**ARTICLE #20 - To see if the Town will vote to raise and appropriate the sum of \$5,000.00 for the support of the New Hampton Community School PTO Playground Project. (By petition.) Recommended by the Selectmen.**

The Article was moved by Melissa Emery and seconded by Norma Bean. After a short discussion the Moderator reread the Article and declared it passed.

**ARTICLE #21 - To see if the Town will vote to raise and appropriate the sum of \$500.00 in support of the domestic violence and sexual assault crisis services of New Beginnings. (By petition). Recommended by the Selectmen.**

No one made a motion to move the Article. The Moderator then passed over this Article.

**ARTICLE #22 - To see if the Town will vote to raise and appropriate the sum of \$100.00 in support of the efforts of the New Hampton Historical Society to collect, preserve and house New Hampton Historical artifacts. Said sum to be used by the Historical society for building maintenance. (By petition). Recommended by the Selectmen.**

The Article was moved by George Woodward and seconded by Bob Thompson. After a short discussion the Moderator reread the Article and declared it passed.

**ARTICLE #23 - To see if the town will vote to authorize the Board of Selectmen to accept, on behalf of the town, gifts, legacies, and devises made to the town in trust for any public purpose, as permitted by RSA 31:19.**

The Article was moved by Red Boynton and seconded by Mark Denoncour. There was no discussion and the Moderator reread the Article and declared it passed.

**ARTICLE #24 - To transact any other business which may legally come before this meeting.**

1. June Smith - Old Home Day is the 2nd Saturday in August.
2. Kevin Lang - Current Land Use Penalty which now goes to the Conservation Commission, he feels it should go back to the taxpayers rather than to the Commission. Selectmen Red Boynton, responded by saying that this is a money article and cannot be brought up under this article and also the Conservation Commissions

25% share was voted in at a previous Town Meeting. In order to rescind it, you would have to bring an article to the Selectmen next year.

3. Robert Thompson - a question was asked of Bob regarding the Historical Society.
4. Pat Torsey - reminded everyone of the School Meeting next Friday.
5. Fran Wendleboe - a question was asked of her as Representative.

At this time the Town Clerk had all the newly elected officers that were present take their oaths of office.

The Moderator adjourned the meeting at 3:20 P.M.

Respectfully submitted,

Cynthia M. Hallberg  
New Hampton Town Clerk

# 1996 Town Warrant

## The State of New Hampshire

To the inhabitants of the Town of New Hampton, New Hampshire, in the County of Belknap, qualified to vote in town affairs:

You are hereby notified to meet at the Town House on Tuesday, the 12th day of March next at eleven of the clock in the forenoon to cast your ballots for town officers and for questions required by law to be on the ballots. Polls to close not later than 7:00 P.M.

1. Shall we adopt the provisions of RSA 40:13 to allow official ballot voting on all issues before the school district?

The remainder of the warrant will be acted upon at the New Hampton Town House, Saturday, March 16, 1996 at 10:00 A.M.

2. To raise such sums of money as may be necessary to defray Town Charges for the ensuing year and make appropriations of the same.

3. To see if the town will vote to raise and appropriate from 1995 surplus the sum of ten thousand three hundred and thirty six dollars (\$10,336) to digitize the town's tax maps, including a composite map of the entire town, and to purchase software to use data with the existing computer hardware, and to purchase a deskjet printer capable of printing data with color codings. The Selectmen recommend this appropriation.

4. To see if the Town will vote to raise and appropriate the sum of thirty three hundred twelve dollars (\$3,312) to contract with a certified public accounting firm to audit the town accounts and records for the year ending December 31, 1995. The Selectmen recommend this appropriation.

5. To see if the town will vote to raise and appropriate the sum of \$2,000 to publish and distribute town newsletters in 1996. The Selectmen recommend this appropriation.

6. To see if the town will vote to raise and appropriate the sum of \$406,708.65 for the support of Public Works, including Highway and Solid Waste. This amount includes \$61,227.05 in Highway Block Grant Aid.

7. To see if the town will vote to raise and appropriate the sum of \$100,000.00 for the resurfacing of town roads.

8. To see if the town will vote to raise and appropriate the sum of \$57,690.00 for the purchase of a Ford L8000 dump truck, and for this purpose authorize the transfer of \$6,000 from the Highway Department Capital Reserve Fund, with the balance of \$51,690.00 to be raised from general taxation. The Selectmen recommend this appropriation.

9. To see if the town will vote to raise and appropriate the sum of \$8,000.00 to purchase a waste coolant reclaimer for the Transfer Station and Recycling Center. The Selectmen recommend this appropriation.

10. To see if the town will vote to raise and appropriate the sum of \$177,504.72 for the support of the Police Department, and for this purpose to transfer \$4,340 from 1995 surplus, with the balance of \$173,064.72 to be raised from general taxation.

11. To see if the town will vote to raise and appropriate the sum of \$23,028.00 for the purchase of a new police cruiser, fully equipped. The Selectmen recommend this appropriation.
12. To see if the town will vote to raise and appropriate the sum of \$59,413.00 for the support of the Fire Department, including Forest Fires, Emergency Medical Services and Emergency Management.
13. To see if the town will vote to raise and appropriate the sum of \$20,439.00 to purchase for the Fire Department a D-Fib machine with practice device (\$8,000), a 110 watt radio (\$1,200), an air bottle/cascade system (\$3,660) and to make repairs and improvements to the fire station building (\$7,579), and for this purpose to transfer \$7,579 from 1995 surplus, with the balance of \$12,860 to be raised from general taxation. The Selectmen recommend this appropriation.
14. To see if the town will appoint the Selectmen as agents to expend from the Landfill Closure Capital Reserve Fund, per RSA 35:15. The Selectmen recommend this approval.
15. To see if the town will vote to raise and appropriate from 1995 surplus the sum of \$60,000 for closing the landfill located on River Road in Bristol, NH. This will be a non-lapsing account per RSA 32:3, VI (d) and will not lapse until the landfill is closed or in two years, whichever is less. The Selection recommend this appropriation.
16. To see if the town will vote to raise and appropriate the sum of \$36,954.51 for the support of regional associations; Bristol Community Center \$6,798.00, Community Action Program \$5,108.00; Lakes Region Community Services Council \$500.00; Lakes Region Planning Commission \$1,599.00; Newfound Area Nursing Association \$8,992.00; Newfound Ambulance Service \$10,350.00; Youth Services Bureau \$3,107.51; and New Beginnings \$500.00. Recommended by the Board of Selectmen.
17. To see if the town will vote to raise and appropriate from 1995 surplus the sum of \$1.00 to purchase the landfill site on River Road in Bristol, NH. This will be a non-lapsing account per RSA 32:3,VI and will not lapse until the property has been purchased by the town or in two years, whichever is less. The Selectmen recommend this appropriation.
18. To see if the Town will vote to authorize the Selectmen to enter into a long-term lease agreement for a term of ninety-nine years at a rate of \$1.00 per year to lease the landfill site on River Road in Bristol, NH. The Selectmen recommend this lease. (2/3 vote required)
19. To see if the Town will vote to create an expendable general fund trust fund under the provisions of RSA 31:19-a to be known as the Employee Accrued Benefits Fund, for the purpose of paying qualifying unused vacation, sick and bonus hours upon the retirement, voluntary departure, or dismissal of an employee and to appropriate from 1995 surplus the sum of twelve thousand five hundred dollars (\$12,500) toward this purpose and to designate the Selectmen as agents to expend. The Selectmen recommend this appropriation.
20. To see if the Town will vote to create an expendable general trust fund under the provisions of RSA 31:19-a, to be known as the Town Building Maintenance Fund, for the purpose of repairing and maintaining the Town House and Town Office Building and to appropriate from 1995 surplus the sum of seven thousand five hundred dollars (\$7,500) toward this purpose and to designate the Selectmen as agents to expend. The Selectmen recommend this appropriation.

21. To see if the Town will vote to raise and appropriate the sum of \$400.00 for the support of hospitals; Dartmouth-Hitchcock Medical Center, Franklin Regional Hospital, Lakes Region General Hospital and Spears Memorial Hospital. Recommended by the Board of Selectmen.

22. To see if the Town will vote to raise and appropriate the sum of \$250.00 in recognition and support of the efforts to collect and preserve New Hampton history by the New Hampton Historical Society. (By petition). Recommended by the Selectmen.

23. To see if the Town will vote to accept the dedication of Overlook Drive as a Class V town highway provided that the owner of that private road performs the necessary improvements by July 1, 1996 to the satisfaction of the Selectmen. The owner has posted a \$2,000 refundable performance surety with the Town. The Selectmen recommend this conditional acceptance.

24. To ask the town to upgrade approximately 275 feet of Chase Road, starting at the Meredith town line, from a Class VI road to a Class V road, at the expense of Mark and Christine Marceau, for the purpose of building their home. (By petition). The Selectmen do not recommend this acceptance.

25. To see if the town will vote to authorize the Selectmen to sell a parcel of approximately 100 acres of back land off of Straits Road (Map R5, Lot 10A) by sealed bids, with a minimum bid requirement of \$50,000. The net proceeds of the sale will be added to the general fund. The Selectmen recommend this approval.

26. To see if the town will vote to authorize the Board of Selectmen to accept, on behalf of the town, gifts, legacies, and devises made to the town in trust for any public purpose, as permitted by RSA 31:19. This authorization will remain in effect until rescinded.

27. To transact any other business which may legally come before this meeting.

Given under our hands and seal this 22th day of February, in the year of our Lord nineteen hundred and ninety-six.

December 31, 1995	\$1,084,303.48

I am pleased to report that 1995 was a good year for the Town of New Hampton in terms of finances. In the eleven years I have been treasurer, it was the first year the town DID NOT have to borrow any money in anticipation of taxes. In 1990 the voters passed a warrant article authorizing the collection of property taxes twice a year allowing for a much more efficient cash flow. Now five years later, the town is free of yearly TAN's in excess of one million dollars, and interest expense of \$75,000 at the height of borrowing during the late 1980's. Tax money is now invested with the New Hampshire Public Deposit Investment Pool earning money for the town.

Respectfully,

Mary A. Butcher

# New Hampton Police Department

## 1995

### Annual Police Report

1995 started with the institution of a new call tracking system. As you can see from the following pages, this system keeps better track of the different types of calls the police department responds to. Unfortunately this system is different from what we have had in the past, and I cannot give you an accurate comparison from last year to this year. However, if you will allow me to state my opinion, I feel that the department on a whole was busier than last year.

For the first time ever a member of this department was selected by New Hampshire Police Standards and Training Council to be a staff member for the 105th Session of the Police Academy. Police Standards and Training Council recruits veteran police officers from towns and cities around the state to be staff members at the academy, and upon selection, the Town is reimbursed for their services. I am proud to say that Officer James Brunt was selected.

The department was also able to provide several programs at the Community School and Co-operative Day Care, programs such as Stranger Awareness, Drug Free Starts with Me, Halloween Safety, Bike Safety, and Career Day. We are planning to do more programs in the future.

As the year progressed we had several members resign from the department. First, Officer Brian Peno left to relocate to North Carolina, and pursue a printing career. Shortly after, both Sgt. Bradley Rushton and Patricia Rushton resigned. Since leaving they have started their own business. We wish Brian, Patty and Brad the very best.

With those vacancies being created, George Huckins, and Troy Boynton, who were part-time officers were hired. Both George and Troy grew up in the area and presently reside in the community with their wives and children. Last but not least, Diane Arsenault was hired to fill the secretarial vacancy.

In September, James Brunt was made acting Sergeant, to fill the vacancy left by Brad Rushton, and subsequently at the end of the year, he was promoted to Sergeant.

As you have seen, this year there is an increase in my budget proposal. This increase is due to several different issues. First, last year I did not spend any money at the end of the year at the Selectmen's request. This caused me to include those purchases that I would have made last year in my budget this year. Examples of these purchases are; tires, oil, uniform cleaning, fingerprint kit, video tapes.

During the past two years we have hired an additional officer (part-time) to work forty hours a week for the summer. This gave us twenty hours a day coverage, five days a week. This program was tried originally to see if we could get by without filling the fifth police officer position that was created at town meeting in 1990. But, what I have found is that during the other nine months of the year it is difficult to find part-time officers to cover shifts when an officer is either at training or on vacation or sick. With this in mind, I have proposed that we fund the vacant fifth position starting on July 1st, 1996. This will give the department the latitude it needs to be a proactive department rather than a reactive department. Not only that, it will increase our coverage, and in all probability decrease our overtime and call time expenses.

Again, I wish to thank the residents of New Hampton for their continued support and assistance. New Hampton is a Town that we all should be proud to call OUR community. PLEASE, IF YOU SEE SOMEONE OR SOMETHING THAT IS OUT OF PLACE OR THAT DOESN'T BELONG THERE, CALL THE POLICE!!!

Respectfully submitted,

Nathaniel H. Sawyer, Jr.

# New Hampton Fire Department

## 1995 Report

This year has been a busy one for the Fire Department and its members. Calls increased by 28 runs over last year. Requests for medical aid and car accidents still dominate the majority of the total calls.

This past year we were able to have the 1985 Ford (17M4) repaired and the alterations done to it. The roof repairs were done to the building in the spring and we haven't had any problems with water leaks or ice build up. The additional insulation on the roof seems to have helped with keeping down the heat loss we were experiencing.

This year at Town Meeting we will be asking for a new defibrillation unit for the rescue. We have established an account from donations made in the names of Mr. Erwin Shaw and Mrs. Doris Cutter to be applied towards the purchase of this lifesaving equipment. This will allow us to "shock" people in cardiac arrest. Currently we have personnel certified in this procedure but are unable to do it until the ambulance gets to the scene from Bristol with their unit. Also we are asking to upgrade a radio on one of the trucks, purchase two additional 6000 psi cascade bottles for our air trailer, and pick up several 60 minute air bottles for the air packs.

Another request this year is to replace the windows, doors, oil tank and install a backflow preventer/expansion tank at the Fire Station. The windows and doors are in need of replacement. The oil tank is currently underground and what we are proposing is to install 2 above ground tanks in the Fire Station. We would look into removing the old one at a later date. The Precinct Water Department requested the backflow preventer and expansion tank to be installed in order to bring us into compliance with current regulations and requirements.

On another note, in January the Town held a public hearing on a proposal to take over the ambulance transports from the Town of Bristol E.M.S.. This was done because of the proposed increase in subsidy that the Town would have to pay to the Town of Bristol just for them to respond on calls into New Hampton. Since that time the new Town Administrator in Bristol has come up with a new formula to better equal out the cost to participating communities. We will though, continue to monitor these cost in the future. As well, we will continue to train additional personnel in order to be even more able to provide a top quality Emergency Medical Service to our community.

I wish to thank all the Townspeople for their support through out the year and all the dedicated members who serve on the Fire Department. May 1996 be even a better year for the Town.

Remember to check your smoke detectors twice a year and to have at least one on every floor of your home!

Respectfully Submitted,

Michael A. Drake  
Fire Chief  
Forest Fire Warden  
Emergency Management Director

Summary Of Incidents for 1995

Medical Aid	102	Cover Truck	5	Structure Fires	18
Car Accidents	61	Car Fires	11	Hazardous Material	1
Fire Alarm	37	Chimney Fires	9	Brush Fires	17

Deputy Warden	William Price	744-8092
Deputy Warden	Kenneth Torsey	968-3988

Fire Permits Issued for 1995:

Regular Permits	124
Seasonal Permits	41
Commercial Permits	0

## Department of Public Works

The new roof on the Highway Department garage has made such a difference to us this winter. Not only do we not have water dripping everywhere, but the furnace does not run as often. No icicles are hanging from the roof's edge. It is almost like having a new building.

This last summer we paved Old Route 104 by Twin Tamarack Campground, along with both ends of Straits Road, and Upper Forest Pond Road. Before paving, many culverts were replaced, and much drainage work. We found ledge which had to be drilled and blasted, in our ditches. Several hundred yards of crushed gravel was added where needed.

In 1996, with your continued support, we hope to pave Lower Forest Pond Road and then direct our attention to Gordon Hill Road and some of our shorter paved roads. This is the last year I intend to ask for \$100,000. for our road rebuilding program. As you saw in our Capital Improvement Program, next year it drops to \$75,000.

This winter has been tough on our roads, as well as on our budget. I have had to increase the Highway budget in some areas which have remained steady over the years. As each week goes by, I wonder how this budget will see us through the end of December.

Our new Cat 938 loader has worked well for us. We certainly appreciate the town's support of the Capital Improvement Program which keeps our equipment updated. For 1996, the 1986 L-8000 dump truck is scheduled for replacement after moving it back on the schedule two years. Originally it was to be replaced in 1994. I feel now it's time has come.

1995 saw Sam retire after serving this Department some 50 odd years. I still find myself wishing he were here, to ask his advice or just to enjoy his sense of humor. He was a large stone in the foundation of the Highway Department. We miss you every day, Sammy!

Without Sammy, I had to make changes in responsibility within the department. Stan is the foreman who oversees jobs when I'm not present, and is the man in charge when I'm away. Doug is our grader operator. Bill still does most of our repair work, drives truck and shares the Transfer Station with Stan. Jeff joined our crew last June, after his marriage to Jen. Jeff drives one of our large trucks and being new man on the job, does whatever no one else wants to do. Mike still works part-time at the Recycle Center and is doing a super job. Gene Wallace still gives many hours of his time helping Mike with the recyclables. Thank you, Gene!

Thank you Stan, Doug, Bill, Jeff and Mike for your dedicated effort to this department. I also wish to thank Dave and Bruce who have become a part of our snow crew with their trucks, plows and spreaders.

Thank you, people of this great town, for your support.

Gordon M. Huckins  
Road Agent

## Planning Board Report

The following report summarizes decisions made by the New Hampton Planning Board on behalf of the town and its residents during the fiscal year 1995. The New Hampton Planning Board has conducted and completed approval of **2** site plan review applications and **4** new subdivisions involving a total of **15** new lots. Also reviewed were **2** boundary line adjustments. Fees collected for 1995 totaled **\$1326.45**. Currently there are in excess of **118** vacant lots.

Development is to some degree in a holding pattern as evidenced by the lack of activity during 1995. The time seems appropriate for the Planning Board to address the issue of updating the 1985 New Hampton Master Plan. Many towns have proposed a consultant contract to gather information by means of a survey along with an interpreted profile of the results. Although these models have provided some excellent plans, the high cost of simply buying a plan excludes local broad participation.

As an alternative process, the Planning Board is recommending the development of a Civic Profile using Extension Service personnel and others to guide the creation and development of comprehensive citizen participation. This Civic Profile process stresses community involvement while recognizing the importance of updating the Master Plan. At stake is the protection of our New Hampton family centered hometown values. We ask not only for your financial support but your help in writing a vision for the year 2000 which will be truly the reflection of its citizen participants.

We encourage any citizen land owner or resident to become a part of the process in developing good planning in our community. We meet every third Tuesday at 7:00 PM at the New Hampton Town Office.

Respectfully submitted,

Bernard L. Smith, Chair  
New Hampton Planning Board

## Zoning Board of Adjustment

Despite 1995 being a year of slow growth in New Hampton, the second half of the year was very busy for the ZBA. In all, the Board heard 9 applications. Of these, 1 was approved, 6 were denied and 2 were tabled/withdrawn. The board heard from many applicants requesting special exceptions for business uses in the general residential, agricultural and rural zone. The board also faced a number of tough issues involving substandard lots and setback requirements. As always, the Board sought to resolve each issue in the fairest possible way, visiting most sites to get a clearer picture of what each applicant proposed. The ZBA has always sought to interpret New Hampton's zoning ordinance and follow the intent of the ordinance as voted on by New Hampton's citizens.

Zoning Board members regularly take part in municipal law lectures to increase their knowledge of land use laws. The board has also subscribed to the "Zoning Bulletin" a monthly publication which details zoning cases from throughout the country. This has been especially valuable as a learning tool for members, helping us all understand how and why difficult decisions were made and how the courts have viewed situations similar to some we have seen here in town.

As reported last year, one case New Hampton's ZBA heard concerning an applicant who proposed to build a bridge within the Pemi Overlay District was pending upon hearing in New Hampshire's Supreme Court. The ZBA's denial of this variance was upheld by the Supreme Court in July of this year. This case and the court's decision has since been used in a number of case law studies across the country.

The ZBA is made up of volunteers dedicated to helping New Hampton grow in a positive and well-planned way. Many of these volunteers have served the Town since zoning's inception in 1986. But, the board needs new members. There are currently openings for alternates to the board. Anyone who is interested in joining the ranks and serving the Town, please contact the Selectmen.

Please feel free to attend any of the Board's monthly meetings if you have any questions or concerns. Meetings are held at 7:30 PM on the first Wednesday of each month.

Sincerely,

Brenda Erler, Chair

# Solid Waste and Recycling Committee Report

by Change Parker, Chairman

In 1995, the budget appropriated for the Solid Waste Transfer Station and Recycling Center was \$98,375.00. Actual expenditures for 1995 were \$95,634.97. Contract trucking and landfill tipping fees have increased an average of 12% during 1995. New Hampton's landfill disposal costs for its solid waste increased from \$66/ton to \$74/ton, while the tonnage increased from 975 tons to 1030 tons. Landfill tipping fees are now \$50/ton for municipal solid waste (MSW) and \$62/ton for bulky and construction/demolition items (C&D). MSW tonnage landfilled was 660 tons, a 2% increase over 1994. Similarly, C&D amounted to 370 tons or a 12.8% increase.

The Recycling Center saw a modest tonnage increase over 1994. This produced an increase in avoided landfill costs of \$5684 for 1995 and revenue increase from \$7125 to \$8834. [Using Net Town Worth of Recycling as \$11,688 (trucking/machinery fees are subtracted from Total Town Worth of Recycling), the net gain in dollars for recycling is \$62/ton.] This increase in revenue for recycling was primarily a result of higher prices for our recycling items. Currently, the price for cardboard has been lowered, but other materials such as metal (steel/tin/aluminium) continue to be a good source of revenue. The committee continues to look for additional and/or new outlets of better revenue for our collected materials. Overall, the Recycling Center is currently recycling about 15.4% of New Hampton's solid waste.

The Solid Waste Committee remains committed to serving New Hampton's solid waste needs. Any increase in recycling will help to reduce the overall waste removal cost to town taxpayers. This will take the continued cooperation of the entire town. Remember that recycling is voluntary and easy. Thanks for your continuing efforts. Please feel free to direct your questions on recycling to the committee. The usual monthly meeting is at 7 PM on the fourth Tuesday of the month.

## New Hampton Solid Waste Quantities

Year	Recycle Center-Tons	Recycle Program-Tons	MSW Tons	% Change	C & D Tons	% Change	Total SW/Tons
1993	92	138	621		261		1020
1994	120	170	647	4.19%	328	25.67%	1145
1995	116	188	660	2.01%	370	12.80%	1218

## New Hampton Solid Waste Revenues

Years in Operation	Recycling Center - \$	Recycling Program-\$	Avoided Landfill Costs	Total Town Worth of Recycling	Net Town Worth of Recycling	Net Gain Recycling \$/ton
1993	\$2,011	\$4,451	\$4,508	\$8,959	\$7,913	\$47
1994	\$4,327	\$7,080	\$5,880	\$12,960	\$9,255	\$54
1995	\$7,786	\$8,834	\$5,684	\$14,518	\$11,688	\$62

## Difference Between Town Solid Waste Appropriations & Expenditures

Years in Operation	Town Appropriation	Actual Expenditures	Difference
1993	\$82,514	\$74,863	\$7,651
1994	\$83,425	\$89,690	(\$6,265)
1995	\$98,375	\$95,635	\$2,740

## Gordon-Nash Library

Thank you for the opportunity to inform the general public through this medium of the Gordon-Nash Library services and activities during 1995.

This has been an extraordinary year for the Library as we celebrated 100 years of service. In 1994, the Corporation appointed Herbert Mahn to oversee a committee that would plan and carry through a variety of activities. There was representation from community organizations, the Trustees, the Library staff, and the general citizenry. The excitement was contagious and soon a schedule developed of an activity a month from April through November. We decided to involve all ages and various venues, therefore programs were held in the Community School, the Community Church, and the New Hampton School as well as in the Library. We had a magic show; Japanese cultural arts; vocal and instrumental musicales; live stage performances; numerous displays; book and poetry discussions. We had a marvelous dinner with speaker Richard Lederer, who also performed, with Joyce Maynard, the delightful "Love Letters", a two-act play. We climaxed our celebration with an all-day birthday party in November featuring guest musicians and of course, birthday cake! From all points of view our Centennial was an incredible success and we thank Herb Mahn and all the many others who helped along the way.

Our Friends of the Gordon-Nash Library has become an active and cohesive support group with many benefits in the Library coming from them such as our new FAX machine; the lovely Centennial book bags and note paper; funding the reprint of a book of poems and essays by Judge Nash; and serving as a hospitality group for programs held in the Library. This is only a sample of their rewarding support, and we are grateful to them. They welcome new members at any time, please inquire at the Library.

This remarkable Library, open 56.5 hours per week, and so well-respected state-wide, is unique in both its' mission statement and funding. Judge Nash left a philosophy that we "serve all residents, students or sojourners" and this has been so for 100 years. He also left a legacy to support this marvelous institution which has also served for 100 years. In our Centennial Year, the Trustees embarked on a new venture, and began a fund-raising program to enhance this legacy. There are numerous areas in which the Library of the 21st century must be responsive and the Trustees, recognizing this, put an annual fund drive in motion, under the guidance of T. Holmes Moore, who was also honored as "Trustee of the Year" for NH, so they may begin to address those responsibilities. To our knowledge, at this time, the Gordon-Nash Library is the only library in NH that is funded privately. To all the Trustees from 1895 to 1995, we say thank you for such foresight and astute planning. To our residents, students, or sojourners, we say come to the Library and enjoy the benefits therein.

## **New Hampton Community School PTO Playground Project**

After many fundraisers, donations and hard work, the new playground went up at the New Hampton Community School. Over \$21000. was raised last year for the playground and was installed on July 1st,1995 by a hardworking, dedicated group. The playground has been thoroughly enjoyed by the New Hampton community and the students at the elementary school. Two picnic tables were donated to the playground to encourage community use.

A special thanks to the Town of New Hampton for their generous donation of \$5000. towards this project. It gave the committee a real boost towards their goal. Also thanks to the area businesses, residents, and friends that donated their time and money to help complete the playground. A big thanks also to the co-chairpeople who bravely headed up this project, Norma Bean and Mary Beth Stevens. All are invited to come and see this beautiful new playground.

Lisa Emery  
NHCS PTO President

# Town of Bristol EMS

1995 was again our busiest year yet, even though one of our neighboring towns we have covered for approximately 21 years got their own ambulance for transport.

The BEMS roster includes 18 active EMTs with 6 new EMTs waiting for their official licenses. This year we have again upgraded our Advanced Life Support EMTs to 8 Intermediates. Four Intermediates are now certified to give 4 life-saving drugs in the field, improving a serious patients condition prior to getting to the emergency room. There are also 3 taking the February class to give drugs. We also have intubation in BEMS which is the most advanced way of airway management.

We have seen life pass away, but we have also seen new life born before our eyes. We have seen tragedies and triumphs, but we always go on, because we are EMTs and we care about each and every one of you.

The call breakdown for 1995 is as follows:

Alexandria	58	Bridgewater	39
Bristol	293	Danbury	102
New Hampton	107		
Transfers	47	Mutual Aid	21

A special thanks to our prior Director, Rick Fowler, who brought many positive changes to this department during his time here.

Claire MacGlashing  
Interim Director BEMS

# Bristol Community Center

The Bristol Recreation Advisory Council and the staff here at the Bristol Community Center would like to wish everyone a happy 50th Anniversary. The Bristol Community Center is 50 years old this year (1996). What an accomplishment and service the residents of New Hampton have given the Newfound area. We would like to thank all the residents who participated in the annual events, the seasonal athletic leagues, the after school programs and the fundraisers.

This year was a growing year for us. We started a new Newsletter format, added Community Education programs and worked on programs for the area teens which is a growing concern for many in the area towns.

The BCC offered three youth league programs again this year (basketball, baseball/softball/teeball, and soccer). Our baseball/softball program is run by a five member commission through the BCC and supports 27 teams and over 100 volunteers. In addition to the youth leagues we organized Middle School and High School dances, instructional classes, Tot time, open house hours, competitions, summer camps, swimming lessons, adult basketball, adult badminton, adult karate and adult aerobics, and Community Education instructional classes. This year we started the Tuesday night Teen Coffee Shop which has been a great success and will continue with more evenings during the 1996 season.

The Center also reached its fundraising goal by organizing and sponsoring 21 fundraisings including a Monte Carlos night, a March Dance, the Lobster/Chicken supper, the Annual Apple Festival, monthly teen dances and much more. All of our fundraising success is due to the number of volunteers that donate their time to our programs.

Our handicap access project was started this past fall. We have started the grading process on the driveway and fixed two of the drains that needed attention. This winter we will be working on the door lips, inside handles, the unisex bathroom area and the new entrance in the back.

The Center thanks the School District and all the principals who have opened their doors to the ever growing programs the Center is sponsoring. Without their patience and support we would not be able to offer the programs we do. We also want to express our sincere gratitude to Freudenberg NOK for their continued support, and to Dead River for sponsoring the new radio ads that the Bristol Community Center placed on WLNH.

We invite all of you to the "1996 - Looking back over 50 years" at the Bristol Community Center. We will be sponsoring programs throughout the year that were once offered here at the Center and will be placing monthly articles of the past in the local papers. Hope you will enjoy the "ride through history" with us.

Respectfully submitted,

Elizabeth C. Mitchell, CLP  
Director of Recreation

## Community Action Program

The Community Action Program is a local, community based, nonprofit organization dedicated to addressing the needs of the elderly, handicapped and low income residents in the Town of New Hampton.

As the list below of services demonstrates, Meredith Area Center has continued to provide extensive and high quality human service programs to New Hampton residents throughout 1995.

	Value
Commodity Supplemental Food Program 116 packages      10 persons	\$2,576.36
Congregate Meals 838 meals            24 persons	\$4,802.08
Emergency Food Pantries 837 meals      90 persons	\$2,511.00
Family Planning 44 visits            24 persons	\$2,635.20
Fuel Assistance 41 applications    113 households	\$15,669.25
Supplemental Fuel Assistance 8 applications	\$600.00
Meals on Wheels 2098 meals      11 persons	\$12,567.86
Home Improvement Loans 1 Home            3 persons	\$10,600.00
Rural Transportation 541 rides          14 persons	\$2,510.24
Weatherization 3 homes            5 persons	\$5,884.12
Women, Infants & Children 219 vouchers    19 persons	\$8,431.50
USDA Commodity Foods 41 Households   101 persons	\$ 271.23
Total Value of Services to New Hampton Residents: \$69,058.84	

## Lakes Region Community Services Council

During the past year, Lakes Region Community Services Council has continued to provide comprehensive services to the residents of New Hampton who are developmentally disabled. Such services as residential, vocational and transportation have long since become an integral part of their lives.

Last year the Town of New Hampton honored our request for support and we greatly appreciated this generosity. Such assistance came in the form of \$300, and as these funds were earmarked for our transportation system, they were put toward new capital expenditures.

We remain alert to the fiscal pressures that town governments continue to face, and in keeping with this, we would like to ask again for the same \$300. Having received this amount for a number of years, we would like you to consider a small increase. We leave this to your discretion and the means of the Town.

You may be interested to learn, that during the period that the town has supported us, our van fleet has grown to 44 vehicles. This impressive growth is directly related to our accomplishing the mission for which we have been deemed responsible.

The "Greater Laconia Transit Agency" (GLTA), is a sub corporation of the Council. Formerly transporting only LRCSC clients, it now offers its services to the general public.

The Town's support for our Agency has been very meaningful in helping us to operate a transportation system. Without it our mentally retarded citizens would be completely isolated in their homes. They are not, because our transportation services connect them with a variety of day programs, whether they be rehabilitative activities or gainful employment.

We greatly appreciate the assistance that the Town of New Hampton has given us and earnestly hope that you will continue to support us in our efforts to help your developmentally disabled citizens lead meaningful lives.

Sincerely,

Stephen C. Maguire  
Assistant Executive Director

# Lakes Region Planning Commission 1995 Report

Below is a sample of the services provided by the LRPC as a benefit to the community:

Provided the town with a map created of proposed commercial zoning for public hearing.

Provided the town with a blueline map of road name changes.

Made proper changes to the town's zoning map and provided the town with copies of three full size blueprints.

Provided the town with information regarding height regulations.

Provided the planning board with information regarding roads damaged by logging trucks.

Ordered and delivered to the town twelve copies of the 1994-1995 Edition of the N. H. Planning and Land Use books.

Coordinated the annual Household Hazardous Waste Collection, the largest single-day, multi-site collection in the state.

Co-hosted the annual Municipal Law Lecture Series.

Convened a legislative night meeting where legislation affecting the region is presented by Legislators and discussed.

Produced newsletters focusing on planning topics and issues relevant to the Lakes Region.

Supported the continued use of modern geographic information system technology for regional and local planning.

Served as the Lakes Region's data clearinghouse for local communities making U. S. Census, demographic and other statistical data available to local residents.

Completed a Tourism Profile of the Lakes Region to help identify the effect of tourism activities on the area economy.

Collected land use and employment data for the Lakes Region in support of a statewide planning study by the N. H. Department of Transportation.

Published a book on the Historic Churches of Belknap County.

# Newfound Area Nursing Association

## NANA

For several years NANA has experienced significant growth in home care visits. Despite this increase our staff worked closely with physicians to provide a variety of services to patients with acute illness, complex medical and post surgical problems, rehabilitation requirements, long term and terminal illness needs and maternal and infant health problems. NANA also provides community health screenings, well child and immunization clinics, homemaker services and information to help support families in varied situation.

This past October, an on site certification survey by the federal government revealed **no deficiencies** - - - a tremendous credit to the quality of care provided by our dedicated staff.

An increase of clients with inadequate health insurance and an inability to pay has been noted. At the same time, state programs continue at best to be flat funded. The federal government will reduce reimbursement or benefits for programs such as Medicare and Medicaid.

To meet the challenge we have reviewed our programs and modified some of our services thereby improving productivity and reducing costs substantially.

All information was carefully considered by our Finance Committee during its 1996 budget process. The NANA Board of Directors is respectfully requesting \$8,992. from the Town of New Hampton for 1996. This amount represents a 4% \$345.84 increase over your 1995 appropriation.

The following is a summary of the home visits made to New Hampton residents during 1995.

<u>DISCIPLINE</u>	<u>VISITS</u>
SKILLED NURSING	522
PHYSICAL THERAPY	100
SUPERVISORY VISITS	58
HOME HEALTH AIDE	1593
HOMEMAKER	75

## Youth Services Bureau 1995 Report

There is a lot more to court diversion services than the money the residents of New Hampton save on the county portion of their tax bill. At about a 10th of the cost of going through the court system, court diversion offers a positive learning experience that is confidential and has a high degree of accountability. The juvenile court system is expensive, overwhelmed and can offer little in the way of community based services for young offenders. Going through the impersonal court system labels kids as criminals and does not promote learning and personal responsibility the way court diversion can. Not only is there considerable savings as far as dollars with court diversion, but there is also a big time-savings. In most cases there is no wait to enter the court diversion program; as soon as Youth Services Bureau receives the referral the learning process begins. Once in the program the youthful offenders go through a formal review process where a learning contract is drafted. Contracts are individual, personal, innovative and positive. Community service is a common contract condition seen on many diversion contracts. Youths have performed many hours of community service for the surrounding towns while developing a sense of pride in their community.

The Youth Services Bureau's budget requests have always been fiscally responsible. For the past four years Y.S.B. has maintained level funding and has also been able to return unused money at the end of the year. We have been able to maintain this level funding by making up the difference with DCYF Incentive Funds distributed through the County. We do not expect any Incentive Funds to be available to us in the 96/97 fiscal year. We are forced to increase our requests from all the towns and the City of Laconia in order to continue offering court diversion services.

The increase over last year's budget request is approximately 8%. This figure still represents a considerable savings over sending those same juveniles through the court system. The YSB's total operating budget for the 1996/97 fiscal year is \$113,232.90. We respectfully request support from the Town of New Hampton in the amount of \$3,107.51 for court diversion and related services.

Thank you for your consideration.

Sincerely,

Peter D. Brigham  
Director
