THE STATE OF NEW HAMPSHIRE
TOWN WARRANT

To the Inhabitants of the Town of Hancock, in the County of Hillsborough in said State qualified to vote in Town Affairs: You are hereby notified to meet at the FIRE STATION in said Hancock on Tuesday, the fourteenth day of March next at eight of the clock in the forenoon until seven of the clock in the evening, for ballot voting of Town Officers and all other matters requiring ballot vote; and, to meet at said FIRE STATION in said Hancock, on Saturday, the eighteenth day of March next at nine of the clock in the morning, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. Shall we adopt the provisions of RSA 72:37 for the exemption for the blind from property tax? This statute provides that every inhabitant who is legally blind shall be exempt each year for the property tax on their residence to the value of \$15,000. BY PETITION.
3. Are you in favor of the following change to Article IV of the Hancock Zoning Ordinance to read: New earth excavations may not be commenced without first obtaining a Special Exception from the Board of Adjustment as described in Article XIII and complying with the provisions of the Town of Hancock, Regulations Governing Earth Excavations. The Town of Hancock, when excavating earth for the sole purpose of highway use, shall be exempt from Article XIII in its entirety. Town compliance with RSA 155-E:2, IV shall not be diminished by this exemption. The Planning Board approves and recommends the above change to the ordinance.
4. Are you in favor of the following change to Article XIII,D of the Hancock Zoning Ordinance to read: D. Excavation of Earth Products a) The excavation will not cause a diminution in area property values or unreasonably change the character of the neighborhood. b) The excavation will not unreasonably accelerate the deterioration of the highways or create safety hazards in the use thereof. c) The excavation will not create any nuisance or create health or safety hazards; and d) The excavation complies with such other special exception criteria as may be set out in applicable local ordinances. The Planning Board approves and recommends the above change to the ordinance.
5. Are you in favor deleting Article XI Excavation Regulations of the Hancock Zoning Ordinance in its entirety? The Planning Board approves and recommends the deletion of this article.
6. To see if the Town will vote to raise and appropriate up to one hundred fifty thousand dollars (\$150,000) for the purchase of a new pumper fire truck; and to authorize the issuance of bonds or notes in accordance with the provision of the Municipal Finance Act and to authorize the municipal officers to issue and negotiate such bonds or notes and to determine the rate of interest thereon; or take any other action relating thereto. Selectmen recommend this appropriation. 2/3 BALLOT VOTE REQUIRED.
7. To see if the Town will vote to raise and appropriate the sum of nine hundred three thousand four hundred ninety-nine dollars (\$903,499), which represents the operating budget, inclusive of the Water Department operations. Said sum exclusive of all special

articles addressed; or take any other action relating thereto.

8. To see if the Town will vote to raise and appropriate up to ninety-five thousand dollars (\$95,000) for the purchase of a new highway truck; and to authorize the issuance of bonds or notes in accordance with the provisions of the Municipal Finance Act and to authorize the municipal officers to issue and negotiate such bonds or notes and to determine the rate of interest thereon; or take any other action relating thereto. Selectmen recommend this appropriation. 2/3 BALLOT VOTE REQUIRED.

9. To see if the Town will vote to raise and appropriate up to twenty-one thousand dollars (\$21,000) to repair the Link Road Bridge. This will be a non-lapsing account per RSA 32:3,VI and will not lapse until the project is completed or in two years, whichever is less; or take any other action relating thereto. Selectmen recommend this appropriation.

10. To see if the Town will vote to raise and appropriate up to nineteen thousand dollars (\$19,000) for the purchase and outfitting of a new police cruiser; or take any other action relating thereto. Selectmen recommend this appropriation.

11. To see if the Town will raise and appropriate up to thirteen thousand dollars (\$13,000) to do special maintenance to one mile of King's Highway, from the western end of the recently reconstructed piece, and continuing for one mile; or take any other action relating thereto. Selectmen recommend this appropriation.

12. To see if the Town will raise and appropriate up to three thousand eight hundred fifty-five dollars (\$3,855) to repair the tennis courts; and, to authorize the withdrawal of \$2,708 from the Hancock Tennis Court Maintenance Fund (Revenue Fund) established for this purpose at the 1993 Town Meeting; or take any other action relating thereto. Selectmen recommend this appropriation.

13. To see if the Town will vote to raise and appropriate up to two thousand dollars (\$2,000) for the purpose of repairing broken and damaged memorial stones in Pine Ridge Cemetery; or take any other action relating thereto. Selectmen recommend this appropriation.

14. To see if the Town will vote to raise and appropriate up to five thousand dollars (\$5,000) to purchase a replacement forestry truck and to authorize the payment of this truck from the proceeds realized from the sale of the existing truck; further, authorize the Selectmen to accept a donation from the Hancock Fire Department Association, Inc. for the balance of the authorized expenditure; or take any other action relating thereto. Selectmen recommend this appropriation.

15. To see if the Town will vote to raise and appropriate up to five thousand three hundred dollars (\$5,300) for the purpose of repairs and replacement of police equipment and authorize the withdrawal of this sum from the Hancock Police Equipment Repair and Replacement Fund (Revenue Fund) established for this purpose at the 1993 Town Meeting; or take any other action relating thereto. Selectmen recommend this appropriation.

16. To see if the Town will vote to raise and appropriate three thousand dollars (\$3,000) for the purpose of purchasing necessary materials to do further work on the Hancock Genealogy and authorize

the withdrawal of this sum from the Hancock History Fund (Revenue Fund) established for this purpose at the 1993 Town Meeting; or take any other action relating thereto. Selectmen recommend this appropriation.

17. To see if the Town will vote to raise and appropriate three thousand eight hundred dollars (\$3,800) for the purpose of repairs and replacement of beach and ballfield equipment, and to authorize the withdrawal of this sum from the Hancock Recreation Fund (Revenue Fund) established for this purpose at the 1993 Town Meeting; or take any other action relating thereto. Selectmen recommend this appropriation.

18. To see if the Town will vote to modify the procedures of the Hancock Town Advisory Committee established under Article 20 of the 1950 Town Meeting and modified under Article 26 of the 1975 Town Meeting, by deleting the current wording of III-C PROCEDURES and replacing with: NOT LATER THAN 25 DAYS PRIOR TO ALL TOWN MEETINGS INVOLVING CONSIDERATION OF MONEY ARTICLES, THE COMMITTEE SHALL PARTICIPATE IN A PUBLIC HEARING CALLED AND CONDUCTED BY THE SELECTMEN IN ACCORDANCE WITH THE PROVISIONS OF RSA 32:5. AT SUCH PUBLIC HEARING THE COMMITTEE SHALL PRESENT ITS PRELIMINARY RECOMMENDATIONS REGARDING THE PROPOSED BUDGET AND MONEY WARRANT ARTICLES; or take any other action relating thereto. Selectmen recommend this article.

19. To see if the town will vote to establish a municipal forest under the provisions of RSA 31:110; and, to designate the town-owned land under the jurisdiction of the Conservation Commission, as part of said forest, to encourage progressive timber management for the municipality; and to delegate management of these lands to the Town Forest Committee; or take any other action relating thereto. Selectmen recommend this article.

20. To see if the Town will vote to modify the existing agreement relative to FICA exclusion for election workers, to raise the exclusion from \$100 annually to \$1,000 annually, for services performed after December 31, 1994; or take any other action relating thereto. Selectmen recommend this article.

21. To see if the Town will vote to establish the Hancock Fire Department as the Town's official municipal fire department, under RSA 154:1, and to approve the election of its chiefs by the membership of the Hancock Fire Department and duly appointed by the Selectmen, and to authorize all other officers deemed necessary by the membership of the fire department shall be elected by the membership and appointed by the chief. All new members shall be voted on by the membership and appointed by the chief; or take any other action relating thereto.

22. To see if the Town will designate as a Road to Summer Cottages, per RSA 231:8-12, Antrim Road from its intersection with Birch Road northerly to the Antrim Town Line; or take any other action relating thereto.

23. To see if the Town will vote to authorize the Selectmen to accept the reports of auditors and committees as printed in the Town Report; or take any other action relating thereto.

24. To transact any other business that may legally come before said meeting.

Given under our Hands and Seal, this eighth day of February in the year of Our Lord Nineteen Hundred and Ninety-five.

INDEPENDENT AUDITOR'S REPORT ON FINANCIAL PRESENTATION

To the Members of
the Board of Selectmen
Town of Hancock
Hancock, New Hampshire

We have audited the accompanying general purpose financial statements of the Town of Hancock as of and for the year ended December 31, 1994, as listed in the table of contents. These general purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1B, the general purpose financial statements referred to above do not include the General Fixed Assets Account Group, which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Assets Account Group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Hancock as of December 31, 1994, and the results of its operations and cash flows of its nonexpendable trust funds for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The combining and individual fund financial statements listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of Hancock. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.

The entire report is available for
inspection at the Selectmen's Office.

HANCOCK TOWN LIBRARY - 1994

In 1860 the first library was opened to the public in Hancock. It was located in the back of John Whitcomb's store and Adolphus Tuttle was the first librarian. The library had a total of 247 volumes and Mr. Tuttle was paid \$25 a year to take care of the library. In 1882 the first Hancock Town Library building was completed with funds donated by Adolphus Whitcomb and others.

In 1923 the trustees received a bequest from Helen Kimball which enabled them to add a new front (the current Children's Room) which doubled the space in the library. In 1996 when the library was once again desperate for additional room, the trustees received bequests from Hancock citizens who had remembered the library in their wills.

These wonderful gifts have made the current Hancock Town Library building what it is today - a wonderfully spacious building that provides space for books, displays, storytimes and meetings in the Daniels Room. The citizens of Hancock show their appreciation for these gifts by frequenting the library and using the resources available to them. The statistics below give an indication of this use.

The library benefits greatly from the gifts of time and talent from the trustees, Howard Mansfield, Barbara Woods and Sara Dowse and from the 19 volunteers who regularly contribute hours of work to the library. We could not carry out our current level of service without them.

A. Patricia Briggs, Director

HANCOCK LIBRARY TRUSTEES REPORT

The story of the library today can be told in one date and one statistic. In December 1988 the library opened the new addition, doubling our space. Since then circulation has more than doubled. The trustees have been trying to catch up with the library's increased popularity.

In writing a new five-year plan for the library, we have listened to the wishes of the town. A town-wide survey culminated on Old Home Day with raffle prizes donated by the Hancock Market, Hancock Service Station, Hillside Press, John Hitchcock, Mailbox Video store and Helen Pierce.

We gathered a focus group in September representing a cross section of town and listened to their concerns. In each instance we asked residents to evaluate library services and to tell us what they would like to see in the future. People have requested more library hours, computer reference services, and, as always, improved fiction and nonfiction holdings.

Meanwhile, people are blessedly reading books. Seventy-two children in the summer reading program read 1,460 books. Once again this program was supported by the Woman's Club. Barbara Woods, Maryann Hitchcock, and Pat Briggs read to about 150 children a week during Story Hours. Library use is up on Saturdays, not only for children but for adults as well. And besides reading, there is art. Photos, drawings and paintings by local artists were displayed in the Daniels Room and children's art was hung on the walls of their room.

We continue to offer free programs for the town. In April, the Warner, N.H., oral history play, "It Had To Be Done So I Did It" drew a standing-room only audience. A Halloween-season lecture on haunted houses by Norm Gauthier was enthusiastically received. In November, a volunteer from Boston's Museum of Fine Arts presented an introduction to its collection. And in January Thelma Babbitt gave the library's second annual Martin Luther King Jr. Day lecture. She recounted her civil rights work in Little Rock in 1958-60 and elsewhere. Thelma also talked to the elementary school children.

Sara Dowse joined the board as a new trustee, and Howard Mitchell resigned after 12 years of singular service.

Howard Mansfield, Chairman

SELECTMEN'S REPORT

During 1994, town services continued at a high performance level while expenses were kept under tight control so that the tax rate remained flat at \$4.84 for the fifth consecutive year. Credit for these results must go to the men and women who staff the various offices and departments. They include the town office staff, Barbara Caverly and Wendy Brennan; our Tax Collector, Elaine Paquette, and her deputy, Martha Blanchette; and our Town Clerk, Lesley Cass and her deputy, Wendy Brennan, who also serves as Welfare Officer.

Credit must also go to Ed Coughlan, Police Chief, and Sergeant Steve Baldwin, who together with their part-time colleagues, Phil Mathewson, Jim Letourneau, Andy Wood and Jim Legace provide the best police services any town could want. Also noteworthy was our Highway Department headed by Road Agent, Hank Query, and his associates, Al Anderson, Steve Bussiere, Roger Tempe and Dave Bilodeau for their endless efforts to clear our roads in the winter and maintain them the rest of the year.

Representative of our outstanding Fire Department personnel, Bob Kierstead, Fire Chief for the past twenty years, stepped down at year end and was succeeded by Lindy Joseph with Mike Cass as First Assistant Fire Chief and Phil Mathewson as Second Assistant Fire Chief.

At the Library, Pat Briggs, Maryann Hitchcock, Shirley Kane, Sue Roper and the dedicated volunteers provided the usual exemplary services to the young people and adults of the town.

In addition to these men and women were countless volunteers who serve on the various boards and committees to make it possible for us to maintain high performance standards at minimum costs.

A large part of any small town's business is concerned with the maintenance of its roads. A major problem in 1993 and 1994 was the deterioration of Vatcher Road, Windy Row, Hunt's Pond Road and a portion of Kings Highway. Normal maintenance procedures for removing boulders, leveling and tarring the road surfaces would not solve the basic problems. In accordance with the recommendations of our Highway committee, the Selectmen decided to bring in special equipment to grind up the tar surface and the underlying gravel of these roads. Then six to twelve inches of new gravel was added as necessary. Calcium chloride was spread to bind the gravel and finally the surface was graded and compacted. Expenditures for these procedures were authorized by two warrant articles at the 1993 and 1994 town meetings.

Because of the dimensions of the gravel used and the extremely dry weather that followed, some difficulties were experienced with the final results. Consequently,

residents along the four roads presented a petition requesting that the roads be tarred. Before making a final decision, we requested a State Highway Engineer to review the roads and give us his recommendations. His conclusion was that the reconstruction had been well done and that, instead of tarring the roads at an estimated cost of \$232,000, the roads should be regraded and additional calcium chloride should be added in 1995 to solve some of the remaining surface problems. We plan to carry out his recommendations next year.

This year, a Highway Committee headed by Dick Quinn and including Wayne Fisher, Court Johnson, Hank Query and Bernie Schneckenburger presented its recommendations for the improvement of our highway operations, a system for recording man-hours and a system for recording use of highway equipment. Following the analysis of the accumulated data, we expect to make further improvements in the efficiency and effectiveness of our highway program.

Another major 1994 problem faced by Hancock and other towns in the Conval School District was the increase in the elementary school population and the need for additional buildings. For Hancock, the question was whether to enlarge the present elementary school building or to build a new structure at some other site. A Hancock Elementary School Building Committee consisting of Linda Renna, chair, Laurie Bryan, Kathy Closter, Bob Kierstead and Chuck Van Horn was appointed to study the situation. At a special town meeting, the committee recommended that the town office building be razed and a new school be erected on the town office site. The committee's recommendations were approved by an overwhelming margin. Further action will depend on the outcome of the bond issued to be voted at the March 1995 District School Meeting.

To all town personnel and our many volunteers, we extend our sincerest appreciation.

HANCOCK FIRE DEPARTMENT

In 1994, we had a total of 114 calls. They break down as follows:

Rescue	63	Building fires	1
Chimney fires	4	Car fires	2
Brush fires	2	Accidents	6
Automatic alarms	9	Mutual aid	20
Misc.	7		

This spring, for the first time the members went thru a medical evaluation at Monadnock Community Hospital. This was recommended by the town's insurance carrier and the National Fire Protection Agency. The purpose is to get a base line physical condition of the members in case of injury or sickness in the future, related to fire department calls. Depending on age and physical condition some members will be re-evaluated in future years, upon recommendations of their doctors. All new members will also go thru evaluations.

With the use of carbon monoxide detectors being more prevalent, the department took delivery of a carbon monoxide meter in January in order to check homes where a detector has been activated. This should help to pinpoint the problem area. Carbon monoxide is a colorless, odorless gas that can be deadly. If you use oil, gas, coal or wood to heat with, the department recommends that you have one in your home near the bedrooms.

With the continued support of the townspeople in our raffle, chicken barbecue and other fund raisers, we have been able to order a Defibulator to use on our rescue truck. When it arrives and the members have received proper instructions on its use, it will be a great asset to use on cardiac and breathing difficulty calls to monitor the patients' conditions. With heart related problems amounting to 1/3 of our rescue calls, it shows the need for this \$7,000.00 piece of equipment.

Looking forward into 1995, there has been a change in some of the officers. I would like to wish Chief Joseph and the rest of the officers all the best in the years to come.

Chief Robert Kierstead

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

In calendar year 1994, our three leading causes of fires were No Permit, Children and Rekindles of fires where the fire was not properly extinguished. Local communities and the state share the cost of suppression on a 50/50 basis.

FIRE DEPARTMENT STUDY COMMITTEE

This committee was constituted in December of 1993. Its mission is to study and make recommendations on:

Future Equipment Needs
Future Manning of the Fire Department
Level of Fire Department Services Required

Future equipment needs have been reviewed and the committee has recommended that the current mix of equipment meets Town and Mutual Aid requirements.

The 1965 International Pumper is in disrepair, is obsolete and needs replacement. Other units will be maintained and scheduled for replacement according to a Long Range Planning Schedule.

As time goes on the need to modernize support equipment for the Fire Department is essential to keep the department efficiency up to date. Further, mandated fire fighting requirements will put financial demands on the town that can only be met through Mutual Aid arrangements.

Future Manning The Fire Department currently has 22 members, with no waiting list. Like all towns with volunteers fire department pressures on volunteers are increasing and finding volunteers with time to devote to this effort is becoming increasingly difficult.

The committee is reviewing incentives to attract volunteers and ways in which the department could utilize part time volunteers to relieve pressures on full time active volunteers. As more volunteers work outside of Hancock, it becomes important to maintain a substantial number of volunteers to be available for calls during the working day.

Level of Services The committee has had several meetings with the Fire Department itself and a public hearing will be held to review public expectations and requirements.

Robert Kierstead

Bill Bolton
Phil Mathewson

HIGHWAY STUDY COMMITTEE

We have been working on a program to inventory the roads of Hancock. Some of the data that is included is traffic count, surface condition, ditch and culvert condition and brush. After this data is compiled, the road agent will be able to project road maintenance and repairs over a four or five year period. If we can continue with this type of program of maintenance, it will cut down on major projects.

We have also put in place a program to inventory Hancock bridges. We have proposed that a member of the highway department accompany the state inspector on his rounds when he inspects our bridges. In this way, we should be able to better project cost for upcoming bridge repairs.

We recommend the replacement of the old Mack highway truck. This truck has served the town well for the last 23 years, unfortunately we are now spending too much time on maintenance. We had to do engine work (replace piston and sleeve), the radiator is in need of major work or replacement, and the wiring is so brittle the insulation breaks and causes a short which causes the operator to lose his lights while plowing. This is just a summary of the more recent problems.

Committee members: Dick Quinn, Court Johnson, Wayne Fisher, Hank Query-Road Agent, Bernie Schneckenburger (resigned)

OLD HANCOCK ROAD CLASS A TRAIL COMMITTEE

The trail was approved by Town Meeting vote on March 12, 1994; closing and preserving a 530' section of Old Hancock Road to motorized vehicles.

Boulders were placed on the south end and a locked gate on the north end. Reflectors were placed on the gate and blaze orange/red circles painted on the rocks for safety purposes; handmade signs were posted to identify the section as a trail; this work was done and paid for by the Trail Committee, except for the placement of the boulders, which was done by the Highway Department. The reason for the gate is to allow entry by emergency vehicles for maintenance of power lines or other emergency purposes.

Establishment of this trail has made Old Hancock Road a much safer and enjoyable area to walk, bicycle or ride horseback through.

REPORT OF THE GENEALOGICAL COMMITTEE

The Hancock Genealogical Committee spent 1994 continuing the slow but interesting process of researching information about Hancock residents from the late 19th century to the present. The long term goal of the committee is to publish the material in book format. The short term goal is to make the information immediately available to researchers both in Hancock and from out-of-town via an easy to use computer database. Liz Weston researched and responded to many genealogical inquiries about former Hancock residents received from researchers all over the country. She often traveled to the N.H. Vital Statistics Office in Concord in order to locate the desired information. The final choice for genealogical computer software was made after sampling a variety of new programs available. Cindy Amidon has been entering the voluminous amount of data already accumulated into the committee's computer. The committee has begun to amass a library of current genealogical periodicals, manuals, and research materials, along with some genealogical computer "shareware". It is hoped that Hancock residents interested in learning more about the popular hobby of genealogy will feel free to make use of these resources stored at the Hancock Historical Society. Volunteers to help with this ongoing project are always welcome and can contact Cindy Amidon at 525-3453.

HUMAN SERVICES REPORT

During the year 1994, \$18,099.15 was spent of Town moneys for direct aid to 16 applicants who qualified under the Welfare Guidelines of the Town of Hancock. As in past years, housing, electricity, heating and food were the main categories covered.

Beyond the Town expenditures, \$12,500.06 was spent from the Hancock Helping Hands Fund. Helping Hands received generous donations from organizations and individuals in Hancock this year, as well as baskets of food for Thanksgiving and Christmas. Donations of money and gifts for Operation Santa helped 9 children and their families. On behalf of all the recipients of your generosity, thank you.

HANCOCK PLANNING BOARD

In 1994, the Planning Board had a full meeting schedule which is recapped as follows:

1. Conducted 8 Preliminary Hearings
2. Approved 3 Subdivisions
3. Approved 2 Boundary Line Adjustments
4. Approved 2 Site Plan Reviews
5. Approved 2 Gravel Pit Issues

In addition 9 meetings were dedicated to questions concerning the site plan review of the Harvest Christian Fellowship Church, 6 meetings concerned the reclamation of a gravel pit and 6 meetings were spent discussing the new Town of Hancock Regulations Governing Earth Excavations.

The Town of Hancock Regulations Governing Earth Excavations was developed and written by the Board upon advise of counsel in order to eliminate the ambiguity and conflict of the present excavation regulations which are a part of the Zoning Ordinance. This new regulation based on RSA 155E more clearly defines the areas of responsibilities and the standards that the Town expects in the operation and reclamation of an excavation site. As always we appreciate the interest and input of the residents of Hancock and we welcome your suggestions and attendance at our biweekly meetings.

REPORT OF THE HANCOCK TOWN DUMP COMMITTEE

Hancock Recycling effort is quite successful. Most people do well separating their trash, although we still have some that refuse and hide their recyclables in the dark colored trash bags. There are also a few people that hassle the attendants. These attendants are only doing their job when they ask to have the trash separated and placed in the proper place. It is not heir job to separate your trash. We all owe a big thank you to Ken Blood, Lenny Eagleson and Fred Reynolds who keep the Dump running so smoothly.

We will continue to sample the wells around the old landfill for the next 30 years to make sure we don't impact the ground water. So far our samples have not caused any alarm to the state.

Committee members: Wayne Fisher, Ray Pierce, Bill Eva, Jim Reeves, Vicky Reeves, Dick Bell

WATER COMMISSIONERS REPORT

The last remaining requirements to bring the water system into compliance with the Surface Water Rule were completed during 1994. The system now operates in full compliance with all state and federal regulations for a surface water system of our size.

The State Legislature passed a law in 1993 providing some partial funding for water projects in towns where modifications were being made to comply with new regulations. Hancock qualifies and applications were submitted requesting grant aid. It is expected that sometime during the first quarter of 1995, the actual amount of grant aid available to Hancock will be determined.

The new monitoring and chemical injecting equipment has worked well although we did lose expensive equipment due to electrical storms during the summer. Additional surge protection has been added to guard against this problem.

As required by State regulation, a test was conducted for the presence of lead and copper in the water. At all ten sample locations the levels of both metals were well within acceptable limits.

HANCOCK CEMETERY TRUSTEES REPORT

This year we continued to improve the appearance of the three cemeteries. We have straightened and repaired headstones, leveled the ground in the Pine Ridge Cemetery and trimmed trees and brush in the Norway Plain Cemetery.

Next year at the Hillside Cemetery we plan to plant shrubs by the gate and move the dirt and loam piles in that area. At the Pine Ridge Cemetery, we will continue to level and grass low areas and to repair and straighten headstones.

We purchased a new self-propelled hand mower of commercial quality which will make mowing more efficient.

The Sexton reported that there were 4 full burials and 7 of ashes and that 8 lots were sold in the Hillside Cemetery. The Sexton was called 4 times to supervise the placement of headstones and markers.

The Rules and Regulations and Fee Schedule is available at the Town Hall.

EMERGENCY MANAGEMENT

Your Emergency Manager has continued to keep up to date on current emergency affairs by attending training sessions offered by the State Office of Emergency Management. These sessions are also an excellent opportunity to meet and compare notes with other emergency managers from around the state.

Our Basic Emergency Plan and our Hazardous Materials Plan have both been brought up to date and amended.

On 29 September, a hazardous material spill exercise was held to test the Town Hazardous Material Plan. Participation by fire, police and highway departments was most important to make the exercise a success. The Red Cross, in cooperation with the Guild, tested the Town Evacuation Plan and the Church Vestry was opened to take in simulated refugees.

There is concern that all town residents may not be in compliance with the Emergency Planning and Community Right To Know Act of 1986. This act grew out of concern surrounding chemical incidents in West Virginia and Bhopal, India. If anyone is storing hazardous materials or other dangerous materials and has not reported them in accordance with this act, severe penalties apply. Please contact the Emergency Management Director for more detail.

AMERICANS WITH DISABILITY ACT

The town continues to be very much aware of the special needs of its citizens. It makes every effort to meet any requirement requested. Your ADA Coordinator is available to assist with problems that may arise.

COMMON COMMISSION REPORT

The three commissioners are responsible for maintenance and care of the common around the bandstand, the island across 123 from the post office, the entry into the Norway Pond parking lot, the land between the rear of the church and the sheds, and behind the sheds part way on the cemetery lane. For the past two years we have scraped and painted the fountain before installation by the highway department. We are also responsible for keeping flags and halyards in good order on the main flag pole and at the ball field.

We have used our own equipment for ease in scheduling and so have incurred expenses to the town only for paint, some fertilizer and a flag replacement.

Please contact any of us if you have comments or suggestions.

Summary of Services to HANCOCK Residents from October 1, 1993 through September 30, 1994

* Monadnock Family Services provides a full range of treatment for individuals who need counseling or who are experiencing a mental disorder. There are no restrictions based on diagnosis or age, and we continue to offer services to clients with little to no income. The Peterborough District Office is open five days and three nights per week. The Jeffrey District Office is open four days and four evenings per week. Based in our Keene Office, we provide 24 hour Emergency Services 7 days a week, 365 days a year.

* Services we offer in addition to Emergency Services include: Psychiatric Assessment and Medication Treatment, Case Management, Residential treatment and a Day Treatment program. This figure is reflective of open cases and does not contain those individuals who may have been seen as adjunct member of treatment (i.e., family members, school personnel, legal or other sources of referral). Last year the Peterborough and Jeffrey offices of Monadnock Family Services served over 793 individuals, with more than 13,068 visits for direct treatment.

* It is our goal to maintain quality services to residents of our catchment area, and to provide for the identified counseling needs of the community.

* This past year Monadnock Family Services provided 365 visits of direct treatment to HANCOCK residents. Of the 26 open cases, 15 were male and 11 were female, 6 were under the age of 18, 16 between the ages of 18 and 59, and 4 were 60 or older.

* Primary referral sources were as follows: self-referred, physicians, social service agencies, schools, and courts, in that order.

* MFS Adult Care Center was open over 1400 hours in 1994, with an average daily attendance of approximately 23 clients. We provided over 16,000 hours of service to elderly residents and their families. Many of the clients in the program have Alzheimer's Disease or related illnesses due to aging.

* The dollar amount requested from your town to help us continue offering these services, is arrived at by multiplying the 1992 population estimates (prepared by the NH, Office of State Planning) figure by \$1.00. This per capita amount includes no increase in five years. The amount we are requesting is \$1,601.00.

**HOME HEALTH CARE AND COMMUNITY SERVICES
REPORT TO THE TOWN OF HANCOCK
JANUARY 1, 1994 TO DECEMBER 31, 1994**

ANNUAL REPORT

In 1994, Home Health Care and Community Services (HCS) continued to provide home care and community services to the residents of Hancock. The following information represents a projection of HCS's activities in your community in 1994. The projection is based on actual services provided from January through September 1994 and an estimate of usage during October, November and December.

In addition to the above listed activities, regularly scheduled blood pressure clinics, child health clinics and telephone consultations were made available to your residents throughout the year. Town funding, in part, supported these additional services.

FINANCIAL REPORT

The actual cost of all services provided in 1994 with all funding sources is projected to be \$117,877.42.

The total cost of services provided for a partial fee, or at no charge to residents in 1994 is projected to be \$3,700.00 for home care.

For 1995, we recommend an appropriation of \$4,000.00 to continue home care services at the current level.

Thank you for your consideration.
