Article 1-B. To see if the Town will vote to adopt Amendment No. 1-B to the existing Town Zoning Ordinance, as proposed by the Planning Board, to amend Section 9:4:2 Agricultural and Rural (AR) District as follows: Delete the first paragraph of Section 9:4:2 in its entirety and replace it with a new first paragraph to read as follows: This district is limited agricultural, forestry, rural residential and other non-intensive uses, to prevent development where it would be a burden on the town and to retain areas for open space. Development in this district shall require an average lot size of at least five (5) acres save for waterfront parcels. "Average lot size" shall be defined as the mean average of the acreage of all lots in a proposed subdivision. Lots that are larger than five (5) acres, once used to calculate average lot size, shall not be so used again, shall not be further subdivided and shall be expressly designated as such on the survey plat. If any land, other than the individual lots in a proposed subdivision, is used by a developer to calculate average lot size, title to that land shall be vested in the developer at the time of the subdivision and shall be surveyed and shown as common land on the survey plat of the subdivision. Each conveyance of a lot in a subdivision having common land used to calculate average lot size shall include an ownership interest in the common land which is inseparable from the ownership of the lot, which ownership interest can be either in the form of an equal undivided interest in common with the other lot owners in the subdivision or in the form of a membership interest in a home-owner's association, provided that when all lots have been conveyed, 100% of the title to the common land shall be vested in equal shares in the lot owners or in a homeowner's association owned in equal shares by the lot owners and the value of the common land shall be taxed by the town in equal shares to the owners of the individual lots. No lot in any subdivision in this district shall include a lot smaller than the minimum lot sizes set forth below. Lots with shore frontage shall require a minimum of 150 feet of contiguous water frontage except as provided in Section 11:3:3.

At 7:40 P.M. the Town Meeting was reconvened in the Fire Station to act upon Articles 2 through 32. The Moderator, John Kimball, called the meeting to order. The Moderator was presented a petition to have a secret ballot for Article 29. Mr. Kimball asked those present if they would like to start with Article 29. A motion was made by Scott Davis and seconded by Diane Drenkhahn to start with Article 29, which is, to see if the Town will vote to have the Town take over the title to Wood Ridge Road and Wood Ridge Circle. This was a petitioned article. Bart Coudert asked if the road was up to Town Specs. Road Agent Jeff Haines explained that last summer the residents on Wood Ridge Road were informed that the road was in need of repair before winter or the Town would not plow it. Mr. Haines was approached by the residents to see what was needed to upgrade the road. This is a private road and the deeds for the properties on this road have a covenant that stipulates a road association was to be formed by the property owners. At looking at the road Jeff sees drainage concerns and the need for culverts. Before the Town takes over the road Jeff would like to see another inch of asphalt added and the drainage and culvert issues addressed. The grade is steeper than Town specs but the road can be plowed. Seth Stearns, a property owner on Wood Ridge Road, stated that the road was built 25 years ago. In the last year the culverts have been flushed and the road has been resurfaced. About two-thirds up Wood Ridge Road there is a circle so that the plow truck can turn around. When the Petition was written the circle was included. There are not two roads. There have been 3 subdivisions along this road. The last section was completed a year ago. By deed the second and third sections are owned by the property owners. Betsy Raffaele asked Seth, if he feels the road is going to last for 25 years, why he would want the Town to take over the road. Seth stated that they don't want to be in the road business. Bart Coudert stated that he feels that this is coming to quickly and that it seems prudent to wait a year and have the road brought up to full town standards. Bob Beem suggested that the Town consider delaying the acceptance of this road at least until the rest of the houses have been built. Bob asked how the Selectmen felt about this issue. Scott Davis

stated that in this situation the Selectmen feel that they need to follow Jeff Haines advice. As a citizen Scott feels he cannot support this. Voting on this Article began at 8:15 P.M. The results of this vote were: 42 NO and 17 YES. This Article was defeated.

Article 2. It was moved by Scott Davis and seconded by Brian Kennedy to raise and appropriate such sums of money as may be necessary to defray the Town charges for the ensuing year and make appropriations of the same. The sum being \$610,486. The vote was unanimously in favor.

Article 3. It was moved by Lee Woodworth and seconded by Chris Williams to raise and appropriate \$315,210 for the maintenance of Town Highways and Bridges, including sidewalks and dead tree removal. \$30,155 to be paid from State Highway Block Aid, the balance of \$285,055 to be raised by taxes. Priscilla Manville commented that the sidewalk on Route 25B is never plowed. She asked if the State or the Town owned it. Jeff Haines responded that they do not maintain the sidewalks in the winter. If you want the sidewalks plowed we would need to discuss it and budget for it. The motion carried.

Article 4. It was moved by Scott Davis and seconded by Diane Drenkhahn to raise and appropriate the sum of \$60,000 for the purpose of upgrading roads in Town. The vote was unanimously in favor.

Article 5. It was moved by Lee Woodworth and seconded by Jacqueline Berghorn to raise and appropriate the sum of \$172,669 for the operation of the Police Department. The vote was unanimously in favor.

Article 6. It was moved by Scott Davis and seconded by Jacqueline Berghorn to raise and appropriate the sum of \$32,812 for the purpose of purchasing and outfitting a new 2005 Crown Victoria police cruiser. The motion carried.

Article 7. It was moved by Lee Woodworth and seconded by Diane Drenkhahn to raise and appropriate the sum of \$157,767 for the disposition of Solid Waste. The vote was unanimously in favor.

Article 8. It was moved by Lee Woodworth and seconded by Frank Raffaele to raise and appropriate the sum of \$89,500 for the maintenance of the Center Harbor Fire Department. The vote was unanimously in favor.

Article 9. It was moved by Helen Heiner and seconded by Diane Drenkhahn to raise and appropriate the sum of \$83,876 for the operation of the James E. Nichols Memorial Library \$6,685 to be paid from trust and other funds, the balance of \$77,191 to be raised by taxes. As of December 31, 2005, the James E. Nichols Memorial Library Association will be dissolved and the Town of Center Harbor shall take charge and management of the Library

property as provided in the deed of trust from James E. Nichols. Bob Beem asked for a brief explanation of the dissolution of the Association and what will happen to the Trustees. Helen Heiner, the Chairman of the Trustees explained that over the years the Library has been run by the Trustees. The bulk of the money has always come from the Town. Walter Kneeland had been the Treasurer of the Association and when he retired Sarah Heath took over. Sarah would now like to retire. All of the Trustees are residents of Center Harbor. The vote was unanimously in favor.

Article 10. It was moved by Scott and seconded by Brian Kennedy to raise and appropriate the sum of \$45,769 for Parks and Recreation. The vote was unanimously in favor.

Article 11. It was moved by Lee Woodworth and seconded by Helen Heiner to raise and appropriate the sum of \$13,150 for Patriotic Purposes including Fourth of July activities. Bart Coudert asked to amend the \$13,150 figure to \$15,850. Bart explained that he sent the contract to the fireworks company and they kept delaying their response. This year the Atlas Fireworks Company said that they would not do the fireworks display for less than \$10,000. Bart was able to talk them into doing it for \$9,000. Janet Stearns asked what other patriotic purposes there are. Bart respond the foot race, parades, and the barge for the fireworks. He explained that the foot race actually makes money. Everett Duren asked if any of the money went to Memorial Day. Bart answered "yes and also Veteran's Day." It was moved by Helen Heiner and seconded by Everett Duren to accept the amended amount. That amount being \$15,850. The motion passed.

Article 12. It was moved by Scott Davis and seconded by Brian Kennedy to raise and appropriate the sum of \$6,600 for Band Concerts, including Holiday performances. The vote was unanimously in favor.

Article 13. It was moved by Lee Woodworth and seconded by Helen Heiner to raise and appropriate the sum of \$40,212 for the purpose of providing ambulance service to the Town. The vote was unanimously in favor.

Article 14. It was moved by Scott Davis and seconded by Betsy Raffaele to raise and appropriate the sum of \$8,000 for Direct Welfare. The vote was unanimously in favor.

Article 15. It was moved by Lee Woodworth and seconded by Chris Williams to raise and appropriate the sum of \$500 of the Centre Harbor Historical society. The vote was unanimously in favor.

Article 16. It was moved by Scott Davis and seconded by David Hughes to raise and appropriate the sum of \$1,050 for Center Harbor's share of the operation of the Red Hill Fire Tower. The motion carried.

Article 17. It was moved by Diane Drenkhahn and seconded by Helen Heiner to raise and appropriate funds for the support of the Inter-Lakes Day Care Center (\$4,527 requested for 2005. \$4,527 appropriated in 2004). The vote was unanimously in favor.

Article 18. It was moved by Lee Woodworth and seconded by Chris Williams to raise and appropriate funds for the support of Child and Family Services (\$3,500 requested in 2005. \$3,500 appropriated in 2004). The vote was unanimously in favor.

Article 19. It was moved by Helen Heiner and seconded by Betsy Raffaele to raise and appropriate funds for the support of the Meredith Public Health Nursing Association (\$12,201 requested for 2005. \$12,201 appropriated in 2004). The vote was unanimously in favor.

Article 20. It was moved by Helen Heiner and seconded by Brian Kennedy to raise and appropriate funds for the support of the Community Action Program (\$8,400 requested in 2005. \$8,000 appropriated in 2004). The vote was unanimously in favor.

Article 21. It was moved by Diane Drenkhahn and seconded by Helen Heiner to raise and appropriate funds for the support of the Lakes Region Hospital (\$600 requested for 2005. \$600 appropriated in 2004). The vote was unanimously in favor.

Article 22. It was moved by Scott Davis and seconded by Brian Kennedy to raise and appropriate funds for the support of the Greater White Mountain Chapter of the American Red Cross (\$1,000 requested for 2005. \$1,000 appropriated in 2004). The vote was unanimously in favor.

Article 23. It was moved by Helen Heiner and seconded by Betsy Raffaele to raise and appropriate funds for the support of New Beginnings (\$850 requested for 2005. \$850 appropriated in 2004). The vote was unanimously in favor.

Article 24. It was moved by Helen Heiner and seconded by Brian Kennedy to raise and appropriate funds for the support of the Winnepesaukee Wellness Center (\$4,000 requested in 2005. \$3,000 appropriated in 2004). The vote was unanimously in favor.

Article 25. It was moved by Scott Davis and seconded by Eloise Coudert to raise and appropriate funds for the support of Lakes Region Community Services Council (\$400 requested for 2005. \$400 appropriated in 2004). The vote was unanimously in favor.

Article 26. It was moved by Chris Williams and seconded by Helen Heiner to raise and appropriate funds for the support of Genesis Behavioral Health (\$1,302 requested for 2005. \$1,245 appropriated in 2004). The vote was unanimously in favor.

Article 27. It was moved by Lee Woodworth and seconded by Chris Williams to raise and appropriate funds for the support of

the Loon Preservation Society (\$500 requested for 2005. \$0 appropriated in 2004). Diane Drenkhahn stated that she was against this. She feels that this would open the door for others to ask for funds. For example the Science Center, the Hockey League, etc. If anyone feels strongly they could donate on their own. The vote was unanimously against. The motion was defeated.

Article 28. It was moved by Scott Davis and seconded by Diane Drenkhahn to authorize the use of land use change penalties, currently in a land use change tax fund to go into the general fund in the amount of \$356,006.63 to offset the deficit. Gerard Berghorn asked for an explanation of what this fund is. Scott Davis responded that this is money collected by the Town when property is taken out of Current Use. The amount of the penalty is based on the market value of the property when it is taken out of current use protection. Twenty-five percent of the money collected goes into a conservation fund. Bob Beem explained the purpose of this Article was to look at what you would like to use the money for, and decide what to do with it. Sue Dumais asked if we were voting to use the money this year, not necessarily every year. Scott Davis answered, "yes." The vote was unanimously in favor.

Article 30. It was moved by Lee Woodworth and seconded by Everett Duren to increase the optional veteran's tax credit to \$500 as prescribed by RSA 72:28 and the service connected total disability tax credit to \$1,400 as prescribed by RSA 72:35. Everett Duren asked those present to recognize Chuck Campbell who has just returned from Iraq. The vote was unanimously in favor.

Article 31. It was moved by Lee Woodworth and seconded by Brian Kennedy to allow a discount of two percent on taxes paid in full within twenty-two (22) days of issue of tax bills by the Tax Collector. The motion carried.

Article 32. To choose agents or committees in relation to any article of the Warrant and hear reports of any heretofore chosen. There were no agents or committees chosen and no reports to hear. Scott Davis asked those present to get involved in Town politics

John Kimball thanked the Fire Department for providing the space and the Police Department for providing protection for Town Meeting; and announced that the School District Meeting would be held on Wednesday, March 16th.

Bart Coudert asked those present if they wanted 4th of July Fireworks. He also asked for suggestions for next year.

Jay Heiner asked if next year each of the Articles could have the current request amount and the previous year's amount to make it easier to do a comparison.

The Moderator adjourned the 2005 Town Meeting at 9:15 P.M.

Sheila Moran
Town Clerk

STATE OF NEW HAMPSHIRE
TOWN OF CENTER HARBOR

TOWN WARRANT

To the inhabitants of the Town of Center Harbor in the County of Belknap in Said State,
Qualified to vote in Town Affairs:

You are hereby notified to meet at the Cary H. Mead Meeting Room in Said Center Harbor on Tuesday, the fourteenth day of March at ten of the clock in the morning to act upon the following subjects:

Article 1-A. To choose all necessary Town and School Officers for the year ensuing.

Article 1-B. To see if the Town will vote to adopt Amendment 1-B as proposed by the Planning Board, for the Town Zoning Ordinance, as follows: to amend Section 4:3 Penalties to read, "In case of violation of this Ordinance, the Selectmen of the Town of Center Harbor may institute any appropriate action or proceeding: to prevent such violation; to restrain, correct, or abate such violation; or to prevent the unlawful occupancy of any building, structure, or land. Any person, firm, or corporation which violates any provision of this Ordinance shall be punishable by a fine of not more than two hundred seventy-five dollars (\$275.00) per day for a first offense and five hundred fifty dollars (\$550.00) per day for subsequent offenses".

Article 1-C. To see if the Town will vote to adopt Amendment 1-C as proposed by the Planning Board, for the Town Zoning Ordinance, as follows: to amend Section 5:8:3:2:1 Size of Campsites to read, "Each proposed site for camping with a tent or recreational vehicle shall contain at least five thousand (5,000) square feet exclusive of public facilities, roads, and buffer zones".

Article 1-D. To see if the Town will vote to adopt Amendment 1-D as proposed by the Planning Board, for the Town Zoning Ordinance as follows: to amend Section 5:8:3:2:2 Spacing and Setbacks to read: "An open space not less than one hundred fifty (150) feet wide shall be maintained along each boundary, lot line, or frontage along an existing street, road, right-of-way, pond, lake, brook or wetland as wetland is defined in the Center Harbor Wetlands Conservation Overlay District Ordinance".

Article 1-E. To see if the Town will vote to adopt Amendment 1-E as proposed by the Planning Board, for the Town Zoning Ordinance as follows: to add a new Section 5:8:3:2:6 Operational Requirements to read as follows:

5:8:3:2:6:1 No recreational vehicle or recreational camping cabin, as they are defined in New Hampshire RSA 216-I, or similar thing shall be used or occupied as a year round residence, however, this shall not be construed to prohibit the storage of any of the foregoing on a campsite when not in use.

5:8:3:2:6:2 The total number of persons utilizing a Recreational Camping Park at any one time shall not exceed the number of approved campsites multiplied by a factor of five (5) plus ten percent (10%) of that product.

5:8:3:2:6:3 A resident caretaker shall be present in every Recreational Camping Park during all periods of operation.

5:8:3:2:6:4 No permanent structures shall be erected, placed, permitted or maintained within any campsite or affixed to any recreational vehicle, any recreational camping cabin or any campsite.

5:8:3:2:6:5 A store for the sale of food or other items may be allowed provided: (i) it complies with all applicable setback, building and life safety codes of the Town of Center Harbor and State of New Hampshire, (ii) that no sign, advertising or other means are employed to attract the general public thereto; and (iii) that sales are restricted to registered patrons of the Recreational Camping Park for consumption or use during their stay”.

Article 1-F To see if the Town will vote to adopt Amendment 1-F as proposed by the Planning Board, for the Town Zoning Ordinance as follows: to amend Section 5:8:5 Permits to read, “No Organized Camping Area shall be operated in the Town of Center Harbor unless the owner has obtained Non-Residential Site Plan Review approval from the Planning Board and has a valid permit issued by the Board of Selectmen”.

Article 1-G To see if the Town will vote to adopt Amendment 1-G as proposed by the Planning Board, for the Town Zoning Ordinance as follows: to amend Section 5:11:3 under Non-Conforming Structures to read, “No additions or changes or reconstruction shall be undertaken which increase the total square footage of the non-conforming portion by more than twenty percent (20%) or make the structure substantially different from the use to which it was put before alteration. Any change in the existing footprint of a non-conforming structure within fifty (50) feet of the mean high water line of any water body as defined in Section 11:2:2 of this Ordinance will be allowed only with a waiver from the State of New Hampshire Department of Environmental Services and provided the change complies with all other provisions of this Ordinance and all other ordinances of the Town of Center Harbor”.

Article 1-H To see if the Town will vote to put the following wetlands into State Prime Wetlands status:

Center Harbor Designated Wetland #52: The “Mug” Wetland Complex

Center Harbor Designated Wetland #54-55: The Hale Swamp

Center Harbor Designated Wetland #58: Leroux Wetland Complex

Center Harbor Designated Wetland #79: Hawkins Pond Wetland Complex

Center Harbor Designated Wetland #87-88: Johnson, Monroe, Perkins Wildlife/Wetland Complex

Article 2. To see if the Town will vote to raise and appropriate such sums of money as may be necessary to defray the Town charges for the ensuing year and make appropriations of the same. The sum being \$618,992. (\$610,486 appropriated in 2005).

Article 3. To see if the Town will vote to raise and appropriate \$332,425 for the maintenance of Town Highways and Bridges, including sidewalks and dead tree removal.

\$29,318 to be paid from State Highway Block Aid, the balance of \$303,107 to be raised by taxes. (\$315,210 appropriated in 2005).

Article 4. To see if the Town will vote to raise and appropriate the sum of \$60,000 for the purpose of upgrading roads in Town. (\$60,000 appropriated in 2005).

Article 5. To see if the Town will vote to establish a capital reserve fund for the purpose of replacing a Highway Department vehicle and to raise and appropriate the sum of \$25,000 for said fund.

JAMES E. NICHOLS MEMORIAL LIBRARY
Librarian's Report for 2005

It is my pleasure to report a busy and productive year for the Nichols Library. Our library continues to be well used and enjoyed by town folk, the surrounding community and many visitors.

In the past year, the Nichols Library circulated 15,653 items and recorded 7081 visits. We registered 142 new patrons. Although these figures show a slight drop from the burst of growth which took place in 2004, it is a strong indicator of use, on par with our figures for 2003 and well ahead of those from previous years. Our numbers for the peak season in July and August were ahead of those from 2004.

We added 965 items to the collection in 2005. To improve access to children's materials, we added color-coding labels and reorganized our shelving layout to make reading levels clearer to parents. This area saw a great deal of activity during the summer months. We also created a display for recent non-fiction on the adult side of the reading room to better promote those materials. We continue to grow our media collection, with many new audio books and DVDs. VHS tapes are rapidly becoming hard to come by, so we were able to provide fewer new titles in this format. Several theme displays were put on during the year, the most recent being the Freedom to Read and Teen Read promotions. Our column in the *Meredith News* frequently featured capsule reviews of new titles at the Library.

In its role as an information resource to the community, the Library responded to 213 reference questions, which surpassed last years total. We have delivered 712 interlibrary loans ILLS (573 total in 2004). We revamped the Library's web page, expanding our links to useful web sites and adding links to databases provided by the NHSL. We saw heavy activity at our two public access computers, with recorded 1045 uses. Our wireless link, added in 2004, has also seen good use. While the wifi link cannot substitute for our public workstations, it has provided a needed option for patrons doing projects requiring extensive computer use. To better safeguard our equipment, we installed a new desktop security software (Install Shield by Centurion), which was more seamless than the Fortes system. In October, we retired our 15-year old copying machine to better meet the heavy demand for document reproduction. We were also forced to replace our color computer printer earlier in the year. In the works for 2006, we are planning an upgrade to our catalog/circulation system.

Another aspect of our public service activity is a healthy offering of programs. Library Assistant Kathy Wieliczko began a monthly story time for the Village Pre-School. Kathy also started a winter adult reading group, which is a joint initiative with the Holderness Public Library. Bart and Eloise Coudert of CH Parks and Recreation teamed with the library for several programs, which included an Earth Day Awareness event, a spring clean-up and garden planting, a summer Hawaiian theme party, and a Christmas Magic Show. The Library also joined with the Parks and Recreation and the Moultonborough

Public Library to present singer-story tellers Julie & Brownie, who was attended by an enthusiastic group of forty some youngsters and parents.

Heavy rains in October caused a leak through the roof tiles into the reading room of the Library. Quick action by the staff averted damaged to equipment and materials. The Trustees arranged for timely repair work.

Our staff had big shoes to fill this year with the departure of Librarian Sandy Pickel and Assistant Judy Hodge. In their place, we welcomed new Librarian Jon Kinnaman and Library Assistant Kathy Wieliczko. Jon came to the Nichols Library from Madison, where he had been Librarian for five years. Kathy comes to the library from Holderness, where she has served as a library volunteer. Linda Belisle provided continuity and held down evening and weekend hours.

Jon and Kathy honed their skills at workshops offered by the NH State Library. Kathy completed a basic cataloging course, while Jon attended workshops on computer maintenance and security. Jon also participated in several library conferences and served as a panel member at the Fall READS meeting.

Thanks are due to many persons who have contributed to the well being of the Library over the past year. Diane Sullivan and Katie Wichland provided help at the circulation desk during our busy summer season. Nancy Chapman and Elaine Evain organized the column for the Meredith News and worked on our Newsletter. Carole Scalzo put in a great deal of effort managing our used bookstore and our big summer sale. This is Carol's last year at this job, and we wish to extend our appreciation for all she has done over the years to make these popular fundraisers a success. Jane Varley again provided introductory internet lessons at the Library. Ginny Ferlazzo spent many an hour in the height of the summer covering books and getting them ready for eager readers.

Our Board of Trustees deserves special thanks for the time, energy and devotion they have given to the Nichols Library during the course of the year. Special mention goes to two members who are stepping down after many years of service to the Library. Barbara Benoit served as an Association Trustee for twenty years. Sarah Heath, our Treasurer and an Association Trustee, is also leaving after long years of service. Their energy, experience and enthusiasm will be missed. Finally, on a sad note, we bid farewell to Town Selectman Lew Hanson, a good friend of the Nichols Library.

Jon Kinnaman
Librarian

The Town of Center Harbor is under contract with Grzelak & Co. to be audited in 2006. The audit will be available in the Town Office upon completion.

2005 Center Harbor Planning Board Report

The Center Harbor Planning Board had a moderately active year in 2005. Kirk Meloney oversaw the one major subdivision application, which, after several hearings, resulted in the creation of 12 new building lots and several large common areas on the west side of Route 3 just north of the old Town House. Otherwise, there were a few applications for boundary line adjustment, site plan review and other matters requiring Board approval.

The Board did, however, review quite a large number of building permits for new dwellings and additions and modifications, indicating that the growth of Center Harbor is continuing.

The Planning Board collaborated with the Conservation Commission, under the leadership of Conservation Commissioner Noelle Beaudin, on the issue of Prime Wetlands designation. Prime designation means that any project within a designated area will require approval from the State of New Hampshire (rather than just large projects which already require State approval) in order to provide these important, sensitive areas protection from a series of small projects. The "Mug" wetland complex, the "Hale Swamp", the "Leroux" wetland complex, the "Hawkins Pond" wetland complex and the "Johnson, Monroe & Perkins" wildlife wetlands complex will all be separately listed on the ballot in March for prime wetlands designation.

The Board also put forth to the voters a few changes to the Town's ordinances in respect to increasing penalties for violations and the regulation of campgrounds.

Former board chair Kirk Meloney has moved into "semi-retirement" from the planning board after many years of dedicated service to the people of Center Harbor. The Board will certainly miss his experience and knowledge of the Town and its ordinances.

Respectfully submitted,

Lee W. Mattson, Acting Chair

CENTER HARBOR CONSERVATION COMMISSION 2005 ANNUAL REPORT

During the year the Conservation Commission worked closely with the New Hampshire Wetlands Board reviewing and advising with regard to applications for shorefront changes to our town's water bodies. We were presented with a number of permits for the reconstruction of docking facilities and shoreline construction on the lakes within our town.

A letter writing campaign directed to our senators and representatives was conducted this year in regards to the national Resource Conservation and Development budget which was part of the President's FY2006 budget proposal. The RC&D budget would be cut from \$51 million to \$27 million through the implementation of a new policy that would eliminate federal support to RC&D areas that are 20 years old or older. We encouraged our representatives to restore funding to the program.

Bob and Marilyn Coppo continued as lake monitors this year as part of the Lay Lake Monitoring program in conjunction with the Freshwater Biology Group of the University of New Hampshire. From May through October, water samples were taken from Lake Winnepesaukee and the water quality was found to be clean and clear. This is our twentieth year working in conjunction with the NH Lakes Lay Monitoring Program.

Megan Reid and Matthew Stearns were recipients of the Ken Sorlien Memorial Youth Campership Awards this year and attended week long summer camps at Bear Hill 4-H Camp and Barry Conservation Camp respectively. These camps provide hands-on learning and environmental and conservation appreciation. If any town member has a student they would like to recommend for Conservation Camp in 2006, please contact Eloise Coudert.

Conservation Commissioners participated in the running of the Lakes Region Household Hazardous Waste Collection Event held on Saturday, July 30, 2005. We encourage town residents to collect and dispose of their hazardous products at this annual collection day, which is held the last Saturday of July at the Meredith public Works Garage.

During June, the Commission assisted the Belknap County Conservation District with plantings at the Center Harbor town beach. We worked in conjunction with students from Inter-Lakes Jr.-Sr. High School during their Lake Ecology Day.

The Center Harbor Conservation Commission has been involved in an extensive project to put four of the Town's designated wetlands into Prime Wetland status. By protecting these wetlands, Center Harbor will continue to keep its rural character which is so attractive to its residents. An official vote by Town residents in 2006 will decide if each of the wetlands will be Prime Wetlands at the State level.

We are always seeking new members who are interested in promoting conservation awareness and participating in hands-on conservation activities. Please contact any of the following Commissioners or the Town Clerk if you are interested in helping.

Annual Report
of the
Center Harbor Fire Department
2005

The Center Harbor Fire Department responded to a total of 245 emergency calls during the year 2005. This call volume was down slightly from the previous year when we responded to an all time high of 261 calls for service. Fire calls were our highest call generator for the year, 113 which was a 14% increase over the year 2004. Medical emergencies slowed to 85 which was a 32% decrease over the year 2004. Motor vehicle accidents which required a fire department response slowed as well to 26 down from the previous year's 32.

The Center Harbor Fire Department responded to a total of 93 mutual aid calls during the year. During 2005 the Town of Center Harbor received mutual aid from surrounding communities a total of 28 times, the most notable of which occurred on March 27, Easter Sunday morning. In the early morning hours a tenant living in the attic apartment at 53 Plymouth Street fell asleep while smoking a cigarette causing the chair in which he had been sitting to start to burn. The occupant did not awaken until the chair was fully ablaze and then tried to move the chair and extinguish without success. Upon arrival of the fire department the chair fire had now become a building fire with fire extending into the knee wall and attic area. With a quick attack and a lot of assistance from surrounding towns the fire was brought under control saving a large portion of the old structure. We truly recognize the benefits of being a part of the Lakes Region Mutual Fire Aid Association. This is truly neighbor helping neighbor.

During 2005 three of our members attended a State of New Hampshire Level 1 Firefighter course held in Ashland, NH. Obtaining their certifications were Dan and Holly Titus of our community and Peter Fox who lives in Meredith but who is an active firefighter here in Center Harbor. Peter also went on to achieve Level 2 Status later in the year in a

course that was held in Winnisquam, NH. These three members are to be congratulated for their accomplishments and I want to thank these individuals for giving so much of their time to help us here in Center Harbor.

As we look forward into the year we ask that you remain vigilant in your efforts to be safe from fire and injury. You consistently take fire safety seriously and that makes a big difference. Remember to keep your chimneys clean and in good repair and ALWAYS keep your smoke detectors in good working order.

Remember we are always looking for a few good men and women to help share the load. Please, if you can find the time to volunteer, call or stop by. We meet every Thursday evening, rain or shine!

Report of Forest Fire Warden and State Forest Ranger

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. A fire permit is required for all outside burning unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 1-800-498-6868 or www.des.state.nh.us for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2217, or online at www.nhdf.org.

Fire activity was high during the first several weeks of the 2005 fire season, with red-flag conditions issued by the National Weather Service and extreme fire danger in the southern and central portions of the state. This period of increased initial attack activity prompted a 5-day ban on open burning, the first such ban in several years. Despite the dry conditions, the state's largest wildland fire was contained at 29 acres. Our statewide system of fire lookout towers is credited with keeping the fires small and saving several structures this season due to their quick and accurate spotting capabilities. Fires in the wildland urban interface damaged 10 structures, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department and the state's Forest Rangers by being fire wise and fire safe!

2005 Center Harbor Police Department Town Report

The year 2005 had many ups and downs for the Police Department. It started off with a significant set back with the resignation of Officer Robert Nedeau. Rob began his law enforcement career in Center Harbor and left us to join the Meredith Police Department. He will be missed by many. After six months and three hiring processes, I am pleased to announce the hiring of Donald Welch Jr. Officer Welch has family ties to Center Harbor and is a community oriented person. Officer Welch will be attending the 12 weeks New Hampshire Police Academy in 2006.

Statistically 2005 was very similar to 2004. This year the total calls for service were slightly down from 799 to 723 along with a decrease in motor vehicles accident from 47 to 36. Criminal cases continued to keep us busy and we saw an increase of arrests from 66 to 69. In addition, the department made 784 motor vehicle stops.

In 2005 the Police Department investigated several reported cases of sexual and physical abuse involving children. I am pleased that in 2006 we now have a Child Advocacy Center in Laconia that will serve all of Belknap County. This center will provide a place where police can bring children who may be victims of abuse to be interviewed by specially trained people. This center will also coordinate any other services needed for victims.

On a positive note, the Police Department received several grants in 2005 including a second Automated External Defibrillator. We received \$1,000.00 toward the purchase of a portable radio from Homeland Security funds and \$1,506.42 from the Highway Safety Agency. The most significant grant we received was Project 54. This is a federally funded project, with the technology developed by the University of New Hampshire, providing approximately \$24,000.00 of equipment upgrades to our cruisers. This included new light bars, computers, sirens, radars and more.

This year I am requesting that a citizen committee be formed to address the space needs of the Police Department. It is now critical and we must come up with a solution. It is important that as we look to the future we consider our current and future needs as well as being financially responsible. I look forward to working with this committee to find a solution.

I would like to thank the officers of the Police Department and their families for their service and sacrifices they make. I would also like to thank the citizens of Center Harbor for the continued support we have always received and remind people to never hesitate to call if they have a question or concern. The Police Department looks forward to serving you in 2006.

Ambulance Service is provided by Stewart's Ambulance. The Board of Selectmen, along with member Towns Meredith, Moultonboro, and Sandwich agree to an increase in the current contract which assures property owners that ambulance service is available 7 days a week, 24 hours a day. Each Town pays a percentage based on the total number of calls for service. The number of runs for Center Harbor was 101 with a 6.12% of the total. The combined Town payments cover only a portion of Stewart's costs; receipts from service invoices through insurance or private payments balance the difference. Residents requiring assistance paying the ambulance service invoices should contact Stewart's Ambulance or the Board of Selectmen.

CENTER HARBOR PARKS AND RECREATION 2005 ANNUAL REPORT

The recreation department presents programs to the community throughout the year, with the majority of these events occurring in the summer months. Our annual ice skating party had to be cancelled this year due to messy conditions following a winter storm. We do thank the volunteer firemen and the town crew for maintaining the rink during the winter.

Easter came early this year and we had a great turnout of over 100 kids to enjoy the egg hunts, crafts, games and egg decorating. On April 23 we celebrated "earth day" with environmental crafts and songs. Once the ground warmed up in May, we were back at the library for our annual "garden party". Twelve children and parents made "grass hair" animals and later planted seeds and plants in the children's garden. Nichols Memorial Library helped us co-sponsor the Earth Day and garden party events.

The weather cooperated for the Memorial Day Parade this year. We thank our local churches, veterans and the InterLakes High School band for their participation. The parade was very special and moving.

Our summer programs started with the 27th annual 4th of July Footrace. Over 500 men, women and children participated in the races, with the town netting \$746. in proceeds after expenses. The theme of the Independence Day Parade was "The Great Outdoors" with Bob Heath as Grand Marshal this year. The day culminated with a band concert and fireworks over the bay.

Sixty children enrolled in Red Cross swim lessons taught by our WSI instructors at the town beach. This six-week program ran in conjunction with the Children's Beach Program, which took place on Tuesday, Wednesday and Thursday afternoons. 10 to 12 children enjoyed arts and crafts, sports, games and special events. A water carnival marked the end of our summer beach programs. Other summer programs include: Tuesday night coed volleyball games at the town ball field, beach yoga on Tuesday, Thursday and Saturday, two flower arranging workshops on July 14 and August 11 and the 15th Annual C.H. Horseshoe Tournament held at the town beach horseshoe pits on August 21. Fourteen players entered the tournament with Elmer (Whitey) White emerging as the winner.

Summer was also a time for many music events. In addition to the Friday night band concerts, local talented musicians and singers entertained the 70+ people in the audience at the 9th annual Harborpalooza Concert held in August. Three senior concerts were held, with 12 to 15 people in attendance at each one. A campfire sing-along attracted over 20 kids and adults at the town beach. We teamed up with Nichols Memorial Library to co-sponsor "A Pirates Life For Me" concert at the bandstand (45 people) and an indoor beach party at the town hall (23 in attendance), with music, crafts, refreshments, limbo and games.

In September, Jacqueline and Dudley Laufman (Two Fiddles) were back by popular demand for a barn dance and dessert pot luck held at the Center Harbor Congregational Church Hall. Over 40 dancers kicked up their feet during this fun filled night. \$89. was collected in donations for the Red Cross to aid the victims of Hurricane Katrina.

Sixteen participants decorated harvest wreaths at a workshop held on September 19th, and this popular program is becoming an annual event.

Over 100 children and their parents packed the fire station on October 31 for the recreation department's annual Halloween Party. Mr. Phil added a little extra excitement with his balloon twisting creations. Everyone enjoyed the costume parade, Halloween crafts, games and refreshments.

Our final event of the year featured Mr. Phil again doing magic in the "Holly Jolly Magic Show." Our holiday party on December 3 also featured student ensembles from the NH Independent School of Music. 40 kids and adults enjoyed the music, magic, ornament making, refreshments and tree lighting. Thank you to the library trustees for providing refreshments and to Nichols Memorial Library for helping to co-sponsor this program.

During the school year the recreation department sponsors a volleyball program at the InterLakes Elementary School gymnasium. High school age players and up are invited out on these Tuesday and Thursday nights for pick -up games.

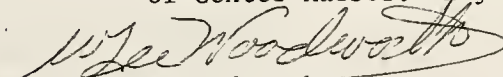

The parks and recreation department also supervises the boat launch and dock areas of the town beach. Boat launch attendants collected \$9,970. in non-resident launching fees during the year of 2005.

We are retiring at the end of this year, but we have had many fun times and fond memories working and playing for the parks and recreation department. We would like to take this opportunity to thank our town selectmen, town clerk and secretaries, the police and fire departments and our highway department for all their assistance these past few years, and thank you to the people of Center Harbor for whom it has been a great pleasure to serve.

CENTER HARBOR TOWN BAND
(Established 1878)

Our 2005 season began with the 4th of July Parade, transported in “Grand Style” courtesy of Charlie and Jen Hanson. The evening’s entertainment (pre-fireworks!) was provided by the classic rock band Day Janerio.

On the Friday following the 4th of July the CHTB took the stage for the first of six consecutive concerts and despite the wet weekends of the summer only two of our concerts required the relocation of the fire trucks to the outside so the band and audience could be dry inside.

In all, twenty musicians joined us for the summer series, with an average of eleven per concert. I offer a big THANK YOU to all who participated. Without their commitment and gracious sharing of their talents the CHTB would not be.

I would also like to take this opportunity to publicly thank:

- Mr. Jeff Haines, Road Agent, for seeing that band equipment is available in the spring and safely stored come autumn.
- Captain Bob Baker for opening the Fire Station before every concert and helping me lug those stands, chairs and speakers across the street and back again (and for knowing how to actually get Pepsi out of that machine).
- Mr. Richard Drenkhahn and son Robert for cheerfully setting up the amplification system – those are big speakers to be hauled up and down and set up.
- Ms. Robin Woodaman for all her help with the clerical aspects of the band.
- Mr. Joseph Lopresti for putting band rehearsals and concerts on the local access TV channel.

May others have contributed to the success of the Center Harbor Town Band and while I am omitting some here, please accept my deepest gratitude for your aid and interest.

Guest concerts were provided by The East Bay Jazz Ensemble, The Freese Brothers Big Band and The Carter Mountain Brass Band. These concerts were well attended and enjoyed by all.

All in all the season was a resounding success and I have already spoken to prospective guests for 2006. I hope to expand the band next season by adding more musicians and more music.

Thank you to all townspeople who support the band by your presence – we welcome any and all interested musicians or audience members.

CENTRE HARBOR HISTORICAL SOCIETY

The CHHS celebrated its 35th year of organisation during 2005 with an extended program of eight informative meetings, special activities including the Center Harbor July 4th parade and our Annual Plant Sale and two field trips which found members exploring Squam Lake and a visit to a private classic car collection. All our activities tried to adhere to our purpose as stated in the By-Laws of the Society e.g. "...the collection and preservation of objects and facts of historical interest to the Town of Center Harbor, as well as engaging or participating in projects designed to preserve or improve the Town's historical image."

During 2005, we lost several members of long standing and support to the Society including Selectman Lewis Hanson and Jean Dane who were both Charter Members, John and Nancy Starrett, Doris Nash and Vic Hamke. Our sincere condolences to their families. They will be missed.

The year 2006 should prove to be as active and informative with meetings, activities and trips. We will also be welcoming new associations with the Center for Traditional Arts of Center Harbor and Canterbury's reknowned Shaker Village. Both of these organisations will be presenting programs during the year and offering assistance and advice. As one can see from our program calendar, topics will range from "Loved Toys of Yesteryear" to advice on "Caring for Family Heirlooms."

As in the past, meetings are held on the fourth Thursday of each month from April to November at 7:30 p.m. either at the Schoolhouse Museum located at 94 Dane Road (Rte 25B) or Gilpatric Hall of the Center Harbor Congregational Church at 52 Main Street. All meetings are open to the public at no charge. With membership one is entitled to attend special field visits and other activities. Membership in the Society is either five dollars (\$5.00) annually or twenty-five dollars (\$25.00) for a life membership. Check local papers for schedule changes or other announcements.

The Society Museum is open on Saturdays in July and August from 10.00 a.m. to 2.00 p.m. If you have an item that you think would fit the purpose of the Society and would like to donate to our collection, please contact us at the address below and we will be in touch to assess the item and let you know if it would be acceptable.

We thank the Town for its continuing support of the Society. We hope to see many more residents and visitors at our meetings and special events in 2006.

REPORT TO THE PEOPLE OF DISTRICT ONE by Raymond S. Burton, Executive Councilor

As one of your elected public servants, I am honored to report to you in my role as Executive Councilor for District One.

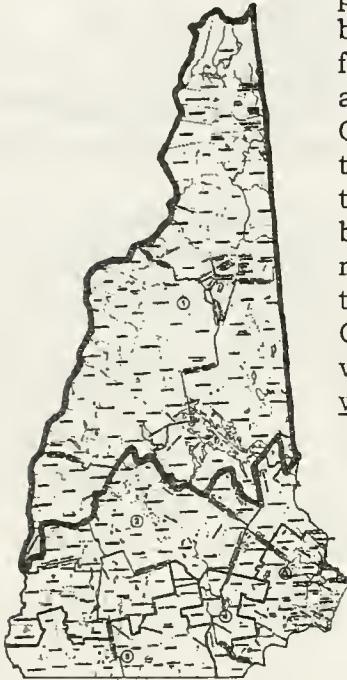

My Constitutional and legal responsibilities while serving in this position parallel those of a Board of Directors. We administer state law and budgets passed by the NH House and Senate. We also must comply with federal laws and regulations when we accept federal programs, projects and grants.

One responsibility of the Governor and Council is to seek citizens willing to serve on the state volunteer boards and commissions. It is important that your region be well represented. If you are interested in serving on a board or commission, please send your letter of interest and resume to my office or directly to Kathy Goode, Director of Appointments/Liaison to the Council, Governor's Office, State House, 107 North Main Street, Concord, NH 03301, Tel. (603) 271-2121. Visit the Secretary of State's website to see what is available/open at:

LAKES REGION PLANNING COMMISSION
2004 – 2005 (FY-05)

The Lakes Region has changed tremendously in the past 20 years. Homes and businesses have expanded along major roadways, and many of our communities have experienced dramatic changes. This growth has resulted in a number of regional challenges. The Lakes Region Planning Commission (LRPC) is the area organization established to address the effects of growth at both the local and regional level. With a service area covering over 1,200 square miles in Belknap, Carroll, Grafton and Merrimack Counties, the LRPC provides a wide range of planning services to member municipalities. The Commission offers direct and support services ranging from technical assistance, geographic information systems, and transportation planning, to land use and environmental planning, and economic development. Local, state, and federal resources primarily fund the LRPC. We are contacted several times daily for answers to local and statewide issues. We also maintain a regular dialogue with state agencies as a resource for the entire Lakes Region. Our goal remains to provide support and leadership to the governments, businesses, and citizens of the Lakes Region.

Listed below are some of our services performed on behalf of Center Harbor and the region in the past Fiscal year:

- ❖ Assisted local officials with references to prime wetlands regulations in order to be able to identify prime wetlands according to state standards.
- ❖ Co-hosted and organized three public Municipal Law Lectures where practicing attorneys provide a legal perspective on local planning, zoning and other municipal issues. Recent lectures included: the Basics of Subdivision & Site Plan Review, Land Use Law Update, and New Challenges for Municipal Regulation of the Environment. We are also preparing for the 2005 Law Lectures, in partnership with the NH Municipal Association.
- ❖ Planned the 20th annual household hazardous waste collection in the Lakes Region. Two consecutive Saturdays were designated as collection days for 24 participating communities. An estimated 20,000 total gallons of waste were collected, containerized, and transported to EPA approved end-of-life locations around the country.
- ❖ Ordered and distributed many copies of the NH Planning and Land Use Regulation books to local planning boards at considerable savings.
- ❖ Convened several meetings of the LRPC Transportation Technical Advisory Committee (TAC) to enhance local involvement in transportation planning and project development. The TAC advises the LRPC on transportation projects of regional significance.
- ❖ Continued work on the Lakes Region Bicycle and Pedestrian Plan. This planning effort will help provide a blueprint for the location of local bike and pedestrian routes.
- ❖ Conducted over 150 traffic counts around the region, in cooperation with the New Hampshire Department of Transportation. LRPC is also assisting the DOT with the preparation of local road inventories, on a town-by-town basis.
- ❖ Participated on the Lakes Region Household Hazardous Product Facility board to explore the ways and means that the facility may encourage communities to participate in its use as members.

- ❖ Convened seven Commission meetings, including four area meetings, which featured a diverse range of topics from agriculture and its impact on the Lakes Region, septage management, the Lakes Region Household Hazardous Product Facility, and environmental legislation linked to the shoreland protection act and the reduction of mercury emissions from power plants.
- ❖ Continue to represent the region on several boards and committees related to the economic and environmental well-being of the region, e.g., the Belknap County Economic Development Council, NH Route 16 Corridor Advisory Committee, the Pemigewasset River Local Advisory Committee, etc.
- ❖ Prepared a draft interim regional plan for the Lakes Region, which includes updated regional planning policies and objectives. The interim plan will be reviewed for consistency after the state of NH completes the State Development Plan.
- ❖ Reviewed project proposals through the NH Intergovernmental Review Agreement that provides the region and local communities an opportunity to respond to applications seeking state and federal aid. LRPC reviewed many proposals having a combined investment total greater than \$15 million in the Lakes Region.
- ❖ Secured funding from the NH Emergency Management Bureau to assist local communities with the preparation of all hazard management plans.
- ❖ Produced a calendar of critical deadlines for March Town Meeting, and distributed it via our web site and regular mail.
- ❖ Distributed information to all communities regarding the 2005 Transportation Enhancement application process.

REPORT OF CHILD AND FAMILY SERVICES

Thank you for the generous support that the Town of Center Harbor has continued to provide to Child and Family Services. With your support we have been able to continue our tradition of providing effective, affordable services to low-income children and their families.

We are pleased to serve Center Harbor area children and their families through our Laconia office at 95 Water Street. In the 12 months ending June 30, 2005, we provided the following services to the residents of Center Harbor:

Services	Individuals Served July, 2004 - June, 2005	Number of Hours of Service July, 2004 – June, 2005
Adolescent Substance Abuse Treatment	1	4
Family Counseling	3	3
Child Health Support	2	252
Total	5	259

In addition to the above, the following services are available to the residents of Center Harbor:

Adolescent Drug Treatment: Outpatient screening, assessment and counseling services for adolescents, and their families, who are experiencing problems of drug/alcohol abuse or dependence.

Family and Children's Counseling Professional social workers provide counseling services that utilize individual and family strengths to address a wide variety of problems including death, divorce, substance use, abuse and neglect, and other social and mental health issues. Counseling services strengthen the health of the community by assisting families in overcoming the debilitating problems that weaken the family structure and impede a child's healthy development.

Parent Education Courses are designed to help parents learn the skills necessary to address the challenges of parenting so that they can raise healthy children in loving and respectful families. Throughout the year evening courses are held in local communities to accommodate the needs of working parents.

Adoption Services help insure that children being adopted are placed in good families who are prepared for parenting and ready for the unique joys and challenges of raising an adopted child. Services are also available after the adoption is final for adoptive parents, their children and birthparents.

Early Intervention Programs provide family-centered services to infants and toddlers who have a developmental disability, a developmental delay, or who are at risk of developmental delay. Early intervention services are provided in the home or other natural settings familiar to the child and family.

Healthy Families. Healthy Families provides medical support and social services to low-income pregnant women and their children. Services are designed to improve the health of the baby and mother and to provide the support families need during the crucial first months of an infant's life. Services

provided by an interdisciplinary team of medical, social work, and education professionals offer support throughout pregnancy and the first year after birth.

Child Health Support workers assist families who have abused or neglected children to help solve the problems that led to the abuse or neglect and to strengthen the family.

Camp Spaulding A residential camp that provides a two-week camp experience to disadvantaged, at risk boys and girls ages 8 – 14. Camp Spaulding is unique in its dedication to serving the needs of children from low and moderate-income families.

Family Support Programs short-term, home based programs, which help at risk families learn parenting skills, home management and other things needed to effectively cope with the stresses of family life.

Parentline A toll-free phone number linking parents to CFS social workers who answer child rearing questions, provide support, direction and appropriate referrals for further assistance.

Group Home provides long-term residential care and emergency overnight shelter for youth between the ages of 13 and 18.

Intensive Tracking and Supervision helps prevent placement through provision of community based family counseling, intensive supervision, and support to CHINS or delinquent youth and their families.

Integrated Home Based Services prevents recurrence of abuse, neglect and delinquency through provision of an integrated series of services designed to meet the specific family's needs.

Community Education Staff are available to speak to the interest of community groups regarding behavioral health issues.

Our continued ability to meet the needs of Center Harbor residents through these programs and services is dependent on support from our individual and corporate donors as well as the financial support we receive from your town. This year we are requesting town funding in the amount of \$3,500, which was the amount given us in 2005.

We know that these are difficult times for New Hampshire towns as they are for us. We are both being asked to do more with fewer resources. That is why your support is even more important than in the past. We need your help in order to continue to offer high quality and cost effective services to the people of Center Harbor and other Lakes area towns.

If you would like to know more about our services or have any other questions regarding Child and Family Services please feel free to call me at 668-1920 ext 143. I look forward to talking with you and appreciate your consideration of our request.

Sincerely,

Michael R. Ostrowski

REPORT OF THE AMERICAN RED CROSS
GREATER WHITE MOUNTAIN CHAPTER

21 Lyford Street
Laconia, NH 03246
(603) 524-5414

Thank you very much for the opportunity to again apply for financial support from the Town of Center Harbor for 2006. You have been very supportive to the American Red Cross in previous years and we are very appreciative.

On behalf of our clients, the board of directors, volunteers and staff we are requesting consideration for a Red Cross appropriation in your 2006 annual budget. The funding requested will support services provided by our chapter to the residents of the Town of Center Harbor.

The mission of the Red Cross is to help people prevent, prepare for, and respond to emergencies. Responding to emergencies includes providing disaster relief services, 24 hours a day, 365 days a year. The services that the American Red Cross provides are described below.

Disaster Services

This direct emergency assistance includes vouchers for food, clothing, medicine, emergency shelter, basic household necessities, mental health counseling, emergency home repairs, damage assessments and building repair estimates. In addition, American Red Cross disaster volunteers work as case managers for disaster victims, providing linkage to non profit organizations that offer fuel assistance, emergency care for pets, donations for needed goods and services and pre-disaster needs. All direct assistance from the Red Cross is based on verified, disaster-caused needs. We never send a bill for these services, no matter how long we must stay on the scene of a disaster.

International Services

The Red Cross works with other national societies to trace family members in the midst of war, civil unrest or disaster in other countries. This services includes exchanging family messages, making international disaster relief inquiries and providing information and referral services.

Armed Forces Emergency Services

The Red Cross also serves as the official communication link between active members of the military and their families relaying urgent messages regarding

birth, death and serious illness. This service is also provided 24 hours a day, 365 days a year, around the world, without federal or state funding.

Health and Safety Programs

Preparing for emergencies is also a vital part of the Red Cross Mission. We achieve this goal by providing health and safety courses, including first aid, CPR, lifeguard training, water training, water safety and swimming lessons and HIV/AIDS education. Each year, thousands of residents throughout the Greater White Mountain region receive certification in these classes and stand ready to assist when help is needed.

The American Red Cross provides these services to 69 communities in its jurisdiction, covering more than 3,000 square miles from Gilmanton to the Canadian border.

The Red Cross is not a government agency and receives no federal or state government funding. We are a non profit organization that depends on charitable gifts of time and money from the American people to provide our services.

An appropriation from the Town of Center Harbor will help to ensure that the Red Cross can respond swiftly in times of tragedy, crisis and disaster.

REPORT OF NEW BEGINNINGS

On behalf of New Beginnings - A Women's Crisis Center, I would like to thank the citizens of the Town of Center Harbor for their continued support. Your 2005 allocation of eight hundred fifty dollars (\$850.00) has enabled us to continue to provide 24-hour crisis support, outreach, and assistance to victims of domestic and sexual assault in all of Belknap County.

Our organization operates a full-time shelter, staffs a 24-hour crisis line, provides advocacy at court, hospitals and police stations, social service advocacy, and offers peer support groups for victims of domestic violence and sexual assault. We also run community and school based education programs. We are members of the Belknap County Family Violence Prevention Forum, a task force made up of community members and professionals initiated by the Governor's Commission to take a stand against domestic and sexual violence in our county.

New Beginnings had advocates and staff in Belknap County courts each working day of this budget year. New Beginnings volunteers donated over 21,000 service hours. All services are provided free of charge.

We are members of the state-wide NH Coalition Against Domestic and Sexual Violence, promoting statewide networking and resource sharing among domestic violence and sexual assault programs. The coalition is the evaluating body and administrator of state and federal contracts that provide some funding for member programs and advocates for legislative change that affects victims of domestic and sexual assault.

This year we are requesting \$1,000 from the Town of Center Harbor to continue the support of our programs.

If you need further information please call 528-6511.

Sincerely,

Kathy Keller
Executive Director

Inter-Lakes Day Care Center

The Inter-Lakes Day Care Center and Nursery School's early childhood program provides developmentally appropriate infant, toddler, and preschool education, as well as school age extended-day programs within a safe and nurturing environment. Guided by professional staff, our community's youngest citizens are successful in developing physically, socially, emotionally, and cognitively. Additionally, our programs respond to the needs of local families by providing morning preschool programs, summer and vacation day camp programs, and USDA approved hot meals and snacks. Other services include special needs support, dental care, kindergarten transportation, and sponsorship of 26 home daycare providers in the greater Lakes Region.

In conjunction with the State of New Hampshire, through the Child Care and Development Fund, I-LDCC is able to provide sliding-fee scale tuition based on income and family size. This helps parents who are employed, in training, enrolled in degree or certificate programs, on job search or who are temporarily disabled. Supporting families on the road to economic self-sufficiency helps prepare a pathway to future success.

The children, families, and staff of Inter-Lakes Day Care Center extend a heartfelt thank you to the Town of Center Harbor for its continued support in this our upcoming 35th year.

REPORT OF LAKES REGION COMMUNITY SERVICES COUNCIL

In the past, Lakes Region Community Services Council (LRCSC) has received funding from Center Harbor. LRCSC has been appreciative of this support and has used this money to support the recreation needs of families who have members with developmental disabilities.

The environment surrounding the health and human services industry in New Hampshire has been turbulent of this last year. I am sure that it is similar to the struggles that towns face with regards to revenue and expenses. This has caused LRCSC, as well as other organizations, to reorganize how supports are provided. At LRCSC, we are still in the midst of this process. Because of this, LRCSC has decided to not request funding from Center Harbor in 2006. It is our intent and plan that we will be able to request funding from Center Harbor in the future. We plan to use this year to examine the use of town funds and how we can maximize the support to meet the needs of the individuals and families we support.

Again, I thank you for your past support and look forward to having the opportunity to work with you in the future.

Sincerely,

Richard Crocker
Executive Director

REPORT OF THE WINNIPESAUKEE WELLNESS CENTER

We at the Winnepesaukee Wellness Center appreciate the support given by the Town of Center Harbor. We have begun our 7th year of operation this January, and the support received from Center Harbor has given us the incentive to keep the program going for our clients and for this we are most grateful.

The enrollment from Center Harbor was 28 for the year. This number fluctuates as people come and go for the winter. The standard fee schedule is \$40 monthly for the initial family member and \$30 for the second. We also give scholarships to those that can't afford this fee. We want to keep our costs affordable to members and provide a service to all the community. Unfortunately fees cover approximately only 60% of our cost.

Our program provides a medically supervised environment of exercise and weight training for those with a varying range of health conditions such as hypertension, diabetes, high cholesterol, inactivity, obesity, osteoporosis and a multitude of other medical challenges. A nurse and exercise aide are available to evaluate each client's physical ability and provide an appropriate exercise program to meet their ability and personal goals.

We ask the Town of Center Harbor to continue support of this important health initiative for 2006. We request the town appropriate \$4,000, which is the same as last year.

Our hours of operation are Monday, Wednesday and Friday 6 a.m. to 4 p.m. and we extend an invitation for you to come to visit and see our work in the community.

On behalf of the men and women of the Wellness Center I wish to express our appreciation for your assistance.

Please call 253-1839 for further information.

Olga Zihlerl, R.N.

REPORT OF GENESIS BEHAVIORAL HEALTH

Once again, Genesis Behavioral Health (Lakes Region Mental Health Center, Inc.) is asking the residents of Center Harbor to allocate funds to help Genesis cover the cost of providing mental health services to Center Harbor residents who have little or no insurance coverage.

We ask Center Harbor for an allocation of \$1,322.50, which equals \$1.25 per resident (according to the NH Office of Energy & Planning 2004 estimates).

For fiscal year 2005 (ending June 30, 2005), the amount of so-called "charity care" provided by Genesis to Center Harbor residents totaled \$2,000. As you can see, we do not ask Center Harbor residents to bear the entire cost of services provided. We only ask the Town to share in the cost of helping to strengthen the community's overall mental health.

During Fiscal Year 2005, a total of 27 Center Harbor residents received care at Genesis. While many of those residents had their services covered by insurance or state-funded programs, 11 percent (3) had no coverage. Their income and assets qualified them for a sliding fee scale at Genesis and many of them try to pay some portion of their charges. The amount of charity care referred to above represents the difference between what these people can afford to pay versus the actual cost of providing services to them.

Mental health services provide real value to the residents who receive them and to the Town as a whole. When residents' mental health problems are being cared for, there is the potential to reduce crime, domestic violence and suicide; to decrease the need for other town-funded services; to keep residents healthy; and to alleviate human suffering.

Genesis Behavioral Health continues to work very hard to maintain a strong financial foundation. That hard work, combined with searching for new funding options and expanding current projects such as town appropriations, has improved our bottom line and our ability to provide services to residents of Center Harbor and the other towns we serve.

I ask that you continue to help us in that mission. Thank you.

Michael Coughlin
Executive Director

Community Response Coalition CoRe

The Community Response Leadership Group, CoRe is group of concerned individuals and organizations from multi-sectors of the community that convened in 2001 in response to the NH Youth Risk Behavior Survey (YRBS). The NH YRBS measures the amount of high-risk behaviors students participate in, including alcohol, tobacco, and other drug use. (ATOD) Inter-Lakes High School students scored significantly higher in every high-risk category on the 2001 NH YRBS when compared to the state average.

In response CoRe formed and developed a mission to support our communities in decreasing incidents of ATOD use among youth. It pledged to do this by building community partnerships, seeking and enhancing resources, developing healthy alternatives and the creative use of the media to raise awareness and disseminate information.

Research shows that if communities increase protective factors and decrease risk factors, youth will be less likely to use drugs. CoRe works hard to increase the number of protective factors for youth in our communities. An example of some of the protective factors include: Parent Support Groups, After Hours, Leadership in Prevention Training, Education, and the Drug Prevention Fall Festival. Support from Center Harbor, Meredith and Sandwich have helped make these opportunities possible.

CoRe worked with the Inter-Lakes high school to administer the NH YRBS again in May of 2003. The survey revealed significant declines in the most youth ATOD use (Example: 30 day use of any substance among teens dropped 19%, from 69% to 50%) CoRe recognizes that this is a testament to the effectiveness of current efforts, but also a call to increase efforts to further reduce youth risk behaviors.

CoRe received a \$100,000 grant from the, Substance Abuse and Mental Health Administrations, Drug Free Communities Program in September of 2004. With this funding CoRe expanded its efforts and has begun to share its successes with other communities in Belknap County. As a result the CoRe Group is building a **Coalition** that includes a larger alliance of local individuals and groups who are working to create positive change in their community through drug prevention programs. The **Coalition** will work together to solve a problem and make their community a safer, healthier, and happier place for all to live.

Our vision is to have families, schools, and communities that are informed about the importance of ATOD prevention, that actively participate in ATOD prevention efforts, and who encourage low-risk behavior, and to have significantly higher numbers of healthy, drug free young people who do the same.

The Loon Preservation Committee

This year marked the 30th anniversary of the Loon Preservation Committee (LPC). In 1975, a small group of people who loved New Hampshire's lakes and loons and who realized that the spirit of the lakes, the Common Loon, was declining, decided to take steps to correct the loss. Led by Center Harbor's Rawson Wood, these determined people set out to protect our loons and the lakes on which they live. Over the past 30 years, New Hampshire's loon population has more than doubled and the loon has come to be recognized as a valuable sentinel of the health of a watershed.

Recent findings by the Loon Preservation Committee indicate that we need to continue our vigilance. Last year was a difficult year for loons, in part because of the wet spring with its high water levels. The number of chicks hatched on both Winnepesaukee and Squam was down considerably, with only 4 chicks on each lake. Surviving chicks were 60% less than the 5-year average for Winnepesaukee, and 56% less on Squam. The number of adult loons statewide has decreased steadily, with a 5% decline over the last 5 years. The population is not strong enough to absorb many years of loss such as we have experienced recently.

LPC was founded on the belief that loons can thrive in the company of people if we value them and respect their needs. The public learns about these beautiful birds through personal experience with loons, from contact with LPC biologists, visits to The Loon Center, or participation at presentations by LPC staff. To this end, it has always been a grass roots organization, supported by the people who enjoy and look forward to seeing and hearing loons each summer.

LPC is honored to have been recognized by New Hampshire's Governor John Lynch with a commendation on its 30th anniversary. The commendation concludes with the following statement:

NOW, THEREFORE, I, JOHN LYNCH, GOVERNOR of the State of New Hampshire, do hereby commend and honor the LOON PRESERVATION COMMITTEE for 30 years of service and commitment to protecting one of New Hampshire's most beautiful wild creatures and preserving the loon's natural habitat for the enjoyment and benefit of future generation of New Hampshire residents.

The Common Loon remains a threatened species in our state, and the Loon Preservation Committee continues to work to ensure a comprehensive and lasting recovery of loons in New Hampshire, the ultimate goal of which is to help create a loon population able to maintain itself despite threats known and unknown.
