*To The Honorable Board of Mayor and Aldermen
City of Manchester, New Hampshire*

GENTLEMEN:

At your request, I have made an audit of the books and records of the City of Manchester for the year ended December 31, 1965 and in this connection am submitting my report consisting of exhibits, supporting schedules and comments.

SCOPE OF AUDIT

The examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting and financial records and such other procedures as was considered necessary in the circumstances. I examined or tested the accounts and records in the various City Departments as well as the Financial Resolutions and other authorizations affecting the finances of the City.

The general books of the City are kept on a cash-accrual basis. Except for the Taxes and Accounts Receivable, the books reflect cash receipts and disbursements during the year. However, at the close of the year, unpaid departmental commitments and payrolls are recorded to charge the department with these items and to accrue the outstanding liabilities.

BALANCE SHEET — REVENUE ACCOUNTS

EXHIBIT A

The Balance Sheet, Revenue Accounts, reflects the financial condition of the City of Manchester as at the close of business December 31, 1965. Special and Restricted Funds are included in the Balance Sheet. Comparative Balance Sheets showing the increases and decreases in the various accounts during the years 1964 and 1965 are shown on Exhibit L.

CASH ON HAND AND IN BANKS — \$435,221.00

The cash on hand was verified by count during the audit while the cash in the various banks was reconciled to both the bank statements and the independent confirmations received directly from the depositories.

Reconciliation of the cash included both the Revenue and Non-Revenue Accounts since these items are encompassed in one cash account in the City Treasurer's Office.

A substantial number of checks issued and cancelled during the year were compared with the cash disbursements records while the cash receipts recorded in the Treasurer's Office were traced to the bank deposits. The Treasurer's records of the receipts and disbursements were in agreement with the Auditor's Office as well as the records maintained in the various departments.

Exhibit A, Schedule 1, is a summary of the cash accounts and shows the breakdown between the Revenue and Non-Revenue Cash. It further discloses the portion of Revenue Cash unavailable for City purposes.

TAXES RECEIVABLE — \$996,546.59

The Property and Poll Tax Warrants for the year were completely footed and proved to the records of the Auditor's Office as well as the records in the Tax Collector's Office. Additional assessments and abatements were examined for proper authorization.

Exhibit A, Schedule 2 discloses the difference between the controlling account and the balances verified as at September 30, 1966. Several hundred verification letters were mailed requesting confirmation of the outstanding balances and any differences reported in the replies were thoroughly investigated and satisfactorily explained. Postings of the tax receipts to the various tax ledgers were test checked.

HEAD TAXES — \$76,265.00

The Head Tax Warrant was also proved to the control in the Auditor's and Tax Collector's Office. These taxes are payable to the State of New Hampshire when collected. Cash receipt postings to the tax ledgers were spot checked.

TAX TITLES — \$166,285.63

TAX DEEDS — \$5,997.93

The above captions represent property acquired because of nonpayment of taxes.

DEPARTMENTAL ACCOUNTS RECEIVABLE — \$110,894.48

Although independent confirmation was not sought on the outstanding accounts, the records of the City Auditor and the departments involved supporting the Accounts Receivable balances were examined.

Exhibit A, Schedule 4 shows the activity of the Accounts Receivable.

Of the \$110,894.48 Accounts Receivable, \$42,058.80 represents balances due from other City Departments.

ACCOUNTS RECEIVABLE — WATER WORKS — \$88,140.66

A substantial number of verification letters were mailed requesting confirmation of the outstanding balances which were listed as at August 31, 1966. A large number replied concurring with the balances as reflected in the books. Charges and credits to the ledger cards were tested and in my opinion, the Accounts Receivable are fairly stated.

Exhibit A, Schedule 5 shows the activity in the Accounts Receivable, Water Works and the difference between the control and the amount verified.

ACCOUNTS PAYABLE AND ACCRUALS — \$574,949.25

The above liability is detailed on Exhibit A, Schedule 6. Departmental commitments for both bills and payrolls were accrued at the end of the year with corresponding charges to the departmental appropriations.

REVENUE APPROPRIATION BALANCES — \$421,365.01

Exhibit G discloses the balances carried forward to 1966 as approved by the Board of Mayor and Aldermen.

WATER REVENUE — \$88,140.66

This amount represents the uncollected Accounts Receivable of the Water Works and is credited to their account when the receivables are collected.

1966 REVENUE COLLECTED IN ADVANCE — \$10,350.32

The 1966 permits and fees collected in 1965 are reflected in the above account.

TAILINGS — \$7,917.27

This liability records the outstanding checks for wages, fees and miscellaneous items transferred to the Tailings Account. There was no change in the Tailings Account during the year.

OTHER FUNDS — \$37,168.30

Cash for these items is included in the caption "Cash Unavailable for City Purposes". No portion of the Cafeteria Fund was audited since the City merely acts as a depository for this account.

PARKING METERS — \$125,863.08
