TOWN REPORT
1987

Dedicated To
GLADYS E. HOWE

The Board of Selectmen, on behalf of a truly grateful Town of Alton and its residents, dedicates this 1987 Annual Town Report to a person who exemplifies to a superlative degree the term: SELFLESS COMMUNITY SERVANT.

Gladys E. Howe retires this month as Alton Town Treasurer after nineteen years of superb service. And this on top of an earlier 25 years as Secretary of the Alton-Alton Bay Chamber of Commerce, twenty-six years "manning" the Chamber's information booth in Alton Bay, twelve years as an Alton School Board member and fifteen years as Gilman Home Trustee and Treasurer.

She epitomizes the term: CONCERNED CITIZEN. Young in spirit, she's a caring lady and an uncommon lady whose love of people has been contagious. The quality of life in Alton has been markedly enriched by her outgoing presence and her quality service. A grateful Town of Alton proudly salutes the gracious GLADYS E. HOWE!

Bob Calvert

**MARCH 10, 1987 ALTON CENTRAL FIRE STATION
COUNTY OF BELKNAP, ALTON, NEW HAMPSHIRE**

Pursuant to the foregoing Warrant, the meeting was called to order at 9:00 a.m. by the Moderator, Marion L. MacDonald. Article 1 of the Warrant was read. The ballot boxes were opened for inspection before locking. Absentee ballots would be counted at 1:30 p.m. Forest Tilton moved that the entire warrant not be read at this time, seconded by Gwendolyn M. Jones. The Moderator announced that a protest petition had been filed prior to the meeting on Amendment #1 and that a $\frac{2}{3}$ vote would be needed for it to pass. The petition was posted at the polls with the original petition for the question. The polls were opened at 9:05 a.m. The polls were closed at 6:30 p.m.

At a legal meeting of the Inhabitants of the Town of Alton, on the 10th day of March 1987 at the Alton Central Fire Station at 9 o'clock in the forenoon, the following votes of the Inhabitants present and qualified to vote in open meeting and those residents who had legally qualified to vote by Absentee Ballot, given with the Moderator and said Moderator in said meeting in the presence of the Town Clerk and other election officers, counted and sorted said votes cast, with the name of every person voted for and the number of votes for each person.

There were a total of 674 votes cast at the polls and 102 absentee ballots were received. The total names on the checklist was 2,239. Total votes cast 776. Signed and sealed in the presence of the Selectmen with the total vote cast announced by the Moderator. Ballots sealed at 10:30 p.m.

BALLOT QUESTIONS, ZONING PETITION AND AMENDMENT**ZONING ORDINANCE AMENDMENT BY PETITION:**

“To see if the voters will approve an amendment to the Zoning Ordinance which would require larger lot sizes than those presently required by the Zoning Ordinance where soil conditions such as wetlands and steep slopes make it necessary.”

Not recommended by the Planning Board. YES - 366 NO - 354 ($\frac{2}{3}$ needed 518.) This amendment failed the $\frac{2}{3}$ vote required, declared by the Moderator.

Are you in favor of the adoption of Amendment #2 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

Amend the Alton Zoning Ordinance by renumbering and reorganizing the Ordinance in accordance with proposed Alton code.

(This amendment does not change the existing Zoning Ordinance except by renumbering and reorganizing the Ordinance for inclusion in the proposed classification of all Rules and Ordinances of the town.)

Recommended by the Planning Board. YES - 509 NO - 174. This amendment passed as declared by the Moderator.

A TRUE COPY ATTEST:

A TRUE RECORD ATTEST:

**MARCH 11, 1987 ALTON CENTRAL SCHOOL GYMNASIUM
COUNTY OF BELKNAP, ALTON, NEW HAMPSHIRE**

Pursuant to the foregoing Warrant the voters met at the Alton School Gymnasium on March 11th to act on the balance of the warrant for the 1987 Annual Town Meeting. Before the call to order Moderator Marion L. MacDonald recognized Alice Ziegler, chairman of the Supervisors of the Checklist. Mrs. Ziegler stressed the importance of correct signatures on petitions for warrant articles. Names must be listed as they are on the checklist to be verified on the petitions. Mrs. MacDonald then read the conditions under which the meeting would be run. Jonathan Downing led the meeting in the Pledge of Allegiance, followed by a prayer given by Rev. Dwight Meader of the Alton Community Church.

The meeting was called to order at 7:30 p.m. by the Moderator, Marion L. MacDonald. A motion was made by Robert Sederquist not to read the entire warrant at this time but as each article is voted upon. Motion seconded by Forest Tilton and so voted.

ARTICLE 2. To see if the Town will vote to raise and appropriate \$180,000.00 for the construction of a municipal building for the police department to include purchasing equipment and/or furnishings in connection therewith; and to further authorize the Selectmen to issue bonds or notes in the amount of \$180,000.000 as provided for in the Municipal Finance Act. By secret ballot, 2/3 vote required for passage.

Police Chief, Thomas Mynczywor moved the article be accepted as read, motion seconded by Selectman, Jonathan Downing. After a short discussion period the polls were opened at 7:45 p.m. The voting proceeded for one hour, polls closed at 8:45 p.m. A total of 280 votes were cast. 2/3 vote required - 186. The Moderator announced that the article was approved by a vote of YES - 211 NO - 69.

\$180,000.00

ARTICLE 3. To see what sum of money the Town will vote to raise and appropriate to pay all necessary charges of the Town for the ensuing year.

Selectman William Moore moved that the Town vote to raise and appropriate \$1,326,478.00 subject to supplemental appropriations in the highway maintenance and landfill items necessary to provide funding for cost items arising out of ongoing collective bargaining negotiations, such supplemental appropriations to be voted on a reconvening of town meeting to be called at the appropriate time and for that purpose only, to pay all necessary charges of the town for the ensuing year. The motion was seconded by Jonathan Downing. Town Attorney Jerome Grossman was given permission to answer a question relating to any delay in setting the tax rate because of this. The article was voted upon by show of hands and approved as declared by the Moderator.

\$1,326,478.00

Final Action Sept. 16, 1987 \$1,340,932.00

ARTICLE 4. To see if the Town will vote to raise and appropriate the following items for the purpose indicated:

- 1. Alton-Alton Bay Chamber of Commerce \$1,550.64
- 2. Lakes Region Association \$1,352.87
- 3. Community Action Program \$2,979.00
- 4. Visiting Nurse Association of Wolfeboro and Vicinity \$5,950.00
- 5. Lakes Region Community Health \$3,800.00

\$15,633.00

Selectman Russell Jones moved the article be accepted as read, seconded by William Moore. The article was voted affirmatively.

ARTICLE 5. To see if the Town will vote to raise and appropriate the sum of \$4,066.00 for the support of the Lakes Region Planning Commission.

Robert Calvert moved the article, seconded by Forest Tilton. The article was approved without discussion, as declared by the Moderator.

\$4,066.00

ARTICLE 6. To see if the Town will vote to raise and appropriate the sum of \$4,000.00 for the Old Photograph Committee, seed money, to be reimbursed from sale of old photo books.

William Moore moved the article be accepted as read, motion seconded by David Johnston. The article was voted affirmative, as declared by the Moderator.

\$4,000.00

ARTICLE 7. To see if the Town will vote to raise and appropriate the sum of \$14,648.00 to provide professional services and evaluation of proposed developments for the Planning Board.

The motion was made by Stephen Barsanti to approve the article as read, seconded by Stephen Dana. An amendment was made by Pauline Tilton and seconded by Forest Tilton, adding, "further, it is recommended that the Planning Board fees to the developer shall be adjusted to pay for these services". Following discussion on the article and the amendment a standing vote was taken on the amendment which did not carry, YES - 72 votes and NO - 101 votes. A vote on the article as originally proposed was approved as declared by the Moderator, show of hands vote.

\$14,648.00

ARTICLE 8. To see if the Town will vote to raise and appropriate the following items for the purpose shown. (By petition).

- | | |
|--|------------|
| 1. Decoration of Soldier's Graves | \$ 500.00 |
| 2. Patriotic exercises on Independence and Memorial Days | \$3,000.00 |
| 3. Old Home Week | \$3,000.00 |

The motion was made by John Conboy to approve the article as read and seconded by Forest Tilton. It was approved by show of hands vote, declared by the Moderator.

\$6,500.00

ARTICLE 9. Are you in favor of adopting the state law to provide a pension for firemen, and provide a minimum of five hundred dollars (500.00) annually to retirees. (By petition).

A motion was made by Charles Adams, Jr. to approve the article as read, seconded by Norman Barrett. There was considerable discussion on this article. It was approved by a show of hands vote and declared by the Moderator.

ARTICLE 10. To see if the Town will vote to raise and appropriate the sum of \$3,000.00 for the purpose of purchasing and erecting a Vietnam Memorial Monument, to be erected by the American Legion on land owned by them as Monument Square. (By petition).

Kim Kroeger moved the article as read, seconded by John Conboy. The article was approved as declared by the Moderator.

\$3,000.00

ARTICLE 11. To see if the Town will vote to raise and appropriate the sum of \$2,000.00 to support activities designed to commemorate the Bi-Centennial Celebration of the U.S. Constitution. (By petition). Not recommended by the Budget Committee.

The article was moved by Nancy Johnston, seconded by Jean Roberts. Mrs. Johnston explained the purpose of the article and the suggestions of the committee for an appropriate commemoration. There were several comments in support of the article. It was approved as declared by the Moderator.

\$2,000.00

ARTICLE 12. To see if the Town will vote to raise and appropriate the sum of \$3,000.00 for a special fireworks presentation on September 6, 1987 to celebrate the Bi-Centennial of the U.S. Constitution. (By petition). Not recommended by the Budget Committee.

The article was moved by Nancy Johnston and seconded by David Johnston. Permission was given to have two students from the high school explain the reason it was proposed. Laura Farrell and Mark St. George addressed the meeting. After some discussion the vote was taken by standing count and approved, YES - 117 NO -50.

\$3,000.00

ARTICLE 13. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 for the maintenance of old graveyards in the Town of Alton. (By petition).

Thomas Hoopes moved the article be approved as read, motion seconded by Brenda Bowman. Mr. Hoopes explained the need for the funds for outlying cemeteries not covered by perpetual care. It was approved by a show of hands vote, declared by the Moderator.

\$1,000.00

ARTICLE 14. To see if the Town will vote to raise and appropriate the sum of \$1,200.00 as Alton's share of a regional household hazardous waste collection day. (By petition). Not recommended by Budget Committee.

Thomas Hoopes moved the article be approved as read, seconded by Michael Burke. In answer to a question he confirmed that the article has the approval of the Conservation Commission and the Health Officer. The importance of educating residents and the danger of allowing hazardous waste to be left at the landfill or disposed of otherwise in the town was stressed as the reason for the article. It was approved following a short discussion and declared affirmative by the Moderator.

\$1,200.00

ARTICLE 15. To see if the Town will vote to correct the Highway Equipment Capital Reserve Fund established March 1981, Article 24, to read for the purpose of Highway Grader as provided for by RSA 35:1.

The motion to approve the article as read was made by Russell Jones and seconded by Jonathan Downing. The article was voted affirmatively.

ARTICLE 16. To see if the Town will vote to raise and appropriate the following sums as indicated for payment to the Capital Reserve Fund.

1. Highway Grader Capital Reserve	\$15,000.00
2. Fire Truck Capital Reserve	\$15,000.00
3. Re-evaluation Capital Reserve	\$15,000.00

William Moore moved the article be approved as read, seconded by Jonathan Downing. The article was approved as declared by the Moderator.

ARTICLE 17. To see if the Town will vote to authorize the Board of Selectmen to withdraw from Federal Revenue Sharing Funds for use as an offset against budgetary appropriations in the amount indicated, and further, to authorize the Board of Selectmen to make pro-rata reductions in the amount if estimated entitlements are reduced or take any other appropriate action hereon.

1. Computer Expense	
a. Police Dept., (Computer System)	\$ 8,500.00
b. Town Officers	\$ 8,400.00
2. Police Cruiser	\$13,000.00
3. Copier	\$ 3,500.00
4. Fireproof file cabinet/Assessor file	\$ 1,500.00
5. Stove (Alton Bay Comm. House)	\$ 600.00
	<u>\$35,500.00</u>

Russell Jones moved the article be approved as read, seconded by Jonathan Downing. The article was voted in the affirmative.

ARTICLE 18. To see if the Town will vote to approve a land swap between the Town of Alton and the Claude R. Batchelder American Legion Post #72. Said proposal being that the Town convey a portion of Lot #72, on Map 29, to the American Legion Post in exchange for a deed from the American Legion to the Town of Lots #38, #39 and #40 as shown on Town Map #27.

Said conveyances are to be equal land swaps and to be on terms and conditions as are deemed by the Selectmen to be in the best interests of the Town and to include a 25-foot wide reservation to the Town for access and possible future utility easement. Said conveyances are to be subject to all necessary State and Town approvals. Further, the Selectmen are authorized and impowered to execute and receive such deeds and other documents as are necessary to effect the conveyances.

A motion to approve the article as read was made by Kim Kroeger and seconded by Selectman Jones. Mr. Kroeger amended his motion to read, "and to include a 66' wide reservation for the Town for access", in place of a 25' wide reservation in the original article, amendment seconded by Russell Jones. Maureen Kalfas moved to table the article, that motion seconded by Ruth Messier. The vote to table was left in doubt, so a standing count was taken YES - 74 NO - 76, motion to table defeated. There was much discussion on this article before the question was moved. The amendment was approved by show of hands but the article was defeated by standing count, YES - 53 NO - 42.

ARTICLE 19. To see if the Town will vote to create and establish a General Fund Trust for the purpose of Cemetery Maintenance as provided for in RSA 31:19-A and the interest is expendable.

William Moore moved the article be accepted as read, seconded by Joseph Houle. The article was voted in the affirmative, declared by the Moderator.

ARTICLE 19a. To see if the Town will vote to raise and appropriate a payment into the General Fund Trust Cemetery Maintenance from the surplus in the amount of \$11,000.00.

The motion was made by William Moore and seconded by Joseph Houle. Thomas Hoopes moved "Change: \$11,000.00 to read \$17,153.17, to see if the Town will vote to raise and appropriate a payment into the General Fund Trust Cemetery Maintenance from the surplus in the amount of \$17,153.17", motion seconded by Joseph Houle. The amendment was approved and the article, as amended, was approved also by show of hands vote and so declared by the Moderator.

ARTICLE 20. To see if the Town will vote to accept the provisions of Chapter 5-8 of the State Planning and Land Use Regulation, authorizing the Planning Board to prepare and amend a recommended Municipal Capital Improvement to aid the Board of Selectmen, Budget Committee and Town Departments and other Boards in the preparation and consideration of their annual budgets.

Russell Jones moved the article be approved as read, seconded by Jonathan Downing. The article was approved as declared by the Moderator.

ARTICLE 21. To see if the Town will vote to instruct the Town's Representatives to the General Court to take all the necessary measures to insure that no low and radioactive waste from Seabrook Nuclear Plant should be stored or disposed of within this Town of Alton, unless and until the proposed site of the proposed storage or disposal has been approved by the voters of the Town of Alton at Annual Town Meeting by written ballot.

Juliet Peverley pointed out an error in the printing of the article which was corrected to read, "no low-level radioactive waste" (instead of no low and radioactive waste). William Bunker amended the article, "I move that Article 21 be amended by deleting "from Seabrook Nuclear Plant", seconded by Scott Williams. Jean Roberts further amended the article, "to change wording to no radioactive waste", seconded by William Bunker. The second amendment was passed by vote, the first amended was also passed by voting on that next and the article as amended, "To see if the Town will vote to instruct the Town's Representatives to the General Court to take all the necessary measures to insure that no radioactive waste be stored or disposed of within this Town of Alton, unless and until the proposed site of the proposed storage or disposal has been approved by the voters of the Town at Annual Town Meeting by written ballot.

ARTICLE 22. To see if the Town will grant the authority to accept the CPA audit completed by Mason & Rich as the official Town Audit.

William Moore moved the article be accepted as read, seconded by Jonathan Downing, and voted in the affirmative.

ARTICLE 23. To see if the Town will vote to establish the Old Home Week Committee a Permanent Committee of the Town. Five Members to be appointed by the Selectmen.

John Conboy moved the article be accepted as read, seconded by Kim Kroeger and voted in the affirmative.

THE ALTON SHOE FACTORY

The Alton Shoe Factory, which was located on the present site of the Gilman Museum on Factory Street, on the corner of Main Street and Rte. 140 as it is now called, was erected in 1883. Charles Mooney aided in the construction of the building which began to flourish very rapidly. A general store was opened on the street floor and in later years the other side became permanent headquarters for the Post Office. The shoe shop was first owned by George A. Colburn and D. Melvin Mooney. The factory was later sold to Alan Varney who operated it with Mooney. The business grew and grew and tens of thousands of pairs of shoes were produced annually and residents of the Town were employed there.

Next to this building stood the Noxall Diner, for several years part of the system. It was taken down in later years, however.

In 1930, the familiarity of this picture changed considerably. The building and shop, two stories high had recently been purchased by John Curtin. Many men and women worked here.

On January 13, 1930, snow had just fallen, and a light layer lay on the ground, frozen with several previous frosts. Men were working as usual, some women were downtown shopping and getting their mail. Chester Littlefield was busily running the meat market in the building, while upstairs the machines hummed busily. Mrs. Ethel Morrell was hard at work in the store by the same name, next door to the factory, selling cosmetics, papers, patent medicines, and making out automobile registrations. Over at school, the students were hard at work at their books. Mr. Lester had just finished teaching a class, and Miss Thompson had just aired her daily complaint to her French class, not without justification, that the class didn't know the rudiments of English, and without that, how were they going to learn French?

At eleven o'clock the fire whistle blew and the cry ran up and down the streets of the town. The shoe shop was on fire! High school students were dismissed from classes to fight it. The shoe chemicals and leather made it burn more furiously and when the flames ran up the stairwell, the whole building was engulfed. In the ensuing three hours, the factory was burned to the ground and also took with it major parts of the adjacent Wheeler House and the Clough House across the street. So hot were the flames that the windows in the Legion Hall were broken and the paint seared in the Jones Store building across the street. When the toll was counted, there were two fatalities, Mrs. Oscar Davis and Mr. Frank Young.

It is not known to this day how the fire originated - some say a box of oily rags in the stairwell was the cause. Whatever the cause, the shoe factory was destroyed.

TOWN ADMINISTRATOR'S REPORT

A new year has begun, and the Town has seen a lot of changes during the past year. Each new year begins with renewed ideas and expectations. I hope as the new Town Administrator, we may accomplish and set new goals for the benefit of all who live here in Alton throughout the year and also for those who join us through the summer season. Having lived in Alton for a number of years, and working within the Town Hall for the past 4 years, I feel confident in saying that I share a large concern for the welfare and growth of this fine town. All of us who work in the Town Hall wish to provide professional management of the Town Administration and I feel sure that we can gain your confidence in knowing we take our jobs seriously, yet still want our residents to feel they have a place where they can acquire assistance or guidance in whatever they need.

Many thanks to all those who have given their guidance, expertise and more especially of their valuable time as volunteers on our Town Boards and Committees. Their contributions to the Town has certainly been "beyond the call of duty". We can certainly use more of them, in all phases of the town. We will welcome anyone, no matter your skills, as volunteers.

I would also at this time like to commend the staff at the Town Hall. Without their dedication, integrity, and professionalism my job would indeed be next to impossible.

I remain proud to be a part of the Town of Alton, and feel privileged and honored to have received the Selectmen's support in appointing me as Town Administrator.

Respectfully Submitted,

Pam Andrade
Town Administrator

ALTON CEMETERY TRUSTEES ANNUAL REPORT

We are now entering the second year of operations under the cemetery trustees. We are hopeful of and planning for further improvements in maintenance, repairs, landscaping, and cooperation. It was a particularly busy year with 29 burials.

A new group called the Alton Graveyard Association was formed this year to help work on old graveyards. Some volunteers have started clearing and pruning in several graveyards. Any volunteers who are willing to work on or in remote graveyards can contact any of the trustees to get in touch with other volunteers.

The Alton Graveyard Association decided to spend part of the \$1,000 raised at Town Meeting on granite corner posts for 9 graveyards with no fences, walls, or other demarcation.

The primary reason for a budget increase this year is for salaries. Aside from old and new Riverside, there are 7 other perpetual care graveyards, several which have not received care for a long time. We have a legal obligation to keep these graveyards in a proper fashion.

REPORT OF THE CONSERVATION COMMISSION

In 1987 143 applications to the N.H. Wetlands Board were reviewed:

New Docks	52
New Breakwater	1
New Dock and breakwater	18
New Boathouse	1
Dug in boat slip	2
New Seawall	3
Dock Repair	33
Breakwater Repair	11
Boathouse Repair	2
Beach	8
Dredge (in lake)	8
Crank up boat lift	1
Log Cluster (ice protection)	4
Pilings (for tie-up)	10
Remove rocks (navigational)	7
Seaplane ramp	1
Submarine telephone cable	1
Milfoil dredging	1
Gravel pit	2
Dredge and fill (on land)	10
1st time extensions (2 yrs)	9
Culverts (crossing water)	10

The following is a breakdown by region of applications:

Alton Bay	22
West Alton	21
East Alton	24
South Alton	9
Rattlesnake Island	22
Sleeper Island	4
Barndoors Island	9
Treasure Island	2
Halfmoon Pond	3
Sunset Pond	2
Hills Pond	1
Merrymeeting River	4

In 1987 the N.H. Wetlands Board has taken a firm stand with violators who have not gotten permits or who have exceeded their permits; substantial administrative fines have been imposed. In general, a State permit is necessary for any structure that breaks the surface of the lake or stream water, all dredge and fill in wetlands, and culvert crossings of running water.

Anyone having questions about permits or what they are entitled to can contact the Conservation Commission at 875-3400 or the N.H. Wetlands Board at 271-2147.

REPORT OF THE GILMAN LIBRARY

The Gilman Library continued again to serve the town of Alton, providing books, magazines, audio and video cassettes, programs for children and adults, inter-library loan, and the Agnes Thompson Room. The book collection numbered 12,270, patrons 1,608, circulation figures reached 20,320 and 557 volumes were added to the collection.

The Agnes Thompson Room was used 84 times for meetings and programs, including two programs funded by the New Hampshire Council for the Humanities on different aspects of the Constitution; one funded by the Lyceum Fund on *The Loon and The Water*; and, a 4-part series on nutrition with Barbara Hunter. Also, for the first time, the Alton and Wolfeboro Libraries co-sponsored a 4-part series, "Poisoned Pens: Mystery Fiction", alternating between the two libraries.

The Agnes Thompson Room was also used for the children. During the school year, weekly story hours were held for the 3-5 year olds. The summer months witnessed an eight week Reading Program, "Find Your Fantasy". For the fourth straight year, Shibley's provided an ice cream cone for each child who reached the halfway mark of the reading contract. For those readers who completed their contracts, a trip to the Children's Museum in Portsmouth was the prize. This trip was sponsored by the Farmington National and Savings Bank, their fourth year also. Summer activities included a puppet show with Susan Ackley, "Backyard Beasties" with Dawn Newlin, and making "Wild Things" with Susan Lord. At the end of the season, the children presented their second "Annual Country Fair" with games, food, balloons and crafts, netting a profit of \$210.00 to purchase children's books. Both the trip to Portsmouth and the Fair were made possible with the superb cooperation from parents. Kudos, of course, are extended to Shibley's and the Farmington National and Savings Bank for their continued and gracious support.

Besides the regular addition of new books and magazines, 22 audio cassettes were given to the Library from Jeanette Collins. Many books and several magazines were purchased, courtesy of patrons, as well as a 13 volume Grzimek's Animal Life Encyclopedia, a gift from the Alton Lioness Club. The town benefits a great deal from these generous gifts.

The Friends of the Gilman Library continually offered their support by providing refreshments for programs, sponsoring the puppet show, giving two magazine subscriptions, and also helped with inventory, our first attempt with this task. The Friends sold their calendars as their money raising project, and proceeds will be used to purchase a computer. The Library is grateful for their support. New members are not only welcome, but are needed to ensure the ongoing life of the organization.

The librarians completed their fifth year, and all thoroughly enjoyed working in the Library and appreciated the support extended by patrons in many varied ways. I would like to thank Susan Lord, the assistant librarian, Sydney Merrill, volunteer, and Cindy Miller, story hour volunteer for all their wonderful help.

All of us look forward to seeing all of you in the Library and we will always be eager to help you.

Respectfully submitted,

Patricia C. Merrill, Librarian

REPORT OF THE HAROLD S. GILMAN MUSEUM

The Gilman Museum was open for 22 days this summer from June 20th thru September 4th, in addition it was open on Memorial Day.

The Ossipee Historical Society and the fourth grade Alton students paid us a special visit and were impressed by our various displays.

We are indebted to Mr. Fred Costello, our Custodian, for the arrangement and placement of our displays; also to our twenty-five hostesses who give generously of their time to assist our visitors.

The financial status of the Museum will be found elsewhere in the Town Report.

We are also indebted to Mrs. Evie Moonie for her many years of dedicated service to the Museum and regret that ill health caused her to resign.

Respectfully Submitted,

Mrs. Eleanor Hayes, Chairman
Miss Anna Haase, Secretary
Mrs. Ella Marie Carr

BOARD OF ADJUSTMENT

Subj: Information for the 1987 Annual Town Report.

To: Office of the Selectmen.

The Board of Adjustment is established to provide for the satisfactory resolution of the unusual conditions and extenuating circumstances which arise due to the zoning ordinance. The Board, by law, shall consist of five members appointed by the Selectmen. A maximum of three alternates may also be appointed.

The Board of Adjustment has authority to act on appeals from administrative decisions, to approve special exceptions specifically allowed in the zoning ordinance and to grant variances in cases of unnecessary hardship.

The Board normally schedules its meetings for the second Thursday of the month.

During 1987 the Board met 9 times to consider appeals brought before it.

Respectfully submitted,

Paul A. Todd
Clerk

BUILDING INSPECTOR'S REPORT

The Office of the Building Inspector has endured a third consecutive year of substantial building expansion in Alton despite the unforeseen turmoil of personnel and administrative changes. The functions of this office continue to undergo operational adjustments designed to improve our effectiveness in providing for the general welfare of Town residents. Such administrative changes include the following:

The approval by Selectmen of a new fee schedule to require a set fee for Electrical, Plumbing and Driveway Permits is expected to generate the additional revenues to make this office more financially self-sufficient with less monetary burden placed on the taxpayer.

The reaffirmation of the BOCA National Building Codes, adopted by voters at Town election in 1983, will further insure building code compliance by builders, plumbers, electricians and homeowners in the construction or alteration of buildings and structures in Alton.

The new requirement for a Certificate of Occupancy issued upon final inspection of new residential dwellings and structures which service the general public furthers the immediate goals of Town officials to protect the public health, safety and welfare of its residents.

Construction Summary. Alton continues its growth trend with substantial increases in new housing starts, alterations to existing structures, and major renovation projects. A total of 340 Building Permits were issued in 1987, 105 of which were Building Permits for new residential dwellings. The estimated value of proposed construction exceeded thirteen million dollars, an increase of 80% over 1986. The following comparison depicts the continuing growth trend in Alton over the past three years.

REPORT OF THE LAKES REGION PLANNING COMMISSION

Unprecedented growth for this century has continued to effect the entire Lakes Region and challenges all the Towns. This is particularly true of Alton with a 59% growth rate from '70 - '85. The tremendous number of lots approved by the Planning Board in the last two years will not fully impact the Town until all are developed and the issuance in 1987 alone of 105 permits for new homes will have an effect far into the future. Similar growth rates in other towns in the region will in turn impact Alton.

Statewide, there is an increasing awareness that in order to protect the "quality of life" and maintain property values, many issues can only be successfully addressed by greater regional cooperation and coordination. Alton was a successful participant in the hazardous household waste collection which took place with other towns last summer and the Commission will continue to work on other common problems such as solid waste disposal, transportation, and shoreline and underground water protection. The Lakes Region Planning Commission offers an even greater opportunity for addressing problems shared throughout the region and looks forward to successfully meeting the challenges of 1988.

Juliet E. E. Peverley
Commissioner

CAPITAL IMPROVEMENTS COMMITTEE REPORT

Since it was established by vote at the 1987 Town Meeting, the Capital Improvement Plan (CIP) program has made strong progress in organizational and planning functions. The CIP Committee, made up of Alton volunteers, is a sub-committee of the planning board, and is a planning and management tool that focuses on major public projects, facilities and equipment. Capital projects are expensive and usually have a life expectancy of several years as opposed to operational expenses which are annual and expended within a fiscal year.

While less than a year old, this committee has already made recommendations concerning the 1988 town expenditures, and has formulated a tentative six-year plan for Alton capital improvements. The goal of the committee is to identify future needs of the town of Alton, and suggest an orderly approach to the town's growth so that the Alton "way of life" may not only be maintained but improved as the town increases in size.

**ALTON LANDFILL REPORT
YEAR ENDING DECEMBER 31, 1987**

During the year, a Landfill Study Committee was activated to plan for the future and to consider options when the present landfill will be closed. Considerable emphasis has been placed on preparing for a recycling program to prolong the life of the landfill. This will require the total cooperation of all users of the landfill.

As a beginning, plans were underway to begin removal of tires; closing of the stump dump; and sorting, crushing and baling of items in the metal pile with the help of the N.H. Resource Recovery Association. A survey of landfill use and capacity was instituted at year-end. And an Article is being placed on the Town Warrant for 1988 to permit the town's voters to decide on a recycling program which would prolong the life of the landfill.

Respectfully submitted,

Ted Cole, Chairman
Landfill Study Committee

OLD HOME WEEK

1987 saw the Town Meeting increase the money allocated for Old Home Week from \$2,000.00 to \$3,000.00. The Town Meeting also voted to establish the Old Home Week Committee as a permanent committee of the town with five members appointed by the Selectmen.

The Old Home Week Committee for 1987 began meeting in October 1986 through September 1987.

The events of 1987 saw an increase in audience attendance as well as an increase in participation.

The Craft Show had so many participants in the areas of the exhibit that it had to be expanded by the use of the Police Association tent.

The Old Home Week Committee was responsible for the raising, coordination and expenditures of over \$8,400.00 for 1987. The support of the town, clubs and businesses and all those who attended was greatly appreciated.

**ALTON POLICE DEPARTMENT
YEAR ENDING DECEMBER 31, 1987
"WE CARE"**

Each year we take this opportunity to thank the citizens of Alton for their support. This year is no different. Our appreciation and thanks for enabling a new police facility to be built and the continuing support that we receive is not taken for granted. No police department can function effectively without the support of its citizens and its Town Officials.

On behalf of the Alton Police Department, thank you. We have come a long way with your support in making the department something the community can be proud of. Thanks to all of you, our year round residents and our summer residents, that are part of our growing community.

Alton is a community struggling to retain its identity. It should always retain its small town charm.

Herein lies the dilemma, trying to balance the needs of the community vs. the cost.

Your Police Department wants to provide the best service possible.

A look at the statistics will give you an idea of what is going on in your community.

Our rapid growth has stretched our manpower capabilities to its limit in trying to provide adequate service.

This past year the department obtained a computer to assist with the increase in activity, records and reports, with a goal for a more efficient department.

Officers continue to attend schools and seminars to further their goal of a more proficient officer and department.

The department lost the services of three officers this past year, making it difficult to provide services without a full staff.

Officer Charles Hillsgrove graduated from the New Hampshire Police Academy and is presently the department's Evidence Control Officer.

The department was busy with calls for service, with Burglaries and Larcenies being a major problem.

A Federal Grant was obtained to add an additional officer on weekends for traffic enforcement. This aided in our ability to provide traffic control during the summer.

I would like to thank the departments and agencies who assisted us during the year. Without their assistance our job would be difficult. The cooperation between the Alton Fire Department and Alton Ambulance is much appreciated as is the cooperation with other Town agencies.

Respectfully submitted,

Thomas J. Mynczywor
Chief of Police

ANNUAL REPORT OF THE ALTON WATER COMMISSIONERS FOR THE YEAR ENDING DECEMBER 31, 1987

The Alton Water Works closed out another productive year in its continuing efforts to provide an effective and low cost municipal water service to those Alton residents within the water supply network.

Several previous goals to improve the existing water distribution system were accomplished to include the replacement of the turbine pump unit at the Route 140 pumphouse, completion of a corrosive water treatment study, and installation of a new 6 inch water main and fire hydrant at the Alton Central School. Additionally, our meter installation program continued with the installation of residential water meters in previously unmetered areas of town and the budgeting of \$3,750.00 in 1988 for the final installation phase of this program.

Administratively, all Water Department financial records and customer account data were entered into the Town computer system which will not only expedite our billing program by eliminating an outside contract computer service but provide our Department and Town officials with accurate and timely financial information required for operational and auditing purposes.

The Water Commissioners would like to express our thanks to those dedicated Town Hall employees who continue to provide this Commission with administrative support as required and those who continue to deal with our customers on a day to day basis when we are not readily available. Special thanks goes to Mr. A. William Heidke who left the Commission this past year for other more important endeavors. We will certainly miss his experienced and dedicated service provided this Water Department over the past many years.

Lastly, the Commissioners always like to remind Alton residents that your Water Department continues to be totally self-sufficient and operates entirely off of the revenues collected from our users. Your tax dollars in no way subsidize salaries, administrative or other Water Department operating costs.

Respectfully submitted,

Alton Water Commissioners

MESSAGE FROM YOUR STATE REPRESENTATIVE

As I start my sixth year in the New Hampshire House of Representatives, this year also marks the beginning of annual sessions, a constitutional change voted in 1984 by the people of this state. A change I still do not agree with, and voted against. It was stated that with annual sessions our work load would be cut down, in fact, just the opposite has happened. In 1987, we voted on almost 1,000 bills, and now in 1988, over 700 bills have been introduced, including a bill to raise the gas tax, multiple spending bills and an income tax proposal. Proving that the longer the Legislature is in Concord, the less economic freedom the people have. We really don't solve problems in the Legislature, we create them. So this year I will support a measure to return to biennial sessions, which, if passed, means the Legislature will be in session once every other year, instead of every year creating problems.

REPORT OF THE VISITING NURSE ASSOCIATION

In 1987 the staff of the Visiting Nurse Association of Wolfeboro and Vicinity made a total of 1,264 home visits to 73 Alton residents. This represents a 5 percent increase in visits over last year.

Home Health Services are provided under the direct orders of each client's physician. We continue to bill insurances whenever possible. A sliding fee scale is utilized to determine the amount a client will be billed for services if insurance coverage is not available. Services are never denied because of a client's inability to pay.

Clinic services were utilized by many residents. 56 adults attended the Influenza Immunization Clinic. 26 pre-school children were served by our Child Health Program. An Immunization Clinic held at the Alton School provided the opportunity for school children to have their immunizations updated. Monthly clinics are held at the Prospect View Senior Housing Units for the purpose of health monitoring and counseling for residents there; 21 residents took advantage of this service. The Child Health Program and the School Immunization Program are funded by the State Department of Human Services, Bureau of Maternal and Child Health.

Several changes occurred during 1987 which have allowed us to increase our services. We have added two Home Health Aides to our staff. Providing this service directly allows us more flexibility in scheduling to better meet client's needs, increased availability of supervision, and correlation of services at a decreased cost. An Affiliative Agreement with Huggins Hospital which was signed in June, provides for increased cooperation in providing needed services to local residents. We now provide services seven days a week; a nurse may be reached during the weekend by calling Huggins Hospital and asking the operator there to page the Visiting Nurse on call.

Penny Jones and Robert Calvert represent your Town on our Board of Directors.

We are grateful for the support Alton residents have given to our Annual Appropriation request and to our Annual Fund Drive. We appreciate the assistance of the volunteers and other program directors who work with us in providing services to meet the health needs of your community. The Board of Directors, the Staff and I thank you all.

Davena R. DeWolf, R.N.
Administrator

OLD PHOTOGRAPH COMMITTEE

The Alton Old Photograph Committee has successfully completed the mission given to it by the Selectmen in 1984. We have canvassed the town for old photographs, and borrowed them for copying. We have identified and dated them whenever possible and filed them in acid-free files for future preservation. The photographs which had previously been given to the town by various people were added to the collection, which is now arranged by areas of the town in boxes stored in the Town Clerk's office. These files are available to people interested in the town's history. Copies of these photos may be purchased, and we hope that people will continue to contribute pictures to the collection. This collection is meant to be a living, growing record of town history.

We selected a group of about 150 photographs which told a story of Alton's past and growth, and compiled a book which we entitled, "Alton - a Town to Remember." This book is now for sale at the Town Clerk's office for \$7.00. Thanks to the help and cooperation of the Kingswood Press in Wolfeboro, we were able to get the book out for sale before Christmas, 1987. Over 100 copies were sold in December, and sales continue to be good. We hope that when our summer visitors discover it, we will have sold enough to repay the town most of the \$4,000.00 loan which we received in last year's budget. We had 1,000 books printed, and maybe we will even go to reprinting in a few years. At any rate, we expect to be able to repay the people of Alton for their faith in us, and this project. This is our final report. The work of the Alton Old Photo Committee is completed and the committee is dissolved.

Once again we would like to thank all the people who helped prepare the book and archives. The members of the Old Photo Committee who met faithfully for 3½ years are: Warren Bodwell, Marguerite Chamberlain, Tom Chase, Sylvia Countway, Phyllis Draper, Eleanor Hayes, Nancy Johnston, June Tanguay, Lula Thorougood, Edna Twombly, and Gwendolyn Jones and Jean Roberts, co-chairmen.

Special thanks to: the 1984 Old Home Week Committee for permission to use the title, Alton - A Town to Remember; Suzanne Bonin for her drawing for the cover; Tom Chase and Sylvia Countway for copying the photographs; Aida Downing for her invaluable help concerning the history of Alton; and Polly Bakeman for writing a poem just for this book. Contributors of photographs were: Madeline Adams; the Alton Historical Society; an anonymous contributor; Polly Bakeman, Oliver Barnes, Cynthia Barone, Sidney Butler, Carlton Chamberlain, Kenneth Chamberlain, Marguerite Chamberlain, Kenneth Chase, Barbara Clough, Sylvia Countway, Aida Downing, Phyllis Draper, Albert Fisher, III, Judy Fry, Kenneth Gilbert, Barton Griffin, Eleanor Hayes, Nancy Johnston, Jeannette Jones, Estelva Larrabee, Patricia Merrill, The Gilman Museum, Theodore Peterson, Orissa Rines, Irving Roberts, Robert Seavey, Edna Twombly, Alice Ziegler, and two people whose names were inadvertently left out of the book, John Irving and Shirley Recks.

Without you all we couldn't have done it!

REPORT OF THE PLANNING BOARD

The Planning Board has continued to deal with the tremendous growth the town is experiencing. A backlog of subdivision and site-plan proposals required many hours of hearings and work sessions. A sophisticated knowledge of planning is necessary to deal with these proposals to protect the safety and welfare of the residents of our town.

In June we acquired the services of Amanda Skinner as a part-time professional planner. Her technical advice and review of plans for compliance to our regulations has given the board the ability to review complete plans with an increased awareness and knowledge of the issues involved. Her enthusiasm and ability to cope with the difficult circumstances of a new position and of a Board without a Chairman is highly commended.

We accepted with regret the resignations of Chairman Steve Barsanti and members Ron Cornelisson and Nancy Moore. Nancy Mayville and Michael Burke were appointed as members with one seat remaining vacant. Pat Merrill replaced Russ Jones as Selectmen's Representative.

In May member Thomas Varney formed a committee to prepare a Capital Improvement Plan. Committee members Bob Calvert, Ted Cole, John Duffek, Dick Headley, Jay Meehan, Joe Bristol, Ralph Hutchinson, Jim Newton, Alden Norman, Irving Roberts, Nancy Mayville, Town Administrators Terry Clifford and Pam Andrade and Selectmen Pat Merrill met regularly for 10 months to prepare a six-year plan of the town's anticipated capital needs in regards to roads, sewer, water, Police, Fire and Schools. The Capital Improvement Plan will greatly assist the Budget Committee and Selectmen in financial planning and also enable the Planning Board to assess the fiscal impact of growth.

SELECTMEN'S REPORT

This past year we were fortunate in being able to reduce the tax rate. This was a result of the efforts of the Board of Selectmen, Budget Committee, and an increase in valuation.

People are working longer hours, making more money, and having less time to spend it. This effort and money should not be used towards increased taxes. Although money must and should be appropriated in the Capital Improvement Program for our roads and landfill, with careful planning any increase in taxes next year could be held to a minimum. Zoning is still a major problem and the Ordinance needs to be revised particularly in regards to the Lake Shore Residential and Commercial areas of the Town.

Although some Boards saw competent and capable people leaving, we also have experienced a change for the better in the Administrative position with the appointment of Pamela L. Andrade as Town Administrator. The Town Hall is now operating in a smooth and professional manner.

I would like to take this opportunity to thank the Boards and Committees for their many hours of volunteer time, which is so necessary for the operation of our Town.

I am very grateful to Gwendolyn M. Jones, Michael F. Stanley, Ted Cole, and Pamela L. Andrade who have given so much of their time and effort in making our Town a better place in which to live.

On behalf of the Board of Selectmen, I would like to extend a special thank you and best wishes for a long and happy retirement to Gladys E. Howe.

Respectfully submitted,

William L. Moore
Chairman, Board of Selectmen

ALL PERSONS desiring to apply for any exemptions, must fill out a permanent application with the Selectmen's Office on or before April 15th in the year in which you wish to have the exemption. Any further information concerning any of the exemptions may be obtained from the Selectmen's Office.

**REPORT OF THE TOWN FOREST FIRE WARDEN
AND
STATE FOREST RANGER**

Between July 1986 and June 1987, we experienced fewer fires than normal. The three leading causes of forest fires were again children, fires kindled without written permission of a Forest Fire Warden and debris burning. All causes are preventable, but only with your help.

Please help our town and state forest fire officials with forest fire prevention. Contact your Forest Fire Warden for more information.

Enforcement of a state timber harvest regulation is the responsibility of State Forestry officials. Our state has excellent timber harvest regulations; however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest tax law may be violated, call your Forest Fire Warden, or Concord Forest Protection Headquarters at (603) 271-2217.

If you own forest land, you became responsible for the timber tax payment starting April 1, 1986. This is a change in the Timber Tax Law that will impact all forest landowners. Contact your Board of Selectmen for timber tax forms.

ALTON/ALTON BAY CHAMBER OF COMMERCE REPORT

In 1987 the Alton/Alton Bay Chamber of Commerce received fewer inquiries on tourist information and more inquiries on relocation information. Our membership has had a slight growth this year.

One immediate goal was realized, the position of Activities Director was moved to the Parks and Playgrounds Committee. What the Chamber really needs is a Business Director, who will tend more actively to the business of the Chamber, which ideally should be promotion of the town and its businesses.

It is hoped that during 1988 some educational seminars and workshops can be held to directly benefit the Chamber Members.

Our expenses include the Information Booth Salary, Postage, and events such as the Road Race, which is held in the summer. Events should take place on a year round basis, in order to provide for and benefit the "Winter Trade".

Faithfully,

Chris Consentino, Secretary

P.S. The Chamber needs new officers! Any interested person, please call 875-5510.

REPORT OF THE ALTON PARKS & PLAYGROUNDS COMMISSION

Phase II of the Alton Recreation Program grant was approved using the appraised value of the land gift from Jones & McGuirk, plus Barbershopper donations of funds, Little League Volunteer's time, the Russell Jones fund and many other donations and volunteers. The site has been cleared and roughed-out, ready for a baseball field. A foot bridge has been acquired and is to be placed across the Merrymeeting River making the walking and jogging trail connect to Alton and Alton Bay.

This was the first year of the Activity Director of the Town of Alton and the committee would like to thank Donald Morse for a job well done and also a big thanks to Joe Selfridge for another great job keeping our parks and playgrounds looking great.

Jonathan H. Downing, Chairman

Expanded Elderly Exemption - 1) has to reside in the State for at least five (5) years preceding April 1st, 2) has a net income from all sources, except those listed in RSA 72:43-c, of less than \$7,000, or if married, less than \$9,000 a year, 3) owns assets of any kind, tangible or intangible, less bona fide encumbrances, not in excess of \$50,000, and 4) is at least 65 years old on or before April 1st. An exemption of \$5,000 for residents 65 years of age up to 75, \$10,000 from 75 years of age up to 80, and \$20,000 from 80 years of age and older is applied to the assessed value of the property.

ANNUAL REPORT OF THE ALTON FIRE DEPARTMENT FOR THE YEAR ENDING DECEMBER 31, 1987

The Alton Fire Department had a busy and successful year in 1987.

We responded to 149 runs, consisting of structure fires, auto fires, accidents, rescue and Mutual Aid runs.

Your equipment is in good repair as we have had many major breakdowns this year. It has been a very large expenditure getting this back in shape. We have our new engine, delivered in September and in service. It is working out very well and will be a big asset to the department.

Our annual auction was held in July under the direction of Thomas Hoopes and we thank all who supported us in our fund raising effort. It was a great success.

The Chicken Barbecue was chaired by past Chief Harold Clough using his famous recipe and enjoyed by all.

The major effort has been towards refurbishing the Alton Central Station getting ready for the 90th Annual Convention of the State Firemen's Association in September 1987. Firemen, wives, kids and friends all joined in for the cleaning up, painting, installing loam and sprinkler system, wall to wall carpet in the meeting room, new vanity in the bathroom, dividing the engine room and meeting room and general face lifting of the building - all donated time and special thanks to the Alton Fireflies for their contribution.

As always, I must thank my officers and men for their great work and support. A big thanks to the Alton Police Dept. and the Alton Volunteer Ambulance Association for their team work.

Last but not least, thanks to the residents, winter and summer, for your support.

Respectfully submitted,

Russell E. Jones, Chief, A.F.D.

Boston Post Cane

In 1907 the editor of the Boston Post newspaper undertook as a promotional device the distribution of several hundred fancy walking sticks intended to be awarded to the eldest citizen of the recipient towns. Between 400 and 600 of these canes were sent to towns in Massachusetts, Rhode Island, Maine and New Hampshire, each engraved on the head "presented by the Boston Post to the Oldest Citizen of _____."

Morrison Bennett was, at the age of 97, the first Alton recipient. No official town record has been found of those who followed him, but a dozen or so men and women have been identified. Some used the cane with a flourish, some declined to acknowledge this symbol of their longevity. The last holder was Rev. Everett Pender, who returned the cane to the Selectmen when he moved to Vermont.

Alton's cane is 36 inches long, the shaft of African ebony, the engraved brass head covered in 14 karat gold. In recognition of its historical significance in Alton tradition, it will hereafter be held for public display in the Town Hall. The Selectmen will honor our present Senior Citizen, Ralph Temple, with a special ceremony.

Ralph Temple, Age 94, Oldest Alton Resident

ALTON — ALTON BAY TOWN HISTORY

Early American History began for Alton and Alton Bay around 1770 when eight families of settlers moved to this area from southeastern New Hampshire and settled in widely scattered spots to farm. Three families settled on Coffin Ridge near the Gilmanton line, three on the olde New Durham Road, and two in South Alton. By 1775 there were 100 men, women and children, and the Town sent one of it's early settlers, Thomas Flanders, to fight at Bunker Hill. Over the next five years, fourteen out of the twenty men living here went off to fight in the Revolution, taking part in every major battle from Trenton to Bennington.

The first Town Meeting was held at the farmhouse of Timothy Davis, high on Mt. Prospect, in March 1777. Although the records have since been lost, undoubtedly the Levies imposed on the Town by the Committee for Safety - for the purpose of recruiting men and raising beef for the Continental Army were discussed. One might assume that Town Officers were elected, and of course then, as now, the problems of roads and road maintenance arose. (The more things change, the more they remain the same!) The Town was officially incorporated in 1796 despite bitter arguments and bickering among the people living in the valleys and those in the hills.

The first commercial transportation on Lake Winnepesaukee began out of Alton Bay. The diary of Ephriam Roberts (in 1774) records barrel staves and other articles made in Alton being transported over the lake to Center Harbor and Wolfeboro, both in the summer and winter. In 1772 Governor Benning Wentworth used the lake to transport heavy household furniture and material which he brought from Portsmouth for his summer home in Wolfeboro. Until the first steamboat in 1833, the common method of transportation was the "Gundlow", an awkward, flat, keelless, wooden boat with fixed sails. The first steamship to operate on Lake Winnepesaukee was the "Belknap", built at Lake Village (Lakeport) and making her maiden voyage in 1833. The Captain of the vessel was one James Jewett of Alton. Another famous Alton resident of notable interest is William Rockwell Clough who made his million and contributed greatly to the industry of the area by his invention of the indispensable corkscrew.

By 1820, the population was 2,058 in Alton. For the next thirty years, the area prospered slowly as an agricultural community. The arrival of the railroad from Dover in the 1850's initiated a new and vital industry - tourism - on which Alton and Alton Bay thrives today.
