Library Report.

The Library is quite well patronized, 109 persons taking out books.

Sixty-nine volumes have been added this year, 8 being presented by Mrs. Nathan Whitney, and 61 purchased by the town.

There are now 1,369 volumes in the Library, most of them being in good condition. Work has been commenced on a new catalogue, which will, we hope, add greatly to the usefulness and convenience of the Library.
