At 8:05 P.M. the Town Meeting was reconvened in the Fire Station to act upon Articles 2 through 39. The Moderator, John Kimball, called the meeting to order and was started with the Pledge of Allegiance. John asked that this years Town Meeting be dedicated to Lew Hanson. John then read the results of the election and announced that the Articles would not have to be reread before the vote.

Article 2. It was moved by Scott Davis and seconded by Diane Drenkhahn to raise and appropriate the sum of \$618,992 to defray the Town charges for the ensuing year. Eric Strapp questioned what figures went into the total. Robin Woodaman explained to Mr. Strapp which items of the Budget went into this total. The vote was unanimously in favor.

Article 3. It was moved by Lee Woodworth and seconded by Kent Warner to raise and appropriate \$332,425 for the maintenance of Town Highways and Bridges, including sidewalks and dead tree removal. \$29,318 to be paid from State Highway Block Aid, the balance of \$303,107 to be raised by taxes. Diane Kline asked why there was no proposal for a new highway vehicle. Scott Davis answered that a lot of money had been put into repairs for the truck we have now. The Selectmen were hoping to get another year out of this truck. Diane asked how many miles were on this truck. Jeff Haines answered almost 200,000. Jeff would like to replace the present truck with a one ton dump truck and put a

sander on it. Duke Kline asked if they could do a lease. Scott Davis stated that they would like to put half of the money aside this year and the rest next year. Carolyn Schoenbauer asked what the cost of a new truck would be. Jeff answered \$52,629. Kent Warner made a motion to amend this article to add to the Highway Budget \$52,629 for the purpose of purchasing a new truck for the Highway Department. Diane Kline seconded the motion. The motion passed in favor by a majority. John Kimball re-read the Article. The total for this Article is \$385,054. The Article passed in favor by majority vote.

Article 4. Moved by Diane Kline and seconded by Brian Kennedy to raise and appropriate the sum of \$60,000 for the purpose of upgrading roads in Town. Eric Strapp stated that we put \$60,000 in every year, last year we spent \$22,000. Jeff Haines explained that we are entering the last year of an agreement with the State to upgrade Anthon Road, the State portion of Center Harbor Neck Road and High Haith Road. When the roads are finished they will be up to Class V roads. Jeff made a motion seconded by Lee Woodworth to amend Article 4 to \$140,000 for the purpose of upgrading the road. The motion to amend the amount of Article 4 from \$60,000 to \$140,000 passed in favor by majority vote. The Article was reread by the Moderator and the article passed in favor by majority vote.

It was moved by Scott Davis and seconded by John Schoenbauer to move Article 37 forward. Marguerite Koerber stated that she was opposed to moving Article 37 up because there are more articles that are more important. John Kimball asked if there were any others opposed. Only one other was opposed so the Article was moved forward.

Article 37. It was moved by Bob Heath and seconded by Ralph Rigiore to instruct the Select Board to take any and all action legally available to cause the so called Sheafe Harbor House buildings to be placed on permanent foundations, brought into "good" repair on the outside, properly landscaped, made safe and the entire property made to be presentable, or; removed entirely and the property made presentable and safe with no remains, dangers, foundations or buildings left. Such action to start within 30 days after this article is passed and followed through without unreasonable delay until the property is made presentable and safe in the eyes of a reasonable person, Further, to appropriate such sum of money as the Select Board may suggest is needed for the above action. All monies spent whether appropriated or spent from general or other funds, related to accomplishing the successful completion of this project, shall be recovered in full by placing a lien on the property for the full amount and subsequently and within a reasonable time (or time specified under NH State law) selling the property to recover monies spent. Bob asked that the "sum of money" appropriated be \$10,000. Bob explained that he wrote this petition after being urged by many people. There is no time limit for the completion. Ms. Strand has failed to prove financial responsibility. Ms. Strand has given the Selectmen a document stating there was an anonymous

donor and she will not disclose the name of the donor. There are ways that she could disclose the name of the donor without making it public. Gary Toczko stated that he does not share Ms. Strand's vision and that this building is not conducive to a community center. He urged the voters to vote yes to this article. John Kimball allowed Connie Strand to speak. Ms. Strand stated that she has spoken to a lawyer and an anonymous donor stays anonymous. She then read from a handout that she had made available. She is not a resident of Center Harbor. She stated that she is not asking for funding, but she is asking for support from the town. Ken Ballance stated that he has been involved with this from the beginning and that we have heard this over and over again. This is an eye sore and a liability to the Town. We have had no action. Ken feels that this article needs to be passed. Ralph Rigione stated that he lives next door and that his property has been devalued by this. Diane Drenkhahn stated that we have a responsibility to enforce what we have in town. We have space available now for what we need. Diane Drenkhahn supports the removal of this eyesore. The vote was unanimously in favor to pass this article with the appropriate sum of money not to exceed \$10,000.

Article 5. It was moved by David Johnson and seconded by Gary Toczko to establish a capital reserve fund for the purpose of replacing a Highway Department vehicle and to raise and appropriate the sum of \$25,000 for said fund. This Article was defeated.

Article 6. It was moved by Lee Woodworth and seconded by Brian Kennedy to raise and appropriate the sum of \$195,774 for the operation of the Police Department. The vote was unanimously in favor.

Article 7. It was moved by Diane Drenkhahn and seconded Brian Kennedy to raise and appropriate the sum of \$6,000 for the purpose of hiring a Police Department Prosecutor. Scott Davis asked Police Chief Mark Chase to speak. Chief Chase explained that this would allow a professional prosecutor to handle the court cases. Richard Harlow asked who would be doing this. Chief Chase answered an attorney. We would not be hiring another officer; it would be on a monthly contract basis. This article passed in favor by a majority vote.

Article 8. It was moved by Diane Drenkhahn and seconded by Brian Kennedy to raise and appropriate the sum of \$163,645 for the disposition of Solid Waste. This article passed in favor by majority vote.

Article 9. It was moved by Scott Davis and seconded by David Hughes to raise and appropriate the sum of \$84,000 for the maintenance of the Center Harbor Fire Department. The vote was unanimously in favor.

Article 10. It was moved by Scott Davis and seconded by Diane Drenkhahn to establish a capital reserve fund for the pur-

pose of replacing Fire Department equipment and to raise and appropriate the sum of \$25,000 for said fund. Scott Davis explained that the money would be for breathing apparatus for 15 firefighters. In 2007 the Federal Government will require that all fire departments have the same standard equipment. Janet Kimball asked if the article had to be specified what the money would be used for. Janet Kimball made a motion to amend the article to specify that the money would be used for self-contained breathing apparatus, Scott Davis seconded the motion. The vote was unanimously in favor. The article was read with the amendment. The vote was unanimously in favor.

Article 11. It was moved by Scott Davis and seconded by Kent Warner to establish a capital reserve fund for the purpose of design and construction of a Public Safety Building and to raise and appropriate the sum of \$50,000 for said fund. Scott Davis asked that the word "building" be changed to "facilities." Ron Shaw stated that he cannot see putting the money away for one thing. There are other things that need to be done; a salt shed will be needed and it will be expensive. Scott Davis explained that the Selectmen thought that this year would a good year because the budget is up only 1.6%. Diane Drenkhahn stated that she supports this article. There was discussion regarding the word "facilities". It was decided that it would be "facility". Carolyn Schoenbauer asked if the Brooks' property was being considered for this. Scott answered, "No". The article passed in favor with a majority vote.

Article 12. It was moved by Helen Heiner and seconded by Carolyn Shoenbauer to raise and appropriate the sum of \$71,600 for the operation of the James E. Nichols Memorial Library. The vote was unanimously in favor.

Article 13. It was moved by Helen Heiner and seconded by Brian Kennedy to accept, under RSA 31:19, the James E. Nichols Memorial Library Association Trust Fund as of January 1, 2006. The amount being \$8,000. These trust funds would be turned over to the Town. The vote was unanimously in favor.

Article 14. It was moved by Diane Drenkhahn and seconded by Eloise Coudert to raise and appropriate the sum of \$50,395 for Parks and Recreation. David Schimke asked if the town had a special project for this year. Bart Coudert answered that we need more chips at the beach and that things like the expense of the electricity and telephone have gone up. This article passed in favor by a majority vote.

Article 15. It was moved by Carolyn Schoenbauer and seconded by Diane Drenkhahn to raise and appropriate the sum of \$16,950 for Patriotic Purposes including Fourth of July activities. The article passed in favor by majority vote.

Article 16. It was moved by Diane Drenkhahn and seconded by Eloise Coudert to raise and appropriate the sum of \$6,600 for Band Concerts, including Holiday performances. This article

passed in favor by majority vote.

Article 17. It was moved by John Schoenbauer and seconded by Brian Kennedy to raise and appropriate the sum of \$46,161 for the purpose of providing ambulance service to the Town. Lee Woodworth explained that there has been an increase with the new contract with Stewart's Ambulance. Scott Davis stated that it will be based on call volume. Gary Toczko asked if the other communities have also been increased. Scott answered, "Yes." The vote was unanimously in favor.

Article 18. It was moved by Helen Heiner and seconded by Carolyn Schoenbauer to raise and appropriate the sum of \$8,000 for Direct Welfare. The vote was unanimously in favor.

Article 19. It was moved by Diane Drenkhahn and seconded by Carolyn Schoenbauer to raise and appropriate the sum of \$500 for the Centre Harbor Historical Society. The vote was unanimously in favor.

Article 20. It was moved by John Schoenbauer and seconded by Carolyn Schoenbauer to raise and appropriate the sum of \$1,050 for Center Harbor's share of the operation of the Red Hill Fire Tower. The vote was unanimously in favor.

Article 21. It was moved by Carolyn Schoenbauer and seconded by Helen Heiner to raise and appropriate \$4,662 for the support of the Inter-Lakes Day Care Center. David Schimke made a motion to level fund this article. There was no second to this motion. This article passed in favor by majority vote.

Article 22. It was moved by Julian Shlager and seconded by Jean Humphries to raise and appropriate \$3,500 for the support of Child and Family Services. This article passed in favor by majority vote.

Article 23. It was moved by Bess Hanson and seconded by Helen Heiner to raise and appropriate \$12,201 for the support of the Meredith Public Health Nursing Association. The vote was unanimously in favor.

Article 24. It was moved by Bess Hanson and seconded by Helen Heiner to raise and appropriate \$8,400 for the support of the Community Action Program. David Schimke made a motion to level fund this article. Gary Toczko seconded that motion. Everett Duren stated that Community Action helped a lot of people keep warm this year. He is in full support of this appropriation. David Schimke feels that this is something that we might like to support individually. The Moderator called for a vote on the motion. The motion failed. This article passed in favor by majority vote.

Article 25. It was moved by David Johnson and seconded by Brian Kennedy to raise and appropriate \$600 for the support of the Lakes Region General Hospital. David Johnson is unclear what

the \$600 is accomplishing. He stated that LRGH had a wind-fall this year and that it a profit making hospital. This article passed in favor by majority vote.

Article 26. It was moved by Diane Drenkhahn and seconded by Brian Kennedy to raise and appropriate \$1,000 for the support of the Greater White Mountain Chapter of the American Red Cross. Ellen Fortgang asked if there was someone here that could answer a question. Ellen thinks that the Chapter has moved to Concord. David Hughes stated that he belongs to the Red Cross and the Laconia Chapter has been absorbed by the Concord Chapter. They now represent everything from the southern Merrimack County to the Maine border except for the northern Carroll County. This article passed in favor by majority vote.

Article 27. It was moved by Helen Heiner and seconded by Bess Hanson to raise and appropriate \$1,000 for the support of New Beginnings. David Schimke made a motion seconded by Gary Toczko to level fund this article. Mr. Schimke stated that this agency has created controversy by introducing a political stance and promote their own agenda. Mary Alice Warner feels that it is important to support this article. New Beginnings provides shelter for those who have been abused or abandoned. Helen Heiner stated that New Beginning has worked hard to provide shelter for women and children and the expenses have gone up. The vote on the amendment to level fund this article was defeated. This article passed in favor by majority vote.

Article 28. It was moved by Bess Hanson and seconded by Carolyn Schoenbauer to raise and appropriate \$4,000 for the support of the Winnepesaukee Wellness Center. This article passed in favor by majority vote.

Article 29. It was moved by Chris Williams and seconded by Diane Drenkhahn to raise and appropriate \$1,323 for the support of Genesis Behavioral Health. David Schimke asked why the appropriate was up \$21 from last year. Chris Williams responded that their request is based on the number of Center Harbor residents that they serve. The vote was passed in favor by majority vote.

Article 30. It was moved by Carolyn Schoenbauer and seconded by John Schoenbauer to raise and appropriate \$500 for the support of the Loon Preservation Society. Diane Drenkhahn stated that she supports social issues that support the citizens of Center Harbor. This does not support the citizens. Diane feels that this is something that people should donate to from their own pocket. Kent Warner feels that this is something that perhaps the people who come here in the summer could support. John Schoenbauer is the vice-chair of the Loon Preservation Society. Mr. Schoenbauer stated that the habitat that these birds live in has to support the birds. The count for surviving chicks in Lakes Squam and Winnepesaukee is down. This organization does a phenomenal amount of work to preserve this creature. The Loon Preservation Center in Moultonborough has the largest research data base on the common loon in the world. This article was

defeated.

At this time Moderator John Kimball explained to those present that Articles 31, 32, 33, 34, and 35 all deal with the same issue. They are all dealing with scenic road designation. Mr. Kimball asked if there was any objection to reading all of the articles at once and then voting on them. There was not objection. After reading all of these articles Mr. Kimball asked for a motion. The motion was made by Kent Warner and seconded by Joan O'Neill. Road Agent Jeff Haines explained what a scenic road designation is; and what it would mean to the property owners. Ken Warner asked if there was any expense connected with it. Jeff answered that there is no cost involved.

The vote for Article 31. To see if the Town will vote to designate Keyser Road, from the Meredith town line to College Road, as a "Scenic Road" in accordance with NH RSA 231:157 and NH RSA 231:158. (by petition). It was moved by Everett Duren and seconded by William Koerber to amend this article to read, "to designate Keyser Road, from the Meredith town line to the corner where it meets Tuttle Road." Mr. Duren feels that there is nothing "scenic" down through Keyser Road where the Town Dump is." The vote for this amendment failed. The vote on Article 31 as written was approved by majority vote.

The vote for Article 32. To see if the Town will vote to designate Hawkins Pond Road, a Class V road, from Winona Road running Northwest to the Holderness town line, as a "Scenic Road" in accordance with NH RSA 231:157 and NH RSA 231:158. (by petition), was approved by majority vote.

The vote for Article 33. To see if the Town will vote to designate Piper Hill Road, a Class V road, from Hawkins Pond Road running East to Waukegan Road, as a "Scenic Road" in accordance with NH RSA 231:157 and NH RSA 231:158. (by petition), was approved by majority vote.

The vote for Article 34. To see if the Town will vote to designate McCrillis Hill Road, a Class V road, from Piper Hill Road running Northwest to the Holderness town line, as a "Scenic Road" in accordance with NH RSA 231:157 and NH RSA 231:158. (by petition), was approved by majority vote.

The vote for Article 35. To see if the Tow will vote to designate Butterfield Road, a Class V road, from the intersection of Coe Hill Road running West in its entirety, as a "Scenic Road" in accordance with NH RSA 231:157 and NH RSA 231:158. (by petition), was approved by majority vote.

Article 36. It was moved by Seth Stearns and seconded by Richard Erickson to have the town take over title to Wood Ridge Road and Wood Ridge Circle. (by petition). Road Agent Jeff Haines spoke. There doesn't seem as if much work was done there. Only one of the five distinct items that Jeff outlined as being needed has been done. Jeff feels that about \$35,000 worth of work needed to be done. Marguerite Koerber asked how many lots at the

top of the hill have not been built on. Jeff didn't know; he thinks at least 1. Bob Beem asked for a recommendation from Jeff and the Selectmen on how to vote. John Humphries, who lives on the corner of Waukegan Road and Wood Ridge Road, feels that the Town should not take it over until all the lots have been built on. This article was defeated.

Article 38. It was moved by Brian Kennedy and seconded by Richard Harlow to allow a discount of two (2) percent on taxes paid within twenty-two (22) days of issue of tax bills by the Tax Collector. David Schimke stated that he is favor of the Article as read. Bart Coudert asked if those present realized how much money the Town loses by this discount. Kent Warner stated that the money should be used by the Town and he would vote against it. Bill Koerber stated he wants to keep the 2%. This article passed in favor by majority vote.

Article 39. Noelle Beaudin, a Conservation Commissioner, was asked to speak. A landowner on Hawkins Pond would like to know if the Town would want about 25 acres for conservation. Duke Kline asked how much it would cost the Town. Noelle does not have that information. Joan Mayerson, also on the Conservation Commission, stated that her property abuts this property and a board-walk though that area would be wonderful. Scott Davis stated that this property has a six lot subdivision on it. He has heard a figure of between \$75,00 and \$125,000. Noelle explained that a special town meeting would be needed. A motion was made and seconded to ask the Selectmen to pursue this issue.

Noelle Beaudin also announced that there are two scholarships available for the Conservation Camp.

This meeting was dissolved at 11:00 P.m.

TOWN OF CENTER HARBOR

TOWN WARRANT

To the inhabitants of the Town of Center Harbor in the County of Belknap in Said State,
Qualified to vote in Town Affairs:

You are hereby notified to meet at the Cary H. Mead Meeting Room in Said Center Harbor on Tuesday, the thirteenth day of March at ten of the clock in the morning until six of the clock in the evening to act upon Article 1. You are hereby notified to meet at the Fire Station in Said Center Harbor on Tuesday, the thirteenth day of March at seven thirty of the clock in the evening to act upon Articles 2 through 47.

Article 1-A. To choose all necessary Town and School Officers for the year ensuing.

Article 1-B. To see if the Town will vote to adopt Amendment 1-B as proposed by the Planning Board, for the Town Zoning Ordinance, to delete Section 5:3:3 Subsurface Disposal in it entirety and replace it with the following: "Any leach field shall be set back a minimum of seventy-five (75) feet from the normal high water level of any water body"?

Article 1-C. To see if the Town will vote to adopt Amendment 1-C as proposed by the Planning Board, for the Town Zoning Ordinance, to delete Section 6:2:5 "Non-illuminated posters, printed advertisements and merchandise displays behind windows and inside buildings are allowed," in its entirety?

Article 1-D. To see if the Town will vote to adopt Amendment 1-D as proposed by the Planning Board, for the Town Zoning Ordinance, to delete Section 6:6 Types of Signs. "No neon or neon-type signs shall be permitted. No revolving, moving, or flashing signs shall be permitted," and replace it with, "the following signs are prohibited in all zoning districts: neon or neon-type signs; rotating or flashing signs; signs, including any portion or portions thereof, which move or create the optical illusion of movement by mechanical means, by variations in illumination or intensity of light or by other means; changeable copy, animated, or electronic message center signs which are designed so that their characters, letters, pictures, outlines, forms, designs, pictorials, colors, illustrations or other content can be changed, altered or rearranged without physically altering the permanent physical face or surface of the sign, whether by electric, electronic or other means. Nothing herein is intended to prohibit changeable copy signs which are changed manually"?

Article 1-E. To see if the Town will vote to adopt Amendment 1-E as proposed by the Planning Board, for the Town Zoning Ordinance, to add a new Section 6:10 to read: "All signs except Identifying and Directional signs as defined in Section 6:4 shall require a construction permit"?

Article 1-F To see if the Town will vote to adopt Amendment 1-F as proposed by the Planning Board, for the Town Zoning Ordinance, to add at the end of Section 9:4 the following: "Off-lot sewer means that a lot is or will be serviced by the Town of Center Harbor public

sewage disposal system.” “Off-lot water means that a lot is or will be serviced by a community water system as defined in NH RSA 485:1-a(1).”

Article 2. To see if the Town will vote to raise and appropriate the sum of \$520,000 for repairs to the drainage system on Kelsea Ave. and Kelley Court, and to authorize the issuance of not more than \$520,000 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the municipal officials to issue and negotiate such bonds or notes and to determine the rate of interest thereon. Recommended by the Selectmen. (2/3 ballot vote required).

Article 3. To see if the Town will vote to raise and appropriate \$675,204 to defray the Town charges for the ensuing year. (\$618,992 appropriated in 2006). Recommended by the Selectmen.

Article 4. To see if the Town will vote as follows: To provide that no Selectman shall also serve as the head of any Town Department. Recommended by the Selectmen.

(Selectmen's Explanation): While RSA 669:7 prohibits a Selectman from also serving as a “full-time” town employee, there is no specific statutory prohibition against a Selectman serving as a part-time department head, such as Fire Chief. The recent issues surrounding the Fire Department have shown the difficulty of the Board of Selectmen reviewing and supervising a department headed by one of the Selectmen. Thus it is proposed by this article that no Selectman shall serve as part-time head of any Town Department under the supervision of the Board of Selectmen. (RSA 669:7 also prohibits a Selectman from serving as Treasurer, Moderator, Tax Collector, Auditor, Trustee of Trust Funds, or Police Chief. This law also prohibits other combinations of municipal offices).

Article 5. To see if the Town will vote to raise and appropriate \$368,960 for the maintenance of Town Highways and Bridges, including sidewalks and dead tree removal. \$28,832 to be paid from State Highway Block Aid, the balance of \$340,128 to be raised by taxes. (\$385,054 appropriated in 2006). Recommended by the Selectmen.

Article 6. To see if the Town will vote to raise and appropriate the sum of \$60,000 for the purpose of a road surface management program in Town. (\$140,000 appropriated for road reconstruction in 2006). Recommended by the Selectmen.

Article 7. To see if the Town will vote to establish a capital reserve fund for the purpose of construction of a sand/salt storage shed and to raise and appropriate the sum of \$100,000 for said fund and to appoint the Selectmen as agents to expend from this fund. Recommended by the Selectmen.

Article 8. To see if the Town will vote to raise and appropriate the sum of \$216,428 for the operation of the Police Department. (\$201,774 appropriated in 2005). Recommended by the Selectmen.

Article 9. To see if the Town will vote to raise and appropriate the sum of \$33,150 for the purpose of purchasing and outfitting a new 2007 Ford Expedition police cruiser. Recommended by the Selectmen.

Article 10. To see if the Town will vote to raise and appropriate the sum of \$163,925 for the disposition of Solid Waste. (\$163,645 appropriated in 2006). Recommended by the Selectmen.

Article 11. Shall the Town of Center Harbor vote to dissolve the Sullivan County Regional Refuse Disposal District. Recommended by the Selectmen. (2/3 ballot vote required)

Article 12. In the event that the dissolution of the District is not approved by the affirmative vote of two-thirds of the members of the District, shall the Town of Center Harbor vote to withdraw from the Sullivan County Regional Refuse Disposal District. Recommended by the Selectmen. (Simple majority ballot vote required)

Article 13. To see if the Town will vote to change the purpose of the existing Meredith Incinerator Capital Reserve Fund established in 1978 to the Solid Waste Maintenance Capital Reserve Fund and to appoint the Selectmen as agents to expend from this fund. (2/3 ballot vote required). Recommended by the Selectmen.

Article 14. To see if the Town will vote to repeal Article 29 passed by the 1976 Town Meeting and adopt the following:

- A. To enact the provisions of RSA 154:1 I. (b) so that the Fire Chief shall be appointed by the Selectmen, and the firefighters shall be appointed by the Selectmen upon recommendation of the Fire Chief.
- B. To immediately adopt this article as provided in Laws 1993, 28:12, notwithstanding the provisions of RSA 154:1 IV.

Recommended by the Selectmen.

(Selectmen's Explanation): The 1976 Article says that the Fire Chief and the two next-highest ranking officers are to be appointed annually by the Selectmen upon recommendation by the Fire Department. This provision creates an impasse if the Selectmen do not appoint the person(s) "recommended" by the members of the department. RSA ch.154, enacted after the 1976 article, provides alternate organizational structures for Town Fire Departments. The Selectmen recommend that alternative (b) (RSA 154:1 I. (b)) be selected by the Town so that the Chief is appointed by the Selectmen, and the subordinate officers and firefighters are appointed by the Selectmen upon recommendation of the Chief.

Article 15. To see if the Town will vote to raise and appropriate the sum of \$123,134 for the maintenance of the Center Harbor Fire Department. (\$84,000 appropriated in 2006). Recommended by the Selectmen.

Article 16. To see if the Town will vote to raise and appropriate the sum of \$25,000 to be placed in the existing Capital Reserve Fund for the purpose of replacing Fire Department self-contained breathing apparatus (S.C.B.A.) and to appoint the Selectmen as agents to expend from this fund. (\$25,000 appropriated in 2006). Recommended by the Selectmen .

Article 17. To see if the Town will vote to raise and appropriate the sum of \$50,000 to be placed in the existing Capital Reserve Fund for the purpose of design and construction of a Public Safety Facility and to appoint the Selectmen as agents to expend from this fund. (\$50,000 appropriated in 2006). Recommended by the Selectmen.

Article 18. To see if the Town will vote to appropriate the sum of \$28,610 for the purchase and installation of one (1) generator for the Municipal Building. Recommended by the Selectmen.

Article 19. To see if the Town will vote to raise and appropriate the sum of \$75,093 for the operation of the James E. Nichols Memorial Library. (\$71,600 appropriated in 2006). Recommended by the Selectmen.

Article 20. To see if the Town will vote to raise and appropriate the sum of \$68,000 for the purpose of a complete revaluation of the municipality. Recommended by the Selectmen.

Article 21. To see if the Town will vote to raise and appropriate the sum of \$51,268 for the purpose of providing ambulance service to the Town. (\$46,164 appropriated in 2006). Recommended by the Selectmen.

Article 22. To see if the Town will vote to raise and appropriate the sum of \$43,694 for Parks and Recreation. (\$50,395 appropriated in 2006). Recommended by the Selectmen.

Article 23. To see if the Town will vote to raise and appropriate the sum of \$17,500 for repairs to the Town boat launch ramp. Recommended by the Selectmen.

Article 24. To see if the Town will vote to raise and appropriate the sum of \$9,000 for the replacement of the raft at the Center Harbor Town Beach on Lake Winnepesaukee. Recommended by the Selectmen.

Article 25. To see if the Town will vote to raise and appropriate the sum of \$2,500 for the installation of two ice clusters. Recommended by the Selectmen.

Article 26. To see if the Town will vote to raise and appropriate the sum of \$18,130 for Patriotic Purposes including Fourth of July activities. (\$16,950 appropriated in 2006). Recommended by the Selectmen.

Article 27. To see if the Town will vote to raise and appropriate the sum of \$8,600 for Band Concerts, including Holiday performances. (\$6,600 appropriated in 2006). Recommended by the Selectmen.

Article 28. To see if the Town will vote to raise and appropriate the sum of \$14,000 for Direct Welfare. (\$8,000 appropriated in 2006). Recommended by the Selectmen.

Article 29. To see if the Town will vote to raise and appropriate the sum of \$2,150 for support of Emergency Management, including the purchase of a computer. Recommended by the Selectmen.

Article 30. To see if the Town will vote to raise and appropriate the sum of \$500 for the Centre Harbor Historical Society. (\$500 appropriated in 2006). Recommended by the Selectmen.

Article 31. To see if the Town will vote to raise and appropriate the sum of \$1,050 for Center Harbor's share of the operation of the Red Hill Fire Tower. (\$1,050 requested for 2007. \$1,050 appropriated in 2006).

Article 32. To see if the Town will vote to raise and appropriate funds for the support of the Meredith Public Health Nursing Association (\$12,201 requested for 2007. \$12,201 appropriated in 2006).

Article 33. To see if the Town will vote to raise and appropriate funds for the support of the Community Action Program (\$8,400 requested for 2007. \$8,400 appropriated in 2006).

Article 34. To see if the Town will vote to raise and appropriate funds for the support of the Inter-Lakes Day Care Center (\$4,662 requested for 2007. \$4,662 appropriated in 2006).

Article 35. To see if the Town will vote to raise and appropriate funds for the support of the Winnepesaukee Wellness Center (\$4,000 requested for 2007. \$4,000 appropriated in 2006).

Article 36. To see if the Town will vote to raise and appropriate funds for the support of Child and Family Services (\$3,500 requested for 2007. \$3,500 appropriated in 2006).

Article 37. To see if the Town will vote to raise and appropriate funds for the support of Genesis Behavioral Health (\$1,323 requested for 2007. \$1,323 appropriated in 2006).

Article 38. To see if the Town will vote to raise and appropriate funds for the support of the Greater White Mountain Chapter of the American Red Cross (\$1,000 requested for 2007. \$1,000 appropriated in 2006).

Article 39. To see if the Town will vote to raise and appropriate funds for the support of New Beginnings (\$1,000 requested for 2007. \$1,000 appropriated in 2006).

Article 40. To see if the Town will vote to raise and appropriate funds for the support of the Lakes Region General Hospital (\$600 requested for 2007. \$600 appropriated in 2006).

Article 41. To see if the Town will vote to raise and appropriate funds for the support of Court Appointed Special Advocates (CASA) (\$500 requested for 2007. \$0 requested in 2006).

Article 42. To see if the Town will vote to raise and appropriate funds for the support of the Coalition Communities. (\$500 requested for 2007. \$0 requested in 2006).

Article 43. To see if the Town will vote to have the Town take over title to Skywatch Road. (by petition).

Article 44. To see if the Town will vote to accept the reclassification of Anthon Road and the portions of Center Harbor Neck Road and High Haith Road presently classified as Class II State Highways to Class V Town Highways. This request is from the New Hampshire Department of Transportation to have the Town assume the ownership and maintenance of Anthon Road and the State portions of Center Harbor Neck Road and High Haith Road. Recommended by the Selectmen.

Article 45. To see if the Town will go on record in support of effective actions by the President and the Congress to address the issue of climate change which is increasingly harmful to the environment and economy of New Hampshire and to the future well being of the people of Center Harbor. These actions include:

1. Establishment of a national program requiring reductions of U.S. greenhouse gas emissions while protecting the U.S. economy.
2. Creation of a major national research initiative to foster rapid development of sustainable energy technologies thereby stimulating new jobs and investment.

In addition, the Town of Center Harbor encourages New Hampshire citizens to work for emission reductions within their communities, and we ask our Selectmen to consider the appointment of a voluntary energy committee to recommend local steps to save energy and reduce emissions.

The record of the vote on this article shall be transmitted to the New Hampshire Congressional Delegation, to the President of the United States, and to declared candidates for those offices. (by petition).

Article 46. To see if the Town will vote to allow a discount of two (2) percent on taxes paid within twenty-two (22) days of issue of tax bills by the Tax Collector.

Article 47. To choose agents or committees in relation to any article of the Warrant and hear reports of any heretofore chosen.

James E. Nichols Memorial Library Librarians Report for 2006

The Nichols Library is pleased to report a year in which needed improvements were made and successful initiatives were launched.

One again, the Nichols Library was well-used and appreciated resource in the community. The staff recorded 7,072 visits over the course of the year. Borrowers took out 14,846 items from the collection. Between May and October, when extended hours are offered, the Library averages over 1000 checkouts a month. During the busy summer season, this figure rose to 2,000 items. Our user community continues to grow, with 119 new registrations.

The Library added 911 items to its holdings this year. Forty-six worn or damaged materials were withdrawn from the collection. Reflecting market trends, the Library no longer acquires new films on vhs tapes and has cut back on its addition of talking books on cassettes. Our staff produced monthly displays featuring different aspects of the collection. Our column in the Meredith News featured capsule reviews of new materials. Short versions of the column were also featured on the Library's web page.

Our staff supported our patrons reading interests and information needs by responding to 217 reference and book advisory questions. We also came their assistance with 110 computer related questions. We supplemented our holdings by borrowing 277 items from other state and regional libraries, while lending 273 items to other NH libraries. Our computer workstations are a popular resource, with 1,111 recorded uses this year. Our wifi link is becoming better know and used, with 65 in-house uses. Additional uses went unrecorded, as patrons dialed in from locations outside the Library. Our web page provided announcements of library events, new book listings, and links to NH-supported databases that offer magazine articles, genealogical data, and homework help. Librarian Jon Kinnaman produced a brochure detailing these resources.

Several major material improvements were made over the course of the year. In November, the Library installed new computers and made a major upgrade to its circulation/catalog system. We installed Sagebrush's InfoCentre system, which is supplanting their Spectrum product that the Library has had been using since 2001. Among the advantages of the new system is the possibility for home access of the Library's catalog over the Internet. Patrons should find the new catalog search format easy to use. InfoCentre also promises improvements in a number of staff functions. It was also decided that it was time to replace all of our computer workstations and our network server. This upgrade was both timely, as the computers in use at the beginning of the year were five years old and necessary, as the upgrades were needed to meet specifications for the InfoCentre system.

In June, the Library added a log-needed air conditioning system. In addition to making the facility more comfortable for patrons and staff, the system will provide a drier environment better suited for the preservation of library materials. Shelving was enhanced with addition of a rotating new book display in the front reading room. Media storage was increased by adding metal shelf inserts in the stack area. Finally, the Library was able to replace its aging blinds with new ones.

A major success this year was re-establishing the summer reading program at the Nichols Library. The program kicked off with a special event at the town beach, co-hosted by Sandy Frost of Parks and Recreation. The eleven participants submitted lists of completed books for prizes and promotions. Rick Dawgs Café and Bayswater Books supported the program by providing incentives and prizes, for which we are grateful.

The Library continued to host a story time for the Village Pre-School. The Talk of Two Towns adult book group continued through June. In October, the group reconstituted itself as a Holderness Library program. The Library and Parks and Recreation hosted an Indian Crafts day in November, which included stories, crafts and refreshments.

Librarian Jon Kinnaman honed his skills at several meetings and workshops in 2006. In March, he attended the Public Librarian's Association Annual Meeting in Boston. In September, he participated in a North Country Technology Workshop on Social Software at the Brewster Academy. He attended the Reference and Adult Services Conference, which discussed marketing library resources. Finally, he took a class on children programming hosted by the State Library.

The Library bade a reluctant farewell to Library Assistant Kathy Wieliczko, in September. Kathy did much to advance the Library's program offerings in 2006. We wish her well in her new endeavors. Linda Belisle kept our book displays up-to-date and provided valuable readers advisory and references services.

Thanks are due to several persons who contributed to the well being of the Library over the past year. Becky Levy provided help at the circulation desk during our busy summer season. Nancy Chapman once again assisted with the Library's news column in the Meredith News. This fall, she took on the Story Hour with the Village pre-school. Chuck DeCecca and Al Whatley managed the used bookstore this year, taking over for Carol Scalzo. Ginny Ferlazzo again helped us getting books ready to circulate.

The Library would also like to acknowledge gifts and donations that we received in 2006. Books were donated by the Winnepesaukee Radio Controllers, in memory of Edward Libby and The Zonta Club of the Lakes Region. Many other patrons donated items for an ongoing book sale, all which were appreciated. Monetary donations were received from Anna and Jeffrey McClafferty, Doris Carroll, Elizabeth Cox, Dr. and Mrs. Joseph Slap, and D. Patrick Robinson.

Finally, the Library's Board of Trustees deserves special thanks for the many hours of service given to the Nichols Library. Special mention this year must go to Sarah Heath, who took on the role of interim Treasurer and played a major role in realizing the material improvements mentioned in this report.

Faithfully Submitted,

Jon Kinnaman
Librarian

The Town of Center Harbor is under contract with Grzelak & Co. to be audited in 2007. The audit will be available in the Town Office upon completion.

2006 Center Harbor Planning Board Report

The Center Harbor Planning Board had a quiet year in 2006. It seems the real estate economy has slowed to a more moderate pace than in the past several years. There were, however, a few new subdivisions.

John Cook subdivided about 60 acres on Piper Hill Road into five lots, four new large lots and the remaining lot with John's old farmhouse on it. The Twombly Family subdivided a 23 acre lot at the northerly end of College into two large lots with frontage on Squam Lake. David Frost subdivided about 12 acres into two lots on Piper Hill Road. Winthrop Brown subdivided about 12 acres on Singing Eagle Road into three lots, two with frontage on Squam Lake. Tom and Sally Whalen subdivided their land on Route 25 into two large lots.

The Board is just beginning the process of updating some chapters of the Town's Master Plan. Input will be sought from all residents and property owners by way of a community survey which should be sent out in the year 2007. Those eager for something to do are invited to make yourselves known to the undersigned. Many members of the Town will be needed for committee work as the updating process unfolds. The whole thing will likely take a couple of years to complete.

The Board proposed a few changes to the Zoning Ordinance which can be seen on the ballot elsewhere in the Town Report.

The Board welcomes new member Helen Heiner.

Respectfully submitted,

Lee W. Mattson, Chair

CENTER HARBOR CONSERVATION COMMISSION 2006 ANNUAL REPORT

On the 2006 Center Harbor Town Warrant, residents voted for 5 specific wetlands in town to be designated as prime wetlands at the state level. Protecting these valuable resources enhances our town's value and beauty, and helps preserve the character and quality of our town and region.

The Commission works closely with the New Hampshire Wetlands Board reviewing and advising with regard to applications for shorefront changes to our town's water bodies. During 2006, the Commission was presented with a number of Dredge and Fill permits for the reconstruction of docking facilities and shoreline construction on the lakes within our town.

Commissioner Bob Coppo took part in the Lay Lake Monitoring program in conjunction with the Freshwater Biology Group of the University of New Hampshire. Lake monitors take water samples from Lake Winnepesaukee on a regular basis during the spring and summer months. Our goal is to insure the benefits of a clean and clear lake.

The Center Harbor Conservation Commission supports the development of the Center Harbor Village Watershed Management Plan and Engineering Review. We see this as an important step in preserving Center Harbor Bay as a natural resource.

Matthew Stearns and Brittany Poole received the Ken Sorlien Campership Award from the Commission, and attended a week long camping experience at Barry Conservation Camp and Bear Hill 4-H Camp respectively. These camps provide hands-on learning and environmental and conservation appreciation.

Maureen Criasia represented the Commission in helping to organize, publicize and volunteered at the 20th Annual Household Hazardous Waste Collection Days on Saturday, July 29 and August 5. To identify hazardous products in your home, read the label. If it says "Danger", "Warning", "Poison", or "Caution", the product contains ingredients that are flammable, poisonous, will burn the skin and eyes, or react violently with other chemicals. Set these products aside, and bring them to this annual collection event. Center Harbor demonstrated the greatest % household participation in 2006 of all of the 23 communities involved! The first Electronics Recycling program was also launched this year on August 5. Maureen and Kim Haines also put in many volunteer hours this year in cleaning up litter along the town's roadsides. Thank You!

The Conservation Commission is placing a special article on the warrant for the 2007 annual meeting - the New Hampshire Climate Change Resolution. We hope the voters will support actions to address the issue of climate change which is increasingly harmful to the environment and economy of New Hampshire and to the future well being of the people of Center Harbor.

Special thanks go to Noelle Beaudin and Eloise Coudert who have retired as Commissioners this year. Noelle was instrumental in bringing the Prime Wetlands designation to the voters for approval this year. Eloise has served on the Conservation Commission for the past 15 years. We recognize them both for their devoted community service.

Annual Report
Of the
Center Harbor Fire Department
2006

The Center Harbor Fire Department has undergone a significant transition in 2006. A comprehensive investigation by Central Intelligence was requested by the Selectmen resulting in changes in leadership and membership within the department.

The department responded to 108 fire incidents, 70 medical emergencies, 30 motor vehicle accidents and 19 service calls for a total of 227 responses.

Members have attended NH Firefighter Certification and Emergency Medical Technician training coordinated through the NH Fire Academy in combination with local area fire department programs. I would like to acknowledge the outstanding support provided to us by all of our neighboring fire departments and Lakes Region Mutual Fire Aid throughout the year.

Medical emergencies have been handled through the combined efforts of our members working in close cooperation with Stewart's Ambulance Service.

An extensive review of department equipment and apparatus was conducted during the fall including pump and hose testing in addition to inventorying, repairing and relocating a wide array of portable equipment. An expanded training program is being developed for all members to enhance their knowledge of all aspects of firefighting and related emergency response capabilities.

New interoperability mobile and portable radios were received through the NH Department of Safety. These radios provide the capability to communicate with local, regional and state agencies.

As we begin 2007, the department is positioned to move forward as updated policies and guidelines are being established to enhance operations and safety.

Fire safety and prevention is a community effort. Through your continuing support we look forward to a safe year ahead.

Respectfully Submitted,

Robert P. Wood

Report of Forest Fire Warden and State Forest Ranger

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. A fire permit is required for all outside burning unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 1-800-498-6868 or www.des.state.nh.us for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2217, or online at www.nhdfi.org.

Fire activity was high during the first several weeks of the 2005 fire season, with red-flag conditions issued by the National Weather Service and extreme fire danger in the southern and central portions of the state. This period of increased initial attack activity prompted a 5-day ban on open burning, the first such ban in several years. Despite the dry conditions, the state's largest wildland fire was contained at 29 acres. Our statewide system of fire lookout towers is credited with keeping the fires small and saving several structures this season due to their quick and accurate spotting capabilities. Fires in the wildland urban interface damaged 10 structures, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department and the state's Forest Rangers by being fire wise and fire safe!

ONLY YOU CAN PREVENT WILDLAND FIRE

2006 Center Harbor Police Department Town Report

This was a busy but positive year for the Police Department. Officer Donald Welch completed 12 weeks of training at the Police Academy and Attorney Robert Libby was contracted as the Department's Prosecutor. The Prosecutor has been a critical resource and has successfully disposed of several criminal cases. The Meredith Session of the Laconia District Court held its final session, so this will now require us to go to Laconia for all court proceedings.

The Department's call for service remain steady and the weekend influx along with the summer population and traffic explosion keeps us moving. Traffic complaints are frequent and criminal investigations continue to become more complex and time consuming. Although we have had several serious criminal cases including sexual assaults, physical assaults, computer crimes, and the distribution of drugs, I believe overall we have a very safe community. This is in great part do to the positive partnership that exists between the citizens of Center Harbor and the Police Department.

In 2006 we had 792 calls for service, 787 motor vehicle stop, 40 motor vehicle accidents and 66 arrests. These numbers do not include the calls, accidents, or arrests the New Hampshire State Police would have handled when providing coverage to the Town of Center Harbor.

Besides serving in their primary roles, department members have also served on several committees. They included the newly formed town Safety Committee, Hazardous Mitigation Plan Committee, Space Needs Committee, and the regional Pandemic Preparedness Planning Committee. The Safety Committees established a manual to prevent or address workplace injuries. The Hazardous Mitigation Committee is establishing a plan to address natural disasters. The Lakes Region Partnership for Public Health has been working with area communities to establish a plan in the event of pandemic. The Space Needs Committee has been reviewing and assessing all the departments in town regarding their use of space. Although I will not speak for the "SNC", I believed they were amazed that the Police Department is able to function at all, let alone with the level of efficiency that it does. Much of our success is due to the generosity of our neighboring communities who allow us to work out of their buildings.

The Police Department also received several grants from the Highway Safety Agency including 100% funding for Speed Enforcement Patrols, DWI Saturation Patrols, and for a Regional DWI Checkpoint. Center Harbor held its first DWI Checkpoint in cooperation with the Meredith and Moultonborough Police Departments. In addition we received 50% funding for the purchase of a new digital camera. These grant have allowed us to provide better service and protection then we could do normally.

In closing, I would like to thank the other Center Harbor Departments, our neighboring Police Departments and the New Hampshire State Police. This cooperation is paramount. I would also like to encourage people to contact us with any questions or concern.

Respectfully submitted,
Chief Mark C. Chase

Center Harbor Space Needs Committee

2006 Activities Report

Introduction

In May 2006 the Center Harbor Board of Selectmen created a Space Needs Committee (SNC) and six Center Harbor residents were appointed. The purpose of the SNC is to evaluate existing municipal space resources and the effect on current job efficiency. In addition, the SNC is evaluating what space needs (five and twenty years) each department will have in the future. The final goal of the SNC is to provide the Board of Selectmen with a set of recommendations as to how the Town will provide space for all departments to perform their jobs efficiently, safely and in compliance with Town, State and Federal codes.

Summary

Over the last seven months of 2006, the SNC met twice a month to begin to gather the information necessary to make future space recommendations. Specifically it:

- Created and sent out a questionnaire to all Town departments about what space they currently have as well as how it affects their function.
- Examined the responses from the questionnaires.
- Performed on-site visits to all Town facilities and learned how particular Town departments have to work in their environments.
- Met with department heads to better understand the conditions in which the department functions.
- Observed the interaction of the various departments with each other.
- Worked with the Code Enforcement Officer to assess future use of the Brooks Property.
- Evaluated different short and long-term solutions to identified space issues; the SNC is continuing this process of evaluation as we move forward.
- Held a public informational forum in November to gather public input and let Townspeople know what we have learned.
- Focused on providing some immediate space relief at the Municipal Building
- Provided a Temporary Space Allocation Report to the Board of Selectmen

It should be noted that all the department heads we have worked with have been very cooperative and a tremendous help to the SNC as we have learned about the various space issues. After all the above items have been considered, the SNC will be forwarding a final report to the Selectmen, which will detail our recommendations. In general, we have thought that the current spaces in Town can be better utilized but there is a definite need for some additional/new space. Our recommendations will be based on cost-effective solutions in order to bring the Town into compliance and have improved job efficiency now and in the future.

Our regular meeting schedule is the first and third Thursday of the month, at 7 pm. in the Selectmen's Office, with additional meetings scheduled as needed. The public is always welcome.

CENTER HARBOR PARKS AND RECREATION 2006 ANNUAL REPORT

I, Sandy Frost, was hired by the Board of Selectmen of Center Harbor in February 2006 as the new Director of Parks and Recreation. I am delighted to serve this community. The Parks and Recreation Department provides activities and programs throughout the year. The recreation department welcomes any suggestions for programs, activities, special events or facility development.

In February, I began the task of becoming familiarized with the town and the role of Director. I read through numerous files from past years. I volunteered to serve on the town "Joint Loss Management Committee". Many meetings were held to develop the town's Safety Manual.

March included program planning for upcoming events, which included Easter, the 4th of July, summer band program, summer programs and other activities. On April 1st, Parks and Recreation hosted a "Pot Luck Supper and Board Game Night" at the Congregational Church in Center Harbor. David Young's "Jazz Ensemble" provided entertainment. On April 15th, the annual "Easter Party" brought out nearly 200 people to join in on the fun with two egg hunts, face painting, egg decorating and crafts. Raffle prizes were a big hit as well.

April became a very busy month with employment interviews for summer staff and summer planning. A new boat launch brochure was drafted. Two new boat launch attendants were hired. Two new lifeguard chairs were purchased and set in place at the Center Harbor Town Beach. A truckload of bark mulch was delivered and spread on the playground. Safety inspections were conducted on all sites. Many thanks are extended to the town highway department for all their hard work!

In May, three new lifeguards were hired and one lifeguard agreed to return. A new summer Band Director, Noah Glynn, was hired to oversee the summer band program. As the new Director of Parks and Recreation, the selectmen also gave me the task as Band Director Supervisor. Many plans were set into motion for the 4th of July Footrace and festivities. The boat launch employees began working on a weekend basis near the end of May. The Memorial Day Parade was led by the Meredith American Legion and the Inter-Lakes Marching Band. Rev. Carol Asher-Snow, of the Congregational Church, officiated at the three memorial sights. Sandwich platters were donated to all participants by Hart's Turkey Farm of Meredith.

June set the tone for a very busy summer season. Supplies were ordered, phone calls were made and plans were set into motion. Chris and Linda Coudert returned for their final season with their hot dog cart at the town docks. Permits were applied for from the state of NH. Volunteers for the footrace were contacted. The new Summer Brochure was printed. Steve Olafson agreed to serve as the Director for the 4th of July Footrace.

On June 17th, Parks and Rec hosted “Harbor Yard Pirate’s Day” along with the Nichols Memorial Library at the Town Beach. Treasure hunts, craft activities and refreshments were provided to kick off the summer reading program entitled “Treasure Reading”. Lifeguard orientation took place near the end of June and the beach officially opened on June 22nd.

Center Harbor is well known for the 4th of July. The 28th Annual Footrace was a screaming success with due thanks to all those volunteers who assisted in so many ways. Over 550 participants ran at this colorful event. The 2-Mile overall winners were Barbara Malm and Jimmy Tyrell. The 5-Mile overall winners were Claudia Severance and Todd Hanson. The theme for the 4th of July Parade was “The Olympic Tradition”. An evening concert at the bandstand featured “Moose Mountain Jazz Band”. Spectacular fireworks were once again presented by “Atlas Pyrovision of Jaffrey, NH. It was a huge day for the town of Center Harbor.

July and August were busy with summer activities which included: Tennis Lessons, Softball, Drop-In Adult/Teen Volleyball, Basketball, Children’s Beach Program, Swim Lessons, Seniors Let’s Take A Walk, Horseshoe Tournament, Harborpalooza and Band Concerts. The raft was removed from the lake when it was determined unsafe and it broke in two on removal. There was major structural damage to the raft after many years of use and the selectmen agreed to have it disposed of. The summer ended with a tropical “Beach Party”. Over 50 children attended, participating in beading, arts and crafts, sand castle contest, refreshments and more! Lifeguards finished the season on August 20th.

The summer season was over and packing up and organization was needed. In the fall season, a “Canoe House Clean-Up Day” was scheduled on September 23rd. The next big event was the “Halloween Party” at the fire station, featuring the Big Screen Movie - “Haunted House”, presented by MBS Recording Studio and the returning Mr. Phil and Co., twisting balloons of all creatures for everyone to enjoy. In November, a “Native American Kids Craft Day” was held at the Nichols Memorial Library, sponsored by the library and Parks and Rec.

“Deck The Halls” and “Santa Claus Is Coming To Town” were scheduled for December, but were cancelled due to an unexpected family emergency. However, the town was decorated beautifully with a 48 inch wreath and handcrafted snowmen at the Town Office and fresh wreaths on the doors of the library. The Drenkhaun family adorned the bandstand with greenery and lights and Joan Dole donated the giant Christmas that stands there in memory of Peggy Lambert. As I helped Joan decorate the tree with lights, I understood the meaning of Christmas Spirit in Center Harbor and the spirit of community in Center Harbor.

Center Harbor Town Band

In late June 2006 I was hired as the director of the Center Harbor Town Band. I remember vividly the daunting task that lay before me – No roster, an aged and dwindling music library, three concerts and little rehearsal time...

Looking back on the process, it all seems rather effortless. In due time we graduated from the era of marches including some of Sousa and King's greats to challenging late 20th century works by Leonard Bernstein, Aaron Copland and John Williams. With minimal coaching, the committed ensemble worked to provide the best possible musical experience for themselves and the audience.

A great deal of the musical success and committed attendance of the instrumentalist is attributed to the manageable three-concert schedule. In past summers the band was expected to perform six concerts. This kind of time commitment is too grand for most vacationers and summer hobbyists. We found that three concerts with one associated rehearsal for each concert worked well and provided increased numbers of committed instrumentalists as well as more musically rewarding experiences for the audience.

Another change to the summer program was the idea of themed concerts. We started the season with a concert of all the traditional marches and waltzes, including the infamous *Tiger Rag*. The second concert started with a classical twist, music by Corelli, Bach, Dvorak and many more. This concert ended with "A night at the Movies!" featuring the works of John Williams, themes from *Star Wars*, *The Mission*, *Olympic Theme*, *E.T.*, and many more were included. The final concert was a tour of "The Decades," this concert provided a musical experience from each of the 20th century decades, including 20's and 30's big band, *West Side Story*, *The Eighties*, and more. This idea catered to everyone in the audience – It was great to see so many smiles and people singing along. This music also provided challenge and opportunity for the ensemble, featuring many soloists, including works for Bass Guitar and Band, and Alto Sax and Band (*Harlem Nocturne*.)

Without the committed players, including students from Plymouth State University, University of Maine, local professionals and hobbyist – this summer would not have been a success. I would like to thank the talented instrumentalists, Moultonborough Academy for providing instruments and music, Sandy Frost, Chief Davis and the Center Harbor Fire Department, the employees of Center Harbor and the supportive audience and residents of Center Harbor... THANK YOU!

I am looking forward to the 2007 season and the opportunity to work with the fine instrumentalists of the Center Harbor Town Band.

Sincerely,

Noah Glynn

CENTER HARBOR HISTORICAL SOCIETY

The CHHS celebrated 2006, its 36th year of organization, with a full schedule of eight informative programs plus field trips, the annual plant sale and participation in the Center Harbor Independence Day Parade.

The year 2007 looks to be as active with enjoyable, informative programs, the plant sale and a special members/guests tour of the Squam Lakes Natural Science Center led by the Executive Director, Iain Macleod. For a complete schedule of events, refer to the program calendar included, keeping in mind to check local newspapers for any last minute changes.

The Society will be embarking on two major initiatives in 2007. The first will be part of July /August Saturdays' Museum Open House. In cooperation with the Center For Traditional Arts of Center Harbor, a different craftsman will be demonstrating his or her particular crafts at the Museum from 10 am to 2 pm. Objects created on the spot will be available for sale at either the Museum or at the Center for Traditional Arts. The first program on July 7th will feature crafts for children and an olde fashioned Ice Cream Social. Admission is free. Once again see papers for up-to-date information.

The second exciting venture will be the computerizing of the Museum's entire collection using a program which will be compatible with at least 100 other museums in New Hampshire as well as many more throughout the country. This will be a massive undertaking needing many volunteers to do data entry, photography, inventory and other tasks. If anyone feels that they would like to participate in helping to bring the museum into the 21st Century, contact Seth Ira Stearns (Tel 279-1236) who will be supervising this effort.

As in the past meetings will be held on the 4th Thursday from April to November at the Schoolhouse Museum located at 94 Dane Road (Rte 25B) or Gilpatric Hall at the Center Harbor Congregational Church, 52 Main Street. All meetings are open to the public at no charge. Membership is available for either \$5.00 annually or \$25.00 for a life membership. Always check the papers for schedule changes or other announcements.

The Society thanks the Town for its continuing interest and support.

Paul S. Mayerson, President, CHHS, PO Box 98, Center Harbor, NH 03226.

Report to the People of District One By Raymond S. Burton, Executive Councilor

It is an honor to report to the people of this large Northern District in my capacity as Executive Councilor, one of several elected public servants. The five member Council was founded in the NH Constitution and much of NH law provides an additional avenue at the top of your Executive Branch of State Government.

2007 will be a year when members of the Council are charged with conducting public hearings on the State of New Hampshire 10-year transportation plan. With inflation affecting basic transportation costs, and presently no plan for an increase in the State gasoline tax, I don't look for any new projects becoming a reality. We'll be lucky to complete what is currently in the plan.

I continue to seek volunteers to serve on the 300 or so Boards and Commissions as prescribed by New Hampshire law. There are some great opportunities to serve your state government! Send your letter of interest and resume to my office, or to Kathy Goode, Director of Appointments/Liaison to the Council, Governor's Office, State House, 107 North Main Street, Concord, NH 03301. Tel. (603) 271-2121. To find out what openings are available and to see a list of boards, visit the NH Secretary of State website at: www.sos.nh.gov/redbook/index.htm.

The NH web site is a very valuable for citizens. If internet is not available to you, use your local public or school library to go to www.nh.gov and find all state agencies, general court (representatives) and senate members, mailing addresses, and where legislative bills and proposals are. I send my weekly schedule to some 500 e-mail addresses that include town offices, county officials, district media, NH House and Senate members, and others. If you would like to be on that e-mail list please send your e-mail address to rburton@nh.gov. I often include other public notices and information.

It is an honor to continue to serve you now in my 29th and 30th years as a public servant. Contact my office anytime about your ideas, concerns and problems with state government. I respond to all inquiries and challenges.

Sincerely,

LAKES REGION PLANNING COMMISSION

2005 – 2006 (FY-06)

The Lakes Region has changed tremendously in the past 25 years. Homes and businesses have expanded along major roadways, and many of our communities have experienced dramatic changes. This growth has resulted in a number of regional challenges. The Lakes Region Planning Commission (LRPC) is the area organization established to address the effects of growth at both the local and regional level. With a service area covering over 1,200 square miles in Belknap, Carroll, Grafton and Merrimack Counties, the LRPC provides a wide range of planning services to member municipalities. The Commission offers direct and support services ranging from technical assistance, geographic information systems, and transportation planning, to land use and environmental planning, and economic development. Local, state, and federal resources primarily fund the LRPC. We are contacted several times daily for answers to local and statewide issues. We also maintain a regular dialogue with state agencies as a resource for the entire Lakes Region. Our goal remains to provide support and leadership to the governments, businesses, and citizens of the Lakes Region.

Listed below are some of the services performed on behalf of Center Harbor and the region in the past fiscal year:

- ❖ Provided information to the town on the preparation of a local master plan.
- ❖ Currently working with the town to complete a Hazard Mitigation Plan, as required by FEMA for access to federal disaster relief funds.
- ❖ Prepared a preliminary report on Housing and School Enrollments in the Lakes Region with a final report due in the fall of 2006. Funding was provided in part by grants obtained by LRPC.
- ❖ Initiated a Virtual Agriculture Tour of the region: a pilot project designed to illustrate how the Internet and GIS can be used to identify and bolster agricultural activity.
- ❖ Completed and distributed the 2006 *Development Activity in the Lakes Region* report on the Lakes Region development trends. Prepared and distributed a development survey for 2006-2007.
- ❖ Planned and coordinated the 20th annual household hazardous waste collection in the Lakes Region. Two consecutive Saturdays were designated as collection days for 24 participating communities. An estimated 20,000 total gallons of waste were collected, containerized, and transported to EPA approved end-of-life locations around the country.
- ❖ Convened several meetings of the LRPC Transportation Technical Advisory Committee (TAC) to enhance local involvement in transportation planning and project development. The TAC advises the LRPC on transportation projects of regional significance.
- ❖ Co-hosted and organized three public Municipal Law Lectures in Meredith where practicing attorneys provide a legal perspective on local planning, zoning and other municipal issues. Recent lectures included: Off-Site Extractions and Impact Fees; Balancing Municipal Interests and Private Property Rights; Ethics for Land Use Board Members; and Land Use Regulations: Constitutional Challenges and the Evolving Law of Variances. Also convened a regional meeting on the use of conservation subdivisions as an effective land use conservation tool.
- ❖ Secured funding from the NH Emergency Management Bureau to assist local communities with the preparation of all hazard management plans.

- ❖ Prepared a model steep slopes ordinance and a draft agricultural land preservation ordinance. Both are to be included in an innovative zoning guidebook to be released by the NH Department of Environmental Services in 2007.
- ❖ Awarded \$50,000 from the U.S. Economic Development Administration to prepare a Comprehensive Economic Development Plan (CEDS). LRPC will bring various stakeholders together to develop a regional vision and plan for regional economic progress. A completed CEDS will also provide communities with improved access to EDA funding for infrastructure and economic development projects, a benefit not currently available.
- ❖ Adopted the Lakes Region Bicycle and Pedestrian Plan; a planning effort that will help provide a blueprint for the location of regional and local bike and pedestrian routes.
- ❖ Conducted over 150 traffic counts around the region, in cooperation with the New Hampshire Department of Transportation (DOT). LRPC is also preparing and updating local road inventories, on a town-by-town basis, that will be used by the DOT.
- ❖ Participated on the Lakes Region Household Hazardous Product Facility board of directors to explore the ways and means that the facility may encourage communities to participate as members.
- ❖ Convened seven Commission meetings, including four area meetings, which featured a diverse range of topics ranging from a presentation focusing on how scenic views affect local property assessments, an update of LRPC's Regional Goals and Objectives which was accomplished with discussions and recommendations over the four area meetings and adoption in September of this year, an amendment to the Standing Rules and Procedures for the LRPC Transportation Advisory Committee, and an update on the recent achievements of the Northern Rail Trail in Merrimack County.
- ❖ Continue to represent the region on several boards and committees related to the economic and environmental well-being of the region, e.g., the Belknap County Economic Development Council, the Grafton County Economic Development Council, the Pemigewasset River Local Advisory Committee, the North Country Resource and Conservation Development Council, etc.
- ❖ Reviewed project proposals through the NH Intergovernmental Review Agreement that provides the region and local communities an opportunity to respond to applications seeking state and federal aid. LRPC reviewed many proposals having a combined investment total greater than \$15 million in the Lakes Region.
- ❖ Produced a calendar of critical deadlines for March Town Meeting, and distributed it via our web site and regular mail.
- ❖ Ordered and distributed many copies of the NH Planning and Land Use Regulation books to member planning boards at considerable savings. Copies are provided to individual planning board members.

REPORT OF CHILD AND FAMILY SERVICES

The Board and staff of Child and Family Services very much appreciate the support provided by the Town of Center Harbor for our services. We continue to count on your help which makes possible the provision of quality, professional services to children and their families who otherwise could not afford them.

We are pleased to provide services to the Center Harbor area through our Laconia office at 95 Water Street. In the 12 months ending June 20, 2006 we provided the following services to the residents of Center Harbor:

Services	Individuals Served July, 2005 - June, 2006	Number of Hours of Service July, 2005 – June, 2006
Adolescent Substance Abuse Treatment	3	4
Family Counseling	2	1
Child Health Support	1	116
Total	6	121

In addition to the above, the following services are available to the residents of Center Harbor:

Family and Children's Counseling Professional social workers provide counseling services that utilize individual and family strengths to address a wide variety of problems including death, divorce, substance use, abuse and neglect, and other social and mental health issues. Counseling services strengthen the health of the community by assisting families in overcoming the debilitating problems that weaken the family structure and impede a child's healthy development.

Adolescent Substance Abuse Treatment: Outpatient screening, assessment and counseling services for adolescents, and their families, who are experiencing problems of drug/alcohol abuse or dependence.

Parent Education Courses are designed to help parents learn the skills necessary to address the challenges of parenting so that they can raise healthy children in loving and respectful families. Throughout the year, evening courses are held in local communities to accommodate the needs of working parents.

Adoption Services help insure that children being adopted are placed in good families who are prepared for parenting and ready for the unique joys and challenges of raising an adopted child. Services are also available after the adoption is final for adoptive parents, their children and birthparents.

Healthy Families. Healthy Families provides medical support and social services to low-income pregnant women and their children. Services are designed to improve the health of the baby and mother and to provide the support families need during the crucial first months of an infant's life. Services provided by an interdisciplinary team of medical, social work, and education professionals offer support throughout pregnancy and the first year after birth.

Child Health Support workers assist families who have abused or neglected children to help solve the problems that led to the abuse or neglect and to strengthen the family.

Camp Spaulding A residential camp that provides a two-week camp experience to disadvantaged, at risk boys and girls ages 8 – 14. Camp Spaulding is unique in its dedication to serving the needs of children from low and moderate-income families.

Family Support Programs short-term, home based programs, which help at risk families learn parenting skills, home management and other things needed to effectively cope with the stresses of family life.

Parentline A toll-free phone number linking parents to CFS social workers who answer child rearing questions, provide support, direction and appropriate referrals for further assistance.

Group Home provides long-term residential care and emergency overnight shelter for youth between the ages of 13 and 18.

Community Education Staff are available to speak to the interest of community groups regarding behavioral health issues.

Support from your town, combined with grants from individual and corporate donors is crucial to our continued ability to meet the needs of Center Harbor residents through these programs and services. This year we are requesting town funding in the amount of \$3,500, which was the amount given us in 2006.

Like the Town of Center Harbor, we are working to provide the most effective services with limited resources. Our staff are becoming quite skilled at stretching resources to meet the needs of the most people! Your investment in CFS is truly an investment in the residents of Center Harbor – together, we can help to insure that children and families have the skills and resources they need to deal with life's many challenges!

If you would like to know more about our services or have any other questions regarding Child and Family Services please feel free to call me at 668-1920, ext 143. I look forward to talking with you and appreciate your consideration of our request.

Sincerely,

Michael R. Ostrowski

On behalf of the American Red Cross chapter serving the Concord Area, Lakes Region and North Country, I provide the following information on the work of the Red Cross in Center Harbor and the Lakes Region.

In 2004, the Concord Area Chapter accepted management and governance of the Greater White Mountain Chapter as a Certified Service Delivery Unit. This merger has extended our services into the Lakes Region and North Country. We recently opened a Branch Office in Belmont to further serve the needs of communities in the Lakes Region and North Country.

The Red Cross chapter provides services to communities to prevent, prepare for, respond to and recover from disasters and other life-threatening emergencies. We train families and business in health and safety skills through courses in First Aid, CPR, and use of automated external defibrillators (AEDs). We provide certification training for Licensed Nurse Assistants, a fast growing field with a high job demand in the State.

This chapter is currently training volunteers in the Lakes Region to have specific skills in disaster response. These people are part of the emerging Lakes Region Disaster Action Team (DAT), a group of specially trained Red Cross disaster volunteers who can be called day or night to respond immediately to the needs of disaster victims in Center Harbor and surrounding communities.

The remarkable response of the Red Cross Berlin DAT volunteers to the recent devastating apartment fire demonstrated the importance of these readily accessible, community-based groups. The Berlin DAT was on the scene assisting victims within minutes after being called. They provided the families with critical and immediate needs for lodging, food, clothing, baby items, and other supplies. Over the next several days, the DAT members and chapter staff continued to assess and provide for the families' needs.

It is our goal to have available to Center Harbor and other communities in our chapter jurisdiction with similar well-trained volunteer DAT to be on the scene, working with other community disaster response groups when help is most needed.

The \$1,000 appropriation in Fiscal Year 2007 from Center Harbor to this chapter will help us continue to be ready and responsive to the needs of your community during times of critical need.

Please feel free to contact me if you need any other information.

Sincerely,

REPORT OF NEW BEGINNINGS

On behalf of New Beginnings - A Women's Crisis Center, I would like to thank the citizens of the Town of Center Harbor for their continued support. Your 20065 allocation of one thousand dollars (\$1,000.00) has enabled us to continue to provide 24-hour crisis support, outreach, and assistance to victims of domestic and sexual assault in all of Belknap County.

Our organization operates a full-time shelter, staffs a 24-hour crisis line, provides advocacy at court, hospitals and police stations, social service advocacy, and responds to the Greater Lakes Child Advocacy Center for support of victims and non-offending care givers and offers peer support groups for victims and families of domestic violence and sexual assault. We also run community and school based education programs. We are members of the Belknap County Family Violence Prevention Forum, a task force made up of community members and professionals initiated by the Governor's Commission to take a coordinated community response against domestic and sexual violence and stalking in our county.

New Beginnings had advocates and staff in Belknap County courts each working day of this budget year. New Beginnings volunteers donated over 19,000 service hours. All services are provided free of charge.

We are members of the state-wide NH Coalition Against Domestic and Sexual Violence, promoting statewide networking and resource sharing among domestic violence and sexual assault programs. The coalition is the evaluating body and administrator of state and federal contracts that provide some funding for member programs and advocates for legislative change that affects victims of domestic and sexual assault.

This year we are requesting \$1,000 from the Town of Center Harbor to continue the support of our programs.

If you need further information please call 528-6511.

Sincerely,

Kathy Keller
Executive Director

Inter-Lakes Day Care Center

We wish to thank the residents of the Town of Center Harbor for their continued support over the past 35 years. Our Board of Directors declared a celebration of cake and balloons on the 35th anniversary of our incorporation, October 27th. The party was enjoyed by the children, parents and staff. It could be said that the recent and long-needed paving of the Center driveway was a fitting anniversary present for all to enjoy for many years to come.

In the exercise of its charter powers, Inter-Lakes Day Care Center aims to promote child development and family support for working parents, through comprehensive infant, toddler, preschool and school age developmentally appropriate curriculum. Year-round childcare is provided in educational settings at two locations for children 6 weeks to 12 years old. Services include full and part-time childcare, morning preschool programs, summer day camp programs and USDA approved hot meals and snacks.

In conjunction with the State of New Hampshire, through the Child Care and Development Block Grant Fund, sliding fee scale tuition is available based on income level and family size for purposes of employment, training and pursuit of degree or certificate programs, job search and temporary disability. Additional services include sponsorship of the Interlakes Family Daycare Nutrition Program, a group of licensed home daycare providers who receive federal reimbursements from USDA by serving approved meals and snacks while providing care for children of working parents.

Town of Center Harbor
Town Hall
Center Harbor, NH 03226

Attn: Selectmen

First, the men and women taking advantage of the medically supervised exercise for wellness program at the center are thankful for the support of the citizens of the town of Center Harbor. Without the support of the surrounding towns, it would be very difficult to carry on.

We currently have 24 residents of Center Harbor who attend regularly. Several have left for the Winter, but we expect at least 10 more from Center Harbor after the first of the year. We have introduced a buddy program whereby each current member may sponsor one person for a free month and I expect this will lead to the enrichment of the lives of local residents.

Our budget for 2007 is barebones at \$97,140. With the support of Center Harbor and other area towns, we expect the total revenues will cover the expenses. In addition to the fees of clients, we sponsor a golf tournament each year as our primary fund raiser. In addition, several donations of individuals help. Our fees cover 65% of our costs.

Fees are \$40 for the first member of the household and \$30 for the second one. We still provide uncompensated service to those in our society who can not pay the fee. We do expect all to pay at least \$10.00 per month however. We also encourage our clients to take advantage of our pre-payment program which can save them up to 10% when paying in advance.

We petition the Town of Center Harbor to continue support for 2006. We have budgeted \$4,000, but would appreciate any amount that may be contributed to support our efforts to continue this program for area residents.

We especially invite the Officers, Officials and Residents of the Town of Center Harbor to pay us a visit for a first hand evaluation of our program. We are open Monday, Wednesday and Friday from 6 a.m. until 4 p.m.

Sincerely,

Winters B. Hames

Celebrating 40 Years of Caring
1966 ~ 2006

January 1, 2007

To the Residents of Center Harbor:

Genesis Behavioral Health (GBH) is grateful for the Town of Center Harbor's 2006 Appropriation. Your contribution has helped GBH to cover the costs of providing mental health care to residents of your town who are unable to pay the full cost of their services.

During Fiscal Year 2006 (ending June 30, 2006), a total of 23 Center Harbor residents came to GBH to find help for their mental health problems. Their ages break down as follows:

Age Range	Number of Clients
Ages 1 – 17	10
Ages 18 – 59	10
Age 60 and over	3
<i>Total</i>	<i>23</i>

From this total several residents did not have the resources to cover the cost of their services in full. "Charity care" was provided to these individuals in the amount of \$1,118.32. Your appropriation helped cover a portion of these costs.

Since 1966 GBH has provided mental health services for the residents of the Lakes Region. These services are provided to children in their homes, schools and in special programs at GBH which are designed to help them practice the skills they require to improve their lives. Elders receive services in the community including their homes, assisted living facilities and group homes. Our Gatekeeper program trains community volunteers to be alert to elders who live alone and may require assistance.

GBH also provides individual therapy for adults and children to address issues causing distress and to provide guidance towards positive behaviors. Our Community Support Program also provides services for adults living with life impacting mental illnesses. GBH Emergency Services are available 24 hours a day, everyday of the year. We are on call for individuals and their families who feel that they are a threat to themselves or others.

We are very grateful to the Town of Center Harbor for your 2006 appropriation. Thank you for helping us to cover the costs of providing mental health care to residents of your town who are unable to pay the full cost of their services.

Sincerely,

Community Response Coalition
CoRe

The Community Response Coalition (CoRe) and the After Hours youth group are working to strengthen and expand their prevention initiatives through multiple strategies in the Inter-Lakes region. The strategies include an annual Prevention Fall Festival, media campaigns, youth prevention and leadership trainings, alternative drug and alcohol free activities, parent support groups, family resilience education and other multi-sector strategies.

CoRe first convened in 2001 as a result of the New Hampshire Youth Risk Behavior Survey (NHYRBS), in which Inter-Lakes High School students scored higher than the national average in every high-risk category. Over the past several years, CoRe has implemented the strategies listed above to address these issues.

The positive findings comparing the 2001, 2003 and 2005 Youth Risk Behaviors surveys show:

- Onset of alcohol use among youth 12 and younger declined from 38% in 2001 to 37% in 2003 to 26% in 2005.
- Onset of marijuana use among youth 12 and younger declined from 23% in 2001 to 20% in 2003 to 10% in 2005.
- Overall, tobacco use declined from 51% in 2001, to 41% in 2003 and 34% in 2005.
- Overall, use of cocaine, heroin, inhalants, amphetamines and ecstasy declined.

The group is respectfully requesting the Town of Center Harbor donate \$500 to help sustain After Hours Activities for Middle and High School Youth. Consideration of that sum or any additional sum that would contribute to the funding of this project would be beneficial and much appreciated.

Giving NH's Abused Children a Voice in Court

What is CASA of New Hampshire, Inc.?

CASA of NH is a statewide, private non-profit dedicated to guiding abused and neglected children through the NH child protection and juvenile court systems to safe, permanent homes. It is one of 950 programs of the National CASA Association (NCASAA) in Seattle, Washington.

Who are these children?

The children whom CASA serves all have individual stories and experiences, but share one thing: their emotional and physical health has been jeopardized by someone who is supposed to nurture and protect them. In addition to that victimization, their path to healthy development is now at the discretion of a court system that has little personal knowledge of them. CASA volunteers advocate to ensure that no child's story goes unheard and that there is someone committed to their wellbeing.

What is a CASA/Guardian ad Litem (GAL) Volunteer and what is their role?

A Court Appointed Special Advocate (CASA) volunteer is a trained citizen appointed as the GAL by the District or Family Court judge to protect the best interest of a victimized child. A CASA's role is to research the case and present the court with a unique, *child-centered* perspective. To prepare their recommendations, CASA/GALs talk with family members, social workers, school officials, healthcare providers, and others who are knowledgeable about the child. The CASA/GAL also reviews all records pertaining to the child's schooling, medical treatment, and child welfare progress. Most importantly, they visit with the child *at least once a month* for full understanding.

How long does a CASA/GAL volunteer remain involved with a case?

We ask CASA/GALs to commit to the child until the case closes -- typically, twenty-four months.

How many CASA/GALs are there and how many children does CASA of NH serve?

CASA of NH has 400 CASA/GALs representing about 1,000 or 72% of victimized children involved in the NH courts. In order to advocate for the remaining children, CASA of NH needs to maintain a ready pool of 500 – 550 advocates. Since 1989, it has served over 6,200 children.

What training does a CASA volunteer receive?

Each CASA/GAL volunteer is thoroughly screened and must complete a comprehensive 40-hour pre-service training before taking a case. Ongoing in-service trainings are also required.

Is there a "typical" CASA volunteer?

CASA of NH volunteers range in age from 21 to 80+ years, come from all walks of life, and have a variety of professional, educational, and ethnic backgrounds. Over 70% of our advocates work full-time, but many others are retired. The only criteria are that the person have good common sense and a desire to make a difference for victimized children – the rest we can teach.

How many cases does a CASA carry and how much time does it require?

CASA volunteers are only required to take one case at a time – representing one child or a sibling group -- and spend approximately 10–15 hours per month per case. Much of that is phone time with individuals knowledgeable about the child, at least one visit to the child each month, and a court hearing every three months.

How effective is the CASA of NH program?

Judges throughout New Hampshire have noted the value of the information that CASA brings to the proceedings and are appreciative of the unique perspective presented by CASA/GALs. In addition, national studies show that a child who has been assigned a CASA/GAL spends less time in court and in foster care than those who do not have CASA advocacy. We want each child to be reunited with his/her biological family IF it can be a safe and nurturing place. If it cannot, we urge the decision-makers to find safe, permanent homes where the child can thrive.

How is CASA of NH funded?

As a private 501(c)(3) nonprofit organization, CASA of NH relies on a diverse revenue base. Thirty to forty percent of our operating budget is from state and federal funding (e.g., Victims of Crime Act), with the balance from individual, civic, and corporate contributions; private grant monies; and revenue from CASA of NH's own fundraising efforts.

How many staff members work for the organization?

There are twenty full- and part-time staff members: President/CEO; Senior Staff Attorney; Office Assistant; Resource Development Assistant; Director of Development; Holiday Card Project Coordinator; Recruitment and Training Coordinator; Technology Coordinator; Bookkeeper; two Senior CASA/GAL Supervisors, and ten CASA/GAL Supervisors.

Are there other ways to help CASA besides being a CASA/GAL?

Yes! Being a CASA/GAL is not possible for everyone. CASA of NH also seeks individuals who wish to help underwrite the program, special events or projects with monetary or in-kind donations; who wish to assist on committees or in the office; and who are willing to tell others about our mission and vision. In addition, an auxiliary organization called *Friends of CASA* is in the formation stage and will provide many volunteer possibilities for those interested in becoming more actively involved with the organization.
