SUMMARY OF STATE TAX COMMISSION

DIVISION OF MUNICIPAL ACCOUNTING

STATE TAX COMMISSION

Concord, New Hampshire

SUMMARY OF FINDINGS AND RECOMMENDATIONS

January 12, 1965

Board of Selectmen
Fitzwilliam, New Hampshire
Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Fitzwilliam for the fiscal year ended December 31, 1964, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Library, Village District and Trustees of Trust Funds.

FINANCIAL STATEMENTS

Comparative Balance Sheets: December 31, 1963 - December 31, 1964: (Exhibit A-1)

Comparative Balance Sheets as of December 31, 1963 and December 31, 1964 are presented in Exhibit A-1. As indicated therein, the Surplus decreased by \$971.05, from \$8,177.25 to \$7,206.20, in 1964. Inasmuch as there were no outstanding long term notes or bonds on December 31, 1964, the Balance Sheet Surplus of \$7,206.20 also represented the Current Surplus (excess of total assets over current liabilities) on that date.

Analysis of Change in Financial Condition: (Exhibit A-2)

An analysis of the change in financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

Decrease in Surplus	
Net Budget Deficit	\$977.05

Increase in Surplus	
Increase in Accounts Receivable	6.00
Net Decrease	\$971.05

Comparative Statements of Appropriations and Expenditures - Estimated and Actual Revenues:)Exhibits A-3 & A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1964, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a net overdraft of appropriations of \$2,719.39, less a revenue surplus of \$1,742.34, resulted in a net budget deficit of \$977.05.

Summary Statement of Receipts and Expenditures: (Exhibit B-1)

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1964, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1964, is indicated in Exhibit B-2.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and total of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

GENERAL COMMENTS

Class V Highway Maintenance Funds:

Attention is again called to the fact that Class V Highway Funds are granted to the Towns by the State to supplement funds appropriated by Towns for the maintenance of Town roads. Consequently, funds received from this source should not be treated as an estimated revenue item in the Town budget, but rather as an appropriation credit to the Town maintenance account.

Uncollected and Unredeemed Taxes - Prior Years:

It is noted that as of December 31, 1964, there were uncollected and unredeemed taxes on account of the levy of 1961 and prior years as follows:

	Uncollected Taxes	Unredeemed Taxes
Levy of 1961	\$ 12.00	\$265.94
Levy of 1960	252.85	203.64
Levy of 1959	55.20	6.90
Levies of Prior Years	<u>59.00</u>	<u>30.50</u>
	\$379.05	\$506.98

The lists of uncollected taxes on the warrants of 1961 and prior years should be carefully gone over by the Board of Selectmen and the Tax Collector and such taxes therein as appear to be uncollectible should be abated.

Inasmuch as the two year period provided by law for redemption from tax sales has expired on unredeemed tax liens on account of the sales for the levies of 1961 and prior years, the Collector should give tax deeds to the Town for all properties represented by these tax liens.

Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that this report or the summary of findings and

recommendations (letter of transmittal) shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Fitzwilliam for their assistance during the course of the audit.

Yours very truly

REPORT OF THE FITZWILLIAM FIRE WARDS

We extend our thanks to the Citizens of this Township for their fine co-operation in fire prevention, obtaining fire permits when necessary, and reporting fires promptly. This co-operation has kept the fire loss for the community low again this year.

We wish to thank the Meadowood County Area Fire Department in aiding us.

We also wish to thank the following people in giving us 24 hours radio protection without cost to the town: Edward and Dorothy Grant, Robert and Marolyn Dunton, Wallace and Emeline Angier, and Plantes' Store.

Last year at the town meeting the Fire Wards were granted permission to sell the 1935 Ford fire truck. Bids were called for and on January 29, 1965 the truck was sold for a high bid of \$377.

We also purchased 600 feet of 1 1/2" hose to be put on our trucks.

REPORT OF LIBRARIAN

In 1964 a total of 4596 books and periodicals were loaned by the library. Two hundred new books were purchased and added to the library's collection along with many welcome gifts of books and magazines from individuals and from the Library Sewing Circle and the Fitzwilliam Garden Club.

A small office for the convenience of the librarians was built into the space at the end of the hall by Mr. Ted Paul who donated his time and labor to the project.

The State Library's Bookmobile service continued throughout the year and work is progressing on the cataloging and classifying.

A new reference section containing a basic collection of reference materials for students is being organized and purchased and will be located in the reading room. Reference books now in the library and stored on one side of the juvenile section will be moved into the new shelved, thus giving us much-needed space in the children's department in which book circulation increased over one-third during the year.

Miss Wood and I extend our thanks and appreciation to all those who contributed in any way toward the improvement of the library and especially to the trustees for their continued help and cooperation.

Respectfully,
Margaret E. Morris,
Librarian

REPORT OF THE FOREST FIRE WARDEN
AND YOUR DISTRICT CHIEF

The 1964 forest fire season surpassed the record year of 1963 in both length and severity. For the second successive year, we experienced a rainfall deficiency of more than ten inches and the compounding of such drought condition, together with the many days of strong, dry winds, characterized 1964 as one of the most hazardous years in the past half century. Although our fire season was three weeks longer than that of 1963, the number of fires showed only a slight increase and more remarkable was the fact that the area burned dropped from 2280 acres in 1963 to 900 acres in 1964. Early detection and rapid response kept many potential fire disasters from becoming reality. We all owe a debt of gratitude to the men in this community who responded and fought our fires so efficiently. Our state is now 86% wooded and its economy - both industrial and recreation - is greatly dependent on this forest resource. The responsibility for adequate fire protection of this great area - 4,350,000 acres - is everyone's responsibility and prevention is one of our most effective tools.

Prevention is good common sense.

1. Take your rubbish to the town dump. If you must burn, obtain a permit and watch your fire until it is dead out.
2. Instruct your children in fire safety. Keep matches from young children. Explain to them the dangers of lighting matches and making outdoor fires.
3. Be sure discarded smoking material and matches are out.

A major portion of our preventable fires this year are chargeable to three causes; (1) permit fires allowed to escape; (2) children playing with matches; and (3) smokers. Let's be mindful of the fact that all such fires endanger property and lives.

We wish to thank you for your very fine cooperation during the past fire season and with your continued cooperation we are confident that we can improve our fire record in 1965.
