## SUPERINTENDENT'S REPORT

To the School Board and Citizens of Windsor, N. H., this report of your Superintendent of Schools is respectfully submitted:

The question of opening a school in our own district was considered from every possible angle, and after consulting with the Commissioner of Education we decided that it was better to send the children to the Hillsboro School District as we have done lately. It would be a source of local pride to have a school of our own, but as the building would need to be remodeled as we had only four children for the school, and were not certain as to the length of their stay in town, we decided as we did.

Our children, with their age, grade and school attended, are given below:

Name	Grade	Age	School
Elizabeth Hoyt	6	11	Hillsboro Lower Village
Alice Hoyt	4	10	Hillsboro Lower Village
Carl Hoyt	3	8	Hillsboro Lower Village
Stanley Chase	1	8	Hillsboro Lower Village
Mary Chapman	10	15	Hillsboro High
Norman Chapman	9	12	Hillsboro High

The percent of attendance of our six pupils was 94.7% which is just a fair per cent. Our tardiness record was as good as it could be as there were no cases of tardiness for the whole year; but there is no honor roll.

as each pupil was absent for at least a day or two.

Windsor people are credited with eleven visits to the schools, but as these visits were all credited to the Chapman family, it is not a large number for the district as a whole.

The Superintendent visited the schools which are attended by the Windsor pupils 147 times during the year, or an average of 21 visits to each teacher, which is about two visits every three weeks, so he is in a position to know that the Windsor children did their work very well this year.

Respectfully submitted,

A. A. HOLDEN,  
Superintendent of Schools.
