Archivist – Jan Carpenter.

BRIGGS FUND COMMITTEE

Vacant

SOUTHWEST REGION PLANNING COMMISSION

Robert Harcke

EMERGENCY MANAGEMENT

William Chase – Director, Beth Franzen – Deputy Director

REPORT OF SELECT BOARD - 2010

Unquestionably, the biggest disappointment of the year was the decision by M/M Russell and Pamela Martens (River Road) to sue the Town. They chose not to accept the decisions of our Planning Board and Zoning Board regarding the Cersosimo request to expand the gravel pit on River Road. After many hours of discussion, research and meetings, both boards – independently - gave approval for the expansion. The Martens chose to challenge those decisions in court. Although the legal challenges are continuing into 2011, the courts have not found any reason to disallow the approvals given by our boards. It has hurt the Town financially, however. At the end of 2010, the suits have cost the Town a total of \$10,162.53.

In connection with the above Cersosimo issue, the Select Board would like to express our sincere thanks to all members of both boards and especially to the Chairs of those boards. Lauren Bressett chairs the Planning Board and Peter Remy chairs the Zoning Board. Members of the Planning Board include Lori-Anne Ingram (Secretary), Laurie Burt (Vice Chair), Russell Kotfila, Robert Harcke, Jim Starkey, Nancy Zeller, and Bruce Smith. Alternates include Jim Ranson, Dawn Lincoln, and Richard Paul. Zoning Board members include Jackie Cleary (Secretary), John Burt, Barry Shonbeck, Brian Merry, and Russell Huntley. Alternates include Nancy Ranson and David Wirth. They have all worked countless hours at meetings to arrive at a fair decision based on both our Town Ordinances and the NH Statutes. We certainly appreciate all of their efforts.

On a more positive note, the following was accomplished:

1. We started semi-annual collection of taxes this year. Financially, it has enabled us to pay all bills without borrowing any money throughout the year.
2. The Historical Society now has a room upstairs in the Town Hall.
3. The Lions Club donated \$2,500 for emergency chimney repair in the Town Hall. The work was done by Ted Ferguson. Many thanks to the Lions Club for financing this project.
4. The Town received reimbursement of \$5,110.35 for legal costs of Westmoreland v. Beardsley (property on Daggett Hill).
5. Ted Ferguson reshingled a section of the Fire Station roof. The cost for this was taken from the Fire Department budget.
6. During the summer, the well water at the Town Hall was very low and was not dependable. Sometimes there was no water at all. So, we decided to connect to the new well that had been installed by Cushing in 2003. Prior to connecting, Lloyd Draper (Health Officer) took a sample to EAI Labs (in Keene) for testing. All results were well within the EPA's primary drinking water standards. For further reassurance, the select board met with Bart Cushing. Soon thereafter, Gary Hudson, Dave Poklemba and Harry Nelson all worked to complete the connection to the new well. Thanks to all for their work.
7. Bernie Schatz fixed and upgraded all emergency lighting in the Town Hall. He also worked with Ted Ferguson to fix the outside lighting of the clock at the top of the Town Hall. The Lions Club helped with the cost of this repair.
8. As approved at last year's town meeting, we borrowed \$79,500 for the new Fire Department tanker. We borrowed the money from Connecticut River Bank. The term was for 3 years and the rate was 2.2%.

Finally, a continuing thanks to the many residents who volunteered their time and energy to keep Westmoreland the wonderful town that it truly is.

Your Select Board - Russ Austin, Russ Kotfila and June Hammond

TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

THE POLLS WILL BE OPEN FROM 11:00 AM TO 7:00 PM

To the inhabitants of the Town of Westmoreland in the County of Cheshire in said State, qualified to vote in Town Affairs:

You are hereby notified to meet in the Town Hall in said Westmoreland on Tuesday, the eighth of March, 2011 at 11 of the clock in the forenoon, to act upon the following subject:

Article 1: To choose all necessary Town Officers for the ensuing year.

Article 1A: To see if the voters will approve the Zoning changes as proposed by the Planning Board.

Following the counting of ballots, the meeting will recess until 7:00 PM on March 9, 2011 at the Westmoreland School gymnasium,

Article 2: To hear the reports of Agents and take any action relative thereto.

Article 3: To see if the Town will vote to raise and appropriate the sum of \$1,087,229 as recommended by both the Budget Committee and the Select Board. This sum represents the operating budget and does not include any special or individual articles.

Article 4: To see if the Town will vote to discontinue the Police Cruiser Capital Reserve Fund created in 1998. Said funds, with accumulated interest to date of withdrawal, are to be transferred to the Town's general fund. (Majority vote required.)

Article 5: To see if the Town will authorize the Select Board to sell the 1954 Dodge Power Wagon Brush Truck that was formerly used by the Fire Department. Any proceeds received from this sale will go into the Town's general fund. (Majority vote required.)

Article 6: To see if the Town will vote to raise and appropriate the sum of \$20,000 to be placed in the existing Bridge Rebuilding Capital Reserve Fund. Both the Select Board and the Budget Committee recommend this Article.

Article 7: To see if the Town will vote to raise and appropriate \$1,000 to be placed in the existing Town Hall Clock Repair Capital Reserve Fund. Both the Select Board and the Budget Committee recommend this Article.

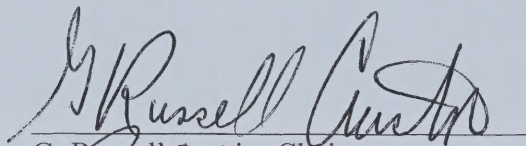

Article 8: To see if the Town will vote to appoint the Select Board as agents to expend from the Town Revaluation Capital Reserve Fund previously established in 1993. (Majority vote required.)

Article 9: To see if the Town will vote to raise and appropriate the sum of \$8,600 to reshingle and flash the main Fire Department building and to install a new insulated door in the Emergency Vehicle end of the Fire Department building. Both the Select Board and the Budget Committee recommend this Article.

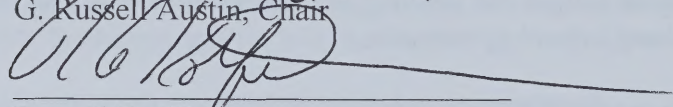

Article 10: To see what disposition the Town will vote to make of the income from the Jotham Lord Fund. This money – approximately \$95 – is included in the proposed Operating Budget.

Article 11: To transact any other business that may legally come before this meeting.

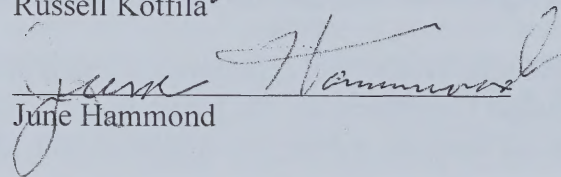

Select Board of Westmoreland

G. Russell Austin, Chair

Russell Kotfila

June Hammond

TOWN MEETING

TOWN OF WESTMORELAND, NEW HAMPSHIRE

MARCH 9 & MARCH 10, 2010

The Annual Town Meeting (Elections) was called to order by Donald Hall, Moderator, Pro-tem on Tuesday, March 9, 2010 at 11:00 am with the readings of Article One of the Town Warrant and declaring the polls open. The remaining Articles are to be considered on Wednesday, March 10, 2010 at 7:00 pm at the Westmoreland School during the Annual Town Meeting after a recess. Polls were declared closed at 7:00 pm on Tuesday, March 9, 2010 by Tom Warner, Moderator, Pro-tem.

Moderator R. Bruce Smith called the Westmoreland Annual Town Meeting to order at 7:03 pm at the Westmoreland School on Wednesday, March 10, 2010, with the Pledge of Allegiance and the reading through of the entire warrant aloud and then the reading of the results of Articles One as follows:

ARTICLE 1: To choose all necessary Town Officers for the ensuing year.

The results of balloting were as follows: Total ballots cast were 525 of the registered 1274 voters = 42%. "The following are the winners and I so declare it," stated Moderator R. Bruce Smith with the reading of the results. These are noted with an * after the number of votes received.

ARTICLE 2: To hear the reports of Agents and take any action relative thereto.

Article moved by David Putnam and seconded by G. Russell Austin.

No Discussion.

ARTICLE 2 WAS VOTED UNANIMOUSLY IN THE AFFIRMATIVE BY VOICE VOTE.

ARTICLE 3: To see if the Town will vote to raise and appropriate the sum of \$159,500 for the purpose of buying a new tanker. The sum of \$25,000 will come from the Westmoreland Firefighter Association Fund, \$55,000 will be withdrawn from the Fire Truck Capital Reserve, and to authorize the issuance of not more than \$79,500 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the municipal officers to issue and negotiate such bonds or notes and to determine the rate of interest thereon. 2/3 Ballot Vote required. Both the Select Board and the Budget Committee recommend this Article.

Motion moved by Harry Nelson and Seconded by Russ Kotfila. Article 3 was addressed by Chief Harry Nelson who stated that we have two tankers, both more than 20 years old. Tanker 1 blew an engine in June of 2008 so that is the truck needing replacement. This is the same truck that was on the warrant to replace last year., but that article failed. This is the 1979 truck and it's 30 years old. They got the motor fixed, but it is a temporary fix. The price has gone up since last year, but they had decided on a different chassis. Ed Venezia asked how much more. Harry stated that it would be \$19,000 more. No more discussion. Ballot voting started at 7:19 pm at which time while the meeting was on hold, Russ Austin thanked Marjorie Merena for her service as Selectman and welcomed newly elected Board member, June Hammond on board. The

meeting resumed again when the count was over at 8:15 pm, at which time the results were read by Moderator, R. Bruce Smith.

BALLOT VOTE, WHICH NEEDED 2/3 VOTE REVEALED 212 Voted.

YES - 170 Votes NO - 42 Votes

ARTICLE 3 PASSES by Ballot Vote.

Lori-Ann Ingram then made motion to Restrict Reconsideration of this Article. Paul Berch seconded this motion. Jason Magee asked for point of order...how the one who made this motion voted. It was stated that she does not have to disclose how she voted. Bill Fosher questioned the purpose of this motion, and Lori-Ann stated that it is so they cannot re-address this article during this meeting.

VOTED IN THE AFFIRMATIVE by voice vote.

ARTICLE 4: To see if the town will vote to authorize the Select Board to sell the 1979 International cab and chassis that was previously used as a tanker. By law, any proceeds received from this sale must go into the General Fund.

Motion to move by Harry Nelson and Seconded by Jack Zeller. Harry spoke to the Article stating that legally we need this to sell. Bill Fosher asked which method of sale would satisfy the legal requirement of the sale. Russ Kotfila stated that it would be put up for bid.

ARTICLE 4 VOTED UNANIMOUSLY IN THE AFFIRMATIVE by voice vote.

ARTICLE 5: To see if the Town will vote to raise and appropriate the sum of \$1,065,445 as recommended by the Budget Committee. This sum represents the operating budget and does not include any Special articles.

Motion to move by Ellen Clement and Seconded by Harry Nelson. No Discussion.

ARTICLE 5 IS VOTED IN THE AFFIRMATIVE by voice vote.

ARTICLE 6: To see if the town will vote to raise and appropriate the sum of \$15,000 to be placed in the existing Bridge Reconstruction Capital Reserve Fund. Both the Select Board and the Budget Committee recommend this Article.

Motion moved by Tina Fletcher and Seconded by Paul Berch. Selena Gallen asked why we didn't get any of the stimulus money toward these bridges. We wouldn't have had to pay for reconstruction in full, and now we have to. Russ Kotfila stated that the stimulus money needed to be applied for within a certain time, and it was not done within that time frame; but if they ever open it up again, they will make sure to apply. He stated that we had applied for a Federal grant for energy efficiency for the Town Hall and Fire

House which is in the process and it would help us get \$122,000 toward that. Russ Austin stated that the money is being placed in the Capital Reserve Fund to build up the fund so we can start working on the 4 red listed bridges. Gary has taken care a few of them, but now the work is beyond what can be done by our Highway crew. We can begin doing some engineering, but we only put in a small amount each year which doesn't get us all that far. He stated that 2 of the 4 have been red listed since 1991, one joined in 1996, and another in 1999. We have let them go so long now, that we have to do something. Bill Fosher asked when the bridgework would start if we stay on the path of the track the Selectmen have set up—1 year? 5years? Russ Austin stated maybe less than 5 years. We didn't have any thing set, and we weren't prepared when the stimulus package was out. Russ Austin stated that the State still has 80% that they owe us from the River Road North Bridge, which we still haven't received. Gary Hudson stated that amount was \$45-48,000 that we are waiting for. Ed Venezia asked if there were any Rebates that could be applied for with the new furnace and appliances that the town put in recently, and had the Select Board applied for them? Bob Ball asked what the engineering costs might be or had there been an engineering study done for the 4 bridges. Marjorie Merena stated she had no idea. Gary Hudson and Russ Austin said they had no idea, but perhaps they could get stated with the funds in the Fund and see how far they can get. Gary Dermott asked how much is currently in the Bridge Fund. Russ Austin stated it is currently \$40,870.59.

ARTICLE 6 VOTED IN THE AFFIRMATIVE by voice vote.

ARTICLE 7: To see if the town will vote to raise and appropriate the sum of \$6,000 to be placed in the existing Revaluation Capital Reserve Fund. Both the Select Board and the Budget Committee recommend this Article.

Motion moved by Jack Zeller and Seconded by Lori Thompson. Mark Edgington asked that the Revaluation Fund is. Moderator, R. Bruce Smith stated that it was for the Revaluation of properties in the Town for tax purposes.

ARTICLE 7 VOTED IN THE AFFIRMATIVE by voice vote.

ARTICLE 8: To see if the town will vote to raise and appropriate the sum of \$1,000 to be placed in the existing Town Hall Clock Repair Capital Reserve Fund. Both the Select Board and the Budget Committee recommend this Article.

Motion moved by Bob Hamilton and Seconded by Ken Thompson. Bob Hamilton spoke to the Article stating that the Town Hall Clock has been ticking for 93 years. It is 1200 pound of clock, which is attached to the Town Hall, so we can't take it somewhere to be repaired. It needs to have a house call repair when it needs repair. and this fund is to assure we have funds when it does need repair It has been "ticking like clockwork for almost 100 years."

ARTICLE 8 VOTED IN THE AFFIRMATIVE by voice vote.

ARTICLE 8-A: To see if the town will allow the Westmoreland Historical Society to apply for state and federal designation of the Town Hall as a Historic Building. (This article was requested for inclusion by the Westmoreland Historical Society.)

Motion moved by Larry Siegel and Seconded by Tina Fletcher. Mark Edgington asked what the advantage or disadvantage to how we vote on this article. John Harris stated that he has spoken on behalf of the Westmoreland Historical Society to the NH State of Historic Places and would like to have the Town Hall qualify for Federal Designation as a Historic Building. It would help us to acquire some Federal Assistance. It would give us an "L-chip" advantage. It would ease some of the coding regulations. There is NO OBLIGATION or regulation set upon us. Passing this article would have no legal binding authority. We would continue to use the Historic building, but would like Town support in keeping it historical. It simply means that the Town would have say in any changes made to the building. Mark Edgington asked if the L-Chip funds are to be applied for, will the Townspeople be notified? John Harris stated that if we decided to restore or renovate anything on or in the Town Hall, it would come before the people. Being designated as a historical building would help the Town secure grant money for future restoration work. Leona Gordon asked if some of the building has been damaged, will they still accept it. Richard Paul asked of any future restorations, would we have to go through a lot of other architectural costs, etc, and would that perhaps be more costly than replacement? John Harris stated that by approving this we are saying we would like to let the Selectmen know that we want to keep the historical aspect kept. It is sometimes necessary to replace, but this would guide them to keeping things along the historical aspect it now has. This is telling the Selectmen that we want to continue to use restoration and preservation, not replacement. Bob Ball asked that with what the Select Board gone ahead and done recently, would there have been any outside approval.

ARTICLE 8-A VOTED IN THE AFFIRMATIVE by voice vote.

ARTICLE 9: To see if the Town will vote to approve the following resolution to be forwarded to our State Representative(s), our State Senator, the Speaker of the House, and the Senate President. Resolved: The citizens of New Hampshire should be allowed to vote on an amendment to the New Hampshire Constitution that defines "marriage". (This article was presented to the Select Board as a petition and was properly signed by 30 registered voters.)

Marius Hauri moved the motion and Seconded Dave Lybarger. Marius stated that there are 188 million Americans in the United States. Over 60% of the Towns in New Hampshire have this article on their warrant this year. Just as 30 other states have chosen, the Citizens of New Hampshire want to vote on this issue. It doesn't require anyone to take sides, but gives NH citizens the same rights as other states' voters in exercising their rights when voting on the definition of marriage. Mark Edgington stated that this is a superficial reading of the article. That what they are suggesting is that we should be able to vote on how others wish to live their lives, and he felt this should not be brought up. Bruce Clement made motion to Pass over Article 9, which was Seconded by Bill Foshier.

ARTICLE 9 WAS PASSED OVER by voice vote, accompanied by a round of applause.

Paul Berch made motion that we restrict reconsideration of articles 4-9, to which Mark Edgington Seconded.

RESTRICTION OF RECONSIDERATION OF ARTICLES 4-9 VOTED IN THE AFFIRMATIVE by voice vote.

ARTICLE 10: To transact any other business that may legally come before this meeting.

Pat Baker asked what was to come of the Jotham Lord Fund interest proceeds. He wondered why the Select Board had avoided placing the article in the Warrant this year. He stated that the Trust states that it should come before the Town every year. Russ Austin stated that the Select Board overlooked it. The amount this year would be \$97.64. Lynn Zimmerman made motion for the proceeds of the Jotham Lord Fund go the Public Library this year, which was seconded by Bruce Clement.

June Hammond asked the Townspeople to recognize Bob Hamilton. Bob climbs into the Town Hall Clock Tower every week and winds our Town clock by hand. Recognition given with a round of applause.

Jan Carpenter addressed the Town stating that she was there on behalf of the Historical Society, asking not for money, but just for a little space. She stated that the 2nd floor of the Town Hall is seldom used anymore now that we have the School Gymnasium is available. She is asking on the behalf of the Historical Society for use of the front lockable closet which has been used for storage of the wooden chairs. The Historical Society has two new cabinets upstairs which are out in the open and have been leaked upon. Larry Siegel asked where the chairs would be kept, and Jan stated that there is space enough for the chairs in back of the stage, etc. upstairs, so they would still be available whenneeded.. Ellie Venezia asked why she felt they had to be upstairs, why not downstairs. Jan explained that there is no space downstairs. Marjorie Merena spoke against the proposal stating that they can have space in the Selectmen's Office or the Town could re-wire and heat the Corner School House. Jan Carpenter stated that there is no space and almost everyone in Town has a key to the Selectmen's office. She went on to state that they would not be able to leave their items and feel they were secure. She also stated that the Society does not feel that the Corner School would be as secure as they needed, either. If they have the closet upstairs, they will be the only ones with the key and they can leave their works out without having to pack everything up each time they need to leave. Bill Fosher motioned pass over this issue and to have the Selectmen decide on whether the Historical Society should use the closet upstairs and/or to find them another secure space. Dick Cate Seconded the motion.

MOTION TO PASS OVER VOTED IN THE AFFIRMATIVE by voice vote.

Ellen Clement asked to thank the Road Crew for another great year. A round of applause given in appreciation.

Motion was made to Adjourn at 9:08 p.m. by Patricia Bentrup and seconded by Nancy Zeller.

ADJOURNMENT VOTED IN THE AFFIRMATIVE BY VOICE VOTE.

UNAPPROVED MINUTES

TOWN OF WESTMORELAND

Trustees of Trust Funds

Thomas S. Bates
11 Old Moore Road
Westmoreland, NH 03467
(603) 399-7124

Trustees:
Patrick N. Baker
Thomas S. Bates
Gary Gray

ANNUAL REPORT 2010

The trustees met four times during the year to administer affairs of the trusts. Town common trust funds were invested in CD's held in an account with Edward Jones Company, Hampshire First Bank and People's United Bank. The average return on common trust funds held in CD's was approximately 1.64%, compared to 4.32% in 2009. The CD's are laddered in maturity to offer some protection against fluctuating interest rates. Capital reserve funds continue to be invested in short-term bonds with the New Hampshire Public Deposit Investment Pool. Return on capital reserve funds was .21% in 2009, compared to .33% in 2009.

Respectfully submitted,

Patrick N. Baker
Thomas S. Bates
Gary Gray

Westmoreland Public Library

Annual Report 2010

2010 was a very good year for our local library. As outlined below, we were frequently visited by old friends and welcomed a significant number of new patrons. We bid a fond farewell to our long-time friend and volunteer, Elaine Kaliski, who recently retired--but we didn't let her go without a celebration of her gift of time. Several former librarians came together in early December to help us honor and thank Elaine for her years of service. We heard great stories of library days gone by, laughed often and shared our admiration for all the townspeople who have made the library what it is today.

In May we welcomed new staff member, Sarah Dupeyron, who brought with her several years of library experience in Keene and a welcoming way.

• Programs

The library hosted a total of 48 programs in 2010, including our monthly Book Club coordinated by Pat Cooke, and a visit to the library in March from children's author/illustrator D. B. Johnson. This event was well attended by 70 Westmoreland children. Summertime brought a special reading program at the library by reading specialist, Nancy Newton, for school-age children and Gina Gitchell provided Story Hour for pre-schoolers. Maisie Crowther returned to the library to offer a two-part watercolor course which "sold out" immediately. Westmoreland's Robin Stronk held a public reading from her recently published memoir, *Vet Noir*, and regaled us with stories from her veterinary practice. Regular classroom visits from the local school resumed in the fall. We enjoy visits from the 1st graders and kindergarteners who walk over to the library once

a month to explore books with us. Other programs included the ever-popular annual fall walk to the Wise Mine, and we ended the year with our 2nd annual gingerbread house event.

• Patrons

The library was open a total of 153 days. Over the last year we have shared many mornings with our town's youngest readers and read to many not yet reading on their own. 81 new patrons registered this year as compared to 38 the previous year. A total of 3,827 patrons visited us in 2010, 490 more than the previous year. We had many visits from out-of-towners in search of information about loved ones who once lived in our town, and we fielded 31 other requests for research assistance. **In-library use:** 138 patrons used our reading room and copier. 107 used our patron computer, while 52 came to access our wireless service.

• Circulation

4,443 books circulated from our permanent collection of 9,086 this year, up 231 over last year. We borrowed 408 from other libraries for our patrons, and we loaned 242 books from our stacks to other libraries. **Acquisitions:** We added 331 new books to our collection this year, 118 of which we received as donations. In addition we added 109 items of mixed media, music CDs, magazines and videos.

• Gifts

As always, Westmorelanders gave generously to our library this year. Gifts came in many forms including memorial donations, donations of books and magazine subscriptions and volunteer support. The library was the beneficiary of several monetary gifts given in memory of Hilda Frye who passed away this year. She was a longtime friend and supporter of our library and we are grateful to her family for their generosity.

Marion Starkey Memorial Garden

 Gibson Gitchell enjoys one of the many book series for children

• New Services

We now belong to a consortium of libraries within the State of New Hampshire who offer their patrons the opportunity to download audio books. Using a code provided by our library, Westmoreland patrons can use our patron computer or their home computer to download these books without cost directly to their iPods or MP3 players. Similarly, our patrons who prefer to read books on handheld devices can now also download eBooks directly to readable devices such as iPads.

Website: The Library has recently developed a website: www.wplnh.org. It is in its infancy, but already it showcases new books at the library and current events. Our long-range goal is to have our catalog available online so that patrons would be able to access it from home.

Pictured at right front row, left to right: Maisie Crowther and Karen LeDuc. Back row, left to right: Lois Merry, Thelma Messer, Barbara Messer, Elaine Kaliski, Judy Fitzgerald and Pat Leinster - all former library staff who gathered recently to celebrate Elaine Kaliski's many years of service to the library.

In short, the library has experienced considerable growth in patron base and usage this year. It is a pleasure to work with our tireless Board of Directors chaired by Peter Longsjø and share with the community the many resources available at our small library. Many thanks to all who have shared their talents, resources, time and love of books with us this year.

Respectfully submitted,
 Jayne Burnett

Westmoreland Fire/Rescue Department

772 Route 63

Westmoreland, New Hampshire 03467

Phone (603) 399-9993

wvfd1@verizon.net

**Harry Nelson, Chief
Deputy Chief**

Edwin Johnson,

The Department responded to a total of 142 fire and rescue calls in 2010. These calls consumed over 467 person hours. The Department welcomed three new members this past year. A Forest Fire Warden's dinner was hosted by the department in May. In July the Department held its annual Chicken Barbecue, unfortunately the town band was unable to perform due to a rain shower.

This past year we had an old house donated to us for the purpose of doing some fire/rescue training. The training consisted of fire attack, ventilation, ladders, search and rescue, TIC, accountability, and hose advancements. Westmoreland, Spofford and Chesterfield Fire Departments participated.

The Westmoreland Fire Fighters Association bought a used 2004 Ford F-350 4x4 cab and chassis for the use of a brush truck. A new skid unit was purchased and a new flatbed body was built. Patrick Greenwood from Greenwood Unlimited built the truck. Patrick also donated some of his time towards the building of the truck. Also donating to the cause was Scott Talbot from Skywave Safety who donated warning lights for the truck. Once the truck was completed the Westmoreland Fire Fighters Association donated the brush truck to the town to be used by the Fire Department. This new brush truck is replacing a 1954 Dodge.

At last years town meeting the citizens of Westmoreland approved the purchase of a new tanker for the Fire Department. It has taken almost a year to have the truck built but we should take delivery in February.

We are hoping to have an open house this summer so that the citizens of Westmoreland can come and view the fire equipment that the Town has.

Visitors are always welcome to stop by the Fire Station for a tour. Any Westmoreland resident interested in becoming a member of the department may join us the third Tuesday of each month at 8:00pm at the Fire Station.

The members of the Westmoreland Fire/Rescue Department would like to thank the citizens for their outstanding support again this past year. Our goal is to keep the citizens of Westmoreland safe from harm. If you have any questions feel free to contact us at 399-9993 or wvfd1@verizon.net

Respectfully Submitted

Harry E Nelson, Fire Chief

CEMETERY TRUSTEE REPORT

There were four cemetery lots sold in 2010. Lots are available for sale in the East and South Village cemeteries. The North & Gline cemeteries have a limited number of lots left. The Cemetery Trustees must be notified of all burials, including cremations, in a town cemetery. This is important so that the burial is done according to regulations and becomes a permanent record of the town. For the mutual protection, respect and benefit of all lot owners, there are restrictions on decorations, enclosures, plants and shrubbery. By-Laws are available from the Cemetery Trustees.

In the spring, there was a cemetery clean-up work bee and we would like to thank all those who helped. We concentrated on raking and trimming around the outer borders of the North Cemetery. Our town cemeteries are an important part of our history. If you would like to be a part of preserving that history, please contact one of us and listen for the notice of the 2011 Spring Clean-Up.

A special thank you also goes out to the Patrick Moody Family for their work at the Lord Cemetery and to Bill Statz for trimming at the Gline Cemetery.

Plans for 2011 include stone repair and to replace fencing at the South Village Cemetery. We will be getting bids for this work along with the mowing.

Cemetery Trustees

Jo Ann LaBarre

Robert Moore, Jr.

Robert Davis

NH RSA 36-A, provides a Conservation Commission with the basic purpose to identify, protect and conserve the land and water resources of their community. Charged by RSA 482-A, and RSA 483-B the Commission reviews local wetland applications and, in conjunction with the NH Wetlands Bureau, is involved in the NH Shoreland Protection Act. In addition we have a responsibility in the review process of sand and gravel permitting under RSA 155-E. Information and applications for the activities described are available at the town office, at the town website at westmorelandnh.com or at the NH Department of Environmental Services at des.nh.gov.

In addition to reviewing and responding to wetland applications, general wetland issues, environmental concerns and inquiries, the Commission has worked with the planning board on issues including affordable housing, conservation subdivisions and gravel pit applications.

We met with the Planning Board, Zoning Board of Adjustment and the selectmen for the purpose of how to coordinate the functions and responsibilities of each, facilitate paperwork and approval documentation. Responding to NH DOT road improvement plans, assisting with the development of a new town website, and the PSNH energy savings plan are some of our other activities during the year.

A major activity in 2010 continued to be reviewing and preparing a final draft of a Conservation Plan for the town. Input from two town forums in 2008, and follow-up from resident committee meetings for the last couple years has been consolidated and prioritized in preparation of the plan. As prioritized by the residents that chose to become involved, it provides natural and cultural resource data, outlines those areas and qualities that are special to the people, and provides some voluntary guidelines on how conserve those amenities. The effort is part of the Community Conservation Partnership (CCP) with the Monadnock Conservancy, Antioch New England Institute, the Southwest Region Planning Commission and UNH Cooperative Extension. In December a final draft was completed and presented to the Planning Board for their review. They will review and schedule a public hearing before considering adoption as part of the town's master plan.

We continue to work with Cheshire County officials in decisions of the future of the County Farm property, and have been represented at a couple farm delegation meetings and presented formal testimony. Retention as a working landscape in farm and forestry activities remains a high priority for the Commission and we will continue to pursue a conservation easement for permanent protection of the property.

As usual, members are active in a number of committees and groups in town and the region and often attend a variety of natural resource training and seminars throughout the year. We also have representation on the town water protection program committee coordinated by the Granite State Rural Water Association, representation on the Connecticut Joint Rivers Commission and the Monadnock Conservancy.

The Commission meets the first Thursday of the month at 7 PM at the Town Hall. Feel free to contact any of the members about our work or with questions or concerns with environmental or conservation issues. Also check the town website for more information on the Conservation Commission.

Anyone interested in becoming more involved (we have seven full time members and an allowance of any number of alternate members) can contact the Chairman or the Selectmen.

Respectively submitted, Marshall Patmos , Chairman John Lukin, Vice Chairman

Members: Dick Schmidt Ken Wright Paula Page Bill Foshier Gary Dermott Selena Gallen alternate

Planning Board Report 2010

Westmoreland Planning Board members are appointed by the Selectmen. The board holds regular meetings at the Town Hall on the second Tuesday of each month at 7:00 PM. These meetings are open to the public. If anyone has business to bring before the board, they should contact the board's secretary, Lori-Anne Ingram, to be put on the agenda. Anything requiring a hearing must be officially noticed which means that the secretary must receive the information 21 days prior to the meeting.

The purpose of the planning board is to guide the development of the town. Decisions are made considering the landowner's rights and desires and balancing this with the intent of the town as shown in the Master Plan and Zoning Ordinances through processes such as subdivision and site plan review. We would like to remind residents that the Zoning Ordinances and booklets listing the necessary steps and applicable ordinances for subdivision or site plan review as well as our board procedures are available in the Selectmen's office and will be on the town's new website. If a resident is planning any changes or construction on any land in town, a call to the Zoning Administrator or Building Inspector is the first place to start. This is the best way to find out if any necessary permits or processes are needed. If residents have suggestions for changes for the Zoning Ordinances we encourage you to submit them to the board for consideration.

In 2010 there were: two site plans approved, one subdivision not accepted as complete and one minor subdivision approved. There were two informational meetings with people who wanted to know about processes for use of their land. There were two items that were referred to the Selectmen for review and addressing.

We are working to remove inconsistencies between the voted policies and handouts or posted materials that incorrectly reflect voted procedures. In addition, we are in the process of reviewing the town zoning ordinances. Challenges we faced with the extensive review for one of the site plans consumed considerable time this year, slowing the ordinance process down. We have marked ones that we will revisit and make possible adjustments to. We also have been gathering information on how Westmoreland can best meet the new Workforce Housing Statutes and still maintain the rural character of the town. This will not be easy and the residents of Westmoreland will have some tough decisions to make when the draft changes are presented for town vote. We have more work to do but have presented some of revised ordinances for voting upon at the 2011 town meeting.

Dawn Lincoln and Richard Paul were appointed as additional alternates and Russ Kotfila served as the Selectboard Representative. We continue to be represented on the committee considering uses for the former county jail and helped with the hazard mitigation update.

TRANSFER STATION REPORT

As was planned in the 2010 Budget, the Town purchased a larger compactor container in April. This larger container has resulted in fewer hauling trips and thus has saved money for the Town. The following table compares the number of times that each container was emptied (and that the Town paid for):

<u>Container</u>	<u>2010 (12 months)</u>	<u>2009 (April-November only)</u>
Compactor	32	34
Co-Mingle	31	33
Demo	23	23
Cardboard	4	4
Newspaper	5	4

Miscellaneous revenue was received from various sources. "Demo" receipts produced \$2,800. This includes larger items such as non-burnable wood, shingles, and old furniture (beds, mattresses, couches, etc.). Receipts from sale of metal totaled \$1,627.60 and the sale of aluminum cans produced \$545.16. No income was produced from either the cardboard or the newspaper. However, the firm hauling these items has agreed to resume paying the Town for these in 2011.

New Transfer Station stickers will be required for all vehicles entering the facility as of June 1, 2011. The purchase price will be \$5 for the first sticker and \$1 for each additional family vehicle. New stickers will be available from the Town Clerk and in the Selectmen's office during normal office hours. New stickers will be available starting on April 1, 2011.

Westmoreland Zoning Board of Adjustment

Zoning Board Chairman: Peter Remy

Members: John Burt, Russell Huntley, Brian Merry, Barry Shonbeck

Alternate members: Nancy Ranson, David Wirth

Clerk, Jacqueline Cleary

The Zoning Board of Adjustment meets each month that an application has been filed for a Variance or Special Exception. On December 15, 2010 the Board voted to change the regular meeting day from the 4th Wednesday of the month to the 3rd Wednesday of the month. The meetings are open to the public and start at 7:30 PM at the Westmoreland Town Hall.

Applications for a Variance or a Special Exception may be obtained by contacting the Westmoreland Zoning Administrator, Bob Moore, at 399-4310.

Meetings of 2010

January 27, 2010: The Board met to continue a hearing on the application by Cersosimo Industries for a Special Exception in regard to their property on River Road. The Board determined that no Special Exception was necessary.

February 15, 2010: The Board met to hear separate motions filed by Cersosimo Industries and Pamela Martens to reconsider the decisions it had reached at the January 15, 2010 meeting. The Board voted to hear both motions on March 25th, 2010

March 24, 2010: The Board met to hear the application by Jeffrey Brown of South Village Road for a Variance. The Variance was not granted.

March 25, 2010: The Board met to hear the Cersosimo and Martens motions to reconsider. The meeting was continued until April 8th due to the illness of one of the parties.

April 8, 2010: On the motion to reconsider filed by Ms. Martens, the Board voted to uphold its previous decision. On the motion to reconsider filed by Cersosimo Industries, the board voted to amend its previous decision.

April 28, 2010: The Board heard a motion filed by Pamela Martens to rehear her motion for a rehearing. The Board voted not to rehear the motion. The Board reheard the application by Cersosimo Industries for a Special Exception. The board voted to grant the Special Exception.

May 26, 2010: The Board met to hear a motion filed by Pamela and Russell Martens for a re-hearing concerning the Board's decision of April 28th. The Board voted to deny the motion.

June 23, 2010: The Board met to hear the application of Eugene Bowman for a Special Exception for his property on Old Mill Brook road. The Board granted the Special Exception.

November 24, 2010: The Board met to hear an application by Steve O'Brien for a Special Exception for a property on Route 12, Map R-14, Lot 35. The hearing was continued until December 15, 2010.

December 15, 2010: The Board resumed the hearing of November 24, 2010 and voted to grant the Special Exception.

Respectfully submitted,

Peter Remy, ZBA Chairman

2010 Report from the Westmoreland Park Hill Meeting House and Historical Society

This year has brought some major changes to our society with the merge of the Westmoreland Historical and the Park Hill Meeting House Societies. This brings our combined membership close to 100 households and well over 200 on our mailing list. Forty-two people have chosen to become LIFE time members with a very generous donation. A Past Perfect software program was purchased and installed in our new computer to give us better control and knowledge of our mailing list. While we have always enjoyed opportunities to collaborate with each other, we felt that the merger would best serve our town and our common interests.

New bylaws have been approved and new offices and officers have been named; however, our original primary purpose(s) will continue to be the preservation of the Meeting House and the Corner School House.

With these aims in mind we will now publish our Newsletter four times yearly to inform our members of the Spring and Fall programs as well as two general membership meetings combined with pot luck suppers.

During the past year an application for an LCHIP grant was submitted and has been approved for approximately \$60,000 to help with the cost of a new slate roof for the Meeting House. We anticipate this will be installed during the coming summer.

The Westmoreland Lions Club graciously donated the cost of the needed remaining storm/combo windows for the Corner School House which were installed and work is progressing on restoring and painting the sash.

Application was submitted and granted for a New Hampshire Historical Building designation for our Town Hall, built in 1916. Our Society will work towards its repair and restoration to former first class condition.

The Wurlitzer Victrola which children at the Corner School enjoyed for years, was cleaned and restored by Bill Fletcher and we greatly appreciate his efforts. We plan to play some of the old records this spring at one of our meetings.

The annual Tag Sale at the Meeting House in September was the usual great success and our 2011 Calendar of Old Photos and Post Cards has been selling fairly well.

In June the Program Committee organized and held a History Tour. Paula Page produced a very nice brochure with a map of the town's early historical areas and received an award for her efforts from the Association of Historical Societies of New Hampshire, Inc.

The History Tour was combined with our Open House at the Corner School and we enjoyed visits by six former students, Arlene (Kenyon) Midgley, Louise (Bittner) Renaud and her sister Jane (Bittner) Fountain, Joye (Churchill) Barrett, Linwood Paine and Patricia (Rounds) Moore.

In addition, we were pleased to have all the current students at the Westmoreland School visit the Corner School House to learn what children experienced 60 years ago and earlier while acquiring an education in a one-room school house.

Last but not least, because we are members of the Roundtable group in Cheshire County we participated in the exhibit at the Historical Society of Cheshire County on one-room school houses and the publication of a related booklet entitled, *The Nursery of Liberty, Schools and Education in the Monadnock Region*. A few copies are still available at \$10 each.

Co-Directors: John Harris & Stuart Sadick
Treasurers: Jan Hurley & Dawn Lincoln
Clerk: Jan Youga
Archivist: Jan Carpenter

BUILDING INSPECTOR

A total of 22 permits were issued – year ending December 31, 2010:

Single family dwelling	1	Sheds	2	Barns	1
Garage	7	Additions	5	Remodeling	5
Deck	1				

Respectfully Submitted,
Larry Muchmore
Building Inspector

HEALTH OFFICER

Lloyd F. Draper, Health Officer

During the 2010 year Health Officer Lloyd Draper was involved with the following concerns:

1. Inspection of a private school
2. Inspection of a child care facility
3. 4 inspections of potential foster homes for various social agencies
4. Questions as to sanitation and care of livestock on two separate occasions

Barbara Chase, Deputy Health Officer, continued developing the emergency items for the town's response to epidemics, bio-terrorist attack, and difficulties if a bio-hazard occurs. Mrs. Chase has performed well in creating and refining such a program.

CONNECTICUT RIVER JOINT COMMISSIONS

2010

This year the Connecticut River Joint Commissions faced and dealt with a financial crisis which could have bankrupted the Organization. Through the oversight and vigilance of some of our commissioners major financial shortfalls in matching funds for grants and administrative weaknesses were discovered. The resulting shortfall in administrative funds forced us to lay-off paid staff and reduce our operating costs to bare-bones for the 2010-2011 fiscal years. We were able to return our business/office manager to part-time duty and several commissioners stepped up to the plate to continue program services and devise plans to sustain the operation and reimburse our grantors for overmatched funds.

As of this writing we have paid back all outstanding debt, continued our program commitments, largely through the help of the regional planning commissions, and met the requirements of our two state grants. We are currently planning to contract as much programming help as we can afford.

We have come through a difficult period but the future looks bright for the CRJC and its Local River Subcommittees.

Thanks to all who helped us through this difficult period.

SCHOOL WARRANT

To the inhabitants of the school district in the Town of Westmoreland qualified to vote in District affairs:

You are hereby notified to meet at the Westmoreland Town Hall in said District on the 8th day of March, 2011, at 11:00 in the forenoon to act upon the following article. Polls will open at 11:00 a.m., and will close no later than the time of closing the polls for the election of town officials.

ARTICLE 1: To choose all necessary school district officers:

Two School Board Members for three-year terms
One School Board Member for one-year term
A Moderator for one-term term
A Clerk for one-year-term
A Treasurer for the ensuing year beginning July 1, 2011

Given under our hands at said Westmoreland, this 5th day of February, 2011.

STATE OF NEW HAMPSHIRE SCHOOL WARRANT

To the inhabitants of the school district in the Town of Westmoreland qualified to vote in District affairs:

You are hereby notified to meet at the Westmoreland School Gymnasium in said district on the 11th day of March, 2011, at 7:00 O'clock in the evening to act upon the following articles:

ARTICLE 1: To hear the reports of agents, auditors, committees, or officers chosen, and to pass any vote relating thereto.

ARTICLE 2: To see if the district will vote to raise and appropriate the budget committee's recommended amount of \$3,249,219 for the support of schools, for the payment of salaries for the school district officials and agents, and for the payment for the statutory obligations of the district. The school board recommends \$3,249,219.

ARTICLE 3: To see if the District will vote to raise and appropriate up to \$16,000 to be used in conjunction with general fund dollars for a building safety and security project which would relocate the main office and special education rooms, and further to authorize the withdrawal of up to \$16,000 from the Capital Reserve Fund established by the voters of the District on March 16, 2001, for the purpose of major renovation/reconstruction of school buildings and related costs, or to take any other action in relation thereto. *(The Westmoreland Budget Committee supports favorable action on this warrant article. The School Board supports favorable action on this warrant article.)*

ARTICLE 4: To see if the District will vote to appropriate and authorize the School Board to transfer up to Fifteen Thousand Dollars (\$15,000) of its unreserved fund balance, if any, remaining on hand at the end of the fiscal year, June 30, 2011 to be deposited in the Capital Reserve Fund established by the voters of the District on March 16, 2001, for the purpose of major renovation/reconstruction of school buildings and related costs, or to take any other action in relation thereto. *(The Westmoreland Budget Committee supports favorable action on this warrant article. The School Board supports favorable action on this warrant article.)*

ARTICLE 5: To see if the District will vote to appropriate and authorize the school board to transfer up to Twenty Thousand Three Hundred fifteen Dollars (\$20,315) of its unreserved fund balance, if any, remaining on hand at the end of fiscal year, June 30, 2011, of its unreserved fund balance, if any, remaining on hand at the end of fiscal year, June 30, 2011, to the Special Education/High School Tuition Fund established by the voters of the District on March 16, 2001, for the purpose of paying future year unanticipated special education and/or high school tuitions or to take any other action in relation thereto. If there is an insufficient, undesignated fund balance as of June 30, 2011 to fund this appropriation and the appropriation in Article 4 (Capital Reserve Fund), Article 4 will be funded first, with any additional surplus to be applied to this warrant article. *(The Westmoreland Budget Committee supports favorable action on this warrant article. The School Board supports favorable action on this warrant article.)*

ARTICLE 6: To transact any other business that may legally come before the meeting.

Given under our hands at said Westmoreland, this 5th day of February, 2011.

WESTMORELAND SCHOOL BOARD

Westmoreland School District Meeting
March 12, 2010

Call to Order: District Clerk Debra Nelson called the meeting to order at 7:00 pm. After the Pledge of Allegiance she asked for nominations from the floor for a Moderator for the meeting. Mr. Adams made a motion to appoint Mr. Robert Moore, seconded by Mrs. Fletcher. Mrs. Nelson asked for any discussion from the floor, hearing none Mr. Moore was declared Moderator for the meeting.

Mr. Moore explained the rules for the meeting and introduced all the School Board Members, SAU 29 Personnel and Dr. Morris, Principal. Mr. Moore also pointed out the mural of Westmoreland and some of its landmarks that was displayed behind him.

Mr. Moore read the results of the election held on Tuesday, March 9, 2010 as follows:

- a. Bruce Smith, Moderator
- b. Debra Hunter, School Board Member
- c. Melissa Lemnah, District Treasurer
- d. Lori Ingram, Auditor
- e. Debra Nelson, District Clerk

Mr. Moore read the School District Warrant in its entirety.

Mr. Moore Read Article I:

To see if the District will vote to raise and appropriate the sum of \$250,000.00 for the renovation of the original wing of the Westmoreland School including fire safety renovations of the building's insulation envelope encompassing insulation, wiring, ceilings and lighting, flooring replacement, asbestos abatement, replacement of existing windows, and required fire door replacement, and related costs, and to authorize the issuance of not more than \$215,000.00 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA Chapter 33) and to authorize the school board to issue and negotiate such bonds or notes, and also to determine the rate of interest thereon: furthermore to authorize the withdrawal of \$35,000.00 from the District's Capital Reserve Fund established by voters on March 16, 2001 for such a purpose; or to take any other action in relation thereto. (*The Westmoreland Budget Committee and School Board support favorable action on this warrant article.*) (2/3 ballot vote required)

Mrs. Madeline Ullrich made a motion to accept Article I as read, seconded by Mrs. Justine Fletcher. Mr. Moore asked for discussion. Mr. Adams noted that the blue handout that voters were given as they entered tonight's meeting outlines the project in Article I. We had announced at last years district meeting that the State Fire Marshall's office has notified us that this needs to be repaired. We did not include items D, G, and H that are outlined in the proposal as we felt that those could be done within our regular five year maintenance plan. We are addressing items A, B, C, E, and F. We are told this is the last year to be eligible to receive State Building Aid. A five year bond saves about \$30,000.00 in interest as well as \$35,000.00 from the Capital Reserve Fund. We would

be slated to receive about \$75,000.00 from the state for reimbursement. The ceiling is open this evening in front of the library for anyone who would like to see the safety issues outlined in the handout. Mr. Kurt Martin asked Mr. Adams to please comment as to what the Fire Marshall could do if this safety issue is not addressed? Mr. Adams noted that they could shut us down-they know we are moving forward in good faith. Mr. Jack Laurent asked if State Aid is a definite. Mr. Timothy Ruehr stated the bill currently for projects for safety are a priority. Right now we are told yes, but there is never a guarantee. Mr. Bruce Clement asked where the construction cost figures were derived from. Mr. Adams noted that this is the architect's estimated costs. Mr. Clement voiced concern that if bids have not been received already that bidders would just bid the full Article I amount rather than actual costs. Mr. William Campbell asked if bond rates are still at 3 1/2% or lower. Mr. Ruehr noted that the bond would not be issued until July 1, 2010 so can't guarantee percentage rate today. Mr. Adams noted that the architect would put together the final bid documents. Mr. Moore asked for any other questions, comments or discussion. Hearing none, he opened the polls for voting at 7:20 PM. *(after all present voters placed their vote Mr. Moore continued on with the meeting noting that the polls would remain open until 8:20 PM for any other voters that entered the meeting and wished to submit a vote).*

Mr. Moore read Article II:

To hear the reports of agents, auditors, committees, or officers chosen, and to pass any vote relating thereto.

Mrs. Ullrich made a motion to accept Article II as read, seconded by Mrs. Fletcher. Mr. Moore asked for discussion, hearing none, asked for a voice vote, the article passed.

Mr. Moore read Article III:

To see if the district will vote to raise and appropriate the budget committee's recommended amount of \$3,045,652.00 for the support of schools, for the payment of salaries for the school district officials and agents, and for the payment for the statutory obligations of the district. The school board recommends \$3,045,652.00.

Mrs. Ullrich made a motion to accept Article III as read, seconded by Mr. Fletcher. Mr. Moore asked for discussion. Mr. Ruehr noted that he made a mistake when preparing the budget the teachers pay increases, were not included. The bottom line of the budget shows a total of .6% increase and it should actually be a 1.6% overall increase with the salary increases included. The complete budget is in your handout this evening as well as the associated revenue and tax impact. The tax increase will be .32 per \$1,000.00, for a house assessed at \$200,000.00 it would be a total increase \$64.00. Mr. Rand Burnett asked if we increase the budget by the amount the salary increase what is the tax impact. Mr. Ruehr noted about .15 per thousand. Mr. Thomas Bates asked if the benefits line would also need to be increased. Mr. Ruehr stated that the benefits line is correct as shown. Mr. Jason Magee moved to amend Article III by \$30,479.00, seconded by Melissa Lemnah, Mr. Moore asked for a voice vote, the motion passed. Mr. Moore read Article III with the new amended amount of \$3,076,131.00. Mrs. Gwen Mitchell inquired about State Adequacy Aid for the 2010/2011 budget year. Mr. Ruehr stated

\$614,414.00 is slated but it is an unknown and based on the number of students and other factors. Mr. Moore asked for any other discussion, hearing none asked for a voice vote on the amended Article III in the amount of \$3,076,131.00, the article passed.

Mr. Moore read Article IV:

To see if the district will vote to appropriate and authorize the school board to transfer up to Fifteen Thousand Dollars (\$15,000.00) of its unencumbered funds, if any remain on hand at the end of the fiscal year, June 30, 2010 to be deposited in the Capital Reserve Fund established by the voters of the District on March 16, 2001, for the purpose of major renovation/reconstruction of school buildings and related costs, or to take any other action in relation thereto. *(The Westmoreland Budget Committee and School Board support favorable action on this warrant article.)*

Mrs. Ullrich moved to take NO action on Article IV at this time, seconded by Mrs. Fletcher. Mr. Stuart Adams noted we are running a deficit at this time due to unanticipated special education costs. Mr. Gary Durmont asked why not vote this article just in case something changes. Mr. Stuart Adams stated that Mr. Durmont was correct things change quickly. Mr. Timothy Thompson asked for clarification on what the present vote is. Mr. Moore explained that we are on the motion to pass over Article IV. Mrs. Lemnah made a motion to return to the original Article IV for a vote, seconded by Mr. Durmont. Mr. Adams noted that if we do run a deficit this year due to special education that we do have a reserve fund to cover the unanticipated costs. Mr. Moore read Article IV again, asked for a voice vote, the article passed.

Mr. Moore read Article V:

To transact any other business that may legally come before the meeting.

Mrs. Ullrich move to accept Article V as read, seconded by Mrs. Fletcher. Mr. Adams thanked Mrs. Ullrich for her service with the board and read the following resolution for her:

A Resolution
Adopted March 12, 2010

Whereas, Madeline Ullrich has served the School District of Westmoreland as a school board member for five years, one of those years with distinction as vice chairperson; and,

Whereas, Madeline Ullrich served on the Health and Wellness Committee for four years; and,

Whereas, Madeline Ullrich served on the Keene School Board Education Committee for four years; and,

Whereas, Madeline Ullrich has been a loyal advocate for the teachers of Westmoreland School; and,

Whereas, Madeline Ullrich was a liaison between the School Board and the PTA; and,

Whereas, Madeline Ullrich has always conducted her duties diligently and promptly, and has given of her time and expertise in a manner truly reflecting her genuine interest in the Town of Westmoreland, its children and the future; and,

Whereas, Madeline Ullrich's commitment to education has been evidenced by her willingness to talk with, and listen to, community members to become better informed as to the needs and wants of the community; and,

Whereas, Madeline Ullrich has held high expectations for herself and other board members relative to the decision making policy development processes; and,

Whereas, Madeline Ullrich is experienced, knowledgeable and dedicated; she will be missed; now, therefore, be it

Resolved, that the School District of Westmoreland, in grateful acknowledgement of Madeline Ullrich's numerous contributions, honor itself by causing a copy of this resolution to be spread upon the records of the District as a permanent tribute to Mrs. Ullrich, and that a copy of this resolution be presented to Madeline Ullrich

The Westmoreland School District

Mrs. Ullrich thanked everyone and noted how much she has enjoyed working with the board.

Mrs. Fletcher thanked Mr. Ruehr and Mr. Wayne Woolridge and all other SAU 29 personnel for all they do for Westmoreland School District.

(the meeting was delayed/recessed for 20 minutes waiting for the polls to close at 8:20 pm)

At 8:20 the ballot box was opened and ballots counted. Mr. Moore called for the attention of the voters to announce the outcome of the ballot vote for Article I. Mr. Moore stated that there were 71 ballots cast, 65 yes, and 6 no, Article I passed.

The meeting was adjourned at 8:27 pm.

Respectfully Submitted,

Debra J. Nelson
District Clerk

ADMINISTRATIVE REPORT

Congratulations to the students and staff from Westmoreland, who continue to show tremendous academic performance in reading, writing and math on the New Hampshire state assessments released on January 31st. Congratulations and thank you to staff members, who have invested their knowledge, skills, and dedication in assisting students in their learning each day. On the annual state assessments Westmoreland had the second highest math score among area schools. Of the 14 school districts in the region, Westmoreland students also achieved the second highest score in reading. In addition to the great scores in reading and math Westmoreland students scored first in writing. The improvement that has occurred in test scores should not be taken for granted. Continued progress is highly contingent upon open lines of communication between the home and school and a good understanding of what goes on in the school.

Several changes on the national level will impact our Westmoreland students. One significant change is the new Common Core Standards which were finalized and released in June of 2010, and adopted by the New Hampshire Board of Education in July 2010.

Forty three states have adopted these common grade-level expectations, as the movement to align nationwide what students are learning gains steam. The Common Core is the precursor to the Nationwide Assessment likely to be implemented by 2014.

It is likely that Congress will complete the revision to No Child Left Behind this session. President Obama's recommendations are summarized in the document "Blueprint for Reform" which is posted on the top left corner of the SAU 29 web page. Instead of focusing on schools' ability to achieve adequate yearly progress (as required by NCLB), the blueprint sees preparing college and career ready students as the goal, with accountability based on student growth over time. No longer would federal law require only measurement of where students scored in a single year; instead, students would be assessed on both their status and their year-to-year growth.

At the State level, House Bill 1523, the Bullying Bill has been enacted into law. As mandated by this law Westmoreland has adopted a written policy prohibiting bullying, harassment, intimidation and cyberbullying.

The law mandates investigations of bullying, harassment, intimidation or cyberbullying and must be initiated within five school days of a reported incident. The law also requires school districts to provide training on preventing, identifying and responding to incidents of bullying, harassment, intimidation or cyberbullying. The training must be provided to school employees, volunteers, parents, and employees of any company under contract with a school who will have significant contact with students. We have to offer the training by the end of April, with annual training thereafter. In order to comply with the law, Westmoreland must also provide an educational program for students and parents related to bullying issues.

Westmoreland students are doing very well at Keene High School. The overall attendance rate at KHS is 95.09%, Westmoreland's overall attendance rate is 96.12%. Keene High Schools total GPA for 2009-2010 is 2.79, Westmoreland students at KHS have a combined grade point average of 2.87

Westmoreland seniors reported plans to attend post-secondary educational institutions last spring. These schools included: Keene State College, River Valley CC, University of New Hampshire, St. Michael's College, Union College, Mount Holyoke College, Paul Smith's College, Methodist University, Southern New Hampshire University, University of New England, Arcadia University, University of Vermont, Husson University, and New Mexico Institute-Prep School.

At least one Westmoreland student participated in each of the following Keene High School extra-curricula activities: Alpine Skiing, Band, Boys Baseball, Boys Baseball Varsity, Boys Basketball, Boys Basketball JV, Boys Basketball Varsity, Boys Cross Country, Boys Lacrosse, Boys Soccer, Boys Soccer JV, Boys Soccer Varsity, Drama Club, FCCLA (Family & Career Community Leaders of American), Football, Football Varsity, Girls Basketball, HOSA, Interact, Literary, Spirit, Free Tibet, Students for Peace, Ushers, and Young Monadnock Cares.

The constructive working relationship between the school board and staff continues to promote continuous school improvement. This is facilitated by good communication between the staff and board and by board members' recognition of, and positive interaction with, the staff.

We invite you to visit Westmoreland School, attend a school-related activity, or participate in a school board meeting; we encourage you to attend the Annual District Meeting on Friday, March 11, 2011 at 7:00 PM. Thank you for your support of Westmoreland's children and their education.

Wayne Woolridge
Co-Superintendent of Schools

PRINCIPAL'S REPORT

Enrollment

This fall we enthusiastically welcomed 21 new kindergarteners. As of January 17, 2011, our enrollment is 155 students and our class sizes are:

K – 20	3 – 23	6 – 20
1 – 16	4 – 14	7 – 9
2 – 13	5 – 22	8 – 18

School Improvement Goals

This school year's goals are a continuation of last year's goals:

Student Learning (OUR #1 PRIORITY)

DINI, SINI (District in Need of Improvement, School in Need of Improvement)

Through PLC, alternative interventions, differentiated instruction, co-teaching, at risk assistance, and using NWEA, NECAP and teacher observations to develop data, in order to make AYP (Average Yearly Progress) based on NECAP Scores.

The staff is building an academic schedule that includes 300 minutes of math and English each week. We continue to use our school website as a vehicle for information for students, parents, volunteers, and community members. Please visit us at www.sau29.org/westmoreland. Additionally, we share our goals and important information through classroom and school newsletters, classroom morning meetings, open house, monthly Principal Chat's, and all-school assemblies.

Academics

We would like to congratulate Adam Burnett as the valedictorian and Abigail Hunter as the salutatorian for our eighth grade class of 2010. Thirteen graduates participated in commencement and have transitioned successfully to Keene High School. We are proud of the comprehensive educational experience our students receive at Westmoreland School. To prepare for the rigors of secondary education, all students have access to courses in Health, Physical Education, Art, Guidance, and Library Technology. Students in grades 5-8 take World Language. Our core content academics are assessed through a variety of means, including the No Child Left Behind mandated New England Common Assessment Program (NECAP) tests, Northwest Evaluation Association's (NWEA) Measures of Academic Progress (MAP) tests, and classroom assessments. Rather than placing test preparation as a priority, teachers at Westmoreland School focus on the New Hampshire Core Curriculum

Arts and Enrichment

We continue to benefit from a fine and performing arts program. Our art classes take a developmental approach and are rooted in art appreciation, history, and theory. Mr. Barrett continues to provide a differentiated music program. He directs the 5th grade Band the 6-8th grade band and the chorus. Mrs. Newton and the bell choir performed during this past holiday season in addition to school and regional venues.

New Hampshire Dance Institute Program continues as a Westmoreland School tradition – supported by teachers and families. This year's theme is "*I Want to Know*" and will be performed over the weekend of May 27, 2011 at Keene State College. This is the 25th anniversary of NHDI and Westmoreland School is a founding member! Field Trips have included: Westmoreland-based community trips, Cheshire Historical Society, Cheshire Career Center, Stonewall Farm, Keene State College's Thorne-Sagenthorpe Art Gallery, and performances at the Colonial Theater. Westmoreland also hosted a residency program of dance this past fall, funding was raised by parents and all students had the opportunity to experience dance for a week, which ended with an all school performance on a Friday evening.

Our middle school community service program, under the direction of Paul Deschenes, clocked an impressive amount of combined hours of service. Westmoreland Middle School students served several community organizations, raised funds to be given to various charities, and donated their time to a variety of regional non-

profits. In addition, Mrs. Cheryl Patty, students and community members collected and donated over 250 pounds of items for the Keene Community Kitchen.

Athletics and Wellness

Cameron Fisk is our athletic director. Our soccer teams, lead by Katy Fisk and Cameron Fisk, had a successful season. Our Sports Boosters hosted the annual Connecticut Valley League Soccer Tournament in October. Amy Royce again took on the role of girls' basketball coach, while Henry Bailly directed our boys' team. We are all looking forward to spring and the opportunity for our softball and baseball teams to get underway. The town recreational league, organized by Wendy Acerno and Amy Royce, engages over two-thirds of our student population in either school or recreational athletic programs.

Facilities

We have gone through a large building improvement effort this past summer. The primary wing ceiling is now up to code and the electricity has been approved by a state inspector. There are now efficient windows, doors and lighting installed. Westmoreland was one of the last schools to receive building aid for this project. Also for safety there is a new intercom system and through grant funding a number of computers have been replaced in the classrooms. A final piece for security is to move the main office toward the front of the building, by switching the resource Room with the main office suite (this move will also help the special education students).

Volunteers

Westmoreland School always benefits from talented and dedication of volunteers. The Westmoreland School Board put into effect a policy that requires that all volunteers successfully complete a criminal background check before volunteering. Forms are available in the school office and turnaround time from the state varies depending on their volume. We are truly appreciative to those who have completed the process and who give their time and skill to help broaden our successful school community.

As your principal, I would like to thank you for all your incredible support for your school. As Westmoreland School begins its next fifty years, the faculty is in place to deliver the new core curriculum, the physical environment is in good shape to provide optimal learning, and the administration is looking forward to working with the school board to help Westmoreland students experience continued success!

Respectfully Submitted,
Dr. Christopher Morris

Health Office Report

The Westmoreland School health office got off to a smoother start this school year with both nurses returning for a second year. Cindy Wood, RN and Michelle Majewski, RN continue to share a 60% school nurse position. There has been a lower than average rate of illness during the fall semester, especially compared with last year's fall flu outbreak. We plan to begin reporting influenza-like illness (ILI) to the state if and when we see the first cluster of flu.

The health office has seen over 525 student visits since the start of school, not including regular visits by students needing a change of clothes or a loan of hats or mittens. Approximately 90 over-the-counter medications have been dispensed, as well as countless cough drops. There is one student who comes to the health office twice daily for a prescription medication. Several students keep inhalers and Epi-pens in the health office for management of allergies and asthma. Care plans are drawn up for each student with a scheduled or emergency medication.

In first through third grades, there are 37 children enrolled in the Cheshire Smiles weekly fluoride rinse program. The nurses also facilitate annual visits by Cheshire Smiles for screening, cleaning, sealants, and dental education for grades K-3.

The annual immunization audit required by the State of NH found that our school is 100% in compliance with immunization requirements. A health insurance survey shows that 98% of our student body has health insurance and the other 2% have been given information about NH Healthy Kids insurance. All students have been weighed and measured. All students were screened for hearing and vision. There have been no referrals to audiology or optometry. Scoliosis screening for middle school students is scheduled for the spring.

A seasonal flu clinic was offered for faculty and staff. Puberty education for 5th grade students will take place this spring as it was done last year in the spring as well. Head lice have not been a problem. There were a couple of isolated cases that did not spread. The school health office is following the new NH Dept. of Education guidelines regarding head lice and exclusion from school. There are also new guidelines regarding conjunctivitis (pink eye) that will be implemented, and faculty and staff will need to be updated.

Respectfully submitted,

Cindy Wood, RN and Michelle Majewski, RN

Hard to believe that another year has passed. We continue to offer many nutritious and traditional combinations which seem to be enjoyed by all staff and students. Keep in mind there are state and federal requirements which limit the portion size served to students each day. Each day there is an all-you-can-eat option of fresh fruit and salad fixings. We have added whole grain items to your child's breakfast, snack and lunch options each day. We average 90% student participation each day in our food service program.

Keeping up with tradition we offer a Thanksgiving Dinner, a Winter Beach Party in February, as well as other themes that are enjoyed by all throughout the year.

Chad Adams and I have enjoyed another year with your children and thank you for all your support. If you have any questions, comments or concerns please contact me at your convenience at 399-4421.

Respectfully Submitted,

Marcia Winchester
Kitchen Manager
