The foregoing is presented as a true statement of cash received and expended for the past year. Also the liabilities

and assets of the town, as presented by the Selectmen and Treasurer, whose accounts I find correctly kept and properly vouched. The bills of the Selectmen for services are larger, on account of the extra work in taking the Invoice of the town under the new law. Think on the whole, our affairs for the past year have been prudently managed.

Respectfully submitted,  
O. G. HALE, Auditor.

Littleton, N. H., March 1, 1880.
