REPORT OF SCHOOL BOARD.

As we submit our annual report we feel that as a whole the schools during the past year have been usually satisfactory and that good progress has been attained.

In some cases a better result might have been obtained if the attendance had been what it should have been.

We cannot recommend too highly the employment of a higher grade of teachers. No change of text books has been made this year, but would recommend a change in Geographies.

The school house in Division 3 has been shingled, but no other extended repairs have been made.

ELGIN G. FARNSWORTH,
MASON H. DOLE,
GEORGE S. SEVERANCE,

School Board.

East Washington, Dec. 8, 1905.

The schools under my supervision have been very successful.

East Washington.

The Spring term was taught by Miss Bertha L. Goldthwaite of Malden, Mass. Miss Goldthwaite was very successful in the school and the pupils made excellent progress in their lessons. The recitals were correct and well rendered.

The Fall term was taught by Mrs. M. E. C. Upton of Hillsborough, N. H. Mrs. Upton maintained good order in the school room, and the scholars made commendable progress in their studies. I regard Mrs. Upton as a superior teacher.

The Autumn term was taught by Miss Maude Blaisdell of Hillsborough Upper Village, N. H. The scholars made good progress during the term. The order was excellent. Miss Blaisdell is a successful teacher.

Wilcox Mill Division.

The first term was taught by Mrs. Emma W. Farnsworth. This school consisting of only two pupils of one family, it was thought best to be kept at the home and the mother, who is fully qualified to instruct, be employed. Only one session was held each day. Your committee was satisfied with the result.

The second term was taught by Mr. Carroll E. Farnsworth, three new pupils attending. This school made excellent progress.

Spring term of eleven weeks was taught by Mr. Carroll Farnsworth. Although this was his first term, we think he will make a successful teacher.

Fall term of eleven weeks was taught by Miss Ruth Safford. Miss Safford worked hard and faithfully to bene-

fit those under her charge. If the parents had taken any interest in the school both terms would have been more successful.
