A. STUART GAGE

Mr. Gage was born in Grafton, N. H. on October 21, 1894, the son of Fred and Laura Gage. He was a lifelong resident of Grafton until his death on June 14, 1974.

Stuart was educated in the local schools and attended the New Hampton School.

Early in his career, Mr. Gage was an associate, Mr. Bennett was engaged in a Mill business making hardwood dowels.

Mr. Gage continued to be self employed as a painter and carpenter.

The dairy business started by his father was continued by Mr. Stuart Gage for some twenty one years. Upon retirement from the dairy business he embarked on a career of Real Estate which he continued for twenty two years.

Active in civic and political affairs, Mr. Gage was Selectman of the Town of Grafton for twenty five years. He served as Town Moderator for forty years. In addition he was a Representative to the General Court for three terms.

Mr. Gage was a Trustee of the Trust funds for many years (including Kilton Fund).

During the school consolidation period, Mr. Gage was an active Grafton representative on both the School Board and the Planning Committee. The fruition of this effort resulted in the Mascoma Regional High School.

Mr. Gage was a member of Grafton Eureka Grange and Deacon of the Grafton Congregational Church.

The loss of Mr. Gage to the Town of Grafton will be felt for many years. A host of people from the present Moderator to an interested school child has expressed the loss of a quiet, dignified, ambitious public spirited citizen.

**WARRANT TOWN OF GRAFTON
THE STATE OF NEW HAMPSHIRE**

The Polls will be open from 10:00 a.m. to 6:00 p.m. on March 4, '75.

To the inhabitants of the Town of Grafton in the County of Grafton in said State, qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall in said Grafton on Tuesday, the Fourth day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To vote by official ballot, pursuant to New Hampshire RSA60:38 (supp) on the following question: "Shall the provisions for absentee ballot for the election of Town Officers be adopted by this Town?"

3. To see if the Town will recommend to the Mascoma Regional School District, that the School District adopt the provision for absentee ballot for the election of School District Officers.

4. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same.

The business meeting to act on the remaining articles in the 1975 Town Warrant will begin at 7:30 pm at the Grafton Town Hall:

5. To see if the Town will vote to hear a report of the Budget Committee and to act thereon.

6. To see if the Town will vote to raise and appropriate the sum of One Thousand One Hundred and Fifty Six and 64/100 Dollars (\$1,156.64) and thereby receive Seven Thousand Seven Hundred and Ten and 97/100 Dollars (\$7,710.97) from the State for Town Road Aid.

7. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of tax revenues.

8. To see if he Town will vote to authorize the Selectmen to convey by Quitclaim Deed all property acquired by Tax Deed or to take any other action pertaining thereto.

9. To see if the Town will vote to allow the monies accumulated through the rental of Town highway equipment and monies presently in the capital reserve fund to be used for the purchase of highway equipment by the road agent with the consent of the Selectmen.

10. To see if the Town will vote to authorize the appropriation of and to spend the sum of Four Thousand Dollars (\$4,000), to be used in conjunction with the Revenue Sharing Funds, for the preparation of the Town Tax Map which is required to be drawn prior to January 1, 1980.

11. To see if the Town will vote to authorize the appropriation of and to spend the sum of One Thousand Dollars (\$1,000) for the purpose of painting the exterior of the Town Hall.

12. To see if the Town will vote to authorize the appropriation of and to spend the sum of Three Hundred and Seventeen Dollars (\$317) in order to join the Upper Valley-Lake Sunapee Council.

13. To see if the Town will authorize and empower the Planning Board to approve or disapprove, in its discretion, plans showing streets or the widening thereof, or parks, according to regulations governing the subdivisions of land within its jurisdiction which the Planning Board shall adopt, and to make it the duty of the Town Clerk to file with the Grafton County Registry of Deeds, a certificate or notice showing that the said Planning Board, has been so authorized, giving the date of such authorization, all pursuant to NHRSA Chapter 36, and any amendments thereto: N.H. R.S.A. Sections 36:19-29 inclusive and section 34.

14. To see if the Town will vote to adopt a Building Code and Registration Ordinance as proposed by the Planning Board.

15. To see if the Town will vote to authorize the Board of Selectmen to enter into a contract or contracts for the use of a land fill dump; or other suitable method for the disposition of solid waste material; amount not to exceed the total sum of Eight Thousand Dollars (\$8,000) for the said contract or contracts; for operating the present Grafton dump until the effective date of said contract or contracts and also for the closing of the present Grafton dump; and further, for all other attendant costs incurred or the collection of solid wastes and the transportation of the solid wastes from Grafton.

16. To see if he Town will vote to require, as a condition precedent to acceptance by the Town of a street, road or highway, that the said street, road or highway meet the following specifications:

- (1) minimum depth of 15 inches of gravel;
- (2) minimum width of 18 feet of road surface;
- (3) proper drainage and sloping rights;
- (4) minimum width of 26 feet from ditch to ditch;
- (5) minimum width of 50 foot right of way;

regardless whether the street, road or highway is located within or without a subdivision and further, to require hat any application for acceptance by the Town of a street, road or highway be first submitted to the Planning Board for their approval or disapproval.

Given under our hands and seals, this 12th day of February, in the year of our Lord Nineteen Hundred and Seventy-Five.

ALDEN H. DADMUN, Chairman
CHARLES BENO
GERALD W. STILES

Selectmen of Grafton,
Grafton County, N. H.

PERMANENT OFFICE, - - - SYRACUSE, N. Y.

ESTABLISHED 1866.

"He that hath much to do, will do something wrong, and of that wrong must suffer the consequence; and if it were possible that he should always act rightly, yet when such numbers are to judge of his conduct, the bad will censure and obstruct him by malevolence, and the good sometimes by mistake."—SAMUEL JOHNSON.

SYRACUSE, N. Y.:
THE SYRACUSE JOURNAL COMPANY, PRINTERS AND BINDERS.
June, 1886.

GRAFTON lies in the extreme southern part of the county, in lat. $43^{\circ} 34'$ and long. $72^{\circ} 49'$, bounded north by Orange and Alexandria, east and south by the county line, and west by Enfield and Canaan, having an area of 21,993 acres. It was originally granted to Ephraim Shearman and others, August 14, 1761, and named in honor of an English nobleman. This grant was surrendered by a vote of the grantees, however, December 27, 1762, and the township was re-granted September 12, 1769, to Josiah Willard and others, many of whom were from towns in Cheshire county. The town was incorporated by the legislature November 11, 1778, in answer to a petition from the inhabitants, Daniel Sanders being authorized to call the first meeting. An act was passed relating to the boundaries of the town, March 28,

1781, and one establishing the same was approved June 18, 1802, as follows:—

“Whereas by an act of the General Assembly of the State of New Hampshire Passed on the 28th Day of March Last Jeremiah Page Esq. was appointed with us the subscribers a Committee to Settle the Lines and Boundaries of the Townships of Enfield alias Relhan and those lines and Boundaries of the Townships of Canaan and Grafton which are or may be Contiguous thereto or Dependant thereupon—Pursuant to said appointment the Subscribers have attended said Business and by and with the Consent of all the Parties have performed said Service in the following manner viz, Beginning at the Southerly Corner Bound of the Township of Lebanon which is the South Westerly Corner of the Township of Enfield alias Relhan Commonly Call^d Summers Bounds and Running South fifty-eight Degrees East Six miles and three-fourth of a mile to a Hemlock tree Mark^d H. G. W. C. &c thence Running North forty Degrees and forty-five minits East about five miles and half to a Spruce tree marked as aforesaid which is the Dividing Line between Enfield and Grafton and is the North Easterly Corner of Enfield alias Relhan and the South easterly Corner of Canaan thence Running North fifty Eight Degrees West Seven Miles and Sixty Rods to a burch Stump which is also the North easterly Corner of Lebanon & the South westerly Corner of Canaan thence by the Township of Lebanon to the bounds first mentioned—

Boscawen July 9th 1781.

“Henry Gerrish
“William Chamberlain } Com^{ee}

The surface of the town is rough and uneven, though the soil in many sections is good, and when properly cultivated produces fine crops of corn, potatoes and grass. The western and southwest^{rn} parts are broken into high elevations, the principal of which are Prescott hill, Ford hill and Isinglass mountain. At the foot of these lies the valley of Smith's river, northerly and easterly from which the land has a gradual elevation, to the foot of Cardigan mountain, in Orange. Smith's river flows through the town in a southeasterly direction, having many tributaries, among which are Whittier and Mill brooks, which unite at East Grafton. The streams in the extreme western part flow west into Enfield, while Wild meadow brook, in the northeastern part, flows south into Danbury. There are also a number of natural ponds or lakelets, the largest of which is Grafton pond, in the western part, which has an area of about three hundred acres. Spectacle pond lies partly in Enfield, Tewksbury pond lies in the northern part of the town, Halfmoon Pond in the southern part, Wild meadow pond in the eastern part, while several others are found in the central part. In the northwestern part of the town is a remarkable ledge, called the “Pinnacle.” On the south side the ground rises by a gradual ascent to the summit; but on the north side it rises nearly perpendicular over one hundred and fifty feet. About 400 feet above the base of Glass hill is found a very valuable quarry of mica, which has been extensively quarried. It is known as the Ruggles mine, and George H. Randall is the present superintendent.

From the summit of this hill a very delightful view of the surrounding country may be obtained. On John's hill, about a mile southwest from Glass

hill, beryls of a large size are found. The Northern railroad passes through the town, following the course of Smith's river.

In 1880 Grafton had a population of 933 souls. In 1885 the town had eleven school districts, and eleven common schools. Its eleven school-houses were valued, including furniture, etc., at \$1,025.00. There were 220 children attending school, thirteen of whom were pursuing the higher grades, taught during the year by four male and fourteen female teachers, at an average monthly salary of \$24.81 for male, and \$17.61 for females. The entire amount raised for school purposes during the year was \$1,008.00, while the expenditures were \$906.03, with Fred A. Stevens, superintendent.

GRAFTON, a post village and station on the Northern railroad, lies in the southeastern part of the town.

GRAFTON CENTER, a post village and station on the Northern railroad, lies in the southeastern part of the town.

EAST GRAFTON is a small village located at the junction of Whittier and Mill brooks, in the eastern part of the town.

Sumner R. Truell's saw-mill, in the western part of the town, was originally built by a man named Johnson, about 1775. It was rebuilt by Colby & Whittier, in 1810, again by Phinneas Gage, in 1830, and by the present proprietor, in 1873. It has the capacity for manufacturing 1,000,000 feet of lumber per year, and has also planing, matching, shingle and lath machinery.

Samuel W. Barney's saw-mill, on road 42, was originally built by his father, Jarvis Barney, in 1827. It has the capacity for cutting about 100,000 feet of lumber per year.

Walter H. Kilton's saw-mill, at Grafton Center, was built by his father, James W. Kilton, in 1875. It has the capacity for cutting 200,000 feet of lumber per annum.

Madison P. Sawyer's grist-mill, at Grafton Center, was built by James W. Kilton, in 1877. It is operated by water-power, and is the only grist-mill in the township.

John R. Smith's saw-mill, in the southern part of the town, was built by one of the early settlers, and was at one time run as a grist and saw-mill combined. It has been owned by the present proprietor about twenty-eight years.

Eben Gove's saw and cider-mill, near East Grafton, was built by Jesse Braley, about twenty-five years ago.

Arthur Kimball's shingle and clapboard-mill, at East Grafton, was originally run as an axe manufactory and a grist-mill, and was converted into its present uses by Mr. Kimball.

The settlement of the town was begun by Capt. Joseph Hoyt, in May, 1772, who came from Poplin. He was soon after joined by Capt. Alexander Pixley and wife. The settlement must have progressed rapidly, for the census returns for 1773 showed a population of 107 souls. Jacob Barney was the first child born in the town. The part the young town took in the Revolu-

tionary struggle, was energetic, as is attested by the following account of services, rendered by the selectmen to the general court :—

“Grafton, December y^e 22, A. D. 1783.

GRAFTON VOLUNTEER FIRE DEPARTMENT

The Fire Department would like to report that here were two house fires, one garage fire, and three chimney fires during the last year.

The Department also purchased some new hose and a new portable pump.

I would like to thank all the firemen who attended the fire practices that were held in order to better acquaint the men with the equipment.

PAUL C. GOVE

Fire Chief

**REPORT OF THE FOREST FIRE WARDEN
AND DISTRICT CHIEF**

All open burning when the ground is not covered with snow is controlled by the Town Forest Fire Warden in cooperation with the New Hampshire Forest Fire Service. Anyone wishing to kindle a fire out-of-doors when the ground is not covered with snow must have a written permit signed by the Town Forest Fire Warden. If the fire is to be kindled on land not owned by the person kindling the fire then he must have permission of the landowner. No outdoor fires can be kindled between 9 am and 5 pm unless it is raining, without the additional approval of the District Forest Fire Chief.

The 1974 forest fire season was one of the worst in the past two decades. Woodlands in central and southern New Hampshire became so dry in mid August that the Governor and Council, upon the recommendation of the State Forester, enacted a partial woodlands closure in Sullivan, Cheshire, Hillsborough, Merrimack and Belknap Counties and a complete woodlands closure in Stafford and Rockingham Counties plus the Towns of Barnstead, Gilmanton and Alton in Belknap County. Through the excellent cooperation of the citizens of our State no major forest fire occurred at any time during the year.

MASCOMA AREA HEALTH COUNCIL

Summary of services for Town Reports Jan. 1, 1974 to Dec. 31, 1974

The Council, established at the Town Meetings in 1969, will start its seventh year of service this year to Canaan, Enfield, Grafton and Orange. Serving a population of 5,200 the Council's two nurses (each working half time) provide nursing service in the home and a complete health promotion and disease prevention program.

The free monthly Well Child Conferences are now serving a fluctuating clientele of between 185 and 200 children (preschoolers). Under this program, which is supported in part by the Bureau of Maternal and Child Health, N. H. Division of Public Health, each child regularly receives a full physical examination, all necessary immunizations, and tests for vision and hearing. Parents are seen with the children, problems are discussed, and if necessary the child is referred for further treatment. The Council's nurses make follow up visits when needed. For any child who will not see a private physician the Council provides the full physical exam necessary for entrance to kindergarten or first grade, together with tests for vision and hearing. It is also under contract to supervise the health of the children in the Headstart program.

Nutritionists are available at each clinic, and are also available to adults needing help on dietary matters. A representative of Planned Parenthood is also available for counselling when needed. Preventive dentistry is taught to both parent and child.

In 1973 and 1974 the Council, in cooperation with local physicians and The American Cancer Society, offered to area women a free testing program for cancer. 91 area women were tested at these clinics, and the need shown for further medical treatment was so great that the Council hopes to make these clinics available semi-annually.

In May of 1974 the Council, in cooperation with the State Department of Health and the Council on Aging, offered a free Health Screening Clinic, at which 150 local adults were offered testing for diabetes, glaucoma, blood pressure, oral cancer, and vision and hearing. In addition, height and weight were checked and information and advice offered on many subjects of interest. Testing and advice on foot problems was given, and testing for various functional neurological defects. It is hoped that such clinics can be offered annually. It is interesting to note that in this one clinic the Council benefitted from the donated services of 10 doctors, 1 Medex, 20 nurses and 40 lay volunteers.

The Council derives its support from the four Towns served, each of which contributes annually on the basis of its population, and on fees, Medicare and Medicaid where applicable. While we must of necessity set a charge for services other than the free pre school clinics and other free clinic services, the services of the Council are available to everyone, regardless of ability to pay that charge.

Our nurses at present are Mrs. Gertrude Clark, R.N. of Grafton and Mrs. Toni Sadowsky of West Lebanon. During the year 1974 they have made almost 1,500 visits to area residents for nursing service, health promotion, counselling or support.

The Council is governed by a volunteer board of directors elected from the four Towns, and its medical policies and practices are supervised by a Medical Advisory Board consisting of area physicians and nurses.

The Council maintains its office in the Health Room at Mascoma Valley Regional High School, with its own telephone (632-7234). It is heavily dependent on, and most grateful to, the Methodist Churches of Canaan and Enfield and the School, which provide space for its clinics and meetings, and to the school for its office space there. A pamphlet describing the Council and its work and service is available on request. Its monthly meetings (first Monday evenings at the School) are open to the public, and visitors and volunteers are welcomed.

MASCOMA AREA HEALTH COUNCIL BUDGET

	1974-75	1975-76

ROAD AGENTS REPORT

This past year all flood damaged work was completed. The town is still waiting for its final flood payment.

Duncan Fund work done in 1974 were approaches to Smarts Bridge at Grafton Center and one half of John Sargents Hill; Wenworth Corner on approach from Danbury Road. Also filled all shoulders on Stevens Hill Road, and a section of Williams Hill Road.

T.R.A. was used to tar 8/10 of a mile on Prescott Hill Road, also the road from Cole Bridge to Robinsons Corner was widened, drained and graveled.

Five bridges were planked and two with new stringers.

Road into the wild meadows was graveled from end of tar to Alexandria Town line between flood projects.

Over \$10,000.00 worth of new culverts were installed in the above projects. New culverts were installed to replace rusted out culverts and stone culverts that were broken through.

Inflation in 1974 cost the town money, as much of what we used doubled in price.

The Town was required to pay time and one-half retroactive to May 1, 1974.

JOHN F. BASSETT
Road Agent

CEMETARY SUPERINTENDENT'S REPORT

In June of 1974 the town office of Cemetary Superintendent was established. Duties include the showing and selling of cemetary lots, supervision of cemetary maintenance and the keeping of cemetary records. The salary is \$100.00 per year.

This year \$925.75 was received from the sale of cemetary lots. Also the sum of \$1908.41 was paid for cemetary clearing and upkeep, \$1033.66 from town funds and 874.15 from Trustee Funds.

Respectfully submitted
SUSAN S. BENO
Cemetary Superintendent

POLICE REPORT

The following is a list of some of the work of the Police Department:

Breaking and Entering	10
Auto Accidents	7
Ambulance Assistance	4
Out of town Assistance	3
DWI	4
Emergency Assistance to Hospitals	7
Court Convictions	7

Complaints of Mini Bikes, Snowmobiles, Dogs and others checked.

Patroling of roads and checking of houses, which many hours and miles were put in.

Chief of Police

C. LAWRENCE GOVE

PLANNING BOARD REPORT

The Planning Board spent the majority of its time this year researching the dump problem and possible solutions. We also prepared two proposed ordinances which may be found in the Town Report.

Among major considerations for the coming year are: tax mapping, pollution problems, taxation. We will continue to solicit the views of Grafton's residences and hope to have several large open meetings such as the one held on December of 1974.

LEONARD A. GUARALDI, Chairman

MARGO T. MORAN, Sec., Treas.

We have examined the accounts and records of the Revenue Sharing Fund of the Town of Grafton, N. H. for the fiscal year ended December 31, 1974 (June 30, 1975).

In our opinion, the above Statement of Revenue, Appropriations, Encumbrances and Available Unobligated Funds presents fairly the revenue, expenditures and encumbrances incurred, and status of Revenue Sharing Funds of the Town of Grafton, N. H. for the year ended December 31, 1974 (June 30, 1975).

Signed

JESSIE MAE WILSON

SELECTMAN'S REPORT

During the past year a concerted effort was made by the Selectmen to work more closely with other Town agencies. It was felt that better communications would result in more harmonious rapport between all persons concerned. For the main part this has been evidenced by more cooperation and consideration for Town Officers and townspeople alike.

The role of the part-time Selectmen continues to grow as Federal, State and county dictates increase. The Chairman of the Board spent a portion of almost every day in the exercise of his office. His effort compensated for the lesser amount of time which the junior selectmen could devote to their community job.

A myriad of duties requires a Board of Selectmen who can collect data, record it accurately, analyze the possible avenues to pursue, and initiate and follow through on their actions. Attending budget hearings, school board hearing, New Hampshire Municipal Association meetings, dump and environmental meetings, health and welfare investigations, liaison work with Planning Board, assessing the value of property, ferreting out newly built installations are but a few of the duties which require a Selectman's "other time".

In addition the Selectmen meet at the Town Hall on the second and fourth Friday evenings from 7:00 pm to 9:00 pm. During the regular meetings the Selectmen meet with the Town Treasurer and Town Road Agent to authorize payment of current Town bills. This is accomplished through a voucher system which is coordinated with the checking account system. The Town Clerk, Chief of Police and other Town Officers generally use this time to bring the Selectmen up to date with their particular area of responsibility. Citizens use this time to be heard on any matter of concern to them. Correspondence is generally accomplished at other times.

Interesting Facts about Grafton:

1. Population 470 as of 1974 census.
2. Over 100 school children attend Mascoma Regional High School and Canaan Elementary School.
3. Area of Town - 36 square miles.
4. Road net work - 68 miles.
5. Full time employees - 4

6. Income derived primarily from jobs outside of Town.
7. The summer residents triple Town population.
8. Water and septic - individual
9. Fire Protection - 3 vehicles, 30 volunteers.
10. U. S. Post Office handles 173,160 pieces of mail yearly.
11. Churches: East Grafton Christian Union; Grafton Center Congregational.
12. Organizations: Grange; Ladies Benevolent Society; American Legion; Helping Hand Society; Volunteer Fire Dept. and Ladies Fire Auxilliary
13. Grafton is a fine, quiet, quaint solid Town in which to live. Its people stem from the original settlers to a gradual influx of novices who quickly learn the value of cutting wood, a cast iron stove, volunteer firemen and good neighbors.

Selectmen

REPORT OF THE TRUSTEES OF THE TRUST FUNDS

Early in 1974 the elected and appointed Trustees met to discuss the progress that had been made in the previous year and to decide on a course of action to follow for the ensuing year. After reviewing the efforts made by the previous Board of Trustees it was decided to (a) review the investment of the trust funds for the possibility of increasing the yield so that the amount of money available would be larger than the regular savings account interest would bring; (b) to discuss the cemetery problems with the selectmen in hopes that a cemetery agent could be appointed to oversee the work to be done in all of the cemeteries; (c) concentrate on the formulation of an appropriate program for the use of the Kilton Doctor's Fund.

After establishing these goals a thorough investigation of savings bank certificates was made and, wherever possible, the savings accounts were transferred to 30 month savings bank certificates thus increasing the yield from 5-1/4% to 6-3/4%. Arrangements to open a checking account for the current interest dividends were made so that this money would be available for use during the year. The financial report on the following pages will reflect this.

Several meetings were held with individual selectmen and in June there was a combined meeting with the selectmen and two members of the Board of Trustees. The result was a decision to appoint a cemetery agent to supervise the maintenance of the cemeteries. The Trustees and the Selectmen agreed on the business aspects of the cemetery operation and this was implemented later in the year.

The program for the use of the Kilton Doctor's Fund was investigated thoroughly by consultation with such agencies as the Community Medicine Department of Dartmouth Medical School and other Boards of Trustees in the State. It became evident that the Kilton Fund in Grafton was unique and could not be compared with other programs already in operation. Also, the duplication of existing services was to be avoided. Finally, the program outlined on the next two pages was formulated and put into operation on January 1, 1975. The Trustees wish you to read this program carefully and make full use of it and the provisions it offers. In the effort made to contact each eligible resident it is quite possible that the Trustees may have missed some eligible Grafton residents. If this has happened, please contact the Trustee on duty

on the second Friday of each month at the Town Hall. The Trustees are anxious for the success of this program and ask you to participate fully.

The Trustees wish to thank Miss Barbara Gove for her help in typing stencils, and Mr. Gerry Stiles for his help in having the material duplicated and the Selectmen for their patience and help in formulating a program for the cemeteries.

RE: Town of Grafton - Kilton Fund

Dear Mr. Wood:

Thank you for your letter of November 7, 1974.

It would appear a goodly amount of time and thought have gone into establishing the program for use of the Kilton fund. If the residents of Grafton avail themselves of the opportunity of participating it should accomplish the intent of the donor to aid in promoting good health in the town.

We would appreciate receiving a copy of the evaluation of the program at the end of 1975.

Very truly yours,
G. WELLS ANDERSON
Director

GWA/dea

TOWN OF GRAFTON, NEW HAMPSHIRE
TRUSTEES OF TRUST FUNDS

Dear Grafton Resident:

The Trustees of the Trust Funds have decided to use the income from the Kilton-Doctor's Fund according to the enclosed circular.

As a resident of the town of Grafton, you and your immediate family are entitled to participate.

This program will be in effect starting January 1, 1975 and will continue for a period of one year.

The exact amount of reimbursement cannot be determined at this time, but will be announced soon after January 1, 1975 when the annual income from the trust can be calculated.

Receipted bills will be processed at a monthly meeting of the Trustees. Bills more than six months old will not be honored for payment. All bills must be dated January 1, 1975 or later.

The Trustees anticipate your participation in this program and are anxious to have you and your family use the proceeds of the fund to promote good health in our town.

Yours very truly,

ADOLPH SUCHY
ELLEN F. WILLIAMS
FRANK DEAN

Trustees of the Trust Funds

PROGRAM FOR USE OF DOCTOR'S FUND (1975)

In the September 1973 term of the Superior Court of the State Justice F. E. Perkins approved a stipulation as follows:

"The Trustees of the Trust Funds of the Town of Grafton are authorized to expend the income of said trust (Doctor's Fund) for the purpose of providing the residents of the Town of Grafton with health and medical services."

Accordingly, the following program is being instituted by the Trustees for the residents of Grafton:

A. The Trustees of the Trust Funds shall determine the requirements for residency for Trust Fund purposes only.

1. A resident shall be defined as an individual who maintains a permanent domicile in the Town and occupies that domicile for a period of no less than six months of each calendar year. The resident must be a tax payer to the Town and be registered to vote. Non-voting residents may receive benefits at the discretion of the Trustees.
2. The resident's immediate family (wife or husband and children under 18 years of age) are also to be considered as residents.
3. To be eligible for benefits, the resident must have lived in Grafton for a period of no less than two years.

B. For this program, the Trustees will use only the interest which has accrued from the principal and income for the period from January 1, 1974 to January 1, 1975.

1. The sum of 500.00 dollars will be paid to the Mascoma Health Council as part of the assessment made annually to the Town.
2. The income, as described above, is to be used as follows:
 - a. The income is to be divided by the number of residents as determined by the Trustees.
 - b. The amount as calculated in the above section (a) is to be made available to each resident of the Town for the following purposes:
 - Physical Examination
 - Eye Examination
 - Dental Examination
3. In order to receive reimbursement from the fund, the resident must present to the Trustees a paid bill from a licensed practitioner stating that the services rendered were for one of the foregoing types of examinations. Bills paid for by public assistance will not be honored.
4. A Trustee will be present at the Town Hall on the second Friday of each month from 7:00 pm to 8:00 pm to receive and process claims and answer any questions you may wish to ask.
5. This program will be reviewed annually.

I hereby certify that the above return is correct, according to the best of my knowledge and belief.

DOROTHY H. DAVIS, Town Clerk

IT ISN'T THE TOWN, IT'S YOU

IF YOU WANT TO LIVE IN THE KIND OF TOWN
THAT'S THE KIND OF TOWN YOU LIKE
YOU NEEDN'T SLIP YOUR CLOTHES IN A GRIP
AND START ON A LONG, LONG HIKE
YOU'LL FIND ELSEWHERE WHAT YOU LEFT BEHIND
FOR THERE'S NOTHING THAT'S REALLY NEW
IT'S A KNOCK AT YOURSELF WHEN YOU KNOCK YOUR TOWN;
IT ISN'T YOUR TOWN — IT'S YOU.

REAL TOWNS ARE NOT MADE BY MEN AFRAID
LEAST SOMEBODY ELSE GETS AHEAD.

WHEN EVERYBODY WORKS AND NOBODY SHIRKS
YOU CAN RAISE A TOWN FROM THE DEAD.

AND IF WHILE YOU MAKE YOUR STAKE
YOUR NEIGHBOR CAN MAKE ONE TOO,
YOUR TOWN WILL BE WHAT YOU WANT TO SEE
IT ISN'T YOUR TOWN — BUT YOU.

R. W. GLOVER
