ANNUAL REPORTS OF THE TOWN OFFICERS

TOWN OF STODDARD

NEW HAMPSHIRE

For the fiscal year ending June 30, 2011

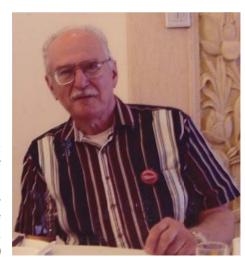

DEDICATION

WE DEDICATE THIS TOWN REPORT TO

ED SALESKI

There are many people in Stoddard that give of their time and talents to better our quality of life. Within this group there is one person that seems to always be present whenever help is needed. That person is Edmond Saleski. In recognition of the many years of volunteer service that Ed (Ned) Saleski has contributed to the Town of Stoddard, we would like to honor and thank him for all his efforts to enhance our community by dedicating the 2010

Annual Report to him. Some of his many contributions to the Town and community are below.

Member and Chair of CEO (Community Events Organization) since 2004, Ed has had the formidable task of organizing Olde Home Days, fund-raising dinners, and Halloween, Ice Skating and Christmas Parties year after year. The signs advertising events that you see on Route 123 N, including dog registration reminders, have been created, put up and taken down by Ed. Additional contributions Ed has made to Town organizations include:

Assisted the Garden Club with Roto-tilling and creating the Memorial Garden, mowed town boat launch at Island Pond, weeded and cleaned up in front of the Transfer Station.

At the Library, Ed installed shelves under a side window, put in a new floor and painted the closet, patched the floor where the old furnace was removed, installed a cabinet for Nooks and MP3 Players, reversed the door on a closet to open out, repaired the latch on a storm door, and annually puts up, takes down, and repairs the screen tent, and helps set up for book sales. Ed has made numerous signs for the Church and helped deliver food to Alstead after the flood.

At the Town Hall the list is very long: Ed repaired the front door latch, made broken front stairs safe with a temporary cover, built new kitchen cabinets to match the old, replaced the Stoddard Town sign on Route 9, beautifully restored the antique table the tax maps rest on, was instrumental in Town Hall receiving additional (free) chairs and chair racks, affixed NH Historical Property designation sign on Town Hall exterior, and continues to sort through papers in Town Hall, retaining all that is required by the State or is of historical interest. For the Historical Society, Ed has made Stoddard glass jewelry and calendars and sold them, and had glass medallions made to sell for the Society. Ed is a Merit Badge counselor and has helped with the Eagle Scout Badge for the Boy Scouts.

Soft spoken and always behind the scenes, Ed doesn't look for praise, reward or even for credit. He simply recognizes the need for a fix, a repair, an adjustment, or a job that needs doing and quietly steps up to do it. The Town of Stoddard is very fortunate to have Ed as a member of the community. Indeed, the Town of Stoddard is very fortunate to have all those volunteers who, like Ed, are generous enough to share their time, energy, efforts and resources to make Stoddard a nicer place in which to live. We usually have one vote each, once a year. Ed and all our volunteers are voting every day for the kind of community they live in and want.

Town of Stoddard

Boards & Departments

SELECTMEN'S ANNUAL REPORT

Positive efforts continue at Town Hall to install logical and effective means to accomplish town government work. As anticipated, an accounting system was installed during the summer and has been fully implemented. The system ties property assessment records to the new tax collection billing system to the state government chart of accounts. This greatly reduces man hours required to properly track and manage expenditures and revenues, send out tax bills, and track tax receipts while reducing the chance of error. It will also streamline the budgeting process and provide for improved financial accountability on a real time basis.

The Records Archival Committee has nearly completed its work, sifting through boxes and mile-high piles of paperwork, maps, notebooks and for unknown reasons, a LOT of JUNK. As they worked they determined, in accordance with state statute, what materials were to be saved and what could be discarded. Some of you may have noticed that the Town Hall stage was formerly piled high and in great disarray. We are now not far from being able to reclaim the stage, thanks to the Committee's efforts. Ed Saleski made a great many trips to the Transfer Station with his little trailer!

Harry Power, the Compliance Officer, continues to do stellar work for the Town and is greatly appreciated by the Board of Selectmen. Harry works exceedingly well with people, and has changed a process often perceived as negative into a very positive one. Our latest efforts involve bringing Stoddard's building permit fees into line with those of surrounding towns.

The ailing furnace at Town Hall was replaced with a propane system that is quiet, efficient and cost-saving. Very nice to have gotten rid of the tray of kitty-litter that was used for the oil leak with the old system, and very nice not to worry about the furnace failing and pipes freezing and bursting, as happened during the winter of 2009-2010. This also allows for removal, in the future, of all the chimneys and the oil shed that were attached to the structure over the years. Those structures have contributed greatly to the deterioration of the building.

Some positive measures have been taken at the Transfer Station to make it more efficient and to better control traffic. Users are being monitored for their stickers, so remember to have yours, even if you are well-known by the attendant. Starting with this year's new stickers, two per household are being provided and a listing of those dispersed is being kept.

When FairPoint came into town with signs advertising high-speed internet, I think most of us said to ourselves, "Are they just taunting us?" It was wonderful to discover shortly thereafter that indeed they were not. Sadly, not all residents have been able to avail themselves, but FairPoint does continue to work to rectify that. We changed from the much less reliable and slower service we had at Town Hall, and have been very happy with the changeover.

SELECTMEN'S ANNUAL REPORT continued

The Stoddard Historical Society conducted some fund-raising and received donations of \$20,000 which they graciously offered to the Town in the form of "goods and services" for a partial renovation of the historic Nathan Gould House next to the Town Hall, to provide for code compliant meeting or office space. This work has begun. Our heartfelt thanks go to the Historical Society and all their donors for making this possible. We look forward to being able to use this space.

The Town of Stoddard is enormously fortunate to have a great deal of conservation land, and now is looking forward to receiving a gift from the Sweetwater Land Trust of 750 acres, which includes a man-made lake and earthen dam. To defray the expense to the Town of maintaining the dam and maintaining the property, which will be done by the Conservation Commission, the Trust is also gifting the Town with \$50,000. The hope is that the Town will vote to add to this amount over the years so that there are always adequate funds for required management and maintenance. This property is also the site of Stoddard Rocks, a very impressive rock formation, and the acquisition of the property ensures it will remain undeveloped.

Also among the Town's greatest resources are our many lakes and ponds, greatly enjoyed by residents and non-residents alike. We should all be very grateful for these lovely sites, and a word of appreciation goes out to those who work so diligently to protect them, keeping them clean and free of invasive species. We hope that the Town will always support these efforts, with the realization that the loss of our lakes would represent an enormous and disastrous loss to the Town.

Jim Coffey, our Town Administrator, continues to provide exceptional service to the town and to the Board. Jim is able to see the "big picture", getting us past just doing day-to-day operations and better able to plan for the future. With his knowledge of municipal government and computer applications, he has helped the office become more goal-oriented, allowing us to be more proactive. Between Jim and Pat Putnam, services can be obtained at the Town Hall for many more hours than we used to be open. Townspeople have commented numerous times about how pleasant it is to get business done and have their questions answered and within a wider window to do so. If you haven't met Jim yet, please stop and introduce yourself when you're in the area of Town Hall.

This is the third year I have been able to say thank you to all the volunteer boards and committees, and all the other volunteers, whether part of an organization or acting singly, who have come forward through the year to provide a little or a lot. You are very much appreciated. Stoddard would not be the Community it is without you and all you bring to the Town.

In all, we feel we have experienced another year of positive accomplishments, and hope that you join us in that feeling.

Sandra Holland, Chairman Arnold Stymest John Halter

PLANNING BOARD REPORT

The Planning Board has met on a monthly basis. An anticipated sub-division plan was denied by the ZBA. Currently there is an application for a cell tower before the ZBA, and depending on that outcome, the Applicant may proceed to a Site Plan Review. That last application has made the Board aware that some of our ordinances are inadequate as far as spelling out what may, or may not be done in our town. The purpose of the Planning Board is to plan; which means we need to correct inadequacies, anticipate changes in the world around us, how we do things, and make sure our ordinances are up to date. We have started work on the telecommunication ordinance, and plan to have it before the town in 2012. Mr. Power, the town's compliance officer, has brought new issues to light, and we plan to address those as well.

This year you will be presented with a few changes and additions to the zoning ordinances. If any one of you has concerns about future land use in Stoddard, please let the Board know. We need to work together to achieve the best outcome for our town.

Several of the board members have attended workshops and seminars to be better prepared for their roles on the Planning Board, including attendance at the Southwest Planning Commission's meeting on Transportation, and two meetings on the Contoocook and North Branch Rivers Corridor Management Plan. As you know, there are many tributaries to this system in Stoddard. We were able to include data from Highland Lake monitoring to the report.

The Board is looking forward to another year of planning. Thank you all for your support.

Bob Fee, Bev Gay, Terry McMahon (vice chair), George Preston, Dale Smith, and Ruth Ward (chair).

POLICE DEPARTMENT REPORT

2010/2011 has been a busy year for the department. With the continued downturn in the economy we have witnessed an increase in burglaries. This has been an issue for the entire Cheshire County and surrounding areas. Stoddard experienced over eight burglaries. This has increased a need for investigative work done by this department. For this reason we must all be good neighbors by helping protect our town. Please report any suspicious activity at homes or strange vehicles in places they should not be, you could do this by calling our dispatch at 603-355-2000, they will notify an officer immediately. Also, if possible, make notes regarding vehicle or subject descriptions, jotting down information such as clothing, height, length or color of hair, a license plate number with the color or make of the vehicle, or any other details you can see from a safe distance will be a great asset to the police. However, you must NEVER put yourself at risk by approaching subjects or vehicles you may feel are suspicious. Let's please all work together on this matter.

Because of the very harsh weather this winter brought, we had challenging roadways. This resulted in many calls requiring, over 20 police responses to vehicles off the road and motor vehicle accidents.

Also, as in past years, the need for vehicle control has increased. The speed on Route 123 continues to be a problem, resulting in additional patrol needed. This year we are very grateful for the efforts of Dominic Busto with this issue. Between April 2010 and April 2011 there have been over 300 motor vehicle stops for excessive speed through town. With the nice weather finally arriving, it is very important for us all to remember the pedestrians and motorcyclists on the road. We appreciate your attention to this matter.

The department has truly felt the need for repairs to the building. This year we are hoping to replace our roof, ceiling and flooring. These repairs are in dire need of attention.

We have also updated our entire radio system with a grant we had received over the summer. With new radio updates, we were able to communicate with other departments in a much more efficient way.

If you have an emergency please call 911. If it is not an emergency, and you would like to speak to an officer please call our dispatch at 603-355-2000, we will return your call as soon as possible.

As always, we would like to thank all of you for your support and efforts in the community.

Respectfully Submitted
David Vaillancourt, Constable/Police Chief

STODDARD FIRE AND RESCUE REPORT

The department call volume for January to December: we responded to 30 fire, 50 medical, 19 motor vehicle accidents, and 7 mutual aid calls.

On Wednesday September 29, 2010 the State of New Hampshire Fire Service & Emergency Medical Service Committee of Merit awarded the Stoddard Fire & Rescue Department the 2010 Lawrence A. Volz Emergency Medical Service Heroism Award. The Lawrence A. Volz Heroism Award recognizes a New Hampshire EMS provider for an act of heroism while in the line of duty. Nine members of our department received this award for their act of heroism on August 8, 2009 for rescuing a Stoddard resident who was caught, clinging onto a cable, in the spillway on the Highland Lake Dam.

As mentioned last year, the FCC made a ruling for radio frequencies to be utilized in "Narrow Band," and for the Public Safety sector by January 1, 2013. The FCC is running out of frequencies to license. Narrow Band doubles the number of frequencies. Starting January 1, 2012 Southwestern Fire Mutual Aid will comply with the FCC ruling and begin the changeover to Narrow Band. This project will take about 1 year to have the entire Fire Mutual Aid System changed before January 1, 2013. To meet this changeover requirement we were able to purchase 5 mobile and 3 portables radios and 1 minitor in 2010. We still need to purchase 1 mobile and 3 portable radio from the 2011/2012 fire department budget. SWNH District Fire Mutual Aid is looking into a grant to purchase minitors. We submitted a request to receive 5 minitors from this grant.

Last year our brush truck saw it last day of service in October of 2010 as it experienced mechanical & electrical problems while it was call on in Hidden Lake Development. The estimated cost to fix the truck would have been up to \$5,000.00 or more so the decision was made to take it out of service. The town last year made the right decision to approve a new brush truck last year. Thank you!

The Fire & Rescue Association purchased a used 1992 24 ft pontoon boat with a 90 hps motor to better handle the heavy water rescue equipment and improve our water rescue response time. This will replace the deteriorating 1982 pontoon boat with the 50 hps motor.

We would like to thank the following people: Bev Gay for storing the Pontoon boat for the winter in her garage. Also John Lightbody and Land Contractors for assisting at a house fire on Shedd Hill Rd in December.

Thank you to everyone who supports the Fire & Rescue Association fund raising events.

Respectfully submitted,

Chief P.J. LaMothe Fire Captain Brian Michaud Fire Lieutenant Donnie Holland Deputy Chief Randy Weaver Rescue Captain Margo Santoro Rescue Captain Kellie Holland

FOREST FIRE WARDEN REPORT

Last years fire calls were mild compared to other years. We only had a few minor brush fires. One in particular was at Pickerel Cove were a campfire was lit in the evening and the next day had burned into the ground about a foot. We were very lucky that the wind was blowing towards the lake or we could have had a very serious fire. The weather was hot and dry with a class 4 day. The call came in around 1:00pm in the afternoon which is prime time for fires.

We are asking everyone to please be sure that all camp fires are total out and on time according to your permits.

By the time town meeting arrives, the new brush truck and trailer will have been delivered and put into service. This is going to be a huge plus for the department as everything now will be under cover with the exception of the back pack pumps.

The new unit will also serve as our first response unit for all ice and off road rescues as it will now carry ice rescue and off road equipment.

I would like to remind everyone again this year that fire permits are required if there is any type of open burning. If you are in doubt please call the Forest Fire Warden or any one of the Deputy Wardens for further information on outside burning. It is the law and it is enforced.

Remember only you can prevent Forest Fires.

Respectfully Submitted,

Joseph Sarcione Forest Fire Warden

REPORT OF FOREST FIRE WARDEN AND STATE FOREST RANGER

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands, work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning, unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 1-800-498-6868 or www.des.state.nh.us for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nhdfl.org.

This past fire season had a slightly lower number of fires, as well as lower number of acres burned then the 5 year average. What made this fire season somewhat unusual was that it lasted most of the summer. New Hampshire typically has a fairly active spring fire season and then the summer rains tend to dampen fire activity later in the season. This year virtually all areas of the state had fires throughout the summer due to the periodic dry spells throughout the season. As has been the case over the last few years, state budget constraints have limited the staffing of our statewide system of 16 fire lookout towers to Class III or higher fire danger days. Despite the reduction in the number of days staffed, our fire lookouts are credited with keeping most fires small and saving several structures due to their quick and accurate spotting capabilities. The towers fire spotting was supplemented by contracted aircraft and the NH Civil Air Patrol when the fire danger was especially high. The largest fire for the season was 10.3 acre fire in Charlestown. Many homes in New Hampshire are located in the wild land urban interface, which is the area where homes and flammable wild land fuels intermix. Several of the fires during the 2010 season threatened structures, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wild land fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe!

ONLY YOU CAN PREVENT WILDLAND FIRE

TRUSTEE OF TRUST FUNDS REPORT

The Report of the Trust Funds included in this Town Report is the same as is required by the State of New Hampshire to reflect the condition of investments in a fiscal year. The following report is to give information in regard to the activities that have occurred in respect to these funds.

The Trustees of Trust Funds have been diligently managing the funds entrusted in their custody. In March of 2010 two investments (one for the Cemetery Funds and one for the Parks and Recreations Fund) were renewed into a three year step CD at the rate of 1.34% with a current investment percentage of 1.68%. In April of 2010 three more investments (all for the school) were invested into three year step CDs at the rate of 1.49%. In August of 2010 we were again able to reinvest two more cemetery CDs at a rate of 1.14%. Three year step CDs automatically are reinvested into a higher rate. At each anniversary the CD's may be added to, withdrawn from or closed. Considering the low interest rates now available, the Trustees were pleased to be able to secure these rates.

Included in the Cemetery Fund is a separate income portion that is called the Emerson and Ruth McCourt Mt. Stoddard Road Cemetery Fund. This charitable trust was instituted in 2006 by the McCourt family. It is a Trust instituted for maintenance of the McCourt headstones and surrounding area of the Mt. Stoddard Road Cemetery. Since its inception, a total of \$2,520.26 has been received from this Trust.

In March of 2010 the Fiduciary who had been handling this Trust requested that the Trustees of Stoddard assume those responsibilities. A meeting was held with the members of the Trustees and a letter of affirmation was sent to the Fiduciary. The original Trust was invested with Oppenheimer Investments. In October of 2010 the account was transferred to Cabot and Moors of Boston, MA. Investments reports have been received and in January 2011 a portion of the investment income was reinvested in accordance with the original trust agreement. In February of 2011 a disbursal of \$1,915 was received by the Trustees of Trust Funds and deposited into the cemetery fund for payment of work performed at the Mt. Stoddard Road Cemetery. Since there will no longer be accountant/attorney fees removed from the interest income of this account, the Trustees feel that the Town of Stoddard will continue to receive increased amounts from this fund.

Investments for the School remain steady since no funds have been withdrawn from these accounts. The Educational Fund established by George and Sally Cahill many years ago is not as steady. This Fund was set up to issue awards to Honor Roll students from Stoddard attending the Middle School and High School in Keene. Each year students who achieve Honor and High Honor Roll status are sent a monetary award from this account. During the Fiscal Year 2009-2010, 81 checks have been issued to students. However, the fund now has very little money left and without further deposits, will be depleted this year. This fund cannot be supported by tax money and only voluntary donations can increase this worthwhile fund.

TRUSTEE OF TRUST FUNDS REPORT continued

Other investments in the custody of the Trustees include the Granite Lake Village account to fund the repair of their dam and the Stoddard Park and Recreation Fund for activities of this committee.

The State of NH only requires the Trustees of Trust Funds to hold public meetings once a year. The Trustees met on August 8, 2010 and January 28, 2011 at the Stoddard Town Hall. Members of the public are invited to attend. Notices of meetings and subsequent minutes are posted at the Town Hall, Post Office and Town Clerk's Office.

Virginia GrandPrè, Trustee Chairman Charlotte Pratt, Trustee Kimberly Rumrill, Truste

STODDARD BUILDING COMMITTEE REPORT

Following a June 3, 2010 meeting, the Committee was inactive for several months as there were no funds to apply to any potential projects.

Meetings were resumed in February, 2011, to develop potential warrant articles for this year's Town Meeting.

Some benefits to a couple of town buildings did take place when the Board of Selectmen were able to re-allocate some funds that provided for new heating units for the Town Hall and the Davis Library. Improvements at both locations had been needed for some time. The change at the Town Hall included going from oil to gas. When funds are approved for further work at the Town Hall, the removal of the chimneys that are no longer needed and the oil tank shed can be accomplished. The shed has created damage to the siding of the building.

There will be warrant articles to be addressed at this year's Town Meeting regarding the above mentioned buildings as well as the Police and Fire Department buildings.

As I will be one of the three members on the Committee completing a 3-year term, I want to thank all the members of the Committee for their service and dedication. It has been a pleasure to serve with them.

Dick Briere, Chairman

Amy Rokoszak Penny Betz
David Vaillancourt Sandra Holland
Dale Smith Lou GrandPre
Harry Power George Davenport

DAVIS PUBLIC LIBRARY REPORT

The Davis Library continues to get bigger on the inside! In the last year the collection has been through a major overhaul, in both the adult room and the children's room. Old books have been mercilessly culled (keeping the classics and old favorites, of course!) and many new titles have been purchased. In 2010 at least 1,015 patrons visited the Library and checked out 1,754 books and 210 movies. Our computers and internet access were used a minimum of 358 times, which doesn't include users who accessed our 24/7 wifi when the Library was closed! Our collection currently stands at over 1,860 adult books, including fiction and non-fiction, over 2,099 children and young adult books. Our all-CD (and almost entirely unabridged) audiobook collection has over 67 adult titles, and 22 children's titles. We are in the process of moving to all DVD movies, and so far have over 215 adult movies and more than 50 children's movies all on DVD. Our VHS collection is slowly being replaced, but we still have over 138 adult and 117 children's titles. As we are now full-fledged members of the NH state Inter-Library Loan (ILL) program, we have access to books from almost every library in the state.

In January of 2011, we brought on Sarah Galligan as the new assistant librarian, and her expertise in children's education has made her an excellent addition to the library. She continues to do amazing work updating and refining the children's collection.

The trustees continue to expand their knowledge of policies and practices and make connections with our counterparts across the state through training sessions and workshops throughout the year, such as the Library Trust Funds workshop and Regional Trustee Association, and have brought back some very helpful information from all of these meetings. Just being in other libraries helps them to appreciate Davis that much more!

The 2010 Summer Reading program saw a huge explosion in popularity! 36 children signed up for the summer reading program, and 18 completed it, earning gift certificates to the Toadstool Bookshop in Keene, as well as other prizes. A calculated total of 459 books were read by the 18 participants that completed the program! Additionally, there were two well-attended cookouts that really brought the community together in a multigenerational celebration of reading and hot dogs. Tuesday's 11am story hour has continued to be a fun time for small ones and their parents and grandparents, especially in the summer time!

The monthly adult Book Club is an informal group of book lovers who enjoy sharing their thoughts on reading and is open to all. Discussions are generally the first Thursday of the month, and the next month's book is available for pickup at that meeting. Books are chosen by the group a few months ahead of time, and acquired through the Reads-To-Go program, so participants can be sure of getting a copy without having to purchase them.

DAVIS PUBLIC LIBRARY REPORT continued

The Friends of the Library group continues to grow and be more and more active and generous! The growing dedicated group of volunteers is a 501(c)3 non-profit formed to raise money, plan and sponsor events, and make donations of equipment, books, time, energy and support, which they do enthusiastically and often. They organize the annual book sale and tag sale, both of which generate money for the library. Through their efforts in collaboration with the NH State Council on the Arts, they have brought four guest speakers, performers and artists to Stoddard: Mariana Forbes, Rebecca Rule, Simon Brooks, and Adam Boyce, all of which were so well attended, we had to use the Town Hall! They purchased a screen house for outdoor summer use, insulated under the floor in the library, and donated money on our behalf to the CLiF foundation. The Friends have also purchased museum passes that can be checked out by library patrons, giving free access to the Mariposa Museum, McAuliffe-Shepard Discovery Center and the Telephone Museum. Additionally, the Friends have made monthly book donations, selecting several new and popular titles in all genres. Most recently, the Friends have helped vastly improve the technology aspects of the library, contributing to the online catalog expenses. They have also created an exciting new Huard Media center, in memory of A.J. Huard, which includes two Nook e-readers, 2 mp3 players, and a subscription to the NH Downloadable Book Consortium so that patrons can download e-books and audiobooks for free.

The Davis Public Library is live and on the wireless in the 21st century with a blog (<u>davispubliclibrary.blogspot.com</u>), FaceBook page, Twitter, LibraryThing, online catalog through LibraryWorld, as well as a continued presence on the town website and print calendar.

The Trustees, staff and Friends would like to give tremendous thanks to everyone who has helped make the Library what it is today. Nothing would be possible without the support of the Town of Stoddard, the patrons, the volunteers, the book coverers, the driveway-shovelers-and-plowers, gardeners, decorators, leaf-rakers, the donators of printers, chairs, toys, stuffed animals, books, tag-sale-items, and everyone who has helped in so many ways. It truly is a community-wide effort and we appreciate it greatly.

CONSERVATION COMMISSION REPORT

This past year may prove to be a historic one for the Stoddard Conservation Commission:

2010 Olde Home Days

Bobcat Talk: Over 70 people attended the Thursday night Conservation Commission Forum to hear UNH grad student, Derek Broman talk about a joint, multi-year study that UNH and the NH Fish & Game Department are conducting to study bobcats in the Monadnock Region. The purpose of the study is to gain a better understanding of the abundance, distribution, and habitat preferences and territory of bobcats. Using sound science and modern technology, the project will yield some sound solid data about this secretive and shy feline's presence here.

Cordwood for Conservation Raffle: Commission members Paul Crosby, Scott Semmens and Geoff Jones worked up a cord of firewood, donated by Andorra Forest that was raffled during the Olde Home Days weekend. The purpose of the raffle was to raise funds to donate to the NH Association of Conservation Commission as part of their 40th Anniversary. Our goal was to raise \$500. We raised \$635.00 and became the first and only commission to donate money to NHACC in their 40 years. Stoddard is formally challenging all other commissions in NH (215 towns have conservation commissions) to meet our challenge of raising and donating \$500 to the NHACC to help them strengthen their funding during these challenging fiscal times. NHACC could double their budget if just half the commissions responded to our challenge!! Why support NHACC?

The NHACC provides educational programs and technical support to conservation commissions in NH, that collectively have more than 1,500 volunteers. Commissions have protected over 180,000 acres of farmland and forestland in NH; many commissions own and/or manage lands in their towns for wildlife, forestry, community farming & gardening and recreation. Conservation commissions and NHACC are working harder than ever to protect what's important to New Hampshire.

The Stoddard Conservation Commission will continue an annual cordwood raffle to support NHACC on the state level and conservation efforts here in Stoddard (more on this effort below). Residents can support this effort with tax-deductible donations to the Stoddard Conservation Fund (being proposed at this year's town meeting).

AT&T Proposal for a Cell Tower on Melville Hill

New Hampshire RSA 36-A provides for the establishment of municipal conservation commissions. The commission is the only local body specifically charged with protecting the natural resources within its town borders. As an advisory body, it offers advice on conservation matters to the ZBA, Planning Board, and the Board of Selectmen.

The Stoddard Conservation Commission became involved in the permitting process of AT&T's effort to place a tower on Melville Hill for the following reasons:

- 1. Stoddard is the second largest town, geographically, in Cheshire County and was the last to become incorporated in 1774 (in large part due to its remoteness and rugged terrain).
- 2. It is a topographically challenged town. Half the hills and half the rocks of Cheshire County are located in this town (according to local lore).
- 3. For 30+ years, the residents of Stoddard and the conservation community have protected 66% of the land base in town. Over 6,000 acres have a Wilderness/Forever Wild designation...all on private lands...very unique!!! No other town south of the White Mountains has as much of a percentage of their town protected as Stoddard.
- 4. Because of the high percentage of protected lands, there are a limited number of opportunities to place cell towers.....placement will require strategic and resourceful locations to provide meaningful and maximum coverage for essential services and the majority of residents.
- 5. Because of the broken terrain and large size of the town, several smaller "town centers" exist in the following places: Granite Lake, South Stoddard, Mill Village, Upper Village, Marina and Hidden Lake Development. Over the years, year round residents have moved into areas along the lakes, including Highland Lake, Island Pond and Center Pond. The population of 1,200+/- year round residents and 5,000+ seasonal residents are spread out over a large, hilly area.
- 6. Stoddard is UNIQUE....and cell tower providers should recognize this when selecting tower sites.
- 7. Large un-fragmented blocks of forest and wetlands (no public roads or housing) consisting of 15,000 to 30,000+ acre blocks make up much of the undeveloped landscape of Stoddard and surrounding towns of Sullivan, Nelson, Hancock, Antrim, Washington, Windsor, and Marlow. Big game species like bear, bobcat, moose, deer, coyotes, and fishers depend upon these undeveloped (and in Stoddard, permanently protected) wooded areas to meet their daily and annual habitat requirements. Numerous species of tropical migrant song birds require undisturbed, interior forests for mating and nesting. They are particularly sensitive to development that fragments these areas.
- 8. According to the NH Fish and Game Department's Wildlife Action Plan (WAP), one of the biggest threats to biodiversity is the construction of roads and buildings in large, undeveloped forest blocks (what they refer to as un-fragmented forest blocks).
- 9. The Melville Hill site is surrounded by permanently protected lands of the Dakin Hill area and the proposed tower site is located in a large undeveloped forest block that would require nearly a mile of new construction to provide access and electrical services to the facility. The best way to protect large, undeveloped forest blocks, according the WAP, is to not allow development in them. This is done through good land use planning that looks at viable, alternative sites.
- 10. The proposed tower site is less than a mile from the popular Sunapee/Monadnock hiking trail......a through trail that connects Mt. Monadnock with Mt Sunapee dating back to the 1920-30's. Connecting trails make it possible for through hikers to hike from southern Connecticut to the White Mountains. of New Hampshire.

Communities and landowners that host this unique and wonderful trail system need to be mindful of protecting the conservation and recreation values of this resource when siting development projects that could have negative impacts.

As cell phone users who want and need better cell phone coverage and who value the conservation values of our protected lands, we have spent over 100 hours looking at viable alternative sites that will provide as good as or better cell service to the citizens of Stoddard and have less of an impact to our cherished conservation lands.

Stoddard's Rocks: A Gift of Land & Stewardship Fund to the Town

In 1978, the first of several parcels of land that make up the 63% of Stoddard's conservation lands occurred when Betty Babcock of Long Island, NY donated 3,400 acres of land in northeast Stoddard to the Forest Society in honor of local historian Charles Peirce. A year later, Thurston Williams subdivided and donated 379 acres of a 1,100+ acre parcel of land to the Forest Society, that included a 50-acre area of primeval forests (never cut stand of trees, including a yellow birch that is 48 inches in diameter). He kept the southern section that included Stoddard Rocks and a 50-acre man-made pond that he built in the early 1970's.

In the late 1980's, Stoddard was one of the fastest growing towns in NH, which was one of the fastest growing states in the Union. Several parcels were being considered for development, including 125 units surrounding Pickerel Cove and 81 units along Robb Reservoir. Mr. Williams sold his 750-acre tract of land to an out-of-state wealthy buyer. It seemed like the wild places of Stoddard were being subdivided and sold to the highest bidder........it looked pretty grim. If Pickerel Cove were to fall prey to the developers, in all likelihood, so to would Pioneer Lake with its two miles of secluded, undeveloped shoreline and miles of internal road access.

Fortunately for the land and the people of Stoddard who took action in 1991 to protect Pickerel Cove, that coincided with un unexpected down turn in the economy, Pickerel Cove was protected, greatly dampening the chances that Pioneer Lake would be developed. A couple of years later, the Forest Society found an interested and successful buyer of Pioneer Lake and Stoddard Rocks: the Sweetwater Land Trust, a new Land Trust that was interested in "filling in the holes" of protected lands (Pioneer Lakes was surrounded by protected lands on three of four sides).

For the past 15 years, Sweetwater has been a good steward. They have cleaned up the land of several dump sites; removed a cabin and out buildings; gated the roads; conducted several natural resource inventories to better understand the land and its unique properties; and cleaned up discrepancies in the deed title, including a couple of building encroachments. A new survey map was created and the bounds blazed. Because Sweetwater is not interested in long-term ownership, they have been seeking a new home. Because the earthen dam was in need of repairs, Sweetwater would have to either repair the dam or have it removed.

For the past two years they have discussed the possibility of The Nature Conservancy (TNC) being that new, long-term steward. Because TNC (nor any other land trust for that matter) is interested in being the absentee landowner of a property with an earthen dam and relatively large, man-made body of water, in order for the gift to occur, Sweetwater would have to remove a portion of the dam to rid the property of a liability. When the Stoddard Conservation Commission (and other concerned citizens) heard that the 50-acre pond would be removed, with

the loss of important nesting loon habitat and two miles of undeveloped shoreline buffered by thousands of acres of protected land......we expressed our concern.

To make a long story short, Sweetwater offered the Town of Stoddard the 750-acre Pioneer Lake tract under the following conditions:

- a. They would pay for the repairs to the dam, following an engineered plan approved by the NH Department of Environmental Services that meets state approved standards;
- b. They would offer a \$50,000 stewardship fund to offset loss in taxes and miscellaneous stewardship expenses.
- c. They would pay for all closing costs.

In exchange, the Town of Stoddard would have to do the following:

1. Accept the gift of land and stewardship fund--(Article 13 on the warrant of the upcoming town meeting: To see if the town will vote to accept a donation of conservation land from the Sweetwater Trust identified as Tax Map 104, Lot 11 and Tax Map 404, Lot 2 consisting of about 750 acres to be administered by the Stoddard Conservation Commission).

The gift of land comes with the following:

- 1. Loss of Taxes (\$700+/- year)
- 2. Annual Dam Fee (\$400).....may be able to maneuver around this
- 3. Dam Maintenance: could be costly, BUT Sweetwater will make improvements, up to current state standards prior to giving it to the town
- 4. The property is encumbered with a Forever Wild CE held by the Forest Society: NO MANAGEMENT (Forestry); NO MOTORIZED VEHICLES; NO STRUCTURES; NO SUBDIVISIONS.
- 2. Add a minimum of \$10,000 to the stewardship fund (Article 14 on the warrant of the upcoming town meeting: To see if the town will vote to establish an Expendable Trust Fund for the purpose of maintaining the property referenced under Article 13, and to appropriate the sum of Sixty Thousand Dollars for this purpose with \$10,000 to be raised by general taxation and the balance of \$50,000 to be provided by a grant from the Sweetwater Trust, and to name the Conservation Commission and the Board of Selectmen together as agents to expend from Fund. (Majority vote required). Recommended by the Board of Selectmen.

Property Highlights

- A. Includes 47-acre Pioneer Lake with two miles of undeveloped shoreline
 - a. If we don't own it the dam is taken out and 50+ acres with 7,000 feet of undeveloped shoreline (surrounded by protected lands) is lost;
- B. Own Stoddard Rocks (rename Pioneer Lake to Stoddard's Rocks)....a prominent icon associated with Stoddard that generates much local interest and pride. The Forever Wild CE allows for five miles of existing trails to be maintained and for clearing and maintaining a view around Stoddard Rocks;
- C. Outdoor Classroom for Faulkner Elementary School......learn about biodiversity, importance of Forever Wild lands, and old-growth systems...this property could be an incentive to get students and residents more engaged and familiar with protected lands of Stoddard.
- D. Give the town a seat at the conservation landowner's table; give folks more of a stakeholder interest in land management issues.

Stoddard Conservation Commission Credentials as Land Stewards

No other conservation commission or land trust (with professional staff) possesses the natural resource, stewardship or educational experience and skills that the three members of this commission have.....collectively we have over 89 years worth! ("if one can brag without lying: then let them brag"):

Scott Semmens, high school/college teacher:

- 5. Over 20 years of teaching experience (honor classes for talented & gifted students, adventure based activities)
- 6. Experienced GPS/GIS mapping instructor
- 7. Formerly trained and experienced instructor as "animal tracker"
- 8. Undergraduate degree in biology, advanced degree and classes in anthropology & science education
- 9. Experienced fund-raiser
- 10. Relative newcomer to Stoddard. Attracted to town by large percentage of conservation lands
- 11. Professional Affiliations: Board of NH Environmental Educators; Board Member of NH Science Teachers (see attached resume for additional professional affiliations)

Paul Crosby, forester and manager of Andorra Forest, Stoddard:

- 6. Professional forester and educator with over 30 years of experience
- 7. UNH Cooperative Extension Forester/Educator; Adjunct faculty Berlin Technical College, Research Teaching Assistant/UNH (work published in Journal of Forestry)
- 8. Manages 11,600 acres of conservation land in Stoddard, owned by the Faulkner family. Includes a 2,685 acre "wilderness" area.....(probably largest forever wild designation on privately owned lands....not including NGO's)
- 9. Undergraduate degree in economics; advanced degree in forestry
- 10. Professional Affiliations: member national, New England, and NH Society of American Foresters, NH Farm Bureau
- 11. Lived in Stoddard since 2001 managing lands that have been in Stoddard family for three generations.

Geoffrey Jones, forester and chair of Stoddard conservation commission:

- A. Professional forester/biologist with over 39 years of experience
- B. Former director of land management with SPNHF for 30 years. A couple of pertinent highlights include:
 - a. Early 1980's established "natural area designation" on SPNHF properties protecting parts or all portions of properties with unique and sensitive natural resource values including unique stands of commercial timber. The Williams Family Forest was a catalyst for this, with its old-growth preserve that former colleagues wanted to harvest!!
 - b. Enthusiastically endorsed "forever wild designations" on Pierce and greatly expanded upon and consolidated acreages proposed by Rick Van de Pol. Original estimates were 1,600 to 2,219 acres; Rick recommended 2,345; my recommendation

for wild land acreage was 3,793+/- acres, the present GPS delineated "wild lands" acreages.

- C. Served on Stoddard Conservation Commission since 1996 (chair since 1999). For past 12 years hosted an annual Natural Resources Forum in conjunction with Stoddard Olde Home Days weekend with the purpose of cultivating an awareness and appreciation for the conservation lands of Stoddard. Attendance has ranged from 40 to 120 participants. One of the returns on this "investment" was a 135-0 vote at 2006 town meeting to appropriate \$50,000 towards the protection of 1,600+ acre Robb Reservoir
- D. Long history of land protection efforts in Stoddard:
 - a. Helped lead successful effort in the protection of Pickerel Cove (slated for development in 1990's). Committee raised \$95,000 and its protection led to Sweetwater's protection of abutting Pioneer Lake.
 - b. Helped lead local effort to protect 1,600+ acres surrounding Robb Reservoir
 - c. Played a role in the protection of several other parcels in Stoddard (and abutting conservation lands in other towns that abut Stoddard's protected lands
- 12. Professional Affiliations: Board member of NH Assn. of Conservation Commissions; Harris Center Property Committee; Served on state steering committees that produced 1st and 2nd Editions of "Good Forestry in the Granite State" (guidebook on sustainable forestry practices), member of National Wildlife Federation since 1964 (16th birthday present)! (See attached resume for additional professional affiliations)
- E. Undergraduate degrees in Biology and Forest Technology; US Coast Guard Marine Science Technician; 10-month tour of duty, Vietnam
- F. 4th generation family and owner of historic 1810 cape in Mill Village, Stoddard (abuts Holland tract addition to Pierce Reservation) since 1908.

The town has a long history of good stewardship, dating back to Christopher Robb, founder of Stoddard Lumber Company in the 1850's. He thought that forests should be managed as carefully as a vineyard or an orchard. He sought to get great utilization from every part of a tree, wasting little. This was an attitude he cultivated 50 years before the birth of the profession of forestry and paralleled a time when the forests of NH were some of the heaviest cut in the nation. The landowners in this town have willingly protected 50 parcels of land totaling 21,431 acres or 63% of the land base, an unprecedented act in the state of NH.

There are pivotal points in a town's history where an event helps to galvanize a community towards a higher purpose. Given the stewardship experience and educational excellence that members of the Stoddard CC possess, and our collective ability to unite town folks around a common cause, a gift of Pioneer Lake to Stoddard could be one of those memorable moments with an assigned higher purpose.

Someone has to own the land surround Stoddard Rocks: Why not the Town of Stoddard....as a town with a long history of sterling stewardship.

The Stoddard Conservation Commission has changed the monthly meetings to the third Wednesdays of the month at 7:35 pm, Town Hall.

If folks have issues that need to be brought before the Conservation Commission they can contact the chair, Geoffrey Jones at 446-3439 or write to PO Box 336, Stoddard, NH, or via e-mail: geoffreytjones@gmail.com.

Respectfully Submitted by,

Geoffrey Jones, Chair Scott Semmens Paul Crosby

ZONING BOARD REPORT

This year, your Zoning Board had applications for the normal setbacks from lot lines for garages, decks etc. For the first time, however, we were presented with a subdivision on a private road. After much consideration, with the applicant having frontage on a town road as well as a private road, the Board limited the subdivision on that case to access off the town road.

Since October 2010, the Board has been attending meetings, on a monthly basis, to consider AT&T application for placing a cell tower in Stoddard. We have spent hours gathering evidence from the townspeople and from concerned Nelson folks. At the writing of this report, the case is still under consideration. We continue to gather the final answers to pending questions needed to make our final decision.

WATERFRONT RESTRICTIONS: Development near the water has its own special set of limitations: a buffer zone of 50 ft. from the edge of the high water mark shall be left undisturbed to prevent siltation into the waterway. There are other restrictions that apply to waterfront buildings or decks, porches and alterations to those buildings, so please be familiar with those restrictions BEFORE PLANNING ADDITIONS whether they are new or pre-existing zoning. Being "Grandfathered" does not mean you are exempt, but instead, that you may need a variance <u>BEFORE</u> proceeding with any alterations within the 25 ft side line or within the 50 ft setbacks from water. A STATE SHORELAND PERMIT is required for many construction, excavating or filling activities within the protected waterfront buffer. If a state permit is required, please obtain that permit before applying to the Zoning Board.

For more information, visit the DES Shoreland website: www.des.nh.gov/espa

FYI: In the Town of Stoddard, a building needs to be set back 25 feet from its lot lines. This application to not only the interior living space of the building, but also the porches, additions, decks, garages, etc. A utility shed that is LESS THAN 100 sq. ft. can be located as close as 15 feet from a lot line. Utility sheds, garages or other storage buildings over 100 sq. ft. need to be a minimum of 25 feet from any lot line.

Stoddard Zoning Board of Adjustment

Beverly Power, Chairman Richard Betz Ruth Ward Maureen Meyer Fred Ward Nancy Robinson, Alternate Pat Putnam, Board Secretary

~The Board is seeking persons willing to serve as alternates to the Zoning Board. You need no experience, but be willing to attend training seminars to learn the in's and out's of servicing on the ZBA. Please contact out secretary Pat Putnum if you are willing to serve.

CAPITAL IMPROVEMENTS PROGRAM

PURPOSE:

The purpose of the Capital Improvements Program (CIP) is to prepare and annually update a six-year projected budget of capital expenses. Capital expense includes construction or purchase of buildings, land, major equipment, and expenses met through bonding or capital reserve funds.

The CIP Committee is further tasked by the Planning Board to annually review the Stoddard Master Plan and to make recommendations to the Planning Board and Select Board concerning the implementation of the policies contained in it.

6-YEAR CAPITAL IMPROVEMENTS BUDGET COMMENCING JULY 2011:

Although the CIP budget is an official statement of the budget planning process <u>at a point in time</u>, it is always a work in progress. The budget spread sheet shown in this report represents the projects proposed by town officers as input to the budget preparation process for the current year*. The next step in the process is to evaluate alternative timing and funding of projects in order to better balance the tax rate from year to year. Ultimately, the voters at town meeting make the final choices. The CIP process is intended to give them better information as to the impact the decisions of this year will have in coming years as well as in this year.

*The CIP Committee in January provided the Selectmen with project submittal and revision forms for each department, identifying all previously submitted projects that appeared to no longer be supported by them. The Committee has not yet received signed documents from town officers confirming the removal from the budget of projects put on in previous years that have not been acted on. Their removal from the spread sheet was inferred by the Committee based on their absence from the current budget proposals.

RECOMMENDATIONS:

The CIP Committee makes the following recommendations in the interest of serving the town government process in a more effective manner:

- The selectmen should refine the process of incorporating the CIP 6-year budget into their annual budget preparation process to make it more timely.
- The Select Board should establish a formal procedure for coordinating the work of the committees. The CIP Committee believes that the responsibilities listed below will prove effective.
 - o Projects consistent with the Master Plan and the Community Planning Ordinance are identified by town officers and departments.
 - o Cost estimates are prepared by the officers and/or by the Building Committee.
 - Budget projections and comparisons of alternative timing and project selection are processed in conference by the Selectmen and town officers/department heads, with the CIP Committee giving any requested assistance.
 - The Financial Advisory Committee factors in operating & maintenance impacts.

CAPITAL IMPROVEMENTS PROGRAM continued

• Select Board should annually set priorities for the work of the committees.

MASTER PLAN REVIEW:

The CIP Committee has selected the following polices from the Master Plan as being timely for inclusion in the town's planning process:

- 1. Develop a Comprehensive Future Land Use Plan that expands on the future land use section of this Plan, and adopt the Comprehensive Plan as a component of the Master Plan. This is the first of the two top-level policies in the Master Plan. It forms the framework for reconciling all other policies.
- 2. Implement appropriate growth management tools through the Community Planning Ordinances and Subdivision and Site Plan Review processes. Regularly review, revise and update these Ordinances and Regulations. Review and revise Town fiscal processes (to facilitate data tracking and multi-year comparisons such as building permits). This is the second of the two top-level policies in the Master Plan. Some review of ordinances has been done, but it lacks coherence and clarity of purpose because no overall plan for growth has been prepared. Some progress in modernizing the town's fiscal processes has been made by the newly established Financial Advisory Committee, and this work should be continued and incorporated into the regular processes of the town.
- 3. Provide extra-curricular activities for school children. This is the third policy listed in the Recreation section of the Master Plan. The town does have some assets suitable for recreation, e.g. the ball field, beaches, town hall and community room, but few programs are developed for their utilization.

Details on the selection of these policies are to be found in the CIP Committee minutes of March 10, 2009.

T. McMahon, chairman

CEMETERY COMMISSION REPORT

2010 - 2011

This has been a very busy year with much hard work and improvement in our cemeteries so I thought it would be easiest to chronicle the season.

July 1 - 3, 2010 - Keene Tree Service trucks and men arrived in Stoddard at 8 AM and proceeded to trim - wire - remove dead, dying and dangerous trees in the New Town and Dow Cemeteries - all debris was cleaned up. What a wonderful improvement.

July 25, 2010 - George Cahill replaced the lock on the double gate at Dow Cemetery and placed a lovely stone bench beneath the large maple near Sally Cahill's burial site in the Town Cemetery - Thank you, George.

August 21, 2010 - Phyllis Sawyer expressed concern about the health of several of the Memorial Trees in the Dow Cemetery. Mary Lou walked this area with Phyllis and agreed 4 or 5 trees need to be replaced.

August 23, 2010 - Cheshire County Extension Service was called regarding the Memory Trees. Carl Magewski felt the problem was "winter wind" kill and suggested we replace the currant cherry trees with hardy crabapple trees.

August 24, 2010 - Mary Lou's curiosity about the area to the left front wall of the Dow Cemetery, Old Section - with it's stones in an outline pattern, decided to ask Alan Rumrill, our renounced historian, about this. Alan stated there was a store and law office on this site, many years ago - Thank you, Alan.

August 30, 2010 - Spoke with Karen Cushing, who owns a garden - landscaping business, and she agreed with Carl Magewski. She will try to get prices and tree type and colors for the Cemetery Commission's approval. Karen found Adams and Sugartime crabapple trees are best for this area and they are available thru Moose Maple Nursery in Dublin, NH.

September 3, 2010 - Spoke with both the Commissioners and Virginia GrandPre' of the Trustees of Trust Funds, regarding the expense and took it under advisement.

September 10, 2010 - All committee members agreed to replace trees as needed, when funds are available.

September 15, 2010 - Virginia GrandPre' turned over a check for replacement trees and compost. Karen Cushing delivered the trees to Mary Lou's house, where they remained until planting day.

September 17, 2010 - Compost was delivered to the Dow Cemetery Memory Tree area and a mound was placed around each tree and near the site of the replacement tree plantings.

CEMETERY COMMISSION REPORT continued

September 25, 2010 - 7:30 AM - Gordon Garnett of Land Contractors, arrived, unloaded his equipment and dug holes for planting the trees. After he departed, Mary Lou planted, fertilized, watered and mulched the new trees and noontime found the project completed - THAT WAS HARD WORK! - Thank you, Gordon.

September 30, 2010 - Spoke with Heidi at Peterborough Marble and Granite Works, asking John Kaufhold to start repairing and resetting the damaged headstones in the New Town Cemetery.

October 2, 2010 - Remounted Memory Plaques on new, stainless steel brackets.

October 4, 2010 - All Memory Plaques were replaced under their respective trees.

October 22, 2010 - Cemetery Commissioners agreed to hire Frank Stuckey to canopy up 20 foot - 18 oak trees in the Dow Cemetery, New Section on the South wall area and to remove saplings and brush, remove the debris and brush on the East wall of the Dow Cemetery, Old Section.

November 10, 2010 - Stoddard Cemetery Commissioners met and agreed all cemetery projects were successful.

March 18, 2011 - Our first meeting since winter - we will spread loam and seed where necessary in the Dow Cemetery, New Section, in May.

We wish to thank David Young for his fine work in all the cemeteries, but special thanks for taming Dow Cemetery, Old Section. We realize what a daunting task it was.

The Stoddard Cemetery Commission has worked hard and diligently to maintain the cemeteries as the peaceful and beautiful areas, the townspeople expect. We hope you are pleased with our accomplishments that we have done with thoughtfulness and caring.

Respectfully submitted,

Mary Lou Stymest, Chair Charlotte Pratt Louis GrandPre'

MONADNOCK FAMILY SERVICES

Annual Report to the Town For the year ended June 30, 2010

Town of: STODDARD

Monadnock Family Services provided the following services to your town's residents this last year:

Number of clients treated:	28
Children Adults Seniors	12 15 1
Total # of appointments provided for the above residents:	333
Percentage of payments received for services:	70.38%
Discounts based on a resident's ability to pay and other discounts:	\$6,854.70
In addition to the above discounts, current outstanding and Noncollectable resident balances:	\$5,063.98

HEALTHCARE, HOSPICE AND COMMUNITY SERVICES

Annual Report to the Town of STODDARD 2010/2011

In 2010/11, Home Healthcare, Hospice and Community Services (HCS) continued to provide home care and community services to the residents of Stoddard. The following information represents activities in Stoddard during the past twelve months.

Service Report

Services Offered Services Provided

Nursing	151 visits
Physical Therapy	130 visits
Occupational Therapy	16 visits
Home Health Aide	35 visits
Chronic Care	9 hours
Health Promotion Clinics	12 hours

Prenatal and well child care, hospice services and regularly scheduled "Nurse Is In" clinics, including foot care, are available to residents. Town funding partially supports these services.

HCS also offers the Age In Motion program in Stoddard; ten week sessions are held in the spring and fall. AIM is an exercise program designed primarily for older adults. AIM promotes exercise for balance, flexibility, and to build strength, preventing falls and enhancing older residents' ability to stay independent. Home Healthcare, Hospice and Community Services also sponsors the monthly Friendly Meals for senior citizens at the Stoddard Town Hall. No town funding is involved in the Friendly Meals program.

A new program available to Stoddard residents is Geriatric Care Management. This service assists elders and their families in planning for long term care needs, and arranging services for current and future needs.

Financial Report

The actual cost of all services provided in your fiscal year 2010/11 with all funding sources is \$56,021.00. These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, grants and patient fees. Services that were not covered by other funding have been supported by the town's appropriation. Home Healthcare, Hospice and Community Services greatly appreciates the town's support of services.

For information about HCS services, residents may call (603) 352-2253 or visit www.HCSservices.org

HIGHLAND LAKE UNIFIED ASSOCIATION

The Highland Lake Unified Association is a non-profit organization dedicated to establishing an awareness, understanding and appreciation of Highland Lake and the responsibilities associated with preserving the environment of the lake.

The association is responsible for the volunteer water collection and testing by the state (see the 2010 report from William Bearce, chairman of the water testing committee) and weed watch programs and the highly successful Lake Host Program which is entering its tenth (10th) year. The volunteer water collection team use their own fishing boats and the volunteer weed watch team use their canoes , kayaks and other small boats to cover the lake looking for invasive plants.

During the 2010 boating season the lake hosts examined over 2500 boats and trailers both entering and leaving the two (2) public boat ramps during eleven (11) weekends and included eight (8) fishing tournaments.

We are now preparing for the 2011 boating season and will be seeking additional funding. New Hampshire Lakes Association is trying to obtain funding for The Lake Host Program but with no Federal or State funding they have to rely on private grants. This being so, further cuts are expected in our allotment this year. Without the Lake Host Program Highland Lake is open to infestation by invasive species of plants making the lake inhabitable for fish and other plant life? With such an infestation there would be no boating, fishing or swimming. Eradication of milfoil and other invasive species is extremely expensive. The Lake Host Program is the first line of defense.

During 2010, with the help of the town of Stoddard providing \$5,000.00 (five thousand), the town of Washington \$500.00 (five hundred), road association's donations, and the generosity of our members we were able to cover the program for the season, Thank you all for your generosity.

I wish everyone a good 2011 summer

Joseph P. Van Schaick President

WATER QUALITY ON HIGHLAND LAKE

Ice out occurred in early April with unseasonably warm weather and little snow cover on the lake. Weed growth also started early due to good weather and good water clarity. Loons and geese are back along with a flock of mallard ducks. The lake level is low due to lack of rain and warmer than usual temperatures have brought surface temperature to over 80 degrees. Observed a lot of chopped up weeds after the 4th due to increased boat traffic along with stirred up silt in the shallow areas.

The first sampling date for 2010 occurred on 7/13 with the Department of Environmental Services yearly visit. Sara Stiener (the boss) and intern Liz arrive at the marina landing at 0900. I collected samples from Barden pond brook and the North inlet before meeting them at the landing. We started at the North deep spot and samples taken for Chlorophyll-A, dissolved oxygen, and plankton. Temperature and dissolved oxygen show a thermocline layer around 16 feet. Transparency reading taken with schecci disk show clarity over ten feet and with view scope over 11 feet which is the best observed since program started. This information will be sent to Kent State for the annual schecci disk dip in. Sampling continued with Pickerel cove and Dead brook. Next was South deep with transparency using schecci disk reading almost 10 feet, chlorophyll-A, plankton and dissolved oxygen. Tributary sampling was a challenge due to low lake level and little or no flow coming in at these spots. If you sample and get sediment in the sample it cannot be analyzed properly and the data with be useless. Carr brook not sampled due to no flow coming in to the lake. If we don't get some rain soon Sara said not to sample the tributaries on the next sample events.

The second sampling event done on August 15. Tributary flow is just a trickle at the North inlet and Barden pond brook. South tributary spots have no flow so again not sampled. Lake level is very low and with no flow coming in the clarity is excellent.

The third sampling event done on September 12. Still no rain and the lake is down almost 12 inches. South tributaries not sampled due to no flow.

The long hot summer is over and fall brought rain and cooler temperatures. The lake is back to normal level and flow coming in all tributaries to end the boating season.

We could use a few volunteers for helping with sampling on some of the south end spots and/or driving the samples to Concord. Thanks to Deb for driving samples to Concord and to Jeff for helping out with sampling.

William Bearce, Chairman Water Testing Committee

ARCHIVES COMMITTEE REPORT

In late 2009, the Stoddard Board of Selectmen created a town archives committee which is comprised of the Town Clerk, Tax Collector, Treasurer, and four appointed members listed below in accordance with the N.H. Municipal Records Board and governed by N.H. RSA 33-A. The purpose of the committee is to preserve the integrity of the Town's history (its records and vital statistics) for the present and for future generations.

During the period of this report, the Archives Committee identified, inventoried, and sorted historic records that were being stored at the Town Hall in the Selectmen's Office, in the kitchen, and on the stage. Some redundant and/or worthless records were disposed of, again in accordance with RSA 33-A.

In September 2010, the Town was informed that its application for a "Moose Plate" Conservation Grant was successful in the amount of \$7,305. While the State does not generally award grants where there is not a permanent storage facility for historic records, an exception was made for Stoddard. These grant funds have been used to pay Brown's River Marotti, an archival preservation and imaging company, to conserve a number of fragile records in the Town Clerk's Office. These records are: a manuscript layout of the roads in town from c.1772 and Town Records from 1916 to 1960. Funds also have been used to digitally scan and microfilm all town records from 1769 to 1960.

Some historic records have already been conserved and it is anticipated that the remaining records will be conserved and scanned in time to have them on display at May's Town Meeting. On June 17th, the Stoddard Historical Society will present a talk on "Stoddard's Living History as Seen Through Its Historical Records", at which time many of these records will be on display. Further, it is the intention of the Committee to publish all of the digital scans of the historical records on the Town's website.

Finally, the Archives Committee is still negotiating to have a Keene State College student intern assist with the development of a computerized "finding aid" of all historic records and with the placement of the records on the Town website.

Respectfully submitted by the Archives Committee:

Joan Read, Town Clerk
Pat Putnam, Town Treasurer
Ellen Mason, Tax Collector
Arlene DiCorcia
Ed Saleski
Alan Rumrill
Richard L. Betz

Town of Stoddard

2010 Town Meeting Minutes

TOWN OF STODDARD, NH TOWN MEETING MAY 11, 2010

To the inhabitants of the Town of Stoddard in the County of Cheshire in the State of New Hampshire, qualified to vote in Town affairs: You are hereby notified to meet at the James Faulkner Elementary School Lucy B. Hill Community Room in said Stoddard on Tuesday, the eleventh (11th) day of May 2010, next at eleven of the clock in the forenoon (11:00AM) to act upon the following articles:

The Polls will be open from 11:00 AM to 7:00 PM.

Article 1: To choose by ballot all necessary Town Officers for the ensuing year.

Results of Election as follows:

Moderator:	Daniel A. Eaton	2 years
Selectman:	John D. Halter	3 years
Town Clerk:	Joan A. Read	3 years
Trustee of Trust Funds:	Kimberley Rumrill	3 years
Trustee of Public Library:	Ginger Saleski	3 years
Trustee of Public Library:	Clair Costin	2 years
Constable:	David Vaillancourt	1 year
Board of Fire Ward (3)	PJ Lamothe	1 year
	Joe Sarcione	1 year
	Wally Weaver	1 year
Planning Board: (2)	Robert Fee	3 years
	Terrence S. McMahon	3 years
Building Committee: (3)	George Davenport	3 years
	Dale Smith	3 years
	David Vaillancourt	3 years
Supervisor of Check List:	Jean Kelly	6 years
Cemetery Commission:	Charlotte H. Pratt	3 years
Sexton:	Gordon Garnett	1 year
Auditors: (2)	Gale Saleski	1 year
	Kathy Whitcomb	1 year

To vote by official ballot on proposed amendments to the Stoddard Community Planning Ordinance (Articles 2 through 4):

Article 2: Are you in favor of adoption of the National Flood Insurance Program Ordinance, as proposed by the Planning Board? Recommended by the Stoddard Planning Board.

ARTICLE 2: IS ADOPTED: YES 158 NO 126

Article 3: Are you in favor of adding the Outdoor Lighting Ordinance regulation, as proposed by the Planning Board, to the Stoddard Community Planning (Zoning) Ordinance? Recommended by the Stoddard Planning Board.

ARTICLE 3 IS DEFEATED: YES 92 NO 193

Article 4: Are you in favor of adding the Sexually Oriented Business regulation, as proposed by the Planning Board, to the Stoddard Community Planning (Zoning) Ordinance? Recommended by the Stoddard Planning Board.

ARTICLE 4 IS DEFEATED YES 122 NO 161

FURTHER; you are hereby notified to meet at the James Faulkner Elementary School Lucy B. Hill Community Room in said Stoddard on Tuesday, the eighteenth (18th) day of May 2010, next at seven of the clock in the evening (7:00 PM) to act upon articles 5 through 32.

The Meeting opened at 7:00 PM by Moderator Daniel Eaton with a salute to the flag.

A presentation to John Davis as the oldest resident of Stoddard Age 91, is given a pin to represent the Boston Post Cane which will be hanging in the Town Hall on a plaque with John Davis's name engraved on it.

ARTICLES 5,6, & 7 ARE BOND ARTICLES & MUST BE VOTED ON BY BALLOT.

THE POLLS WILL BE OPEN NO LESS THAN 1 HOUR AFTER EACH ARTICLE HAS BEEN VOTED ON.

A motion by Randy Clark seconded by Alan Champney to discuss Art. 5,6 & 7 simultaneously, with voting to accrue for a period of not less than 1 hour after all three Articles have been discussed. On recommendation of Town counsel that there may be some confusion voting on all three articles at once but was legal to do so.

On a voice vote Motion fails.

Article 5. To see if the Town will vote to raise and appropriate the sum of One Hundred and Ninety-five Thousand Dollars (\$195,000) (gross budget) for repairs and improvements to the Town Hall, including but not limited to, a new roof, new siding and exterior trim, cupola reconstruction, heating system, entrances and any other related needs as may be necessary, and recommended by the Building Committee; and to borrow in the name of the municipality by issuance of serial notes or bonds, in accordance with the provisions of the Municipal Finance Act (RSA Chapter 33), a sum not to exceed \$195,000 for the purpose of defraying the cost of the foregoing, and to authorize the Town's officials to issue and negotiate such bonds or notes and to determine the rate of interest thereon. A two-thirds majority vote is required. Recommended by the Board of Selectmen.

Motion by John Halter, seconded by Sandy Holland. Discussion follows, with Dick Briere giving a short history of the Town Hall. Discussion follows: Bob Blair inquires as to how much Baybut Project Mgr. will get out of the \$195,000. Dick Briere does not have the answer. Bob Blair's concerns are that other contractors here in Town could do all the work without a project manager at a lower cost. Sandy Holland, Selectperson, says Baybut would sub contract the work to other contractors. More discussion.

AMENDMENT by Terry McMahon to change the wording of Article 5, seconded by Fred Ward to remove the words (including but not) also (and any other related needs as may be necessary) Discussion follows. The article would then read:

To see if the Town will vote to raise and appropriate the sum of One hundred and Ninety-five Thousand Dollars (\$195,000) (gross budget) for repairs and improvements to the Town Hall, a new roof, new siding and exterior trim, cupola reconstruction, heating system and entrances recommended by the Building Committee; and to borrow in the name of the municipality by issuance of serial notes or bonds, in accordance with the provisions of the Municipal Finance Act (RSA Chapter 33), a sum not to exceed \$195,000 for the purpose of defraying the cost of the foregoing, and to authorize the Town's officials to issue and negotiate such bonds or notes and to determine the rate of interest thereon. A two-thirds majority vote is required. Recommended by the Board of Selectmen. More discussion follows:

ON A VOICE VOTE

THE AMENDMENT FAILS FOR ARTICLE 5

More discussion follows: Dick Briere states that the building committee has a agreement with Baybut to accept at least 3 contractors for each bid for each job & that the building committee would have a chance to look at each one to decide which one would be the best for the Town. John Keating has the answer to a previous question that was asked in regard to how much Baybut's share would be, was found to be 22% or approximately \$44,000.00 More discussion. At 8:10 voting begins by ballot on Article 5 Polls will be open for 1 hour. The Moderator will declare when to count the ballots.

Polls closed at 9:30 PM for ARTICLE 5 & the ballots were counted. 193 voters Yes 103 No 90 1 Spoiled Ballot. Not a 2/3 vote ARTICLE 5 IS DEFEATED.

Article 6. To see if the Town will vote to raise and appropriate the sum of Three Hundred and Fifty-five Thousand Dollars (\$355,000) (gross budget) for the reconstruction and conversion of the property adjacent to the Town Hall, known as the Gould House, for use as municipal offices fully compliant with all applicable New Hampshire codes, as recommended by the Building Committee; and to borrow in the name of the municipality by issuance of serial notes or bonds, in accordance with the provisions of the Municipal Finance Act (RSA Chapter 33), a sum not to exceed \$355,000 for the purpose of defraying the cost of the foregoing, and to authorize the Town's officials to issue and negotiate such bonds or notes and to determine the rate of interest thereon. A two-thirds majority vote is required. Recommended by the Board of Selectmen.

A Motion to address Article 6 & 7 simultaneously, discuss & vote together. Being no discussion, on a strong voice vote, MOTION FAILS

Motion by Chet Pratt to table Article 6, seconded by George Davenport. This is a non-debatable article & a majority vote to remove from the table. Voice vote very close. The Moderator calls for a standing vote. **Yes 69 No 89 Motion fails to table Art.6**

Dick Briere gives a brief background of the Gould House. Discussion follows: George Davenport asks about information in a handout given out three years ago for costs stated for repairs, septic system, sprinkler system. No one on the Building Committee knows who put out the handout.. Fred Ward discusses selling the Gould House to offset the cost a new building on the Cahill property. Also to accommodate the use of the second floor in the Gould House & the basement an elevator should be included in the price. PJ Lamothe Fire Chief says she doesn't think we

need a elevator, but notes that certain building materials have to be fire rated & the contractor has to follow the codes that the State enforces. Terry McMahon remarks, "with priceless records & employees why would you not have a sprinkler system installed? " Also noted that the Building Committee did not take advantage of the Financial Committee's recommendations & that the Town should be looking for a solution that suits all the needs of the people as best as possible keeping in mind the character of the Town .The Moderator asks if anyone who has not voted on Article 5 to please do so now. None being, the Moderator declares the polls closed for Article 5 at 9:30 PM.

Continued discussion on Article 6 The consensus is that there is confusion about issues & there is not enough information on the Gould House to make any decisions. Being no other questions the Moderator declares the polls open at 10:02 to vote on Article 6.

AT 11:15 PM THE POLLS CLOSED & BALLOTS WERE COUNTED FOR ARTICLE 6 . BEING 170 VOTERS

ARTICLE 6 IS DEFEATED. YES 56 NO 114

Article 7. To see if the Town will vote to raise and appropriate the sum of Seven Hundred and Fifty Thousand Dollars (\$750,000) (gross budget) for the construction of a municipal office building, and associated site work, to be located on Town owned property identified as Tax Map 410, Lot 008, which fronts on Route 123 North; and to borrow in the name of the municipality by issuance of serial notes or bonds, in accordance with the provisions of the Municipal Finance Act (RSA Chapter 33), a sum not to exceed \$750,000 for the purpose of defraying the cost of the foregoing, and to authorize the Town's officials to issue and negotiate such bonds or notes and to determine the rate of interest thereon. A two-thirds majority vote is required. Recommended by the Board of Selectmen.

Motion by Jan James to table Article 7, seconded. No discussion . On a standing vote there were 133 voters.

ARTICLE 7 IS TABLED YES 99 NO 34

Article 8. To see if the Town will vote to raise and appropriate the sum of \$50,000 for site engineering, environmental testing and other related activities necessary for the construction of a municipal office building to be located on Tax map 410, Lot 008, being the facility described in Article 7. **Majority vote is required. Recommended by the Board of Selectmen.**

Motion by Brian Michaud to table Article 8, seconded. Non-debatable.

On a voice vote Moderator declares Article 8 is tabled with a majority vote.

ARTICLE 8 IS TABLED

Article 9. To see if the Town will vote to create the position of Town Administrator, reporting to the Board of Selectmen, and to raise and appropriate the sum of \$27,981 to fund the position for the 2010/2011 Fiscal Year. **Recommended by the Board of Selectmen.**

Motion by Sandy Holland, seconded by Arnie Stymest. Discussion follows: Question on how this new position can be created in Town without being advertised? Sandy Holland states there is no policy that says the Board has to advertise. A Town Administrator has limited additional authority. John Halter states the Town needs this position with 2 Selectmen working full time. This cost does not exceed what Evelyn Nadeau received & more hours would be put into the office.

AMENDMENT by John Halter to add "this position shall be advertised." Seconded.

The Article would then read:

To see if the Town will vote to create the position of Town Administrator,, reporting to the Board of Selectmen, and to raise and appropriate the sum of \$27,981 to fund the position for the 2010/2011 Fiscal Year. This position shall be advertised.

Motion carries. The hours will be the same, but if the Administrator is working after hours the door will be open to the public.

ARTICLE 9 IS ADOPTED AS AMENDED.

Article 10: To see if the Town will vote to raise and appropriate the sum of \$287,239 to defray Town charges for the ensuing year. (Majority vote required).

Motion by John Halter, seconded by Arnie Stymest. Discussion follows. John Halter shows comparison of last year warrant articles 17,18,19,22,32, Those 5 Articles are consolidated into this article we are now voting on. Those articles account for about \$9,419.00. John will make an amendment to reduce this article by \$7,000.00 because there is a duplication of salaries. We just voted in a Town Administrator& we eliminated the position out of the old budget.

AMENDMENT by John Halter to reduce the appropriation by \$7,000.00 seconded by Sandy Holland. The article would then read:

To see if the Town will vote to raise and appropriate the sum of \$280,239.00 to defray Town charges for the ensuing year (Majority vote require).

Motion carries

Town.

ARTICLE 10 IS ADOPTED AS AMENDED UNANIMOUSLY

Article 11: To see if the Town will vote to raise and appropriate the sum of \$10,000, or an appropriate amount decided by bids, for funding a thorough, professional audit of all Stoddard's financial records including Fire Station, Police Station, Town Clerk, Library, Selectmen, Tax Collector and Trust Funds. **(By Petition)** (Majority vote required). **Recommended by the Board of Selectmen.**

Motion by Arnie Stymest, seconded by Sandy Holland. Discussion follows

ARTICLE 11 IS ADOPTED

Article 12: To see if the Town will vote to raise and appropriate the sum of \$12,890 for the operating budget for the Stoddard Planning Board, for the ensuing year. [Explanation: Included in the operating expenses for 2010 are two new items, \$4,000 for consultants fees for Deliberative Democracy and \$500 for the publication of a newsletter.] (Majority vote required). Motion by Ruth Ward, seconded by Fred Ward .Discussion follows explaining what exactly is Deliberative Democracy. Teaching the Planning Board how to meet the needs of the people & the

AMENDMENT: Motion by Joan Zelasny ,seconded, to decrease the amount of Article 12 to \$8,390.00 The article would then read:

To see if the Town will vote to raise and appropriate the sum of \$8,390.00 for the operating budget for the Stoddard Planning Board, for the ensuing year.

Motion carries:

ARTICLE 12 IS ADOPTED AS AMENDED.

Article 13: To see if the Town will vote to raise and appropriate the sum of \$39,900 for the operating budget of the Stoddard Police Department. (Majority vote required).

Motion by David Vaillancourt, seconded by Joann Vaillancourt. No discussion.

ARTICLE 13 IS ADOPTED.

Article 14: To see if the Town will vote to raise and appropriate the sum of \$8,000 for Antrim ambulance service for the ensuing year. (Majority vote required).

Motion by PJ Lamothe, seconded by Joe Sarcione. No discussion

ARTICLE 14 IS ADOPTED.

Article 15: To see if the Town will vote to raise and appropriate the sum of \$48,000 for the operating budget of the Stoddard Fire & Rescue Department, including paramedic intercept, for the ensuing year. (Majority vote required).

Motion by PJ Lamothe, seconded by Randy Weaver. No discussion.

ARTICLE 15 IS ADOPTED.

Article 16: To see if the Town will vote to raise and appropriate the sum of \$3,100 for the operating budget of the Stoddard Fire Warden. (Majority vote required).

Motion by Joe Sarcione, seconded by Steve Rockwell. No Discussion.

ARTICLE 16 IS ADOPTED.

Article 17: To see if the Town will vote to authorize the selectmen to enter into a three year lease agreement for \$82,000 for the purpose of leasing a forestry truck and related equipment trailer for the Fire Department, and to raise and appropriate the sum of \$27,500 for the first year's payment for that purpose. This lease agreement contains an escape clause. (Majority vote required). **Recommended by the Board of Selectmen.** Motion by PJ Lamothe, seconded by Joe Sarcione. Discussion follows:

Question by Joan Zelasny" Doesn't the State supply Forestry trucks to the Town"?

Joe Sarcione does not know, but if they do they would be the old military style which at one time the fire dept. had one & had more problems. It was not reliable, gauges that didn't work,etc & they had to get rid of it. Moderator remarks that the State Dept.of Resourses & Economics Development & the Forestry division of that State agency will donate to the Town when available. Joe describes the need for this truck not only for brush fires but places where regular apparatus cannot get to in times of a disaster. PJ Lamothe verifies that the brush truck they have now has been used at least 15 times a year. Also this can be used all year round as a multipurpose truck. On a voice vote not clear the Moderator calls for a standing vote. YES 56 NO 41

Motion carries.

ARTICLE 17 IS ADOPTED

Article 18: To see if the Town will vote to authorize the Selectmen to continue the municipal lease purchase agreement established for the purpose of leasing a 4 wheel drive pumper/rescue vehicle for the Stoddard Fire & Rescue Department and to raise and appropriate the sum of \$36,517 for the fifth of ten payments. This lease contains an escape clause. (Majority vote required). Recommended by the Board of Selectmen.

Motion by PJ Lamothe, seconded by Steve Rockwell.

Motion carries:

ARTICLE 18 IS ADOPTED.

Article 19: To see if the Town will vote to raise and appropriate the sum of \$1,500 for the purpose of funding Emergency Management Services. (Majority vote required).

Motion by Joe Sarcione, seconded by John Halter. No discussion.

ARTICLE 19 IS ADOPTED.

Article 20: To see if the Town will vote to raise and appropriate the sum of \$195,300 for Winter and Summer maintenance, emergencies and planned repair of Town roads and bridges. (Majority vote required).

Motion by David Vaillancourt, seconded by Joan Zelasny. No discussion.

ARTICLE 20 IS ADOPTED.

Article 21: To see if the Town will vote to raise and appropriate the sum of \$209,098 for Recycling, Solid Waste and related Transfer Station expenses for the ensuing year. (Majority vote required). Motion by John Halter, seconded by Arnie Stymest.Discussion.

AMENDMENT by John Halter to reduce the amount to \$182,210.00 seconded by John Keating. The Selectmen have 3 bids in the mix now & this Article is based on the highest figure. Bids to be determined this summer. The article would then read:

To see if the Town will vote to raise and appropriate the sum of \$182,210.00 for Recycling, Solid Waste & related Transfer Station expenses for the ensuing year. (Majority vote required). Motion carries.

ARTICLE 21 IS ADOPTED AS AMENDED UNANIMOUSLY.

Article 22: To see if the Town will vote to raise and appropriate the sum of \$681 for the residents of Stoddard to participate in household hazardous waste collection days at the City of Keene Recycling Center. (Majority vote required). Motion by Pat Putnam, seconded .Motion carries

ARTICLE 22 IS ADOPTED.

Article 23: To see if the Town will vote to raise and appropriate the sum of \$22,719 for the operation of the Davis Public Library. Per RSA 202-A:11, the funds raised and appropriated, other than payroll and utilities, shall be paid over to the Library Trustees pursuant to a payment scheduled as agreed upon by the Library Trustees and the Selectmen. (Majority vote required). Motion by Brian Michaud, seconded by Ginger Saleski. No djscussion. Motion carries.

ARTICLE 23 IS ADOPTED.

Article 24: To see if the Town will vote to raise and appropriate the sum of \$20,000 for all routine building repairs and minor improvements in excess of \$1,000, and to direct that all

proposed repairs and improvements shall be presented to the selectmen by the Building Committee with a recommendation prior to the commencement of any work. (Majority vote required). Motion by Dick Briere, seconded by Lou Grandpre' Discussion follows.

AMENDMENT by Fred Ward to add \$10,000.00 to this amount, seconded by Arlene D'Corcia. Discussion follows: The article would then read:

To see if the Town will vote to raise & appropriate the sum of \$30,000.00 for all routine building repairs & minor improvements in excess of \$1,000.00, and to direct that all proposed repairs and improvements shall be presented to the selectmen by the Building Committee with a recommendation prior to the commencement of any work.

Motion fails.

ARTICLE 24 AS AMENDED FAILS.

2nd **AMENDMENT** by Carol Briere seconded by Joan Zelasny. To raise & appropriate the sum of \$50,000.00 for building repairs. No Discussion. Article 24 would then read:

To see if the Town will vote to raise and appropriate the sum of \$50,000.00 for all routine building repairs and minor improvements in excess of \$1,000.00, and to direct that all proposed repairs and improvements shall be presented to the selectmen by the Building Committee with a recommendation prior to the commencement of any work.

Motion fails.

ARTICLE 24 2ND AMENDMENT FAILS.

On a voice vote the original article fails.

ARTICLE 24 FAILS

Article 25: To see if the Town will vote to raise and appropriate the sum of \$21,500 for repairs and improvements to the Stoddard Fire Station, including but not limited to the installation of a new siren, emergency generator and related electrical switchgear.(Majority vote required). Motion by PJ Lamothe, seconded by Harry Power.

Discussion follows: Harry Power reports among other related repairs the building needs new clapboard & some of the insulation is falling down.

Motion carries.

ARTICLE 25 IS ADOPTED.

ANYONE WHO HAS NOT VOTED ON ARTICLE 6? THE MODERATOR DECLARES THE POLLS CLOSED FOR ART.6 @11.15PM

Article 26: To see if the Town will vote to raise and appropriate the sum of \$15,000 for repairs and to the Police Station and for engineering and design services for the Davis Public Library. (Majority vote required). Motion by Moderator to universally agree to remove the word (and) after the word repairs. Everyone in agreement .

Moved & seconded. Motion by Brian Michaud, seconded. by Arlene DeCorcia to table Art. 26. Non debatable motion.

ARTICLE 6 IS TABLED

Article 27: To see if the Town will vote to raise and appropriate the sum of \$2,460 for The Community Kitchen Inc. in Keene, NH for reimbursement of services provided to Stoddard residents for the 2009 year. (Majority vote required). Moved by Lou Grandpre's econded by Dee Pratt. Discussion. Motion carries.

ARTICLE 27 IS ADOPTED

Article 28: To see if the Town will vote to raise and appropriate the sum of Eight Hundred Dollars (\$800) to Home Healthcare, Hospice and Community Services to support the continuance of visiting nurse and home health services being provided to the residents of Stoddard. **(By Petition)** (Majority vote required). **Recommended by the Board of Selectmen.** Motion by John Halter, seconded by Arnie Stymest.

No Discussion. Motion carries.

ARTICLE 28 IS ADOPTED.

Article 29: To see if the Town will vote to raise and appropriate the sum of One Thousand Two Hundred Dollars (\$1,200) to Home Healthcare, Hospice & Community services to support continuance of the Age In Motion program provided to the residents of Stoddard. [Explanation: This program for all area Seniors (60+) will meet in the Town Hall on Tuesday and Thursday afternoons for a period of 10 weeks. The funds will cover the cost of a trained physical exercise leader and equipment. (By Petition) (Majority vote required). Recommended by the Board of Selectmen. Motion by Jean Kelly, seconded by Mary Lou Stymest. No Discussion. Motion carries.

ARTICLE 29 IS ADOPTED.

Article 30: To see if the Town will vote to raise and appropriate the sum of \$1,250.00 for Monadnock Family Services, a non-profit agency which provides quality mental health services to residents of Stoddard and which is requesting said amount to help underwrite the cost of services provided to residents. The amount is based on a per capita fee of \$1.25 based on the 2006 census. MFS has not raised the per capita cost this year. (By Petition) (Majority vote required). Recommended by the Board of Selectmen. Motion by Arnie Stymest, seconded by June Congdon. Discussion follows.

Motion carries.

ARTICLE 30 IS ADOPTED.

Article 31: To see if the Town will vote to raise and appropriate the sum of \$12,000 for the Lay Monitoring, Lake Host Programs and water testing . (Majority vote required).

Motion by Lou Grandpre', seconded by Joe Van Schiack. Joe not being a resident seconded by Ginny Grandpre'. Discussion follows.

The State has shut down some of the funding for this program. All the reports of the testing for the lakes, inlets & outlets are posted in the Town Report. This Article not only provides for the lake hosts checking for mill foil but the monitoring & testing of the water . Town of Nelson & Washington contribute to this program.

ARTICLE 31 IS ADOPTED.

Article 32: To see if the Town will vote to authorize the Davis Public Library to retain funds produced by any income generating equipment pursuant to RSA 202-A:11-b. These funds shall be retained by the Library in a non-lapsing fund and used for repairs and upgrading and for the purchase of books, pursuant to RSA 202-A:11-a, and III.

Motion by Penny Betz seconded by Sandy Holland. Discussion.

ARTICLE 32 IS ADOPTED.

Article 33: To see if the Town will vote to modify the Elderly Exemption, as provided in RSA 72:39-b, granting an exemption from the assessed value of property for qualified taxpayers as follows: 65 years up to 75 years, \$30,000, 75 years up to 80 years \$50,000, and over 80 years \$60,000. To qualify, the person must have been a New Hampshire resident for at least 3 years, own the real estate individually or jointly, or if the real estate is owned by such person's spouse, they must have been married for at least 5 consecutive years. In addition, the taxpayer must have a net income of not more than \$30,000, or, if married, a combined net income of less than \$50,000; and own net assets not in excess of \$60,000. [Explanation: This article adjusts the income limits to be equal to the Disability Exemption adopted at the 2009 annual meeting.] (Majority vote required). Motion by John Halter, seconded by Arlene DeCorcia. Discussion follows. Jim Coffey explains the article. The only thing this article does is raise the amount of income so it matches the disability exemption from last year. This is merely a housekeeping article to keep the two equal.

ARTICLE 33 IS ADOPTED.

Moderator declares that the Building Committee elected this year should have been appointed as noted in last year's Art.39. The 3 persons elected, George Davenport, Dale Smith, & David Vaillancourt will be appointed by the Moderator.

If you were elected to any office please stay after adjournment to be sworn in.

A motion by Penny Betz, to reconsider Article 26 seconded by Dick Betz to remove Article 26 off the table. This would still be a non-debatable Article. On a voice vote the Motion fails.

ARTICLE 26 FAILS TO BE REMOVED FROM THE TABLE.

A Motion to adjourn the meeting by Tom Chagnon, seconded. Meeting adjourned at 12:10 AM

This is a true copy of the minutes Town Meeting, Town of Stoddard May 18, 2010.

Attest:

Joan A. Read/ Town Clerk

Town of Stoddard

Town Warrant & 2011 Town Budget

TOWN OF STODDARD, NH TOWN MEETING MAY 10, 2011

To the inhabitants of the Town of Stoddard in the County of Cheshire in the State of New Hampshire, qualified to vote in Town affairs: You are hereby notified to meet at the James Faulkner Elementary School Lucy B. Hill Community Room in said Stoddard on Tuesday, the tenth (10th) day of May 2011, next at eleven of the clock in the forenoon (11:00AM) to act upon the following articles:

The Polls will be open from 11:00 AM to 7:00 PM.

Article 1: To choose by ballot all necessary Town Officers for the ensuing year.

To vote by official ballot on proposed amendments to the Stoddard Community Planning Ordinance (Articles 2 through 6):

Article 2: Are you in favor of the adoption of amendment #1 as proposed by the Planning Board for the Community Planning Ordinance (Zoning) as follows:

Under Article III General Dwelling Requirements:

Section E:

Existing single-family dwelling may be converted to allow one conversion apartment provided the following conditions are met:

- 5. A conversion apartment shall contain no more than two (2) bedrooms.
- 8. An existing, attached or detached structure may be converted to allow one conversion apartment, provided the following conditions are met:
 - 1. An attached or detached structure that cannot be converted for an apartment include:
 - Box type storage trailers, travel trailers or any structure without a permanent foundation made of concrete, concrete block, brick, granite or other durable product for a permanent foundation
 - 2. Any conversion of a structure to an apartment does not create a Second lot of record until subdivision approval and zoning regulations are met

Recommended by the Stoddard Planning Board.

Note: The effect of this amendment it to allow a detached structure to be converted into an apartment, provided that it has a permanent foundation.

Article 3: Are you in favor of the adoption of amendment #2 as proposed by the Planning Board for the Community Planning Ordinance (Zoning) as follows:

Under Article III General Dwelling Requirements:

Add: Section 6:

6. Enforcement of Ordinance

The Selectmen or their designee may take enforcement action against any violation of this Ordinance. The enforcement may include daily civil penalties as allowed by law, injunctive relief or any other enforcement action allowed by law.

Recommended by the Stoddard Planning Board.

Note: This is not an additional fine but offers enforcement of building permit regulations to the Board of Selectmen.

Article 4: Are you in favor of the adoption of amendment #3 as proposed by the Planning Board for the Community Planning Ordinance (Zoning) as follows:

Under Article V Non-conforming Uses:

Change wording to read:

Any non-conforming use of land or buildings lawfully existing at the effective date of these regulations may be continued or may be re-established after a discontinuance not exceeding one (1) year. Non-conforming uses may not be expanded. Changes from an existing, non-conforming use to another non-conforming use are not permitted.

Recommended by the Stoddard Planning Board.

Note: This is simply a grammatical, housekeeping correction.

Article 5: Are you in favor of the adoption of amendment #4 as proposed by the Planning Board for the Community Planning Ordinance (Zoning) as follows:

Under Article VI - Non-Conforming Lots

(Under – Owned separately from any adjoining lot and recorded in the land records of the Cheshire County Registry, or,)

E. Add:

- 1. The foundation or a proposed project cannot be started until a Building Permit is approved.
- 2. Construction of a dwelling.
- 3. Addition to an existing dwelling, including a porch or deck.
- 4. Installation of a mobile home or manufactured housing for residential purpose.
- 5. Construction of an accessory building.
- 6. Construction of a building for commercial or industrial purpose.
- F. Just before the last sentence add: Before a building permit can be issued, the town will require merger of these substandard, contiguous lots.

Recommended by the Stoddard Planning Board.

Article 6: Are you in favor of the adoption of amendment #5 as proposed by the Planning Board for the Community Planning Ordinance (Zoning) as follows:

Under Article VII - Building Permits:

d. 2. Add, including decks and porches

A. Add:

- 7. Foundation for a project cannot be started until a building permit has been approved
- 8. Installation of a septic system and/or well
- 9. Installation of a new or rebuilding an existing foundation
- G. Change wording to rear: Fees for building permits shall be set from time to time by the Selectmen.
- H. Strike this section.

Recommended by the Stoddard Planning Board.

FURTHER; You are hereby notified to meet at the James Faulkner Elementary School Lucy B. Hill Community Room in said Stoddard on Tuesday, the seventeenth (17th) day of May 2011, next at seven of the clock in the evening (7:00 PM) to act upon articles 5 through 21.

Article 7: To see if the town will vote to raise and appropriate the sum of \$848,247 for general municipal operations. (Majority vote required). **Recommended by the Board of Selectmen.**

Article 8: To see if the town will vote to raise and appropriate the sum of Forty Thousand Dollars (\$40,000) to engineer and design a multistage plan for addressing the crucial structural needs and improved utilization of the Stoddard Town Hall. This is a Special Warrant Article. (Majority vote required). **Recommended by the Board of Selectmen.**

Article 9: To see if the Town will vote to raise and appropriate the sum of \$11,750 for the Lay Monitoring, Lake Host Programs and water testing. (Majority vote required). **Recommended by the Board of Selectmen.**

Article 10: To see if the town will vote to authorize the Selectmen to continue the municipal lease purchase agreement established for the purpose of leasing a 4-wheel drive pumper/rescue vehicle for the Stoddard Fire & Rescue Department and to raise and appropriate the sum of \$36,518 for the sixth of ten payments. This lease contains an escape clause. (Majority vote required). **Recommended by the Board of Selectmen.**

Article 11: To see if the town will vote to authorize the Selectmen to continue the municipal lease purchase agreement established for the purpose of leasing the forestry vehicle for the Stoddard Fire & Rescue Department, and to raise and appropriate the sum of \$18,333 for the second of four payments. This lease contains an escape clause. (Majority vote required). **Recommended by the Board of Selectmen.**

Article 12: To see if the town will vote to raise and appropriate the sum of Twenty Two Thousand Five Hundred Dollars (\$22,500) for the purpose of making repairs affecting the structural integrity of the fire station, and for any related engineering work necessary. (Majority vote required). **Recommended by the Board of Selectmen.**

Article 13: To see if the town will vote to accept a donation of conservation land from the Sweetwater Trust identified as Tax Map 104, Lot 11 and Tax Map 404, Lot 2 consisting of about 750 acres to be administered and managed by the Stoddard Conservation Commission.

Article 14: To see if the town will vote to establish an Expendable Trust Fund for the purpose of maintaining the property referenced under Article 13, and to appropriate the sum of Sixty Thousand Dollars for this purpose with \$10,000 to be raised by general taxation and the balance of \$50,000 to be provided by a grant from the Sweetwater Trust, and to name the Conservation Commission and the Board of Selectmen together as agents to expend from Fund. (Majority vote required). **Recommended by the Board of Selectmen.**

Article 15: To see if the town will vote to raise and appropriate the sum of Five Thousand Seven Hundred and Ten Dollars (\$5,710) for the purpose of funding the following regional health services.

Age in Motion \$1,200 Keene Community Kitchen \$2,460 Home Healthcare Services \$800

Monadnock Family Services \$1,250

(Majority vote required). **Recommended by the Board of Selectmen.**

Article 16: To see if the town will vote to raise and appropriate the sum of Ten Thousand Dollars (\$10,000) for the purpose of determining the future public safety needs of the town and to create preliminary designs for a public safety facility (fire & police) to meet those needs. (Note: Grants to accomplish all or most of this cost are presently being applied for.) (Majority Vote Required) Recommended by the Board of Selectmen.

Article 17: Shall the town vote to change the town's nine-member Building Committee from appointed to elected by electing the committee members as the terms of the appointed members expire, commencing with the 2012 Annual Town Meeting?

[Explanation: Three members will be elected at the next three town meetings, 2012-2014.] (Majority Vote Required) **Recommended by the Board of Selectmen.**

Article 18: To see if the town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of constructing town offices and the preservation of existing town buildings, and to raise and appropriate the sum of Fifty Thousand Dollars (\$50,000) to be placed in this fund. (Majority Vote Required) **Recommended by the Board of Selectmen.**

Article 19: To see if the town will vote to establish a three to seven member Conservation Commission under the provisions of RSA 36-A for the proper utilization and protection of natural resources of the municipality. Furthermore, any balance remaining at year-end maybe transferred to a conservation fund account in the hands of the town treasurer (RSA 41:29) (Majority Vote Required) **Recommended by the Board of Selectmen.**

Article 20: Shall the town accept the provisions of RSA 202-A:4-d providing that any town at an annual meeting may authorize the public library trustees to accept gifts of personal property, other than money, which may be offered to the library for any public purpose, and such authorization shall remain in effect until rescinded by a vote of town meeting?

Given under our hands and seal this 11th day of April in the year of our Lord, two thousand and eleven.

Board of Selectmen						
 Sandra L. Holland, Chairman						
John D. Halter						
Arnold Stymest

Town of Stoddard

Town Budgets & Financial Records

TOWN ADMINISTRATOR'S COMMENTS

This annual report contains information pertaining to three fiscal years. The "Budget" which is based on State form MS-6 compares the last completed fiscal year, FY2009-2010, to the proposed fiscal year, 2011-2012, which is also represented by the "warrant." The year that ends on June 30, 2011 is in between and not included on the State form. The pages following these comments were taken from the budgeting module of our local government accounting software and represent a comparison between the proposed fiscal year, and the previous one. We hope that this gives a clearer picture of the current financial status of the Town. Should anyone ever want to have a specific financial report please let me know and we will be happy to provide one.

During the past year we have implemented some significant changes that will help to streamline town government administrative operations and allow for better financial reporting. The changes are based on an improved use of technology and software specifically designed for our needs. The initial change came with the mid-year billing of the property tax in 2010. We already had a well-designed assessing system, but lacked a tax receivable system that would allow for improved billing and accountability. The tax billing software interfaces with our assessing software and can save countless hours of labor for the tax collector. It allows for the automated billing of tax bills with reduced postal costs. There is no longer a need to have a printer print blank tax bills. It also will allow for not only balancing the cash remitted to the treasurer by the collector, but gives us a clear picture of our accounts receivable to be balanced between the collector and the selectmen.

CONSERVATION COMMISSION

During the construction of the 2011-2012 warrant, the Department of Revenue Administration informed us that they did not have a record of Stoddard having a conservation commission. We have checked the Town's records and find that there have been appropriations for about forty years, but no record of any Town meeting ever voting to authorize a conservation commission. When we consider the proposed gift of land from the Sweetwater Trust, Article 13, and the related financial gift in Article 14, it becomes important that we make sure everything is in order. Article 19 will ensure that we have a properly established conservation commission to administer and manage the proposed donated property, and to move forward in the future.

2009-2010 INDEPENDENT AUDIT

At the time of the Town Report going to the printer, we have some items left to complete for the audit. The auditors have reviewed the Town's financial records and completed a financial report, which was used to set the tax rate last year. The most significant item remaining is to complete a capital inventory and depreciation schedule. Presently we anticipate having the information to the auditor by the end of April. The delay in doing this was somewhat the result of setting priorities, with a capital inventory being pushed back. Once this is done the yearly updates will be relatively simple. When the audit is received it will be put on our web site and available in print at the Town Office. I also anticipate that anyone could have a PDF copy emailed.

Respectfully submitted, James Coffey, Town Administrator

FINANCIAL REPORT July 1, 2009 to June 30, 2010

DPL Trust Funds Total = \$4,500 Percentage of Total	22%	56%	11%	11%
FY 2009/2010 Total Interest = \$115.15	\$25.33	\$64.48	\$12.67	\$12.67

Investment Plan

Established November 13, 2006

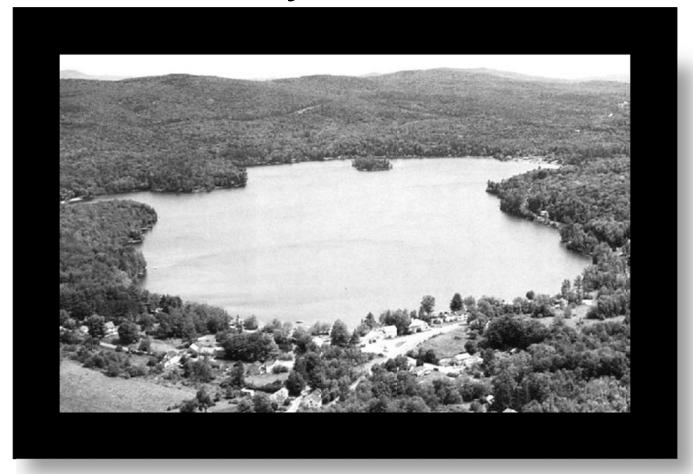

With the intention of maximizing growth and minimizing risk, at this time principal monies in trust for the library will be kept in CD's. At renewal, the interest will be placed in a savings or checking account to be used when needed. The donor's intent, when known, will at all times be respected.

Davis Public Library Trustees Account - CD	Cash Account Balances - June 30, 2010
June 30, 2010 Balance = \$2,602.38	Library Director's Petty Cash = \$40.46
FY 2009/2010 Interest = \$68.15	Income from Fines/ Lost or Damaged Books = \$28.40
Davis Public Library Trustees Account - Checking	Income from Equipment (Copier and Printer) = \$15.60
June 30, 2010 Balance = \$10.87	

Davis Public Library Trustees Account - Money Market

June 30, 2010 Balance = \$2,503.30 Income from Donations = \$110.00

Town of Stoddard

Granite Lake Village District

Granite Lake Village District: Summary of Minutes of Annual Meeting 2010

The Granite Lake Village District held its annual meeting on April 24, 2010 and voted on the following 9 articles.

- 1. To choose one commissioner for a term of 3 years, clerk, treasurer, and moderator each for a term of 1 year. Nominated were Brian Pratt, commissioner; Sally Ripley, clerk; Barbara Ropiecki, treasurer; John Halter, Moderator. The article was appropriately moved and seconded. The vote was affirmative.
- 2. To see if the District will vote to vote to authorize the commissioners to borrow in anticipation of taxes. John Halter suggested that we could vote for this once and not again unless the District rescinds it. The article was appropriately moved and seconded. The vote to automatically authorize the commissioners to do so was affirmative.
- 3. To see if the District will vote to raise and appropriate the sum of \$2000. to defray Village District expenses for the ensuing year. Very little discussion followed. The treasurer named off the usual petty case expenses, plus repair of the fence surrounding the dam and the plaque for Tom Yocono and David Knight who served as commissioners and have passed away. The article was appropriately moved and seconded. The vote was affirmative.
- 4. To see if the District will vote to raise and appropriate the sum of \$750. to purchase liability insurance. The article was appropriately moved and seconded. The vote was affirmative.
- 5. To see if the District will raise and appropriate the sum of \$5,000. to add to the Captial Reserve Fund for dam maintenance/repair/replacement established 2008. Phil Hamilton[commissioner] stated that the face of the dam will soon need to be replaced as the concrete is getting soft and there is no more room to set it on the current footings. Such a repair will probably cost about \$30.000. and if we save money now we can avoid needing to borrow the funds later. The article was appropriately moved and seconded. The vote was affirmative.
- 6. Shall the Village District accept the provisions of RSA 31.95-b providing a Village District to indefinitely allow the commissioners to accept and expend any unanticipated funds from a state, federal or any governmental unit or private source which becomes available. Some discussion followed regarding how the commissioners might mishandle expending such funds. Apparently any fears were put to rest. The article was appropriately moved and seconded. The vote was affirmative.
- 7. To see if the District will appropriate the sum of \$3000. left from last year's surplus to pay for an updated hydrology report allowing the District to raise the planks from 21" to 24". Phil Hamilton summarized the reason it was voted for the first time. The article was appropriately moved and seconded. The vote was affirmative.

- 8. To see if the District will vote to hold its next meeting on Saturday, April 23,2011at the Chapel-by-the Lake in Munsonville. The article was appropriately moved and seconded. The vote was affirmative.
- 9. To see if the District will vote to adjourn the meeting. The article was appropriately moved and seconded. Vote was affirmative.

Respectfully,

Sally Ripley, clerk
