TAMWORTH COMMUNITY NURSE COMMITTEE

For the months of November, December and January, the Community Nurse, Mrs. Gertrude Seiders, has made 370 calls, averaging 30 calls per week. Using her own Ford car, she has been able to cover the Town's wide territory frequently, calling in Chocorua, the Village, and in the South side in the same day.

Although the cost in mileage of this wide-spread service has mounted up, we feel that the families of the Town have had more individual attention and constant care than heretofore.

The funds for next year will come as before, from our generous summer residents, as well as from the town. This year's appropriation should allow the work, not only to go on, but to improve.

We are glad that the townspeople have felt free to send for the nurse and we welcome their continuing co-operation which includes any helpful suggestions.

### SUPERINTENDENT'S REPORT

To the School Board of Tamworth:

I herewith submit my eighth annual report as superintendent of schools.

The free public school is still our grand heritage from the liberty-loving pioneers. If our democracy is to continue, our schools must train citizens for honest and wise participation in self-government. Tamworth is to be commended for so wisely supporting its schools.

As superintendent of schools, I feel an especial pride in the high school which serves so many of the boys and girls. It is doubtful if fifty per cent. of these pupils would ever go to high school if it were not for this opportunity in the home town. Principal Pearson, in addition to his class work, has done especially commendable work outside of school hours, spending time with the boys in manual training and 4-H Club work. This work has included boys in the grades as well as in high school.

The list of teachers and schools follows:

Herman W. Pearson at the High School has 16 pupils.  
 Edwin A. Blackey at the Grammar School has 25 pupils.  
 Mavis O. Corbett at the Primary School has 17 pupils.

Grace E. Shannon at Downs School has 19 pupils.  
Edna B. Wilson at Chocorua School has 21 pupils.  
Margaret E. Brown at Pequaket School has 9 pupils.  
Alice A. Whiting at Bennett's Corner School has 9  
pupils.  
Lula M. Ball at South Tamworth School has 27 pupils.  
Estella M. White at Whittier School has 13 pupils.

### Statistics

For the year ending June 30, 1930, we had an average attendance of 145, an average membership of 153 and a per cent. of attendance of 94.5. Schools having an attendance of 95 per cent. or above were as follows:

Pequaket, 99.4 per cent.  
Whittier, 98.5 per cent.  
Bennett's Corner, 97.8 per cent.  
South Tamworth, 95.9 per cent.  
Chocorua, 95.4 per cent.

### Health Work

The health work is now being regularly cared for by a school nurse. All pupils have been examined and defects registered. We expect to have the Toxin Anti-Toxin clinic this spring, it having been postponed from last year. The State will assist in this work. A dental clinic was held last spring and we hope to have another this spring. The State also expects to conduct an eye clinic in this section to which Tamworth children will be welcome. Parents should plan to take advantage of these opportunities.

### School Property

The school board has continued its wise policy of keeping up and improving its school property. This year Whittier, the Village, Chocorua and Pequaket schoolhouses were painted inside. New adjustable curtains were installed at Pequaket and in two rooms at the Village. A slate blackboard was installed at

Whittier and Chocorua. Downs, Chocorua and Whittier were painted outside. Chemicals were installed at Downs, making conditions much more sanitary and convenient. The heating plant at the Village was reconditioned and improvements made in the basement. In all buildings the floors were oiled and the furniture varnished. The school yard was much improved at Chocorua.

I recommend that the Great Hill schoolhouse be sold as there are no children now living in that section.

For next year I recommend that special attention be given to outside painting and providing screens for windows and doors. Slate blackboards should be installed at South Tamworth and Bennett's Corner.

I would recommend that each school next year be supplied with manual training equipment and proper playground equipment.

#### Roll of Perfect Attendance, 1929-30

Horace Fortier, Chocorua School  
Martin Fortier, Chocorua School  
Walter Fortier, Chocorua School  
Albert Moore, Chocorua School  
Ernest Ross, Chocorua School  
William Fortier, Chocorua School  
Virginia Ross, Chocorua School  
Lawrence Frost, Downs School  
Effie Bean, Pequaket School  
Mary Bean, Pequaket School  
Carol Gilman, Pequaket School  
Laura Gilman, Pequaket School  
Phyllis Greene, South Tamworth School  
Frances Bookholz, South Tamworth School  
Teresa Bookholz, South Tamworth School  
Mary Vittum, South Tamworth School  
Agnes Johnson, Whittier School  
Austin Welch, Whittier School  
Mary Belle Welch, Whittier School

Russell Hutchins, Bennett's Corner School  
Paul Hutchins, Bennett's Corner School  
Barbara Mason, Bennett's Corner School  
Victoria Mason, Bennett's Corner School  
Kenneth Brett, Grammar School  
Andrew Eldridge, Grammar School

It is interesting to note that for the second year Chocorua leads the list with the greatest number. The total number is nearly twice that of last year. This is encouraging.

Former Tamworth High School students attending school elsewhere include Hazel Ames and Margaret Vittum at Quimby School in Sandwich, Leslie Robinson at school in Virginia, Mary Remick in Manchester schools, Carroll Fortier, Muriel Smalle, David Fortier and William Hidden in Madison High School. Harry Welch is taking a two-year course at the University at Durham.

On September 1, James N. Pringle succeeded Ernest W. Butterfield as State Commissioner of Education. Our state has met a distinct loss in the departure of Mr. Butterfield, who for ten years has guided the schools so successfully during the period of transition and growth under the new state law. worthy successor.

Mr. Pringle comes to the position of commissioner. However, we are pleased that he has an entirely with a full knowledge of conditions which he, as deputy, has had a large share in developing. We are glad to welcome Mr. Pringle, believing that the school welfare in New Hampshire is under safe, conscientious, and wise direction.

In conclusion, I wish to express appreciation for cordial and able support in the school work.

Respectfully submitted,

F. W. JACKSON,  
Superintendent.
