ANNUAL REPORTS

of the

TOWN OFFICERS

of

MARLOW

New Hampshire

for the year ending

December 31, 2004

and

Marlow School District

for the year ending

June 30, 2004

PUBLIC NOTICE
ATTENTION ALL MARLOW PROPERTY OWNERS
INVENTORY FORMS DUE APRIL 15TH

You are required to file an Inventory of all taxable property owned by you as of April 1, 2005. The Town will make all reasonable attempts to distribute the required forms. Should you not receive a form, they can be obtained at the town office. Please be advised that whether or not you receive your form(s), it is your responsibility to obtain them and file them in a timely fashion. Completed forms are **due by April 15, 2005**.

ATTENTION ALL DOG OWNERS

New Hampshire Statutes require all dogs to be licensed with the Town Clerk every April. Proof of Rabies inoculation must be presented to obtain a license. Failure to license your dog(s) on time will result in a \$1.00 penalty per animal per month after May 31. In addition, court summonses will be issued in June to all owners of unlicensed dogs. This will involve an appearance before a judge and possible fine. Your timely compliance is encouraged.

REMINDER TO TRANSFER STATION USERS

Only clear "see - through" garbage bags will be utilized for the disposal of household waste in the compactor. All garbage bags that are not clear "see- through" will be rejected. Beginning March 2, 2005, a fine of \$25.00 per bag, payable to the Town and enforced through the court systems, will be imposed upon anyone insisting on violating this ordinance. The attendant in charge is present to manage the facility. Please do not argue with him.

Per order of the Marlow Board of Selectmen.

DEBORAH MONTE
ANTHONY PREVITE
JOSEPH FEUER
Board of Selectmen

Selectmen's Report 2005

On behalf of the town, the Board of Selectmen extends a sincere welcome to all that chose Marlow as their home since our last town meeting. For those of you who may be unfamiliar with the inner workings of a small town, town meeting is that one day in the year when the Board turns to the citizens for direction, guidance, and approval in fulfilling its mission of managing the town's affairs. The board urges all of you, whether long time resident or recently arrived, to attend this very basic expression of grassroots governance.

Our town government is comprised of a number of departments, each with its respective head or manager. These department heads answer directly to the Board of Selectmen. The Board of Selectmen answers to all the citizens, who have the final say. The Board only succeeds when it is responsive to the citizens and respects their opinions.

The current Board is well aware that there has been a degree of dissatisfaction with past policy and performance. Likewise, this board recognizes previous errors in administration that must be addressed and rectified. It is the Board's intention not to dwell on what has past, but rather to move the town forward in a positive direction. The Board calls upon all people of goodwill to join us as neighbors working together for the benefit of our town.

The demands and requirements with which the Board must contend on a day to day basis can be overwhelming. Fulfilling our mission correctly and successfully and in a timely manner would be impossible were it not for the excellent assistance of our support staff personnel. In particular, the Town is fortunate to have engaged the services of Jacqui Fay, a recent arrival to Marlow, who is spearheading our efforts in the role of executive administrator. This position also includes the duties of financial management and the responsibility for helping to keep the town office functionally effective.

The Board finds a number of areas where improvement is needed. Within the constraints of our budget we are presenting several proposals for your consideration at town meeting.

Highway Department:

The town's three full time employees maintain and improve our roads, regardless of weather, throughout the year. This is without doubt the most critical service the town provides. It is our intention to provide adequate, acceptable working conditions for the members of this department. To this end we wish to build a heated addition to our equipment garage which will contain modern bathroom and shower facilities, a comfortable warm up area, space for individual lockers, and a decent office. In this day and age there is absolutely no reason to expect these dedicated individuals to work under conditions of fifty years ago.

Fire Department:

In 2004 Marlow lease purchased a brand new fire truck. And while our firemen may be volunteers, they are none the less members of a fully trained and equipped department, which prides itself on its high degree of professionalism and dedication. This year Chief Marcotte has requested the acquisition of a digital, portable radio for the department. As this is a fairly expensive, though none the less, necessary piece of equipment, we have included it as an article in our warrant.

We recognize that our fire station is old and limited in space. However, as we failed to find an alternative, we must maintain what we have. This year we find it necessary to replace the oil furnace and the fire alarm system in our fire station. Maintaining a heated station for our fire

vehicles is critical to the department's mission. And, considering the investment housed in that station, it only makes sense to install a state of the art fire alarm system in the building. We all hope we may never have need of this service, but when we need it we really need it.

Cell Tower Proposal:

The town has been presented with an excellent opportunity to realize revenue over an extended period of time from an unexpected source. Due to the elevation of Marlow Hill, the Town has the opportunity to lease a section of the Town Common for the erection of a telecommunication tower. The tower will generate tax revenue plus rental income and provide excellent cell phone reception for the entire area. We consider this to be an extremely positive situation for Marlow and we are confident that the citizens will view it in the same light.

Town Revaluation:

In 2005 the town will undergo a complete property reappraisal in order to bring values up to current market level. This is required periodically in order to insure equitable taxation. It does not mean that individual taxes will change dramatically; when the town's overall valuation rises, the tax rate inevitably declines. In the upcoming revaluation, the contracted appraisal firm, Commerford Neider Perkins, would have utilized existing assessment data to determine present values. This would have eliminated much actual fieldwork and on site inspections, thus reducing cost. Of course, all new construction would still require visits. The revaluation will be paid for by funds from a capital reserve fund specifically created for this purpose. While we were confident that sufficient funds already existed for the project, a recent random sampling of our assessment cards conducted by the Department of Revenue Administration turned up an unacceptable percentage of errors and discrepancies. This situation will now require total on site measuring and reviewing of all buildings to check the integrity of our existing data. This extra assessment work will require additional funds not budgeted. To cover this shortfall we are requesting that another ten thousand dollars be added to our Revaluation Capital Reserve Fund.

Planning Board:

This fall, the selectmen worked with the planning board and several concerned citizens in developing a more efficient procedure for preventing animal abuse. Our solution appears in the form of a town ordinance included on our warrant and must be approved by the Town Meeting. We sincerely hope that our proposal meets with your approval. We also urge you to read the Planning Board's report, which appears in this Town Report, for a more detailed explanation of our efforts in this regard.

Our local system of government depends almost exclusively on active volunteers. Openings on our various boards occur often. Currently our planning and zoning boards have vacancies. If you are interested in serving, please contact the town office. The only prerequisite is an open mind and the willingness to devote a few evenings working with other like-minded neighbors. Think about it!

Thank you for your time and interest. See you at Town Meeting. Please bring your Town Report.

Sincerely,
Deborah Monte
Anthony (Tony) Previte
Joseph N. Feuer

Marlow Board of Selectmen

THE STATE OF NEW HAMPSHIRE

THE POLLS WILL BE OPEN FROM 2:00 PM TO 7:00 PM

To the inhabitants of the Town of Marlow in the County of Cheshire, in said State, qualified to vote in Town affairs:

You are hereby notified to meet at Perkins School in said Marlow on Tuesday, the 8th day of March 2005, at 2 of the clock in the afternoon to act upon the following subjects:

Article 1- To choose all necessary Town Officers and School Officials for the year ensuing.

Article 2 - (To be voted on at the elections of Officers.)
To see if the Town will vote to amend the Marlow Zoning Ordinance, as adopted in March 1986, Section 405 Residential – 5 (R-5) District, paragraph 405.2 Permitted uses: by adding an item X. “Kennels”. Said item X, shall also become a permitted use in the subsequent zoning districts.

Article 3 - (To be voted on at the elections of Officers.)
To see if the Town will vote to amend the Marlow Zoning Ordinance, as adopted in March 1986, Article II. Definitions, Section 202 Term Definitions, by inserting in proper alphabetical sequence: “Kennel: The housing or possession of five (5) or more dogs beyond three (3) months of age. The animals must be licensed and the facility or premises is subject to initial and subsequent periodic inspections by the Animal Control Officer to insure compliance with relevant provisions of the Federal Animal Welfare Act.

Article 4 – (To be voted on at the election of Officers.)

To see if the Town will vote to amend the Marlow Building Regulations, as adopted in March 1986, by deleting subparagraphs 5a and 5b in their entirety and inserting as new subparagraph 5a: “ a state approved septic system is required for any building that will have running water. An Approval for Construction certificate for such system, issued by the NH Department of Environmental Services, must be on record and numerically identified on the building permit application.” And inserting as new subparagraph 5b: “ an Approval for Operation Certificate for such septic system, issued by the NH Department of Environmental Services, must be received before the Town will issue a Certificate of Occupancy. Notwithstanding the above, nothing in this section shall be construed to deny or eliminate the use of alternate systems of human waste disposal which pose no risk to the community or the environments. (This amendment removes outdated language and brings Marlow’s code into conformity with current practice).

After the votes are counted and the results are announced, the meeting will recess until Saturday, March 12, 2005, when it will reconvene at 10:00 AM in John D. Perkins School to act upon the following subjects:

Article 5 - To see if the Town will vote to raise and appropriate such sums of money as may be necessary to defray Town operating expenses for the year ensuing as set forth in the following budget:

PURPOSE OF APPROPRIATION

GENERAL GOVERNMENT

Executive	\$54,008.00
Elections, Registration & Vital Statistics	\$15,531.60
Financial Administration	\$16,312.46
Revaluation of Property	\$7,000.00
Legal Expense	\$7,000.00
Personnel Administration	\$42,280.99
Planning and Zoning	\$900.00
General Government Building	\$19,047.00
Cemeteries	\$1,742.00
Insurance	\$10,269.00

PUBLIC SAFETY

Police Department	\$11,230.00
Ambulance Department	\$10,500.00
Fire Department	\$18,996.65
Emergency Management	\$1.00
Building Inspection	\$150.00

HIGHWAYS, STREETS AND BRIDGES

General Highway Department Expenses	\$152,650.00
Street Lighting	\$3,750.00

SANITATION

Solid Waster Disposal	\$64,820.00
-----------------------	-------------

HEALTH DEPARTMENT

Health Department	\$1,700.00
-------------------	------------

WELFARE

General Assistance	\$3,000.00
--------------------	------------

CULTURE & RECREATION

Library	\$20,356.34
Parks & Recreation	\$200.00
Patriotic Purposes	\$400.00
Conservation Commission	\$1.00

DEBT SERVICE

Principal of Long-Term Bonds & Notes	\$23,456.75
Interest Expense – Long-Term Bonds & Notes	0.00
Interest Expense – Tax Anticipation Notes	0.00

TOTAL APPROPRIATIONS	\$485,303.00
-----------------------------	---------------------

Article 6- To see if the Town will authorize the Tax Collector to give a two percent (2%) cash discount on all property taxes that are paid IN FULL within ten (10) business days after the due date.

Article 7 - To see if the Town will vote to authorize the Selectmen to accept on behalf of the Town gifts, legacies and devises made to the Town in trust for any public purpose, as permitted by RSA 31:19.

Article 8 - To see if the Town will vote to adopt as a permanent town ordinance relevant provisions of the Federal Animal Welfare Act in order to promote and encourage the humane treatment of companion animals. (A brief summary of the specific provisions and consequences is on file and available from the Town Clerk.)

Article 9 - To see if the Town will vote to alter the method of paying the Town Clerk from salary plus fees to hourly plus fees.

Article 10 - To see if the Town will vote to raise and appropriate the sum of twenty thousand dollars (\$20,000.00) to build an addition onto the existing new highway pole barn. This addition will house the road agent's office, employee lounge, locker room and conventional sanitary facilities. The Selectmen recommend this appropriation.

Article 11 - To see if the Town will vote to authorize the selectmen to lease out a designated area of the Town Common, Map 405, Lot 44, located on Marlow Hill, for the siting of a telecommunication cell tower on a long term basis. The selectmen would be empowered to negotiate the terms of such lease agreement. All funds realized by the Town, deriving from such agreement to be used to offset taxes.

Article 12 - To see if the Town will vote to raise and appropriate the sum of Two Thousand Two Hundred Sixty Dollars (\$2,260.00) to replace and upgrade the fire alarm system at the fire station. This is required by state code. The Selectmen recommend this appropriation.

Article 13 - To see if the Town will vote to raise and appropriate the sum of Three Thousand Six Hundred Seventy Eight Dollars (\$3,678.00) to upgrade the existing burglar alarm system and install a commercial fire alarm system at the Town Office. This is required by state code. The Selectmen recommend this appropriation.

Article 14 - To see if the Town will vote to raise and appropriate Seventy Five Hundred Dollars (\$7,500.00) to replace the oil fired furnace at the fire station. The Selectmen recommend this appropriation.

Article 15 - To see if the Town will vote to appropriate the sum of Three Thousand Dollars (\$3,000.00) for the purpose of installing metal flashing on the roof of Jones Halls. (This project approved but not accomplished in 2004.) Said funds to come from the December 31st 2004 unreserved fund balance. The Selectmen recommend this appropriation.

Article 16 - To see if the Town will vote to raise and appropriate the sum of Fifteen Thousand Dollars (\$15,000.00) to be added to the Heavy Highway Road Equipment Capital Reserve Fund previously established. The Selectmen recommend this appropriation.

Article 17 - To see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars (\$10,000.00) to be placed in the Town Revaluation Capital Reserve Fund previously established. The Selectmen recommend this appropriation.

Article 18 - To see if the Town will vote to raise and appropriate Thirty Six Hundred Dollars (\$3,600.00) to purchase a digital portable radio for the fire department. The Selectmen recommend this appropriation.

Article 19 - To see if the Town will vote to raise and appropriate the sum of Three Thousand Dollars (\$3,000.00) to be added to the Ambulance Capital Reserve Fund, previously established, and to authorize Selectmen to be agents to expend. The Selectmen recommend this appropriation.

Article 20 - To see if the Town will vote to raise and appropriate the sum of Four Thousand Dollars (\$4,000.00) to be added to the Defibrillator Capital Reserve Fund, previously established, and to authorize Selectmen to be agents to expend. The Selectmen recommend this appropriation.

Article 21 - To see if the Town will vote to rescind the affirmative action taken under Article 4 of the 2004 Town Warrants which authorized the Tax Collector and Town Clerk to accept payments of local taxes, vehicle registration or other fees by use of credit card. (Submitted on advice of Auditors)

Article 22 - To see if the Town will vote to authorize the Public Library Trustees to accept gifts of personal property other than money, which may be offered to the Library for any public purpose.

Article 23 - To act upon any other business that may legally come before the meeting.

Given under our hands and seal, this 21st day of February in the year of our Lord, Two Thousand and Five.

Motion made and seconded. Discussion. **Article 2 Passed** - voice vote.

Article 3 - To see if the Town will vote to authorize the Selectmen to accept on behalf of the Town gifts, legacies and devices made to the Town in trust for any public purpose, as permitted by RSA 31:19.

Motion made and seconded. **Article 3 Passed** - voice vote

Article 4 - To see if the Town will vote to authorize the Tax Collector and Town Clerk to accept payment of local taxes, vehicle registration or other fees by use of credit card. RSA 80:52-c provides that the Office of the Tax Collector and Town Clerk may add to the amount due, in addition to any penalties and interest payable, a service charge for the acceptance of the card which will be disclosed at the time of billing.

Motion made and seconded. Discussion. Motion made and seconded to amend Article 4 to read: To see if the Town will vote to authorize the Tax Collector and Town Clerk to accept payment of local taxes, vehicle registration or other fees by use of credit card, cash, or check and advise the Selectmen to authorize the Tax Collector to give a two percent

(2%) cash discount on all property taxes that are paid in full within ten (10) business days after the billing date. RSA 80:52-c provides that the Office of the Tax Collector and

Town Clerk may add to the amount due, in addition to any penalties and interest payable, a service charge for the acceptance of the card which will be disclosed at the time of billing. Discussion. Amendment passed - written ballot, Yes 48 No 21.

Amended Article 4 Passed - hand count.

Article 5 - To see if the Town will vote to raise and appropriate a sum not to exceed Three Thousand Dollars (\$3000) for the purpose of installing metal flashing on the roof of Jones Hall. The Selectmen recommend this appropriation.

Motion made and seconded. **Article 5 Passed** - voice vote.

Article 6 - To see if the Town will vote to raise and appropriate a sum not to exceed Eight Thousand Dollars (\$8000) to cover the cost of pouring a cement floor in the highway pole barn. This sum to come from fund balance (surplus) and no amount is to be raised from taxation. The Selectmen recommend this appropriation.

Motion made and seconded. **Article 6 Passed** - voice vote.

Article 7 - To see if the Town will vote to raise and appropriate \$55,000 for a Phase I/II Hydrogeologic Investigation Report, Groundwater Management Permit Application and Landfill Closure Plan on the Former Town of Marlow Municipal Landfill mandated by the NH Dept of Environmental Services and to authorize the Town to borrow the funds from the State of NH Revolving Fund (SRF) RSA 486; entering into long term debt in the amount of Fifty Five Thousand Dollars (\$55,000.00) payable over a term of five years at the annual rate of Eleven Thousand Three Hundred Eighty Seven Dollars and Forty Two Cents (\$11,387.42) and to authorize the Selectmen to expend such monies and pass any vote relating there to. The Selectmen recommend this appropriation. (2/3 ballot vote required)

Motion made and seconded. Discussion. **Article 7 Passed** - written ballot, Yes 62 No 14.

Article 8 - To see if the Town will vote to raise and appropriate a sum not to exceed Five Thousand Three Hundred Dollars (\$5,300) for the purpose of drilling a well and required plumbing on the property of the Marlow Town Offices. The Selectmen recommend this appropriation.

Motion made and seconded. **Article 8 Passed** - voice vote.

Article 9 - To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of an Ambulance and to raise and appropriate the sum of Three Thousand Dollars (\$3,000) to be placed in this fund. The Selectmen recommend this appropriation.

Motion made and seconded. **Article 9 Passed** - voice vote.

Article 10 - To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of a defibrillator for the Ambulance and to raise and appropriate the sum of Four Thousand Dollars (\$4,000) to be placed in this fund. The Selectmen recommend this appropriation.

Motion made and seconded. Discussion. **Article 10 Passed** - voice vote.

Article 11- To see if the Town will vote to authorize the withdrawal of Thirty Five Thousand Dollars (\$35,000) from the Heavy Highway Road Equipment Capital Reserve Fund for the purchase of a used Class 3, 4 wheel drive truck. The Selectmen recommend this appropriation.

Motion made and seconded. **Article 11 Passed** - voice vote.

Article 12 - To see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars (\$10,000.00) to be added to the Heavy Highway Road Equipment Capital Reserve Fund previously established. The Selectmen recommend this appropriation.

Motion made and seconded. **Article 12 Passed** - voice vote.

Article 13 - To see if the Town will vote to terminate the town's current membership in the Southwest Regional Planning Commission until such time as the Marlow Planning Board specifically approves of and endorses such membership, and the necessary funds are included in the Planning Board's proposed budget and duly appropriated at Town Meeting. At the present time the Marlow Planning Board finds membership in that organization to be of no benefit or value to Marlow and views any expenditure in this regard a complete and unnecessary waste of town funds and taxpayer dollars. (By Petition)

Moved and seconded. Motion made and seconded to amend Article 13 to read: To see if the Town will vote to terminate the town's current membership in the Southwest Regional Planning Commission, improperly entered into, until such time as the Marlow Planning Board specifically approves of and indorses such membership, and the necessary funds are included in the Planning Board's proposed budget and such membership and said funds are duly approved and appropriated at Town Meeting in accordance with RSA 36:46 II and RSA 36:49. At the present time the Marlow Planning Board finds membership in that organization to be of no benefit or

value to Marlow and views any expenditure in this regard a complete and unnecessary waste of town funds and taxpayer dollars. Discussion. Amendment passed - hand count. Yes 24 No 15. Discussion Amended Article 13 reread. **Amended Article 13 Passed** - written ballot, Yes 38 No 22.

Article 14 - Moved and seconded to act upon any other business that may legally come before the meeting. Genevieve Ells inquired about the new state RSA raising veterans' exemptions, and discussion followed recommending the new exemptions be a part of the warrant article next year. Questions were asked about issues approved at last year's meeting. Selectmen stated that the upgrading for the wiring and electrical service in the town office is under contract. Joe Marcotte stated that the grant for the new fire truck was not approved so a leasing arrangement has been made. The meeting was adjourned at 3:00 PM.

Respectfully Submitted,
Mary Avery
Marlow Town Clerk

INDEPENDENT AUDITOR'S REPORT

To the Members of the Board of Selectmen
Town of Marlow
Marlow, New Hampshire

We have audited the accompanying financial statements of the Town of Marlow, as of and for the year ended December 31, 2004. These financial statements are the responsibility of the Town of Marlow's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

Management has chosen not to implement Governmental Accounting Standards Board (GASB) Statement No. 34, *Basic Financial Statements - and Managements Discussion and Analysis - for State and Local Governments*. Therefore these financial statements are presented following the principles that were in effect prior to GASB Statement No. 34. Management has not presented government-wide financial statements to display the financial position and changes in financial position of its governmental activities and business-type activities. The financial statements presented do not contain separate statements for governmental, proprietary, if applicable and fiduciary fund types, nor are major and non-major funds separately identified and classified. The financial statements presented report expendable and nonexpendable trust funds some of which should be reported as special revenue and permanent funds under the new reporting model. The financial statements also present a general long-term debt account group which should not be reported as such, but the information contained therein should be included in the government-wide financial statements were they presented. Also, the financial statements do not contain any information on capital assets because the government has not maintained historical cost records of such assets. Management has not presented a management's discussion and analysis as required. The amounts that would be reported in the missing statements and required supplementary information, and the effects of reclassifying and properly reporting the information presented are not reasonably determined.

In our opinion, because of the effects of the matters discussed in the preceding paragraph, the financial statements referred to above do not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the Town of Marlow as of December 31, 2004, or the changes in its financial position or its cash flows, where applicable, for the year then ended.

*Town of Marlow
Independent Auditor's Report*

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Marlow basic financial statements. The combining and individual fund statements are presented for purposes of additional analysis and are not a required part of the basic financial statements. For reasons stated in the third paragraph of this report, we expressed an opinion that the financial statements of the Town of Marlow do not fairly present financial position, results of operations, and cash flows in conformity with accounting principles generally accepted in the United States of America. Therefore, we do not express an opinion on the accompanying combining and individual fund statements.

Marlow Town Library Report 2004

Our town library was the lucky recipient of two grants this year. The Children's Literacy Foundation (CLiF) made a presentation of \$1300.00 worth of books to the Marlow Library during an assembly held in Jones Hall for the students at Perkins School. In order to be sponsored by CLiF, the library had to raise \$300.00 through community involvement. Many of the school's students participated in a read-a-thon and raised \$404.00 for the library to be used for purchasing children's books. The \$404.00 turned into \$1300.00! The second grant was funded by Kids, Books and the Arts. It provided funds for Diane Kordas, a puppeteer, to give a workshop on puppet making. The puppets made in the workshop were used by their creators in an evening performance as part of the summer reading program.

Besides the puppet show, our summer reading program "Check Out a Hero" included Little Red Wagon and volunteers leading weekly programs to keep our youth reading over the summer. Thank you to all those who volunteered and also to Marlow Grocery and Toadstool Bookstore for the gift certificates they provide for our summer readers.

In September, the trustees of the library attended the 2nd CLiF Conference for Rural Librarians where we shared creative ideas for programming, fundraising, staying connected with schools and the value of Friends and volunteers. October brought us to the Keene Library to attend a workshop presented by the New England Library Trustees Association. Discussion included duties of a library trustee and library policies. As a result of this workshop, existing library policies will be reviewed and updated during the coming year.

Respectfully submitted,

MARLOW POLICE DEPARTMENT POLICE REPORT FOR 2004

During the past year, your police department has handled the following calls:

Motor Vehicle Accidents	8
Burglar Alarms	7
911 Hang-up Calls	12
Animal Complaints	18
Motor Vehicle Complaints	12
Other types of Complaints, such as:	32
Domestics, thefts, Juvenile complaints	
Assisted other town departments	8

In addition, there were 8 criminal arrests made in 2004 and more than 25 hours spent in court.

**Respectfully Submitted
Kenneth Avery
Chief of Police**

MARLOW VOLUNTEER FIRE DEPARTMENT ANNUAL REPORT 2004

Marlow Fire Department responded to 46 incidents in 2004:

Mutual Aid	14
Motor Vehicle accidents	7
Brush Fires	1
Structure Fires	5
Chimney Fires	1
Public Assistance	6
Public Utilities	6
False Alarms	6

2004 was a busy year for the Marlow Fire Department. During the first part of July, we took receipt of our new fire truck, a 2004 Kenworth Class A Pumper. We trained aggressively with it this summer and it performed beyond our expectations and should serve this community well for many years.

We also were awarded a \$12,000 thermal imaging camera through the FEMA grant this year. This camera enables us to view through heavy smoke or complete darkness, as well as showing thermal changes.

2004 was also a record breaking year in the amount of calls we responded to. Therefore, I would like to express my heartfelt thanks to the members of the Marlow Fire Department for a job well done in protecting our community.

Respectfully Submitted:

Joe Marcotte
Fire Chief
446-7789

MARLOW AMBULANCE
ANNUAL REPORT
2004

Now is the time, we can take the time to say Thank you to all the people in the town of Marlow. Without your support and kind words, we would not be able to function. It is the continued support of all of you that keeps us going.

We did have a very busy year in 2004. There were several fires in the area, that the Ambulance either stood by or we had to transport one of our own. That was on top of our regular calls that we had. Some of the towns people did come out and assist us with coffee and treats. We would like to Thank You again.

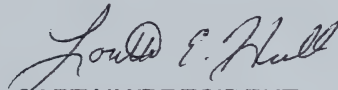

Summary of calls for the year of 2004

Marlow - 33	Washington - 1
Gilsum - 32	Stoddard - 3
Lempster - 82	

For a grand total of 151 calls.

I would also like to say Thank You to the Towns of Lempster and Gilsum for the excellent Rescue Squads that come to Marlow and help when we call. Without the support of these towns we might not be able to transport the majority of the time.

LORETTA E. HULL

CAPTAIN/PRESIDENT
MARLOW AMBULANCE

Fire Warden Report

There were 78 permits issued in Marlow in 2004. Also we had one brush fire on the Marlow Town Common on Marlow Hill on April 19th. A small area of brush and grass burned as well as the outdoor toilet.

Respectfully Submitted

Thomas F. Foote
Fire Warden
446-3313

Report of Forest Fire Warden and State Forest Ranger

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands cooperate to reduce the risk of wildland fires in New Hampshire. To help us assist you, contact your local Forest Fire Warden or Fire Department to find out if a permit is required before doing ANY outside burning. A fire permit is required for all outside burning unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 1-800-498-6868 or www.des.state.nh.us for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information contact the Division of Forests & Lands (603) 271-2217, or online at www.nhdf.org.

This last year was fairly wet throughout the spring and summer months, however we finished the season with an active fall fire season. In order to meet an increased demand for services, the Forest Protection Bureau was reorganized into three regions with smaller Forest Ranger Districts and over the last several years we have added two Forest Rangers. The fifteen state fire towers were the first to report on many fires throughout the state and they completed many other projects on the low fire danger days. The state implemented a program called Tower Quest to help citizens learn about fire towers and the need to protect New Hampshire's forest resources. The United States celebrated Smokey Bear's 60th birthday in 2004, and celebrations were held throughout the state. Please help Smokey Bear, your local fire department and the state's Forest Rangers by being fire smart and fire safe!

HCS - HOME HEALTHCARE, HOSPICE AND COMMUNITY SERVICES
REPORT TO THE TOWN OF MARLOW
JANUARY 1, 2004 TO DECEMBER 31, 2004

ANNUAL REPORT

In 2004, HCS - Home Healthcare, Hospice and Community Services continued to provide home care and community services to the residents of Marlow. The following information represents HCS's activities in your community in 2004.

SERVICE REPORT

SERVICES OFFERED

SERVICES PROVIDED

Nursing	87 Visits
Physical, Occupational & Speech Therapies	50 Visits
Medical Social Worker	2 Visits
Health Promotion Clinics	1 Clinic
Home & Community Based Services*	580 Hours

*Home and Community Based Care is a Medicaid program which offers extended home care services to individuals who are in need of nursing home level care but can be maintained at home for a lower cost.

Total Unduplicated Residents Served: 22

Prenatal and well child care, adult day care and hospice services are also available to residents. Town funding partially supports these services.

FINANCIAL REPORT

The actual cost of all services provided in 2004 with all funding sources is \$31,742.00.

These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, grants and patient fees. Services that were not covered by other funding have been supported by your town. Town support in 2004 totaled \$747.00.

For 2005, we request an appropriation of \$747.00 for home care services for Marlow residents.

Thank you for your consideration.

HOME HEALTH CARE AND COMMUNITY SERVICES, INC.
SERVICES AVAILABLE TO MARLOW RESIDENTS

Home Health Care and Community Services (HCS) offers a variety of services in Marlow. From prenatal care to hospice services, HCS can provide home health and wellness care to residents of all ages and circumstances. Here's just a sampling of HCS services:

Visiting Nurse - A registered nurse can come to the home to provide care after a hospital stay or to treat a chronic illness. Nurses can even make home visits to new mothers who leave the hospital under early discharge programs. Doctor's orders are needed to provide care.

Home Health Aides and Homemakers - Home health aides provide personal care, such as assistance with bathing, dressing and therapeutic exercises to those who are homebound. Homemakers can help with grocery shopping, laundry, light housekeeping and tasks that are essential to help a person to maintain their independence at home.

Well Child Clinic - Physical exams, immunizations, nutrition counseling, and developmental assessments are available to income eligible families with children from newborn to age ten. Immunization clinics are offered to children up to age seventeen, regardless of family income.

Hospice Alliance at HCS is a Medicare certified hospice program supporting terminally ill patients who choose to die in the comfort and dignity of their own home. Care is provided by nurses, home health aides, other health care professionals and volunteers. HCS offers training programs for volunteers in the spring and fall; if you are interested in becoming a volunteer call us!

Community Clinics - A registered nurse is available in Marlow at the Library at various times to check blood pressures for residents of all ages. There is no charge for this service. HCS also offers other services at this clinic in the fall for a minimal fee.

HCS is always happy to answer questions about home care services.

Ashuelot River Local Advisory Committee

Washington Lempster Marlow Gilsum Sullivan Surry Keene Swanzey Winchester Hinsdale

2004 Annual Report

The Ashuelot River Local Advisory Committee (ARLAC) was established in 1994, one year after the Ashuelot River was enrolled into the State Rivers Management and Protection Program. Since then, members, nominated by local municipal officials and appointed by the Commissioner of the Department of Environmental Services (DES), have been educated in a broad array of issues associated with the River and its watershed. It is the hope of the committee to be a resource that works well between the interests and concerns of the citizens in the watershed and State authorities.

The volunteer Ashuelot River water quality monitoring program in conjunction with the DES Volunteer River Assessment Program (VRAP) continued for its fourth season. Again, ten sites were sampled along the River's 64-mile length, from Washington to Hinsdale. Analyses were done for *E. coli*, temperature, pH, total phosphorus, dissolved oxygen (DO), turbidity and conductivity, with the City of Keene donating lab services for *E. coli*. ARLAC members, working with community volunteers, participated in a spring training session, leading into a five-month effort of sampling once per month from May through September. Donna Hanscom of the Keene Waste Water Treatment Facility, again treated ARLAC and monitor volunteers to a summary presentation of the sampling results in November. The Ashuelot River continued to maintain its Class B designation of swimmable and fishable, violating these standards by high bacteria counts only during high water events. ARLAC also supported the Ashuelot Valley Environmental Observatory (AVEO) in implementing macroinvertebrate monitoring on the River. Continued monitoring and public education will keep the Ashuelot River the vital community resource that it is today.

A regular task for the Committee is to review and comment on state permit applications within the River corridor that may have potential impacts on the River. This year we submitted comments on projects proposed in Washington, Gilsum, Surry, Keene, and Winchester. These included 4 site specific applications, 8 wetlands applications, 1 wetlands complaint, and 1 shoreland protection complaint. ARLAC also interceded or supported citizen efforts in additional environmental concerns in Surry, Swanzey and Washington. In addition a paddle on the River in Keene by an ARLAC member and AVEO detected a sewage leak into the River that was then corrected by the City.

ARLAC continues to be involved in dam removal efforts, commenting on the proposal to decommission the Fiske Mill Dam in Hinsdale and participating as a member of the Homestead Dam Feasibility Study Advisory Group. This group was established to assure public input during the Swanzey Homestead Dam feasibility study performed by the consultant team of Vanasse Hangen Brustlin, Inc. The goals are to 1) attain dam safety, 2) provide fish passage, and 3) ensure the safety of the Thompson Covered Bridge.

With input from ARLAC, The Nature Conservancy, in collaboration with the Monadnock Conservancy, Society for the Protection of NH Forests, and Southwest Region Planning Commission created a watershed-based land protection plan for the Ashuelot Watershed. The Ashuelot Watershed was chosen as a priority area for its large unbroken swaths of undeveloped lands, forested areas and conservation land (especially unique south of the White Mts.). This year ARLAC began the process of reviewing and updating our Corridor Management Plan and will use these recommendations as we continue with our update.

ARLAC took the opportunity of frozen winter conditions last February to snowshoe the upper reaches of the River in Washington and Lempster, and joined the Swanzey Conservation Commission in its annual spring paddle of the River in Swanzey. ARLAC encourages everyone to enjoy the beauty of the River in all seasons.

The Committee meets each month, on the third Tuesday evening in Keene. The Local Advisory Committee invites citizens and town officials to contact their local ARLAC representatives or the Southwest Region Planning Commission for more information.

Respectfully submitted,
Pablo Fleischmann
Vice Chair

Members: Tom Taylor – Washington; John Asseng – Marlow; Roger Sweet – Sullivan; Pablo Fleischmann – Gilsum; Malcolm MacDonald – Surry; Gary Pelton – US Army Corps of Engineers; Patrick Eggleston – Keene; Jim Holley – Keene; Barbara Skuly – Swanzey; Steve Stepenuck – Swanzey; Steve Poole – Winchester; Barbara Fostyck – Hinsdale.

Marlow Conservation Commission

It has been quite some time since the Conservation Commission has submitted a report for the Town. I'm writing this to inform the community about possible conservation efforts in the Town of Marlow.

In the last few years the Commission has dealt with a handful of wetland issues and permits relating to various domestic construction projects pertaining to driveways, building lots, and the like. While every wetland issue we dealt with has been important both locally and on the larger scale, the Commission would like to concentrate more effort toward protecting our open space. Marlow has a certain character that seems to be timeless in many ways and is made up of many different aspects, including the diversity of people, historical and natural heritage, as well as the local ecology and landscape. As more and more people realize how special Marlow is, there is no doubt that more and more development will result over time within our town. There is no question that development is going to occur, it's the natural progression of things, and it's not all negative. A lot of good can arise from certain development projects when done wisely.

Wise use is the key to conservation, and conservation of our town's natural resources is what the Commission is all about. If the town as a whole doesn't lean toward conserving and protecting its open spaces, we may find ourselves scrambling to save small, undeveloped tracts of land in the future. Towns to the east of us have postponed action over the years and are now trying to raise millions of dollars to protect their last small tracts of land from development. There are many people in our community who feel they'd like to protect their own land from future development but can't afford to pay the administration costs associated with land protection. The Commission would like to get more townspeople involved in the process of conservation by helping to find ways the Commission could help pay for these costs. I'd like to be clear on one point. We are not looking to keep people from personal gain. Everyone has the right to do what they see fit with their land. We would like to help those who wish to protect their own open space by lessening the burden of costs that arise through the process of conservation easements.

The Commission currently has no scheduled meetings. We'd like to have a few more members to create a more active Commission and complete quorum. Interested parties must self nominate with the Select Board.

For further information contact John Asseng: 446-9474

Respectfully Submitted,

John Asseng
Marlow Conservation Commission

TRUSTEES OF TRUST FUNDS CEMETERY TRUSTEES

Several changes have occurred since we wrote our last report in 2004. One of the most significant was the resignation of Chuck Warren as a Trustee. Chuck was a valuable member of our team and we acknowledge his years of serve to the town. Fortunately, we found a very qualified replacement when Lucille Gorges agreed to fill the remainder of Chuck's term, which ends in March 2005. We asked Lucille to run for the 3-year term and she agreed. Thank you, Lucille.

Our list of thanks is always long:

To Carol Jones for planting and beautifying the area surrounding the bench under our 100-year-old Maple tree in the Village Cemetery.

To John Salo for his valuable input on the Old Settler's Cemetery on the Sargent Road and his efforts to maintain the stonewalls surrounding two sides of the cemetery.

To Edward Allen, our Sexton, for the excellent work caring for our cemeteries - he is hard working, conscientious and responsive and we look forward to a long relationship with him.

To Tony Davis for his continuing assistance. We are finally moving on gaining access to the Early Settlers Cemetery on the Sargent Road. In order to provide proper fencing and to upright the monument placed there in 1887 by town residents, Tony has prepared initial access by providing stone steps and a railing similar to what was done at the West Yard Cemetery. Work is expected to continue again in 2005 by clearing a pathway from the roadside to the actual cemetery and we are optimistic about progress continuing.

On a personal note, my sincere thanks to Patty Little, the Lindsay family and the Marlow Ambulance Squad (Ted Tillson, Kevin Carter and Rupert Thompson) for their efforts on by behalf when I was injured visiting the Early Settler's Cemetery last spring.

A reminder also of the Francis Strickland Scholarship Fund, which is available to qualified residents wishing to further their education beyond high school. We did award a scholarship in 2004. Please contact any Trustee for rules, requirements ad information.

There has been one grave purchase this year. A financial report of the Trustee of the Trust Funds follows on a separate page.

Again, thank you to Patty Little for her valuable input in 2004 and please cast your vote for Lucille Gorges for a 3-year term of office.

Genevieve S. Ells, Chair 446-7161
Patricia A. Little, 446-7822
Lucille Gorges, 446-3345

High School:	Grade 9 - 12, Grade 10 - 8, Grade 11 - 12, Grade 12 - 10; totalling 42 pupils
TOTAL ALL PUPILS: 121	

COMPLIANCE STATEMENT

This school district receives federal financial assistance. In order to continue receiving such federal financial assistance, this school district will not discriminate in their educational programs, activities or employment practices on the basis of race, language, sex, age, or handicapping condition, under the provisions of Title IX of the 1972 Educational Amendments; Section 504 of the Rehabilitation Act of 1973.

Complaints regarding compliance with Title IX regulations should be submitted in writing to the Title IX liaison for School Administrative Unit 29, the Personnel Manager, 34 West Street, Keene, New Hampshire.

Complaints regarding compliance with Rehabilitation Act of 1973 - Section 504 should be submitted in writing to the Director of Special Education, 34 West Street, Keene, New Hampshire.

Barbara S. Tremblay
Superintendent of Schools

STATE OF NEW HAMPSHIRE SCHOOL WARRANT

To the inhabitants of the school district in the Town of Marlow qualified to vote in District affairs:

You are hereby notified to meet at the John D. Perkins, Sr. School in said District on the 10th day of March, 2005, at 7:00 p.m. to act upon the following articles:

ARTICLE 1: To hear the reports of agents, auditors, committees or officers chosen, and to pass any vote relating thereto.

ARTICLE 2: To see what sum of money the District will vote to raise and appropriate for the support of schools, for the salaries for school district officials and agents, and for the statutory obligations of the District, or to take any other action in relation thereto.

ARTICLE 3: To see if the District will vote to approve the cost items included in the collective bargaining agreement reached between the Marlow School Board and the Marlow Education Association which calls for the following estimated increases in salaries and benefits: \$18,424 in 2005-2006; \$12,116 in 2006-2007; and \$12,931 in 2007-2008.

And, further, to raise and appropriate the sum of \$18,424 for the 2005-2006 fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits over those of the appropriation at current staffing levels paid in the prior fiscal year. *(The Marlow School Board supports favorable action on this warrant article.)*

ARTICLE 4: To see if the District, if Article 3 is defeated, will authorize the Westmoreland School Board to call one special district meeting, at its option, to address Article 3 on cost items only.

ARTICLE 5: To see if the District will vote to raise and appropriate up to \$35,000 to be used for reconstruction/renovation of the John D. Perkins School's boiler system and authorize the withdrawal of up to \$35,000 from the Capital Reserve Fund established by voters at the March 2002 District Meeting for the purpose of major renovation/reconstruction of the school buildings and grounds and related costs, or to take any other action in relation thereto. *(The Marlow School Board supports favorable action on this warrant article.)*

ARTICLE 6: To see if the District will vote to raise and appropriate up to \$9,000 to be used for replacement of the windows at the John D. Perkins School and related costs, and further to authorize the withdrawal of up to \$9,000 from the Capital Reserve Fund established by voters at the March, 2002 District Meeting for the purpose of major renovation/reconstruction of the school buildings and grounds and related costs, or to take any other action in relation thereto. *(The Marlow School Board supports favorable action on this warrant article.)*

ARTICLE 7: To see if the District will vote to raise and appropriate up to \$6,000 to be used for renovation of John D. Perkins School's kitchen and, further, to authorize the withdrawal of up to \$6,000 from the Capital Reserve Fund established by voters at the March, 2002 District Meeting for the purpose of major renovation/reconstruction of the school buildings and grounds and related costs, or to take any other action in relation thereto. *(The Marlow School Board supports favorable action on this warrant article.)*

ARTICLE 8: To see if the District will vote to appropriate and authorize the School Board to transfer up to \$25,000 of its unencumbered funds, if any, remaining on hand at the end of the fiscal year, June 30, 2005; the sum of \$25,000 to be deposited in the Capital Reserve Fund established by voters at the March, 2002 District Meeting for the purpose of major renovation/reconstruction of the school buildings and grounds and related costs, or to take any other action in relation thereto. *(The Marlow School Board supports favorable action on this warrant article.)*

ARTICLE 9: To see if the District will vote to appropriate and authorize the School Board to transfer up to \$25,000 of its unencumbered funds, if any, remaining on hand at the end of the fiscal year, June 30, 2005; the sum of \$25,000 to be deposited in the Tuition Trust Fund established by the voters at the 1993 District Meeting for the purpose of paying future year regular/special education tuition, or to take any other action in relation thereto. If there is an insufficient undesignated fund balance as of June 30, 2005 to fund this appropriation and the appropriation in Article 8 (Capital Reserve Fund), Article 8 will be funded first, with any additional surplus to be applied to this warrant article. *(The Marlow School Board supports favorable action on this warrant article.)*

ARTICLE 10: To transact any other business that may legally come before this meeting.

INDEPENDENT AUDITOR'S REPORT

To the Members of the School Board
Marlow School District
Marlow, New Hampshire

We have audited the accompanying financial statements of the Marlow School District, as of and for the year ended June 30, 2004 as shown on pages 2 through 4. These financial statements are the responsibility of the Marlow School District's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

Management has chosen not to implement Governmental Accounting Standards Board (GASB) Statement No. 34, *Basic Financial Statements - and Management's Discussion and Analysis - for State and Local Governments*. Therefore these financial statements are presented following the principles that were in effect prior to GASB Statement No. 34. Management has not presented government-wide financial statements to display the financial position and changes in financial position of its governmental activities and business-type activities if applicable. The financial statements presented do not contain separate statements for governmental, proprietary, if applicable and fiduciary fund types, nor are major and non-major funds separately identified and classified. The financial statements presented report expendable trust funds which should be reported as special revenue funds under the new reporting model. Also, the financial statements do not contain any information on capital assets because the government has not maintained historical cost records of such assets. Management has not presented a management's discussion and analysis as required. The amounts that would be reported in the missing statements and required supplementary information, and the effects of reclassifying and properly reporting the information presented are not reasonably determined.

In our opinion, because of the effects of the matters discussed in the preceding paragraph, the financial statements referred to above do not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the Marlow School District as of June 30, 2004, or the changes in its financial position or its cash flows, where applicable, for the year then ended.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Marlow School District basic financial statements. The combining and individual fund statements and schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements. For reasons stated in the third paragraph of this report, we expressed an opinion that the financial statements of the Marlow School District do not fairly present financial position, results of operations, and cash flows, if applicable, in conformity with accounting principles generally accepted in the United States of America. Therefore, we do not express an opinion on the accompanying combining and individual fund statements and schedules.

October 29, 2004

MARLOW SCHOOL DISTRICT MEETING MINUTES

MARCH 11, 2004

The annual school district meeting was called to order at 7:05 p.m. on March 11, 2004, in the John D. Perkins, Sr. School by Moderator Joseph N. Feuer. The flag salute was led by Richard Rock and an invocation read by Joe Feuer.

Representatives from SAU 29 were introduced: Dr. Phillip McCormack, Superintendent of Schools; Wayne Woolridge, Assistant Superintendent of Schools; Timothy Ruehr, Business Manager. Also present: Richard Brewer, Teaching Principal; School Board Members Joseph Scharf, Arthur Andreasen, Kenneth Dassau, Stephanie Tickner, and Denise Davis; Jeanne Kennedy and Carol Despres, Supervisors of the Checklist.

The March 9, 2004, election results were announced as follows: Denise Davis and Stephanie Tickner, School Board Members for a three year term; Kenneth Dassau School Board Member, one year term; Joseph N. Feuer, Moderator, one year term; Mary Avery, Clerk, one year term; Deborah Washburn, Treasurer, one year term.

Approximately forty people were present to act upon the warrant read by the Moderator.

ARTICLE 1: Motion made and seconded that the District accept the reports of agents, auditors, committees or officers chosen as printed in the annual report.

Article 1 passed by voice vote.

ARTICLE 2: Motion made and seconded that the District raise and appropriate the sum of \$1,419,080.00 for the support of schools, for the salaries for school district officials and agents, and for the statutory obligations of the District.

An overview of the budget was presented. Discussion followed regarding special education costs and the number of regular and special education students enrolled, use of school as an emergency shelter, estimated costs to reinstate a hot lunch program in the future, student transportation and field trip costs. The funding portion of the budget was presented covering receiver town, fewer tuitions than budgeted, adequacy grant, and catastrophic aid.

Motion restated. Article 2 passed by voice vote.

ARTICLE 3: Motion made and seconded that the District appropriate and authorize the school board to transfer up to \$25,000 of its unencumbered funds, if any, remaining on hand at the end of the fiscal year, June 30, 2004, the sum of \$25,000 to be deposited in the Capital Reserve Fund established by voters at the March, 2002 district meeting for the purpose of major renovation/reconstruction of the school buildings and grounds and related costs.

Motion made to pass over article. Motion withdrawn. Discussion. Article 3 passed by voice vote.

ARTICLE 4: Motion made and seconded that the District appropriate and authorize the school board to transfer up to \$25,000 of its unencumbered funds, if any, remaining on hand at the end of the fiscal year, June 30, 2004, the sum of \$25,000 to be deposited in the Tuition Trust Fund established by the voters at the 1993 district meeting for the purpose of paying future year regular/special education tuition. If there is an insufficient undesignated fund balance as of June 30, 2004 to fund this appropriation and the appropriation in Article 3 (Capital Reserve Fund), Article 3 will be funded first, with any additional surplus to be applied to this warrant article.

Discussion. Motion restated. Article 4 passed by voice vote.

ARTICLE 5: To transact any other business that may legally come before this meeting. Richard Rock thanked Richard Brewer and SAU 29 for approving use of the John D. Perkins School for town elections.

Motion made, seconded and passed to adjourn the meeting at 8:30 p.m.

Following the adjournment Denise Davis, Stephanie Tickner, Kenneth Dassau, Deborah Washburn, Joseph N. Feuer, and Mary Avery received the oath of office.

Respectfully submitted,

Mary Avery
Marlow School District Clerk

ADMINISTRATIVE REPORT

This year marks the third anniversary of the No Child Left Behind (NCLB) legislation, a significant piece of federal legislation that has, and will continue to have a tremendous impact on John D. Perkins School and how the school will be held accountable for student performance.

Student performance is the focus of NCLB. Although there are many ways in which this can be measured, NCLB relied on the statewide testing program (NHEIAP) in 2004 to provide the data by which schools are measured. This year, as in recent years, Marlow's students have performed very well on these tests. Marlow's sixth graders' mean-scaled scores were well above those for the state. In addition to scoring well according to state standards, scores earned by both the third and sixth graders place them well above federal expectations. For example, all Marlow sixth grade students scored at or above grade level on the NHEIAP exams in English language arts.

The assessments, required by Federal No Child Left Behind legislation, determine whether or not schools meet standards established by the state and federal governments known as Adequate Yearly progress (AYP). This past year, the Marlow staff has focused tremendous effort on interpreting the results of the assessments and identifying areas in the curriculum in need of strengthening.

A curriculum conference area was established on SAU 29's e-mail system in order to provide a centralized location for Marlow staff to access state and SAU 29 curriculum information. All Marlow curriculum committee work, state curriculum frameworks, curriculum guides, and information related to No Child Left Behind are now posted and accessible to all Marlow staff members. Information is reviewed and edited on a regular basis.

In 2004, the New Hampshire Department of Education joined with its counterparts in Vermont and Rhode Island to create the New England Common Assessment Program (NECAP). NECAP establishes criteria for the assessment of all Marlow students in grades three through six in mathematics, reading, and writing as required by the Federal government through No Child Left Behind legislation. During the summer of 2004, special curriculum committees composed of classroom teachers from SAU 29 reviewed these new standards for assessment and school progress and rewrote curriculum documents so as to address these new Grade Level Expectations. The results of that committee work have been distributed to staff members and posted on the Curriculum Conference of the SAU 29 e-mail system. All Marlow students in grades three through six will be annually tested on the Grade Level Expectations beginning in October of 2005.

Marlow's students at Keene High School and Keene Middle School also continue to perform well. This past year Marlow had 19 students enrolled at the middle school and 46 students enrolled at the high school. These students are taking advantage of a wide range of academic, as well as co-curricular activities. At KHS in English, 52 percent of the students earned a grade of "B" or better. In mathematics, 34 percent earned grades of "B" or better. In science, 72 percent of the students earned grades of "B" or better. Students enrolled in honors or Advanced Placement classes performed very well. One hundred percent of the students enrolled in honors or Advanced Placement classes in English, mathematics, science, and social studies, respectively, earned grades of "B" or better.

The Marlow staff has continued its efforts to ensure that the children are offered a well-coordinated and challenging curriculum. The work that went into the implementation of curriculum mapping is an example of this collaborative effort. Many have worked hard to broaden their subject area background and/or their skills to meet the needs of each child and to enhance their effectiveness. This has come as a result of their involvement in quality professional development training in areas such as skillful teaching techniques, technology integration, and the needs of disabled students.

The constructive working relationship between the school board and staff continues to promote continuous school improvement. This is facilitated by good communication between the staff and board and by board members' recognition of, and interaction with, the staff. One example of this is the annual school board/staff goal-setting retreat. This activity not only produces a focus around which planning and allocation of resources occurs, but also a dynamic of cooperation and trust.

The Marlow community should be very proud of its school. The improvement that has occurred should not be taken for granted. Continuation of this improvement is highly contingent upon open lines of communication between the home and school and a good understanding of what goes on in the schools. Please make the time to visit the school, to attend a school-related activity, or attend a school board meeting. Please be sure to attend the annual district meeting on Thursday, March 10, at 7:00 p.m.

Barbara S. Tremblay
Superintendent of Schools

PRINCIPAL'S REPORT

Our current population is as follows: kindergarten - 6, grade one - 8, grade two - 10, grade three - 3, grade four - 12, grade five - 9, grade six - 13 – for a total population of 61.

We have had some changes in the staff at the school since last March. Our new art teacher is Mrs. Darlene Scemimi. Mrs. Jane Leech is now providing lunch for the school. Mrs. Alice Scharf is our new school secretary. Mrs. Deb Washburn is our inclusionary aide in grades 5 and 6.

We continue to use federal funds to support student learning. Title II funds are still available and continue to be used to provide a class size reduction teacher in the afternoon. Mrs. Cunningham continues in that position. That position is also supported using federal REAP funds. REAP funds were also used to buy student GPA units and PDA handheld devices to support instruction. This year a school mapping project was completed using that equipment. The preschool resource center that was proposed last year has been completed and is located in the hallway near the multi-purpose room. Materials can be checked out through Mrs. Scharf.

The P.T.A. continues to be very active, even with a small membership. The Read-a-Thon proceeds went to local organizations, including the library, the Francis Strickland Scholarship Fund, and the Odd Fellows. The P.T.A. also arranged a number of activities. Game night continues to be a student favorite. Thanksgiving dinner was served to all our students and some of their families; approximately 90 people. Many students also attended the Christmas Craft Day Workshop.

New assessment procedures have been adopted by the New Hampshire Department of Education. Starting next year in the fall, AYP (adequate yearly progress) will be determined by a new assessment tool; the NECAP (New England Common Assessment Program). This assessment tool is based on a set of standards called the Grade Level Expectations (GLE). The teaching staff have attended workshops in October and January to become familiar with these GLEs. Work on this will continue throughout the school year.

We continued to make improvements to the property. The conservation mix that was planted on the hill on the playground last year has finally taken. The students now use that area regularly in their play during recess. The hill has become so popular that the students have created two lines of rocks on the hill as an upper and lower border for “no man’s land” during Capture the Flag games. Additionally, the aforementioned GPS units were used to determine the actual boundaries of the school. Once those were determined, two snowshoeing trails were established; one on the north boundary and the other alongside the pond.

Respectfully Submitted,

Richard Brewer

CHAIR'S REPORT

This year, in addition to our usual warrant articles, the Marlow School Board is presenting four others for your consideration. They are, in no particular order, as follows:

1. An article to replace kitchen appliances.
2. An article to replace the school's windows.
3. An article to replace the boiler.
4. An article to accept a new teachers' contract.

The first three articles are to be funded from our Capital Reserve Fund and their passage will have no impact on Marlow's tax rate.

The teachers' contract is a three-year agreement and contains retirement incentives and health concessions.

The Board asks for your support on all four articles.

Bonnie Collard was this year's recipient of the Marlow School Board Scholarship. Bonnie is attending Southern New Hampshire University and is majoring in culinary arts and business management.

We are experiencing a number of changes within SAU 29. As most of you know, Dr. McCormack left as superintendent and was replaced by Mrs. Barbara Tremblay. Recently, Mrs. Tremblay has announced that she, too, will be leaving. Business Administrator John Harper is leaving, as is Manager of Personnel Services Patricia Trow Parent. Joan Wydo, secretary to the assistant superintendent, has also retired. I would like to thank each of them for all they have done for the Marlow School District over the years and wish them the very best in the future.

As always, I would like to thank the entire staff at John D. Perkins School for their hard work and dedication. I also wish to thank the remaining administrative staff and support staff of SAU 29.

I closing, I would like to thank my fellow board members, Art Andreasen, Ken Dassau, Stephanie Tickner, and Denise Bennett for their efforts on behalf of the children of Marlow.

Sincerely,

Joseph Scharf
