IN TRIBUTE TO DWIGHT "BUB" DWINELL

Dwight "Bub" Dwinell devoted 15 Years to the Town of Stewartstown in the Office of Selectmen. His sudden passing last year left a void in Town Government.

During those fifteen years he acquired a great deal of knowledge and used it generously to keep the Town on a progressive track. Incoming Selectmen could count on Bub to readily share his vast acquired knowledge of all manner of Town business with them.

It was Dwight "Bub" Dwinell that encouraged grants to be written that would enhance the community, both visually and economically.

When townspeople made a request from Selectmen if it was at all possible Bub would see that request was granted. His vast knowledge of town history helped the Board of Selectmen in steering a more progressive course for the future of the community.

Bub's dry sense of humor made itself evident at tense meetings when he would utter a phrase that would cause the group to break up in laughter dispelling all tension.

Needless to say he is and will be greatly missed by all who know him.

STEWARTSTOWN SELECTMEN'S REPORT

1. The Stewartstown Selectboard were both pleased and honored to present the Boston Post Cane to Mrs. Laurel Condon in August to honor her 100 years of longevity within our community.
2. How fortunate we have been to have had 25 Years of committed service from our Town Clerk Joyce Frizzell. It is rare that a community can say that.
3. A grant for the amount of \$350,000.00 has been received from the Office of State Planning for Housing Improvement on the East Side of Stewartstown.
4. Over 250 toys were distributed throughout the community over Christmas, thanks to the generosity of Catholic Charities and the United States Marine Corps the community was also the recipient of a local donation of Christmas trees which were gratefully received by local families.
5. The Board is grateful for the continued support for our Food Pantry. Catholic Charities Food Bank is a wonderful addition which helps the people in our community on a fixed income.
6. A grant for the improvement of the Old Town Hall has been applied for "No Matched Funding" required.

POLICE DEPARTMENT ANNUAL 2001 REPORT

In the year 2001 the Stewartstown Police Department saw a decline in motor vehicle activity from last year. We investigated a total of 329 cases compared to 393 cases in the year 2000. We also saw a decrease in domestic animal complaints and motor vehicle accidents but saw an increase in our criminal complaints. The total investigated cases this year were 409. We were asked to assist others agencies on thirty-three (33) different occasions.

In May the department participated in the annual Special Olympics Torch Run. I would like to take this time to say THANKS to all the local businesses and citizens of Stewartstown and Pittsburg who supported this annual event. Because of your generous donations we were able to raise approximately five hundred dollars (\$500.00) toward a very worthy cause.

I am happy to report that in June, the board of selectmen officially adopted the one hundred and ten (110) policies and procedures for the department. This year the policies are due for review and as new policies are adopted they will be added.

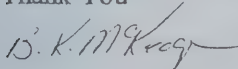

In July, the cruiser was equipped with its *new* mobile Motorola Digital Radio, which replaced the *old* Analog Radio. Based on Stewartstown's estimated population of 1,084, we were entitled to receive one mobile and one hand-held unit from the New Hampshire Department of Safety. The hand-held radio with accessories has yet to arrive. The total cost of both radios was \$6,351.00.

The members of the department all met and surpassed the necessary training hours for the year 2001. This does not include weapons, CPR or baton training. In February, Sergeant Paul Ingersoll of the Whitefield Police Department certified the members of the department in the "Advanced Course" use of the Monadnock Baton.

The department again went through some personnel changes. Kevin Voigt of Canaan, Vermont joined the department in August and completed his required schooling in November to become a certified officer. After two years with the department Officer Richard Dube resigned and returned to Pittsburg in December.

In conclusion, I would like to thank Steve, Shawn and Kevin for all their hard work and devotion to a job that at times can be very challenging. To the local, state and federal agencies that have helped us out, I thank you for your assistance. I also would like to thank the Selectmen and the town's people for their continued support throughout the year as well.

Thank You

Brendon K. McKeage, OIC

Dennis Joos Memorial Library

2001 was another special year for the **Dennis Joos Memorial Library**. We feel proud and very fortunate that we received the "Bub" Dwinell Memorial Fund following the death of our longtime selectman. Bub's family specified that his fund be used to purchase sports books for the youth of our community. The family also gave book labels in memory of Bub that have his picture and his years of service to our town. Each book that is purchased with Bub's Memorial Fund will have a memorial label in it.

We have used some of Bub's fund for an interesting collection of sports books. These include: baseball, basketball, bowling, figure skating, skate boarding, judo, soccer, tennis, and, of course, Bub's favorite, golf. Other sports books include Michael Jordan, Babe Ruth, Jackie Robinson, The All Century Team, and an Illustrated Tour of Baseball Parks, Past and Present. We will add other books that fulfill the wishes of Bub's family. We deeply appreciate the contributions given in memory of Bub that make it possible to add a new area of interest to our book shelves.

We received another unexpected contribution in December. The Tillotson North Country Foundation very generously gave \$5000 to our library. The Foundation asks that \$1000 of this be used for books directed toward the development of small business and entrepreneurial skills. The remainder can be used at the discretion of the Library Trustees and will help us provide books and materials to serve our patrons in the best way we can, and over a long period of time. We want to publicly thank the Tillotson North Country Foundation for its kindness and generosity to our library. Words can not adequately express our appreciation for this gift.

Each year several book companies send books to the library. We keep the ones we want and return the rest. This year we bought several series of books including the topics of: Planets, Deserts, Rivers, The Civil War, The Holocaust, and The Human Body. America, September 11th The Courage to Give and The American Flag are recent additions. Pittsburg Puckerbrush tells an interesting history of Pittsburg. It was written by local author Perley Fearon, of Canaan, Vermont.

In recognition of the September 11th terrorist attack, we have the book, World Trade Center and the video "World Trade Center: A Tribute." Other new videos include: "Major League Baseball All Century Team, and "Ice Road Truckers" and "Helicopter Logging," two History Channel videos. "Great American Monuments" is part of our historical collection. A six-video series of world religions includes Buddhism, Catholicism, Hinduism, Islam, Judaism and Protestantism.

"The Princess Diaries" is a recently released family video. New children's videos include "Mickey's Magical Christmas" and "Winnie the Pooh Seasons of Giving."

Each spring the kindergarten and first grade visit the library. The librarian explains how the library works and the children sign out books or take a library card for a parent to sign. The librarian had a story hour last summer. That was well-attended. We have been asked about doing craft hour again. The library now has a CD player for patrons to use in the library.

Several people have given books to the library. We use all of the books that we can. Other books are offered to the local libraries or donated where they can be used. Occasionally we have books at the library that are free to anyone who can use them.

We are pleased that 2001 was another positive year for our library. It is encouraging that the number of people using the library increased again. Use of the computers and use of the Internet were both higher than in 2000. The librarian is very helpful in locating resources if we don't have them in our library.

Again, we express our thanks and appreciation for every contribution we have received. We welcome all ages to come and use the resources at the **Dennis Joos Memorial Library**.

COMMUNITY FOREST FIRE WARDEN AND STATE FOREST RANGER REPORT

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests and Lands cooperate and coordinate to reduce the risk of wildland fires in New Hampshire. To help us assist you, contact your local Forest Fire Warden or Fire Department to find out if a permit is required before doing ALL outside burning. Fire permits are mandatory for any open burning unless the ground where the burning is to be done (and surrounding areas) is completely covered with snow. Violations of RSA 227-L:17, the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs. Open burning is a privilege, **NOT** a right. Help us to protect you and our forest resource! Build small brush piles that can be quickly burned and extinguished.

New Hampshire experienced over 940 wildland fires in 2001. Most of the fires were human caused. Due to dry conditions fires spread quickly impacting more than 20 structures. Homeowners can help protect their homes by maintaining adequate green space around the house and make sure that the house number is correct and visible. **Only You Can Prevent Wildland Fires.** Contact your local Fire Department or the New Hampshire Division of Forests and Lands website at www.nhdfi.com or call 271-2217 for wildland fire safety information.

PITTSBURG AMBULANCE CORPS REPORT

In looking back at the year 2001, the events of September 11th have united communities throughout our country like never before. We find ourselves working and living in a time where people are proud to be patriotic, and proud to reach out to help their neighbor. Not surprisingly, this has only strengthened the future of Emergency Medical Services. As part of this growing field, Pittsburg Ambulance Corps would like to take this opportunity to reintroduce ourselves to the communities we serve.

Pittsburg Ambulance Corps is a volunteer ambulance service which provides coverage to the towns of Pittsburg, Clarksville, Beecher Falls, and northern sections of Canaan and Stewartstown. With Pittsburg alone being the largest town in New Hampshire, it is no exaggeration that our catchment area is immense. We provide service to these towns 24 hours a day, seven days a week, holiday or not, inclement weather or not. Our main resources are one 4-WD ambulance, a continually expanding cache of equipment, and at present, twenty EMTs (Emergency Medical Technicians) and First Responders.

With the type of our calls ranging from motor vehicle accidents, boating and snowmobile mishaps, medical emergencies, and industrial accidents to mention a few, we are fortunate to find assistance through the Pittsburg and Beecher Falls fire departments, Beecher Falls rescue squad, and officers of local and state police departments, as well as the New Hampshire Fish and Game department. This mutual aid system also allows us to work with surrounding ambulance services, whether they are assisting us or vice versa.

Upper Connecticut Valley Hospital is our destination for the patients we transport, and our lifeline of expert medical advice and training. Many of the Pittsburg Ambulance members are firemen, and quite a few members work in the medical field in addition to their EMT status, bringing only more knowledge and experience to the corps.

Beyond our hands-on duty as caregivers, the members of Pittsburg Ambulance Corps spend many hours training to keep skills honed, which we must prove through recertification at the state and national levels every two years. We attend monthly meetings and classes at the Pittsburg Fire Station, as well as occasional courses throughout the state. A special mention in regards to training for our ambulance crew was a course on Hazardous Materials (including bioterrorism in the midst of the Anthrax outbreak) offered by Michel Pariseau, who is a Senior Inspector for the U.S. Customs Service. During the year we find ourselves as guests at local schools and other public locations to demonstrate just what it is that we do. Although the hours are demanding, don't think for a minute that there isn't a one of us who isn't passionate about what we do. This passion is possibly expressed best by our member who volunteered his time at the World Trade Center in the aftermath of September 11th, and by the people of our corps who donated their time and efforts along with other local EMS agencies last fall, raising \$6,000 through a benefit dinner for the New York, Washington D.C., and Pennsylvania disasters. Earlier in the year we held our own benefit dinner, "Italian Night", at the Pittsburg Fire Station, raising close to \$1,000 for our ambulance and equipment fund. We raised additional monies for the fund through a carwash/bake sale as well.

All this adds up to a busy schedule for Pittsburg Ambulance Corps. In terms of numbers, the year 2001 tallied a total of 124 responses with close to 10% of these runs being for snowmobile related injuries. These numbers are up slightly from last year. Of the total runs, 49 were trauma related, with 72 being medical related. We offered standby assistance at 3 fires. "Advanced Life Support" (runs where medication was administered by intermediate or paramedic level EMTs) was provided on 48 of the year's responses. This is a significant increase in ALS care as more medications and procedures become available to our EMTs. We are pleased to announce that our membership has increased with the addition of First Responders Jhody Judd, Kevin Lassonde, Serge Dion, and Brian Bissonnette.

Our calendar for the new year is already under swing with more courses, more benefit functions, and most importantly, more emergency responses. From all of the members of Pittsburg Ambulance Corps, we would like to thank the communities we serve for their support throughout the year. And remember, if you do need us, we're only a phone call away. **Just dial 911.**

Respectfully Submitted,

S.A. Doehring

Dear Stewartstown Constituents;

I always look forward to the opportunity to send you my very best wishes at your annual Town Meeting. It has been a very eventful year for me in Congress and I can assure you that my votes were based upon my judgement as to the wishes of my constituents and what was the right thing to do. The issues of Special Education, VA Disability Offset and Campaign Finance Reform represents just some of the legislation which hit the core of your support and wishes. I welcome your input in the future concerning any particular piece of legislation and I can assure you that I will answer your queries in an expeditious manner.

As I advised you last year, my North Country office is located in Littleton and Bill Williams can usually be reached Monday through Friday from 7:30 am until 4:00 pm at 444-1271. As it is in everyones best interest for him to visit all of the North Country, I can assure you that he will answer your messages as soon as possible if he is on the road when you call.

In closing, I offer my gratitude and thanks for your past support and I look forward to serving you for many years to come.

Sincerely,

Charles F. Bass
Member of Congress

Report to the People of Council District One
2002

by Raymond S. Burton
Councilor – District One
State of New Hampshire

*Executive Councilor
District One*

The Governor and five member Executive Council are very much like an elected “Board of Directors”, who along with 294 Commissioners and Directors, administer the laws and budget as passed by the New Hampshire General Court (House and Senate).

We perform a variety of Executive Branch functions, such as, general supervision of all state departments and state expenditures, pardon matters, eminent domain, state contracts and leases, public waters, the planning of the Transportation 10-year plan, and confirmation of the Governor’s nominations to the Judicial Branch of your NH State Government (for a complete explanation, please contact my office).

As we look into the immediate future, I would encourage all citizens to be in contact with all of us in your elected representative bodies, at the local, state and federal levels. We cannot truly represent you if we do not know of your ideas, concerns and aspirations.

If you are interested in serving on a volunteer commission or board, please contact my office at 271-3632 or Kathy Goode, Director of Appointments and Governor Shaheen’s Liaison to the Council at 271-2121. The District Health Councils are always looking for members; if interested, please call Lori Real at 1-800-852-3345 ext. 4235 and request a packet of information about what this key planning process is all about. All of the Governor and Council appointments to Boards and Commissions are listed in the Webster System at webster.state.nh.us/sos/redbook/index.htm.

We need to work our NH Congressional Delegation in Washington. Senators Judd Gregg and Bob Smith and Congressmen Charlie Bass and John Sununu all have strong and powerful committee assignments and are well connected to do more for NH. We need to let them know what is needed for our localities and regions, so ring their bell . . . Senator Gregg at (603) 225-7115; Senator Smith at 1-800-922-2230; Congressman Bass at (603) 226-0249; and Congressman Sununu at (603) 641-9536.

It is a pleasure to serve you. Please contact my office for a listing of toll free 800 numbers and a copy of the newly printed NH Constitution. Always know that I am ready to assist you, your town and region.

Report of Coös Economic Development Corporation

148 Main Street, Lancaster, NH 03584, phone: 788-3900, fax: 788-3355

The year 2001 was one of ups and downs; ridiculously optimistic business forecasts and gloomy, doomsday reports following the terror at the World Trade Center.

Unfortunately, for us here in Coös County, global economics shook our very foundations nearly crippling the forest products industry and our regional economy as well. Despite the bad news and higher unemployment figures there have been some plusses too.

One plus is that industrial park properties in the county will be promoted and marketed jointly with local groups helping to customize the message and the target audience.

The other plus, and it's a major one from an economic development view, is the advent of high speed, broadband access to modern communications networks. While there has been much press about this initiative we remain a few steps away from actually bringing the networks north of Manchester. Partly the 9/11 issues caused worldwide disruption but global competition and a glut of networks also contributed to the roller coaster ride for telecom stocks.

As an economic development group we remain focused on building infrastructure and growing the economy from the ground up with sound business plans, solid financing and retention and enhancement of those businesses already located here and succeeding. Only with a more diverse business base, and better jobs can we in the North Country ensure our way of life survives the ups and downs of the global economy.

For business assistance and more information please contact us at (603) 788-3900. We are located in the Old Historic Courthouse on Lancaster's Main Street.

Executive Director

TRANSMITTAL AND COMMENTARY LETTER

To the School Board of
School Administrative Unit #7:

In planning and performing our audit of the financial statements of the School Administrative Unit #7 for the year ended June 30, 2001, we considered the Unit's internal control structure to determine our auditing procedures for the purpose of expressing an opinion on the financial statements and not to provide assurance on the internal control structure. Our study and evaluation disclosed no material weaknesses.

We extend our thanks to the officials and employees of School Administrative Unit #7 for their assistance during the course of our audit.

It is our opinion that the Superintendent, Business Manager and staff are doing an excellent job administering School Administrative Unit #7.

Very truly yours,

Francis J. Dineen & Co.

INDEPENDENT AUDITORS' REPORT

To the Voters of School Administrative Unit #7:

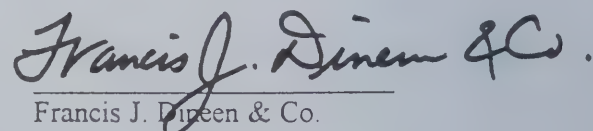

We have audited the accompanying general purpose financial statements of School Administrative Unit #7 as of June 30, 2001, and for the year then ended. These financial statements are the responsibility of the management of the School Administrative Unit #7. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1, the financial statements referred to above do not include financial statements of the General Fixed Asset Group of Accounts, which should be included to conform with accounting principles generally accepted in the United States of America.

In our opinion, except that omission of the General Fixed Asset Group of Accounts results in an incomplete presentation as explained in the above paragraph, the financial statements referred to above present fairly, in all material respects, the financial position of School Administrative Unit #7 at June 30, 2001 and the results of its operations for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

Very truly yours,

Francis J. Dineen & Co.

STEWARTSTOWN SCHOOL DISTRICT
ANNUAL DISTRICT MEETING
MARCH 12, 2001

The moderator Perry Richardson opened the meeting at 7:35 with 43 people in attendance including Robert Mills, Superintendent of Schools, and Cheryl Covill, Business Manager for SAU #7. He explained the rules of order and read article 1.

Article 1: I move that the salaries of the School Board and the compensation of any other officers or agents of the District be the same as printed in the school report.

Motion made by	Hasen Burns
Seconded by	Philip Pariseau
Vote	Yes

Article 2: I move to accept the reports of Agents, Auditors, Committees or Officers chosen as printed in the school report.

Motion made by	Hasen Burns
Seconded by	Philip Pariseau
Vote	Yes

Article 3: I move to create an expendable trust fund under the provisions of RSA 198:20-c, to be known as the Tuition Expendable Trust Fund for the purpose of tuition. Furthermore, to name the school board as agents to expend from this fund and to raise and appropriate the sum up to twenty-five thousand dollars (\$25,000) of any excess over fifty-five thousand (\$55,000) which remains in the undesignated fund balance (surplus) available on July 1 of this year.

Motion made by	Rita Hibbard
Seconded by	Francis Coviello
Vote	Yes

Article 4: I move to authorize the school board to enter into a 3-year purchase/lease agreement for the purpose of purchasing/leasing a school bus, and to raise and appropriate the sum of thirteen thousand, one hundred fifteen dollars (\$13,115) for the first year's payment for that purpose.

**STEWARTSTOWN SCHOOL DISTRICT
ANNUAL DISTRICT MEETING
MARCH 12, 2001**

Motion made by	Philip Pariseau
Seconded by	Donna Marshall

AMENDMENT TO ARTICLE 4

Article 4: I move to amend Article 4 to authorize the school board to enter into a 3-year purchase/lease agreement for the purpose of purchasing/leasing a school bus, and to raise and appropriate the sum of seventeen thousand, seven hundred ninety-five dollars (\$17,795) for the first year's payment for that purpose. This purchase/lease agreement contains an escape clause.

Motion to amend made by	James Gilbert
Seconded by	Emily Haynes
Vote	Yes

Price of the bus was increased to purchase a more heavy-duty bus than was originally bid. Also, the purchase/lease agreement contains an escape clause.

Motion to accept article as amended made by	Richard Samson
Seconded by	Philip Pariseau
Vote	Yes

Article 5: I move to raise and appropriate the sum of six thousand dollars (\$6,000) to be used for the purchase of playground equipment at the Stewartstown Community School.

Motion made by	Philip Pariseau
Seconded by	Donna Marshall
Vote	Yes

Article 6: I move to raise and appropriate the sum of one million, four hundred fifty-eight thousand, five hundred twenty-eight dollars (\$1,458,528) for the support of schools, for the payment of salaries for the school district officials and agents, and

for the payment for the statutory obligations of the district. This article does not include appropriations voted in warrant article #3, 4 & 5.

Motion made by	Richard Samson
Seconded by	Philip Pariseau

Richard Samson presented the moderator with a petition to have the voting on Article 6 done on paper ballot.

AMENDMENT TO ARTICLE 6

Article 6: I move to amend Article 6 to raise and appropriate the sum of one million, four hundred thirty-two thousand, twenty-eight dollars (\$1,432,028) for the support of schools, for the payment of salaries for the school district officials and agents, and for the payment for the statutory obligations of the district. This article does not include appropriations voted in warrant article #3, 4 & 5.

Motion to amend made by	Emily Haynes
Seconded by	James Gilbert

Emily explained that the board was recommending the decrease of \$26,500 because one special needs student was gone and there was no longer a need for an out of district placement.

Vote to amend	Yes

SUPERINTENDENT'S REPORT STEWARTSTOWN

Last March the voters approved \$6,000 for the purchase of playground equipment, that sum to be added to what the PTO has raised, so that a new playground could be erected at the school. On one weekend in August volunteers worked for two days to assemble the playground that the children now use. Many community members gave their time for that project, and when the weekend was over they had the satisfaction of knowing that they had completed a worthwhile project to benefit the children of the community. Thank you to all those who gave their time to build the playground. It illustrates what can be accomplished when we work together.

The next phase of the site development is a ballfield. Preliminary work has been done to prepare the site, but there is still much left to do in order to provide a safe playing field. The field is planned for a baseball/softball field and a small soccer field.

The Stewartstown Community School has been awarded two sizeable grants this year, a Title I Improvement Grant for \$43,000 and a Reading Excellence Act Grant of \$120,000, \$40,000 of which is for the current school year and \$80,000 which is for the next school year. The main focus of these grants will be professional development for staff, with the Reading Excellence Act Grant focusing on strategies for teaching reading in kindergarten through grade 3.

The North Country School Administrator's Association consisting of the superintendents of the ten northern SAU's has been developing a program for recruiting teachers to the North Country. Part of that recruiting effort is to encourage residents who may become eligible to teach through alternative certifications to contact us if they wish to explore the possibility of a career in education. We need to use local resources to help meet the challenge of filling our teacher vacancies.

Paula Noll has notified us that she will be leaving Stewartstown Community School and the North Country at the end of this school year. I thank Paula for her years of dedicated service to the pupils of Stewartstown. She is a very important part of the school and she will be greatly missed by both her students and her colleagues.

Respectfully submitted,

Robert C. Mills
Superintendent of Schools

Special Education Report School Year Ending June 30, 2001

As stated in past yearly reports we continue to be in a state of change within the special education department at SAU #7. We continue to receive mandates from the Federal Government and the State Department of Education. Demands are being made as parents and other child care providers become more cognizant of the laws and/or rules.

Last year at Colebrook Academy we tried a new procedure in transition when using a local outside agency. The first year of the transition during the students' senior year a program is put in place with both the outside agency and Colebrook Academy sharing goals and objectives. This aids the outside agency in getting a long-term program in place and eases the students' transition from the Academy to the outside agency. When the student has completed the senior year at the Academy they are ready to move on. This process has been refined and is now being accomplished with a different provider at less cost.

The specific number of identified educationally disabled students continues to change almost on a daily basis. Some are discharged from the program, some move away and others move in or are found within our own SAU to be in need of services. We have been getting many students from outside SAU #7 due to people moving into the area. Last spring we gained four educationally disabled students from one family that moved to Colebrook.

Vicki Bacon, special education secretary, continued until June 30th to do an admirable job in an understaffed department. Bruce Showalter continued as the School Psychologist. Including myself, we had two fully certified School Psychologists in the special services department until I also decided to move on at the end of June.

Two new special education teachers from last year, one at the primary level, Cindy Capobianco, and one at the high school level, Theresa Lord, did excellent work in their respective schools. We continued to employ aides within the special education areas and six of them attended a twelve-week course on paraprofessional certification that I taught. Debbie Stewart and I also taught two all-day Saturday workshops that were sponsored by the Special Services Department.

We were unable to obtain the services of a Diagnostic Prescriptive Teacher (DPT) for last school year. The School Psychologist, Special Services' Coordinator, Adjustment Counselor and Special Education Teachers served in the DPT role.

We had an Occupational Therapist and a Speech Pathologist under contract as in past years. The Occupational Therapist (Christine Cote) served all of SAU #7. Jean Switser continued to serve the Colebrook Schools as Speech Pathologist with Lisa Goulette as Speech Assistant. We had a Speech Pathologist for Clarksville, Stewartstown, and Pittsburg school districts who only came once each month. Tanya McKeage was employed as the Speech Assistant. We continued to engage the services of a Vision Specialist through North Country Education Foundation to work with students at Stewartstown and Colebrook.

Respectfully submitted,

Vergil Grant
Special Services Coordinator

**STEWARTSTOWN COMMUNITY SCHOOL
TITLE I REPORT
2000-2001**

The Title I Schoolwide Program continues to offer the students of the Stewartstown School schoolwide services to improve student achievement.

The school year was successful in regards to Title I activities. Parental involvement increased. We had three community members offering much of their time to the students and staff members. We truly appreciate all of their help and support.

The PTO was the strongest that they have ever been. Great leadership and coordination efforts led to the purchase and construction of the playground. Many volunteers participated in the construction of the playground and we are very grateful for the effort and dedication that was put into this project.

The Title I Summer Program was a successful program. The program was open to incoming kindergarten students and students of grades K-8. We made improvements so as to specifically address the academic needs of each individual participant. Special summer school materials were made available to the staff and students utilizing Title I funding. These materials proved to be very useful as extended school year tools. The staff members contributed their expertise to the program. Aside from the academics, the students enjoyed the added activities such as swimming, arts and crafts, computers, sewing, health, physical education and the student assistance program. Overall, the summer program was enjoyed by all.

A School Improvement Team was formed to include teachers, parents, reading specialist and a consultant. School Improvement funds will be utilized to explore a reform model called *Different Ways of Knowing*, a project based learning model. This model will focus on what students already know to form a baseline on which to build their educational experiences upon.

The St. Albert School is a targeted assistance Title I School. The Title I teacher provided Title I services to six students in the areas of language arts and mathematics.

We continue to strive for excellence in education and meetings the needs of each and every student.

TRANSMITTAL AND COMMENTARY LETTER

To the Members of the School Board
of Stewartstown School District:

In planning and performing our audit of the financial statements of the Stewartstown School District for the year ended June 30, 2001, we considered the District's internal control structure to determine our auditing procedures for the purpose of expressing an opinion on the financial statements and not to provide assurance on the internal control structure. Such study and evaluation disclosed no material weaknesses.

We extend our thanks to the officials and employees of the Stewartstown School District for their assistance during the course of our audit.

It is our opinion that the Superintendent, Business Manager and staff are administering the Stewartstown School District effectively.

Very truly yours,

Francis J. Dineen & Co.

INDEPENDENT AUDITORS' REPORT

To the Members of the School Board
of Stewartstown School District:

We have audited the accompanying general purpose financial statements of Stewartstown School District as of June 30, 2001 and for the year there ended. These general purpose financial statements are the responsibility of the management of Stewartstown School District. Our responsibility is to express an opinion on these financial statements based on our audit.

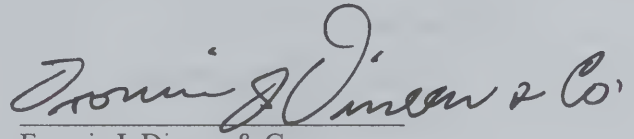

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1, the general purpose financial statements referred to above do not include financial statements of the General Fixed Asset Group of Accounts, which should be included to conform with generally accepted accounting principles.

In our opinion, except that omission of the General Fixed Asset Group of Accounts results in an incomplete presentation as explained in the above paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of Stewartstown School District at June 30, 2001 and the results of its operations for the year then ended, in conformity with generally accepted accounting principles.

Our audit was conducted for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The combining and individual fund financial statements and supplemental schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of Stewartstown School District. The information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is stated fairly in all material respects in relation to the general purpose financial statements taken as a whole.

Very truly yours,

Francis J. Dineen & Co.

SHIRLEY McALLASTER MEMORIAL FUND

The 1995-year was saddened by the death of Shirley McAllaster. Shirley had been a dedicated member of the Stewartstown School Board for more than twenty years.

Through the generosity of the Roderick McAllaster family, and donations made to the Stewartstown School District by friends, family and other school districts in Shirley's memory, a trust fund has been established.

The Shirley McAllaster Memorial Fund will be used to give a monetary award to a deserving 8th grade student graduating from the Stewartstown Public School System. The award is to be given out each year at graduation.

The Stewartstown School Board wishes to thank everyone who donated to the School District in Shirley's memory.
