## Superintendent's Report

TO THE SCHOOL BOARD OF BROOKFIELD:

GENTLEMEN:- I herewith submit my third annual report as superintendent of the schools of Brookfield.

The following table of statistics should be of special interest.

### STATISTICS FOR THE YEAR ENDING JUNE 30, 1921

School	Teacher	Total Number Enrolled	Av. Membership Per cent of Attendance	No. of Tardinesses	No. Weeks in Session
Churchill	Eva C. Willey	10	7.95	5	36
Hackett	Ella M. Butler	10	9.94	36	36
Stoneham	Marian Harper	13	10.95	121	36
Average Totals		33	26.94	662	36

From this table it will be seen that the schools have a better record than for the preceding year. The per cent of attendance rose from 89 to 94.6. This is especially gratifying, and the record for this year is excellent.

The number of tardinesses, while less than one year ago, still seems to me to be too large. I again urge the cooperation of parents in overcoming this defect. Let us try to reduce the number of tardinesses still lower this year.

All the schools were in session for a full legal year of 36 weeks. The lengthened year caused no hardship to anyone, and I believe that all parents of pupils are pleased with the results.

During the past summer some additional repairs have been made upon all the school-houses. The interior of the Churchill School has been painted and new curtains put up. The Hackett School has been

re-shingled. The Stoneham School has been furnished with a new stove.

A small appropriation for repairs, which will not burcen the tax payers, made each year by tne District, will enable us to continue with needed improvements. I do not recommend extravagences in any direction, but a policy of moderate and steady progress.

I wish to thank the School Board and citizens for the support which they have given to the movement to secure better and more sanitary buildings. Thereby the teachers and the pupils have been made more comfortable and happy, and the efficiency of the schools has been accordingly increased.

We are fortunate in being able to retain the services of Mrs. Willey in the Churchill School for another year. We were obliged to find new teachers for both the Hackett and Stoneham Schools. Miss Dorothea Brummitt is now teaching in the former school and Miss Gladys Laskey, in the latter. Both are doing good work.

With this report I am sending the report of the School Nurse. A comparison of her report with that of a year ago shows an improvement in the physical condition of the pupils. While some pupils are still found with defective eyes, teeth and throats; the number is smaller than last year. It will also be seen that in several instances action has been taken by parents to have these defects corrected.

Our arrangement by which we have had the services of the Red Cross nurse seems to be an excellent one, and the best means of carrying on our health work in our schools. I trust that the present arrangement can be continued.

Respectfully submitted,

FRED W. DUDLEY  
Superintendent of Schools.

## REPORT OF THE SCHOOL NURSE

Report for the year ending December 31, 1921.

Number of pupils examined	26
"    "    "    with eye defects	2
"    "    "    "    teeth defects	6
"    "    "    "    throat defects	4
"    "    "    under weight	2
"    "    "    unvaccinated	2
Number of visits to schools	6
"    "    "    "    pupils	8

One pupil had adnoids and tonsils removed. Two received dental treatment, and two had eye defects corrected. The Modern Health Crusade is being conducted in one school. Health literature and tooth paste have been given to the children through the courtesy of the Metropolitan Life Insurance Company. An emergency box has been placed in each school, A number of health talks have been given.

Respectfully submitted,

ANNA E. CLOW, R. N.  
School Nurse.
