2015 Annual Town Report

FREMONT NEW HAMPSHIRE

*Village Schoolhouses, Fremont NH
Historic Postcard Published by Charles E Beede*

APPRECIATION

Commencing with the 1991 Town Report, the Town has annually recognized a Fremont resident who has given much of their time to the Town.

THE 2015 APPRECIATION RECOGNIZES

Patricia Martel

Pat Martel has lived in Fremont for 37 years, and she and her late husband Alfred raised their two daughters here. Pat has been a member of the Fremont Budget Committee for 30 years, due to finish a three year term in March of 2016, and she has signed up to run again. Pat is a wizard with numbers and spends a great deal of time working with the budgets of the Town and School Departments. She is a City Auditor during the day, and volunteers many a night and weekend for Fremont financial positions. She is also the Bookkeeper for the Trustees of Trust funds. She has been a Trustee since the early 1990's.

Thank you Pat, for your dedication to Fremont for so many years!

DEDICATIONS

A dedication to our dear friend, co-worker and long-time Fremonter Meredith Bolduc

Early in 2015 Meredith announced her intention to cut back on her working hours, and looked toward training someone to assist in the Land Use Office so that she could eventually think about retirement.

She wanted to spend more time with her family, which was her life's true work; and the other things outside work that made her happy.

When Meredith became ill in May, many worlds began to crumble, but she was truly amazing. The strength of Saints, positive in spirit, and the Meredith we all know and love, as she began the

battle of her life. She worked through the summer on days when she felt well, teaching us every day some of the things we needed to know to function in her absence.

In October 2015 we lost a dear friend, the ultimate Fremonter, a kind soul and cherished co-worker.

What we do not lose are her contributions to Fremont, the growth and development of what we today know as Land Use Offices. She was involved as a member of the Zoning Board of Adjustment as a volunteer beginning in the early 1980's and was Deputy Town Clerk. She also kept minutes of the Selectmen's Meetings for many years. Meredith has also been a member of the Budget Committee, and helped in more recent years with Cemetery Trustee meetings and records

as well. She had some 40 years of contributions to Fremont Local Government, in addition to raising her three beloved daughters here and being involved in a variety of community projects, events and activities.

Meredith and Jesse have an amazing garden, from which flowers and vegetables were always shared! Our lives here will never be the same, but we are forever blessed with her grace, friendship, kindness, intelligence and sharing of so much Fremont knowledge over the years.

*A dedication to our dear friend
and co-worker Lynda Miller*

We lost another of our friends and co-workers when Fremont Children's Librarian Lynda Miller passed away in May 2015. Lynda joined the Town's staff when the newly constructed Fremont Public Library opened in September 2002. Lynda started the Children's Story Hour and Craft programs that continue today. She knew Fremont children and what they love to read.

Lynda's top priority in life was her family, but she definitely had a sweet spot for all "her kids" from Fremont. She was a bargain hunter when it came to children's books...Building 19 in Haverhill was a favorite spot because she could get the best bang for the buck! Her eyes were always open for a great deal on children's literacy!

She could entice them with book bags, bookmarks, pencils and especially the

Summer Reading Tee Shirts. She grew the Children's Room exponentially. We greatly miss Lynda's many contributions to the Fremont Public Library!

Dedication

We also dedicate the 2015 Annual Town Report to members of our Community, once active in Town or School government and community affairs, who left us this past year.

Steve Fenderson

Involved in the lives of Fremont children for greater than 20 years, Steve was an important part of Fremont Youth Athletics. Some families may not have known Steve, however they have still benefited from the legacy and results of his many years of volunteerism. Steve was inspirational to those he touched and he was dependable in all of his endeavors. He was admired by all. Steve Fenderson demonstrated compassion, leadership, instruction and friendship to so many of us, his legacy will forever live on in our hearts and thoughts.

Harold A Davies

US Army WW II Veteran, one of five Davies sons who enlisted in service to their Country; a former volunteer Police Officer and Fireman for the Town of Fremont. The family made many contributions to Fremont.

Roland Kimball

US Air Force Veteran serving in the Korean Conflict and a long-time assistant to Dick Rand digging graves in Fremont Cemeteries.

Cecelia O'Connell

Fremont's Boston Post Cane holder since 2012; former Town Clerk, School Census Taker and 4-H Leader. She was also a member of the PTA, Community Club and Fremont Grange.

Fond remembrances of all the community members who are no longer with us.

Fremont is a close community that has a long history of volunteerism. Thank you to all of our volunteers and community members who make an impact in Fremont every day!

"True heroism is remarkably sober, very undramatic. It is not the urge to surpass all others at whatever cost, but the urge to serve others, at whatever cost."

~Arthur Ashe

**TOWN OF FREMONT NH
2016 TOWN MEETING WARRANT**

To the inhabitants of the Town of Fremont in the County of
Rockingham in said State, qualified to vote in Town Affairs:

Pursuant to NH RSA 40:13 II, the first session of the 2016 TOWN MEETING (The
Deliberative Session) shall be held on TUESDAY FEBRUARY 2, 2016 at the Ellis
School at 432 Main Street in Fremont New Hampshire beginning at 7:00 pm. The Snow
Date for this session is WEDNESDAY FEBRUARY 3, 2016 beginning at 7:00 pm at the
Ellis School.

The second session (Voting Session) shall be held TUESDAY MARCH 8, 2016 at the
Ellis School at 432 Main Street in Fremont New Hampshire with polls open from 7:00
am to 8:00 pm. All articles will be voted upon by Official Ballot with any amendments
made at the Deliberative Session.

ELECTION OF TOWN OFFICERS

ARTICLE 1: To choose by ballot all necessary Town Officers for the ensuing year.

2016 OPERATING BUDGET. The estimated tax impact of this article is \$3.52.

ARTICLE 2: Shall the Town of Fremont raise and appropriate as an operating budget,
not including appropriations by special warrant articles and other appropriations voted
separately, the amounts set forth on the budget posted with the warrant or as amended
by vote of the first session, for the purposes set forth therein, totaling \$2,747,889?
Should this article be defeated, the default budget shall be \$2,592,270 which is the same
as last year, with certain adjustments required by previous action of the Town of
Fremont or by law or the governing body may hold one special meeting, in accordance
with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only.

Note: This operating budget warrant article does not include appropriations contained
in ANY other warrant articles.

**The Selectmen recommend this appropriation 2-0.
The Budget Committee recommends this appropriation 5-2.
(Majority vote required)**

CREATE TOWN EXPENDABLE TRUST FUND FOR WINTER HIGHWAY MAINTENANCE and NAME THE SELECTMEN AS AGENTS TO EXPEND. The estimated tax rate impact of this article is \$0.05.

(Majority vote required)**

FUNDING HIGHWAY PAVING AND IMPROVEMENTS TO SANDOWN ROAD. The estimated tax rate impact of this article is \$0.22.

ARTICLE 11: To see if the Town will vote to raise and appropriate the sum of eighty-five thousand four hundred ninety-five dollars (\$85,495) to shim and overlay a section of Sandown Road and do associated shoulder work.

**The Selectmen recommend this appropriation 3-0.
The Budget Committee recommends this appropriation 7-0.
(Majority vote required)**

CHANGE THE SALARY FOR THE ELECTED POSITION OF TOWN CLERK TAX COLLECTOR. The estimated tax rate impact of this article is \$0.01.

ARTICLE 12: To see if the Town will authorize an increase in the Town Clerk Tax Collector's annual salary by five thousand dollars (\$5,000) to be a total of forty thousand dollars (\$40,000), and for the position to include 10 days of paid time off and to raise and appropriate the sum of five thousand dollars (\$5,000) for this purpose.

**The Selectmen do not recommend this appropriation 2-0.
The Budget Committee does not recommend this appropriation 7-0.
(Majority vote required)**

CREATE A TOWN EXPENDABLE TRUST FUND FOR THE FREMONT POLICE DEPARTMENT DARE PROGRAM and NAME THE SELECTMEN AS AGENTS TO EXPEND. The estimated tax rate impact of this article is \$0.01.

ARTICLE 13: To see if the Town will vote to establish an expendable trust fund under the provisions of RSA 31:19-a, to be known as the Fremont Police Department DARE Expendable Trust Fund for the purpose of funding the annual DARE (Drug Awareness Resistance Education) Program and to raise and appropriate the sum of three thousand dollars (\$3,000) to be placed in this fund and further to name the Board of Selectmen as agents to expend, upon recommendation of the Police Chief.

**The Selectmen recommend this appropriation 3-0.
The Budget Committee recommends this appropriation 7-0.
(Majority vote required)**

FUNDING THE MOSQUITO CONTROL PROGRAM. The estimated tax rate impact of this article is \$0.13.

ARTICLE 14: To see if the Town will vote to raise and appropriate the sum of forty-nine thousand five hundred fifty dollars (\$49,550) to continue the Public Health Mosquito Control Program.

**The Selectmen recommend this appropriation 3-0.
The Budget Committee recommends this appropriation 7-0.
(Majority vote required)**

CREATE A REVOLVING FUND FOR PARKS AND RECREATION FIELD AND PARKS IMPROVEMENTS AND MAINTENANCE. There is no tax impact of this article.

ARTICLE 15: Shall the Town vote to establish a recreation revolving fund pursuant to RSA 35-B:2, II for the purpose of funding improvements to Fremont Parks and playing fields. All fees and charges received from special programs and events sponsored by the Parks & Recreation Commission will be deposited into the fund and the money in the fund shall be allowed to accumulate from year to year, and shall not be considered part of the Town's general fund unreserved fund balance. The Town Treasurer shall have custody of all moneys in the fund, and shall pay out the same only upon order of the Board of Selectmen upon recommendation of the Parks & Recreation Commission and no further approval is required by the legislative body to expend. Said funds may be expended for the purpose of funding improvements at the fields and parks in Fremont, and to raise and appropriate the sum of up to one thousand dollars (\$1,000) to be deposited into this fund and further to authorize this amount from the unreserved fund balance (surplus). The name of the Revolving Fund will be the Parks & Recreation Improvement Revolving Fund.

**The Selectmen recommend this appropriation 3-0.
The Budget Committee recommends this appropriation 6-1.
(Majority vote required)**

CONTRIBUTION TO THE FIRE TRUCK CAPITAL RESERVE FUND. The estimated tax rate impact of this article is \$0.13.

ARTICLE 16: To see if the Town will vote to raise and appropriate the sum of fifty thousand dollars (\$50,000) to be placed in the Fire Truck Capital Reserve Fund.

**The Selectmen recommend this appropriation 3-0.
The Budget Committee recommends this appropriation 7-0.
(Majority vote required)**

CONTRIBUTION TO THE HISTORIC MUSEUM CAPITAL RESERVE FUND. The estimated tax rate impact of this article is \$0.04.

ARTICLE 17: To see if the Town will vote to raise and appropriate the sum of fifteen thousand dollars (\$15,000) to be placed in the Historic Museum Renovation Capital Reserve Fund.

**The Selectmen recommend this appropriation 3-0.
The Budget Committee recommends this appropriation 7-0.
(Majority vote required)**

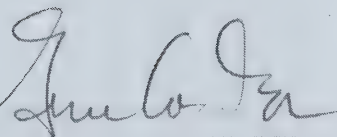

DESIGNATE A PIECE OF TOWN LAND AS TOWN FOREST. There is no direct tax impact of this article. The town owns this parcel and maintains a conservation easement on it.

ARTICLE 18: To see if the Town will vote to designate as Town Forests, in accordance with NH RSA 31:110, the following parcel of land: Beede Spaulding Conservation Land Map 3 Lot 56.

**The Selectmen recommend this appropriation 2-0.
The Budget Committee recommends this appropriation 7-0.
(Majority vote required)**

Given under our hands and seal this Fourteenth day of January in the Year of Our Lord Two Thousand and Sixteen.

Selectmen ~ Town of Fremont New Hampshire

TOWN OF FREMONT 2016 TOWN MEETING VOTER GUIDE

This Guide has been prepared to provide you with additional information for your voting decisions prior to entering the voting booth on Tuesday March 8, 2016. It contains all of the Articles for consideration, some brief descriptions and additional information. You can use this document with the Warrant Summary Sheet, for review of the Articles. You can bring the Summary Sheet with you on Election Day.

We hope this information is helpful for your understanding of the issues to be voted upon at the 2016 Annual Town Meeting. If you have specific questions please feel free to call our office at 895 2226 x 10 or send an email to Heidi Carlson at FremontTA@comcast.net.

Gene Cordes

Leon F Holmes Sr
Fremont Board of Selectmen

Neal Janvrin

We endeavor to provide additional information to assist voters in making informed decisions about the many municipal challenges facing the Town. The Official Warrant was reviewed and discussed at Deliberative Session on February 2nd. No changes were made at that session, and the final format of the questions has been created for voting, now called the Official Ballot.

Final voting on the Official Ballot will take place on Tuesday March 8, 2016 at the Ellis School, 432 Main Street, Fremont NH. Polls are open 7:00 am to 8:00 pm. You can request an absentee ballot for this session by contacting the Fremont Town Clerk. Absentee ballot applications are also available on the Town Clerk page of the website at www.Fremont.nh.gov.

In 2009 Fremont voters decided to have the Selectmen and Budget Committee's tally votes on articles printed, along with those recommendations as outlined by Statute. The Official Warrant is written as outlined by NH Statute.

The type of vote required appears at the end of each article, such as majority, 2/3 or 3/5 vote requirements. We have also included here in this narrative, an estimate of what each article reflects as part of the total Town portion of the tax rate. This is only an estimate, and is based on a conservative, but reasonable growth in the Town's assessed valuation and other factors included in the adjustment of the annual tax rate (including exemptions, credits, and revenues). Tax rate history provided as reference information. You can also refer to the full details of tax rate historical information in Town Reports.

Year	Town Portion of the Tax Rate
2010	\$3.58
2011	\$3.36
2012	\$3.41
2013	\$3.86
2014	\$3.58
2015	\$4.37

ELECTION OF TOWN OFFICERS

ARTICLE 1: To choose by ballot all necessary Town Officers for the ensuing year.

The following persons have signed up for Town Offices:

Selectman: 1 for 3 years
Roger A Barham
Thomas A O'Brien

Trustee of Trust Funds: 1 for 3 years
Patricia J Martel

Library Trustee: 1 for 3 years
Suzanne Wicks
Budget Committee: 2 for 3 years
Patricia J Martel
Moderator: 1 for 2 years
Michael Rydeen
Supervisor of Checklist: 1 for 6 years
Dennis Buteau

Budget Committee: 1 for 2 years
Joseph Miccile
Cemetery Trustee: 1 for 3 years
Steven Harms
Treasurer: 1 for 3 years
Kimberly Dunbar
Rachael Edwards

There will be a separate ballot for candidates running for Fremont School District offices. Sample ballots will be posted at the Town Hall, Ellis School, Safety Complex, Public Library and the Fremont Post Office for viewing before Election Day. The candidate listing is also available on the Town's website home page.

2016 OPERATING BUDGET. The estimated tax impact of this article is \$3.52.

ARTICLE 2: Shall the Town of Fremont raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$2,747,889? Should this article be defeated, the default budget shall be \$2,592,270 which is the same as last year, with certain adjustments required by previous action of the Town of Fremont or by law or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only.

Note: This operating budget warrant article does not include appropriations contained in ANY other warrant articles.

**The Selectmen recommend this appropriation 2-0.
The Budget Committee recommends this appropriation 5-2.
(Majority vote required)**

This is the total of all operating budgets for the Town, excluding warrant articles. The full budget detail can be found on the State Form MS 737, which is available on the Town's website and will be part of the 2015 Annual Town Report. Copies are also available at the Selectmen's Office. The tax impact of this operating budget varies only by about \$0.12 to \$0.14 (increase) on the tax rate from the operating budget approved in 2015. This is the cost per thousand of the Town's budget, and is approximately 12% of the total tax rate (using the 2015 tax rate of \$29.00).

With SB2 in place, this master budget article includes the number recommended by the Budget Committee of \$2,747,889. This is up from the appropriated budget in 2015 of \$2,548,921. The recommendations of Selectmen and Budget Committee can be viewed on the State Form MS 737.

Following are some highlights and changes within each of the operating budgets:

4130 Executive: Proposed salary increase for the Town Administrator position; proposed incumbent Selectmen's Assistant position reflects a 2% increase; and 10 extra hours per week for a new part-time clerical staff person. There is a proposed reduction in the number of printed newsletters to three annually. This budget covers all operating costs of the Selectmen's Office.

4140 Town Clerk Tax Collector: Hourly wage for Clerical Assistant proposed increased by 2%; supplies increased based on need of combined office (primarily postage and envelopes); covers operating costs of the Clerk/Collector Office and wages of

the Town Clerk Tax Collector and Deputy/Clerical Assistant. Mileage has been included, which was not provided for in the 2015 budget, for the 3-4 trips per week required to get town funds deposited.

4141 Election & Registrations: Increased from 2015 based on a total of four elections, including three major primary and general elections; along with Town and School Elections and Deliberative Session. This covers election costs of Moderator, Ballot Clerks, Supervisors of the Checklist, ballot tally machine programming, supplies and maintenance, printing and producing all necessary checklists, and printing of local ballots. (The State provides ballots for State and Federal elections).

4151 Financial Administration – Other: Includes the Treasurer's salary and supplies; Budget Committee clerical costs and administration, Trustees of Trust Funds expenses, and annual audit of all Town financial records. This is up approximately \$250 for the audit contract.

4152 Reappraisal of Property: The budget is the same as 2015 and covers all of the Town's contracted assessing, the utility contract (to appraise all utility properties); tax assessing software & maintenance, tax mapping services, web-hosting of tax maps and all assessing data, and NH AAO dues.

4155 Personnel Administration: Workers Compensation Premium up due to past claims history (on a five year average); FICA and Medicare updated to reflect 2% wage increases proposed; NHRS adjusted for current actual and State rate (increased); other retirement adjusted for wage increase for the 3 non-police full-time employees. This has been adjusted for a full year of the police officer hired in 2015, and for a proposed ½ year of another full-time police officer in 2016.

4191 Planning & Zoning: Clerical wage adjusted to allow for 2% wage increase; increase in professional services and matching grants to allow the Planning Board to complete additional projects and ordinance/regulation updates.

4194 Government Buildings: Budget down from prior year after completion of several large projects in 2015. Additional maintenance work continues at all buildings along with routine cleaning and care. The Town Hall heating system will be completed with encumbered 2015 funds. Safety Complex needs annual fire suppression system maintenance; alarm systems maintenance, etc. Costs for a full year of heat and care for our new Highway Building, as well as the conversion to propane heat at the Town Hall are included.

4195 Cemeteries: The projects fund in 2016 proposes to continue work on care, straightening and resurrecting gravestones to preserve them, as well as continued work on expansion and layout of new sites at Leavitt Cemetery. Proposed to hire a new Cemetery Sexton position to oversee cemeteries and maintenance workers.

4196 Insurance: Increased due to reduction of companies offering municipal insurance plans; planning to put insurance out to bid, and unsure what the market will show for costs.

4210 Police Department: Clerical wage adjusted to allow for 2% wage increase; uniformed officer matrix adjusted for 2.5% wage increase; includes full year of new officer hired in 2015 and ½ year of a new full-time officer. Covers all operating costs of the personnel and equipment needed to staff and run the Police Department.

4220 Fire Rescue Department: Covers all personnel costs of the Points Plan Compensation Program, Length of Service & Awards Program; some new equipment for the fire truck anticipated to be completed in the spring of 2016; maintenance of apparatus and equipment, fire and EMS gear, uniforms, supplies and training.

4240 Building Inspection: Wage adjusted to allow for 2% increase, with 29 hours per week of services from the Building Inspector/Code Enforcement Officer. Budget includes training, mileage reimbursement and minimal office supplies.

4290 Emergency Management: Includes minimal allowance for supplies and contract services in the event of a major weather event (flood, ice storm, etc); \$1,200 stipend for EMD.

4312 Highway Department: FT & PT wages adjusted to allow for 2% increase. PT summer labor increase by two work weeks, winter costs increased to cover anticipated winter season. Continued focus on road updates, to include \$163,000 to repave and upgrade 5,850 feet of Whittier Drive, beginning at Sandown Road. \$20,000 was moved from winter operating budget to be included in a Warrant Article creating an Expendable Trust Fund for Winter Maintenance. (More information in Article 3).

4323 Solid Waste Collection: Annual increase in the hauling contract of 3%. No fuel surcharges in the new contract.

4324 Solid Waste Disposal: Reduction in tipping fees due to newly negotiated contract; slight planned increase in the amount of solid waste. Continued need for recycling bins. This includes bi-annual Bulky Day expenses.

4414 Animal Control: Wage adjusted to allow for 2% increase. Covers all costs associated with Animal Control services including supplies, training, truck fuel and maintenance.

4415 Health: Covers a small stipend for Health Officer and proposes a \$100 for the Deputy; training and annual dues to the NH Health Officer's Association; some water testing.

4445 Vendor Payments to Social Service Agencies: Each of these payments supports a social service agency that provides some service to Fremont residents, usually at a reduced or sliding fee scale.

4520 Parks & Recreation: Plan to run a full camp program in 2016 with some increase in wages proposed to draw in more experienced staff members. Care and maintenance of the ballfields and playground comprises approximately \$15,400 of the

budget, and \$2,500 covers Town events such as the Easter Egg Hunt, Halloween Event and Christmas Party and Tree Lighting.

4550 Library: This budget covers all staffing, books, and programs of the Fremont Public Library and maintenance of the building. Employee wage increases at 2% are supported in this recommendation, and several building maintenance items.

4610 Conservation Commission: The Commission had no approved budget in 2015, and this represents coverage of clerical assistance and some minimal office and training expenses.

4711-4721 Debt Service: Reduction in principal and interest payments on debt, as debt matures.

*All tax impact estimates are per \$1,000 of valuation. The number of veteran credits, exemptions, and amount of overlay (which affect the final rate) are estimated for the purposes of establishing tax rate changes. These current estimates of Overlay, Exemptions and Veteran Credits add about \$0.31 to the tax rate. We are also assuming a conservative but reasonable amount of growth in the total assessed valuation of the Town, which is the largest component of the formula used to set the tax rate. **All tax rate impacts are estimates.***

The estimated tax impact is shown for each of the warrant articles in the narrative portion. If the proposed budget and all Warrant Articles as proposed by the Town pass, the Town's portion of the tax rate is estimated to increase \$0.40 per thousand from the actual current town rate of \$4.37 per thousand. Each of these articles can be considered on its own merit. The impact of each individual Article is included with each rationale. It should be noted that in our calculated estimates forecasting the 2015 tax rate, we had estimated \$4.85, and the actual rate came in at \$4.37. Our estimates are conservative. Any excess revenue collected and appropriations turned back from prior years, will also help to reduce the tax rate in 2016.

CREATE TOWN EXPENDABLE TRUST FUND FOR WINTER HIGHWAY MAINTENANCE and NAME THE SELECTMEN AS AGENTS TO EXPEND. The estimated tax rate impact of this article is \$0.05.

ARTICLE 3: To see if the Town will vote to establish an expendable trust fund under the provisions of RSA 31:19-a, to be known as the Fremont Highway Winter Maintenance Expendable Trust Fund for the purpose of funding winter maintenance as necessary and to raise and appropriate the sum of twenty thousand dollars (\$20,000) to be placed in this fund and further to name the Board of Selectmen as agents to expend.

The Selectmen recommend this appropriation 3-0.
The Budget Committee recommends this appropriation 7-0.
(Majority vote required)

This article is proposed in an effort to balance the costs of the extreme winters we have had in recent years. This could be considered a savings account, set aside as a Town Trust Fund. The appropriation would be put in this year, and ONLY used if the winter costs exceed the amount of money in the 2016 operating budget. It can be held over from year to year as long as funds remain, and can help create a better balance in the tax rate, and allow the Town to be better prepared in the "worse case scenario" winter seasons. The Town could add funds to this account in future years as well, to balance out the tax impacts of worse winters against those which are not as severe.

CONTRIBUTION TO THE LIBRARY BUILDING EXPENDABLE TOWN TRUST FUND. The estimated tax rate impact of this article is \$0.01.

ARTICLE 4: To see if the Town will vote to raise and appropriate the sum of five thousand dollars (\$5,000) to be placed in the Library Building Maintenance Expendable Town Trust Fund.

The Selectmen recommend this appropriation 3-0.

The Budget Committee recommends this appropriation 5-2.
(Majority vote required)

The Library Trustees are proposing this fund to set aside money needed for building repairs and maintenance. This is in essence a savings account for future needs. The Library has an extensive HVAC system that will need maintenance and repairs at some point, and additional work is needed around the roof stacks currently. As of 12/31/15 there was \$3,502.54 in this fund. Plans were to use it to fix the stacks in 2015, but bids for the needed repairs were higher than anticipated.

Articles 5, 6, 7, 8 and 9 request funding for five existing Capital Reserve Funds with each purpose specified. Money voted will add to what has already been set aside. These funds accrue over time and are then used to offset the cost of larger capital purchases when needed. **Saving money in Capital Reserve Funds helps to balance the tax rate by reducing the impact of one-time large expenditures.**

CONTRIBUTION TO THE BRIDGE CAPITAL RESERVE FUND. The estimated tax rate impact of this article is \$0.06.

ARTICLE 5: To see if the Town will vote to raise and appropriate the sum of twenty-five thousand dollars (\$25,000) to be placed in the Bridge Construction and Reconstruction Capital Reserve Fund.

The Selectmen recommend this appropriation 3-0.
The Budget Committee recommends this appropriation 5-2.
(Majority vote required)

Article 5 proposes to add funding to the Bridge Capital Reserve Fund for future bridge engineering and construction. Currently, two of Fremont's bridges are on the State's "red list" and are in need of significant repair or replacement. With the funding allocated here, we were able to get on the NH Bridge Aid list for future construction funding for the Martin Road Bridge. Late in 2013, the Selectmen contracted with an engineering firm to take the first steps necessary for replacement of the Martin Road Bridge. The engineering is nearly complete, but we have not yet received notification that we have been moved up on the NH Bridge Aid reimbursement funding list. This would reimburse the Town 80% of all costs incurred in the bridge replacement. As of 12/31/15 there was \$40,495.04 in this fund. We do anticipate being reimbursed 80% of all costs associated with bridge work, as long as NH Bridge Aid is funded by the NH Legislature.

CONTRIBUTION TO THE TOWN HALL RENOVATIONS CAPITAL RESERVE FUND. The estimated tax rate impact of this article is \$0.03.

ARTICLE 6: To see if the Town will vote to raise and appropriate the sum of ten thousand dollars (\$10,000) to be placed in the Town Hall Renovations Capital Reserve Fund.

The Selectmen recommend this appropriation 3-0.
The Budget Committee recommends this appropriation 7-0.
(Majority vote required)

Article 6 proposes to add funds to the existing Capital Reserve Fund for renovations to the basement of the Town Hall. This fund will continue to save for the proposed renovations. The plan is for the work to renovate the basement area and provide for improved Planning and Zoning Offices, a larger meeting room, and a bathroom.

Some Food Pantry space and records storage will also be provided. As of 12/31/15 there was \$133,421.80 in this fund.

CONTRIBUTION TO THE PROPERTY REASSESSMENT CAPITAL RESERVE FUND. The estimated tax rate impact of this article is \$0.03.

ARTICLE 7: To see if the Town will vote to raise and appropriate the sum of ten thousand dollars (\$10,000) to be placed in the Property Reassessment Capital Reserve Fund.

The Selectmen recommend this appropriation 3-0.
The Budget Committee recommends this appropriation 7-0.
(Majority vote required)

Article 7 adds money to the Reassessment Capital Reserve Fund. Fremont completed the mandated recertification in 2015, and will do so again in 2020. Saving \$10,000 per year has been a very successful way to fund this process. We want to be sure that it continues to fund a revaluation/recertification every five years without further large impact to the tax rate. As of 12/31/15 there was \$47,236.33 in this fund. The Town expended \$39,500 in 2015 on the recertification process, and it is anticipated that the next recertification process required in 2020 will be a full revaluation, costing more than a recertification.

CONTRIBUTION TO THE HIGHWAY EQUIPMENT CAPITAL RESERVE FUND. The estimated tax rate impact of this article is \$0.06.

ARTICLE 8: To see if the Town will vote to raise and appropriate the sum of twenty-five thousand dollars (\$25,000) to be placed in the Highway Equipment Capital Reserve Fund.

The Selectmen recommend this appropriation 3-0.
The Budget Committee recommends this appropriation 7-0.
(Majority vote required)

This fund plans for the future purchase of highway equipment including snow plows, sanders, backhoe, and trucks. The Town replaced the one ton truck late in 2012 and also purchased a backhoe. We would like to rebuild the fund to allow for future replacement and new equipment purchases as needed. As of 12/31/15 there was \$30,898.42 in this fund.

CONTRIBUTION TO THE EMERGENCY MANAGEMENT EQUIPMENT CAPITAL RESERVE FUND. The estimated tax rate impact of this article is \$0.06.

ARTICLE 9: To see if the Town will vote to raise and appropriate the sum of twenty-five thousand dollars (\$25,000) to be placed in the Emergency Management Equipment Capital Reserve Fund.

The Selectmen recommend this appropriation 3-0.
The Budget Committee recommends this appropriation 7-0.
(Majority vote required)

This fund plans for the future purchase of Emergency Management equipment. The largest need right now is for generators. The Town cannot be without emergency backup power at the Complex, and we need to plan for the

replacement of that unit. The Town would also like to continue working with the School District on a long-term plan to outfit Ellis School with generator capacity. As of 12/31/15 there was \$47,320.40 in this fund.

FUNDING HIGHWAY PAVING AND IMPROVEMENTS TO CHESTER ROAD. The estimated tax rate impact of this article is \$0.21.

ARTICLE 10: To see if the Town will vote to raise and appropriate the sum of eighty-one thousand seven hundred dollars (\$81,700) to shim and overlay sections of Chester Road and do associated shoulder work.

The Selectmen recommend this appropriation 3-0.
The Budget Committee recommends this appropriation 7-0.
(Majority vote required)

The Town is trying to catch up on some long-overdue road improvements. Article 10 will repave sections of Chester Road (the worst condition) and do the shoulder work. As much work as can be complete within the allotted funds will be done.

FUNDING HIGHWAY PAVING AND IMPROVEMENTS TO SANDOWN ROAD. The estimated tax rate impact of this article is \$0.22.

ARTICLE 11: To see if the Town will vote to raise and appropriate the sum of eighty-five thousand four hundred ninety-five dollars (\$85,495) to shim and overlay a section of Sandown Road and do associated shoulder work.

The Selectmen recommend this appropriation 3-0.
The Budget Committee recommends this appropriation 7-0.
(Majority vote required)

The Town is trying to catch up on some long-overdue road improvements. This article will repave a final section of Sandown Road from Abbott Road to Cavil Mill Road. This will complete the past couple of years of improvements.

CHANGE THE SALARY FOR THE ELECTED POSITION OF TOWN CLERK TAX COLLECTOR. The estimated tax rate impact of this article is \$0.01.

ARTICLE 12: To see if the Town will authorize an increase in the Town Clerk Tax Collector's annual salary by five thousand dollars (\$5,000) to be a total of forty thousand dollars (\$40,000), and for the position to include 10 days of paid time off and to raise and appropriate the sum of five thousand dollars (\$5,000) for this purpose.

The Selectmen do not recommend this appropriation 2-0.
The Budget Committee does not recommend this appropriation 7-0.
(Majority vote required)

This would allow for an increase in the Town Clerk Tax Collector's Salary from \$35,000 to \$40,000. This is a part-time position currently paid an annual salary of \$35,000.

CREATE A TOWN EXPENDABLE TRUST FUND FOR THE FREMONT POLICE DEPARTMENT DARE PROGRAM and NAME THE SELECTMEN AS AGENTS TO EXPEND. The estimated tax rate impact of this article is \$0.01.

ARTICLE 13: To see if the Town will vote to establish an expendable trust fund under the provisions of RSA 31:19-a, to be known as the Fremont Police Department DARE Expendable Trust Fund for the purpose of funding the annual DARE (Drug Awareness Resistance Education) Program and to raise and appropriate the sum of three thousand dollars (\$3,000) to be placed in this fund and further to name the Board of Selectmen as agents to expend, upon recommendation of the Police Chief.

The Selectmen recommend this appropriation 3-0.
The Budget Committee recommends this appropriation 7-0.
(Majority vote required)

Article 13 is proposed to support the Fremont Police Department DARE Program, held at Ellis School for the benefit of our elementary-aged students. In order to run the program so that students may be recognized, the Fremont Police Department is asking for financial support from the community, which will allow for the purchasing of DARE t-shirts, graduation certificates, field day and a formal graduation ceremony that many of these children will carry with them for the rest of their lives. This would be a savings account, set aside as a Town Trust Fund. The appropriation would be put in this year, and used along with other donations and some funding and fundraising from Ellis School to support the mission of the DARE curriculum. As funds are depleted, they may be requested again in subsequent years to help fund the program activities.

The DARE Program, founded in 1983, was designed to help students resist substance abuse. The program provides educational instruction, which teaches students good decision-making skills to help them lead safe and responsible lives. With the growing rise in drug addiction, DARE stands amongst the most respected awareness programs, which provides students with the necessary tools for making good choices and /or decisions as they move forward in life.

As we know students are often faced with difficult challenges day to day, usually starting early in life. Many students may struggle to find appropriate ways to manage through these challenges. With DARE being taught to students in the 5th grade, students receive vital information /education that will help them make informed decisions to keep them safe. Students will discern the health effects that alcohol and tobacco use have on the body. In addition, students will receive information that will help them resist propositions and temptations to explore with such drugs.

FUNDING THE MOSQUITO CONTROL PROGRAM. The estimated tax rate impact of this article is \$0.13.

ARTICLE 14: To see if the Town will vote to raise and appropriate the sum of forty-nine thousand five hundred fifty dollars (\$49,550) to continue the Public Health Mosquito Control Program.

The Selectmen recommend this appropriation 3-0.
The Budget Committee recommends this appropriation 7-0.
(Majority vote required)

This article requests funding to continue the mosquito control program, which has been in place since 2008 in Fremont. The contractor has again offered the program with no increase in cost for 2016. The Selectmen have placed this article on the warrant so that the community can have an opportunity to consider it annually and decide whether or not to proceed this year with a town-wide program. The program is consistent with what was done in

year past, and allows for up to two emergency sprayings of public lots at the Complex and Library, and ball fields at Memorial Park and Ellis School.

The overall mosquito control program is a comprehensive program beginning with surveillance, monitoring, and trapping and testing of adult mosquitoes; to treatment of larvae (a major focus of an effective control program) through adult stages. The 2016 program, if approved, would begin after Town Meeting.

CREATE A REVOLVING FUND FOR PARKS AND RECREATION FIELD AND PARKS IMPROVEMENTS AND MAINTENANCE. There is no tax impact of this article.

ARTICLE 15: Shall the Town vote to establish a recreation revolving fund pursuant to RSA 35-B:2, II for the purpose of funding improvements to Fremont Parks and playing fields. All fees and charges received from special programs and events sponsored by the Parks & Recreation Commission will be deposited into the fund and the money in the fund shall be allowed to accumulate from year to year, and shall not be considered part of the Town's general fund unreserved fund balance. The Town Treasurer shall have custody of all moneys in the fund, and shall pay out the same only upon order of the Board of Selectmen upon recommendation of the Parks & Recreation Commission and no further approval is required by the legislative body to expend. Said funds may be expended for the purpose of funding improvements at the fields and parks in Fremont, and to raise and appropriate the sum of up to one thousand dollars (\$1,000) to be deposited into this fund and further to authorize this amount from the unreserved fund balance (surplus). The name of the Revolving Fund will be the Parks & Recreation Improvement Revolving Fund.

The Selectmen recommend this appropriation 3-0.
The Budget Committee recommends this appropriation 6-1.
(Majority vote required)

This article requests approval to establish a revolving fund to be used to pay for future park and field improvements. Events such as fun run/walks which have a user fee, would be deposited into the fund, with any expenses paid. Any residual money would be used to fund future improvements. The goal in establishing this fund was to save money to build a pavilion in the future at Memorial Fields for field and park users.

CONTRIBUTION TO THE FIRE TRUCK CAPITAL RESERVE FUND. The estimated tax rate impact of this article is \$0.13.

ARTICLE 16: To see if the Town will vote to raise and appropriate the sum of fifty thousand dollars (\$50,000) to be placed in the Fire Truck Capital Reserve Fund.

The Selectmen recommend this appropriation 3-0.
The Budget Committee recommends this appropriation 7-0.
(Majority vote required)

This article will begin replenishing the Fire Truck Capital Reserve Fund. The funds previously saved were used in 2015 to partially fund the new fire truck. The cost of fire apparatus is expensive, and saving some every year will greatly help to reduce the one-time impact of these purchases. As of 12/31/15 there was \$753.15 in this fund. We used the accrued savings of \$175,000 in 2015 to offset the cost of the new truck.

CONTRIBUTION TO THE HISTORIC MUSEUM CAPITAL RESERVE FUND. The estimated tax rate impact of this article is \$0.04.

ARTICLE 17: To see if the Town will vote to raise and appropriate the sum of fifteen thousand dollars (\$15,000) to be placed in the Historic Museum Renovation Capital Reserve Fund.

The Selectmen recommend this appropriation 3-0.
The Budget Committee recommends this appropriation 7-0.
(Majority vote required)

Article 17 will save money for a future addition to the Historic Museum. The Town needs additional space to store Historical Society artifacts such as the 1848 fire handtub, circa 1861 antique horse-drawn hearse, and the Spaulding & Frost logging sled (c. 1880) where they could be safe from the climate and be on display for viewing. As of 12/31/15 there was \$10,080.68 in this fund.

DESIGNATE A PIECE OF TOWN LAND AS TOWN FOREST. There is no direct tax impact of this article.

ARTICLE 18: To see if the Town will vote to designate as Town Forests, in accordance with NH RSA 31:110, the following parcel of land: Beede Spaulding Conservation Land Map 3 Lot 56.

The Selectmen recommend this appropriation 2-0.
The Budget Committee recommends this appropriation 7-0.
(Majority vote required)

This article will simply designate this land as Town Forest. The Town owns this parcel and it is already covered by a Conservation Easement and overseen by the Conservation Commission. The designation will allow similar signage on the trails as other Town Forests, and thus will not incur additional cost for alternative signage.

**Please be sure to vote on Tuesday, March 8, 2016 at Ellis School between
7:00 am and 8:00 pm.**

**Check the Town website for further information and details at:
www.Fremont.nh.gov**

SAMPLE SAMPLE SAMPLE SAMPLE SAMPLE SAMPLE
Town of Fremont WARRANT SUMMARY SHEET for March 8, 2016 Voting

This is a summary sheet of all items which will be included on the Official Ballot for the March 2016 Town Meeting. This summary page has been prepared to assist you in reviewing the articles, and making decisions prior to entering a voting booth on March 8, 2016. You can bring this Sample Warrant Summary Sheet with you on Election Day. Voting is at the Ellis School, 432 Main Street, Fremont NH, with polls open from 7:00 am to 8:00 pm.

DEFAULT BUDGET OF THE TOWN

RSA 40:13, IX (b) "Default budget" as used in this subdivision means the amount of the same appropriations as contained in the operating budget authorized for the previous year, reduced and increased, as the case may be, by debt service, contracts, and other obligations previously incurred or mandated by law, and reduced by one-time expenditures contained in the operating budget. For the purposes of this paragraph, one-time expenditures shall be appropriations not likely to recur in the succeeding budget, as determined by the governing body, unless the provisions of RSA 40:14-b are adopted, of the local political subdivision.

This form was posted with the warrant on: Jan 20, 2016

Instructions

1. Use this form to list the default budget calculation in the appropriate columns.
2. Post this form or any amended version with proposed operating budget (MS-636 or MS-737) and the warrant.
3. Per RSA 40:13, XI, (a), the default budget shall be disclosed at the first budget hearing.

TOWN OF FREMONT NH
2015 Deliberative Session Minutes
Wednesday February 4, 2015
Ellis School 7:00 pm

Moderator Rydeen called the first session of the Annual Town Meeting to order at 7:00 pm at the Ellis School in Fremont. It is noted for the record that the Deliberative Session was postponed to its snow date by the Moderator. The Moderator made a decision on Sunday, February 1, 2015 due to the impending snowstorm. Notice was posted on the Town website on Sunday night. Notices were also posted to inform the public at all Town Buildings, the Ellis School, and the Fremont Post Office on Monday February 2nd.

After the Pledge of Allegiance led by Sergeant Larochelle, there was an Appreciation Award presentation made by our Selectmen, Gene Cordes, Brett Hunter and Leon Holmes Sr, to the 250th Anniversary Committee acknowledging their efforts. The Appreciation page and photo for the Town Report was presented to Committee members, and one framed photo. It was noted that the Annual Report Appreciation is dedicated to the Committee for 2014.

Moderator Rydeen stated that anyone who has not checked in with Supervisors of Checklist should please do so, and get a yellow voter card.

Moderator Rydeen stated that a modified version of Roberts Rules of Order would be used as a guide to run the meeting. He explained that Articles can be amended at this meeting, but will not be voted on at this time. Voting on Articles will take place on Election Day, Tuesday March 10, 2015 by official ballot. He said the persons who are presenting an Article will be allowed 10 minutes to speak and members of the audience will be allowed 4 minutes to speak. He asked that before speaking, you state your name and address, and everyone wishing to speak must get to the microphone. Only Fremont voters will be allowed to vote or speak, aside from Town Administrative staff and the Town's Attorney who are allowed to speak. Handouts of the Warrant Article Narrative, Town Budget Form, Default Budget Form, and excel spreadsheets of the budget, revenues, and tax rate impacts were available for those in attendance, as well as some other information sheets and a candidate listing and notice of Candidates Night. There were 48 registered voters in attendance, of the 3181 registered voters in town, and a total of 53 persons present.

Seated at the head tables were (right) Budget Committee members: Chairman Michael Nygren, Mark Kidd, Neal Janvrin, and Greg Fraize; (left) Selectmen Leon Holmes Sr, Gene Cordes (also the Representative to the Budget Committee), and Brett Hunter; Town Counsel Dave Sayward; Town Administrator Heidi Carlson and Town Clerk Nicole Cloutier.

Moderator Rydeen explained the procedure for restricting reconsideration of Warrant Articles.

Moderator Rydeen explained that he would not be reading aloud every article, but would instead put it up on the screen, and a second slide would then show a brief and more lay person informational slide of the purpose of the article. Article 1 was reviewed and explained it does not require any action and cannot be amended at this time.

ARTICLE 1: To choose by ballot all necessary Town Officers for the ensuing year.

Selectman: 1 for 3 years
Neal R. Janvrin
Brett A. Hunter

Cemetery Trustee: 1 for 3 years
Richard Pinder

Trustee of Trust Funds: 1 for 3 years
No Candidates Declared

Road Agent: 1 for 3 years
Leon F Holmes Jr

Library Trustee: 1 for 3 years
Cheryl Rowell

Library Trustee: 1 for 1 year
No Candidates Declared

Budget Committee: 1 for 2 years
Mark Kidd

Budget Committee: 2 for 3 years
No Candidates Declared

The Moderator announced that Candidates Night would be held at 6:00 pm on Tuesday February 17, 2015 in this room (Ellis School Gym).

The Moderator stated that Article 1 will go on the ballot as written.

ARTICLE 2: Are you in favor of amending ARTICLE III of the Fremont Zoning Ordinance by adding a new Section 6 to read as follows:

NEW: Article III Section 6

Camper trailer/ Motor Home/ Trailer coach

• *Definitions:*

Camper trailer/ Motor Home/ Trailer coach: Any vehicle used or intended to be used for living and/or sleeping purposes which is or may be equipped with wheel or wheels or similar devices for the purpose of transporting the unit.

• *Use:*

1. A Camper trailer/ Motor Home/Trailer Coach may be stored unoccupied at the owners premises or permanent domicile in any zone in the Town of Fremont for any period of time.

2. A Camper trailer/ Motor Home/ Trailer Coach may be occupied for camping in all zones of the Town of Fremont for up to ninety (90) days of the year providing the Camper trailer/ Motor Home/ Trailer Coach presents no threat to public health and safety.

3. A Camper trailer/ Motor Home/ Trailer Coach shall not be occupied as a permanent dwelling at any time in the Town of Fremont.

Rationale: This Article will allow for regulation of camper trailers used for long term living purposes.

(added text is in *italics*)

The Planning Board recommends this article.

Gene Cordes moved this article and Brett Hunter seconded. Article 2 was then open for discussion.

Roger Barham, Planning Board Chair, explained Article 2 citing that in the past year there was an unsafe scenario where a camper was used for long-term living. This Article is intended to allow use for 90 days and thereafter requiring permission from Selectmen.

With no further discussion, the Moderator stated that Article 2 will go on the ballot as written.

ARTICLE 3: Are you in favor of amending ARTICLE IX of the Fremont Zoning Ordinance by changing Section H 2 to read as follows:

H.2: Wetland and Watershed Protection District

Dredging, filling, drainage in compliance with RSA 485:A:17 or otherwise altering the surface configuration of the land; streets, roads and other access ways and utility rights if essential to the productive use of land if so located and constructed as to minimize any detrimental impact of such uses upon the wetland and watershed protection areas.

Exception: No Special Exception is required for temporary disturbance such as installing a well with associated water lines.

Rationale: This amendment would alleviate the need for a special exception for temporary disturbance within the 100' wetland buffer by adding an exception.

(added text is in *italics*)

The Planning Board recommends this article.

Gene Cordes moved this article and Brett Hunter seconded. Article 3 was then open for discussion.

Planning Board Chair Roger Barham explained that this article will alleviate the need for any special permits when the applicant is doing work that creates a temporary disturbance such as that created by utility of water lines.

With no further discussion, the Moderator stated that Article 3 will go on the ballot as written.

ARTICLE 4: Are you in favor of amending ARTICLE XI of the Fremont Zoning Ordinance by changing Section E 6 to read as follows:

Article XI: Aquifer Protection District Section E 6. Special Exceptions

6. ~~Special Exceptions~~ Conditional Use Permit

A. The following uses are permitted as ~~Special Exceptions~~ *with a Conditional Use Permit* (in compliance with Town Zoning Ordinance):

1. Industrial and commercial uses not otherwise prohibited in Section E.4. of this article.
2. Multi-family residential development. (Minimum lot size to be determined by using Article IV Section 3 and substituting three (3) acres instead of two (2) acres).
3. Sand and gravel excavation and other mining provided that such excavation or mining is not carried out within eight (8) vertical feet of the seasonal high water table and that periodic inspections are made

by the Planning Board or its agent to determine compliance.

B. The ~~Board of Adjustment~~ *Planning Board* may grant a ~~special exception~~ *Conditional Use Permit* for those uses listed above only after written findings of fact are made that all of the following are true:

- the proposed use will not detrimentally affect the quality of the groundwater contained in the aquifer by directly contributing to pollution or by increasing the long-term susceptibility of the aquifer to potential pollutants;
- the proposed use will not cause a significant reduction in the long-term volume of water contained in the aquifer or in the storage capacity of the aquifer;
- the proposed use will discharge no waste water on site other than that typically discharged by domestic waste water disposal systems and will not involve on-site storage or disposal of toxic or hazardous wastes as herein defined;
- the proposed use complies with all other applicable sections of this Article.

The ~~Board of Adjustment~~ *Planning Board* may require that the applicant provide data or reports prepared by a professional engineer or hydrologist to assess any potential damage to the aquifer that may result from the proposed use. The ~~Board of Adjustment~~ *Planning Board* shall engage such professional assistance as it requires to adequately evaluate such reports and to evaluate, in general, the proposed use in light of the above criteria. Costs incurred shall be the responsibility of the applicant.

Rationale: This amendment would put businesses, multi-family residential development, and sand and gravel excavation that are not prohibited by the ordinance and that would not be likely to impact the Aquifer Protection District, under the purview of the Planning Board in conjunction with Site Plan Review process rather than the Zoning Board of Adjustment. The same conditions would apply.

(added text is in *italics*, deleted text lined out)

The Planning Board recommends this article.

Gene Cordes moved this article and Brett Hunter seconded. Article 4 was then open for discussion.

Planning Board Chair Roger Barham explained that this Article will allow for applicants already working with the Planning Board for on business, multi-family residential development and excavation operations, to have their Special Use reviewed at the Planning Board level instead of having to make an additional application to the Zoning Board of Adjustment.

With no further discussion, the Moderator stated that Article 4 will go on the ballot as written.

ARTICLE 5: Shall the Town of Fremont raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$2,548,921? Should this article be defeated, the default budget shall be \$2,494,498 which is the same as last year, with certain adjustments required by previous

action of the Town of Fremont or by law or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only.

Note: This operating budget warrant article does not include appropriations contained in ANY other warrant articles.

The Selectmen recommend this appropriation 3-0.
The Budget Committee recommends this appropriation 8-0.
(Majority vote required)

Michael Nygren moved Article 5 and Gene Cordes seconded. Article 5 was then open for discussion.

Budget Committee Chair Michael Nygren thanked the Board of Selectmen stating that the Committee met with them every 2-3 weeks to get information. Michael Nygren offered his approval that this is a good budget for the needs of the Town and hopes that the Town can support it. Gene Cordes said it was a good process and that the Board of Selectmen worked with the Police Chief, examining other communities and supported an additional full-time position, assuming that some part-time hours will be converted to full-time hours. The Selectmen feel they need to be ready for what comes. The Selectmen worked hard to keep this budget down and hope that the community understands and supports it.

Michael Rydeen asked if this budget will cover recent and upcoming snow removal. Gene Cordes remarked that there is no projection at this point in the year to know what will come or how we could cover it.

Margie Diggins wanted to know why we need another position for the Police Department.

Chief of Police Jon Twiss said that he had assessed the needs of the Police Department and cited Fremont's first homicide, suicides and that domestic violence averages 1.5 calls per week. Chief Twiss also cited that the heroin epidemic is present in Fremont. He did a survey of other towns in the county citing numbers and that Fremont had on average ½ the number of police officers of nearby towns of the same size. Twiss said that part-time employees just do not have the same amount of training, and he would like to see Fremont have additional full-time officers. The FBI recommends 2.4 officers per thousand. The NH standard is 2.2 officers per thousand and Fremont has 0.93 officers per thousand of population. Chief Twiss stated that it affects training and competency of officers when they are only able to work part-time.

Margie Diggins said she appreciated the comments and asked how Fremont compares with crime rates from previous years.

Chief Twiss remarked again about the heroin epidemic, noting a resident has overdosed 12 times. Chief Twiss did a survey of comparable towns and cited we are in a similar situation. He cited domestic instances, homicide, suicide and that crime rates are up in Fremont and other areas.

Ida Keane said she supports the Budget Committee and thanked the Road Agent and Highway crews for snow removal and the Police and Fire Departments for service.

With no further discussion, the Moderator stated that Article 5 will go on the ballot as written.

ARTICLE 6: To see if the Town will vote to raise and appropriate the sum of four hundred seventy thousand four hundred fifty-five dollars (\$470,455) for the purchase of a fire truck, and further to authorize the withdrawal of one hundred seventy-five thousand dollars (\$175,000) from the Fire Truck Capital Reserve Fund for this purchase. The balance of \$295,455 to be raised by taxation.

The Selectmen recommend this appropriation 3-0.
The Budget Committee recommends this appropriation 6-0.
(Majority vote required)

Gene Cordes moved Article 6 and Leon Holmes Sr seconded. Article 6 was then open for discussion.

Gene Cordes remarked that the Department has been trying for the past several years to get a new fire truck. The need has not gone away and this year the Board of Selectmen decided to put it on as a one-year purchase, thus a simple majority will pass the article.

Deputy Chief and resident Joseph Nichols discussed the need for a new fire truck in Fremont. He explained that in 2014, Fremont had 89 fire calls and 163 EMS calls. Already in 2015, they have responded to 39 fire calls and 43 EMS calls. He explained that mutual aid has to be reciprocated and we are not capable. There is a delay in travel time asking other towns for help in an emergency and it is unsafe to do so. Nichols explained that the Fire Department got rid of Tank 5 and that other trucks are in need of repairs. He cited that one tank holds only ½ its capacity with an un-repairable leak. The Fire Department has sent fliers, made signs, and hosted open houses so the residents can see the need. He also said that they meet every Monday at 7pm at the Safety Complex and invite people to look at the fire trucks and to ask questions. Fremont's 1979 fire truck has a 2 person capacity and is rusted. Nichols encouraged people to come to the Fire Department, look at the trucks and ask questions.

Jennifer Brown supports the Town's need for a fire truck. She stated that it is important to be proactive and that 7 years ago her family needed to call the Fire Department since a vehicle had caught fire in her driveway. Brown said that one pump wasn't working on the truck and that since the responders were skilled, they fixed the crisis but noted that it could have gone wrong. She remarked that the fire was a vehicle near her house, which had her 2 children inside of it. She encouraged people to support this article.

Matthew Thomas asked if we are going to be reevaluated this year. Thomas stated that taxes are already ridiculous and that something has to give, taxes are too high. His only concern with purchase is raising taxes.

Heidi Carlson, Town Administrator explained that as values go up, the tax rate proportionally, goes down. It is too early to tell what the values will look like in the April 1, 2015 revaluation, but there is some increase with new construction throughout town.

Thomas was concerned for how much taxes will be affected.

Nichols said that every year we ask for \$50,000 in Capital Reserve to save toward the needed equipment. That request is not on the Warrant this year so that the Town could just be looking at the cost of the new truck.

Michael Nygren said he supported the need for a fire truck. He explained that without it, it may cause us to become part of another town's fire department. Nygren said that Fremont can't continue to vote down something so needed and we may not get a chance again if it is voted down.

With no further discussion, the Moderator stated that Article 6 will go on the ballot as written.

ARTICLE 7: To see if the Town will vote to establish an expendable trust fund under the provisions of RSA 31:19-a, to be known as the Fremont Public Library Maintenance Expendable Trust Fund for the purpose of funding needed repairs and maintenance to the Fremont Public Library and to raise and appropriate three thousand five hundred dollars (\$3,500) to be placed in this fund and further to name the Library Trustees as agents to expend.

The Selectmen recommend this article 3-0.
The Budget Committee recommends this article 8-0.
(Majority vote required)

Gene Cordes moved Article 7 and Brett Hunter seconded. Article 7 was open for discussion.

Gene Cordes explained that the library has repair needs as it ages and that we need to establish a reserve fund for repairs.

Library Trustee Cheryl Rowell reported that the library needs extensive roof repairs and that the Trustees hope to establish this fund with the Town's support.

With no further discussion, the Moderator stated that Article 7 will go on the ballot as written.

ARTICLE 8: To see if the Town will vote to authorize the Board of Selectmen to accept and hold in trust gifts, legacies and devises made to the Town for any legal public purpose. This authorization, in accordance with RSA 31:19 shall remain in effect indefinitely.

The Selectmen recommend this article 3-0.
The Budget Committee recommends this article 6-0.
(Majority vote required)

Leon Holmes Sr moved this article and Brett Hunter seconded. Article 8 was open for discussion.

Heidi Carlson stated that this is a generic article to accept any donated money to the Town. It does not allow the Town to spend any such money. Spending any trust fund created by this article would be voted on next year or in the future. Carlson explained that this article is just authority to save donated funds aside in a trust fund.

With no discussion, the Moderator stated that Article 8 will go on the ballot as written.

ARTICLE 9: To see if the Town will vote to raise and appropriate the sum of twenty-five thousand dollars (\$25,000) to be placed in the Bridge Construction and Reconstruction Capital Reserve Fund.

The Selectmen recommend this article 3-0.
The Budget Committee recommends this article 8-0.
(Majority vote required)

Brett Hunter moved Article 9 and Gene Cordes seconded. Article 9 was then open for discussion.

Gene Cordes stated that there is an existing Capital Reserve Fund for bridge repair/replacement and that this is a continuation of setting funds aside for future need. The repair/replacements are expected to be expensive and this will allow the Town to save for them.

Phil Coombs asked if the Town gets any money from other sources, such as the Grass Drags, since that is a large percent of the traffic on Martin Road. Heidi Carlson stated that we will be eligible for NH Bridge funding. She explained that the Town gets 80% back of funds expended for approved projects. She stated that we do not get money from the Grass Drags toward the Martin Road work.

Mark Pitkin, Road Agent stated that the Martin Road Bridge is busy daily, there is a lot of traffic all day long and that the Grass Drags are not the reason repairs are needed.

Michael Rydeen as a resident asked if there is an order of bridges are worked on. Heidi Carlson replied that the Town has chosen to work on the Martin Road Bridge first and secondly to handle the Scribner Road Bridge. These two bridges are red-listed. Martin Road was done first because it is less costly and thought to be a simpler project than Scribner Road at the Dam.

Mark Pitkin explained that the Scribner Road Bridge will also turn into Federal permitting.

Matthew Thomas asked when the bridges are intended to be worked on. Carlson replied that we are waiting for the NH DOT to send a letter guaranteeing our place on the Bridge Aid schedule, to secure the 80% reimbursement.

With no further discussion, the Moderator stated that Article 9 will go on the ballot as written.

ARTICLE 10: To see if the Town will vote to raise and appropriate the sum of ten thousand dollars (\$10,000) to be placed in the Town Hall Renovations Capital Reserve Fund.

The Selectmen recommend this article 3-0.
The Budget Committee recommends this article 8-0.
(Majority vote required)

Gene Cordes moved Article 10 and Leon Holmes Sr seconded. Article 10 was then open for discussion.

Gene Cordes explained that this is an existing Capital Reserve Fund. The Town Hall needs renovations in the basement, to the heating system, and there is no bathroom in the lower-level where many meetings are held. Cordes explained that Selectmen are trying to put money aside for future need.

With no discussion, the Moderator stated that Article 10 will go on the ballot as written.

ARTICLE 11: To see if the Town will vote to raise and appropriate the sum of ten thousand dollars (\$10,000) to be placed in the Property Reassessment Capital Reserve Fund.

**The Selectmen recommend this article 3-0.
The Budget Committee recommends this article 8-0.
(Majority vote required)**

Leon Holmes Sr moved Article 11 and Brett Hunter seconded. Article 11 was then open for discussion.

Heidi Carlson explained that the Selectmen have just signed a contract with Vision Appraisal for a planned statistical revaluation totaling \$39,500, and we will also have to have the utilities done. That will all be removed from money currently in the Reserve Fund. If we continue to set aside money each year, we won't have to appropriate any extra in the every fifth year revaluation cycle.

With no discussion, the Moderator stated that Article 11 will go on the ballot as written.

ARTICLE 12: To see if the Town will vote to raise and appropriate the sum of twenty-five thousand dollars (\$25,000) to be placed in the Highway Equipment Capital Reserve Fund.

**The Selectmen recommend this article 3-0.
The Budget Committee recommends this article 7-1.
(Majority vote required)**

Brett Hunter moved Article 12 and Leon Holmes Sr seconded. Article 12 was then open for discussion.

Mark Pitkin, Road Agent stated that only about \$6,000 is left in this Capital Reserve Fund. He urged to keep saving to replace trucks and equipment as needed. He noted that the Town owns a backhoe and one ton truck that will need replacement at some point.

Leanne Miner of South Road asked Pitkin if he compared prices to renting equipment. Pitkin replied that the work of the Highway Study Committee showed it is more efficient to purchase these pieces of equipment. He stated that we need a backhoe all the time and that it would be too costly to rent. He explained that there is no reason to rent now that town owns equipment. The Town does rent winter equipment.

Mary Kaltenbach referenced the recent fire in Henniker and asked about our coverage for such scenarios. Is there vandalism/burglary protection? Pitkin replied that there is a lot of subcontracted work, and that everything is built to code in our new shed with fire extinguishers etc.

With no further discussion, the Moderator stated that Article 12 will go on the ballot as written.

ARTICLE 13: To see if the Town will vote to raise and appropriate the sum of twenty-five thousand dollars (\$25,000) to be placed in the Emergency Management Equipment Capital Reserve Fund.

**The Selectmen recommend this article 3-0.
The Budget Committee recommends this article 8-0.
(Majority vote required)**

Gene Cordes moved Article 13 and Brett Hunter seconded. Article 13 was open for discussion.

Gene Cordes stated that in emergency situations, Fremont is often on generator power. He explained that the generator at the Safety Complex died in the November snow storm and that we had to get rental equipment and fund repairs. We have old equipment and this fund needs to be planned for future need.

With no discussion, the Moderator stated that Article 13 will go on the ballot as written.

ARTICLE 14: To see if the Town will authorize an increase in the Road Agent's annual administrative salary to fifteen thousand dollars (\$15,000).

The Selectmen recommend this article 3-0.
The Budget Committee recommends this article 6-0.
(Majority vote required)

Gene Cordes moved Article 14 and Brett Hunter seconded. Article 14 was open for discussion.

Gene Cordes stated that during the budget cycle, the Road Agent made it clear that he was not intending to run again. After talking with the Road Agent, Article 14 was viewed as an administrative stipend for a person who may not have their own equipment, and takes an administrative role in running the Town's Highway operations. In recent weeks, a person has stepped in to run for Road Agent, and is aware of the conditions of the position, and is not looking for that increase.

Cordes made a motion to amend this article to read, "To see if the Town will authorize an increase in the Road Agent's annual administrative salary by \$300 to be a total to \$4,500" and Leon Holmes Jr seconded. Article 14 as amended was then open for discussion.

Joseph Nichols remarked that he recently did a project in Fremont, saw what the Road Agent had to deal with for projects and thinks the salary is well justified.

Jennifer Brown asked if this amount would be increased from now on. She asked if we would be challenged to find someone interested in this position in 3 years if this position is still under-paid. Moderator Rydeen replied that this article could be put forth next year if needed. The salary will remain in effect as voted until it is changed at some future point.

Greg Fraize asked if we would lose the salary for the Road Agent if this does not pass? Attorney Sayward replied that a negative vote would only vote down the increase and could have been designated as well by the Board of Selectmen, but is being presented to the Town for consideration.

This Amendment passed by card vote. With no further discussion, the Moderator stated that Article 14 will go on the ballot as amended.

ARTICLE 15: To see if the Town will vote to raise and appropriate the sum of forty-nine thousand five hundred fifty dollars (\$49,550) to continue the Public Health Mosquito Control Program.

The Selectmen recommend this article 3-0.
The Budget Committee recommends this article 8-0.

(Majority vote required)

Gene Cordes moved Article 15 and Brett Hunter seconded. Article 15 was open for discussion.

Heidi Carlson described this town-wide mosquito program as primarily treating larvae. She said the price has not increased and is the same as the past three years. This also includes money for further spraying if a positive test for EEE or WNV is found.

Margie Diggins asked if this program actually works. She asked if there is a decrease in mosquitoes or can anyone attest to whether it's working? No statistics were available on the number of mosquitoes over time. Carlson did state that there were no positive tests in Fremont in 2014.

Leanne Miner asked if the Town knows how much of that amount is for spraying. Carlson replied that almost all of it is larval treatment and that approximately \$2,000 is dedicated to spraying the fields at Ellis School and Memorial Fields, and the Complex and Library parking lots.

Phil Coombs stated that he has a problem with this program and that he raises bees. He doesn't think it is effective. We have no verifiable way to know this is working.

With no further discussion, the Moderator stated that Article 15 will go on the ballot as written.

ARTICLE 16: Resolved that the State of New Hampshire provide a comprehensive meaningful system of funding for State Education needs. To see if the Town will vote to ask our Governor and our State Legislators to reform state funding for education with that reform to be directed to significant reduction of property taxes. The record of the vote approving this article shall be transmitted by written notice from the Select Board to the Governor and State Legislators informing them of the instructions from their constituents within 30 days of the vote.

The Selectmen recommend this article 3-0.

The Budget Committee does not recommend this article 7-1.

(Majority vote required)

Gene Cordes moved Article 16 and Brett Hunter seconded. Article 16 was open for discussion.

Cordes explained that this article is recommending we look for another way of funding public education aside from raising property tax.

Michael Rydeen asked why the Budget Committee didn't recommend this. Michael Nygren replied that education in the state is broken, trying to equalize. He speculated that politicians will only support if this program if it is popular vote. He said he doesn't know if it's a good idea, just needs much more information on the ideas of the person who wrote this.

With no further discussion, the Moderator stated that Article 16 will go on the ballot as written.

ARTICLE 17: By Petition: Shall the Town of Fremont NH vote to rescind the authority granted to the Fremont Conservation Commission and the Fremont Board of Selectmen, at the 2006 Fremont Annual Town Meeting, (Article #5) to "raise & spend up to one million dollars (\$1,000,000) to purchase land

and other property interests," so that the Town is no longer liable for this "indebtedness" and the financial liability that the town incurred when it was passed in 2006?

The Selectmen do not recommend this article 3-0.

The Budget Committee does not recommend this article 4-2.

(3/5 Majority vote required)

Keith Stanton moved Article 17 and Leon Holmes Sr seconded. Article 17 was then open for discussion.

Keith Stanton explained that this article is all about letting tax payers decide how they want money spent. He recited the definition of "appropriate" versus the definition of "spending". He suggested that if someone wants to purchase something, to bring it up as a warrant article. He would like to see voters able to vote on where to appropriate money.

Michael Rydeen asked where money has been spent with this. Heidi Carlson answered that of the \$1,000,000, authorization, \$65,000 has been used to purchase the former Smith land, 76 acres of land adjacent to Spruce swamp.

Keith Stanton remarked that he can't find this in any Town Report and that he had contacted the Town's Auditor Plodzik and Sanderson who told him this could be a legal issue.

Heidi Carlson stated that this is an authorized but unissued debt. Carlson stated that auditors are due back to review Town materials this month, and this will be discussed with them again.

Stanton replied that it is about letting the whole town decide. Margie Diggins said that she thinks voters should have full disclosure for property retention. Property taxes keep going up and the town is putting some of us in a squeeze.

Bill Knee addressed Stanton's question by stating that buying a piece of land is not the same as buying a home, fire truck or police cruiser. When a landowner is ready to make a sale, they will negotiate if there is hope that land may go into conservation. Conservation Commission member Pat deBeer has written and successfully received \$150,000 in grant money for the Town. It didn't cost the Town as much because we were able to use this grant funding. Knee stated that he felt rescinding this article would NOT save the town money.

Janice O'Brien explained that when this bond was put forth it stated that should a purchase come to Town for consideration, we would be able to take available money to use for leverage to get additional grant funding. We were able to leverage \$84,000 in grant funds to put into purchase of the Smith Land. Anything coming forward for purchase consideration would go through the Open Space Committee screening process, the Conservation Commission, a Public Hearing process, and the Board of Selectmen.

Discussion returned to the legality of the 2006 bond issue vote. Michael Nygren stated that he got different opinions from multiple sources, and that the Warrant Article was written to never expire. The balance of \$965,000 can sit forever and will not expire; it is available to buy land.

Ida Keane asked for someone to explain how the Conservation Commission gets current use funding, and what is the balance in that account right now?

Heidi Carlson replied that the Conservation Commission is a land-use board. In 2014, there was \$1,523 raised as part of the Town's operating budget. Carlson estimated that \$50,000 or \$60,000 was left in the Conservation Commission's Land Use Change Tax Fund. She stated that 2014 Land Use Change Taxes turned over almost \$12,000 to the Conservation Commission. She explained that Land Use Change Tax revenue is shared between the general fund and the Conservation Commission.

Keane asked if money in that account could be used for matching funds, to which Carlson answered yes.

Diggins stated that grant money isn't free and that we all pay for it in some way. Pat deBeer replied that some money came from private foundations, and that the Town didn't have to match.

O'Brien stated that most properties considered for purchase are in Current Use, and that taxes are minimal. If that land had been developed, the cost of one student is estimated at \$14,000. With one house with just one student, you are losing \$4,000 on average. She urged that when voting on this, to consider all factors.

Matthew Thomas remarked that a few people voted for this in 2006, and that until 2009 that's how Town Meeting was run. To use SB2 as an excuse, people voted that the Town wanted to preserve this land back then and should be respected.

With no further discussion, the Moderator announced that Article 17 would go on the ballot as written.

Heidi Carlson thanked everyone for attending and stated that as voters further review the information for March 10th voting, and the Deliberative Session is broadcast, to please come forward and ask any residual questions about the items on the Warrant.

The Moderator stated that no motion to adjourn the meeting was necessary and urged everyone to get out and spread the word on the Warrant information, and be sure to vote on March 10. Polling will be held at Ellis School and will be open from 7:00 am to 8:00 pm.

The meeting ended at approximately 9:00 pm.

Respectfully submitted,

Nicole E Cloutier
Town Clerk

TOWN OF FREMONT 2015 TOWN MEETING VOTING RESULTS

Pursuant to NH RSA 40:13 II, the first session of the 2015 Town Meeting (the Deliberative Session) was held on Wednesday February 4, 2015 at the Ellis School at 432 Main Street in Fremont NH at 7:00 pm.

The second session (voting session) was held on Tuesday March 10, 2015 at the Ellis School at 432 Main Street in Fremont NH with polls open from 7:00 am to 8:00 pm. All articles were voted upon by official ballot, with amendments as made at the Deliberative Session. A total of 813 ballots were cast, 799 regular and 14 absentee. Ten (10) new voters were registered on Election Day.

ARTICLE 1: To choose by ballot all necessary Town Officers for the ensuing year.

Budget Committee: 2 for 3 years

Mike Nygren 4
Ida Keane 4

Cemetery Trustee: 1 for 3 years

Richard Pinder 650
Dan Therrien 3

Library Trustee: 1 for 3 years

Cheryl Rowell 598
Matt Thomas 17
Suzanne Wicks 11

Selectman: 1 for 3 years

Neal R Janvrin 384
Brett A Hunter 366

Budget Committee: 1 for 2 years

Mark Kidd 596
Sharon Girardi 3

Library Trustee: 1 for 1 year

Suzanne Wicks 78
Matt Thomas 72

Road Agent: 1 for 3 years

Leon F Holmes Jr 685
Mark Pitkin 4
Ty Bolduc 3
Costas Tonas 3

Trustee of Trust Funds: 1 for 3 years

Mary Anderson 3

See the Town Clerk for additional write-in data.

ARTICLE 2: Are you in favor of amending ARTICLE III of the Fremont Zoning Ordinance by adding a new Section 6 to read as follows:

NEW: Article III Section 6

Camper trailer/ Motor Home/ Trailer coach

• *Definitions:*

Camper trailer/ Motor Home/ Trailer coach: Any vehicle used or intended to be used for living and/or sleeping purposes which is or may be equipped with wheel or wheels or similar devices for the purpose of transporting the unit.

• *Use:*

1. *A Camper trailer/ Motor Home/Trailer Coach may be stored unoccupied at the owners premises or permanent domicile in any zone in the Town of Fremont for any period of time.*

2. *A Camper trailer/ Motor Home/ Trailer Coach may be occupied for camping in all zones of the Town of Fremont for up to ninety (90) days of the year providing the Camper trailer/ Motor Home/ Trailer Coach presents no threat to public health and safety.*
3. *A Camper trailer/ Motor Home/ Trailer Coach shall not be occupied as a permanent dwelling at any time in the Town of Fremont.*

ARTICLE 4: Are you in favor of amending ARTICLE XI of the Fremont Zoning Ordinance by changing Section E 6 to read as follows:

Article XI: Aquifer Protection District Section E 6. Special Exceptions

6. ~~Special Exceptions~~ Conditional Use Permit

A. The following uses are permitted as ~~Special Exceptions~~ *with a Conditional Use Permit* (in compliance with Town Zoning Ordinance):

1. Industrial and commercial uses not otherwise prohibited in Section E.4. of this article.
2. Multi-family residential development. (Minimum lot size to be determined by using Article IV Section 3 and substituting three (3) acres instead of two (2) acres).
3. Sand and gravel excavation and other mining provided that such excavation or mining is not carried out within eight (8) vertical feet of the seasonal high water table and that periodic inspections are made

by the Planning Board or its agent to determine compliance.

B. The ~~Board of Adjustment~~ *Planning Board* may grant a ~~special exception~~ *Conditional Use Permit* for those uses listed above only after written findings of fact are made that all of the following are true:

- the proposed use will not detrimentally affect the quality of the groundwater contained in the aquifer by directly contributing to pollution or by increasing the long-term susceptibility of the aquifer to potential pollutants;
- the proposed use will not cause a significant reduction in the long-term volume of water contained in the aquifer or in the storage capacity of the aquifer;
- the proposed use will discharge no waste water on site other than that typically discharged by domestic waste water disposal systems and will not involve on-site storage or disposal of toxic or hazardous wastes as herein defined;
- the proposed use complies with all other applicable sections of this Article.

~~The Board of Adjustment~~ *Planning Board* may require that the applicant provide data or reports prepared by a professional engineer or hydrologist to assess any potential damage to the aquifer that may result from the proposed use. ~~The Board of Adjustment~~ *Planning Board* shall engage such professional assistance as it requires to adequately evaluate such reports and to evaluate, in general, the proposed use in light of the above criteria. Costs incurred shall be the responsibility of the applicant.

**TOWN OF FREMONT NH
MINUTES OF 2015 RECOUNT**

On Thursday, March 12, 2015 at 4:00 PM, the Town Clerk received a petition requesting a recount of ballots for Town Warrant Article 1 for the position of Library Trustee 1 year.

On Saturday, March 14, 2015 the Town website was updated to post the recount for Wednesday March 18, 2015 at 6:00 pm. Notices were also posted at the Town Hall and the Post Office on Monday March 16, 2015.

Members of the Board of Recount were Selectmen Eugene Cordes, Neal R. Janvrin and Leon Holmes Sr, Town Moderator Michael Rydeen, Town Clerk Nicole Cloutier and Inspector of Elections Mary Anderson.

The recount began at 6:00 PM. The seal on the box that contained the cast ballots was broken and the counting of ballots began. All 813 cast ballots from the Tuesday, March 10, 2015 Election were individually inspected and counted in two "teams" of counters and recorders. The first team consisted of Town Clerk Nicole Cloutier and Selectmen Eugene Cordes and Leon Holmes Sr. The second team consisted of Moderator Michael Rydeen, Selectman Neal R. Janvrin and Inspector of Elections Mary Anderson. Teams were seated across from each other at separate tables. The procedure went as follows: Leon Holmes Sr. first inspected Team 1's ballot, called out the name written in or "blank", Eugene Cordes then inspected that same ballot and called out the same result as Nicole Cloutier tallied. The same system applied to Team 2 as Neal Janvrin first inspected the ballot in hand, second inspection by Michael Rydeen and recorded by Mary Anderson.

The recount ended at 7:10 PM. The results are as follows:

Matthew (Sandy) Thomas: 75
Suzanne Wicks (Maloof): 83
BLANK: 634
Miscellaneous: 21

Moderator Rydeen declared that Suzanne Wicks had the most votes for Library Trustee for 1 year.

The ballots were then placed back in the original box and resealed at 7:15 PM. The Selectmen, the Moderator and the Town Clerk signed the seal. The ballots will be kept for 60 days from the date of recount.

Respectfully submitted,

Nicole E. Cloutier
Town Clerk

SUMMARY OF INVENTORY VALUATION for 2015

This report shows only the appropriated expenses for the Town in 2015, and the associated expense through year end. Of the encumbered funds, they are show in the Department to which they are associated, even if there was not sufficient budget money in those lines. The total encumbered funds is \$118,899 of the \$181,109.27 of unexpended appropriations.

The residual of the Fire Truck Warrant Article (\$15,067) was returned to the general fund. This was a savings realized for making a prepayment for the truck.

The full balance of the summer camp program was also returned to the general fund as the Town was unable to hold a summer camp program within the Parks & Recreation budgeted funding, due to lack of a location for the program.

In any year, the unexpended appropriations and any revenue received that is over the estimated amount, is returned to the General Fund in the following year, and helps to offset the tax rate. These amounts are finalized by the auditor, and used when NH DRA prepares the final tax rates in the Fall.

Revenues include all budgeted revenues, and do not include property taxes.

INDEPENDENT AUDITOR'S REPORT

To the Members of the Board of Selectmen
Town of Fremont
Fremont, New Hampshire

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, major fund, and aggregate remaining fund information of the Town of Fremont as of and for the year ended December 31, 2014, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, major fund, and aggregate remaining fund information of the Town of Fremont as of December 31, 2014, and the respective changes in financial position, and the respective budgetary comparison for the general fund, for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information - Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis (pages 3 through 9) be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers them to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with

*Town of Fremont
Independent Auditor's Report*

management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information - Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Fremont's basic financial statements. The combining and individual fund financial schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The combining and individual fund financial schedules are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual fund financial schedules are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

2015 Property Tax Rate Breakdown

Report of the Animal Control Officer

In 2015, The Animal Control Department responded and resolved over 512 calls and complaints. These involved everything from cruelty complaints, lost dogs/cats, found dogs/cats, loose livestock, injured animals, animal bites, abandoned animals and maintaining licensing.

The Animal Control Officer (ACO) enforces state laws and town ordinances pertaining to domestic animals. Animal Control is dedicated to serving the community as it relates to both humans and animals.

Dog Licensing had over 1,158 dogs licensed this year. Licensing is required by NH Law to ensure all dogs carry a current rabies vaccine. Only 59 civil forfeitures were issued this year relating to unlicensed dogs. This count is the lowest to date since I became the ACO. I am hoping that the use of social media, mailings, letters and calling dog owners prior the fine being implemented made such a big difference. Licensing is required by law and is a huge aid to get your dog home quickly when they wander. Accidents happen and dogs get out. Current licenses can be the difference between being returned in minutes or an overnight stay at the kennel. Please confirm your phone number is correct so you can be contacted quickly in any event related to your dog.

2015 Dog License Revenue

License Fees \$8,532.00

Late Fees \$335.50

Civil Forfeiture Fees \$1,800.00

The mandatory State of NH payout to the Overpopulation Program and Department of Agriculture is a total of \$2,957.50

Total Revenue \$10,675.50 collected less fees paid of \$2,957.50 yields \$7,710.00

New Hampshire has great companion animal spay/neuter programs. \$2.00 from every license goes to the companion overpopulation fund and \$.50 of each license goes to the Department of Agriculture for the operation of the veterinary diagnostic lab. These programs put New Hampshire in the group of top contenders for minimal shelter overcrowding.

The 2015 annual Rabies Clinic was again very successful. One and three year vaccines are available. Once an animal has a vaccine administered it is good for one year. When a second vaccine is administered that vaccine is now good for 3 years. In 2015 we vaccinated 129 animals and micro chipped 11 dogs.

2016 Rabies Clinic will be held on April 9, 2016

8:30 am to 1:30 pm at the Safety Complex

Rabies Vaccines - Microchips and Licensing

Microchips are the size of a grain of rice and are implanted under the skin between the shoulder blades. I cannot stress enough the importance of Microchipping your animal. It is one

of the first things I check for when picking up any dog or cat. Every shelter in NH is required to scan for a chip on every incoming animal. I have reunited many animals that live near and far away only because they had a microchip. In a few cases the animal had been missing for several months. We have chips available every year at the Rabies Clinic. We use Datamars chips that have FREE lifetime registration.

In 2015, I was able to reunite several dogs that had gone missing from a neighboring town and ended up in Fremont. The one that stands out is the dog from Salem MA. He was visiting over in Epping with his owner when fireworks scared him off. With two weeks of bitter cold in February and several snow storms he was able to find shelter and scrounge around through trash barrels to find food. He traveled between Epping, Brentwood and Fremont. Sightings were called in but he wanted no part of any human contact. Finally, I was able to narrow in on his location. While in route to pick up and place a trap out from him he decided to take a nap on someone's back deck. When the homeowner saw him they used incredible patience and lured him into the basement with a nice bowl of food. I believe

he was very lucky, as you can see in the photo he was a "bag of bones" by the time he was caught. Fireworks are petrifying for dogs. They will bolt without hesitation. July 4th is without a doubt the most popular date that dogs go missing. Most of them make it home but year after year many do not. Collars with tags and microchips are a must.

Over the last year I have noticed the use of the Fremont Community Facebook page has been very helpful in spreading the word of a lost or found pet. Remember it's always important to notify Animal Control as well. A couple of times this year I had information but did not see the FB page until hours or days later.

Wildlife was very active this fall. I think it was due to the dry summer. The spruce swamp area was busy with sightings of bobcat, fox, deer, moose and a bear. As always keep clear and let wildlife meander in its way. To avoid nuisance wildlife, remember to take bird feeders by April 1st, always keep trash covered and never ever feed wildlife on purpose.

*Hawk on Spaulding Road
Photo Courtesy of Bob Meade*

Wildlife that does not fear humans will most certainly become a problem down the road. If you see sick or wounded wildlife, please call it in. You and your families' safety is always important.

The training I attended this year included livestock behavior, dealing with illegal wildlife possession, coyote conflict resolutions and the link between human violence/abuse and animal cruelty.

The Santa parade is always a great time. I love seeing the whole family out waving to Santa including your four legged furry friends. It was interesting this year I noticed some of the regular dogs on the route were anticipating their treat. It was pretty cool.

As always I can be reached through the Police Department at 603 895 2229 for any questions, inquires or complaints.

Respectfully submitted,

ACO Renee King
Fremont Police

Report of the Budget Committee

The Town of Fremont is governed by the Municipal Budget Law, RSA Chapter 32 and according to RSA 32:1, the purpose of the Budget Committee is "to assist voters in the prudent appropriation of public funds." The members of the Fremont Budget Committee are elected by the residents of Fremont and they oversee and analyze the expenditures of the various Town Departments and the School District. The Budget Committee can vote to propose amounts for various purposes that are higher or lower than amounts proposed by the governing body. The Budget Committee makes recommendations to the community, and in the end the voters are the ones who will decide what the budget will be.

The Fremont Budget Committee met in April and August and then weekly from September to mid-January with the exceptions of holiday weeks. During these meetings, members of the Budget Committee discussed with members of the Board of Selectmen, School Board and Department Heads, the rationale for their recommendations. After careful consideration and analysis, the Budget Committee agreed with some recommendations and other times they recommended alternate budgets.

Fremont School District Budget - The final budget proposed by the Budget Committee is \$12,353,570.60 (\$408,538.16 or 3.4% increase over last year's approved budget). The School Board's recommendation of \$12,457,950 (\$513,317.76 or 4.3% over last year's approved budget). Additionally, for the ensuing year there is an anticipated decrease in revenue of over \$430,000. As a result, the amount to be raised by taxes has increased over \$838,538 if the Budget Committee recommendation is approved and over \$943,317.16 if the School Board's budget is approved. The tax rate increases \$1.00 for every additional \$380,000 that is needed so at this point in time we are anticipating a substantial increase in the tax rate of approximately \$2.00 for the school.

Fremont Town Budget – The Budget Committee's recommendation for the total Town budget including Warrant Articles has actually decreased from the approved 2015 appropriations. As you will recall, the fire truck was appropriated and paid for in one year last year and we were all hopeful that the tax rate would decrease this year as a result. However, the Budget Committee concurred with many of recommendations of the Board of Selectmen as to the appropriations for roads and public safety that are needed to meet the needs of the residents of Fremont. Therefore, there will not be a decrease in the tax rate. At this point, because there is a decrease in the amount of anticipated revenue and if all of the warrant articles pass it would mean an increase in the tax rate of approximately \$.40 (40 cents) for the ensuing year.

The Budget Committee urges the residents of Fremont to attend the Public Hearings and Deliberative Sessions to become familiar with the proposals being made for our School and Town. Also, consider becoming a member of the Budget Committee so you can better understand the functions of our Town and School governments.

Respectfully submitted,

Mary A. Anderson, Chair

Mark Kidd, Assistant Chair

Patricia Martel

Joe Miccile

Michael Nygren

Gene Cordes, Selectmen's Representative to the Budget Committee

Jennifer Brown, School Board Representative to the Budget Committee

Report of the Building Inspector

I had received some comments last year about how lack luster my report had been. It is a building report, I would expect it would be a little dry ... Looking through the past four reports that I have written, these reports tend to get shorter each year and perhaps a little hurried and without my usual flare for writing.

Yes, I still enjoy being your Building Official, it is a wonderful town and I still enjoy stopping for the deer, turkeys and the occasional bobcat. I do have two exceptions, one was when a flock (Rafter) of two dozen turkeys on Tavern Road just would not get out of the way and another where a turkey was fighting with his reflection in my chrome bumper. The latter I had to go over and referee. It certainly has been interesting.

Despite what I enjoy, how well the year went and how optimistic I might be, there was a major loss here. Losing my friend and coworker Meredith Bolduc goes beyond anything that I could ever put into words. Having her answer (or debate) land use issues was extremely helpful for this position. Having her come in each morning with a smile on her face, a story to tell and the Meredith Report (Channel 9's weather) gave every day a great start. I wish I had paid more attention to the history, although I eventually got where Sand Hill is, I am still at a loss for Barrel Hill and giving me directions to homes with names of people who have not lived there for generations somehow did not help me get there though I did get there just the same...

Now for what you really want to know, it was a good year, we issued more permits in November than all of the permits issued the previous year. We were busy last year but fairly stagnant from the preceding years that kept showing growth. In 2011 we had only 94 major permits, 181 in 2012, 198 in 2013, 214 in 2014 and more than that (237) in 2015. Ever optimistic, I hope for more good growth and a better economy for next year.

Looking through each year's reports, the number of trade permits has also increased accordingly. In hopes that this offering will keep the critics happy and without further ado, I offer the chart below.

Respectfully submitted,

Robert N. Meade
Building Official/Code Enforcement

Garage	3	Pool	7
Deck/Porch	11	Addition	4
Shed	7	Renovation	70
Trade Permits	383	Single Family Home	17
QuadPlex	4	Total Permits 2015	506

Report of the Cemetery Trustees

2015 was another busy year for the Cemetery Trustees who met nearly every month during the year. The Trustees usually meet every first Tuesday of the month at 4:00 pm in the basement meeting room of the Town Hall. These meeting dates can be found on the meeting calendar on the Town's website.

First we must acknowledge the sad loss of Meredith "Chickee" Bolduc on October 10th. Chickee served Fremont as its Land Use Administrative Assistant for many years and one of her functions was to serve as secretary to the Fremont Cemetery Trustees. She performed this duty exceptionally well and kept all of us on our toes. Her knowledge & expertise will be greatly missed. Fortunately, Jeanne Nygren, another dedicated town servant has stepped up to the plate and is admirably filling Chickee's big shoes with regard to cemeteries. We THANK YOU Jeanne for your fine work thus far.

The Trustees worked hard this year to fine-tune and improve Cemetery burials and gravesite regulations in an effort to keep better & more efficient records of grave lots sold, burials & cremations made, placement of monuments, and grave lot locations & sizes. The Fremont Cemetery Ordinance was upgraded, clarified, and improved in an effort to correct or improve vague language and various inadequacies. All this was done to make it much easier for the present and future Cemetery Trustee Boards to be able to improve and maintain better record-keeping and documentation formats on the "who, what, where, when, and how" of all future burials, cremations, monument placements, burial lot sales & gravesite locations. These much-belated improvements will help make these various tasks easier to expedite and preserve vital cemetery records in the future.

A local stonemason was hired in October to repair a section of the eastside stonewall in the Fremont Village Cemetery that has a large eight-foot long granite block tilting over and causing a potentially dangerous hazard.

Also, the Trustees have decided that the time has now come for a Cemetery Sexton to be appointed & hired, and whose duties will be to oversee the work performed by Cemetery maintenance personnel, to oversee burial placements and burial lot sales, and monument installations in conjunction with grave excavators, various funeral home directors, and various gravestone monument companies. The Cemetery Sexton with an annual stipend of \$3,000 for his or her services is proposed in the 2016 budget.

Thanks and appreciation are extended to Bruce White, Jess Downing, Jackson Rowell, and Rick Pinder for their hard work in keeping the Cemeteries trimmed and mowed throughout the year. Also many thanks to Leon Holmes Jr and Richard Pinder for assisting Cemetery Trustee Matthew Thomas in the May placement of new cemetery signs in various cemeteries throughout the Town that were donated by the Fremont 250th Anniversary Committee. It is planned to have some lilac bushes planted in the Village Cemetery in 2016 that were

generously donated by the Fremont 250th Committee as well. This effort had to be postponed until 2016 due to the very dry spring & summer we had during 2015.

A new iron gate was installed for the Hoyt-Currier Cemetery in May on South Road that replaced the old deteriorated wooden gate. Thanks to Bob Henderson for the fine job done on making the new iron gate.

Additional gravesites were laid out in the new section of the circa 1777 Knowles-Chase-Carr-Leavitt Cemetery on Leavitt Road. Several have been sold during 2015. Additional loam and seeding will take place in 2016 on newly laid-out sections of this recently expanded portion of this historic old cemetery.

The Trustees will continue to look into the potential funding for repairs to many broken gravestones in the Town Cemeteries in 2016. Meantime, **sincere thanks are due Bruce White for re-erecting dozens of fallen gravestones over the past autumn.** There are still many more to do, and this undertaking will be continued in 2016. Thanks are also in store for Steve Harms, a fellow Cemetery Trustee for so capably overseeing the layout and marking out of numerous new gravesites in the Leavitt Cemetery.

The Cemetery Trustees minutes, meeting schedules, pertinent statutes, Ordinances, and contact information are always available on the Town Website on the Cemetery page at www.Fremont.nh.gov.

The Town Cemeteries are closed for burials annually between December 15 and April 1 due to the ground freeze.

To purchase a cemetery lot, you should speak with the Selectmen's Office or a Cemetery Trustee for payment and deed information.

Please feel free to contact the Cemetery Trustees if you should have any questions or concerns.

Respectfully submitted,

Fremont Cemetery Trustees

Matthew E. Thomas
Richard Pinder

*"Live as if you were to die tomorrow. Learn as if you were to live forever."
~ Mahatma Gandhi*

Report of the Conservation Commission

Members of the Fremont Conservation Commission spent the year advising local Boards on issues related to conservation, attending site visits, and working with Regional and State organizations on local conservation projects. The following is a summary of the Commission's 2015 activities.

Throughout the year, the Conservation Commission acted in an advisory capacity for the Planning Board and Zoning Board of Adjustment on matters related to wetland habitat protection, water quality protection and aquifer protection. Four projects of particular note this past year were:

1. Review of a request seeking a special exception from Article XI Section E.5.2 of the Fremont Zoning Ordinance to allow multi-family use in the Aquifer Protection District and variance from 5 Articles/sections of the Fremont Zoning;
2. Review of a plan for a special exception and an equitable waiver for the property located at 28 Main Street;
3. Review of the granting of a variance to move the motorcycle shop to the machine shop on the same property; and
4. Review of a plan and maps for an amended excavation site plan for lot 35-tax map 5.

Commission members worked throughout the year to digitalize, and organize various Conservation Easements held in the town. In addition, the Commission was busy reviewing the obligations for grants already awarded.

The Commission spent a good deal of time communicating with and working with Southeast Land Trust (SELT). The Commission is pleased to note that the Garrison property was successfully purchased and conserved by SELT. Additionally, the Commission has been working with SELT in their effort to purchase and conserve property owned by the Horsburghs. This is ongoing.

In keeping with the Town Forest Management Plan, Forester, Charles Moreno has inventoried and mapped the Smith property and is in the process of analyzing and putting together a detailed Forest and Wildlife Management Plan for the Smith property. It will be incorporated into a revised and updated Glen Oakes Town Forest Plan.

The Commission was not able to accomplish a variety of its objectives due to the fact the Town voted not to fund a budget for the Commission. The Commission missed opportunities to attend the Drinking Water Conference, the Watershed Conference, the NH Conservation Commission Association Workshop, the Rockingham Planning Commission Annual Meeting, and the Coastal NH Climate Summit due to lack of funding. The Commission was unable to pay membership dues to organizations it previously networked with. This limited the amount of information and help the Commission was able to receive thereby hampering the Commission's effectiveness. In addition, the Commission was unable to obtain digital mapping for the Forest

and Wildlife Management Plan. This would have aided the Commission's efforts to educate and inform the Town's citizens about its Town Forest.

Lastly, the Commission has been working with Open Space to help them maintain, improve and plan for the Town's forest trails. This group of volunteers has given many hours toward these ends and their efforts are very much appreciated. Learn more about your Town Forests by visiting "The Fremont Town Forest" Facebook page <https://www.facebook.com/FremontTownForests>. It contains lots of current information, maps, pictures and video content. Don't forget to "Like" it.

If you are interested in conserving the natural resources of the Town of Fremont, the Fremont NH Conservation Commission is seeking volunteers!

What does the Conservation Commission do?

- Help manage town land for recreation and wildlife
- Steward and implement the Town Forest and Wildlife Management Plans
- Provide educational programs and hikes in your Town Forest in partnership with Open Space
- Work to establish conservation easements on properties in town
- Advise other boards on matters related to the town's natural resources

To learn more about protecting Fremont's natural resources, please contact the Conservation Commission or join one of the regular meetings on the first Monday evening of the month at 7:00 pm in the basement meeting room at the Fremont Town Hall. For more information, visit the Town's Website at www.Fremont.nh.gov.

Sincerely,

Bill Knee, Chairman
Fremont Conservation Commission

Sam Harris, Fremont Open Space Advisory Group volunteer, inspects the new metal blazes he was helping to install in the Oak Ridge Town Forest. A blaze is a trail marker painted on trees alongside a trail. The painted blazes have to be repainted every few years. The metal blazes should require less maintenance and they are installed with logger-friendly aluminum nails.

Open Space Committee Chair*

Report of the Open Space Advisory Group

Since its inception in 2003, the Fremont Open Space Advisory has worked in conjunction with the Fremont Conservation Commission, the Board of Selectmen, and the residents of Fremont to ensure that Fremont's rural past as well as Fremont's future is properly protected.

2015 found the Open Space volunteers continuing their maintenance work on the Town Forest Trail System. With little storm damage this year, maintaining the trail system was much easier than in some previous years. The major accomplishment was to finish the "blazing" work on the footpaths in both Glen Oakes and Oak Ridge. This involved the addition of metal blazes to mark these smaller trails. These will require less maintenance than the painted blazes which were in place. (Note: these metal blazes were installed with logger friendly aluminum nails.)

Jack Karcz and Betty Harris advise Sam Harris where to trim so the new blazes will be visible for hikers.

2015 also found the Open Space crew working towards the eventual expansion of the Glen Oakes trail system into the recently acquired Smith section. This has included exploring the option of hooking up to the South East Land Trust (SELT) trail system being

developed to the north of Glen Oakes. The SELT trail system will include access to the 1959 B52 crash site. Thus a connection to their trail system will give Fremont residents access to this area through Glen Oakes.

Unfortunately, Open Space did not sponsor any hikes last year, but we look forward to once again offering additional activities to encourage residents to take advantage of the wonderful open spaces that belong to all of the residents of Fremont.

Respectfully submitted,

Dennis Howland, Chair

Report of the Energy Committee

The Fremont Energy Committee (FEC) is a volunteer group that began in 2007 to focus on public energy use and efficiency and to provide energy efficiency and incentive information to the public. In 2015 the FEC met on an approximate monthly basis and focused on a few initiatives.

The ongoing initiative involves evaluation of installing solar panels on town's properties. The FEC evaluated the advantages and disadvantages of installing solar panels on the Safety Complex roof and the landfill behind the Highway Department facility. The latter site is serviced by NH Electric Coop. The remaining Town properties are serviced by Eversource, formerly known as PSNH. At year end the FEC is still assessing what options are available to the Town in order to make a recommendation to the Board of Selectmen.

A second initiative was the ongoing interest in the replacement of the Town Hall heating system. The FEC collaborated with the Fremont Board of Selectmen who, consulted with mechanical design engineer regarding equipment and design options. Under the direction of Board of Selectmen, a design and heating and air conditioning contractor was selected. The phased installation got underway in 2015 and is planned to be completed in 2016. Bob Meade, Building Inspector, has been instrumental in overseeing this installation.

Also, at year end the FEC was reviewing the draft of the proposed Energy Chapter of the Fremont Master Plan which is being updated by the Fremont Planning Board. It is expected that the FEC recommendations will be completed in early 2016.

The FEC is pleased to know that Fremont residents are recycling approximately 20% of their trash. Recycling improves our energy efficiency, saves landfill space and reduces the Town's operating costs. For those that are making the effort to maximize their recycling, keep up the good work. As a community we can improve on this as there are residences where little, if any, recycling is occurring.

The FEC welcomed newly elected Selectman Neal Janvrin, who decided to join the FEC in 2015. The FEC is always interested in new members joining the group. Individuals who are interested in energy efficiency and have the time to meet monthly are encouraged to attend a meeting and see if becoming a part of the FEC is of interest.

Report of FCTV

In March 2014 with the help of Raymond Community Television Coordinator and Technician, Kevin Woods, Fremont Community Television began broadcasting 24/7 with a Bulletin Board.

Our first videotaping for broadcast was the 2014 Memorial Day Parade and Ceremony and in June we videotaped and broadcast events and concerts from the Town's 250th Anniversary Celebration including, among others, The High Range Country Band, on the field day June 21st and the 2014 Miss Fremont Scholarship Pageant. Throughout the fall and winter of 2014/2015 we continued with additional Town events such as the Fremont Police Department's Award Ceremony and the Ellis School Holiday Concert at Sanborn Regional High School Auditorium.

With the enthusiastic support of the Town Administrator and the Board of Selectmen, FCTV began broadcasting Town Board and Committee meetings live, with the Selectmen's meetings in February 2015, adding the Planning Board and Conservation Commission in March and April. By August of 2015 we progressed to broadcasting all meetings live except the School Board.

In January 2016 we gained the ability to broadcast live from both the Town Library and the Ellis School gymnasium. We expect to be able to broadcast this year's (2016) Town and Deliberative Sessions from the Ellis School.

In June of 2015 a Cable Committee was formed with members, Bruce White, Karen Gehalo and Bill Millios and joined shortly thereafter by Leo Danjou. This brought our volunteers up to five, including Greg Huard of the Fremont Police Department. With the addition of Alex Coulombe and Felicia Augevich at the end of January, Fremont Community Television has two additional volunteers.

Our major goal for 2016, with the cooperation and help of the School Board, we hope to bring residents live broadcasts of all School Board Meetings and Public Hearings so that all Fremont Boards and Committees will be broadcast live.

Public access TV's motto: Inform, Educate and Entertain.

Fremont Community Television is not a Town government station. FCTV is for "public access." All Town residents are welcome to create their own programs, slide shows or short video clips and to submit public notices for the Town Bulletin Board. Please contact fremontctv@gmail.com with any submissions.

Fremont Community Television looks forward in the coming year to further serve the community and to help bring residents together with a mutual interest. Anyone wishing to volunteer and be a part of Fremont Community Television can contact us at fremontctv@gmail.com, talk to any of our Committee members and volunteers or contact the Town Administrator, Heidi Carlson.

2015 TOWN & LOCAL EVENTS BROADCAST ON FCTV (Ch. 22)

- Fremont Police Department Awards Ceremony
- Miss Fremont 2015
- Eagle Scout Ceremony for Timothy King
- Ellis School Play (Pinocchio)
- Ellis School Holiday Concert
- Parks & Recreation Halloween Costume Party
- Wreaths Across America
- Town of Raymond's New Year's Concerts
- Ellis School 8th Grade Graduation
- Sanborn Regional High School Graduation
- Raymond Baptist Church Homeland Concert
- St. Joseph's Choir 2015 Christmas Concert

Report of the Fremont Fire Rescue Department

As 2015 comes to an end, the members of the Fremont Fire/Rescue Department look forward to the arrival of the new fire truck that was approved at town election. We thank you for your support of this truck which will bring us into compliance and ensure firefighter safety. We expect the arrival of this truck in the later summer and will host an Open House in the fall for all to see. Watch the Town Newsletter and the website for details when they become available.

Our members of the department have over 320 years of experience providing fire and medical service to the residents of Fremont. Captain Brett Hunter and Safety Officer Jode Lennon resigned from their positions this year due to increased demands of their full-time jobs. We thank them for their years of service. We are always looking for new members to add to our team even if you have no experience. It is rewarding to know that we make a difference when community members are faced with an emergency. If you are interested in becoming a firefighter or an EMT in Fremont, or know someone who is, come on by to talk about getting started. We are at the station every Monday evening for meetings and trainings and welcome you to join us.

Finally, I want to thank all of our current members for their time and dedication, the Police Department, Highway Department, and Town Hall staff for their assistance whenever we need them. Together we strive to keep Fremont safe.

Respectfully submitted,

Richard Butler
Chief

We responded to a total of 269 incidents in 2015.

The detail and number of these incidents is shown in the following chart:

Structure Fire	3	Severe Weather	1
Mutual Aid Provided	16	Public Assist	10
Fire Alarm Activation	31	Medical Emergency	161
Woods/Brush Fire	7	Motor Vehicle Crash	5
Chimney Fire	1	CO Alarm Activation	14
Other	19	Total for 2015	269

Report of Forest Fire Warden and State Forest Ranger

The Fremont Forest Fire Warden, Fire Rescue Department, and the State of NH Division of Forests & Lands, work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning, unless the ground is completely covered with snow. The ability to obtain fire permits on line was initiated in 2015. Approximately 120 towns participated in the online system with over 4,000 permits issued. To obtain a permit on line visit www.NHfirepermit.com. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 603-271-3503 or www.des.nh.gov for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nhdfi.org.

This past fire season burned **635 acres** which was the most recorded since 1989 when 629 acres burned. The fire season began in early April with the first reported fire occurring on April 8th. The largest fire was the 275 acre Bayle Mountain fire in Ossipee. This fire started on May 5th and burned for several days. The Bayle Mountain fire was also the largest individual fire in NH in over 25 years. There were also a number of other sizable fires in May which definitely kept NH's wildland firefighting resources stretched to the limit. These larger fires increased the average wildland fire size to 5.12 acres. As usual our higher fire danger days correlated well with the days that there were fires actually reported. The statewide system of 16 fire lookout towers continues to operate on Class III or higher fire danger days. Our fire lookouts are credited with keeping most fires small and saving several structures due to their quick and accurate spotting capabilities. The towers fire spotting capability was supplemented by the NH Civil Air Patrol when the fire danger was especially high. Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Several of the fires during the 2015 season threatened structures, and a few structures were burned, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org.

Please help Smokey Bear, the Fremont Fire Department, and the State's Forest Rangers by being fire wise and fire safe!

ONLY YOU CAN PREVENT WILDLAND FIRE!

Report of the Health Officer

This year's health report is a bit longer in length than the usual. I feel it's important to fully address the drug crisis that is occurring in our community and provide information and resources that may assist a resident in need.

Sadly, health in Fremont has been greatly impacted by the heroin epidemic. Abuse of heroin and other opioids is no longer just a big city issue; it is affecting our small rural community in alarming numbers. Abuse is occurring among Fremont residents of all age groups, in all neighborhoods, and equally in both genders. Opioid drugs include heroin as well as prescription pain medications such as Percocet, Vicodin, Morphine, Fentanyl, and OxyContin. There were over 400 opioid related overdose deaths that occurred in New Hampshire in 2015.

When a person is overdosing on an opioid, breathing can slow down or stop and it can be very hard to wake them from this state. Naloxone (Narcan) is a prescription medicine that blocks the effects of opioids and reverses an overdose; providing a window of opportunity to save a life. If you suspect an opioid drug overdose, call 911, start rescue breathing, administer naloxone, and wait for emergency responders to arrive.

In June 2015, Governor Hassan signed into law (House Bills: 270 & 271) allowing family members and friends of those at risk for opioid overdose to carry Naloxone. With the passing of this law, there are now three ways to access Naloxone in your community:

1. Ask your doctor for a prescription and fill the prescription at your pharmacy. Be sure to check with your pharmacy on availability. Please note: Co-pays may apply depending on your health insurance plan.
2. Some pharmacies can dispense Naloxone without requiring a prescription from your doctor. Please call your pharmacy to inquire if a prescription is needed.
3. State-purchased Naloxone kits are available at no cost to patients. Community Health Centers offering these kits in Rockingham County are: Lamprey Health Care in located in Newmarket and Families First of the Greater Seacoast located in Portsmouth.

In response to the opioid crisis in New Hampshire, the state has created the **Anyone Anytime Campaign** to educate the public and professionals about addiction, emergency overdose medication and accessibility to support services for those experiencing opioid addiction. This campaign is designed to help anyone affected by this crisis including: people experiencing addiction; parents, family and friends of those experiencing addiction; and health care, safety, and other system staff working with people who may be experiencing addiction. Please visit <http://drugfreenh.org/anyoneanytime> for in depth information.

Seasonal influenza is always a concern and preventative measures are key. Please remember to sneeze and cough into your sleeve or a tissue, wash your hands frequently and stay home from

work or school if you have a fever or signs of illness. Annual influenza vaccines are recommended for everyone ages 6 months and up.

Tick-borne diseases such as Lyme, Babesiosis, Anaplasmosis, and Powassan Virus and mosquito-borne diseases such as EEE and West Nile Virus can be serious illnesses and can affect people of any age. Fremont continues to utilize a Mosquito Control Program as a proactive measure in preventing disease. Please remember for the best protection against ticks and mosquitos to wear clothing with long pants and sleeves, and use an insect repellent that contains 20-30% DEET.

Health Officer Bob Meade attended the NH Health Officers Association Spring & Fall Workshops obtaining knowledge of healthy housing standards, tick-borne diseases and prevention, bedbugs, and asbestos abatement. Deputy Health Officer Carla Smith attended the NH Emergency Preparedness Conference engaging in safety training with other practitioners from fields such as Emergency Management, Fire, EMS, Law Enforcement, Healthcare, Local Government, Public Works, Education, and Social Services. Bob and Carla both participate on the Fremont Safety Committee which addresses safety and wellness for all town buildings. Safety and wellness tips as well as links to other sources can be found at www.Fremont.nh.gov

Respectfully submitted,

Carla Smith
Deputy Health Officer

Report of the Highway Department

To the residents of Fremont,

Thank you for electing me as your Road Agent this past March. This job can be very challenging, but also rewarding in keeping our roads as safe as possible to travel. I enjoy it very much, thank you again for your support over the past year. As you all remember, the beginning of 2015 kept the Highway Department very busy with snowstorm after snowstorm. There were many weeks we had two or three storms back to back and many long hours for the plow operators. Thank you all for a job well done!

When spring finally came, our winter budget was in tough shape. The winter hire equipment line was over spent and so was the winter salt line. We still had to plan for November and December potential snowstorms. In order to stay within budget, cuts had to be made.

Unfortunately, we had to reduce the amount of paving that was planned to do. Overall, we had a pretty good spring, summer and fall for road maintenance. Spring started with sweeping off all the winter sand, filling numerous pot holes, cleaning up by chipping a lot of trees and brush, cleaning culverts, catch basins, and many miles of shoulder gravel. Last year was also expensive replacing street signs and stop signs due to theft and vandalism. During the summer months we worked on Sandown Road prepping for new hot top. Culverts were cleaned, brush was cleared and shoulders were re-graded for drainage. We were able to repave 3,000 feet of this road.

This year there are many Highway Department articles for your consideration on the ballot. Article 3 asks to put in place an expendable trust fund only to be used if needed for winter maintenance.

Article 5 asks to continue saving for the Martin

and Scribner Roads bridge replacements.

Article 8 is for the Highway Equipment Capital Reserve Fund to replace worn out equipment when needed.

Article 10 is for funds to repave sections of Chester Road.

Article 11 is to finish paving Sandown Road from where we left off in 2015. These photos depict work done to improve drainage and shoulders during the summer of 2015 on Sandown Road. If approved, Warrant Article 11 will allow for completion of overlay paving on Sandown Road in 2016.

Another paving project for 2016 is to repave Whittier Drive from Sandown Road to Kingman Court. This project will be funded with the Highway Department 2016 operating budget, should the Town budget pass on March 8th.

My goal for the next three years is to get caught up on repaving all the main traveled roads. Once this is accomplished, we can focus on subdivisions for repaving. Many of these frequently traveled roads are 25 and 30 years old, which are overdue for repaving.

The Fremont Budget Committee and Board of Selectmen are in support of these articles and the Highway budget. I ask for your support on March 8th. Thank you!

In closing, I would like to thank all our dedicated, hard working plowing contractors and our two part-time employees; Peter "Butch" Porter and Jared Butler. Also, a special thank you to our Town Hall office staff and our Town Administrator, Heidi Carlson for the many hours spent helping me with budgets.

Respectfully,

Leon Holmes, Jr.
Road Agent

"After a storm comes a calm."

2015 Fremont Town History: The Year in Review

Compiled by: Matthew E. Thomas

The Winter of 2015 will long be remembered as one of the most challenging and coldest winters on record here in the Northeastern United States. There were numerous cold, frigid, blustery winter nights in January. The first major snowstorm took place on January 20th, followed by the Blizzard of 2015 which took place between January 26-28 dropping 28 inches of snow here in Fremont. Schools & businesses all over New Hampshire were closed and most people stayed home making it unusually easy for snow plowers to clear the streets and highways. The State of NH also waived tolls on all interstate highways for the day--a highly unusual practice. This was supposedly the 6th largest Blizzard in New England history but this historian sincerely doubts that claim.

Snow drifts on Beede Hill Road – February 2015 Photo Courtesy of Mark Pitkin

February was the coldest & snowiest February on record with two blizzards, and one Nor-Easter, along with several smaller snowstorms occurring

during the first three weeks of the month -- forcing schools & businesses to close again. Townspeople had to be diligent about breaking down ice dams and shoveling snow off roof-tops, some piling up with over three-feet of snow on many roofs. Many buildings in southeastern New Hampshire collapsed or had cracks in walls due to the weight of snow on roof-tops. Six or seven foot-high snow-banks had not been this high since the Winter of 2010-2011. Snow-plowers were stretched to the max working overtime trying to keep up with all the numerous snowstorms that took place between mid January and early April. When not plowing the roads, they were plowing back the snow banks to make room for any additional snowfalls. **Diligent Fremont snow-plowers did an exceptionally outstanding job throughout the Winter of 2015 and are to be commended for all their hard work.** People unfortunate to die during this severe winter often had poorly attended funerals due to the frigid cold and large snowfalls making it difficult to attend them. Valentine's Day dinner reservations at restaurants were either cancelled or postponed to a more suitable evening. Blizzard babies were born but making it to hospitals in time through snow-clogged streets did not make these births an easy accomplishment.

The relentless Winter of 2015 continued to drop large amounts of snow through most of March. The cold, frigid weather also continued unabated through much of March with only five

days hitting 40 degrees. High heating oil & propane prices also added much to the frustration and misery of this most difficult winter. The snow in Fremont did not melt completely until the end of April, and this author saw a pile of snow hidden under some hemlock trees in a hollow off Batchelder Road in Raymond as late as May 17th!!

Snow removal from the roof of the Safety Complex in February 2015. Photo Courtesy of Mary Wheaton-Pinder

April was still a fairly cold month, with little rain or snow, yet making people very anxious for spring to finally arrive. May proved extremely dry with little or no rain yet with moderate temperatures. **Fortunately, given the incredible amount of snowfall, snow melted so slowly that an expected spring-time flood did not occur.**

In Late January a Fremont family of six living on Riverside Drive fortunately escaped death when a snow-covered furnace vent caused deadly carbon-monoxide gas to build up inside the house. Thanks to a Carbon Monoxide Detector that had just had new batteries installed only a few hours before it went off, the family escaped the deadly menace and were sent to Portsmouth Hospital as a precaution and cleared and released.

Fremonters held their Deliberative Session on February 4 at the Ellis School Gym with 45 voters and 14 Town Officials in attendance. On March 10th Town Election Day voters were in a generous mood approving all but one of 17 Warrant Articles. At Town Elections former Police Chief Neal Janvrin was elected Town Selectman, and Leon Holmes, Jr. elected new Road Agent. Leon is the third member of the Holmes Family to hold that position and is performing his duties just as capably and competently as his father Leon Holmes Sr. and uncle Guerwood Holmes.

Eric Abney became the new Fremont Librarian in March succeeding Bethany Brace who resigned the position in November 2014. Eric worked as a very capable and competent bookstore manager for several years. Sadly, the popular Children's Librarian Lynda Miller passed away unexpectedly in May - a position she had held since 2002. Nancy Mason became her replacement and is filling big shoes very capably.

The 150th anniversary of the end of the American Civil War (1861-1865) took place on April 9,

2015. The historic surrender of the Confederate Army led by General Robert E. Lee to Union General Ulysses S. Grant at Appomattox Courthouse, Virginia on April 9, 1865 was amazingly witnessed by Fremont soldier Samuel J. Willey--an extremely rare honor for our little town at such a historic event in American history! Willey later became the last surviving Civil War Soldier to die in Fremont -- dying July 17, 1927.

2015 also marked the 150th anniversary of the assassination of President Abraham Lincoln on April 14th, 1865 at Ford's Theater in Washington City as it was called back then -- not D.C. Lincoln died the next morning at 7:22 am in the Peterson House across from Ford's Theater. Fremont native and future Rhode Island State Senator John Page Sanborn (born 1844 - died 1926) was in Washington City during the assassination and witnessed the exciting turmoil and confusion caused by the assassination. He had planned to go to Ford's Theater that night but because of a bad headache opted to stay in his hotel room until hearing all the excitement and commotion raging outside his hotel with people trying to find & capture the fleeing assassin John Wilkes Booth and his co-conspirators. Incredibly, Booth was dating, and engaged to a New Hampshire girl--Lucy Hale at the time of the assassination. She was the beautiful daughter of U.S. Senator John Parker Hale and they came from Dover, NH! They found Lucy's photo on Booth's dead body after he had finally been discovered hiding inside a torched tobacco barn. He was shot through the flames and died shortly afterwards on the porch of the nearby Garrett House on April 26, 1865 near Bowling Green, Virginia.

New Cemetery signs sponsored by the Fremont 250th Committee were erected in five Fremont Cemeteries on April 26th.

Fremont Police Patrolman/DARE Officer Greg Huard was honored in early 2015 and awarded for his many years of service to the Town of Fremont and its children through the DARE program.

Fremont Local TV Channel 22 began broadcasting on Cable Television in late 2014 and early 2015. Town resident Bruce White was instrumental in making this new service a reality for our town. Now, various public meetings and events are aired frequently so townspeople can take advantage of this service and know what is going on within the community.

May was the driest month in years here in New Hampshire. Drought conditions existed and fires were reported in several parts of the state. It finally rained on May 31st, June 1st & 2nd much to the delight of local officials. Warm springtime weather eluded the region for much of April no thanks to cool and sporadic chilly air afflicting most of the month.

In May Fremont resident David Doucette was riding his motorcycle with his wife Deborah on Route 111A in Exeter when a large owl with a three foot wingspan crashed into David's head and wrapped his wings around part of his neck and had a talon on his ear. Despite the sudden and unexpected force of the bird hitting his head, David was able to maintain control of the motorcycle and escaped with minor scratches and cuts to his neck and ear.

Fremont Police Chief Jon Twiss & Fremont Police Officer Derek Franek were honored at the *Manchester Union Leader* Hero Awards Banquet in May for their exceptional bravery during a May 12, 2014 Brentwood domestic disturbance that took the life of Police Officer Stephen Arkell. Franek barely escaped with his life after being fired upon by an assailant and was able to warn the Fremont Chief to not let other officers enter the booby trapped home which later exploded in a spectacular blaze thereby preventing further potential casualties.

A granite memorial bench honoring Mary Lucas, 52, who was sadly murdered in Fremont on October 16, 2014 was dedicated to her cheerful memory on a rainy Sunday, May 31st at the Joseph Bonis / Richard Stanley Memorial Ballfields. Thirty-five people attended including Mary's three grown children. They honored their mother in an impressive and honorable manner by keeping the event upbeat and positive. The event was covered statewide by WMUR-TV & WBIN-TV.

On June 7th Jessica McCassie, aged 19, of Fremont was killed in a car crash while driving eastbound on NH Route 101 in Candia. The promising young lady who graduated at the top of her high school class of 2014. She was in the National Honor Society and the Nute High School Student Council, and excelled in numerous sports. Sadly it was determined by doctors that she took heroin which contributed to her fatal automobile accident. Unfortunately, she became one of nearly 375 heroin overdose victims in NH during 2015.

In June, the *Manchester, NH Union Leader* reported that "Fremont resident Michael Porter strangled girlfriend Mary Lucas because he thought she was using him for his money" according to NH Attorney General's final report on the October 16 & 17, 2014 murder-suicide. Both Michael & Mary were congenial, good-natured, well-liked people, but sadly Michael left a suicide note explaining his insecurity within their relationship and he committed suicide the next morning on Jacob's Cove Road--less than a mile from where the murder took place on Main Street.

Ellis School Principal John Safina tendered his resignation at the end of June 2015. He had been a popular principal at Ellis School for six years.

There were two very serious car crashes on Beede Road, one in early June and another in late December. Fortunately there were no casualties.

It was most fitting that an unusual number of spectacular Fireworks were lighting up the skies all over Fremont on July 4th...a most suitable tribute on this the 240th anniversary year of the historic 1775 Battles of Lexington & Concord, Massachusetts, and the Battle of Bunker (Breed's) Hill. July 4, 2016 marks the 240th Anniversary of American Independence.

August 1st Miss Ashley Buchanan was crowned Miss Fremont 2015 at a special ceremony held in the Fremont Meetinghouse. Miss Meghan Mission was runner-up. On June 20th Miss Tessa Donigian was crowned Little Miss Fremont at a pageant held at the Ellis School Gymnasium.

It was a very pleasant summer with just a few hot days in the 90's but for the most part

tolerable, comfortable days. It was again a very dry summer with hardly any rain even during September. Autumn proved to be one of the most colorful foliage seasons that this historian has seen in this region of New Hampshire in roughly 10 to 15 years.

A **Former Fremonter's Reunion** was held on September 26 at the home of Mark & Cheryl Woodman. Over 60 people who grew up in Fremont dating back to the 1920's came from all over the country to renew old ties and to enjoy tours of the Fremont Historical Museum and 1800 Meetinghouse. Fremont Pizzaria did a wonderful job of catering the event that was organized by Ms. Holly Durkee, formerly of Fremont and now of Maine. The event was inspired numerous members of the popular *website Fremont Kids Grown Up* which was started in early 2014. In the words of former Fremont newspaper correspondent Carrie Gove (1898-1990) who wrote Fremont town news columns for the Exeter Newsletter for over 50 years and who would often conclude her many town news columns by saying...**"a wonderful time was had by all."** The 30th Annual Fremont Grass Drags & Water Crossing Competition took place over Columbus Day Weekend with 45,000 spectators attending this very popular event. Helicopter rides took place in conjunction with many other exciting activities including dirt bike aerial stunts that attract spectators from all over the country and Canada.

Thousands also attended the annual Soccer Tournament held on the Fremont-Epping town line off Shirking Road with participants and spectators coming from all over New England and New York State.

A lawsuit filed by Andrew Cullen of Dover for "false arrest" in 2011 against the Fremont Police Department seeking \$1.5 million was filed in Federal Court in October. In late November a Federal Judge dismissed the lawsuit without prejudice, saying "it would be best handled in a state court if Cullen chooses to pursue the matter further. In December he filed an appeal in the U.S. Court of Appeals.

The Wreaths Across America was held again on December 12th at the War Monument in front of the Fremont Town Hall. Christmas Wreaths are placed upon numerous veterans graves each December in various town cemeteries as a token of remembrance and appreciation. Local resident Gerry Tilley spearheads this event for both Fremont and East Kingston.

November & December were exceptionally warm months. Temperatures hovered between 45 to 65 degrees on nearly all days within that two month period except for the last four or five days in December when we had a slushy snowstorm on the 29th. It went down as the warmest December since weather records were first kept since 1871. Christmas Eve day temps reached 59 degrees in Fremont and 50 degrees on Christmas Day!

The Fremont Garden Club continues to do an outstanding job of keeping our town and its public buildings looking welcoming and festive during the various seasons and holidays. Thank-you for a job well done by this dedicated organization.

The Fremont Fire Rescue Department got its new fire truck this year. Congratulations to them

and the Town for investing in this much needed piece of equipment that will replace the out-dated 1980 fire truck.

In Memoriam -- We remember some longtime Fremont residents.

Alice E. Copp - aged 92 - died Feb. 21st. Alice was a true Yankee full of determination and good will and a hard work ethic. Her late husband William Copp was an old-time auctioneer before his death in 1966, and he and Alice operated *Bill's Lunch* across from the Spaulding & Frost Cooperaage for several years in the 1950's and early 1960's.

Harold A. Davies - aged 91 - died March 6th. Harold has the distinction of being the **last surviving Fremont World War II veteran who actually still lived in, and served from Fremont!** He died 70 years after the end of World War II. Harold served several years on the Fremont Police & Fire Departments for many years and was the proud husband of Elizabeth (Bolduc) Davies for 63 years. Mildred (Emerson) Frye is the last surviving native WWII veteran that served from Fremont. She has not lived in Fremont for many years.

Betty J. Walker - aged 89 - died May 25th. Betty and her husband of 65 years Byron Walker, were popular residents of Fremont operating for many years in the 1950's Walker's Turkey Farm and later in the 1960's Walker's Horse-Riding Stables from their Main Street home which was in the Smith-Walker Family for 191 (1809-2000) years making it the second oldest house in Fremont still owned by the same family. The house was built in 1774 by Nicholas Gordon Jr. Betty was a cheerful, thoughtful, caring mother of six children.

Cecelia L. O'Connell - aged 96 - died July 12th. Cecelia moved to Fremont in 1955 and served the town enthusiastically as a Deputy Town Clerk; and was a reliable member of the Fremont PTA, Fremont Grange, Fremont 200th & 225th Anniversary Committees. In 1912 she became the next Fremont Boston Post Cane holder -- a distinguished honor in over 400 New England towns dating back to 1909. She was married to the late James O'Connell - Fremont's popular Postmaster for 32 years.

Meredith A. Bolduc -- aged 70 - died October 10th. Meredith "Chickee" Bolduc served the Town of Fremont for over 40 years on a variety of town boards most notably on the Planning, Zoning, & Land Use Boards. She served as Deputy Town Clerk and kept the minutes for numerous Selectmen's Meetings. She was a longtime member of the Fremont Old Home Day Committee. She and husband Jesse were active in working the popular Deerfield Fair Horse-pulling Competitions. Her cheerful demeanor, hard-work ethic, and love for Fremont & family will long be remembered by countless people who cherished her friendship.

Respectfully submitted,

Matthew E. Thomas
Town Historian

Report of the Library

2015 brought the loss of our beloved Children's Librarian Lynda Miller. She passed suddenly early in the year. Lynda's thirteen years of dedicated service was instrumental in setting up and developing our growing Children's catalogue and programming. She was a dynamic member of our team and the Fremont community. Her memorial service was held at the library with over 100 people in attendance. She is deeply missed.

Our library continues to expand and provide a wide range of services. We registered over 100 new adult patrons and over 60 new children for library cards. These new folks and our dedicated patrons increased circulation (over 19,000 books, movies, CDs, puzzles and magazines) almost every month over 2014 levels. Our catalogue increased by over 300 volumes due in large part to generous donations of books and movies by Fremont residents. Thank you for your generosity.

The library had its most successful summer reading in its history. Over 100 families and children pledged reading goals and attended the events focused around heroes. Our opening celebration of local heroes brought Fremonters together with the people who help them every day. Fremont fire/rescue, police, teachers, nurses, road agent, active and prior military service members, volunteers, selectmen and many others were honored for their efforts and given the chance to mingle socially with the citizens of Fremont.

Special events this year included Fremont Historian Matthew Thomas discussing his book Historic Powder Houses of New England. Matthew drew a crowded room and shared tales of Fremont and New England's special place in the history of our country. The library was also fortunate to host the traditional Irish and folk musical duo "Two Old Friends." An old fashioned foot stomping good time was had by all.

The library offers many services for the public. Computers are available to create a document or just check your email. Color printing and faxing are available for a nominal cost and the Wi-Fi is always free. We have a telescope to lend out and we are happy to schedule an impromptu class on accessing via the State Library books, audio books and magazines on your new tablet or phone.

Library Trustee Suzanne Wicks spearheaded our new seniors group. The first few meetings at the end of the year were well attended and will continue into the new year. Please check out our web site for details on meeting dates and agendas.

September brought the 15th annual golf tournament. Thank you to all who help to make this event a success. Special thanks go to Nick Kakouris and the Fremont Pizzeria for the generous and delicious lunch.

The Library roof was finished this year. Thank you to KTM for their timely and efficient work. Next year will see the need to repair both roof ventilation towers. The Trustees would like to

ask for your support this March for the warrant article funding the Library Maintenance Trust Fund to help with the tower repair and future maintenance needs.

The Library is grateful for all the work and support the Friends group provides. They offered wonderful contributions this past year (check out our new curtains!) and we look forward to their new adult education programming in 2016. Warren and Patricia Gerety have stepped down as President and Vice President of the Friends. We are grateful for all their hard work and efforts. Kristy Butler has been elected to President and Dori Smith as Vice President. We look forward to working with them. The Friends are always looking for more members. Please attend any meeting the first Tuesday of every month at the library.

The library is also grateful for all the efforts of the Garden Club. Their partnering with us for their spring sale helped the friend's book sale and the holiday decorations they donated were beautiful.

Our Community room saw a significant jump in usage this year. Non-profits from all over Fremont utilized the room for meetings and functions. Scouts of all levels, the Gardening club, Quilters and many more made great use of this town resource. The room is now cable ready so you will be seeing it on Channel 22 hosting some of our town meetings.

The Gates family, in memory of Marilyn, continued to maintain the outside garden with wonderful seasonal decorations and plantings. Thank you for your donated time and resources.

Thanks goes out to the Gibb family for maintaining our flower bucket/fairy garden throughout the year. Their donated resources and time make the library a brighter place.

A round of applause please for Spencer Gregory. He donated his time and talent to provide the music for the closing party of our summer reading program as well as the musical background for our holiday gathering.

Our team here at the Library would like to thank our Trustees John Hennelly, Cheryl Rowell and Suzanne Wicks for all their efforts and support over the year. They are always there for us with ideas, help and guidance.

Special thanks goes to Heidi Carlson and Jeanne Nygren for their endless patience and willingness to share their vast experience as I stumbled through my first year.

I would like to personally thank the dedicated, knowledgeable and hard working staff at the library. Cathy Murdock, Marlene Emery, Nancy Mason, and Vincent Morrison are true professionals and local heroes in my book. I could not have survived the year without them.

Respectfully submitted,

Eric Abney, Director

2015 Miss Fremont Scholarship Program

May 25th Memorial Day – Megan Mission, Ashley Buchanan and Miss Fremont 2014 Amanda Arsenault marched in the Parade and read a Poem named My American Flag.

June 20th, 2015 we had our very first Little Miss Fremont Pageant with 3 contestants ~ Erica Smith, Tessa Donigian and Jordon Cloutier. Tessa Donigian was crowned our very first Little Miss Fremont. Would like to thank our MC Katie Holmes, Judges Kelly Ford, Doris Nichols and Gabbie Studley, Judges Chair Heidi Carlson, and our Auditors.

Nancy Griffin owner of "Paradise of the Palms" in Kingston donated her time for the girl's once or twice a week. She taught them not only the Hula but also the traditions and culture. Each song is translated into movement to tell a story. She had us all over for a fabulous Luau with authentic foods. She even took the time to drive us to the Boston Flower Exchange to pick out flowers for our lei's and presentation bouquets that we all made. It was a wonderful two months together.

Mahalo Nancy

Ashley Buchanan danced a Hula honoring Pele' the Fire Goddess.

Miss Fremont was on August 1st at the Old Meeting House. It was the perfect venue for this wonderful cultural event. Ashley Buchanan was crowned Miss Fremont 2015, she was awarded a \$600 scholarship and 1st runner-up Megan Mission was awarded a \$400 scholarship.

Miss Fremont 2014 Amanda Arsenault we bid her farewell and wish her the very best...

Miss Fremont and our Little Miss Fremont were formally introduced to the Board of Selectmen and to our Community on August 20th

Miss Fremont was invited to the Poplin Nursing Home Car Show on September 20th.

Miss Fremont went to paint some faces at the Parks and

Recreation Halloween Party on October 24th; and Little Miss & Miss Fremont also went to the Tree Lighting event on November 29th.

Little Miss Fremont and Miss Fremont were invited by Wreaths Across America volunteer Gerry Tilly to join the Ceremony at the Town Hall on December 12th to place Veteran Stars on the Tree. It was in the high 50's that December day.

Little Miss Fremont Tessa Donigian has been a wonderful little sister to Miss Fremont.

are waiting
for Santa.

Tessa and
Ashley went
along the
whole cold
route with
Santa on
December 19th.

Special Thank you to Roger Moore of 007 DJ for donating a lot of his time, and to Adventure in Makeup with Kelly Ford for coming in to do the girls make-up and giving them some great pointers.

Thank you to Co-Directors Mary Anderson and Rita MacPherson for their hard work and dedication. Thank you to the 2015 Judges of the Miss Fremont Pageant Roxanne Hart, Dawn DiManna and Jenn Brown and also our Auditors Carla Smith and Rick Pinder.

We truly hope that we can continue with this program not only for the girl's financial benefit for further education, but also to have such wonderful young ladies representing our community. As you can see the girls were very committed, and had a lot of fun and the year isn't over. Little Miss Fremont will be held in June 2016 and Miss Fremont in late July 2016.

Report of Miss Fremont 2015

The entire time leading up to the pageant, everyone asked why I wanted to be Miss Fremont. I always responded by telling them I loved the small town and how close everyone was. It was almost like we were a family. After going to different Town events and going on the Santa Sleigh Ride, I realized how true those words were. Everyone really steps up in our community, whether it is to showcase people, help people, or even just have an event for the kids to run around while the parents caught up on the happenings with each other. It is amazing to see the events we are able to have with these family-like bonds. I really love this small town and I'm so glad I've been able to represent it.

Respectfully submitted,

Ashley Buchanan
Your Miss Fremont 2015

Report of the Parks and Recreation Commission

The Town of Fremont's Parks and Recreation Commission oversees recreational programs and activities for the Fremont community and the maintenance and management of Fremont Memorial Parks. We welcome any suggestions and would love to have more members involved with the Commission. We meet the second Tuesday of the month at 7:00 pm in the basement meeting room at the Town Hall. Please feel free to stop by and check us out!

The Easter Egg Hunt is an Annual tradition hosted by the Parks and Rec for the children of Fremont. In 2015 the snow decided to stick around and the turnout was not great. Over 3,000 eggs filled with candy and toys were hidden on the two playgrounds at the Ellis School as well as the field for younger children. Children ages 0-3 picked up eggs distributed on the field, while children ages 4-6 searched for eggs hidden on the smaller playground and children ages 7-10 hunted for eggs high and low on the larger playground. Prizes and special treats delighted the children. We would like to especially thank Dunkin' Donuts for their continual support in donating donuts, munchkins and coffee to this event and many others. We are hoping 2016 will bring less snow and a higher turnout!

As we progress through the years we try to come up with new activities for a wide range of residents. In 2015 the Parks and Rec reserved 75 tickets to Canobie Lake Park for the discounted price of \$29 (\$7 off the regular admission price). All tickets sold and we will be ordering 100 next year in anticipation of this great offer gaining interest! We also offered tickets to Fishercat Baseball games in Manchester, one game per month from May to August. Tickets were \$6 and \$8 for premium seats (about 50% savings off regular ticket prices). York's Wild Kingdom Zoo tickets were sold for \$12 for the zoo and rides package (savings of \$10.25 for adults and \$5.25 for children ages 4-12). We ordered 150 tickets and sold all of them as well! Residents were able to come in to the Town Clerk's office during open business hours and purchase tickets throughout the summer.

2015 marked our sixth Memorial Day celebration in front of the Ellis School following the annual Memorial Day parade that included free hotdogs, burgers, chips, drinks and ice-cream, as well as handouts and patriotic beads, head bands and balloons. We have great pride in our Fremont residents who have and are currently serving our Nation's military and this is a great way to join together and celebrate our patriotism!

Throughout the summer months, the Fremont Parks and Recreation Department hosted outdoor movies held at the Memorial ballfields starting at dusk, beginning Memorial Day weekend with a patriotic lineup on of "the Sandlot" for families and

“American Sniper” for adults only. Movies were played every three weeks and families brought lawn chairs and blankets to come out and enjoy a free movie and open concessions. Children tossed footballs and played on the playground until it became dark enough to start the movie.

The Commission also hosts Camp Fremont. The main objective of camp is to provide a safe, enjoyable environment where school-aged children can develop mentally, emotionally, socially, and physically at an affordable cost to parents. Unfortunately, due to renovations in the school gym and lack of space we were unable to host Camp Fremont in 2015. We are making changes to our budget and overall program this year and will be advertising soon! If you are interested in applying as Camp Director or Co-Director, or becoming a Camp Counselor or returning from previous years please contact nicolecloutier725@yahoo.com.

This year the Fremont Parks and Recreation Commission hosted a 5K Road Race to benefit a “Rec Revolving Fund”! This fund will allow us to raise funds through fee-based events and programs in order to purchase or raise money for new equipment, facilities and events without raising or using tax dollars. This allows us to offer more to our community in a cost-effective and self-generating manner!

Participants were able to use an online registration site or stop by the Town Clerk's office during open hours to register! Cost was \$20 for adults, \$10 for youth 12 and under, and a family package was \$60 for families with more than two adults and two children. The route started and ended at 25 Spaulding Road, and we would like to formally thank Rock Your Body for allowing the Fremont Parks and Rec to use their facility for a pre-run warm up and a room for check-in procedures.

Sponsorship was provided by: Evenflow Automotive, Benson’s Driving School, Fremont Pizzeria, KTM Properties, Rock Your Body and Danley Demolition Inc. Thank you Sponsors! Without you this event would not have been possible!

The Memorial Fields certainly see many activities each year. The fields are not only maintained by the Town and Recreation Commission, but by the many volunteers that pitch in every year. With due concern for keeping within our budget and trying to keep costs down, we performed routine maintenance to keep the fields in best possible condition for appearance and the safety of users. It is difficult to remember back to the times when there were only two non-irrigated ballfields. Because of the expanded size of the complex we also incur the costs of irrigation, upkeep, electricity, septic, mowing and fertilization and thankfully less frequently this year, vandalism was at a minimum.

Since 2014, with the coordination of Doug Brown, the Memorial fields have had great use by Fremont’s Adult softball league! Throughout the summer from July through September Fremont resident adults play softball as their children play on the playgrounds and cheer them on. This league has grown in popularity and in 2015 two teams were added to accommodate the growing interest to host a total of 6 teams playing 1 to 2 times a week on the Babe Ruth field.

A new zero-turn mower was purchased this year, which has allowed us to mow the fields in 1/3 the amount of time, reducing cost of labor for mowing. We also purchased a 12x20' shed to accommodate overflow.

In 2015 the Parks and Recreation Commission regravelled the driveway from the entrance up to the little league field. Several volunteers cleared brush and trees in front of the entry and near Main Street. We hope this helps reduce vandalism by providing enhanced visibility to the park and that damage to vehicles is reduced as overhanging brush has been eliminated. Several residents have commented on how nice it looks to see into the park! This spring we will be pulling stumps from the area and seeding to enhance the beauty of the entrance. A special thanks to Michael Rydeen, Doug Brown, Bob Sabatini, Jeff Lescizka and all volunteers who helped make our park beautiful!

In 2017 we hope to add a pavilion for residents to enjoy. This project is the inspiration for the Rec Revolving Fund that will be able to be utilized by not only residents and the Parks and Rec events but also by the Fremont Athletic Association and the PTA for field day. Every year the PTA uses the Parks and Rec tent for field day and we are hoping to replace it with a stable structure that will withstand the test of time. We will also be looking into adding electricity to the back fields to run the pitching machines, outdoor movies, etc. as well as looking into a portable ice skating rink on the soccer field. Vote YES for the Rec Revolving Fund on Article 15, with no tax impact!

The Fremont Halloween Party was another great success! Children came in costume and enjoyed parading around the gym to show off their spooky attire. There was face-painting, goodies, crafts, trick-or-treat bags, games, donut-eating contest and pumpkin decorating. Pizza was included for FREE to all who attended from the Fremont Pizzeria and two pizzas were donated!

We rounded out the year with our Annual Holiday Tree Lighting, which was held this year again at the Ellis School gymnasium. A big Thank You to Keith Burleigh for the use of his equipment and his time and labor in helping us get high enough to decorate our ever-growing tree! We welcomed many children in decorating gingerbread house shaped cookies, making crafts and singing holiday carols around the town tree at the Safety Complex. Santa was able take time from his busy schedule to pop by for a visit as well as participate in the caroling around the tree at the safety complex! We would like to thank John Linville for taking the time to bring some holiday cheer to the children of

Fremont and join in our caroling as well as the Fremont Police Department for directing traffic to ensure safety of our children and families in crossing the street from the Ellis School parking lot to the Safety Complex tree-lighting and back to the Ellis parking lot.

In December, the Fremont Parks and Recreation hosted a Holiday Fair. Community members and surrounding towns were invited to join local vendors to do some holiday shopping, eating, crafting and more! Guests could purchase or browse a variety of goods including, hand-painted glass, handmade American Girl doll clothing and accessories, jewelry, candles and home decor, caked goods, handmade cards and paper crafts, hand-knit items, books, Jamberry nails, wearable art, hand-painted tote bags, handmade soaps, Shakeology and more!!! Vendors paid a \$15 fee per table and all profits went toward the Recreation Revolving Fund.

In 2015 the Fremont Parks and Recreation partnered with McIntyre ski area in Manchester to provide ski and snowboard lessons to Fremont children and children in the surrounding towns this winter. Children ages 4–6 had lessons on Sundays from 12:30 to 1:45 pm beginning January for 4 weeks. Lessons cost \$145 (all 4 lessons), rentals were \$55 (if needed), and helmet rental was \$15 (if needed). Children ages 6+ had lessons on Fridays from 4:30–6:30 pm for five weeks. Lessons were \$145, rentals were \$65 (if needed), and helmet rental was \$15 (if needed). This was the first year we've partnered with McIntyre and we hope to make this an annual opportunity for Fremont families!

The Parks and Recreation Commission would like to formally thank Gabby and Joey Studley for their continuing efforts and volunteerism with our events. Gabby and Joey show up to nearly every event early, help set up, help with activities and clean up! Without the help of our volunteers none of our events would be possible!

NEW AND EXCITING NEWS: The Friends of the Fremont Library, in conjunction with the Fremont Parks and Recreation Commission has begun an ADULT RECREATION PROGRAM. We will be offering ZENTANGLE and Stamping/Papercrafting classes. Zentangle is the fun and relaxing process of using repetitive patterns to create beautiful images. The cost is \$5 for materials and classes are free! Flyers will be available at the Library, Town Hall or email us at fremontadultrec@gmail.com for more details! We will be providing more classes throughout the year. If you have ideas, we would love to hear them! This is a wonderful way to meet new community members, have a night out with friends, be inspired and learn new skills! Please join us!

We are dedicated to continuing these successful programs and we are always seeking new ideas to build the community through recreational activities and programs. Without the many volunteers from the community these activities and programs would not be possible. We would like to recognize the time and efforts of organizations such as the Fremont Athletic Association, PTA, Ellis School employees, the Board of Selectmen, Town Office Staff and everyone who supported us during the year.

Report of the Planning Board

ROLE OF THE PLANNING BOARD

The Planning Board has three primary roles:

1. Regulatory
 - a. Drafting new and amending existing Ordinances and Regulations.
 - b. Review applications for Excavations and Excavation permit renewals, Subdivisions, Lot Line Adjustments and Site Plans submitted to the Town.
2. Non-Regulatory
 - a. Develop and maintain a Master Plan
A Master Plan is a planning document that serves to guide the overall character, physical form, growth, and development of a community. It provides guidance to local officials making decisions on budgets, ordinances, capital improvements, zoning and subdivision matters, and other growth related issues.
 - b. Develop and maintain a Capital Improvement Program (CIP)
The capital improvement program (CIP), links local infrastructure investments with master plan goals, land use ordinances, and economic development. A capital improvement program bridges the gap between planning and spending, between the visions of the master plan and the fiscal realities of improving and expanding community facilities. It provides an outline of anticipated expenditures for capital projects projected over a period of at least 6 years.
3. Working with other Boards and Organizations
Board of Selectmen, Zoning Board of Adjustment, Conservation Commission, Energy Committee & Rockingham Planning Commission as well as State agencies such as the New Hampshire Department of Environmental Services (NH DES) Office of Energy and Planning (OEP) and the Local Government Center (LGC).

PLANNING BOARD BUDGET

In 2015 the Town allocated \$39,331 to Planning and Zoning. In addition to funding the operation of the Land Use department, budget funds provide for external services such as the part-time support of Rockingham Planning Commission Circuit Rider who provides essential professional support to the Planning Board.

The Town, with the support of the Rockingham Planning Commission (RPC) receives grant monies annually to perform valuable planning related projects:

1. In June the Board contracted with the RPC to perform a Road Surface Management Study of the Town roads (approximately 40 miles) and evaluates the condition of the

roads (pavement and sub base) and culverts. To date the analysis is complete and the final report is due to be presented to the Board in February for review. This report will enable the Town to determine appropriate road rehabilitation and estimate the cost of this work, and to be able to prioritize roads based on condition. This was a pilot study funded by the NH DOT and Fremont was required to contribute \$1,500.

At year end \$29,836 was spent with \$9,495 remaining unspent. In addition \$7,178 was realized in revenue.

PLANNING BOARD ACTIVITIES

During 2015 the Planning Board performed the following activities:

Regulatory

The Board with the assistance of the RPC performed a Zoning Ordinance Recodification. Essentially this is a reorganization of the Zoning Ordinances into a more meaningful order that is easier to read. Since this is strictly a reorganization and does not include any substantive changes to the individual Ordinance, there is no requirement to prevent these changes to voters.

In addition, the Planning Board completed the following work in 2015:

Excavation Permit Renewal	4
Excavation Site Visit	4
Subdivision Review	1
Site Plan Review	1
Lot Line Adjustment	1

Non Regulatory

Capital Improvement Program

The Town formed a Capital Improvement program (CIP) committee consisting of the following members, whose services have been gratefully appreciated:

Roger Barham and Tom O'Brien	Planning Board Representatives
Mary Anderson and Joe Miccile	Budget Committee Representatives
Neal Janvrin	Selectmen's Representative
Andy Kohlhofer	School Board Representative

The Committee has recently completed reviewing and evaluating proposed capital projects for the period 2016-2021 and the report should be published for review and adoption by the Planning Board in February.

Master Plan Energy Chapter

The Planning Board, with the assistance of the RPC has recently updated the Energy Chapter of the Master Plan. The document is currently under review for comment by the Energy Committee.

PLANNING BOARD MEMBERS

Your current Planning Board Members are:

Roger Barham	Chairman	John (Jack) Karcz	Vice-Chairman
John (Jack) Downing	Member	Andrew Kohlhofer	Member
Tom O'Brien	Alternate	Brett Hunter	Member
Leon Holmes Sr	Selectman	Phil Coombs	Member

Don Marshall continues as the Planning Board representative as a Commissioner to the Rockingham Planning Commission.

Please visit the Planning Board page on the Fremont Town website for ongoing updates and information relative to the Zoning Ordinance, maps, regulations, decisions, minutes and agendas.

The Board is extremely saddened at the passing of Meredith "Chickee" Bolduc who died on October 10, 2015 following a courageous battle with cancer. Meredith, our Land Use Administrator, was dedicated to the Town, a wealth of knowledge and inspiration, and the backbone of the Planning Board. Meredith is sorely missed by all who knew her.

Our gratitude is expressed to the Members who continue to volunteer their time and efforts to serve on the Town of Fremont Planning Board. On a personal note I want to express my sincere thanks to Heidi Carlson and Bob Meade, who in the absence of Meredith have selflessly stepped up to the plate and filled the void that Meredith left and enable the Board to perform its duties.

Respectfully submitted,

Roger Barham
Chairman

"There are souls in this world which have the gift of finding joy everywhere and of leaving it behind them when they go."

~Frederick Faber

Report of the Police Department

MISSION STATEMENT

The mission of the Fremont Police Department is to protect our residents and all those who pass through our community by establishing high standards of impartial and professional law enforcement. We, as dedicated officers, must learn from the past, meet the present challenge, and plan for the future.

During 2015 the Fremont Police Department experienced several changes in its ranks as well as an increase in overall activity. Lt. Ellen Arcieri retired from police work and began a new career in the private sector. The Lieutenant will be missed by all police personnel and the citizens of Fremont. Officer Peter Morelli was promoted to Detective Sergeant and is charge of major investigations and the management/processing of evidence. The Department was also able to hire a fourth full time officer, Erich Lutz. Officer Lutz was chosen after a long hiring process and graduated from the 168th New Hampshire Police Academy on December 18, 2015.

Corporal Robert Allore retired after 15 years of dedicated service to the Fremont Police Department. The Fremont Police Department was able to fill the part time vacancy with Officer Joseph Wyner. Officer Wyner attended the 270th Part-Time New Hampshire Police Academy and is currently assigned to a Fremont Field Training Officer.

With help of the People's United Methodist Church of Fremont, three Fremont Police Officers were able to attend the National Law Enforcement Memorial Ceremony for fallen Brentwood Officer Stephen Arkell. Sergeant Jason Laroche, Officer Andrew Artimovich and Officer Derek Franek represented the Fremont Police with great honor and pride.

To help combat the current heroin epidemic, the Fremont Police hosted a regional training session to educate area police and fire departments on Heroin Abuse and treatment programs available. A drug abuse counselling team from Hampstead Hospital lectured Officers from Fremont Police and Fire Rescue, Sandown Police, Chester Police, and Danville Police.

Officers of the Fremont Police Department responded to the following Calls for Service in 2015.

Administrative	1,083	Missing Person	8
Burglar Alarm Activation	103	Motor Vehicle Accident	74
Animal Control	332	Motor Vehicle Complaint	156
Arson	1	Motor Vehicle Lockout	11
Assault	7	Motor Vehicle Theft	1
Assist Citizen	95	Motor Vehicle Stop	1,509
Assist Other Town/Agency	223	Noise Complaint	40
Assist Fire Department	68	Notification	5
Assist Rescue/Ambulance	193	Officer Wanted	49
Assist Other Fremont Dept	9	O H R V Complaint	29
Assist Court Personnel	10	Open Door	19
Assist Motorist	116	Paper work Service	116
Building / Property Check	5,057	Police Information	218
Burglary	26	Property Lost/Found	20
Civil Matter	13	Public Intoxication	7
Criminal Threatening	4	Recovered Property	4
Criminal Trespass	17	Restraining Order Service	6
Death Investigation (untimely)	2	Sex Offense	3
Directed Patrol	479	Suicidal Person	10
Domestic Disturbance	94	Suspicious Activity	61
Drug Offense	10	Suspicious/Abandoned Vehicle	69
D W I Arrest	4	Speed Check Point	173
Erratic Operation of MV	45	Theft	28
Follow-Up Investigation	276	Traffic Hazard	76
Fraud	8	Vandalism	20
Harassment	6	VIN Verification	42
Juvenile Offense	11	Well Being Check	41
Illegal Dumping	7	911 Hang Up Call	3
Illegal Parking	26		

Based on these calls for service, Officers took 218 Incident/Crime Reports, 74 alleged offenders into custody, investigated 34 reportable motor vehicle accidents, 1,283 motor vehicle warnings, 138 traffic citations, and two parking citations.

Fremont continues to see increased levels of serious offenses such as; assaults, burglaries, thefts, drug offenses, domestic offenses, etc. I ask that all Fremont residents be observant and if you see anything that seems suspicious, don't hesitate to call 911. Use 911 when you call any crime in progress or anything that seems out of the ordinary. The business telephone line (895-2229) should only be used for business/administrative questions.

I would also like to remind you, when you leave your residence, be sure to secure your home. If you are going to be gone for an extended period of time, come into the Police Department or go on to our web site obtain a "**Vacant House Check Form**". Fill out the form and bring it to the Police Station. We will check your property while you are away. Be sure to cancel your mail, paper deliveries and leave a light on a timer. You might also want to make a neighbor or a friend aware of it.

The Town of Fremont has an Alarm Ordinance that requires any alarm installed within the town to be registered with the Police Department. Without that information, we are unable to contact the owners or a key holder in the event of alarm activation. If we respond to your home for an alarm call, we will call the numbers listed on the form so it is important to include a cell phone number.

The registration forms (Vacant House, Alarm Registration) are available at the Safety Complex, or can be downloaded from our website www.fremontnhpd.com.

I also would like to invite the community to go online and check out the Fremont Police Facebook page "Like" The Fremont Police Department on Facebook. The site is kept up to date on current events in town as well as police activity and recent pictures. Please do not use the Fremont Police Facebook page to report an in-progress crime.

With the continuing financial support of many of our residents and local businesses, the cooperation and dedication of the staff at the Ellis School, and Mary Wheaton-Pinder of the Fremont Police Department, we are once again able to offer the **D.A.R.E. (Drug Abuse Resistance Education)** Program. The **D.A.R.E.** program is taught by certified **D.A.R.E.** Instructor Officer Greg Huard. Officer Huard has developed a great rapport with his students and has many success stories from his efforts in the school.

The 2015 NH Grass Drags on Martin Road, hosted by the NH Snowmobile Association brought in a record number of attendees this year, over 46,000 people attended the three (3) day event. The Fremont Police successfully oversaw the events traffic and crowd control with relatively few problems.

The Police Department and Fire Rescue Department members completed the 15th annual Santa Parade. We want to express a special thanks to all the volunteers that make this event a success: Santa and his elves, the Fremont Recreation Commission, Sergeant Jason Larochelle and all the other participants for contributing or taking time out of their busy schedules to be in our parade. The parade always brings smiles from all our Fremont residents.

To the residents of Fremont, the Fremont Board of Selectmen, the Town Office Staff, the members of the Fire Department, Highway Department and the members of the Police Department: Administrative Assistant Mary Wheaton-Pinder, Detective Sergeant Peter Morelli, Sergeant Jason Larochelle, Officers Gregory Huard, Kurtis Boissonneault, Erich Lutz, Joseph Gordon, Derek Franek, Andrew Artimovich, Jesse Emery and Joseph Wyner, Animal Control

Officer Renee King and Prosecutor Heather Newell, **Thank You** for your continued support and dedication. If you ever have any questions or concerns please feel free call my office at any time at 895 2229.

RESPECT, HONOR, REMEMBER

Respectfully submitted,

Jon Twiss
Chief of Police

Report of the Board of Selectmen

The Board of Selectmen, Department Heads and the Town Administrator have worked hard throughout the year to meet the Town's needs and while at the same time, live within the Town's budget. It should be pointed out that NH small town government and communities depend significantly on volunteers and those who seek public office for little or no compensation. The Board of Selectmen wishes to thank everyone who makes it possible: elected and appointed officials, Department Heads and employees and the ever-present volunteers. Thank you for all your service and commitment to the Town of Fremont.

In March, Neal Janvrin was elected to the Board of Selectmen for a three year term. Brett Hunter ended his time on the Board of Selectmen after over six years of service on the Board. We wish to thank Brett for his years of service. The current Board continues to be very dedicated and collectively has over 30 years of experience as Selectmen.

Events within the year included the Memorial Day Parade and Ceremony at the Village Cemetery, the Veteran's Day event and Wreaths Across America Ceremony, both held at the Fremont Town Hall. These three events honor our past and present military services members. As a community we are thankful and respectful of the work and sacrifice of all who put themselves in harm's way for our safety and protection. This includes our Police and Fire Rescue Departments.

In the 2015 Town Meeting Warrant the voters approved the purchase of a replacement fire truck. The Fremont Fire Department has been in need of this truck for several years and after previous unsuccessful efforts, the purchase was authorized. Fire trucks are custom designed and made. After the design was finalized, the order for the new truck was placed during the summer months. The new truck is anticipated to be received and ready to go into service by the fall of 2016.

Accomplishments in 2015 include:

- Completed the roof replacement and painting of the Historic Museum at 282 Main Street. This included trimming and removal of some dead trees very close to the building.
- Completed additional repairs to the library roof. The roof repair /replacement work was started in 2014 in response to unanticipated roof leaks. The work that was completed in 2015 was contracted and funds encumbered in 2014. Warrant Article 4 in the 2016 Warrant asks for additional funding in the Library Building Maintenance Expendable Trust Fund so that there is adequate funding for future replacement and repair needs.
- Initiated the replacement of the Town Hall heating system. The work is being completed in phases with the remaining work to be completed in 2016. There is a contract in place and the funds are encumbered for the future work. The funding for this came from the operating budget. Utilizing Capital Reserve Funds, we anticipate completing some renovations and improvements to the lower level of the Town Hall in 2016.

- Continued with the engineering design work for the replacement of the Martin Road Bridge utilizing funds from a Capital Reserve Fund dedicated for this purpose. The Town is on the waiting list for State of New Hampshire Bridge Aid funding to be available for this project.
- Year-end encumbrances also included:
 - Water tank replacement of the Fire Department's Tank 4 Truck as the tank has a leak that is not repairable.
 - Additional Automatic External Defibrillator (AED) Units for the Safety Services, Fremont Town Hall, Safety Complex and Public Library.
 - Purchase of replacement lawn care equipment
 - Repair paving a section of Taylor Lane
 - Wage study for 10 Town and Library positions
 - Equipment and set up for police cruisers

The Fremont Community Television (FCTV) initiative continues to progress with more live and recorded broadcasts and developing the capacity to broadcast from more locations in Fremont. It is the Board's understanding that the broadcasts have a developing audience of regular viewers and the feedback has been positive. Elsewhere in the Town Report there will be the FCTV report. As the capacity has been developed, the FCTV Revolving Fund, that was 100 % funded by franchise fees paid by Comcast subscribers, is being utilized. It is anticipated that on a future Town Warrant, approval will be sought to reinstitute a franchise fee through Comcast to continue to fund Fremont Community Television's operations. The success of the FCTV development has been largely driven by the volunteer efforts of Bruce White, Bill Millios, Leo Danjou, Karen Gehalo and our consultant from RCTV, Kevin Woods. We are most appreciative of the vision and commitment to this initiative.

Last winter is remembered for the frequency and snow depth of the winter storms. This was a significant ongoing challenge for our Highway Department and the contractors hired to maintain our streets in the winter. We are thankful to the Road Agents, employees and contractors who did a great job at keeping our streets open and safe. One of the effects of last winter's storms was the cost over-run of the Highway Department winter maintenance which then impacted the budgeted funds available for road repairs, specifically money earmarked for paving, during the summer months. In the 2016 Town Warrant, Article 3 seeks to create an Expendable Town Trust Fund for highway winter maintenance. The intent would be to utilize the fund to help cover costs in years when there are extreme winter storms, thereby avoiding the need to routinely budget for extreme winter weather and also to avoid the situation where overspending on winter costs reduces the budgeted funds available for summer maintenance and repair projects.

We would also like to point out that in the Town Warrant there are two articles that have to do with repairs and overlays of Fremont streets. Fremont has over 40 miles of streets. Generally, the useful life of a paved surface is about 20 years. Therefore, it is important that we routinely address the maintenance and repair needs of our streets. Deferring needed road work means

the needs will be greater in the future and Town will have deteriorating road conditions until they are repaired.

Without a Recycling Committee in Fremont, we have lost touch in recent years with reporting on our municipal solid waste generation (MSW) and recycling numbers. We reviewed this information for the 2015 calendar year and are pleased to report slightly greater than 20% recycling average in Fremont. This is still some distance from the State's original goal of 40% diversion (recycling) to have been attained by the year 2000 as mandated by NH RSA 149-M:2. State averages overall are closer to 30%, so we do have more to accomplish.

Historical MSW and Recycling numbers are shown in the charts below:

Year	2015	2014	2013	2012	2011	2010	2009	2008	2007
Volume of Recycled Material	378.90	363.69	310.21	348.86	342.88	330.83	326	309.02	261.10
Volume of MSW Tipped	1,368.05	1,365.04	1,329.98	1,331.44	1,316.15	1,319.31	1,300.81	1,399.48	1,846.48
Total Tonnage	1,746.95	1,728.73	1,640.19	1,680.30	1,659.03	1,650.14	1,626.81	1,708.50	2,107.58
% Recycled	21.60%	21.03%	18.91%	20.76%	20.66%	20.04%	20.03%	18.08%	14.14%

These volume numbers are in tons. Our tonnage of MSW was greatly reduced from pre-2008 amounts, when we converted to the toter program. This in essence forced a move toward greater recycling as only one toter is allowed per household unit in accord with the trash contract. In 2007 for example, the amount of MSW was 1,846.48. In 2007 dollars (at \$64.51 per ton) this is a significant savings for the 447 tons which were not tipped in 2008. These amounts are also supplemented by the tons of scrap metal recycled on our bi-annual Bulky Drop-off days, as bulk waste costs significantly more per ton to dispose of. ***Every ton we recycle saves the Town \$61.85 in tipping fees, and every bulky ton recycled saves \$73.50!***

Recycling bins are available at the Town Hall during business hours, and recycling information is available on the website (Trash & Recycling link from the homepage); or by contacting the Selectmen's Office at 895 2226 x 11. We have seen families as large as 7 and 8 able to keep trash in one toter, simply by the amount they recycle each week.

The Town suffered a great loss this fall when Meredith Bolduc ended a courageous battle with cancer in October. Many people have known Meredith over the years in her most-recent capacity as Land Use Administrative Assistant. As many as 30 years ago she did a variety of things for the Board of Selectmen, including taking and preparation of weekly meeting minutes; and had been a member of the Zoning Board of Adjustment for years even prior to that. Her significant knowledge of Fremont history, and her help to our office is still greatly missed.

Once again we are grateful for the opportunity to serve the Fremont community and look forward to working with everyone again in 2016.

Respectfully submitted,

The Fremont Board of Selectmen

Report of the Town Administrator

In January after a lengthy process, the Library Trustees hired Eric Abney as our new Library Director. Eric had formerly been a Library Trustee and has a long history in books. We welcomed him to work in the height of the winter season at the end of January. He was immediately faced with library building maintenance issues and finding a temporary replacement for our Children's Librarian Lynda Miller. Eric has adjusted well to his new position and is helpful in many aspects of community service.

Selectmen signed a contract with Vision Appraisal in January for the statistical revaluation of the Town due for April 1st property values. Our kickoff meeting was held on February 10th and laid out the groundwork. The revaluation contract of \$39,500 was completely funded from the Property Assessment Capital Reserve Fund and did not impact the current year tax rate.

The January 27th Blizzard made news for days. It was followed by storms several times a week throughout the month of February. Our snow removal budget was spent by the end of February and additional building maintenance funds were spent on snow removal from several of our roofs. We had water damage from ice dams, which also had to be repaired. It was

a tiring, snowy winter season for everyone. We offer our thanks to winter plow crews who did a great job under horrible circumstances. It was a community effort in February to clear roofs and take care of our buildings and streets, and several people stepped up to help us including local winter plow contractors, our Highway Department, and several of our Police and Firefighters at times when we did not have enough maintenance help. I truly appreciate all of our employees and volunteers, who go above and beyond the call of duty every day.

The blizzard made us eligible for FEMA reimbursement for some of our winter costs. Jeanne Nygren did these submissions in March, resulting in the Town's receipt of \$17,968 in reimbursement by year end. This offset some of the overages from winter maintenance within the Highway Department budget.

Our Deliberative Session originally scheduled for Monday February 2, 2015 was postponed for a snow storm, and held on Wednesday February 4, the planned snow date. We had 48 registered voters in attendance, and the meeting was full of great questions and discussion. Only one amendment was made to the posted Warrant, which moved forward to voters in the Official Ballot for voting on Tuesday March 10th.

In February the equipment for a cable broadcasting studio at the Town Hall was installed and we began a much more routine schedule of live broadcasting and taping of meetings and events. Cable Coordinator Bruce White has worked tirelessly on these endeavors and is seeing the fruit of his labors as people look for programming, submit more material for replay, and use the bulletin board for notices and information. A Cable Committee was appointed this summer as we adopted FCTV Operating Guidelines, and Bruce was joined by Cable Committee volunteers Karen Gehalo, Bill Millios and Alternate Leo Danjou. Karen resigned by year end due to time constraints and Leo has filled that spot. Nearing year end, we saw increased interest from volunteers and hope to report on even greater community involvement in the 2016 Town Report! I want to thank Bruce

again, along with RCTV Coordinator Kevin Woods for their dedication to this important project. It would not have happened without all their hard work. It is amazing to see what they have accomplished this past year.

We welcomed Maintenance Worker John Millett back to work in the spring. We also hired Maintenance Worker Mike Paradie to help in John's absence and catch up on some of the overdue maintenance projects. It has been helpful having a couple of part-time Maintenance Staff to "fill in" as needed. We were also fortunate to find resident Vinnie Morrison to assume the maintenance tasks at the Fremont Public Library early in 2015. With this help, we were able to paint the shed at Village Cemetery and sand/salt storage barn at the Highway Site, and also made progress on some work at the Town Hall to improve emergency access and replace a rotted door.

On March 5th Police Officer Derek Franek was honored for his lifesaving role in the tragic events of May 12, 2014 which claimed the life of Brentwood Police Officer Steve Arkell. The Red Cross "Heroes Breakfast" ceremony was held in Manchester and saluted these officers, among other community heroes. In May, Officers Franek and Artimovich and Sergeant Larochelle travelled to Washington DC when Officer Arkell's name was added to the Law Enforcement Memorial. Officer Franek and Chief Twiss were honored again at the Union Leader/Citizen's Bank Hero Awards Ceremony in Concord on May 6th.

On March 10th voters moved forward the proposed operating budget totaling \$2,548,921 and supported Warrant Articles to fund several Capital Reserve and Expendable Town Trust Funds, which are savings accounts for the future. Voters also supported Mosquito Control (\$49,550);

and the long-awaited purchase of a fire truck (\$470,455). The fire truck contract negotiation took us until late May, but was approved on May 28th with a prepayment arrangement that saved taxpayers \$15,067 on the total cost of the truck with a final price of \$455,338. That sum was returned to the General Fund.

The support in 2015 for Capital Reserve Articles puts the Town in a better position to fund our long-term capital purchases, and creates more of a balanced tax rate impact. The revaluations since 2005 have been completely funded by this savings account, and if we can continue to fund it annually (currently \$10,000), we should be able to maintain that status. Thus we would not have a bump in the tax rate every fifth year when we are required to revalue properties.

Also at March elections, we bid a fond farewell to Brett Hunter who has served the Board of Selectmen, Planning Board, Budget Committee and Fire Rescue Department for many years. Brett thankfully transitioned to become a member of the Fremont Planning Board, continuing to share his experience with that Board. Nearing year end, Brett retired from the Fremont Fire Rescue Department to pursue an advanced degree. We thank him for his many years of service to the Town in many roles and hope that he will continue serving the Planning Board.

and Committees.

Our former Police Chief Neal Janvrin was elected to the Board of Selectmen in March. Neal's diverse background made him a quick study for the position. We appreciate his vast experience with many municipal matters, and the Board continues to work well together and with our many Department Heads, Officials,

The Fremont Police Department won the 2015 CAC Bowling Event in March to help "Strike out Child Abuse." This annual event raises money for the Child Advocacy Center of Rockingham County and provides an amazing service to endangered youth in the Seacoast. Pictured here are Ellen Arcieri, Jon Twiss, Jason Laroche and Kurtis Boissonneault. It was a great event for a great cause.

Our beloved Children's Librarian Lynda Miller passed away in early May after having been out of work since January. The Library held a Memorial Service on Sunday June 28th that was a lovely tribute to her and her time in Fremont. Lynda built many of the Children's Programs at the Fremont Public Library. We were so happy to be able to have this tribute to Lynda and are

thankful for her many contributions to our Library programs since the new building opened in 2002.

On May 19th, our Police Chief Jon Twiss quietly celebrated the fact that he has been in law enforcement for 30 years. Many of you have met Chief Twiss, who joined us in August 2013, coming to Fremont from a 28 year career with the Derry Police Department. We thank Chief Twiss for his many years of service to law enforcement and all he has done to continue on the foundations laid, and continuing to build the Fremont Police Department to the recognized agency it is today. DARE Officer Greg Huard held a more formal DARE Graduation, and aspires to do more in the future to celebrate the Ellis youth completing this important program.

In late May we hired our new Children's Librarian Nancy Mason, having advertised for a temporary position. This finally returned our Library staffing to it's regular level. We had a great Summer Reading Program, kicked off by the Heroes Event on Saturday July 18th. We continue to see increased usage of our Library, and that will continue to grow as it is now a satellite location for FCTV broadcasting, and a comfortable, accessible place to hold meetings and events.

Our Annual Memorial Day Celebration was wonderful. We had a beautiful Memorial Day on Sunday May 24th. Weather was perfect for the parade and the outdoor events. We are thankful to Tom McGall who stepped in with only a moment's notice, to be our guest speaker to cover for illness of the planned speaker. Tom is a crowd favorite with his soft and earnest expression of dedication to the armed services, his many friends, and our honored service men, women and war dead.

We had more children than usual marching, and do love to have the increased community participation in this important ceremony. Thank you one and all who help to make this day a real remembrance. The Parks & Recreation Commission had a picnic waiting at Ellis as we did the return march, and their energy and contributions are appreciated!

A huge thank you to our many veterans who come out for these events, to share your experiences and stories with us. We thank you for your sacrifice and your immense service to Our Country. We are already planning for the 2016 events, so please come forward early to see what you can do to participate in the ceremony. Jeanne Nygren does a great job organizing the event each year and would love to hear from you on how you can help!

Our dear friend and co-worker Meredith Bolduc took a partial leave in May, but was able to work through much of the summer. When she could not get into the office she continued to serve as my advisor and guide to handle the Town's Land Use matters. None of this was to the level she could provide, but the goal was to keep the door open until she could return.

When she passed away on October 10th Fremont lost a true gem, genuine friend, and a wealth of knowledge about Fremont, and Planning and Zoning in general. She had been a volunteer and employee for nearly 40 years in some capacity or another, and had more institutional

knowledge of Fremont's Land Use than anyone I know. She continues to be missed here at the Town Hall on a daily basis. Her warm smile, kindness, friendship and support have been an important part of my life for greater than 20 years.

In June we held the first ever "Little Miss Fremont" Pageant as a fundraiser for the Miss Fremont Scholarship Pageant. These young ladies dazzled us with their energy and spirit. I was amazed with their talents, and lack of stage fright! Erica Smith, Tessa Donigian and Jordan Cloutier were delightful in

their presentations. Tessa Donigian was crowned Little Miss Fremont and participated in many events throughout the year.

Another field maintenance project took place during the summer, resulting in cleanup of the area adjacent to the driveway all along Main Street. This volunteer effort was organized by Doug Brown and assisted by Mike Rydeen, Bob Sabatini and Jeff Lescizka. Thank you all for your dedication to Fremont youth! The efforts of the FAA and our part-time maintenance staff is greatly assisted by all of these volunteers. We sincerely appreciate all you do!

Work continued through the summer and fall on replacement of the Town Hall heating system. The engineer finished drawings and we put the work out to bid and it was awarded to Fremont vendor Ideal Temp HVAC. Two new furnaces were installed in October and are working well. Money for additional work was encumbered and work will continue this spring. Bob Meade continues to work with maintenance staff on items for the basement renovations, and we expect with his capable leadership that much of the work will be done in-house with significant savings in the overall cost.

On August 1 we watched another beautiful Miss Fremont Scholarship Pageant at the Historic Old Meetinghouse. It was a perfect venue for orchestration of the girl's hard work preparing. Our Miss Fremont 2014 Amanda Arsenault crowned our Miss Fremont 2015 Ashley Buchanan, and Megan Mission was the runner up. They presented themselves well and my hat is off to these talented young women for their courage and spirit! Director Mary Wheaton-Pinder does an amazing job putting it all together! (Contestants Megan (L) and Ashley (R) were escorted by Fremont Police Sergeant Peter Morelli for the evening wear competition).

In September a subcommittee formed to begin work on the Capital Improvements Plan (CIP). It included two representatives each from the Planning Board and Budget Committee, and one representative each from the School Board and Board of Selectmen. The group worked with our Circuit Rider Planner Jenn Rowden through December to come up with a CIP document which will be presented by the Planning Board this spring. The CIP must be updated annually and looks out for six years of capital costs anticipated by the Town and School District. This will be an important budgeting and planning tool as we continue to build our Capital Reserve Funds and plan for future capital needs. The goal is to effect some balance on the tax rate while supporting the Town and School District capital needs and infrastructure.

Planner Jenn Rowden is covering some hours in the Land Use Office on Tuesdays from 12:30 to 3:30 pm pending hiring of a Land Use Administrative Assistant. You can reach her through the office at 895 3200 x 17 or FremontPZ@comcast.net.

The first-ever Ellis Community Fair was held in September on Open House Night and was a great gathering of many Fremont groups and organizations, with our largest population, school families. It was a nice venue to see people and talk about the many ways to get involved in Fremont. Our Parks & Recreation also held their first Christmas Fair on December 12th, to promote local businesses during the holiday shopping season.

In October, the "New Seniors" group began to take shape, organized by Suzanne Wicks. This group meets monthly at the Fremont Public Library and welcomes seniors of all ages, with their motto "70 is the new 50"! They plan an event monthly on a variety of topics. Consider coming out for one of their meetings, usually the second Tuesday of the month.

Veteran's Open House was held on Wednesday November 11, 2015. We had a wonderful crowd and nice service with Veteran's of all ages sharing stories and lore. This, along with our annual Memorial Day event, and Wreaths Across America, is truly special for Town Officials and the community to gather and show our thanks and support to Veterans and active service personnel of all generations.

The 2015 operating budget included funding half a year of one new full-time officer for the Fremont Police Department. The hiring process began in March, and we hired Erich Lutz over the summer and he attended the 169th NH Full-Time Police Academy which began August 31st. He returned to patrol the streets of Fremont in December and will continue field training with another officer for a few more months. We also replaced the part-time vacancy with Joseph Wyner who attended the part-time academy over the summer and fall, and continues to do field training with Fremont officers.

The Selectmen and I spent September through November meeting weekly with the Budget Committee presenting the budget for 2016. We do this annually and these meetings are a good way to learn more about the budget details. Due to the schedule conflicting with the Planning Board meetings on Wednesday nights, not all are live broadcast, but they are taped (when not

live) and rebroadcast during the weeks that follow. The rebroadcast schedule is uploaded weekly to the Town's website, and is also published on the FCTV Channel Bulletin Board.

New construction and other property improvements, coupled with the recertification process, increased the Town's overall assessed valuation from \$382,722,639 to \$389,025,519 for the September 2015 tax rate setting process. Many more new homes were constructed within the Black Rocks Village project, and construction continued in the second phase of the Spaulding and Frost subdivision, along with new homes on Thunder Road and Jacob's Cove. The recertification process was completed in late August and values did not change too much overall. Certain neighborhoods saw increases based on sales values, but the overall effect was that most values were similar to the prior year.

We continued to chip away at overdue building maintenance items. Funds were encumbered from 2014 to finish the north and south sides of the library roof and that work was done in May 2015. We had ice dams from the front rounded roof section, and also got that repaired in 2015.

Additionally, funds were budgeted for the painting and reroofing of the Fremont Historic Building at 282 Main Street. This was put out to bid and awarded in May to KTM Properties. A new window box, stairs and a landing were done by Town maintenance staff and made a big difference in the appearance of the building.

I encourage residents to sign up for the items available by email subscription from the website. You can receive an email notification of the posting of the monthly Town Newsletter, Emergency News, items posted to the homepage, and other minutes and information. All you have to do is visit the website, sign up for email alerts (or other lists), reply to confirm your information, and you will then be sent an email notifying you of postings of the requested items. This can

be done from the left hand navigation bar at www.Fremont.nh.gov in the "Subscribe to E-Alerts" section.

In November, Selectmen appointed AEMT Nathan Draney as the Town's Emergency Management Director. He is just learning the many facets of this position, and we look forward to working with him on updates to the Town's Emergency Operations Plan in the coming year.

Prior to his starting, we did finish updates to Fremont's Hazard Mitigation Plan (updates to both plans are required every five years).

Thank you to others not already mentioned, who left their service to Fremont in 2015 including 15 year veteran of the Fremont Police Department Corporal Robert Allore; and five-year Road Agent Mark Pitkin. Tyra Vargas left the Budget Committee, as did Neal Janvrin when he was elected Selectman. Leon Holmes Jr completed his term as a Cemetery Trustee and continues to serve as our Road Agent. Police Detective Lieutenant Ellen Arcieri left in the summer to pursue employment elsewhere. Jackson Rowell went off to college and Jess Downing is pursuing full-time employment elsewhere.

EMD Joyce Booker-Janvrin did not pursue reappointment and also left her position on the Fire Rescue Department, as did Nate Perry, Trevor Coish and Jode Lennon. A special thank you is offered to the members of the Fire Rescue Department for hundreds of cumulative hours annually dedicated to Fremont's Fire and EMS needs for very little pay, and many volunteered hours. The training and time required to maintain EMS licensure and remain proficient at these important roles is immense. It is one of the greatest labors of love one can take on, from my own personal experience. A big thank you to all of our Public Safety Officials for all they do every day to keep Fremont safe and secure.

Two long-standing Food Pantry volunteers stepped down in 2015, and we offer many thanks to Debbie Burke and Stephanie Sim-Valliere for all the work they have done for the community in that role. We were pleased that Debbie was able to return to the Pantry late in the year! The Fremont Food Pantry provides an incredible service to our residents and the volunteers are to be thanked for all their hard work. It would not be possible if not for the generous donations of Fremont residents and the Food Drives sponsored by our Scouts and Ellis School.

Other groups like the Wednesday knitters at the Library, who knit for anyone who needs warm hats and mittens, and Gerry Tilley who spends countless hours organizing Wreaths Across America to honor our veterans, Scouts, Youth Athletics, Town and School Committees are a big parts of what make Fremont a special place. Thank you all!

We thank everyone who gives so freely of their time to volunteer service in Fremont. Our dedicated employees, and all of the Town's many talented volunteers are invaluable to the day to day function of Town Government.

If you have some time and the desire to be involved in a role within the community, please come forward. There are unfilled positions on the Zoning Board of Adjustment, Planning Board (Alternates), Conservation Commission, Parks & Recreation Commission, and always room for Energy Committee and FCTV Volunteers. Event planning and

execution with the Parks & Recreation Commission is another short-term commitment you might also consider. We are looking for folks to help with elections setup and takedown, as well as other short-term election/voting duties. We do need your help! There are also some part-time positions posted within the community and we are looking for experienced people to come forward and apply.

The Town can use your help, and community service is one of the most rewarding things you will ever do. There are so many opportunities to get involved in Fremont. Participate in the annual meetings and find a Committee or Board that interests you. Come on out and see what is going on! As we are able to increase our cable programming, you can watch even more of what is happening in Fremont on FCTV Channel 22!

Thank you for your patience and support in these difficult economic times. We do understand the hardship families are facing, and continue to work hard to do as much as we can for all of our residents. The Selectmen continue to meet weekly to address the Town's business, at 6:30 pm on Thursday evenings in the basement meeting room at the Town Hall. Our meetings are live broadcast, and minutes for all Boards and Committees are posted to the Town's website once approved. Please let us know what else you would like to see posted and available as we are always trying to reach out with more information that people want to see.

Please feel free to contact me with any questions or for general information at 895 2226 x 10 or by email at FremontTA@comcast.net.

Respectfully submitted,

Heidi Carlson
Town Administrator

Report of the Zoning Board of Adjustment

In 2015 the Fremont Zoning Board of Adjustment convened for a total of 10 monthly meetings. Seven requested actions were addressed and three site visits were conducted which resulted in the following actions:

Case #	Map / Parcel	Application	Final Status
15-001	Map 2 Lot 173.013	Equitable Waiver	Granted
15-002A	Map 3 Lot 032	Special Exceptions	Granted
15-002B	Map 3 Lot 032	Variance	Granted
15-004	Map 7 Lot 112	Equitable Waiver	Granted
15-005	Map 2 Lot 135.001	Variance	Granted
15-006	Map 5 Lot 069	Equitable Waiver	Granted
15-007	Map 5 Lot 069	Special Exception	Granted

In addition to hearing the cases that came before the Board, early in the year we also held several "work sessions" on regularly scheduled meeting nights to discuss and review:

- Recent court decisions and how they would, or could, affect Fremont.
- Legal updates to the Zoning Board of Adjustment.
- The criteria for the forms of zoning relief including Variance, Special Exception, Equitable Waiver of Dimensional Requirements and Appeal From Administrative Decision. Each of these has a very legal and unique set of conditions and procedure.

Purpose of the Zoning Board of Adjustment:

The purpose of the Zoning Board of Adjustment is to hear and make decisions relative to Appeals from Administrative Decisions, Special Exceptions, Variances and Equitable Waivers of Dimensional Requirements. Appeals for a rehearing are also part of the Board's responsibility.

Applications, Public Hearings, Site Visits and Decisions:

Each zoning application is carefully reviewed and considered by the Zoning Board of Adjustment Members. The Board typically meets at least three (3) times for each application request.

1. First there is a duly noticed Public Hearing held at the Fremont Town Hall. This Public Hearing gives the applicant the opportunity to present his/her case and for Board Members, the public and abutters to become informed of the applicants request and to ask questions and convey any concerns. Continuation dates are usually chosen by the Board at this Public Hearing for a Site Visit and to resume the meeting at the Town Hall.
2. The Site Visit is helpful in that it allows the Members to visualize how the request might fit to the property and terrain. It also allows abutters to view the site and better understand the proposed use.

3. Back to the Town Hall to continue the application presentation and for a possible decision.
4. Sometimes, depending on the scope of the case or time constraints, there can be further continuations of the Public Hearing before a decision is rendered.

The Land Use Office suffered an astronomical loss in 2015 with the illness and passing of our long-time Land Use Administrative Assistant Meredith Bolduc. Meredith has been with the Zoning Board of Adjustment since the 1980's, as the Secretary and for many years also as a member. She is greatly missed by this Board. Her vast experience and knowledge were second to none. She kept us informed of all pertinent legal updates and changes that may affect the ZBA and Fremont. She operated the Land Use Office operating efficiently and effectively in a professional manner, providing a great deal of support to the ZBA.

Our gratitude is extended to the Members who continue to volunteer their time and efforts to serve on the Town of Fremont Zoning Board of Adjustment. Their commitment and dedication to voluntarily serve the Town does not go unnoticed. Being a member of any Board takes a certain amount of commitment because members are expected to attend meetings on a regular basis. Alternate members are also expected to regularly attend meetings so they can be knowledgeable of the issues and able to step in as a voting member when a regular member is absent.

Current Members of the Fremont Zoning Board of Adjustment:

Douglas Andrew, Chairman
John (Jack) Downing, Member
Dennis Howland, Member
Neal R Janvrin, Alternate

There are currently two full Board
Member vacancies on the ZBA.

Please visit the Zoning Board of Adjustment page on the Fremont Town website at www.fremont.nh.gov for ongoing updates and information relative to the Zoning Ordinance, decisions, minutes and agendas/meeting notices.

If you have any questions, concerns or suggestions for the Zoning Board of Adjustment, or if you would like to participate by filling one of the available positions, please contact the Land Use Office at 895 3200 x 17 or contact Town Administrator Heidi Carlson at 895 2226 x 10.

Respectfully submitted,

Douglas Andrew
Chairman

2015 Community Giving Projects

Fremont Pack 1 – Bear Den

Once again our faithful Scouts did a cleanup and helped with maintenance at Fremont's historic Village Cemetery on Main Street. The boys helped around Memorial Day Celebrations and

came back again in the fall (November 7) when they helped with leaves and fall cleanup.

Thank you Scouts!

The boys in the den are Mark Lachance, James Thompson, Jake Higginbottom, Tyler Warren, and Bobby Crane.

Photo Courtesy of Cindy Crane

Bulky Day

Several more Fremont Scouts including Kristofer Adams, Daniel Warren and Kenneth Adams along with Leader Kriscinda Adams volunteered their time at Fall Bulky Day on October 17th.

Volunteers are always welcome at Bulky Day. The comment they sent back was "Thank you so much we had fun." THANK YOU to all of our Bulky Day volunteers who make the day go smoothly, and so enjoyable! We appreciate all of your help!!

Garden Club Beautification

Every year the Fremont Garden Club (FGC) goes to great lengths to beautify Fremont with plantings at the Town Buildings, barrels at each town line sign, and holiday decorations through the Fall and Winter seasons. They faithfully get out to weed and water all of these plants all summer long, lugging buckets and containers of water from their homes!

Thank you all for your hard work and dedication to beautify Fremont!

Parks & Fields Beautification

A group of dedicated Fields Volunteers including Doug Brown, Bob Sabatini, Mike Rydeen and Jeff Lesiczka spent a lot of hours in 2015 clearing and cutting brush from the area adjacent to the driveway at Memorial Fields. Their work has made the fields visible from Main Street and cleaned up the area immensely.

Thank you to all of our Fields volunteers!

Fremont 250th Committee

Thank you to the Fremont 250th Committee for purchasing and installing signs in several Fremont Cemeteries in 2015

This sign located at the Ingalls ~ Sleeper Cemetery Martin Road, Fremont.

Thank you to all who help to make Fremont a great place to live and raise your family!

“People coming together as a community can make things happen.”

Jacob Rees-Mogg

Report of the Exeter-Squamscott River Local Advisory Committee

The Exeter-Squamscott River Local Advisory Committee (ESRLAC) is comprised of dedicated volunteers representing the twelve communities in the Exeter-Squamscott River watershed: Chester, Raymond, Fremont, Sandown, Danville, Kingston, East Kingston, Brentwood, Kensington, Exeter, Stratham and Newfields. The Exeter-Squamscott River is one river with two names, reflecting the fresh water (Exeter River) and salt water (Squamscott River) portions of this major tributary to Great Bay.

ESRLAC celebrated its 19th year of stewardship of the river and its watershed in 2015. The year was marked by several activities, including on-going discussions with municipalities and state and federal agencies about water quality in the river and its impact on water quality in Great Bay, the review of development proposals along the river corridor, and assisting with stormwater management projects. Several ESRLAC members participated in Project WISE, an innovative project designed to identify ways in which the Towns of Exeter, Stratham, and Newfields can work together to cost effectively protect water quality in the river. Development and population growth in the Exeter-Squamscott River watershed result in an increasing amount of pollutants entering the river from lawns, septic systems, roads and parking lots.

In 2016, ESRLAC will continue to work with residents and towns to reduce the amount of pollution entering the river to improve water quality and wildlife habitat, and increase public access and recreational opportunities on the river. ESRLAC looks forward to the removal of the Great Dam in downtown Exeter in 2016, as dam removal will improve fish passage along the river and restore the river's natural flow, improving water quality.

The Exeter-Squamscott River is enrolled in the New Hampshire Rivers Management and Protection Program, a unique partnership between citizens and state and local governments designed to promote and protect the river's outstanding natural and cultural resources. ESRLAC seeks members from all communities in the watershed. Please call the Rockingham Planning Commission at 603-778-0885 for more information.

*Great Blue Heron
in Fremont*

Photo Courtesy of Bob Meade

The heron is a migratory bird found in NH with long legs and neck, a long, straight bill (average of eight inches, sharp and pointed), short tail and unwebbed feet. The foot has four long, clawed toes – three forward and one behind. The middle toe has been adapted for grooming and preening.

In flight, the neck is held in a curve the shape of an “S.” Herons often have a feather headdress that grows into long, fancy plumes at breeding time.

Most species wait patiently, standing completely still and then spear their prey with their bills.

*Though herons are occasionally confused with cranes, their habits are quite distinct. The Great Blue is doing well in NH. With a wingspan of 42-60 inches, and at 48 inches tall, the Great Blue Heron (*Ardea herodias*) is one of the state’s largest birds and certainly the largest wader.*

**FREMONT SCHOOL DISTRICT
THE STATE OF NEW HAMPSHIRE
2016 SCHOOL WARRANT**

To the Inhabitants of the Fremont School District in the Town of Fremont, New Hampshire, qualified to vote upon District affairs:

First Session of the Annual Meeting (Deliberative):

You are hereby notified to meet at the Laurence Pettengill Hall, Ellis School, in said District on Saturday, the Thirtieth (30th) day of January 2016, at nine o'clock in the morning. This Session shall consist of explanation, discussion and debate of Warrant Articles 2 - 4. Warrant articles may be amended subject to the following limitations: (a) warrant articles for which wording is prescribed by law shall not be amended and (b) warrant articles that are amended shall be placed on the official ballot for a final vote on the main motion, as amended.

Second Session of the Annual Meeting (Voting):

FURTHER: You are hereby notified to meet at the Ellis School 432 Main Street, in said District on Tuesday, the Eighth (8th) day of March, 2016, to vote by official ballot on Articles 1 - 4 as amended. Polls open at 7:00 am and remain open continually until 8:00 pm to act upon the following subjects:

ARTICLE I. To choose the following School District officers:

- | | |
|---------------------------------|-------------|
| a. Two (2) School Board Members | 3 Year Term |
| b. One (1) School Board Member | 1 Year Term |
| c. 1 Moderator | 1 Year Term |
| d. 1 Clerk | 1 Year Term |
| e. 1 Treasurer | 1 Year Term |

ARTICLE 2. Shall the Fremont School District raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amount set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth, totaling \$12,353,571 Should this article be defeated, the default budget shall be \$12,700,700 which is the same as last year, with certain adjustments required by previous action of the Fremont School District or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only.

NOTE: This operating budget warrant article does not include appropriations proposed under any other warrant articles.

(Not Recommended by the Fremont School Board 1-4-0)
(Recommended by the Fremont Budget Committee 4-2-1)

ARTICLE 3. To see if the Fremont School District will vote to raise and appropriate up to the sum of Ten Thousand Dollars (\$10,000) to be added to the previously established expendable trust fund, known as the Ellis School Building and Grounds Maintenance Fund. This sum is to come from the June 30, 2016 fund balance available for transfer on July 1, 2016. No amount to be raised by taxation.

(Recommended by the Fremont School Board 5-0-0)
(Recommended by the Fremont Budget Committee 7-0-0)

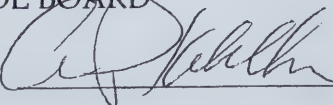

ARTICLE 4. To see if the Fremont School District will vote to raise and appropriate up to the sum of One Hundred Thousand Dollars (\$100,000) to be added to the previously established expendable trust fund, known as Tuition Trust Fund. This sum is to come from the June 30, 2016 fund balance available for transfer on July 1, 2016. No amount to be raised by taxation.

(Recommended by the Fremont School Board 5-0-0)
(Recommended by the Fremont Budget Committee 7-0-0)

Given under our hands at said Fremont, New Hampshire, this 19th day of January, 2016.

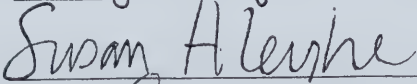

A true copy of warrant - attest:

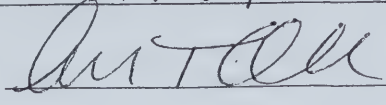

FREMONT SCHOOL BOARD

Andrew Kohlhofer, Chair  Date 1/19/16

Jennifer Brown  Date 1/19/16

Gregory Fraise  Date 1/19/16

Susan Levine  Date 1/19/16

Angela O'Connell  Date 1/19/16

From the School Board....

The Fremont School Board would like to wish everyone a Happy New Year! We would like to inform all our taxpayers about some of the school district warrant articles that will appear on the ballot this coming March.

Warrant Article 2

Shall the Fremont School District raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amount set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth, totaling \$12,457,950. Should this article be defeated, the default budget shall be \$12,700,700 which is the same as last year, with certain adjustments required by previous action of the Fremont School District or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only.

NOTE: This operating budget warrant article does not include appropriations proposed under any other warrant articles.

(Recommended by the Fremont School Board 5-0-0)
(Recommended by the Fremont Budget Committee 7-0-0)

The tax impact will not be calculable until the incoming revenues are determined.

After initial consideration and cuts, the Fremont School Board brought their recommended budget to the Budget Committee and the Budget Committee requested significant further cuts. The School Board went back and cut an additional \$378,552. That is the proposed budget in the warrant article. This proposed budget cuts 2.5 teachers from the FY16 operating budget as well as teacher supplies, replacement furniture, additional technology, and more. The default is higher and its figure is defined by statute.

Warrant Article 3

To see if the Fremont School District will vote to raise and appropriate up to the sum of Ten Thousand Dollars (\$10,000) to be added to the previously established expendable trust fund, known as the Ellis School Building and Grounds Maintenance Fund. This sum is to come from the June 30, 2016 fund balance available for transfer on July 1, 2016. No amount to be raised by taxation.

(Recommended by the Fremont School Board 5-0-0)
(Recommended by the Fremont Budget Committee 7-0-0)

No new taxes to be raised.

This article allows the Board to deposit up to \$10,000 in the Ellis Building and Grounds Trust Fund from this year's budget if funds remain at the end of the year. This trust fund has existed for many years and funds occasion unbudgeted maintenance. It has recently funded new roofs on the modular, replaced carpeting in the modular, library and main office, replaced ageing electrical boxes, and much more. Roof shoveling funds were cut back in the FY17 budget with the understanding that this fund would cover these extra costs. Also, \$15,000 was not included in the FY17 budget with the intent to remove those funds from this trust fund to cover approximately half the cost of replacing the ageing rooftop air handler which is due to be replaced now. The fund presently has \$33,059 in it and these two items would reduce the balance to \$11,059 as the remaining building emergency fund.

Warrant Article 4

To see if the Fremont School District will vote to raise and appropriate up to the sum of One Hundred Thousand Dollars (\$100,000) to be added to the previously established expendable trust fund, known as Tuition Trust Fund. This sum is to come from the June 30, 2016 fund balance available for transfer on July 1, 2016. No amount to be raised by taxation.

(Recommended by the Fremont School Board 5-0-0)
(Recommended by the Fremont Budget Committee 7-0-0)

No new taxes to be raised.

This article allows the Board to deposit up to \$100,000 in the Tuition Trust Fund from this year's budget if funds remain at the end of the year. The Tuition Trust Fund was started last year to provide a buffer that is no longer in the operating budget for unexpected expenses for Sanborn Tuition (more students enrolling than predicted) and for any unbudgeted out-of-district special education placements. At any time, an existing student may require such a placement, or a new student to the district may come with an IEP requiring such a placement.

Should you have any questions, please don't hesitate to contact our Superintendent, Dr. Betsey Cox-Buteau at 603-895-6903. Thank you for your continued support.

Respectfully Submitted,

Fremont School Board

Default Budget: Fremont Local School

RSA 40:13, IX (b) "Default budget" as used in this subdivision means the amount of the same appropriations as contained in the operating budget authorized for the previous year, reduced and increased, as the case may be, by debt service, contracts, and other obligations previously incurred or mandated by law, and reduced by one-time expenditures contained in the operating budget. For the purposes of this paragraph, one-time expenditures shall be appropriations not likely to recur in the succeeding budget, as determined by the governing body, unless the provisions of RSA 40:14-b are adopted, of the local political subdivision.

Explanation for Increases and Decreases	
Account	Explanation

**FREMONT, NEWHAMPSHIRE SCHOOL DISTRICT
2015 DELIBERATIVE SESSION
SATURDAY, JANUARY 31, 2015
Ellis School, 9:00 am**

School District Moderator, Victor P. Sokul, Jr., called the 2015 Fremont School District Deliberative Session to order at 9:03am. He asked all in attendance to please stand as he led the Pledge of Allegiance.

He then introduced the School District Chairman, Ida Keane, who introduced the other Fremont School Board members; Shannon Bryant , Greg Fraize. She mentioned that Tammy Kitt could not be here due to a family emergency and Andrew Kohlhofer could not attend due to a work commitment. She also introduced William Phillips, the School District Attorney. Moderator Sokul then introduced the Budget Committee Chairman, Mike Nygren, who introduced the rest of the committee present: Mark Kidd, Mary Anderson, and Neil Janvrin.

Moderator Sokul explained the general rules of order and that Roberts Rules of Order would be used only as a guide to run the meeting. He explained that only Fremont voters are allowed to speak. He explained that there would be only one motion on the floor at a time. He explained that after an article is read, it will be followed by up to ten minutes of Board presentation and discussion, after which time, the public would be welcome to speak by going to the microphone, and to begin by stating your name and address. There would be a limit to four minutes per person for speaking at the microphone.

Moderator Sokul stated that there were eight Articles on the School Warrant.

Moderator Sokul read aloud ARTICLE 1 and explained that it does not require any action and cannot be amended at this time. It is as follows:

ARTICLE 1: To choose the following School District officers:

School Board Members: 2 for 3 years

Jennifer Brown

Greg Fraize

Sharon Girardi

Ida Keane

School District Moderator 1 for 1 year

Victor P. Sokul Jr.

School District Clerk 1 for 1 year

Patricia Coulombe

School District Treasurer 1 for 1 year

Elizabeth J. Stanley

ARTICLE 2: To see if the school district will vote to approve the cost items included in the collective bargaining agreement reached between the Fremont School District and the Fremont

Education Association which calls for the following increases in salaries and benefits at the current staffing level:

Fiscal year	Estimated Increase
2016	\$71,063
2017	\$ 44,734

and further to raise and appropriate \$71,063 for the current fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits required by the new agreement over those that would be paid at current staffing levels.

(Recommended by the Fremont School Board 5-0)
(Recommended by the Fremont School Budget Committee 6-0)

Article 2 was moved to the floor by Ida Keane, and seconded by Greg Fraize.

Ida Keane explained the terms of the agreement. She explained that this is a two-year contract which will go from July 1, 2015 to June 30, 2017. It contains a change in Bereavement Leave time from five days per year to five days per occurrence. The sick leave buy-back option has been eliminated. A Sabbatical Leave was added. She explained that there were changes to the health insurance plans. The contract includes three professional days per teacher per year with the available money pool increased from \$9000 to \$ 12,000 per year. Course reimbursement would require a grade of "B" or better. The retirement stipend would now require fifteen years with the district from the twenty year requirement currently in place. The extracurricular compensation pool was reduced by \$3,000 to reflect changes in positions. The work day was redefined, and the evergreen language removed from the duration clause. The changes in salary steps for year one include a 1.75% + \$1,000 increase per step added to the current salary schedule and an additional step 15 added to the schedule at 3% over step 14. All members would move one step in year one. In year two, there would be no step movement but a 1.75% increase to the new, year one salary schedule. Other contract changes include grammatical corrections which do not change current terms and some clarifications of the present language in several sections of the contract to ensure proper execution by administration and that reflect changes in associated laws.

Resident Gene Cordes asked if she could explain the health insurance changes.

School Board Chair Ida Keane stated that districts around the country are facing problems with budget increases associated with health insurance premium costs and the new laws of the Affordable Care Act, particularly the Cadillac Tax. The Board is trying to give the employees the care they need without penalizing the district with the Cadillac tax if the premiums become too high. So, what has been agreed to is to drop the high premium coverage programs that we currently have, like Blue Cross/Blue Shield, and switch to plans the Mathew Thornton HMO, SOS, and Luminos plans. These plans will provide a savings to the district in the premiums over the life of these contracts, and give employees plans that will best fit the needs of their families. We have agreed to pay 85 % of the Mathew Thornton HMO premiums and the employee pays 15%, and for the Luminos, we have agreed to pay 100% and offer a \$1,200.00 contribution to a health savings account, if they take this plan.

Resident Jodi Donahue asked if Ida could explain the changes in the work day.

School Board Chair Ida Keane explained the language was changed to state that the work day will begin 15 minutes before a student day begins and 30 minutes after a student day excluding early release days. Variations of the work schedule must be pre approved by the building principal.

Resident Angela O'Connell spoke to support Article 2 and the teacher contract. She explained that our schools state test scores have been rising. She explained that we have had some turn over in staff that was sad to see. Recently, there was a third grade teacher who had tremendous impact and was nominated for the teacher of the year award who left and she believed that one of the reasons being that there was not a new teachers' contract and not having an increase in pay over the years. So, that is something that is very concerning we do not want to lose staff that we have. She commended the budget committee and school board for supporting this and knowing how important it is to the support staff. She mentioned that the tax impact is small and this will attract more people into the community, fill some of the empty houses, and bring in people to help with the tax base. She mentioned that the best negotiations happen when there is a win win on both sides. She felt that the support staff would be getting an increase which they haven't since 2009 but there would also be some long term savings as well.

Resident Carla Smith represented the Fremont Educational Association and she thanked both the school board and the budget committee for their support with Article 2 and hoped that the community would see the true savings as well as keeping the longevity of the teaching staff at Ellis.

Resident Gene Cordes asked if Ida could explain what it means that the evergreen clause is going away.

School Board Chair Ida Keane explained that what the Evergreen clause means is that when the contract ends everything remains status quo with the then current contract. Ida referred to a comment Resident Angela O'Connell mentioned earlier about scores improving. She showed slides about how Ellis compared to other schools around. She mentioned we are not the highest paid but we are pretty close to lowest paid. The teachers haven't had a contract since 2009 so she thinks it would be great to get these contracts passed. She mentioned that they did come in with an operating budget lower than last year to help offset the costs to compensate the teachers, and with the hope of not hitting the taxpayers with too much, if any, tax rate increase. Right now they do not think there will be much of an increase unless revenue really drops and we won't know that until later. She showed that achievement in reading and math is going steadily up. We are doing good things and would like to compensate the teachers.

Moderator Sokul stated that Article 2 would go to the voters as written.

ARTICLE 3 Shall the Fremont School District, if Warrant Article 2 is defeated; authorize the governing body to call one special meeting, at its option, to address warrant article 2 cost items only?

(Recommended by the Fremont School Board 4-1)

(Recommended by the Fremont Budget Committee 5-1)

Article 3 was moved by Greg Fraize, and seconded by Shannon Bryant.

Moderator Sokul asked if any there were any questions. Moderator Sokul then stated that Article 3 will go to the voters as written.

ARTICLE 4 To see if the school district will vote to approve the cost items included in the collective bargaining agreement reached between the Fremont School District and the Ellis School Support Staff (AFT- Local #6223) which calls for the following increases ins salaries and benefits at the current staff level:

Fiscal Year	Estimated Increase
2016	\$ 25,182
2017	\$ 24, 757
2018	\$ 24,964

and further to raise and appropriate \$ 25,182 for the current fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits required by the new agreement over those that would be paid at current staffing levels.

(Recommended by the Fremont School Board 5-0)

(Recommended by the Fremont Budget Committee 6-0)

Article 4 was moved by Greg Fraize and seconded by Ida Keane.

School Board member Greg Fraize explained the negotiated terms of the Ellis School Support Staff agreement. He explained there will be an evaluation committee established. The grievance procedure was clarified. The number of vacation accruals was clarified. The sick leave accrual for calendar year employees was up to 70 days and academic year employees to 35 days. The accrued sick leave can be used for the care of a child or spouse up to ten days. Employees will be paid for the day when attending professional development during a normal work day. Changes to health insurance plans as well as Life Insurance were added. There was a clarification of pay installments and an annual longevity payment of \$500 after ten years of service. This Agreement is a three-year agreement which would go from July 1, 2015 to June 20, 2018. Year one would have a 1% increase to the salary schedule, adding \$750.00 to step 15, and eligible employees will move up one step. Year two would see a 1.5% increase to the salary schedule, add thirteen cents to para tracks, and eight cents to secretary and custodian tracks (to help offset HMO, POS costs) and all eligible employees would move one step. In year three, there would be a 1.5% increase to salary schedule. Year two adds a step 16 at 2% more than step 15 and all eligible employees move up one step. Minor changes to the contract include grammatical corrections which do not change current terms. Clarification of the present language in several sections of the contract was made to ensure proper execution by administration that changes in laws have been captured.

Resident Jeff Rowell asked if Greg Fraize could explain the 2016 increase of \$25,182 at the bottom part of the article "to further raise" for the current fiscal year.

School Board member Greg Fraize could not answer the question and referred to School District Attorney William Phillips.

School District Attorney William Phillips explained that is a two-part article. The first part is to approve cost items of the contract and the second part is to raise the appropriating funds. He then explained that the language terms are from the NH Department Revenue Administration website and that they read the current fiscal year, but it really is for the fiscal year 2016.

Resident Jeff Rowell explained that he was supportive of Article 2 and he has seen in the past that both boards have been supportive, and then it goes down in flames at the polls. So, he hopes the word gets out.

Resident Marian Guidoboni asked about the base salary of a paraprofessional for the first year. She then asked how much they could they make at step 15.

School Board member Greg Fraize responded that a first year support staff with certification presently starts at \$10.91. A first year certified teacher working at a para is \$13.91. A support staff member at step 15 makes about \$17 and change.

Resident Sue Levine she expressed her support for both contracts and thanked both committees for all their hard work. She hopes that this year will bring new results to the polls. She asked if we would have to have another warrant article to appropriate vote again if it failed.

School Board member Greg Fraize said at that point that there was a warrant article to deal with that potential issue.

Resident Sue Levine asked so if we get this passed we are good for three years.

School Board Member Greg Fraize agreed. Then he mentioned that the para-educators' step 1 starts at \$10.91 and step 15 is \$16.52. secretary step 1 is \$ 11.68 and step 15 is \$17.63. custodian step 1 is \$12.18 and step 15 is \$18.34. Lastly, the teachers' step 1 is \$13.09 and step 15 is \$19.81.

Moderator Sokul stated that is article will go to voters as written.

ARTICLE 5 Shall the Fremont School District, if warrant article 4 is defeated, authorize the governing body to call one special meeting at its option, to address warrant article 4 cost items only?

(Recommended by the Fremont School Board 5-0)
(Recommended by the Fremont Budget Committee 5-1)

Article 5 was moved by Greg Fraize and seconded by Shannon Bryant.

Resident Deb Genthner asked, "Why did the School Board have a 5-0 vote for Article 5 and a 4-1 vote for Article 3?" She was curious about why someone voted "yes" on article 5 and "no" on article 3. Ida then said that the gentleman that voted that way is probably not here today.

Moderator Sokul explained that if there was no further discussion that the article would go to the voters as written.

School Board Member Greg Fraize made a motion to restrict Articles 3 & 5 for reconsideration. School Board Chair Ida Keane seconded the motion.

Moderator Sokul stated that there had been a motion to restrict articles 3 & 5 for reconsideration and it has been seconded. He then opened the floor for discussion.

Being none, Moderator Sokul called for a voice vote. He asked that all those in favor indicated so by saying "I," and all those not in favor say so by saying "nay". There were no nays. Moderator Sokul declared that Articles 3 & 5 were restricted from reconsideration.

School Board Member, Shannon Bryant made a motion to restrict Articles 2 & 4 from reconsideration. School Board Member Greg Fraize seconded the motion.

Moderator Sokul stated that there had been a motion to restrict Articles 2 & 4 from reconsideration. He then opened the floor for discussion.

Moderator Sokul asked for voters to use their voting cards for this vote. Moderator Sokul asked for "All in favor of restricting articles 2 & 4 to please raise your voter cards? All of those who oppose?" Moderator Sokul declared that Articles 2, 3, 4 & 5 were now restricted from reconsideration.

ARTICLE 6 To see if the Fremont School District will vote to raise and appropriate the budget committee's recommended amount of \$11,701,213 for the support of schools, for the payment of salaries for the school district officials and agents, and for the payment for the statutory obligations of the district. This article does not include appropriations contained in special or individual articles addressed separately. Should this article be defeated, the default budget shall be \$11,717,436 which is the same as last year, with certain adjustments required by previous action of the Fremont School District or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only.

(Recommended by Fremont School Board 5-0)
(Recommended by Fremont Budget Committee 7-1)

Article 6 was moved by Greg Fraize and seconded by Ida Keane.

School Board member Greg Fraize explained that he had sat on both boards. He stated that the proposed budget was down \$155,773.00. He explained that they were hoping that both the teacher contract and the support staff contracts would pass. He explained that they budgeted Sanborn's tuition rate for the coming year based upon historical actuals not on the guaranteed maximum rate. That is one way that they were able to lower the budget. The Board budgeted for 7%, not the given rate of 9%. He mentioned the budget included adding a .5 custodian, a .5 Spanish teacher, and a .25 payroll specialist.

Discussion concluded without change to the article, so Moderator Sokul declared that article 6 would go to the voters as written.

School Board Member, Shannon Bryant moved to restrict article 6. School Board member Greg Fraize seconded the motion.

Moderator Sokul opened discussion about the motion to restrict Article 6 for reconsideration. He then asked for all in favor to raise their voter cards, then all those opposed. Then he declared that Article 6 was restricted from reconsideration.

ARTICLE 7 To see if the Fremont School District will vote to raise and appropriate the sum of \$10,000 to be added to the Ellis School Building and Grounds Maintenance FUND. An expendable trust fund previously established. This sum is to come from June 30, 2015 fund balance available for transfer on July 1, 2015. No amount to be raised from taxation.

(Recommended by Fremont School Board 5-0)
(Recommended by Fremont Budget Committee 6-0)

Article 7 was moved by Shannon Bryant and seconded by Ida Keane.

Resident Jeff Rowell asked what was in the trust fund now, and what have it been used for recently?

School Member Shannon Bryant explained what had been spend out of the fund. She explained that the prior balance was \$25,164.33. This year \$849 was spent for a 2-way radio base console, \$949 for an IDS floor scrubber, \$1296 for 2 vacuum cleaners and accessories, and \$12,790 for two roofs on the portables. This left a balance of \$15,879. She expressed that they felt it was important to keep up the building.

Moderator Sokul stated that Article 7 will go to the voters as written.

ARTICLE 8 To see if the school district will vote to establish an Out of District Tuition Fund, an Expendable Trust Fund per RSA 198:20-c, V for the purpose of providing funds for unanticipated out- of-district tuition expenses and to vote to raise and appropriate \$100,000 from the June 30, 2015 fund balance available for transfer on July 1, 2015 to be placed in the fund; further to name the school board as agents to expend from the fund. No Amount to be raised by taxation.

(Recommended by Fremont School Board 5-0)
(Recommended by Fremont Budget Committee 6-0)

School Board Chair, Ida Keane explained that this article would allow the district to take some of the savings in our budget that we have right now because we had budgeted our Sanborn tuition GMR at 15% when we were building the budget for this current school year. With that money there now, the Board could set it aside into this trust so that if by some chance the GMR that Sanborn gave us this year of 9.91% actually came in at the 9.91%, then there would be the funding to cover that cost. Historically, the GMR has always dropped by at least 3%, so we typically get a GMR rate that comes in at about half of the GMR. So, in sense this is like a rainy

day fund in case the tuition goes up. This may also help for an out-of-district placement. This rainy day fund money would not have to be built into the operating budget. We will not have to have an inflated operating budget if we have funds like this available. Also, there is money in our budget this year so the Board would not have to ask for a new \$100,000 to fund the trust.

Resident Jeff Rowell asked if this is a set article or would we have to vote on this every fiscal year.

School Board Chair, Ida Keane explained that this would be a permanent trust fund, and it may never get used but it would be there in case it was needed. She then stated, after talking with School District Attorney Will Phillips, that this is the first year we have not budgeted the full GMR because we are pretty safe in not doing that. Yet, at the same time we don't want to put the district at risk to have to spend more than was appropriated and call a special meeting to do so.

Resident Marian Guidonboni asked about the RSA relating to trust funds. She said that the article talks about being able to use funds according to RSA. She was concerned that funds may be diverted to be used to pay for other expenses such as health insurance premiums for employees of the district. How did the law go along with this article? Was this for educational expenses or can the funds be expended from this for other purposes?

School District Attorney Will Phillips explained that you can only use the funds for what they are set up for. The statute allows you to set up trusts for different reasons. So this trust is solely for funding out-of-district tuition. So, because the Board has been budgeting a large amount of money based on the GMR from Sanborn only to have the final tuition rate to come in historically at half of what the GMR was, this was a safe way to not have to do that. So the district has been running this surplus every year so the idea being that the article was to budget at the historical average and create this trust fund and it could only be used for the out-of-district tuition. The statute allows districts to create trust funds for many specific reasons. So a district could have an insurance trust fund. That is not what this trust fund is for.

Resident Marian Guidonboni asked if the purpose would have to be specifically named in the warrant article.

School District Attorney Will Phillips stated, "Yes."

Resident Marian Guidonboni asked that this warrant article would state that it will not be used for other purposes other than tuition.

School District Attorney Will Phillips stated, "No, the title of the trust states its purpose."

Resident Marian Guidonboni asked if the article had to specify only for out-of-district tuition.

School District Attorney Will Phillips stated, "No."

School Board Chair, Ida Keane said that this trust fund will save us from having to budget too much money for Sanborn and then having the GMR come in less than we budgeted, thus carrying a high unexpended fund balance each year.

Resident James Thompson asked why is there such a big difference between the GMR and what the actual tuition is every year.

School Board Chair, Ida Keane explained that Sanborn estimates the GMR before the budget goes in front of their voters or even before their public hearing. The GMR is their best guess, to use to propose their budget before it gets hashed out between everybody. So it gets decreased based on the final vote.

Resident James Thompson asked, "What happens if this doesn't pass and the increase is more than the 7% budgeted?" School Board Chair Ida Keane stated that we would have to find the money somewhere else in the budget because we did not budget for it.

Resident James Thompson asked, "Where would the cuts come from?"

School Board Chair Ida Keane explained that we would have to find them within the budget and then she said that the GMR has historically never come in at the estimate, but we would try to spend some of the FY15 fund balance on things we need for next year. That way we would have the money for tuition next year for the high school if this doesn't get passed and if the GMR comes in at the highest level.

Resident James Thompson asked, "When you are talking about spending the fund balance, you are talking about the extra balance from this year, because the actual increase this year was less than the GMR?"

School Board Chair, Ida Keane responded, "Yes."

Resident Dennis Keane asked, "What do we do with the excess funds if it doesn't pass?"

School Board Chair, Ida Keane stated that as long as everything stays the same, it would be sent back to offset taxes when we do the tax rate in September.

Moderator Sokul stated this article will go in front of voters as written.

School Board Chair Ida Keane moved to restrict Articles 7 & 8 from reconsideration. Shannon Bryant seconded the motion.

Moderator Sokul asked for a verbal vote restricting Articles 7 & 8. He then asked, "All in favor to restrict Articles 7 & 8, please say yes? All those opposed say no?" Then he declared that both articles 7 & 8 were restricted.

Resident Tammy Bond expressed that she knows both committees have done a lot of work and would like to challenge everyone to reach out to residents that do not have children in the school to help get the word out.

Moderator Sokul thanked everyone and reminded everyone that voting day is Tuesday, March 10, 2015.

School Board Chair Ida Keane moved to adjourn until voting day March 10, 2015 and Greg Fraize seconded the motion.

Meeting adjourned at 10am.

Signed, Patricia Coulombe Date 3/11/15
Patricia Coulombe, Fremont School District Clerk

**FREMONT SCHOOL DISTRICT
2015 VOTING RESULTS**

ARTICLE 1:

School Board member - 2 for 3 years

Ida Keane 252
Jennifer Brown 430

Report of the School Board

The School Board met to reorganize on 3/9/15 and since then has worked on our challenges, built on our successes, and moved forward on our strategic plan. As always our biggest challenge is to continue to improve while still being affordable. This is compounded by some costs over which we have no control (e. g. Sanborn tuition, special education, salaries and benefits) as well Fremont's already comparably high tax rates with other towns. We also understand that the municipality of Fremont also has its own needs and challenges.

In the Fall of 2015 we were able to return \$374,158 back to the town to offset taxes, but that might not be the case this year. In the past we based our budget on the final tuition estimate given to us by Sanborn, which was always higher than what we actually paid, thus giving us an unexpended fund balance at the end of every year. In order to be fairer to the taxpayers the Board based the tuition expense on past history rather than the Sanborn estimate (GMR) thus making the budget much tighter than in the past. When formulating this year's budget the Board was confronted with a number of costs over which we have no control: an estimated increase of Sanborn tuition of \$335,061, special education tuition increase of \$305,919, a transportation increase of \$97,926, health insurance increase of \$141,640 (despite eliminating the most costly health insurance plans and adding a high deductible plan with an HSA option), and another \$69,491 to fund the teacher and support staff contracts.

Another challenge is the physical condition of the school building. When floor tiles began peeling up and cracking it was found that the mastic adherer had asbestos in it. This had to be dealt with immediately and so the tile had to be replaced. Thankfully Aulson Company did an excellent job, including the lines in the gym. Also, the art room, the nurses' room, and the teacher's lounge were upgraded and we now have a brand new state of the art science lab. The Board has also funded regular maintenance in the building such as painting the hallways and doors and would like to have a plan of continued maintenance and upgrading of the facility.

Even so, in many ways the building is outdated with a poorly coordinated heating and cooling system, inadequate electrical system (especially to support expanded technology options), inadequate storage and office space, and a host of other issues. For that reason the Board thought to move forward with looking into renovation and hired Turner Associates to come up with the plan. The thinking was that with the retirement of the bond for the last school expansion, and the soon retirement of the Safety Complex and Library bonds, there would be money available to improve the school without placing an undue burden on taxpayers. But when the estimate came in at \$12.7 million and with the uncertainty of obtaining state building aid, the Board suggested that Turner present a plan that can be phased in over time, starting with the Board's priorities. Even though this could be more expensive in the long run, it would allow both the Board and taxpayers to consider more affordable options. The final decision though, in order to reduce next year's budget, was that the Board decided not to move forward with another \$25,000 to fund the completion of the study.

For the Board, student performance is our first priority. The Board moved forward with the hiring of a foreign language teacher and the promotion of building STEM (Science, Technology, Engineering and Mathematics) into our curriculum. A curriculum consultant was hired to help better coordinate the curriculum and the Board has proposed offering a small stipend to a teacher to assist with assisting with intervention needs for elementary students. For next year the Board decided to not have evaluation consultants and instead extended the Assistant Principal position to full time to help with evaluations and maintain discipline.

The final budget proposed by the School Board is \$12,457,950 which is \$341, 902 less than the originally proposed budget. It is also less than the \$12,700,700 Default Budget.

Respectfully submitted,

Andrew Kohlhofer
Chair
Fremont School Board

Report of the Ellis School Principal

Dear Fremont Community,

I am pleased to submit this annual report to the citizens of Fremont. As the Interim Principal of Ellis School, I look forward to serving the children, parents, and the community, as we all strive for educational excellence. This school report reviews the programs that make Ellis School a special place to work and learn. The staff at Ellis School is committed to both personal and school growth as demonstrated by the many hours spent planning, collaborating, and furthering the development of core curriculum. I witness their efforts, dedication and genuine concern for students on a daily basis. I am fortunate to lead this group of professionals

The current school year is focused on four areas: Student Engagement, Collaboration, Climate & Culture, and Mandates. By focusing on these areas, we aim to provide high quality instruction and improve student learning.

Student Engagement

At Ellis School we believe that students should be self-directed learners who make good choices and have pride in both themselves and their school. During the summer a small group of teachers attended the NH Department of Education's Summer Summit and revised our Response to Intervention program (RtI) to make the change of an additional block for RtI with a focus on math.

Last April, our Destination Imagination Team traveled to Knoxville, Tennessee to compete at the global competition after placing in the State of New Hampshire's Destination Imagination competition.

Our students participated in The Future City competition during January at Northeastern University in Boston. The Future City Competition is a national, project-based learning experience where students in 6th, 7th, and 8th grade imagine, design, and build cities of the future. Students work as a team with an educator and engineer mentor to plan cities using SimCity™ software; research and write solutions to an engineering problem; build tabletop scale models with recycled materials; and present their ideas before judges. Congratulations to Irma MacEachern, coach, and the two teams representing Ellis School. Both teams did well and one team brought home the "People's Choice Award."

In addition, we have hired a Spanish teacher, Heather Wardwell, who is offering exploratory Spanish for our middle school grades. Our fifth and sixth grade students have an exploratory Spanish for six weeks. The seventh and eighth graders have a twelve week course, with the plan to have a full year Spanish class for eighth grade students next year.

Collaboration

At Ellis School we believe that the Fremont community should be knowledgeable about the high expectations and varied programs at Ellis School. We continue to enhance our practices as a Professional Learning Community with a focus on improving student learning.

The Teacher Support and Evaluation Program is in pilot phase this year with the addition of outside evaluation consultants to make sure that we roll the plan out with fidelity. The new plan makes sure that teacher evaluations are timely and useful. Our staff members are collaborating monthly to evaluate the effectiveness of the plan and to develop a common understanding of the high standards and practices for teaching.

Climate & Culture

At Ellis School, we believe that staff and students should exhibit a high level of collegiality, trust, and pride in themselves and our school. The staff has worked with our curriculum consultant, Lyn Healy, to develop a Work Study Practices curriculum in Kindergarten through Eighth grade where progress will be reported out on report cards. This will develop students into self-directed learners. We have been working with a data coach helping the staff access and analyze student achievement on standardized testing.

The District's curriculum consultant is working with both the science and math committees to finalize our district's scope and sequence in those subject areas. The middle school science curriculum is greatly enhanced by the complete overhaul of the 7th/8th grade science lab and the addition of more cabinets and work space in the 6th grade science classroom.

Mandates

Our third through eighth graders participated in the pilot of Smarter Balanced Assessment (this test replaces the NECAP that we used to take in the fall) during the Spring of 2015. The Smarter Balanced Assessment consists of an English language arts section, along with a math section. Within each of those subjects, students took two sub-tests, a computer adaptive test and a performance task. The computer adaptive test asks students single questions at a time and adjusts the difficulty of the next questions based upon how well the student is doing. The performance task is a longer, single item that requires deeper thinking skills. For the English language arts portion, it is a writing task, broken up over two days. Day one is research (very basic) and organizing of ideas. Day two is writing a final draft. In math, the performance task is usually a multi-step, real-world math problem. If you would like to see the practice tests, and the types of questions students will be working with, go to the NH Smarter Balanced Portal here: <http://nh.portal.airast.org/students-and-families> and take the practice tests.

The School's Emergency Operation Plan has been revised and renewed during the last two years. We will continue to practice fire, lock-downs, and other life safety procedures to make sure that the school is prepared for emergency situations. The New Hampshire Department of Education has offered greater flexibility with our designation of a Focus School to place funding into the areas in which the school self-identifies as weaknesses. The administrative team has

worked to align our Focus School plan with the district's strategic plan and building initiatives to improve student learning.

Closing

I am excited about the progress we have made in parent support, community outreach, and student achievement. It is a privilege to work with a staff, both in Ellis School and at the SAU office, who have the best interest of the students and the school in mind. Thank you for your continued support of the Ellis School.

Sincerely,

J.R. Bridle
John R. Bridle, Interim Principal

Report of the Special Services Director

In 2015, we have had some exciting and new opportunities. We welcomed new members to the special services department including Laura McCarthy, occupational therapist, and several para-educators.

In October, Pettinelli and Associates, who originally installed our playground equipment, removed, re-oriented, and added playground equipment and a wheelchair accessible path from the gate to the new equipment. The preschool/elementary playground is now accessible to students in wheelchairs and/or standers. We were able to provide this through the IDEA grant.

The special education department and district administrative team analyzed the data from the NHDOE special education parent involvement survey completed in 2014. Based on the feedback from the parent involvement survey, we changed our format for presenting evaluations to parents and now send home evaluations ahead of meetings to allow parents to read and consider before meetings. We also organized and hosted a "Basic Special Education Rights" workshop presented by Parent Information Center in March 2015. Lastly, at the Ellis Open House Community Fair this past October, we asked parents to complete a survey to gain parents' feedback about what kind of special services parent school partnership would be helpful to them and in what they would participate. In 2016, the NHDOE will again administer the special education parent involvement survey again. We appreciate the responses from parents on this survey and listen to the information parents share with us.

Annual NHDOE compliance reports were submitted in a timely manner. NHDOE provided notice that the district has met Indicator 11 requirements for "Timeliness of Initial Evaluation." NHDOE Post-School Outcome Surveys were sent out again this year. The information regarding how students are doing after leaving high school is valuable information and we appreciate the feedback.

In order to build our capacity and provide more support by using district staff rather than contracted services, we sent staff to various trainings including Crisis Intervention Institute (CPI) Train-the-Trainer and Social Thinking by nationally renowned author and speaker, Michelle Garcia Winner.

As one thinks about the population that Special Services serve, it is helpful to know some of the statistics. At Ellis Elementary School (pre-school through 8th grade), special education students comprise twelve percent (12%), Section 504 students comprise nine percent (9%), and English Language Learners comprise zero percent (0%) of the student population. Of the Fremont School District students attending Sanborn Regional High School, sixteen percent (16%) are students served through special education, eleven percent (11%) have Section 504 plans, and zero percent (0%) are English Language Learners. Across the Fremont School District (ages 3-21), sixteen percent (16%) of students are served through Special Services.

It continues to be a pleasure to serve the students and the community of Fremont.

Respectfully submitted,

Melissa McKeon

Report of the Superintendent

This has been another year of good work of behalf of students for SAU 83 as it moves along in the second year of its Strategic Plan (<http://www.sau83.org/about-us/strategic-plan/strategic-plan>). Some improvements include the beefing up of the music program with the hiring of a new music teacher, Jamie Bolduc, and the addition of a band program. It includes the first year of Spanish with Heather Wardwell for the upper grades. It was the first year of the new state test, the Smarter Balanced Assessment, and a new benchmark for the improvement of student achievement. Two Collective Bargaining Agreements for staff were passed for the 2016-2018 and 2016-2019 school years.

THE ELLIS SCHOOL BUILDING

After a summer of contractors working to remove asbestos, in all forms, from Ellis School, the school is essentially asbestos free. Old asbestos floor tiles and insulation were removed and replaced. A new cafeteria/gym floor was laid and lined for games. Walls were painted and new cubbies and storage replaced fifty year old equipment in some rooms. Also, a science lab was installed for grades 7 and 8 and cabinetry expanded in the 5 and 6th grade science rooms. The pre-school playground was made more accessible to our littlest population with new play structures and a rubberized walkway.

Building concerns continue to include the old and inefficient bathroom facilities, antiquated and inefficient heating and electrical systems, and the lack of safety in the configuration of access to the building. It is the earnest desire of the school community to work with the Town of Fremont to outfit Ellis School with more efficient equipment to save money and the environment, and to create a safer, more controllable interior configuration.

STUDENTS AND ACHIEVEMENT

This year saw a small increase in student population due in large part to the moving of the Seacoast Charter School from Kingston to Dover. After this bump in population, the population of Ellis School, like almost every other school in New Hampshire, is expected to decline over the next few years.

On an achievement note, the Federal Government just passed the renewal of the Elementary and Secondary Education Act, which will take effect August 1, 2016. You will remember different iterations of this law as "Goals 2000" and the "No Child Left Behind Act." This time around the title is "Every Student Succeeds Act (ESSA.)" Here are a few of the highlights of this new law. There is no longer an expectation that one hundred percent (100%) of students will read and do math on grade level. This was found to be unachievable. There will no longer be "Adequate Year Progress" designations.

Here some of what ESSA will do. It will:

- Allow states to set their own goals for achievement

- Identify the bottom 5% of schools for performance on the Smarter Balanced Assessment for both the total student population and subgroups within that population to receive state support to improve results
- Title I funds will continue and increase for some districts
- Grants will be made available for districts that wish to pilot performance pay and other teacher improvement methods.

MANY THANKS

The job of running a school system requires the wearing of many hats and ever changing expectations. It would not be possible to keep things running without the concerted effort of a very dedicated staff, School Board, parents, and community. I want to extend my thanks to those people who continually work hard to support the education of Fremont's youth every day.

Respectfully submitted,

Dr. Betsey S. Cox-Buteau

INDEPENDENT AUDITOR'S REPORT

To the Members of the School Board
Fremont School District
Fremont, New Hampshire

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, each major fund, and aggregate remaining fund information of the Fremont School District as of and for the year ended June 30, 2014, and the related notes to the financial statements, which collectively comprise the School District's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and aggregate remaining fund information of the Fremont School District as of June 30, 2014, and the respective changes in financial position and the respective budgetary comparison for the general, food service, and grants funds for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Management's Discussion and Analysis - Management has omitted a Management's Discussion and Analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by the missing information.

*Fremont School District
Independent Auditor's Report*

Required Supplementary Information - Accounting principles generally accepted in the United States of America require that the Schedule of Funding Progress for Other Postemployment Benefit Plan (page 27) be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information - Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Fremont School District's basic financial statements. The individual fund financial schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The individual fund financial schedules are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the individual fund financial schedules are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Balance, beginning	Additions	Deductions	Balance, ending
\$ 17,683	\$ 79,808	\$ 77,315	\$ 20,176

GENERAL PROPERTY ASSESSMENT INFORMATION

ABATEMENT REQUIREMENTS: The abatement process is designed to correct any inequities in the annual tax assessment process. Fact sheets can be found on the Town's website at www.Fremont.nh.gov on the Assessing page. A link to the abatement form can be found there as well. You can also access the NH Board of Tax and Land Appeals site at www.nh.gov/btla.

An abatement application would be pertinent if you find your home to be disproportionately assessed as compared to other homes similar to it.

The abatement fact sheet also provides information about the Equalization Ratio. This is a percentage calculated annually by the NH Department of Revenue Administration to review the ratio of assessed values to those of fair market sales values.

Abatements are due by March 1 annually following the final notice of tax. (Abatements are to be filed after receipt of the December tax bill). Postmarks are accepted, but in hand applications must be received by the posted close of business hours for the Selectmen's Office on the due date.

ASSESSING DATA: The Town maintains all of its property record assessment data on the Vision Appraisal website at www.visionappraisal.com. You can access all Fremont property records at this site directly, or link to it from the Town's website at www.Fremont.nh.gov.

The data is updated every few months from the in-house system to the Vision site. The most up-to-date information is always available at the Selectmen's Office during business hours. If you would like a copy of your tax card, please contact us and we will send one out to you.

ASSESSING QUESTIONS: The Town contracts with MRI for our assessing needs. Generally, there is an Assessor in the Selectmen's Office a couple of days per month. This fluctuates depending on time of year and other scheduling matters. If you have particular questions, you can phone the Selectmen's Office at 895 2226 x 11. If you need additional information, we will leave a message and have the Assessor contact you the next time he is in the office.

The Selectmen's Office includes some links on the Town's website to review the overall assessing process in the State of New Hampshire, as outlined in an extensive informational manual by the NH Assessing Standards Board. There is a link on the Town's Website, Board of Selectmen Page; or you can go to the NH Department of Revenue site by typing in the following URL to link to the entire manual:

http://www.nh.gov/revenue/munc_prop/documents/asbmanualv1_2008.pdf

REVALUATION: Values must be taken anew every five years. The Town of Fremont did a Statistical Revaluation for all properties as of April 1, 2015. We will be required to do this again for the April 1, 2020 tax year.

TAX CREDITS: Property owners may be eligible for certain credits on their property. If you are a Veteran, Service-Connected Disabled Veteran, or the unremarried widow of a Veteran, you may be eligible for a Veteran Tax Credit. Application forms are available in the Selectmen's Office and on the website, and you must have a copy of your DD-214 and meet all eligibility criteria. You can refer to NH RSA 72:28 through 72:38. Contact the Selectmen's Office at 895 2226 x 11 for an application form and/or more information.

TAX EXEMPTIONS: Property owners may be eligible for certain exemptions on their property. If you are elderly, blind, or disabled, you may be eligible for an exemption. For elderly and disabled, there are income and asset limits. For more information, you can visit the Town's website at www.Fremont.nh.gov and click on the Board of Selectmen page. You can also contact the Selectmen's Office at 895 2226 x 11 for an application or more information.

TAX BILLS: Tax bills are mailed bi-annually and due generally July 1 and December 1. The Tax Collector collects taxes as assessed by the Selectmen. If you have any questions about making a tax payment, contact the Tax Collector at 895 8693 x 16 or email FremontClerk@comcast.net.

TAX RATE: The local tax rates are set annually beginning in September, by the NH Department of Revenue Administration. You can see Fremont historical rate information in the Town Report. There is a tax rate fact sheet, updated annually, on the Town's website at www.Fremont.nh.gov on the Board of Selectmen page. If you have question about the tax rate process you can call the Town Administrator at 895 2226 x 10.

TAX YEAR: The Tax Year in New Hampshire is April 1 to March 31. Fremont does bi-annual tax billing. You will receive two bills, the first generally due July 1 and the second/final generally due December 1 annually. If you receive a credit or exemption, it will be equally divided between the two billings. You should forward your tax bill to your mortgage company or lender if they escrow your property taxes.

Fremont NH 03044-0120

Physical address: Town Hall
295 Main Street
Fremont NH 03044

Office Fax: 603 895 3149

THE CHAIRMAN: I have the honor to acknowledge the receipt of your letter of the 14th inst. in relation to the proposed amendment to the Constitution of the State of New York, and in reply to inform you that the same has been referred to the proper authorities for their consideration.

It will be clearly seen by the above that the proposed amendment is not in accordance with the provisions of the Constitution, and therefore it is not possible for the same to be adopted by the Legislature.
