**DEDICATION 2019
 MICHAEL HUREAU**

Mike and his wife, Mary, moved to Brentwood in 1973, one year after he joined the New Hampshire State Police, where he proudly served for 31 years before retiring with the rank of Lieutenant. During this career he was stationed at Troop A in Epping, and also served on the NH SWAT team, was a detective in the NHSP Major Crimes Unit as well as Commander of the NH Drug Unit. After retiring from the force he continued his law enforcement career as a deputy sheriff, and in 2015 Michael was sworn in as High Sheriff for Rockingham County and reelected until his retirement from there in 2018. He currently serves as a bailiff at the Rockingham Superior Court in Brentwood.

Mike and Mary raised their 4 children in Brentwood, where he could be seen coaching Brentwood's Little League, Babe Ruth, girls' softball and youth soccer. He served as a member of the Brentwood Recreation Commission and volunteered to help build the first addition at the town's Mary E. Bartlett Library. Michael was a member of Brentwood's Zoning Board of Adjustment from 1987 to 2018, serving as Chairman many of those years.

During his leisure time Mike enjoys face-timing with his 6 grandchildren, spending time at the lake, snowmobiling, and takes pleasure in puttering around his Brentwood home.

It is an honor to dedicate the 2019 Brentwood Town Report to Mike Hureau; an individual who quietly and proudly served his community while raising his family, and over the past 35-plus years earned the respect throughout Brentwood and Rockingham County, both professionally and personally, from everyone who is fortunate to know him.

Thank you, Michael Hureau, for your dedication and positive impact to our community.

DEPARTMENT OF

WATER RESOURCES

The Department of Water Resources is pleased to announce the appointment of a new Director of the Department. The new Director will be responsible for the overall management and operation of the Department, including the development and implementation of the Department's strategic plan. The new Director will also be responsible for the recruitment and retention of staff, the management of the Department's budget, and the representation of the Department to other agencies and the public. The new Director will be appointed on a full-time basis and will report to the Board of Directors. The current Director, Mr. [Name], will continue to serve in his current position until the end of his term in 2015. The Board of Directors will meet on [Date] to discuss the appointment of the new Director. If you have any questions regarding this appointment, please contact the Board Secretary at [Phone Number].

REPORT OF THE BOARD OF SELECTMEN 2019

The board of selectmen has worked diligently over the year to increase communication with the public. We began filming our meetings in May and livestreaming shortly thereafter. For those of you that want to be involved but cannot make it to every meeting you can view the previously recorded meetings on Vimeo: <https://vimeo.com/user97247702> or if you prefer to catch them live you can watch meetings on YouTube: [tinyurl.com/yxl5bb36](https://www.youtube.com/channel/UCyxl5bb36).

The Board of Selectmen would like to thank the students from the Seacoast School of Technology Building Construction class and their instructor, Jim Klingensmith, who built a custom 12 foot table for the town office. The table was constructed in the spring of 2019 by students Kyle Boccelli, Jake Burd, Patrick Higgins, Peyton MacDougall, Hunter Madore, Adison Stifter and Martin Wallem. This table was the first foray into furniture making for the students. The special feature of this piece is that it opens and closes depending on the type of meeting being held and the number of participants. It is versatile and useful for many different purposes. The cherry wood was generously donated by Bruce Stevens and Highland Hardwoods, and the finishing coat was expertly applied by Advanced Custom Cabinets, both of Brentwood.

The board adopted a selectman's handbook to help outline the duties to new members. This will help to make sure all board members are aware of their duties and authority and ensure everyone is on the "same page" as much as possible. This will also create smoother transitions for newly elected officials.

We have worked diligently with the Budget Committee over the last year to present as lean a budget as possible for 2020. The two boards made a concerted effort for more collaboration and increased communication. Rising health care costs of 7.4%, staff changes in police and highway, and increased fire and ambulance coverage contribute to an increase of 3.64% in the 2020 proposed operating budget.

2019 was a year of great change in town operations. With a lot of retirements at the end of 2018, 2019 was a year of onboarding, training, teaching our way and being open minded to new more efficient ways of providing services to our valued residents. We assure you that we all serve the same purpose to offer the residents of Brentwood quality service while being fiscally responsible. We strive to develop and manage value-added policies, programs, services and solutions in an efficient and citizen-focused manner, and to provide our employees with the tools necessary to meet our citizens' needs while properly balancing their needs with those of the citizens of this community.

Thank you to all town employees and volunteers for your continued support and dedication to the Town.

Respectfully Submitted,

Robert Mantegari

2019 BRENTWOOD TOWN AND SCHOOL MEETING MODERATOR'S RULES

BY STATE LAW THE MODERATOR SETS THE RULES OF THE MEETING. (RSA 40:4)

WE WILL BE USING THE MODERATORS RULES – NOT ROBERTS RULES OR ANY OTHER COMPLEX PARLEMENTARY RULES. THE GOAL IS A FAIR, UNCOMPLECATEED, FOCUSED AND UNDERSTANDABLE PROCESS.

AS WITH ALL PUBLIC MEETINGS AUDIO AND/OR VIDEO RECORDING ARE SPECIFICALLY ALLOWED.

TO BE DISCUSSED, THE ISSUE OR ARTICLE MUST BE ON THE WARRANT, BE MOVED AND SECONDED. TO PARTICIPATE IN THE DISCUSSION, YOU MUST BE A REGISTERED VOTER IN BRENTWOOD, HAVE CHECKED IN WITH THE CHECK LIST SUPERVISORS, AND HAVE A VOTING CARD. NON-RESIDENT ATTENDEES MAY NOT SPEAK AT THE MEETING WITHOUT PERMISSION OF THE VOTERS PRESENT EXCEPT THE MODERATOR WILL ALLOW NON-RESIDENT SCHOOL OR TOWN OFFICIALS AND CONSULTANTS OR EXPERTS WHO ARE PRESENT TO PROVIDE INFORMATION ABOUT AN ARTICLE OR ISSUE TO SPEAK.

I WILL READ EACH WARRANT ARTICLE AS IT APPEARS IN THE WARRANT AND WILL ASK THE INVOLVED BOARD OR PETITIONER FOR A MOTION AND SECOND TO PLACE IT ON THE FLOOR OF THE MEETING FOR DISCUSSION, DEBATE AND/OR AMENDING.

I WILL THEN ASK THE APPROPRIATE BOARD AND BUDGET COMMIITTEE, OR PETITIONER, AS APPROPRIATE TO SPEAK FIRST TO THE ARTICLE.

THEN THE ARTICLE WILL BE OPEN TO THE FLOOR FOR YOUR DISCUSSION, QUESTIONS, COMMENTS, AND/OR AMENDMENTS.

ALL AMENDMENTS MUST BE GIVEN TO THE TOWN OR SCHOOL DISTRICT CLERK IN WRITING. THIS INSURES THAT WE HAVE YOUR AMENDMENT EXACTLLY AS YOU INTEND. NEGATIVE MOTIONS WILL NOT BE ACCEPTED.

AMENDMENTS TO AMENDMENTS BEING DEBATED WILL NOT BE ALLOWED. IF YOU WISH TO FURTHER AMEND AN ARTICLE YOU MUST DO SO AFTER THE PRIOR AMENDMENT HAS BEEN DELT WITH.

ALL DISCUSSION AND QUESTIONS WILL BE TO AND THROUGH THE MODERATOR. THIS INCLUDES EYE CONTACT! PASSIONATE DEBATE IS WELCOMED AND EXPECTED - HOWEVER YOU ARE EXPECTED TO BE ABLE TO DISAGREE WITHOUT BEING DISAGREABLE

YOU ARE ENTITLED TO AN ANSWER TO YOUR QUESTION, AND ONE OF MY TASKS IS TO DIRECT YOUR QUESTION TO SOMEONE WHO CAN ANSWER IT. HOWEVER, THERE IS NO REQUIREMENT THAT YOU LIKE OR AGREE WITH THE ANSWER.

TO BE RECOGNIZED TO SPEAK, PLEASE GO TO THE FLOOR MICROPHONE. YOU ARE THEN RECOGNIZED IN THAT ORDER.

PLEASE STATE YOUR NAME AND ADDRESS FOR THE RECORD (WE MAY KNOW YOU BUT THE RECORDER PROBABLY DOES NOT) AND CONTAIN YOUR DISCUSSION TO ONE QUESTION OR STATEMENT.

PLEASE CONTAIN YOUR DISCUSSION AND QUESTIONS TO THE MOTION THAT IS UNDER DISCUSSION.

IF YOU HAVE MORE THAN ONE POINT OR QUESTION, PLEASE STEP BACK TO ALLOW OTHERS TO SPEAK. YOU MAY SPEAK AGAIN AFTER OTHERS HAVE HAD THEIR OPPORTUNITY. TO ALLOW EVERYONE THE OPPORTUNITY TO SPEAK I WILL ASK THAT YOU KEEP IT WITHIN A THREE MINUTE LIMIT FOR EACH TIME YOU ARE RECOGNIZED.

MOTIONS TO CLOSE DEBATE OR MOVE THE QUESTION WILL ONLY BE ACCEPTED BY THE MODERATOR AFTER EVERYONE WHO WISHES TO SPEAK HAS HAD AT LEAST ONE OPPORTUNITY AND MUST BE MADE FROM THE FLOOR MICROPHONE.

MOTIONS TO TABLE AN ARTICLE WILL ONLY BE ACCEPTED OR RECOGNISED BY THE MODERATOR IF THE MOTION IS MADE BY THE ARTICLE'S SPONSORER

IF YOU HAVE A QUESTION OF THE MODERATOR REGARDING THE RULES OF CONDUCT OF THE MEETING OR IF YOU DISAGREE PROCEDURELY YOU ABSOLUTELY MAY ASK AT ANY TIME. (POINT OF ORDER) THIS DOES NOT REQUIRE YOU GOING TO THE FLOOR MICROPHONE BUT YOU MUST STATE YOUR NAME AND YOUR QUESTION OR ISSUE.

YOU ALSO MAY BY LAW MOVE TO OVERRULE THE MODERATOR IF YOU FEEL THAT THE MODERATORS RULEING IS CLEARLY ERRONEOUS, REQUIRES A SECOND AND MAJORITY VOTE. (RSA 40:4)

RECONSIDERATION OR RESTRICTING RECONSIDERATION:

YOU MAY VOTE AFTER EACH ARTICLE TO RESTRICT RECONSIDERATION OF THE VOTE OR VOTES TAKEN. THIS PROTECTS THE ACTION TAKEN FROM BEING UNDONE OR CHANGED LATER IN THE MEETING, AND THIS VOTE MAY NOT BE RECONSIDERED AT THIS MEETING. (RSA 40:1)

HANDOUTS AND VIDEO PRESENTATIONS MAY BE ALLOWED BUT MUST BE REVIEWED AND APPROVED BY THE MODERATOR, CLEARLY IDENTIFY THE ORIGINATOR AND INFORMATION SOURCES. VIDEO PRERNTATIONS SHOULD NOT EXCEED FIVE MINUTES AND PRESENTERS MUST PROVIDE THEIR EQUIPMENT.

The State of New Hampshire

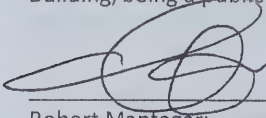

To the Inhabitants of the Town of Brentwood in the County of Rockingham in said State, qualified to vote in Town affairs:

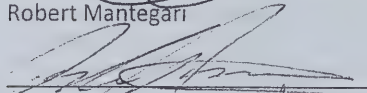

You are hereby notified to meet at the Brentwood Community Center in said Brentwood on Tuesday, the 10th of March, 2020 at 7:00 of the clock in the forenoon, to act upon the following:

1. To choose all necessary town officers for the year ensuing.
2. To vote on proposed changes/additions to the Brentwood Zoning and Land Use Ordinances. (A copy of the proposed changes is posted at the Town Office Building)

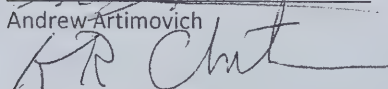

Given by our hands and seal this 11th day of February, in the year of Our Lord Two Thousand and Twenty.

We hereby certify that we gave notice to the inhabitants within named, to meet at the time and place and for the purpose within mentioned, by posting up an attested copy of the within warrant at the place of meeting within named, and like attested copies at the Town Office Building, being a public place in said Town on the 11th day of February, 2020.

ZONING AMENDMENTS

Are you in favor of the adoption of Amendment number 1 as proposed by the Planning Board for the Town of Brentwood zoning ordinance as follows:

Amend the Cluster Development Ordinance by adding (100) and add the section starting with, **In instances**...to section 3 of 300.002.007.005 to reflect the ability for the PB to have flexibility in reviewing cluster residential designs.

Section 300.002.007.005, A 3 to read: No construction shall be permitted within the buffer zone, other than a primary access road which shall be allowed to cross the buffer zone at the point of access to the pre-existing Class V or better road servicing the development. Along both sides of this primary access road reserve strips of twenty-five (25) feet must be maintained for the first one hundred (100) feet of said primary access road. **In instances where the proposed cluster residential development incorporates a design that includes several access points to the abutting Class V road these may be approved by the planning board if the board determines that the neighborhood and proposal are best served by this alternate plan for access. Related drainage and storm water management treatment devices may be constructed within the mandatory buffer area.**

YES

NO

Are you in favor of the adoption of Amendment number 2 as proposed by the Planning Board for the Town of Brentwood zoning ordinance as follows:

Amend the ADU regulations to clarify the structural requirements of an ADU by removing the term units and adding finished space & removing the term apartment.

900.004.004.002 The living area of the accessory (or secondary) dwelling unit shall not exceed 1/3 of the assessed square foot area of the living area of the primary dwelling ~~of the entire dwelling (both units)~~ to a maximum living area of 1500 square feet and shall be limited to a maximum of 2 bedrooms. No accessory dwelling unit shall have less than 525 square feet of living space. This allowance is less than the Town's standard dwelling unit size of 720 square feet because the accessory unit is not a stand-alone dwelling unit but instead a secondary unit to the primary residence. **Any structural addition to the primary residence constructed for the purpose of adding an accessory dwelling unit must be enclosed finished space.** (3/2009).

YES

NO

900.004.004.004 The accessory dwelling unit ~~apartment~~ shall be designed so that the appearance of the building remains that of a one-family dwelling. An interior door shall be provided between the principal dwelling unit and the accessory dwelling unit, this door need not remain unlocked.

Are you in favor of the adoption of Amendment number 3 as proposed by the Planning Board for the Town of Brentwood zoning ordinance as follows:

Amend Article IV 400.005.003, to read as follows:

YES

NO

The bottom of the proposed wastewater treatment facility shall be a minimum of ~~four~~ **two (2)** feet above any seasonal high-water table.

Are you in favor of the adoption of Amendment number 4 as proposed by the Planning Board for the Town of Brentwood zoning ordinance as follows:

Amend Article VIII sections 800.007.001 Mail and section 800.007.002 Public Notice by changing the current 30-day period with 45 days.

YES

NO

This amendment is offered in order to comply with recent changes to NH State law RSA 676:7,II.

Further, to name the selectmen as agents to expend from said fund. (Majority Vote Required)

Article 14 Reclassify Smith Road to Class VI

Recommended by the Selectmen
To see if the town will vote to reclassify Smith Road to a Class VI road subject to gates and bars.

Article 15 Carbon Cash-Back - Petition WA

We the town of Brentwood hereby call upon our State and Federal elected representatives to enact carbon-pricing legislation to protect New Hampshire from the costs and environmental risks of continued climate inaction. To protect households, we support a Carbon Fee and Dividend approach that charges fossil fuel producers for their carbon pollution and rebates the money collected to all residents on an equal basis. Enacting a Carbon Cash-Back program decreases long-term fossil-fuel dependence, aids in the economic transition for energy consumers, and keeps local energy dollars in New Hampshire's economy. Carbon Cash-Back has been championed by US economists (Jan 17, 2019 WSJ) as the most cost effective and fair way to deliver rapid reductions in harmful carbon emissions at the scale required for our safety.

We expect our representatives to lead in this critical moment for the health and well-being of our citizens and for the protection of New Hampshire's natural resources upon which we all rely.

The record of the vote approving this article shall be transmitted by written notice to our town's State Legislators, to the Governor of New Hampshire, to our town's Congressional Delegation, and to the President of the United States, informing them of the instructions from their constituents, by our town's Select Board, within 30 days of this vote.

Article 16 Brentwood Newsletter - Petition WA

To see if the Town of Brentwood will vote that the entity designated by the Selectmen to produce the Brentwood Newsletter (the Editor) shall adhere to the following standards for the publication based on the receipt of public support from the town, including funds for production and mailing, use of the town name and seal, and posting on the town website:

- Content, other than announcements and public notices, contributed to the Brentwood Newsletter (BNL) from individuals or organizations not on the BNL editorial staff, shall be clearly attributed to the submitting entity.
- Contributed material intended to express an opinion or point of view shall be in the form of a letter or narrative statement, clearly attributed to the individual, group, or organization expressing that view, and limited to 500 words or less.
- Narrative or opinion developed by the editorial staff of the BNL shall be attributed either to an individual Editor or identified as an Editorial.
- Contributed content that contains copyrighted material without attribution, or contains offensive content and/or personal attacks shall be rejected.
- Brentwood residents or organizations submitting material which is rejected for publication shall receive a response from the Editor, prior to publication, stating the reason for the material being rejected.
- Any errors, or content that unintentionally violates these standards in published issues of the BNL, shall be prominently acknowledged and, where possible, corrected by the editorial staff in the subsequent BNL publication following notification to the Editor.

In addition, the town funds for the Newsletter shall be distributed in quarterly increments, based on receipt, by the Selectmen, of a written quarterly report by the Editor, detailing:

- A summary of the total funds received and expended related to the Newsletters for the prior quarter
- The number of newsletters printed and mailed monthly
- Copies of any material rejected for publication, or communications regarding errors/violations which are disputed by the Editor, noting the date and reason for the rejection that was communicated to the submitter
- The identity of the Editor(s).

These reports will be made available to Brentwood residents to review upon request.

REPORT OF BRENTWOOD TOWN MEETING

MARCH 16, 2019

At a legal meeting of the inhabitants of the Town of Brentwood in the County of Rockingham, State of New Hampshire, qualified to vote in Town Affairs, held at Swasey Central School on Saturday March 16, 2019 at 9:00am the following business was conducted:

Moderator Richard Chamberlain opened the meeting at 9:11am.

Cub Scouts Pack 192 led the assembly in the Pledge of Allegiance.

There are 3242 registered voters in Brentwood, of which, 183 registered voters (6%) attended Town Meeting.

The Town Report had two longtime resident dedications. The first was in Memoriam to Robert Owen Sanborn. The second was to Mary F Clancey, who retired from her position with the Supervisors of the Checklist after 37 years of service. Robert and Mary were given a standing ovation.

The Moderator read the results of Tuesday's election and all who were elected came to the front and were sworn in by Town Clerk Daphne Woss.

A motion was made by Douglas Cowie and duly seconded by Elizabeth Faria to use the Moderator's Rules for the meeting. Motion passed by voice vote.

Moderator Richard Chamberlain introduced the Selectman, Supervisors of the Checklist, Town Clerk, Assistant Moderator, Police Chief, Fire Chief, State Representatives, and the Budget Committee Chair, who then introduced the Budget Committee members.

A motion was made by Elizabeth Faria and duly seconded by Kris Magnusson to waive the reading of the warrant. Motion passed by voice vote.

ZONING BALLOT QUESTION

"Are you in favor of the adoption of the amendment to the Brentwood Zoning Ordinance as proposed by the Planning Board as follows?

Amend Article III Section 300.001.001.002 by amending the fourth line to read as follows: The westerly depth of the commercial zone shall be the westerly bounds of lots 2 (two) and 10 (ten).

The last sentence of the section will be eliminated. # 450 YES

Passage of this amendment will eliminate lots having two zoning districts within their boundaries and will result in the land all being in the Commercial / Industrial zone. NO

INDEPENDENT AUDITOR'S REPORT

To the Members of the Board of Selectmen
Town of Brentwood
Brentwood, New Hampshire

We have audited the accompanying financial statements of the governmental activities, major fund, and aggregate remaining fund information of the Town of Brentwood as of and for the year ended December 31, 2018, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, major fund, and aggregate remaining fund information of the Town of Brentwood, as of December 31, 2018, and the respective changes in financial position and, the respective budgetary comparison for the general fund for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Change in Accounting Principle

As discussed in Note 2-C to the financial statements, in fiscal year 2018 the Town adopted new accounting guidance, Governmental Accounting Standards Board (GASB) Statement No. 75, *Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions*. Our opinions are not modified with respect to this matter.

Other Matters

Required Supplementary Information – Accounting principles generally accepted in the United States of America require that the following be presented to supplement the basic financial statements:

- Management's Discussion and Analysis
- Schedule of the Town's Proportionate Share of Net Pension Liability
- Schedule of Town Contributions – Pensions

*Town of Brentwood
Independent Auditor's Report*

- Schedule of the Town's Proportionate Share of the Net Other Postemployment Benefits Liability
- Schedule of Town Contributions – Other Postemployment Benefits
- Schedule of Changes in the Town's Total Other Postemployment Benefits Liability and Related Ratios
- Notes to the Required Supplementary Information

Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information -m Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Brentwood's basic financial statements. The combining and individual fund schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The combining and individual fund schedules are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual fund schedules are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

2019 Annual Report

2019 was a year in which successful change was encouraged, and the library found new ways to be useful and fun to a growing and increasingly sophisticated clientele.

Personnel: Heather Lindsay was named Children’s Librarian of the Year by the CLNH, a division of NH Library Association. Her innovative program ideas and social media outreach were two of the driving forces in this decision. Awesome and well done, Heather!

In August, the library hired a new part time library assistant, Mary Hall, and a substitute library assistant, Katie Coppola. Mary comes to us with twelve years of library experience, and Katie is new to library service. Both bring great talent and enthusiasm, and have immersed themselves in service to our patronage. We are very fortunate to welcome them and their unique skill sets.

Library Director Janice Wiers and Heather attended classes, workshops, webinars, and meetings throughout the year. In addition, a new Interlibrary Loan system became operational state-wide. Several staff members trained extensively and are now able to fulfill patron requests more expeditiously.

Operations: Programming in 2019 included musical performances, theater, a 2nd annual community talent show, historical programs, visits by authors and nature programs. Veteran programs, craft classes, several book clubs, tech tutoring, writing programs, storytimes, and many multi-generational drop-in programs were also presented. Art continues to be a focus with new monthly displays and programs focused on art instruction.

The library furthered its collaboration with Swasey School this year. Principal Ron Kew invited Janice and Heather to share upcoming library programs at monthly Swasey Shindigs. This has resulted in increased attendance at many events.

Outreach has been and continues to be a priority, with visits to other libraries, attendance at local and state meetings, and working with other town departments and committees. MEB initiated the development of a shared town planning calendar with the goals of enhancing intra-town communications, stretching resources and avoiding calendar overlaps in scheduling. So far, two groups have contributed to the calendar and we look forward to others joining in this effort.

The library has long been a gathering place for the whole community, and happily this is continuing. In 2019, we saw patrons come in to browse, play games, do independent craft projects, have tutoring sessions, socialize with existing friends and meet new ones. We were especially excited to see young children forming friendships during storytimes and other programs.

The Summer Reading Program was a huge success, with children and adults of all ages participating in the fun. Participation increased markedly over last year, and we look forward to seeing it grow further in this and future years!

The Friends of the Library held regular book sales and fund-raising events. Museum pass use was evaluated and a few were discontinued in favor of trying some new ones. Donations this year included Great Stone Face books, storytime toys and a new projector. The Friends financed several programs throughout the year, which importantly added to the scope of what the library was able to offer. We are most grateful for their support!

Premises and Equipment: 2019 brought many building challenges. Lighting was updated with an LED retrofit. We scrambled to repair the roof when leaks were spotted in two areas of the building. The need for a new workstation escalated from necessary to critical and is now underway, funded by impact fees. Additionally, an area dedicated to our young adult patrons was begun, and many other smaller repairs and updates were completed, and/or started, as well. In addition, the Friends of the Library funded the refinishing of the basement floor, and we are most thankful for this help.

Summing It Up: The *sine qua non* of the library’s success is the superior quality of its interface with the community. This is multi-faceted, ranging from toddlers captivated by storytimes to young and senior adults looking for information, entertainment, or activities with friends. Managing and enhancing the interface, which includes the vast and growing traffic on the internet and social networks, is up to the library staff, and as the statistics confirm, they are doing it very well. We are proud of them and grateful for their dedicated service. The future, with this team, is bright.

Respectfully submitted by the Trustees of the Library

REPORT OF THE PLANNING BOARD 2019

Honorable Board of Selectmen
Citizens of Brentwood

This is the fourth year that Truslow Resource Counseling, LLC has provided a study of the surface water quality sampling that evaluates the quality of water that enters Brentwood from the West at Fremont and exits on the East to Exeter. The results of this year's monitoring again showed that Brentwood's nitrate levels were very low. The surface water quality study is a result of the excess nitrogen loading that is ending up in the Great Bay Estuary, as determined by the Department of Environmental Services. Both the Planning Board and Conservation Commission agree that these studies are important in assessing the water quality and have budgeted this for 2020. However, the program has been put on hold while a small work group evaluates the current four years of data, re-establishes the goals and formulates an action plan for reducing nitrogen loads. This group will come back to both the Planning Board and Conservation Commission with their recommendations. The 2016-2019 water sampling reports are available for review at the Planning Board office.

A new community profile chapter of the Master Plan is currently being prepared by the Town Planner and will be completed in January of 2020.

In 2019 the Planning Board approved or conditionally approved the following applications: One 2-lot residential subdivision, 2 residential lot line adjustments, 4 commercial site plan reviews, 4 amendments to previously approved site plans, 3 expedited amendments to previously approved site plans, 2 conditional use permit applications from Eversource (PSNH), the supplier for most of the electricity for Brentwood, came before the Planning Board twice for approvals to work on updating their transmission lines. The Planning Board was also presented with 1 cluster development site plan review (*in progress*), 4 design reviews, 3 preliminary consultations, 3 application withdrawals and the Board received 2 letters for changes in tenancy and voted on four (4) zoning amendments to go on the ballot. The Zoning Board of Adjustment had 3 cases which included 4 variances approved in the commercial zone and one SE in the residential zone that has been continued to February 10, 2020. The Zoning Board is currently looking for alternates!

The Planning Board would like to congratulate Kathy St. Hilaire on her retirement! Kathy retired in January of 2019 and was the Administrative Assistant to the Planning and Zoning Boards for almost 19 years! Both Boards wish her a happy and healthy retirement and a heart-felt THANK YOU for her dedication, professionalism and many years of outstanding service to the Town of Brentwood. Andrea Bickum is Kathy's replacement as Brentwood's Administrative Assistant for the Planning and Zoning Boards and has done, and continues to do, an outstanding job! We were extremely lucky to find Andrea as her prior experience, dedication, work ethic and professionalism is invaluable and has made the transition seamless. Welcome Andrea!

The Planning Board continually works to meet the needs and goals of Brentwood as stewards of the use of the land in our community. The Board meets on the first and third Thursdays and encourages residents to attend the meetings.

Respectfully submitted,
Bruce J. Stevens
Chairman, Planning Board

Board of Selectman

Residents of Brentwood

For the year ending 2019 the Fire Department responded to 327 Fire Emergencies, 411 EMS Emergencies, and 338 Service Calls.

As I am coming to the end of my first year as Chief, I would like to thank the town for its ongoing support. The year has been both fulfilling and challenging.

We have made a few promotions this year. Alyssa Cynewski has been promoted to Captain, and she is running our EMS Division. Tim Lindeman oversees EMS training and I have also added a new EMS Crew Chief, Erika Kenyon. Her responsibility will be to help with new members in EMS and support the officers. We have also added some new call members.

The dedication and time that it takes to be on a call department is becoming increasingly difficult and I am proud of this group of individuals for the time and effort they give.

We are always looking for individuals who are looking to take on a challenge. If interested, stop by or call the fire station at 642-8132.

I would like to thank the members of the department, the Fire Association, and the Ladies Auxiliary for their support.

Respectfully Submitted

BRENTWOOD POLICE DEPARTMENT

2019 ANNUAL REPORT

It is an honor and privilege to serve as your Police Chief and lead the twelve dedicated members of your police department. This report highlights the department activities for 2019.

BRENTWOOD POLICE DEPARTMENT'S MISSION STATEMENT

The Brentwood Police Department is dedicated to improving the quality of life by creating a safe environment in partnership with the people we serve. We act with integrity to reduce fear and crime while treating all with respect, compassion, and fairness. We strive to achieve this while maintaining the same close-knit small town feel that the citizens have come to know and expect.

DEPARTMENT OVERVIEW

Presently, the Brentwood Police Department provides public safety to the Brentwood community and consists of a police chief, ten sworn police officers, an investigator, an administrative assistant, and a contractual prosecutor. This year the Brentwood Police handled 11,505 calls for service. Our priority is to protect and serve the Brentwood community at the highest level of professionalism, integrity, and compassion. Our officers and staff are dedicated to improving the quality of life by creating a safe environment in partnership with the people they serve while enforcing the NH state laws and local ordinances. We work in partnership with regional task forces such as the Seacoast Emergency Response Team (SERT), the Internet Crimes against Children (ICAC), the Seacoast Child Advocacy Center (CAC), the New Hampshire State Police (NHSP), the Rockingham County Sheriff's Office, various drug investigation units, and federal law enforcement agencies.

This past year saw the retirements and resignations of Captain David Roy, Sergeant Horace Wood III, Detective Mark Turner, Officer Jared Arsenaault, Officer Kurt Holston, Officer Michael Greely, and Officer Chris Rothwell. In return, there were numerous new hires with Sergeant Dan Wicks, Officer Kevin Kneeland, Officer Francis McGinnis, Officer Julissa Polanco, Officer Robert Gagnon, and Officer Sean Seely.

K-9 Officer George Abele was promoted to the rank of Corporal and Officer Ken Gauthier performed dual duties as a patrolman and detective. Officer Ken Gauthier will be promoted to the specialized position of detective in 2020.

To help combat the current opioid/drug epidemic, the Brentwood police participated in the D.E.A. National Drug Take Back program in 2019 and will continue its efforts in 2020. The Drug Take Back Day provides the public a place to dispose of unused or expired prescription drugs. We will post future Drug Take Back dates on the Brentwood Police website and our Facebook

page. Brentwood Police maintained its active membership and participation to the Rockingham County Sheriff's Department Drug Task Force to continue fighting opioid/drug epidemic and is still an affiliate with the New Hampshire Internet Crimes against Children task force (ICAC).

The police research facility committee is continuing its exploration of a new police department due to deficiencies and safety and health concerns with the existing facility. Senior engineering students from Norwich University and Keene State College completed comprehensive site and building designs on existing town owned land.

Brentwood Police Officers responded to the following calls for service in 2019. Not all categories have been reported in this report, however, the calls for service category encompasses all categories reported by our records management system.

BRENTWOOD HIGHWAY DEPARTMENT 2019 REPORT

To: The Brentwood Board of Selectmen and the Citizens/Tax Payers of the Town of Brentwood

The Brentwood Highway Department is responsible for the maintenance of approximately 67 miles of roadway (one way).

The Highway Department is open Monday-Friday 8:00am to 4:30pm. The non-emergency phone number is **775-7654**. If it is an emergency please call 9-1-1.

Material is accepted at the transfer station located at the Highway shed. The operator licenses obtained limits the material that may be accepted at this location. This site is available to residents of Brentwood. Please refer to the town's website for a detailed listing of the items permitted.

Road Maintenance Conducted

1. Rowell Road East was reclaimed, fine graded and compact 2 ½" bituminous shoulders, improving drainage. Trees were cleared and a vertical granite curb was put in.
2. Bartlett Road was reclaimed, fine graded and compact 2 ½" bituminous concrete with shoulders.
3. Peabody Drive: cleared all ¼" cracks with hot air lance, sealed cracks with hot applied modified rubber/bituminous sealant
4. Pavement improvement at the bridge at the Pickpocket Dam.

This year we also did a lot of brush cutting along all roads.

I would like to thank the Highway personnel , the Brentwood Board of Selectmen and Town Administrators, Ladies Auxiliary, the Brentwood Police Department, the Brentwood Fire Department, residents and the various agencies in town that assisted the Highway Department throughout the year.

Respectfully Submitted,

Wayne Robinson
Road Agent

To the Board of Selectmen and Citizens of Brentwood:

It is the desire of the Cemetery Trustees to provide the residents of Brentwood a well-groomed and peaceful country cemetery where those who visit will benefit from a calm and satisfying experience. Consequent to this responsibility, a comprehensive set of Rules & Regulations and Policies have been adopted and revised over the past year. Copies are available through the Superintendent of Cemeteries and the Cemetery Clerk. Selected pages of the Rules & Regulations and Policies as well as notices of upcoming events are posted in the NEW kiosk at the entrance of Tonry Cemetery. Thank you to Eagle Scout Reese Idell and Boy Scout Troop 337 for refurbishing and relocating our Kiosk, as well as giving our well house and the Tonry Cemetery sign post a fresh coat of paint.

Tonry cemetery saw a bit of a change in its landscape. After much consideration and discussion with arborists and other tree professionals, the arduous decision was made to have Knowles Tree Service remove the cherry tree in the south east corner of section 4. This was not a decision that was made lightly, but given the number and size of the branches that had fallen over the past year, it was one made with safety considerations in mind. Plans have been discussed to use some of the lumber from the tree to create a bench that will be placed where the tree once stood. The cherry tree stump and many of the other older tree stumps in Tonry were ground down to make way for loaming and overseeding. Mulch from the grinding was recycled and used at the flagpole garden area and around the new kiosk. A dying arborvitae was removed and many bushes were pruned around headstones so that they would be visible once again.

Veasey cemetery saw changes in its landscape as well. Knowles Tree Service carefully navigated the cemetery to prune and remove dead and/or leaning trees along the north fence line, as well as selectively pruning trees along the entire perimeter. This proactive pruning will hopefully prevent stone damage in the future from dropping branches. Veasey also saw the return of its metal gates. Thank you to the Seacoast School of Technology's welding class for creating our new gates to replace our old ones. It was quite a challenge to create gates that looked "true to the period" and then to make them fit on the old granite posts. Veasey cemetery also had stones cleaned, straightened and re-inventoried so that a map of the cemetery can be created from already-completed list of family names.

The Cemetery Trustees continue to strive to make the cemeteries part of our community with events for both Memorial Day in May and Wreaths Across America in December/January. If you have not yet attended one of these events, please consider joining us for either one or both. To find out more, please see the Cemetery page located on the town website or attend one of our meetings.

Thank you to Phyllis Thompson for keeping our finances straight and assuming the duties of Cemetery Clerk. We also wish to thank you the following: the Highway Department for once again plowing snow prior to an event; Justin Kane for joining us as our second alternate; all those who volunteered this past year to make our events successful no matter the weather and all our town veterans, friends and families for attending our events.

The Cemetery Trustee's aim is to provide a well-cared for, dignified, peaceful and beautiful final resting place for our loved ones. Please notify us of any concerns, questions or suggestions you may have.

2019 Brentwood Recreation Department Annual Report

Brentwood Recreation Department's goal is to provide fun and safe community oriented programs and events for all ages. 2019 programming included many of our annual favorites with several new ones added. The Brentwood Community Center continued to see much activity with many of our community groups regularly using the facility as well as many resident and non-resident rentals. The Recreation Department took on several new responsibilities, including: a new van, April vacation camp, started a fall field hockey program, and much more!

FACILITIES

- The Recreation Ice Rink was installed again by the Castonguay Pavilion
- In addition to our own spring, summer and fall sports programs, we continued to rent our fields to different teams and organizations.
- Brentwood Community Center had over 50 resident and non-resident rentals of the building and pavilion. The community center is rented out almost each weekend.
- Playground
- GaGa Ball court next to the playground.
- Basketball court located next to the baseball fields.
- Pickleball court located on the basketball court.

Special Programs & Events

- The annual Bunny Breakfast and Town Egg Hunt again started our events calendar. Over 1300 eggs were hunted and around 120 residents joined us for breakfast.
- We offered several Sip and Sign classes that were very popular.
- We collaborated again with Challenger Sports to bring in a Summer Soccer Skills Camp
- We took our usual Spring and Fall casino trip to Foxwoods.
- We ran our 4th annual Halloween event that was collaborated with the Friends of the Library
- We had our 3rd year of summer camp for grades K-6 that was successful.
- We offered hikes at Pawtuckaway State Park with Mr. Schroeder from Swasey Central School.
- We offered a new community show at the recreation complex that was outdoor and facilitated by UNH's theatre & dance students.
- We offered tickets for UNH Hockey for the first time with great success.
- We offered Red Cross CPR & babysitter courses at the community center
- The Recreation Dept. now assumes the responsibility of organizing the 4th of July parade
- We offered Calls from the North Pole again this winter and reached everyone who signed up
- For the first time in over twenty years we offered the Exeter River Fall Paddle.
- Held another successful Earth Day at the community center.

FITNESS

- We continue to offer weekly classes in Yoga and Tang Soo Do.
- Our Senior Movement class continued to meet weekly with a loyal following.
- Adult Yoga was offered on Tuesday nights again in 2018.
- We offered multiple sessions of Zumba with a goal of weekly sessions in the future.

SPORTS

- Our Softball, Baseball, and Tee Ball programs had a successful spring.
- Our Youth Fall Soccer program continued strong with children ages 4yrs. through 5th grade participating. With more than 30 parent volunteers.
- Our Recreation Basketball program saw number of players rise slightly overall. We continued to collaborate with Stratham, Newfields, Kensington and East Kingston in using the CMS gym for our 3rd-6th program. Our 7th/8th teams played in the Lamprey River League. And our Kindergarten through 2nd teams played at the Swasey School gym.
- Our Adult Coed Softball league had over 9 teams participate in a great season.

- Men's Pick-Up basketball has moved to Talbot gym in Exeter, NH and the fee went down for participants!
- Our Intro to Field Hockey program was a great success and we are now collaborating with surrounding towns to start a Field Hockey league.
- We have continued to offer Adult Pickleball program and those who joined loved it
- Pickleball is now run year-round.

CONSERVATION COMMISSION 2019

We continue in our mission working for the protection of Brentwood's natural resources and healthy environment. We want to recognize and thank Jeff Donald for his leadership over the past two years and welcome Edie Shipley as our new leader. This year we have had several major projects:

1) We have completed the trail system for the 75-acre Split Rock Conservation Area, land more-or-less following Little River between South Road and Haigh Road. Townspeople worked together to establish trails and build a bridge over Little River and a wetland area. The highway department established a small gravel parking area on South Road, now designated 211 South Road. As part of their Eagle Scout projects, Gabe Burgess-Labonte and Zach Shields built kiosks and benches at the South Road and Haigh Road entrances to the property, with a map of the area and other information. In October we hosted an opening ceremony for the area.

2) Town activities included a successful roadside trash pickup in April, with a hamburger and ice cream lunch following. We also helped to sponsor a town paddle in September on the Exeter River between Haigh Road and Pickpocket Falls which was enjoyed by many. There was lunch and also transportation back to Haigh Road for those who did not wish to do the return paddle. A moonlight snowshoe had to be cancelled because of lack of snow at any of this winter's full moons.

3) One of our primary functions is to review building projects that impinge on wetlands. We looked at five of them over the year and passed without objection on four. The fifth was sent back for revision by both ourselves and the town planner.

4) We have an interest in protecting against invasive plant species. Rockingham County Conservation District was authorized to treat several overgrown areas.

5) We are charged not just with identifying and obtaining valuable land for conservation, but also with the monitoring of those 21 properties for which the town is the main easement holder. Annual monitoring of easements is a legal requirement and is crucial to ensure that there are no violations of easement terms. In recent years we have hired Southeast Land Trust of New Hampshire to monitor the town's easements, because they have greater expertise in identifying boundaries and violations. Though town volunteers are happy to do the legwork, the paperwork has been an obstacle. However, going forward we will try to reinstitute volunteer work for some of this monitoring work.

6) Over the past four years we, together with the Planning Board, have hired Danna Truslow, hydrogeologist, to monitor water quality for the town. The original plan was to monitor nitrogen content, because we doubted the NHDES's model that suggested that Brentwood was a significant contributor to the impairment of Great Bay. The project started with the idea that we would check water at the western edge of the rivers and at the eastern, and hopefully find that Brentwood was functioning as a nitrogen sink. This would then possibly influence the taxes we would have to pay into the watershed to mitigate our contribution to pollution. We also monitored other potential pollutants, e.g, chloride (road salt) and E. coli. In the end we found mildly elevated nitrogen at the southeastern corner of the town, specifically where Dudley Brook meets the Exeter River, and also some elevation of E.coli as well. With the Planning Board we have formed a water quality committee to decide how we are going to carry this project forward, whether to continue to monitor at all, what to monitor for, and how to address the problems.

Lamprey River Advisory Committee (LRAC) Annual Report Oct. 1, 2018 - Sept. 30, 2019

As required by RSA 483 and the NH Rivers Management & Protection Program, representatives from ten towns in the Lamprey River watershed continued implementing the *2013 Lamprey Rivers Management Plan* with help from multiple partners*. The final plan, approved on Sept. 26, 2013, is available at town offices and on www.lampreyriver.org.

- **Project Review:** The project review subcommittee reviewed 29 projects in 9 towns that require NHDES permits for wetlands, shoreland, and alteration of terrain. Comments were sent to the NHDES, project engineers, and affected town conservation commissions and planning boards. Per RSA 483, the LRAC cannot grant or deny permits, but its comments must be considered by the NHDES.
- **Education and Outreach:** LRAC again partnered on a river herring day at Macallen Dam, attended events at schools, libraries, and local fairs, and sponsored a guided eco-paddle. *Chick and Dee-Dee's Lamprey River Adventure* was shared at libraries and elementary schools. Articles were published and special topics were presented at libraries and senior centers.
- **Recreation:** LRAC funded two kiosks along the river: Tilton Conservation Park in Epping and the Thompson Forest in Durham. A grant to the Epping Conservation Commission enabled the floodplain trail at Tilton Conservation Area in Epping to receive new sign posts and three new bridges to help visitors understand and navigate this special habitat. A canoe access sign was installed to identify the site for paddlers.
- **Water Quality:** LRAC funding ensured that years of volunteer water quality data were not interrupted. The third phase of trend analysis covering 23 years of river water quality data was completed.
- **Wildlife:** Two videos featuring interviews with naturalist David Carroll were commissioned and will be available in 2020.
- **Land Protection:** The Wild and Scenic Subcommittee helped permanently protect 113.5 acres in Epping, with over 1 mile of Lamprey River frontage. A grant to the Barrington Conservation Commission was used to create maps of overlapping natural resources most in need of protection. A grant to the Raymond Conservation Commission will be used to map and prioritize wetlands.

Plans for 2020 and Items to Watch: The committee will continue to do project reviews and work on goals and actions identified in the *Management Plan*. A historical panel for Doe Farm in Durham will be created. LRAC Community Grants will include support for the development of a nutrient budget for segments of the main stem river and improvements and signage for the Little River Park in Lee.

*Funds to support this work were provided by the National Park Service under CFDA 15.962 – National Wild and Scenic Rivers System.

The Exeter-Squamscott River is enrolled in the New Hampshire Rivers Management and Protection Program, a unique partnership between citizens, towns, and state government designed to promote and protect the river’s outstanding natural and cultural resources. Established in 1996, the Exeter-Squamscott River Local Advisory Committee (ESRLAC) is comprised of citizen volunteers living in towns in the watershed, vested in working together to protect water quality, water quantity, wildlife habitat and recreational opportunities. The Exeter-Squamscott River is one river with two names, reflecting the fresh water (Exeter River) and salt water (Squamscott River) portions of this major tributary to Great Bay.

ESRLAC Representatives:

Brentwood:	Robert Glowacky Emily Schmalzer Eric Turer
Chester:	Vacant
Danville:	Vacant
East Kingston:	Vacant
Exeter:	Donald Clement David O’Hearn
Fremont:	Ellen Douglas John Roderick
Kensington:	Vacant
Kingston:	Evelyn Nathan
Newfields:	William Meserve
Raymond:	Vacant
Sandown:	Mark Traeger
Stratham:	Daniel Coffey Nathan Merrill

2019 marked ESRLAC’s 23rd year of acting “for the good of the river”. The Committee continued to review proposals for land development along the river, providing information and analysis to landowners, developers, local boards and state agencies. ESRLAC reviews all plans closely to identify and recommend ways in which natural resources in and alongside the river may be protected through stormwater management and other conservation minded development practices.

ESRLAC now has a Facebook page, managed by Committee members and offering information on a wide range of river related topics. Search for Exeter-Squamscott River Local Advisory Committee on Facebook to follow ESRLAC.

ESRLAC seeks members from all communities in the watershed. If you are a resident of Chester, Raymond, Fremont, Sandown, Danville, Kingston, East Kingston, Brentwood, Kensington, Exeter, Stratham, or Newfields and are interested in joining ESRLAC, please call the Rockingham Planning Commission at 603-778-0885 for more information.

SOUTHEAST REGIONAL REFUSE DISPOSAL DISTRICT 53B

Southeast Regional Refuse Disposal District 53B was established in 1998 under RSA Chapter 53-B. The District is authorized to provide four facilities: recycling, landfill, septage and waste-to-energy. Each member municipality can participate in one or more of the District's facilities and various cost and expenses are apportioned among the members. Also provided is flexibility in developing solutions to joint solid waste problems.

The District is presently made of six-member towns: Brentwood, Fremont, Kensington, North Hampton, Rye and Sandown.

The District held its annual Household Hazardous Waste Day on September 21, 2019 in Brentwood.

The event served 302 cars, representing 318 households, and is at our budget \$26,500. The Board would like to thank all the volunteers whom made the day a success.

The member towns are currently tipping at a rate of \$66.04 per ton for MSW and \$78.47 per ton for Bulky/Demo.

Effective April 1, 2018 the Board of Southeast Regional is as follows:

Chairman	Everett Jordan -Rye, NH
Vice Chairman	Dennis McCarthy – Rye, NH
Treasurer	John Hubbard – North Hampton, NH
Secretary	Alfred Felch – Kensington, NH

TOWN OF BRENTWOOD MOSQUITO CONTROL

As Massachusetts was dealing with the worst outbreak of Eastern Equine Encephalitis (EEE) in over 50 years, NH was seeing a different disease carried by mosquitoes. Two human cases of Jamestown Canyon Virus (JCV) were detected in New Hampshire in 2019. One was an adult from the town of Kingston, NH. He tested positive for both Jamestown Canyon Virus spread by mosquitoes and Powassan Virus which is spread by ticks. Another adult tested positive for JCV from Laconia, NH. The State confirmed two horse cases of EEE and 16 mosquito batches in NH last year.

In 2019, the US saw the largest and most widespread outbreak of EEE in the last half century. Medical Entomologists recognize that EEE usually persists after a major outbreak. We expect to see more EEE during the 2020 season.

Adult mosquitoes were monitored at five locations throughout town. Mosquitoes were collected in traps, identified to species and select species were sent to the State Lab in Concord where they were tested for disease. No disease activity was detected in Brentwood in 2019. Dragon has identified 119 larval mosquito habitats in town. Crews checked larval habitats 361 times during the season. There were 116 treatments to eliminate mosquito larvae. In addition, 184 catch basins treatments were made to combat disease carrying mosquitoes. Dragon uses a naturally occurring biological product called Bti to control mosquito larvae in wetlands. Bti will not harm people, pets and other animals, aquatic life or other insects. Dragon also uses Natular, an organic biological product, to control mosquitoes in catch basins.

The recommended 2020 Mosquito Control plan for Brentwood includes trapping and identifying mosquitoes to species for disease testing, sampling wetlands for larval mosquito activity, larviciding where mosquito larvae are found, efficacy monitoring, and emergency spraying when a public health threat exists. The field work begins in April when mosquito larvae are found in stagnant water such as red maple and cedar swamps, woodland pools and other wet areas. Trapping and testing adult mosquitoes begins in July. The mosquito control program ends in October when temperatures drop and daylight hours decline.

Homeowners play an important role in reducing the number of mosquitoes by checking their property for standing water each week during the season. The Centers for Disease Control and Prevention (CDC) recommends residents empty, turn over, cover or throw out items that hold water, such as tires, buckets, planters, toys, pools, birdbaths, flowerpots, or trash containers. Personal protection remains the number one way to avoid mosquito borne illness. Helpful information is available on the CDC website at: www.cdc.gov/westnile/prevention/index.

Residents who do not want their wetlands treated may use our No-Spray Registry online at www.dragonmosquito.com/no-spray-registry or write to Dragon Mosquito Control, PO Box 46, Stratham, NH 03885. Be sure to include your name, physical address, phone number, color of your house and amount of acreage you own. Anyone who has submitted a request in prior years may contact the office to reaffirm your request. To keep our records current, we need to hear from you each year. Inquiries may be emailed to help@dragonmosquito.com or you may call the office with questions at 734-4144.

Respectfully submitted,

SCHOOL CLERK

PHYLLIS THOMPSON

wp. 4/6/22

Swasey Central School is our K-5 elementary school in the town of Brentwood, NH. The enrollment of SCS is 310 students. The high quality educators in our school include 18 classroom teachers, support staff, special education staff and administrative staff. Swasey Central School is a part of **SAU 16**, which includes Exeter, Stratham, Newfields, Kensington and East Kingston. Our grade 5 students move on to the Cooperative Middle School and from there, move on to Exeter High School. We are proud of the instructional practices that are in place at Swasey. Students are well prepared to 'climb the ladder of success' as they demonstrate their knowledge and skills while moving forward on their road in education.

This year our **school goals** include creating environments that support student agency/student driven learning practices, Competency Based Learning, and a revamp of our reporting system to parents. Students need a deep understanding of text, which is the key to future learning in all subject areas. As we utilize assessments that help us better understand student needs in the area of reading, we can focus our instruction using the data. Teachers meet weekly in **PLCs (Professional Learning Community)** to discuss student needs, review data, and to plan appropriate instruction. Our PLCs have team leaders that set agendas and facilitate those conversations and planning.

SAU 16 continues to research and develop their understanding of competency-based education and learning. Competencies are what we expect our students to be able to demonstrate. The focus is on skills that are learned and retained, as opposed to what is being taught. Competency-based learning puts a focus on the individual student, and our focus in literacy-based programming and '**What I Need**', or **WIN time**, is our avenue for this movement.

Safety and security changes have occurred at our school. Our local fire and police work with us to ensure that our emergency planning practices our up to date and detailed. We feel that safety is the highest priority for all Swasey students and staff.

Swasey Central School has many supporters. **Our parents and PFG group** provide year round support of programming by staying involved with classrooms, creating fund raising opportunities, and by volunteering in our school. We couldn't be more proud of the 3 straight years of Blue Ribbon Awards that our parent volunteers have earned for the amount of time spent assisting students in our school. The PFG continues to reach out to our staff by providing resources for our school.

The school's stakeholders include our students, staff, parents, school board and community members. All of these partners work together to create a dynamic and creative place of learning for the families of Brentwood. Instructional practices in place include literacy

instruction, mathematics, social studies and science, art, music, physical education, health, technology, and library.

Teachers continue to work on SAU wide curriculum teams to review current practices. This work will help our students receive the support they need to meet the educational demands. Most important though, is that Swasey students are ready to move on to the next level of education with a high level of proficiency.

In addition to academic activities, SCS students participate in community and social education including **Responsive Classroom and Open Circle**, to help them interact with each other and the world around them. We are a community of learners, and our school wide dedication to our community will continue to grow as we provide more attention to our social needs with increased training in supporting our students. Our monthly **"Swasey Shindigs"** provide us with a forum to be together as a school and we look forward to our gatherings. Students are provided with enrichment activities after and before school, chorus and band instruction, foreign language exposure, cross-country and jump rope clubs, and a variety of experiences beyond the classroom.

Learning experiences are enhanced by our technology-infused instructional practices. Learning tools grow and develop quickly, and we are proud of the practices that are in place at SCS. Our students develop skills in using 21st century learning tools and we are confident in our ability to continue growing as the scope of technologies continue to expand.

STEAM practices have been enhanced deeper with an investment in our Makerspace and the creation of a program that immerses students in hands-on discovery education. The **Swasey STEAM Design Lab** is a program for all students K-5 that provides weekly involvement in coding, engineering, designing and inviting technologies. Students work together to solve problems and have fun in a setting that is welcoming and science based.

In closing, I invite you all to stay involved in Brentwood's Swasey Central School practices and routines by visiting our school website and by attending monthly school board meetings. Swasey Central School remains a vibrant and effective place of learning for the town of Brentwood and we are appreciative of the support the community provides, ensuring that our students are prepared for their educational journey.

Article 01 ERCSD Operating Budget

Shall the District raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant, or as amended by vote of the first session, for the purposes set forth therein, totaling \$64,059,213? Should this article be defeated, the operating budget shall be \$63,742,468 which is the same as last year, with certain adjustments required by previous action of the District or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. The School Board and Budget Advisory Committee both recommend \$64,059,213 as set forth on said budget. (Majority vote required)

Yes No

Article 02 Sale of Land

Shall the District authorize the Exeter Region Cooperative School Board to sell, on such terms and conditions as the Exeter Region Cooperative School Board determine are appropriate, land identified as 165 Amesbury Road located in Kensington, comprised of approximately 26.36 acres. Full proceeds from the sale will increase the unassigned fund balance used to offset the tax rate. Sale of property is recommended by the Exeter Region Cooperative School Board

Default Budget of the Regional School

Exeter Coop

For the period beginning July 1, 2020 and ending June 30, 2021

RSA 40:13, IX (b) "Default budget" as used in this subdivision means the amount of the same appropriations as contained in the operating budget authorized for the previous year, reduced and increased, as the case may be, by debt service, contracts, and other obligations previously incurred or mandated by law, and reduced by one-time expenditures contained in the operating budget. For the purposes of this paragraph, one-time expenditures shall be appropriations not likely to recur in the succeeding budget, as determined by the governing body, unless the provisions of RSA 40:14-b are adopted, of the local political subdivision.

Minutes of Exeter Region Cooperative School District
First Session of the 2019 Annual Meeting
Deliberative Session – Thursday, February 7, 2019
Exeter High School Arthur Hanson III Center

ERCSD Board Members Present:

Helen Joyce, Chair – Stratham	Travis Thompson, Vice-Chair - Stratham
Maggie Bishop – Exeter	Kimberly Meyer– Exeter
Deb Hobson, East Kingston	Paul Bauer – Newfields
Bob Hall – Kensington	Melissa Litchfield, Brentwood

ERCSD Board Member Absent: David Slifka, Exeter

Administration: David Ryan, Superintendent

Frank Markiewicz – Business Administrator for SAU #16

Others: Katherine Miller – ERCSD Moderator

Gordon Graham – Counsel for the School District

Dave Pendell – Chair of District's Budget Advisory Committee

Susan Bendroth – ERCSD Clerk

Moderator Miller called the meeting to order at 7:00 PM. Sawyer Rogers, junior class president at Exeter High School, led the Pledge of Allegiance. Moderator Miller presented an explanation of the meeting which is to discuss, debate and amend the warrant articles as the law allows. She reviewed the rules and the procedure for the evening. She introduced the people up front, requested permission for individuals not living in the district to be allowed to speak if necessary (permission was granted) and recognized the budget advisory committee members. She went on to announce that voting on these warrant articles would take place on March 12, 2019 in the various towns with Brentwood's hours being from 7 to 7 (a correction in the handout presented).

Helen Joyce thanked everyone for coming out, acknowledging the administration, faculty and staff in addition to the CMS Renewal committee, fellow board members and parents.

Moderator Miller turned to Warrant Article #1:

Warrant Article 01: 20 Year Bond for CMS Addition and Renovation

Shall the District raise and appropriate the sum of \$17,800,000 for the purpose of renovations and additions to the Cooperative Middle School in order to accommodate for changes in programs and expanding needs of the school; \$17,800,000 of such sum to be raised through the issuance of bonds or notes under and in compliance with the Municipal Finance Act, RSA 33:1 et seq., as amended; to authorize the School Board to apply for, obtain and accept federal, state or other aid, if any, which may be available for said project and to comply with all laws applicable to said project; to authorize the School Board to issue, negotiate, sell and deliver said bonds and notes to determine the rate of interest thereon and the maturity and other terms thereof; and to authorize the School Board to take any other

action or to pass any other vote relative thereto: and further, raise and appropriate an additional \$425,222 to meet the necessary financial obligations associated with the project's debt service for the 2019-2020 fiscal year.

The School Board and the Budget Advisory Committee both recommend the adoption of this article. (3/5 ballot vote required for passage) Paul

Bauer made a motion to adopt Article 1.

Bob Hall seconded.

Paul Bauer spoke to the article.

Lucy Cushman, Co-Chair of the CMS Building Project, Patty Wons, CMS Principal and Bill Perkins, CMS Assistant Principal, presented the scope of the project which will include 10 classrooms, expansion of the cafeteria, additional office space and another elevator. The presentation included charts and pictures documenting how the needs of students have changed in past twenty years and the necessity for the additional space so the programming is not dictated by the lunch schedule. Frank Markiewicz, Business Administrator, presented the financial impact and stated that the entire presentation would be available on the SAU website in the morning.

Public input asked about why Brentwood was at the top of the payment scale and what the total project would cost at the end of twenty years.

Frank Markiewicz responded by saying Brentwood does not have a large tax base to draw upon and the estimated cost for the project is \$40,000,000 at the end of 20 years.

Moderator Miller declared the article to appear on the ballot as presented.

Warrant Article 02: ERCSD Operating Budget

Shall the District raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant, or as amended by vote of the first session, for the purposes set forth therein, totaling \$60,342,073? Should this article be defeated, the operating budget shall be \$59,852,502 which is the same as last year, with certain adjustments required by previous action of the District or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13 X and XVI, to take up the issue of a revised operating budget only. The School Board and Budget Advisory Committee both recommend \$60,342,073 as set forth on said budget. (Majority vote required.) Paul Bauer made a motion to adopt Article 2.

Bob Hall seconded.

Melissa Littlefield spoke to the article.

David Ryan, Superintendent, gave accolades to students successes and the need for the present budget to continue to do great things. He stated it was a collaborative process with everyone looking at the needs and budget priorities.

Frank Markiewicz provided a power point presentation of the budget highlighting the drivers and tax impact.

Liz Faria, Brentwood, presented an amendment to the article reducing the operating budget to \$58,000,000.

Bill Faria, Brentwood, seconded the amendment.

An Exeter resident spoke against the amendment as we have experts that truly take the numbers into consideration and that the original budget seems to be a reasonable and responsible budget.

Travis Thomason, Stratham, opposed the amendment because the budget is no longer just about the number of students but the quality of the education provided. A vote was taken on the amendment and it was defeated.

A motion to restrict reconsideration was presented, seconded and agreed upon. Moderator Miller declared the article to appear on the ballot as presented.

Warrant Article 03: CRF for Synthetic Turf Replacement

To see if the school district will vote to raise and appropriate the sum of up to \$50,000 to be added to the Synthetic Turf Replacement Capital Reserve Fund previously established under the provisions of RSA 35:1 for replacement of the synthetic turf field located at Exeter High School. This sum to come from the June 30 undesignated fund balance available for transfer on July 1. No amount to be raised from taxation. The School Board and the Budget Advisory Committee both recommend this appropriation. (Majority vote required.)

Maggie Bishop made a motion to adopt Article 3.

Kimberly Meyers seconded.

Frank Markiewicz spoke to the article stating that a total of 21 teams use the field in addition to the High School Graduation.

Public input asked how many more years before it needs to be replaced.

Bill Ball, Exeter, stated that we are into the thirteenth year with an eight-year warranty. It is in good shape and he hopes to get at least another four years of use.

A motion to restrict reconsideration was presented, seconded and agreed upon.

Moderator Miller declared the article to appear on the ballot as presented.

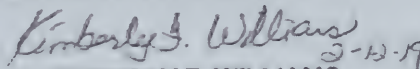

The meeting was adjourned at 8:20 PM with 92 voters present.

Respectfully submitted,

Susan E.H. Benaroth, Exeter Region Cooperative School District Clerk

Annual Report of SAU 16

For the Year Ending June 30, 2019

For the Proposed 2020-2021 Budget

SAU16 ANNUAL REPORT FOR THE YEAR ENDING 2019

VISION FOR THE GRADUATE

Each graduate demonstrates engaged learning and citizenship through the ability to solve problems independently and collaboratively with perseverance and resilience, and communicates solutions with confidence and empathy.

School Administrative Unit (SAU) 16 continues to strive to be seen as the state leader in innovative instructional practices, inspiring learning journeys, and efficient use of the precious resources afforded by the community. Our schools thrive in large part due to the support from all six towns while respecting the heavy burden that local property taxes have on residents. It was once stated in a previous annual report that “School board members and administrators are very sensitive to the fact that approximately 80% of SAU 16 households do not have school age children residing in them, while also being very aware that New Hampshire is second only to Florida in its aging average population” (Morgan, 2017). Attention to this sensitivity has not wavered.

As the third largest public school system in the State of New Hampshire, we enjoy a strong reputation of offering a comprehensive career training program that includes intense college preparation, contemporary career and technical education, competitive athletic programs, and multiple experiences in the arts. Our students discover their passion here while building their competency for a bright future. They become our leaders, our caregivers, our communicators, and our neighbors. It is a significant investment of time and money, but given the growth and success of this community over the years, it is worth it.

Our professional educators and staff members throughout the SAU offer a boundless enthusiasm for teaching and learning. As relationships with students are built, so too are the core values of integrity, honesty, trustworthiness, and respect for all human differences. Our professionals are committed to nurturing the children in this community toward adulthood through a high quality curriculum, varied instructional approaches, and social emotional learning experiences. Some of our highlights are below, followed by an update on progress in accordance with our SAU 16 Strategic Plan.

Some Highlights from 2019

1. **A reorganization** at the SAU office involved welcoming some new staff members. **Mollie O’Keefe, MBA, M.Fin.**, a Kensington resident and Blue Hawk from the Class of 2001, joins us as director of finance and operations. **Michelle Larson** moved from an accountant position to assistant director of finance and operations, **Maryellen Daley** and **Erin O’Dea** have joined the payroll staff, and there was some reassignment and increase

of some responsibilities for accounts payable accountant **Erica Inglis-Macduff** and **Patti Jo Roy**. **Jon St. Pierre** joins us as the SAU's first medicaid coordinator, and **Charles Angwin** began with us this summer as our out of district coordinator.

2. Over the summer, the SAU office **added a secure entry** that includes a passcode entrance system and locked vestibule. The system is similar to all of the entry systems in our schools and has provided the layer of security that the office was missing. The system is monitored throughout the day by a receptionist and/or administrative assistant.
3. **Competency-Based Education (CBE)** remains one of the two primary pillars of our work as teachers and administrators strive to make education "personalized" so that each student may achieve his/her highest potential while being able to take ownership of his/her learning and demonstrate that learning to others.
4. **Social Emotional Learning (SEL)** continues to be the second pillar of our work. Students in our schools participate in SEL curriculum experiences such as Choose Love and Open Circle while high school students engage during advisory.
5. **TheBestSchools.org** recognized Exeter High School (EHS) in its 2019 list of the Top 100 Public High Schools in the United States. Coming in at #96, part of the reason for the selection included "students may choose from 150 courses centered in 12 disciplines. 11 Advanced Placement courses are offered to students seeking college preparatory experiences. Dual credits may be earned through Southern New Hampshire University and Great Bay through the Running Start program".
6. Training continues in the **Next Generation Science Standards (NGSS)** that will advance science instruction throughout all of the schools in the SAU. These research-based, up-to-date K-12 science standards will increase expectations for learning while focusing on cross cutting concepts that are critical in the 21st Century.
7. Professional educators are spending more time in other schools through the research-based **Instructional Rounds** process, a collaborative way for teachers and administrators to better understand teaching and learning and how to adapt successful methods to scale in their own schools. This marks the third year that SAU 16 has been involved in Instructional Rounds and data are being gathered to measure levels of impact by virtue of participation.
8. The Exeter Region Cooperative School District welcomed **Sharon Wilson** as the new principal at the Seacoast School of Technology. Sharon joins us after serving as an assistant principal at Nashua High School North for seven years where she worked extensively with five of the Nashua Technology Center's CTE programs (Academy of Finance, culinary arts, automotive technologies, business marketing, and cosmetology).

9. We are sad to see him retire, but East Kingston Elementary School Principal **Steve Tullar** will be retiring at the end of the school year. Steve has served for three years at the helm of EKES and in his time made important improvements in school culture, student safety, and social emotional learning. We will miss you, Mr. Tullar!
10. Speaking of ERCSD, voters approved last March the \$18.7 million renewal bond for the space reassignment and expansion at **Cooperative Middle School**. The planning and preparations for a spring groundbreaking have been underway for several months with the architects (Harriman) and construction manager (Harvey Construction) for the projects.
11. At the conclusion of this school year, and upon offering a retirement incentive proposal, SAU 16 will see the retirements of 34 SAU educators and staff members from four school districts and the SAU office. The total accumulation of years of dedication and experience equals just shy of 1200, a remarkable number that demonstrates the depth of commitment to our children and the loyalty of our staff members to the mission. We will miss the wisdom, experience, history, and smiles that are leaving us in June, and given the demographics of current employees, this trend will unfold for several more years.

SAU16 Strategic Plan Review

Action Items Reaching Advanced Stage

Teaching and Learning

Recommendation 1

*Continue to implement a challenging and consistent K-12 curriculum that develops and leads to the successful achievement of the Exeter High School graduation competencies and promotes viable learning opportunities for each student - **Advanced***

Competencies are in place at all of our schools and teachers are continuing to rethink their instructional practices to best meet the learning needs of each student. This year, teams of teachers at each elementary school have been piloting Ready Math, a new math program that is designed to help teachers differentiate their math instruction for students who require different levels of instruction. The common assessment function of this program will also assist the SAU with moving along the Strategic Plan continuum relative to Recommendation 2 under Teaching and Learning.

Recommendation 3

*Create a unified report card for K-5, 6-8, and 9-12 that contains information on student performance in content knowledge, skills, and work/study practices. - **Advanced**.*

All elementary schools have spent close to eighteen months developing a proficiency-based reporting tool for K - 2 students to better inform parents of their students' learning

progress through the year. This fall, members of the SAU administration visited with K-2 parents in our elementary schools to introduce the changes and to demonstrate why these changes were taking place. Parents also were introduced to SeeSaw, an online portfolio site that shows parents what students are learning through audio and video clips of the student demonstrating learning. Alma, a competency-driven learning management system, was also introduced and has been designated as the student progress reporting tool for SAU 16. Current K-2 students and their families are leading the way with their foray into this form of grade reporting and will carry the torch for years to come as it expands with them through their high school years.

Health and Community

Recommendation 2

Ensure that schools have the time and tools necessary, including training of professional staff, to provide social and emotional learning that is appropriate and meaningful for their students - Advanced

All elementary schools adopted the improvement of SEL (as defined by Dr. Cassie Yackley) as a school-wide goal and have taken the next step in participating in either Open Circle and/or Choose Love, curricula designed to address the mental and social wellness of students in our schools. Open Circle is specifically designed to elicit relationship building with and between students in a safe and secure climate. Students, staff, teachers, and counselors progress through a series of guided experiences in which students learn the skills of “recognizing and managing emotions, empathy, positive relationships and problem solving”. “Choose Love focuses on four important character values – Courage, Gratitude, Forgiveness, and Compassion in Action – which cultivates optimism, resilience and personal responsibility.” Both programs are available to all teachers and professional learning time is purposely set aside frequently to continue to improve the delivery of both models.

The Behavior Intervention Team model was implemented at the elementary and secondary level over the summer of 2019 and involves SAU administration, school administration and counseling, local law enforcement, representatives from juvenile justice, and mental health and wellness professionals. These teams provide support to schools through the identification and management of care programs for students deemed in need of targeted behavior interventions. Schools have at their disposal the Devereaux Student Strengths Assessment, or DESSA, to help identify those students. The DESSA is a standardized, strength-based SEL assessment that measures the social and emotional competence of youth in kindergarten through eighth grade.

Recommendation 5

Seek ways to bring the community into all schools and to bring the schools/students into the community. Create and maintain a community-wide database to provide contact information of local community members and/or business that are willing to visit the schools or to host students. - Advanced

Our elementary schools consistently market school programming to members of the community and invite members of the public to attend school events, student showcases, performances, and cultural activities. Events such as dramatic performances, musicals, celebrations of learning, and athletic events have been well attended and continues to attract supporters. Most of the elementary schools have built lasting relationships with corporations and small business around their STEAM efforts, while our secondary schools continue to construct models of collaboration with business and non-profit organizations including (but not limited to) ThermoFisher Scientific, Munters, Big Brothers/Big Sisters, Southern District YMCA.

The high school hosted its first career fair with the Exeter Area Chamber of Commerce last spring, just in time for employers to attract and hire seasonal employees. Seacoast School of Technology hosted the Chamber in September with a career development theme, while continuing to build its network of externships, job placement sites, and exploratory events such as Construction Day.

Philosophy and Governance

Recommendation 1

Implement baseline K-12 district-wide surveys to all students, parents, faculty, and staff to assess the culture and climate in each school. - Advanced

A series of online surveys were administered as the calendar year ended with parents, students, and staff members serving as respondents. The three surveys were designed to measure the groups' levels of satisfaction with their respective experience in SAU 16, asked specific questions about the culture and climate of their respective schools, and sought to measure the level of effectiveness and satisfaction of service from the SAU administrative office. The results continue to be returned and data collection and organization was ongoing at the time of this report's publication.

Recommendation 4

Explore the option of a later school start time, due to the positive effects it has on teen health, safety, and learning - Accomplished

The committee to study a later school start time concluded its work last spring and reported its findings and recommendations to the SAU Joint School Board at the end of the year meeting on May 20. It was on the recommendation of the committee that the SAU not move forward with a plan to change the time that school begins as there were far too many cultural barriers that prevent the change from occurring. In the study, the committee highlighted the desire to make such a change, there exists a such a strong hold on current family norms and routines that changing the school start times would upset the balance too greatly. Further, the area schools in the region, including those who send students to study at Seacoast School of Technology, are not inclined to change their start times and therefore present a larger issue. The SAU Joint School Board voted to not move ahead with the idea of changing school start times.

Recommendation 8

Modernize and optimize the hiring and review process of all employees - Advanced

The SAU has moved to a fully online applicant recruitment and hiring platform developed and maintained by Frontline, the same vendor managing our employee professional development and portfolio software. On the heels of the SAU's first job fair in March 2019, over 1,500 interested candidates applied for over fifty certified and dozens of support positions in our schools and SAU office. The process included electronic submission and organization of application materials, scheduling hundreds of interviews, processing legal paperwork, and ultimately onboarding new employees through an orientation process. The human resource office made a Herculean effort to modernize the process using this software while building the electronic database at the same time. Moving forward, all hourly employees will use an automated timekeeping system and substitute teachers will be assigned and managed through a portal system maintained by the SAU. Overall, the ongoing advancements in this area have proven highly favorable in terms of efficiency and effectiveness.

We look forward to sharing the fruits of the labor above with the SAU16 community for years to come, and we will continue to work diligently to preserve the valuable traditions of the towns that we serve while continuing to connect them all in the SAU they comprise.
