# School Report

## Superintendent's Report

To the School Board of Brookfield:

Gentlemen, - It is my privilege to submit to you, and through you to the citizens of the town, my tenth annual report as superintendent of the schools of Brookfield.

The following table contains the usual statistics relating to the schools:

### *Statistics for the Year Ending June 30, 1928*

School	Teacher	Total Number Enrolled	Average Membership	Average Attendance	Per Cent of Attendance	Number of Tardinesses
Churchill	Eva C. Willey	18	17.18	16.87	98.19	2
Stoneham	Leda B. Eldridge	7	5.19	5.06	97.49	5
Totals and Averages		25	22.37	21.93	98.00	7

Our record for per cent of attendance excels even our high record for the preceding year. I doubt whether any town in the state has a better record.

The names of those pupils who have been neither absent nor tardy for one or more quarters during the year are contained in the following roll of honor.

Roll of Honor for Perfect Attendance:

One Quarter: Frances Witham.

Two Quarters: Fay Clark, Arthur Knapp Jr.,  
Betty Knapp, Hazel Cotton, Henry Cotton.

Three Quarters: Doris Clark, Ralph Boston,  
Alice Burroughs, Ralph Hooper, Philip Rines.

Full Year: Henry Boston, Wilfred Burroughs,  
Dorothy Cate, Edith Cate, James Clark,  
Ruth Hooper, Thelma York.

Our corps of teachers is the same as last year. The District is to be congratulated upon this fact.

The Stoneham school opened last August with ten pupils enrolled. Four of these reside in Wakefield. Since that time one family has moved from Brookfield removing four of the pupils from this school. Of the present enrollment of six, only two live in Brookfield.

Three Brookfield children are attending school at Wakefield Corner and one in Wolfeboro.

Mr. Wallace C. Wright is again supplying the Churchill School with milk for a free lunch during the forenoon recess. Mr. Wright, we thank you.

The Stoneham building was renovated both inside and outside during the summer vacation. Our next move in the way of improvement should be consideration of the possibility of providing the Churchill School with more modern and more comfortable furniture.

Medical inspection in the schools has been continued by Mrs. Agnes T. Weeks. Her report will follow.

Arrangements were made last May for the children of Brookfield to share in the opportunity of receiving free treatment for the prevention of diphtheria at the toxin-anti-toxin clinics held at Sanbornville. I am pleased to say that all but two or three pupils of the Churchill School availed themselves of the opportunity.

Respectfully submitted,

FRED W. DUDLEY,

Superintendent of Schools.

## Report of School Nurse

From Jan. 1, 1928 to Jan. 1, 1929

Number of pupils examined	26

Home calls made by the nurse	15
School " " " " "	12

### TREATMENT SECURED

Treated for defective teeth	5
" " " vision	1

Several under weight children attended a tuberculosis clinic held at Sanbornville in July. Each child received a thorough chest examination by Dr. Robert Kerr, T. B. specialist.

Children have been weighed at intervals during the year. Five children were under weight.

Toxin-antitoxin treatment, given to prevent diphtheria, was given to fourteen children of the Churchill School.

Respectfully submitted,

MRS. AGNES T. WEEKS, R. N.
