The summer term in this district was taught by Miss Bessie P. Walker of Chatham.

Length of school, nine weeks. Wages of teacher per week, including board. \$6.00. Paid \$1.50 per week for conveying scholars from Ridge Road, also paid \$1.50 per week for Sadie Eastman's board.

The fall and winter terms were taught by Miss Alice Emerson of Stow, Me. Length of each term eight weeks. Wages of teacher per week including board \$6.50. Paid \$1.50 per week for conveying scholars from Ridge Road, also paid \$1.50 per week for Sadie Eastman's board.

Miss Emerson is one of our best teachers.

DISTRICT NO. 4.

There were 25 weeks of school in this district during the year. Wages of teacher including board \$6.50. All three terms were taught by Charles A. Wells of North Bridgton, Me. Mr. Wells is a teacher of experience and was much liked by both pupils and parents, and we consider it a profitable school year in this district.

DISTRICT NO. 5.

There were 25 weeks of school in this district. Summer term of 8 weeks taught by Miss Alice Heald of Lovell, Me. This was Miss Heald's first term and she tried hard to make it a successful term of school, and we think with experience

she will make a good teacher. The fall and winter terms were both taught by Claude Meserve of North Bridgton, Me. Mr. Meserve is a graduate of North Bridgton Academy and we consider him a fine teacher.
