## **SELECTMEN'S REPORT**

To The Citizens of Hampton:

The Board of Selectmen takes pleasure in presenting Hampton's 338th Annual Report for the year ended December 31, 1975. The theme for this year's report is America's Bicentennial as evidenced by the cover designed by the American Revolution Bicentennial Celebration Committee of Hampton.

Bids were let and contracts awarded for the construction of the Landing/Tide Mill Road and Lafayette Road sewer interceptors. Both projects were completed and put into service in the fall of the year.

We have continued the policy of surveying all of the Town's leased land. The North Shore lots survey was completed in February and the Plaice Cove survey was completed at the end of the year.

Construction of the Bicentennial Park commenced in the spring and was completed in time for the dedication

ceremonies which were held on June 14. Also, the addition and renovations to the Police Station were completed, and the construction of the Town Hall addition was started in mid-summer and was about 80% complete at the end of the year.

Hampton was offered and accepted a 2.6 million dollar grant from the U.S. Environmental Protection Agency for the construction of secondary treatment facilities. Construction commenced in mid-year and should be completed in January, 1977. This capital project is the largest single project undertaken by the Town and required a bond issue of nearly 1.3 million dollars.

In connection with the E.P.A. funded sewer projects, the Board of Selectmen adopted a comprehensive Sewer Use Ordinance which greatly expanded the regulations and controls over what and how goes into the public sewer system. Also, an E.P.A. required Sewer User Fee study was begun. The Board is expecting to review the results of that survey and adopt a user fee system for approval by E.P.A. in 1976.

As promulgated by the 1975 Town Meeting, the Board appointed a Fire Station Study Committee in April to study the adequacy of the existing buildings and to formulate some alternatives and recommendations to the Board. A report was given near the end of the year and the Board will be giving the matter further study before any proposals are presented to the Town Meeting.

Plaice Cove, the next priority in the Sewer Master Plan, was started in November and has a completion date of May 26, 1976. Funds have been recommended to begin the next priority of the plan in 1976, that being Boar's Head.

The Board met with the N.H. Division of Parks in May to hear plans on some major capital improvements to the State Pier facilities. Many of our suggestions and recommendations were accepted by the Division of Parks and incorporated in the final scheme. We anticipate the State will start this project some time next year.

Upon receipt of a petition with over 3,000 names, the

Board authorized an expenditure of up to \$7,500 for adulticide and larvaecide mosquito spraying.

In July the Board signed a work agreement with the Hampton Permanent Firefighters Association. The agreement is basically the same as the one with the Police, with the exception of a reduction in the work week from 56 to 40 hours per week. All collective bargaining agreements expire on December 31, 1976 and under R.S.A. 273-A, all agreements negotiated after December 21, 1975 will have to be approved by the legislative body (Town Meeting) as they pertain to cost items. Cost items mean any benefit acquired through collective bargaining whose implementation requires an appropriation by the legislative body.

We have submitted our 1976 budget recommendation to the Budget Committee. Although the increase is the largest increase ever seen in the Town budget, nearly half of it is mandated by State or Federal authorities. What we have submitted reflects a realistic budget to continue the fine array of municipal services we have all become accustomed to, and we hope that you, the voters, will act favorably on our recommendations.

This report generally depicts the highlights of your Board of Selectmen's activities this year. We wish to advise you that most of our meetings are open to the public and complete records of all our public proceedings are available for your inspection in the Town Hall.

Clifford E. Eastman, Sr., Chairman  
Robert V. Lessard  
James Fallon  
Francis Fitzgerald  
Helen W. Hayden  
BOARD OF SELECTMEN

# TOWN OF HAMPTON, NEW HAMPSHIRE 03842

From the Office of: Town Manager

To The Honorable Board of Selectmen and Citizens of Hampton:

Fiscal year 1975 was the most active in the history of the Town. In addition to the regular day to day programs and operations, we witnessed an unprecedented amount of capital improvement projects, well in excess of four million dollars. The largest bond issue ever to be issued by the Town was issued this year in the amount of \$1,280,000.00 for the construction of the sewer interceptors and the secondary treatment facility.

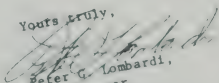

During the latter part of the year, we finally moved into the new Town Hall. Although it is not the best or most ideal facility, it is far superior to what we have been operating out of for the past forty years. I believe it will be more beneficial to the residents and result in a more economical and efficient operation now that everyone is under one roof.

As a result of the new collective bargaining agreement with the Hampton Permanent Firefighters Association additional personnel have been added to the Fire Department. I believe that the decision made by the Board of Selectmen will, in the long run, be more beneficial to the taxpayers.

Although Hampton has made much progress in providing the many and varied services to its citizenry I believe a reevaluation of priorities is becoming more and more necessary during these times of economic instability. I intend to present my views in these matters next year.

I wish to take this opportunity to thank the Board of Selectmen and members of my staff for their cooperation and continued dedication.

Yours Truly,

  
Peter G. Lombardi,  
Town Manager

L/s

## BUILDING INSPECTOR REPORT

The Building Inspection Department currently consists of 1 full-time Building Inspector.

The total cost of construction for the year 1975 was \$3,273,727, a decrease of \$2,046,815 from 1974. There were 496 building permits issued. The chart below shows a breakdown by months:

Jan	20,170	Jul	179,865
Feb	40,310	Aug	124,568
Mar	116,102	Sep	269,100
Apr	215,723	Oct	1,282,626
May	181,090	Nov	210,038
Jun	263,045	Dec	371,090

Permits issued by classification:

HOUSEKEEPING RESIDENTIAL BUILDINGS	
One-Family houses	25
Two-Family houses	4
MOVED OR RELOCATED BUILDINGS	2
MOBILE HOMES	9

OTHER NEW BUILDINGS AND STRUCTURES	
Industrial Buildings	2
Transit Motels	3
Residential Garages and Carports	4
Swimming Pools	9
DEMOLITION AND RAZING OF BUILDINGS	
Residential	8
Other	8
ADDITIONS, ALTERATIONS AND CONVERSIONS	301
INDIVIDUAL PERMITS \$100,000 OR MORE	4
MISCELLANEOUS	<u>121</u>
TOTAL	496

Total number of housing units were 73 with the following breakdown:

Single family - 25 units  
Two-family - 8 units  
Motels - 40 units

Fourteen (14) building violations were discovered during the year 1975.

Building Permit fees collected for the year 1975 were \$12,132.50 as compared to \$17,398.50 for the year 1974.

ALFRED L. JAQUES  
Building Inspector

## ASSESSOR'S REPORT

From 1972 through 1974, the tax base of Hampton rose annually by more than \$4,250,000 in assessed valuation over the preceding year. Such growth was unusual at a time when the nation as a whole was experiencing economic recession. In 1975, this growth was not as dramatic. The comparison below of this year's and last year's totals indicates an increase of \$2,349,610.

Town and Precinct Taxable Valuation		
	1974	1975
Land	\$20,310,510	\$20,467,950
Buildings	68,441,640	70,658,020
Factories	502,350	530,350
Utilities	5,099,310	5,046,300
Mobile Homes	706,600	766,100
Boats	<u>99,400</u>	<u>97,500</u>
Gross Valuation	\$95,159,810	\$97,566,220
Elderly & Blind Exemptions	<u>- 217,000</u>	<u>- 273,800</u>
Net Valuation	\$94,942,810	\$97,292,420

Of the \$2,349,610 increase, \$203,790 or approximately 8.7 percent was the result of valuation changes within the Hampton Beach Precinct, as herein illustrated.

Precinct Taxable Valuation		
	1974	1975
Land	\$ 7,181,200	\$ 7,202,630
Buildings	24,172,880	24,361,440
Factories	—	—
Utilities	1,678,500	1,668,000
Mobile Homes	481,700	502,600
Boats	<u>53,000</u>	<u>55,300</u>
Gross Valuation	\$33,567,280	\$33,789,970
Elderly Exemptions	<u>- 45,500</u>	<u>- 64,400</u>
Net Valuation	\$33,521,780	\$33,725,570

The current use or open space exemption remained stable. In 1974, \$107,340 in assessed valuation, representing approximately \$4,500 in revenue, was lost to taxation because of this preferential legislation. In 1975, the amount of assessed valuation exempted under current use was \$107,950. The \$4,600 revenue which would have been derived was recaptured by an addition of approximately five cents on the tax rate.

The town tax rate increased \$1.60 per thousand of assessed valuation over the previous year. A comparative breakdown in the following table of the components of the rate indicates an increase for municipal appropriations of sixty cents; a decrease of twenty cents for county apportionment; a raise of one dollar and thirty cents for the Winnacunnet Cooperative School District; and a reduction of ten cents by the Hampton Elementary Schools. The precinct rate was lowered ten cents. On a percentage basis, the proportions remained constant with municipal services accounting for thirty-two percent of the total tax rate; Rockingham County six percent; and schools responsible for sixty-two percent, except that the district share rose by two percent while the elementary system declined by a like ratio.

Tax Rate Breakdown Comparison				
	1974	Percent	1975	Percent
Municipal	\$13.30	32%	\$13.90	32%
County	2.60	6%	2.40	6%
Winn. Co-op.	8.90	22%	10.20	24%
Elementary	<u>16.50</u>	40%	<u>16.40</u>	38%
Town Rate	\$41.30		\$42.90	
Precinct		<u>3.40</u>		<u>3.30</u>
Precinct Rate		\$44.70		\$46.20

The revenue amounts committed to the tax collector increased by slightly over \$249,000 for property taxes and \$330 for resident taxes, as illustrated in the chart below.

Commitments to Tax Collector		
	1974	1975
Property Taxes	\$3,926,120.55	\$4,178,828.97
Precinct Taxes	108,974.21	106,295.36
Gross Property Taxes	\$4,035,094.76	\$4,285,124.33
Veterans' Exemptions	- 49,497.11	- 50,377.67
Net Property Taxes	\$3,985,597.65	\$4,234,746.66
Resident Taxes	\$ 52,250.00	\$ 52,580.00

Among changes enacted by the 1975 Legislature affecting taxation, the timber yield tax law now states that "no owner shall cut growing wood and timber who does not own real estate in the town where he intends to cut until he has furnished a bond or other security."

An act permitting a local option to expand elderly exemptions resulted in the question being placed on the warrant for the 1976 town meeting. The present law provides a five thousand dollar exemption in valuation, equalized by the town's ratio of assessment, to qualified applicants at least sixty-eight years of age. The expanded legislation, if approved by the voters, would allow a five thousand dollar equalized exemption to residents from age sixty-five through seventy-four; a ten thousand dollar equalized exemption to residents age seventy-five through seventy-nine; and a twenty thousand dollar equalized exemption to residents eighty years of age or older. Qualifications for eligibility include length of residence, amount of income and total assets provisions. In 1975, elderly exemptions accounted for a loss of \$268,800 in assessed valuation, resulting in an increase of twelve cents on the tax rate. If adopted by

the voters, it is estimated that in 1976 the expanded elderly exemption would produce a loss in assessed valuation of \$2,016,000 and cause about a one-dollar increase on the tax rate. If the expanded option is rejected, the present law providing a five thousand dollar equalized exemption for residents over sixty-eight would remain in effect.

Two revisions in the veteran's exemption law are now operative. The termination date of the Korean conflict has been extended from July 27, 1953 to January 31, 1955. As a result, a property owner who has resided within the state for at least one full year as of the assessment date and who served at least ninety days active duty during the period from June 25, 1950 to January 31, 1955 and was discharged under conditions other than dishonorable, would be entitled to a fifty dollar tax credit. The second change is that the exemption for the widow of a person who was killed or died while on active duty or for a person totally and permanently disabled from service connection or double amputee or paraplegic has been increased from six hundred to seven hundred dollars. Detailed information on any tax or exemption may be obtained from the assessor's office.

463 transfers of ownership of real estate were processed by this office in 1975, as opposed to 459 in 1974. The ratio of sales prices compared to assessed valuations indicates neighborhood disparities which a complete revaluation, contemplated for 1978, will be required to correct.

The Hampton assessor in November of 1975 was elected to a one-year term as President of the New Hampshire Association of Assessing Officials. He also currently serves on the Board of Directors of the Northeast Regional Association of Assessing Officers, and is a member of the International Association of Assessing Officers.

Respectfully submitted,  
HOWARD PROMER, Assessor  
MRS. DORSEY BARON, Secretary

## HAMPTON POLICE DEPARTMENT

Personnel: Regular 23  
Special 50

### ADMINISTRATION

Two new patrolmen were added as replacements during 1975. Patrolmen Robert Towler and John Galvin were promoted from the rank of Special Officers, with this department, to Regular Officers.

Special Officer Sylvia Moulton was hired as a full-time Clerk-Dispatcher.

### BUREAU OF CRIMINAL INVESTIGATION

The following figures show a comparison of the listed activities over a four year period:

	1972	1973	1974	1975
Criminal Arrests	1,045	986	840	905
Motor Vehicle Arrests	1,273	891	717	800
Log Entries	10,555	9,405	8,796	10,057
Juvenile Arrests	444	388	336	336

In 1975, we prosecuted 240 persons for various drug offenses as compared to 330 for 1974.

The amount of criminal activity has increased approximately seven percent over 1974, with the largest increase in malicious damage.

### BUILDING CONSTRUCTION

The construction of the addition to the Station was completed and, in addition, the Station was repainted both inside and out.

### TRAINING

Patrolmen George Bateman and William Wrenn

attended the six week New Hampshire Police Training Academy.

There has been In-Service training in the use of the department's 35MM camera, which was purchased in 1975.

At present, we have had four officers trained in the use of our newly established dark room. We have already realized a great savings to the Town because of our ability, now, to develop and print our photographs.

### COURT PROSECUTOR

Since his appointment as full-time Prosecutor, in January 1974, Sgt. John J. Nickerson has continued to do an outstanding job in that field. He finally received the help that was necessary with the appointment of a clerk-typist.

### YOUTH SERVICES DIVISION

During 1975, the Juvenile age in New Hampshire increased from 17 to 18 years of age, thereby creating a heavier workload for Sgt. Joseph E. MacDonald, the Youth Services Officer. Through extra effort on his part, he has managed to keep up with the increase in the number of young people with whom he has had to deal.

As a result of his work, Sgt. MacDonald has been able to receive restitution in the amount of \$2,200.00 and has passed the money on to the victims of crimes committed by Juveniles.

### DOG CONTROL OFFICER

During 1975, our Dog Control Officer answered a total of 902 complaints. He apprehended 199 dogs that were at large and issued 223 warnings, along with 164 summonses for various offenses.

## SAFETY

In 1975, we arrested 181 persons for drunken driving.

In July, 1975, we were designated by the State of New Hampshire to be one of the communities to establish our own Alcohol Safety Action Program. We have had this program in effect since that time.

This program gives us an additional cruiser on the road, on certain nights, with particular attention to drunken drivers and to reduce the number of alcohol related accidents. Since July, this patrol has been responsible for 22 drunken driving arrests, made a total of 345 stops for other violations and has covered 3,789 miles while patrolling.

The ASAP Program is completely federally funded and, therefore, is no cost to the Town for this additional protection.

Additional traffic signs were placed throughout the Town, as needed. In addition, a survey was done of the parking and traffic problems in the Beach area, which resulted in new parking bans and the establishment of a complete list of approved fire lanes.

## SUMMARY

I would like to thank all of the people, who have worked with and supported this Department, for a very successful year.

Respectfully submitted,  
Clayton E. Bousquin  
Chief of Police

## FIRE DEPARTMENT

Permanent Personnel - 32

Call Personnel - 20

I am pleased to submit the following report of the activities of the Hampton Fire Department for 1975.

### SUMMARY OF ALARMS

Box Alarms	129
Still Alarms	375
Total	504

### CLASSIFICATION OF ALARMS

Building Fires	36
Motor Vehicle	41
Brush - Grass	55
Dump	11
Chimney	10
Rubbish	7
Domestic Heating	19
Electrical	31
Highway Accident	32
Gas Leak	14
Sprinkler Trouble	2
Gasoline Spill	21
Alarm - No Fire	68
Malicious False	42
Assist to Public	41
Medical Aid	16
Mutual Aid	22
Accidental Alarm	6
Water Emergency	8
Household Appliance	11
Miscellaneous	11
TOTAL AREA	327
BEACH AREA	177

## FIRE LOSS

Year	#Alarms	Loss (Bldgs. & Contents)
1975	504	\$590,000+
1974	490	348,147
1973	482	45,501
1972	415	138,133

## FIRE PREVENTION

1975 is the first full year with the permanent Fire Prevention Officer. Emphasis was placed upon inspections of places of public assembly, hotels, rooming houses and apartments, all occupancies with a major life hazard. The State of New Hampshire Life Safety Code has been applied to those occupancies where it was necessary and the results turned over to the State Fire Marshal for his enforcement.

The Bureau has worked closely with the Building Inspector reviewing plans of new construction and providing information on fire related matters. This is one of the most important functions of the Fire Prevention Officer and will, in the future, show improvement in the fire safety of new construction in the Town of Hampton.

Previous programs of in-service inspections by the duty fire companies and the night inspection of places of assembly at the beach during the season were continued. It is becoming evident that the public is taking advantage of the expertise now available in the Fire Department as evidenced by the increase in requests for assistance in matters pertaining to Fire and Life Safety. Programs are also available for public presentation at meetings, service clubs and other public gatherings.

Complete Inspections	135
Partial and Special Inspections	193
Companies	37
Plan Review	37
Fire Drills	21
Oil Burner Inspections	30

Educational Programs	33
Investigations - Fire	28
Assistance and Information	105
Other Activities	51

## TRAINING DIVISION

The Training Division has had an extremely active year—the highlight being the effort expended during November and December to plan for the addition of seven new Firefighters to the Hampton Fire Department.

Several new call firefighters were appointed during the year and an intensive 18 hour basic call training program was conducted in March. An officer in the call force has been designated Assistant Training Officer and has taken over much of the work load of the Call Training Programs.

Nine members attended a forcible entry seminar at U.N.H. conducted by an instructor from the New York City Fire Department. Four members attended a Teaching Methods Seminar at the Laconia Vocational College.

A comprehensive pre-planning and training program was conducted at the Wheelabrator-Frye property. The Department has assisted this Company in preparing its Fire-Safety Plan and has conducted training programs for some of the employees.

A two day Seminar on Municipal Fire Alarm Systems was conducted by this Department under the sponsorship of the State Fire Service Training Program. A one day class in Municipal Fire Alarm was held for full time Fire Science students from the Laconia Vocational Technical College.

A total of 1860 man hours of in-service training was conducted for the on-duty firefighters and call men. This training covered the entire scope of firefighting and emergency medical care procedures.

The end result of any training program is not always evident, however, the performance of the Hampton Fire Department at the series of major fires during 1975

dramatically points out the absolute necessity for the success of our training program.

## APPARATUS MAINTENANCE

In April Captain Howard Stickney, the Department mechanic, was promoted to Deputy Fire Chief. A forward step in returning our maintenance program to its rightful importance has been taken by the appointment in January of 1976 of a firefighter-mechanic. This position has been filled by a qualified mechanic as a result of an open competitive examination. The new mechanic must fulfill the duties and obligations of firefighter as well as a mechanic.

## FIRE ALARM SYSTEM

The major problem encountered with the fire alarm system during 1975 was the emergency replacement of approximately 12,000 feet of two-conductor wire on Circuits 1 and 2. This problem was caused by a manufacturing defect in the wire which resulted in short circuit conditions during damp periods. This wire was purchased during 1967-68.

The I-95 project was completed this year with the installation of approximately 3000 feet of figure 8 cable on the Exeter Road at I-95. Both crossings of I-95 are now of modern construction and should last for many years.

New two conductor wire was installed on Exeter Road in cooperation with an expansion program of the Telephone Company.

Five existing fire alarm boxes were replaced and three new master boxes were added to the system. The program of pedestal replacement was continued with the replacement of one pedestal on Ocean Boulevard South.

A new modern fire alarm system with a master control panel and interior pull stations has been installed in the new Town Office Building to better protect the Town's records and financial investment.

## AMBULANCE SERVICE

### Summary of Service

In Town Calls	551
Out of Town	16
I-95	23
Total	570

Ambulance 1, the primary vehicle, is causing increased maintenance programs. I would recommend that this vehicle be replaced in 1977. The vehicle would be five years old, the normal life expectancy, and near the normal limit of mileage for an important emergency vehicle.

### CHIEF'S REPORT

1975 will probably go down in the records as the most active year in the history of the Hampton Fire Department. During the year the Department responded to the highest number of alarms ever recorded, which included a series of serious fires the magnitude of which the Town has not experienced for several years. Included were one four alarm, two three alarm and two second alarms. The frightening aspect of this series of fires was that all except one occurred in an occupied place of public habitation. In two instances sleeping guests or tenants were forced to jump to safety from upper floors. It should be obvious that increased emphasis should be placed on the Life Safety aspect of our community buildings.

In July the Town signed a contract with the Hampton Permanent Firefighters Association, the first contract for the Fire Department. Major items in the contract included a 40-hour week, time and one-half pay for overtime and increased uniform allowance. The major effect of this contract was the appointment of seven additional firefighters in December. This is the largest group of persons ever appointed to the department at one time.

There have been several changes in personnel. In April Captain Howard Stickney was promoted to Deputy

Fire Chief; in December Lieutenant William Sullivan was promoted to Fire Captain/Training Officer. Both promotions were the result of vacancies and were made after competitive examinations. One new firefighter was appointed to fill a vacancy and several new call firefighters were appointed. Our ClerkTypist/Dispatcher left to take another position and Rita Martel was appointed to fill that vacancy.

I wish to thank the members of the Department for their superior performance during our serious fires this past year. The dividends of teamwork, dedication and training have been quite evident to those who have witnessed the fires.

I also wish to express by sincere appreciation to the Fire Departments of Seabrook, North Hampton, Hampton Falls, and the many other Departments which have come to our aid and helped us to successfully contain the major fires of 1975.

In closing I want to thank the members of the Hampton Police Department who, on so many occasions, have rendered valuable service to our Department. To the Public Works Department and the many citizens who have come forward to help at times of need my sincere appreciation.

Respectfully.

Robert W. Fitz,  
Chief of Department

## PUBLIC WORKS

Appropriation:	\$776,768.00	Personnel: Regular	29
Expenditure:	762,173.09	Part Time	24
Balance:	\$14,594.91	Total Personnel	53

Your Public Works Department consists of four (4) major sections, below is a report of each section with the high lights of the year 1975.

### WASTE WATER TREATMENT PLANT

In 1975 we processed 520,535,000 million gallons of wastewater of which 557.1 tons was solid waste (sludge.) Our average daily flow was 1,310,500 million gallons. Included in the overall flow is 993,180 thousand gallons of septic tank system sludge.

Regular and preventative maintenance was performed on all plant equipment and our eight (8) pump and lift stations.

After many years of planning 1975 saw the beginning of the construction of our new Waste Water Treatment Plant, if all goes well it will be completed in January 1977. The total cost of this plant is \$3,947,000.00 of which the Town pays 5%, the remainder is paid by the State and Federal governments.

### SOLID WASTE DISPOSAL

Solid waste disposal (rubbish collection) is one of the most demanding jobs of the Public Works Department, and presents substantial difficulties in keeping men willing to undertake this type of work. Although the statement is repetitious in that I include it in my report each year, I will continue to do so as long as it is fact.

Solid waste is continuing to increase, this increase is due to increase in population both permanent and transit, another factor is we, the people, continue to buy throw away items such as soda, beer and milk containers, rather that use the returnable bottles, and I am

sure you are aware of many other items of this nature.

Below is an eight (8) year comparison of compacted cubic yards of rubbish collected.

1968 - 33,124	1972 - 45,854
1969 - 35,246	1973 - 47,428
1970 - 37,180	1974 - 49,716
1971 - 42,171	1975 - 51,760

Our Town dump is continuing to be operated in an economical manner by using reclaimed gravel from sewer construction augmented by gravel that we purchased. This year we expended \$11,189.60 for dump gravel.

Our system for care of the Town dump is a "modified sanitary land fill method." It won't be many more years before we will be required to have a 100% sanitary Land Fill method, the cost of which will probably be \$50,000 per year.

## MAINTENANCE INSPECTION & QUALITY CONTROL

1975 saw the completion of the Lafayette-Landing Road Interceptor, and in December the beginning of the Plaise Cove sewer project.

There were 55 sewer entrances into the sewer system this year requiring one or more inspections. In addition 308 sewer mains and/or laterals were located for contractors: water, gas or telephone companies. We also installed 3 new house laterals and relaid 7 others.

In 1975 we cleaned and flushed 61,253 feet of sewer mains and drains in addition to this we surveyed and sealed 4,088 feet of sewer mains using Penetryn augmented by Town employees.

This section is responsible for the inspection of all sewerage lines in the town. They have a responsibility to respond on a 24 hour basis to all unusual conditions surrounding sewer problems.

## HIGHWAY MAINTENANCE & CONSTRUCTION

We are in our 5th year of our major road resurfacing program. I had hoped that this was going to be a 5 year program and that all our major roads would now have been resurfaced, but due to budgetary restriction and increase in cost of hot top this has not been possible. During 1975 the following roads were resurfaced:

Lafayette Road	River Avenue
Academy Avenue	Bradford Avenue
Towle Avenue	Atlantic Avenue
Little River Road	Boston Avenue
Towle Farm Road	Epping Avenue

Total 19,150 linear feet or 3.63 miles.

Again, as always, street signs and traffic control signs have been a large problem. During 1975 we installed and/or reinstalled 487 signs of all types, mostly due to malicious vandalism. I might add here that we have initiated a program of using 10 foot sign posts, this has stopped some of the vandalism of street signs, I hope it continues.

The following roads were reconstructed this year, North Beach Road, part of Carolan Avenue and a part of Timber Swamp Road. North Beach Road was a "TRA" program with both State and Town funds being used.

The following unaccepted streets were reconstructed in 1975. Mill Pond Lane, Glen Road, Little Fox Road and Bittersweet Lane.

The final phase of the Tuck Field drain was completed this year. It began at Park Avenue to the tennis courts (Phase I-1972); from the tennis courts to the Ross property (Phase II-1972), from Ross property to rear of Center School (Phase III-1974), from Center School to the main drain on Winnacunnet Road. Drainage problems were corrected on Edgewood and Morningside Drive by installing one (1) catch basin and 60 feet of 12 inch pipe, we also installed two (2) french drains on Ashworth Avenue.

Public Works Departments records show that the Town received 69 inches of snow in 1975. The Depart-

ment supplement their five (5) pieces of snow plowing equipment with an average of 12 contracted pieces. The total cost of hired equipment for 1975 was \$14,826.98. The total cost of plowing, removal, salting and sanding was \$32,312.86, which is approximately \$468.00 per inch.

What I have tried to do in this report was to touch on the highlights of the year, and by no means does it give you all of the little but important jobs that are accomplished by this department.

We will continue to do the best job we can with the men and tools we are given to work with, trying to keep in mind the ever increasing tax rate, and the services you, the people, require of us.

In closing I would like to say George keeps remembering "you don't know how lucky you are to work for, and live in a Town like HAMPTON."

Respectfully submitted,  
George F. Hardardt,  
Director

**1975 Annual Town Meeting  
Hampton, New Hampshire  
Winnacunnet High School Auditorium  
Saturday, March 8, 1975**

**Moderator:** H. Alfred Casassa

Moderator Casassa declared a quorum being present at 10:05 a.m. opened the business portion of the Annual Town Meeting. On March 4, the preceeding Tuesday, the day of balloting Articles #1 and Articles #28 thru 34 were voted on.

Reverend Michael McCann, Trinity Episcopal Church offered a prayer and led in the pledge of Allegiance to the Flag.

**Article #2** — Re-construction of Bridge #096/108 on Towle Farm Road over Taylor River: Article moved by Mr. Norton; seconded by Mr. Robert Lessard. Voted by hand. ARTICLE PASSED Yes/87 No/4

**Article #3** — Authorize the Selectmen & the Treasurer to borrow in anticipation of taxes: Discussion by Messers Barry, Palmer, Mrs. Hayden, Manager Lombardi. Article moved by Mrs. Hayden; seconded by Mr. Fallon. Voted by hand. ARTICLE PASSED.

**Article #4** — Acted upon after completion of ARTICLES #5 & #6. Raise and appropriate sum as submitted by Budget Committee: Article moved by Mrs. Parr; seconded by Mr. Hardardt. Amend Article offered by Robert Lemire, reduce budget by \$2,000 for building maintenance Acct. #65; seconded by Mr. Nersesian. Discussion by Messers Lemire, White, Wilson, Paige, Lessard, Moody, Mrs. Parr, Ficke & Stimson, Manager Lombardi. Mr. F. White moved the question, seconded by Nersesian; Amendment Passed. Amendment offered by Mr. F. White to increase \$500 for this account, net figure to be \$1500 out of the account. Seconded by R. Lessard. Amendment to Article #4 Acct. #65 Passed. Mrs. E. Parr offered amendment to grant \$4,000 to Seacoast Regional

Counseling Center, this would increase budget by \$3,000; seconded by Mr. Lurvey. Discussion by Messers F. White, Nersesian, Barry, R. Lessard, Lurvey, Stonie, Lemire, Norton, Mrs. Parr, Kelly, Salvatore & Lawrence. AMENDMENT FAILED. Mrs. Ficke offered amendment to decrease budget by  $\frac{1}{2}$  of 1% to effect the salary accounts; Seconded by Mrs. Parr. Discussion from Messers A. Palmer, Lemire, P. Long, Berrett, Wiser, Moody, White, Wilson, Bellerose & R. Lessard, Mrs. Hayden, Fitzgerald, Moderator Casassa. Question moved by R. Lessard; seconded by Mr. Colt. Hand vote: AMENDMENT FAILED. Amendment offered by Judge McDermott to increase the budget in the District Court Acct. #55, Probation Officer by \$3,879; seconded by J. Nickerson. Discussion by Messers McDermott, Gillis, Casassa, Nersesian, Norton, Pickering, Moody, Nickerson, White, Berrett, Page, Barry. H. Page moved the question; seconded by P. Nersesian. Hand vote: AMENDMENT PASSED. Amendment offered by Mrs. Hayden "To see if the Town will vote to authorize the Selectmen to apply, negotiate and do all other things necessary to obtain such Federal, State, or other assistance as may be available for the report for, design of, and construction of additions and improvements to the sewerage system, and pass any vote relating thereto." Seconded by R. Lessard. No discussion, AMENDMENT PASSED. Article #4 as amended (\$2,315,952.) and voted by hand PASSED.

**Article #5** — Construction of addition to Town Office Building and authorize Selectmen to enter into agreements and contracts for said addition: C. Wiser moved the question, seconded by T. Barry. Discussion by several members of the audience. Moderator noted that the Article was voted moved by more than  $\frac{2}{3}$  of those present, and declared a short recess for the purpose of voting. Voted Yes -181 No - 48 ARTICLE PASSED.

**Article #6** — Authorize the withdrawal from Revenue Sharing Fund the sum of \$171,200. for the purposes indicated; New Equipment (Packer) \$20,000; Public Works-Operating Budget \$50,000; Police Dept.-Operating Budget \$50,000; Fire Dept.-Operating Budget

\$50,000; Town & Ceremonial Flag \$1,200. Discussion from J. Fallon, F. White, R. Lessard and Manager Lombardi. Article moved by J. Fallon, Seconded by G. Hardardt. Voted by hand, ARTICLE PASSED.

**Article #7** — Appropriate \$2,500 for establishment of a Town Fire Station Study Committee: P. Long moved adoption of the article; seconded by F. White. C. Wiser suggested amending the amount to \$500. P. Lombardi opposed to any dollar amount, feeling any money could be found in another account. Wiser withdrew his amendment. Article voted as amended without monetary figure. ARTICLE PASSED.

**Article #8** — Appropriate \$150 for Hampton Area Crisis Home Program: A. Lurvey moved the question; seconded by G. Hardardt. Discussion from Mr. Lurvey, Sgt. MacDonald, R. Welsh. Voted by hand. ARTICLE PASSED.

**Article #9** — Appropriate \$2,500 for portion of cost of services to Home Health Aid Service, Inc.: Mrs. Parr moved the article; seconded by Mrs. Ficke. Discussion from Mrs. Parr, J. Kelly, Messers McLeer, Norton, White. Mrs. Kelly offered amendment "That the Town will vote to appropriate \$2,500 to defray a portion of the cost of services rendered to the citizens of Hampton by the Area Home Maker-Home Health Aid Services, Inc. and that these funds be given to the Seacoast Area Visiting Nurse Assoc. as earmarked funds to defray the costs to the citizens of Hampton and that this assistance be scaled on the clients ability to pay." Seconded by P. Nersesian. Amendment voted by hand, PASSED. Article voted as amended, ARTICLE PASSED.

**Article #10** — Authorize the Selectmen to sell the Mason Building and/or Martel Building or any part of either for removal: Mr. Norton moved the question, seconded by R. Lessard. Voted by hand; ARTICLE PASSED.

**Article #11** — Give Selectmen power to accept, administer or sell Real Estate acquired through tax deeds at public auction or sealed bids except that Tidal and fresh water marsh acquired by tax deed be kept by the Town

under jurisdiction of the Conservation Commission: F. White moved the question; seconded by H. Hayden. Voted by hand. ARTICLE PASSED.

**Article #12** — Vote to sell to Charles J. Gallagher & Louise J. Gallagher the premises at 282 North Shore Boulevard, having been acquired by the Town from them through a Tax Collector's Deed: Mrs. Hayden moved the question, seconded by Mr. Colt. Discussion from Mrs. Hayden & Mrs. Parr. Article voted by hand; ARTICLE PASSED.

**Article #13** — Vote to give Selectmen power to lease Real Estate owned by the Town, thereby ratifying all prior leases, but excluding authority to lease which at prior Town Meetings were voted not to be leased: Mr. Lessard moved the question, seconded by Mr. Norton. Discussion from several voters. Voted by hand: ARTICLE PASSED.

**Article #14** — See if the Town will vote to discontinue and bars and gates be erected, a portion of Landing Road southerly from Park Avenue to the Exeter-Hampton Expressway, by petition from Winnacunnet Co-operative District relieving the Town from all obligation and liability for damages: H. Page moved the article, P. Nersesian seconded. Discussion from several voters. Mr. Kurilich offered ammendment; "That the Town of Hampton such portion of Landing Road, aforementioned, as a right-of-way subject to such restriction as would limit it to pedestrian use only and only during daylight hours, such action not to constitute abandonment of such right-of-way." Seconded by Mrs. Olney. Discussion. Amendment voted by hand, AMENDMENT FAILED. P. Nersesian offered amendment; "That the Town lease said property for \$1.00 to be renewed at each Town Meeting." Seconded by Mrs. Ficke. G. Hardardt moved the question, seconded by Mr. Ficke. Amendment voted by hand, AMENDMENT FAILED. Mrs. Parr moved that Article #14 be indefinitely postponed; seconded by P. Nersesian. No discussion. MOTION PASSED. Mr. Page moved to reconsider the Article and amended "That the School Board enter into an agreement with the Selectmen for one year to allow the School Board—incomplete—seconded

by H. Page, Jr. Voted by hand, AMENDMENT FAILED.

**Article #15** — See if Town will empower the Selectmen to enter agreement with Winnacunnet Cooperative District involving a section of historic Landing Road which abuts said District: Mr. Moody offered and moved to indefinitely postpone, seconded by T. Barry. Lombardi. Mrs. Parr moved the question, seconded by T. Barry. Voted by hand; ARTICLE POSTPONED.

**Article #16** — See if Town will adopt an Ordinance relative to storage of tires: Mrs Hayden moved the question, seconded by Manager Lombardi. Discussion from Mrs. Hayden, Mr. Hamilton. Voted by hand, ARTICLE PASSED.

**Article #17** — Amend Chapter 3, Article 8, "taxicabs", increasing insurance coverages: J. Fallon moved the question, seconded by D. Colt. Discussion from J. Fallon. Voted by hand, ARTICLE PASSED.

**Article #18** — See if the Town will approve an Ordinance permitting and regulating Sunday Sports: Article moved by R. Lessard, seconded by A. Norton. Amendment offered by C. Wiser; by deleting, "providing no person shall engage in a sport consisting of teams in which a team has more than two persons before one o'clock in the afternoon." Seconded by D. Macfarlane. Discussion from Messers Wiser, J. Fallon, Atty. Junkins. Amendment and second withdrawn. Article voted by hand, ARTICLE PASSED.

**Article #19** — See if the Town will vote by ballot to establish and maintain a Town Mosquito Control District: Mrs. Stimson moved the article, seconded by R. Paige. Discussion from Messers Berrett, Lombardi, Neressian, Mrs. Stimson, Hayden, Olney. J. Bellerose moved the question; seconded by Mrs. Ficke. Article voted by ballot Yes/98 No/53 ARTICLE PASSED.

**Article #20** — See if Town will increase membership of the American Revolution Bi-Centennial Celebration Committee to nine members; Mrs. Hayden moved the article; seconded by A. Moody. Voted by hand, ARTICLE PASSED.

**Article #21** — See if Town will vote to give the name

“Bi-Centennial Park” to town land formerly known as Hampton Beach Coast Guard Station; Mrs. Hayden moved the Article, seconded by R. Lessard. Discussion from Mrs. Hayden, Parr and Lawrence, Messers Moody, Lynch, Colt and Stebbins. Mr. Stebbins moved the question, seconded by R. Paige. Article voted by hand, ARTICLE PASSED.

**Article #22** — See if the Town will vote to name the wastewater treatment facility the “Leavitt E. Magrath Wastewater Treatment Plant.” Discussion from R. Lessard who moved the question, seconded by G. Hardardt. Article voted by hand, ARTICLE PASSED. Record to show UNANIMOUS VOTE.

**Article #23** — See if the Town will vote, by yes/no ballot to adopt resolution found on page 8-A of Town Report. Discussion from R. Ross and A. Norton who offered a postponement, seconded by N. Stiles. To indefinitely postpone voted by hand - Yes/67 No/48 MOTION PASSED.

**Article #24** — See if the Town will vote to adopt a petition to amend the duties of the Town Clerk to include the sale of Food Stamps, with fees retained by the Clerk and bond paid by the Town. C. Standish moved the Article, seconded by J. Kelley. C. Standish offered amendment “In recognition of the need to provide residents of Hampton with locally available social services, we request that the Town of Hampton, through the Board of Selectmen, participate in the Federal Food Stamp Program.” Seconded by K. Berrett; voted by hand, AMENDMENT PASSED. Discussion from many people in the audience. S. Junkins offered amendment “and authorize”, seconded by P. Lombardi. Discussion. Amendment voted by hand AMENDMENT PASSED. R. Lemire moved to reconsider action, seconded by P. Nersesian. MOTION FAILED.

**Article #25** — See if the Town will vote to authorize the Tax Collector to appoint a Deputy Tax Collector. J. Kelley moved the question, seconded by R. Lessard. Discussion from A. Moody & J. Fallon. Voted by hand, ARTICLE PASSED.

**Article #26** — See if the Town will vote to change Ordinance relative to use of the Tennis Courts; C. Wisner moved the question, second by G. Pickering. Discussion from several people. Amendment offered by C. Wisner to include “residents, taxpayers and their guests.” second by G. Pickering. Amendment voted by hand, AMENDMENT PASSED; ARTICLE PASSED AS AMENDED, Yes/49 No/40.

**Article #27** — See if town will vote to establish a Shade Tree Commission of three members, to recommend policy and plans for tree maintenance: Article moved by A. Norton, second by M. Lawrence. Discussion from Messers Paige, Lombardi, F. White, R. Lessard, Mrs. Hayden, Lawrence, Stimson, Mrs. Stimson offered motion “. . . encourage a shade tree planting and maintenance program by the citizens on their private property in Hampton.” second by R. Lessard. Amendment voted by hand, AMENDMENT PASSED. ARTICLE PASSED AS AMENDED.

**Article #35** — To transact any other business that may legally come before this meeting: Mr. Dumaine; “In order to provide a new revenue source to the Town, I make a motion that the Town establish a Board that will assess and levy taxes on pipe. . .”(reference made to the pipe to be installed in the channel for the Seabrook Nuclear Plant.) No action taken. Mrs. Lawrence; I would like to thank the Budget Committee as a whole and specifically the Chairman for all the Time and effort put into this budget they did a great job. R. Nersesian; I move that we adjourn this meeting. Second by Mrs. Ficke, VOTED UNANIMOUSLY.

## HAMPTON MOSQUITO CONTROL DISTRICT REPORT

At the 1975 Town Meeting a \$10,000 appropriation was voted to the District and was expended as follows:

	Appropriation	Expenditure
Breeding Area Survey and Map	\$ 3400	\$3259.00
Spraying	—	—
Part-time Supervisor and Materials	\$ 1000	\$ 934.46
Breeding Site Treatment	\$ 3500	\$1642.29
Source Reduction	\$ 2100	\$1756.47
	\$10000	\$7592.22

On April 1 the Selectmen appointed the following on the Mosquito Control Commission: Mrs. Doris Masten, Mr. Kenneth Malcolm, and Miss Ruth G. Stimson for 1, 2, and 3 year terms respectively.

The members attended a training session sponsored by the Rockingham County Extension Service. Arthur Mason, State Entomologist, and Dr. Lawrence W. Smith, Jr., Sup't of Central Massachusetts M.C. District, were instructors and have since served as consultants to the Commission along with Robert Spencer, Sup't. in Essex County District. Hampton and North Hampton have pioneered the first Breeding Site Surveys under state statute 437-A. The Hampton Commission held six meetings at the local library in organizing and conducting its work.

The Breeding Site Survey was conducted by three UNH Entomology students (2 graduates and 1 undergraduate.) Supervisors James Katkin, Rene Gingras, and Michael Blanchette worked on a per diem basis starting in June through mid-August. They walked the streets along brooks, streams, woodlands, and the salt marshes to collect mosquito specimens all over town. The larvae were processed and microscopic identification made in the Mason house kitchen.

At each of the 271 fresh water sites and on the salt

marshes a Site Survey Sheet was filled out on the location, habitat, water condition and stagnation or movement, presence or absence of biological controls, spray hazards, road accessibility, and possible alternatives in eliminating the breeding site problem. Fifteen species of mosquitoes were found in the fresh and salt water sites.

Some of the worst breeding sites are the result of poor drainage, improper culvert installation, lack of drainage diversion ditches, plugged culverts, brooks, streams, and land locked pools in the salt marshes and fresh water swamps in the wooded areas. Discarded tires without drainage holes are breeding sites also. Many of the sites were shallow in depth (under 18"). There was some evidence of biological controls: top feeding fish, frogs, salamanders, turtles, and predatory insects in some sites.

Supervisor Katkin reported the Breeding Site Survey findings to the Commission, Board of Selectmen, Town Manager, and citizens at several public meetings. He documented on a large town map all sites sampled and recorded each in a permanent Survey Book for future reference and use. The Commission, with the help of local newspapers publicized periodic summaries of the Survey findings. Mr. Katkin used the information and worked closely with Town Manager Lombardi when the Board of Selectmen voted to do adulticide spraying late in the mosquito season at the request of some residents. Site reduction with hand tools was started by the students. Much work was done on stream clearing to aid water movement in Nilus Brook, Ash Brook, and Timber Swamp Road area until the ground froze.

Mr. Katkin prepared a 90 page "Proposed Plan for Control of Mosquitoes in 1976". A copy is available to the citizens at the Lane Memorial Library. The Board of Selectmen and Arthur Mason, State Entomologist, received copies. The Commission studied the "Proposed Plan" and presented a summary to the Board of Selectmen, Town Manager, Budget Committee, and State Mosquito Control Committee.

The Commission offered four alternatives with

budgetary proposals for 1976. The Board of Selectmen and Budget Committee have supported the Commission's recommendation for an integrated Mosquito Control Plan: (C-1). The projected estimate of C-1 Plan is \$14,-819.25 for labor, equipment, and materials for 3 to 4 larviciding treatments by ground hand sprayers as needed from April, 1976 to mid-September plus 5 adulticiding treatments (if needed) twice in July, twice in August, and once in September by using a town or Mosquito Control District owned truck. On it would be mounted a new Ultra Low Volume (ULV) Cold Mist Sprayer with a flowmeter permanently installed inside the truck cab. The driver would also be a certified pesticide applicator under EPA and N.H. State Pesticide Control Board regulations.

In an integrated Mosquito Control Plan chemical controls supplement continuous breeding monitoring and continuing source reduction work in fresh water sites and existent salt water ditches to aid water flow and reduce stagnation. Adulticide spraying is of a temporary nature and treats a symptom, the adult female mosquito flying in the air. Water management is a more permanent measure and very fundamental in mosquito control work. It needs to continue yearly with whatever labor, equipment, and materials are made available by Town Meeting vote and funding. Permanent control of mosquitoes is the "Primary aim" of the District.

It is encouraging to note that other Rockingham County communities are starting to form Mosquito Control Districts to lessen the mosquito annoyance problem and potential public health hazard to people, horses, and dogs.

Doris Masten

Ruth G. Stimson  
Hampton Mosquito Control Commission

## LANE MEMORIAL LIBRARY

A recent study of library trends emphasized that during periods of economic recession, library use is greatly increased, since it offers free service to a larger segment of the population than other specialized social services. The public library is one tax supported community service, providing both education and recreation, that is available to everyone regardless of race, color, creed, education, occupation, or age. From the time when the child is fascinated by the pretty pictures in the book to the time when failing physical abilities make him dependent upon talking books, the public library offers a vital service. All of this is accomplished with a very small portion of the public tax dollar. Our circulation records show that our services have indeed been utilized here at the Lane Memorial Library. Circulation figures are one of the indications of the volume of business; but they do not reflect the tremendous amount of reference work that is done within the library, or the man hours spent by the staff in assisting patrons in locating materials either here or through inter-library loan. Circulation statistics for 1975;

Adult fiction	27,442	
Adult non-fiction	18,226	
Paperbacks	4,390	
Total adult	50,058	
Juvenile fiction	15,148	
Juvenile non-fiction	4,737	
Total Juvenile	19,885	
Records	2,134	
Cassettes	179	
Magazines	2,213	
Pamphlets	108	
Drug Materials	168	
Art Originals	308	
Art Prints	344	
Films	225	
Total non-book		5,679
Total for 1975		75,622

This indicates an increase of 6,039 over the 1974 circulation total.

In order to circulate that amount of materials it is necessary to have the materials at hand, and that involves the tax dollar. Costs of book and non-book materials which compose our media budget are sky rocketing. We use the most economical purchase methods available to us which utilize volunteer-man-hours and cooperative buying procedures. Even so, it is not possible to offer more service to more people without increasing our media budget. Books wear out and either have to be replaced or rebound. The decision as to which procedure to follow is based upon the book's condition, its permanent value in the collection, and cost factors.

Perhaps our most exciting activity for 1975 was the formation of a special study committee at the request of the trustees. This group spent many hours during the spring and summer studying the operation and services of the library, and made constructive criticism. Their complete report, which is available for loan from the library, contains suggestions for needed action and changes over the next five years.

I wish to express my appreciation to all the individuals and groups who have donated time and gifts to the library. The library needs the interest and support of the community to survive, and these gifts add to our resources. As librarian, I wish to express my sincere appreciation to the trustees for their dedication and support; and to my staff:

Mrs. Audrey Ross, assistant librarian

Mrs. Rose Fisher, Mrs. Joan Kahl, Mrs. Ruth Ross,  
library assistants

Miss Ruth Chilton, clerical assistant

for their interest and hours of conscientious service. Most of the staff have been taking extra courses at their own expense that they might be better qualified to serve the patrons of the Lane Memorial Library.

(Mrs.) Charlotte M. Hutton,  
Librarian

## RECREATION DEPARTMENT

The Recreation Department has continued to provide a comprehensive and varied program for all Hampton residents. To accomplish this goal, it is essential to enlist the volunteer services of residents, without whom many programs would not be possible.

Not enough can be said, about the many people who volunteer their services for the "Hampton Youth Association". Without their efforts and time such Youth Programs as Little League Baseball, Football, Girls Softball, Boys and Girls Basketball, Pony League Baseball and Girls and Boys Ice Hockey could not be a reality. Many hours of preparation to set up programs, handing out equipment, practicing and teaching fundamentals and games are given freely by these people which include weekdays and weekends.

If we were to add the many thousands of man-hours volunteered for Recreation programs in the Town and multiply it by the minimum wage standard we would come up with a minimum savings of \$20,000.00 to the Town if those same services were provided by paid personnel.

The Summer playground program ran at Tuck Field was very successful again with almost 500 children registered. However the daily attendance was up significantly with over 125 children attending each day.

The playground is open Monday thru Friday from 9:00 a.m. to 4:00p.m. for a nine week period. Activities are geared for lower and upper elementary school children. Daily activities are arts & crafts, music, various athletics, games and contests, special events such as Junior Olympics, Pet shows, Magic Shows, Cook-outs, and weekly field trips to Canobie Lake Park, Red Sox Games, Pawtucketaway State Park. . .

Other summer programs which were successful were Sailing Lessons, Gymnastics Classes which were held twice a week at the Junior High School and the new Summer Soccer Team which played in the N.H. State League.

Special mention should be made of the Senior Citizens Club, which now has members of about 250 people. The club has now elected officers and committees which help plan their own programs and events. The Seniors are also becoming active in other community events and affairs. They helped co-sponsor the Public Health Clinic last November which attracted over 300 people.

Aside from their monthly meetings the Senior Citizens also have arts & crafts Classes, bowling league, drop-in days and bus trips.

Other programs which were sponsored by the Recreation Department in 1975 were; Arts & Crafts, Guitar Lessons, Dance Lessons, Hatha Yoga Classes, Women's Physical Fitness Classes, Gym Hockey, Basketball, Field Hockey, Soccer, Volleyball, Red Cross First Aid Classes, Writing Classes, Vacation Drop-In Center for students, Movies, Halloween Programs, Golf Lessons, Archery, Swimming Program, Easter Egg Hunt, Tennis Lessons, Hula-Hoop and Frisbee Contest, Tennis Tournament, Belly Dancing Lessons, Halloween Window Painting Contest, Cross Country Ski Clinics, Elks Hoop-Shoot Contest and Football.

During 1975 the playground on Academy Ave. was painted, repaired, and some new equipment was installed. Also the playground at Five Corners was painted. A new set of bleachers were placed on the Little League Field and both buildings at Tuck Field were painted. The tennis rebound board was erected and painted at Tuck Field.

As in the past, I would like to thank the many volunteers, civic organizations, educators, Town Departments and Business establishments for their help and support.

Respectfully submitted,  
Neal R. Socha  
Recreation Director

## HAMPTON CONSERVATION COMMISSION REPORT

In the past year the following goals were assigned to the members of this Commission by the Chairman, Nelson Grant.

- Hampton Flood Plains — Insurance information potential for public notification by the Commission or Insurance Companies.
- Identification of areas in Hampton which the Conservation Commission could discuss as likely open space areas for protection.
- Indexing and mapping of open spaces, wetlands, critical areas, etc.
- Scenic road designations prepared for discussion by the Conservation Commission, including greenways and paths.
- Acquisition of lands and indexing information on lands that have been acquired by the Conservation Commission.
- Public releases — notifications — comments — information.
- Actions on applications for fill, dredge, remove dredge, etc.
- Legislative information.

The Commission has held a meeting at least once a month, with special meetings called if a question of filling or dredging marsh lands or wetlands has arisen.

Open Space, Flood Plain maps, Site Plan maps, Special Flood Hazard Area maps, and Hampton Salt Marshes maps have been studied at many meetings.

Each member has been given by the N.H. Association of Conservation Commissions a Handbook for Municipal Conservation Commissions, compiled by the Dartmouth College Environmental Studies Program, with the cooperation of Malcolm Taylor, Executive Secretary of the N.H. Association of Conservation Commissions. This is frequently referred to, and studied.

Our Commission has been given a Conservation Easement by the heirs of Harry E. Chase of 2.58 acres, located south of the Exeter Road, and is subject to a Warranty Deed from the Grantors to Wheelabrator-Frye, Inc.

The Commission has continued to provide advisory information to state and local officials on issues and actions pertaining to conservation. The members have attended meetings in town, Seabrook and Concord, and were given prepared statements in furthering the cause of conservation of marsh and wetlands.

Ednapearl Parr	Ruth Nutter
Edmund Loughlin	Ruth Stimson
Irene Palmer	Stillman Hobbs

Nelson Grant, Ch.

## THE AMERICAN REVOLUTION BICENTENNIAL CELEBRATION COMMITTEE

The Committee's activities and responsibilities increased manifold in 1975. It was truly a banner year for Hampton's Bicentennial programs and projects. The national focus period of March 1, 1975, through December 31, 1976, arrived with Hampton already designated a National Bicentennial Community. The N.H. ARB Commission and the U.S. ARB Administration had acted favorably on the Committee's application listing planned programs of celebration and commemoration. Official word was received in mid-January—making Hampton the 16th community in the State to be so designated. The formal presentation of the National Bicentennial Flag and Certificate took place at ceremonies following the Town's Memorial Day parade. Hampton became the first city or town in the Seacoast to receive its Flag and Certificate. Congressman Norman D'Amours presented the Flag to Chairman of Selectmen Clifford Eastman. Selectmen Vice Chairman R. Victor Lessard received the Certificate from N.H. ARB Commissioner Mildred Wood, a direct descendant of Hampton's Founder—the Rev. Stephen Bachiler. The Selectmen had previously issued a proclamation for the event.

The Bicentennial Flag flies at the Town Office beneath a 13-star Betsy Ross Flag which Michael Dingman, President and CEO of Wheelabrator-Frye, Inc., gave to the Town through the good offices of Selectwoman Helen Hayden. The Certificate, the special State Senate Resolution presented by Sen. Robert Preston to Committee Chairman Arthur Moody, and the photos of the proceedings were arranged in a matted frame and displayed at the Lane Memorial Library through the end of the year. It was then hung in the new meeting room of the Town Office along with the Committee's pewter wall plaques and the "Tea Act Resolves." Photos of Hampton's unique display of its Bicentennial documents have appeared in local and state newspapers

as well as in "Bicentennial Times," published by ARBA in Washington.

Prior to the designation ceremony on May 30, two Winnacunnet High School students, Russell Bridle (then a member of the Committee) and Steve Bowley, represented Hampton militiamen in the State's Bunker Hill Day parade in Manchester.

On June 14 the Committee arranged for the dedication of Bicentennial Park, the planting of a Liberty Tree (funds for which were donated by the Dunfey Family), and the unveiling of a large Concord, N.H. Granite memorial to the 174 Freemen of Hampton who signed the "Test Papers" in 1776. The two-and-a-half ton memorial was paid for in part by a State-Federal \$1,000. ARB grant applied for in April by the Committee Chairman and the Board of Selectmen. It was the first Bicentennial Community grant in the state. The monument was etched by the Cole Brothers at the Exeter Monument Works. A community color guard and the quarter-scale gundalow LAMPERILL from Newmarket were present. Plantings around the seaside park were the work of Committee member Margaret Lawrence, who also was in charge of the Liberty Tree and dedication, and Irene Palmer for a project underwritten by the Selectmen. The name of the one-and-a-half acre park was voted by the Town at the Annual Town Meeting upon an article drafted by then-Vice-Chairman Moody. The Hampton Public Works Dept. under Director George Hardardt laid out the park. The old granite posts along Ocean Blvd. were largely the gift of Richard Noel.

The first Bicentennial event in the State to take place in the 200th year of declared Independence occurred at the Town Office flagpole on July 5. Townspeople were invited to meet their elected public officials. U.S. Sen. Thomas McIntyre, the State's only senator at the time, along with local and State officials, was present. Committee members wore Colonial costumes, a number of which were made by Mrs. Suzanne Ficke.

An Ecumenical Service of Rededication, arranged by Mrs. Lawrence, was held on August 3 at the First Con-

gregational Church. Hampton clergymen participated. The service was originally scheduled for outdoors on land provided by Charlotte Batchelder and Harold Batchelder.

On October 16, at the WHS gym, the Committee co-sponsored with Shutterbug Photo and other ARB committees one of the first showings of Kodak's multi-media presentation "Profile '76"—a look at America via slides, movies and sound after 200 years of Independence.

Founders' Day, the 337th anniversary of the Town, was commemorated on October 18 at the WHS Cafetorium. Torrential rains moved the ceremonies, presided over by the Rev. Henry Stonie, Committee Vice Chairman, from Founders' Park. Boy and Girl Scouts participated as did four local members of the just-completed Arnold's Expedition to Quebec. Major events, most of them carried out symbolically, included: recovery and opening of the 50-year time capsule by Chairman Eastman, Horace Batchelder and his grandson Robert (descendants of the Rev. Bachiler); placement of the Bicentennial Time Capsule (to be recovered in 2076 A.D.), a project of Committee Treasurer Phyllis Tucker, which contained about 150 items of memorabilia from local organizations, firms, boards, churches, etc., as well as signatures of the 200 in attendance who had received souvenir wooden nickels for the occasion; dedication of a wreath, the gift of the Hampton Flower and Garden Shop, to the Founders and early settlers of the Town by Rep. Ednapearl Parr and Mary Loughlin, members of the Committee. An "Historic Landing Road" roadside marker, made from special plywood donated by Hampton Beach Precinct Commissioner Joseph Flynn and erected by the DPW, was transferred to the Town by Chairman Moody. The DPW also devised and executed the successful method of recovering the 50-year time capsule from beneath 12-ton Founders' Boulder. The contents of the capsule are in the display case of the Friends of the Lane Memorial Library at the Library. The two capsules have received national press coverage in ARBA's "Bicentennial Times."

On November 23, a commemorative wreath-laying

ceremony by Congressman D'Amours was held at the grave of the Hon. Tristram Shaw at the Bride Hill Burying-ground. The Congressman's remarks reflected the reverence of the occasion. As far as is known, Tristram Shaw is the only Hampton-born citizen to gain the high national office of Congressman, a position he held while a resident of Exeter from 1839 to 1843.

On December 1, the Committee turned over to the Hampton School Board the booklets "How Hampton Citizens Lived in Colonial Times," a middle-school project underwritten, for the most part, by the School District. The highly-illustrated booklet was produced by Machias, Maine, resident Rosemary Bachelor, a descendant of the Rev. Bachiler. The booklets were delivered from Machias by Robert and Pamela (Hunter) Dingle, former local residents. The Committee supplied each booklet with a parchment reprint of the "Historic Hampton Map" created by Hasle Leavitt Smith and published without copyright by the Town's Committee in 1938. This undertaking was in support of both the "Heritage '76" (remembering the past) and "Horizons '76" (planning for the future) national Bicentennial themes; it was our "building people" project.

Many ongoing projects took much of the Committee members' time during 1975. The fourth (in a series of five) pewter wall plaques was issued. Joining the previous issues of the Town Seal (1973), 335th Anniversary of Town and Church (1973), and Paul Revere's First Ride (through Hampton to Portsmouth) which precipitated the raids on Fort William and Mary, New Castle (1974), was the 1975 plaque on the Dedication of Bicentennial Park, former site of the U.S. Coast Guard Station. Two designs of pewter pendants continue to be sold with several hundred purchased to date. These exclusive pewter items are made in Hampton by the New England Etching Co. A "map" of Founders' Park, containing all of the historic information found on its 50 unique monuments, has been prepared by Withey Press and framed by Custom Frame and Color. It is available from the Committee. Distributed free during the year were souvenir printed programs for our May 30, June 14 and

October 18 commemorations and dedications. A wooden nickel was also distributed at the latter event.

As far as is known, the Committee is the only one in the State which has made National Bicentennial Flags available to residents at slightly above cost. The Committee hopes that all flagpoles in the Town will display this flag by the Fourth of July. The outdoor nylon flags are still available (P.O. Box 1776, Hampton) in several sizes. Gift flags have been presented to the schools and the Post Office. Smaller flags on staffs were given Scout troops participating in the Memorial Day parade.

Requests from Federal, State and regional groups—as well as corporations—to assist them locally in their own Bicentennial projects have taken up much of the Committee Chairman's time. A UNH-U.S. Dept. of Agriculture program of recognition for Bicentennial Farms resulted in much research with one application and supportive documents being submitted for the O. Raymond Garland Farm (documented existence dating back 322 years to 1653). The Conestoga Wagon Pledge Scroll project of the Pennsylvania Bicentennial Commission has as its objective the signatures of every citizen. The Wagon from each state will carry the scrolls to Valley Forge for a July 4 national ceremony; the Wagons will remain at the park for the summer. By May 18, when Hampton's scrolls will be picked up, every resident is asked to sign the pledge. The scrolls have already been taken to several club and public meetings. They will be available at Town Meeting and be posted in the Town Office. The Leonard Woodmans have agreed to take their motorized Conestoga to the schools in conjunction with school children signing the scrolls.

A number of antique items have been donated to the Committee for display in 1976. This may be in the new Town Office meeting room or in a Bicentennial Headquarters, if one is determined to be useful. Individuals, companies and organizations are being asked to carry out at least one program or project for the Bicentennial. It should be an endeavor that would not have been undertaken if it were not for the Bicentennial of the Nation and State. The Committee asks that each such endeavor, with

a limit of two per registrant, be logged with the Committee. Projects by individual citizens can be as basic as flying the official Bicentennial Flag. A list of ideas for projects will be published in the press. Although State Law provides that all able-bodied residents, both male and female, between the ages of 17 and 45 are in the N.H. Militia, the Committee would like to raise a special Colonial Navy Militia, or fife and drum corps, which is youth oriented. But a sponsor is needed. Such registered projects will become a part of the Committee's official records and will be deposited with the Town Clerk after the Committee's work is finished. A final report, in booklet form, may be published of Hampton's activities during the Bicentennial Era. A listing of the registered projects will be included. Clubs are also invited to list their events on the monthly calendar posted by the Friends of the Library at the Lane Library.

Other work of the Committee in 1975 included: presenting National Bicentennial lapel pins to members of public boards and to public administrators; devising and paying for a slogan ("Hampton 1638-1976 Salutes America 1776-1976") for the Town Office postal meter; designing a two-color cover for the 1975 Town Report and submitting material for the cover of the 1975-76 School District Report; providing a powder horn and flag to the five Hampton men going on the AEQ-75 "invasion" of Canada; drafting and presenting Certificates of Appreciation to those who have assisted the Committee in its work; participating in local and State ceremonies including the Rockingham County parade and flag presentation on September 27; submitting reports and information to State agencies; designing three-color Committee stationery; advising the Selectmen on Bicentennial-related matters at their request; coordinating programs with local organizations; accepting a "Vote November 1976" challenge from the City of Alameda, California.

A major part of our work is informational. Information Director Tucker and Chairman Moody produced dozens of press releases, some including photos or illustrations. Member Janis Patrick made posters and signs. Most of the members of the Committee, which ex-

panded to nine members from five after the adoption of an authorization article at Town Meeting, appeared on WKXR Radio's "Coffee Chat" program during the year. One-minute public-service announcements, recorded by Chairman Moody, continue to be heard over that station and WBBX. The Hampton Historians, Inc., have assisted by researching and publishing articles on Hampton's role in the Revolution. Members of the Committee have appeared before the Selectmen and the School Board at public meetings covered by the media. The Committee held 16 meetings during the year; the 13 held since the new Chairman was elected after Town Meeting were public meetings to which citizens were specifically invited via postings and press announcements.

The number of programs sponsored by the Committee in 1976 will be fewer than in 1975. Most of our energies will be directed toward "Liberty Day," the Fourth of July—the 200th birthday anniversary of our Nation. A public hearing will be held in January 1976 in order to inform the citizenry of some of our plans and to receive input from the public. After the hearing, member Lewis Brown has arranged for Carl Brewitt to show his father's 16mm. movies of Hampton Beach in the 1930s. Member Fred White is Chairman of the July 4 program and is maintaining a list of those who wish to volunteer. Tentative July 4 plans call for Sunday morning worship services, a parade at 1 P.M., followed by the dedication of the Town Office addition and the unveiling of a plaqued field stone, a patriotic speech, activities—including a barbecue—at Tuck Field, a band concert and a gigantic bonfire. We'll need help—not just participation. Contact Fred White today!

A Bicentennial Ball (dress optional) and special dinner is planned for May 1 at the Hampton Beach Casino Ballroom. Many have asked for this event. Co-sponsors are the Hampton Beach Chamber of Commerce and the Hampton Beach Village District (Precinct) Commission. Mrs. Loughlin of the Committee is in charge of our Ball Subcommittee. Leading up to the Ball will be Colonial dress-making seminars for citizens run by the UNH Cooperative Extension Service, with Ruth Stimson coor-

dinating. This is a project of Treasurer Tucker, who has already designed and made distinctive Hampton cockades for the Committee's costumes. The Ball falls within the third Bicentennial theme of "Festival USA."

Other projects in the planning stages include: a reprint of two chapters of Dow's "History of Hampton" with 1938 "Historic Map"; twin medals; a second souvenir bottle; Hampton-related items such as the fifth pewter wall plaque and a special vehicle "License" plate; an improvement project of the Bound Rock (dated 1657) site; floral Bicentennial plantings; old-building signing; and a design contest for the 1976 Town Report cover.

We think Hampton has produced the most varied and active Bicentennial program of any community in New Hampshire—a program which received nationwide recognition three times in 1975. Being located in one of the 13 Original States—the envy of the other 37—we believe it is only fitting to do our utmost to memorialize the Patriots of 1776 and honor the CONTINUING American Revolution. If you are not one of those individuals, officials or organizations which have provided excellent support and assistance—for which we here give our sincere thanks—won't you join us in this once-in-a-lifetime commemoration?

In the words of that great New Hampshireman, Daniel Webster: "God grants liberty only to those who love it, and are always ready to guard and defend it."

In The Spirit of '76,

Arthur J. Moody, Chairman  
Rev. Henry J. Stonie, Vice Chairman  
Rep. Ednapearl F. Parr, Clerk  
Phyllis Tucker, Treasurer  
Margaret S. Lawrence  
Mary L. Loughlin  
Fred A. White, Jr.  
Janis C. Patrick  
Lewis W. Brown

POST OFFICE BOX 1776/HAMPTON/N.H. 03842

## 200 HUNDRED YEARS AGO IN HAMPTON

The Town Clerk's records for 1775 reflect increasing alarm over the Colonies' troubles with Great Britain. Proceedings at the annual town meeting and at least four special town meetings include the following:

A special meeting was called for January 2 (the warrant was signed by the five Selectmen on the previous December 23) at which the "Freeholders & other Inhabitants" elected nine Hamptonians to be Deputies at the N.H. Provincial Assembly in Exeter on January 25. The Assembly was to choose Deputies to represent the Province at the Continental Congress to be held in Philadelphia during May. At the annual meeting on March 21, Hampton voted to raise, by tax, the proportion belonging to the Town for the expenses of New Hampshire's Delegates. At the special meeting of May 8—after Lexington and Concord—only two of the nine previously chosen were named to go to Exeter on May 17. They were "Impowered and authorized to adopt and pursue such measures as may be judged most expedient to preserve and restore the rights of this and other colonies" and to act for their constituents for six months, if necessary. It was voted that 10 pounds worth of provisions (four of bread and six of pork at 7¼ per pound) be purchased by the Selectmen, for the Hampton Deputies.

The August 7 meeting was called to "keep a guard at the beach nights until some time in the fall." Four men were to be on guard every night and Lt. James Philbrick was to make a list of names and order "the guard by turns." The threat of a British landing was very real.

At the meeting on September 4, a Committee of Safety of 13 citizens was set up for Hampton at the direction of the Assembly in Exeter.

The only business transacted at those four special town meetings in 1775 pertained to the American Revolution—then in progress.

**MEETING HOUSE GREEN MEMORIAL  
& HISTORICAL ASSOCIATION, INC.**

**1925**

**(50th Anniversary)**

**1975**

The annual meeting of the Meeting House Green Memorial and Historical Association, Inc. (aka The Hampton Historical Society) was held on October 11, and the following officers were elected for the ensuing year:

President, Samuel A. Towle  
Vice President, Roland W. Paige  
Recording Secretary, Sheila Snow  
Treasurer, Allen L. Knight  
Historian, Diana LaMontagne  
Corresponding Secretary, John M. Holman  
Historian, Emeritus, Harold E. Fernald

The appointed members of the Executive Board consists of Gertrude F. Palmer, Caroline Higgins, Connie Holman, Sue Tremblay and Kenneth Nelson. John M. Holman was reappointed as Museum Curator.

Membership in the Association for 1975 consisted of 286 dues paying members, 26 life members and 5 honorary life members. The annual open house is held at the Tuck Memorial Museum on the last Saturday evening in June from 7 to 9 p.m. During July and August, the Museum was open daily from 1 to 4 p.m. with 1200 visitors signing the guest book. 31 Museum Volunteer Aides under the direction of the Custodian, Marion Freeman, assisted the visitors.

The following is a list of various activities and projects of the Hampton Historical Society and the Tuck Memorial Museum during 1975: Two upright yews have been planted on either side of the front entrance of the museum through the generosity of the Salty Marsh Garden Club and further landscaping on the southside was completed by the club, with a red, white and blue theme carried out in a floral layout. Painting to the interior of the one-room district school house was completed by

Vicki St. Germain, a WHS student. A new boiler (steam heat) was installed. Blinds were repaired and a coat of paint given to Tuck House.

Having acquired the exclusive rights to the 1938 Historical map of Hampton as done by Hazle Leavitt Smith for the town's 300th Tercentenary, the Hampton Historical Society has reprinted the map in the same size and has made it available to the public. Special guided tours of the museum are available to the students in the area and is continually carried out throughout the year. A special tape-slide program accompanies the tour, giving the history of the museum and its parent organization, the Hampton Historical Society.

The Hampton Society and the Tuck Memorial Museum, are continually making contributions to the 1976 celebration of the 200th birthday of our country, through the up-dating of displays and cataloging of the town's historic artifacts. This extensive tribute to our heritage is available to the public and the curator, staff and aides of the Tuck Museum feel privileged and proud to be able to offer the museum's facilities to the Town of Hampton and to the public at large, at no charge for admission.

The Meeting House Green Memorial and Historical Association, Inc. and the Tuck Memorial Museum were founded in 1925 in order to erect a suitable memorial to the founding fathers of Hampton, who, under Rev. Stephen Bachiler, came to Hampton in 1638, and named the town "WINNACUNNET", from the Indian name, "Beautiful Place of Pines." It was later changed to "HAMPTON" after Southampton, England, from whence the early settlers came.

Rev. Ira S. Jones was the prime mover in organizing the project, and he interested Edward Tuck, noted banker of America and Paris, in contributing funds throughout the early years to finance the landscaping of Founder's Park, purchase of the Tuck House, upkeep of the Tuck Museum and construction of the Tuck Athletic Field, all named in Tuck's honor.

Since the founding days, the Tuck Memorial Museum has grown to what it is today, a repository for antiques, artifacts, documents, photographs, postcards, silver, pewter, glass, china, implements, and other relics pertaining to an earlier Hampton. Completing the first 50 years of continued growth, we look forward with anticipation to the next 50 years. Every resident of Hampton is cordially invited to visit the Tuck Museum during the summer of 1976 and to view what lies behind the door at 40 Park Avenue. "As we look into the past, let us also plan for the future."

For answers on the Tuck Memorial Museum call the Custodian at 926-2967.

The Tuck Memorial Museum is open to the public 1:00 p.m. to 4:00 p.m. daily in July and August.

**HAMPTON BEACH VILLAGE DISTRICT  
CERTIFICATE OF AUDIT**

We have examined the Balance Sheet of the Hampton Beach Village District as of December 31, 1975 and related statements of Precinct Property and Details of Appropriations and Expenditures for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the aforementioned financial statements present fairly the financial position of the Hampton Beach Village District at December 31, 1975, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applicable to governmental entities, applied on a basis consistent with that of the preceding year.

# **TOWN WARRANT**

**State of New Hampshire**

**1976**

**TOWN OF HAMPTON  
STATE OF NEW HAMPSHIRE**

**TOWN WARRANT FOR 1976**

To the inhabitants of the Town of Hampton in the County of Rockingham, in the said State, qualified to vote in Town affairs:

You are hereby notified to meet at the Gymnasium of the Center School on Winnacunnet Road on Tuesday, the second day of March 1976, at eight o'clock in the forenoon to act upon the following subjects: Article 1, and Articles 8 through 33.

Pursuant to the action on Article 16 in the 1973 Town Warrant, the Board of Selectmen has set Saturday, March 6, 1976 at 10:00 A.M. at the Winnacunnet High School Auditorium for the second session of the Annual Town Meeting to act upon the following subjects: Articles 2 through 7 and Articles 34 through 46.

**ARTICLE 1**

To chose by non-partisan ballot, two (2) Selectmen for three years, one (1) Treasurer for one year, one (1) Tax Collector for three years, one (1) Trustee of Trust Funds for three years, one (1) Library Trustee for three years, four (4) members of the Municipal Budget Committee for three years.

(The Polls for the election of officers and Australian Ballot Articles will open at eight o'clock in the forenoon and will close at eight o'clock in the evening of the same day.)

**ARTICLE 2**

To see if the Town will vote to give the Selectmen and Town Treasurer power to borrow not more than \$2,000,000 in anticipation of taxes.

**ARTICLE 3**

To see if the Town will vote to accept the Budget as

submitted by the Municipal Budget Committee, and to raise and appropriate the sum of \$2,706,445.00.

**ARTICLE 4**

To see if the Town will vote to authorize the withdrawal from the Revenue Sharing fund established under the provisions of the State and Local Assistance Act of 1972, the sum of \$189,122.00 for the following priority purposes and in amounts indicated:

APPROPRIATION	AMOUNT
Public Works - Operating Budget	60,000
Police Department - Operating Budget	60,000
Fire Department - Operating Budget	60,000
Hampton Beach Village District (for repairs to Precinct Fire Station)	9,122
	<u>\$189,122</u>

(Recommended by the Budget Committee)

**ARTICLE 5**

On petition of the Lane Memorial Library Trustees, Dorothy M. Little, Chairman; Stillman Hobbs, Treasurer; and Martha W. Williams, Secretary; and seven or more other legal voters of the Town of Hampton; to see if the Town will vote to raise and appropriate the sum of five thousand (\$5,000.00) dollars to assist in financing planning studies of the Lane Memorial Library Study Committee.

(Not Recommended by the Budget Committee)

**ARTICLE 6**

On Petition of the Lane Memorial Library Trustees, Dorothy M. Little, Chairman; Stillman Hobbs, Treasurer; and Martha W. Williams, Secretary; and seven or more other legal voters of the Town of Hampton, to see if the Town will vote to raise and appropriate the sum of seven thousand two hundred (\$7,200.00) dollars to provide for the installation of air conditioning throughout the Lane Memorial Library.

(Not Recommended by the Budget Committee)

### **ARTICLE 7**

On petition of Claire D. Hamilton and twenty-four (24) other legal voters of the Town of Hampton: to see if the Town will vote to appropriate \$2,500.00 to defray a portion of the cost of service rendered to the citizens of Hampton by the Area Homemaker-Home Health Aide Service, Inc.

(Submitted without recommendation by the Budget Committee)

### **ARTICLE 8**

On petition of Arthur L. Fellows and 33 other legal voters of the Town of Hampton, to see if the Town will vote to rescind the adoption of the provisions of New Hampshire Revised Statutes Annotated, Chapter 37, relative to the Town Manager, and in voting on the question of revoking the provision of this chapter the balloting procedure prescribed in section 15 of said chapter be followed by having the following question appear on the ballot: "Do you favor the continuation of the Town Manager plan as now in force in this Town?" (NOTE) Article 8 appears upon the Ballot worded as follows: "Do you favor the continuation of the Town Manager plan as now in force in this Town?"

### **ARTICLE 9**

On petition of Arthur L. Fellows and 33 other legal voters of the Town of Hampton, to see if the Town will vote to recommend that the Board of Selectmen hire an Executive Secretary if the Town votes to rescind the Town Manager position. (NOTE) Article 9 appears upon the Ballot worded as follows: "Is it recommended the Board of Selectmen hire an Executive Secretary if the Town votes to rescind the Town Manager form of government."

### **ARTICLE 10**

On petition of Elmer C. King and 9 other legal voters of the Town of Hampton, to see if the Town will vote to adopt the provisions of R.S.A. 72:62 for a property tax

exemption on real property equipped with a solar energy heating or cooling system which exemption shall be in an amount of assessed valuation on the real property commensurate with the system's cost but in no case more than five percent of the total assessed valuation of said real property. (NOTE) Article 10 appears on the Ballot worded as follows: "Shall we adopt the provisions of R.S.A. 72:61 for a property tax exemption on real property equipped with a solar energy heating or cooling system which exemption shall be in an amount of assessed valuation on the real property commensurate with the system's cost but in no case more than five percent of the total assessed valuation of said real property?"

#### **ARTICLE 11**

To see if the Town will vote to adopt the provisions of R.S.A. 72:43 a relative to expansion of the partial exemption on real estate taxes for persons sixty-five years of age or older, under certain circumstances and relative to eligibility requirements for property tax exemptions for the elderly. (NOTE) Article 11 appears on the Ballot worded as follows: 'Shall we adopt the provisions of R.S.A. 72:43-b and 43-c for expanded exemptions on real estate which provide for a resident sixty-five years of age up to seventy-five, a five thousand dollar exemption; a resident seventy-five years of age up to eighty, a ten thousand dollar exemption; a resident eighty years of age or older, a twenty thousand dollar exemption, provided that the resident owns the real estate individually or jointly with another or his spouse with whom he has been living for at least five years as man and wife; said resident had a net income of less than seven thousand dollars or combined income with spouse of less than nine thousand dollars; and owns assets of any kind, tangible or intangible, less bona fide encumbrances, not in excess of thirty-five thousand dollars?"

#### **ARTICLE 12**

To see if the Town will vote to rescind the actions of the 1973 Town Meeting relative to having two sessions

for the Annual Town Meeting. (NOTE) Article 12 appears on the Ballot worded as follows: "Shall the provisions for having two sessions of the Annual Town Meeting be declared no longer in effect in this Town?"

### **ARTICLE 13**

To see if the Town will vote to compensate the Town Clerk an amount as provided for in the 1976 Town Budget, in lieu of statutory fees, for his services, as provided in R.S.A. 41:25. (NOTE) Article 13 appears on the Ballot worded as follows: "Shall the Town pay the Town Clerk a compensation in lieu of statutory fees?"

### **ARTICLE 14**

Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board for the Town Zoning Ordinances as follows:

To see if the Town will vote to amend the Zoning Ordinance of the Town of Hampton to change Article I, Section I by extending its application to include "Demolition" so that the first sentence of said Section will read:

"Building Permits: Any person before commencing work on the erection, alteration or demolition of any building or structure must first obtain a permit duly granted for such purpose by the Building Inspector authorized by the Board of Selectmen to issue such permits."

### **ARTICLE 15**

Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

To see if the Town will vote to amend the Zoning Ordinance of the Town of Hampton to change Article I, Section 3 by adding the words "except by variance by the Board of Adjustment as provided for herein" to it to read:

"Expansion of Non-Conforming Uses: The expansion of non-conforming uses is hereby prohibited except by variance by the Board of Adjustment as provided for herein."

## **ARTICLE 16**

Are you in favor of the adoption of Amendment No. 3 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

To see if the Town will vote to amend the Zoning Ordinance of the Town of Hampton to change Article I, Section 5 by extending its application to include "use changes" and rephrasing the Section to read:

"Planning Board - Site Plan Review: The Planning Board is empowered to review, and approve or disapprove site plans for the development of tracts for non-residential uses whether or not such development includes a subdivision or re-subdivision of the site. "Uses" shall be construed to apply to both initial construction and use changes. When uses are so subject to review and approval by the Planning Board, procedures shall be in accordance with regulations and amendments governing the subdivision of land adopted by the Planning Board, and approvals shall be subject to satisfactory compliance with the conditions set forth herein."

## **ARTICLE 17**

Are you in favor of the adoption of Amendment No. 4 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

To see if the Town will vote to amend the Zoning Ordinance of the Town of Hampton to change Article I, Section 6, Subsection 10, by altering the minimum dimensions of parking spaces from 10 feet by 20 feet to 9 feet by 18 feet, said subsection to read:

"Parking Space: A surfaced area, enclosed in the main building or in an accessory building, or unenclosed, having the dimensions of not less than nine (9) feet by eighteen (18) feet, exclusive of driveways, permanently reserved for the temporary storage of one automobile and connected with a street or immediately by a surfaced driveway which affords satisfactory ingress and egress for automobiles."

### **ARTICLE 18**

Are you in favor of the adoption of Amendment No. 5 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

To see if the Town will vote to amend the Zoning Ordinance of the Town of Hampton to change Article I, Section 6, by adding a new subsection 12, defining "use change" to read:

"Use Change: Any use of a residential or non-residential nature which is proposed to be changed to another use which is dissimilar and of a non-residential nature."

### **ARTICLE 19**

Are you in favor of the adoption of Amendment No. 6 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

To see if the Town will vote to amend the Zoning Ordinance of the Town of Hampton to change Article I, Section 6 by adding a new subsection 13, defining "Penny Arcade," to read:

"Penny Arcades: A hall, walk, structure or building containing three or more coin-operated amusement devices. The expansion of a penny arcade is intended to include the addition of more coin-operated amusement devices within an existing penny arcade and/or the expansion of an existing hall, walk, structure or building where more than two coin-operated amusement devices are so located."

### **ARTICLE 20**

Are you in favor of the adoption of Amendment No. 7 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

To see if the Town will vote to amend the Zoning Ordinance of the Town of Hampton to change Article I, Section 6, by adding a new subsection 14, defining "Temporary Advertising Signs" to read:

"Temporary Advertising Signs: Any sign which is portable or otherwise not permanently affixed to any building, structure or surface, which directs

attention to a business, profession, commodity, service, or entertainment conducted, sold or offered upon the premises where the sign is located or any other premises.”

#### **ARTICLE 21**

Are you in favor of the adoption of Amendment No. 8 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

To see if the Town will vote to amend the Zoning Ordinance of the Town of Hampton to change Article I, Section 6, by adding a new subsection 15, defining “Health Care Facilities” to read:

“Health Care Facilities: Any facility not a home occupation or profession, providing health services, either for persons or animals, either on an inpatient or out-patient basis, and/or medical or surgical care of the sick or injured, including any related parts of such facility such as laboratories and service areas.”

#### **ARTICLE 22**

Are you in favor of the adoption of Amendment No. 9 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

To see if the Town will vote to amend the Zoning Ordinance of the Town of Hampton to change Article III, Section 13, by providing that “General outdoor recreation of a non-commercial nature” may be permitted in all Use Districts.

#### **ARTICLE 23**

Are you in favor of the adoption of Amendment No. 10 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

To see if the Town will vote to amend the Zoning Ordinance of the Town of Hampton to change Article III, Section 14, by adding “The expansion of any penny arcade or the establishment of any penny arcade within 2,000 feet of any other penny arcade” to the list of commercial amusements prohibited in all Use Districts.

**ARTICLE 24**

Are you in favor of the adoption of Amendment No. 11 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

To see if the Town will vote to amend the Zoning Ordinance of the Town of Hampton to change Article III, Section 27, to permit the sale of intoxicating liquors or beverages in the General (G) Use District, which sales are presently prohibited.

**ARTICLE 25**

Are you in favor of the adoption of Amendment No. 12 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

To see if the Town will vote to amend the Zoning Ordinance of the Town of Hampton to change Article IV, Section 7, decreasing the maximum number of dwelling units per structure in certain Use Districts to the following:

Residence B (RB)	8 units (presently 24)
Business (B)	8 units (presently 24)
General (G)	8 units (presently 24)
Industrial	0 units (presently 24)

**ARTICLE 26**

Are you in favor of the adoption of Amendment No. 13 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

To see if the Town will vote to amend the Zoning Ordinance of the Town of Hampton to change Article V, Section 1, Subsections 4 and 5 by combining the two subsections into a new Subsection 4 (thereby deleting the existing Subsection 5), reading:

“Moving, flashing, animated, rotating or occulting lights and /or devices” and to prohibit all such lights and/or devices in all Use Districts.”

**ARTICLE 27**

Are you in favor of the adoption of Amendment No. 14 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

To see if the Town will vote to amend the Zoning Ordinance of the Town of Hampton to change Article V, Section 1, by adding a new subsection 5 to read:

“Temporary advertising signs, provided that such signs are:

A. Not on the premises for more than ten (10) days during any month.

b. If illuminated, not more than 300 watts of illumination.

c. Placed upon the premises only upon permit issued by the Building Inspector.

Such signs are to be permitted in the Business (B), Business-Seasonal (BS), Industrial (I), and General (G) Use Districts and prohibited in all other Use Districts.”

#### **ARTICLE 28**

Are you in favor of the adoption of Amendment No. 15 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

To see if the Town will vote to amend the Zoning Ordinance of the Town of Hampton to change Article V, Section 1, by renumbering the existing subsection 6 to subsection 7 and adding a new subsection 6 pertaining to Political Posters to read:

“Political Posters erected no more than fifteen (15) days prior to the election to which they pertain and removed no later than twenty-four (24) hours subsequent to that election to be permitted in all Use Districts.”

#### **ARTICLE 29**

Are you in favor of the adoption of Amendment No. 16 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

To see if the Town will vote to amend the Zoning Ordinance of the Town of Hampton to change Article V, Section 2, by adding a new Subsection 3 reading: “Political Posters or Signs”, and to provide that such posters and signs shall be limited in maximum size to four (4) square feet in the Residence AA, (RAA),

Residence A (RA), and Residence B (RB) Use Districts, and to provide that the maximum permitted size for such posters and signs in all other Use Districts shall be as provided in Article V, Section 2, Subsection 1.

### **ARTICLE 30**

Are you in favor of the adoption of Amendment No. 17 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

To see if the Town will vote to amend the Zoning Ordinance of the Town of Hampton to change Article VI, Section 2, by exempting commercial businesses, except those engaged in the letting of rooms, in the Business-Seasonal Use District, from the requirement of providing off-street parking facilities if public parking is available within 300 feet, and adding a new provision construing "units," to read:

"No off-street parking facilities shall be required with respect to any building if located within 300 feet of a municipal or governmental parking lot if the proposed building has twelve (12) or fewer units, or it is a commercial business in the Business-Seasonal Use District (BS) not engaged in the letting of rooms. Any construction which results in more than twelve (12) units in any building must provide off-street parking for all units, including both pre-existing and additional units. For the purpose of this subsection, "units" shall be construed to include each dwelling unit and each room, suite or group of rooms intended, designed or used as a permanent or temporary residence or lodging by an individual, individuals or family."

### **ARTICLE 31**

Are you in favor of the adoption of Amendment No. 18 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

To see if the Town will vote to amend the Zoning Ordinance of the Town of Hampton to change Article VII, Section 2, to exempt buildings of more than (5) dwelling or rental units from the uniformity in exterior design re-

quirements of this Article, by adding a sentence to read:  
“Provided however that the uniformity in exterior design requirements of this article shall not apply to buildings containing more than five (5) dwelling or rental units.”

### **ARTICLE 32**

Are you in favor of the adoption of Amendment No. 19 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

To see if the Town will vote to amend the Zoning Ordinance of the Town of Hampton to change Article X, Section 1, Subsection 4, to provide that the usual permit fee schedule shall not apply to permits for demolition, to be replaced by a flat fee in the amount of Two (\$2.00) Dollars, said provision to be inserted after the first sentence and to read:

“This fee schedule shall not apply to any permit issued for demolition, but rather the fee for such permit shall be in the amount of Two (\$2.00) Dollars.”

### **ARTICLE 33**

Are you in favor of the adoption of Amendment No. 20 as proposed by the Planning Board for the Town Zoning Ordinances as follows:

To see if the Town will vote to amend the Zoning Ordinance of the Town of Hampton to change Article XI, Section 9, to provide that single and two family dwellings shall comply with the “One and Two Family Dwelling Code” and other regulations rather than the National Building Code, to read:

“All construction, other than single and two family dwellings shall conform to the latest edition of the National Building Code, 1967, as amended, as recommended by the American Insurance Association, successor to the National Board of Fire Underwriters. Construction of Single and Two-Family Dwellings shall conform to the latest edition of the One and Two Family Dwelling Code, 1975, as amended, and to any state or local laws, regulations or ordinances pertaining to such construction.”

### **ARTICLE 34**

To see if the Town will vote to establish a Capital Reserve Fund for the purposes of construction of a new fire station and renovating the present district court building and to raise and appropriate the sum of \$160,000.00 for these purposes as provided in R.S.A. 35:1.

(Recommended by the Budget Committee)

### **ARTICLE 35**

To see if the Town will vote to adopt the following by-law regarding the licensing of coin-operated amusement devices:

1. It shall be unlawful for any person, firm or corporation to allow the operation of coin-operated amusement devices in any hall, walk, structure or building of which he is the owner, lessee or manager, without first having obtained a license therefor.
2. Such license shall be issued by the Selectmen after application to the Building Inspector and payment of the within fee and shall be valid until March 31 following the date of issuance for the operation of not more than the number of machines stated there-on.
3. Such application shall state the name and address of the owner, lessee and, if any, the manager of the establishment for which the license is sought, its location, and the number of coin-operated amusement devices in such establishment at the date of issuance.
4. The fee for such license shall be in the amount of Two (\$2.00) Dollars for any hall, walk, structure or building containing one or two such devices, and Ten (\$10.00) Dollars for any hall, walk, structure or building containing three or more such devices.
5. Such license must be conspicuously posted in the establishment for which it is issued.
6. No license shall be issued for the operation of a

number of coin-operated amusement devices which is in violation of the Zoning Ordinances of the Town of Hampton.

7. Any person, firm, or corporation violating any provision of this by-law shall be fined not more than Twenty-five (\$25.00) Dollars.

### **ARTICLE 36**

On petition of ten or more legal voters of the Town of Hampton, to see if the Town will vote to discontinue, in accordance with RSA 238:1, a certain portion of that part of Landing Road running Southerly from Park Avenue to the Exeter-Hampton Expressway Right-of-Way, that portion being approximately 590.71 feet in length and lying Southwesterly of an Easterly extension of the Southerly boundary of land formerly of Saunders (now of Ralph M. and Patricia M. Furbush) as shown on a certain "Plan of Land, Landing Road, Hampton, N.H. Bernard A. Barteau to Winnacunnet Cooperative High School, Wright, Pierce, Barnes & Wyman Engineers, Portsmouth, N.H., Scale 1" = 50' date 11/10/72" and recorded as Plan #D-4077 at the Rockingham County Registry of Deeds.

Provided, however, that such discontinuance shall not take effect unless and until the Winnacunnet Cooperative School District, by vote at its 1976 Annual Meeting, authorizes its School Board to execute and deliver an option acceptable to the Board of Selectmen of Hampton, providing for the reconveyance of said portion to the Town if so voted by the Town at any regular or special Town Meeting, and such option is so executed and delivered.

### **ARTICLE 37**

On petition of the Lane Memorial Library Trustees, Dorothy M. Little, Chairman; Stillman Hobbs, Treasurer; and Martha W. Williams, Secretary; and seven or more other legal voters of the Town of Hampton, to see if the Town will vote to authorize the Town Moderator to appoint a building committee of five residents of the Town of Hampton to study a proposal to construct an addition

to the existing Lane Memorial Library Building on its Northerly side along Academy Avenue on land owned by the Town of Hampton, and to present a report on same at the 1977 Town Meeting for the Town of Hampton.

### **ARTICLE 38**

On petition of Ann L. Moore and 13 other legal voters of the Town of Hampton, to see if the Town will vote, on a yes or no ballot, to forbid smoking by all persons in any and all public sessions of Town Boards, Departments, Committees, Commissions or such similar groups held in the Town of Hampton

### **ARTICLE 39**

On petition of Robert H. Bently and 18 other legal voters of the Town of Hampton, to see if the Town will vote to adopt Voluntary Prayer in school.

### **ARTICLE 40**

To see if the Town will vote to amend Chapter 3 of the Town's Code of Ordinances, entitled Highways and Traffic by inserting after Article 3A the following new Article:

#### **ARTICLE 3B NOISE CONTROL**

Section 3:321 Excessive, Unnecessary or Unusually Loud Noises.

It shall be unlawful for any person, group, firm, company, partnership, corporation or other lawfully cognizable person to make, continue or cause to be made or continued any

- (a) excessive, unnecessary or unusually loud noise, or
- (b) any noise which either annoys, disturbs, injures or endangers the comfort, repose, health, peace or safety of others within the limits of the town.

Section 3:322 Interpretation.

This article shall be strictly construed, consistent with such restrictions as may be imposed by RSA 21 and RSA 625:3, as amended.

### Section 3:323. Noises Further Defined.

For the purposes of Section 321 above, the following enumerated acts are declared to be excessive, unnecessary or unusually loud noises or any noise which either annoys, disturbs, injures or endangers the comfort, repose, health, peace or safety of others within the limits of the town. The following enumeration shall not be deemed to be an exclusive listing of all acts violative of Section 321 above:

- (a) **Horns, Signaling Devices, etc.** The sounding of any horn or signaling device on any automobile, motorcycle, street car or other vehicle on any street or public place of the town, except as a danger warning; the sounding of any such device for an unnecessary and unreasonable period of time.
- (b) **Radios, Phonographs, etc.** The using, operating, or permitting to be played, used or operated any radio receiving set, musical instrument, phonograph, or other machine or device for the producing or reproducing of sound in such manner as to disturb the peace, quiet and comfort of the neighboring inhabitants at any time with louder volume than is necessary for convenient hearing for the person or persons who are in the room vehicle or chamber in which such machine or device is operated and who are voluntary listeners thereto. The operation of any such set, instrument, phonograph, machine or device between the hours of one o'clock a.m. and seven o'clock a.m. in such a manner as to be plainly audible at a distance of twenty-five (25) feet from the building, structure or vehicle in which it is located shall be *prima facie* evidence of a violation of this section.
- (c) **Loud Speakers, Amplifiers for Advertising.** The using, operating or permitting to be played, used, or operated of any radio receiving set, musical instrument, phonograph, loudspeaker, sound amplifier, or other machine or device for the producing or reproducing of sound which machine

- or device is placed upon public way or on a platform or vehicle which is on a public way, for the purpose of commercial advertising or attracting the attention of public to any building or structure.
- (d) **Yelling, Shouting, etc.** Yelling, shouting, hooting, whistling, or singing on the public street, particularly between the hours of one a.m. and 7 a.m. or at any time or place so as to annoy or disturb the quiet, comfort, or repose of persons in any dwelling, hotel or other type of residence, or of any persons in the vicinity.
- (e) **Exhausts.** The discharge into open air of the exhaust of any steam engine, diesel engine, stationary internal combustion engine, motor boat, or motor vehicle except through a muffler or other device which will prevent loud or explosive noises therefrom.
- (f) **Loading, Unloading, Opening Boxes.** The creation of a loud and excessive noise in connection with loading or unloading any vehicle or vessel or the opening or destruction of bales, boxes, crates and containers. The loading or unloading of any vessel in any district between the hours one a.m. and seven a.m. weekdays and Saturdays and all hours on Sunday in such a manner as to be plainly audible to neighboring inhabitants at a distance of twenty-five (25) feet from such loading or unloading, shall be *prima facie* evidence of a violation of this section.
- (g) **Construction or Repairing of Buildings.** The erection (including excavation), demolition, alteration or repair of any building other than between the hours of seven a.m. and six p.m. on weekdays, except in case of urgent necessity in the interest of public health and safety, and then only with a permit from the Building Inspector, which permit may be granted for a period not to exceed three (3) days or less while the emergency continues. If the Building Inspector should determine

that the public health and safety will not be impaired by the erection, demolition, alteration or repair of any building or the excavation of streets and highways within the hours of six p.m. and seven a.m., and if he shall further determine that loss or inconvenience would result to any party in interest, he may grant permission for such work to be done within the hours of six p.m. and seven a.m., upon application being made at the time the permit for the work is awarded or during the progress of the work.

- (h) **Schools, Courts, Churches, Hospitals.** The creation of any excessive noise on any street adjacent to any school, institution of learning, church or court while the same are in use, or adjacent to any hospital, which disturbs or unduly annoys patients in the hospital, provided conspicuous signs are displayed in such streets indicating that the same is a school, hospital or court street.
- (i) **Drums.** The use of any drum or other instrument or device for the purpose of attracting attention by creation of noise to any performance, show or sale.
- (j) **Pile Drivers, Hammers, Etc.** The operation between the hours of seven p.m. and seven a.m. during weekdays and Saturdays and any Sunday operation of any pile driver, steam shovel, diesel shovel, diesel clam shell, bulldozer, backhoe, bucket dozer, pay loader, derrick, crane, conveyor systems, air compressor, steam or electric hoist or other appliance which is attended by loud or unusual noise. However, this section is not intended to prevent any noises necessary when making emergency repairs.

#### Section 3:324 Manner of Enforcement.

Violations of this ordinance shall be prosecuted in the same manner as other violations of the ordinances of the Town of Hampton. Complaints may be brought by the Hampton Police Department or the Building Inspector, his agent or by any other person under oath.

### Section 3:325 Penalty.

Any person, group, firm, company, partnership, corporation or other lawfully cognizable person shall be liable to a penalty of not more than One Hundred Dollars (\$100.00) for each offense. For the purposes of this Article, each calendar day during which such offense occurs shall constitute a separate offense.

### Section 3:326 Additional Remedy — Injunction.

As an additional remedy, the operation or maintenance of any device, instrument, vehicle or machinery in violation of any provision hereof and which endangers the comfort, repose, health or peace of residents in the area shall be deemed, and is declared to be a public nuisance and may be subject to abatement summarily by a restraining order or injunction issued by a court of competent jurisdiction.

### Section 3:327 Separability.

Each separate provision of this ordinance shall be deemed independent of all other provisions herein, and if any provision of this ordinance be declared to be invalid, all other provisions thereof shall remain valid and enforceable.

### Section 3:328

All ordinances or sections of ordinances inconsistent herewith are hereby repealed.

## **ARTICLE 41**

To see if the Town will vote to authorize the Selectmen to issue a proclamation in honor of Independence Day, the Fourth of July, 1976 - the 200th An-

niversary of our Nation's birth, as recommended by the American Revolution Bicentennial Celebration Committee of Hampton.

#### **ARTICLE 42**

To see if the Town will vote to name the new Selectmen's Meeting Room the Lawrence Hackett Room.

#### **ARTICLE 43**

To see if the Town will vote to give the Selectmen power to accept, administer, (including leasing for a term of years), or sell any Real Estate acquired through tax deeds; any sale to be at public auction or by requesting sealed bids therefor with reserve, with the exception that all tidal and fresh water marsh acquired through tax deeds be kept by the Town and placed under the jurisdiction of the Conservation Commission.

#### **ARTICLE 44**

To see if the Town will vote to give the Selectmen power to lease any Real Estate owned by the Town, heretofore leased by the Town, for such period of time and upon such terms and conditions as the selectmen shall decide. The authority conferred by this Article is intended to be substituted for the Authority conferred by Article 13 as voted by the 1975 Town Meeting.

#### **ARTICLE 45**

To see if the Town will vote to rescind the 1975 Town Meeting action on Article 27 and adopt the following: Establish a Shade Tree Commission, consisting of three (3) members, appointed by the Board of Selectmen for three (3) years. The respective terms of two (2) of the members first appointed shall be one (1) and two (2) years, and the third member for three (3) years. An annual report describing the activities of the Commission, shall be submitted to the Selectmen by December 1st of each year for inclusion in the Annual Town Report.

**ARTICLE 46**

To transact any other business that may legally come before this meeting.

Given under our hands and seal this 14th day of February, 1976.

Clifford Eastman, Sr., Chairman  
Robert V. Lessard, Vice Chairman  
James F. Fallon  
Francis Fitzgerald  
Helen W. Hayden

## **AUDITOR'S OPINION**

We have examined and audited the accounts and records of the Town of Hampton, New Hampshire for the fiscal year ended December 31, 1975.

Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion, the accompanying balance sheets and statements of sources of revenues and expenditures, present fairly the financial position of the Town of Hampton, New Hampshire at December 31, 1975, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applicable to governmental entities, applied on a basis consistent with that of the preceding fiscal year.

Respectfully submitted,  
Plodzick and Sanderson

## **LETTER OF TRANSMITTAL**

We have examined the books and records of the Town of Hampton, New Hampshire for the fiscal year ended December 31, 1975, and have prepared the attached exhibits and schedules in conformity with the recommended format prescribed by the Municipal Services Division of the State of New Hampshire.

## **SCOPE OF AUDIT**

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, District Court, Library, Trustees of Trust Funds, Bicentennial Celebration Committee and Conservation Commission.

## FINANCIAL INFORMATION

### General Fund:

#### Comparative Balance Sheets: (Exhibit A-1)

Comparative balance sheets which disclose the financial condition of the general fund as of December 31, 1974 and December 31, 1975, are presented in Exhibit A-1. As indicated therein, the current surplus of the Town increased by \$2,766 in 1975, from \$248,739 at December 31, 1974 to \$251,505 at December 31, 1975.

#### Analysis of Change in Current Financial Condition: (Exhibit A-2)

An analysis of the factors which caused the change in financial condition of the Town during the fiscal year is contained in Exhibit A-2. These were as follows:

#### Increase in Current Surplus:

Net Budget Surplus (Exhibit A-4)	\$100,459
----------------------------------	-----------

#### Decreases in Current Surplus:

Surplus Used to Reduce Tax Rate	\$97,100
---------------------------------	----------

Prior Year Payroll Tax Adjustment	593
-----------------------------------	-----

---

97,693

#### Net Increase in Current Surplus

---

\$2,766

---

#### Comparative Statements of Appropriations and Expenditures - Estimated and Actual Revenues: (Exhibits A-3 and A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1975, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a revenue surplus of \$64,151 plus a net unexpended balance of appropriations of \$36,308 resulted in a net budget surplus of \$100,459 in 1975.

#### Long-Term Indebtedness:

#### Comparative Balance Sheets: (Exhibit A-5)

Comparative Balance sheets disclosing the long-term indebtedness of the Town as of December 31, 1974 and December 31, 1975, are included in Exhibit A-5. As

stated therein, the long-term debt of the Town increased by \$1,197,720 in 1975, from \$477,400 at December 31, 1974 to \$1,675,120 at December 31, 1975. Sewer bonds totaling \$1,280,000 were issued during the year, while indebtedness payments amounting to \$82,280 were made during the year.

**Statement of Debt Service Requirements:** (Exhibit A-6)

A statement showing annual debt service requirements of principal and interest is included in Exhibit A-6.

### **Capital Projects Fund:**

**Comparative Balance Sheets:** (Exhibit A-7)

Comparative balance sheets disclosing the financial condition of the capital projects fund as of December 31, 1974 and December 31, 1975, is contained in Exhibit A-7. As indicated therein, long-term notes or bonds authorized-unissued amounted to \$99,134 at December 31, 1975.

The unappropriated surplus, representing premium and accrued interest realized from the sale of the sewer bonds, plus interest earned on investments, amounted to \$10,259. Unless these funds are appropriated by vote of the Town, they may be expended only in accordance with the provisions of the New Hampshire Revised Statutes Annotated, Chapter 33 Section 3-A.

## **OTHER FUNDS AND OFFICIAL'S ACCOUNTS**

The accompanying supplemental exhibits covering segregated funds and the accounts of those officials entrusted with the custody, receipt or expenditure of Town funds, are presented in accordance with the current requirements of the Municipal Services Division of the State of New Hampshire. Although not considered necessary for a fair presentation of the financial statements and results of operations, our examination of these accounts included the same tests and auditing procedures applied in the examination of the aforementioned

tioned financial statements. In our opinion, these exhibits are stated fairly in all material respects when considered in conjunction with the financial statements taken as a whole.

### GENERAL COMMENTS

At the March, 1973 School District meeting, a deficit appropriation of \$14,475.82 for the Hampton School District was authorized and remitted to the District in fiscal 1972-73 as provided by law. As required, this amount was subsequently raised in the 1973-74 school budget and should have been deducted from the total district assessment due the school for that year. However, the Town records indicate that the full amount of the assessment, which included the deficit appropriation remitted to the district the previous fiscal year, was paid. Likewise, this amount was not deducted from the 1974-75 school assessment paid. Therefore, in order to reconcile this account, the total amount of school tax due the district for fiscal 1975-76 should be reduced by this deficit appropriation amounting to \$14,475.82.

Our review of the Landing and Lafayette road sewer interceptor fund revealed that a cash balance of over \$200,000 remained in the checking account during the last three months of 1975. Chapter 41, Section 29, of the Revised Statutes Annotated provides for the investment of idle funds by a municipality. We recommend that the Town institute procedures for determining the cash flow for the capital projects fund in order to establish a proper investment program.

We extend our thanks to the officials and the office staff of the Town of Hampton for their assistance during the course of the audit.

Very truly yours,  
Plodzick and Sanderson
